Gracie Swings Into Canada Alert Ontario Civil Defence

Eastern Canada braced today for Hurricane Gracie, which is expected to punch across the border with diminished force sometime this afternoon.

Rain is forecast for the Eastern Townships this afternoon but in Southern Ontario, all civil defense organizations and conservation authorities were warned to be on guard until Gracie passed.

Broad Hint

K Urges Peace At Peking

TOKYO (AP) — Russian Premier Nikita Khrushchev bounced into Peking today fresh from his talks with President Eisenhower and immediately spoke of the need for ending the cold war.

"We must do everything in order to ease the situation and to create conditions for friendliness between all nations," he told Communist leaders gathered in the Chinese capital for the Peking regime's 10th anniversary celebrations.

"We must make all efforts to create conditions for the establishment of world peace," Khrushchev added.

Delivered against the background of Peking's crushing of the Tibet rebellion, its border dispute with India and the Red revolt in Laos, the planeside talk sounded like a pointed suggestion to Red China to keep the peace in Asia.

HEAVY SCHEDULE

Khrushchev's big TU-114 turbo-prop airliner landed in Peking less than 48 hours after his return to Moscow from Washington. He said he had literally "transferred from airplane to airplane."

Peking radio said the Soviet premier got a rousing welcome. Khrushchev said of his talks with Eisenhower:

"In these talks," he said, "we frankly discussed big problems and tried to create an atmosphere for co-operation and peaceful coexistence, thereby contributing to consolidation of world peace."

The Soviet leader praised his Chinese allies' industrial and revolutionary progress.

"The great socialist country of China must hold its legitimate seat in the United Nations," Khrushchev declared. "And this will be materialized, whatever resistance a reactionary elements may offer."

Khrushchev's arrival brought the final touch of prestige to festivities which have been going on for a week. Thursday he and Chinese leaders will join in secret conversations centering around Khrushchev's United States visit. Chinese comments have been slated with warnings that opposition still exists in America to a break in the cold war.

One of the items that may be discussed is the five Americans still held prisoner by the Chinese. Eisenhower made a personal plea for Khrushchev's intervention on their behalf.

Six Rebels Said Killed In Laos

VIENTIANE, Laos — (AP) — Skirmishes with pro-Communist rebel forces and a major advance by Laotian government troops were reported today as the United Nations fact-finding committee prepared for a two-day inspection trip in the jungle mountains of north Laos.

A military communiqué said six Pathet Lao rebels were killed in the last few days of fighting in the north.

A defence ministry spokesman said government troops had recaptured almost all the Nam Ma Valley, close to the twisting border of Communist North Viet Nam.

No Curfew

VICTORIA (CP) — Victoria's police commission Tuesday indicated it is not prepared to enforce a curfew bylaw aimed at keeping children off the streets after 9:30 p.m. Police Chief John Blackstock said enforcing the bylaw would "tie up all the men on the force."

Arctic Data Sought By Canada

SASKATOON (CP) — Canada has proposed to the Soviet Union an exchange of visits by Arctic experts and an exchange of information on the northern regions. Prime Minister Diefenbaker said Tuesday night.

He expected a "positive response" to the proposal, since Soviet Premier Khrushchev had said during his recent Washington visit that he favors international co-operation in the field of northern development.

Addressing a banquet in connection with the 50th anniversary of his alma mater, the University of Saskatchewan, the prime minister also commented on Khrushchev's latest disarmament proposals.

"These are signs of progress on disarmament," he said.

Mr. Diefenbaker also reiterated Canada's willingness to open her territory for inspection and called for a broadening exchange of visits between this country and Russia.

He said a Canadian delegation to Russia will include specialists in the fields of northern research and administration, probably under the chairmanship of Northern Affairs Minister Hamilton.

Scientific problems posed in the polar regions were matters of common concern to the two countries which shared most of the northern area of the world. Both countries had much to contribute and gain from an exchange of information.

Mr. Diefenbaker said universities can help in attaining peace. "I believe in many fields universities are better placed than governments to turn the searchlight of knowledge on the mysteries and complexities of human relations."

"I believe Canadian universities can encourage more scientific and cultural exchanges and visits between our country and the U.S.S.R. and other Iron Curtain countries and that the expansion of student exchanges between various countries, particularly in those in Asia and in Africa, will assure greater dividends in meeting the contest for the hearts of men than in the expenditure of dollars in any other phase."

HEAVIEST DOWNPOUR

The downpour during the day and night Tuesday was heaviest in Gracie's path from Charleston. She moved northwest to the Waterboro area, then turned north toward North Carolina.

She brought rain, raging winds and high water all along the coast from Savannah, Ga., to Myrtle Beach, and swept inland to slash lowland communities along a path 100 mile wide.

Three died in South Carolina in traffic accidents attributable to the storm. But most coastal residents in Gracie's path heeded an early evacuation warning and that helped hold down the death toll.

Hurricane Hannah Is Next

MIAMI, Fla. (AP) — Carrying winds of 100 miles an hour, hurricane Hannah today slowed its advance along a path weathermen say may send it crashing into the U.S. mainland on the heels of hurricane Gracie.

The storm moved almost due west at 12 miles an hour, ship reports said. The latest fix placed the Atlantic season's eighth tropical storm about 970 miles east of Palm Beach, Fla.

A high pressure system which channeled Gracie toward North Carolina continued to influence Hannah. Little immediate change in atmospheric conditions was foreseen.

VIOLENCE FLARES AT STRIKE — Police drag a striker away after violence broke out at the John Inglis plant in Toronto. A fight broke out on the picket line after the company called about 50 office employees back to work. Four picketers were arrested. About 700 members of the United Steelworkers of America have been on strike for 11 weeks in a wage dispute. (CP Photo)

Seek Aid For Mental Health

OTTAWA (CP) — The federal government is coming under increasing pressure to step up its assistance in the vital field of mental health research, informants say.

New representations on the subject are understood to have been submitted to Health Minister Monthey during the last few days by the Canadian Psychiatric Association.

Authorities in this field, such as Dr. J. D. Griffin of Toronto, general director of the Canadian Mental Health Association, say mental illness is currently Canada's most difficult and important health problem, adding that half the country's occupied hospital beds hold mental patients.

Federal health department statistics show that at the end of 1957, latest date with accurate figures, there were 54,367 beds in mental hospitals and 77,372 in general hospitals. Furthermore, there is a growing trend toward treatment of many mentally ill persons in psychiatric wards of general hospitals, although mental hospitals are still well filled.

The Test Tube Won't Win Over Love And Money

NEW YORK (AP) — The test tube will never replace "passionate preference" even though science may enable mankind to control its own evolution, poet-philosopher Robert Frost said Tuesday.

"As far into the future as I can see with my eyes shut, people are still pairing for love and money," said the 84-year-old Pulitzer Prize winner.

At the same time, he questioned whether man should try to control his own evolution.

Frost advanced these views for a symposium on the future of man at a Waldorf-Astoria Hotel gathering marking the dedication of a new Park Avenue headquarters for the Joseph E. Seagram and Sons distilling firm.

The poet said "I foresee no society where artificial insemination won't be in bad taste." And as for the whole idea of controlled evolution, Frost asked: "If we are taught to have matured to a point where we can take control of our own evolution to go on with, why can't it be to stop ourselves in our tracks, if there isn't too much the matter with us as we are?"

Newspapers Still Supply People The Basic News

VINELAND, Ont. (CP) — Newspapers still supply people with their basic news and the answers to their problems and questions, Larry N. Smith, president of the Canadian Managing Editors' Association, said Tuesday.

Mr. Smith, managing editor of the St. Catharines Standard, was addressing the 26th annual convention of the Canadian Circulation Managers' Association here.

He said some people maintain "people are too busy to read and that television and the boisterous news magazines have cut the ground from under us."

This opinion has produced some soul-searching to see how today's newspapers could meet today's needs and this is a good thing, Mr. Smith said.

At White House Wages Still Key In Steel Strike

WASHINGTON (AP) — Leaders of the U.S. steel industry said at the White House today that the real issue in the 78-day steel strike is whether they will yield to inflationary wage demands.

Roger M. Blough, chairman of the U.S. Steel Corporation, handed out a statement as the management spokesmen went into conference with President Eisenhower in the president's appeal to resume bargaining in the worsening steel situation.

Eisenhower was to meet an hour later separately with president David J. McDonald and other chiefs of the striking United Steelworkers Union.

The statement pledged continuing efforts to end the strike at the earliest possible date.

Late For Take-Off Crashed On Farm In Central Texas

WACO, Tex. — (AP) — A big Houston-to-New York airliner blew up in the air, streaked across the sky like a comet and crashed late Tuesday night. Thirty-four persons died as it struck on a central Texas farm.

The ship was a 75-passenger Braniff Airways turboprop Electra. It carried 27 passengers and seven crew members.

Broken bodies and bits of wreckage were scattered over a square mile of open farm country. Although witnesses from a distance observed a second roaring blast and brilliant flash as the ship struck, persons reaching the scene reported the shattered craft did not burn.

"It looked like it exploded as it came over our house, 'way up in the sky,'" related Mrs. Billy Webb, 30. She and her husband watched from their home five miles north of where the wreckage hit.

"The whole sky lit up. It kept on going, and it looked like a falling star."

TERRIFIC NOISE
 "The light went out and we heard a terrific noise like a jet breaking the sound barrier. Then we heard it hit the ground and saw a tremendous explosion."

Braniff's deputy sales manager in Houston, Dick Barton, said the plane was late taking off from the Gulf coast city.

A member of the traffic control tower staff at Houston's big International Airport said the airliner departed 29 minutes behind schedule at 10:44 p.m.

Bruce Chambers of the federal aviation agency's control office in Fort Worth said the ship was flying on an instrument plan at 15,000 feet. It made its last report about 11:05 p.m. when the ship was 40 miles east of Waco. Chambers described the report as routine filing of information on speed and altitude of the plane.

Western spokesmen have commended the plan in the UN assembly, but it has been criticized by delegates from Arab countries.

The question of Algeria is on the assembly agenda for later debate but it was considered likely that Couve-de-Murville's statement would be the only one heard from the French, who maintain Algeria is a domestic problem — not one for action by the UN.

The Algerian issue stole the spotlight at least briefly from another hot controversy — the request by Ireland and Malaya that Communist China's suppression of Tibet be debated by the assembly.

Careless Boy Gives Self A Paint Job

PASADENA, Calif. (AP) — It was a black day, indeed, for Paul Henkels, 7. He stepped on a pressurized can of spray paint Tuesday at his home.

Startled, he froze with his foot on the can and was sprayed head to toe with black lacquer. An older brother, James, 32, took young Paul to an emergency hospital for repairs.

Immigration Racket In Hong Kong

OTTAWA (CP) — An inquiry has been launched in Canada following disclosure in Hong Kong of an organized scheme to smuggle Chinese into Canada and the United States under the cloak of fraudulent marriages.

An immigration department spokesman said Tuesday night that 35 persons, including two Chinese-Canadians, have been arrested in Hong Kong. The two Canadians have been convicted of perjury and sentenced to two years in jail.

He described the operation of the racket in this way. A Chinese man, holding a valid Canadian or American passport, was paid to go to Hong Kong, marry a Chinese woman, and return with her and one or more boys posing as her sons. The boys were no relation.

The two Canadians were identified as Ching Ping Yim, a naturalized Canadian citizen, and Wong Sun Yip, born in Vancouver.

Fluoridation Backed

TORONTO (CP) — Fluoridation of community water to reduce dental disease was unanimously endorsed by the Ontario Public Health Association's annual meeting Tuesday.

Gifted Pupil Plan

MONTREAL (CP) — The Protestant school board of greater Montreal Tuesday approved plans for two experimental programs for gifted children. The programs are expected to start next month.

Tearful Crowds Pay Last Respects To Ceylon PM

COLOMBO, Ceylon. — (Reuters) — Weeping crowds watched today as the body of Ceylon's assassinated prime minister was taken to his ancestral home 30 miles away.

Final rites will be conducted Thursday afternoon at the Horagolla family home of the late Solomon Bandaranaike, who died Saturday following a gunman's attack the day before.

His successor, Vijayananda Dahanayake, said the "fullest and most comprehensive investigation" was being made into the slaying, in connection with which two Buddhist priests are being held.

3,174 Die In Japan Worst Yet

TOKYO (AP) — Typhoon Vera today was classed officially as the worst storm disaster in Japan's history.

The official toll of known dead reached 3,174. The previous high — 3,096 killed — was recorded after Typhoon Muroto in 1934.

In addition, 1,776 persons still are missing. Police said all casualty figures might be increased when full communications are restored with devastated areas.

So far, 9,419 injured have been reported.

Vera smashed into thickly populated central Japan Saturday night with 160-mile-an-hour winds. Damage estimates so far have reached \$261,000,000 and are still climbing.

Officials in Nagoya feared outbreaks of dysentery and typhoid and appealed for medicine, doctors and nurses.

Show Business

By BOB THOMAS
HOLLYWOOD (AP) — In it started with a Kiss, Debbie Reynolds hops in to bed nude with an air force general (Fred Clark), thinking he is her sergeant-husband Glenn Ford.
 The scene evokes guffaws at every performance, as well as some raised eyebrows. Such ribaldry could never have been shown in a Hollywood movie until the last year or two.
 "I think sex is all right when it's shown in an amusing manner and not done sensationally," argues Ford.
 Apparently the production code office agreed, for it okayed the

scene. It has been approving a lot of things that never would have been passed in the time of Will Hays. Even such words as bitch (Anatomy of a Murder) and whore (A Farewell to Arms) and subjects like abortion (Blue Denim).
THE FINAL WORD
 But though moral attitudes change, the code office still functions the way it did when movie czar Hays handed Joseph Breen censorial reins over Hollywood. Breen's successor, Geoffrey Shurlock, has virtually the final say on what can and cannot appear in films.
 Shurlock and his aides have been likened to supreme court justices. The code is their constitution. They interpret it in keeping with the times, steering between sensation-seekers and prudes.
 "I think Shurlock might have let us use the word 'abortion' in Blue Denim," says Frank McCarthy, 20th-Fox contact with the code office. "It is certainly seen in newspapers and the front covers of family magazines like the

Saturday Evening Post and Reader's Digest. But because the word was specifically banned by the code, Shurlock had no choice but to make us use 'illegal operation' instead."
 Shurlock's advice is available from start to end of a film project, and even those who oppose any censorship praise his help. A studio considering a story purchase might ask his opinion of Cat on a Hot Tin Roof or Compulsion.
SHURLOCK'S REPLY
 His reply would be that the works were unacceptable in their original form because the subject of homosexuality is forbidden on the screen. The studios still might buy the stories — and did — figuring they could lick Shurlock's objections.
 Producers generally send drafts or shooting scripts to the code office. If objections are raised, producers may submit, or else shoot the scene two ways, hoping the more daring one will win approval.
 The actual product is the final test. A racy scene may have been saved by the good taste of the

OUR BOARDING HOUSE with Major Hoople

director. In it stays. The neckline of the leading lady may plunge too perilously. Out it goes. The Shurlock office word is final, unless the producer wants to appeal to the presidents of all the companies. But that cumbersome process is seldom used.

ROCK ISLAND — Stanstead South church Ladies Aid held its first meeting of the season at the church hall with thirteen members and one guest, Mrs. E. Farman of St. Petersburg, Fla., attending.
 The meeting was presided over by the president, Mrs. Harry Smith and opened with hymn singing, scripture reading and prayers.
 Reports of the secretary and treasurer were heard, and Mrs. Smith gave a report on her fancywork project and cutters sales during the summer.
 Several of the members turned in vacation envelopes which added a satisfactory sum of money to the treasury. While others contributed to the birthday bank.
 Herbert Rice also donated a quantity of vegetables and Macintosh apples which were sold and brought in the sum of \$3.00 for the birthday bank.
 A sum of money was voted to the parsonage fund. Plans were made for the turkey supper to be held with other women's societies of the church on October 8 in the church hall, for the rummage sale on October 18 and for the next meeting on October 1st in the church hall with supper at 5:00 p.m. as usual.
 A social hour was enjoyed and a hot dish supper was served to 51 members and friends, the proceeds amounted to \$26.75. The tables were decorated with vases of autumn flowers given by Mrs. Osborne Watson in memory of departed Ladies Aid members.
CATHOLIC WOMEN'S LEAGUE
 The Catholic Women's League, Our Lady of Mercy Parish Council held the first of the seasonal meetings at the home of the president, Mrs. Catherine Fregau, with 13 members attending.
 Mrs. Fregau opened the meeting with the League prayer and a prayer for the Holy Father. Routine reports of the secretary, treasurer and conveners were given.
 Plans were made for a communion breakfast to be held at Our Lady of Mercy on November 8, followed by breakfast after the Mass.
 Mrs. Claire Goodsell, Mrs. C. Fregau and Miss Catherine Comte were appointed to a committee to conduct a raffle of two drawings, on women's and men's luggage. Drawing to take place on November 12.
 The next meeting will be on October 13 at the home of Mrs. Kay Waterman.
 The meeting adjourned and lunch was served by Miss Helen Cosgrove, Miss M. Dunn and Mrs. Owen Quillinan.

Third Jail Escapee Recaptured

Surprise "Not Guilty" Pleas Given By Trio

Terence Garneau, third member of the trio who escaped from the Sherbrooke jail September 12, was recaptured by Provincial Police at his father's home near Lennoxville yesterday afternoon.

Later Garneau, with his two fellow-escapees, Guy Royer and Gosselin Frappier, who were recaptured near Richmond Saturday, appeared before Judge Edouard Boisvert and pleaded not guilty to charges of jail breaking.

Rene Hebert, 31, of no fixed address, Sherbrooke, also appeared on charges of assisting the trio to escape and pleaded not guilty.

Garneau, who had drawn the ire of Judge Boisvert, was sent before Judge Redmond Hayes who originally sentenced him to two years in prison on an assortment of theft charges.

Trials of the other three were set for October 9.

Frappier, who had not been identified earlier by authorities because he was under jurisdiction of the Family Welfare Court, was transferred before the District Court on a judgment from

Fans' Tough Luck

Power Failure Cuts TV Sets At Crucial Moment

Bottom of the 12th inning, score tied 5-all, two men on bases, Dodgers' Furillo at bat, then blackout, the television set goes dead.

This was the maddening experience residents of Sherbrooke's North ward, Lennoxville and surrounding district went through last night, when a violent but brief electrical storm cut off electricity for 15 minutes about 9 p.m. last night.

Local baseball fans, who watched the game from its very beginning, awaiting the big decision for over four hours, missed the moment of truth.

In Sherbrooke's North ward, the only section of the city affected, the power break was the result of lightning striking a 13,000-volt transformer at the Frontenac street plant. Power in that section was cut off for about five minutes.

In Lennoxville, however, residents were not so lucky. The town was blanketed in darkness for 15 minutes.

The power break in Lennoxville was caused by a lightning bolt which struck a 48,000-volt power line of the Southern Canada Power Company between Rock Forest and Sherbrooke.

One Lennoxville resident complained this morning that after watching the whole game, he did

New Polio Victim At Scotstown

A 13-year-old Scotstown boy was taken to the Hotel Dieu in Sherbrooke yesterday suffering from a mild case of polio, bringing to four the total number of cases in that municipality.

The youth was examined by Dr. Roger Blanchette of Scotstown before being brought to Sherbrooke. The name of the youth was not made available.

Last Friday, another case from the area was taken to Montreal for further treatment.

Handicapped Aid Week Opening Event Thursday

The annual "Hire the Handicapped Week" campaign will be inaugurated tomorrow at 11 a.m. when Mayor Armand Nadeau will read the proclamation starting the week at a city hall ceremony. Members of the organizing committee will be present at the event.

During this week, in larger centres of Canada and the United States, various organizations will co-ordinate their efforts with a view of promoting the hiring of handicapped persons.

Employers, as well as persons interested in the placement and welfare of handicapped people, are invited to attend the ceremony.

Salvation Army Senior Officers Make Local Visit

Brigadier and Mrs. Thomas Ellwood, recently appointed Chancellor, to the Quebec and Eastern Ontario Division of The Salvation Army, are visiting Sherbrooke today.

Mrs. Brigadier Ellwood is addressing the Ladies Home League gathering at the citadel this afternoon and the Brigadier will conduct a public meeting in the same building at 8 p.m.

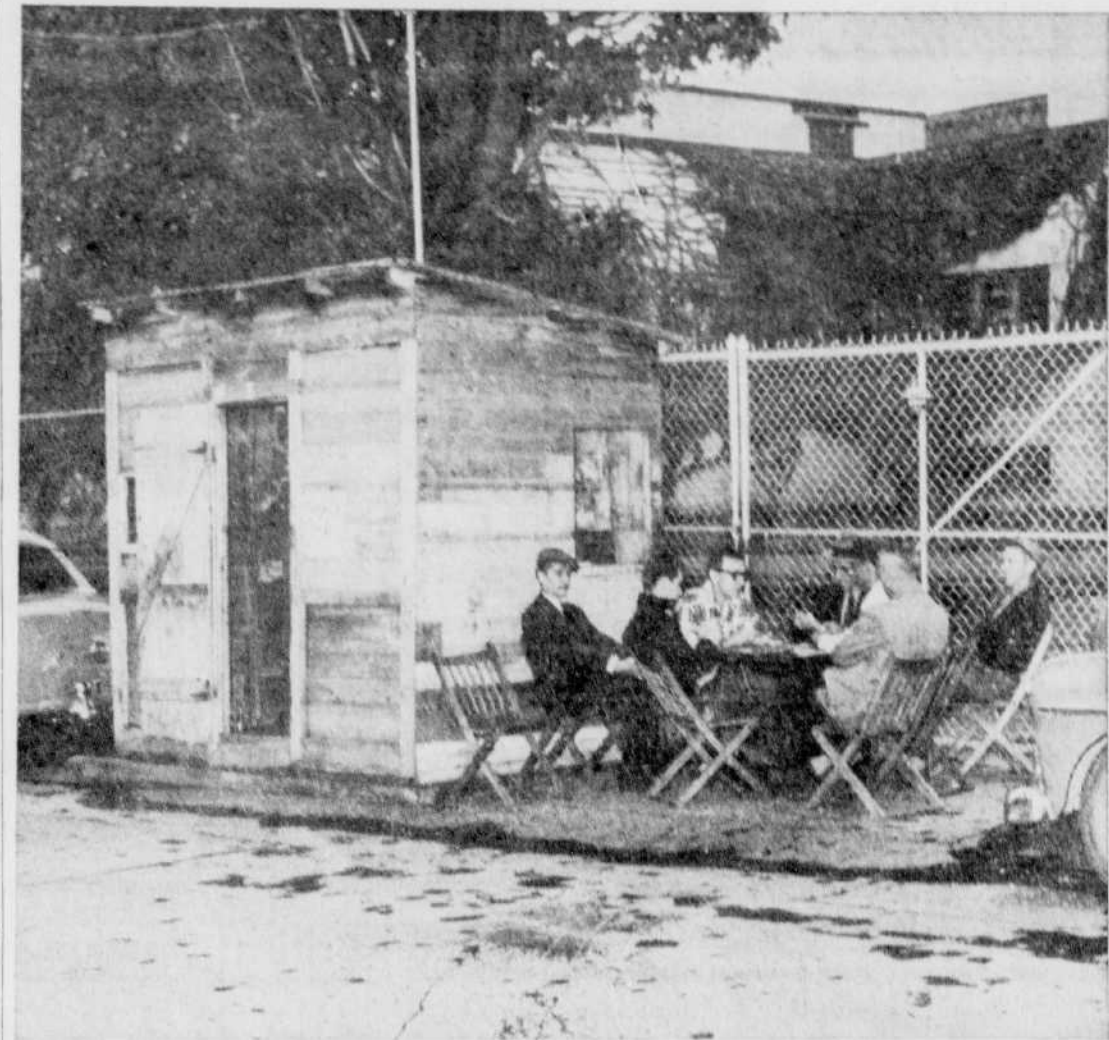

This is the first official visit of these officers, who have recently come from Hamilton, Ont., where they were in charge of the Hamilton Citadel Corps.

Brig. and Mrs. Ellwood have commanded some of the Army's largest Corps throughout Canada, and the Brigadier is known as a fine speaker. The public is cordially invited to attend.

Grads Group

A provisional committee, with Robert Malouin, graduate of the Engineering School as chairman, has been appointed to organize a graduates society of the University of Sherbrooke.

In June 1959, all faculties of the University had graduating classes, for the first time, while the law faculty produced its second crop of graduates.

Three Given Seats

Municipal nomination day passed almost unnoticed in Sherbrooke today when three members of the Council whose term of office expires were returned by acclamation for another three-year period at the City Hall.

When nominations officially closed at 11 a.m., City Clerk Paul Emond told the four individual citizens who had gathered in the Council Chamber to witness the proceedings that he had received only three nomination papers for the three seats—those of the retiring aldermen—so he declared duly elected:

Robert Gauthier, seat one, East Ward;
Gerard Berard, sat one, South Ward and
Carrier Fortin, seat one, Centre Ward.

In addition to the four private citizens, all supporters of one of the candidates, there were present at the proceedings Mayor Armand Nadeau, five other aldermen, three City Hall employees whose presence was of an official nature and two newspapermen.

Free French Classes Will Open Monday

A series of free French classes for English-speaking adults starts on Monday at Leblanc School, 554 Ontario Street. These classes will take place twice a week from 7:30 p.m. to 9:30 p.m.

This course in French conversation is by the Provincial Secretary's departments and affords an excellent opportunity for adults to learn French under the guidance of qualified teachers.

Those wishing to take the course should register next Monday.

Some 75 adults followed these free courses from October to March last winter.

Cookie Contest Held At Shipton W.I. Meeting

SHIPTON — The regular meeting of the Shipton Women's Institute was held in the Farmers Hall, Danville. The president, Mrs. K. Gallup was in the chair.

Mrs. Saffin secretary read the minutes and Mrs. N. Evans, newly appointed treasurer, reported \$17.72 on hand and \$47.70 in the bank.

An Executive meeting had been held at A.D.S. High School, the principal, Mr. J. Gaw acted as chairman. Plans were made for the school fair, committees and judges appointed.

Mrs. Jameson, the County president, is to be the guest at the October meeting and Spooner Pond Branch is also to be invited. Bingo was proposed as an entertainment and a Marathon prize was offered by Mrs. S. Taylor.

A cookie contest was judged by Mrs. Melver with Mrs. W. Greer, winning first prize, Mrs. A. Paige, second prize. The sale of these cookies gained \$2.35. A drawing on a doily donated by Mrs. K. Andrews brought in the sum of \$3.75. The doily was won by Mrs. W. Greer.

The meeting closed with the singing of God Save the Queen, Mrs. Long was at the piano.

Tea was served by the hostesses, Mrs. J. Saffin and Mrs. N. Jans.

The next meeting will be held in the farmers hall, Oct. 19.

More Pain Than Needed

Tight Money Policy Unavoidable

While the present tight money situation of the Canadian economy was apparently unavoidable, it could have been less painful, less confusing and less damaging to confidence at home and to prestige abroad, according to John Meyer, financial editor of the Gazette.

Mr. Meyer traced the general background of today's tight money in an address before the Sherbrooke Rotary Club last night at the Hotel Sherbrooke.

"I firmly believe," he said, "that we could have overcome our present difficulties with considerably less strain on our economy if the full implications of what it was about had been recognized and anticipated by government."

Bank loans might have cost more but general money costs would not now be as high as they are."

The speaker stressed two factors in the acuteness of our present situation: the government's failure to recognize that banks must be permitted to set their interest rates according to the market and government's consistent refusal to recognize that it has a responsibility here.

The policy of a restrained money supply is a good policy, said Mr. Meyer, and the only acceptable policy to follow.

"It was not expected that this process of restoring lost value to our currency would be altogether painless. Interest rates were expected to rise and to stay high for some time to come. It was thought, too, that some business expansion might be slowed or postponed as a result, but this was considered desirable. The resumption of business activity, when it started, progressed with such rapidity that the Bank of Canada felt, justifiably, that a too rapid economic expansion would merely hasten a return to recession."

"Thus we had, as the summer began, this general situation of a rapidly accelerating business activity, with a concurrent increase in the demand for funds, and at the same time we had a policy of restraint on the money supply."

Paralleling these developments, the speaker said, was a break in the government bond market which drove borrowing costs higher than they should have been, and a banking system hobbled by the six per cent maximum interest rate, pretty well forced to loan their funds at rates less than those prevailing on other sectors of the capital market.

THE PRICE

"Tight money now is the price Canadians must pay for the make-work projects and other anti-recession measures which the government undertook last year. It is not a heavy price to pay. I have no doubt that if the government put the issue to Canadians in these terms, they would accept it without protest."

The speaker was introduced by Doug Ross and thanked by Frank Pearson. With them at the head table were President Lyman Tomkins, Carl Ross, Howard Simms, Halton Clark, Bert Skinner and Arthur Kerridge.

The president announced that next week's meeting would be a Ladies' Night and Inter-city Chairman Doug Stevenson reminded members of the special meeting this Thursday with the members of the Montreal Club, starting at 6 p.m. at the Hotel Sherbrooke.

Guests at the meeting included The Rt. Rev. Tom Greenwood, Bishop of the Yukon, Seymour Snyder, New York City, Gerald Wright, Mt. Vernon, N.Y. and Charlie Ross, Sherbrooke.

MORE MONEY

In order to finance the deficit, he continued, it was necessary to increase the money supply. This the Bank of Canada did, expanding it by 14 per cent, primarily by selling government bonds to the chartered banks. The more bonds purchased, the larger their reserves and the more money they had to lend.

Mr. Meyer pointed out however, this measure, taken at a time when business activity was slowing down, was thoroughly in-

Children's Day Planned By East Angus CWL

EAST ANGUS — The regular meeting of Our Lady of Lourdes Parish Council, C.W.L. of Canada held recently, at East Angus, was chaired by the president, Mrs. F. E. Webb.

Minutes were read by Mrs. M. Palmer in absence of the secretary Mrs. D. Cormier. Treasurer's report was given by Mrs. E. Clark.

Mrs. R. T. Hayes, Spiritual convener, reported on the pilgrimage to Beauvoir and attendance at the Eucharistic Congress ceremonies. She also advised Father Guilmain would not be here for the Mass for English speaking parishioners in September, but will be here the second Sunday of October.

Tentative plans were made for a children's day, on October 19, with Mrs. M. W. Mullin as general convener. It is hoped to make this an interesting event for children as well as their parents.

The Bowling Party and Christmas Sale were also discussed, final plans to be made later for this event which is tentatively set for December 8th.

SAWYERVILLE —

Mr. and Mrs. C. Kane, Mrs. Wm. Carton, of Bury, were recent guests of Mr. and Mrs. R. Kane.

Mr. and Mrs. Chas. Lefevre of Birchton, Mr. and Mrs. G. Pegg, of Rochester, N.Y., Mr. Henry Jones of Lennoxville were recent guests of Mr. and Mrs. R. Kane.

A Costly Dream

In voicing his opposition to the immediate construction of a new bridge across the St. Francis River linking the North and East wards, Ald. Everett Nicol asked one question which has been paramount in the minds of the taxpayers recently.

Preliminary estimates vaguely place the cost of the structure at somewhere between two million and three million dollars with the district possibility that this figure will be substantially exceeded.

by \$250,000 annually to meet interest and sinking fund costs.

As the bridge will produce little or no additional revenue for the city, the debt service charges must be met out of the general funds of the city.

Undoubtedly the proposed bridge would serve some useful purpose but it would fail to get at the real problem it is attempting to solve — removing heavy through traffic from the centre of the city.

One Secret They Can Have

The Soviet Union long has been bedeviled by failures in its agricultural programs. No devices of pressure, no techniques of collective action have brought output to levels that would allow reasonable standards of food consumption.

This is one area where the Russians frankly admit their shortcomings. Many Soviet experts have studied North American agricultural techniques, and it is no accident that Nikita Khrushchev, who has at times engineered the Soviet farm effort, cast a keen eye on things in Iowa.

But if they ever find the secret, they'd better watch out. They may wish they had the old problems back, instead of the ones we've got.

Nobody in his right mind is going to complain about producing enough to feed everyone adequately. But when you start turning out so much farm produce you have to spend million of dollars a year to store it, get rid of it, or pay farmers not to produce, as we do, that's another story.

Khrushchev had better hope he never comes to that chapter.

Last Year's Model

It seems necessary to many people today to draw comparisons between the education we offer our children and that provided children in the Soviet Union. Are we placing enough emphasis on science and engineering?

There is another, equally important consideration, and this lies well within our existing framework of conservative, standard education. Are we constantly updating our textbooks to

conform with newer and more exact knowledge, particularly with regard to the sciences that we do teach?

We must be sure that the knowledge we transmit to our children is the latest, the best and the fullest that can be had. It is tragic to waste the "last year's model" in any or all of the vital fundamental subjects of learning.

Our problems in education, if they do exist, may well be problems of quality rather than quantity, particularly with regard to the sciences.

Press Comment

BE KIND TO POLITICIANS' WEEK

(Toronto Telegram) The Prime Minister of Canada and the Premier of Ontario will be enchanted—perhaps amused, certainly surprised—to learn that Toronto's City Council contemplates elevating their status.

The new Council manual, which regulates procedure, would prohibit Council members from speaking "disrespectfully of the reigning Sovereign, any member of the Royal family, the Governor General, the Lieutenant Governor, or the head of the Government of Canada or of the Province of Ontario."

Thus the Prime Minister and the Premier would be regarded not only as sacrosanct but also, like the Queen and her representatives, removed from the embroiling and contentious atmosphere of politics.

That the offices of Prime Minister and of Premier command respect no one will deny, but to immunize the heads of the two Governments from adverse comment is to restrict free speech and to deprive them of their political existence. Neither Mr. Diefenbaker nor Mr. Frost would thank anyone for that.

COMMON NAMES

(Owen Sound Sun-Times) Having listed a number of interesting corruptions of old names into sometimes unrecognizable modern forms, a writer in a British paper remarks: "But how much duller life would be if we were all called Jones."

There have been several variations of the name Smith, among them Smyth and Smythe. Now would it be advantageous to bring on such variations as Jones, or perhaps, Jones-Jones?

Then again there is a certain value in the anonymity of such off used names. Those with less frequent appearances (we dare not say common lest we be misunderstood) not only can be closely identified, but can find it embarrassing when persons of the same name move into the same community. And there are few names that are not repeated. One we knew very well, for instance unfortunately, had a namesake

who, also unfortunately, had a weakness which led him into police court, and jail, on occasions. And of course the innocent sometimes suffered with the not innocent. Then there was the person of the less usual name who received numerous condolences when the wife of one of the same name passed on.

ADVICE GOING BEGGING?

(Vancouver Province) The Western world, says Mr. Lester Pearson, is threatened as much by spiritual weakness as by the nuclear might of Russia. It has embraced materialism and grown soft. And it can only save itself by redeveloping its spiritual values.

This is a thought undoubtedly weighty with truth. Mr. Pearson is right in theory. But will his theory ever become practice?

Will the Western world forsake its cars, its TVs, its colored refrigerators, its outdoor motors, its portable radios, plastered to every ear, for the stern disciplines of the upright mind, the hungering soul?

It will not. At least not yet. Not until it grows a great deal more tired of its toys.

HEATED FIELD?

(Ottawa Journal) A most pressing football problem has been to maintain fields in even fair condition for the Grey Cup championship game.

In the past, fields have often been muddy and slippery to turn the game into one of chance rather than skill. At other times, such as last year, the field is frozen hard, inviting injuries.

Several expedients have been tried. There was the huge tarpaulin to keep rain and snow off the grass of Varsity Stadium; the burning of gasoline to dry up muddy spots, the scattering of straw for the same purpose. None of these has proven 100 per cent effective.

A possible cure for muddy or frozen playing fields is being tried out this season at Murrayfield, Edinburgh. It is a built-in heating system under the turf, much after the order of a gigantic electric blanket. The blanket or grid dries and heats the field, and recent experiments indicate it can and does keep the surface always dry

and the grass green. The system is in the testing stage as yet, but should it prove successful, a committee of Canadian football officials should make a pilgrimage to Edinburgh.

CROOKS AND CROOKS

(La Montagne, Clermont-Ferrant, France)

One night recently a thief broke into the jewellery store at Niort and stole a diamond bracelet from the window. He left behind several bills to pay for the bracelet. The jeweller felt guilty because the diamonds in the bracelet were false, but the police examined the bills and told him that they were false, too.

RECKLESS SECRETARY

(Kitchener-Waterloo Record)

Frank Lovett, secretary of the Broken Hill Shop Assistants Union in Australia, must have aroused the wrath of working wives downunder and elsewhere when he labelled them "economically a menace—a threat to stability and a help-mate to depression."

And he added: "The women ought to be at home with their children—or trying to become better wives."

Mr. Lovett either has oodles of courage to make such strong statements or he has a storm cellar handy to duck into in the event of attack by indignant working wives.

ASIAN RAPPROCHEMENT

(London Free Press)

Neither Nehru nor Menon wants any link-up with the West. But if they could settle the long-standing Kashmir question they might greatly improve the security of both their own country and Pakistan and pave the way for mutual benefits.

It would be ironic if Communist pressure should bring this about after repeated failures by such agencies as the United Nations. Communist pressure seems to come primarily from China, which may be trying to prevent Khrushchev from making too many friendly overtures to the West.

British Election Confusion

No Party Designation On Ballots

LONDON (Reuters) — Britain's 35,000,000 voters will choose either a Conservative or Labor government Oct. 8—but at the polls they will have to rely on their memory to remind them which party they are voting for.

At the polling stations they will find that the parties are not recognized by law. Each elector is handed a ballot paper with the names of the candidates in his constituency. The paper will state each candidate's full name and address and also his or her occupation, including "married woman" if that is her only job. But nowhere will it include any party designation.

It thus becomes an important task of party workers to impress on the voters' memory the name of their candidate. This is done by constant repetition by loud-speakers on trucks, handbills and posters.

The parties also use distinctive colors—blue on white for the Conservatives and black on yellow for Labor. But these colors do not appear on the ballot papers.

which come from the official printers in uniform black on white.

Similarly, when it comes to counting the votes, the returning officer in each constituency must scrupulously avoid mentioning parties when he announces the result.

But everybody knows it is a choice whether the Conservatives or Labor shall govern the country for the next five years.

In each of the 630 constituencies only one member is to be chosen by an average of about 60,000 electors.

Three-cornered fights are expected in nearly half the ridings. The Liberal party has announced it intends to run in more than 200 seats and Communists and Independents are expected to contest others.

Victory in each riding, as under the Canadian electoral system, goes to the candidate with the largest number of votes.

It does not matter if he fails to get an absolute majority. Men have been known to become members of Parliament by less than 10 votes in a total poll of more than 40,000. There also have been instances where the winning candidate polled just more than one-third of the votes in a close three-cornered result.

Even a small movement of opinion in the country is magnified in terms of party strength in the Commons. In any election there may be anywhere from 50 to 100 ridings in which the candidate won the previous election

by less than 1,000 votes in a total poll of, say, 50,000. One such riding needs only 500 voters — one per cent—to change sides and the position is reversed as completely as if 20,000 had gone over.

A table drawn up by one of Britain's leading electoral statisticians, D. E. Butler, shows that if in the coming election the nation as a whole swings two per cent in favor of the Labor party, Prime Minister Macmillan's government will lose its present majority of 62 in the Commons.

A swing of three per cent would give Labor a small working majority of 25. On the other hand, a one-per-cent swing in favor of the Conservatives would increase the government's majority of Commons seats to more than 100.

MASS PRODUCTION JUSTICE

(Toronto Telegram)

A Saskatoon lawyer's protests about "conveyor-belt" justice in overcrowded magistrates courts has stirred the Canadian Bar Association to action. It will conduct a nationwide inquiry into the appointment, qualifications, salaries and security of tenure of magistrates. This is a worthwhile study with elements of self-appraisal in it.

J. M. Goldenberg, QC, who raised the issue at the Association's annual meeting in Vancouver, said 90 per cent of criminal cases are tried before

MILD DECEPTIONS NETS CONTRACT

West had the right idea when he doubled four spades. The hand could be beaten fairly easily but the defense faltered.

South won the opening club lead in dummy. A cross ruff was indicated but South saw that his opponents could get the lead and play trumps so he tried some mild deception. Instead of cashing dummy's second high club South played ace and another heart ruffing low. Now the finesse of the diamond queen lost to East's king.

Instead of leading a trump and stopping the cross ruff East decided that South was trying to establish the heart suit so he led back a club.

South won in dummy, cashed both dummy's diamonds and ruffed a third heart with the ten of trumps just in case West would be out of hearts.

Now he led a club. West ruffed with the eight and dummy over-ruffed with the queen for the eighth trick. Another heart was played from dummy and ruffed with the jack. West could over-ruff or not; it made no difference. He had no way to keep South from making his contract.

the so-called "interior tribunals."

Because of low salaries, he said, those who accept appointment to the lower courts "are—with some notable exceptions — not recruited from among the leading members of the bar..." He also said that in some provinces magistrates had no security of tenure and in some no legal training.

The Association cannot alter the law, but its findings will

influence the course of justice. No doubt it will find "notable exceptions" among magistrates without legal training.

The independence and standards of the lower courts, as of the higher ones, should rest on unhurried contemplation of cases by men who are competent, fully rewarded and secure in their tenure.

The Bar Association's report can be a blueprint for higher standards of justice in Canada's most important courts.

Former Cassville Man Dies In Boston

ROCK ISLAND — Word has been received of the death of Mr. Herbert W.R. Chamberlain, of Boston, Mass., formerly of Cassville in August of 1889.

At an early age he went to Boston, where he had since resided, and was connected with the Boston Retail Provisional Co. His death occurred on Friday, September 11th with the funeral and burial in Boston on Monday, Sept. 14.

Mr. Chamberlain is survived by his wife and three sons and three sisters, the latter residing in Quebec, Montreal and St. Thomas, Ont.

MYSTIC —

Miss Edith Walbridge and a friend, of Montreal, spent the weekend with her parents.

Mrs. Wm. Watson entertained the Woman's Association when final plans for the Ham Supper were made. A thank-you note was received from Mrs. Walbridge for roses for her recent anniversary, and for the food for same furnished by the W.A. A cheque was received from Miss Letha Smith, a former member, who now resides in Kentucky. A donation was received from Mrs. C. Soule who, owing to illness in the family, will not be able to entertain for the October meeting. The hostess served lunch assisted by her daughter, Miss Ruth Watson.

FARNHAM

Mrs. C. F. Harris, Billy and Karen of Verdun, were visiting Mrs. Harris' father, Mr. William Baker at the convalescing home. They also called on Mr. and Mrs. Jack Henderson.

Mr. James J. McCullough, collector of Customs and Excise, has returned to his office after a holiday of several weeks.

Mr. and Mrs. Thomas Fulton of Carlisle, Mass., were guests of Mr. and Mrs. James McCullough and family.

Sunnyside Home And School Meets

ROCK ISLAND — A large number of parents and teachers, attended the September meeting of the Border Home and School Association meeting held recently

in Sunnyside School auditorium. President, Dr. Victor Griffith extended a welcome to the assembly and said the Association hoped their interest would con-

tinue. Dr. Griffith announced the accounts of the school cafeteria are being kept separate from that of the Association. So far this year

there are approximately 150 hot lunches being served each day to students and teachers. Donations of vegetable, fruits, or other produce will be gratefully received and used in the cafeteria.

Lawrence Tilton, chairman of the Rock Island - Beebe - Stansfield school board has been approached to have the board purchase a larger refrigerator for the school kitchen and this will be taken up by the board at a later meeting.

Lyle Patterson, vice-president, agreed to act as program chairman, and Principal Dr. K. Harper, offered to be active on his committee. Dr. Griffith asked for a chairman of Ways and Means committee. Donald Prangley agreed to act as membership chairman and Mrs. Merton Davis, the refreshments at meetings.

Jack Cowens, chairman of Teen Town dances discussed the matter of continuing the dances with Dr. Harper and other members of the Association. It was agreed to carry on as in previous years, representatives of the Border Home and School Association, will be Mr. and Mrs. Jean Beasse, Mr. and Mrs. Harold Rever. Mr. Cowens told the group that the money realized from Teen Town is used for the purchase of records for the dances, \$50 was given to each of the sponsoring associations, namely the Beebe and Border Home and school associations, the Derby - Derby Line P.T.A.

It is tentatively planned to have the next meeting of the Border Home and School association at Sunnyside school the evening of October 20.

The school banner was won by Grade 3 with 24 parents attending.

The program was in charge of Dr. Harper, Principal, Mrs. Warren Soutiere, Grade V teacher, and Mrs. Stuart Edgar, Grade II teacher.

Mrs. Edgar chose to speak on what a child should know before entering school and the basic

requirements of a child in the first three years of school life. The speaker stressed the importance of reading and said the parents can often help their child to accomplish this by reading short stories to them before school years and teaching them to count a few figures. Arithmetic is the second important subject and the foundation in French is started in grade III.

Mrs. Soutiere referred to this space age which requires a higher education, for our schools like our homes, have changed with the times. Young minds of the intermediate are being trained to think for themselves, and the speaker spoke on the curriculum of these grades preparing for High School entrance.

Dr. Harper speaking of the high school students referred to the importance of reading and adequate vocabulary. A high school student should be able to think for himself, takes on responsibilities. To acquire good grades, the high school student must make sacrifices, develop a sense of individuality, set his eyes on a high goal and strive for it, and said Dr. Harper, it is the duty of the parents and teachers to train these students. Dr. Harper made a plea to the parents that if problems of misunderstanding arise to come to the teacher and not believe the rumors one hears.

A question and answer period between the three speakers and the parents took place. Dr. Harper introduced her teaching staff.

Adjournment followed and the group enjoyed a tour of the new Sunnyside High School and lunch which was served in the new cafeteria.

Kingsbury WMS Entertained By Mrs. Elmer Crack

KINGSBURY — The W.M.S. meeting was held at the home of Mrs. Elmer Crack with a good attendance of members and two visitors.

Miss Marion Kerr was in the chair, taking as her theme for the worship service, Truth and Freedom. Mrs. Robert Kerr led in prayer.

Readings on Africa were given by Mrs. S. McMorine and Mrs. Guy Frank. Miss Carrie Ward read an article on the Western Africa, Sense and Nonsense. Mrs. Guy Frank and Mrs. Robert Kerr gave satisfactory financial reports. Donations were made to "Care" and the Blind campaign and a needy family in Richmond. The Missionary Monthly magazine was renewed.

The next meeting will be with Mrs. G. Frank on October 2nd.

The meeting adjourned with unison prayer for a nurse, Mrs. S. Hanford, in Hong Kong.

The hostess served a supper.

GENERAL NOTES
Miss Carrie Ward, Mrs. W. B. McMorine, and Mrs. G. O. Malboeuf motored to Magog where Miss Ward spent two days with Mrs. E. H. Cayford at their summer cottage.

Those who attended the Sectional meeting of the United Church of Windsor Mills were: Miss Marion Kerr, Mrs. W. B. McMorine, Miss C. Ward, and Miss J. Sutherland of Winnipeg, who is visiting Miss Marion Kerr.

Mrs. G. O. Malboeuf and Rev. J. Smith B.A. of Melbourne and Mr. Gerald Fortier attended the "Canadian Council of Churches" meeting in Sherbrooke.

Valuation Rolls Change At Border Board Meeting

BEEBE — At the meeting of the Rock Island-Stanstead-Beebe School Board held at Beebe on Monday evening, September 28 a resolution was passed accepting the valuation rolls of the Municipalities of Stanstead - Rock Island, Beebe, Ogden and Stanstead East as listed with the following changes:

Beebe Plain, Stanstead North and the Town of Rock Island each to be increased to 125%, the Municipality of the Township of Ogden unchanged at 100% and Stanstead Plain, to be decreased to 80%.

A meeting is to be held in Sunnyside school on October 29 for the purpose of homologating these valuation rolls.

Several applications were read for the position of janitor of Sunnyside High school to replace Mr. Ernest Channell who has tendered his resignation. No decision was reached at the Monday night session. However one will be hired shortly.

Dr. Harper, Principal of Sunnyside school attended the meeting and the Board discussed with her various things still needed in the school. This includes additional needs for the inter-com. system.

The Board will make an investigation regarding the extension of the Sunnyside School playground. School Sports were also discussed including hockey, football.

The Board authorized the purchase of a new Frigidaire for the school kitchen which was installed the following day.

Registration of students at Sunnyside school is now 400 and at Beebe Elementary 175.

ALDERSHOT CHAPTER, I.O.D.E.

The September meeting of Aldershot Chapter, I.O.D.E. was held recently at the I.O.D.E. House, with the Regent, Mrs. George Smith, presiding. Mrs. L. Adams and Mrs. F. Barton-Slater were welcomed to the meeting.

Plans for the forthcoming chicken salad tea being held at the I.O.D.E. House on Saturday, October 3, were discussed and the following conveners appointed: Mrs. A. Wright, Kitchen; Mrs. R. Wheeler, Food Table; Mrs. B. McAuley, Gifts and Greeting Cards; Mrs. G. Bennett, Dining-room.

Mrs. G. Foreman read a letter from National Chapter requesting the Primary Chapters to donate towards the Canadian Eskimo Fund, which is being set up by the Order to commemorate the 60th anniversary of the founding of the Order, and which will be used to build a Community Hall at Frobisher Bay for the Eskimos. The Chapter donated \$25 towards this project. The winners of the Municipal Bursaries were announced, and the Educational Secretary, Mrs. R. Wheeler, was authorized to purchase more books for the Lawrence School Libraries. The Treasurer was authorized to send a cheque for \$30 to the Board of School Commissioners to cover the Scholarship awarded annually by the Chapter in Grade IX of the Sherbrooke High School for Industry and Effort.

Bills for milk for needy families were ordered paid, and a bill was presented for supplies for the School for Retarded Children.

The Regent announced details of the Semi-Annual Meeting of Provincial Chapter of Quebec, which is being held in the Mayfair Room of the New Sherbrooke Hotel on Wednesday afternoon, Oct. 7, commencing at 2.15 p.m. Further sessions will be held Thursday morning at the same place. On Wednesday evening a sherry party for the delegates was given at the home of Mrs. A. A. Munster, followed by a dinner at the New Sherbrooke Hotel in the evening, at which the guest speaker will be Rev. Ronald Reeve.

The members agreed to hold a Rummage Sale at the I.O.D.E. House on Thursday, Oct. 15, at 2 p.m. Anyone having rummage is asked to call LO. 2-2977, and it will be picked up.

There being no further business, the meeting was adjourned, refreshments being served by Mrs. M. Salvat and Mrs. L. Gingas.

2ND. LENNOXVILLE MOTHERS' AUXILIARY

Members of the 2nd Lennoxville Cub and Scout Mothers' Auxiliary met for the September meeting at the home of Mrs. W.

Bessant, Spring Garden Road, with eleven members present. The president, Mrs. A. Bray, presided.

Following the reading of minutes and treasurer's report, the president announced that the new Scoutmaster appointed was Mr. Van Horne and that Mr. R. Gamble will be the Cubmaster for this season. Cubs will be requested to be at the hall by 6:10 p.m. for meetings.

Plans were made to hold a food sale at Nichol's store on October 1 with Mrs. S. Taylor as convener.

A nomination committee was named to draw up a slate of officers for the coming year. It was requested that Christmas gifts for older boys and girls be brought to the next meeting, Thursday, November 5, at the home of Mrs. Douglas Miller, 23 Atto St., when the hostesses will be Mrs. G. Desjardins and Mrs. S. Ball.

Business adjourned and refreshments were served by Mrs. W. Bessant and Mrs. S. Aird.

ST. GEORGE'S GUILD

The regular meeting of St. George's Guild was held in the Parish Hall, Queen St. Mrs. R. S. Pearson opened the meeting with prayer.

Business included a donation towards camp dues and assistant to the hall committee to cover breakages; money was voted to the various Christmas sale committees to purchase materials. Following adjournment, tea

was served by Mrs. K. Jenckes, Mrs. R. Blake, Mrs. A. F. White and Mrs. R. Bultitude.

Sugar Crisp Orange Drops

1 cup sifted flour, 1 teaspoon double-acting baking powder, 1/2 teaspoon salt, 1/2 cup shortening, 1/2 cup sugar, 1 egg, well beaten, 2 tablespoons orange juice, 1 teaspoon grated orange rind, 2 1/2 cups sugar and honey-coated puffed wheat.

Sift flour once, measure, add baking powder and salt, and sift again. Cream shortening; add sugar gradually and cream together until light and fluffy. Add egg and mix thoroughly. Add flour, alternately with orange juice, mixing well. Add orange rind and cereal and mix thoroughly. Drop from teaspoon on greased baking sheet. Bake in moderate oven (375°F) 10 minutes, or until brown. Makes about 2 1/2 dozen cookies.

Engagement

Mrs. Delia Tracey, Waterloo, announces the engagement of her daughter, Melba Joyce, to Mr. Frank Porter of Waterloo, son of the late Mr. A. E. Porter and Mrs. Porter, of Waterloo. The marriage is to take place on October 17, in St. Luke's Church at Waterloo.

Beauty Winner Advises:

Enter Contest To Improve Yourself

By OLI DAUM
Canadian Press Staff Writer
MONTREAL (CP) — Margie Gecy already has 11 beauty crowns and in November she is after the biggest, the Miss World title. The contest starts in London on Nov. 10.

But her role in the world contest is that of coach of the Canadian entry. Miss Gecy, a shapely 36-24-36, has retired from the parades of lovelies and now is managing director of Miss World of Canada Inc.

"Canada has no right just to send a representative to international beauty contests," she said in an interview. "We have the talent and beauty and should not be satisfied with anything but a winner."

Consequently the 25-year-old Miss Gecy, an auburn-haired, brown-eyed beauty, has prepared a list of qualifications for Canadian aspirants that should satisfy the most discerning judge. EXPERT ON CONTESTS

Little Helpers Party Held In Memorial Hall

The Annual Party for the Little Helpers of St. Peter's Anglican Church was held on Thursday afternoon in the Memorial Hall. Forty-seven children and their mothers met with the rector, Rev. Guy Marston, for a short service in the church.

The children presented their pennies for mission work. They proceeded to the Memorial Hall which was gaily decorated with Autumn flowers. The tables were arranged with coloured leaves and berries.

With kindergarten chairs forming a circle, the little ones were kept busy with motion songs and games.

Rev. Marston presented eighteen seven-year-old children with Graduation Certificates. These were Judy Bishop, Marie Abbott, Grant Blackmore, Deborah Christie, Jill Connor, Carol Drew, Margot Flecher, Victor Jarjour, Marlene Kandallat, Cameron McCaw, Susan Newton, Sarah Porritt, Sandra Singleton, David Shaw, Carol Smerdon, Penny Taylor, Heather Thomson and Wendy Westgate.

Refreshments were served by the members of the Woman's Auxiliary, after which each child received a take-home gift, thus bringing to a close a delightful afternoon.

BEAUTY COACH — With 11 beauty titles to her credit, Margie Gecy of Montreal feels well qualified as coach to aspiring beauty queens. Now managing director of Miss World of Canada Inc., Miss Gecy in November will coach the Canadian contestant in the Miss World contest in London. (CP Photo)

She has all the qualifications for guiding hopefuls. She entered her first beauty contest in 1952, with no training as a model. Since then she has won 10 other titles, ranging from local company-sponsored events to national contests.

"Any girl who enters a beauty contest just for the title has no business entering at all," asserts Miss Gecy, who says she was an entrant because she wanted the clothes and scholarships that were offered.

"She should enter only if she means to use the rewards to improve herself. A title in itself is nothing."

Miss Gecy has made good use of her prizes. With the scholarships she won she studied languages, and now works part-time translating for some of the foreign consulates in Montreal.

Of Czechoslovakian descent, she spoke French and English before entering beauty contests. Now she has added Slovak, Ukrainian, Italian, Polish, Spanish, Greek and Hungarian. She also has a bachelor of arts degree from McGill University. She studied

chartered accounting for two years, and nursing for 18 months.

SANG ON NETWORKS

For good measure she also studied art, music appreciation, piano, singing and acting. As Peggy Gray she has sung on radio and television networks, and she had the lead role in the opera Carmen presented by a music school at His Majesty's Theatre here. For five years she was an instructor at a professional model's school here.

Miss Gecy feels that Canada may have lost out in previous international beauty contests because its representatives have not been chosen from a wide-enough field. For the Canadian finals for an entry in the Miss World contest she canvassed the chambers of commerce of all provinces to hold extensive preliminaries before naming their entries for the finals here Sept. 21.

Miss Gecy, who lives with her parents and a younger brother here, leaves for London at the end of October to accompany Canada's representative to the Miss World contest.

But she has a personal mission as well. During a two-month stay she will make a film with a movie studio which invited her to England last year.

"I don't expect to be a big success in the movie," she said. "That calibre of acting is not for me. But the experience is bound to be useful."

Social and Personal

The Rt. Rev. Thomas Greenwood, Bishop of Yukon, is the guest for this week of Lt. Col. L. M. Watson and Mrs. Watson in Lennoxville. He is to be the special speaker of the Deanery meetings in this district of the Women's Auxiliary to the Anglican Church of Canada. He will also address students at Bishop's University, Lennoxville, and King's Hall, Compton.

Mr. and Mrs. Leslie Warner and sons, Gregory and Randy, of Reed Street, Lennoxville, have left for East Burke, Vt., where they will be guests of Mr. and Mrs. Crawford Davis for a few days.

Mr. and Mrs. George Pariseau, of Sherbrooke, and Mr. and Mrs. Raymond Pariseau, of Lennoxville, have returned to their respective homes after spending a week at Palm Beach and Toronto, Ont. While there, they were guests of Mr. and Mrs. P. G. Larter and family.

Recent guests of Mrs. Eva Sample, Reed Street, Lennoxville, were Mrs. Albert Molloy, Mrs. Stuart Molloy and daughter, Paula, of Oshawa, Ont., Mrs. Ruby Dawson and Mr. and Mrs. Edgar Morrow, of Lachute and Mr. and Mrs. Rene Maynard, of Montreal.

CWL Membership Tea Held Recently In St. Patrick's

Members of Our Lady of Good Counsel Council of the Catholic Women's League, held their Membership Tea recently in St. Patrick's Church Hall, beginning the year's social activities. The hall was decorated in the C.W.L. colors of blue and yellow highlighted by the C.W.L. crest.

Yellow and blue Michaelmas daisies with fall foliage completed the decor, arranged under the supervision of the President, Miss Arlene Hand.

Mrs. T. Fox, general convener, and Mrs. D. Pechie and Mrs. Paul McKenna received at the Tea.

Mrs. G. Daniels, Mrs. F. Shelley, Mrs. A. Vallee and Mrs. O. Leveque presided at the tea table which was centered with a bouquet of yellow mums and flanked by candles in silver candelabra. Those who assisted in serving were Mrs. E. J. Wolfe, Mrs. E. Morin, Mrs. M. Cloutier and Miss A. Walsh.

Mrs. F. Steben, acting convener of membership, assisted by Mrs. C. Fortier and Mrs. M. J. Welch, acted as cashiers.

Mrs. S. Lasko, Mrs. J. R. Audet and Mrs. Helen Boisvert were in charge of the tickets being sold on the dole which will be drawn on Oct. 22.

Marriage

WRIGHT - MOSHER

The marriage of Eula Maud, daughter of Mr. Percy Mosher of Ayer's Cliff and the late Mrs. Mosher, to Mr. Allan Wright of Lennoxville, son of the late Mr. and Mrs. Joseph Wright of Inverness, took place in the Lennoxville United church on Saturday afternoon, September 19. Rev. A. Lovelace officiated at the double ring ceremony.

The bride wore a street length frock of white embossed nylon sheer over taffeta, the fitted bodice finished with a scoop neckline and cap sleeves, and featured a butterfly bow at the back and a full skirt. She wore a Chapel length veil of silk illusion held in place by a bandeau of white rose buds, and carried a colonial bouquet of white roses.

Miss Vivian Buzzell, of Tomiobia as bridesmaid, was in a frock of white taffeta styled similar to that of the bride and she wore a white hat with a nose veil and carried a nosegay of white roses.

Mr. Hugh Wallace was best man for the groom.

A wedding supper was served following the ceremony, at Olivier's dining room in Sherbrooke. The couple will reside in Lennoxville where the groom is employed.

Sutton Baptist Church Mission Circle Meets

SUTTON — Mrs. Fred Knights opened her home for the September meeting of Olivet Baptist Church ladies' Mission Circle. Besides a large representation of the members, four guests were present. Mrs. Hazel E. R. Bates presided and as the Devotional, read a sermon entitled "God Makes the Difference."

Refreshments were served by the hostess.

GENERAL NOTES

Mrs. A. P. Rumsby, secretary-treasurer read the minutes and also called attention to the fact that subscriptions for Link and Visitor, were now due. Arrangements were completed for the entertainment of delegates to the Eastern Association of Baptist Churches to be held here the

Under sponsorship of Grace Church Sewing Society a very successful supper was held in the Parish Hall on Saturday evening, September 19th. This supper took the place of the annual chicken-pie supper, which was omitted this fall. Tables and hall were tastefully decorated and there was a large number present to enjoy the excellent food prepared by the ladies. Total receipts were considered very gratifying.

Mr. Tommie O'Brien continues to make some progress towards recovery, but Mr. Naaman O'Brien has not been very well recently.

Mr. John Jones was in town to do some work at his Mountain Street home before it is occupied by Mr. Harold Poirier and family.

In the absence of Mr. Douglas Moffat, his father, Mr. Andrew Moffat, came out from the city to take the Sunday services at Olivet Baptist Church and in the afternoon at Mansonville Baptist

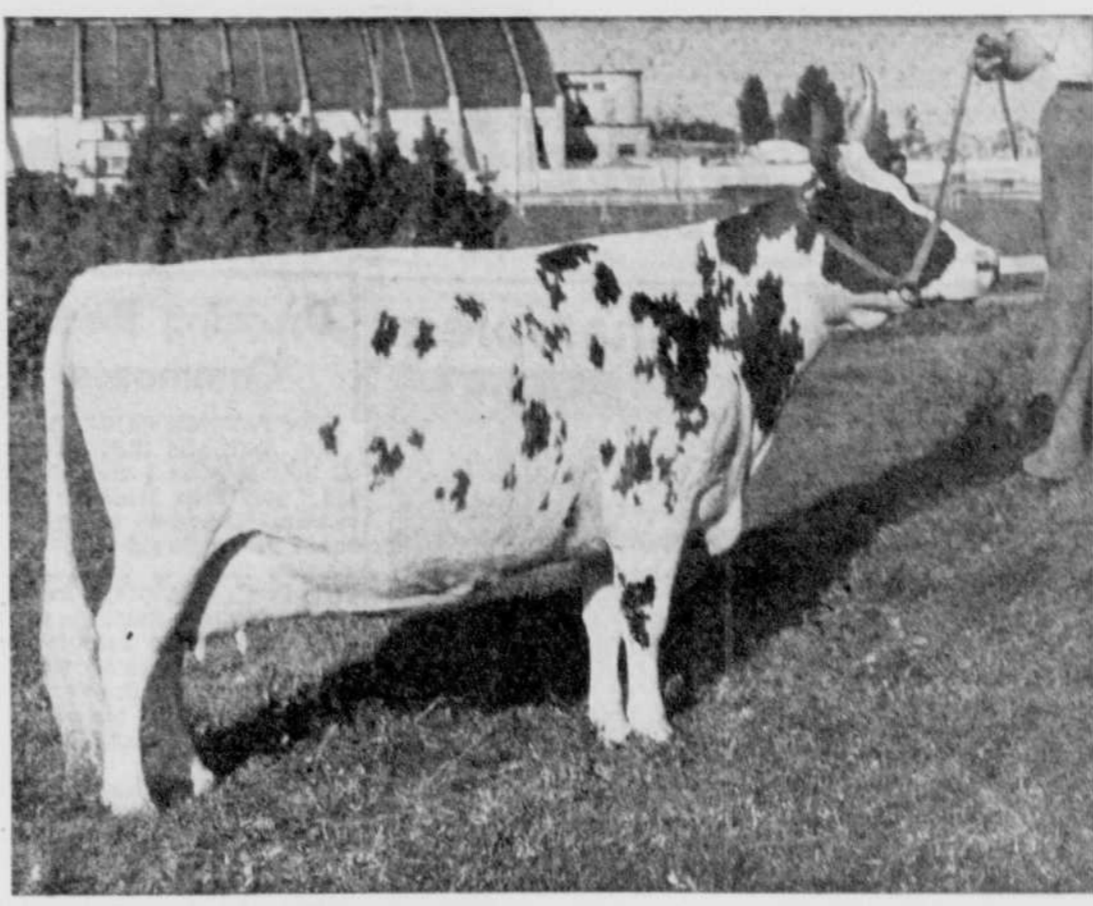

Church. He was accompanied by Mrs. Moffat.

Among recent guests of Mrs. Frank Harvey was her daughter from Sherbrooke, Mrs. Donald Martin.

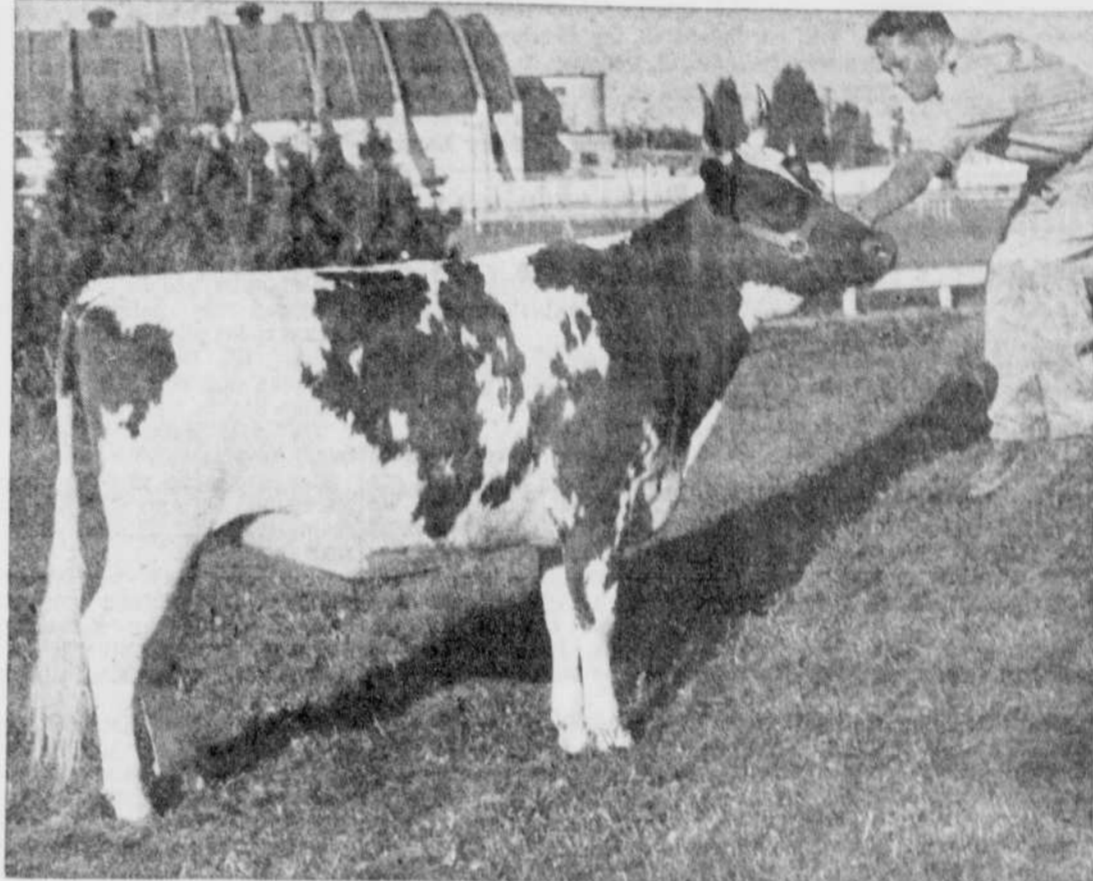

Several persons in this locality report having seen a tawny colored beast larger than a bobcat or Canada lynx and greatly resembling the old-time "painter" or panther inhabiting Quebec and the Maritimes during pioneer days. Until panthers were rediscovered in New Brunswick some years ago it was believed that the last "Injun devil," as the big cats are called there, had been killed around the turn into the Twentieth Century. Now, however, declare many hunters, these undesirable predators are taking on a new lease of life to harry farm stocks. Many people around Richford, Vermont, reported a panther there about two years ago, so, while there are still a number of sceptics who believe the animal seen here is either a freak specimen of bobcat or a lynx, others believe the beast is a genuine panther. In any case with our keen Sutton hunters on the lookout for a chance to bag it, the animal may be killed and then identified.

Mrs. Arthur Proper entertained as a guest last week, Mrs. Gray of Springfield, Mass.

St. Pat's Academy Old Boys Association honored St. Pat's White Sox baseball team, winners of the Sherbrooke-Lenoxxville Little League, at its monthly dinner meeting held last evening at the Hotel Sherbrooke.

President Sylvester Parker welcomed the young players and congratulated them on their excellent work. He paid tribute to the excellent work done by the Coach E. Burrows and his son Al, and the Manager, Gerry Daniels.

Manager Daniels introduced the players and presented each with a gift from the Association. Mr. Parker presented gifts to the coach and manager.

Chief Percy Donahue, an honorary member of the Association, addressed the youngsters and stressed the importance of the youngsters' participation in healthful exercise. He congratulated the Association on its excellent work in providing entertainment for the youngsters. He reminded the youthful players that Fire Prevention Week would be coming up soon and that he expected them to listen carefully to the instructions which would be given to them by the firemen during this week.

President Parker presented Ralph McVeigh with a gift on behalf of the Association. Mr. McVeigh, who has been Secretary of the Association for a number of years has been transferred to Montreal.

Guests at the meeting included Cecil Mullin and Bill Webb of the Little League.

Members of the team were, C. Lachance, J. Maysenhoelder, R. Farrell, G. Gravel, G. Mongeau, B. McLeod, R. King, J. Pelletier, W. Gilbert, S. Brooks, M. Fabi, G. Pelletier, and J. Proulx.

Fullmer's Manager Busy Lining Up Title Fights For NBA Middleweight Champ, Wants To Meet Archie Moore

NEW YORK (AP) — Manager Mary Jensen is mapping out a series of four title fights for National Boxing Association middleweight champion Gene Fullmer. One of them would be a battle of champions with light heavyweight in Miami or Los Angeles.

"Gene wants to be busy and cash in," said Jensen, of West Jordan, Utah. "I'm working on possible title defenses against the Joey Giardello - Dick Tiger winner; Gustav Scholz, the European middleweight champion from Germany; Archie Moore, and then Spider Webb next June or July.

"Of course, Gene would have to win his middleweight title fights to keep on going. But I'm very confident he will be able to do that. He's won ten in-a-row and is in peak form."

Giardello, long-time contender from Philadelphia, and Tiger, Nigeria's British Empire 160-pound titleholder, clash in the Wednesday night television feature at Chicago tonight.

GRATEFUL TO NBA
"Gene is committed to fighting a leading contender," said Jensen, "and we're going to do that and more. We're grateful to the NBA for getting us the fight with Carmen Basilio. Fullmer stopped Basilio in the 14th round Aug. 23

and the title.
"If Gene keeps busy it will be better for boxing, which sure can use a good lift right now. We have no intention of ducking Webb even though Gene beat him a year ago. Gene and Webb would be a big fight for Salt Lake City but it would have to be outdoors. It could gross a quarter of a million outdoors in Salt Lake City.

"Ron Waller of Los Angeles wants to put on the Moore fight in Los Angeles or Miami in February. That could do a half million or more not counting television or theatre-television.

"Gene wouldn't have to give away too much weight, either. He would weigh about 167 which means he'll only spot Archie about eight pounds. And old Archie would be weaker. He's finding it harder to make that 175-pound limit."

Jensen was in town with Fullmer's younger brother Jay, a lightweight. The manager and Jay were scheduled to leave late Tuesday for Providence, R.I., where Jay meets junior lightweight champion Harold Gomes in a non-title television 10-round Friday night.

Fresno, Calif. — Ben Medina, 140½, Fresno, stopped Eddie Pace, 142½, Los Angeles, 6.

Dressing Room Comments

By PATRICK McNULTY
LOS ANGELES (AP)—"I was off balance when I grabbed the ball," said Felix Mantilla, close to tears. "It was the only play I had. I had to get rid of it."

A low throw by Mantilla on Carl Furillo's grounder in the 12th enabled the winning run to score from second base in the Los Angeles Dodgers' 6-5 victory over the Milwaukee Braves in the second game of the best-of-three playoff for the National League pennant.

Yet Furillo was given a hit on the play and even manager Fred Haney of the Braves was inclined to forgive Mantilla.

"He did the only thing he could," said the crestfallen Haney. "He didn't make a bad play."

Mantilla had moved from second base to shortstop after Johnny Logan was shaken up in the seventh inning.

FORCE PLAY
Mantilla said he thought when the ball was hit that he might have a force play at second base.

"But the ball took a crazy bounce and pulled me across the bag before I got it," Mantilla continued.

"He was lucky to stop the ball at all," Haney said, "and he was out of position to throw—and he threw low."

If Mantilla had held the ball, recovered his balance, and thrown to the plate could he have cut off Gil Hodges lumbering down the line with the National League flag in his pocket?

"No," said Haney. "The run would have scored."

How does Haney rate the Dodgers against the American League champions, the Chicago White Sox?

"The White Sox?" said Haney. "You don't think about them unless you win—and we didn't win."

BURDETTE APPROACHED
In another cubbyhole, pitcher Lew Burdette was pulling off his sweatshirt when a knot of sports writers tentatively approached.

The veteran right-hander talked pleasantly to the writers, saying with a light smile:

"In the ninth I thought I could have fielded (Duke) Snider's grounder (The ball went through the box for the second hit of the rally that closed a three-run gap to a 3-5 tie.)"

Manager Haney said he thought Burdette was out of position for both Wally Moon's and Snider's singles over second in the ninth.

Los Angeles manager Walt Alton strolled over from the tunnel and the shouting of the victors' dressing room. He and Haney warmly shook hands and Haney said:

"You came from behind and beat us and you deserve to win. When you blow a three-run lead in the ninth, you don't deserve to win."

"Give the other club credit,"

Furillo's Infield Single And Mantilla's Error Paves Way For Dodgers' Victory In 12th Inning

LOS ANGELES (CP) — Los Angeles Dodgers, one of this year's most bewildering baseball puzzles, scampers into the World Series Tuesday with an astonishing 6-5 victory over Milwaukee Braves.

A 12th-inning infield single by Carl Furillo and a wild throw by Felix Mantilla gave the Dodgers a two-game sweep of the National League pennant playoff.

The Dodgers, who finished the regular schedule tied for first place with Milwaukee, won the first playoff game 3-2. They meet the American League champion Chicago White Sox in the world series starting at Chicago Thursday.

It was truly a great comeback for the Dodgers, a team that finished seventh after reeling through the 1958 campaign like a gang of drunks on roller skates. But with largely the same team this season they pulled an incredible stunt, although nobody knows precisely what kept them up in the race.

Trailing 5-2 and shackled by Lew Burdette's pitching mastery Tuesday, the Dodgers chased the Milwaukee right-hander by tying the score in the bottom of the ninth inning.

Each team loaded the bases in the 11th, but it remained for the 12th inning to touch off a wild explosion by the slim crowd of 36,528 at Los Angeles Coliseum.

This was the situation just before the four-hour, six-minute struggle ended:

Stan Williams, sixth Dodger pitcher, and Bob Rush, fifth Milwaukee hurler, were pitching as though they expected to stay all night. The lights were on as the score stood at 5-5.

Wally Moon, Dodgers' leadoff hitter, popped out, Williams, who threw three hitless and scoreless relief innings, flied out.

THEN THEY STARTED
But Gil Hodges walked and catcher Joe Pignatano singled to left.

Furillo, 37-year-old outfielder, hit a pitch sharply through the box toward second base. Mantilla, the second baseman who replaced Johnny Logan at shortstop in the seventh inning, raced behind second to make a play.

His hurried throw was low to first baseman Frank Torre and bounced away. Hodges, who had held up at third, raced home with the winning run.

The Dodgers thus became the first National League club to finish seventh one season and win the pennant the next.

Teammates mobbed Hodges as he scored to give them their 13th pennant.

MANTILLA WEEPS
Mantilla, with tears in his eyes, explained his throwing play:

"It was the only play I had. I was off balance when I grabbed the ball. I had to get rid of it."

He took over at shortstop after Norm Larker winded Logan during a slide.

Milwaukee manager Fred Haney refused to criticize Mantilla.

"Give the other club credit,"

Dressing Room Comments

By CHARLES MAHER
LOS ANGELES (AP)—Off near a corner of the Dodger dressing room—beyond the dense noise and the spilled coke and the waving arms—Duke Snider sat in relative serenity, explaining how he became a prophet.

Not long before, he had predicted a near miracle, a remarkable recovery that made this remarkable team the champion of the National League.

The score was 5-2—the great advantage with Milwaukee—going into the bottom of the ninth. Snider was talking with teammate Wally Moon near the on-deck circle.

"I told him we were going to get five straight hits," Snider said. "And we got four straight and then a sacrifice fly—which doesn't count as a time at bat—and then another hit."

ON THE NOSE
"Man, you can't predict much better than that. I wish I could pick the horses that way."

Snider contributed the second of the five hits and scored one of the runs that pulled the Dodgers into a 5-5 tie, which they broke three innings later to win the pennant. Final count: 6-5.

Not far away, drenched by a soft drink dumped on his head by Gil Hodges, stood the winning pitcher, Stan Williams. Williams, a mighty man of 6 feet, 4 inches and 225 pounds, looked nervous as a man walking the prison scaffold as he pitched the biggest game of his life.

"I was just concentrating hard," he said. "I wasn't nervous. When I got in the game, I didn't feel the pressure at all. On the bench these last couple of weeks, the pressure has been driving me crazy."

"But I knew I owed the club this win and I wanted to go out there and get it."

FEW WORDS
Walter Alton—the quiet man who managed this same club in a frustrating seventh-place finish last season—was understandably speechless when he walked into the dressing room.

When he finally did say something, it hardly amounted to an oration.

"At the moment," he said, "I can't think of much to say."

Just as it began to appear the newsmen might find a more responsive subject if they interrogated a wooden Indian, a few thoughts occurred to the silent man.

"No season game gave me more of a thrill than this," Alton said. "But those three games we won from San Francisco a couple of weekends ago were the big ones. That was the big push we needed."

Patterson Enters Hospital For Knee Operation
MONTREAL (CP)—Montreal Alouettes club officials announced Tuesday that end Hal Patterson will enter Montreal General Hospital Thursday for an exploratory operation on his left knee.

The operation is to determine whether there is damage other than the sprained ligament that already exists.

The all-star end, who in past seasons has been damaged about the knees, was injured this season when Toronto Argonauts played here Aug. 28. Patterson was hurt on the Al's first offensive play of the game. He returned to action briefly Sept. 19 in a game here against Ottawa Rough Riders. He went lame while running for a forward pass.

Richmond, Calif. — Clarence Williams, 199, Hayward, Calif., outpointed Joe Sullivan, 180, San Francisco, 10.

White Sox Are 11-To-10 Favorites To Beat Dodgers In World Series, Early Wynn And Roger Craig To Start

CHICAGO (AP) — Los Angeles Dodgers and Chicago White Sox, two clubs that have to scrap for what they get, Thursday open what might be baseball's richest world series.

Manager Walt Alton, his Dodgers riding high after beating Milwaukee in the National League pennant playoff, said his first-game pitcher probably will be Roger Craig (11-5), an almost forgotten right-hander who became an ace in the drive for the flag.

White Sox manager Al Lopez is expected to name Early Wynn, at 39 the Old Man right-hander who topped the majors with 22 victories and was the American League's only 20-game winner.

The oddsmakers favor the White Sox, in the series for the first time in 40 years, at 11 to 10 for both the entire series and the first game.

The first two games will be played in Comiskey Park here with the best-of-seven championship then shifting to the Coliseum in Los Angeles for the third, fourth and, if necessary, fifth games. If needed, the sixth and seventh games will be in Chicago, with a day of travel interrupting play when the clubs shift parks.

It's the massive coliseum, seating some 94,000 for baseball, which could make this the richest series. Comiskey park seats 46,550.

All games will start at 1 p.m. local time (3 p.m., ADT, in Chicago, 6 p.m., ADT, in Los Angeles) and will be telecast and broadcast by NBC and CBC.

The bookmakers favor the White Sox because of their three days of rest since Sunday's close of the American League season.

That layoff, however, may have cooled off the Sox, while the Dodgers could still be riding the kick of having won eight of their last 10 games.

The Dodgers, first club ever to win an NL pennant after finishing seventh the year before, scheduled a workout here today. Lopez, who signed Thursday for next year, sent his White Sox through an intra-squad game

REMEMBER WHEN . . .

The British speedboat and auto ace John Cobb was killed seven years ago today when his jet-propelled speedboat disintegrated on Loch Ness in Scotland, apparently by smashing into waves set up by attendant craft. He had finished one run at 206 m.p.h. Cobb had also set the world auto speed mark of 304 m.p.h.

Four Teams To Operate In Loop This Year; Schools To Run Teams; Games To Be Played At High School Grounds

The Little Big Four Football League will officially open Saturday, Oct. 3, at 10.00 with two games. This year all the tilts will be played on the High School grounds, Victoria Street.

The league will consist of four teams with players coming from the various schools throughout the City. The East Ward, West Ward and Mitchell Schools will each have a team while the fourth will be made up of students from Leblanc School, corner of Ontario and Dominion.

This year the teams will be supervised by the schools although the financing of the loop will be maintained by the same executive as past years. Lorne Campbell is the president, Ken Jackson, vice-president, Bill Hammond, treasurer, and Jeff Wilson the secretary. The directors comprise Hap Rice, Len Gillam, Izzy Echenberg, Jim Strickland and Hally Evans.

The league regulations for weight and ages are the same. The limit for weights is between 75 and 110 pounds while the ages are between 10-12 inclusive by

St. Pat's Blank A.D.S. 3-0 In Soccer Fixture

In their first league outing of the season, St. Pat's High Junior soccer team coasted to a 3-0 win over A.D.S. High School at Danville Saturday.

Outplaying their opposition by a wide margin in the first half, St. Pat's struck early with goals by Steve Hicks and John Garneau. A.D.S. were unable to get a sustained attack going in this half and St. Pat's dominated play most of the time, both on the offensive and defensive.

In the second half A.D.S. settled down and started pressing. Paul Legendre scored another for the winners in this frame, upping the count to 3-0. Tight defensive work by Harte, Legendre, Daigle, and Mullin kept A.D.S. off the scoresheet as the green and white squad open another season in driving fashion.

Bruins Held To 2-2 Stalemate By Hull-Ottawa

HULL, Que. (CP)—Boston Bruins of the National League tied 2-2 with Hull-Ottawa Canadiens of the Eastern Professional League in an exhibition hockey game Tuesday night.

Vic Stasiuk and Leo Labine scored for Boston, Bob Rousseau and Knobby Clarke for Canadiens.

Raymond Fortier Elected President Of Eastern Townships Ski Zone; Schedule For Season Is Released

Raymond Fortier of the Hillcrest Ski Club was elected president of the Eastern Townships Ski Zone at the annual meeting held at the New Sherbrooke Hotel.

Jacques Audette of the Mount Orford Ski Club was named vice-president while Paul Blais was elected secretary-treasurer. Bob Therrien of the Hillcrest Ski Club was named technical advisor of the Zone.

Dates for the various events, during the season, which are sponsored by the Zone were discussed and the sites were fixed. The big event of the season will be the Canadian Junior Ski Championships which will be held at Thetford Mines on the weekend of Feb. 27-28-29.

The first local affair will be staged at Victoriaville on Sunday Jan. 17 and will be the Dow Invitation. On Jan. 31 another Dow Invitation fixture will be held at Thetford. The Eastern Townships Ladies and Junior championships will take place at Victoriaville.

The Eastern Townships Senior Championships will be run off at the Hillcrest Ski Club on Saturday and Sunday, Feb. 13-14. During the month of March the Adams Memorial championship will take place and the proposed dates are March 12-13. The Zone will take part in the Quebec Kandahar which will be staged at Mont Tremblant in the Laurentians.

President Fortier pointed out that only members of affiliated clubs of the Zone can compete

Sept. 1 of the current season. Three games are to be played each week. On Wednesday at 4:15 the only midweek tilt will be held while every Saturday morning two games are on the agenda. All tilts will be played on the High School grounds.

The teams will be coached by members of the staff of the above named schools. This is a new move from the past and the executive figured it would work out better under these conditions and would give the schools complete control of all clubs.

Philipsburg Couple Celebrate Golden Wedding Anniversary

PHILIPSBURG — On Tuesday, September 15th, Mr. and Mrs. J. B. Deuel of Philipsburg celebrated the 50th anniversary of their marriage at the Regal Nursing Home in Sweetsburg where they are patients at this time.

The Deuels were married on September 15, 1909 at the home of the bride in Farnham Centre by Rev. A. Ireland, rector of St. Paul's Anglican Church in Philipsburg. Mrs. Deuel was the former Florence Powers and had taught school in Philipsburg prior to her marriage. Since that time they have lived in Philipsburg where they were highly respected and honored residents, until about a year ago when ill health forced them to leave their home, and enter the Regal Nursing Home. On this eventful day, Mrs. Park, Superintendent of the Home, and her staff, had spared nothing to make their Golden Wedding Day a happy and memorable occasion for Mr. and Mrs. Deuel, this being deeply appreciated by their family and friends who were happy to see them in such pleasant surroundings.

The room where Mr. and Mrs. Deuel received their guests was decorated with a profusion of lovely flowers, prominent among them being a basket of yellow roses, a gift from the Powers family.

The tea-table was attractively arranged with a three tier wedding cake, suitably decorated in gold and white, this being a gift from Mr. and Mrs. E. H. Spencer of Cowansville. The cake was blanketed by golden candles in crystal holders, floral decorations and golden "50" Emblems.

Rev. W. J. White, rector of St. Paul's Anglican Church in Philipsburg, of which Mr. and Mrs. Deuel have been long and active members, on behalf of their many friends in Philipsburg and St. Armand presented them with an upholstered Platform Rocker with best wishes on this happy occasion. Mr. White also spoke of the high esteem in which this couple is held by all, who have known them and of the gracious hospitality always extended to all who visited at their home.

Mr. and Mrs. Deuel expressed their thanks for the gift and good wishes being deeply touched by the fact, that, though not in Philipsburg at this time, their friends there had still remembered them.

Mr. Clark Powers, on behalf of the family, presented them with a purse of money. Members of the family present were Mr. and Mrs. W. Crawford, Mr. and Mrs. Clark Powers, Mr. and Mrs. Clarence Powers, another brother, Mr. George Powers, who is also a patient in this home was unable to join the gathering due to ill health.

Refreshments were then served, with Mrs. W. Crawford, sister of the bride of 50 years, presiding at the tea table, and Mrs. Clark Powers and Mrs. E. H. Spencer serving.

A golden Guest Book, a gift from Mrs. Park and staff, was then signed by all who had gathered in this happy occasion.

Among those who were present in addition to the immediate family were Mr. and Mrs. E. H. Spencer, Cowansville, Mrs. R.

CHEVROLET CORVAIR — These two views of the new compact Chevrolet Corvair show its excellent all-around visibility, smooth styling and sleek appearance. The Corvair is only four feet three inches high and 15 feet long, yet it accommodates six people with ease. A light-weight air-cooled engine in the rear, independent four-wheel suspension system and unitized construction of frame and body are innovations.

Clark Farnham, Rev. W. J. White and Mrs. W. Martin, Bedford, Mrs. F. G. Young, Mrs. Arthur Crawley, Mrs. J. K. Kidd, Mrs. E. Dumouchel, Mrs. W. Mayes, Mrs. Hugh Symington, of Philipsburg, Mr. and Mrs. H.C. Hastings, Mrs. E. H. Naylor, Mrs. J. G. Thomas, Mrs. P. C. Luke and Mrs. G. L. Kidd of St. Armand.

FARNHAM

Rev. Lyall Simpson Again Heads Bible Society At Thetford Mines

THETFORD MINES — With a regrettably small attendance, Thetford Mines branch of the British and Foreign Bible Society held its annual meeting in the United Church Hall with Rev. Lyall Simpson presiding.

The meeting opened with a hymn for which Mrs. G. Kuyt provided the accompaniment, followed by the reading of the scripture by Rev. Sydney Meade, after which Canon M.H.W. Sealey led the group in prayer.

The minutes were read by Mrs. H. McHarg, secretary-treasurer. In connection with the financial report, Mrs. McHarg could only give the collections taken in by Mrs. Petery's group

Mrs. John Day Entertains WA At Cleveland

CLEVELAND — The New London W.A. met at the home of Mrs. John Day with eight members and three visitors present.

This being a quilting, at noon a potluck dinner was enjoyed.

The meeting was held with Mrs. Leslie Taylor in the chair. The treasurer, Mrs. Clarence Pease, reported a balance on hand of \$97.50. Minutes and correspondence were read by Mrs. John Hawker. A donation of \$10 was given to Mr. and Mrs. Stelwagen.

All Church members were asked to donate food for the harvest supper to be held at Chalmers' church in Richmond.

Remnants were sold.

The next meeting to be with Mrs. John Hawker on October 15th. During the afternoon, Mrs. Day served refreshments.

Miss A. House, of Granby, and Mrs. L. Rodgers, of Oakville, Ont., were recent guests of the latter's cousin, Mr. and Mrs. J. Beattie. Other guests at the same home were Mr. Malcolm Walker, Mrs. Malcolm Beattie, Miss Nancy and Master Jimmie Beattie, of Port Credit, Ont.

Mr. and Mrs. Harley Healy of Waterville, Me., were overnight guests of Mr. and Mrs. Ralph Healy and family. Other guests at the same home were Mrs. E. Healy of Melbourne, Mrs. Jennie Barrie, Miss Mildred Lemoine of Richmond, Mr. and Mrs. Reg. Brighton and family of Drummondville.

Miss Jean Beattie accompanied Mr. and Mrs. Kenneth Beattie and Ronald to Medford, Mass., where they spent a few days with Mr. and Mrs. Donald Beattie.

Mr. and Mrs. Paul Williams of Montreal were weekend guests of Mrs. Donald Perkins and Mr. and Mrs. Steve Perkins. While here, Mrs. Williams also visited Mr. and Mrs. Lloyd Oakley in Melbourne.

Miss Bernice Beattie spent several days with Mr. and Mrs. K. Cross and family at Kirkdale, before leaving for her teaching duties at Terrebonne Heights.

Mrs. D. Perkins, accompanied by Mr. and Mrs. Paul Williams, were guests of Mrs. Raymond Pease and Mr. and Mrs. Alex Fowler in Lennoxville and visited relatives in North Hatley.

It was with deepest regret that this community learned of the death on Wednesday, September 9, of Mr. Oscar Monahan of Victoria, B.C. Mr. Monahan was the son of the late Michael Monahan and Anne Perkins, former residents of Cleveland.

HUNTINGVILLE

Guests at the home of Mr. and Mrs. K. W. Hunting, were Mrs. William Mehlitz, of Baltimore, Md., and Mrs. Richard Colburn, of Pound Ridge, New York.

Mr. and Mrs. Larry Raycraft and family, formerly of Brompton, Ont., are guests of Mr. and Mrs. Andrew Robinson. Their many friends and former neighbors welcome them back as residents again.

Mr. Norman Bowers, and Mr. Douglas Hyatt, spent several days at Kedge, N.S. Mrs. N. Bowers, Miss Jean Bowers and Mr. Peter Bowers, returned home with them.

Mrs. Beatrice Clements, of Bradford, Vt., is spending three weeks at the home of Mr. and Mrs. William Bowers.

HENDERSON VALE

Mr. and Mrs. Billy Porter, Erie and Grace, and Mrs. Jessie Porter of Thetford Mines, were guests of Mr. and Mrs. Kenneth Kelso.

WATERLOO

Two automobiles collided on Main Street near the B. A. garage about midnight recently. The Pontiac of Mr. Durois of St. Paul d'Abbotsford and the Ford of Mr. Real Laramée of Waterloo were both damaged to the extent of \$450.
 Chief Hollenbeck asks the merchants in Waterloo to take special notice that their doors are locked properly at closing time. The police on duty at night discovered during the month of August fourteen establishments with a door unlocked. Loss or damage can result from this carelessness.
 Several from Waterloo attended the auction sale at the farm of Mr. A. J. Buckland at Barnston, Que. It was estimated between 300 and 400 were present at this large sale of Holsteins and farm machinery. Among those from Waterloo were Mr. and Mrs. William Hackwell, Messrs. Raoul Deragon, Joe Gerry, Lucien Roy, Art Reed, George Starr, Louis Healy, Ken Talbot.
 Constable Fernand Dufresne from Ville St. Laurent has joined the Waterloo Police Force.

The Doctor Says

RATS ARE NUMBER 1 ENEMY; VERY DANGEROUS TO HUMANS

Rats may carry diseases which can be acquired by human beings. Rats sometimes attack people, particularly infants and the aged. Rats destroy a great deal of food and cause enormous property damage. There are probably more rats in North America than there are people.

Rats can live in almost any climate and eat everything that human beings do—as well as other things. They have many similarities to man and can adapt themselves much better to change and disaster than we can. At present they are probably the most dangerous enemies of mankind except ourselves.

Rats carry many diseases of man and animals, including plague (the black death of the Middle Ages), typhus or jail fever, rat bite fever, and Weil's disease. Plague is a constant danger because it is present in rats in many parts of the world. Plague eventually kills the rats themselves; when this happens the rat flea which harbors the germ causing plague, leaves the dead rat's body and seeks the nearest alternate host which may be, and often is, a human being.

Several years ago, a study was made of attacks on human beings by rats in Baltimore. Records were obtained of nearly a hundred persons who had been bitten so severely by rats that they had to receive hospital treatment. This same report recorded studies which suggested that rats relish human blood and that the reason they bite people is that they are hungry.

The amount of injury which rats do and their burden on our economy is almost past belief. Several years ago, it was calculated that the annual damage done by rats in Washington and Baltimore alone was between \$400,000 and \$700,000 respectively. This represents an average loss of \$1.27 a year per person. This would come to about \$216 million for the United States alone. It is probably more since damage is undoubtedly greater in the country than in the cities.

Lantz of the United States Department of Agriculture, has listed some of the more destructive activities of rats: they eat corn during growth and in cribs, and a single rat can eat from 40 to 50 pounds of corn a year; they destroy wild birds, ducks, woodcocks and song birds; they attack bulbs, seeds and plants.

There seems no doubt that rats should be hunted mercilessly on all fronts. They are rivals of mankind and stand a good chance of being here after human beings have disappeared from the face of the earth.

teries, schools, churches, Women's Institutes, les Cercles des Fermieres, Farm Forums, Calf Clubs, school fairs, county annual agriculture fair, public speaking in the schools, music festival, Red Cross, a play presented in three towns by the Social Club of the Eastern Star Chapter, open-air service held at the Cookshire Fair Grounds, and the new Plastic Factory, situated in Cookshire, which has given employment to many, numerous people commuting each day from the outside towns. As far as the society was concerned, the obtaining of a building for a museum was the highlight of the year.

The following officers were appointed for the ensuing year: Honorary Patrons, Honorable L. St. Laurent, C. Gosselin, M.L.A. for Compton and Mac. Stearns, M.P. of Lake Megantic.

Directors, Duncan McLeod, of Milan, Ronald Stokes, of Bury; B.N. Holtham, Q.C., of Sherbrooke; L. Pomeroy, of Compton; L. Dumont, of Cookshire.

Honorary President, Rev. Canon W. C. Dunn; president, L. MacLeod; 1st. vice-president, L. Hurd; 2nd. vice-president, T. Burns; secretary, Mrs. George Parsons; treasurer, Mrs. Stanley Bishop; chronicler, Mrs. E. S. Heatherington; custodian, Mr. C. Picard.

At any time now, Mr. Picard, the Custodian, will be pleased to accept any contribution for the museum.

GENERAL NOTES
Mr. and Mrs. T. Bewick and daughter, Isabelle, were recent guests of Mr. and Mrs. Clayton Blodgett at Sand Hill.

Mr. and Mrs. Reggie Lebourveau and son Henry, of Bury, were recent guests of Mr. and Mrs. T. Bewick.

Mr. William Gillespie of Auburn, N.H., was a recent guest of Mr. J. Suffolk. Mrs. D. J. Macmillan entertained in honor of her son, Robert, who was celebrating his 7th birthday. Eight little guests were present and enjoyed a few games during the afternoon. Refreshments were served, with the proverbial birthday cake in evidence, the color scheme in decorations being carried out in yellow and blue.

Miss Mildred Parsons, of Cowansville, was a guest of Mr. and Mrs. Earl Parker.

Fall Activities Started By Vale Perkins WA
VALE PERKINS — Resuming the fall activities, Vale Perkins Woman's Association of the United Church met at the home of Mrs. Fred Jewett.

The president, Mrs. Howard Jewett was in charge and her devotional period was based on the parable of the Sower.
The treasurer's report showed a bank balance of \$321 receipts of two successful summer sales.

At the close of the meeting refreshments were served by the hostess, Mrs. Fred Jewett, assisted by her daughters, Mrs. Olive Perkins.
The next meeting will be held at the home of the president, Mrs. Howard Jewett, on October 7.

Roll call is to be answered with an article for the surprise table and sewing table as well as a topic based on Thanksgiving.

SLIDES SHOWN
Colored slides of a sailing holiday cruise in the Leeward and Windward Islands were shown by Mr. F. L. Mitchell, General Manager of the Canadian Pulp and Paper Association of Canada Ltd., at the United Church in the Vale. Mr. Mitchell also showed some interesting slides taken in British Columbia and Prince Edward Island as well as many of Lake Memphremagog. Mr. Mitchell's commentary was most informative and educational.

Lunch was served by the ladies of the Women's Association. The silver collection which was taken amounted to \$11.48 the proceeds went to the W.A.

Rev. James Hendry thanked Mr. Mitchell for a most interesting evening.

Compton County Historical Society Holds Meeting

EATON — The annual meeting of the Compton County Historical Museum Society was held in the Town Hall at Eaton with the president, Volney Hurley, in the chair.

The guest speakers were B.N. Holtham, Q.C., of Sherbrooke, who gave an interesting and informative address on the men of the Eastern Townships, dealing specifically with the life of Philip Henry Goss, an unsuccessful farmer of this district, but an Englishman who became a world-famous author on Nature Study, using numerous hand-drawings to illustrate his subject matter in his books.

Mr. L. Auger, of Magog, spoke on the Rogers Rangers, and vividly described the skirmishes between the Indians and the English on Lake St. Francis and district. Mr. Ladd, of Scotstown thanked the speakers.

Routine business was conducted and the minutes read by the secretary, Mrs. George Parsons, of Bury. A number of accounts were presented and ordered to be paid. It was noted that considerable repairs had been made on the old church at Eaton, now the site of the present museum. The chimney will soon be repaired

ed and several keys purchased for the building.

Thanks were expressed to L. Dumont for preparing and registering the deed of the above building gratuitously. Adequate insurance has been taken out on the building. Mr. Holtham is to order printed notices for the meetings.

There are now 79 members, several of whom are life members. Final arrangements will be made at the semi-annual W.I. meeting to be held in Scotstown on Oct. 3rd., for a supper, the proceeds will be for the benefit of this society.

The Chronicler, Mrs. Heatherington, gave a full report of the county happenings of the past year, pointing out the necessity of keeping accurate records to hand down to posterity. She dealt with the work done on cemeteries, schools, churches, Women's Institutes, les Cercles des Fermieres, Farm Forums, Calf Clubs, school fairs, county annual agriculture fair, public speaking in the schools, music festival, Red Cross, a play presented in three towns by the Social Club of the Eastern Star Chapter, open-air service held at the Cookshire Fair Grounds, and the new Plastic Factory, situated in Cookshire, which has given employment to many, numerous people commuting each day from the outside towns. As far as the society was concerned, the obtaining of a building for a museum was the highlight of the year.

Know Your Laws For Hunting Season

Game Law Summary For Quebec Hunters

IT IS UNLAWFUL

1—For any person, resident or non-resident in the Province, to hunt or trap without a license;

2—For any person aged less than sixteen years, to hunt unless holding a hunting permit and being accompanied by another responsible person, at least twenty-one years of age, holder of a hunting permit. This regulation does not apply to trappers hunting fur bearing animals with traps and snares.

3—To hunt or kill any game, animal or bird whatsoever, between one hour after sunset and one hour before sunrise;

4—To hunt with an automatic rifle which means a rifle needing only one single pressure on the trigger in order to shoot all the bullets in the chamber and magazine.

5—To transport a loaded firearm in an airplane or any land vehicle; a fire-arm containing a cartridge in its magazine shall be considered loaded. Any driver of a vehicle must stop after the signal of a Game-Warden and allow the inspection of his vehicle.

6—For any person to hunt without permission of the lessee, in any leased territory;

7—To hunt or kill caribou, throughout the whole Province;

8—To kill more than one Moose or one Deer in the course of any season, except when otherwise specified;

9—To kill cow Moose, or the calves of Moose in the Province and, in certain Zones, the Fawn and the Doe. (See map);

10—To locate or try to locate game with a jack-light or other artificial light and to use snares, ropes, nets or traps to hunt Moose or Deer under penalty of fine and costs or to imprisonment, or both penalties at the same time;

11—To use dogs to hunt Deer or Moose;

12—To allow dogs, apt to run or pursue Deer, to run at large in places frequented by Deer;

13—To hunt, kill or take Moose or Deer in their winter yards or by taking advantage of snow crusting;

14—To buy or sell the flesh of Deer, Moose or Caribou;

15—To transport or have in one's possession Moose or Deer or any part of these animals except under the following conditions:

a) Any person killing a Deer or a Moose must, as soon as the animal is killed, detach the possession or transport coupon, being an integral part of the hunting permit and attach said coupon to the carcass. Said hunting permit so altered becomes void;

b) Such person shall have to report to a game-warden within forty-eight hours after she left the forest, and remit to this officer said Moose or Deer Permit so altered;

c) Said person shall have to produce the antlers of any Moose or Deer killed within the limits of the Zones where females are protected or, upon a single request from a game-warden proceeding to this registration;

d) After the registration of such animal, a special seal shall be affixed to the carcass by the officer proceeding to the instructions of the honourable Minister at Fish and Game.

16—To ship game unless the name and address of shipper and consignee together with full description of contents be indicated on the parcel or container;

17—For any person to buy or sell Hare legally killed or taken, before the third day following the opening of the hare hunting season, and after the fifteenth day following the closing of the hunting season for same;

18—For any person to kill hare with snares in that part of Terrebonne County, south of the division line between the muskrat hunting zones, in the Counties of Deux-Montagnes, L'Assomption, Laval, Vaudreuil-Soulanges, Beauharnois, Huntingdon, Chateaugay, Napierville, Laprairie, Saint-Jean, Iberville, Rouville, Saint-Hyacinthe, Vercheres, Richelieu, Chambly as well as on all the islands of the St-Lawrence and Ottawa Rivers comprised in this region, mainly Montreal, Gesu, Perrot, Bizard, etc. Islands;

FUR-BEARING ANIMALS

29—To hunt, catch or trap fur-bearing animals out of season, and in season without a license;

30—To use poison to hunt or kill any animal or bird;

31—To destroy or damage lairs or burrows of fur-bearing animals;

32—To keep in captivity any wild fur bearing animal or any

gog and St. Francois rivers to the outlet of the latter at Lake St. Pierre, thence on the North-West, by the right bank of the St. Lawrence river to the starting point, as well as the counties of Vaudreuil and Soulanges.

The Southeastern section of Quebec, comprising that part of the Province bounded on the North-west by the right bank of the St. Lawrence River, starting at the outlet at the Saint Francois River, as far as the division line of the counties of Kamouraska and L'Islet; thence, on the Northeast by the said division line of the said counties; thence, on the Southeast and South by the international line as far as the West shore of Lake Memphremagog; on the West, by the west shore of the said lake and the left bank of the Magog and St. Francois Rivers to the starting point.
