PREFACE.

IN issuing the present edition of "MACKAY'S MONTREAL DIRECTORY," the undersigned trusts that it will be found satisfactory to those who have so liberally supported it for the last seventeen years.

The present volume contains about eighty pages of Names over last year's edition, and every effort has been made to render it as serviceable as possible to her friends and the community at large.

In returning thanks for the kind patronage extended to her for the last four years, the Publisher hopes that the present volume will be found superior to any that have preceded it, and solicits a continuation of their support.
