

WINTER AHEAD — Except for warm weather on the east and west coasts, most of Canada will have below-normal temperatures during October according to the 30-day outlook of the United States weather bureau.

Maps show predicted temperatures and precipitation across the country for the month with normal readings for various centres.

Political roundup

Dates of by-elections set early with reason

By CUTHBERT JONES
(Record Staff Writer)

With a speed almost unheard of in Quebec politics Premier Jean Lesage has called by-elections in the ridings of Joliette and Rouville, made vacant late in September, for November 23. Nominations have been set for November 9.

Joliette was the home riding of former Premier Antonio Barrette while Rouville was long represented by Agriculture Minister Laurent Barre, both of whom resigned their seats in the Legislative Assembly following differences with other members of the Union Nationale hierarchy.

A bare two months from the resignation of a member to the holding of a by-election may make something of a speed record but Premier Lesage has plenty of reasons to speed up the election processes.

Everything favors an early vote.

The Union Nationale party is badly disorganized and is suffering from internal divisions, with the result it cannot likely present a solid front to the electors.

The retiring incumbents of the two seats are disgusted with the Union Nationale and are unlikely to offer any assistance to the party candidates if any present themselves.

The fact the Liberals are actually in power will also aid the Government candidates in by-elections if tradition is upheld.

But the prime reason for early voting is that Premier Lesage could use a couple of extra supporters in the Legislative Assembly. His party elected 51 members in the 95-seat Assembly to 53 Union Nationale supporters with one Independent. After the selection of the Speaker, this would leave a Liberal majority of seven — rather tight for comfort.

Should he pick up both Joliette and Rouville, the Premier would find himself with a clear majority of 11, thus obviating any need of a general election next year. Should he lose both, he would in reality lose nothing.

Plant blast kills 11

KINGSPORT, Tenn. (AP)—A savage blast which claimed 11 lives and left at least 60 persons injured destroyed part of a chemical plant here Tuesday and rocked this northeast Tennessee city of 26,000 people.

A fire touched off by the explosion raged for about three hours before it was brought under control.

Today officials of the Tennessee Eastman Corporation began probing smoldering rubble of the smashed section of the 400-acre plant in an effort to determine the cause.

The explosion occurred in the acid division of the plant in the aniline processing section where dyes are made. Officials said the building is operated by remote control and normally no workmen are inside.

Downtown Kingsport, 1 1/2 miles away, was shaken. Shattered glass from store windows littered the streets. The blast was heard 20 miles away in Johnson City.

David McBride, a reporter for the Kingsport Times-News, who arrived on the scene while the debris was still falling, said people were standing about "in shocked disbelief."

Curious onlookers and relatives of workmen were turned away as the flames threatened to cause a second explosion in neighboring plant buildings.

Courier 1-B is launched

CAPE CANAVERAL, Fla. (AP)—America's newest satellite, a veritable chatterbox in the sky, whipped around the world today, paving the way for a space-age communications system for U.S. military forces.

The 500-pound Courier 1-B, launched Tuesday, is circling the earth every 115 minutes in an orbit ranging from 375 to 750 miles above the surface.

The new space messenger relayed a teletype message of peace and good will from President Eisenhower to the United Nations. The message was sent from Washington to Fort Monmouth, N.J., where it was beamed to Courier 1-B. The note then was transmitted to another ground station which relayed it by high-speed radio to New York.

1957 Gaspé strike

Key testimony expected today

QUEBEC (CP)—A union member linked in court testimony to a dynamite blasting during the 1957 Gaspé Copper Mines strike is scheduled to take the stand in Quebec Superior Court today.

Normand Boudreau, one of the men injured in a blast July 12 which killed one striker and wrecked the tailing pipe at the company's plant, was expected to testify Tuesday but failed to appear.

He is listed as a key witness in the suite of Gaspé Copper Mines limited against the United Steelworkers of America (CLC).

The USWA local at Murdochville in the Gaspé Peninsula walked out March 11, 1957, and remained on strike until Oct. 6 of the same year.

SEEKING DAMAGES

The company is seeking \$5,200,000 damages from the parent union, whose headquarters are in Pittsburgh, Pa., claiming its representatives conducted the strike and conspired to commit sabotage against the company.

The union denies responsibility on the grounds its Murdochville local acted on its own initiative.

Boudreau, Nestor Henley and Herve Bernatchez are the three men who have been named by Claude Cote, 33, a company witness, as participants in the July 12 blast. Henley was also injured and Bernatchez died in hospital of injuries.

BULLETIN

UNITED NATIONS, N. Y. (AP) — Australian Prime Minister Robert Menzies today denounced Soviet Premier Khrushchev as a hypocrite and appealed to the newly-admitted nations of Africa not to heed his voice.

In a speech prepared for delivery to the UN General Assembly, the Australian leader accused Khrushchev of trying to inflame the minds of the new leaders of Africa with shopworn slogans of imperialism and colonialism.

UNITED NATIONS, N. Y. (CP) — A neutralist resolution urging a meeting between President Eisenhower and Premier Khrushchev comes up for discussion in the UN General Assembly today, although both leaders have expressed strong distaste for the proposal.

The five sponsors pressed ahead, nevertheless, hoping that an overwhelming vote in favor of the meeting may change the positions Eisenhower and Khrushchev have stated.

An Australian amendment urging a Big Four meeting, but without specifying the time, also is under consideration. Prime Minister Macmillan discussed it with Khrushchev Tuesday in a private conference lasting 75 minutes.

Great Lakes shippers start back

MONTREAL (CP)—More than 100 Great Lakes ships are expected to start going back into service today following settlement Tuesday night of a five-day strike by the Seafarers' International Union (IU).

The strike was called against N. M. Paterson and Sons shipping line of Fort William, Ont.

The IU and the Lake Carriers Association signed a retroactive two-year contract providing wage increases and a reduction in the work-week. The union also exchanged a memorandum of terms incorporating similar benefits for union members employed by the four other shipping lines in the association.

About 2,500 seamen aboard association vessels were involved. There are some 12 other independent companies operating on the Great Lakes and inland waterways who were not affected by the strike.

PAY INCREASED

Remi Duquette, federal mediator, said the contract signed provided a five-per-cent wage increase retroactive to July 15, 1959, and a reduction in the work-week to 44 hours from 48, effective in the 1961 shipping season.

Under the old agreement, the basic monthly wage rate for deckhands was \$312. The agreement expired Dec. 31, 1959.

The union originally asked for a one-year contract, a 10-per-cent wage increase and a 40-hour week.

Mr. Duquette said Tuesday night: "Some of the ships will start moving tonight, others by tomorrow night and the remainder by Thursday night at the latest."

Would-be fire-bomber is nabbed

NEW YORK (AP) — A man carrying a home-made fire bomb was seized by police today as he tried to enter the United Nations grounds. He said he wanted "to get" Premier Khrushchev of Russia.

He was nabbed about 1 a.m. outside a six-foot high wire fence that skirts the UN grounds.

Police said he dropped a "Molotov cocktail" fire bomb when challenged. The bomb was a 12-ounce soda bottle containing gasoline and a rag fuse.

The man was identified as Richard Hogan, 22, of New York. He was described as an alcoholic who had been treated several times at Bellevue Hospital.

K. NOT THERE

Hogan apparently was unaware that Khrushchev was not at the UN headquarters, but at the Soviet mission a mile away.

Detectives said Hogan had been drinking at various bars, and at one of them he saw Khrushchev on television at a UN session.

When the Soviet leader pounded his desk—in disapproval of the proceedings — Hogan became angry. He found a bottle, filled it with gasoline, stuck a cloth inside and headed toward the UN, police said.

The "Molotov cocktail" was used extensively in the last war as an anti-tank weapon.

THE WEATHER

Sunny with a few cloudy periods today; mainly cloudy tonight and Thursday; a few isolated showers from early Thursday morning till noon; clearing, cooler; low-high 40 and 60.

Aircraft forced to return

VANCOUVER (CP)—A bomb scare and a balky engine forced two Trans-Canada Air Lines planes back to Vancouver with close to 100 passengers late Tuesday.

A DC-8 jetliner with 73 passengers and crew aboard—flight No. 850 bound for Toronto, Montreal and overseas—was in the air only 15 minutes when it was brought back by the airport control tower after a man phoned to say a bomb was aboard.

Already almost four hours late because of mechanical difficulties, the jet was held up more than two hours more while police searched it.

Raid Bingos in Sherbrooke

Provincial police made several "token" raids during the week-end in Sherbrooke and two other towns as part of a clamp-down on lotteries, raffles and bingo games in Quebec province ordered by Joseph Brunet, provincial police director.

Director Brunet ordered a report sent to Attorney-General Georges Lapalme requesting prosecution orders resulting from these raids.

A promotional concern in the northeastern outskirts of Montreal is reported to have offered cash and other prizes to persons visiting a 35-home development.

Provincial police morality squad officers visited the site and stopped the ticket sales. In another town, where draws took place for building lots, a raid was also conducted.

Director Brunet said the section of the Criminal Code dealing with lotteries would be strictly enforced.

"The public should know that too often it seldom gets a 'fair shake' in draws, raffles, lotteries and the like.

"The promoters get the lion's share, the worthy sponsor may not get a pittance and too often the ticket buyers get lost in a fast shuffle."

He said Section 179 of the Criminal Code provides a two-year maximum sentence for illegal operation of a lottery.

Baseball cards, hockey cards, soccer and sweepstakes are "definitely illegal and transactions in them are unlawful," he said.

Nuclear war discussion

Be prepared to save lives

ARNPRIOR, Ont. (CP)—Canada is working on the assumption that there might be a nuclear war and that the only way to save lives is to be ready for it.

"We cannot avoid recognizing there is a risk of nuclear war," R. B. Bryce, clerk of the privy council, said here Tuesday.

"We don't know what sort of people are in control of Russia or what they will do under certain circumstances," he told 60 Atlantic province mayors and other civic officials taking a course at the Civil Defence College here.

Other speakers at the opening of the four-day course described the havoc that could be wreaked by a nuclear bomb dropped on any Canadian city. A 10-megaton bomb, equalled to the destructive force of 10,000,000 tons of TNT could, for example, cut a swath of varying destruction 20 miles long and 10 miles wide in one who tries to attack that they will know that it is not worth it."

LITTLE WARNING

Mr. Bryce said that there would be little warning of attack and war would start immediately at "maximum intensity."

"We may not have time to add up the casualties before the issue is decided."

The answer was to prepare now at the federal, provincial and civic levels, "or else we all go down the drain together."

Canada would be in a mess after a nuclear war, "but it will be a mess that can be cleaned up in a reasonable number of years."

He said communications, law and order, and government must be maintained in event of war. Food, medicine, clothing and shelter must be provided for refugees. Rescue and firefighting crews must be trained and ready.

About Television

By CYNTHIA LOWRY

NEW YORK (AP)—There is a notable shortage of writing talent in television, and the Hollywood casting directors are complaining about the dearth of young male star material. But one thing TV has a plenty this season: Appealing, attractive children.

The most recent to bow in—Monday night—was Ronny Howard, a competent little actor who plays Andy Griffith's son in a new situation comedy on CBS.

If the first Andy Griffith Show is a fair sample of the series, it's a good one, specializing in gentle country-style humor and occasional tugs at the heart.

Andy plays a small-town sheriff, a widower with a small son. He has an incredible way with the English language, southern mountain style, but still is an engaging performer.

HE HAS SKILFUL HELP

And, in addition to the boy, he has skilful help from Don Knotts, once Steve Allen's aide but now playing a comedy deputy, and veteran Frances Bavier.

This one seems to have all the ingredients to make the grade.

Another new entry for the evening was ABC's *Surfside 6*, one of those standard private eye shows the Warner Brothers turn out like sausages. This one, despite a Miami background and a few new faces, shows a distressing resemblance to 77 Sunset Strip and Hawaiian Eye.

Plans were made for the annual chicken-pie supper to be held on Wednesday, Oct. 5. Solicitors named were Mrs. Reg. Leney, Mrs. Sam Denney, Mrs. Reg. Eryou, Mrs. Charles Bullock, Mrs. Alfred Smith and Mrs. Roy Parrish.

Refreshments were served by Mrs. Bullock, assisted by Mrs. Reg. Leney and Mrs. Carrie Leney.

The October meeting will be held at the home of Mrs. Reg. Leney at Apple Grove.

GENERAL NOTES

Guests of Mr. and Mrs. Lyle Hand and family were Mr. and Mrs. Rupert Carr and Mrs. Florence Davis, of St. Johnsbury, Vt.

The young son of Mr. and Mrs. Royce Wallace was christened on Sunday, Sept. 18 in the United Church, receiving the names, David William. Rev. Ralph Rogers officiated.

Mrs. Clifton Leney and children and Mr. and Mrs. Lloyd Barnes, of Roxboro, were weekend guests of Mrs. Carrie Leney.

Mr. Robin Bertrand, of Athol, Mass., spent the week-end with his father, Mr. Jules Bertrand. Overnight guests at the same home were Mr. and Mrs. Lloyd Beattie, of Thetford Mines.

Thetford church group resumes fall activities

THETFORD MINES — The W. A.-W.M.S. of the United Church held a meeting on Sept. 27 in the Church Hall (resuming fall activities).

Mrs. N. Bradley, president, chaired the meeting. A devotional period led by Miss D. Daigleau. Two new members were welcomed to the group, Mrs. E. R. Hay and Mrs. R. Bramley-Moore.

The aims of the W. A.-W.M.S. were read by the president, after which the recording secretary, Mrs. Kenneth Little, read the minutes. The corresponding secretary, Mrs. Leslie Sanderson, read the correspondence and the Treasurer's report was given by Mrs. C. Hacker, in the absence of Miss Phyllis Hacker.

It was decided to send for church calendars again this year to be sold to members of the W. A. - W.M.S. and the members of the church.

Detailed plans were made for the bazaar to be held in the United Church Hall, Saturday afternoon, Oct. 29.

The next meeting will be held Oct. 25.

Font dedicated at Abbotsford

ABBOTSFORD — A Rally Day service was held in the United Church on Sunday morning, Sept. 25.

During the service a baptismal font was dedicated in memory of Rev. William A. Edwards, and given by Mrs. Edwards. A baptismal service followed when the infant daughter of Mr. and Mrs. Robert Crossfield was baptized, receiving the names, Ruth Ellen. Rev. C. W. Foggo officiated.

Rotary Club is host to workers at Boundary Fair

ROCK ISLAND — At the weekly meeting of the Boundary Rotary Club on Mon. evening, about 50 volunteer workers at the Rotary Fair, and Mr. and Mrs. Ovide Ducharme, winners of the grand prize of \$500., were guests of the Rotarians at a dinner held in the Del Monty Hotel.

The guests were welcomed by President Lloyd Bliss, who introduced the visiting Rotarians, G. Lafontaine, of Sherbrooke.

George Carruthers, Fair chairman, spoke saying that although the final figures were not complete, all indications point to the 16th Rotary Fair as the most successful to date. There was an increased attendance over last year, and revenue from the games was up by over \$300.

The sale of grand prize tickets was down slightly and the rental of booths brought in \$1,248.77.

Mr. Carruthers thanked Jean Lecours for his time, car mileage and effort spent in the sale of booths. Many of them were used by the purchaser to display his manufacturers and others paid for by individuals and used by schools and other societies.

The committee also voiced appreciation to the Customs and A. Greer, customs broker, the local police and firemen for parking cars and helping otherwise, and others who added to the success of the fair.

Mr. Carruthers presented Mr. Ducharme with a cheque for \$500., which he preferred to the offered trip to Bermuda for two persons.

A door prize of a T.C.A. travel bag was won by R. Mills, and all present received T.C.A. souvenirs.

The Boundary Rotary Fair is a project of only 24 Rotary members and those who help each year feel it a pleasant community effort.

At the next Rotary meeting on Oct. 3rd, L. Morin, of the Red Cross headquarters in Montreal will be a guest. The meeting will be followed by a general meeting of the Red Cross in a classroom of Sunnyside High School to which the public is invited.

On Oct. 17, the Rotary meeting will be open for general discussion of the 1961 fair and the chairman, Lloyd Bliss invites all Rotarians to present suggestions.

International Shorthorn judge at Winter Fair

Reford Gardhouse, of Milton, Ont., a young man in his early 40's, presently acting as a judge of Shorthorns at the Sherbrooke Winter Fair, is probably one of the best-known men in his field.

Mr. Gardhouse is a member of a third generation to bear the Gardhouse name as a cattle breeder.

He is internationally known as a judge of Shorthorn cattle too. He is the youngest man ever to judge at the Perth (Scotland) cattle show, and is the only Canadian who has ever judged there more than once.

Mr. Gardhouse recently returned from Argentina where he attended the largest cattle show in the world and at which he judged a class of more than 300 bulls.

Apart from his fame overseas and in cattle circles in Ontario, he has participated in nearly every important show in Canada and the United States.

He is vice-president of the Canadian Shorthorn breeders Association and also raised the 1960 Canadian National Exhibition Grand Champion bull.

Sherbrooke, North Hatley Baptist minister inducted

Induction services were held Tuesday night for the Rev. P. D. Burns, newly appointed minister of the Sherbrooke and North Hatley Baptist Churches.

Mr. Norman Bradley, chairman of the Board of Deacons, introduced Rev. Burns to the congregation.

Mr. Bradley stated that it was just eight years ago, October 3, that the former minister, Rev. F. C. Amery, was inducted to the work in this field. At that time Rev. Nicholson of Quebec City had been association moderator. Now Rev. M. R. Simmons, also of Quebec City is moderator.

Dr. E. J. Bailey stated in his opening remarks that it was just 25 years ago that he was inducted into his first field in Winnipeg.

He maintained that a congregation could make or break a minister in his first year of ministry.

Dr. Bailey's topic for the evening was "Those People Called Baptists."

Baptists stand for the principal of religious liberty and complete separation of church and state, he said.

Dr. Bailey pointed out that this charge in Sherbrooke was not an easy one, but he said that when Jesus left the earth, only 11 dedicated followers remained to go out and spread the gospel.

He further charged pastor and people to work together for the

\$37,100 loan law approved

MAGOG — At a public meeting of the Magog City Council held Tuesday night a loan by-law for the sum of \$37,100 was approved. This is in addition to the loan of \$140,000 which was passed on Monday evening.

The money will be spent for sewer and waterworks projects. Sewers for Fontaine St. will cost \$2900; \$6800 will be spent on St. Marie St., and an additional \$7140 for sewers on St. Catherine St.

The sum of \$5315 will be used for a waterworks project on St. Marie, \$1225 on St. David St., and \$7560 for waterworks crossing the Magog River.

The remaining \$6160 will cover the cost of plans, specifications, surveying and supervision.

2 holdup suspects arraigned

Two Montrealers charged in connection with a South Ham bank robbery last July, were formally committed to the Criminal Assizes Tuesday morning in District Court here by Judge Redmond Hayes.

Raymond and Lionel Patenaude were arraigned in Court following a number of postponements in connection with an armed robbery committed on July 7 at the Caisse Populaire of South Ham.

A total of approximately \$1,200 was taken.

Counsel for both defendants, Gabriel Grenier, of Montreal, requested bail be set for Lionel Patenaude but Judge Hayes refused.

Counsel Grenier will appeal the decision maintaining that there isn't sufficient proof to warrant keeping Lionel Patenaude behind bars.

The first witness during Raymond Patenaude's preliminary inquest, Madeleine Lamoureux, assistant-manager of the Caisse Populaire, testified that two men, both masked, one brandishing a revolver and the other a knife, burst into the Caisse at approximately 1:45 p.m., July 7, demanding the money in the cash box.

When asked by Crown Attorney Benoit Turmel if she could identify the two accused as the men who committed the theft, she replied that she couldn't except for the fact that they were about the same height. "After all, they were masked", she said.

GUNPOINT

Roland Bissonnette, who was in the Caisse during the robbery, corroborated Miss Lamoureux's statement as to what had happened in the Caisse, adding meanwhile that he was forced at gun point to back up to the counter while one of the two men hopped over to examine the contents of every drawer. He also could not positively identify the

two accused as the men who had committed the theft.

Germain Houle, however, testified that he saw a blue 1959 Chevrolet arrive and leave South Ham within a 15-minute interval, the time during which the theft was committed. He said he noticed two men inside but could not ascertain if the two accused were the persons he had seen.

Rene Simard, of the Quebec Provincial Police, said that he had found a blue 1959 Chevrolet

in the woods not far from St. Martyr a few miles from South Ham. He said that he had found a few rolls of coins not far from the car.

He testified that the car was severely damaged and that apparently the driver had not noticed a sharp curve in the road. The accident had happened a few hours after the theft.

During the evening of July 7, constable Oliva Roy, of Disraeli, testified that he saw two men walking on a forest road and that when they had seen him, they both jumped in the forest.

Jacqueline Larivee, 17, a school teacher who works part time in her mother's restaurant situated at approximately four miles from St. Martyr, said that two men came into the restaurant on July 8, the day following the armed robbery, and bought cigarettes and chocolate bars.

During her testimony, she said one man had a tattoo on his right arm. Patenaude was asked by Crown Attorney Turmel to roll up his sleeves, in Court. He did so, and a blue tattoo was quite visible.

The last witness called by the Crown, Gilles Delage, 13, said he was in the restaurant when the two men came in. He saw them leave, on foot, and after a while, "they left the road and went into the woods."

Following this evidence, Counsel Grenier asked that bail be set for Lionel Patenaude, alleging that the Crown based its case on circumstantial evidence and that not one single witness had positively identified the accused on the scene of the crime. Crown Attorney Turmel however said that all the facts tended to incriminate the accused and that bail should be refused in both cases.

The best fires never get started; firefighters urge home inspection

He wears a fire fighter's uniform and bears credentials. He's a person of pleasant personality, carefully selected for the job. If you accept his suggestions you are very wise.

"He" is your local fire fighter who has inspected all down town stores along Wellington, checking the exits, storage rooms, electrical wiring, and the heating systems.

During this week, the local firemen will be checking all the schools in the Sherbrooke district.

Government assistance to be sought

BEEBE — (Special) — At a meeting of the Beebe council on Monday night an engineer was present to give the estimate on the cost of constructing the balance of the sewer system which has been an item before the council for a long while. However, before further progress can be made, aid from the government must be sought.

A request was made for assistance to the Border Jets hockey team but it was decided, that a decision must first be made as to what is to be done regarding a local ice rink.

Complaints have been made of speeding on Canusa Ave. and a 30 mile per hour speed sign will be erected in that area and will be strictly enforced.

The condition of the Beebe dump again came in for discussion. Due to the misuse of the dump, which has been open constantly, a fence and gate will be erected and the dump will be open on Tuesday and Saturday of each week beginning on October 17.

The village will revert to Standard Time on October 29.

the fire department to have their homes inspected. The fire department urges all home owners to have their homes checked for fire hazards. During Fire Prevention Week each year only about 20 to 25 homes call, which is much too few.

At your asking, a fire inspector will visit your home. Unless specifically asked, he will confine his attention to the basement and yard. Besides trash, he is alert to storage of

flammable liquids and stove ashes, smoke pipes and chimneys and faulty or frayed wiring. He will look for obviously unsafe or doubtful conditions. He will give you a private and personal written report on his findings, without advising on repairmen or equipment suppliers.

During Fire Prevention Week Oct. 9 to Oct. 15 why not pay it safe and have your home inspected? As the fire services say, "The best fires we fight in the home are those that never happen."

September sunshine hours were very few, there were only 140.7, of them compared with 188.4 of them last year in September. The average September sunshine for the past 46 years is 156.7 hours.

More rain fell this September than last September. This year the month's rainfall was 4.23 inches, almost double the amount of the last year's September rainfall which was only 2.12 inches.

The average monthly rainfall for the past 46 years is 3.62 inches but in 1918 we had a record 8.55 inches for the month.

The highest rainfall for one day during the month was on September 12 when 2.28 inches of rain fell. The highest rainfall for one day during the month for the past 46 years was on September 19, 1924, and September 17, 1932 when 2.40 inches of rain fell.

September this year was not quite as warm as the same month last year. Our highest temperature for the month was 88 degrees on the 8th. While the highest September temperature for the past 46 years was 93 degrees.

September 17th proved to be the coolest day of the month with the temperature reading 29 degrees, higher than the lowest September temperature for the past 46 years—16 degrees on September 25, 1925.

The average temperature for the month was 57.52 degrees, while the average temperature for the month last year was slightly higher, 60.87 degrees.

Your Aladdin's Lamp

"Ready money", Byron wrote, "is Aladdin's Lamp." Certainly it is today. Ready money can mean opportunities grasped, hopes, dreams and ambitions realized.

The new issue of Canada Savings Bonds is a good way to keep money "ready" until it is needed. These Bonds can be cashed at their face value anytime. Meanwhile the money is earning good interest.

As agents, we offer:

Unfair competition by state

Complaints by the Graphic Arts Industries Association that the National Printing Bureau is taking too large a share of the printing market are but another in a series of attacks against unfair competition between government agencies and private companies.

In this instance, the new printing bureau at Hull was erected at an estimated cost of \$17,000,000, although the exact cost may never be known. It was found that the legitimate work of the government was insufficient to keep the plant busy so writers, editors and public relations personnel have been hired to maintain the flow of folders, pamphlets, re-

ports and books that normally would be produced by private plants.

Prices bear little relation to costs when the government takes on a contract. Work for outside parties can be done at a loss, the deficit being charged to work undertaken for other state agencies. In many cases, the prices for inter-departmental work is substantially above that which would be charged by private companies, the difference being used to finance the loss-leader work done for outside sources.

Thus we find the situation where private firms are taxed to meet the deficits sustained by government agencies in taking away business from the companies by cutting prices.

Preserving historic buildings

It has been announced that the Quebec Historical Monuments commission is planning to establish a "flying squad" of repairmen who will move in quickly to repair and restore historical buildings or sites worth saving.

In making the announcement, a representative of the commission said that in the past, many historic relics in this province have been left to decay because it was difficult, and often impossible, to get local help to do a repair job.

He said with men ready to go on call, the commission should be able to do more and better work.

The commission's plan sounds like

an eminently sensible one.

Too often, an historical building is allowed to rot simply because no one will take the initiative in saving it. There is often unanimous agreement that "something" should be done, but that "something" never gets done because no one gets around to doing it.

A team, such as that envisioned by the commission would do away with this procrastination.

It is entirely likely, too, that once the squad is put into operation, the commission will find local aid more readily available than it believes.

There is nothing like setting an example to encourage constructive activity.

A heart-warming story

A heart-warming story was published in yesterday's edition of The Record.

It told of the successful campaign conducted by a group of Stanbridge East housewives to ensure traffic safety in their community.

The campaign had been inspired by tragedy. A child of the village had been killed stepping from behind a parked car on the main street.

And while the driver of the car involved was exonerated, the accident caused many people in the community, particularly the ladies, to take a hard look at traffic conditions in their area. They found them sadly lacking.

And here the heart-warming part of the story comes in.

So often people learn that things are not as they would have them but do

little about it other than talk.

But not the housewives of Stanbridge East. They focused their complaints in a petition and presented it to their municipal council this week.

Council wisely chose to heed their warning and promised an immediate crackdown on traffic violation as well as a series of adjustments to parking and other traffic regulations.

Here we have a clear-cut demonstration of democracy in action. — An aggressive, articulate public exercising its will on an intelligent and receptive elected body.

It is to be hoped that Council's actions will have the results that the housewives of Stanbridge East sought and that there will be no more traffic deaths in this Eastern Townships village.

Hong Kong heaven for hawkers

By HO CHANG PANG

HONG KONG (Reuters)—Hong Kong is heaven for hawkers.

The government estimates that 13 out of every 100 persons in this British colony are hawkers, selling from house to house everything under the sun and plying such small trades as cobbling and furniture-repairing.

The estimate, it adds, is a conservative one and the total is rising.

For many people here, since little capital is needed, hawking is the only means of making a living.

hood. A powerful set of lungs with which to shout down another's wares and a strong pair of legs are all that is required to set up in this business.

LOTS OF HEADACHES

That is what gives Hong Kong authorities plenty of headaches. For Hong Kong's markets and streets are getting dirtier, noisier and more congested in direct proportion to the increasing number of hawkers.

Readers have written to the newspapers, calling for action.

Hawkers, they say, make too

much noise trying to out-shout one another. They clutter up streets and staircases. They form a solid phalanx with their baskets and boxes against all traffic. They litter the streets with rotten cabbages and smelly fish.

To cap it all, say the complainants, they not only shatter the early-morning peace but indulge in such nocturnal activities as selling congee (rice gruel) after midnight.

But with unemployment—and under-employment—rife, the authorities do not want to deprive the hawkers of their "honest living," so much so that sometimes they apparently turn a blind eye even on the matter of licences.

The non-vanishing Indian: part 5

Flourish where tall steel grows

By ARCH MacKENZIE
Canadian Press Staff Writer
CAUGHNAWAGA, Que. (CP)—The Caughnawaga Mohawks flourish where the tall steel grows.

Nimble feet and a head for heights have brought these members of the Iroquois confederacy some share of 20th-century affluence. The industrial aristocrats of their race, they are a striking Canadian instance of adaptation to non-Indian life.

The Mohawks are peerless steel construction men in the same way their forefathers held a pre-eminent place in Eastern Canada in the arts of war, politics and agriculture. They roam the United States at \$4.55 an hour and up for top men, or tread narrow steel beams above rivers and concrete city canyons in Canada at lesser rates of pay.

Caughnawaga — it means "above the rapids"—lies across the St. Lawrence River from western Montreal, flanked by Seaway lock superstructures its men helped rivet together. Its preoccupation with steel was accidental.

Workmen on the old CPR bridge abutting the reservation at one end—one span was finished in the 1880s and a second in 1912—found young Mohawks peering curiously over their shoulders high above the water. Hiring them was a natural consequence.

"It got so the girls wouldn't go out with you unless you were a steel man," recalls one old-timer. Today between 1,000 and 1,200 men of Caughnawaga's 3,900 residents are estimated to be in the business.

Some work steadily in Montreal plants but most follow the bridges, skyscrapers and towers where a wind gust or misstep may mean death.

Joe Jacks helped build San Francisco's Golden Gate Bridge as a foreman. Alex Beauvais survived the Quebec bridge collapse 40 years ago. Onesime LeBorde, 49, whose first job was on the massive Sun Life building in Montreal, recently headed a crew working on the CPR bridge where it all started.

Despite the big cars and free-wheeling travel habits, there are drawbacks. Work halts in cold, wet or windy weather and expenses mount when families tag along as they often do. Says LeBorde, a stay-at-home:

"The boys who travel may get between \$8,000 and \$7,000 a year but it isn't steady. Many prefer to take small wages on a steady basis at home."

Caughnawaga is a prime example of the fact that the 565 bands forming Canada's 179,000 Indian population refuse to fit tidily into pat political, economic or social classifications. In many respects it is much more like a non-Indian municipality.

One reason is its good income and another a long-standing exposure to the European. The Mohawks, most warlike of the Iroquois confederacy, joined in assisting the British against the French but the Caughnawaga band is descended from a segment persuaded by the French to join them.

Like most reservations where segregation has produced a confined community, Caughnawaga has its share of local political warfare that would rival the most heated altercations in Toronto or Montreal city councils.

Meetings of the elected 12-member band council, headed by Chief Philip Lazare, usually aren't attended by local Indian affairs branch officials except by request. "I got fed up with the insults," one official said.

But there is little visible sign of the rivalry between elected and hereditary Indian leaders that blew up on the sister re-

servation at Brantford, Ont., not long ago. Followers of the long-house religion and hereditary chieftains took over the council hall there until ejected by the RCMP.

Leading Caughnawaga long-house exponent is Peter Diome who conducts a virtual one-man war council with barbed pen and tongue in contending that the white man has followed a long trail of deceit and treachery in refusing to honor conditions laid down in old British treaties.

The village itself, aside from the privies and wells, resembles a medium-income suburb. Chief Lazare works for a distillery while his wife, of non-Indian ancestry, tends a filling station and confectionery store.

High school students go to neighboring municipal schools and most homes are built without federal assistance.

Teen-age boys turn out with baseball bats and gloves while lacrosse languishes. Trim matrons in sunsuits relax at a beach

sal-adult admission 50 cents—beside his quonset longhouse. It's a replacement for the genuine bark structure burned several years ago—by arson, he swears. Nearby is a stone wishing well caging one turtle, emblem of the Mohawk tribe.

The chief, a barrel-chested 65, has no time for politics but confides, in a sentiment often heard on other reservations and vouched for by observers: "The other Indians don't like me because I'm independent, like to pay my own way."

His wife Louise is a small, determined woman who shares his abiding interest in the Mohawk past. She is superintendent of the 50-bed hospital, operated by the band itself, and played a leading part in taking over its control from the federal government.

"It broke my heart to see our old folk being sent off the reservation to strange surroundings," she said. Initial operations by the band resulted in a \$20,000 debt before things got rolling. Now, she is set on paying it off—a stand she says is opposed by Chief Lazare with whom she wages war.

Weekly bingo help finance the hospital but "do you know that even though it's their hospital, the Indians won't play? Sometimes I wonder. . ."

NORTH TRUSTS

PARTNER'S BID

North thought a long while about bidding either four hearts or spades, but finally put his trust in his partner and passed. It was a wise decision indeed. Four spades would be hopeless and while he might have found a way to make four hearts things worked out much better with South handling the no-trump.

He went up with dummy's king of clubs at trick one and was delighted when it held the trick. Then he started after the diamond suit and paused for a review of the whole situation when East showed out on the second lead.

After the pause he went right ahead with the diamond suit and West was in with the ten. Meanwhile, dummy and East had each made three discards. The discards from dummy had all been low spades while East had let go the jack of clubs and two spades.

West led the jack of spades. South went up with dummy's ace and proceeded to go through some more thought. It looked as if East was hanging on to four hearts, two spades and a club. In that case South had a cinch. He simply cashed three hearts, stopping in his own hand and led out another diamond. West was in with that jack and had to lead up to South's queen of clubs so South wound up making an over-trick.

Q—The bidding has been:

West	North	East	South
1 Spade	Double	Pass	1 N.T.
Pass	2 Hearts	Pass	2 N.T.
Pass	3 Clubs	Pass	?

You, South, hold:
Spades K-Q-4, Hearts 3-2, Diamonds A-10-7-6-4, Clubs 5-2.
What do you do?

Cook of the U.S. Naval Reserve who saw the plane after it nosed into the water off the Winthrop Yacht Club.

"When I got there, part of the plane was still afloat," said Cmdr. Donald Regan, one of the first to reach the scene. "A good many of the passengers were strapped to their seats and couldn't get out. The seats were floating. I noticed that their weight was pulling them over so that their heads were in the water."

"They were all a mess—blood, broken legs, split skulls and everything else."

The pilot, Capt. C. W. Fitts, and co-pilot M. J. Calloway, were missing. Flight engineer Malcolm Hall was killed. Two stewardesses survived. They are Joan Berry, 22, and Patricia Davies.

NO TIME TO THINK — "I was in the tail when we hit—it saved my life," Miss Berry said. "It happened so fast there was no time to think."

"I opened the rear door and pushed myself out. The pain from my broken leg was so severe I passed out."

Hundreds joined in the rescue effort—police, firemen, owners of small boats, skin divers, pilots of coast guard helicopters and boats and navy ships. Men waded knee-deep through oil-smeared mud flats to bring back bodies.

To study LaHaye plan report

The directors of the Chamber of Commerce have decided to devote a special meeting within the next few days to the study of a report presented to the Board yesterday morning by Denis Tremblay, concerning the LaHaye Plan.

In view of unemployment situation here which will become more acute during the winter months and also a view of grants available from the federal and provincial governments for winter works, the Chamber will ask city council to what extent the city plans to make use of these grants.

The municipal affairs committee is presently conducting a study regarding division of permanent works.

Due to unforeseen circumstances, the Chamber will postpone the next general meeting to Nov. 2.

THE U.S. PLAN — Arthur H. Molloy of New York, president of the United States Chamber of Commerce, outlined a course in practical politics arranged by the American chamber. Since the program was launched in January, 1959, more than 100,000 persons in 1,399 communities in all 50 states have completed the study course, and thousands of graduates have become workers in the political parties.

The chamber's three-day meetings ends tonight with its annual dinner.

Captain Joseph Jeffery of London, Ont., chairman of the London Life Insurance Company, is president for the coming year, succeeding H. Gordon Love of Calgary.

Next year's meeting will be in Halifax.

Textile quality second place to price ranges

QUEBEC (CP)—The Canadian Association of Consumers is growing evidence that quality of textiles is taking second place to price.

"Competitors' prices rather than quality appear to be determining sales prices of consumer goods," said the report of the association's textile committee presented at the annual meeting.

The committee also reported that soap and detergent makers generally appear unwilling to label their products as to type unless all did. The committee said a variety of considerations—variation in water hardness, individual allergies, personal preference—made a buyer choose a particular type of cleaner.

But, it said, it was almost impossible for buyers to determine what type they were buying.

Confusion was added by the sudden changing of a product's type although its brand name and description remained the same. In other cases the word "new" was added to the product's brand name "accompanied by a lot of advertising of the product's new or improved properties, the consumer thus being left to wonder whether or not the product may have been changed as to type."

Argentina talk

Beef production costs half those in Canada

"There isn't any place in the world where there is a greater potential for agriculture than in Argentina. With grass the year round, commercial beef can be produced at less than half the cost it can be produced in this country. If it wasn't for the distance they are away from the market, we wouldn't have a chance of competing with them in the open beef market."

These words were spoken by Mr. Redford Guardhouse, of Milton, Ontario, well-known Shorthorn judge and breeder, who was the guest speaker Monday night at the banquet and meeting for Shorthorn breeders which was held at the Sherbrooke hotel.

Mr. Guardhouse, who travelled to Argentina in July and was a judge at the famed Palermo show, one of the largest beef shows in the world, recalled during the evening the highlights of his trip to this South American country.

"The vastness of the country and the richness of the soil, and

this along with climatic conditions, makes Argentina an ideal setting for any livestock. It is quite common for commercial herds to be as large as 1,000 to 10,000 breeding cows," said Mr. Guardhouse.

The speaker underlined how the beef industry has been the backbone of that country, producing more revenue from export of beef than any other product the country has to sell.

"With this basis, the livestock industry has a priority in Argentina and it is fostered by the Government so that it may continue to be one of their big revenue sources," concluded Mr. Guardhouse.

Among the guests seated at the head table, were C. G. Gaulin, president of the Club, E. H. Stoltz, Field man for the Canadian Shorthorn Association and D. J. MacMillan, secretary of the Club.

St. Paul's Guild of Bury opens fall meetings

BURY — After an interval of two months the W.A. of St. Paul's church resumed its activities with its September meeting in the Parish Hall, with Miss Lillian Palmer as hostess. Rev. W. Walker opened the meeting.

Mrs. Eric Fisher, president, welcomed Mr. and Mrs. Walker to the parish expressing the hope that their stay would be a long and happy one.

The secretary, Mrs. Bown, read the minutes. A satisfactory report was given on the strawberry supper. Correspondence included a letter from Mrs. Mary Matthews, of Gaspe Village, thanking the branch for its part in presenting her with a life Membership. Two letters were read from the Prayer Partner, Miss Jones, and three cards of sympathy were sent to bereaved families.

The Little Helpers tea was held on Sept. 14. Prior to the tea a short service was held in the church, when the little ones presented their mite boxes.

Fifty Church Calendars are to be ordered.

Tea was served by the hostesses.

The next meeting will be held at the home of Mrs. John Dougherty on the evening of Oct. 13.

First president honored on Fordyce LA 40th anniversary

FORDYCE — At the celebration of the 40th anniversary of the Fordyce L.A., held recently at the home of Miss Guilla Jones, Mrs. John Jones, at whose home the first meeting was held in 1920 was honored by her fellow members.

Mrs. Jones, Aunt Mary, as she is affectionately known, organized the L.A. 40 years ago and has been an active member ever since.

Mrs. Archie Dryden, on behalf of those present, expressed the love and gratitude felt for Mrs. Jones, and presented her with a gift from the members. Mrs. Hooper then presented her with a corsage of gladioli and one to Miss Guilla Jones, also a charter member. Mrs. Anna Carter, another charter member, though not present, had been sent flowers.

Mrs. F. E. Joyal of Long Beach, Cal., who was born in Fordyce,

also received flowers as the guest who had come the longest distance to the meeting.

Mrs. E. Dryden then read the minutes of the first meeting of 40 years ago.

During the business meeting which was chaired by Mrs. Stevenson the devotional period was conducted by Mrs. J. B. Moore and Mrs. Hooper, the theme being, The Test.

Plans were made for decorating the church for Thanksgiving and catering for a wedding reception.

Before closing, Rev. C. J. Gustafson thanked the members for the loyalty and hard work during the years, then all joined hands and sang, Bless Be the Tie that Binds.

Marriages Of Local Interest

DION—LAFONTAINE

BIRCHTON — The marriage of Shirley Winnifred Lafontaine, only daughter of Mr. and Mrs. Eugene Lafontaine, to Louis Philippe Dion, son of Mr. and Mrs. Eudore Dion, of Sawyerville, took place recently in St. Patrick's Church, Sherbrooke. Msgr. J. R. Moisan officiated at the double ring ceremony. The organist was Mr. John Codere and the soloist, Mr. Jean Paul Fortier. Pink and white gladioli adorned the altar and the guest pews were marked with white satin bows.

Given in marriage by her father, the bride wore an Empire style gown of white silk organza over satin, the fitted bodice having a pearl trimmed round neckline and short sleeves. The floor-length skirt fell into a chapel train and was highlighted at the back with large organza roses. Her chapel length veil of tulle illusion was held by a single organza rose and she carried a cascade bouquet of Sweetheart roses and baby mums.

The bride's attendants, Miss Kathleen Reid, as maid of honor, in soft yellow organza, and the bridesmaids, Miss Helen Brazel in shrimp pink, and Miss Barbara Bewick in romance blue, wore waltz length gowns of organza over ruffled nylon net with matching headresses and carried colonial bouquets of gladioli and mums.

Mr. Guy Dion acted as best man for the groom, and the ushers were Ronald Lafontaine, brother of the bride, and Alfred Murphy.

The bride's mother wore a dress of Dior blue with toning cloche hat trimmed with white feathers, with which she wore a grey squirrel stole and a corsage

of red Sweetheart roses. The groom's mother was in cornflower blue with a beige hat and black accessories. Her corsage was of pink Sweetheart roses.

Following the ceremony a reception was held at Pleasant View Hotel, North Hatley, where the bride's table was centered with a four-tier wedding cake made by the bride's aunt, Mrs. Lindsay Reid, and was flanked by

crystal candelabra and low bowls of multi-colored sweets.

Later Mr. and Mrs. Dion left for a wedding trip in the United States, the bride travelling in a moss green dress with chocolate brown hat. She wore a Chinese mink stole, a gift of the groom, and a corsage of roses.

Guests were present at the wedding from Montreal, Thetford Mines and Quebec City.

Delicious ham patties

Ham patties can be dry and unappetizing — so try these. The flavoured Quebec McIntosh and the tangy juice keep them moist and tasty!

2 cups leftover ham, chopped;
1/3 cup breadcrumbs, 2 eggs, beaten; 1/4 teaspoon salt. A pinch of pepper; 1 teaspoon prepared mustard, 5 tablespoons ham or bacon fat, 2 Quebec apples, 1 cup apple juice, preferably Mont-Rouge brand. Grated rind and juice of 1/2 a lemon, 2 tablespoons brown sugar.

Mix the ham, breadcrumbs, eggs, mustard, salt and pepper. Shape in six flat patties, the size of an apple slice. Slice the unpeeled apples into 6 thick slices. Sprinkle one side lightly with sugar. Place in hot fat, sugared side down. Brown lightly on both sides, without overcooking the apples.

As they are ready, place in bottom of shallow casserole. Quickly brown the ham patties

While here their youngest daughter, Shelby Ann, was christened at Trinity Church, Rev. Graham Barr, officiated. Miss Irma Chesbro, of Sherbrooke, and Major Edward Flanders, of Fort Worth, stood as proxies for the sponsors, Mr. and Mrs. G. C. Sleeper, of Larchmont, N.Y. Mr. and Mrs. William Chesbro, of Morrisburg, Ont., were also weekend guests.

Mr. and Mrs. Douglas Hazle and children, from Ciudad, Trujillo, Dominican Republic, are spending a vacation with the former's parents, Mr. and Mrs. J. D. Hazle, Aberdeen St.

Mrs. Kenneth Maguire and Mrs. Ronald Dick entertained at the latter's home on Argyle St., at a pink and blue shower in honor of Mrs. Carl Speck of Lennoxville.

Greeted by her hostesses, the guest of honor was presented with a corsage by Miss Lois Stronach and then led to a chair beside which stood a gaily decorated carriage laden with dainty and useful gifts.

After the gifts had been opened Mrs. Speck thanked her hostesses and friends for the delightful party. Then followed a period of games after which refreshments were served by Mrs. Maguire and Mrs. Dick.

Mr. and Mrs. William Provis and family and Mr. and Mrs. Kenneth Provis and family of Lennoxville, Mr. and Mrs. George Provis and family of East Angus, and Mr. and Mrs. Donald Provis and family of Greenlay, Que., were guests of Mr. and Mrs. Fred Provis of North Hatley at the birthday party given at their home in honor of Mr. Provis' mother, Mrs. William Provis of Bury. The hostess was assisted in serving refreshments by her daughters, Connie and Marjorie Provis.

Beauty Tips

Proper way to brush your hair: brush top and back hair up, and sides out. Start at hair line and, with twist of the wrist, sweep brush out from scalp.

If you do your own housework, you will be better off to use colorless nail polish so that the chips will not be noticeable. You can save the colored polish for dress-up occasions.

Homemaking

All the care stainless steel needs is washing with soap and detergent suds. After rinsing with hot water, it dries gleaming bright.

Your whisk broom will last longer and do a better job if you spray the tips with shellac from an aerosol can. It will also keep the broom cleaner.

Spending vacation at home is fine — for the husband

A husband's vacation at home can be a wonderful thing — if his wife survives it.

But judging from the letters I get from wives just after their husbands have vacationed at home, the wives work harder during those weeks than at any time of the year.

Here's a typical one: "My husband's vacation has just ended. This year he decided to spend it at home, 'just loafing around'."

"He had a fine time. Why not? I spent the two weeks making him the guest of the house, and

now I need a vacation which, of course, I won't get.

"To give you a rough idea of how a husband's vacation at home affects the wife, our first day went like this.

"I got up at the regular hour in order to cook breakfast for the children. Papa slept until 11 and woke up ready for a big breakfast.

"By then the man of the house decided we ought to have a neighborhood cook-out in our back yard and the kids joined in to second the motion.

"It won't be any trouble," the party planner assured me. He personally would go to the market and pick out the meat to barbecue and he would cook it.

"Needless to say, I spent the afternoon preparing the rest of the meal, getting the equipment together, telephoning the

Bazaar planned to aid Retarded Children School

The Lennoxville Auxiliary of the Association for Retarded Children is holding a Bazaar in St. George's Church Hall on Tuesday, October 13.

In addition to the usual sales tables one finds at such an event, will be a display of the work done by the children of the School for Retarded Children in Sherbrooke.

A beautifully gowned doll in hand sewn garments will be raffled during the afternoon.

Guests will be received by Mrs. Lorne Buckman, president of the Auxiliary and Mrs. W. S. Aird and the tea will be convoked by Mrs. Lee Watson and Mrs. S. Pearson.

All the proceeds from this event will go to the School for Retarded Children, and it is hoped there will be a good turn out. Parents of the children are especially invited to lend their support.

Approaching Marriage

Mr. and Mrs. N. L. Amiraull of Sherbrooke, announce the approaching marriage of their only daughter, Alice, to Jean V. Jutras of Waterville, son of Mrs. Cyril Jutras of St. Berthelemy, Que. The wedding will take place on October 15, in St. Jean de Brebeuf Church at eleven o'clock.

Pirates Worried Over Law And Groat As Series Opens

Managerial Merry-Go-Round Gets Another Candidate As Lou Boudreau Quits Chicago Cubs Over Contract

CHICAGO (AP)—Chicago Cubs were again on the managerial merry-go-round today hoping to pluck off a gold ring—a manager that can win.

The Cubs have had seven field managers in 11 years. Their latest boss, Lou Boudreau, quit Tuesday after asking—but not receiving—a long term contract. He's going back to the job he had before joining the Cubs: Baseball color announcer for Chicago radio station WGN.

Boudreau left the broadcasting booth for the baselines May 4, replacing Charlie Grimm as Cub pilot.

Guesswork placed Phil Cavarretta, former Cub star and manager, high on the list of replacement for Boudreau. Other names tossed around included those of Al Dark, a utility player with Milwaukee; Bob Scheffing, another former Cub manager, and Bill Rigney, ex-manager of the San Francisco Giants.

RETURN TO RADIO
Boudreau, who will return to

his broadcasting job and also will be retained by the Cubs in an "advisory" capacity, met with owner P. K. Wrigley shortly before the announcement of his resignation.

"We agree with Lou that a year-to-year arrangement is hazardous, particularly for a man with a family," said Wrigley. "On the other hand, from the Cubs' standpoint—with the lean years we have had and with the expenditures involving in both rebuilding the team and modernizing the ball park—the Cubs are not in a position to make a long-term commitment."

The Cubs won their last pennant in 1945 and recorded their last first-division finish the following year under Grimm. Since then their best has been fifth place in 1952 under Cavarretta and fifth-place ties under Scheffing in 1958 and 1959.

The Cubs this season finished in seventh place with one of their worst records in years, 69-94, 35 games behind pennant-winning Pittsburgh.

Casey Stengel Seems Likely To Stay As Yanks' Manager Hence Possibility That Ralph Houk May Move To Detroit

By JOE REICHLER
PITTSBURGH (AP)—Casey Stengel probably will remain as manager of New York Yankees and Ralph Houk, widely considered Stengel's successor, probably will become manager of Detroit Tigers.

This managerial turn—about shaped up today in the wake of the firing of manager Bob Elliott by Kansas City Athletics, Lou Boudreau's resignation at Chicago and Joe Gordon's walk-out at Detroit.

Other reports circulating at world series headquarters here:

1. Gordon will manage the Athletics.

2. Bob Scheffing, just resigned as a Milwaukee Braves' coach, has the inside track to succeed Tom Sheehan as manager of San Francisco Giants. The only thing positive is that Sheehan will not return in 1961.

3. Bill Rigney, whom Sheehan replaced as Giant manager last May, is a leading candidate for the managing job with Chicago Cubs.

ACTUAL HAPPENINGS
Not rumors, but actual happenings although not yet announced.

Roughriders And Stampeders Clash In "Must" Battle For Last Place In WIFU, Riders To Be Missing Two Aces

CALGARY (CP)—Saskatchewan Roughriders, burdened by injuries but still buoyed by the hopes of a comeback, meet Calgary Stampeders here Wednesday night in a Western Inter-provincial Football Union "must" game for the last-place Riders.

Roughriders will be meeting the only club they have defeated so far in 1960. But they must do it without quarterback Bob Pateck and end Jack Gotta.

Both key players were injured Friday in the club's 9-2 loss to the Eskimos in Edmonton.

Pateck's ankle injury is reported "coming along favorably," but won't be ready until at least next Monday when Winnipeg Blue Bombers visit Regina.

for a Thanksgiving Day contest.

GOTTA DOUBTFUL
Gotta has a kidney injury and is listed as a "doubtful" starter.

Roughriders are depending on Don Allard to replace Pateck, who sparked the surprising Saskatchewan attack that upset Stampeders 45-35 in the club's first and only victory of the year at Regina Sept. 29.

Roughriders have only three points in the WIFU standings, but a win Wednesday would place them within one point of fourth-place Calgary and within two of the third-place B.C. Lions, B.C. and Saskatchewan then would have five games left in the schedule, Calgary three.

A third-place finish is necessary to make the playoffs.

ROTARY ENTERTAINS—The Sherbrooke Rotary Club last night entertained the Indians of the Sherbrooke-Lennoxville Little League at their weekly dinner and presented the youngsters with tokens for their efforts during the season. Barons Spoil Aces' Opener

With Cleveland Barons off to a winning start with a 4-2 victory over Quebec Aces, the other four American Hockey League teams make their season's debut to night.

Rochester Americans play Buffalo Bisons at Buffalo and Providence Reds meet Hershey Bears at Hershey.

The Barons opened their 1960-61 campaign by moving from behind after the Aces had taken a 2-1 lead at the end of two periods at Quebec Tuesday night.

Coach Toe Blake Voices Cautious Optimism About His Stanley Cup Champs, Looking For Good Start

MONTREAL (CP)—Coach Toe Blake of Montreal Canadiens voiced cautious optimism as his Stanley Cup champions got in a few more practice licks today in preparation for the new National Hockey League season.

Blake said his immediate aim is to get off to a good start. He has found no indication of complacency among his players and feels that within the last few days they have been skating much better.

Since Blake, a former star with the club, took over Canadiens they have won five straight cup championships and have missed first place in the NHL only once.

Blake's Canadiens open in Montreal Thursday night against Toronto Maple Leafs, the team they knocked off in four straight in the cup final last spring—the same fate that befell Chicago Black Hawks in the semi-final. **NO PREDICTIONS**

Blake made no outright predictions for the coming season. The closest he has ever come to forecasting was last spring. When his team made it five straight cup championships, he said in great elation: "I like odd numbers."

So now he is going for No. 6 and No. 7 without a pause.

"I am encouraged by the way the boys have been skating and I'm hoping that indicates a good start," said Blake.

Blake was a bit concerned over the foot miseries of Jacques Plante.

"Plante has had a funny ankle for years. It acts up once in a while and now the trouble seems to have gone to his heel."

He hurt the ankle in the all-star game last Saturday and in a Quebec exhibition game Sunday he couldn't stand up "so we used Charlie Hodge."

"Plante worked out at the practice Wednesday and I think he will be able to start Thursday."

Magog Ekes Out Win Over Beebe To Win Massawippi Valley Baseball League Crown, Cops Final Tilt 5-3

BEEBE — Magog won the championship of the Massawippi Valley Baseball League Sunday when they downed Beebe 5-3 to win the final series 3-2.

Gene Rancourt was on the mound for Magog and turned in a fine performance while Doug Wing went all the way for Beebe.

Magog evened the series Saturday when they managed to push across a run in the ninth to eke out a 5-4 victory. Ross Bennett was the winning pitcher while Johnny Gaudreau was the loser.

The victory capped a brilliant comeback by the Magog team, who had been in last place for the better part of the schedule and were forced to win their last few games in order to make the playoffs. They beat Waterloo 3-1 in the semi-finals.

Following the final game Albert Noel, president of the league, presented the O'Keefe Trophy to the newly crowned champions. Ernie Pouliot, representative for O'Keefe's, and donor of the Trophy assisted at the presentation.

Milkman Hikes 1,375 Miles To See World Series

PITTSBURGH (AP)—Talk about a busman's holiday: Dewitt Bottom, a mailman, walked and hitch-hiked 1,375 miles from Waco, Tex., to get here for the world series.

It's a matter of economics for Bottom, 64, who also asked police for lodgings in a jail cell.

"I'm just conserving my money," he said, "because the series may go seven games and I'll need a little extra to hitch-hike back and fourth from New York."

The cops obliged. They even agreed to wake him up at 4 a.m. today so he'll have plenty of time to make it out to Forbes Field for the opening game.

Art Ditmar Fit And Ready As Teams Open 1960 World Series In Forbes Field, Yanks Are Favored

PITTSBURGH (AP)—Despite outward optimism, Pittsburgh Pirates went into the world series against the New York Yankees today secretly worried about the condition of two key performers—starting pitcher Vernon Law and shortstop Dick Groat.

Law, the Pirates' 20-game winner and steadiest man on the mound this year, has not fully recovered from an ankle injury suffered 10 days ago.

The 30-year-old right-handed ace, said "it feels better, but it's not 100 per cent yet." He still has some difficulty sliding his foot off the rubber when throwing a curve ball, his best pitch.

Even Danny Murtaugh, Pirate manager, admits Groat's left wrist, fractured a month ago, is "not 100 per cent." The Buc captain and sparkplug, who showed great courage last week in returning to the lineup before anyone expected him to, still flinches when missing a swing or catching a hard throw in the pocket of his glove.

SKOWRON HAS HEAD COLD

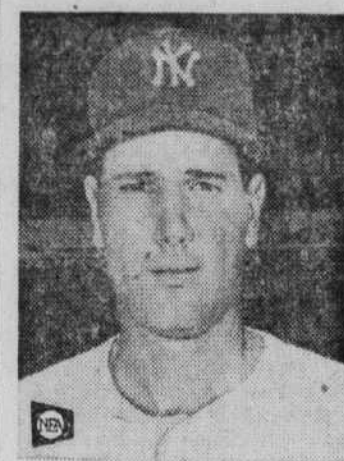

The Yankees, in sharp contrast, faced the opener before a sellout crowd of some 38,000 in full strength except for a minor nuisance. A head cold is plaguing first baseman Bill (Moose) Skowron.

Right-handed Art Ditmar, Casey Stengel's choice to oppose Law, is fit and ready.

The Yankees were 13 to 10 to gain their 19th victory 25 world series and their eighth in 10 under Stengel. Today's game was rated even money.

Stengel's champions streaked into Forbes Field by sweeping their last 15 games. The Pirates

STARTING PITCHERS

Vernon Law

came back nicely after coasting into the pennant, defeating Milwaukee in the final two games of the regular season.

Today marks the 33rd anniversary of the opener of the only other world series in which these two teams met. In that one—1927—the Yankees swept the best-of-seven series in four straight.

No matter what happens in the opener, Murtaugh plans to pitch Bob Friend (18-12) in Thursday's second game here and follow

Montreal's Bob Cleroux Is Rated Seventh By Ring Magazine Which Is Three Spots Higher Than NBA

NEW YORK (AP)—Bob Cleroux of Montreal, Canadian heavyweight champion, is ranked seventh among the world heavyweight contenders this month by Ring magazine.

The magazine listed Ingemar Johansson of Sweden second among Floyd Patterson's challengers. The NBA placed him third behind Eddie Machen of Portland, Ore. Both authorities give Sonny Liston of Philadelphia the No. 1 spot.

Pone Kingpetch of Thailand drew Ring's "fighter of the month" award for his second victory over Argentina's Pascual Perez. Pone stopped the tiny former champion in the eighth round of their return title bout at Los Angeles.

The defeat dropped Perez to second contender, his lowest position in more than six years, among the 112-pound set. Spain's Mimun Ben Ali was boosted to No. 1.

Don Fullmer, 21-year-old brother of NBA middleweight king Gene Fullmer, was ranked among the 163-pounders for the first time on the strength of his draw with European champion Gustav Scholz at Frankfurt, Germany, Sept. 14. Gene Fullmer is rated the No. 1 contender by Ring, which recognized Paul Pender of Brookline, Mass., as world champion. Don Fullmer was ranked ninth. Scholz is ranked third.

STILL-FISHING TIPS
LET THE FISH FIND YOUR BAIT WHILE YOU WAIT PATIENTLY ON THE BANK, OR IN AN ANCHORED BOAT. LITTLE SKILL IS NECESSARY, BUT SOME TIPS AID THE BEGINNERS.

IF THE BOTTOM IS WEEDY, USE A BOBBER, OR FLOAT, TO KEEP BAIT FROM SINKING INTO THE WEEDS WHERE FISH CAN'T FIND IT. SELECT A BOBBER WITH LITTLE RESISTANCE, SO A SLIGHT TUG WILL SUBMERGE IT.

IN WEEDLESS WATERS, BOBBERS MAY NOT BE NEEDED. USE JUST ENOUGH SINKER WEIGHT TO SINK BAIT.

USE A FINE LEADER ON THE END OF YOUR LINE FOR BEST RESULTS IN DECEIVING ALL FISH.

Gilles Dube Rehired As Beavers' Coach, New Directors Added

Ten New Directors Added To List, Team To Commence Training Next Week Under Coach Gilles Dube

Gilles Dube was rehired as coach of the Sherbrooke Beavers, ten new directors were added and the executive officially approved their delegate's decision to return to the Eastern Townships Intermediate Hockey League at a special meeting held last night at the LaSalle Hotel.

President Bob Beaudry called the meeting to hear the report of the delegates regarding the move of returning back to the E.T.H.L. Camille Massara, Al Caplan and Gilles Dube gave the rest of the directors detailed information on the meeting. The directors unanimously approved the decision of the delegates. Sherbrooke is the fifth club in the circuit with Drummondville, Granby, Three Rivers and Montreal.

Several new directors have already accepted and it seems that more of the local business men will join the board. Leandre Mercier, Roger Bergeon, Georges Masse, Sam Fabi, Jean-Claude Goulet, Roger Bourgault, Willard Adam, Marcel Sevigny, Yvan Cote and Claude Richer have already signified their intentions of joining the executive.

On Thursday evening the election of the executive will take place at the LaSalle Hotel at 8:00. Following this committees will be formed and plans for the season will be discussed. The City of Sherbrooke has already increased their grant from \$1,000 to \$2,000 to help the Beavers.

The directors asked Gilles Dube to continue as coach of the club as post he has held for the past three years. His record speaks for itself and each season he guided his club into the finals of the league. He also helped the club finishing as top scorer for two of the three years.

It is expected that Coach Dube will commence training next week as soon as the ice is ready. He has already laid plans and is hoping for a good team to represent Sherbrooke in the Intermediate loop. Several of last year's team will be back but Coach Dube is looking around for new help and it is expected that several new faces will be added to the club.

Houston, Tex.—Joe Brown, 137, New Orleans, knocked out Raymundo (Battling) Torres, 139, Reynosa, Mexico, 4, (non-title).

Ivan Dugre's Merry Dream Wins In 2.06

SARATOGA SPRINGS, N.Y.—Merry Dream, owned by Ivan Dugre of Sherbrooke, won an Overnight event at the Saratoga Raceway last night when she defeated a field of eight starters.

The two-year-old pacing filly was teamed by Charles Masten and was clocked in 2:06 2/5 for the mile. It was the ninth victory for the Dugre filly and she paid her backers \$5.50. On her debut at the Saratoga Raceway she walked off with the honors in a \$2,000 Stake.

The Dugre fillies, Fairy Dream and Merry Dream, are competing here and are entered in a couple more Stakes in the near future.

Dave Thelen Is Sure Bet To Set Rushing Record

TORONTO (CP)—Halfback Dave Thelen of Ottawa Rough Riders appears to be sure bet to set a new Big Four football union rushing record this season, even though he has missed one game.

With five games left in the 14-game schedule, Thelen has piled up 1,008 yards. Last year he set the league record with 1,339 yards.

League statistics issued Tuesday show Thelen has carried the ball 178 times for an average gain of 5.7 yards. His closest rival is George Dixon of Montreal Alouettes who has a total yardage of 667.

Hal Patterson, star end of Alouettes, tops the pass receivers with 36 catches, three up on Paul Dekker of Hamilton Tiger-Cats and Dave Mann of Toronto Argonauts. Mann is ahead in the punting department with an average of 46.4 yards.

Ron Lancaster of Ottawa has the best average gain for passing, 10.3 yards, but Sam Etchevery of Montreal still leads in percentage of completions, 156 out of 259 throws. Tobin Rote of Argos has tried the most passes, 28, and leads in total yardage with 2,868.

Los Angeles — Donnie Adamson, 125, West Jordan, Utah, and Emilio Flores, 128, Los Angeles, drew, 3.

NHL Opens Tonight With Bruins In New York And Wings Visiting Hawks, Leafs And Canadiens Clash Tomorrow

Chicago Stadium and Madison Square Garden in New York share the scene for opening games of the 1960-61 National Hockey League season tonight. It will be Boston Bruins against the Rangers and the Black Hawks at home to Detroit Red Wings.

The other two clubs—Toronto Maple Leafs and Montreal Canadiens—get their season under way in Montreal Thursday night. Canadiens, even without Maurice Richard, are solid favorites to outdistance the opposition once again. Montreal has won the Stanley Cup the last five years and has taken the NHL title in four of those years.

Richard, now 39, announced his retirement a few weeks ago after 18 record-breaking seasons with Canadiens. Young Billy Hicke is being tried out in Rocket's right wing spot on a line with Henri Richard and Dickie Moore. Hicke was American Hockey League scoring champion two seasons ago with Rochester. Otherwise, coach Toe Blake is going with a stand-pat team.

THE LEAFS SECOND?

After Canadiens it looks like Toronto Maple Leafs for runner-up honors—on paper at least. Leafs finished a strong second last season but lacked Montreal's playoff polish and bowed four straight in the cup finals.

Veteran goalie Johnny Bower could again be the key to success or failure for Leafs. The 36-year-old goaltender held the club together on more than one occasion last season with some superlative puck-stopping. Rookie forwards Bobby Nevin and Dave Keon were impressive in pre-season exhibition games and manager-coach Punch Imlach is confident they'll stick with the club.

Elsewhere, it should be a scramble for the remaining two playoff positions. The Red Wings and Black Hawks appear to be slightly better balanced than either Boston or New York.

Detroit still has the great Gordie Howe up front and former Vezina Trophy winner Terry Sawchuk in goal. Howe, incidentally, suffered a knee injury in the NHL all-star game last Saturday and will miss Detroit's first two games. The Red Wings picked up

three new players in the off-season, Parker MacDonald, Tom McCarthy and Howie Glover.

Chicago will be minus veteran Ted Lindsay. The scrappy 35-year-old leftwinger retired after 16 seasons in the NHL—three with Chicago and 13 with Detroit. To go with Bobby Hull and company, the Hawks acquired three new players from Montreal—Cec Hoekstra, Bob Courcy and Ab McDonald.

RANGERS FINISHED LAST

Rangers, who finished in the cellar last season, have added five players in an effort to hit a winning combination.

Newcomers include defence-man Jim Morrison, drafted from Chicago; centre Ted Hampson, from Toronto; plus three farmhands—Len Rochford, Len Ronson and Dave Balon.

Coach Alf Pike has indicated he will carry two goalies—Jack McCartan, hero of the United States team that won the Olympic hockey title, and holdover Gump Worsley. Worsley figures to start the season. Dean Prentice, Rangers' leading scorer last season, will miss the first two weeks of the new campaign. He is recovering from a knee operation.

Another Ranger casualty is Camille Henry who will be sidelined for at least three weeks with a hairline fracture of a lower rib. He was hurt in an exhibition game Sunday.

Boston, which also finished out of the playoffs—fifth place last year—has added Orval Tessier and Jimmy Bartlett, both forwards. Tessier set a pro scoring record with Kingston in the Eastern Professional Hockey League last season. Bartlett, an aggressive player, is a former Ranger.

Oakland, Calif.—Johnny Gonsalves, 140, Oakland, outpointed Benny Medina, 139½, Fresno, 10.
Las Vegas, Nev.—Ray Pacheco, 110, Las Vegas, stopped Jesus Miranda, 109½, Mexico City, 3.

Joe Brown KO's Mexico's Torres

HOUSTON, Tex. (AP)—World lightweight champion Joe Brown knocked out Mexico's Raymundo Torres in the fourth round of a 10-round non-title fight Tuesday night.

Brown weighed 137 pounds, Torres 139.

Torres was knocked out with a short right cross at 2:24 in the fourth round.

Torres was knocked down for an eight count midway in the first round. Brown, 34, who had defended his title eight times, was slightly stunned in the third round by a flurry from Torres.

Torres, 19, didn't hurt Brown any other time in the fight. After the first round knockdown Brown was unable to catch Torres again until the fourth. The Mexican boxer backed away and countered well enough to stay away from Brown the rest of the first round.

Torres had won 34 of 36 fights before Tuesday night's bout, 26 of them by knockout. He was ranked sixth among lightweight contenders.

Eddie Shore Has Another Heart Attack

SPRINGFIELD, Mass. (AP)—Sixty-year-old Eddie Shore, "The Edmonton Express" of the National Hockey League, was reported in serious condition Tuesday after suffering another in a series of heart attacks.

A member of the family said Shore is confined to his home here.

Shore, a native of Fort Qu'Appelle, Sask., started the big time career that led to the Hockey Hall of Fame with the Boston Bruins in 1926.

Considered as among the greatest of all rushing defencemen, he had a record of 102 goals and 161 assists. He is the only player in the league to have won the Hart Trophy as most valuable player four times.

In recent years, he has been head of the American Hockey League Springfield team, which he bought in 1939. He has also run a hockey school for promising players in the New England area.

Canadian Branch Of Royal Caledonian Curling Club Releases Dates For Special Events For Coming Season

MONTREAL — A meeting of the Council of Management of the Canadian Branch of the Royal Caledonian Curling Club was held on Sat. Oct. 1, 1960, at the St. George Curling Club, in Montreal.

This meeting was attended by the Office — Bearers of the "Branch," covering the four districts. There was a great deal of enthusiasm shown by the members present, and from their reports, curling activity this season should reach an all time high.

Last season we had 102 men's curling clubs in the area covered by the "Branch," which were members of the "Branch," along with 93 women's clubs. So far this season, three clubs have been admitted to the "Branch," as follows:

Bel-Aire Curling Club, St. Hilaire, Que.
Granite Curling Club of West Ottawa.

Carleton Heights Curling Club, Ottawa, Ont.

Membership is also expected to grow this season. Last year we had 9,739 men members, and expect approximately 10,250 this year. Last year we also had 5,436 female members, and this is expected to grow to 5,750 this year. These figures speak well for the interest shown in the game of curling, as a whole. There has been a continuous growth in numbers of curlers for many seasons now, and with the activity towards new and enlarged curling clubs, it would seem that the "roaring game" is increasing in popularity beyond most expectations.

The dates for the second stages of the various "Branch" fixtures and Competitions were also confirmed and announced as follows:

Seniors' Competition, Dec. 16th & 17th, 1960, Ottawa.

Royal Victoria Jubilee, Jan. 19th, 20th, & 21st, 1961, Montreal.

Governor-General's, Sat. Feb. 4th, 1961, Ottawa.
(Subject to confirmation from Government House)

Edinburgh Trophy, Feb. 17th, & 18th, 1961, All Districts.
Lady Gilmour, Feb. 24th, & 25th, 1961, Quebec City.
Colt's Competition, March 3rd, & 4th, 1961, Montreal.
Gordon International, March 11th, 1961, Montreal.
Lord Elgin Trophy, March 16th, 17th, & 18th, 1961, Montreal.

It was reported by the visiting Council Members that most of the clubs in their respective districts were opening their actual curling activities much earlier than usual this season, anywhere from Oct. 15th, to the 30th, which is one to two weeks earlier than usual.

Comes From Ireland But Has No Ticket

PITTSBURGH (AP)—One Pittsburgh Pirate fan came all the way from Ireland to watch the world series. But he'll have to see it on television.

He's George Wilson, 74, who retired from a job here and returned to his native Belfast several years ago. He kept in touch with the Pirates by way of the U.S. armed forces radio.

But after converting many of his neighbors — about 50 were in the Wilson home listening in on the day the Pirates clinched the pennant — and making the long trip here for the final games of the regular season, he couldn't get a ticket to the series.

REMEMBER WHEN . . .

New York Yankees won a record fifth consecutive World Series seven years ago today when second baseman Billy Martin singled to score the winning run in the last of the ninth inning of the sixth game, for the Yankees' fourth victory against Brooklyn.

Ask these questions when you're buying a truck:

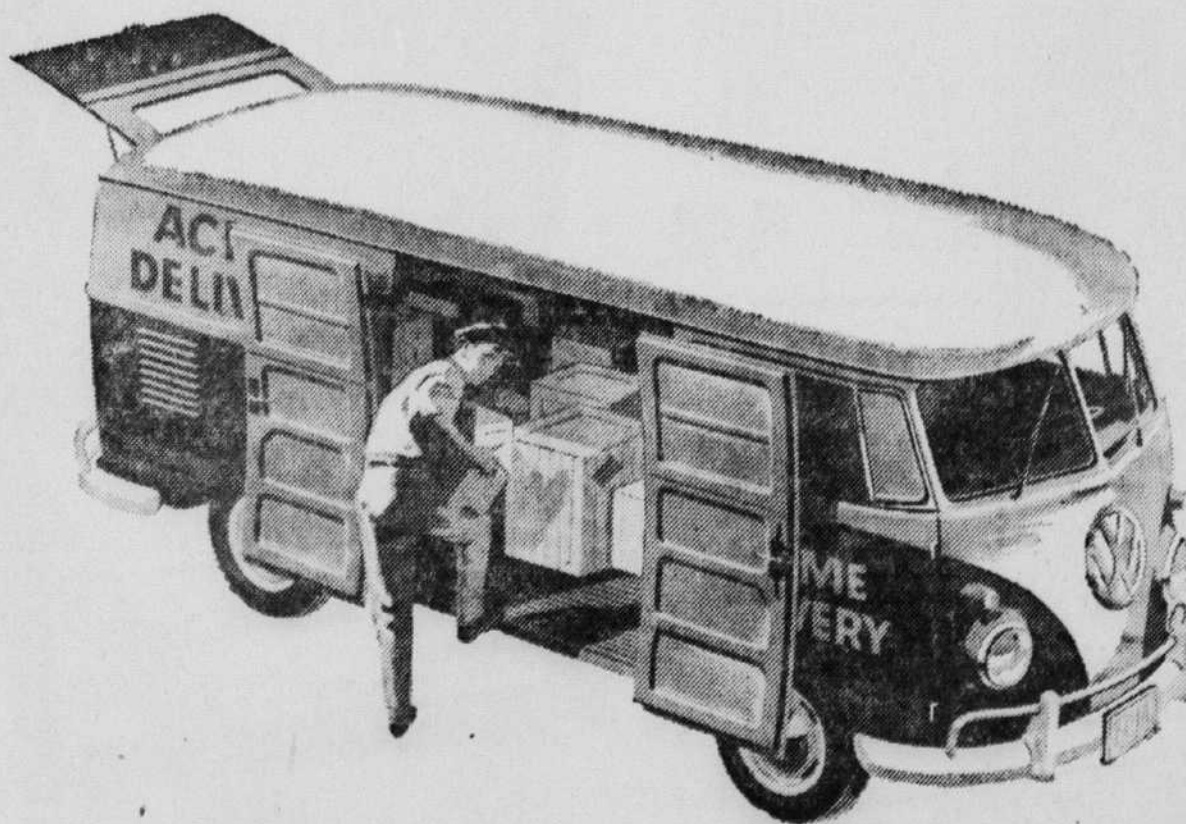

What's the best size for a truck? A truck should only be as big as the job it has to do. Any bigger and delivery costs skyrocket. The Volkswagen truck doesn't waste an inch or an ounce on useless space. It carries a full 170 cubic feet of load and has near perfect weight-to-payload ratio.

What's the most economical truck to run? The one that delivers the most goods for the lowest cost. Volkswagen's delivery van has a far greater capacity than a standard half-ton truck yet it costs much less to run. No other truck can say this.

Which truck is easiest to load? The truck that's off doors—Volkswagen. The VW is the only truck with side and rear doors as standard equipment. You can walk right in through the double side doors from the curb, or load and unload through the rear door. Delivery time is cut down.

What's the best "engineered" truck? The one with the most sensible design. The Volkswagen delivery van has an all-steel, all-welded unitized body that provides extra strength without excess weight. The air-cooled engine makes maximum use of aluminum and magnesium alloys and weighs only 198 lbs. Weight is evenly distributed throughout the truck. The driver up front, the engine in the rear and the load where it should be, cradled between the axles.

Which truck has the best Service Plan? Volkswagen by far. When you buy a VW truck you get a 6 month, or 6,000 mile, parts and labour warranty. You also get a service book that starts you off with two free inspections and then provides for preventive maintenance on a planned basis for the life of the vehicle.

the answer's a Volkswagen.

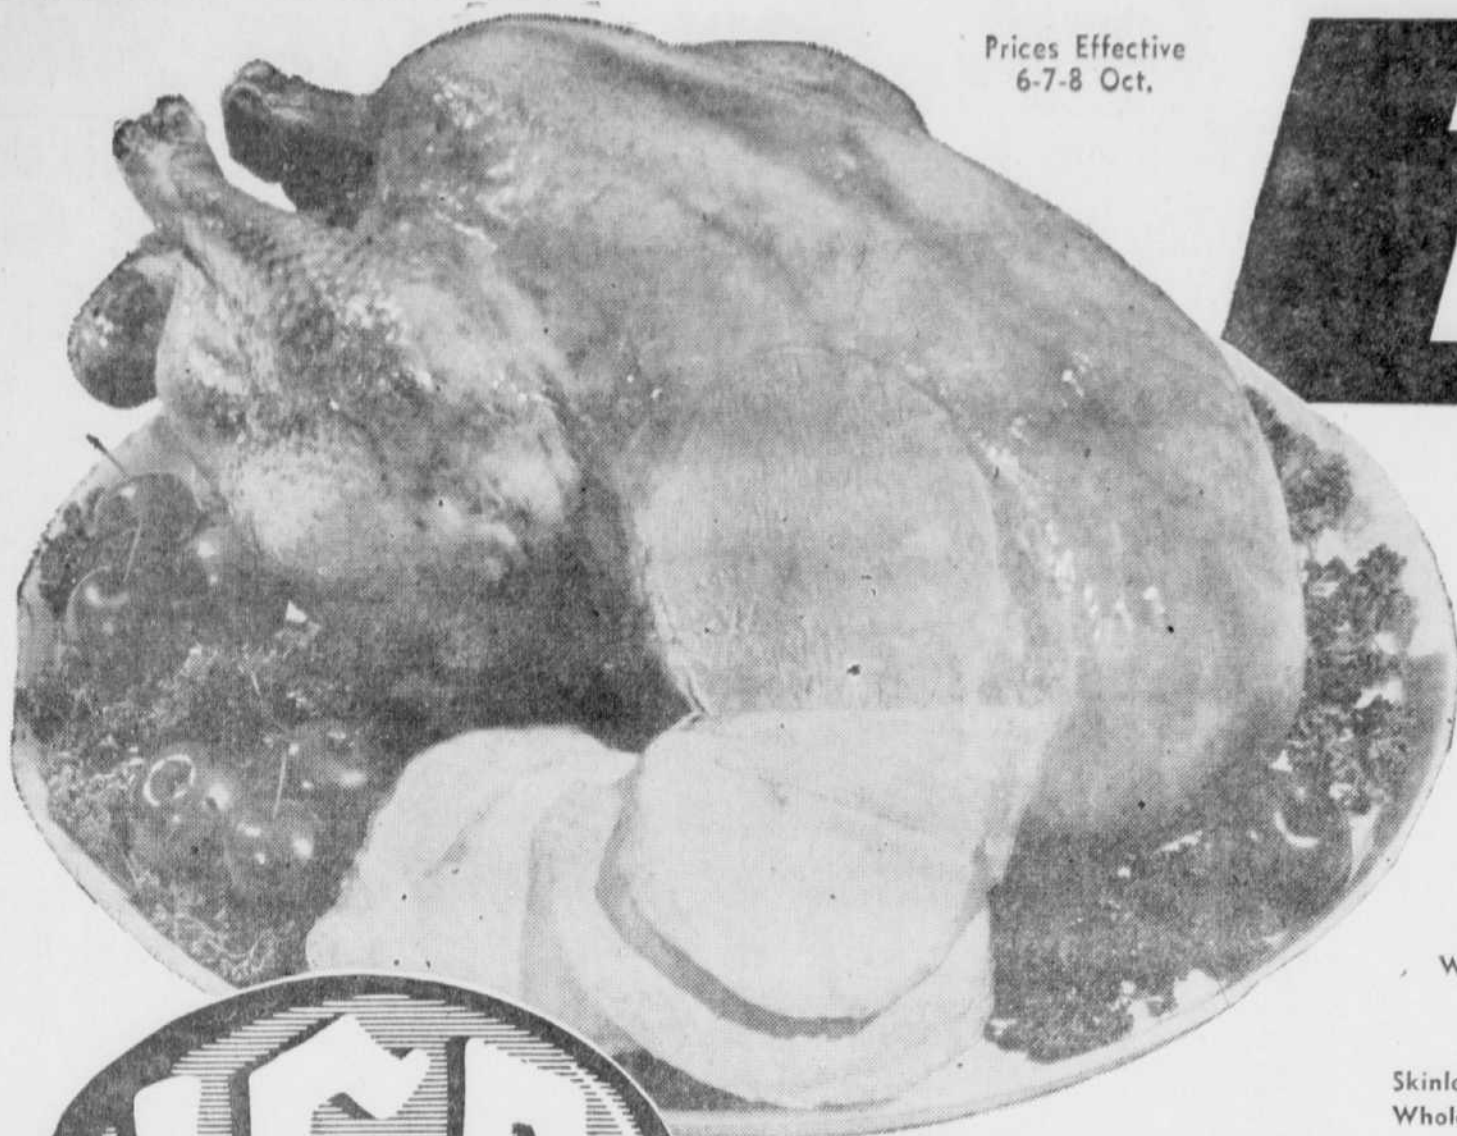

These are your nearest Volkswagen dealers. They are part of a network of 300 efficient VW service centres across Canada.

Cowansville firemen to be busy

COWANSVILLE — National Fire Prevention Week will be held Oct. 9 to Oct. 15 will keep the Cowansville Volunteer Firemen busy, it was announced by the Police and Fire Chief, Leo Deragon.

In connection with the Week, local firemen will attend Mass at the St. Therese Church here Sunday morning Oct. 9.

Sunday afternoon, a parade will be held in the streets of the town to exhibit the town's fire fighting equipment.

The parade will include the town's chief, 20 volunteer firemen, members of the Junior Chamber of Commerce, the mayor of Cowansville and members of the Town council.

On Tuesday Oct. 11, Chief Deragon will visit the Town's five schools - Cowansville High School, St. Therese, Vivier, St. Leon and Larocque schools - where he will address pupils on fire prevention. Fire drills will also be held on this day.

Tuesday evening, firemen will visit the Edmond Glove and Visking factories.

Thursday Oct. 13, members of the fire department will visit Bruck Mills, where a fire drill practice will take place in co-operation with the Bruck Mills fire department.

Legion Auxiliary resumes sessions at Richmond

RICHMOND — The September meeting of the Ladies Auxiliary to the Legion was held in the Memorial Hall. The president, Cde. A. Dalton was in the chair, and the colors were advanced by Cde. D. Carr, Sgt. at Arms, and Cdes. B. Roberts and D. Montgomery, as standard bearers.

The secretary, Cde. V. Lowen read the minutes of the June meeting and the executive meeting. The treasurer, Cde. L. Stevens, presented the financial report, showing a substantial bank balance.

The sum of \$5 was sent to Unitarian Relief in answer to an appeal, and social convener, Cde. C. Bush, gave her report. Publicity report was given by Cde. N. Hills, and Cde. L. Stevens reported that the usual amount of tobacco and cigarettes had been sent to the Wales Home and St. Anne de Bellevue.

The president thanked all those who had helped in the booth at local fair.

A sum of money was voted to Cde. Bush to purchase prizes for the social bingo which will be held the 4th Thursday of every month.

The president thanked the hostesses, Cdes. Barrie, Copping, Pye and Rodgers. Hostesses for the October meeting will be Cdes. Woods, Levia, Crook and Hamilton.

Baptismal service held at Iron Hill

IRON HILL — At the afternoon service at Holy Trinity Church on Sunday, Sept. 25, the christening took place of young son of Mr. and Mrs. Grant Hall. The baby was given the names David Mathewson. Rev. W. Davidson officiated.

The sponsors were Mr. and Mrs. Donald Hall, of Knowlton, and Mr. Donald Matheson, of Pointe Claire.

After the ceremony the christening party were entertained at a luncheon at the home of the baby's parents. Among the guests was Mrs. Grace Mathewson, of Pointe Claire.

27. Female Help Wanted

NEED MONEY... To help the budget? Four or five hours a day will bring you a good income. There is a tremendous demand for AVON COSMETICS. We have attractive openings for ambitious ladies. Call now to inquire. Mrs. A. LeBrun, Waterloo, Tel. 1075.

The meeting was in charge of the agriculture conveners, and the motto was My Cup Runneth Over.

A report of the School Fair, held on Sept. 8, was given by Mrs. Ray Waldron. Seeds were given to 16 families with 27 children on the list, and 19 exhibited. Harvesting prevented some from bringing in their exhibits.

D. J. Macmillan, agronomer, was present, and the judges were Mrs. R. Learned, Mrs. M. Elliot, from Cookshire, Miss M. Wilson and Mrs. D. Twyman from Sawyerville, with the agricultural committee assisting. The financial assistance received was most gratifying as well.

Welfare and health convener announced Immunization Week to be held.

An article was read on sight for the Blind.

GENERAL NOTES
Mrs. Alice Waldron, of East Angus, spent a few days with Mr. and Mrs. Ray Waldron. Other guests were Mr. Mark Waldron of C.B.C., and Mr. Dean Hughes, author of The Craigs, while on an information tour of the Eastern Townships.

Mr. Dan Martin had the misfortune to be severely injured in a fall, and is a patient in the Sherbrooke Hospital.

From The Pen Of E. T. Writers

AUTUMN.

There's a touch of frost in the air today
They sky is dull and cloudy and grey,
The trees are changing their gowns of green
For robes of crimson and gold.
And the wind that blows thro' the pine trees
Is chilly and damp and cold.
There's a flutter of wings as the swallows
Start their southward flight
And the sound of wild geese honking
Echoes through the night.
And the sound and the reaper is still
The harvest moon is shining
Behind a Western hill.
I see the mountains standing
Like sentinels of old
And the peace and beauty of Autumn
Fills our hearts with peace untold
For though every changing season
Has a beauty all its own
There's a calm and restful beauty
Belongs to Fall alone.

Bible Society Annual Meeting Held At Beebe

BEEBE — The annual meeting of the Beebe branch of the British and Foreign Bible Society was held in the Advent Christian Church on Sept. 13. The president, Rev. Frank Stanton, opened the meeting with prayer, and Rev. Craig Wilcox read from the Scriptures. Rev. Ralph Rogers also offered prayer.

Rev. T. Dale Jones, district secretary, gave an interesting talk on the work of the Bible Society. Canada, he said, ranks third in the list of 23 Bible Societies throughout the world, and has heavy responsibilities.

The Society in Canada is asked to raise \$30,000. for Bibles for the children of Africa. Mr. Jones showed an interesting film entitled "The Potter's Wheel," a story of India. The speaker was thanked by Mr. Stanton.

Beebe collections this year amounted to \$208.23. The executive wish to extend a sincere thank-you to every one who helped.

Officers elected were: President, Rev. Ralph Rogers, secretary-treasurer, Mrs. Ezra Woodard.

Mrs. J. Wilkins entertains W. A. at Melbourne

MELBOURNE—The Melbourne Group of the Woman's Association of Richmond and Melbourne United Church, held its first fall meeting at the home of Mrs. John Wilkins with Mrs. F. A. Fleck and Mrs. E. L. Pierce as joint hostesses.

Mrs. E. L. Pierce, captain, welcomed the members back after the summer vacation. An opening hymn was sung with Mrs. Moreland at the piano, and Mrs. Pierce conducted the devotions.

The minutes were read by the secretary, Mrs. G. W. Ewing, and 36 calls were reported. Mrs. Moreland gave the financial report, and a report of the September W.A. meeting.

Mrs. Pierce reminded members that October is the month for parish calling.

The captain welcomed Mrs. G. Henderson and Mrs. S. McManis as new members.

An interesting contest in charge of Mrs. C. J. Johnson, social convener, was held and the winner was Mrs. W. Moreland.

Refreshments were served by the hostesses, assisted by Mrs. G. Henderson.

GENERAL NOTES

Club welcomes new members at Thetford Mines

THETFORD MINES — The first meeting of the United Church Get-Together Club took the form of a corn roast held on Monday evening, Sept. 19, with a splendid turnout of members and guests.

The new president, N. Bradley, opened the meeting with greetings to the members and a special word of welcome to the new members and guests which included Mr. and Mrs. Dick Bramley, Moore, Mr. and Mrs. W. Hadlow, Mr. and Mrs. T. Edwards, Wayne Simons and Mr. Murray. A special word of welcome was extended to the new minister and his wife, Rev. and Mrs. Eldon Hay, on this their first meeting with the group, and also to Mr. and Mrs. Cecil Pratt, of Eau Claire, Ont., who attended as guests of Mr. and Mrs. K. Little.

Mrs. Lorne Taylor read the minutes of the June meeting in the absence of the secretary, Mrs. Rod MacDonald. A letter of thanks and farewell was read from Rev. and Mrs. Lyle Simpson on their departure for their new charge in Richmond.

A brief report was given by the president in the absence of the treasurer, Les Sanderson.

The only matter of business brought up was the question of the Get-Together-Club participation in Layman's Sunday to be held in October. A committee, Mrs. Norman Bradley, Mrs. Eldon Hay and Henry Robinson, was appointed to make arrangements for the service.

Mrs. Don Worth took charge of the devotional period, her theme being Cooperation.

Entertainment included a sing-song, mouth-organ duet by Jim Lovatt and Dick Hall, and a reading from Drummond's poems by Don Worth.

The next meeting of the Get-Together-Club will be in charge of the Jim Lovatt group.

DRAMATIC APPEARANCE... SUPERLATIVE PERFORMANCE

"The new stainless steel Enterprise 88s is the world's most advanced range"

E.M.S. Fisher, President Enterprise Foundry (N.B.) Ltd.

THE Enterprise 88s

The secret of the distinctive elegance you'll love in the new Enterprise 88s is stainless steel... the metal that keeps on gleaming. Cook-top and oven door are made of this beautiful practical metal — it can't scar or chip and it wipes sparkling clean in a jiffy. There's another high fashion touch too... rich, brown complementary tones — the very latest in kitchen decor. This wonderful appliance — the result of eighty-eight years of range manufacturing experience — has more exciting features than have ever before been combined in a single unit...

- * NEW, IMPROVED ELEMENT ARRANGEMENT — more convenient — keeps pot handles cool.
- * SPECIAL MIRO-CHROM OVEN — focuses heat right into the food.
- * AUTOMATIC ROTISSERIE WITH VARIABLE HEAT CONTROL.
- * SET-AND-FORGET BROILER CONTROL — perfect rare, medium or well-done steaks every time.
- * NEW IMPROVED HB THERMAL EYE ELEMENT CONTROL — most accurate automatic top cooking ever.
- * NEW VARI-THERM SWITCHES — complete range of heat control for top elements.
- * MEAT-MATIC MEAT THERMOMETER — cooks roasts to perfection.
- * UNIQUE BAKING ODOR ELIMINATOR
- * EASY-TO-OPERATE, EASY-TO-REACH CONTROL PANEL
- * And many other most-wanted features.

HIGH SPEED COOKING — All plug-in elements, three Vari-Term switches, one completely automatic.

EASY CLEAN MIRO-CHROM OVEN — Steam-light, even temperature throughout.

MEAT-MATIC — Gives succulently perfect roasts — every time.

Store provides unique services

In the three years since Simpson's - Sears opened a retail store in Sherbrooke, several unique services to the customer have been evolved.

One of these features is the phone service for catalogue customers. Simpson's - Sears has made an arrangement with Bell Telephone which enables anyone from East Angus, Windsor Mills, Coaticook, and Magog to dial Zenith 10,000 and the call is automatically transferred to the

catalogue department and the charges are reversed. Deliveries to catalogue customers are made direct. Therefore, there are no shipping charges. This service is relatively new. It was set up about a year ago.

Another interesting aspect of Simpson's - Sears program is the fact that they are glad to open credit accounts for people under 21 if they are employed. This group of people buy mostly sports equipment, musical instruments, and transistor radios.

Simpsons - Sears was the first store of its size to sell rebuilt car engines and provide for their installation as well. The car is serviced and ready to go within 30 hours of the time the engine was sold.

The Do-it-yourself trend has been reversed at Simpson's-Sears. Not only does this store sell heating systems, plumbing fixtures, and aluminum doors and windows, but also it has them installed. The man of the house no longer has to struggle with such jobs. Carpets and tiles are put down for the customer. Every item of car equipment is installed except the anti-freeze.

Allstate insurance, the biggest automobile insurance company in both Canada and the United States, is affiliated with Simpson's - Sears and has an office in the store. The company also sells accident and sickness insurance and finances automobile sales between individuals.

Since 1957 when Simpson's - Sears opened as a retail store, their sales volume has increased

five fold, and they are now servicing five times as many customers.

All Simpson's - Sears sales are planned months in advance. The purchasing agent at the head office in Toronto supplies whatever merchandise the branch decides it wants.

The Sherbrooke branch of Simpson's-Sears reflects the careful planning and centralized buying which make it a unique store.

Best wishes to the management of

a run ... for your money

We're not talking about taking chances when we say "a run for your money". We're talking about the full run of our newspaper and how far your advertising money goes when you run with us.

We believe advertisers have a right to know what our circulation is, exactly where it goes, how it is obtained, and everything else there is to know ... after all, it's the circulation for your advertising messages, too.

The reason we say you aren't taking any chances is because as a member of the Audit Bureau of Circulations*, we can show you verified facts in answer to just about any question you might have about our circulation.

Ask to see a copy of our latest ABC report. Know that you can advertise with us with confidence ... getting a real "run for your advertising money".

Sherbrooke Daily Record

* This newspaper is a member of the Audit Bureau of Circulations, an association of nearly 4,000 publishers, advertisers, and advertising agencies. Our circulation is audited regularly by experienced ABC circulation auditors. Our ABC report shows how much circulation we have, where it goes, how obtained, and other facts that tell you what you get for your advertising money when you use this newspaper.

exciting new style leaders with a new performance punch and full-size comfort!

Never before has Olds combined such beauty of line with such sparkling performance in its three famous full-size series! Never before have YOU experienced anything like the exciting *SKYROCKET* Engine and the smoothness of all-new *Hydra-Matic** with *Accel-A-Rotor* action! And just wait till you see all the room—headroom, legroom, entry room—that you'll find when you try the 1961 Oldsmobiles!

*Standard on Classic 98, optional at extra cost on other series.

A Hot New Number... **F-85** ...every inch an **OLDSMOBILE!**

Here's an all-new kind of car! More agile to drive, more economical to operate! Sized to seat six in comfort! Not too big... not too small... just right for you! So sturdy and road-sure you'll drive all day without tiring! Smooth and quiet in the Oldsmobile tradition!

MODEL ILLUSTRATED: DELUXE STATION WAGON

Come in and size up the sparkling new F-85! Choose Sedan or Wagon... beautiful interiors in either glamorous fabrics or all-Moroccans. Check the quality, roominess, equipment. Before you buy any new car, be sure to see and drive the new F-85... every inch an Oldsmobile!

Each a General Motors Value. Whitewall tires optional at extra cost.

MODEL ILLUSTRATED: DELUXE 4-DOOR SEDAN

The minute you get in and drive the new F-85, you'll KNOW this is an Oldsmobile through and through! You'll be delighted with its quick response. And you'll feel immediately that this new F-85 has extra heft and hustle where it counts.

FLASHING PERFORMANCE! All-new EXCLUSIVE Rockette V-8 Engine is standard in every F-85 at no extra cost! Gives you 155 h.p. up front... PROVED advantages of basic Rocket design, combined with light weight of aluminum.

FUEL ECONOMY! The lively F-85 steps right out in any company! And its favorable weight—combined with the high-efficiency Rockette V-8—provides the *THRIFT* you want, plus the *ZIP* you like!

FLUID SMOOTHNESS! New *Hydra-Matic* Drive with *Accel-A-Rotor* action is optional at extra cost for automatic convenience. PROVED in design and EXCLUSIVE with full-size Oldsmobile and the all-new Oldsmobile F-85.

FAMILY SIZE! Four big doors and room for six in either Sedan or Wagon. Wide seats, stretch-out legroom and ample height for hats! Sedan packs over 25 cu. ft. of luggage... wagon holds over 73 cu. ft.

FUN TO DRIVE! Alert to your every touch! A honey to handle and a pleasure to park... with handy 188" over-all length! Ample 112" wheelbase and new *Twin-Tri-angle Stability* for a superior ride. Come in and try it yourself.
