No. 41, 85th Year — SHAWVILLE Quebec, Thursday, October 26, 1967 — per copy 10c

Two Shawville girls receive RN degrees

Mrs. Donald Gamble RN

The former Gail Horner, daughter of Mrs. Gerald Hodgins and the late Leslie Horner received her RN from the Ottawa Civic Hospital on Saturday.

Miss Janice Joan MacFarlane

Miss Janice Joan MacFarlane, daughter of Mr. and Mrs. Thomas MacFarlane, Shawville, Quebec who was recently successful in passing her R.N. examinations at the Montreal General Hospital. Janice is now nursing at the Montreal General Hospital but plans to leave for Albuquerque, New Mexico, where she will be on the staff of the Presbyterian Hospital Centre.

grist...

The Scouts are collecting empty bottles and screw-top canning sealers on Saturday, November 4. If you have some around the house now is a good time to get rid of them and do a good turn at the same time.

★

Hallowe'en is Tuesday. The Shawville Rotary Club is putting on a party for 12 year olds and under at the Lions Community Centre from seven to eight. Costumes, prizes, eats, the works! We're lucky to have these great service clubs in town.

★

Word from the Bay—is that the Old Folks Homes there and at Fort Coulonge are going ahead immediately. This is great news for Pontiac County. More good works by concerned citizens. Edgar Lance and Edgar Allard are the key men in this enterprise but it took a lot of good committee work too. Kengil Construction of Quyon has contracts for both the buildings; another triumph on the Pontiac scene.

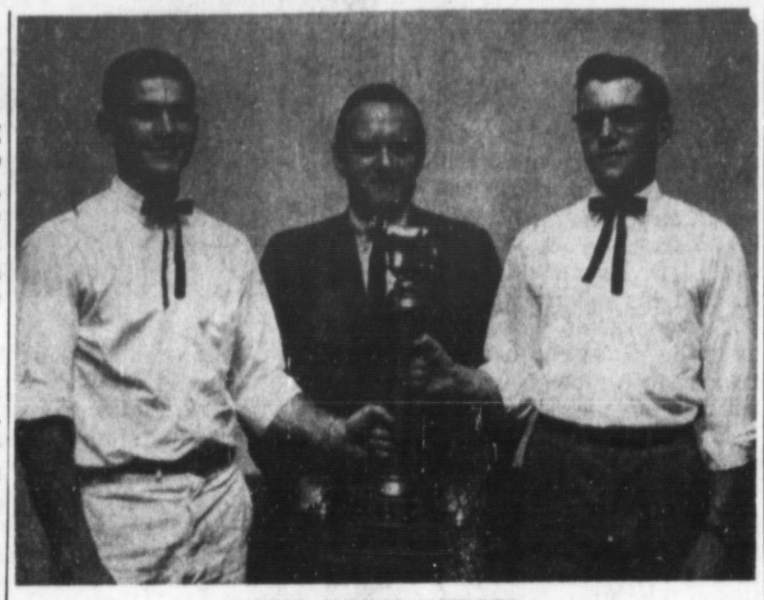

★

At Expo on Monday, October 23, the Walter Yachs of Ladysmith received their $200 first prize and gold medal for the Quebec Farm Beautification Contest which they won. This has surely been a "proud to be from Pontiac" week!

Public skating at the arena

With the ice plant in operation at Lions Community Centre, public skating has started and will take place regularly on every Saturday afternoon from two to four, and on Sunday afternoons from one thirty to three thirty.

The Senior Pontiacs have signed into a good league this year and will be selling season tickets for twelve games at $10. which is a real break for fans this year. More on this next week.

BEST JUNIOR JUDGES

Elwyn Lang and Cyrus Beck receive the C. D. French Trophy which they won with the highest points for judging in the calf club competition at the Sherbroke Winter Fair. This trophy is being presented by Don McMillan, Agronomist of Cookshire.

Pontiac Steer Club takes many honors at Sherbrooke Winter Fair

On Oct 9th, the boys and girls left for Sherbrooke with 26 steers and 9 heifers. Elwyn Lang and Cyrus Beck won the highest points in Calf Club judging over 5 other teams. For this they received the C. D. French Trophy. In the open class judging Gary Hodgins was 1st. John Kilgour and Bob Hanna tied for 4th place and Joan Coles 5th. In this open class there were approximately 100 boys and girls judging.

In junior showmanship a class of 18 calves, Charlie McGuire was 2nd.

In senior showmanship a class of 19 calves, John Kilgour was 1st, Jack Knox 3rd, Arthur McGuire 6th and Elwyn Lang 15th.

In showmanship 21-25 years Gary Hodgins was 1st.

In Champion Showmanship John Kilgour was 1st, Gary Hodgins 2nd and Linda Picton 3rd.

Top boy and top girl in this class receive trophies plus $15. John Kilgour received the Toronto Dominion Bank Special for Pontiac.

In the light steer class 750-850 lbs with 13 entries El-

Officers elected for Pontiac Mill union

Robert Eiswald has been named president of the International Brohterhood of Pulp, Sulphite and Paper Mill Workers, Local 420, which was certified by the Province of Quebec on October 12 and has bargaining rights for hourly paid employees at the Consolidated-Bathurst Limited Pontiac Mill.

Vice president is Raymond Bertrand; recording and corresponding secretary is Ronald Blais; treasurer is Marcel Pigeault and financial secretary is Al Davis. The election was held in Bryson Town Hall on October 19th.

Loretta christens the "ELISHA BEEMAN"

Elisha Beeman hewed down the trees, cleared the stumps and picked the stones to make a homestead and plant the first crop on the property now occupied by the Consolidated-Bathurst Pontiac Pulp Mill. He came from New York in the States and raised four sons and four daughters on his third concession holdings in Litchfield. His wife was Katherine Maroney of Ireland.

One of his sons was James who married Rose Cunningham an Irish girl who had come first to Quebec by sailing vessel across the ocean and then to Vinton's Bernard Creek by bark canoe. James and Rose were married in Portage du Fort in 1870.

They named their eldest son Elisha and their youngest daughter took the name of Sister Mary Louise and Loretta Beeman and Miss second has since passed on, Sister Mary Louise is still very much alive at St Joseph's Convent, Campbell's Bay.

Last Saturday morning Sister Mary Louise received the first corsage of her life to witness the christening of a boom boat at the Pontiac Mill To break the champagne bottle over the boat's prow, Miss Loretta Beaman and Miss Hilda Beeman of Ottawa were also on hand, along with various company officials and an equal number of newsmen and TV photographers.

Loretta and Hilda are daughters of the late Elisha Beeman II and the former Elizabeth Toner.

Loretta broke the bottle on the fourth swing and then she and Hilda scampered onto the boat which made them very proud to have named the "Elisha Beeman".

The luncheon afterwards was informal and greatly enjoyed by the Beeman ladies, Mayor and Mrs Mel Brown of Litchfield, Mr. and Mrs Doug Covey, Mr. and Mrs Creighton Steeves, Mr and Mrs Bill McLachlan, Mr. and Mrs Robt. Bourget and afterwards the Company cars drove the guests of honor back to their present homes in Ottawa.

Quebec Farmers meet Saturday

In our Centennial year the basic agricultural industry is facing urgent problems. The low net farm income still plagues the farm owners. The mass exodus from farms continues. What about the future?

The Quebec Farmers' Association are concerned about the future of their own organization. The planning of this year's program will be the focal point of their annual meeting on Saturday, October 28, 10:00—4:00 o'clock at Macdonald College.

Mr. Peter White, Secretary Manager of the Brome County Rural Development Association will present the key address.

The topic will relate directly to a recent planning meeting called by the board of Directors. It will also lead the participants into a discussion on programming for the afternoon session.

The Directors of the Quebec Farmers' Association believe that local participation is essential for successful group activities. At their annual meeting every person will have an opportunity to suggest programs for this year.

All members are urged to attend this meeting, all other interested persons are also welcome.

Shawville ponies for Grey Cup parade

Shawville will be represented at Ottawa two times during the big Grey Cup celebrations this year, on both occasions by the Shawville Pony and Saddle Club.

On Thursday November 30, the riders have been invited to join in "Western Day" activities on the Mall and on Saturday, December 2 they will be a part of the greatest Grey Cup Parade ever staged in Ottawa.

The entire Club visited Expo last week to attend the Great Western Rodeo during which a group from Edmonton performed square dancing on horseback.

The horses and ponies will be taken to Ottawa for the Grey Cup festivities by Joe Belsher and the Club officers are hoping to arrange for "Shawville" banners to be carried by the riders and distinctive decorations for their horses.

SOME OF THE VIP's

Among the very important people invited to the Centennial Banquet last Friday evening were Tom Sharpe, William Corrigan, Mrs John Judd. Mrs R. W. Hodgins, Mrs Mary Brown, Mrs Tom Eades and Mrs Wellington Armstrong, all over 85 years of age.

BEEMANS ON THE BEACH

Sister Mary Louise, whose brother was Elisha Beeman II and whose grandfather was Elisha Beeman I, watches from the shore as Loretta and Hilda Beeman, daughters of Elisha II, try their sea legs on the little boom boat which was christened the "Elisha Beeman" las Saturday. Loretta, centre, wielded the champagne bottle and said a few words of recognition to the Consolidated-Bathurst officials in a brief ceremony which took place on the same beach which had been the happy childhood playground of all these ladies at various times. They were deeply touched at the Company's thoughtfulness in giving the boat their family name and in asking them to take part in this very human little event. Nobody would ever forget, now, that the first man to use that land was Elisha Beeman, and this history minded community would always remember that the new people here cared enough for tradition to keep the name alive, most romantically, as the name of their only boat—the "Elisha Beeman".

WHAT GOES UP?

"The Air of Death" was the name of the entertainment prepared by the CBC to replace Ed Sullivan Sunday night. It was about air pollution and aroused public awareness of a very important subject.

In our immediate neighborhood we have two large industries with smoke stacks, the mill and the mine. Though the mill is not yet in production we should know what it will add to our pure country air so we asked.

The gases responsible for air pollution from a kraft mill are Sulphur Dioxide, Hydrogen Sulphide Methyl Mercapton, Demethyl Sulphide and Demethyl Desulphide. At the Pontiac Mill the methods to control air pollution include black liquor oxidation which can reduce by 95% the amount of sulphur bearing gases reaching the atmosphere, a continuous digester which will control the production of methyl mercapton and dimethyl sulphide passing these to the evaporator system so they will not be released to the atmosphere, an electrostatic percipitator which reduces the amount of sodium salts, fly ash and other solids going into the atmosphere by 96%, and a lime kiln scrubber which reduces the calcium oxide by 90%. à

As for the mine, the smoke going up their chimneys is such as one finds in any steam generating plant burning fuel oil. In the exhaust is a bit of carbon dioxide and a certain amount of sulphur dioxide, typical of the pollutants which go up the chimneys of the oil burning homes in the area. There have never been complaints of crop or any other damage from this smoke, probably because there are no gasses in the exhaust which would harm vegetation.

Now that should save a lot of people the annoyance of wondering if our local industries are polluting the Pontiac. Also it should inform crusaders for pure air that we've still got it here.

Wojcik - Fleury wedding

St Charles Borromeo Church Otter Lake was decorated with white and yellow gladioli on Saturday, September 9th for the wedding of Lianne Fleury, daughter of Mr and Mrs Louis Fleury jr of Otter Lake and Raymond Wojcik, son of Mrs and Mrs Bronus Wojcik of Haley, Ont. Rev Joseph E Gravelle officiated and the soloist was Mrs Esmond Johnston.

Given in marriage by her father the bride wore a long gown of satin with long train and lace trimming and a shoulder length veil held by a crown of petals with sequins and rhinestones. Her bouquet was of yellow roses.

Miss Pauline Fleury, sister of the bride, was the bridesmaid wearing a long gown of aqua peau de charme and carried yellow mums. Carole Labine of Pembroke, a cousin of the bride, wore a long white dress and carried yellow and blue mums. Benny Wojcik, brother of the groom was ring bearer. Mr William Yerex of Renfrew was best man.

For the reception at Bryson Town Hall, the bride's mother wore an ensemble of pink brocade coat over matching dress black accessories and wore a corsage of white and yellow carnations. The mother of the groom wore a green dress with white hat and pink flowers. After the reception, a dance was held in the Legion Hall, Renfrew.

For a wedding trip to the Thousand Islands, the bride wore a three piece green suit with hounds tooth pattern of viscose and acetate with black accessories and pink corsage of carnations.

The newlyweds now reside at 455 Raglan Street, Renfrew

October 15, 1942—

The recreation hall at Pine Lodge, Bristol, was packed to capacity on Sunday evening for the concert presented by Eaton's Masquers of Montreal. The troup which put on two shows at Petawawa on Saturday and on the invitation of Mr Chas Russell, proprietor of the Lodge and their host for the weekend, staged their show for the benefit of the local Red Cross Society.

On Saturday evening, Oct 10, over thirty relatives and friends of Mr and Mrs W E Shaw, gathered at their home, in surprise, the occasion being the 25th anniversary of their marriage.

In Shawville United Church the altar of which had been banked with autumn leaves, flowers and ferns, the marriage was solemnized on Saturday afternoon of Ethel Lue, daughter of Mr and Mrs Wellington Smart, of Shawville to Lac Harold Prescott Fokes, son of Rev A. F. Fokes and Mrs Fokes of Shawville. The officiating minister was the father of the groom, Rev A. F. Fokes.

About twenty men of this district entrained at Bristol station on Sunday night to help with harvesting operations in Western Canada.

Prize winners in the Mixed grain competition sponsored by Bristol Farmers' Club, were as follows: James C. Armstrong, $8; John Cuthbertson $7; Roy MacFarlane, $6, Edwin Pirie $5; John Sturgeon $4, Harry H. Sturgeon $3; Claude Young $2.

MISS SHAW WITH THE MEMBERS

Shawville Councillors Thomson, Horner, Hayes, Mayor Young, Cone and Black and Secretary Draper, stand behind Shawville's Miss Irene Shaw after the Banquet Friday night. Tom Lefebvre, MP, seated left, and Hon. Raymond Johnston seated right, brought messages of congratulations and greeting from the Nation and the Province respectively.

SHAWVILLE COUNCIL IN YE OLDEN DAYS

All the way back in July, 1967, the bewhiskered town council was a sight to behold in their dapper clothes as they sat on the Centennial float on the Fair Grounds with the Pontiac Community Hospital as a backdrop. Mayor Orla Young is at left, sort of dodging behind pro-Mayor Allan Black. Behind the table are Athol Dale seated and Irvin Cone standing. At right are Mahlon Hayes and Brent Horner seated with Secretary Gus Draper and Dale Thomson standing. For the record, Athol's and Brent's beards were for real.

Romain - St Jean wedding

St Peter's Roman Catholic Church was the setting on Saturday Sept 30th for the marriage of Mariette St Jean, daughter of Mr and Mrs Alain St Jean to Mr Ronald Romain son of Mr and Mrs Lornie Romain. Rev Rock Gagnon officiated at the ceremony with Rev Marc Gauthier who gave the blessing. The organist was Mrs Octave Normand and the soloist was Mrs Thomas Neville who sang "On this day O Beautiful Mother" and "Panis Angelicus".

Given in marriage by her father the bride wore a white satin dress trimmed with lace train and she carried a bouquet of red roses.

Attending the bride was Miss Francine Romain, sister of the groom. She wore a Royal blue dress trimmed with white daisy lace and carried a bouquet of white mums.

Mr Jacques St Jean, brother of the bride was best man. The flower girl was Gayle Gervais who was dressed in a white satin dress.

The ushers were Pierre Sicard, cousin of the groom and Laurier Graveline uncle of the bride.

A reception was served to 190 guests at Labines Hotel. Later the young couple left for Eastern Ontario. The bride wore a beige dress with matching hat and brown accessories.

They are residing at Fort Coulonge.

Out of town guests were Mr and Mrs Rheal Amyotte of and Miss Marie Amyotte of Cornwall, Mrs Byng Anderson Temiskaming, Mr and Mrs Ronald Corriveau of Chelmsford, Mr and Mrs Emile Ladouceur of Ottawa, Mr and Mrs "Smoky" Gauthier of Pembroke, Mr Bob Laforce of Renfrew, Miss Raymonde Leduc of Thurso, Miss Nicole Lacroix of Hull, Mr Ferdinand Belanger of Montreal and Mr and Mrs Eldon Romain of Aylmer.

Bryson

Attention All Dairymen

Lazarus Laboratories
Division of West Chemical Products Ltd.
have completed tests which prove

MASTITIS DOWN BY 51%

The new Bovadine Hygiene Program will reduce all new mastitis infections by at least half. New Bovadine, a ready-to-use Tamed Iodine teat dip proved it destroys the greatest number of Staph, Strep and all other mastitis organisms. Antibiotics alone are not the answer to this expensive health problem.

Only Bovadine has this extensive clynical evidence:

In a 6-year field test with more than 20,000 dairy cattle, Bovadine has stopped more than half of all new mastitis infections. Cross infections have been reduced more than 60%.

Lazarus-developed Bovadine is absolutely safe to use on the delicate teat surface. In 6 years of use, there has not been one case of chapping, drying-out or irritation.

Here's the new Bovadine Hygiene Program:

1. Udders are washed with a losan solution (2-oz. in a 10-qt bucket). The milker's hands will be disinfected by this solution. Fresh paper towels are used for washing and drying each udder.

2. Inflations are first dipped in clear water, then in the losan solution. This is done between cows.

3. Teats are dipped to the base of the udder with undiluted Bovadine immediately after removing the inflations. Use the plastic dipper provided.

Milking machines should be kept clean and working properly.

Ask us about setting up the new Bovadine Hygiene Program. You'll sell more milk with the same number of cows. Other dairymen have been doing it for the past 6 years.

This is a major breakthrough in the problem of Mastitis. Horner's Garage and Elgin Hobbs have the products for this money saving program.

Provincial officials are investigating Western Quebec

The Western Quebec Regional Economic Council met last week with officials of ten Provincial Departments who visited the region to obtain first hand information about Western Quebec. Gabriel Beland, of the Permanent Committee for the Development of Quebec Resources, said the purpose of the visit was to enable the group of Quebec administrators to obtain specific information concerning the physical and human resources of this region.

Antoine Gregoire, president of the WQREC, acquainted the visitors with contents of many briefs and documents presented to the Government, giving priorities to the tourism potential of the region as an important element of economic development. Recommendations were also made regarding agriculture, forests, lines of communication, the Quebec zone of the capital region, industry, commerce and municipal affairs.

The visitors were from the Departments of Agriculture and Colonization, Intergovernmental Affairs, Municipal Affairs, Industry and Commerce Natural Resources, Lands and Forests, Tourism, Fish and Game, and Roads. They make up a subcommittee whose specific objective is studying the problems of Western Quebec and seeking solutions by co-ordinating the actions of the Departments involved.

The WQ Regional Economic Council plans for the coming year to publish another calendar of regional events and panoramic map of the region and to hold another petunia promotion and festival and a Joe Montferrand festival on the four major rivers in the region.

They also plan to seek government approval and financing for a camping ground at Leamy Lake, development of the Fort William beach, restoration of the Hudson Bay Co original buildings and renovation of the Indian burial ground there.

Other plans include development of a municipal park at Coulonge Falls with a monument and plaque to commemorate Nicholas d'Ailleboust, sieur de Coulonge who came to this area in 1694: development of the Cadieux Monument site on Calumet Island with plaque, picnic grounds and sight seeing trails; development of the Pontiac Reserve and of Dumont Lake for recreation and camping and the provision of standard signs indicating 38 points of interest in Pontiac County.

The long range plans of the WQREC include four divisions. They hope to appoint permanent committees to follow closely the progress of the Canadian Land Use Inventory, with relation to outdoor recreation and tourism, agriculture and forests, and a fourth committee to survey the industrial potential of the region, circulate the information, establish useful promotional contacts, work with industrial promotional organizations and find the necessary funds for its activities.

Further activities for the coming year will be publication of briefs on means of communication and water pollution and the study of the problems of border towns.

Fire protection talk at Shawville Rotary

At the regular weekly meeting of Shawville Rotary Club last Monday evening, Rotary President William Smart introduced a timely speaker, Mr Leo Belec, Assistant Manager of the Ottawa Forest Protective Association.

Before Mr Belec spoke, Rotarian Neil Drummond inaugurated two new members to the Club; Arthur Dagg, retired Ayrshire breeder, and Trail Woodman, of Consolidated Woodlands.

Mr Belec's topic was fire protection, coming during the national week set aside as Fire Prevention Week.

Fire protection, said Mr Belec, consists of prevention, detection and suppression. Until 1946, the Ottawa Forest Protective Association used a network of 40 wooden towers, from 50 to 140 feet high to protect the 9563 square miles of crown lands in Pontiac and Temiscamingue Counties. Steel towers were later used with cabins on top, the complete conversion having been completed by 1956. Then the following year the Department of Mines and Technical Surveys issued topographical maps which improved the efficiency of the old barometer method of establishing high points for the placement of towers. Aircraft were also introduced along with the relocation of 60% of the towers to better locations.

Originally in the 1940's aircraft had been used solely for transportation of men and equipment to fires but were later utilized for water dropping and aerial detection. In 1965 five towers, including the attendant problems of maintaining qualified observers, were obviated by the use of one Stinson light aircraft stationed at Ten Mile Lake, with a pilot and observer.

With the use of aircraft a whole new set of problems were met and gradually experience solved most of them, so that after the initial Ten Mile Lake experiment it was possible to eliminate 36 of the total 40 towers, leaving four towers strategiously situated to provide the best radio communication within the organization. The other towers were replaced by five detection aircraft.

The Super Piper Cub and the Cessna 172 seemed to suit the purpose best because of visibility and comfort, the noise factor and the convenience of training observers.

Personnel for these positions needed a reasonable amount of knowledge in all phases of forest fire protection to be able to make fast accurate assessments and decisions. In the first season of the use of the new system, a great deal of valuable experience was gained as well as great success in aerial detection.

During the past season, no towers were manned and the organization had six detection aircraft to thank for a very successful year. They are aware that there is still a lot to be learned and they face a lot of still unsolved problems but feel strongly that aerial detection is here to stay.

In closing, Mr Belec gave statistics on the 37 fires which burned 431 acres in the 1965 season. Eighteen were caused by lightning, ten by recreation, six by public works, one incendiary, one non-classified and one of unknown origin. The ten recreation fires burned a total of eight acres. The 18 fires caused by lightning burned 65½ acres. The six fires caused by public works burned a total of 357½ acres.

Fourteen of the fires were detected from towers. Members of the public detected eleven fires, forest rangers detected six and the remaining six were noted by commercial aircraft.

The following year, 1966, there were 79 fires which burned a total of 75 acres. Sixty three lightning fires burned 55 acres. Five recreation fires burned a total of three quarters of an acre. Three public works fires burned 15 acres. Three incendiaries burned three and three quarters acres, four non-classified fires burned a half acre and an unknown cause burned less than could be measured.

Aircraft of the Ottawa Forest Protective Association detected 55 of these fires, the public detected 13, the towers detected six, commercial aircraft detected three and rangers detected two. There was an average rainfall of 14.67" in 1966 as against 16.34" in 1965 but despite this the superior efficiency of the service kept more fires down to a greatly reduced area.

Mr Belec's talk was greatly appreciated by the Rotarians who were fortunate to be present at this meeting. Rotarian Mayor Orla Young thanked him on behalf of the Club.

CHRISTMAS CARDS

The Coutts Hallmark Christmas Card catalogue is in at Pontiac Printshop and this year as orders are taken the corresponding samples will be removed so that no two people will be ordering the same cards. These can be printed with messages or left blank and can be with or without the names of the senders, according to individual taste. Also available in the Printshop are Christmas cards of the Toothils, Vogue, Embassy and Executive selections for individuals and for businesses. Early orders are always the most likely to be filled satisfactorily.

Also this year for the first time Pontiac Printshop will take orders for UNICEF Christmas cards. A sample sheet is available in the office. UNICEF cards bought through this office must be ordered before November 1st. All the proceeds from UNICEF cards go to help the hungry and needy people in the underdeveloped countries of the world.

LOST

Will anyone having any information about the whereabouts of a bundle of children's clothing missing from the laundromat in Shawville please mail either the information or the clothing to Pontiac Dry Cleaners or THE EQUITY office in Shawville. Especially missed are five jump suits sizes three and four; one is brown, one navy blue, one royal blue, one red with ties at the waist and one red with blue trim around the armholes and neck. The owner is not interested in laying blame on whoever took these home by mistake but merely wants them back. 7143x

IN MEMORIAM

SHEPPARD—In loving memory of a dear mother and grandmother, Mrs Robert Sheppard who passed away October 28, 1966

I cannot say, and I will not say
That she is dead—she is just away
With cheery smile and wave of hand
She wandered to an unknown land
And left us thinking how very fair
It must be since she lingers there
Take comfort, we, who often yearn
For her gentle step, her glad return
To hearts of her own of yesteryear
She is away to the love of There;
Think of her as the same, I say—
She is not dead, she is just away.
Claire, Neil and Michael 7807x

SHEPPARD—In loving memory of a dear wife, Edith, who passed away October 28, 1966.

The depths of sorrow we cannot tell
Of the loss of one we loved so well
And while she sleeps a peaceful sleep
Her memory we shall always keep.
Husband Robert 7807x

SHEPPARD—In loving memory of a dear mother and grandmother, Mrs. Robert Sheppard who passed away Oct 28, 1966.

He took her home
It was His will
But in our hearts
She liveth still
Always remembered
Bill, Jackie and grandchildren

Shawville

Mr and Mrs Michael Hubbard and children Timothy and Susan recently motored from Vancouver and visited with Mrs Hubbard's parents, Mr and Mrs Orval Smart for a few days. They attended Expo and visited Mr. Hubbard's parents at West Shefford, Quebec. On the return trip they also visited relatives in Port Credit, Grimsby and Alliston, Ont.

Mrs Ruth McLean, Wolfville, N.S. spent a few days with Mrs Frank Finnigan Sr., and other friends in Shawville

Mrs Lem Hodgins has returned home after visiting her sister-in-law, Mrs Earl Bradley and Mrs Bob Tolhurst at Howich, Que., following which she spent three weeks with her brother and sister-in-law, Mr. and Mrs Ernest Bradley at Mansonville, Que.

Mrs Alex Horner and sister, Mrs. A. Moor, Ottawa attended the funeral of their brother-in-law the late Leonard Wilson in Baltimore, Maryland on Saturday.

Mr. and Mrs Harry Baade of Vicotria, B.C., and Mr and Mrs Herman Baade of Imperial, Sask., visited recently with Mrs E C Dahms and other relatives in this district. They are now attending Expo.

7th Line

Mr. and Mrs Arthur Kilgour spent Friday at Expo. They also visited with Mr. and Mrs Bill Barber, Ottawa.

Mr Norval Kilgour, Ottawa spent Monday visiting with relatives and friends. He spent Monday night at the home of his son, Walter.

J. Arthur Kilgour and son, Kenneth are exhibiting cattle this week at the Ottawa Winter Fair.

Shawville Scout Group Committee

The Shawville Scout Group Committee was encouraged by the attendance of 32 people at its second Open Meeting called on October 10th.

During the Apple Day canvas last weekend boys of the Scout Troop have travelled to out-of-town points on Friday afternoon, hoping for support of this Annual fund-raising project. Shawville witnessed dozens of Wolf Cubs ringing bells presenting shiny red apples and accepting donations from residents on Saturday, October 21st.

Remembrance Day ceremonies were discussed and it is hoped that Scout and Guide groups parade as a combined unit from the Scout Hall to Memorial Park on November 11th, weather permitting. For the Bi-Annual Church Parade on Nov 12th it is suggested that Scouts and Cubs parade to the United Church, and Rangers, Guides and Brownies to the Anglican Church to facilitate seating arrangements in the churches. This procedure will be reversed for the Baden-Powell Week parades in February.

Assistant Scout Leader, Ron Richardson conducted the Investiture ceremony when four ladies were invested as Leaders. These were Mrs Hiram Davis, Cub Mistress and Assistant Leaders, Mrs George Knox, Mrs Doug Compeau and Mrs Roy Thoms. Cub-Master Harold Davis and As. Leader Neil Sharpe have yet to be invested. The Scout Leaders are Scout-Master Neil Hodgins and Assistants David Genn and Ron Richardson.

Rev Snowden conducted election proceedings and the following were chosen as Committee Executive for the 1967-68 season: Chairman: George Stones, 1st Vice Ken Wilson, 2nd Vice Art Strutt, Sec. Daisy Devine, Treas. Morley Wilson, Badge Sec. Reuben Smith, Chaplain Rev Snowden, Camping: Bill Pirie and Lawrence Dagg, Building: Watt Taylor, John Findlay and Ken Wilson; Finance: Bill Main; Transportation, Pat Clarke and Bill Main.

From those who were unable to attend this meeting, this executive anticipates support and co-operation during the coming year for the furtherance of Scouting in the Shawville area.

QUYON W I

The meeting was held at the home of Mrs Fred Fraser with Mrs Russett assisting. Eleven members answered the roll call with an old fashioned recipe.

Arrangements were completed for the Centennial card party on Oct 14. The Pres. stated that the wreath for Remembrance Day had been obtained and it was moved and seconded that our County President Mrs Fraser lay it on the War Memorial.

A donation was sent to the Cystic Fibrosis Foundation and a memorial to the Heart Foundation.

It was resolved unanimously that the Women's Institute seek assistance from the Federal and Provincial governments for the introduction of facilities for the teaching of slow learners in each of the schools in Pontiac, as the need is great.

Mrs L McCann is to accompany Mrs MacKechnie to Onslow Intermediate School to present the School prizes for spelling at their Remembrance Day Program. Mrs Fraser suggested that for school prizes this year in Grades 8 and 9 the pupils write an essay on "What Centennial has meant to me".

Mrs Bronson, Convenor of Home Economics gave a full report of her participation in the Leadership Training Course. The tea fees for the month of Oct. were sent to the Northern Extension Fund of the WI. The meeting was adjourned and delicious refreshments were served by the hostesses.

COULONGE W I

The Fort Coulonge Women's Institute meeting was held at the home of Mrs Lorne Routliffe Thursday night Oct 5.

Mrs G E Colton president was in the chair. The Secretary Mrs Gerald Smith read a "Thank you" letter received from "Save the children Fund" expressing their tnanks for the 23 Christmas stockings which had been received.

An interesting Roll call was "Bring an antique to display and tell something about its history".

The program was "Slides on Expo and the Voyageurs" by Mrs Colton and were very much enjoyed by all.

The Nov meeting will be at the home of Mrs Anne Fumerton.

WYMAN W I

An interesting meeting of Wyman Institute was held at the home of Mrs Donald Duff on Thursday evening Oct 12. Guest speakers for the evening were Mr Hartwick and Mr Tranmer of Hull, representatives of the Regional School Board. They explained the changes being made in our school system and the advantages of the Vocational, Technical and Commercial courses being offered. A discussion and question period followed.

Fourteen members and eight visitors were present. The roll call was responded to by naming the Provinces of Canada and their capitals.

Several members had met at the Centennial Park earlier in the week and planted 300 tulip bulbs.

Plans were completed for the Fall Convention which is to be held on Wed Oct 18 at St Andrews-Knox Church.

Reports were read from the following convenors. Agriculture: Don't overwater House Plants. Citizenship: Adjustment to Life in Canada. Education: is a girl's best friend. Publicity: The contest in MacLean's magazine.

The next meeting will be held at the home of Mrs Blanche Hodgins.

Refreshments were served by the hostess assisted by Mrs Roland Graham and Mrs Ronald McCredie.

GATINEAU W I

The Gatineau County Women's Institute honored the late Mrs Fred Lusk at a Centennial tea after their semi-Annual meeting when her grand daughter Dorothy, Mrs Donald Tarte unveiled a plaque in Luskville Municipal Hall. Mrs Hubert Ellard past provincial president told highlights of Mrs Lusk's 97 years as a highly thought of member of the Community. Her interests were in every field: politics, education, farming, family life etc.

Centennial dress was worn by the many guests and members.

Three generations of Mrs. Lusk's family was in attendance, sons Ray and his wife Vicki, Gordon, two granddaughters, Mrs Tarte and Joan, Mrs Kenneth Trudeau and a great grandson Reggie Trudeau.

A committee, Mrs Austin Lusk, Mrs Hubert Ellard and Mrs G Lafleur were appointed to meet the provincial member re the great need of a home for the aged in Gatineau County. All branches to assist in Gatineau County day tea room at the Ottawa Winter Fair on October 28th.

During the Centennial Tea in the afternoon each branch according to their seniority gave a two minute history of their branch. Then each branch participated in the program. Breckenridge the oldest Branch had a comic reading by Mrs Ethel Lusk, Quyon a 1913 Charter member. Eardley came next with their Charter Member Mrs Frank Cornu reciting. Mrs Gerald O'Grady president of Gatineau County was in charge of the program which had been set up under the capable hand of Mrs Margaret Fuller.

CLARENDON W I

The October meeting of the Clarendon Women's Institute was held in the High School with Mrs Gerald Draper and Miss Marion McGuiney as hostesses.

As this was the Hospital meeting we heard a very interesting talk given by Mrs Marks on their work and needs. The hospital fees were collected and a donation of $100. was given.

Plans were made for our Fiftieth Anniversary Banquet to be held on October 26.

Arrangements were made about collecting for the Blind.

As entertainment we enjoyed slides of Expo and our Centennial Picnic shown by Mrs Erwin Hayes.

Double your money with Canada Savings Bonds

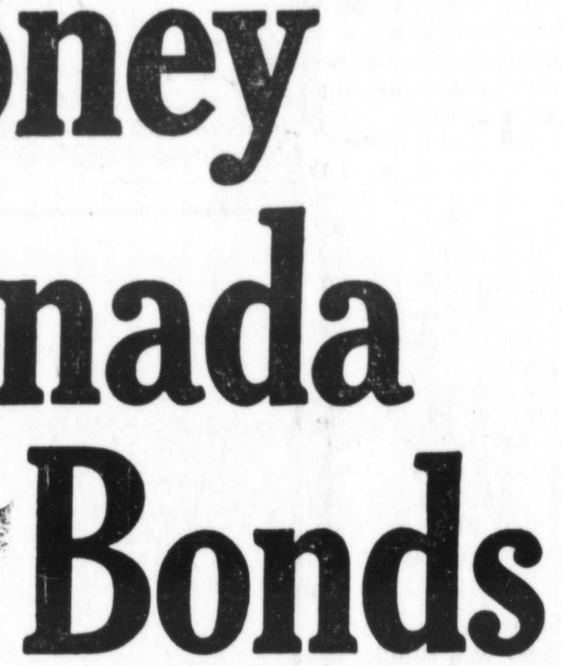

One of the great things about Canada is Canada Savings Bonds, and this year's Series is the most exciting yet. Interest starts at 5¼% a year—the highest starting rate ever on a Canada Savings Bond—and goes right up to 6%. Over the 13 years to maturity the true average annual yield is 5.48%.

Best of all, Canada Savings Bonds have a wonderful compound interest feature which pays you interest on your interest. Take full advantage of it and you will double your money.

As always, Canada Savings Bonds are instant cash. They may be cashed at any time for their full face value plus accrued interest. They are easy to buy for cash or on instalments. They fit all savings budgets—from $50 up..

And, for the first time ever, Canada's most popular personal investment may now be bought by businesses, churches, charities, clubs, and other organizations. Another first: the limit per holder for this Series has been increased to $50,000.

Backed by all the resources of Canada, Canada Savings Bonds are a great way to save. Buy yours today and double your money.

COURT REPORT

Court was held at Campbell's Bay on Ocotber 18 with Judge Frenette in attendance.

A 28 year old Campbell's Bay man Philippe Beland was sentenced to one month in jail when he pleaded guilty to a breach of recognizance. In August of this year he was given a suspended sentence on a charge of breaking and entering and at the same time was ordered to sign a personnal bail bond of $400 to keep the peace for a period of two years. One month later he was caught stealing a rifle in a parked car and then received a two months jail sentence, while at the same time constituted the breach of his bail bond to keep the peace. Judge Frenette told the accused that since he did not take advantage of the chance he received in the first place, he had no other alternative but to give him an additional month in jail in order to make him realize that when he enters into an agreement to keep the peace, he should respect his engagement.

Arthur Bussiere, 26 of Wolf Lake and Jacques Laurin, 28 of Gatineau Mills, were fined $100 each for theft of 11 pigs. The Court was told that Bussiere one of the accused while working for Mrs Marie Louis Dechamps at Ladysmith in connivance with Laurin and another young man who is scheduled to appear in the Juvenile Court on 26 of October on the same charge stole the 11 pigs from his employer. It is only when they tried to sell the pigs to another farmer that the QPP who had been notified of the theft, caught up with them and after admitting their guilt the accused returned the pigs to its owner. They were also both ordered to sign a personnal bail bond of $200 to keep the peace for a period of one year.

Kenneth Lance, 24 of Charteris was fined and paid a total of $35 plus Court costs for causing a disturbance in a local hotel and for assault on the bar tender.

David Lemaire, 48 of Calumet Island and Leonard Wilcox 37 of Eganville were both convicted of impaired driving and were fined $100 each as well as ordered to pay Court costs.

Arnold Sammond of Campbell's Bay who was caught by the game wardens while transporting a loaded rifle in his car paid a $25 fine and the Court costs.

Court was held at Campbell's Bay on Oct 11, 1967.

James Clifford Burnett, 26 years of age of 155 Victoria St., Kitchener, Ontario appeared on a charge of making a false statement in order to help Mr George Edmunston, alias Alex Borman procure a passport.

He was fined $75 and was well warned by Judge Labelle to be more careful in future about such doings since he was liable to imprisonment for 2 years.

A Montreal man Jacques Hudon, 34 years of age of 4593 De LaRoche Street, who during last September was employed at Portage du Fort was ordered to pay the damages caused to the motel room where he was living.

The Court was told that the accused after a drunken brawl, came back to his room with a friend and caused approximately $150. damages to it. He was assessed $75 as his share of the damage and a warrant for the arrest of his friend is now in the hands of the QPP.

Mr. and Mrs Donald M. Stevens

Bethel Pentecostal Tabernacle was the scene of a wedding Saturday, Sept 2, 1967, when Brenda B., daughter of Mr. J. D. Brown, and the late Mrs Harriet Brown became the bride of Mr. Donald Stevens, son of Mr. and Mrs. James Stevens, Shawville, Quebec. Rev. G. O. Atkinson officiated at the double ring ceremony, with Rev. V. O. O'Brien assisting. After a honeymoon spent in the Northern States Don and Brenda are residing in Shawville.

Pastoral comment...

R. J. Lasher, Shawville

IS THERE A GOD?

The Bible nowhere tries to prove that there is a God. The Bible simply says "in the beginning God".

Let us presume there is no God. How did the world come into existence?

This world is turning in space without a guiding point to keep it in course, at a speed capable of throwing everything out of proportion.

The sun, a great ball of fire, gives us warmth and light. Where did it come from and why has it not burned out?

Could it be that man with such intricate parts could just happen to come into existence without any help at all? With all the scientific knowledge that we have today, can Scientists produce a heart, a liver or brain and make it function properly? If they cannot with all their knowledge, can we imagine how the human came into being just by chance?

Even the heathen wants to worship something. What is the fear that is in their heart that there is someone or something watching them? If this was handed down from generation to generation, what started it in the first place?

What taught the bees to go into the flower and gather pollen and somehow make honey to feed themselves, or the birds to go north or south according to the seasons of the year? If man just happen to come into existence, did also the birds, bees, all creeping things, fish and all living things just happen?

Also the flowers, the giant oak, or the smallest plant just spring from the ground? It is a wonderful mistake, or just happen so, if this is true.

Even though we would deny that God is love or that love came from Him, it makes us wonder why even the dumbest animal when their young are born, the mother will guard them with her own life.

Where did this love come from? Did this all come through evolution, or did a power we know nothing about plant it there?

Do we really need to prove there is a God? The plants, animals and nature itself cries out there is a God who made this wonderful, beautiful world that we are privileged to enjoy.

AYLMER EAST W I

The Aylmer East Women's Institute October meeting was held at the home of Mrs Robert Radmore assisted by Mrs Hilliard Holmes and Mrs. Bowden MacLean. It was 2nd vice-presidents meeting and Mrs Gerald O'Grady was in the chair.

Plans were made to serve tea and cookies at the Ottawa Winter Fair Oct 28.

Rev Lorne Lamoine was guest speaker and spoke on some of the highlights of the Good Companion Centre in Ottawa.

Mrs Bowden MacLean gave a report of the Gatineau County Convention held at the Luskville Municipal Hall.

Next meeting Nov 14 in the evening at Mrs Roy Leach.

New Guide District to be called Hilco

Shawville and area has become a Guide District and will not be under Aylmer any more as a mere Division. Now this area will have its own District Commissioner.

The new District will be called Hilco District, a name chosen by the five local Guide Leaders all of whose husbands work at either Hilton Mines or Consolidated.

The new Hilco District organization hopes to enlarge the Guide family locally to include Campbell's Bay, Quyon and the entire surrounding area.
