RUSH PLANS IN FIGHT AGAINST GREAT DROUGHT

All Agencies Co-operating with Dominion Government in Effort to Reclaim Vast Areas of Western Canada Seared by Drought.

Ottawa, April 23.—Minister of Agriculture Robert Weir today was headed westward to muster the nation's forces in a fight against drought which has seared vast tracts of land in the Canadian southwest. Before he left last night for Winnipeg, Mr. Weir expressed keen appreciation of willingness shown by various agencies to co-operate with the Dominion by naming representatives to an advisory commission that will guide the Department of Agriculture in its drought battle.

Already, he said, chartered banks had nominated B. P. Alley, assistant general manager of the Canadian Bank of Commerce, to be their representative; the Canadian National Railways have named Dr. W. J. Black, head of their agricultural department, and the Canadian Pacific Railway Augustus Griffin, chief engineer at Calgary.

The Minister is expected to announce within a short time the complete personnel of the advisory commission which will hold its first meeting May 3 and 4 at Regina. The commission will contain three sub-committees, one on water headed by Mr. Griffin, a recognized irrigation authority, one on agriculture and another on tree-planting.

HEAVY RAINS REMOVE SASKATCHEWAN DUST MENACE

Regina, April 23.—Rains sweeping down from the west today gave southern Saskatchewan farm lands protection from the dust menace.

In a steady drizzle, the moisture crept across the south of the province and early today had reached as far west as Indian Head.

From there to the Manitoba boundary dust storms held sway for the second day in succession, but even points in that section reported rain indications.

CLAIMS SOCIAL CREDIT WILL REDUCE TAXATION

Founder of Alberta Social Credit League Seeks Support of Residents of Northern Areas in Coming Elections.

Edmonton, April 23.—With a message from William Aberhart, founder of the Alberta Social Credit League, to guide them, Social Credit supporters of northern Alberta electoral constituencies were gathering here today for a conference.

The convention will be called upon to deal with the platform drawn up at the Calgary gathering of the southern electoral constituencies and also to consider what political steps are advisable to contest the forthcoming Alberta general elections in the northern areas.

Coming to Edmonton from his Calgary home, Mr. Aberhart last night told seven thousand persons at a mass meeting that he was glad to be called the "Pied Piper from Hamelin" because the Pied Piper "drove the rats out of the capital city."

Answering critics who said that taxation would grow under Social Credit, Mr. Aberhart declared "we can reduce taxation as we go along" and that under social credit "we will float out to the place where taxes will become less and less."

He denied that the payments of what he described as "dividend" to the bona fide residents of Alberta would make them "a bunch of lazy loafers" and suggested that those who have earned dividends in the past on investments they had made did not make them of this type.

NEW DISCOVERY CURTAILS FIRE HAZARD IN AIR

Acetate, which Took Fire Menace Out of Movie Films and Made Latest Brand of Silk Stockings, Expected to Erase Danger of Airplane Funeral Pyres.

New York, April 23.—Acetate, which took the fire menace out of movie films and made the latest brand of silk stockings, will end the danger of airplane funeral pyres. Discovery of a new "dope" to coat airplane fabric and make it fire resistant was announced to the American Chemical Society today by Dr. Gordon M. Kline, of the United States Bureau of Standards.

He said gasoline sprayed on a wing coated with this stuff burns off without setting any fire. The dope is not completely "fire-proof." It burns, but the movie film, so slowly that the holocaust danger is removed. Passengers trapped in a plane accident, Dr. Kline said, would not be cut off from rescue by rapid spread of flames.

"The destruction of costly aircraft because of the accidental ignition of the flammable covering by the backing of the motor, the careless toss of a match or the chance settling of a spark from a nearby fire has become too general," Dr. Kline said.

"It has been stated that the use of metal will eliminate this hazard. But it is probable that, particularly for service airplanes, fabric will continue in use for some time because of its lower cost, availability and ease of application, factors which facilitate rapid replacement of losses in the event of fire."

"The further precaution of fireproofing the cloth, with the small increase in weight necessary, might well be considered for large dirigibles, the destruction of which by fire represents a large economic loss."

The dope ordinarily used for plane fabric, he said, is cellulose nitrate. The new Bureau of Standards dope is cellulose acetate, treated with a boric acid-borax mixture.

PLAN SILENT TREATMENT TO SUPPRESS "KINGFISH"

Democrat Leaders Decide to Let Louisiana Senator Continue Wild Rantings without Further Interference.

Washington, April 23.—Democratic leaders in the United States Senate decided today to apply the "silent treatment" to Senator Huey Long, Democrat, Louisiana, who cut loose Saturday with a new assault in which he flung such words as "chinch bug" and "ignoramus" at "New Deal" chiefs.

After experiencing some difficulty and mental strain in remaining in their seats while Long voiced his threat to take Louisiana out of the tax-paying union, the leaders were said to have reached the conclusion that better results would be obtained by silence than by returning shot for shot.

BOXING IN COURT RULED OUT

Chicago, April 23.—Judge Desort is a devotee of the manly art of self defence, except when his court room is the scene of action. He fined Attorney Charles J. Russell twenty-five dollars yesterday for landing two "haymakers" on the jaw of an opposing counsel, Clarence W. Shaver, and added this comment: "Boxing is a healthy sport, but there's a time, as well as a place for it. Possibly I can persuade Sheriff Toman to provide a ring for such fist encounters in the future."

"Well, he asked for it," was Russell's explanation.

What's Your Answer to These Questions?

1. In what can you invest your money, except life insurance, with absolute confidence that it will bring you a guaranteed income upon which to retire, say 10, 20 or 30 years hence?
2. What asset, outside of life insurance, can you depend upon to furnish funds for the continued support of your family in case of your death?

Consider these questions... unless you are fully insured.

London Life "complete protection" policies meet both these needs at the same time—protection for your family if you should not live and money to retire if you do live. To these can be added Total Disability Insurance to provide for you in case of prolonged disability from either sickness or accident.

Ask any London Life representative for particulars about a "complete protection" policy, or write to the Branch Office.

MARCHING FEET ECHO "PEACE BY ARMS" DECREE OF HITLER

The tramp of marching feet proclaims the "new spirit of Germany," as the detachment shown above files through the Tiergarten Sportplatz in Berlin, part of the powerful army decreed by Adolf Hitler to "safeguard world peace," in his proclamation to the world that the Reich had thrown off the Versailles Treaty yoke and reinstated military conscription. At the right is the Prussian officer who rules over Germany's military forces—Gen. Werner von Blomberg. A veteran of the western front in the World War, he is of the intellectual type, a strict disciplinarian, but kindly, say foreign observers.

BENNETT IS EXPECTED TO REACH ENGLAND ON FRIDAY

Illness May Prevent Canadian High Commissioner from Greeting Prime Minister on Arrival to Attend Jubilee Celebrations.

London, April 23.—Prime Minister R. B. Bennett, en route here from Canada to attend the Royal Jubilee celebrations, is expected to reach Plymouth aboard the liner Paris about midday on Friday.

His immediate plans are not known here as yet but he will have a full week before participating in the actual jubilee programme, the anniversary being May 8th.

Hon. G. Howard Ferguson, Canadian High Commissioner in London, who has been under the weather for some weeks, is at present taking a short holiday in Bournemouth and it is possible he will ask to be excused from meeting Premier Bennett at Plymouth, instead waiting for his arrival in London.

QUINTUPLETS REPORTED IN SPLENDID CONDITION

Toronto Child Specialist Makes Special Examination of Quints Following Dissatisfaction of Father with Regular Physician.

Callander, Ont., April 23.—Dr. Alan Brown, internationally known child specialist, examined the Dionne quintuplets at three o'clock this morning and found them "satisfactorily recovering" from head colds. He said their physical condition was "excellent."

Dr. Brown, physician-in-chief to the Hospital for Sick Children, Toronto, drove here last night at the request of Dr. Allan Roy Dafeo, the quintuplets' physician. His visit followed the request of Olivia Dionne, father of the children, that a consultant be called in. Mr. Dionne believed their condition was more serious than he had been told.

The Toronto specialist issued a statement in which he said he found the babies satisfactorily recovering from an upper respiratory infection which apparently had been transmitted to them from an outside source. This, he said, emphasized the fact that if the children were to survive they must be kept from contact "with individuals other than those in actual care of the infants."

He paid tribute to Dr. Dafeo's handling of the situation which had been "thoroughly scientific."

It was not immediately known whether the examination by Dr. Brown would satisfy the children's parents.

ONE MAN DEAD AS RESULT OF MINE WORKERS' CLASH

Three Men Held on Charges of Murder as Sequel to Affray in Springfield, Ill.

Springfield, Ill., April 23.—A controversy over the choice of unions by miners was blamed today by William Keck, president of the Progressive Union, for the clash which brought death to one man in Easter Sunday rioting.

Three men were held on charges of murder as a sequel to the affray in front of the Progressive Union's headquarters. Eddis Mable, organizer of the Union, was the victim.

Ray Edmundson, Illinois president of the United Mine Workers of America, was one of the trio charged with murder of the rival union miner. The others were William Furlow, of Alto, and Fred Thomason, a member of Edmundson's Union. Edmundson and Furlow both were wounded along with eight others.

WOMAN VICTIM OF UNUSUAL ACCIDENT

Chicago, April 23.—When Mrs. Rose Meyer, aged fifty-three, tripped on an enclosed stairway, plunged through a window, and fell on the porch below several fragments of glass clung to her hair and were driven into her brain. Surgeons at a hospital planned to perform a delicate brain operation to save her life.

APOSTOLIC DELEGATE TO THE HAGUE DIED TODAY

The Hague, Netherlands, April 23.—Mgr. Lorenzo Schioppa, Apostolic Delegate to The Hague, died today. He was sixty-four years old.

BLAME 'FIREBUG' FOR SERIES OF CHICAGO FIRES

Woman Fatally Burned and Another Seriously Injured as Seven Incendiary Outbreaks Sweep Apartment House District.

Chicago, April 23.—One woman was fatally burned and another seriously injured here early today when they were trapped in one of seven north side apartment house fires which police blamed on a "firebug." All of the blazes occurred this morning within a period of two hours.

Mrs. Julius Goldberg, aged seventy-three, a widow, died at a hospital a short time after she was extricated from her flaming apartment home by firemen.

Her granddaughter, Miss Virginia Winnick, eighteen year old high school student was in serious condition from burns.

All of the fires were started in the vestibules of Rogers Park apartment houses. Scores of frightened families were routed from their beds as firemen raced to five other blazes. Most of the fires were reported before the previous one was brought under control, keeping all crews and equipment in the area working at top speed.

NEW GET-RICH-QUICK PLAN FINDS MANY ENTHUSIASTS

Denver, Colo., April 23.—A flood of mail started by a promised harvest of dimes through a redistribute-the-wealth scheme continued today while postal authorities sought the originators of the idea.

Post office employees were burdened with mail as the recipients of the "prosperity" letters hurriedly drafted copies to send to their friends.

The hope of each was a possible \$1,500.00 return from the investment of a dime and five postage stamps.

Each time a letter was mailed the name at the top of a list of six is taken off and the sender adds his name at the bottom. The person receiving the letter is asked to send a dime to the person whose name is taken off.

KINGSBURY

Mr. and Mrs. Robert Noble spent a week-end at Cleveland with their daughter, Mrs. L. Taylor, and Mr. Taylor.

Guests in town for the Easter holidays included Mr. Ray McMorine, of Point Aux Trembles College, with his parents, Mr. and Mrs. W. S. McMorine; Mr. Newton James, of Quebec City, with his parents, Rev. and Mrs. E. C. James, at the request of Dr. Allan Roy Dafeo, the quintuplets' physician. DOMINION DRAMA FESTIVAL NOW A PERMANENT FIXTURE

Hon. Vincent Massey Refers to Loss Festival Will Sustain by Departure from Canada of Its Founder, His Excellency the Earl of Bessborough.

Ottawa, April 23.—Four plays in French will form tonight's fare of the Dominion Drama Festival, which last night produced three one-act English plays, two of them gloomy and one comic.

Last night's audience heard Vincent Massey, festival chairman and former Canadian Minister to the United States, declare the festival, now in its third year, will continue as a permanent feature of Canadian life.

Mr. Massey said the festival owed a debt of gratitude to the Earl of Bessborough, its founder, and added those concerned with it regretted deeply that the Governor-General was leaving Canada. He drew attention to a note from His Excellency reproduced in the programme saying that on his return to England he would continue to watch "with profound interest" the fortunes of the festival.

Highest praise of Allen Wade, adjudicator and London stage authority, went to the Ottawa Drama League for its production of the colorful romantic comedy "Rizzio's Boots" by Hal D. Stewart. Actor of the play takes place in the boudoir of Mary Queen of Scots and concerns carryings-on of that romantic monarch and David Rizzio.

Miss Annie McCall, Mr. and Mrs. Robert Stewart, of Montreal, spent Easter Sunday with Mr. and Mrs. W. S. McMorine.

Miss M. Kerr, of the Lachine High School staff, spent Easter with her brother, Mr. James Kerr, and Mrs. Kerr and other relatives and friends.

Mrs. George Roster, who has been very ill is improving daily, being able to leave her room for short periods now.

Sugaring-offs have been numerous in this vicinity, among which was a party of about sixty entered at the camp of Mr. William Fowler, Mr. and Mrs. M. Watters also dispensed their delicious sweets to a goodly gathering, a small fee being charged to aid the W.M.S.

Mr. and Mrs. Leo Murphy, of Windsor, have returned home, after spending a few days with Mrs. Murphy's parents, Mr. and Mrs. P. Lavallee.

Country and Dairy Products Prices

Montreal, April 23.—Prices ruled steady on Montreal produce markets yesterday. Trading was somewhat restricted owing to the bank holiday, but some fairly good dealings in butter were reported.

The butter market was 24¢ to 24½¢ per lb., mostly the latter for Canadian lots. Lots of No. 1 and 2 cream butter were 24¢ to 24½¢ per lb. Small lots to the retail trade were quoted by wholesale jobbing houses at 25¢ to 25½¢ for solids and 26¢ to 26½¢ for prints.

The egg market was unchanged. Graded shipments in cartons or l.c.l. lots were 13¢ to 13½¢ for A-large, 12¢ to 12½¢ for A-medium, 11¢ to 11½¢ for B, and 10¢ to 10½¢ for C. Small lots to the retail trade were quoted by jobbers at 22¢ to 23¢ for A-large, 20¢ for A-medium, or B, and 19¢ for C, for cartons, with loose eggs 1¢ per dozen less.

The cheese market held steady at 11½¢ to 11¾¢ per lb. for late-fall or current make No. 1 Ontario, and 12½¢ to 12¾¢ for summers.

The potato market was quoted as follows: P.E.I. Mountains, 65¢; N.B. Mountains, 62¢ Quebec Mountains, light color, 57¢; Quebec Mountains, dark color, 52¢, all prices being for No. 1 grade per 80-lb. bags. New Brunswick potatoes were \$2.15 to \$2.25 for No. 2 and \$2.40 to \$2.50 for No. 1 grade, per 50-lb. crates.

Milk and poultry market was steady. Quotations to the retail trade on small lots of dressed poultry were as follows on A grade stock. B grade being two cents per lb. less:

Turkeys 22-23¢
Milked poultry 23-26¢
Selected chickens 21-24¢
Fowl 15-18¢
Broilers 24-28¢
Geese 13-16¢
Brome Lake ducklings 24-26¢
Domestic ducklings 17-18¢

Per lb. Had the Customs men been advised, Kenneth Brown would not have been allowed to enter the State and extradition proceedings would not be necessary today.

Brown was arrested in Georgia, six days ago pushed and elbowed their way into the small chamber to witness the proceedings.

And at the same time final preparations were being made for the double funeral of Mr. and Mrs. Baldwin, which will be held at two o'clock this afternoon to the United Church in Coaticook.

Mrs. Baldwin died Saturday morning in Richmond, Virginia, while en route to Coaticook from Daytona, Florida. Mrs. Baldwin, who was critically ill when her husband was murdered, died ignorant of the fact her husband had preceded her by scarcely more than twenty-four hours. Her son, Harold, who had joined her in Daytona and was accompanying her home, was advised of Mr. Baldwin's death by telegram on Friday. He learned that his father had been murdered only when he reached Montreal yesterday.

Mrs. Baldwin's remains, accompanied by Harold Baldwin, arrived in Coaticook yesterday afternoon at two o'clock. Following the service in the United Church this afternoon, at which Rev. Albert Johnston will officiate, the bodies of Mr. Baldwin and Mrs. Baldwin, repacked in identical caskets, will be laid to rest in the family lot at Baldwin's Mills next to Mr. Baldwin's father, who was a pioneer settler of the Eastern Townships and after whom Baldwin's Mills was named.

Leonidas Rachand, coroner for St. Francis District, presided over the inquest when it was re-opened at ten o'clock this morning. Wilfrid Lazure, Crown prosecutor, of Sherbrooke, represented the Attorney General's Department. Miss Marguerite Gauthier, official court stenographer, of Sherbrooke, was on hand to record the testimony of the numerous witnesses.

Provincial Police detectives, including Capt. Rene Lasnier and Sgt. Detective James Haney, were also present. Important evidence will be given by High Constable Louis A. Gaudreau, of Sherbrooke, who was directly responsible, by his efficient detective work, for the rapid developments in the police investigation on the day following the assault and murder of the seventy-eight-year-old politician.

Mr. Lazure told a Record reporter this morning that the inquest would be a long affair and would not be completed before late in the afternoon.

W. K. Baldwin was assaulted between five and six o'clock on Thursday afternoon. He was found in his store, lying behind a counter at the rear of the establishment, bound and gagged, at 7:15 o'clock. Chief Romeo Bouchard, of Coaticook, was immediately advised and proceeded to Baldwin's Mills with Dr. Albert Fontenelle. Mr. Baldwin died at 1:30 o'clock Friday morning while en route to a hospital. As he did not regain consciousness, he could not give any clue as to the identity of his assailant.

High Constable Gaudreau was at the scene of the murder early Friday morning. He accomplished some splendid work. He worked fast, following up various clues that led to the detention of Lucien Morin as an important witness for the coroner's inquest and to valuable information concerning the identity of the stranger seen in Mr. Baldwin's store on the afternoon of the killing.

In fact, before Provincial Detective Merneau had time to form any theory about the case, Gaudreau had worked out a logical solution to the murder mystery and had gathered considerable important evidence.

"If the police investigation moved along as rapidly as it did," stated Wilfrid Lazure, Crown prosecutor, to the Record today, "it was due to Mr. Gaudreau's fine work. He deserves a great deal of credit."

The Provincial detectives, who arrived in Coaticook Friday morning, were guilty of deplorable negligence when they did not advise the border points to be on the alert for a motorist driving an American car known to be headed for the State of Vermont.

Had the Customs men been advised, Kenneth Brown would not have been allowed to enter the State and extradition proceedings would not be necessary today.

Mrs. M. Speck, of Sawyerville, was a caller at the home of Mrs. Hannah Jones and attended the Ladies' Aid.

A general Aid was held at the home of Mrs. Hannah Jones last Thursday. Dinner was served to a very good attendance. The work consisted of knitting and sewing.

The business meeting was held with the president, Mrs. A. Laroche, in the chair. Rev. S. J. Pike conducted the devotional exercises. The minutes of the last meeting were read by the secretary, Miss A. Ward, and approved, and the report from the recent sugar social was read by the treasurer, Mrs. E. Ward. Mrs. A. Laroche and Miss Arline Ward tendered their resignations as officers at their respective homes.

Mr. Ivor Pierce, of Stanbridge, has arrived to spend the summer here.

Miss Blanche Thompson, of Stanstead, spent the Easter holidays with her parents, Mr. and Mrs. William Thompson.

Mr. and Mrs. Harry Cummings entertained a large number of their neighbors and friends at their sugar camp on Thursday evening. The sugar-on-snow was much enjoyed.

Miss Annie White, of Glen Murray, is spending some time with Mrs. E. Leamouth.

Mrs. W. G. Thompson was called to Lemesurier owing to the illness of her father, Mr. W. J. Beatrice.

Young Man, to sweetheart's young brother—Johnnie, it may be cruel to tell you, but at the party last night your sister promised to become my wife. Will you forgive me for taking her away?

Johnnie—Forgive you? Why, that was what the party was for.

Are Blood Impurities Tiring You?

If your blood contains impurities you cannot help feeling tired, "dragg", "peppish".

As a corrective of this condition, Fellows' Syrup Compound of Hypophosphites is very effective. Fellows' Syrup supplies the "Vital" (calcium, phosphorus and iron) and other minerals that help to enrich the blood and reduce the blood impurities.

A few days after taking Fellows' Syrup you will feel less tired, more refreshed, and stronger—sure evidence that the "Vital" 3 minerals are effectively improving your condition. Your druggist has Fellows'.

ABBOTSFORD

The regular monthly meeting of the Abbotsford Women's Institute was held at the home of Mrs. R. Thompson with the president, Mrs. D. J. Fisk, in the chair. It was decided to give two prizes for the nature study diaries being kept by the school children. It was also announced that Dr. Senecal had consented to conduct a course of aid for the school children and any others who were interested. It was decided that the Institute would sponsor this class. The roll call, "Sing, Say or a Dime to Pay," brought forth many amusing contributions as well as many dimes for the treasury. This being the home economics meeting, Mrs. Morley E. Honey read an article on home-making and Miss Marjory Fisk gave a demonstration on "Correct Table Setting." The official receipt for the Jubilee Bazaar Fund was on file, this Institute having donated five dollars to the cause. The meeting adjourned and tea was served by the hostess. Miss Woodside, president, presided and very reverently took the devotional service. Mrs. V. C. Rose, secretary, read the minutes of the last regular meeting in February and of two special meetings in March. Mrs. A. L. Blier briefly reviewed the study book of India.

Mrs. H. S. Ball very kindly shared with the ladies her letter from Rev. and Mrs. Ralph Collins, who are missionaries in Africa. A delightful programme followed. Miss Rhoda Beckett and V. Nelson sang a vocal duet. Mrs. Arthur Bell and Miss Gladys Swanson, beautifully rendered vocal solos. Mrs. Roy Beckett and Miss Rhoda Beckett played a piano duet. At the refreshment hour, a salad tea was served. Mrs. Roy Beckett and Mrs. Arthur Bell poured tea, while Mrs. Kenneth Spafford and Mrs. William Davis supervised the serving.

funeral of her aunt, Mrs. Sarah Stanley, of Montreal. The deceased was formerly Miss Sarah Kennison, and taught school here in Fulford several terms in the first Protestant School, which was known then as the Booth Schoolhouse and the site of the building was near the late Richard Booth residence, now owned by Mr. and Mrs. Wiles. The older residents here remember the late Mrs. Stanley with profound respect and extend sincere sympathy to the daughters, Mrs. Hunklerford, of Vermont, and the Misses Eleanor and Marion Stanley, of Montreal, who tenderly cared for their mother in her declining years, who are now bereaved of a faithful and loving mother.

Proud of Her Slim Figure

"Healthy, Active, through Kruschen's 'Little Daily Dose'"

"A year ago," writes a woman, "I was racked with pain from rheumatism, and other complaints. I got so ungainly that I was ashamed of my figure. I used to feel so miserable, until I was persuaded by my husband to take Kruschen Salts. After taking Kruschen for a short time, my rheumatism was less painful, my nerves got stronger, and my step lighter. I am not boasting when I say that I feel younger and more active every day, and I have a much better figure and am much healthier than I have been for years."—(Mrs.) J. S.

Kruschen is based on scientific principles—it is an ideal blend of mineral salts found in the apertures waters of those European Spas which have been resorted to from time immemorial for the relief of various ailments, and for the maintenance of a perfect figure.

Kruschen helps glands, nerves, blood and body organs to function properly and maintain a splendid degree of health and fitness. Take a half-teaspoonful in a glass of hot water every morning. A far of Kruschen Salts that will last four weeks costs but 75c. at any Drug Store.

Face Covered with Acne. Was Very Painful. Cuticura Healed.

"I was troubled with acne for over three years. It began with a few pimples and kept getting worse until my face was covered, and I was ashamed to go out. It was not only disfiguring but very painful, and at times I was unable to shave. All the pimples came to a head and festered and they burned badly.

Then I sent for a free sample of Cuticura Soap and Ointment. My face became clearer so I bought more, and after using three cakes of Cuticura Soap and two boxes of Cuticura Ointment I was healed." (Signed) George J. McIntyre, 1835 Nelson St., Vancouver, B.C.

SHERBROOKE, TUESDAY, APRIL 30, 1935.

If I Should Pray.

Betty L. Goss.

If I should pray, it would not be for riches or for fame—For those things I would count but loss—not gain. I would not pray for honours quickly won—'Tis not for that this earthly race is run. For should we gain the warm approval of the world, And tho' for us their banners they'd unfurl, Still we would not have gain—but loss, To gain the crown, we must take up the cross.

So should I pray, I'd pray the Lord to make me clean and pure, To teach me to keep smiling when trouble comes, and to endure, To help cheer those who are weary of the strife, To give them each a helping hand, and guide them to a better life, I'd pray that Thou would teach me, Lord, Thy work to find, To learn to be faithful to it too, and kind.

The Eye of Avarice.

When ten or more hard-headed business men get together in conference they often do the softest and silliest things.

No fair-minded man will dispute the hypothesis that the members of the City Council are deserving of some recompense for their work. They devote long hours to work and thought for the citizens whilst others are entertaining themselves. They work whilst others play.

Yet the voters believe that they have volunteered for the work with that zest which inspires many men to devote themselves to thought for their fellow-citizens.

It was on a tie vote in the Council that four of the members decided to seek a place "on the dole." They were unable to resist the desire to partake of some of the relief money passing through their hand from the thrifty but burdened taxpayer to the shiftless but honest people who might otherwise starve in the midst of plenty. Four aldermen weighed \$500 against the honour of being called "Aldermen," and decided that the silver outweighed the honour. We are asked to vote to each of them a modest salary.

Conceive the unbusinesslike minds which would select the present time to pile on more taxes! Never has the city passed through such an era of depression. Everybody is perspiring under the load of taxation, and by voting now large sums for relief we issue a wide open invitation to the two parliaments, greedy for money, to further goad us with a scorpion search for more taxation. Provincial and Federal officials will exclaim, "They like it!"

It just cannot be done at the present time, and under the present-day circumstances.

We must keep our aldermen off "the dole."

The Mayor of any city upon whom falls the burden of importunity, should have an "honorary" in the shape of a fund for the emergency calls to which he is subject. But this fund could be created without an appeal to the ratepayers.

Few people realize what a sacrifice is made by a real he-man like our present Mayor, when he has to desert his office work and devote whole days and nights to the public service. It is real work.

But most of the aldermen, they like it. At times we do get men who cannot view the passing money without the eye of avarice.

The Men Who Never Know When They Are Through.

But few people can realize or envision the mental distress which must be borne each day by a statesman like the Hon. Stanley Baldwin, who has carried the burden and the responsibility of the premiership of Britain whilst a small-type man enjoyed the title and the prestige. Though the Right Honourable Ramsay MacDonald may enjoy the titular distinction, he has never carried the cross. It is quite common in the conduct of big business to see this sort of thing happen, but it must provide a daily irk even to the most phlegmatic when day after day and month after month passes by and an Old Man of the Sea sags down more heavily on one's shoulders.

The two little words, "I resign," are not within the lexicon of many public men when once they have tasted the joy of being pointed out on the streets as "Look, there goes Mr. So-and-So." All parties have suffered from the clinging, choking hold-on of the has-been.

Conservatives in Canada can recall the long-drawn-out distress they suffered when they wished that the Hon. Arthur Meighen would step down from the Leadership.

There are many Liberals in the ranks who have been rubbing the Lamp of Aladdin for five years.

But they fear the charge of disloyalty just as did those who suffered long and patiently waited an evolution of circumstances. It is easier for a Leader to get re-endorsement than to gain it at first.

Ontario Conservatives are in the same plight with ex-Premier Henry who clings and clings despite the fact that his hydro-power sins will never be forgotten nor forgiven. George can only see himself in the picture. He takes no thought of the future, of the up and coming, and of the clean.

Not even when a man is visited by the weary days of senility does he realize when he has crossed the line of a has-been. For that deeper insight does not come to the man of courage.

We Are Money Wise and Angry: All of Us.

Having done proper penance in the Valley of Humiliation, the Hon. Mackenzie King can now lift his head without shame. Among his successors are men who have confiscated the gold stored in the banks of trusting depositors who worked hard to save it. They have too, devalued the currency, toyed with inflation, devaluation and repudiation without blushing. They have practised the three-card monte game on the other Dominions of the Empire. They have introduced legislation for which they hold no mandate from the people. They have impaired, by example, the morale of the business world. They have overlooked the fact that the people of to-day are well-read and better informed on even the more abstruse questions of the gold content of the dollar: they know sound money and trusted securities.

What could have been done to currency a few decades ago cannot be done now—not with impunity.

To-day people know to a dollar what the folly of a politically-operated railway is costing them, and they know to a dollar what it has cost them.

What has been done to stop it?

A few minor leaks have been stopped, but the pumps have hardly started to work in the hold. Though one bright soul has stupidly suggested that a billion of the debts could be pumped out of the ships and placed in another hold of the Ship of State.

Money is more than just what dad earns in these days of tightness and depression. Taxes have been so heavy that even five-year-old sonny knows that he cannot have a new pair of boots because the tax collectors took all dad's money.

We are money-wise, money-minded and tax-anxious. All of us. The Tax burden has made us so.

Editor's Note Book.

The principles of success are the same in the professions, in politics and in practical business. Prancing about with their tails up, the politicians of the day have complacently decided that they can turn business upside down by arousing the masses against classes by the easy pull of prejudice. They dare not attack the professions because they will there find more than their match in repartee and rhetoric. Yet, once aroused, the big business men will put the politicians in the brook. Good business men are busy men, content to attend to their business. But the modern business man is a more convincing speaker than the political orator who indulges in round phrases and worn-out slogans. Many business men are diffident about ascending a platform. Most of them are so unselfish that their chief fear is that they will take up too much of the time of their audience, a fright uncommon to the professional politician trained to go on and on until the chair says "your time is up." When the business man is thoroughly aroused to the onslaughts of the politicians watch them get up and lay about them with the speech of action.

What a breath of fresh air it gives one to read of substantial reduction in taxation by the British Parliament! After all, the only thing that counts is accomplishment. Pleas, promises and alibis for failures are but ancient weapons of those who lack the skill for government. They are used by those who get enmeshed on the cobwebs, and who, at the annual spring house-cleaning, would cover up rather than clean-up.

Taking the artistic liberty in the rearrangement of a painting can always be defended, but my idea of the modern impressionistic type is that it is but the license of the kindergarten conception—a blob and a daub. There is such a thing as loyalty to the higher traditions, and after all loyalty is the noblest word in the catalogue of social and cultural virtues.

A man should be what he would expect others to become.

MANY FACTORS OBSCURE EARLY TRADE OUTLOOK

Political Developments Have Had Decidedly Unsettling Influence on Economic Progress During Past Few Weeks.

Montreal, April 23.—The near term business outlook appears to be somewhat obscure. Political developments continue decidedly unsettling, notably the Ontario Government's repudiation of power contracts.

Declines were general in the bank clearings reported from the principal cities of the Dominion for the week ended April 11, when compared with the corresponding week of last year. For thirty leading cities clearings totalled \$277,617,104, which represents a decline of 8.6 per cent. from the total reported for the same week of 1934. Of the five economic areas only one, represented by the Prairie Provinces, showed an increase. Montreal registered a decline of \$30,269,174, or thirty per cent.

Carloadings of revenue freight in the week ended April 6 showed an increase of 1.154 cars or 2.6 per cent. over the immediately preceding seven days, and an increase of 3,462 cars or 8.5 per cent. over the corresponding week of last year.

Railroad traffic receipts for the week ended April 7 did not measure up to last year's level at this time, in spite of the fairly large increase in carloadings for the same comparable period.

It is most gratifying to learn that there was a moderate lessening of the relief burden during the past year. Production during the first week in February, 1935, as against 1,347,220 in February, 1934, a decrease of 117,285.

Production of leather footwear in February by 188 factories amounted to 1,350,941 pairs, the largest output recorded for February in any year since 1929. It exceeds the production of January, 1935, by 250,161 pairs or eighteen per cent. and that of February, 1934, by 255,993 pairs or nineteen per cent. Production during the first two months of the present year amounted to 2,909,921 pairs, compared with a total for the corresponding period of 1934 of 2,354,715 pairs. The imports of footwear, except rubber, in February had a total value of \$287,837, compared with \$24,420 in the preceding month and \$41,845 in February, 1934. Exports of Canadian made leather footwear amounted to 6,601 pairs valued at \$24,016 compared with 1,184 pairs, valued at \$5,477 in February, 1934.

A good inquiry, stimulated by the approach of Easter and a continued liberal movement to the United States were the factors responsible for a firm to higher cattle market during the week ended April 11. Offerings of livestock totalled 9,356 head, which was the heaviest of the year to date, and compares with 6,852 head the previous week. Cattle exports to the United States amounted to 5,503 head.

Wholesalers and jobbers report a fairly steady volume of business. The index of wholesale prices advanced fractionally during the week ended April 5, when it stood at 72.2 compared with 72.1 the week previous.

A moderate improvement was noted in retail trade during the past week, but due to the lateness of Easter, comparisons with a year ago are rendered inaccurate.

Wholesale collections, continue good to fair but retail are still somewhat slow.

District failures for the week numbered six, with liabilities of \$24,415, compared with nine, and liabilities of \$28,030 in the corresponding week of 1934; with seven with liabilities of \$96,000 in 1933 and fifteen with liabilities of \$145,000 in 1932.

FAMOUS EXPLORER WRITING OWN OBITUARY

Chicago, April 23.—Dr. Frederick A. Cook, Arctic explorer who claimed discovery of the North Pole in 1908, disclosed today that he is writing his own obituary.

In Chicago to observe the twenty-eighth anniversary of his attainment of the Pole, Dr. Cook, almost seventy years old, said he had signed a contract with a news magazine and had agreed to write the obituary in a series of seven articles for publication after his death.

The contract, Dr. Cook said, stipulates that profits from the sale of the obituary are to be given to his heirs.

HAPPY TERRIER IS NOW LIVING LIFE OF RILEY

Letters and Snapshots from Daughter of British Prime Minister Tell of Pet's Journey to England.

Saint John, N.B., April 23.—From the Cossar Farm at Gagetown, N.B., to Downing Street, is the canine Alger story a pet little Scotch Terrier has lived in the last few months.

It is a thrilling story for the boys who are learning practical agriculture at Cossar Farm—a story that has unfolded in letters from Miss Isabel Macdonald, daughter of Prime Minister J. Ramsay Macdonald.

Miss Macdonald's letters have recorded for them the trans-Atlantic journey of "Dodie," Cossar Ambassador, his brief sojourn in quarantine—political influence eased him out of there in less than the regular time—and his meetings with such dignitaries as a Lord Mayor and British peers.

"Dodie," it seems, has carried himself well through all this, even when confronted by such formidable people as Downing Street butlers. But it was natural that he should have taken to high circles with easy nonchalance because "Dodie" is a gentleman, a blue blood through and through.

His sire was Champion Heather Highlander and his mother Heather Margot. In his ancestral hall, a famous Aberdeen kennel, "Dodie" can sniff at a long gallery of portraits of his illustrious forebears, forebears with the square Heather nose, the short Heather legs and the shaggy Heather hair.

Even if he weren't so well connected in the Old Country, the "Dodie" family is well-known in Canada. E. W. Beatty, K.C., president of the Canadian Pacific Railway, is the proud possessor of "Dodie's" brother, "Cossar Pacific."

Both "Dodie" and "Cossar Pacific" were bred at the Cossar Farm from imported stock, the one having been presented to Mr. Beatty, and the other to Miss Macdonald on her visit to Saint John last summer.

Miss Macdonald certainly seems to think a lot of "Dodie," Robert Laskey, who has charge of the famous kennels at Cossar Farm, said, telling of the letters and the "Dodie" hat box "he has sent to the boys at the farm."

"Dodie" has even broken into print in the British newspapers.

A Saint John man returning from Liverpool, brought a copy of the Liverpool Echo, telling of Prime Minister Macdonald's return to Great Britain after visiting the Maritimes and Newfoundland.

Under the heading, "The Premier Returns Home Tanned," is a subhead "Miss Isabel's Terrier." After telling who met the Prime Minister and how he looked on his arrival, the account below the headline says:

"Ahead of the private luggage came 'Dodie,' an Aberdeen Terrier pup, presented to Miss Macdonald in New Brunswick. Wearing a tartan collar, it was carried by an attendant, who held in his free hand Miss Isabel's hat box."

Incidentally, in the same report, the Prime Minister is quoted as recommending the Maritimes for Britons on holidays. "The country out there is beautiful, the people are hospitable and everything and everybody are delightful in every way. I can assure you that if you take my advice and go there you will come back refreshed in both body and mind, as I have done."

CALLS CIVIL CORPS CAMPS "HOT-BEDS OF RADICALISM"

Economist Declares Jobless Youth Furnishes Key to Future Developments in Nation.

New York, April 23.—Roger Babson, economist, told members of the Babson Institute Alumni Association last night that the jobless youth furnished the key to future developments in the nation.

"The civil conservation corps camps are becoming hot-beds of radicalism, and if these young men are not soon absorbed into legitimate industry they will become a revolutionary army," he asserted.

Returned from a transcontinental trip, Babson was optimistic over business during the next two or three years.

The International Coöperage Co. has started Number One mill for the summer months.

Mr. and Mrs. S. J. Scott spent the Easter holidays in Newton Center, Mass., as guests of Dr. Walter. The Misses Wilma and Elaine Scott spent their holidays in Kingsbury as guests of their grandparents.

Among those who spent the holiday in town with their parents were Mr. John A. MacLeod, Mr. Harry MacLennan, Mr. Alvin Pinkham, Miss Margaret Morrison, Miss Doris MacKenzie, all of Montreal; Mr. Roy Wells, of Magog; the Misses Christine and Anna Morrison, of Asbestos; Miss Arlene Morrison, of East Clifton, and Miss Gladys Morrison, of Campbell's Bay, Que.

Miss Reta Mayhew entertained a number of her former school mates at her home on her birthday. Games and cards were played and a very pleasant time enjoyed by all who attended.

Miss Dorothy Morrison, of Farnham, spent the week-end in town as a guest of Miss Annie C. MacLeod.

The many friends of Mr. A. M. MacKenzie will be sorry to learn that he has had a relapse after his recent illness.

Miss Hope Scott entertained a number of her friends in honor of Miss C. George, of Milby, who is spending the holiday season with Miss Scott.

Mrs. B. Mugo, of Boston, Mass., spent the week-end in town with her parents.

The Scotstown Granite Co. has closed down its paving cutting operations for a time.

Several ladies of St. Alban's Church interested in forming a local branch of the Women's Auxiliary met on Tuesday afternoon at the home of Mrs. G. Robins. The following officers were elected: Mrs. J. Start, president; Mrs. S. Parsons, first vice-president; Mrs. G. C. Beard, second vice-president; Mrs. B. Woolley, third vice-president; Mrs. E. S. McMannis, secretary-treasurer; Mrs. B. C. Mayhew, Dorcas secretary; Mrs. H. A. Scarth, educational department secretary; Mrs. T. Riglar, prayer partner's secretary; Mrs. G. Robins, Living Message; Mrs. F. M. W. Templeman, thank-offering boxes.

Mr. T. D. Watson has returned from Montreal, where he was

called by a severe relapse in the condition of Miss Marion Watson, who has been in a hospital there for the last three months. Her many friends will be pleased to learn that she is gaining nicely now.

The April meeting of the Women's Institute was held at the home of Mrs. A. H. Scarth, there being twenty-four members present. The convener of the ways and means committee reported that the show which was held a short time ago had been a success in every way and plans were discussed to hold a rummage and white elephant

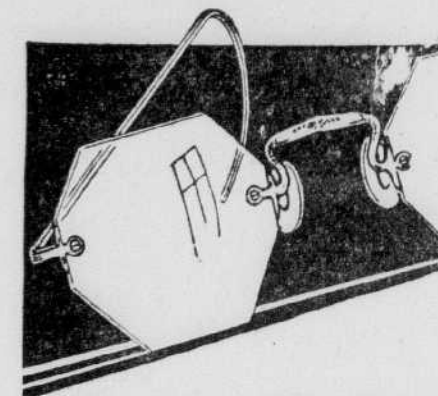

sale during May. Three of the conveners read interesting current events in connection with their department. Plans were made for entertaining the county convention, which meets here in May. The response to the roll call was to tell a joke. Later the ladies voted on which was the best joke, the prize being won by Mrs. Fred Goodin. After the business meeting, there was a social period, the officers acting as hostesses.

LOCAL MILITIA HONORED YPRES BATTLE MEMORY

Sherbrooke Regiment, 35th Battery and Ex-Service Men Held Annual Parade to St. Peter's Church Commemorating Second Battle of Ypres.

The Second Battle of Ypres, during which the Canadian Expeditionary Force received its first real baptism of fire, was commemorated Sunday evening by the members of the Sherbrooke Regiment who held their annual church parade to St. Peter's Church. In addition to the Sherbrooke Regiment, under the command of Lieut. Colonel W. E. Baker, with its brass and bugle bands, there were also present as guests of the Regiment the 36th Battery under Capt. Stanley Walker and a detachment of ex-service men under Col. M. W. McNulty. Other units represented were the 6th Field Brigade C.F.A. by Lieut. Colonel K. B. Jenckes and the 7th Hussars by Capt. D. C. George.

The parade commenced at the Regiment Armory and moved off for the church under command of Colonel E. B. Worthington, C.M.G., V.D., parading by way of Montreal, Queen, Melbourne and Dufferin streets.

The impressive service in the beautifully decorated church was conducted by Rev. H. R. Bigg, chaplain of the Sherbrooke Regiment, assisted by Rev. Canon C. R. Eardley, Wilnot and Rev. Cecil King.

Following the stirring sermon, the collection was taken up by four officers of the Regiment, Major J. W. Houlden, Major L. H. Bowen, Capt. B. D. Lyon and Capt. R. W. Soper. The roll of drums and the sounding of the Last Post and Reveille brought the religious service to a close.

After the service, a parade was held through the city streets, the bands playing combination music.

This evening the regular drill season of the Regiment concludes with the annual inspection by Brigadier W. W. P. Gibson, C.M.G., D.S.O., O.B.E., District Officer Commanding Military District No. 4, and his staff.

**LARGE NUMBER OF DEATHS
RECORDED OVER WEEK-END**

Canadian Senator, General Counsellor of Vatican State and Noted Military Figure Among Those Who Have Concluded Active Careers.

The following deaths, which occurred during the week-end, were recorded in today's press despatches to the Record:

Kingston, Ont.—Hon. H. S. Bland, 65, Senator and former Liberal cabinet minister.

Rome—Marquis Francesco Pacelli, general counsellor of the Vatican State.

Kingston, Ont.—Professor George W. Mitchell, of the classical department of Queen's University.

Montreal—Mrs. Albert Beagley, girls' secretary, Dominion board, Women's Auxiliary to the Missionary Society of the Church of England in Canada.

London—Lieut. General Sir Richard H. K. Butler, 64, who had a distinguished military career.

London—Major Robert Hemphill, commandant of the Royal Military Hospital at Woolwich.

Newcastle, England—Robert Carr Bosanquet, 63, Romano-British archaeologist.

Kitchener, Ont.—Rev. John Fehrenbach, 78, Roman Catholic priest.

Often have I been called meticulous. Sounds like a good word and yet methinks I'll go to my dictionary; find out for sure. Here is the exact definition: Over careful about trifles; scrupulously precise; timorous. I accept the word as complimentary for it denotes that "Gentle Touch" so necessary in repairing watches. I shall pass on the appellation to my watchmakers just as I have passed the expert skill. Have you a watch or clock that acts badly? I can make it keep meticulous time!

COLLECTIONS OF EGGS PROVED A GREAT SUCCESS

Boy Scouts Collected 217 Dozen Eggs which Were Supplied by 297 Families and Distributed to Eighty-Four Needy Families.

Again the Easter egg collection sponsored by the Sherbrooke Boy Scouts was a pronounced success. Working from early in the morning on Saturday, the eve of Easter Day, until six o'clock in the evening, some fifty Scouts traveled at top speed to collect 217 dozen eggs. In all 297 families donated eggs.

These were distributed to eighty-four needy families, representing a total of 414 persons. The Scouts are well pleased with their day's work and are again grateful to the citizens of Sherbrooke who responded so generously to their call for eggs.

The collection was in charge of Assistant Scout Masters Lloyd Davies and Douglas Sinclair, who kept those supervising over the work. To facilitate matters, the collection was divided into wards.

The North Ward, with headquarters in Trinity United Church, was under the direction of Patrol Leader Gerry Cathcart and Lady Cub Master Phyllis Palmer.

The Centre Ward had its headquarters in St. Andrew's Church Hall, where Assistant Scout Master Hugh Hall was in charge. In the East Ward where Cub Master George Newman supervised operations, the residence of Mrs. F. A. Wark was very kindly placed at the disposal of the boys. The headquarters in the West Ward was in the residence of Mr. H. Maddiss, Champlain street, with Assistant Scout Master Eric Maddiss in charge.

Valuable assistance was given by Rover Mate Lynn Trussler who, although not taking part in the actual collection, did much to help those in charge of this popular Easter "good turn."

LENNOXVILLE

**FORMER EASTERN TOWNSHIPS
RESIDENT BURIED.**

The funeral of Mrs. S. B. Shaw, a former resident of Huntingville, whose death occurred in Chicago after a short illness, was held from the home of her brother, Mr. W. A. Hyndman, in Lennoxville, on April 11th, Rev. F. R. Matthews officiating.

A quartette composed of Mrs. J. G. Trentham, Mrs. G. Watson, Mr. E. J. Balfour and Mr. Marlin sang "Rock of Ages" and "On Love That Will Not Let Me Go," with Mrs. L. M. Watson presiding at the piano.

The bearers were six elders of the Lennoxville United Church, Messrs. James MacLeod, W. G. MacDougall, Arnold Tate, E. Robinson, C. H. George and H. Woodside. Interment was in the family lot in Malvern cemetery.

Mrs. Shaw, the daughter of the late Jeremiah Hyndman and his wife, Maria Hall, was born in Huntingville in 1880 and spent the earlier years of her life there. Later she moved to the United States, where for many years she engaged in rescue mission work. She was married to Edward Young, of Globe City, Arizona, in 1894, where they lived for some time. Mr. Young passed away in 1915. In 1934 she was married to Rev. S. B. Shaw and lived in Chicago until her death on April 7th.

She leaves to mourn her loss her husband and one brother, Mr. W. A. Hyndman, and Mrs. Hyndman, of Lennoxville.

General Notes.

Among those spending the Easter vacation at their homes were Miss Lola Beaulieu, of Quebec, the Misses Margaret and Edith Swanson, Miss R. Burt, Miss M. Smith and Mr. E. Walters, of Montreal, and Mr. Gordon McMurray, of Grand'Mere.

Messrs. L. V. Parent and J. A. McClary have returned from a trip to Ottawa.

The many friends of Mrs. Donald Shaw are sorry to hear that she is confined to her home by illness.

Mr. and Mrs. Norton Baldwin and Miss Margaret Sisco spent Easter Sunday with Mr. Baldwin's parents, Mr. and Mrs. P. L. Baldwin, in Coaticook.

Mr. and Mrs. Harvey Wilson, of Montreal, were Sunday guests of Mr. and Mrs. M. E. Merrill.

**STUDENTS RETURNED TO
SCHOOL THIS MORNING**

Back at their desks this morning after the annual Easter recess, students of local Roman Catholic and Protestant schools set to work eagerly in preparation for the final examinations in June and the long summer vacation. Teachers as well as their pupils, refreshed after the brief respite, were ready for another term of hard work before the annual commencement exercises.

Railroad traffic experienced a week-end increase in passengers as out-of-town students returned to classes. Many local young men and women, however, are still with their families, for many colleges and universities will not re-open their doors until later this week.

SAINT GEORGE'S DAY.

"Come the three corners of the world in arms."

And we shall shock them. Nought shall make us rue. If England to itself do rest but true."

Today the thoughts of all Englishmen abroad turn to the seagirt island that is forever to them the Homeland. This is the day of England's national saint. It is truly a day for rejoicing and for national pride.

April twenty-third is dear to the hearts of Englishmen for two reasons. First it is the Saint George's Day and, secondly, it is the anniversary of the birth of William Shakespeare, one of the greatest, if not the greatest, luminaries in English literature. Strangely enough, also, April twenty-third recalls the death, as well as the birth, of Shakespeare.

Wherever Englishmen gather today, in Andean Valley, on Pacific coral island, in the great cities of the Antipodes, beneath the Southern Cross, under the shadows of Table Mountain, or within the reach of Arctic snows, there will be found something of the spirit of England and of Saint George.

In Canada Saint George's Day is commemorated with no little interest, for Canada is proud of its English connections and is ever ready to publicly proclaim those ties of love and fraternity which will forever bind this fair Dominion to the Mother Country across the seas.

**EASTER FESTIVAL OBSERVED
AT PLYMOUTH CHURCH**

A capacity congregation and special music featured the Easter festival service at Plymouth United Church on Sunday morning. The impressive musical service, under the direction of C. V. Chamberlain, opened with an organ prelude for two organs, "Christ Triumphant."

Pietro A. Yon, played by Mrs. W. G. Cross and Mr. Chamberlain. The choir, the ladies dressed in white and wearing black velvet berets, entered the church singing the professional, "O What the Joy and Glory Must Be."

The anthems were "The Resurrection," Shelly, with soprano solo by Mrs. J. Keith Edwards, and trio by Miss Baldwin, Mrs. George Ogston, and Carl Griffith, with Mrs. Cross at the echo organ, and "On Wings of Living Light," Sebastian Andrews.

The sermon by Rev. Dr. G. Ellery Read was on "Life in Christ," and was a setting forth of the immortal hope in relation to the life that now is as well as the life to come.

The Communion of the Lord's Supper was administered to a large company of communicants and closed a memorable and inspiring service.

Miss Agnes Duncan and Miss Mary Grime were in charge of the special floral decorations, which consisted of calla lilies and snapdragons.

A devotional service was held in the evening in Trinity Church.

W. K. BALDWIN'S MURDER CAUSED A GREAT FURORE

Story of Crime which Claimed Life of Prominent Eastern Townships' Citizen Broadcast from London, England—Saturday's Record Carried Exclusive Stories on Brown's Arrest and Death of Mrs. Baldwin.

The brutal murder of Willis Keith Baldwin, aged ex-parliamentarian, wealthy realtor and prominent Eastern Townships' citizen, turned the bright light of Empire-wide publicity upon the tiny settlement of Coaticook.

For the first time in history, the Eastern Townships figured, individually, in the radio broadcasts emanating from London, England—the heart of the British Empire and of the world. And over the week-end, Walter Winchell, New York correspondent, included the Baldwin tragedy among his tidbits of radio gossip.

W. K. Baldwin, seventy-eight-year-old Eastern Townships' son of pioneers, died at 1:30 o'clock Friday morning after being assaulted and robbed in his store at Baldwin Mills. Across the width and breadth of the Dominion, from pages of newspapers that day screamed the story of the tragedy in bold type. In the United States the story also received prominent display, while in England—owing to the fact that Mr. Baldwin had for the past several years been a member of the Canadian Parliament—the murder was considered important and sensational enough to warrant news of it being broadcast over the Empire.

The Sherbrooke Daily Record was the only daily afternoon paper to carry the story of the crime on Friday, and on Saturday the Record was the only Eastern Townships journal to tell its readers of the arrest of Kenneth Brown in Georgia, Vt., of the death of Mrs. Baldwin, while on her way from Daytona, Florida, and of the double funeral being planned for this prominent Eastern Townships' couple.

News of Brown's arrest was flashed over the Canadian Press wires only a few minutes before dead line. The news of Mrs. Baldwin's death in Richmond, Virginia, was given to the Record exclusively and other papers missed the story.

On Saturday evening Sherbrooke citizens were again entertained by a wave of radio music over short-wave sets were startled when they heard the little hamlet of Baldwin's Mills named in an announcement from London, England. It was news of the murder which was being sent over the air, across the wide expanse of ocean, into homes thousands of miles away.

London newspapers also attached important news value to the murder story. The Record was asked to despatch a special story of the crime to the London Daily Mail. Canadian Press wires, supplied with the news by the Sherbrooke Daily Record staff, also spread the story far and wide, sending it to the four corners of the globe.

**PROPERTY OWNERS TO VOTE
ON TWO BY-LAWS TOMORROW**

Ratepayers Expected to Give Approval to Permanent Works By-Law Involving Expenditure of \$80,000—Salaries By-Law Not Being Given Any Consideration.

Tomorrow the ratepayers of Sherbrooke will pass judgment on two municipal by-laws. The first provides for a loan of \$80,000 to enable the civic authorities to launch an extensive programme of permanent works to relieve unemployment during the coming summer months.

The second by-law, which is regarded as a joke, would, if adopted, enable the aldermen to delve into the municipal coffers and draw out the neat little sum of six thousand dollars annually for aldermanic indemnity.

From all appearances the permanent works by-law will be adopted. The ratepayers realize that this is for a worthy cause and they are ready to give the civic administrators a helping hand in relieving unemployment.

The \$80,000 will be spent on paving, street work and sewers in practically every ward of the city. The major item in this by-law is the paving of Grand Forks street, or the "Langis Canal" as it is more commonly called. This project alone will cost \$23,000.

The majority of the aldermen realize that the second by-law is doomed to failure, although one or two nourish the hope that it will sail through and that they will be able to "collect" for "professional services."

The voting polls will open at nine o'clock in the morning and at five o'clock in the afternoon the results will be known.

**CERTAINLY PICKED WRONG
FIREBOX**

Detroit, April 23.—Harassed firemen returned to their station after answering four false alarms only to hear the gong ring again.

But this time they didn't "roll." Standing in full view at a box in front of the station was Richard Matthews, aged seventeen. The firemen seized the youth and Recorder Christopher E. Stein allotted him sixty days in jail to consider his oversight.

A correspondent tells a story, for the truth of which he vouches, about an elderly woman who asked for a dog licence.

Mr. and Mrs. Oscar Stenson returned yesterday afternoon from Montreal, where they were guests for the Easter week-end of the former's mother, Mrs. M. T. Stenson. They were accompanied to the metropolis by Miss Gertrude Imrie and Miss Edith Hill.

Mr. and Mrs. Henry Saunders, who on Easter Day celebrated the forty-third anniversary of their wedding day, entertained at a family dinner party at their home on the Belvidere Road. The guests present at this happy family gathering included Mrs. Saunders' mother, Mrs. E. Cottor, who has passed her ninety-seventh birthday. A handsome wedding cake centered the table, which was attractively arranged with red rambler roses and daffodils.

Attended by society en masse, the annual Charity Ball given for the Sherbrooke Hospital at the Masonic Temple last evening was a brilliant and outstanding success. Transformed by artistic decorations, carried out in the hospital colors of purple and gold, into an idyllic beauty spot, the hall made a lovely background for the many dancers as they fitted to and fro in their beautiful and multi-colored gowns.

Excellent music was furnished by the orchestra, which was stationed in an attractive alcove, behind which was a large crest of the Sherbrooke Hospital emblazoned on either side, with the medical ensign and artistically festooned with violets resting in their own deep green leaves. On either side were screen curtains in the same colors adorned with iris and banded with palms. All overhead lights were shaded in gold, while purple and gold leaves alternated in decorating the bracket lamps on the three remaining walls. Between these lights were beautifully fashioned mammoth daffodils and iris, with their foliage reaching to the window tops. The whole effect was charming and reminiscent of a garden in spring. The recess reserved for the patronesses was artistically banked with palms. Later, when the lights were dimmed the "Larghetto" was played, a perfect "moon" appeared, making complete the lovely decorative scheme, carried out under the supervision of Dr. H. D. Bayne, Mrs. L. A. Darey and Miss J. Brumwell.

Mrs. J. Keith Edwards, president of the Sherbrooke Hospital Ladies' Auxiliary, Mrs. Andrew Sangster and Miss V. K. Beane, superintendent of the hospital, received. The former was wearing a lovely blue lace gown, Mrs. Sangster's dress was of black net and lace, and Miss Beane wore a handsome blue velvet.

A comfortable room off the ballroom was reserved for bridge, and small tables centered with vases of daffodils were placed on either side of the dance floor, greatly enhancing the attractiveness of the hall and the pleasure and convenience of the guests.

At midnight light refreshments were served by the members of the Auxiliary, and afterwards dancing was resumed. Mrs. Edwards and her assistants were to be congratulated upon the efficient manner in which all arrangements were carried out to make the Charity Ball for 1935 a successful, brilliant and delightful society event.

Miss E. Tilton, Quebec, street, was a guest of relatives in Granby for the week-end.

Mrs. E. E. Goodenough returned last night from Montreal, where she was a guest for a few days at the Windsor Hotel.

Mr. and Mrs. Stevens Pye and sons, Harold and Norman, King street west, spent Easter Sunday with relatives in Danville.

Miss Jean Fenton, superintendent of the Orleans County Memorial Hospital, Newport, Vt., spent the Easter holidays in Coaticook.

Miss Mabel Fraser, of Montreal, has been the guest of Mr. and Mrs. A. E. Wiggett, Fulton avenue, for the Easter holidays.

Mr. and Mrs. Andrew Paton, of Montreal, were guests for the Easter week-end at "Rockmount," Mrs. Andrew Paton Robinson's residence on Moore street.

Mr. H. Brooks Wilson, who spent the Easter week-end the guest of Mr. Justice and Mrs. C. D. White, Victoria street, returned yesterday to Montreal.

Mrs. Allan O'Dell and her sister, Miss Grace Higgins, spent the Easter week-end with their parents, Mr. and Mrs. William McCormick, in Waterville.

Beautiful roses were placed on the Altar in St. Paul's Church on Easter Day, given by Mr. and Mrs. Fred Carr and family in loving memory of their daughter, Shirley May Carr, who passed away on April 13th, 1924, at Windsor Mills.

The beautiful flowers on the Communion Table in St. Andrew's Presbyterian Church on Easter Sunday were given by Mr. and Mrs. R. W. Sherreffe, of Bronxville, New York, in loving memory of Miss Mary A. McLeod.

Miss Mary Grime was guest-of-honor at a very pleasant surprise shower and bridge party given at her home on the Beckett Road. The hostesses were Mrs. G. Grime and Mrs. H. Leech, and during the evening bridge was played, the prizes being won by Mrs. Oak and the guest of honor. The bride-to-be was also presented with a special gift prize. At the close of the evening the hostesses served dainty refreshments.

Miss Patty Wiggett entertained delightfully at bridge yesterday afternoon at her home on Victoria street in honor of Miss Ruth Schofield, of Montreal. Bridge was played at three tables, the prizes being won by Miss Gwen Hurn and Miss Katherine Davey. The hostess also presented the guest of honor with a special gift prize. Tea was served in the dining room. Miss Vivian Parr presiding at the lace covered table, which was centered with lovely spring flowers and green candles.

HON. R. J. MANION ON
HOLIDAY TRIP

New York, April 23.—Hon. R. J. Manion, Minister of Railways and Canals, arrived in New York today en route south for a vacation. Mr. Manion will address the St. George's Society at its annual dinner tonight.

**ACCORDING TO FRED
CINQ-MARS**—The road to Montreal is now in splendid shape for driving. From Sherbrooke to East Angus it is passable whilst on to Marleton there is a fair stretch of gravel road. We can "get along" with gravel roadways by continual scraping and patching, slipping and cussing, instead of sensibly using pavement throughout. Just as it is possible to struggle on with antiquated plumbing by repairing and replacing and apologizing instead of having modern equipment that is a constant delight and a joy to see. But it is sensible not to take advantage of what modern ingenuity so freely offers?

GOVERNMENT TO TAKE DELIVERY OF MAY WHEAT

Action of Government Agency in Refusing Other Future Contracts Will Place It in Stronger Controlling Position Over Grain Trade.

Winnipeg, April 23.—With listing of the October option still indefinite, traders went into the Winnipeg Grain Exchange pit today with realization the Dominion Government wheat agency requires delivery of actual May wheat instead of other future contracts.
Returning from eastern Canada yesterday, John I. McFarland, general manager of the central selling agency of the Canadian Wheat Pools and in charge of Government stabilization efforts, announced delivery of the May wheat would be required.
Decision to take delivery of the actual grain, it was interpreted here, would place the agency in a still stronger controlling position over the grain trade. Outright ownership of the agency, it will then be in a position to control the flow to market of actual grain as well as stabilization of prices.
The actual amount of wheat to pass into sole ownership of the agency was not disclosed by Mr. McFarland. It is generally understood the agency holds paper against the great bulk of the Canadian surplus and, if it desired, could call for wheat to be tendered at Fort William and Port Arthur. This was not anticipated, however, as Mr. McFarland would not embarrass exporters who hold grain in such positions as Vancouver or east of Fort William.
By calling for the May delivery, most of the 60,000,000 bushels of wheat at Lakehead terminals will pass into control of the agency, it was believed. If this is moved to market readily, the agency would force movement of some of the 95,000,000 bushels now held in country elevators of the west. There is about 10,000,000 bushels in store in Vancouver.

Listing of the October future for trading would not even be considered until after the end of May, Mr. McFarland announced as well. Delay in listing of the October option was not a surprise to traders. The option is usually listed in January, but when the 1935 October option was due to be listed, Mr. McFarland announced it would be delayed indefinitely. It was not advisable to deal in a crop that was not yet sown, he explained.
Taking delivery of May wheat and further delay in listing the October future marked another step in Government action in the Winnipeg Grain Exchange. On November 1st, 1934, the Grain Exchange, at the suggestion of the Government, pegged the December wheat price at seventy-five cents and May at eighty cents. When the July option appeared on November 10th it was pegged at 81 1/4 cents. At the close of the market yesterday, May wheat closed at 89 1/2 cents and July at 90 1/2 cents. Charges were made by Mr. McFarland that foreign interests last October, were conducting bear raids on the Winnipeg market with a view to hammering down the wheat prices here. The charges preceded the pegging of the wheat prices.

INDIANS TAMED TIGERS BEHIND WILLIS HUDLIN

Cleveland Hurler Set Detroit Down with Three Hits While Mates Launched Twelve-Hit Attack—Hubbell Held Phillies to Four Hits for Easy New York Victory.

Four games, four pitchers, three victories—that is part of the reason why Walter Johnson is persuaded his Cleveland Indians will be a constant threat for the American League pennant this year.

So far the Indians have done very little hitting on their own behalf, but they have not needed to with such pitching as Mel Harder, Oral Hildebrand, Monte Pearson and Willis Hudlin have flashed.

Harder and Hildebrand gave up only seventeen hits altogether in winning Cleveland's first two games, a pair of fourteen-inning, two to one victories, and Pearson was touched for only ten in losing a three to two decision to Detroit's champion Tigers in thirteen frames. But it remained for Hudlin, the veteran of the staff, to top all these yesterday with the Tigers as his victims.

In mid-season form, Hudlin set the champions down with three hits and won a five to nothing shutout. Bridges, who pitched one of the two games the champions have won this season, was the victim of the Indians' twelve-hit offensive. One of the blows was Vosmik's home run with two on bases.

Cleveland's pitching "Big Four" now has allowed only five runs and thirty hits in fifty innings, by far the most impressive record of the early season.

Meanwhile at Washington, Joe Cronin's amazing Boston Red Sox battled their way to their fifth victory in six starts, a four to two triumph over Bucky Harris' Senators.

Wes Ferrell recorded his second victory of the season, although relieved in the ninth inning by Rube Walberg. The Boston pitcher had a perfect day at bat with two singles, a double and a triple off Jack Russell and Earl Whitehill.

Zeke Bonura, two homers drove in five runs for the Chicago White Sox in the first three innings of their game with the St. Louis Browns, but the Browns scored six in the same span and won out by six to five.

The only National League game of the day saw Carl Hubbell regain his pitching form. The slender southpaw held the belting Phillies to four hits, one of which was Dolph Camilli's fifth home run of the year, and the New York Giants earned an easy eight to one victory.

Dick Bartell led the Giants' offensive off Phil Collins, James Bivin and Frank Pearce, driving out a triple, a double and two singles in five times at bat. Mel Ott crashed through with his second home run of the year.

An exhibition game at West Point cost the New York Yankees the services of Fred "Dixie" Walker, fleet outfielder, for two weeks. Walker dislocated his right shoulder when he slid into second base in the first inning. It was an injury to the same shoulder that kept Walker out of the game practically all last year.

GOLF

LITTLE FAVORED TO WIN BRITISH GOLF TITLES

Chicago, April 23.—Tommy Armour, the Black Scot of the fairways, rates very highly Lawson Little's chances to score a slam in the British Amateur and Open golf championships this year.

"Anything can happen in a golf championship, but I think Little is a cinch to sweep both British championships," Armour claims, "and incidentally, Bobby Jones thinks the same way about it. There is not a weakness in Little's game. Every shot in his bag is equally fine although his tremendous tee shots are the blows that usually break his opponents' hearts."

"He has great strength in those shoulders and legs, an asset that counts so much in such hard grinds as those in England. He is a tireless worker and a thorough student who can correct a fault quickly and completely when one does arise."

"Naturally, I know Lawson's game pretty well as I have put in many an hour teaching him what I know, but I was surprised by his showing in the Augusta National. He had not played for five or six months, but he picked up his clubs and was right up there."

TWINS ARE MORE LIKELY THAN HOLES-IN-ONE

The golfer's chances of scoring a hole-in-one are exactly one in 107,510, a New York rubber company executive has figured out.

"You have 1,229 more chances of becoming the father of twins," was the statistician's opinion. "Averaging eighteen holes of golf per week-end from April 1 to November 30, you will make 630 tee shots at which rate it will take you 170 years to make your ace."

"Of course, you may make it on your first drive and save a lot of trouble."

THORPE SEEKS TROPHIES HE WON AT 1912 OLYMPICS

Los Angeles, April 23.—The "greatest athlete of all time," Jim Thorpe, wants the trophies he won when as an Indian youth of twenty-four years he won the Decathlon and Pentathlon at the Olympic Games in Stockholm, Sweden.

Thorpe was presented with two trophies—bronze and silver—of the King of Sweden and a replica of a Viking ship inlaid with gold and precious stones.

But Thorpe saw the two trophies taken from him in 1913 on the Amateur Athletic Union charge he had been a professional before the Olympic Games. The trophies, so Thorpe said yesterday, were returned to Sweden where they have remained unclaimed in the palace of the King.

Thorpe called on P. N. Engblom, vice consul of Sweden at Los Angeles, and asked what steps he should take to get the trophies.

A few years ago Thorpe was discovered digging ditches in Los Angeles. Since then friends have found work for him as referee in athletic contests and at film studios.

HOME RUN STANDING

Home runs were registered yesterday by Bonura, White Sox; two; Camilli, Phillies; Ott, Giants; and Vosmik, Indians, one each.

Leaders in the circuit clout column follow: Camilli, Phillies, 5; Fox, Athletics, Watkins and J. Moore, Phillies, Frey, Dodgers, Ruth, Braves, Bonura, White Sox, Hartnett, Cubs, and Ott, Giants, two each.

League totals: National 30, American 15. Grand total 45.

YESTERDAY'S STARS

Outstanding players in yesterday's major league games were: Wes Ferrell, Red Sox; Pitched and batted the Red Sox to victory over the Senators, getting a triple, a double and two singles.

Zeke Bonura, White Sox: Hit two home runs, bringing home all five runs the Sox scored against the Browns.

Willis Hudlin, Indians: Blanked Tigers by five to nothing, with three hits.

Carl Hubbell and Dick Bartell, Giants: Former allowed Phillies only four hits and latter collected a triple, double and two singles.

ROOKIE PACED NEWARK TO VICTORY OVER ROYALS

Fern Bell, who hit only 283 in forty-three games with Hollywood of the Pacific Coast League last year, apparently has earned himself a regular position in the Newark Bears' outfield, largely because of his timely hitting.

Just another member of a young and hustling ball club when the International League opened, Bell jumped into prominence on the first day by cracking out two home runs.

He failed to keep up that pace the next few days but came through again yesterday with two timely blows to pace the Bears to a three to two victory over the Montreal Royals. His single in the seventh inning sent George McQuinn across the plate with the tying run and then in the ninth frame he crashed out a triple to score Dick Porter with the deciding tally. Mylykanen, seething Newark's nine other hits, but the Royals were limited to six safeties by Miller and scored single points in the second and third stanzas.

In the only other game played in the circuit, the Baltimore Orioles continued to hit home runs frequently to turn back the Rochester Red Wings by ten to nine in a game in which the lead changed hands seven times. Woodley Abernathy's eighth-inning homer with two on gave the Orioles the decision. George Puccinelli hit his sixth circuit smash of the season and batted in five runs during the game.

Cold weather forced the postponement of the Buffalo-Syracuse game, while Toronto and Albany were not scheduled to play.

HEBREW CAGERS USHERED FROM PLAY-OFF RACE

Toronto Broadview Y.M.C.A. Gained Canadian Intermediate Basketball Final Last Night by Scoring Second Straight Victory Over Montreal's Hebrew Association.

Montreal, April 23.—The high-powered team of Toronto Broadview Y.M.C.A. today was on the threshold of the Dominion intermediate basketball championship following their final disposal of Young Men's Hebrew Association of Montreal here last night by twenty-four to twelve.

Coupled with their first victory on Saturday night, which they took by the count of thirty-two to twenty, the Toronto outfit carried off the round by fifty-six to thirty-two.

The charges of Coach Ab "Scoop" Rennie rested up today before making ready to take on the Maritime titleholders, the Saint John Basketball Association Intermediate, in the Canadian finals.

Broadview may play an exhibition game here before they leave Thursday night for Saint John, to play in the finals there on Saturday and next Monday.

Last year's winners of the junior title, the Torontonians completely eclipsed the Hebrew five. While the Montrealers made a fight of the first half which ended thirteen to nine for Toronto, Broadview exhibited its superiority after half-time by preventing the Quebec squad from scoring a basket.

GRADS AIMING FOR TWELFTH CANADIAN WOMEN'S TITLE

Windsor, Ont., April 23.—Satisfied his proteges had given one of their best performances of the current season, J. Percy Page today proclaimed a day of leisure for the Edmonton Grads after their fifty-eight to thirty-one victory over Windsor-Walkerville Alumnae in the second game of the Canadian women's senior open championship series here last night.

The grays, gray-haired mentor said basketball would be forced for the day and the girls permitted to do as they pleased while they waited for the third game of the series Wednesday night. One more win will give the western wonders their twelfth consecutive Canadian title.

TENNIS

CAPTAIN APPOINTED FOR U.S. DAVIS CUP TEAM

New York, April 23.—Walter R. Fife, of New York, better known as the father of the universally standardized tennis ball rather than his court prowess, was designated yesterday as non-playing captain of the United States team which will play against China next month in North American zone Davis Cup match.

Pate, who with Samuel Hardy won the United States veterans' doubles championship in 1924 and 1925, will lead a "freshman" team comprising Bryan Grant, of Atlantic, Ga., Donald Budge, of Oakland, Calif., and Gene Mako, of Los Angeles, into Mexico City where the United States representatives will meet the oriental players on May 10, 11 and 12 in the customary four singles and one doubles match.

The United States Lawn Tennis Association's selection of Pate was only for the North American zone play. It is expected that some one else will be named captain of the team which later will play in England providing the United States is successful on this side of the Atlantic.

The American-Chinese match will follow a Cup tie between Mexico and Cuba on May 3, 4 and 5, and the winners of the series will meet on May 17, 18 and 19 for the right to play the winner of the European zone at Wimbledon, England, on July 20, 22 and 25.

Canada did not enter a team in the Davis Cup series this year, but instead will be represented by a team in the Wimbledon championships.

HOCKEY

SHORE'S AMBITION IS TO WIN LADY BYNG TROPHY

Vancouver, April 23.—Possibility of National Hockey League games being played under the eyes of four referees, Eddie Shore's secret ambition to be known as the cleanest player in hockey, and a big league try-out for Bobby Kirk, a former Winnipeg junior who has been playing with the Vancouver Lions in the Northwestern Hockey League, were the post-season hockey tidbits from Frank Patrick today.

The Boston Bruins' mentor who makes his home in British Columbia in between hockey schedules, said that when the National League holds its annual meeting he would recommend adoption of the four-man referee system instead of the two used at present. The increase in result in more accurate decisions when officials were called or players penalized. Each referee would have a quarter section of the ice under his scrutiny.

As for Shore being one of the bad men of the league, his manager has definite ideas on that. "Do you know what Eddie's secret ambition is?" Patrick queried, then added: "He wants to win the Lady Byng Trophy for clean playing. That should hold his critics who claim he is delinquent in his roughness."

BOWLING

SEVERAL UPSETS FEATURED DUCKPIN LEAGUE MATCHES

Three of the five matches on last night's City Duckpin Bowling League programme resulted in unexpected defeats for favored entries. The New Wellington and Shercoit quintettes alone registered victories over teams which rank below them in the league standing. New Wellington blanked the ninth-place Newsboys to increase its lead over the field to six strings, while Shercoit thwarted the Kayser Reds' bid for seventh position by taking two strings from the silk workers.

The Royal Hotel, after showing signs of making the race for the leadership closer, bowed to Dominion Textile and found their hold on the runner-up berth threatened by the Brownblows. But the biggest surprise of all was furnished by the Kayser Whites who dragged the Kayser Reds into third place by kalsomining the Kleins.

The three-string victory placed the Railroads on even terms with Paton's in fifth position.

The cellar-occupying Wanderers took Paton's into camp by two strings to one and in doing so jumped into a tie with the Newsboys for last place.

Joseph Dufresne, of Shercoit, again headed the individual column with a single string total of 195 and a triple aggregate of 513.
