ARCHAMBAULT & McCORKINDALE,

PHOTOGRAPHERS,

62½ ST. JOHN STREET, (WITHOUT,)

QUEBEC.

Would call attention to the soft yet brilliant "Carte" which they now produce, far superior to any hitherto executed by them, and especially to their facility of producing from the smallest to the largest Oil Portraits, executed by the well known Portrait and Landscape Painter, Mr. Dynes, whose work is a sufficient test for its recommendation.

COPYING AND ALL OTHER BRANCHES EXECUTED IN THE LATEST STYLE OF THE ART.

PREFACE.

THE Publisher herewith presents the *Seventh Edition* of the QUEBEC DIRECTORY, which he trusts will found equally reliable with its predecessors. He had feared that, the Government being removed from Quebec, and carrying with it a large number of persons, the Directory must be abandoned for want of support. This, however, he is glad to say, has not been the case, as the present issue proves.

The value of the Directory is now fully appreciated, and commands a liberal support. Should encouragement continue in the same proportion, the publisher trusts still further to improve the work in succeeding editions.

Great care has been taken in the compilation of the contents of the Book, and equal care taken in seeing that this information has been correctly printed. It will be found to contain information on all points of interest to business men, as well as a copious MISCELLANEOUS DIRECTORY.

The STREET GUIDE, also, has been very carefully revised.
