VOL. X., No. 22 WESTMOUNT, THURSDAY, JUNE 1, 1939 PRICE—TWO CENTS

COUNCIL APPROVES WIDE PUBLIC WORKS PROGRAM

New School Building Will Be Erected

MODERN STRUCTURE WILL REPLACE FRONT SECTION OF ST. PAUL'S ACADEMY

Work on Demolition of Present School Centre to Commence as Soon as Term Concludes—Condemned By Building Inspectors—New Structure Will Have Slightly Increased Seating Capacity

Announcement was made by the St. Leo's School Board yesterday that the old front section of St. Paul's Academy, on Cote St. Antoine road, at the corner of Clarke avenue, will be demolished and a new building erected this year. The academy is a Catholic school for girls of primary and high school grades.

Arrangements are also being made to purchase the building and property from the nuns of the Congregation of Notre Dame of Montreal, from whom the board has rented them since 1904.

A permit to construct the building was awarded the board at a meeting of the Council Monday.

Plans, however, have yet to be approved by the City Engineer. L. R. Desilets, secretary-treasurer of the board, told the Examiner yesterday that demolition of the present structure, a landmark in Westmount, will commence as soon as the present scholastic term is completed.

The structure, Mr. Desilets stated, had been condemned by building inspectors as unsafe for school use.

The new building will have seating capacity for 500 pupils, about 50 more than can be accommodated at the present time.

The old building was first taken over by the Congregation of Notre Dame of Montreal in 1898, but was built many years before that time. It has been rented from the Congregation by the School Board for the past 25 years.

POLICE DRIVE ON LOITERERS IS CONTINUING

Leonard Cornell, No Given Address, Given Two Months in Jail Monday

Police are continuing their efforts to rid Westmount of beggars, loiterers and vagrants and hardly a week goes by when two or more persons arrested on these counts are not brought before the Recorder. In most cases the sentences meted out are severe enough to keep this petty type of law breaker away from the city in the future. When second offenders are caught, moreover, very little leniency is shown them.

Deputy Recorder A. P. Grigg sentenced Leonard Cornell, no given address, to a fine of \$25 plus \$5 costs, with the option of two months in the penitentiary, when he appeared before him Monday morning on a charge of loitering. He chose the jail term. Although Cornell pleaded innocent of the charge he was found guilty by the court.

The accused, who has a previous record, was picked up by Constable Maxwell and Lassard, of the radio squad, Friday night on Upper Lansdowne avenue.

The special measures taken to keep loiterers and beggars out of Westmount is for the protection of the residents. Westmount is the richest section on the island and would therefore be a particularly attractive spot for persons of their type if exceptional care was not taken to apprehend them.

Association To Hold Meeting June 21

A general meeting of the Business Association of Westmount, open to all members, is scheduled to take place in Victoria Hall on Wednesday evening, June 21, when W. R. Bullock, M.L.A., is expected to be present to express his views on the youth movement.

Plans for the session were drawn up at an executive meeting of the business body held Monday evening. An excellent program has been arranged, it is reported.

The association wishes to thank the many local merchants and firms on all parts of the island who contributed door prizes to be awarded to lucky ticket holders at the exceptionally well-attended "Citizens' Night" meeting held in Victoria Hall May 22. The organization also extends its thanks to all those who contributed in any way towards the success of the venture.

MAJOR ROUTIER INSPECTS UNIT OF SEA CADETS

General Salute Taken at Queen's School During Annual Drill Friday

The annual inspection parade of the Sea Cadet Corps, Navy League of Canada, Montreal, was performed before Major A. G. Routier, M.C., District Cadet Officer, M.D. No. 4, on Friday night. Major Routier took the general salute in the courtyard of Queen's School.

When the remainder of the drill was completed the unit marched to headquarters on Closse Street and staged demonstrations of first aid and signalling. Major Routier was attended by Lieut. A. J. Lepiez, of the Chateauguay Regiment.

The Noble Cup, awarded annually to the most efficient cadet in the corps, was presented to Sub. Lieut. Earl Patterson by Commander E. R. Brock, R.C.N.V.R., senior naval officer in Montreal.

Sub. Lieut. Jack Morgan received the efficiency medal and Cadet Kenneth Fenton won the shooting medal. Major Routier made the presentations.

Major Routier complimented the corps on its excellent performance and praised highly the manner in which it lined the route on the day of the Royal Visit.

Commander Brock said a few words congratulating the band of the corps particularly on the part it played in the guard of honor with the R.C.N.V.R. at the Windsor Station when Their Majesties left Montreal.

The corps was under the command of Lieut. A. Hammond. Other officers who took part were Lieut. Patterson, second in command, and the two Company Officers, Sub. Lieut. Morgan and Acting Sub. Lieut. Gilbert Carlson.

In command of the band were J. Wilson and J. Rodden, with Warrant Officers H. Olverman and T. Ansell assisting. J. W. Carruthers is chief instructor of the corps, and was complimented on his work by Richard F. Angus, president of the Navy League (of Canada) Quebec Division.

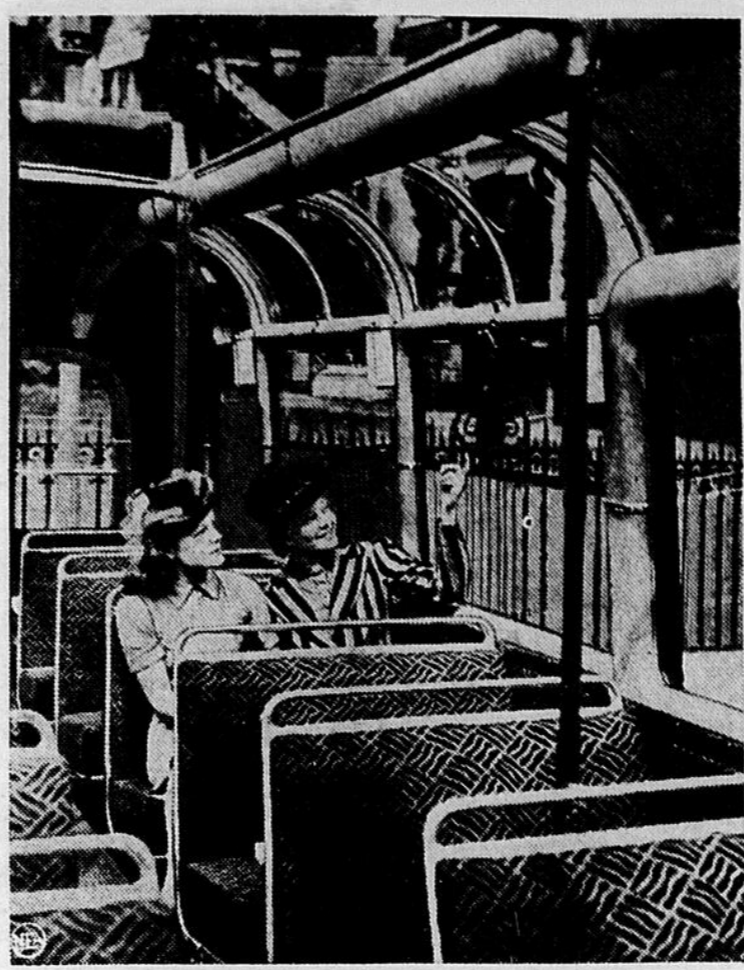

Tree Brings Driverless Automobile To Quick Stop

A large elm tree probably played a large part in averting what might have been a serious accident when the brakes on an automobile parked opposite 644 Belmont failed to hold and the car started to roll down the hill.

The wheels of the machine, however, were turned toward the curb and it crossed the sidewalk coming to a stop when it struck the tree on the lawn of the residence of 632 Belmont, occupied by Miss A. Harris.

The car, which was parked on the west side of the street, is the property of Walter Burridge, 5041

GIVING LONDON A GLASSY STARE

Though most Londoners are thinking in terms of bomb-proof shelters these days, a London bus company has come forward with a fleet of new "all-glass" coaches with full-vision roofs and sides.

HOSPITAL'S FACILITIES BEING TAXED TO LIMIT

Dr. Norman T. Williamson Addresses Westmount Rotary Club on Work Carried on by Children's Memorial—Many Improvements Needed to Improve Efficiency of Institution

The work carried on by the Children's Memorial Hospital was outlined to members of the Westmount Rotary Club by Dr. Norman T. Williamson, child specialist, at their regular weekly luncheon meeting in Victoria Hall yesterday.

The speaker told the gathering that whereas the hospital is just about the same in size today as it was in 1927, it is admitting almost three times as many patients.

Its facilities, he said, were being taxed to the limit and, moreover, were far from adequate. Improved X-Ray apparatus and an additional operating room were urgently required.

All great hospitals showed deficits because they thought more of their patients than of keeping within their budget, he declared. If the hospital's campaign of \$1,000,000 is reached, it will remodel the wards, and make a number of much needed improvements

Pilot Lands Damaged Airplane on One Wheel

Quick action on the part of Pilot Officer Duncan Anderson, of the R.C.A.F. No. 115 Fighter Squadron, averted what might have resulted in a more serious accident at St. Hubert Airport on Monday.

As the unit's four training planes were taking off in formation, part of the undercarriage of his machine gave way. Pilots in other planes signalled to him of the danger in time to permit him to make a safe landing on one wheel. He held the machine on an even keel almost until it had come to a complete stop, when it toppled over, breaking the propeller and causing damage to the wing.

Neither Anderson, nor a companion were hurt.

At the time of the minor mishap the planes were leaving for Camp Borden where the unit's flying personnel is undergoing summer training. They will remain there until June 10.

In the meanwhile activity at the headquarters of the squadron has been temporarily discontinued, pending the return of the flyers.

Flying Officer Fee has now taken over the post previously held by Flight-Lieut. Briesse. The chief permanent officer attached to the unit, he will be in charge of all instruction work.

Hugh Noble Busy Man At Y.M.C.A.

Hugh A. Noble, physical director of the Westmount Y.M.C.A., is an extremely busy man this week, as besides his regular work he has temporarily taken over the duties usually performed by Wilf Spearman, executive secretary, and E. Taylor, boys' work secretary.

Mr. Spearman and Mr. Taylor are currently attending a conference of Y.M.C.A. executives at the Royal York Hotel in Toronto and will not return to their desks until

Examiner Played Part In Royal Visit Plans

The success of the arrangements made by civic officials for the visit of the King and Queen won high praise from the thousands who viewed the Royal procession as it passed through Westmount and The Examiner is proud to record the fact that it was able to be of assistance by acquainting residents with the preparations made.

The City Council has formally extended its appreciation to this paper in the following letter: Examiner Publishing Co. Ltd., 2191 Hampton Avenue, Montreal.

Dear Sirs, I am directed by the Council of the City of Westmount to convey to you its thanks for the co-operation of your paper and the assistance rendered to the City in the effective publicity given to the arrangements made for the Visit of Their Majesties to this City.

A. F. BELL, Secretary Treasurer.

"6-3-3" PLAN TO BE ADOPTED BY WESTMOUNT

Protestant Board Will Put System Endorsed by Hepburn Report Into Effect

Regardless of what other municipalities decide to do in the matter, the Westmount Protestant School Board is presently planning the adoption of the "6-3-3" educational plan.

Tentative plans of the board would convert Westmount High School, erected some fifty years ago, into a junior high school. Argyle Junior High, constructed but a few years ago, would be turned into a senior high school housing pupils of the 10, 11, and 12 grades.

The proposed change in the system currently in force here has been given wide study by the local board and more information as to future plans is expected to be made public within the near future.

Announcement of the decision to change the system was made by S. F. Kneeland at the meeting of the Protestant Committee of Education held in Montreal under the chairmanship of Hon. Gordon Scott.

The "6-3-3" plan was recommended by the Protestant Survey Committee.

The "6-3-3" plan calls for six years' instruction in elementary school, three years in junior high school, and three years in senior high school. The Survey Committee under W. A. F. Hepburn, who was honored this week, by McGill University with the degree of Doctor of Laws, recommended this step for the entire province in order to bring the system of education here in line with the approved trend elsewhere. The Westmount board will require a year to get the plan in operation.

The Building Committee with architects, are busily engaged formulating final plans for the Community Centre Building to be erected adjoining the Temple Proper. Sydney Isaacs, Chairman, and his co-workers foresee the breaking of ground about the middle of June.

City to Make Mountain Wild Flower Sanctuary

Westmount Mountain will henceforth be a wild flower sanctuary during the summer months, one of the few anywhere to be located within such close proximity to a city.

In order to make the move a success the Westmount Parks Department, in charge of the venture, has requested the support of local residents and all others using the mountain.

Flowers on the mountain should not be picked at any time and notices to this effect have been posted at prominent places throughout the area.

GIVES THIRD READING TO BY-LAW PROVIDING FOR TRANSFERENCE OF \$52,000

Meeting of Proprietor-Electors Called for Friday, June 9, for Approval of Measure—Will Then Go Before Provincial Minister—Provision Made for Many Municipal Improvements

Westmount City Council, at a regular meeting Monday night, gave third reading to a by-law providing for the transference of funds from previous unexpended loan funds, for a municipal improvement program representing an expenditure of \$52,000. The sum is believed to be the largest expropriation yet passed upon by the council now in office.

A meeting of proprietor-electors has been called for Friday, June 9, at the City Hall, for approval of the by-law. It will then go before the Provincial Minister of Municipal Affairs for final ratification.

The expropriation will provide for a wide program of municipal works which will be undertaken during the summer.

These include improvements to the sidewalk on Summit Circle at Oakland Avenue; sewer, Summit Circle and Oakland; paving, Summit Circle and Oakland; paving and widening of the driveway to the Corporation Yards; the installation of a fence around the extension to the yards; and improvements to the Athletic Grounds.

The by-law also provides for the purchase of extensive equipment for King George Park; Selby Park and Westmount Park.

Provision is also made for the purchase of land for a road or lane running between Grosvenor and Victoria avenues, north of Sherbrooke street.

The meeting was presided over by Mayor Walter A. Merrill, K.C. All members of the Council were present.

C. G. GALLAGHER FUNERAL HELD

Father W. F. O'Kane Officiated at Funeral of Selby Avenue Resident

Requiem Mass for Charles Garry Gallagher was held on Tuesday morning at St. Thomas Aquinas Church, where the Reverend Father W. F. O'Kane was the Celebrant of the Mass. Mr. Gallagher died at the home of his daughter, 164 Selby Street, following a lengthy illness. He was in his 82nd year.

Born and educated in Ontario, where he remained for 20 years, Mr. Gallagher settled in the rural district of Quebec for over fifty years, and for the past two years had been living with his daughter, An active cartage contractor, he retired from business in 1924.

He is survived by his daughter, Mrs. C. Black, his wife the former Christina Norrey, predeceased him several years ago.

Interment took place at Cote des Neiges Cemetery.

The Council consists of Mortimer Besner, Queen's Bench, Harriet Bloomfield, Henry Boukling, Frances Cohen, Seymour Elkin, Mark Goldenberg, Muriel Heilig, Monty Levitt, Billy Rubin, Esther Salomon, Beth Tannenbaum, Philip Vineberg, Betty Stewart and Ruth Simand.

Garden Group Open To Both Boys and Girls

This year girls as well as boys will be permitted to enter the municipal garden group and a large number of amateur gardeners are expected to set to work on the lots provided by the city on Metcalfe Avenue below St. Catherine Street.

BICYCLE STRUCK

Morris Masterman, 1 Prospect Avenue, suffered a bruised knee when the bicycle on which he was riding collided with an automobile driven by Jas. M. Mills, 1 Parkman Place, at the corner of Western and Greene Avenue at 9:05 o'clock Saturday night.

Mills told police that he was proceeding east on Western and struck the youth as he attempted to turn north onto Greene.

SOME MEAN NEWS REPORTING The American magazines, 'Time' and 'Life', in reporting the visit of The King and Queen to Canada, have made some assertions that are not only inaccurate, but mean and misleading.

THE ISMS ARE ALIEN In an address at McGill University, Mr. John W. Dafeo, editor of The Winnipeg Free Press, asserts that Canadians are not yet ready to give up their country to admirers of Fascism or Nazism.

There has been considerable talk about certain persons in our midst who agitate in favor of alien systems of government. There is some basis for such publicity. Of that there is no doubt.

This does not mean, of course, that we should ignore these pests in our midst who are trying to foist upon us a form of government which we never asked for and which we do not want.

NOTE—The opinions expressed in these columns are not necessarily those of this newspaper and it does not accept responsibility for them.

Bolton Hall of single-tax fame died recently at the age of 84. He was a lifelong Georgist crusader as author and lecturer.

Mr. Hall was born in Ireland in 1854 and received his early schooling in Dublin.

From 1897 to 1928, he published 17 books among which were the following: "Things As They Are," "Money Making In Free America," "Three Acres And Liberty," "A Little Land And A Living," "What Tolstoy Taught," "The New Thrift," and "The Living Bible—The Whole Bible In Its Fewest Words."

He is survived by Mrs. Hall and a daughter, Mrs. Gerard P. Herrick. The family home is at 20 East 83rd St., New York.

Reflecting improved business conditions within the Dominion, dividend payments by Canadian companies this year are being forecast at a figure that may equal or exceed all totals since 1930.

WESTMOUNT BAPTIST CHURCH Under the title: "Rivers of Living Water," Rev. J. A. Johnston will speak of The Abundant Life that may be ours in Christ, in Westmount Baptist Church on Sunday morning.

At the evening service the theme of the address will be: "The Gathering of the Clan." The sermon which will embody a great moral challenge, will be illustrated by stirring scenes from Scottish History.

On Sunday, June 17th, Westmount Pulpit will be occupied by Principal W. Holms Coats, D.D., of Glasgow. On Monday, June 18th, Dr. Coats will present a fascinating lecture illustrated by coloured film and slides entitled: "Scottish Scenes and the Scottish Empire Exhibition."

The Rambler By FREDERICK FAILES "The time has come," the walrus said. "To talk of many things: Of shoes - and ships - and sealing wax - Of cabbages - and kings -"

This publication is, and always has been a champion of equal rights for women, and time and time again has emphasized the unfairness of not allowing women the same privilege as man in selecting the government of this province.

"Votes for Women" was the slogan of a campaign staged some 27 or 28 years ago, which developed into one of the most vigorous and vicious efforts ever made to convince slow-acting Englishmen that women had just as much right as men in the selection of the British Parliament.

The writer was just a kid at the time of this campaign, but the memory of extremes which this "gentler sex" took, in an effort to press their claims will always live in the memory.

6,482,000, figures released by the Co-operative Union show. An increase in business of \$66,635,000 by the British co-ops brought their annual volume of sales to over a billion dollars for the year.

In "The Automobile Industry and Organized Labor," A. J. Muste tells of General Motors, Ford, Chrysler, the big three of motordom, national and international and their production of \$5,000,000,000 worth annually by 5,000,000 employees.

Our introduction to the Suffragettes came rather sudden. Still well below the 'teen age, we read little of the papers. It was a cool summer evening and we were riding through one of the busiest parts of London on the open top deck of a bus.

It was a great idea, and there were many more like it, the whole scheme being to impress Britishers with the determination of the women to gain their place in the sun.

About the middle of all this fun we were treated to possibly the most exciting night of this writer's young life. The family home was only a short distance from the Houses of Parliament.

BOYS BRIGADE INSPECTED AT KING'S SCHOOL

Season's Activities Officially Brought to Close at Event Friday

The annual display of the First Westmount Company of the Boys' Brigade was held on Friday evening at King's School. Commencing with the company marching in, the program led off with a brief devotional service, following which the original color of the First Montreal Company was presented to the unit by D. A. Grant. This color was presented to the Maison-neuve Presbyterian Company in 1909 and being discovered recently, was passed along to the First Westmount, through the kindness of Captain H. E. Bally of St. Stephen's Lachine. Lieut. Sutherland received the color, accompanied by Staff-Sgts. Jeffrey and Patterson, escorts.

Duncan McLellan inspected the unit accompanied by D. A. Grant, following which the march-past was taken, under the command of J. Howard Richardson, Captain.

The program which followed depicted the various phases of the Four Fold Brigade program: the physical, educational, spiritual and social sections. First aid work was linked up with the fireman's badge, rescuing a boy from a supposedly burning edifice and administering the necessary treatment.

Duncan Jones rendered two fine solos accompanied by J. Mitchell, pianist, who also filled in the intermissions with piano selections. The trumpet contest was won by trumpeter Bruce Marshall and Drummer Harold Fairhead became the successful holder of the drum title for the past season. Both received awards.

The various badges and certificates were awarded by Mrs. W. O. Mulligan and Captain Richardson as follows: Swimming, Corp. W. Mulligan; Certificates: J. Wilson, B. Dryden, F. Hilborne, B. Marshall, D. Jones, P. Lamb, A. Baxter, K. Bolduc.

Ambulance: T. Hannah, James Patterson, F. Hilborne, J. Goodfellow, W. Lewis, W. Mulligan. Silver Three Year Anchor: P. Lamb, D. Patterson, W. Patterson, J. Patterson, D. Taylor, J. Jeffrey, W. Mulligan, G. Leach.

One Year Service Stars (Silver) J. Wilson, K. Bolduc, J. Goodfellow, T. Hannah, J. Patterson, W. Patterson, D. Patterson, D. Jones, Roy Howard, B. Dryden, W. Lewis,

"Religion in June" to Form Theme of Sermon

On Sunday morning at 11:00 a.m. in Calvary Church, the minister, the Rev. T. W. Jones will preach on the theme, "Religion in June." So many people behave as though religion was something for the winter only, attendance at services of worship is becoming more and more restricted to the festive occasions such as Christmas and Easter, the minister points out. In this sermon, Dr. Jones will point

out the essential values of religion in summer days.

At the evening service, Dr. Jones will preach on the theme, "The Church in the Wildwood," paying tribute to the creative ministry of Church life in the rural areas. So many active workers in city churches received their training in little village communities. The preaching service will be followed by the Communion of the Lord's Supper, with reception of new members into the fellowship of the church.

Children's Day will be observed in Calvary on Sunday, June 11th by special services throughout the day. At the morning worship, the Church School will take full charge, the entire service being devoted to the rendition of a Children's Day Pageant. The Junior Choir, directed by Mrs. W. S. Walker, and accompanied by Miss Vera Jamieson, will lead the choral service.

The Graduation Exercises will be held in the Church School at 3 o'clock. All who are interested in the work among the young are invited to attend.

At the evening service at 7:30 p.m., special emphasis will be laid on Religion and Youth. The choral ministry will be led by the Intermediate Choir, composed of young men and women. Rev. T. W. Jones will preach the sermon on "The Key to Success," from the stirring message to youth delivered on Empire Day by His Majesty the King.

The annual picnic for the Sunday School will be held on Saturday, June 17th to Calumet Beach, St. Eustache.

On Thursday, June 22nd, a Strawberry Social with a True or False program and an old time dramatic serenade will be held in the Church Hall, under the auspices of the Women's Association.

The following promotions were made by Captain Richardson and Dr. Mulligan: James Patterson and John Jeffrey to Staff-Sergeants; W. Mulligan to Sergeant; R. Lamb and D. Taylor to Corporals; H. Fairhead, D. Patterson and R. Morrow to Lance-Corporals. A special discharge certificate for boys having completed long service in the company with good conduct and having attained the age of 18, were awarded to Sg.s. Leach, Patterson, Jeffrey and Blair.

Following the presentations, Private Thomas Hannah presented Mrs. Mulligan with a corsage of red roses.

The winning squad for the season was that of Sergeant Patterson and each of the members were the recipients of handsome bronze medals.

Duncan McLellan, in his remarks, complimented the officers on their excellent work and praised the boys for their fine appearance. He stressed very strongly the need for the Brigade in every community as it served toward the upbuilding of good Christian character, so much needed in the world of today. He urged the boys to maintain these high standards and be loyal to their Church, at all times.

Among the special guests of honor were Mr. and Mrs. Arthur Bell, Mr. and Mrs. W. N. Cunningham, Dr. and Mrs. T. A. Wilson, Mr. and Mrs. Geo. Robertson, Mr. and Mrs. A. D. Evans, Mr. and Mrs. John Rae. The hall was filled to capacity and 40 boys were on parade.

Captain Richardson reported a most successful season. The membership having risen to 46 with an average attendance of 43. Many new activities had been launched and carried out with great success and the coming season promised still greater achievements. A Company camp in the Laurentians will take place early in the summer season and boys will receive full information this week. The Company band had developed to 12 trumpets and 4 drums and ranked third in the Battalion, competing against two others who had been in existence three years.

PLAY-THERAPY USED IN CURE OF SICK CHILD

Children's Memorial Hospital Scientifically Supervises Games

One of the most important elements in the care of sick children in hospitals and institutions is play. Unlike the play of healthy children, however, the play of sick children cannot be left to chance. It is likely to do little good, and may do much harm if sick children are merely let loose in a playroom and told to play, or given any plaything that may be handy and asked to amuse themselves with it in bed. Well organized, and skillfully directed, play may be the most important factor in assuring quick and safe recovery for the sick or injured child.

At Montreal belongs the distinction of having the first scientifically organized department of play-therapy-treatment of sickness by scientifically directed play. Until a few months ago, when Halifax Children's Hospital opened a similar department, the only one in Canada was that operated by the Children's Memorial Hospital, Montreal.

To Keep Child Happy
The main object of play-therapy is to keep the patient's mental, physical and emotional life in proper equilibrium; to keep him or her from drifting into introspective and morbid habits of thought. It begins as soon as a child comes into hospital. Nurses must play with the child, tell stories, put simple little riddles, in order to get rid of once of the kind of fear that many children have of hospitals.

Spend Day Playing
Children who are to be operated on, tonsillectomy cases for instance, come in a whole day ahead of their operation and spend that day playing. The morning of the operation they play right along from the time they awake until the time they go in the operating room. Nurses see that they keep on playing and enjoy it. That prevents them from thinking about what is going to be done to them. Then when they get their first sedative they begin to go to sleep while still enjoying a game.

Under treatment, in medical wards, or convalescing after operation, in surgical wards, the youngsters have to be kept playing during a good part of their time. According to how well chosen and directed their play depends, in some measure, the speed of their recovery. Patients who have to stay in bed for many years, such as tuberculosis and heart cases, and children suffering badly from the after-effects of infantile paralysis, must be amused, entertained, and educated by play. Long confinement might produce results just as bad as the condition it is destined to cure, if the mental and emotional faculties of

the children are not kept regularly occupied.

Junior League Helps

The Department of Play-therapy at Children's Memorial Hospital (practically the only one in Canada), consists of Miss Burkhart, assisted by a group of volunteer workers from the Junior League.

Miss Burkhart has devoted her life to the study of children's play, as a means of improving children's health. Obviously, she cannot play with 300 children at once. She does her best. She is everywhere at one time almost, assisting, suggesting, helping. She trains the Junior League volunteers in the art of children's play; and she holds classes to train the nurses in the same art.

She needs a lot more room. At present all she has, is a little room in which most of the playthings are stored; plus a couple of corners in other rooms, such as laboratories and doctors' offices, where some more toys are stored. In the store room, she must have her office. The play must be done in the wards, because there is no playroom. Children that could go to a playroom if there was one, have to sit up and play in bed. She also needs a couple of assistants. The job is far beyond the physical ability of one single person, no matter how physically strong, no matter how clever. But she can't have help and she can't have room and she can't have the equipment she needs, because the hospital hasn't got the money. This is one of many important reasons for the fund raising campaign which is being held by the Hospital from June 5th to 13th.

Organist Honored

George M. Brewer, F.A.G.O., for the past twenty-five years organist and choir master of the Temple, is about to leave for a year's travel and study in the Near East. On Saturday afternoon, at the home of Dr. Lyon Bereovitch, Mr. Brewer was tendered a Tea and presented with a gift. Among those who paid tribute to Mr. Brewer's services to the Congregation were—Rabbi Stern, Mr. Maxwell Goldstein, K.C., and Dr. Abram Bereovitch.

The Men's Club of the Temple will again this year sponsor a picnic for the pupils of the Religious School, this to take place Sunday, June 11th. Pupils are requested to report at 8 o'clock a.m., Sunday to the Temple, where transportation will be provided to the picnic grounds. Committee in charge—H. C. MANY DISEASES CARRIED BY RAT

Following is the third in a series of articles on the menace of rodents, prepared by the Municipal Health Department:

The rat carries diseases of man and animals—plague, typhus, trichinella spiralis, rat bite fever, infectious jaundice, possibly trench fever and foot and mouth disease, and a form of equine influenza. Its destructiveness is almost unlimited—they destroy the following: cultivate grain as seeds, sprouts, or after ripening eat Indian corn, both during growth in the crib, and have been known to get away with half of the crop. A single rat can eat from forty to fifty pounds a year. They destroy merchandise both stored and in transit, books, leather harness, gloves, cloth, fruit, vegetables, peanuts, paper and so forth.

The rat is the greatest enemy of poultry, killing young chicks, turkeys, ducks, pigeons, also eating enormous numbers of eggs. They attack bulbs, seeds and young plants and flowers, cause enormous damage to buildings by gnawing wood, pipes, walls and foundations. They have gnawed holes in dams, causing floods, started fires by gnawing matches.

Man and the rat will always be pitted against each other as implacable enemies and the rats most potent weapons against mankind have been its perpetual maintenance of the infectious agents of plague and typhus fever. Do your part by disposing of garbage in galvanized iron cans having a tight-fitting rainproof lid. Observations are being made each week by our Sanitation Department.

School for Emigres

Every Monday and Thursday evenings during the Summer, classes are being conducted by the Temple, in English and English Literature, including Canadian History, for recent arrivals to Canada.

Instructors are the following—Miss Bertha Meyer, M.A.; Miss Marjorie Goldstein, M.A.; Mrs. J. Feldman, B.A.; Harold Neumann, B.A., B.C.L.; Jul Heim.

Naturally! During the World War, Sir Ian Hamilton was reviewing a detachment of cavalry when an officer passed by mounted on a former bakery horse.

A mischievous soldier, recognizing the animal, shouted "Baker!" The horse stopped stock still, and by no manner of persuasion could be induced to start again.

Things were reaching a rather painful state, when suddenly the officer had an inspiration. "Not today, thank you," he called out.

At once the horse started forward, and all was well again.

TWO WEST END STUDENTS WIN SCHOLARSHIPS

Selwyn Pupils Take Two Out of Three Awards Offered by Trinity

Two west end boys, students of Selwyn House School, are being congratulated for having won two out of three scholarships offered by Trinity College school at Port Hope, Ontario. Announcement of the winners was made on Tuesday.

The two boys are Douglas Huestis, 14, son of Mr. and Mrs. Douglas Huestis of 37 Stratford road, Hampstead, and Bartholmew Sutherland, 14, son of Mr. and Mrs. William Sutherland of 466 Cote St. Antoine road.

Young Huestis came first, winning the Dyce Saunders Memorial Scholarship of a value of \$500 a year for four years, while Sutherland was second, winning the C. J. S. Bethune Memorial Scholarship of the value of \$500 a year for four years. C. S. Campbell of Winnipeg was third.

Both Montreal winners are members of well-known families here. Sutherland, has been attending Selwyn House for the past seven years, is a grandson of W. H. Birks and great-grandson of Dr. William Sutherland and of Sir Aemilius Irving, of Toronto. His father, William, is well known in local business circles.

Father of Douglas Huestis is general superintendent of traffic for the Bell Telephone Company of Canada. The boy has been several years at Selwyn House.

Other recent winners of scholarships at Selwyn House school are Brian Little, 14, son of the late Dr. and Mrs. H. M. Little, 3419 Stanley street, who won the Upper Canada college scholarship; Edward Baillon, 14, son of Dr. and Mrs. D. H. Baillon, 1471 Crescent street, and Bruce Ramsey, 14, son of Dr. and Mrs. Stuart Ramsey, 1496 Mountain street. These two latter boys won scholarships at St. Andrew's College, Aurora, Ontario.

SMART SPRING STYLES

She wears spring's newest evening wrap—a short bolero made entirely of tiny purple and lavender violets stitched to a net foundation. In the palm of her hand she holds one of the loveliest of the new casual evening ensembles. It includes a copy of the V-neck cardigan which took Palm Beach by storm last winter and a swirling chiffon skirt. The skirt is chartreuse, the sweater soft lilac with a cluster of freesia and blue violets at the neckline.

L. Gordon, son of Dr. and Mrs. A. H. Gordon, of Westmount, took place on Saturday afternoon at four o'clock at L'Oratoire Baptist Church, Reverend Paul Chodot officiating, assisted by the Reverend M. F. McCutcheon, of First Baptist Church. Ferns and spring flowers decorated the church and Mr. Phillips C. Motley presided at the organ.

Given in marriage by her father, the bride wore a gown of white lace over ivory satin, and a lace halo, from which fell a shoulder length veil, and she carried a bouquet of Johanna Hill roses and lily-of-the-valley.

She was attended by her sister, Miss Adele Lortie, as maid-of-honor, who was in a frock of tea rose georgette, having a shirred jacket, and she wore a matching turban, from which fell a shoulder length veil and she carried a bouquet of variegated sweet peas. Miss Pauline Lortie, another sister, as bridesmaid, was in orchid georgette, made on the same lines as the gown worn by the maid-of-honor, she wore a matching turban and carried variegated sweet peas.

Dr. J. Preston Robb was best man for Dr. Gordon and the ushers were Dr. Donald G. Gordon, brother of the bridegroom, Dr. Edgar Haley, Mr. Arnold L. Johnson and Mr. Douglas C. Cameron.

Mrs. Lortie, the bride's mother, was in a gown of royal blue lace, and she wore a corsage bouquet of deep red roses. Mrs. Gordon, mother of the bridegroom, was in black and white crepe de chine, with a hat to match, and her corsage bouquet was of yellow roses.

The reception was held at the home of the bride's parents, West Hill avenue, where spring flowers were used to decorate.

For travelling the bride wore a gown of tailored rose wool crepe, a three-quarter length navy box coat navy accessories.

They will reside temporarily in Toronto.

Ritchie-Taylor

The marriage of Jean Peterson, daughter of Mr. and Mrs. Frank Taylor, Roslyn Ave., to Reverend Stanley Crozier Ritchie, of Montreal, son of the Reverend James Ritchie and of the late Mrs. Ritchie, of Ballinamollard, Northern Ireland, took place on Saturday evening at the home of the bride's parents, Reverend D. H. MacVicar officiating.

Given in marriage by her father, the bride wore a gown of midnight blue lace, with a hat to match and she carried a bouquet of Johanna Hill roses. She was unattended.

Mrs. Taylor, the bride's mother, was in a gown of printed blue sheer crepe. Her corsage bouquet was of Talisman roses.

A reception followed the ceremony.

white printed crepe, with a navy coat, hat and accessories.

On their return, they will reside in Montreal.

Connolly-Moriarty

The marriage of Kathleen Mary, daughter of Mr. and Mrs. P. Moriarty, of Montreal, to Mr. Alfred Gerald Connolly, son of Mr. and Mrs. J. E. Connolly, of Marcell avenue, is taking place on Tuesday morning at half-past eight o'clock in the church of St. Anne's, Reverend J. Bennett officiating. The church will be decorated with Palms, ferns and spring flowers, bunch of spring flowers tied with ribbons of pastel shades will mark the guest pews. During the signing of the register, Miss H. Moriarty, sister of the bride, will sing "Ave Maria" and Mr. A. Emblem will render, "O Promise Me." Miss L. Blickstead will preside at the organ.

The bride, who will be given in marriage by her father, will wear a gown of white chiffon, fashioned on princess lines, having a small Peter Pan collar of lace, and buttoned in the back from the neckline to the waist, the long full skirt will extend into a slight train. Her veil of tulle illusion will be held in place by a coronet of lily-of-the-valley, and she will carry a shower bouquet of Johanna Hill roses and baby's breath.

Miss Mayme Moriarty, will attend her sister, as maid-of-honor, and will be in a gown made on similar lines as that worn by the bride, of turquoise blue sheer, over taffeta, she will carry an arm bouquet of pink roses and shaded sweet peas. Little Miss Gerda Dore, cousin of the bride, as junior bridesmaid, will be in a frock of peach sheer, fashioned on long lines and having a shirred bodice, she will carry a bouquet of pink roses and shaded sweet peas.

Mr. Edward Connolly will act as best man for his brother, and the ushers will be Mr. W. Connolly, another brother of the bridegroom, and Mr. W. Moriarty, brother of the bride.

Mrs. Moriarty, mother of the bride, will be in a French model frock of navy blue and white crepe, navy blue and white hat and white accessories. Her corsage bouquet will be of Talisman roses. Mrs. Connolly, mother of the bridegroom, will wear a gown of navy blue printed French silk with navy blue accessories. Her corsage bouquet will be of Johanna Hill roses.

The reception will be held in the Spanish Room of the Queen's Hotel, where spring flowers and palms will be used to decorate.

Later, Mr. and Mrs. Connolly will leave on their wedding trip to New York, where they will visit the World's Fair before proceeding to Miami. For travelling, the bride will wear a navy blue and white ensemble with white accessories.

On their return, they will re-

W. M. S. Annual Meeting To Close Tomorrow Night

The annual meeting of the Dominion Board of the Women's Missionary Society of the United Church of Canada, opened sessions last Thursday in Emmanuel Church, Toronto, and will close tomorrow evening. The sessions are presided over by Mrs. G. Ernest Forbes, of Weston, Ont. Among those attending the meetings are five retiring and seven newly appointed missionaries.

The Misses Dorothy and Mary Boyd and Elizabeth Thompson, who attended sessions at the commencement of the conference, left for Homan, China, as nurses, under appointment of the Dominion Board. Eleven missionaries of the Home Field and twenty-three of the Foreign Field are also the guests of the Dominion Board.

Worship services were conducted every day by missionaries, members of the board and presidents of Presbyterials. Mrs. R. D. R. Carson, president of the Montreal-Ottawa conference branch, conducted yesterday afternoon. Reports of the year's work will be received from home and foreign fields and from Board secretaries, and will also include financial reports. Following the daily meetings of the Madras commission, their finding will be presented tomorrow, when memorials and resolutions will also be discussed and voted on.

The first evening of the conference was chosen for the president's address and for the one of the mission work in Africa and India as seen by Mrs. Hugh D. Taylor, on her recent visit, after attending the Madras Conference as a district delegate. Last Friday a Memorial service was conducted by Mrs. L. P. Stephens, first vice-president, for the nine missionaries, who passed away during the course of the year. Rev. Willard Brewing, D.D., dispensed the Sacrament.

TEA TIME TOPICS

A rather novel but certainly practical idea is being put into practice by Dionne and Dionne. Each week it is the intention of this long established firm of grocers and fruit dealers to insert in their advertisement, a recipe for some dainty dish. Ladies in the home may be sure that these recipes will be of the highest value to them, for they are all tested and are easy to use.

A rather novel and certainly a practical idea is being put into practice by the long established firm of grocers, Dionne and Dionne. It is the intention of this firm, to include in its advertisement every week, a tested recipe. These recipes will be ones that are wanted by most people, but they just don't know where to find them. All recipes will prove to be economical and will most certainly please the men-folk in the home.

JOHN MELLOR, of the S.S. Beaverhill, is a seaman with a hobby. In his 27 years at sea, Mr. Mellor has circled the globe more than ten times, making frequent stops at Montreal. Mr. Mellor occupies a unique position aboard ship, for he is known as a donkeyman. By that, it is meant that he is in charge of the Donkey engines, which are the ones doing all the hard work of the ship. This gentleman, as a seaman, has supplied more specimens of birds to the Zoological Society of London, than any other individual, for birds are his hobby.

MR MELLOR CATCHES birds of all types at sea and keeps them in his cabin until he reaches London. Many birds of prey are captured in mid ocean by Mr. Mellor, who, when he sees a bird following the ship, imitates the song of another bird to attract the attention of the follower. While other feathered "ocean waifs", blown off their course by gale winds, and in an exhausted condition, escape a watery grave by alighting on the S.S. Beaverhill, and being adopted for a short time by Mr. Mellor who keeps them in his cabin.

THIS MAN HAS SEEN the most interesting places and people of the entire world. The most beautiful birds are found in India, he said. The coloring of Indian birds are indescribable. On one occasion, while in India, he captured a cardinal. Accustomed to the very warm climate, this

had to be wrapped in blankets while crossing the ocean on the way back to England. This did not work out to the benefit of the bird, so normal treatment was tried. A beautiful singer, this cardinal lived until it reached England, but due to the great change in temperature, it died shortly after its arrival.

BECAUSE OF OUR FRIEND'S HOBBY, the London Zoo has many rare birds in captivity. Among them being 2 pigeon hawks, which were caught in the mid Atlantic. To strengthen his claims, of catching these birds, Mr. Mellor showed us pictures of many of his feathered friends, including several species of a Greenland Falcon, measuring four feet six inches from wing to wing. He has also caught a snowy owl, a very rare bird, one of the few of its kind in captivity, this specimen was found in the arctic region, and later presented to the London Zoo.

OUR DONKEYMAN, on another trip to India caught an India Rock Miner, a small bird resembling a Canadian Blackbird, this bird with careful training and patience may be taught to speak. Brought to England, the change in temperature was the cause of its demise a short time later. Mr. Mellor said that changing temperatures provide the biggest obstacle in the retaining of birds. They are very susceptible to dampness.

ALL BIRDS OF PREY picked up at sea, are very difficult to catch. Extreme caution must be practiced. They must be approached from the back, for once a bird of this type gets the scent of an individual, he will either fly away or attack the approacher. For this reason, stout leather gloves are worn at all time. The Zoological Society presented Mr. Mellor with a pair of pigskin leashes in order to keep the birds in tact once they are caught. Mr. Mellor, being very human will only use one, these leashes are fastened on the legs of the bird at one end and the other fastened to a railing, the only difficulty being that the other leg is free to scratch, but with kindness and good feeding these birds, even birds of prey, very seldom attack a benefactor.

AMONG THE BIRDS now at the Zoo which arrived in similar circumstances are a heron, caught 2,200 miles from the Brazilian Coast, and several snowy owls, picked within 800 miles of Newfoundland. Because of Mr. Mellor's hobby, the number of orphans of the storm, now residing at the London Zo is greater than it has been for some time. It is not unusual for Mr. Mellor to get as many as nine birds at a single crossing.

THE LONDON ZOOLOGICAL SOCIETY is not lax in its praise to Mr. Mellor, for he has in his possession numerous letters of acknowledgement and sincere thanks for his efforts to preserve these flying creatures. To the average individual, their knowledge of birds is limited to sparrow and canaries, but to a person like Mr. Mellor it is something of vital

THE WAY TO A MAN'S HEART

Good Desserts Are Solid Nourishment As Well As Fluff For The Sweet-Tooth

The sweet tooth need to be slightly by the bride's budget. Desserts can be food, too. And they can be delicate, satisfying and colorful without costing very much.

At this time of year, fruits and berries are ready to help the bride with her sweets. Remember this—when your dessert contains milk and eggs, flour and some form of fat, you are actually putting food value into the menu, therefore you do not need so much protein and fat in the other dishes of the same meal.

Here are basic desserts for the small budget. Plain, perhaps, but certainly good.

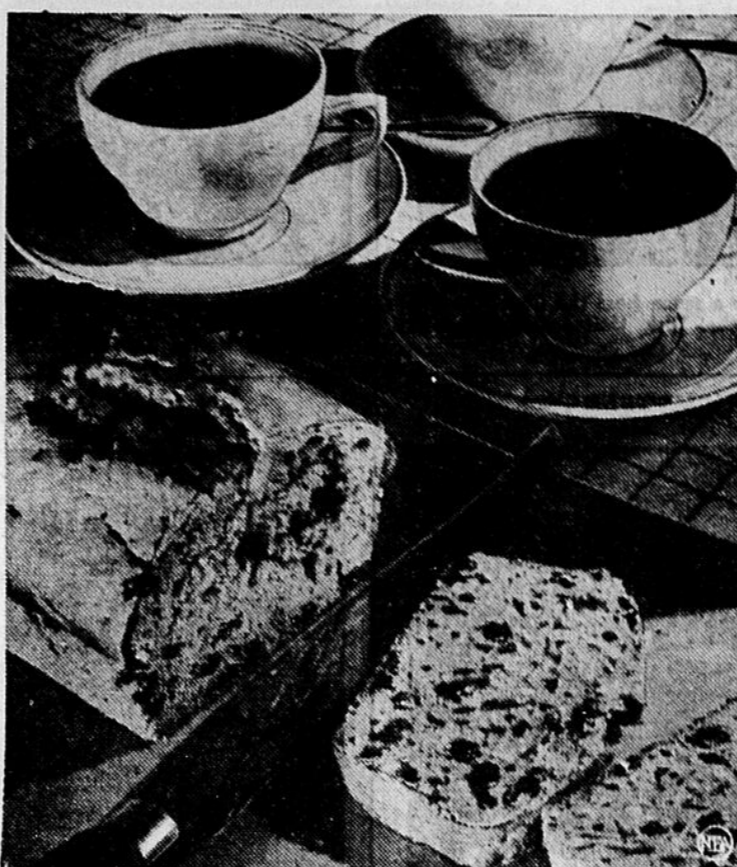

Spanish Cream
(Serves 2 bountifully with left-overs)

One tablespoon unflavored granulated gelatin, 1 pint milk, 2 egg yolks, 1-2 cup sugar, grated orange or lemon rind, 2 egg whites, 1-4 teaspoon salt, 1 teaspoon vanilla.

Add gelatin to milk, then scald milk. Combine unbeaten egg yolks, sugar and grated orange or lemon rind. Then add scalded milk, stir constantly and cook in double boiler until mixture clings to side of spoon. Add salt to egg whites, then beat until very stiff. Strain custard on to beaten egg whites. Add vanilla, and turn gently into buttered mold. Chill. Serve with berries and cream.

Cottage Pudding
(One loaf)

Cottage pudding is the answer to the newlywed's dessert problem. Serve it with mashed berries, with hard sauce or with a fluffy lemon sauce.
One-third cup shortening, 1 cup sugar, 2 eggs, 1 teaspoon vanilla,

The bride on a limited food budget must learn how to make perfect coffee. For Sunday breakfasts, she should know how to make one of the many quick coffee cakes that cost very little but always impress your husbands. They're especially good when the cakes have plenty of dried fruit and spices in them and sugar on top.

1-2 cup milk, 1 1-2 cups flour, 1 1-2 teaspoons baking powder, 1-4 teaspoon salt.

Cream shortening, then gradually add sugar, creaming after each addition. Add vanilla. Beat in whole eggs, one at a time. Add milk alternately with sifted flour,

baking powder and salt (sifted together). Beat well until smooth. Turn into greased and floured small loaf tin. Bake in moderate oven (350 degrees F.) for 45 minutes. This recipe will also make 12 medium cup cakes. Bake only 35 minutes.

Leather Is Popular For Fine Furniture

Leather is coming into its own as a material suited to a much wider range of fine furniture than the fire-screens and draught-screens which have long been familiar. For some time there have been leather-covered easy chairs and settees in various colors which make an agreeable change from tan. White, ivory and the deeper shades of green and blue are particularly effective, and in one or two instances leather has been used for table tops and as an exterior finish for chests and cabinets.

Hitherto these uses of leather have been adapted mostly to severe, unadorned furniture in modern style. Today the interest in finer styles is being renewed. Fine period reproductions are being universally admired and sought after, and there is a return to more elaborate ornament both in furniture and interior decoration.

This gives an opportunity for richer effects in leather, which is really a period-style material. Its hand-decoration was one of the chief industries of Cordova, in Spain, and other continental centers, from the eleventh to the seventeenth centuries. That work used to be embossed with elaborate patterns in gold and silver gilt, the spaces between the ornaments painted in brilliant colors in oils. The patterns were frequently similar to those seen in sumptuous Florentine damasks.

Leather treated in this way was used for wall hanging and as panels on furniture. There are instances in which abandoned houses have fallen into almost complete decay, yet the decorated leathers have been discovered in sound condition beneath the mould.

There is a return of period style, the use of decorated and embossed leather panels, similar in style and quality to stamped and painted leatherwork of the seventeenth century. We have lately seen leather applied to a suite of bedroom furniture in the manner of a veneer, and the result is one of great richness.

The style of the furniture was a modern interpretation of Queen Anne. The leather was in tones of cream, green, red and silver, and the carcass of the work was caloused pale green, the bases and legs being finished in antique silver. The suite was a fine example of the new period note now re-appearing in contemporary furniture.

importance. We asked him how he learned so much and if he had studied from books, we were amazed at his answer, for he said experience is the best teacher. If he by chance came across some strange bird, he would note its habits and communicate with the Society in England, reporting his findings, saying what he thought the strange bird might be. The Society in turn would send him facts, thus he had gained a wide knowledge of his hobby.

The Whip-Poor-Will
By Winifred E. Wilson

The nests of Baltimore Orioles are better known to most city dwellers than the birds themselves. Orioles are among the late migrants, so that by the time they have returned to us in the spring it is difficult to see them in the trees because the little leaves are out. Then they start south in the autumn before the leaves have fallen. But in winter their nests are visible hanging from the bare branches of the tallest elms on our streets.

The females do the weaving with their sharp, awl-like bills. The nests are suspended from the ends of drooping boughs, often right opposite a window, and in country districts where we have more chance of seeing these sociable birds, it is possible to watch the process of construction and also to assist the workers by supplying some of the building material. Plant-fibres are always used, but packing-cord, rags, bright bits of wool and even pieces of paper are quite acceptable.

Horse-hair and anything soft that is available is used to line the baskets which hang some eight or ten inches below their supports, and sway with every breeze; ideal for the nestlings. It is well-nigh impossible for marauders to reach them, and they are so strongly knit and firmly secured that they may last for years.

You would hardly guess that Orioles are related to the dull-colored Blackbirds. Various kinds live in the tropics, but our Baltimore Oriole is as striking as any of them. It was the 18th century naturalist, Linnaeus, that gave them their name, because the males wear orange and black, the colours of Lord Baltimore. Undoubtedly they are conspicuous enough to attract attention, their vivid orange being offset by black hoods, central tail feathers and wings which are edged with white. The females lack the great contrast, as on them the black is replaced by a greyish olive and the bright orange by yellow. In size they come between a Robin and a House Sparrow.

The voices of the Baltimore Orioles are as outstanding as their costumes. Their call, though loud, is a rich, musical "whew-y" that sounds very like the word 'Mary.' They are constantly talking to one another. Like the Song Sparrows, each has his own, individual song; but the liquid quality and the melodious strain are common to all.

ADOLPHE SAX

If someone were to ask you what you know about Adolphe Sax, you probably would answer, "Who was he?" But if anyone asked you if you like the saxophone, that is quite a different question. Although Adolphe Sax was the inventor of the very popular instrument, (somewhat similar to the clarinet), in 1840, he also made the saxhorn in 1842, a brass wind instrument and also the saxotromba, which really belongs to the trumpet family. They are both made in seven different sizes and the saxhorn in used very often in military music. Two of the seven sizes of the saxhorn are used in orchestra, the contre-bass tuba saxhorn being quite well known for its deep tones.

Adolphe Sax was born in Dinant-sur-Meuse in Belgium, but France has honored him more than any other nation and next year, the celebrated saxophone will have its centennial. That great musician of France recognized its importance is shown by the fact that such composers as Saint-Saens, Thomas, D'Indy and De Bussy, have written solos with orchestral accompaniment and although its classical repertoire is limited. Concertos have been written for it. Glazounov's Concerto being often performed.

Cecil Leeson, one of this continent's foremost players, who was soloist last season with the Montreal Symphony, has done much to show the grandeur of this melodious instrument. In France, the famous Paris Conservatoire has

Announce Window Box, Front Garden Contest

Quebec Horticultural Federation with the co-operation of the Tercentenary Commission, under Mr. Leon Trepanier and the City Improvement League, announce a city wide window box and front garden competition, to stimulate wider interest in beautifying greater Montreal for the coming celebration in 1942.

The Quebec Horticultural Federation is composed of the following local horticultural societies: Ahuntsic, Mount Royal, West End, Verdun, Ville LaSalle, Lachine, Montreal West, Valois, Ste. Anne de Bellevue, St. Lambert and the Chateaugay and District groups. The Federation hopes, in the years

to come, to stimulate greater interest throughout the urban and rural centres of Quebec and secure their interest in beautifying the highways and the country homes. Quebec has great natural beauty which can be greatly improved by suitable horticultural planting especially along the main roads of tourist travel. It is the hope of the Federation under the presidency of Mr. J. H. Lavoie, Chief of the Horticultural Service of the Quebec Department of Agriculture, to extend home beautification to all parts of Quebec and stimulate the planting of flowers, shrubs and trees.

The Federation will unite the efforts of all the local horticultural societies in the direction of beautifying home surroundings and then help to organize other communities along the main highways. It is hoped by education and financial assistance with a series of special prizes to stimulate greater interest in improving the appearance of the farm house along the highways, which will be an added attraction to tourists.

Greater Montreal is being divided into eleven districts for the window box and front garden competition, with three prizes for each in each district as follows: 1st, \$3.00, 2nd, \$2.00, 3rd, \$1.00.

Montreal Gardeners and Florists have offered to feature the window boxes when furnishing the supplies of plants. They will later supply many of the judges from their membership for placing the awards in the different districts in co-operation with the local Societies.

The Tercentenary Commission under the direction of Mr. Leon Trepanier, will be the central clearing office for the competition entries. It is the hope of the Commission that there will be a large entry in the various districts and greater Montreal will become noted also for its flowers.

Central Park Gets Re-Made For New Film

For a hundred years, Central Park in New York City has been known as one of the world's beauty spots. After a week's work, landscape artists at the Selznick International studio succeeded in reproducing, from photographs, a vista of fences, trees, sidewalks and bridge paths that gave former New York residents nostalgic pangs. The scene was in the picture, "Made For Each Other," which stars Carole Lombard and James Stewart, now playing at the Snowdon United Theatre until Saturday.

Stars Have New Formula For A Blissful Pair

Lots of love, lots of kisses plenty of kidding — and an occasional sock in the jaw! That's Loretta Young's and Warner Baxter's recipe for a blissful — if somewhat hectic — marriage in "Wife, Husband and Friend," the gay romantic comedy which opens Saturday at the York United Theatre.

DELIGHTFUL ROMANTIC COMEDY

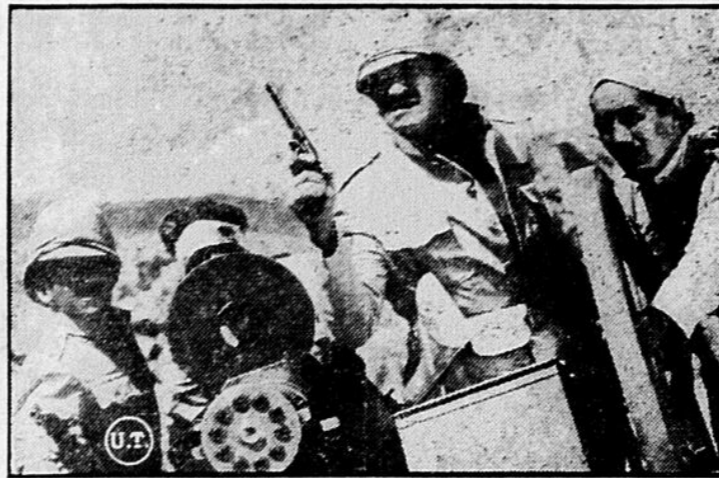

Priscilla Lane and Jeffrey Lynn in a scene from the film "Yes My Darling Daughter" now playing at the York United Theatre until Friday.

"THE THREE MUSKETEERS"

A scene from the film "The Three Musketeers" starring Don Ameche and The Ritz Brothers which opens Sunday at the Westmount United Theatre.

"GUNGA DIN"

A scene from the film "Gunga Din" starring Douglas Fairbanks, Jr., Cary Grant and Victor McLaglen which opens Sunday at the Monkland United Theatre.

GREAT ADVENTURE DRAMA

Robert Taylor and Wallace Beery in a scene from the film "Stand Up And Fight" opening Sunday at the Snowdon United Theatre, for a three day engagement.

There's Lots Of Action In New Bob Taylor Film

The outdoor action melodrama, dear to the hearts of film fans ever since the days of such early Western stars as William S. Hart, William Farnum and Tom Mix, comes into its own again with Wallace Beery and Robert Taylor as its protagonists, in "Stand Up and Fight," which can be seen at the Monkland United Theatre until Saturday.

Grass Skirts Don't Mix On Studio Microphones

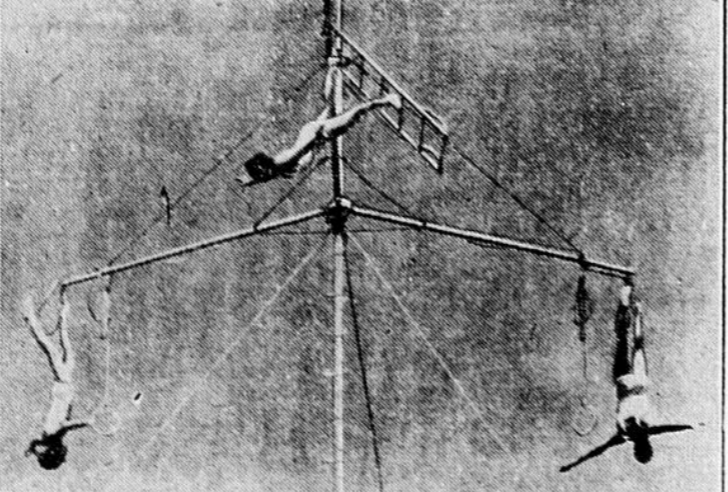

Honolulu's far-famed "grass skirts" may be a rustic of romance along the Waikiki strand but they are a cross between a brass band and naval target practice to a Hollywood soundman. With this discovery the hula skirts made out of imported ti leaves, lost their chance for a screen career after a special shipment of the leaves came to the Metro-Goldwyn-Mayer studios from the Hawaiian Islands for Eleanor Powell to wear in "Honolulu," the new dance musical now playing at the Westmount United Theatre until Saturday, in which Robert Young, George Burns and Gracie Allen also appear.

Season Is Concluded By Children's Theatre

Dorothy Davis and Violet Walters, directors of the Montreal Children's Theatre have concluded a season's work of which they may be justly proud. "Anne of Green Gables" and "Pollyanna" presented by this school earlier in the season by the senior group of the school won decided favour, and recently the Children's Theatre presented their final play "The Missing Prince" at Victoria Hall. With a cast of almost one hundred children, it is impossible to make mention of every individual, although one feels they cannot pass the work of Isobel Weirauch without a word of praise, Richard Davis, Norman Seigerman, Edys Riven, Marion Shapiro, Ruth Carrick, Joyce Litwin, Annette Milstock, Eileen Nemtin, Yvonne Cooke, Frances Goldstein, Mary Hall, and Bernard Berlin who made an excellent Lord Bampton. The three soldiers did an admirable bit of work and afforded the audience much amusement, these played by Robert Stein, Cyril Berlin and David Robinson. The specialty numbers were all well rendered and much appreciated including the dances of Joy Schwartz, Lilian Wilkinson, and Laura Mitchell, and the singing of Bonar Stuart and Shirley Pearce. One of the youngest members of this talented group, a four year old boy, Gerald Rubin almost brought down the house with his recitations. It was a splendid afternoon's entertainment and a fine conclusion to the season's work. The staging and setting were in keeping with the high standard of the acting, and the vivid costumes and artistic grouping lent an effective atmosphere to the production. At the conclusion of the performance the distribution of prizes took place, when the Dominion Drama Festival winners were presented with their certificates from the adjudicators as well as cups from the Children's Theatre. Three first in 1939 were given to pupils of the Children's Theatre, including Mona Bronfman, Joy Schwartz and Mary Hall. Silver medals were also awarded to Pat Joudry, Thelma Vautour, Laura Mitchell, Alfreda Wallace, Joyce Litwin, Margery Baker and Isobel Weirauch for praiseworthy work during the season, and little Gerald Rubin received the kindergarten prize.

SIGN MANY CHILDREN Columbia has signed four children of the famous Watson family, and four other youngsters to appear as Guy Kibbee's large cinema family in "Mr. Smith Goes To Washington."

C.B.C. BOWS OUT After covering the Royal Visit to Canada in one of the finest series of multiple pickups in the history of radio, the Canadian Broadcasting Corporation bows temporarily out of the picture June 7, exchanging roles with the combined networks of the United States. Starting Wednesday next, and continuing through Saturday, networks throughout the world will be linked with those of N.B.C., C.B.S. and M.B.S., for a series of airings descriptive of Their Majesties visit to Yankee Doodle Land. Then, on Monday, June 12, the royal party returns to Canada en route home to England, and the C.B.C. will resume its coverage of regal doings in a series of broadcasts from Delson Junction, Fredericton, St. John, Charlottetown, Pictou and Halifax.

As was only to be expected, the novelty of royal broadcasts has paled noticeably since Their Majesties' arrival on Canadian soil — but this may be taken as tribute to the complete coverage of the tour by broadcasters rather than evidence of anything detrimental. Microphones have greeted Their Majesties wherever they set foot, and late evening transcriptions have afforded business folks opportunities of following King and Queen in their Canadian argosy.

Broadcasts from the United States will describe the royal arrival in Washington Thursday noon, the reception of members of the Senate and Congress, and the royal tribute to America's Unknown Soldier at Arlington Cemetery. Then Their Majesties move to Manhattan, and commentators will tell of their first view of the New York skyline and their trip to the Fair. Definite times for these airings will be announced in the daily press, and CBM, CBF, CFCF and CKAC will offer coverage in Montreal.

Of This And That Jack Benny yesterday signed a contract calling for \$150,000 for a thirty-nine week term next season — the whole sum being payment for his personal services with the advertising agency footing bills for band and assisting artists. MORE GOLDEN BOYS

Three more roles were filled this week by Columbia for the screen version of Clifford Odets' successful Broadway stage play, "Golden Boy," when Minerva Urecal, Roy Moore and Alex Melish were added to the cast. The title role of the young prizefighter-musician is being played by William Holden, and Barbara Stanwyck, as Lorna Moon has the feminine starring part.

MEM FROM SUNDOWN

George Chesebro, Ernie Adams, Eddie Cobb and Dick Botiller, this week joined the list of those now appearing in "The Man From Sundown," starring Charles Starrett, with Iris Meredith as his leading lady and featuring the "Sons of the Pioneers."

Featured Soloist With Stan Woods at Belmont

One of the many features at Belmont Park, Montreal's only amusement park, is Stan Wood's orchestra which supplies the dance music every evening in the beautiful dance pavilion. Mr. Wood, in his efforts to provide new faces and talent and at the same time retain the high standard of music his organization has established, has succeeded in securing the services of several outstanding musicians. One of the new faces seen with Stan Wood's orchestra now at Belmont Park is Teddy Davidson, tenor-saxophonist and vocalist. Teddy Davidson, who started his musical career at a very early age, comes of a very musical family. His parents are well-known musicians and his brother is "Trump"

TOURNAMENTS ARE PLANNED

Municipal tennis tournaments divided into four classifications—boy students, boy scholars, girl students, girl scholars—will open on the courts at Western avenue in Westmount Park and on Murray Park, tomorrow.

Notices announcing the tournaments have been posted in the parks and a good list of entries is hoped for. The tournaments will close before the end of the month in order to give those intending to start their holidays early an opportunity to compete. Entries close today.

Motorcycle Club To Take Over Clubhouse

Members of the Sports Motorcycle Club have taken over the Red Birds Ski Clubhouse at St. Sauveur for the summer season, where several sport events will be held during the course of the summer. Plans are being made for a hill climb event to be staged at Hill 70. Alex Budd is in charge of arrangements.

PEPPER STORIES

"Five Little Peppers and How They Grew" and "Five Little Peppers in Midway," Edith Fellows' next starring vehicles, were assigned to scenarists this week. Francis Hyland is scripting the first, which John Brahm will direct, and Gladys Atwater and Robert Bren are writing the screen play for the second of Margaret Sidney Lothrop's series of best-sellers.

JUNIOR TEAMS

The four teams of the Westmount Junior Football Association, composed of boys between the ages of 12 and 15, are playing each Monday and Wednesday afternoon at five o'clock at Westmount Park.

ANGLERS GROUP PRACTICES HERE

The Province of Quebec Anglers Association is practicing fly and bait casting on Tuesday nights at the ravine in Westmount Park. This has become a particularly popular sport with as many as 100 taking part.

Second Annual Quebec Skeet Championship Soon

Second annual Quebec open and closed skeet championships, inaugurated last season, will be held again at the Seignior Club Saturday and Sunday, June 10-11. The meet is being held in conjunction with the annual Seignior Club skeet and trap shooting tournament on the Club's double layout just north of Montebello, Que. The program which has just been released by W. E. Shepard, shoot manager, includes four skeet events of 25 birds each, scheduled for the opening day (Saturday, June 10) at 2:00 p.m.; four 25 bird events for Sunday morning (June 11) and a special 410 and 28 gauge event to be held during the afternoon Sunday (June 11). Trap shooting for special prizes will be held throughout the two days. The Province of Quebec open championship Challenge Trophy will be awarded to the holder of the highest total score in the first four skeet events on Saturday, and the Province of Quebec open championship and the Allen McDonnell skeet challenge trophy will go to the winner in four events on Sunday morning. The Seignior Club trophy for the inter-club five man open team championship, is awarded on two of the Sunday morning events.

R. E. C. Track and Field Meet Has Many Entries

A great revival of interest in track and field competition in this city and province has occurred because of the approaching British Empire Games, scheduled to be held next year in Montreal. Increased attention is being focussed on all competitions of this type as Montrealers become track and field conscious. So it is little wonder that a record entry is expected for the Eleventh Annual Religious Educational Council Track and Field Meet, to be held at McGill Stadium, on Saturday.

As part of the National Athletic Contest, this Meet provides an opportunity for hundreds of boys to compete in a well-organized track competition. Were it not for the R.E.C. tournament, many of these boys would be unable to participate in a major field day during the year. Not only has it been instrumental during the past 10 years in promoting good fellowship among religious groups in the district, but it has become a forceful agency in the furthering of interest in this great sport in Montreal and District and throughout the Dominion of Canada.

Any boy from 12 to 20 years of age who belongs to a Sunday School class in intermediate or senior departments, Trail Rangers, Boy Scouts, Boy's Brigade, Tuxis Squares or any organization representing the Church Boys' Groups, can enter this track and field meet. Officials in charge of the meet include: Major Gen. J. G. Ross, honorary patron; Dr. A. S. Lamb, honorary referee; W. S. Belsion, Claude S. Richardson, Rev. E. C. Royle, Rev. Philip Mathams, James Tedlie and Ron. Hupfield in charge of arrangements. I. R. Carlin is in charge of awards. A number of well-known track and field men of Montreal are official judges, scorers and timers. Further details and entry forms may be obtained by phoning Walter Harris, at the R.E.C. office.

A GROUP OF WESTMOUNT THOROUGHBREDS

This distinguished group of Westmount thoroughbreds are looking perk and proud following their recent conquests at New York "Specialty Fox Terrier Show," and the "Morris and Essex" show held at the estate of Mrs. Dodge at Madison, N.J. They were bred by Malabar Kennels, located at Point Fortune, Que. Malabar Sunshine, at left, placed second in the open class in both shows. Malabar Fortune again, center, grandson of "Sunshine," took a ribbon in the "specialty" show, and "Woodland Winning Ways," right, placed second in her class at New York and fourth in a class of 20 at Madison. "Woodland Winning Ways" is the mother of "Fortune" and a daughter of "Sunshine."

Oliver Dupont, Mary McIntyre Tennis Winners

Oliver Dupont and Mary McIntyre were winners of the mixed doubles round-robin held at the Westmount Athletic Grounds last week. Runners-up were Percy Bennett and Miss G. Halliday. Sixty-four took part in the tourney which was played under ideal weather conditions. The match continued throughout the day and was followed by dancing in the clubhouse in the evening.

LOCAL SQUAD TRIMS VERDUN IN CRICKET

Fielding of Westmount Excellent — Outstanding Stops Made

The Westmount "A" Division cricket team travelled to Verdun recently and defeated the home team by a wide margin. The entire Verdun team was dismissed for 48 runs. Jemmitt, five for 20, and Pentecost, five for 26, were in mid-season form with the ball.

The fielding of the Westmount team was excellent, Denison and Arnold making outstanding stops. At bat, Westmount had not lost a wicket when the score was passed. Edge, the Westmount High School hockey and football star, played brilliantly for 36 not out. Elvidge had 11 when the game was officially over, carried on to make 31. In the unofficial continuation, Arnold batted vigorously for 30, retired.

Allan Dawson was indisposed and could not play. Before the match, Ed. Jemmitt was elected captain, and Merlin Davies, vice-captain.

The Westmount "B" team defeated a strong Fry-Cadbury team 155 to 129. Chappell, a newcomer to the Westmount team, batted stylishly for 55. Davis and Turcott were the next highest scorers for Westmount with 23 and 19 respectively. With the ball, Reay and McDonnell were the best performers, the latter capturing five wickets for 16 runs. The fielding of the Westmount team was above average, and McDonnell taking very difficult catches.

Angus Sweeting was elected captain for the season, and Lionel Romney vice-captain. Outstanding on the Fry-Cadbury team were Eccles with the ball, and Morris, Bryant and Davies at bat.

Lacrosse Team Holds Practices

The Westmount Junior Lacrosse Team, winners of the Provincial and the Mann Trophy last year, is getting into fine form again this season. Practices are being held at the Westmount Park each Tuesday and Friday and the boys are making a good start for another successful term.

The squad will again be in the Montreal Junior Lacrosse League.

Track Facilities Are Widely Used

Lady members of the Westmount Athletic Grounds, interested in track and field activities, are holding practices there every Monday and Friday. The men, of course, are keeping the facilities of the grounds busy and are in steady training for the various meets planned for the season.

SECOND ANNUAL TRACK, FIELD TOURNEY HELD AT ATHLETIC GROUNDS; 160 PUPILS ENTERED

R. Riddell and W. Hill Individual Stars of Event—Ideal Weather Conditions Aided Youthful Athletes to Establish New Marks — Joan Staniforth Starred For Girls

Thirteen new records were established at the second annual track and field meet held Friday afternoon at the Westmount Athletic Grounds. Aided by ideal weather conditions, the youthful athletes displayed exceptional prowess. One hundred and sixty competed in the event.

Individual stars of the meet were R. Riddell and W. Hill, Riddell chalking three first and one second and Hill two first and one second. Riddell broke the record by 1.1-15 seconds in the senior 220 yards dash to set a new mark of 25 seconds flat. McCreath set a new mark of 31.5 seconds.
