EGYPT REJECTS DULLES' PLAN

Three Killed Near Granby — Three died when these two cars collided violently on the highway between Granby and Waterloo on Saturday. Killed in the car at left, was driver, Leo Martin, 31, of 113 St. Antoine St., Granby, and in the second, Renaud Champagne, 20, of Stornoway, Que. Another passenger in Champagne's car, Louis Plante, 23, also of Stornoway, later died in St. Joseph's Hospital, Granby. Three others in the second car, are in serious condition. Bucks International Operation Of Suez; Pledges "Free" Canal

LONDON — (AP) — An Egyptian official today rejected an American plan to ease the Suez crisis several hours before it was to be put formally before the 22-country conference on the canal's future.

Fifteen countries were reported lined up behind the plan State Secretary Dulles of the United States was to introduce in written form at an afternoon conference session.

Meanwhile, a high Western official said that the danger of shooting as a result of Egypt's seizure of the Suez Canal Co. has diminished considerably. The official said Dulles has won Prime Minister Eden over to his view that the nationalization must be countered by moral force rather than a military show of strength.

Dulles also was reported convinced that the Soviet Union is anxious to avoid any risk of war in the Middle East.

The new rejection of Dulles' proposal was made by Ali Sabry, President Nasser's chief political aide who is in London observing the conference from the sidelines. Egypt declined to attend the conference.

In an interview published today, Ali Sabry repeated the Egyptian stand that international operation of the Suez is unacceptable. But he also said that interference with free passage of ships through the canal would be an act of aggression punishable by the United Nations.

Canal Co., which operated the canal for nearly a century before Egypt's seizure. 4. Establishment of an international board including Egypt, to operate, enlarge and improve the canal. The board would report to the United Nations, and its activities would be reviewed by some UN body.

The critical point was the last one. Nasser has repeatedly said he would never accept international operation of the canal.

World News In Brief

BHUJ, India (Reuters) — Prime Minister Nehru suffered bruises on his right arm, right knee and right shoulder Saturday night when a jeep in which he was travelling overturned near Anjar. Nehru was thrown out.

The commissioner of Kutch state, S. A. Ghatge, and Indian Railways Minister Lal Bahadur Shastri also were jolted but unhurt in the crash.

WASHINGTON — (AP) — A weak wave of radioactivity has moved across the United States in the last week, the public health service disclosed Saturday.

Henry Rechen, senior sanitary engineer for the service, said "it may have been the slow-moving tail of the nuclear tests in the Pacific last month."

He added that the fall-out is "infinitesimal" and there is "no danger to health."

DOMINION, N. S. — (AP) — Two persons were killed and another seriously injured late Saturday night when their car apparently missed a turn on a foggy stretch of highway and hit a telephone pole.

Fear Repeat Of Year-Ago Massacre

ALGIERS — (Reuters) — Troops and police stood by today throughout Algeria to meet possible insurgent attacks marking the anniversary of last year's massacre of 100 Europeans in this French North African territory.

Road blocks were thrown up Sunday night in Bone, in the Constantine department—centre of the 1955 massacre.

Bone, a North Algerian port, was the scene of violent scenes Sunday night. A score of persons were killed when bullets flew among Sunday evening strollers.

The most serious incident was in the busy Place d'Armes, where shots from among pavement crowds killed a policeman leading a security patrol.

French soldiers chased the attackers, and cafe terrace patrons scattered as bullets began to fly.

The fleeing insurgents ran into a group of French paratroops and fought a gun battle with them. Twenty Moslems were reported dead and three soldiers wounded.

British Prelate Dies In Cornwall

LONDON. — (AP) — Bernard Cardinal Griffin, archbishop of Westminster and Britain's highest Roman Catholic prelate, died early today after a heart attack. He was 57, and had been in poor health for the last five years.

The prelate, who had suffered four heart attacks since 1951, died while on vacation in Cornwall.

Shepilov Moving Skillfully To Boost Russia In Mid-East

LONDON — (AP) — The Soviet Union has become a spokesman here for the 80,000,000 people of the Arab world.

For four days, Soviet Foreign Minister Dmitri Shepilov has used the 22-nation Suez conference to play the role of the Arab's friend and protector against the big Western powers.

He has been saying all the things the Arab nations, now in a wave of a nationalism, want to hear.

Homeric On Schedule Despite Bump

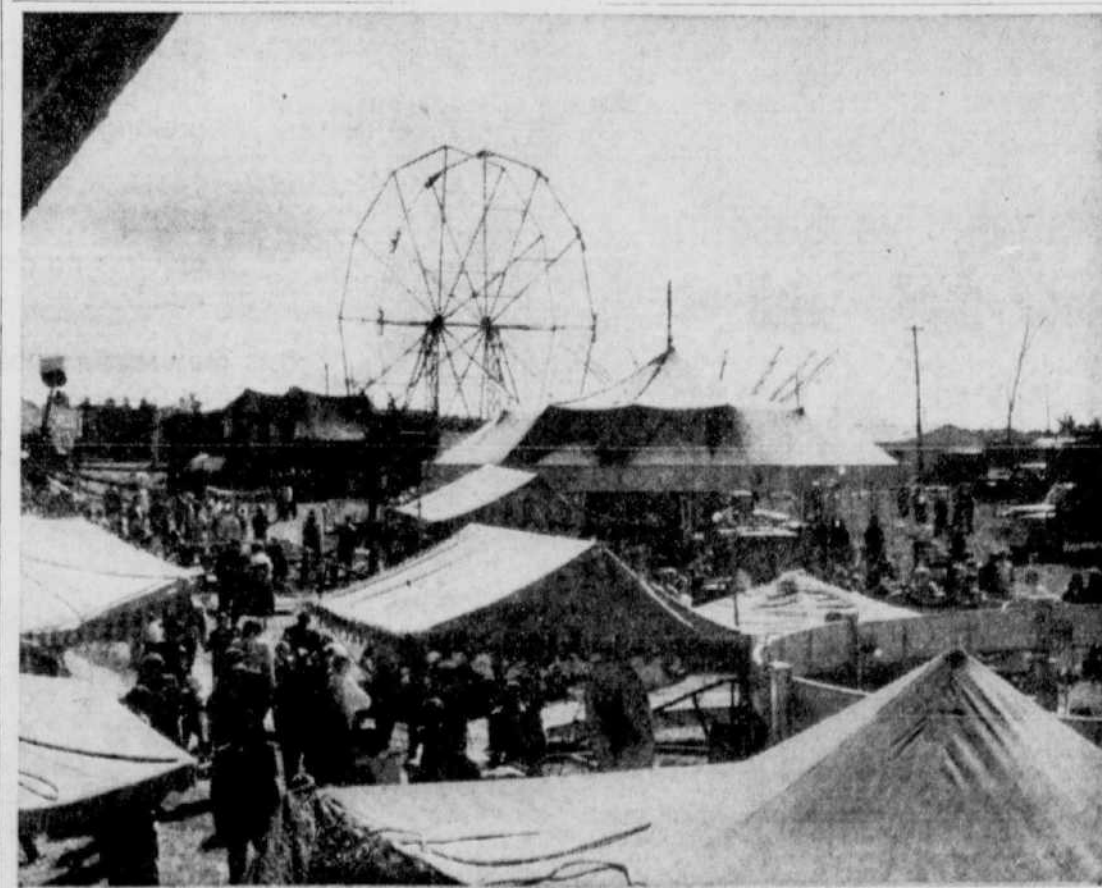

QUEBEC — The 26,000-ton liner Homeric left on schedule early today for France and England despite a slight collision with the liner Columbia in fog-shrouded Quebec harbor Saturday.

Damage to both liners was slight. The Homeric was arriving from Europe with 1,197 passengers and her bow struck the starboard side of the Columbia as she was being swung into dock by two tugs.

The Columbia left Saturday night despite damage over a 20-foot area in her side. Her chief engineer said repairs would be carried out in Germany.

Most passengers on the Homeric didn't know there had been a collision.

The Homeric is owned by the Home Lines and the 16,000-ton Columbia is operated by the Greek Line.

Cookshire Fair Opens — Afternoon sunshine favored opening day of the Compton County exhibition yesterday at Cookshire. Part of the 2,500 people estimated attending the first of the three-day event are seen above enjoying the midway. Stock judging will not start until today. (Photo by Gerry Lemay)

Specifically he has been carrying Egypt's case against an international authority to run the canal which the Egyptians nationalized last month.

But his defence of Egypt extends to all the other turbulent Arabian countries, jealous of attempts by the West to retain its fading influence in the area.

In so doing, Shepilov has solidified the Soviet Union's growing importance in Middle East affairs.

Shepilov has constantly hit out at the present conference as incompetent. He has demanded that it be broadened to include all the Arab nations, friendly to Egypt, plus Red China and the East European satellites, and that it meet elsewhere, preferably in Cairo.

That is just what Egypt has been demanding.

The Soviet Union, said Shepilov, hasn't any interest but the desire to see justice done.

"On behalf of the Soviet government I would like to particularly stress that the Soviet Union does not seek any privileges or special advantages in the area of the Near and Middle East," he said. "We possess innumerable natural resources throughout a vast territory and we do not wish to have concessions... or share in profits."

"The attempts to impose on Egypt by force plans for an international authority would mean violation of peace in the Near and Middle East. One cannot fail to see that such violation would be limited to a local conflict in the area of the Suez Canal."

The Soviet Union's own colonial record, including its iron grip on the millions of Moslems

within its own boundaries, was ignored. It was skillful fishing in troubled waters.

U.K. Rushes Constitution For Cyprus

NICOSIA, Cyprus (Reuters) — The Cyprus press reported today that Prime Minister Eden has asked Lord Radcliffe in London to produce a draft constitution for Cyprus as soon as possible so as to take the quickest advantage of the terrorist cease-fire.

The newspapers, quoting London sources, say Radcliffe has been asked to make another visit to this British Mediterranean island, possibly before the end of the month.

It is recalled here that during his visit last month Radcliffe was unable to hold political talks with Greek Cypriots, who maintained that the exiled Archbishop Makarios was their only spokesman.

There is no indication yet that they have shifted ground on this point, but there is speculation here that the British government is considering removing the archbishop from his interment in the Seychelles Islands—though not to Cyprus—in order to allow him to negotiate a settlement.

The reports are not confirmed by official sources.

The Greek-Cypriot terrorist organization EOKA called for a truce last week after 16 months of violence backing a campaign to unite this British colony with Greece. The Turkish minority on the island opposes union.

Paper Says 75 Fired For Voting Anti-UN

TORONTO — (AP) — The Globe and Mail quotes Alcide Courcy, newly-elected Liberal member of the Quebec legislature for Abitibi West, as saying about 75 persons have been fired in his constituency as reprisals for the defeat of the Union Nationale candidate in the June 22 Quebec election.

In a dispatch from Rouyn, Que., the newspaper quotes Mr. Courcy as saying Sunday the dismissals occurred at Lasarre, a town 50 miles northwest of Rouyn.

The story adds: "He (Mr. Courcy) said men lost their jobs as reprisals for the defeat of the Union Nationale candidate, Emile Lesage, who had represented Abitibi West for 15 years."

Nab Lawyer Sought For Two Years

NEW YORK — (AP) — A prominent Montreal lawyer, sought for more than two years since he disappeared and forfeited \$10,000 bail while awaiting trial on a charge of receiving \$21,000 in stolen postage stamps, was arrested late Sunday night in Grand Central Station.

Lucien Gagnon, 48, of Montreal, was taken into custody by Robert Robitaille of the Royal Canadian Mounted Police, and two city detectives.

Police said the man was arrested as he was about to see his wife off on a trip to Canada aboard the Montreal Limited.

The New York officers said Mrs. Gagnon had made periodic trips to New York during the last two years to supply her husband with money. They said the RCMP had been trailing her for some time, and that she finally led him to her husband in the railroad station Sunday night.

Waterfront Blaze Origin Investigated

HALIFAX — Police and fire officials opened an investigation today into the origin of a three-alarm blaze that destroyed four waterfront warehouses, damaged two others and caused an estimated \$250,000 damage.

City detectives, members of the fire prevention bureau and provincial fire marshal Kenneth Partington will probe the cause of the blaze, described by Fire Chief Fred C. MacGillivray as "one of the worst waterfront fires in 40 years of firefighting."

Destroyed in the blaze were four wooden warehouses owned by Foundation Maritime Limited. Damaged was a two-storey stone structure owned by Irving Oil and a building occupied by William Stairs Son and Morrow Ltd.

During the height of the blaze, flames licked skyward 500 feet away from three oil company storage tanks. Firemen and police took no chances and ushered hundreds of spectators away from the area although the wind was blowing the flames away from the tanks.

Fear For Safety Of Canadians On Raft Adventure

Brest, France — (AP) — Fears were expressed today for the safety of three Canadians who began drifting across the Atlantic on a raft, the Egare II, last May.

The raft, carrying Henri Beaubont, Gaston Vanackere and Marc Modena of Montreal, was sighted by a French trawler some 200 miles off Brest six days ago. Since then it has not been reported and no radio contact has been made. Stormy weather during the last week may have damaged the little craft.

The Egare II was launched off the Nova Scotia coast with the intention of drifting to France in ocean currents.

Nomination Of Nixon Certainty

SAN FRANCISCO — (AP) — President Eisenhower was reportedly reported today to be ready to give Vice-President Nixon a clear track for renomination at the Republican party's convention.

In the face of a campaign by Harold E. Stassen to dump Nixon, the vice president's associates said they had received assurances that Eisenhower would submit neither publicly nor privately any list of men he regards as qualified and acceptable to him as a running mate.

Stassen pinned his drive to replace Nixon in a hope that Eisenhower would let it be known before the convention's balloting on Wednesday that some others would be equally suitable as a vice-presidential nominee.

Stassen, on leave of absence as Eisenhower's disarmament assistant, has been plugging for the reluctant Governor Christian A. Herter of Massachusetts. Herter is asking representative Joseph W. Martin, the convention's permanent chairman, to withdraw his name if it is offered for second place on the ticket.

In the absence of any indication from Eisenhower that others are acceptable, Nixon's renomination now appears to everybody probably including Stassen—as about as certain as the shout of acclamation scheduled to greet the formal offering of Eisenhower's name to the convention.

The following were reported ready to support the plan: the U.S., Britain, France, West Germany, Norway, Denmark, Italy, Portugal, Sweden, Japan, New Zealand, Australia, Pakistan, The Netherlands and Turkey.

The Dulles resolution provided for:

1. Removal of the Suez from the political sphere of any country.
2. Expression of respect for the sovereignty of Egypt.
3. Fair compensation to the stockholders of the Suez

Saturday Night Fire

Pariseau's Restaurant on Dufferin Ave., was damaged late Saturday night when fire broke out behind the counter, presumably from the motor of the refrigerator. The blaze was under control within 15 minutes and damage was caused mostly from heavy smoke and water.

Firemen from Station 1, under the direction of Capt. C. A. Fortin and Lieuts. L. P. Harton and L. P. Lessard, quelled the blaze. Some water damage was done to the adjoining premises of Martin Furs.

COATICOOK

About 30 members of the 27th Field Battery, R. C. A., were among the reserve army soldiers of the Townships who attended camp at Petawawa recently. Five other units from the area were also at camp where an extensive refresher course in modern weapons was received. All the men from here reported that they had a fine time and most of them have a good tan to show for the hours they spent in the sun on the target areas.

Over 9,000 persons and over 2,000 cars have been counted since April 1st as visitors flock to the government fish hatchery at Lake Lyster. During July alone more than 5,000 visitors came to see the many kinds of fish in the several ponds at the site, as well as the few wild animals which have been added.

Mr. J. O. Boisvert, who has been in the jewellery store business for 24 years, has sold his store to Mr. J. R. Boileau, of Beloeil. The latter has had eight years experience in the watch import trade with a Montreal firm.

Mr. Lionel Marcoux has decided to divide his store property, next to the Lajoie store, and will occupy half of the building himself for his children's clothing business, while Mrs. B. Drolet, who presently has a dry goods store in the Lestage block, will open a new store in the other half of the Marcoux store.

Mrs. L. Sleeper and Mrs. E. Russell visited at the home of Mr. and Mrs. Stanley Cromwell recently. Mrs. Sleeper has recovered nicely from the accident some time ago in which she sustained a broken leg. They are spending some time at their cottage at Lake Massawippi.

Mrs. Harry Pearsall and Mr. and Mrs. Percy Pearsall, of Demorestville, near Picton, Ont., are guests of Mrs. N. Turnbull.

Mr. and Mrs. Gordon Beerworth, sons Richard and John, of Beaufield, Que. are spending a week at a cottage at Ayer's Cliff. Mr. Beerworth will be M. C. at the grandstand shows at the annual fair.

Work has begun on the new location of the Coaticook Pharmacy, next to the Shell station on Child St; and Mr. Abdalla hopes to be in his new store within a month.

Win Friends, Popularity With What You Say, How You Say It
A publisher in Chicago reports there is a simple technique of everyday conversation which can pay you real dividends in both social and business advancement and works like magic to give you added poise, self confidence and greater popularity. The details of this method are described in a fascinating booklet, "Adventures in Conversation," sent free on request. According to this publisher, many people do not realize how much they could influence others simply by what they say and how they say it. Whether in business, at social functions, or even in casual conversations with new acquaintances, there are ways in which you can make a good impression every time you talk. To acquaint more readers of this paper with the easy-to-follow rules for developing skill in everyday conversation, the publishers have printed full details of their interesting self-training method in a 24-page booklet which will be mailed free to anyone who requests it. The address is: Conversation Studies, Dept. 810 C, 833 Diversey Parkway, Chicago 14, Ill. A postcard will do.

Truman Era Ends

Many a political writer will be looking for some substitute for the time-worn cliché "end of an era."

Several will probably find as good or better way of putting it, but no matter what they label it, the Democratic convention in Chicago last week, did indeed smack of the "end of an era."

Central figure in the displaced "era" was the volatile, affable little man from Missouri, ex-president Harry S. Truman, who departed from Chicago stripped of his last remnants of party control.

That the handwriting was on the wall last week seemed likely, but far from certain. And nobody could have predicted the tremendous landslide that smothered the Truman-backed Averell Harriman and opened a clear path to the presidential nomination for Adlai Stevenson.

And just to make it stick, the Democratic convention, with a brief

but startling swing toward youthful John Kennedy of Massachusetts, named Estes Kefauver as the vice-presidential choice. Truman has long been cool toward the smooth Tennessee senator.

Probably the most apt thing that has ever been said of Harry Truman was that he is "strictly an American product." Whether he impresses or distresses, Mr. Truman is American through and through. He is one of few men who could take such a licking and still receive a standing ovation — one that seemed to be among the most sincere of many at the convention.

There were some suggestion that Adlai Stevenson labored during the 1952 election under the shadow of Harry Truman. Now the shadow has melted away and it will indeed be interesting to see what the Stevenson-Kefauver duet can do on its own hook.

A Conservative Glance

The recent C.C.F. convention which resulted in a statement of policy that almost ended its claim to being socialist might provide the Conservatives with an opportunity of rallying all those voters who are opposed to the policies or actions of the Liberal party. But it will take a strong move by the official opposition to get the full advantage of this situation.

The Conservatives should lose no time in preparing a compelling program designed to offer the electors some alternative to the policies of the Liberals. It is not enough to say that by a change of government, the Canadian people will get everything that the Liberals have been giving them, but they will have more of it.

The present Opposition must remember that they have a greater role to play than simply call attention to the mistakes of the administration. They must come forward with some clear-cut, aggressive policies that will appeal to the electorate. Unless a major scandal develops, of which there appears little likelihood at the present time, the average voter wishes to vote for something. At a time he is enjoying substantial material well-being, he will not be inclined to change the existing order of things because of a few mistakes on the part of the administration.

But he might be inclined to change the government if the opposition can show that by their differing policies they can make things even better.

Not Blind To Skin

Science has again gallantly come to our aid, this time, in our war against those painful puncturers, the munching mosquitoes.

Mosquitoes, it has been found, are practically color blind, being able to see only black, blue, or dark red. Entomologists now know just what, and when a mosquito will bite. We have known this for some time. The what is us, and the when is whenever they get a chance.

Dr. A. W. A. Brown, of the University of Western Ontario, says that the warmer a person is, the more he

is subject to bites. This explodes another popular myth about women being the weaker but warmer sex, for we know many men who make meaty morsels for mosquitoes.

A mosquito is not attracted to wet clothing, but the very breath of a man, a sober man, perhaps, attracts them, although Dr. Brown did not recommend people should stop breathing in the presence of the pesky pests. We know people who not only breathe when they spot a mosquito, they actually snort.

Payment By Mileage

St. Thomas Times-Journal

Magistrate J. R. H. Kirkpatrick of Kitchener said something on Thursday that deserves the attention of the authorities in Toronto. A truck driver was convicted of careless driving as the result of passing another truck containing horses and knocking it over. In doing so the accused had to go at a speed of 60 miles an hour. He told the court that he was paid by the mile and that he

spent a great deal of his time on the road. Mr. Kirkpatrick, in imposing a fine of \$40, said that the "insidious practice of paying transport drivers by the mile should be stopped." He also suggested that the speed limit for transports should be ten miles an hour less than for passenger cars.

With these recommendations we cordially agree although our views may not meet with

the approval of transport owners. It is a wrong principle of payment if a man's earnings are dependent upon the number of miles he drives in a day, and, of course, in a week. Driving a truck or transport, or a big coach, is no easy job, and it takes more out of a man than driving one of the modern, fast, smooth riding passenger cars. If he is paid by the mile he is tempted to accept jobs at long distances, or to drive fast to cover jobs at shorter distances so that he can put in another stint of driving than he might have to do if he was paid a fixed wage. The result, as this man said, is that he spends a great deal of his time on the road to earn more money when, in his own interest, and the interest of other drivers on the road, he should be taking a needed rest. A tired driver is one of the greatest hazards on the highways.

Presumably it is the mileage system of payment that causes the drivers of these monster vehicles to go thundering past a passenger vehicle, almost scaring the driver out of his wits. Always urged on by the thought that more mileage means more pay, by going a greater distance or starting another trip, they tear along at high speeds. If they were penalized ten miles an hour it might bar them from passing each other or passenger cars.

(Brandon Sun)
Reports of hooliganism by bands of teenagers are becoming altogether too common in eastern Canada. The latest report comes from Hamilton where sixty fist-swinging youths attacked the police, injuring one constable. There have been similar affrays around Windsor, in Ottawa and in other communities within past weeks. Outbreaks of this type have been in the news frequently, and they are causing much concern to law-abiding citizens.

WINDSOR POLICE
Commenting on this, the Windsor Star says it might help if the police in Canada had as much freedom of action as the English police in dealing with these young punks. The police could handle them, in most cases, in their own way. The only trouble is that Canadian parents have not the same respect for the police as have the English parents. The Canadian policeman, says The Star, would probably be charged with assault, and hauled before his superiors, if he played the part of a responsible parent, and taught these unruly teen-agers a lesson on the spot.

LEARNED LECTURES
learned lectures to the tune of creaking, snipping shears, then many will lament the passing of a premium service in favor of a concentration on the regular one. But if it is a commentary on waning skills, then it is a very sad thing indeed. Imagine, searching for a barber who can cut hair!

WESTERN CANADA
Western Canada is comparatively free from these roving gangs of young hooligans. Vancouver has had considerable trouble, but if any of the other large centres are troubled, they have kept it remarkably quiet. Generally speaking the smaller centres have it all over the large cities in the matter of respect for the law. It is a matter of pride, and another good reason why we like a community the size of Brandon.

MR. TRUMAN
New York Times
As former President of the United States and victor in the memorable contest of '48, Harry S. Truman naturally carries weight with his fellow-Democrats. A record of some remarkable accomplishments in the presidency, coupled with an astute political professionalism and a usually ingratiating personality, add to the esteem in which he is held in party circles.

THE MEETING
But Mr. Truman, among whose good qualities modesty can no longer be included, seems to have confused the genuine regard Democrats have for him with a profound conviction that he is the Democratic party. It is difficult to believe that such a conclusion can be correct.

MAY MISS PIE IN SKY

(Fort William Times-Journal)

Employees of railway companies won an increase in wages and benefits. The freight rates were hiked. Now the steel workers secure a raise in wages and the cost of steel goes up.

Since increased freight rates add to the cost of a thousand and one necessities which housewives buy, and increased steel prices add to the cost of cars, refrigerators, stoves, and a hundred and one other articles used by householders, the general public is beginning to appreciate that wage negotiations are not something that concerns only management and labor.

None should be foolhardy enough to suggest a ceiling on wages. In a free economy it is not feasible to put a ceiling on prices.

But it does not take a learned economist to sense that if all ceilings are discarded we shall all be blown so high, so fast, we will not be able to grab the pie in the sky as we go by.

1 Club	Pass	1 Heart	Pass
1 Spade	Pass	?	?

You, South, hold:
Spades K-Q-J-4-2, Hearts A-K-Q-6-3-2, Diamonds None, Clubs 6-2.

What do you do?
A—Bid six spades. A favorable opening lead may give North the slam even if he has only one ace. Don't be too scientific with freakish hands.

If such dearth of skilled manpower becomes general, we can see advertisements seeking out men in our own line. . . "wanted, newspaperman, should be able to write news story, natural curiosity a help, must be handy with pencil."

Lucky Little Boy — "Mr. Roy," announced in Tuesday's issue of The Record as winner of the grand prize in the Boundary Rotary Fair, is pictured above in the arms of Rotary Club president, Ernest Sutton. Fair officials on contacting the holder of the lucky ticket found him to be three-year-old Claude Roy, son of Clement Roy. Though young Claude would probably have preferred the equivalent in lollipops, he chose a hi-fidelity radio-phonograph as his prize. Mr. Sutton and the diminutive winner, at the banquet held in the Del Monty Hotel, are John Poaps, chairman of the fair, left, and Leon Seguin, chairman of the raffie. (Record photo by Andre Pepin)

Boundary Fair

Workers Are Entertained At Dinner

ROCK ISLAND — About 75 workers and Rotarians gathered at the Del Monty Hotel Monday night for a dinner to celebrate the completion of the 12th Annual Boundary Rotary Fair. The workers present were the guests

of the Rotary Club of the Boundary, as an expression of gratitude for their help in making the fair a success.

Chairman of the fair, John Poaps, expressed the thanks of the club to the many individuals whose work had contributed so greatly to the smoothness with which the fair operated, and said that without this help no fair could be held.

President Ernest Sutton said that not only should the workers receive the thanks of the club, but that the public, whose patronage is so important, also should be thanked for their attendance.

It was reported that the gross of the three-day fair would be about \$4,500, which is a bit less than in 1955. The final night of the fair, however, brought in not only one of the largest crowds ever to attend, but also the largest gross in the 12-year history of this local event.

Treasurer Everett Greaves reports that the net returns from the fair should be about equal to 1955, but that all the bills had not as yet been received.

The grand prize at the fair was won by Claude Roy, three-year-old son of Clement Roy, who operates the dining room at the Del Monty Hotel. Claude Roy was present at the meeting, and chose the hi-fidelity radio-phonograph combination as his prize.

Checks for the other winners are already in the mail, and as soon as all the bills are in and paid, the net results of the fair will be announced.

The Merry Christmas Club was entertained recently at the home of Mrs. Ralph Caunter, Westmount St., when "500" was played at two tables. The prize winners were Mrs. William Ross, Mrs. Ralph Caunter and Mrs. Fred Caunter.

Refreshments were served by the hostess assisted by Mrs. I. Richards. Members of the club have been invited to the home of Mrs. William Ross, Champlain St., for the next meeting which is to be held on September 12.

Marriage

CRAWFORD — DIGBY

The marriage of Alberta Marlon, daughter of Mr. and Mrs. Albert Digby of Albert Mines, Que., to Mr. Albert Graham Crawford, son of Mr. and Mrs. Ernest Crawford of Sherbrooke, took place recently in St. Paul's Church, the Rev. A. V. Ottivillier officiating.

The bride, given in marriage by her father, wore a floor length gown of white satin, fashioned with a fitted bodice having a sweetheart neckline and a full skirt. Her veil of tulle illusion was held by a coronet of orange blossoms and she carried a bouquet of red roses and pink carnations.

Mrs. Douglas MacDonald, a matron of honor, wore a floor-length gown of aqua satin with a pink halo headdress and she carried a bouquet of pink roses.

Mr. Edward Digby, brother of the bride, acted as best man for Mr. Crawford and the ushers were Mr. Douglas MacDonald and Mr. Clarence Thompson.

Mrs. Digby, mother of the bride, was in a blue crepe dress trimmed with lace and she wore matching accessories and a corsage of red roses.

A reception was held following the ceremony in the Huntingville Church Hall which was appropriately decorated for the occasion. The bride's table was centered with a four-tier wedding cake made by the bride's mother and it was flanked by yellow tapers in silver holders. A dance was held after the reception.

Guests attended from Sherbrooke, Albert Mines, Lennoxville, North Hatley and Huntingville.

Beauty Impossible Without Sleep

BY ALICA HART

REST is so vital to beauty that it seems silly to have to point this fact out again and again.

Yet recently several women have mentioned that they knew they looked fallow, yet simply couldn't understand why, when they had custom-mixed cosmetics. Two others were at a loss to understand brand-new wrinkles under their eyes.

Cheating on sleep can never be compensated for by cosmetics, foods, drugs, coffee or ice packs. Sleep is like air—there isn't anything else that will do.

Sleeping may run in cycles. A woman may need more in the winter than in the summer. Or she may sleep less soundly in the summer and find she is fatigued. A woman definitely needs more when she's pregnant or just after she's had the baby.

It is possible to sleep one's self into a state of stupor, when one never gets up and tends to business. But a decent allowance of sleep, whatever one needs, is the basis for any beauty development.

Aside from the women who feel they "can't" sleep, there are many potentially beautiful women who cheat themselves by skimping on sleep or doing just one more task before falling into bed at one a.m.

Waterloo-Warden Institute Meets

WATERLOO — The Women's Institute of Waterloo-Warden, met at the home of Mrs. Donald Martin, with Mrs. H. Jones, Mrs. Sherwood, Mrs. Clark and Mrs. Courtemanche as co-hostesses.

The meeting was presided over by the president, Mrs. J. Marcotte. Mrs. A. Trussler read the minutes.

Correspondence included thank you notes from friends who had been remembered.

Mrs. L. Mayne's read highlights from the United Nations booklets to which the organization has subscribed.

It was decided to donate \$5 for prizes to be used at the school fair in September.

Plans were made to send five gifts to Ceylon, which would include, earrings, doily, towel, hand towel and pot holders.

A contest conducted by Mrs. D. Martin on perennials was much enjoyed. The prizes going to Miss Alice Ashton and Mrs. H. Ashton.

The meeting closed with the hostesses serving tea. The next meeting will be held at the home of Mrs. J. Marcotte at Warden on September 5th, when there will be a collection of old linen and cotton for the cancer society.

Plastic Smock For Young Artist Good Protection

Pattern, above, is for smock of plastic, designed to keep a school child and the beloved paints separate with a minimum of fuss. The size-four sample measured 20 inches from shoulder to hemline.

By KEN SHERWOOD

Checking off the list of what your elementary school child should bring with her, we bump into the need for a smock for the popular, pleasant work with paints and easel.

The list from our public school suggested I cut up one of Daddy's old shirts for the purpose. The result: draped on our kindergarten-bound artist made her look more like an old-time movie waif than a potential candidate for the Left Bank.

The sight was too much for a creative friend of mine who promptly devised a smock that would look cute, be easy to make and really protect clothes underneath.

For this we used a lightly

textured blue plastic which can be wiped clean. The smock is all in one piece, loose-fitting and with open sides to provide plenty of ventilation.

Yellow plastic tape bands the neckline and yellow double-fold binding tape is stitched around the outer edges. It cost less than \$1.50 and took about two hours to make from start to finish.

To figure out the measurements for your child, measure across shoulders from underarm to underarm and from shoulder to hemline. Make small square opening for the head. Make only one half pattern. Fold plastic in half, lay out pattern.

To simplify cutting, tape edges of plastic together so they won't shift around. Use cellophane

tape instead of pins to secure pattern to plastic. Cut a three-inch slit at back of neck opening to fit over head.

From left-over plastic cut a five-inch-wide strip and fit in place across bottom of front of smock. You can "baste" this in place with transparent tape which peels off after you've stitched the two together.

Divide in three sections and stitch to form pockets. Stitch binding tape around the outer edges and use more tape for ties under arms and at neck opening.

You can decorate the front with a pussy-cat face or blocks or similar design with short pieces of colored plastic tape.

bread. Cut each slice in half and stand half slices, cut edge up, in greased loaf pan. Spread soft butter along cut edges. Sprinkle with grated cheese. Bake in preheated oven, 18 minutes, or until crisp and golden. Makes 20 half slices.

CRISP FRIED BREAD

Ideal to serve with Fruit Salads. 8 slices enriched white bread, 1/4 teaspoon paprika, 3 tablespoons butter, 1/4 teaspoon onion salt.

Remove crusts from slices of enriched white bread. Cut each slice in half. Melt butter in a 10-inch skillet. Blend in paprika and onion salt. Place prepared bread in hot butter. Cook over low heat, 3 to 5 minutes or until golden brown. Turn and brown other side. (Turn only once.) Serve hot or cold. Makes 16 half slices.

to make is an inexpensive but important prop.

I'm indebted to Victoria Betts, art consultant for Binney and Smith, for showing me how an easel can be made.

Use two heavy pieces of cardboard. Punch a hole in each corner of each piece.

Knot a small length of string through top holes and about a 12-inch piece through bottom ones. Bind across the top with a stripe of inch-and-a-half-wide tape. Paper can be taped to top of easel.

Incidentally, Mrs. Betts suggests using a flat-bristled, long-handled brush (about 3/4-inch-wide) and poster paint or semi-moist pans of water color for small children. Newsprint—classified ad section is excellent, she says—shelf paper, paper bags, laundry cardboard all make good surfaces for painting.

OBITUARIES

WESLEY ERNEST WOODARD, OF BEEBE

BEEBE—Wesley Ernest Woodard passed away at his home here on July 31st, after four years of failing health and a recent illness of two weeks duration.

Following prayers at the home, the funeral service took place in the Advent Christian church, Beebe, on Thursday, August 2, Rev. Craig Wilcox, who officiated,

spoke of Mr. Woodard's fine Christian life and his faithful attendance at church as long as health permitted.

The organist was Mrs. Howard Cass, who played some of Mr. Woodard's favorite hymns, including "It Is Well With My Soul" "Softly and Tenderly" and "The Pearly White City".

Flowers from the gardens of relatives and friends were arranged by Mrs. Ezra Woodard, Mrs. Russell Woodard and Mrs. Charles Woodard. Two sprays placed on the casket were of roses and carnations, given by Mr. Woodard's wife and daughter, and red and white Gladioli from Mr. Alton Woodard and family of Montreal.

Many relatives and friends paid tribute to a highly respected citizen through memorial contributions to the Salvation Army. Interment was in the Ayer's Cliff Cemetery. The bearers, nephews of the deceased, were Clinton Woodard, Alton Woodard, Alfred Keeler, Rowan Bean, Grant LeBaron and Hubert LeBaron.

Mr. Woodard was born in Melbourne, on July 17, 1871. He was the second in a family of 11 children born to Mr. George W. Woodard and his wife, Elizabeth Rooney. When he was 17 years old the family moved to Ayer's Cliff.

Mr. Woodard as a young lad, was a member of the Salvation

Army band at Richmond. Later he played in the brass band at Ayer's Cliff. He was a member of the Canadian Order of Foresters. He was employed as carpenter,

carriage maker and boat builder in Magog, North Hatley, Sherbrooke and Ayer's Cliff.

On October 29, 1902, Mr. Woodard was united in marriage with Miss Orient Kezar. A few years later, a daughter, Marjorie Ernestine, was born of this union. In 1928 Mr. Woodard and his family moved to Beebe. Here he was employed as cutter in the Snag Proof Company until his retirement four years ago.

Surviving are his wife and daughter; five brothers, Frank Woodard of Lennoxville, George Woodard of Derby Line, Russell, Charles and Ezra of Beebe; four sisters, Mrs. Mary Bean and Mrs. Walter Keeler of Ayer's Cliff, Mrs. Fannie Goodrow and Mrs. Cora Walden of Magog; also many nieces and nephews. He was predeceased by one brother, Lancelot J. Woodard.

Relatives and friends attending the funeral were from Ayer's Cliff, North Hatley, Magog, Knowlton, Cowansville and Montreal.

Though a very quiet man, Mr. Woodard's life was one of devotion to parents and to his wife and daughter. Many will remember him as a thoughtful friend and a kind neighbor.

GEORGE WATSON MARSHALL
Funeral service for George Watson Marshall, who died here

on July 24, following a lengthy illness, was held at Johnston's Funeral Chapel July 26.

Rev. F. C. Amery, who officiated, sang the Twenty-Third Psalm. Bearers were, Philip Robins, Douglas Stevenson, Paul Theobald, Leo Tracey and Lawrence and Alfred Hanson, brothers-in-law of the deceased. Interment took place in Malvern Cemetery.

Mr. Marshall was born 36 years ago at Coburg, Ont., only son of the late Rev. Joshua T. and Julie Marshall. On February 14, 1947, he married Evelyn Maud Hanson, of Sherbrooke, who survives him. He also leaves a son and daughter by a previous marriage, David Marshall of Seattle, Wash., and Pauline, Mrs. Kenneth Wilnot, of Prince Rupert, B.C.

A graduate in law of Osgoode Hall, Toronto, Ont., Mr. Marshall took additional courses in business administration and economics at Northwestern University, Evanston, Ill., and the University of Cincinnati. He served in various industrial engineering capacities with the Northern Electric Co., the Dominion Rubber Co. and General Steel Wares at Montreal, and with Montgomery Ward Co., Chicago, and the Philip Carey Mfg. Co., Cincinnati, Ohio.

From 1944 to 1952 he was manager and resident director of the Philip Carey plant at Lennoxville. In 1953 he was appointed president of the Vermont Hardwoods Inc., at Readsboro, Vt., retiring in 1955 owing to ill health.

Mr. Marshall was a member of the Baptist church and the Rotary Clubs of Sherbrooke and Brattleboro, Vt. He was also a member of St. George's Club.

While in this district he had

resided at Lennoxville and North Hatley and in recent years had lived at Wilmington, Vt. After spending the winter in Mexico, Mr. Marshall came to Sherbrooke with his wife on June 20, taking up residence at 1111 Portland Avenue.

CURRIER—

The garden party held at the Community Hall, was well attended. The lucky drawings were as follows: fry pan, Mr. Dion; aighan, Mrs. J. P. Taylor; chair, Mrs. J. P. MacIntosh; doll and carriage, Dorothy Horing; jar of pennies, Mr. J. M. Bryant; pea-

nuts, Mrs. A. Bowker; door prize Mr. R. H. Stone. The sum of \$800 was realized.

Mr. and Mrs. Horton Bryant, of Montreal, were week-end guests at Bonnie View Farm. Mrs. Susie Patterson spent the week-end with her son, Mr. Harold Patterson and Mrs. Patterson, in Magog.

Moe Norman Cops Canadian Amateur Golf Crown With 5 And 4 Victory

Wins Second Straight Title With Outstanding Display; Interested In Turning Pro; To Play In National

EDMUNDSTON, N.B. (CP) — Moe Norman was presented with the Earl Grey Trophy Saturday and true to form, he packed up and left the scene of his second Canadian amateur golf victory without waiting for applause.

Whether he stayed around or not the Kitchener Rockway golfer will be remembered for his 5 and 4 win Saturday over Jerry Magee of Toronto in the 36-hole final. Norman, who can be relied on to do the expected, almost ruined well-laid plans for the trophy presentation. While leading officials of the Royal Canadian Golf Association cooled their heels, Norman was out practising his putting.

His antics entertained the gallery but his fabulous 19-under-par in the last 61 holes and a blistering nine under on this par—73 course in the first 18 holes of the semi-final left an indelible record on the course.

His next major tournament will be at the national amateur tournament starting Sept. 12 in Chicago. Norman's win gets him an automatic invitation to the national.

Jerry plans to be at the amateur but he will go to Chicago for the Aug. 28 qualifying round.

Magee called Norman's play in the final "the finest game of golf I have ever seen."

Norman, who is perfectly willing to converse while walking around the course, said "I was pretty confident of winning when we started out after lunch."

The 26-year-old's win gave Ontario three of the biggest jewels in the Canadian amateur golf crown.

Tuesday their Willingdon Cup team, of which Magee was the captain, won the inter-provincial teams championship defeating British Columbia by two strokes.

The junior title also went Ontario's way when 17-year-old

Gary Cowan of Kitchener scored a one-stroke win over Bryan Copp of New Westminster, B.C.

The Norman-Magee match, watched by a gallery estimated at about 1,500, was one of the fastest played in the history of the Canadian amateur. The two golfers, who room together when on the tournament trail, romped over the 32 holes in just under four hours.

Norman's comments on his play were short and to the point. "I played real steady golf, especially these last two days. I only went over par on one hole out of the 61 we played."

The champion said Friday he would "turn pro tomorrow, if I could. I'm just waiting for a break."

His opponent in the final, a 22-year-old car salesman from Toronto, says he plans to remain an amateur.

Jerry almost didn't play Thursday's third round after spraining his hand in the second round Wednesday when he struck a hidden tree stump.

He kept the hand taped or banded the last three days but said he was using the tape only as a support. It didn't bother him in the final.

Warren Spahn And Bob Lemon Within Reach Of Select 200-Victory Club; Don Newcombe Bests Curt Simmons

Southpaw Warren Spahn, pitching for a pennant, and right-hander Bob Lemon, the ace of a first-rate pitching staff that hasn't been able to fire a second-place club, today are within reach of the select 200 — victory club in major league ball.

The stylish Spahn, coming through in the clutch, pitched Milwaukee back into a two-game lead in the National League race as the Braves defeated Cincinnati 3-1 Sunday. Lemon used a five-hitter to get Cleveland started on a doubleheader sweep of the Kansas City Athletics, 5-2 and 2-1 in the American League.

It was the 197th major league victory for each of the 35-year-old veterans.

Spahn's 14th victory of the year sent the Redlegs back to third as Brooklyn's Dodgers reclaimed the runnerup spot by seven percentage points with a 3-2 decision over Philadelphia.

Another veteran, Murray Dickson, who'll be 34 tomorrow struck out nine and gave just two hits as the fourth place St. Louis Cardinals defeated the Chicago Cubs 6-0 in a doubleheader split. The Cubs took the nightcap 3-1. The New York Giants, socking six home runs, took two from Pittsburgh, 7-6 and 3-2.

Cleveland's sweep moved the Tribe to within 8 1/2 games of firstplace New York. The Yankees were trimmed 3-2 at Baltimore. The Chicago White Sox moved into third place, splitting with the Detroit Tigers while Washington was taking two from Boston. Chicago won 4-1 after an 11-inning 3-1 defeat; Boston slipped to fourth on 7-5 and 11-0 losses with the nightcap going 11 frames.

Hank Aaron's two-run homer in the eighth beat the Redlegs as Spahn kept eight hits-including Ted Kluszewski's 31st home run fairly well scattered.

A two-run pinch double by Charlie Neal in the ninth inning broke a one-all dead between the Dodgers' Don Newcombe, who won his 19th, and the Phils' Curt Simmons, who had won seven in a row. Gil Hodges homered for the other Dodger run. It was his 25th.

Dickson, driving in two runs with three hits, retired 17 in a row before giving a pinch single to the Cubs' Monte Irvin. Stan Musial hit his 21st homer among the Cards' 14 hits. Southpaw Jim Davis and reliever Turk Lewin stopped the Cards in the nightcap except for Rip Repulski's pinch homer.

Daryl Spencer hit two of the Giant homers and Willie Mays socked his 24th. An eighth inning error enabled the winning run to score in the opener. In the afterpiece, Mays brought the clincher home in the sixth-walking, stealing second and scoring on an infield out.

Connie Johnson five-hit the Yankees and struck out seven while blanking Mickey Mantle.

Hee Lodge homered for a 2-1 lead against Lemon in the first game, but the Indians scored three in the fourth to beat rookie Wally Burnette. Both Tribe runs were unearned in the nightcap to beat Art Ditmar.

The Red Sox blew 5-0 and 9-5 leads in the nightcap. Roy Sievers' double broke it up-giving the Senators a sweep in the four-game series. A five-run fifth inning won the opener for Chuck Stobbs as the Nats battered 16-game winner Tom Brewer.

Athletics Down Red Sox 10-6

Lions' sponsored Athletics took over second place in the Little League standing downing the Red Sox 10-6 at the Parade Grounds on Saturday afternoon. Tonight the Yankees visit the Red Sox at the Parade Grounds, game time 6.15 sharp.

Athletics have three more games to play and will do their best to keep ahead of the Indians. Indians have four games to go and as they meet the Athletics on Tuesday evening this game should just about settle second spot.

Five big runs, which they got on four hits and three walks, gave the Athletics a big lead in the tilt. Red Sox got two of these back in their half of the same inning but Athletics added one more run in the second and then in the fourth the Red Sox got four runs to tie the score at six all.

Athletics clicked for four runs in the top of the fifth and this was enough to take the game as the Red Sox went scoreless after the fourth inning. G. Ginges and Cote, the Athletics hurlers, had ten strike-outs between them while McKelvie of the Red Sox had eight strike-outs.

Tiger-Cats Get Ronnie Knox

HAMILTON (CP) — Ronnie Knox, former star quarterback for the University of Southern California at Los Angeles, has signed a provisional two-year contract with Hamilton Tiger-Cats of the Big Four Football Union, it was announced Saturday.

Knox, a 21-year-old, 200-pound six-footer, was signed at a figure understood to be in the region of \$1,000 a game—the highest—priced contract in Tiger-Cats' history.

President Jake Gaudaur of the Tiger-Cats declined to give the exact figure but said "he's signed for something less than \$15,000 for the season."

Whether the contract would run for a second season would depend on Knox's play this year and his ability to obtain further permission from Metro-Goldwyn-Mayer, with whom he is under contract.

Noble Adios Cops Cane Futurity In Driving Finish

YONKERS, N.Y. (CP) — Noble Adios rushed up in the final 20 yards Saturday night and won the \$71,570 William H. Cane futurity race by a scant head over the favored Bachelor Hanover at Yonkers Raceway.

The winner, owned by Paul Wixom of Chicago, stepped the mile and one-sixteenth in 2:09 2-5, bettering the stakes record of 2:11 1-5 set last year by Quick Chief.

Third place in the field of a dozen speedy three-year-old pacers went to the 70 to 1 shot, Flourish, now owned by Leonard Cohen, Passaic, N. J.

Bachelor Hanover, property of Hazel L. Rubin, Ballston, Spa, N. Y., was driven by Billy Haughton, and was a doubtful starter until, shortly before the race because of lameness in recent weeks.

Noble Adios won \$35,427.15 from the big purse, richest in night harness racing.

OTTAWA SIGNS GARY SCHREIDER

OTTAWA (CP) — Halfback Gary Schreider, who starred for Queen's University last year, has been signed by the Ottawa Rough Riders of the Big Four football union.

Marlene Stewart Captures Third Straight Canadian Women's Open Title; Match Goes Extra Hole

WINNIPEG (CP) — Little Miss Poker Face has done it again.

For the third successive year, Marlene Stewart of Fonthill, Ont., has captured both the Canadian open and close golf championships. It also was her sixth straight in the close.

Miss Stewart wrapped up the open at Niakwa Country Club here Saturday with a hard-fought, extra-hole win over Pat Lesser of Seattle in a scheduled 36-hole battle.

On the extra hole Miss Stewart pitched to within one foot of the cup on her second shot — for what proved to be the game-winning shot. Miss Lesser, who had pitched 15 feet from the hole, conceded her opponent's birdie three, then proceeded to line up her own knowing it meant everything. Pat gave it her all, but the ball rolled off line and the match was over.

As the crowd of about 4,000 swarmed onto the green to greet the two players, Miss Stewart remarked that "somebody must have been smiling on me from above" when she made her pitch shot.

Marlene took the lead on the second hole of the morning round and was never headed until the 34th when Miss Lesser got a birdie-four, Marlene failed to crack under the pressure and dropped a 15-foot putt for a birdie-three against Pat's four on the 338-yard 35th to square the match.

They halved the 36th with par fives, setting the stage for the extra hole.

Miss Stewart, held even on the first nine, took a twoup lead after 18 and her opponent was still two down after 27.

It was on the 31st that Miss Lesser began her comeback. She won two holes in succession to tie the match, halved the next and then took over the lead for

the first and only time on the 34th with another birdie.

In the 54-hole close, Aug. 9, Miss Stewart won by five strokes over Rae Milligan of Jasper, Alta., and also cracked the competitive women's golf record at Niakwa. Club five-under-par 72. The Fonthill golfer also paced Ontario's four-woman squad to the interprovincial team championship.

Eskimos Come Up With 15-3 Win Over Saskatchewan In Western Grid Opener; Lions Edge Stamps 17-14 At Calgary

There's a sneaking suspicion around Eastern and Western Canada football centres that Pop Ivy's Edmonton Eskimos were playing possum when they dropped two lopsided exhibition decisions to Big Four clubs this month. The plot thickened Saturday night.

The 1954-55 Grey Cup champions opened the Western Inter-Provincial Union season at home with a 15-3 triumph over Saskatchewan Roughriders in a game that debunked their own theory that the shortest distance between two points was along the ground. An unheralded pass attack wrapped up the game for them.

British Columbia Lions, vastly improved over last season, shared league-opening honors by edging the Stampeders 17-14 at Calgary before a crowd of 12,889.

But the eye-opener was provided at Edmonton's Clarke Stadium watched by 16,500 fans.

Forward passes figured prominently in Eskimos' two touchdowns. A 51-yard pass and run play set the stage in the first quarter for halfback Rollie Miles to complete the march for a six-pointer on a running play. In the fourth quarter Miles tossed a 13-yard touchdown pass to Earl Lindley.

Clever Volo Makes Sweep Of Jr. Free-For-All

Bob Bedard Sparks Canada's Davis Cup Team To Victory Over France; Edge Frenchmen 3-2 In Exhibition Tilts

MONTREAL — The Canadian Davis Cup team, sparked by top-ranked Bob Bedard of Sherbrooke, Que., boosted Canada's international tennis ranking several notches during the weekend by trimming France 3-2 in an exhibition tie.

Bedard won two hard-fought singles matches and paired with Toronto's Don Fontana, third-ranked Canadian, for a doubles victory.

The exhibition tie gave the Canadian team its first chance to show how it stands against European countries. Canada has never been able to get beyond the United States in the North American zone finals.

The French team is considered one of the best in Europe, having been edged 3-2 in the European Davis Cup semi-finals by the Italian team which then went on to defeat Sweden 5-0 in the European finals.

Bedard, 24, hooked up with French ace Paul Remy Sunday and clinched the Canadian victory with a 6-1, 4-6, 3-6, 7-5, 6-3 win. In the second singles match

of the tie Friday, he battled with Pierre Darmon, 22-year-old third-ranked Frenchman before emerging with a 4-6, 6-3, 1-6, 7-5, 6-4 victory.

Fontana, 25, and Bedard, defeated Remy and Robert Haillet, French national singles champion, 6-2, 2-6, 6-1, 6-4 in the doubles Saturday.

Haillet won the first French point by crushing Fontana 7-5, 6-4, 6-2, in the opening match Friday. Darmon's easy 6-3, 8-6, 6-2, scuttling of left-handed Henri Rochon, 33-year-old second-ranked Canadian, in the final match gave France its second point.

Rochon took Remy's measure Saturday by identical 6-3 scores in a separate best of three exhibition match.

Doug Harvey Recovers From Eye Injury

MONTREAL — Doug Harvey, Montreal Canadiens all-star defenceman in the National Hockey League, has recovered from an eye injury which, for a while, prompted some alarm over his hockey career.

Harvey was fishing in a private lake in Northern Quebec when a trout he had hooked got away and the line flew back. The sinker struck Harvey squarely on the left eyeball.

For some time Harvey had no sight in the eye, but gradually the clotted blood dissipated and sight slowly returned.

CLOSE FINISH — The above photo taken last night shows Coombs' Clever Volo, number five, edging Amedee Beaudoin and his Direct Harvester in the Jr Free-for-all Handicap Race in 2.11. The little Sherbrooke gelding made a clean sweep of both ends of the main event. (Photo by Rene Lafond)

Ed Furgol Cops Milwaukee Open

MILWAUKEE — (AP) — Ed Furgol of St. Louis staged a spectacular comeback Sunday to win the Milwaukee Open golf tournament with a 15-under-par 265 for 72 holes.

Trailing Jackie Burke, Masters and PGA champion from Kiamasha Lake, N.Y., by two strokes going into the final round, the lame-armed Furgol hammered out a methodical five-under-par 65.

Six birdies on the final 18 holes put the lid on Furgol's clutch round and earned him a first prize of \$6,000 and a new red and white station wagon.

Second place went to Gene Littler of Singing Hills, Calif., with 269.

Al Balding of Toronto, after stroking a sparkling first-round 66, went over par Sunday with a 71 for a total of 275 and a tie for seventh place with Cary Middlecoff of Memphis, Tenn. Each collected \$1,300.

Saturday Night Prices Pay Top Of Weekend; Double Backers Collect \$219.05; Clever Volo Wins In 2.11

Coombs Garage's little black gelding Clever Volo swept both ends of the Jr. Free-for-all Handicap Race last night at the local track and posted the lowest time of the weekend 2.11 in the opening half of the main event.

It was a close battle between the Coombs' entry and Amedee Beaudoin's Direct Harvester. They fought it out right to the wire in both heats. They covered the second trip in 2.12 4/5.

The prices on the whole were low compared to Saturday's. The double for Stewart's Sister in the first and Lady Brooke C in the second paid the sum of \$19.55. The first quinella in the fourth saw Ramuncho and Connelly come home and their pickers were rewarded with \$51.60 and in the fifth it was Maryland Port and Duck Corsica who teamed up for the \$57.50 payoff.

Pat Bergeron of Sherbrooke was the winner of the \$50 door prize offered by the Sherbrooke Racing Club while Mrs. A. Breault copped the \$25 one put up by Fabi and Filis. On Saturday J. E. Fortier copped the \$50 prize while R. Mayer took the \$25 donation.

On Saturday evening the prices ran high with the top coming in the double when Prince Dale Jr. and Pay Mac teamed together to pay the sum of \$2,905 while the first quinella in the third was \$74.95 when Wayne H. Abbe and Helen Volo H got together.

The second quinella rewarded their backers with \$14.80 but in the ninth race the lucky pickers of Buck Up and Ray Astra were paid \$105.55 for their \$2.00 investment. In the third race Wayne H. Abbe set the high on a straight bet with \$55.10 being collected. He also paid the top on a place bet in the same race when \$18.30 was collected.

R. Hamel's Direct Song came through in the fifth race to pay his backers the sum of \$9.80 which was high in that department. Several upsets were registered during the evening as the horses fought it right to the wire.

In the fourth race the judges set down driver Victor Larose for six meetings when he failed to give his best in the first race.

ROCHESTER BEATS LONDON 22-13 IN ORFU EXHIBITION

ROCHESTER, N.Y. — Rochester Rockets, first United States in the Ontario Rugby Football Union, made a successful debut today, defeating London Lords 22-13 in an exhibition game before 4,000 fans.

Quarterback Charley Maloy, a former All-American at Holy Cross, scored one Rochester touchdown and set the two others.

Lynn Lovenguth Becomes IL's First 20-Game Winner

Crafty Lynn Lovenguth became the International League's first 20-game winner of the season Sunday by pitching Toronto to an 8-5 victory over Richmond in the rain splattered opener of a doubleheader. Virginians came back to take the nightcap 3-2.

Montreal Royals also split their Sunday doubleheader, winning 7-6 and losing 8-2. Rochester swept their pair with Havana 7-4 and 2-1.

Lovenguth, who has lost 10 times, was reached for 10 hits by the Virginians but was backed

up by an 11-hit attack on the part of the Maple Leafs and was superb in the clutch.

His last escape came in the bottom of the ninth when the Vees tallied once and loaded the sacks with two out, but Lovenguth ended proceedings by forcing dangerous Bill Renna to fly out.

Mike Gellat whacked two bases-empty home runs to lead the Toronto assault.

The Jets featured six-run inn-

ings in both games with Montreal, but righthander Mike Kume couldn't protect a 6-1 margin in the opener as Johnny Roseboro's two run homer and Sparky Anderson's double helped the Canadians to three-run sprees in the seventh and eighth innings.

Relief pitchers Floyd Woodridge and Jose Santiago were victimized along with Kuma as Montreal continued its desperate 11th-hour battle to overhaul Toronto in the pennant battle.

HUNTINGTON IN III — Cincinnati, Aug. 19 — (AP) — Directors of the International Hockey League today accepted Huntington, W. Va., as a member.

Huntington will replace Grand Rapids, Mich., which dropped out after last season.

KNOWLTON

Mrs. Elton Bockus entertained about 30 friends in honor of Mrs. Marion Pettes, on the occasion of her departure for Vancouver, B.C. where she will spend the next few weeks visiting her daughter, Mrs. Earl DeMarcos and Mr. DeMarcos. Mrs. Pettes, who on her arrival, was greeted by her friends singing, "For She's a Jolly Good Fellow" was completely taken by surprise. The evening was spent in playing games after which Mrs. Harry Northrup presented the guest-of-honor with a weekend case and a purse of money with the good wishes of all for a happy journey. Mrs. Pettes, in turn expressed her sincere thanks. At the conclusion of the evening, Mrs. Bockus assisted by Mrs. Earl B. Mizener, Mrs. Charles Barnes and Miss Linda Jill Bockus served refreshments.

On Sunday morning in the absence of the pastor, Dr. E. H. Gray, the service at the United Church was conducted by Dr. S. W. Boyd D.D. of Sutton.

Rev. T. E. Nurse called on Mrs. Harry Comstock, who is a

patient in the B.M.P. Hospital, at Sweetsburg.

Miss Doreen Moffatt has returned to her position in Waterloo after spending a week's holiday with her parents, Mr. and Mrs. B. C. Moffatt. Mr. Colin Coates of Magog and Miss Shirley Moffatt, of Cowansville, spent the weekend at the same home.

Miss Margaret MacKergow has returned to her home in Waterloo, after visiting her aunt, Miss Ivy King.

Buick SUPER
4-Door Riviera

A GENERAL MOTORS VALUE

Something New in Guided Muscle

...at a pip of a price!

TIME'S awasting—while you could be enjoying the fun and thrill of a new kind of power performance at the wheel of the best Buick yet.

And right now the value of your present car is at its peak. You could make a whale of a fine deal on a great-buy Buick with something really new in soaring might.

It's not just that Buick's new V8 is 322 cubic inches big. That it develops more torque and horsepower than even Buick has had before.

There's the new guided dynamite that makes the most of all this.

That's the latest version of Variable Pitch Dynaflo.* It's so "muscl'd" that it

delivers swift new acceleration with less than an inch of pedal travel—and saves gas in the doing.

And when the occasion demands, you can unleash the full power at your command on a shaved second's notice. Tromp down on the treadle and you switch the pitch. There's an instant safety-surge of power that leaves trouble fading away behind you.

But there's a lot more to Buick's new performance than the smooth, sheer might at your command — as you'll discover.

You just can't know today's driving at

its eyeopening best until you boss a new Buick.

And it's still only August. You still have months to be driving the most modern car on the road. You still can take advantage of this month's high value on your present car—to deal yourself in on the best buy you'll get in many a moon.

So why wait? Today is a great day to buy a Buick—the best Buick yet, by far. We're ready to open your eyes with the why and how. How about right now?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It's standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
