DOMINION Battleship Linoleum, Marboleum, Dominion Jaspé and Handicraft Linoleum in tiles or yard goods, are used any place where a highly practical as well as attractive floor is demanded. To the wear-resisting, silencing, and easy-cleaning merits of these products you can add special designs to dramatize the nature of your business, the personality of your organization, the standard of your institution—or the aim of your enterprise and you'll enjoy the finest floor your money can buy. Buildings throughout Canada have Dominion Linoleum floors up to 50 years old which show little or no wear, even today. Modern, new linoleum colours have been added to Dominion's vast flooring range, and Dominion vinyl as well as asphalt tiles have been introduced.
