PAUL MARTINEAU M.P., yesterday appointed Parliamentary Secretary to the Prime Minister.

Paul Martineau Appointed Parliamentary Secretary To P. M.

Paul Martineau has been appointed Parliamentary Secretary to the Rt. Hon. John Diefenbaker in an announcement issued at 3 p.m. Wednesday by the Prime Minister.

The appointment means that Paul will move into an office in the East Block next door to the Prime Minister's office, and will also get a new office in the Centre Block. He spent an hour in conference with the Prime Minister this morning, when he learned that his new duties will commence

next Tuesday morning. The Prime Minister told Paul there would be

plenty to do in the new job, and greeted him with the words "You are the top man in Canada to-day".

Paul's new job is regarded by many as a stepping stone to the cabinet, but on this subject Paul himself had no comment to offer. He did point out that being Parliamentary Secretary to the PM would "itself be no sinecure".

The Prime Minister of Canada never before has had a parliamentary secretary. In the words of to-day's (Thursday) Globe and Mail "The appointment of Paul Martineau, confirms reports that he (the Prime Minister) has a high opinion of Mr. Martineau

who sits for Pontiac-Temiskaming, and is grooming him for the Cabinet". The related headline in the Globe & Mail reads "Quebec MP will assist PM".

It is expected that he will have to take the Prime Minister's place in debate and in answering questions from the floor of the House in the absence of his chief. He will likely also represent the Prime Minister at functions both in and out of Canada.

Paul's comment on his appointment was "This is a great honour for people of Pontiac-Temiskamingue".

Yesterday's announcement also named 14 other members of Parliament as secretaries to cabinet ministers. The only other Ottawa Valley M. P. to be so named was Dick Bell,

M.P. for Carleton, who has been appointed secretary to the Minister of Finance, Hon. Donald Fleming.

No 8 Plowing Contracts To Be Negotiated

Latest word from the Department of Roads in Aylmer is that contracts will be let locally for the plowing of Highway 8 this winter. Sand and salt will be spread by employees of the Department, using strategically located near Highway 8, at spots yet to be decided upon.

No contracts for plowing have yet been signed, but are now being negotiated, according to Mr. Charbonneau of the Department.

School Principal Defines Role Of Home And School

In a carefully prepared and frank, straight from the shoulder speech, High School Principal Gordon Hagen Tuesday night told members and adherents of the Home and School Association that the purpose of a Home and School Association is to assist the school; to help interpret and publicize the policies of the school; and to uphold those policies.

With this in mind he requested the local organization always to keep its demands on the school staff and the pupils to a minimum. He pointed out that the school staff is charged with the responsibility of grounding 762 young people in the basic elements of learning, which is itself a big job, without adding to the burden by imposing added activities originating in the Home and School. "There is a growing feeling all across Canada and the United States," the speaker continued, "among many teachers, that Home and School Associations in certain areas are assuming the horrible imposition of dictating to the schools". This tendency, he believes is growing and may become alarming unless something is done about it.

The Public and The Schools
Raising the question "Is the public giving the schools a chance?" he made several observations. "The time of school teachers and administrators is valuable". It is impossible to get the work done, for which they are hired, if they are continually interrupted by phone calls requesting the giving of messages to pupils. "Most teachers have to work five nights out of seven". "The public does not at all times try to understand the policies of the school." "All students cannot be expected to pass grade 11, although any student now in grade 11 may reasonably be expected to pass the grade." On the other hand, a child now in grade seven may not necessarily be able to pass grade 11.

The other face of the coin is the question "Is the school giving the public a chance?" To answer this Mr. Hagen raised another question—"Are the school policies made available to the public so they know what is going on?" "If not",

he said, "You have to expect a certain amount of resentment." The public has the right to expect every teacher to put forth his best effort. In this regard Mr. Hagen stated that "In the three months I have been here I readily agree that Shawville teachers as a group have a higher percentage of good teachers than any school I have ever been in before". This, he said, should be recognized and appreciated by all concerned. "The parents have a right to expect the school to be operated correctly." This does not, however, mean according to the wishes of each.

Urges Co-operation
In closing, the speaker asked for the co-operation of all parents, and itemized the major features of such co-operation.

1. Check carefully on attendance of children at school. A pupil has to attend regularly if he is to be successful. The only acceptable reasons for absence are illness (of the student or some member of his family) and occasional work.

2. Please do not phone the school. We simply have no time to deal with any but emergency phone calls.

Deer Caught At The Hilton Mines

A deer left the bush around the Hilton Mines and went into the pit where the men were working. The men got a gun and fired three or four shots without killing it. From the pit it went into the man-made lake used at the mine for tailings or washing. Royce Hodgins ran around the lake and hid behind a clump of earth. The deer came out of the lake where Royce was hid. He caught it and wrestled it. The deer got away once and he caught it again by the horns. Allen Findlay came and cut its throat.

The carcass was donated to Pontiac Community Hospital.

Check every indication of faulty brakes at once. Loss of brakes in traffic is a horrible experience.

All were sorry to hear that Gerald Lamothe and Hector Racine were in a car accident on their way to work at Hilton Mines. Mr. Racine was not hurt badly, but Mr. Lamothe is still in Pontiac Community Hospital, Shawville. Both live on Calumet Island.

CHRISTMAS SEALS

The Christmas Seal Campaign is now under way across Canada. In Pontiac County it is handled by a public spirited group in Fort Coulonge, which this week sent out circular letters to a lengthy list of prospective donors, together with two sheets of Christmas Seals to each.

The campaign operates each year to obtain funds with which to combat tuberculosis — to help finance the mobile chest clinic; to provide funds for sanatoria; to help elsewhere in the fight against this disease, through enlarging the field of preventive work.

It is a fairly common belief that tuberculosis has been beaten. This is not so. Spectacular cures have been achieved, but in spite of this fact, there are literally thousands of cases in Canada where the afflicted person has not been hospitalised, and is walking around free to spread the disease to all who come in contact with him. It is of vital importance to continue the work of finding out who these people are, and of getting them cured.

A donation to the Christmas Seal Fund will go directly into this work.

For those who have not received a letter soliciting funds for this purpose, a cheque or money order may be sent to Pontiac Anti-Tuberculosis Association, Fort Coulonge, Que.

SAFE DRIVING WEEK ONCE AGAIN

Safe Driving Week will begin this year at midnight, Monday November 30, and continue until midnight, Monday, December 7,

The object of marking this, the first week of December, in this way, is to prove that by exercising extra caution in that week, traffic fatalities can be substantially reduced. This was proved in both 1957 and 1958, when, instead of the usual 71 traffic fatalities in Canada for the week, there were 47 and 45 fatalities respectively.

The main object this year is to try to reach what has been called the "apathetic" driver and pedestrian. These are the people that figure safety practices are for the other fellow. They are the same ones who figure the accidents all happen to other people. These unfortunates must be reached and converted. They must be made to understand that they, as all human beings, can make mistakes, and that mistakes made in traffic can kill and maim.

In the hope that the eye of at least one such individual may fall on these lines, we advise that between now and the end of the first week of December we will be running short messages into the news columns of the paper which are "tell-them-how" safety slogans. Watch for them (even if YOU are immune to accidents) and act on them.

Letters to The Editor Sunday Sports

Shawville, Quebec
Nov. 14, 1959.

The Editor, The Equity,
Shawville, P. Q.

Dear Sir:-

I am sorry to see the opinion you have expressed concerning Sunday sports. Freedom without necessary restrictions is chaos, and in this day when moral decay is on the increase, it is no time to substitute liberal theories for Christian ideals.

To have less restriction on the individual's behavior is sometimes a good thing. Too often, however, this is the demand of the "free-thinker", the person who thinks that any and all religious observance should be bottled, corked, and thrown away.

In your article of November 12, "Those Who Care — A Reply", you seemed puzzled by the fact that an older generation should so steadfastly uphold a pattern of behavior for Sunday. It's probably true that this older generation was uncompromising, but the reason isn't so puzzling. Grandfather (and grandmother too) thought that Sunday was worth preserving as a day of worship.

Yours truly,
Allison Brewer

Ed Note — Liberal theories and Christian ideals are surely synonymous. No question of substitution therefore arises. Further, we are not asking for less restriction than exists, we are simply hoping that the people will resist the imposition of additional restrictions inherent in the proposed Shawville bylaw. Finally we agree that religious observance should not be bottled, corked and thrown away; and that Sunday is worth preserving as a day of worship, BUT passing a bylaw to that effect is not the way to do it.

Scout Mothers To Sponsor First Aid Course

Editor, The Equity,
Shawville, Quebec.

Dear Dave:-

As you are no doubt aware at the annual meeting of the Scout Mothers' Auxiliary, this organization once again agreed to be sponsor of a First Aid Class under the jurisdiction of the St. John Ambulance Association. I accordingly wrote to the St. John and they are only too pleased to allow us to have this, the tenth consecutive course in First Aid. This will commence early in January, the exact date of which will be advised later.

There has been around 200 who have taken this course and have received, at least, their Certificate, some their Voucher and others their Medalion and Label. However, these are only valid for five years from their last examination and if allowed to lapse, must again start with their Certificate again. It is hoped that a number of these will take advantage of this course and renew their standing. Dr. Green will again give the required lectures and Dr. Cowley the examination at the end of the course. The practical use of the bandages will be under a number of qualified instructors.

As there is considerable book work involved in making out nominal rolls, etc., anyone who wishes to take advantage of this, should get their name in to Mrs. L. H. Moore, phone 183, as early as possible and those whose names are in first will receive first consideration for enrollment and those in charge of the class will reserve the right to cut off enrollments at any time.

This 1960 Class will be using a new manual in place of the old "40th Edition" for which

Mrs. Norris Horner Re-elected President Scout Mothers Aux

The annual meeting of the Scout Mothers Auxiliary was held in the Scout Hall on Tuesday, November 10 with a very good attendance of 28 members and two visitors present. Mrs. Norris Horner president was in the chair. The meeting opened with the Scout Mothers Promise in unison. The minutes of the last meeting were read and approved. A report was made of the presentation night of awards for the 1959 graduating class of St. John 1st Aid Course and correspondence was read. Mrs. Reuben Smith reported a bank balance of \$348.43 to date. Mrs. John Walsh gave her social report of her committee's work for the year, including the Cub and Scout Christmas parties of 58 and the successful Father-Son Banquet.

Mrs. G. Knox, Mrs. N. Drummond and Mrs. W. McCleary received an unanimous vote of thanks for their hard work in the initial effort of cleaning up the Scout Hall and it was moved that the hall have a periodic cleaning with Mrs. G. Knox as convener of the "Clean-up" committee. Capt. Winslow then took the chair for election of officers for 1960 and the executive of the previous year was brought in for a second term.

President, Mrs. Norris Horner; 1st Vice President, Mrs. Morley Wilson; 2nd Vice President, Mrs. John Walsh; Secretary, Mrs. Earl Devine; Treasurer, Mrs. Reuben Smith. The re-elected president took the chair and thanked Capt. Winslow. Convenors for the various committees were then elected, including:

Social Con., Mrs. J. Walsh; Program, Mrs. D. Hummell and Mrs. G. Knox; Visiting and Membership, Mrs. L. Moore and Mrs. B. Allen; Box and Hospital, Mrs. R. Armitage; Sewing, Mrs. Atkinson; Finance, Mrs. R. Smith.

Fees to the amount of \$7.25 were collected. A motion was put forward that Earl Devine be thanked for his efforts in the Scout Hall.

The auxiliary have again elected to sponsor the coming St. John First Aid Course for the tenth consecutive year.

A regular meeting was arranged for late January. Ways to make talent money were discussed, to be donated to funds. The Christmas parties for Cubs and Scouts were discussed. The meeting was then turned over to Capt. Winslow, who gave many interesting facts on Scouting and points on how to encourage our boys to be good Cubs and Scouts. He stressed neatness of uniform and appearance, as important factors. Mrs. G. Paul thanked Capt. Winslow for a very interesting talk, which must have benefitted all present. The meeting closed with the Scout Mothers benediction. Mrs. H. Turner took charge of a program of games, and lunch was served by the Social Committee.

there will be a charge of 75c with an additional charge of 25c for a regular Triangular Bandage. There will also be an enrollment fee of \$1.00, payable when registering. This last is to cover expenses pertaining to the class and any surplus will be turned over to the local Boy Scouts Association. It is a non-profit affair with all instruction at no charge and is a public Good Turn on behalf of the Scout Mothers' Auxiliary.

Sincerely,

A. C. F. Winslow,
Asst. Prov. Commissioner
for Civil Defence.

Mary Joyce Dean Weds William George Stevens

A marriage of local interest took place in Iroquois United Church, Iroquois, Ont., when Mary Joyce Dean, daughter of Rev. and Mrs. J. Leslie Dean, formerly of Richmond, Que., became the bride of William George Stevens of Montreal, son of Mr. Russell Stevens and the late Mrs. Stevens of Tremholm, Que. The ceremony took place at three o'clock on Saturday, October 31, Rev. J. Leslie Dean, father of the bride, officiating. The wedding music was played by Mrs. H. Thompson and the soloist was Mrs. O. English. The church was adorned with baskets of white Shasta daisies and mums.

Given in marriage by her brother, Mr. Morley Dean, the bride was in a floor length portrait gown of cloud silk taffeta trimmed with chantilly lace and pearl tone sequins. The fitted bodice was finished with a bateau neckline and lily point sleeves and the bell-shaped skirt fell into a chapel train. Her elbow length veil was held by a shell-shaped headpiece of lace and sequins, and she carried a white Bible encrusted with yellow Sweetheart roses and streamers of yellow baby mums.

The bride's attendants were her sister, Miss Morna Dean, as maid of honor, and Miss Edna Stevens, sister of the groom as bridesmaid. They wore identically styled gowns of peacock blue iridescent taffeta, the capelet collars forming scoop necklines. The full skirts were highlighted with a bustle effect at the back, trimmed with matching taffeta rosettes. They wore toning headpieces and carried Colonial nosegays of pink and white carnations.

Mr. Walter Stevens acted as best man for his brother, and the ushers were Weldon and James Stevens, also brothers of the groom.

The bride's mother received in a moss green wool sheath dress with brown accessories with which she wore a corsage of bronze and yellow mums.

Following the ceremony, a reception was held in the church hall where baby mums in rich fall shades were used to decorate.

Later Mr. and Mrs. Stevens

left for a wedding trip to Pennsylvania, USA, the bride wearing a two-piece green wool dress and matching hat, and carried a light coffee colored coat. A Series of Accidents
Saturday night did not appear to be a good night to go driving in the vicinity of Otter Lake, with all the car accidents in this area one was taking quite a chance. Mr. Norval Kilbride of Quyon, was involved in one at the property of Mr. Harold Sparling's, turning his car over against a Hydro pole then rolling it through Mr. Sparling's new fence coming to a stop on the Sparling Lawn under the trees. Mr. Kilbride was the only occupant in the car at the time of the accident.

The third accident was in the vicinity of the Post Office in Otter Lake when a car and a half ton truck were in collision. These vehicles were driven by Mr. Tony Adamchuk and Mr. Gilbert Miljour, both of this district.

Through all these accidents no one was seriously injured—just luck—.

Deer Season Closes

The closing day of the hunting season for deer Sunday at sundown brought out how successful a season this was for Venison hunters. In the Bryson area at the last minute Gerard Sicard exhibited a fine buck taken on Calumet Island. Bryson members of the Didace club on Black River who were only out the last three days, returned with a 250 pound buck, their quota of partridge and a big black bear. The buck had a fine set of horns and the bear will make an excellent rug for anyone's home. Seven deer were shot at but Renaud Rainville brought in the trophy. Dollard Dufault will have the bear rug. Other hunters were Amadee Jolicoeur, Cyril and Rodolph Lepine and Bob Haskins. They report mink, otter and beaver plentiful. Wolves and bear signs everywhere and birds also aplenty. Ducks too are coming this way down the river, Howard Routliffe bagged four Saturday in Bertrands Bay.

"WHAT DO YOU KNOW ABOUT FRENCH PROTESTANTISM IN QUEBEC?"

— A Fascinating Story —

by a celebrated bilingual speaker

REV. DR. J. BOUCHER, D. D.

Minister Of

St. Mark's United Church, Ottawa

ALL WELCOME

(there will be no evening service)

Minister: Rev. F. C. Gerard, B.D., S.T.M.

Rev. Dr. Fokes Passes

Known to virtually everyone in Lower Pontiac, Dr. Fokes will long be remembered as the down-to-earth hard-working adviser, friend and helpmeet for all those in the area who needed him. He was always a tireless worker in young people's organizations, and achieved no small local fame for the work he did in writing and producing countless pageants and plays put on by the young people of more than one generation. In his church work, as well as every where else, Dr. Fokes was seemingly tireless. For many years he regularly preached four times on Sunday—a morning service at Shawville, then on to Zion, by cutter in the winter, and

horse and buggy in summer. Later in the day on to Starks and finally, back to Shawville for the evening service there.

He was probably the best known visitor of the sick at Pontiac Community Hospital, where he cheered the dark hours and difficult times of all, for he visited everyone there. His words of quiet sympathy and understanding were a comfort wherever they were uttered.

He was known too for his truly wonderful success as an unofficial marriage councillor, to those in the County who had encountered marital problems.

When old age pensions came in a few years ago, many of those eligible turned to Dr. Fokes for advice and assist-

ance in filing claims for the pension, and in this connection his assistance was invaluable.

On top of his many other activities and responsibilities, Dr. Fokes was an unfailing reporter for both English language dailies published in Ottawa. He was to be seen, at all hours of the day and night, making his way to and from the multitude of events which occur locally, and which consistently made the headlines through his untiring efforts.

Well known was Dr. Fokes too for his ability as a public speaker. Failing eyesight made it impossible for him to use notes, and he quickly became adept at speaking in public without reference to the written word. He was called on at every turn to address meet-

ings and to offer his advice in public. He will be especially

pross at Orange celebrations on each July 12th.

He is survived by his wife, the former Edna Foley; three sons, Brome, in Gananoque; Harold in Kitchener and Dean in Ottawa; one daughter Lorraine, Mrs. E. Blackadar, in Dundas; a sister, Mrs. Paul Chambers of Three Mile Bay, New York; and ten grandchildren.

The funeral was held on Wednesday, November 18 from the A. J. Sly and Son Funeral Home, Lansdowne, to Lansdowne United Church, with Rev. L. W. Herbert officiating, and Prof. Waldo Smith, chairman of the Kingston Presbytery assisting. Rev. Sargeant preached the sermon.

Interment was in Union cemetery, Lansdowne.

A special bus was chartered to carry people from the Shawville district down to Lansdowne for the funeral. In addition several private cars from here made the trip.

Beloved of the clergy as by his people, there were, in addition to the ministers taking part in the funeral service, 28 other ministers in attendance at the funeral.

Green, Blood Donor; Dave Dickson, Publicity; J. M. Argue, Disaster Relief; with Mrs. Isabelle Rice as vice chairman; Women's Work, Mrs. Nell Drummond, with Mrs. Don Dods as vice chairman; Veterans' Welfare, Jamie Amm; sick room supply, Mrs. Clare Jacques.

The appointment of chairmen for the Home Nursing, Water Safety and Campaign Committees was left in abeyance.

Branch President J. M. Argue (or his appointee) was named the official Branch delegate to the Quebec Division annual meeting to be held in Montreal in February.

A special committee to be responsible for recommending members for the Red Cross Badge of Service was appointed: Mrs. Muriel Bronson, Quyon, Chairman; Mrs. Gilbert Telford and Mrs. Gordon Gibbons.

Miss Menard made mention of the excellent work of the Public Health Nurses in this District, and thanked them for the support they had given the Red Cross in the course of their duties. She also requested that the President of the Junior Red Cross be invited to attend any meetings of this Branch of the Red Cross.

Refreshments were served at the end of the meeting, when Miss Menard thanked Mr. Argue for the use of his office and for the refreshments. She also congratulated him for the wonderful support he had given the Red Cross organization, and particularly the recent Blood Donors Clinic at which 235 blood donors had given blood. Mr. Argue replied and said it was not a very hard job to do when they had such representatives as Miss Menard to help them out and hoped they would see her often in this vicinity.

"I Heard a Bluebird Sing". Quyon sent their lovely song-bird Charlene Mulligan and from Ottawa came Brian Ellard, complete with his fine Hallman Organ, to play several numbers on both organ and piano and to accompany Jennifer Dickson singing "Tan Shoes". Jennifer, with sisters Elizabeth and Marjorie, also sang an unaccompanied three part version of "Dear Hearts and Gentle People".

The grand finale of the evening was a double duet "How Great Thou Art" with organ and piano accompaniment, by Mrs. Hodgins and Mrs. Rowat. Singers were Kay Woodley, Emily Russell, Nellis Hodgins and Joe Russell.

The evening must have been a great success for the Rotary Club because all seats were taken with crowds in the balcony and at the back on benches and standing, despite the weather which couldn't have been much worse.

From Bristol, along with Joe and Wilmer, came Jackie Campbell with a very good interpretation of "Oh What a Beautiful Morning" and from Austin came honeymooners Cathy and Glyn Davies with

School Principal Defines

(Continued from Page One)

3. Make certain that pupils are studying the correct amount at home. The parents have this responsibility.

4. If a parent has occasion to come to school to remove a pupil for even a short period of time, he should go first to the office and advise the principal or the vice principal of his intention. This is a precautionary request aimed at preventing removal from the school of a pupil by an unauthorized person.

5. When a regulation is made at school, parents should understand that it is made for the good of the entire student body.

6. Please make "vague plans now" to attend the school graduation exercises to take place sometime in the latter part of June, when Grade 11 students will perform the usual functions of a graduating class. It is a dignified and worthwhile event, and, the speaker concluded "I solicit your patronage of it."

Old and New

Earlier, Mr. Hagen contrasted educational policies as found in the average school 25 years ago with the policies of the average school today, which he concluded by observing that the wise educator today will keep some of the old policies and some of the new, rather than all of the new. To illustrate, he felt that Academic subjects should still be given first consideration. He doesn't think too much of the school which places too much emphasis on cultural activity, although he recognizes that a certain amount is necessary. Some educators use the school as a teenage recreation centre, where in fact it is supposed to be a centre of academic learning.

Defends Teenagers Rallying to the defence of

the teenager, much maligned in some quarters, the speaker stated that the character of the teenager has changed little, if at all since their parents were teenagers. The main difference, he said, was that there are more teenagers today than there were 25 years ago, but individually they act in much the same way that their parents did at the same age. "We are not in a position therefore to condemn them too much"

he said.

The speaker was introduced by president Jack Russell and thanked by Ray Sheppard.

Committees Named

At the business part of the meeting members of two committees were named. To the Finance committee: Don Paul, Fred Graham and Rev. Cooke. To the Recreation Committee: Leslie Dale, Mr. McKenzie and Berle Kennedy.

In Memoriam

KNIFE—In loving memory of a dear husband and dad, John Knife, who passed away Nov. 16th, 1954.

Days of sadness still comes o'er us,
Tears in silence often flow
For memory keeps you ever near us

Though you died five years ago.

—Ever remembered,
Wife and family. x

STEWART—In fond and loving memory of a dear wife and mother, Mrs. John Stewart who passed away, Nov. 18th, 1956.

God saw you getting weary,
So He did what He thought best,

He came and stood beside you
And whispered, 'Come and rest'
He wished no one a last farewell,

Nor even said good-bye,
He had gone before we knew it
And only God knows why.
Sadly missed,
Husband and family x

STEWART—In loving memory of a dear mother Mary Adeline Stewart, who passed away on November 18, 1956. To have, to love, and then to part,
Is the greatest sorrow of ones heart

The years may wipe out many things,
But this they wipe out never—
The memory of those happy days
When we were together.

—Sadly missed,
Daughter Merle. x
