The Equitable Life Assurance Society
OF THE UNITED STATES.

This Society has issued Policies during the year 1871 to the ENORMOUS AMOUNT of
\$40,000,000,
thus maintaining its proud pre-eminence as doing the LARGEST business of any Life Assurance Company in the World.

In its rates of premiums, amounts of yearly dividends, advantages and varied forms of policies, the **EQUITABLE** is surpassed by none, and equalled by few other first class Companies.

ASSETS.....\$18,000,000
INCOME.....8,000,000

The **EQUITABLE** has lately introduced a new method of **LIFE ASSURANCE**, which is destined to completely revolutionize the business of Life Assurance.

By this **NEW METHOD OF LIFE ASSURANCE**, which applies the Tontine principle to the distribution of dividends, and which, by allowing the assured to sell his policy to the Company only after stated periods, results more favorable than any hitherto experienced may be enjoyed by persons possessed of constitutional longevity, who keep their policies in force until the middle or latter part of their lives.

THE NEW
Tontine Savings Fund Policy

Is based on the above conditions, and presents the following distinguishing features, which are illustrated by a CALCULATION OF PROBABLE RESULTS on a policy of Ten Thousand Dollars, at ORDINARY LIFE RATES, Age 37 annual premium.....\$281.70.

First-Sale of Policy to the Company.

At the end of 10 years.....	104 per cent. of premiums returned.
" " 15 ".....	151 " " "
" " 20 ".....	201 " " "

Second-Paid-Up Policy.

At the end of 10 years.....	\$ 7,000
" " 15 ".....	14,000
" " 20 ".....	23,000

Third-An Annuity.

At the end of 15 years the profit will surmount the ANNUAL PREMIUM, and, with the subsequent Annual Dividends will purchase a yearly income of.....\$173.30
Or, at the end of 20 years, of.....\$27.40

These estimates are derived from a careful digest of Past Experience, and are endorsed by
SHEPARD HOMANS,
Consulting Actuary.

This system has the approbation of the leading Financiers, Bankers and Merchants of New York.

Persons intending to assure their lives will find it to their advantage to examine this new plan with care. Booklets, giving full particulars of the rules of the Company with regard to the issue of the above Savings Fund policy, extended tables of rates, and other interesting matters, may be obtained by application to the

EQUITABLE LIFE ASSURANCE SOCIETY,
120, Broadway, New York,
