Upon all such letters, with the exception of those addressed to the United States, 1 penny must be prepaid as a registration charge. If addressed to the United States the ordinary postage rate on the letter to that country *must be prepaid*, and in addition a registration charge of 5 cents per letter. The registry thus effected in Canada is certified on by the United States post office, until the letter arrives at its destination.

In like manner letters addressed to Canada may be registered at the place of posting in the United States, and the registry made there will accompany the letter to the place of delivery in Canada.

A certificate of Registration will be given by a Postmaster if required.

It must be distinctly understood by parties who avail themselves of the privilege of registration, that such registration, with the certificate and receipt, are merely intended to afford the means of tracing the course of such letters through the post, and of ascertaining their delivery at destination, and will not be held to imply any liability on the part of the Postal department to make good any loss, or alleged losses, arising from the miscarriage of any such letter or its contents.
