No Sign Of Imminent Election As Parliament Is Prorogued

OTTAWA — (CP) — The third session of Canada's 22nd Parliament, prorogued last night, probably will go down in history as the Pipeline Parliament.

The Commons was nearly torn apart in May and June by the pipeline issue, which brought on an unprecedented motion of censure against Speaker Rene Beaudoin.

For a time, it appeared that the opposition would be able to force a general election. But the session went out like a lamb at 7:08 p.m. EDT last night with all indications pointing to another session before a 1957 general election.

During the acrimonious con-

trovercy over the government's legislation to lend Trans-Canada Pipe Lines Ltd. up to \$80,000,000 to build the 575-mile prairie section of a natural gas line from Alberta to Montreal, the Progressive Conservatives and CCF challenged the government persistently to call an election.

The government, which choked off pipeline debate with the infrequently used closure motion, weathered the storm.

The Conservatives and CCF questioned the impartiality of Mr. Beaudoin, who ruled consistently in favor of the Liberal government on the host of procedural points of order brought up by the opposition in their attempts to stave off the legislation.

Mr. Beaudoin finally submitted his resignation "to take effect at the pleasure of the House as soon as possible" but he withdrew it at the request of Prime Minister St. Laurent.

Last piece of business was approval by the Commons and Senate of the government's \$4,700,000,000 spending program for the 1956-57 fiscal year. The Commons ended its work at 4:43 p.m., the Senate at 5:55. Then both Houses met in the Senate chamber for the Prorogation ceremonies.

The 1,000-word speech from the throne, read in both French and English, was confined mainly to a review of work accomplished during the session. It had a few comments on the world situation:

"Since Parliament opened in January the relaxation of tension between the Soviet Union and the West has continued, though nothing has happened which gives us reason to believe that the fundamental policies of the Soviet Union have been changed.

"There has, unfortunately, been a deterioration in the position in the Middle East where the action of the government of Egypt in suddenly taking control of the Suez Canal has introduced a new element of discord and danger into that troubled part of the world."

Bulk of the debate on the final day of the session revolved around Social Credit charges that the CBC broadcasts Communist propaganda. The charges were disputed by CCF and Progressive Conservative speakers.

Parliament was adjourned to Sept. 24. However, this is a procedural formality and does not mean that the fourth session will convene then. The date is proclaimed in the Canada Gazette after decision by the cabinet.

Prime Minister St. Laurent, during Tuesday's question period, declined to commit himself on whether there will be another session before the next election. Neither would he give an approximate date for start of the next session.

Hurricane Threat Eases In Florida

MIAMI, Fla. — (AP) — Hurricane Betsy, creeping along some 200 miles off the north Florida coast this morning, was expected to wheel away into the open Atlantic today, thus ending the threat posed by her 120-mile-an-hour winds.

But even while forecasters were growing more optimistic over Betsy, they were investigating an area of strong winds and rainstorms far out in the tropical Atlantic where a new storm may be brewing.

A ship reported Tuesday night that it encountered winds estimated at 40 to 50 miles an hour about 700 miles east of Puerto Rico, and an observation plane was sent to investigate this morning.

However, Betsy was still getting most of the attention.

The storm, now under scanning from land-based radar as well as planes, apparently made a slight turn to a more northerly course Tuesday night. This was the path forecasters had said would move it on a steadily less threatening course.

Betsy battered the Bahamas island of San Salvador Monday night, leaving many islanders homeless and knocking out the United States Air Force's installation for tracking guided missiles fired from Florida.

Convention At Crucial Position

By GEORGE KITCHEN

CHICAGO — (CP) — The Democratic national convention today approached the crucial platform stage after a meeting which dragged into the early morning hours came up with a civil rights plank believed moderate enough to avoid a serious party fight.

A 17-man platform drafting committee worked long after midnight in a penthouse high in the convention hotel, striving to produce a compromise on the touchy subject acceptable both to the North, which favors racial equality, and to the South, where talk of equal rights for Negro and white is taken as a virtual call to arms.

Early today they agreed on one by a vote of 12 to 5. The five southerner members cast what was described as a "token protest for the record."

The exact text of the hotly-disputed plank was held back pending a meeting later today of the full 108-member platform committee, but informed sources said the proposed plank refers to the United States Supreme Court in general terms while avoiding mention of its decision ordering an end to racial segregation in the public schools.

Southern delegates to the convention had threatened a rugged fight and probable loss of southern votes in the November election if the plank gave specific support to the court's school desegregation decision.

Meanwhile, Adlai Stevenson took a long stride toward clinching another chance to run against President Eisenhower by racking up 31½ of Michigan's 44 Democratic presidential nominating votes.

Stevenson's forces broke through the ranks of "favorite son" candidates when Governor G. Mennen Williams threw his support behind the 1952 nominee at a late-night Michigan delegation caucus.

The delegation decided to give 31½ votes to Stevenson, 11 to Governor Averell Harriman of New York and ½ to Sen. Stuart Symington of Missouri.

Stevenson's forces expected to add later in the day majority support from New Jersey's 36-vote group.

In advance of this, the Associated Press tabulation of first-ballot choices publicly avowed Stevenson 57½ votes to 23½ for Harriman. Other candidates had 314 votes and 253 remained uncommitted.

Nomination requires 686½ votes. Stevenson forces are stepping up the pace in a renewed drive to sew up the contest on the first ballot in the face of increasingly bitter opposition from former president Truman.

Truman, supporting Harriman to the hilt, said Tuesday that "I don't think he (Stevenson) can win in November."

Banks Will Boost Rates Of Interest

TORONTO — (CP) — A general increase in the lending rates charged by Canadian chartered banks — the second in less than four months — can be expected shortly, it was learned Tuesday in banking circles here.

The increase is described as a reflection of progressive increases during the last year in the lending rate of the Bank of Canada. This now stands at 3½ per cent, its highest level ever.

The chartered banks' last interest boost was announced April 23 and was one-half of one per cent. The prime commercial rate, the minimum interest, was increased to five per cent for 4½ and all other rates up to six per cent were increased by the same amount.

Disqualified Winner — Lt. Edson L. Warner, of Lennoxville, Que., is shown after he was disqualified from competition in the Queen's Medal match at Ottawa. Warner outshot all other competitors, but was disqualified for taking too much time. First prize in the annual Dominion of Canada Prize Shoot went to Sgt. J. R. Hardy of Kingston, Ont., and Vancouver, B.C., following a protest upheld against the Lennoxville marksman. (CP)

Sub-Launched Missiles Risk, Says Navy Chief

VICTORIA — (CP) — Canada's chief of naval staff says "almost nothing" would prevent enemy submarines from sneaking close to Victoria, Vancouver or other Pacific coast ports and launching missiles.

Rear-Admiral H. G. DeWolf, in Victoria Tuesday to inspect ship and shore installations of the RCN Pacific command, said it would be "fairly simple" to launch a missile from a submarine near here.

Research is being carried out to find defences against submarine attack, "one of the most urgent problems" the navy faces today, he said.

The 14 St. Laurent-class sub-chasing destroyers to be commissioned by the end of 1958 will provide some defence, he said.

Because of its anti-submarine role, the Canadian navy has no immediate plans for building any larger ships, the rear-admiral said, but does plan to install more modern equipment.

Former Hitler Foreign Minister Dies In Germany

STUTTGART, Germany (AP) — Baron Konstantin von Neurath, 83, Hitler's foreign minister for a time and "protector" of occupied Czechoslovakia, died Tuesday, his family announced today.

Death was attributed to a heart ailment.

Von Neurath was freed from Spandau prison in Berlin Nov. 6, 1954. He had served eight years of a 15-year sentence as a top Nazi war criminal.

Black Market In Coins Is Broken In Sicily

CALTANISSETTA, Sicily — (AP) — A black market in ancient coins led to the arrest Tuesday of 26 Sicilians. The coins were from a hoard described as one of the richest ever found.

Ten workmen discovered them in a huge vase while digging a cellar last month near the railroad station in Gela, Sicily. They said they counted about 900 coins, took them home and began offering them for sale. Thus the coins reached Sicilian black marketeers.

Prof. Dinu Adamasteanu, Sicilian archaeologist, called the treasure "one of the richest ever found—worth hundreds of thousands of dollars."

Believe Shepilov Will Move Adjournment Since Egypt Absent

LONDON — (CP) — More delegates arrived today for the Suez conference opening Thursday as the Western Big Three pondered reports that Russia may try to wreck the talks before they get off the ground.

Reports from Moscow Tuesday night said Foreign Minister Shepilov was planning to move for adjournment at the very opening of the conference, and to urge that it be expanded and held at a different site.

Twenty-four countries were invited to attend the London conference following the July 26 nationalization of the Suez Canal by Egypt's President Nasser. Greece and Egypt rejected the bids, and Egypt declared that all countries that regularly use the waterway — about 45 — should be invited to any talks on the canal's future.

Although Russia decided—with reservations—to attend the London meeting, it supported Egypt's nationalization of the canal and said the list invited to Suez talks should be broadened to include the Communist European countries and all Arab states.

Shepilov was reported ready to announce that the Soviet Union would not abide by any conference decisions on the ground it is not competent to act without Egypt.

Moscow radio broadcast a Pravda comment claiming the Western powers already have made cut-and-dried plans for conducting the conference here.

Shepilov arrived here Tuesday. This morning State Secretary Dulles of the United States flew in from Washington after a predeparture conference with President Eisenhower.

Speaking to reporters here, Dulles said of his talk with Eisenhower:

"We went over together a great many formulas which could be devised to assure a dependable international operation of the canal, consistent with the rights and dignity of Egypt. We believe that such a formula can be found and that it will be found because any nation that rejects such a formula will have a heavy responsibility before the world."

Britain and France have taken firm stands that the vital Middle East waterway must be internationally controlled to guarantee free passage to all shipping.

Foreign Secretary Selwyn Lloyd restated that position in a radio address Tuesday night, and defended Britain's military build-up in the Mediterranean area. He asserted Britain will work with all her power for a peaceful solution.

"With Britain, force is always the last resort," Lloyd said.

Lloyd assailed Nasser as a dictator whose goal is control of the Arab countries and their oil resources. But he said Egypt would have an important role in any canal control plan, and that such a plan would be linked to the United Nations.

India's Prime Minister Nehru again declared in New Delhi that India "opposes the slightest attempt to solve the dispute by force." He added that his country is on the "friendly terms with both the United Kingdom and Egypt, and that gives her a special advantage to contribute to a peaceful satisfactory solution."

Sen. Hackett Calls For Montreal Tunnel Links

OTTAWA — (CP) — Senator John T. Hackett Tuesday called on the government to build tunnels linking the island of Montreal and the mainland.

The tunnels, he said in the Senate, would serve defence and transportation purposes.

"I find it difficult to find the reason that so much should have been expended in defence when one of the prize projects to be defended is the city of Montreal," the Progressive Conservative senator from Quebec said.

He added that the government should have provided for the expenditure of money on tunnels to protect Montreal which he described as "a great source of strength" for the country.

Senator Hackett made his comments as the Senate gave final approval to the government's planned expenditures for the current fiscal year.

Strike Supports Nasser

CAIRO — (Reuters) — A 24-hour general strike has been called for midnight tonight in Egypt as a gesture of support for President Nasser in the Suez crisis.

A press notice issued by the general strike committee today said it would be in support of Egypt's "legitimate" right to nationalize the Suez Canal Company and in "condemnation" of the attitude of the big Western powers, which, the notice declared, are still clinging to their "aggressive imperialistic policies" of the past.

Sympathy strikes are expected in other Arab countries.

At the same time the newly nationalized canal authority announced today that daily ship convoys through the canal are being reduced from four to three.

No immediate reason was given. The change means that from today there will be two southbound convoys from Port Said, but only one northbound from Suez.

The strike is planned to coincide with the opening Thursday of the London conference on the canal situation.

It will not affect the navigation of the canal or other public services, including electricity, water, banking, broadcasting, and telephone and telegraph systems.

Airline companies announced that they would by-pass Cairo following the decision of Cairo airport workers to join the strike.

The general strike committee has issued instructions to all trade union syndicates to see that the strike goes off peacefully.

Princess Marking Birthday

LONDON (AP) — Princess Anne, whose uninhibited gaiety has gained her the title "Little Miss Mischief," celebrated her sixth birthday today.

Her party was a private family affair aboard the royal yacht Britannia with "mummy" and "dad" the Queen and the Duke of Edinburgh and brother Charles, heir to the throne.

The Royal family is cruising in Scottish waters visiting the remote Western Isles.

The little blonde girl with the sparkling blue eyes has won the hearts of Britons by her carefree manners and perpetual smile.

She loves crowds and plays up to them, but still doesn't know that she's a princess or if she does, she never gives any indication of paying any special significance to her royal rank.

She is called just Anne without the princess-by-her-nursemaid and palace officials.

She is learning reading, writing and arithmetic, but has not really begun formal classroom lessons yet.

She would rather play. She shows an intrepidity that often frightens whippersnappers who whirl around the palace grounds on her bicycle or goes riding on her frisky Welsh pony, William.

World News In Brief

LAUZON, Que. — (CP) — Nine workmen were injured here Tuesday in an explosion aboard the 2,338-ton tanker Irvinglake.

The tanker, damaged when she ran aground in the St. Lawrence River off Quebec a week ago, is in drydock at the shipyards of George T. Davis and Sons Ltd. for repairs. Most of the injured are employees at the shipyards who were working on the vessel when the explosion occurred.

WASHINGTON. — (AP) — President Eisenhower Tuesday named J. Lee Rankin, now an assistant attorney-general, to be solicitor general of the United States.

MIAMI BEACH, Fla. — (AP) — Brassy Martha Raye is recovering after a bout with too many sleeping pills.

The actress and comedienne, unconscious when found early Tuesday on her bedroom floor, was described last night as "awake and feeling fine."

Her physician said she must have taken about 20 pills.

OTTAWA. — (CP) — A record 58,012 housing units were completed in Canada in the first half of this year, the bureau of statistics reported Tuesday. Completions, with 1955 first-half figures in brackets, included: Newfoundland 549 (299); Prince Edward Island 73 (32); Nova Scotia 980 (1,124); New Brunswick 600 (548); Quebec 18,249 (14,225).

LONDON. — (AP) — About 500 persons chanted "we want peace" and booed Prime Minister Eden as he returned to his 10 Downing Street residence Tuesday night from the theatre. The crowd had come from a mass meeting called by two left-wing Labor members of Parliament, Barbara Castle and Fenner Brockway, to demand a change of policy on the Suez crisis. Eden, smiling and cheerful, just beamed and waved from his car.

Two Men Responsible In Slaying

STE. AGATHE, Que. — (AP) — A six-man coroner's court jury Tuesday night held two men criminally responsible for the gun-slaying Aug. 7 of Police Capt. Ernest Chalifoux, 51, in this Laurentian resort town 60 miles north of Montreal.

The men, Michel Benoit of Montreal, 33, and Bernard Landry, 32, of Bathurst, N.B., were picked up by police last week after one of the most intensive manhunts in the history of the area.

About 1,900 citizens jammed into a convent auditorium, where the inquest was held, while several hundred others milled around outside.

The jury took 23 minutes to return its verdict.

Detective-lieutenant Ubald Legault, head of the provincial police homicide squad, read a statement he said the accused made to police.

The statement quoted Benoit as saying "I did not mean to kill the policeman. I just wanted to wound him to avoid arrest."

Both men are expected to be charged in court today.

AT THE SHERBROOKE FAIR: From the four corners of the world comes a group of talented performers to delight audiences in the big grandstand show at the Sherbrooke Fair, from August 25 to August 30. Siam, Germany, Belgium, Syria and Malaya claim the four-footed members of Hawthorn's Bears, a fascinating presentation of animal artistry.

Trainers Paul Lemery and Gloria Tucker have won the admiration of animal trainers all over the country with their unique troupe. Every bear is a skilled performer whose instant response to the two personable young trainers is almost uncanny. Colorfully costumed in the manner of their human counterparts, Hawthorn's Bears provide a full show by themselves, with acrobats, clowns, high wire performers and trick riders. Their natural high spirits and playfulness make it obvious that the bears get just as big a kick out of their act as the spectators do.

Originally formed as a part of Hawthorn Melody Farms Zoo in Illinois, Hawthorn's Bears became so popular with visitors to the famed menagerie that it was decided to release them for appearances at circuses, fairs and parks. Each animal has had at least two years of training before joining the act, a factor that helps account for their amazing skill, enthusiasm and thespian ability. Under the patient direction of Miss Tucker and Mr. Lemery they have captivated a nationwide host of admirers.

Revolt From Slavery

Many times the West has wishfully over-estimated the extent of turmoil within the subjugated Communist lands of Eastern Europe. But now the trouble seems real.

First there were the Polish riots. The Polish Red regime in effect acknowledged the gravity of the underlying causes by decreeing an emergency program for raising Poland's living standards.

In East Germany, itself the scene of riots a few years back, fresh signs of economic difficulty arise. Inflation menaces seriously.

Reports of discontent and escapes to freedom by beleaguered citizens are recorded from Hungary and Czechoslovakia.

All this evidence should help to blast the myth that a dictator has no problems because he controls the weapons of suppression. Not even a tyrant can wholly ignore the people he has enslaved.

But a tyrant's way of dealing with unrest is not to destroy its real roots. He simply applies surface palliatives, in the hope of quieting the popular temper.

Thus Communist leaders in the satellite lands, under orders from the Kremlin, are today making concessions designed to ease the boiling tensions.

They are not, however, moving to eliminate the tensions altogether. To do that they would have to eliminate themselves. For the fundamental complaint of the Eastern European

masses is against a dictatorship which sustains itself in a hostile regional and world setting by heavy reliance on arms and the industries which can provide military might.

Such reliance is of the very essence of dictatorship. The Kremlin may pull heavy industry output down a few notches in order to throw the restive citizenry some extra crumbs, but this process can only go so far.

Human suppression breeds tensions. The art of dictatorship would seem to be to keep these tensions under control. Obviously, both at home in Russia and abroad in the satellites, the Communists have failed in this objective.

The exposure of their failures ought to be instructive to millions in the world who still may foolishly imagine that communism somehow has the answers for their chronic economic distress.

They can see plainly that economic suffering is an inherent, built-in feature of Communist dictatorships. Communism is not a system aimed at human betterment. It is rather a system for making poverty permanent.

The palliative gestures the Reds make when the yoke of iron becomes unbearable to the enslaved are so pitifully insufficient that they should provide the world with the final measure of communism's fraudulence.

The Kremlin is not concerned with making people happy. Its purpose is merely to keep them from translating their unhappiness into rebellious action.

Soviet Job Improvement

Things are really looking up for the Soviet worker. Now he can no longer be thrown in jail for quitting his job.

This big-hearted change of policy from the Kremlin is disclosed in an article in "The Monthly Labor Review" published by the U.S. Department of Labor. The author is Jerzy G. Glikman who is with the social science division of the Rand Corporation.

He points out that formerly Soviet workers could be imprisoned for such crimes as resigning their jobs, absent-

eeism, tardiness or a number of other minor infractions.

The change, according to Glikman, stems from the fact that Russian rulers fear they can't keep the new generation of workers in hand under continued heavy discipline. And they apparently hope to coax better production with methods less harsh.

Under the new labor decrees those guilty of infractions of work discipline will not be hauled into court. Instead they can be fined, fired, demoted or deprived of bonuses and seniority by management.

Grand, isn't it?

For Safety's Sake

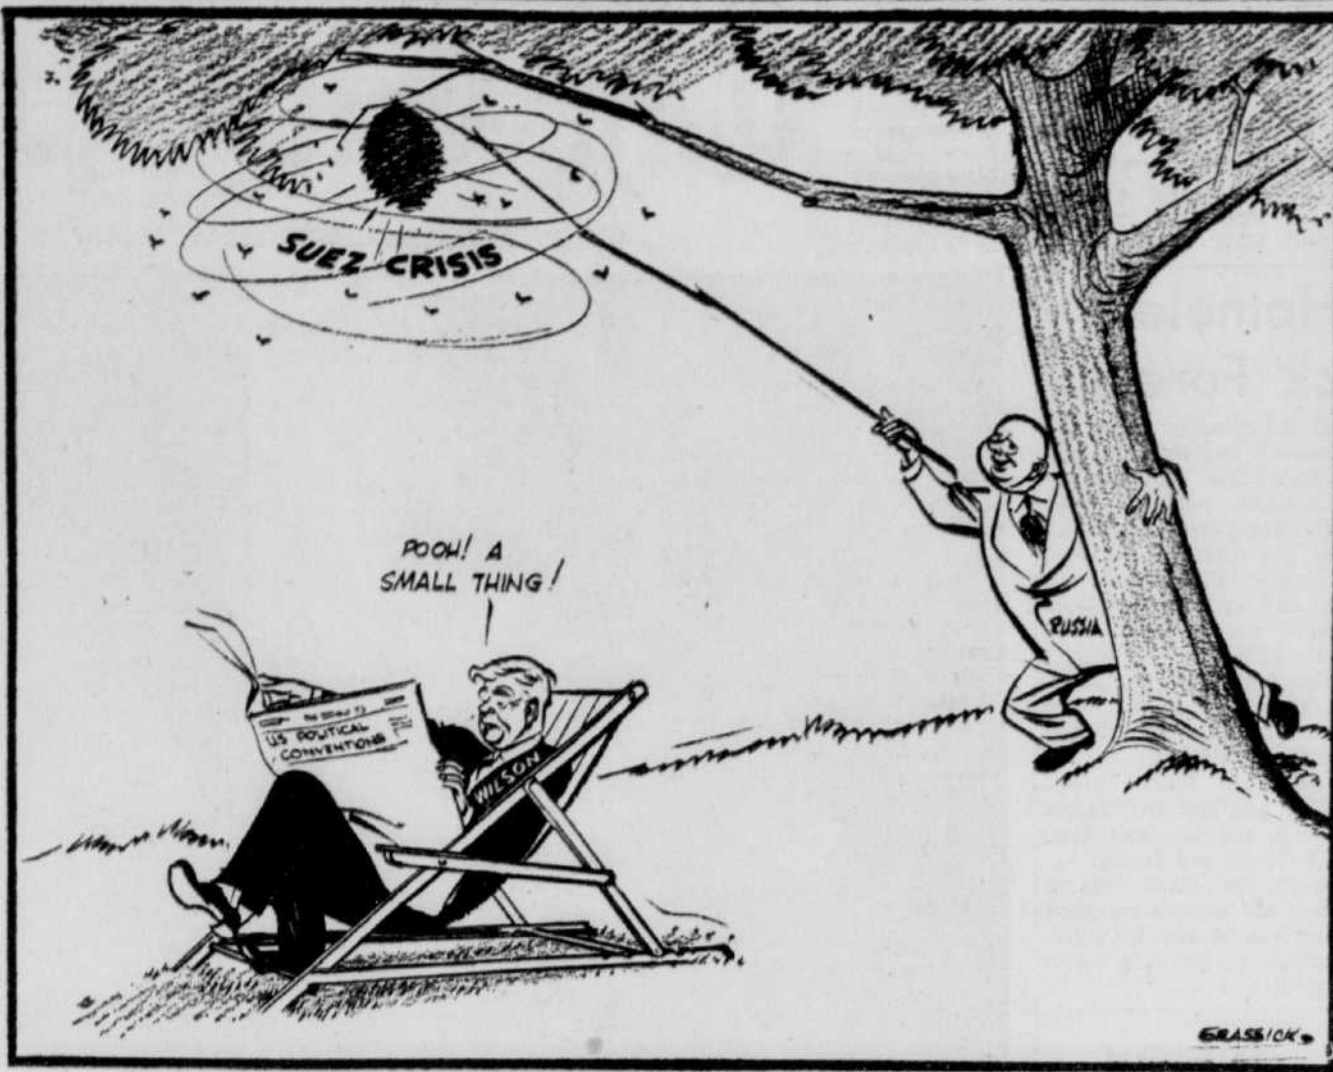

It is understandable that the Icelanders may be a bit tired of playing host to American soldiers. Their troops have been there pretty continuously since 1940, when the United States first occupied the island as a protective measure.

But Iceland's argument that the present 150-million-dollar NATO base at Keflavik is no longer needed because of improvements in the world situation seems like a risky rationalization. As a matter of fact, NATO has formally rejected Iceland's plea

for troop withdrawals based on this argument.

Things might be different if Iceland had its own armed forces to man such a base, but it does not. Without U.S. soldiers the strategic stepping-stone for intermediate bombers would be defenseless.

Iceland says it wants to stay in NATO. That being so, the only real contribution it can make to Western defense is to swallow its distaste for foreign soldiers on its soil and continue to let the vital Keflavik bastion be operated.

IT MAY LAND RIGHT IN HIS LAP

WORTH REMEMBERING

(Brandon Sun)

It isn't exactly news, but it bears repeating, if only because we're so apt to forget it; Canadians are a fortunate people.

Not least because so many of life's little luxuries are within our reach. Luxuries which are beyond the means of ordinary people in most countries of the world.

Of every \$100 spent by these families, an average of only \$52.40 was required for the essentials of life — food, clothing and shelter. In other words, basic necessities claimed only a little over half of total income.

True, much of the remaining expenditures was hardly of a "luxury" nature. Taxes, for example, accounted for \$5.80 of each \$100 and medical care and insurance for \$4.30. And most of us would certainly not consider \$7.80 and \$6.20 in every \$100 for automobile and furniture respectively anything but absolutely essential.

Yet even so, there are still the radios, the telephones, the television sets, the record players, the labor-saving devices of all kinds.

These are only some of the more obvious "extras," which for most Canadians add up to the difference between living and existing. For millions of non-Canadians they are an impossible dream.

Outside of the United States, in what country would you find a survey of typical families revealing that 96 per cent have radio, 72 per cent have a telephone, 93 per cent have electricity, more than 50 per cent have at least one car, while almost as many have television sets? What's more, the proportion of Canadian families who have these symbols of material well-being is climbing rapidly all the time. Their absence is as likely to be a matter of choice as inability to afford them.

Praise the economic system which has made all this possible — and never forget it could not have been done except under this system. It's worth remembering.

SECOND ERROR ALWAYS WORSE

TO DELAY OR CALL AN ELECTION NOW (Financial Post)

What is there in the current saying that the Liberals won't call an election because they are afraid they wouldn't do as well this year as they might next year? To us, this hardly squares with the probabilities. Farm problems aren't likely to be diminished by next year. There's a bumper crop in prospect now, and a carryover of about half a billion bushels is expected. If the Government were trying to schedule an election with an eye to the farm vote, now is probably the best time for it. There's a lot to exhilarate a voter in a good crop standing in the fields; that same crop stored unsold has the reverse effect. Unless the Government can see a prospect of selling nearly a billion bushels of wheat between now and next summer, there would seem to be no advantage in holding off a vote.

Tax cuts aren't likely to help the Government much. It seems unlikely that substantial cuts can be made next spring without generating a rise in prices. On tax policy, in fact, the Government is apt to be damned if it does and damned if it doesn't.

Some people expect the Government to go to the polls brandishing the report of the Gordon Commission on Canada's economic prospects. There's a good reason to suspect that the report will be better politics before it is written than after. There are quite a few tender areas in the Canadian economy and any candid examination of the future is apt to expose a good many of them, no matter how tactfully worded. If the report is a good economic document, its values for politics are not likely to be so great. Until it's on paper, though, the Government can take credit for what the voters hope it will contain.

The Government, with a mandate that still has two years to run, can probably find excellent reasons for delaying an election. Yet its chances of winning look as good right now as they are likely to be in the future. We doubt if there will be any diabolical cunning involved in a decision one way or the other.

ABSENT MEMBERS

Winnipeg Tribune
Absenteeism in the Canadian House of Commons is a \$10,000 a year crime for which there is no penalty between elections, and no certain even then. It is high time that some of the flagrant offenders were weeded out.

An absentee MP is not worth \$10,000 a year of the taxpayers' money; even some of the faithful aren't worth that much. Voters should ask MPs who seek re-election to declare their batting average.

queen of clubs or the ace of diamonds. East made the second mistake when he returned a club, and South easily won the rest of the tricks.

East should come to the right conclusion upon winning the first trick. If South lacks the queen of clubs, he would surely finesse dummy's jack of clubs. South would not expect West to be leading away from the ace of clubs, but it would be perfectly normal for West to be leading from the queen. When South did play the king of clubs from the dummy, it should have been clear that South held the queen of clubs in his own hand. For this reason, East should have returned a diamond at the second trick to defeat the contract.

CARD SENSE

Q—The bidding has been:
North East South West
1 Club Pass 1 Heart Pass
1 Spade Pass ?
You, South, hold:
Spades K-Q-J-4, Hearts K-J-6-3-2, Diamonds A-5, Clubs 6-2.
What do you do?
A—Bid four spades. This shows very strong trump support and roughly the strength of an opening bid. Your failure to make a slam try suggests that the distribution is balanced.

TODAY'S QUESTION

The bidding is the same as in the question just answered. You, South, hold:
Spades K-Q-J-4, Hearts K-J-6-3-2, Diamonds A-5-2, Clubs 6.

President Truman has made it known in a letter to Britain that he rejects the plan recommended by an Anglo-American cabinet of experts to divide Palestine into four federal states. President Truman advised Britain that as mandatory power in Palestine, she should go ahead with any action she deems wise under the circumstances.

State Secretary Byrnes of the U.S. told the Peace Conference today that economic treaties concluded in contradiction of the Potsdam agreement would lead to "enslavement and exploitation". At the same time Mr. Byrnes took exception to the Russian allegation made in the debate on Italy's statement to the Conference, that certain countries had enriched themselves during the war. He said that he hoped the Russian spokesman had not been referring to the U.S.

President Forest Keene and Secretary Jim Strickland tossed the Sherbrooke Athletics hat into the Quebec Rugby Football Union ring last night at a meeting in Montreal, where arrangements were made to have the teams swing into action September 1st.

Mr. St. Laurent Evades The Issue

(Ottawa Journal)

Lt.-Gen. Guy Simonds, former chief of the General Staff, and Major-Gen. W. H. S. Macklin, retired adjutant-general of the army, make grave charges against the efficiency of Canada's defenses.

General Simonds says our methods of recruiting are extravagant and wasteful, that they attempt to train men who are morally and physically unfit, the proof of which was that 7,000 of the 20,000 men recruited for Korea deserted.

General Macklin says we have an air force that cannot get into the air, that defence policy is governed not by military needs but by party politics, and that "billions follow billions of dollars into the quicksands of the Defence Department."

What is the Government's reply? The Government's reply, given by the Prime Minister, is this:

"I think they (the charges) were intended to be alarming, but I do not think they created the alarm in the public mind that was intended."

That is not a reply; it is a pitifully irrelevant evasion. The question is not whether what these generals say alarms

us or doesn't alarm us; it is whether what they say is true. If what they say is true and yet doesn't alarm us, then so much the worse.

Mr. St. Laurent's seeming idea that so long as we don't get frightened the truth of the charges doesn't matter reveals a state of mind all but unbelievable—amounts to saying that if there are burglars at your door and you have no effective way of dealing with them you are perfectly all right so long as you don't get alarmed.

But Mr. St. Laurent's words reveal more than irrelevancy and foggy thinking; they betray appalling complacency. Here are two of our most senior, able and experienced military officers, men who know the Defence Department inside out, saying our defence setup is wrong, weak and wasteful, yet Mr. St. Laurent, surrounded by smug colleagues and his servile parliamentary majority, says in effect that he is not even bothering to find out whether the charges are true.

That is what government in Canada has come to!

MRS. WILLIAM LONGMOORE, OF MONTREAL, FORMERLY OF NELSON, QUE.
MONTREAL — The many relatives and friends in the

Eastern Townships learned with regret of the death of Mrs. William Longmoore in the Royal Victoria Hospital, Montreal, on Wednesday, May 30, following a fall in her home the previous day.

Mrs. Longmoore, usually called "Aunt Belle," was in her 94th year. She was born at Inverness, Que., on July 3, 1862, a daughter of the late John Dempsey and his wife, Irvine Ferguson, and was the last surviving member of a family of eight.

Her girlhood days were spent there, with the exception of seven years in Seattle, Wash., and Boston, Mass. On January 11, 1905, she was married to William Longmoore, of Nelson, Que., who predeceased her in 1923.

The funeral service was held on Friday, June 1, at William Wray's Chapel, 2075 University Street, Montreal, Rev. Charles Adey, of Longueuil, officiated, assisted by Mr. K. J. Campbell, of Cote des Neiges United Church. The hymn "Safe In The Arms Of Jesus," was sung.

Interment took place in St. James Cemetery, Leids Village, on June 2. The burial service was conducted by Rev. Francis Crook, of Inverness. Bearers were John Dempsey, Clayton and Dan McLoose, John Longmoore, Ivan McCrear and Everett Reid.

The many floral tributes were sent tokens of the esteem in which Mrs. Longmoore was held by friends near and far.

Mrs. Longmoore was a devoted member of the United Church and helped in all activities as long as her health permitted. She had a wide range of friends, young and old, whose visits and letters gave her great pleasure, while her warm welcome, her self-effacing interest in others, her kindly humor and her never failing cheerfulness were an inspiration to all who had the privilege of knowing her.

Relatives and friends who attended the services were from Jamaica, Long Island, Montreal, Danville, Richmond, Sherbrooke, Huntingville, Sawyerville, East Clifton, Birchton, Theftford Mines, Inverness, Rectory Hill, Kinross's Mills, Nelson and Leeds.

Birchton Friends Fete August Bride Prior Marriage

BIRCHTON — Mrs. Nutbrown, the former Miss Fern McComb, R.N., an August bride, was the guest of honor at a "Green and White" miscellaneous shower, in the Birchton Hall, prior to her marriage. On arrival, Miss McComb was conducted to her chair by Mrs. Alex Glen, while Mrs.

Clifford Brazel, also of Eaton, played Mendelssohn's Wedding March.

As little Diane Brazel presented the guest of honor with a corsage of sweet peas, balloons suspended above exploded into showers of confetti.

Little Judy and Janet Taylor, drew a heavily-laden cart, decorated in the prevailing color scheme, and placed the gifts on to the table in front of Miss McComb. The three little ladies found it necessary to make five trips to the unloading point before their task was done.

The bride-elect was assisted in unwrapping the gifts by her

mother, Mrs. T. McComb and her mother-in-law to be, Mrs. Nutbrown, of Lennoxville.

A pleasing innovation was introduced when Miss McComb removed her ring, and after tying it to the ribbon from the first gift, passed it to the guest on her right, and added each ribbon as the gifts were untied. There were three strands of ribbon around the Hall when the last parcel was unwrapped.

By request, Miss June Mogens, of Sawyerville, rendered several vocal selections, accompanied at the piano by Miss Marilyn Laberee, of Eaton. They also gave some instrumental selections.

Miss McComb expressed her appreciation of the gifts and the good wishes.

Refreshments were served by the conveners, Mrs. Alex Glen, Mrs. Orrin F. Bailey, and Mrs. Arthur Rogers, assisted by several of the ladies. Upwards of 70 from Keith, Montreal, Matheson, Ont., Eaton, Waterville, Lennoxville, and Birchton were present.

Willingdon Cup Returns To Ontario After Two-Year Stay In West

Harvey Haddix, The Guy St. Louis Couldn't Use, And Simmons, Spring Bust, Find Themselves With Phillies

Harvey Haddix, the guy St. Louis "couldn't use," and Curt Simmons, a springtime bust, have found a good victory formula even though Philadelphia Phillies can't seem to make their good work pay off.

The two southpaws each gained their seventh, straight victories with a pair of six-hitters Tuesday night as the fifth place Phils swept a two-night doubleheader with the still plugging Pittsburgh Pirates, 3-0 and 11-2.

The sweep gave the Phillies a .636 winning percentage since the All-Star game, yet they've been able to move up just one spot in the hectic National League pennant race and still trail the leaders by 12 games.

Philadelphia managed to pick up just a half-game on fourth place St. Louis as the Cardinals rocked Milwaukee 6-2. Meanwhile second-place Brooklyn was beaten 3-1 by New York's reluctant Giants. Third-place Cincinnati moved back to within three games of the lead by defeating Chicago Cubs 2-0.

In the American League, Mickey Mantle socked away his 42nd home run, staying 13 games ahead of Babe Ruth's record-60 pace in 1927, as New York Yankees whacked Boston 12-2. The Yankees lead by 9½ games as Detroit knocked off Cleveland 6-4 in 15 innings. Chicago White Sox hammered Kansas City 12-1 and Baltimore defeated Washington 3-0.

Haddix, 30, whom the Cardinals wrapped up with Stu Miller and Ben Flowers in a May swap for Murray Dickson and Herm Wehrmeier, shut out the Pirates in the opener on five singles and a double by loser Bob Friend. Stan Lopata hit his 25th home run, and had a double and a single.

In the nightcap, Simmons hung up his seventh straight complete game in his "comeback" from springtime sore-arm miseries. The Phils jumped Red Mungler in an eight-run second inning. Lopata had a triple and a double.

Rockey Nelson, who returned to the Cardinals when the Dodgers gave up on him, socked a two-run pinch homer to beat the Braves and Bob Buhl. It was Rocky's third for the Cards and second on a pinch-hit basis. Dickson scattered nine hits for a 9-9 record.

The Pirates have dropped 26 of 27 since the All-Star game. Willie Mays' 20th home run beat the Doldgers, coming with

64 Golfers Make Bid For Amateur Crown Today

EDMUNDSTON, N.B. — A field of 64 Canadian and American players set out over Edmundston's tough course today in quest of the Canadian amateur golf championship.

Only six of the 115-odd swingers who started the 36-hole qualifying journey Monday managed to master par 146. Five of the par-busters were Americans. The only Canadian was Moe Norman, the defending champion from Kitchener, Ont.

The elimination rounds will be played today with the quarter-finals scheduled for Thursday. The semi-finals will be Friday and the finals Saturday.

The semi-finals and final are 36-hole grinds. Last year Norman defeated Lyle Crawford of Vancouver on the 39th hole to win the title.

Norman, a perennial contender, is once again considered a top threat, but he is expected to have trouble with at least two of the American stars.

Canadian Open champion Doug Sanders of Miami Beach, Fla., and Ed Meister of Willoughby, Ohio, were co-leaders in the qualifying competition with four-under-par 142 scores. Norman was a stroke back at 143.

Sanders particularly was a popular choice as the match play got under way. The 22-year-old insurance salesman, considered by many as one of the best short-iron players anywhere and who refuses to be tempted by pro offers, was under par in both qualifying rounds.

Last month at Montreal, Sanders won a single-hole playoff over Dow Finsterwald of Bedford Heights, Ohio, second leader money winner among the pros.

Despite Great Rally By Westerners Captain Jerry Magee And Company Cop Mug By Two; Quebec Is Fourth

EDMUNDSTON, N.B. — (CP) — The Willingdon Cup, symbolic of Canadian amateur golf's inter-provincial team supremacy, will rest in Ontario this year. It returns to that province after a two-year stay in British Columbia.

Captain Jerry Magee of Toronto, Moe Norman of Kitchener, North Bay's Big Morland and Jack Lowrey of St. Catharines won it here Monday and Tuesday from an eager quartet of B.C. cuppers.

Ontario last won in 1953 at Montreal. British Columbia took it home from London, Ont., in 1954, then successfully defended

Quebec's par-72 course. The unusually high scores were the result of a touch course and driving rainstorms that thoroughly drenched it Tuesday.

"This must be the longest driving course anywhere," Magee said. "It takes a lot of good, solid clouting to break even."

The greens are "hard to read," said Don Doe of the Quebec team.

Bob Gray of Winnipeg, who plays hockey in the Maritimes during the winter, had a par 73 in the second round to keep his Manitoba mates high in the ratings.

Only Peter Hope of Dartmouth will represent Nova Scotia in the amateur. The sixth-place N.B. P.E.I. team had three qualifiers, Gordon Campbell of St. Andrews, Doug Lewis of Moncton, and Eugene Mealy of Saint John, N.B.

Ontario's 608 was the highest winning score in the event since 1947 when another Ontario squad won with 614 on Royal

Seeded Players Missing From Several Sections Following Third Day In Canadian Junior Tennis Championships

OTTAWA — Seeded players, victims of Tuesday upsets, were missing from several divisions as the third day of the Canadian junior tennis championships opened today.

Play reached the semi-finals in the junior men's doubles and juvenile girls' doubles, the quarter-finals in the junior women's, junior mixed doubles and juvenile boys', and was at the preliminary stage in other sections.

Eliminated in upsets were Raymond Gordon of Baltimore, third-ranked United States entry in the boys' singles, and Louise Jobin of Quebec City, top-seeded Canadian in the girls' singles.

In upsets among more than 100 doubles matches played, Pam Dewis of Halifax and Pat Stanfield of Truro, N.S., second-seeded Canadians, fell by the wayside in the junior women's, and Don McKush and Ken Reynolds of Winnipeg, fourth-ranked Canadian pair, were dumped in men's play.

Unranked Bob Armstrong of Hamilton defeated Gordon 2-6, 6-2, 7-5, while Miss Jobin dropped a second round match to Judy Heldman of Hamtramck, Mich., 6-4, 4-6, 6-4. Miss Jobin has been troubled with a sore knee for several days.

Marg Benson and Ruth Nunn of Toronto scored a 6-4, 6-2 victory over the Davis-Stanfield combination to eliminate the second-seeded pair in the first round.

Joel Glynn of Windsor, Ont., and Leon Cole of Halifax, N.S., who were paired only five minutes before match time, downed McKush and Reynolds 6-0, 11-9 in the second round.

The top junior men's doubles pair of Rod Laver of Brisbane, Australia, 1956 United States junior men's champion, and Gerald Dubie of Hamtramck, Mich., 1955 Canadian boys' titleholder, needed only one match to reach the semi-finals.

They drew a bye in the opening round, won by default in the next two, and eliminated Glynn and Cole 6-0, 6-1 in a quarter-final match.

Top seeded players dominated other matches in all sections.

Battles For Second Place In IL Are Best In Circuit; Wings And Marlins Now Fighting It Out; Royals Fourth

It looks like the best scraps in the International League this season are all over second place. Earlier it was Toronto and Rochester battling for the runner-up spot while Montreal led the way unmolested. Now it's Rochester and Miami battling for second with Toronto on top while Montreal is having a tough time in fourth.

Rochester moved into a tie for second with Miami with a 5-4 victory over the Marlins Tuesday night while Toronto edged into a 3½-game lead with a 2-1 and 6-4 doubleheader sweep over Columbus. Richmond socked the Royals, 5½ games back, 6-4, and Havana took two from Buffalo, 5-4 and 3-0.

The Red Wings and Marlins each put away two runs in the first, but Rochester kept at it, hammering starter Seth Morehead out of the box in the third on Allie Clark's 370-foot home run. Rochester put down the last Miami stab in the ninth, halting the rally after one run had scored.

Archie Wilson's two-run homer gave Toronto and Eddie Blake the first game at Columbus, and Hee Rodriguez and Sam Jethroe then homered in the nightcap victory that skidded the Jets to seventh with their fourth straight loss. Ken Johnson survived a three-run first inning, including Dick Getter's two-run homer, to win the afterpiece.

Six runs in the fourth, two of them coming on a double by winner Al Cicotte, gave the Vees their edge over Montreal and Leo Cristante. Cicotte, who hadn't received even one-run support in his last three games, needed Sonny Dixon's relief in the seventh. John Roseboro leg-

Canadian Junior Golf Title Won By Gary Cowan

EDMUNDSTON, N.B. — Gary Cowan, a rookie with a veteran's poise, ignored pelting rain and marched off with the Canadian junior golf title Tuesday.

The 17-year-old player from the Kitchener, Ont., Rockway Club edged Bryan Copp of New Westminster, B.C., by one stroke to become one of the youngest holders of the Canadian crown.

Copp, the leader after 18 holes of the 36-hole medal competition, ran into trouble on the front nine Tuesday and finished with 153. Cowan was trailing Copp by one stroke at the end of the first 18 holes, but after 27 he had pulled ahead by two, with a par-matching 37.

Copp managed to chop one stroke off Cowan's lead in the back nine but that was as close as he could come to the sharp-driving winner.

Bob Kennedy of Moose Jaw, Sask., shot a 39 on the first nine Tuesday to move alongside Copp, but failed badly on the back half and came in with a six-over-par 42.

Peter Locke of Dartmouth, N.S., was fourth with 162. Their 36 holes counted in the qualifying round of the Canadian Amateur and the four will compete in the match play championship today. The remaining four juniors failed to meet the required 163 for the amateur.

Deadline For E. T. Tennis Event Extended

The deadline for the closing of entries in the Eastern Townships Tennis Tournament has been extended one day, stated Jean de Leseleuc, chairman of the match committee, last night.

This move was made in order to permit more outside players to file their entries for the annual tournament. Entries can be made at Codere's and Boisvert's sporting departments.

Pierre Lambert of Victoria telephoned in his entry last night and it is expected that Francois Godbout of Waterloo, Canadian Junior Tennis champion, will be on hand to take part in the event. Roger Roy, former doubles champion with Dr. J. Hibbard and Guy Durocher, will return to action with Durocher and are rated as the team to beat in the doubles competition.

The draw will be published in tomorrow's edition as chairman de Leseleuc hopes to complete it late this evening.

White Sox Rally To Nip Red Sox

White Sox again leaving it late edged Red Sox 9-8 in a tight Little League game played at the Parade Grounds last night. Going into the last half of the sixth inning the White Sox were behind three runs, they clicked for four runs to take the game. Tonight the Senators and Indians play at the Parade Grounds.

Red Sox opened up with three runs in the first inning to jump into an early lead. White Sox got one of these back in the bottom of the second to reduce the lead. Each team scored runs in the third and the score stood at four to three in the Red Sox favor.

Lenahan with a lusty triple, in the fourth inning knocked in two runs to give White Sox the lead for the first time in a big fifth inning. The Red Sox came up with 4 runs to go into 8½ lead and seemed to have the game sewed up as the White Sox were scoreless in the fifth.

Dick Finlay, the White Sox hurler, chalked up his tenth strike-out in the top of the fifth inning and held the Red Sox scoreless. Then the White Sox came up with their big rally getting four runs. They got these on three successive hits and an error. Dowling was credited with knocking in the tying and winning runs.

Cadeux, Finlay, Dowling, Leveck and Addis, all stood out in the game. Red Sox 301 040-8 5 3 White Sox 012 204-9 7 5 Norton and Patrick, Addis (5); Finlay and Fahl.

One More Fails In Strait Swim

VICTORIA — Wind and high waves in the Juan de Fuca Strait provided a resounding defeat Tuesday for two more attempts to swim its frigid 18.3 miles.

John Jaremy of Toronto and Bill Sadlo of New York were the 61st and 62nd persons to attempt to conquer the strait.

Jaremy, second person to traverse Lake Ontario, gave up after swimming only 1¼ miles in one hour and 55 minutes. Sadlo, 56, who swam around Manhattan Island four times during the 1930s, covered about four miles.

Noreen Laing, 1955 Junior Canadian Champion, Gives Marlene Stewart Real Battle Before Bowing Out

WINNIPEG — A 20-year-old Port Credit, Ont., girl stole the spotlight in the first round of the Canadian women's open golf championship Tuesday as she gave defending champion Marlene Stewart of Fonthill, Ont., the battle of her life before bowing out one up.

Noreen Laing, 1955 Canadian Junior champion, played one of her best games as she went to the 18th green before she missed a 14-foot putt which sent her to the sidelines. Miss Stewart, one down at the turn, squared the match on the 11th, and went one up on the 13th when Noreen conceded — to the surprise of everybody, including her opponent — a two-foot putt. The two matched strokes on the remaining holes.

All six Americans who qualified Monday won their matches with comparative ease, but at least one will be knocked off today. Barbara McIntire of Toledo, Ohio, and Mary Patton Janssen of Charlottesville, Va.,

were drawn against each other in the upper bracket. Meeting Miss Stewart in the lower half of the draw in the second round will be Mary Gay of Kitchener, runner-up to the Fonthill shotmaker the last two years.

Rae Milligan of Jasper, Alta., co-medalist at 75 Monday with Miss McIntire, faced Mrs. Graeme Pyke of Hudson, Que., in another second-round match in the bottom group. Mrs. Maurice Glick of Baltimore, Md., meets Janet MacWha of Montreal.

Pat Lesser of Seattle scored Tuesday's most convincing triumph of the day as she dumped Mrs. Joe Tachan of Winnipeg 8 and 6. The American's easy win ranked her along with Miss McIntire, U.S. open runner-up, as the players to beat in the upper bracket.

Canadian junior champion Betty Stanhope, who scored an easy victory, rates as the dark horse in the division.

Molson's Eliminate Duchess Shoe In Richmond Softball League Playoffs; Dow Leads Over Bell, Other Tied

RICHMOND — Paul Desrochers' Duchess Shoe squad was eliminated in the semi-finals of the Richmond Softball League. They were overwhelmed by Molson 19-12 after leading the brewery crew 12-2 up to the fifth inning.

Molson's counted twice in the top of the fifth to trail 12-4 and added six more runs in the sixth and walked away with the best-of-three series after scoring nine times in the seventh inning. The Maguire crew took the series two straight, having won the first tilt 26-10 a week ago.

In the other games played, Legion dropped Brown Shoe 20-1 with hurler Rollie Letourneau almost getting a shutout. Paul Cote, Brown's center-fielder, ruined Legion's chances for the shutout win when he connected for a homer in the bottom of the sixth inning. It was the only run for the Boucher boys. The win enabled Legion to tie the best-of-three series at one game each. Brown had won the opener last Sunday in a close game, 8-6.

Dow made it two straight over Bell Telephone drubbing the Spence squad 10-1. Bob Beaudet hurled for Dow and allowed only four hits. He fanned six and walked three. Connie Pariseau started for Bell relinquishing six hits, fanning one and walking six.

Bob, Connie's brother, took the mound in the fifth and allowed Dow five hits and one walk. Connie scored the only run for Bell in the second inning and his team held Dow till the fourth when the Carrier boys threw a barrage of six runs on the hapless telephone crew. They added one more in the fifth and three in the seventh.

Rodrigue Cabana and Jean Marcotte slammed homers in the seventh with the latter driving in one run. Roger "Pat" Desrosiers had two-for-two, Marcotte two-for-four and Rollie Bissnette had two-for-five. Wayne Crack of Bell had two-for-three with the other hits coming from Andre Johnson and Robert Crack.

Frank Bergeron of Legion slammed a homer in the fifth inning and picked up three other hits for a four-for-six average. Claude Gregoire and Billy Murdoch had three-for-five. Jimmy Pye had three-for-six and Norm Noel two-for-five.

Letourneau struck out two men and walked one in getting the win. He scored once for Legion and had two-for-six. Maurice Paquette went the distance for Brown and was banged for a total of 20 hits. He struck out two and walked three men.

Duchess lost their game through errors in the last two innings. They took an early lead with two runs in the first inning and adding seven more in the second. Molson got one in each of the second and third innings.

The Shoe boys tagged Beaulin for four hits in the third to score three more runs giving them a 12-2 lead. Real Gauthier started for Duchess going almost the full game before he was pulled for Andre Geoffrion in the seventh. Duchess had a 12-10 lead when he took over. Molson grabbed a few hits and took the lead with four runs when Desrochers brought Geoffrion in.

He walked the first man he faced and a couple of errors at second base gave Molson's two more runs. Geoffrion allowed only two hits before the third man was retired. He walked one man. Gauthier was tagged for ten hits, struck out five and walked ten men.

Tiger-Cats Down Blue Bombers In Exhibition Tilt

HAMILTON — Sparked by the two-touchdown performance of Canadian Ron Howell, Hamilton Tiger-Cats downed Winnipeg Blue Bombers 22-10 Tuesday night before 10,000 fans in an exhibition football game.

Winnipeg's new quarterback, Eagle Day, passed 41 yards to Bud Grant for the lone western major. Earlier, Tom Miner kicked a 28-yard field goal.

Cookie Gilchrist barged over for one Hamilton touchdown, and Howell scored the other on long passes from Nobby Wirsowski.

Soviet Athletes Splurge After Blast From Heads

MOSCOW (AP)—Russian athletes, burning from severe criticism from Communist officials, broke out Tuesday in a splurge of superlative performances that included world records in track and swimming events.

As the huge Soviet Spartakiad sports festival neared its end, Semyon Zhishichin of Moscow bettered the world record for the 3,000-metre steeplechase with a time of 8:39.8. Then four Russian swimmers clipped nearly a second off the Japanese-held world mark for the 400-metre medley relay swim with a 4:14.8 time.

Rzhishchin's was the third world track and field mark set during the sports festival in the last 10 days.

The Russian runner, unknown in international competition, surpassed the world record of 8:40.2 established last September by Jerzy Chromik of Poland.

The performance of the relay swimmers was even more astonishing. Generally they have been far behind the world standards set by Americans, Australians, Japanese and Hungarians.

SAVE STROKES

By TED KROLL

Grip the club with the last three fingers of the left hand.

That's where the pressure is. The right hand should grip with the fingers, not the palm, the thumb on the side.

Most people with a bad grip are all thumbs—both of them. Instead of having a firm grip of the left hand, they seem to grab the thumb and forefinger. That leaves them with a loose grip.

It will be found that the little finger of each hand is not needed in the grip.

This naturally permits the hands to be brought closely together on the club.

The right hand actually will close over the left hand one finger—that is, the little finger of the right hand will overlap the forefinger of the left.

The left thumb will fit automatically into the hollow of the right hand, and a perfect sense of opposition between the hands should develop. As the right hand tends to pull, the left hand tends to oppose, so that a natural pull and push effect is developed between the hands.

St. Johnsbury Country Club To Stage Annual International Tournament On Labor Day Weekend; \$1,000 In Prizes

The St. Johnsbury Country Club will sponsor its 5th Annual International Golf Tournament over the Labor Day weekend, Sept. 1, 2 and 3.

Last year's event attracted 175 top amateur and professional golfers from Vermont, New Hampshire, New York and the Province of Quebec. An even larger field is expected to participate in this year's tourney.

More than \$1,000 in awards will be made to the net and gross winners in the amateur play. The pros will be shooting for prizes of \$125, \$50 and \$25.

Competition will be divided into three divisions, the A, B and C classes. Competitors in any class may select the day more convenient for the 18-hole medal play.

In the past it has been customary for the B and C divisions to play on Saturday and Sunday, while the A golfers and the pros have performed on Monday. However, the selection of actual playing date is up to the individual competitor.

Some of the best pros in New Hampshire, Vermont, Maine and the Quebec Province teed off for money awards last season. According to early inquiries, the play-for-pay field this year should be one of the largest in the history of the event.

Russell A. Reed heads the tournament committee supervising the three day competition.

Chairmen for the various sub-committees will be named later. Tom Pilkington, St. Johnsbury's pro, will be in charge of accepting reservations for specific playing times. A amateur and pro golfers may make playing arrangements by writing or calling Pilkington at the St. Johnsbury Country Club.

Tom Park Leads In Channel Swim

FOLKESTONE, England — (Reuters) — Tom Park stroked to an early lead in this year's France-to-England cross-channel swim which started this morning with only eight of 22 scheduled starters taking to the icy waters at Cap Gris Nez, France.

Four hours later the former Hamilton, Ont., marathoner was churning past the nine-mile mark with New Zealand's Diana Cleverley right with him in line abreast.

Rough weather, a heavy swell and rampant seasickness ruined the start. The first four contestants arriving at Cap Gris Nez from Folkestone Tuesday night were all miserably ill from the choppy crossing.

Even the sponsor of the race, holiday camp king Billy Butlin, was far from cheerful when he arrived an hour and a half after he was due to fire the starting gun.

Russia Ready To Finance All-Paid Trip Of US Track And Field Squad To Clash With Soviets Next Year

MOSCOW (AP) — Russia invited the United States Monday to send a full track and field team on an all expenses paid trip here next July for a head-on clash with Soviet athletes.

Leonid Khomenkov, chief of the Soviet sports committee on athletics, said that "Americans send as many as they like." He said that the invitation extended through Dan Ferris, secretary-treasurer of the Amateur Athletic Union, also has a provision for 1958 if the United States is unable to send a squad next summer.

Soviet Olympic coach Gabriel Korobkov said Russia would like to have a home-and-home series like they have with Britain.

Korobkov offered the use of the new Lenin Stadium, where the Soviet is currently holding Spartakiad, her version of the

Olympic trials. The Russians stated they were willing to pay all expenses to fly a team to Moscow and to house them during the competition.

In New York Ferris said he had not received an invitation from the Russians since last year but he thought it would be possible to send a team to Moscow in 1957.

"I think our track and field committee and finance committee would be happy to receive such an invitation," Ferris said. "They wanted us to send a team over this summer, but our reply was that we were too busy raising funds to send the Olympic team" to Melbourne to finance such a trip. In addition, the Olympic committee ruled that no Olympians could go overseas this summer.
