Thirty-Fifth Year.

TWO LOCAL MEN LOST LIVES WHEN AUTO CRASHED INTO STREET CAR

Fatal Accident on Lennoxville Road Last Night Claimed Lives of Messrs. John G. Sangster and James Gordon—Heavy Rain Was Falling at Time of Fatal Accident, and It Is Believed Mr. Sangster's Vision Was Obscured by Headlights of Oncoming Street Car—Inquest Held This Morning.

MESSRS. John G. (Jack) Sangster, well known and popular local garage owner, and James Gordon, also of Sherbrooke, were instantly killed last night when the motor car in which they were returning from a fishing trip crashed head-on into a street car on the Lennoxville road. A fairly heavy rain was falling at the time of the accident, and it is believed that the headlights of the oncoming tramway obscured Mr. Sangster's view of the roadway.

The fatality occurred shortly after ten o'clock at about a hundred feet the other side of Dr. Haight's home on the Lennoxville road as the car containing the two unfortunate men was coming down the slight incline. The force of the collision was so great that half the heavy motor car was driven under the street car. In fact, the motor vehicle was damaged almost beyond the point of recognition.

There were ten persons riding in the street car when the accident took place and they were thrown from their seats by the sudden impact, one lad of about twelve years of age sustaining a severe gash on his head. The passengers rushed out of the tram car to lend what assistance they could, and a call was immediately sent in for an ambulance. However, on arrival at the hospital it was found that both men had passed on, a crushed chest being responsible for Mr. Sangster's death, while Mr. Gordon died as the result of a fractured skull and severe internal injuries.

Mr. Sangster, a well known resident of this city, whose tragic death came as a terrible shock to his large number of friends, was fifty-one years old and resided at 31 Wellington street south. He leaves to mourn his loss, his wife, nee Miss M. Fuller, daughter of the late Mr. T. W. Fuller; three brothers, Andrew and J. B., both of this city, and Charles, of Vancouver; and two sisters, Mrs. E. A. Lohrop and Mrs. A. G. Sangster, both of this city. Mr. Gordon was fifty-five years of age.

The inquest into this sad tragedy was held this morning by Coroner Leonidas Bachand at the local police station, when a verdict of "accidental death," exonerating the driver of the street car, Mr. Wilfrid Fortier, of all blame, was returned. The jury members comprised Messrs. W. Armitage, D. Rousseau, E. Blais, A. Bergeron, J. D. Belsile and R. E. Turner.

Motorist Fortier testified that his tram car was travelling at about six miles an hour when the heavy motor which contained the two men crashed into the street car. He declared that he had slowed down the street car at Dr. Haight's place in case there were passengers for him, and had seen several automobiles coming in his direction. Among these was Mr. Sangster's motor.

"I noticed the automobile when it was about a hundred feet from me," stated Mr. Fortier. "It was descending the hill. When about ten feet away it swerved onto the street car tracks and I immediately realized that an accident was inevitable." Mr. Fortier declared that he jammed on his emergency brakes, but that the crash occurred with such force that the tram car was derailed. According to Mr. Fortier there were about ten persons in the tramway at the time of the accident. The witness said that he had been in the employ of the street railway company for about two weeks, and that he had been conductor on a street car for three days only.

Napoleon Laramee, twenty-two years old, of Lennoxville, testified to the fact that the street car had come to a sudden and abrupt halt, as he had been a passenger and felt the jerk.

Among the other witnesses which were called to testify at the inquest were Dr. E. Hume, who conducted the autopsy on the bodies, and who declared the victims died before reaching the Sherbrooke Hospital. Mr. E. C. Dorman, employed by the Webster Motors, said that he had arrived upon the scene of the accident a few minutes after it had occurred and that to his appearance it had been a head-on collision. The street car was derailed.

Mr. C. E. Parkin, also employed by Webster Motors, who arrived at the scene a few minutes after the terrible tragedy had been enacted explained that the accident might have been caused by the rain or by the dazzling headlights of on-coming cars. "It seemed to have been a head-on collision," he said.

The automobile was smashed almost beyond recognition in the accident and the street car is said to have sustained about \$1,000 damage.

YOUNG GRANBY CHILD PASSED AWAY SUDDENLY

Dr. Runnells, Called to Investigate Death of 18-Month-Old Marcel Deslauriers, Returned Verdict of Death from Natural Causes.

GRANBY, May 11.—Dr. Runnells, district coroner, was called Saturday forenoon to investigate the sudden death of Marcel Deslauriers, eighteen-month-old child of Mr. Albert Deslauriers, who passed away suddenly shortly after the arrival of Dr. Goyette, who was called by her parents. Investigation brought a verdict of death through natural causes.

Andre Bouchard, a farmer residing about three miles from here on the Roxton road, was found in an unconscious state Friday night by a truck driver who happened along the highway and saw Bouchard lying beside the road. A short distance further, Bouchard's wagon was found over a stone wall, while the horse was grazing peacefully still further away. Bouchard had come to Granby in the morning with his cream and had left for home about ten o'clock Friday night. It is thought that he fell from his team, as there was no evidence to show that he had been struck by a hit-and-run driver. Dr. Runnells, who attended the victim, found that his head had been badly bruised, while other minor injuries were found on his body.

Another accident which might have had fatal consequences occurred at Saxby's Corner when a team driven by Mr. George Scott, whose home is five miles from Granby, was struck by an automobile driven by Mr. Paul Provost. The accident happened at the intersection of two roads and the impact threw the sixty-year-old man to the road. He was taken to Dr. Runnells' hospital where he is still confined, suffering from injuries to his head, side and hand. The motor car was badly damaged, but the driver escaped injury.

PROLONGED DRY SPELL THROUGH PRAIRIES ENDS

Although Light in Many Parts, Week-End Precipitation in Canadian West Highly Beneficial.

WINNIPEG, May 10.—Although light in some parts of the prairie provinces, the precipitation in the form of rain, sleet or snow throughout the west during the last week, has created a general feeling that the prolonged dry spell on the prairies has broken, according to the opinion expressed in the Canadian Pacific Railway's agricultural department report issued Saturday.

Seeding operations were practically uninterrupted and where they were completed, fields are now above soil. Manitoba and Alberta benefited most by the unsettled weather, but Saskatchewan's long drought was somewhat relieved and less danger has been felt from blowing soil than was at first expected. In Manitoba wheat is practically all in; Saskatchewan registers seventy per cent and Alberta slightly more. Germination is fairly even, although growth is more backward than in the same period last year.

Coarse grain seeding is fairly general with a percentage completed of twenty-five. Grass, says the report, is slowly showing the benefit of moisture.

British Columbia is showing to advantage in the great proportion of crop, with apples, pears and kindred fruit in bloom and prospects promising. Frost damage was confined chiefly to the southern Okanagan region. Considerable reduction in tomato planting is looked for, but all small fruits are reported a promising yield.

McGILL AEROPLANE CLUB'S NEW PLANE CHRISTENED
MONTREAL, May 11.—The gift of the Dominion Government to the Light Aeroplane Club of McGill University, a moth aeroplane was christened at St. Hubert Airport here yesterday. J. A. Wilson, Controller of Civil Aviation, Ottawa, made the presentation on behalf of the Department of National Defence, and Colonel Wilfrid Bovey, of the university, replied. Mrs. Bovey performed the christening.

ALGOMA'S WOLVES WILL BE SUBJECT OF INVESTIGATION

Five Men from Royal Ontario Museum of Zoology Will Conduct Survey of Entire Sault Ste. Marie Area.

TORONTO, May 11.—Algoma's famous wolves—those wolves which strike the front page of many a newspaper with almost monotonous regularity—are in a tough spot now. Five men from the Royal Ontario Museum of Zoology here are going to conduct a faunal survey of the entire Sault Ste. Marie area. Birds, mammals, amphibians and reptiles of the district are going to be studied and reported upon. The delegation is expected to pay special attention to Spruce Larks, from the vicinity of which many of the startling stories have originated.

BUSINESS BODY FAILED TO FIND A REAL REMEDY

International Chamber of Commerce Closes After Passing Mild Recommendations to Reconsider War Debts.

WASHINGTON, May 11.—They came, they talked and they went away, but they did not conquer. For these business chiefs of the world, one thousand captains of industry and kings of finance, after the long discussions at the convention of the International Chamber of Commerce, admitted that they had not found a solution for the present industrial crisis and were forced to confine their resolutions to a mildly worded motion regarding disarmament and a general consideration of war debts. As far as industrial matters were concerned, Kenkichi Kagami, chief of the Japanese delegation, outlined the results in the following statement:

"The Chamber has not come to any definite policies for meeting the world crisis, but everybody knows and understands the importance of the present situation and we are all in the same boat."

At its final meeting on Saturday the Chamber passed a general resolution recommending disarmament, examination of the effects of international obligations on trade if warranted by changed economic conditions and removal of all unjustifiable tariff restrictions. The chamber also recommended an international conference on silver, approved conferences looking toward the solution of agricultural problems and urged future markets should use every endeavor to remain free from governmental interference. The entrance of the Communist bloc into the United States and Soviet Republics into the individualistic markets of the world was not directly mentioned although emphasis was laid upon protection of individual rights throughout the Congress.

The mildness of the Chamber's pronouncements on war debts, reparations and tariffs is largely accounted for by the fact the meeting was held in Washington and the attitude of the United States Government. The inclusion of the dispirited consideration of the debtor nations' "ability to pay" and their military expenditures would be taken into account.

The tariff section, while urging removal of obstacles to international trade suggested use of machinery already set up by some countries for eliminating inequalities, such as the United States flexible tariff system.

One of the Chamber's declarations was that private initiative and private operation of business enterprises "constitute the most effective instrument" to insure progress and prosperity.

Another was that sound governmental budget systems should be maintained to prevent imposition of undue taxation.

CANADIAN TRADE SHOWED SHARP ADVANCE IN MARCH

Index Figure Records Dollar Volume of Retail Trade Near Level of January, 1929.

OTTAWA, Ont., May 11.—Total value of retail sales in Canada increased substantially in March, according to the index of the Dominion Bureau of Statistics. The index, based on January, 1929, as 100, rose to 98.7 in March from 87.7 in February. The calculation is founded on reports from thirty-five chain stores and twenty-five departmental stores.

Boots and shoes rose from 59.0 in February to 76.1 in March; clothing from 68.4 to 106.2; drug sales from 87.7 to 93.1; furniture from 69.6 to 70.1; general and departmental from 88.6 to 104.9; groceries and meats from 93.0 to 97.9; restaurants from 76.3 to 84.2.

Candy showed a decrease from 68.9 in February to 75.4 in March, and music and radio from 73.0 to 68.2.

COLLEGE PRESIDENT DIES
AMHERST, Mass., May 11.—Dr. George Daniel Olds, President Emeritus of Amherst College, died today. He was seventy-seven years old.

UNITED STATES PLACING HOPES IN CONFERENCE

Republicans Trust that London Gathering Will Help Domestic Wheat Situation.

WASHINGTON, May 11.—Republican party leaders have cast expectant glances Londonward in the hope that the forthcoming International Wheat Conference may offer some solution to a pressing economic and political problem in the United States.

Two things might conceivably result:

- 1.—An avenue for future disposal of the enormous wheat stocks owned by the Grain Stabilization Corporation, a Farm Board agency, and
- 2.—Some means of bolstering the depressed price of the commodity.

Should one or both develop from the conference of leading exporting nations, no one would be more pleased than members of the Republican Agricultural Advisory Council for "sell" the tariff and the Farm Board in the middle west.

Should the International Conference conclude with no tangible results, it is likely that particular attention will be paid to the stabilization of wheat stocks with regard to immediate disposal.

The Stabilization Corporation now is selling 35,000,000 bushels abroad. No plans have been made for other sales at this time.

FOUR CATHOLIC INSTITUTIONS IN MADRID WERE BURNED BY RIOTERS

Mobs Surged Through Streets Today in Wild Anti-Church Demonstrations—Republican Government Declared Martial Law and Announced It Would Maintain Republic by Force if Necessary—Threats of Open Street Warfare Continue.

MADRID, May 11.—Defiant of every effort to restore order, mobs surged through the streets of Madrid today burning four Catholic institutions and attacking numerous others in anti-church demonstrations.

Mobs set fire to the Carmelite Monastery in the Plaza Espana, near the former royal palace. Previously they had burned the Jesuit headquarters and the church adjoining it.

The cabinet's deliberations were interrupted constantly as paraders marched past shouting through the windows. One detachment was led by the aviator, Rada, who has been closely associated with Ramon Franco.

One cabinet minister left the conference to receive a delegation of marchers who demanded, among other things, that General Berenguer be shot, that Miguel Maura be dismissed as Minister of the Interior, and that the civil guard be disbanded.

The Republican Government, which blamed the rioting on the Extreme Lefts or Communists, declared martial law and announced that it would maintain the republic by force if necessary.

Shortly before 4 p.m., regular army infantry and cavalry marched into the streets and began taking down the civil guards. Despite this show of force, their threats of open street warfare, the mobs continued their attack on Catholic institutions.

Communists tried to promote a general strike this morning and although the Trades Unions opposed them they did succeed in paralyzing traffic and disorganizing business in general.

As the morning wore on there were fist fights, most of them between Communist orators taking up a general strike and Republicans who accused them of trying to discredit the new regime.

Impromptu parades formed here and there throughout the city and mounted police rode among the marchers breaking up their ranks.

At noon a great crowd swarmed into the Puerta Del Sol in front of the government buildings, shouting demands that those responsible for yesterday and today be punished.

So far two are known to have been killed and perhaps a score seriously injured.

A monarchist was beaten to death by a mob in the Puerta Del Sol last night. Another man who was wounded by machine gun bullets yesterday afternoon died this morning. Offices of the Monarchist newspaper A.B.C., which yesterday were under heavy guard today and its publisher was in jail. The most serious riot yesterday surged about the A.B.C. building.

There is an atmosphere of great uneasiness and excitement among the people is growing. Republicans blamed the disorders on monarchist agitators.

The attack on the Jesuit headquarters and today be punished.

First a small group of workmen stormed the old stone palace which used to be the United States Embassy, beating on the doors. Then others came with cans of gasoline. They soaked the woodwork, smashed the windows and set fire to the place.

Firemen refused to fight the flames and the mob cheered. In a

KING PRADADHIPOK MAKING SATISFACTORY RECOVERY

Reported Resting Comfortably After Serious Operation for Cataract of Left Eye.

PURCHASE, N.Y., May 11.—King Pradjadhipok of Siam was resting at Ophir Hall today, after a successful operation for the removal of a cataract from his left eye yesterday.

The King asked that his people of Siam be notified of the outcome.

The doctors' bulletin was cabled to his country. It read:

"The cataract has been successfully removed from the King's left eye. No complication was found in the operation, and we have every reason to believe that the result will be favorable. The King is suffering no pain."

BRIAND AWAITS DECISION FROM SENATE GROUPS

If Promised Support of Left Groups, Foreign Minister Might Run for Presidency of France.

PARIS, May 11.—Aristide Briand, veteran French Foreign Minister, probably will say this evening whether he is to stand for the French presidency when the National Assembly meets Wednesday to perform its septennial election.

Forced to choose between the comparative obscurity of the presidency and continuation in the Foreign Office, he has withheld the decision until now so that he could see just how united various party groups would be in their support of him.

The left group of the Chamber, which took the initiative in putting forward his candidacy, have thus been willing to ask him formally to stand for the office, which is held now by Gaston Doumergue, until the corresponding groups in the Senate have made their decision.

The Senate groups' problem is complicated by their affection for their fellow senator, Paul Doumer, president of the Upper Legislative House, who is himself a candidate for the presidency, and it is uncertain what the Senate groups will do.

If the Senate left groups, particularly the Radical Socialists, decide to support M. Doumer, Briand may not offer himself as a candidate. If they join with the Radicals and other lefts of the Chamber to support Mr. Briand he is expected to announce his candidacy. Should he decide to stand it is believed he undoubtedly would be elected, a Chamber vote of confidence in him having passed last week by 450 to 32.

French Royalists, participating in Sunday's National Joan of Arc fete day celebration, staged a street demonstration against M. Briand, hissing and booing whenever his name was mentioned.

CANADA-AUSTRALIA TRADE PROSPECTS APPEAR DARK

Prominent Steel Manufacturer from Antipodes Sees Little Chance of Increasing Inter-Dominion Commerce.

MONTREAL, Que., May 11.—Canada-Australia trade has "not much of a future," Sir Hugh Poynter, prominent Australian steel manufacturer, said during an interview here yesterday. Trade between the two countries was not very great now, although Canada did export a few cars and some agricultural machinery, and there was little likelihood of increasing it very much, he said.

CHAPLIN DENIES REPORTS OF COMMAND PERFORMANCE

Noted Comedian Says He Received Request from Music Hall Manager, But Never from King George.

LONDON, May 11.—The Daily Express quoted Charlie Chaplin in an interview at Juan les Pins, France, as saying:

"Europe has misunderstood me, bullied me and misrepresented me to such an extent that being a moderately rich man, I don't care a hang whether I ever make another film."

He mentioned among other things widespread comment at his refusal to appear at Monday's "command" performance at a theatre in London.

"What is all this nonsense about my refusing to appear at a command performance?" he asked.

"I've received no command from the King, merely a request from a musical hall manager to appear at a charity show."

"They say I have a duty to England. I wonder what duty? I sometimes think my countrymen are the world's greatest hypocrites. Nobody wanted me in England seven-teen years ago."

"I was just as good an artist

GOVERNMENT POLICY ENUNCIATED BY HON. GORDON SCOTT IN BROME

Masterly Review of Record of Taschereau Government Delivered at Convention of Brome County Liberals This Morning—Col. R. F. Stockwell, K.C., Nominated by Liberals Today to Contest Riding.

CANADIAN HAS BEEN AWARDED A FELLOWSHIP

Strathcona Prize Won by Howard C. Reid, B.A., of McGill University.

NEW HAVEN, Conn., May 11.—The award of 176 fellowships and scholarships amounting to over \$130,000 and representing income from gifts of over \$2,000,000 for this purpose was announced by the Graduate School of Yale University for the year 1930-31. Thirty-six of the awards are for advanced research and have been made to students who have already received the Ph.D. degree or have done an equivalent amount of work. Of the twenty-nine awards of Sterling Research Fellowships, four go to Canadians, as follows:

Murray B. Emeneau, B.A., Dalhousie University 1923, B.A. Oxford University 1926, candidate for the Ph.D. at Yale University 1931, of Lunenburg, N.S., Canada will attempt a reconstruction of the original meaning of the Sanskrit Yajurveda, the 25 stanzas of the Yajurveda, of which there are many versions extant. William F. Hanna, B.A. Dalhousie University 1914, B.Sc., M.Sc. University of Alberta 1923, Ph.D. University of Manitoba 1928, of Winnipeg, will study the genetic relationship of *Tilletia levis* and *T. tritici*, the fungi causing "bunt" of wheat. Franz N. D. Kurie, B.Sc. McGill University 1927, candidate for the Ph.D. Yale University 1931, will continue his work in radioactivity, working especially on electronic deflection. Edith M. Mason, B.A. King's College 1918, M.A. Dalhousie University 1925, of Victoria, B.C., Canada, wishes to study the life and works of Col. In'Nariéville.

Five Strathcona fellowships have been awarded, in accordance with the bequest of Lord Strathcona, for specialized work in transportation, one recipient being Howard C. Reid, B.A. McGill University 1929, of Montreal.

HIS MAJESTY HAS RETURNED FROM WINDSOR

Happy Crowd Assembled at Buckingham Palace Gates to Welcome Their Majesties, Who Have Been Away Since Early in April.

LONDON, May 11.—The King and Queen returned today to Buckingham Palace from Windsor Castle where they have been since early April during the King's convalescence from an attack of bronchitis.

A crowd at the palace gates cheered as they drove in and the King, who appeared to have recovered completely, smiled an acknowledgment. He was bundled in a heavy overcoat, with a flower in the lapel.

BOLAMA, Portuguese Guinea, May 11.—The Do-X, Giant German seaplane, was still located at the island of Bubaque here today, awaiting favorable weather before starting to Brazil on a trans-Atlantic flight.

then and I slaved and starved for a few shillings weekly. I had to go to America for my chance, and I got it. Only then did Europe take the slightest interest in me."

THE WEATHER

CLOUDY, WITH OCCASIONAL SHOWERS

An area of low pressure covers the Great Lakes and the eastern half of the United States, and pressure is falling over the northwestern portion of the continent. An area of high pressure covers the western half of the United States, Manitoba, Saskatchewan and the Hudson Bay region. The weather has been unsettled, with showers from Ontario eastward to the Bay of Fundy, and fair and moderately warm in the Western Provinces.

Forecast: Moderate easterly winds; cloudy today and Tuesday, with occasional showers.

Northern New England: Cloudy; not quite so cool; occasional showers tonight and Tuesday. Moderate to fresh winds.

Temperature yesterday: Maximum 63, minimum 40.

Same day last year: Maximum 66, minimum 33.

POLITICAL MANIFESTO OF TASCHEREAU GOVERNMENT

KNOWLTON, Que., May 11.—Hon. Gordon Scott, member of the Legislative Council, who has been giving his services as aide to the Premier in the Provincial Treasury, gave a masterly review of the record of the Taschereau administration in each and every department of the Government. In his address to the convention, he practically laid down the whole policy which the Government will make in their appeal for a vote of confidence from the electorate of the province. He said:

"May I congratulate you upon the excellent choice you have made in the nomination of Mr. Stockwell to be your standard bearer in the coming contest. While I have not had the pleasure of knowing him for any great length of time, I feel sure that you have made an excellent choice. It is your duty now to see that when the time comes he is duly elected to

KNOWLTON, May 11.—

The Taschereau Government fired its opening gun of the present political war at Knowlton today, when Hon. Gordon Scott, M.L.C., told in no uncertain manner of the record and aspirations of the present administration. In pointing out the strength of the Government case, he also made manifest the basic weakness of the Opposition claims, which he saw as only destructive criticism.

At the well attended Liberal convention this morning, Col. R. F. Stockwell, K.C., well known Sweetsburg lawyer and a prominent figure in Liberal ranks, was unanimously selected as the Government candidate for Brome County in the coming provincial election.

The convention was held shortly before noon at the Lake View Hotel.

A political rally is being held this afternoon when several speakers, including the candidate, will be heard.

Col. Stockwell, who is a returned man, is well known throughout the district in connection with his work for the returned men, in whose welfare he has spared neither time, trouble nor money.

Brome County was rendered vacant when the sitting member of the Legislature, Mr. Carlton J. Oliver, died during the course of the last session. Mr. Oliver had seconded the motion to adopt the Speech from the Throne and died shortly after.

The county of Brome has been consistently Liberal in politics in provincial elections for many years, but in the last federal election a different political complexion arose when the federal county of Brome-Missisquoi switched from the Liberal party and elected Dr. F. H. Pickel over Hon. Fred Kay. The problem to the forefront in July of 1930 in Brome-Missisquoi, as in Huntingdon, Chateaugay, Stanstead and Compton, was largely as regards the question of New Zealand butter, for these thriving districts of the province of Quebec are vitally concerned in butter production.

There are four vacant seats in the Legislative Assembly, the others being Levis, Montcalm and Dorchester. None of these three rank to any extent in the dairy industry, and hence the holding of the Liberal convention in Brome County, followed as is expected by a bye-election would indicate a desire on the part of the Liberal party to test out changes of feelings in the dairy counties of the province in the past year.

An election in Brome county will bring out certain interesting factors, and thereby solve some puzzles for the political mind. One will be whether the federal government will take a strong part. Since the issue will largely deal with butter, and the repeal of the New Zealand treaty—for this issue cannot be avoided even with the greatest of tact—the wisdom of the Bennett Government will necessarily have to be sharply challenged, and consequently defended. It is on the question of whether a federal minister will take a direct part that the interest is centering on this particular aspect of the situation. Presumably Dr. Pickel will take an active hand in the matter, and also Hon. Fred Kay, but under the present circumstances the entry of either of the two gentlemen would not mean direct federal participation. The federal and provincial Conservatives have not been from each other since 1917 as for the Province of Quebec, and the entry of a federal minister in a bye-election in Brome would mark the official end of the separation.

Col. Stockwell, who is a returned man, is well known throughout the district in connection with his work for the returned men, in whose welfare he has spared neither time, trouble nor money.

POLITICAL MANIFESTO OF TASCHEREAU GOVERNMENT

KNOWLTON, Que., May 11.—Hon. Gordon Scott, member of the Legislative Council, who has been giving his services as aide to the Premier in the Provincial Treasury, gave a masterly review of the record of the Taschereau administration in each and every department of the Government. In his address to the convention, he practically laid down the whole policy which the Government will make in their appeal for a vote of confidence from the electorate of the province. He said:

"May I congratulate you upon the excellent choice you have made in the nomination of Mr. Stockwell to be your standard bearer in the coming contest. While I have not had the pleasure of knowing him for any great length of time, I feel sure that you have made an excellent choice. It is your duty now to see that when the time comes he is duly elected to

THE PERFECT HOME

That home's a perfect home indeed That meets its owner's every need. —Old Mother Nature.

The perfect home does not have to be an elaborate home. No, indeed. Some of the most humble homes are perfect homes. This is because their owners find in them all that they need for happiness and contentment. They might not be perfect homes for you or for me but for their owners they are. And more elaborate homes which might seem perfect to us would not be perfect to them at all, because they would feel out of place and so unhappy in them.

Cactus Bill the Gilded Flicker and his mate had been cutting out a home in a giant cactus and getting themselves more or less nestled up in doing it. You see, that cactus was not of wood like a tree, but pulpy and filled with a somewhat sticky juice. So cutting out a home in that was something of a messy job. At least that is the way it looked to Farmer Brown's Boy, who was watching.

"That strikes me like a queer place to make a home," said he. "Of course, it is well protected by those spines all around the entrance, but I should think that it would be a messy place in which to bring up a family. I suppose it does dry out after a while, but until it does I should think it would be most unpleasant. Well, everyone to his taste."

Now, of course, Cactus Bill didn't understand a word of this. If he had he undoubtedly would have chuckled. Also, he would have pitied Farmer Brown's Boy for his ignorance. He and Mrs. Cactus Bill were going to have the most perfect home in all the Great World.

"It is a perfect home," said Cactus Bill

That is, it was going to be the most perfect home from their point of view, and a messy home certainly wouldn't be perfect. Certainly not. You see, Cactus Bill and his mate knew all about that cactus, while Farmer Brown's Boy knew nothing about it, and knowledge makes all the difference in the world. That is why the wise gain all the knowledge they can.

What Farmer Brown's Boy didn't know, but Cactus Bill did, was that the sap oozing from that cactus would quickly harden, for in desert country every bit of moisture is precious and the plant, big as it was, could not afford to lose a drop more than necessary. So the sap oozing out from the walls of their new home hardened, to heal the wound and prevent loss of precious moisture, and instead of a soft and messy interior there would be nice, hard walls almost as soon as the house was finished. The only messiness would be while the work of making that hole was going on.

To Farmer Brown's Boy that cactus seemed such a queer place for a nest that he returned for several mornings to see how Cactus Bill was getting on. And he wished and wished that he could climb up and see what that home was like. But there was no way of climbing that big prickly plant without a ladder, and it was too far from the ranch to bring a ladder. So he had to be satisfied with watching air and Mrs. Cactus Bill go in and out of their home, and admire them for having chosen such a safe place.

"I don't see how any enemy can bother them," thought he. "No animal or snake can climb that prickly trunk." This was quite true. When Mrs. Cactus Bill had laid her eggs she had little if anything to worry about so far as their safety was concerned. Not until the babies should venture outside would there be much cause for worry. Then there would perhaps be danger of sudden attack by a member of the Hawk family.

"It is a perfect home," said Cactus Bill. "Absolutely so," replied Mrs. Cactus Bill with a sigh of contentment. "I don't envy anyone. We've never had a nicer one. The walls have hardened perfectly. Why, this cactus could die and decay, but these walls would remain. What some of our relatives want to build in trees for I don't know. Well, each to his taste. This suits me."

COWANSVILLE LADIES' AID HELD MEETING

Entertained at Home of Mrs. F. Hulburd—Social Items from Cowansville and Nearby District.

COWANSVILLE, Que., May 11.—The regular meeting of the Ladies' Aid was held at the home of Mrs. F. Hulburd on Thursday, May 7, and was largely attended. The president, Mrs. Beach, was in the chair. After devotional exercises, the minutes of the last meeting were read by the secretary, Mrs. W. H. Smith. The treasurer, Mrs. Henry, reported the gross receipts of the lecture given by Rev. T. W. Jones were \$4.85. Appreciation of Mr. and Mrs. Jones' services were expressed. Arrangements were made for serving dinner and supper to the delegates attending the Presbyterian meeting to be held here. Refreshments were served by the hostess.

Mr. J. I. McCabe, of St. Johns, was a visitor here, recently. Miss Mary Hackett, R.N., of Montreal, was a recent guest of Mrs. C. Robinson. Mrs. Harold Spencer, of Brome Centre, was a guest of her sister, Mrs. J. Stevenson, last week. Mr. and Mrs. Bert Crothers, who are spending the summer at Phillipsburg, spent a recent week-end at their home here.

Those who attended the Missisquoi county Women's Institute annual meeting held at Danham, Wednesday May 6, were Mrs. H. C. Cotton, Mrs. B. Miner, Mrs. L. Stowe, Mrs. E. A. Turner, Mrs. G. Beach, Mrs. P. Winsor, Miss M. Cotton and Mrs. W. G. Brown. Delegates were present from Stanbridge East and Noyan. The Dunham branch entertained at dinner and tea. Miss Hazel McCain, superintendent, was present and gave an inspiring address. The samples of material to be used at the C. N. E. were on exhibition and are most attractive. Much regret was felt at the resignation of Mrs. C. E. Knight, of Stanbridge East, as county president. A cordial reception was given the newly-elected president, Mrs. Stewart, of Noyan.

Mrs. Roy and baby, of St. John, who have been at the home of her sister, Mrs. C. Henry for some time, have returned home. During their stay here, the baby was very ill but is now well.

In the report of the death of Mrs. Wm. Seale the names of her two brothers, Mr. Wm. Newton, of Skull Creek, Sask., and Mr. Charles Seale, of Sutton, were omitted from the list of surviving relatives.

Mr. and Mrs. Lyman Lake, of Montreal, were recent guests of the latter's parents, Mr. and Mrs. J. McClure.

Miss Smith, of Brigham, was a recent guest of relatives.

Mr. Gordon Scott, who has been convalescing at his home in Montreal from an attack of pneumonia, returned to the home of his sister, Mrs. Floyd Johnson, last week.

Miss Doris Bonnetie spent last Friday in Montreal.

Mr. George Robb is making extensive alterations to his property on Main street.

Mrs. P. Hillhouse has returned from a visit with her parents, Mr. and Mrs. Sawyer, in Cookshire.

Mr. Leon Stowe spent Tuesday in Montreal.

Among those entertaining recently were Mrs. H. Tessier, Mrs. Bessie Johnston, Mrs. J. Riggs and Mrs. F. Nunn. Mr. V. Ingalls and Mr. C. Brock were business visitors in Bedford recently.

Mrs. W. Wilshire, of Montreal, who has been visiting her friend, Mrs. G. Nightingale, returned to her home on Friday.

WEST BOLTON Mr. and Mrs. Arthur Drew attended the funeral of Mrs. Drew's uncle, Mr. Albert Johnson, in Newport on Monday, May 4. Mr. Johnson passed away May 1. Mr. Albert Pearson and Miss Ruth Bowen, of North Hatley, accompanied them by auto.

Mr. and Mrs. Heber Pettes, Mr. Orlando Soles, Miss Eileen McLaughlin and Miss Edwards, of Knowlton, were guests of Mr. and Mrs. C. B. McLaughlin and son at the tea hour, Monday, May 4.

Several from here attended a meeting of the Ladies' Circle of the Creek Church at the home of Mrs. M. B. Williams, "River View Farm," Fulford, on Wednesday. The Ladies' Guild also met on Thursday, at the home of Mrs. J. J. Dixon, Foster.

A number from here attended service in the Anglican Church, South Stukely, Wednesday evening, conducted by the Bishop on his yearly visit to St. Matthew's.

Mr. J. N. Snodgrass and son were at their farm, on Monday.

BEDFORD AND DISTRICT NEWS

MANSONVILLE

Mrs. Eugene Lamothe, accompanied by Mr. E. Marcoux, Miss Lucia Marquis and Miss M. A. Messier, motored to Beauce, last week, to visit friends there.

Rev. C. Huxtable was called to Toronto on Sunday last by the tragic motor accident in which three young men, nephews of Mr. Huxtable lost their lives.

Miss Helen Eastman, of Sutton, has been a visitor of her grandparents, Mr. and Mrs. G. W. Holmes, of Sherbrooke, were week-end guests of Mrs. Marchant's parents, Mr. and Mrs. A. B. Bailey.

Miss M. A. Olive has returned home, after a brief visit with relatives in Montreal.

Mr. Leon Lamothe, of Sherbrooke, is a guest of his parents, Mr. and Mrs. Thos. Lamothe, at St. Jean.

Miss Hilda Jersey, of Stanstead College, was a recent guest of her aunt, Mrs. W. B. Jersey.

Mr. J. A. Giroux is making improvements upon his store.

Miss Hattie Cadorette spent a few days recently with friends in Newport, Vt.

Miss Una Huxtable has returned home after a four months' stay in Ottawa with her brother, Mr. Reuben Huxtable and Mrs. Huxtable.

Rev. W. W. and Mrs. White, of Stanstead, Vt., were recent guests of Mrs. White's mother, Mrs. W. B. Jersey.

Messrs. Chester and Alfred Johnson, of this place, attended the funeral of their brother, Albert Johnson, which took place in Newport, Vt., on Sunday last, May 3.

Mrs. Willard is spending a few days at the home of her daughter, Mrs. D. G. Eldridge, of Travor Road.

Mr. Jos. Cyr has removed his family from the tenement rented from Mr. George Caron to the house owned by Mr. Antoine Ducharme.

Mr. Ernest Lafond and Mr. Emory Lague and family have returned to Dunkin, after passing the winter in Mansonville.

Mrs. N. F. Macdonald is slowly gaining from her recent severe illness. She is being cared for by her daughter, Miss Marion Macdonald, of Somerville, Mass.

Mrs. Lillian Scott, of Derby Line, Vt., spent a recent week-end visiting her cousin, Mrs. W. B. Jersey.

Mrs. W. W. Brown was a recent guest of Mrs. Huxtable at the parsonage.

Bishop Farthing, of Montreal, conducted divine service in St. Paul's Church on Thursday evening, May 7, at 8 o'clock.

The Baptists of this place reopened their church which has been closed for the winter on May 3, with

a good attendance. Rev. N. Brock, of Glen Sutton, conducted divine worship.

SUTTON

Ten members of the Sutton fire brigade visited Enosburg Falls on Saturday night, May 2.

At a recent well-attended meeting of the Sutton Board of Trade, it was resolved to take measures to try and locate some other industry in this village. The board also voiced approval of the construction, as a Government road, of the proposed route from Moffatt's Corner, about one mile south of the village, to its connection with the Government road at the Glen. This would open to tourists one of the finest scenic roads in the townships and would save them the numerous stops at customs and immigration offices between Highwater and Sutton.

The Cercle Agricole, "Farmers' Club," met on Monday May 4 with Mr. Pierre Laverie. The first award of thirty-five dollars for a pure-bred bull was awarded for an animal be-

longing to Mr. Arthur Noyan, and the second worth twenty-five dollars to one the property of Pierre Laverie. Inspectors of the society will examine the crops of the members during the season and awards will be made for best showings of corn, oats, potatoes and turnips.

Encouraging news is received from Mrs. James Lafleur, who recently underwent a serious operation at the Royal Victoria Hospital. Miss Charlotte Hunting, B.A., of Huntingville, has been spending several days with her friends, Mrs. Orton Baker.

Miss Evelyn Jordan, of Iron Hill, spent the past week-end with her parents, Mr. and Mrs. Thomas Jordan. Miss Edith Hastings, Swetsburg, was a guest at the same home.

Miss Margaret Boyd, of East Farnham, accompanied by Miss Kathleen Hawley, spent a recent week-end with Mr. and Mrs. T. S. Hawley and Mrs. Orton Baker.

Miss Bessie Eastman left on Wednesday for a few days' visit to her sister's and other friends, at Glen Sutton.

Mrs. O. H. Baker and Miss Char-

lotte Hunting, B.A., spent a day last week at Waterloo, the guest of Mrs. Adelaide Palmer.

Mr. Leighton Longway, of Highwater, was in town for a few hours on Thursday.

Mr. Clarence Bowley, of Newport, was in town, one day recently, calling on friends here.

Mr. and Mrs. Fred Currie have moved to the village from the Pinnacle section. Mr. Currie has entered the employ of Mr. George Boright.

During her visit to an elementary school a little while ago, Queen Mary asked one of the pupils how she was progressing in her studies.

"Oh, first rate, ma'am," replied the child with assurance. "I'm the best scholar in the class."

"Indeed," said the queen. "I'm very glad to hear it. When did your teacher tell you so, this morning?"

"Oh, no, ma'am," came the unexpected reply. "Teacher didn't tell me, I just noticed it myself."

Retirement . . . With Pay

Usually, as life goes on, there comes a time when we realize that we cannot draw indefinitely on the bank of earning capacity, and that some day we MUST retire . . . and then we begin to think ahead. Think . . . but, all too seldom, do we plan. The years pass swiftly and, before we know it, the time for retirement arrives and finds us unprepared. But this can never happen to you if you plan now to provide for the needs of later life. Plan . . . AND ACT. Start now to build the income you must surely have, under one of the retirement income plans of the Confederation Life Association. The moderate deposits ensure that your dreams will be realized, without sacrifice in your earlier years. Do you not want to know what these plans can do for you? You can make sure NOW of a retirement WITH PAY. A request to the address below will bring you figures and full information without obligation. Write TODAY.

MANY ATTENDED SERVICE AT ST. PETER'S CHURCH

Special Preacher at United Service Was Sadhu J. Nelson Christiananda, of Province of Madras, India.

The clergy and congregations of the Advent and St. Paul's churches attended morning service at St. Peter's Church yesterday when Sadhu J. Nelson-Christiananda, of the Province of Madras, India, was the special preacher.

EXPERIMENTS GIVE WORLD ITS BEST MATTRESS

Automatic Machinery and Labor-Saving Devices Bring "Beautyrest" Within Reach of All—Inner Spring Construction Is Practically Indestructible.

For many years engineers on the staff of Simmons, Ltd., the world's leading producer of fine beds and bedding, have experimented with countless methods of improving on early types of mattresses with inner-spring construction.

The results of these years of exhaustive and painstaking experiments were finally incorporated in the "Beautyrest".

Echenberg Bros., Sherbrooke's leading furniture store, have been appointed agents for the sale of the Beautyrest mattress and carry a complete stock, in all sizes, for the prompt filling of all orders.

CONFIRMATION HELD TODAY IN ST. PATRICK'S CHURCH

His Lordship the Bishop of Sherbrooke, Right Rev. Alphonse Osiag Gagnon, administered the Sacrament of Confirmation to a number of children at St. Patrick's Church this morning.

The impressive ceremony was held at nine o'clock, and was attended by the parents and friends of those who presented themselves to the Lord Bishop for this important act of Christian faith.

ST. ANDREW'S CHURCH NOTES

The regular meeting of the W.M.S. will be held in the church hall on Tuesday afternoon at 3 o'clock. All "sunshine bags" to be returned at this meeting.

St. Andrew's Auxillary will meet in the church hall at 3 o'clock on Wednesday afternoon. Tea will be served from 4 to 6. Hostesses are Mrs. L. Leslie and Mrs. C. Turner. All ladies of the congregation and friends invited.

On Thursday the Ladies' Aid Society is serving a hot dinner from 6 to 8 o'clock in the church hall. Entertainment after the supper to take the form of a fashion show, featuring the dresses of our grandmothers' time and modern gowns. Tickets, 50 cents.

THE JUNIOR MEMBERS HAD CHARGE OF SERVICES.

The Junior Choir of Trinity United Church had charge of the musical part of both services yesterday, rendering special Mother's Day music, both morning and evening. Their anthem in the morning was entitled "The Old Refrain," by Fritz Kreisler. The morning solo was given by Miss Eleanor Wheeler, who rendered the beautiful "Wonderful Mother of Mine." Rev. Dr. Lennon preached on the subject, "The Artistry of Motherhood."

In the evening, Miss Gladys Goodhue, a member of the Junior Choir, rendered Burleigh's "Little Mother of Mine," and the choir's anthem was "A Mother's Day Offering," by Lola Johnson. The subject of the evening sermon was "Religion As A Burden Or A Help."

The usual Sunday School session was held at 10 a.m., under the superintendency of Mr. Walter Mutchler.

Y.M.C.A. CLUBS AT THE BAPTIST CHURCH

Last night a service was held at the Baptist Church where representatives from Y.M.C.A. Clubs, chiefly the Y's Men, had gathered. The preacher for the evening was Rev. R. M. Simmons, president of the Y's Men's Club, whose topic was "Following Jesus in Choosing Our Life's Task." The speaker pointed out that the underlying principles in Jesus' choice of life work was the consciousness of the will of God. The second principle involved was that of service to his fellow men.

These principles, if followed by the youth and the men of today, would give us a new world and would work towards the overthrow of all periods of depression and class exultations. During the service the choir, led by Mrs. Hadlock, rendered a very fine choral selection, and the service was one of rich helpfulness to all.

MOTHER'S DAY SERVICES AT PLYMOUTH CHURCH.

Mother's Day was fittingly observed yesterday morning at the service in Plymouth United Church. An appropriate sermon was preached by the minister, Dr. Ellery Read, who took for his subject, "Magnificent Motherhood." Basing his utterance on St. Paul's epistle to the Romans, 16:13, "Salute Rufus, the chosen in the Lord, and his mother, and mine," he pointed out that true motherhood reached out in helpfulness to others beyond the pale of the family circle. Many had to thank God for more than one good woman whose mothering impulse had been so great an influence in their lives. This impulse of motherhood is needed today in helping young men and women who come as strangers to any community. Dr. Read said the true mother is always generous in her helpfulness.

Dr. Read made an appeal for this spirit of helpfulness in relation to those who are less fortunate in life, and made special reference to the work of the Victorian Order of Nurses, in behalf of which the annual offering was taken.

The choir sang the anthem, "God Is Love" (H. Ernest Nichol), and Mr. Conrad Jamson sang Kipling's "Mother O'Mine."

The evening service was held in Plymouth Hall, where Dr. Read gave an illustrated lecture on "Fifty Years of Christian Enterprise in West Central Africa." The pictures vividly depicted the great jubilee

celebration held at Chisamba, when 14,000 Christians gathered to celebrate the founding of the mission in the province of Angola.

The choir of five hundred voices was a special feature of the celebration, their singing of the Cantata, "Esther, The Beautiful Queen," Mozart's "Gloria" and Handel's "Hallelujah Chorus," being outstanding events. At the conclusion of the lecture Dr. Read thanked the lantern operators, Billy Cohoon and Mitchell Armstrong, for their assistance.

The choir sang the anthem, "Hide Me Under The Shadow Of Thy Wings" (H. A. Matthews), and a quartette, consisting of Mrs. Alberta Adams, Mrs. J. G. Ransheousan and Messrs. C. C. Jameson and Ernest Armitage sang "Beside Still Waters" (Bernard Hamblin).

The beautiful floral decorations on the communion table and at the Soldiers' Memorial were from Mrs. Alberta Adams in commemoration of her mother, Mrs. G. A. LeBaron.

MOTHER'S DAY OBSERVED HERE YESTERDAY

Although the weather yesterday was not in keeping with the occasion, "Mother's Day" was fittingly observed. Special reference to the day and its meaning was made in the various churches, while appropriate music was also arranged in honor of world mothers.

Flowers adorned the dinner tables of many homes and everywhere mothers were made the object of special love and tribute.

It is the mothers of the world who mould the mind of the child, who direct the destinies of youth, who inspire young men and women to noble aims and achievements. A mother's love, prayers and help are ever at the disposal of her children.

into existence, but last year operated simply as an auxiliary of the High School Corps. At the beginning of the present season it was listed and numbered as the Y.M.C.A. Cadet Corps, and during the season Major Saunders worked hard and secured fine results.

Wednesday evening last the Corps was drawn up at the 53rd Armory to receive the inspection of officers, after which a short demonstration of drill was given. Colonel McA'Nulty, the inspecting officer, complimented the boys on the fine showing that they made in the present exhibition and Cadet Corps work, but especially with respect to their shooting during the past season, at the same time paying tribute to Major Saunders for the splendid results obtained.

Col. McA'Nulty then presented the prizes to the following cadets: Harry Fowles, best senior all round shot, a medal; Eric Nulmeyer, best junior all round shot, a medal; Harry Fowles and Eric Nulmeyer, silver spoons for the best shooting in the last competition, while E. Nulmeyer took first place and Harold Berwick second in the final junior contest.

The corps was then dismissed. The senior boys went to the range to shoot-off a tie, the result being that Fred Phillips won first place and Leonard Doonan second place. Colonel McA'Nulty later presented the spoons won during the past few months in various competitions to George Page, Harold Berwick, Austin Moorecroft, Harry Fowles, Eric Nulmeyer and Gerald Doonan, this bringing to a close a most successful season.

BUTTER

Choice of quality (No. 1 Pasteurized) is offered at the price of ordinary butter. Extra heavy production at this time enough being made daily to supply every home in Sherbrooke.

world". Thus spoke the Saviour to his disciples before returning to his original place. He came down from the Father and returned to the Father, leaving the blessing of the Holy Spirit. Full of the beauty of the indwelling life of Christ in the soul of man, the speaker drew graphic comparisons between a Christless life and the life with Christ. The happiness of religion was emphasized strongly. Suffering and affliction could not touch the soul in which Christ truly dwelt. "Prayer is spiritual conversation, intense communion with God. We as Christian believers know that no soul can get on without Christ. The only door to the Kingdom of God is the name of our Lord Jesus Christ. Go in His name, ask in His Name and pray that "all souls" may enjoy the Heavenly benefits and that His power may be manifest, the power of the Lord Jesus Christ," concluded Sadhu Christiananda.

OUR FOOD IS FRESH and PREPARED as YOU LIKE IT LOTUS CAFE

Save the Fortune Teller's Fee

WHAT does the future hold for you? No one can tell more surely than yourself, what you will be a few years hence.

Good health is the basis of all achievement... of all happiness. Right food is the basis of good health. And so your future stands revealed... by the foods you eat.

Eat for success... for happiness. Eat food which gives you all the precious elements for energy and good health. Eat for sparkling mornings... for successful afternoons... for ability to enjoy your evenings.

YOUNG ENGLISH LAD TOOK LIFE NEAR KNOWLTON

Suicide While Mentally Deranged Was Verdict Returned by Coroner Runnels, of Granby, at Inquest into Death of George Green—Left Two Letters Explaining His Act.

KNOWLTON, May 11.—Suicide while mentally deranged was the verdict of the investigation conducted by Coroner Runnels, of Granby, on Saturday afternoon into the death of George Green, twenty years of age, whose body was found dangling from a rope in the barn of a local farmer, Sydney Smith, by whom the English boy was employed. The young man, who came from England, had been in this country four years but despondency proved too great an obstacle for him to overcome and he hanged himself from a rope attached to a beam. Mr. Smith, who had left the farm early in the morning, on his return about eleven o'clock made the gruesome discovery. High Constable St. Martin, of Sweetsburg, was called and cut down the body, which Dr. Henderson pronounced dead.

An inquest was found unnecessary. The investigation disclosed two letters which the young man had written while contemplating taking his life. One was addressed to Mr. Smith and read: "I am going where I think I will get along better for I see the trouble I am causing. I hope when I am gone things will go better for you all. I was well treated here, but my lack of decision and my sensitiveness were the cause of my downfall, as you will explain to Haines when you see him the next time. Goodbye to you all. I am a fool and don't know it. Yours, George."

The second missive was addressed to Mr. Haines Moffatt, of Bromeford, for whom Green had worked prior to entering the employ of Mr. Smith. In it he asked his former employer to send the amount of insurance to his father, adding that he was sorry for doing what he was about to do, but that it was the "only way out" and would "save trouble."

FISH STORY SAID TO BE TRUE KINGSTON, N.C., May 11.—A Hogwood member of the Kingston Nature Society says this fish story comes straight from a friend he never knew to distort a fact: The friend was fishing for pickerel and caught a 24-pound fish. Dressing it, he discovered a two pound chub inside.

The chub was dressed in turn. It contained a perch weighing half a pound. Inside the perch was the minnow used for bait. Oh, well.

NAUTILUS AT SUBMARINE BASE NEW LONDON, Conn., May 11.—Sir Hubert Wilkins submarine Nautilus sailed into the submarine base here yesterday in command of Captain Sloan Dannenbower. The Nautilus is expected to undergo submarine tests at the base.

LAWRENCE, Mass., May 11.—The curtain department of the Pacific Mills suspended operations today, after thirty-two girls employed there refused to work at a wage reduction of approximately twenty-five per cent.

PETTY THIEVES BUSY IN WEST WARD SATURDAY

Over Twenty Ice Chests Rifled Saturday Night—Thieves Cut Telephone Wires.

Petty thieves were again busy in the West Ward Saturday night, rifling ice chests and stealing a large quantity of dairy products, in spite of the warning issued by the police department and the heavy guard which had been placed in that district to prevent just such occurrences. Refrigerators were broken into at about twenty different homes situated on McManamy, Carmen, Leonidas and Florence streets. The thieves even went so far as to cut the telephone wires in many cases, in order that the police could not be called should the thieves be surprised in their wrong doing.

The police are conducting an investigation into the affair and hope to bring the culprits to count at an early date. Chief Camirand is determined to put a stop to this practice, which has become so common in the West Ward.

MARRIAGES

WILLARD—DEACON A quiet but pretty wedding was solemnized at St. Patrick's Manse by Rev. Father Pisette, on Wednesday, April 29, when Marjorie E. eldest daughter of Mr. and Mrs. Frank Deacon, of Waterville, was united in marriage to Wilbur E., youngest son of Mr. and Mrs. Chas. Willard, of Ascot Corner. The bride, who was unattended, was becomingly gowned in blueorgette ensemble with hat, shoes and gloves to match. She carried a bouquet of Onphelia roses.

Following the ceremony, a reception was held at the home of the bride's parents, where supper was served to some fifty relatives and friends. The happy couple left afterwards for a short wedding trip through the New England states. Beautiful and numerous gifts testified to the esteem in which the young couple are held.

CITY BRIEFLETS

OMEGA-ALPHA CLUB The regular weekly meeting of the Omega-Alpha Club will be held tomorrow evening when Mr. Richardson, of Teco Store, will be guest and speaker, and Misses Turner and Bradley will supply the music.

CHARGED WITH DRIVING CAR WHILE UNDER INFLUENCE OF LIQUOR Odilon Vaillancourt, of Compton, was arrested yesterday afternoon accused of driving a motor car while under the influence of liquor. He will appear before the Magistrate this week for hearing.

SEVERAL APRESTS AT THE WEEK-END. Victor Labonte, of this city, was arrested on Saturday for speeding and forfeited a \$12 deposit when he failed to appear this morning for hearing before the Recorder, A. Tardif, arrested for being drunk and disorderly, forfeited a \$15 deposit when he defaulted to put in an appearance this morning for hearing before Recorder Forest.

Two other men appeared in the Recorder's Court this morning. These were Albert Latour, of Quebec City, who was sentenced to a fine of \$10 and costs or fifteen days in jail for vagrancy; and Arthur Bussard, of this city, who was remanded until Wednesday for trial on a charge of having been drunk and incapable on Wellington street.

BOARD OF RAILWAY COMMISSIONERS IN SHERBROOKE TOMORROW. The Board of Railway Commissioners for Canada will sit here tomorrow at the Court House at ten o'clock. The problems to be discussed before the Board include the application of the Eastern Townships Associated Boards of Trade, the municipality of the county of Sherbrooke and the City of Sherbrooke for an order widening the subway of the Canadian Pacific Railway crossing the main highway between Sherbrooke and Lennoxville.

Other subjects will be the application of the council of the Municipality of Ascot Corner for an order directing the construction of a tunnel under the line of the Quebec Central Railway on highway No. 1 near the village of Ascot Corner, and the complaint of the Town of Megantic that the Canadian Pacific Railway viaduct at the intersection of Agnes street and Spalding road is insufficient to meet the traffic needs at this point.

A fourth matter is the consideration of the protection at Frontenac street crossing and the apportionment of the cost thereof.

SADHU J. NELSON CHRISTIANANDA SPOKE AT Y.M.C.A. The speaker at the Y.M.C.A. last evening was Sadhu J. Nelson Christiananda, who has been visiting Sherbrooke during the past few days. He had a very interesting message to deliver and his words were listened to with much attention.

In his opening remarks the speaker gave a somewhat historical setting for his lecture, showing how the mind of India was always conscious of the Divine. This led to efforts along the pathway of sacrifice, personal and family, that cried out loudly to all who came in contact with Indian life. With all this came a philosophy that was at once high and potent giving the Indian a clearer understanding than the Western of the inner workings of the Christ mind and Christ life.

This was followed by a lecture on "Life and Conditions in India" richly illustrated by lantern slides. The closing pictures dealt with Mr. Christiananda's own special efforts in teaching, preaching and living for the natives. He made an appeal for sympathetic support in prayer and finance to carry on the work he had undertaken. At the close of the address, Rev. Canon H. R. Bigg, who had introduced the speaker, thanked him in the name of the audience for his helpful address.

YOU SHOULD HEAR US "Dig the ground over thoroughly and then pant," says a gardening article. We do

SOCIAL AND PERSONAL

Mrs. H. Brooks Wilson, Moore street, is in Port Hope, Ont.

Mrs. Malcolm Mitchell, Mrs. K. B. Jenekes and Mrs. W. E. Hume spent Saturday in Montreal.

Mrs. Levi Pond, of Island Pond, was a week-end guest of her uncle, Mr. Frank Kenison, Montreal street.

Mr. Sydney H. Francis, B.Sc.F., who has been spending a few days at his home in Lennoxville, has returned to Chicoutimi.

Mrs. F. P. Kenally and Miss Cecile Cabana, Melbourne street, returned yesterday from Montreal, where they spent a few days the guests of friends and relatives.

Mrs. Callis, of Pasphebec, Que., who has been a guest of Mrs. Row. E. Fothergill in Quebec for a few days, is at present in Lachine visiting her sister, Miss Hamilton.

Mr. Malcolm Mitchell and his son, Mr. James Mitchell, Jr., who recently went to New York, returned from there on the Duquesne of York, via Halifax for Montreal.

The flowers on the altar of St. Paul's Church yesterday were given by Mr. W. J. Perry and family in loving memory of Mrs. W. J. Perry, who died May 5, 1917, at Devonport, England.

Mr. R. B. Teakle, vice-president of the Canadian National Steamships, with Mrs. Teakle and the Misses Teakle, were guests on Sunday of Colonel and Mrs. Sydney E. Francis at their home in Lennoxville.

St. Paul's Junior Branch of the Women's Auxiliary met on Saturday afternoon in the church hall, when the superintendent, Mrs. S. Robinson, gave an interesting resume of the annual Diocesan meeting of the Provincial W.A. recently held in Quebec at the Chateau Frontenac.

Among those who attended the funeral of Miss Laura Joli at Compton on Saturday were a number of "old girls" from Sherbrooke and Lennoxville, including Mrs. P. M. Robins, Mrs. Douglas Hyndman, Miss Edna Salls, Miss Mary White, Miss Alexandra Newton, Mrs. Cecil Teakle, Miss Naomi Ward and Miss Stevens, Miss Bulmer, of the Young Women's Christian Association, "Howard Residence," Moore street and Miss Fowler, of Richmond, who were formerly connected with King's Hall, and Mrs. A. M. Gifford, of Lennoxville, were also among the number who journeyed thither to pay their last tribute of loving respect to one who for many years had been an outstanding influence in their lives.

The Junior Girls' Club of St. Paul's Church met on Saturday afternoon in the church hall. There was a good attendance and the leader, Mrs. S. Robinson, opened the business session it was decided to hold a rummage sale in the near future. Following the meeting refreshments were served by the hostesses, Mrs. W. J. Cotterell and Miss Margaret Payne.

Mrs. S. A. Jones, 46 High street, has returned from Quebec City, where she spent the past week attending the meetings of the Quebec Diocesan Women's Auxiliary.

Mrs. C. E. Bentley, Mitchell School, received telephone greetings yesterday, Mother's Day, from her two sons, Rev. John E. Bentley, of Washington, D.C., and Rev. W. Heald Bentley, Buffalo, N.Y.

The many friends of Miss Kathleen Wilson, of Waterville, will be pleased to hear that she is progressing favourably at the Sherbrooke Hospital, following an operation for appendicitis last Tuesday.

Mrs. F. T. Tooke, Miss Elizabeth Tooke and Miss Joan Tooke, who have spent the past few days guests of Mrs. Walter M. Tomlinson, Melbourne street, left yesterday by motor for their home in Westmount.

Mr. and Mrs. David Wilson, Victoria street, who accompanied by Mrs. A. B. Somerville, their guest, and Mr. and Mrs. W. Clearhue, of Black Lake, motored to Quebec for the week-end, returned home this morning.

Mrs. C. Z. Southard, of Groton, Mass., and Miss Hattie Johnston, of Hartford, Conn., who were in Stansend yesterday to attend the funeral of their brother, the late Mr. Ira Johnston, of Halifax, are at present in Sherbrooke the guests of their sister, Mrs. J. T. Morkill, and Mr. Morkill, Bank street.

The Junior Girls' Club of St. Paul's Church met on Saturday afternoon in the church hall. There was a good attendance and the leader, Mrs. S. ALFRED WOOD, President and Editor.
GORDON MILLER, C. P. BUCKLAND, Managing Editor, Advertising Manager.

Dieting is the lazy way of correcting the human machinery. Rather should we take the same absorbing interest in varying one's leisure hour activities so that they balance and correct the vocation of the working hours. The complete life comes to the man who knows what he should do in his leisure. Once we had a Prime Minister who expired at his sovereign's feet because he had not learned how to overcome bodily passivity with leisure's activities.

NO MORE CHANCES WITH SELF-STYLED EXPERTS.

To get the opinion of the House on the need for a resuscitation of the Tariff Board, Mr. Bennett has introduced an affirmative resolution.

We trust that this resolution does not necessarily become a Government measure because of its fatherhood. It should be an open-minded debate, with no party discipline at stake.

A Tariff Board is as futile as a Civil Service Commission or a Board of Railway Commissioners, two of the useless existing alibis for the passing of the buck.

The old Tariff Advisory Board, so promptly abolished by the Prime Minister, was a huge joke. It became a debating society, to which all and sundry were invited to express an opinion and full sway was given to the dodo minds of the Free Traders. There is a story to tell about how the chairman of this defunct Board was elected a member of Parliament in Ottawa.

The Civil Service Commission has jurisdiction chiefly over the washerladies and the messengers of the House, and a few other of the minor appointments which would otherwise bother the Ottawa members or the defeated candidates who might become heirs-apparent to patronage. When important selections for Government posts are to be made the Civil Service Commission is ignored. They are not even a "reference" for the seeker of a job.

The Tariff Board can only be an alibi for delay in action, as it was and always will be. Members of Parliament are responsible to their constituency and to the country for all matters of fiscal economy. A Tariff Committee of the House of Commons, with only members elected eligible for membership on that committee would be the proper course to pursue.

We have had a wintry experience with self-styled tariff experts on an Advisory Board, and there is no occasion to repeat the cold-hearted days when such a Board undermined the confidence of capital by its hysterics.

THE DOLE AND PATERNALISM.

Paternalism never pays. The Father who does not teach his boy to swim is sometimes mourning because of it. Does he not teach his lad self-reliance and self-dependence he raises a liability. It is human nature to let "George do it" unless you are a self-trained George, always ready and willing to do it.

Initiative has behind it self-confidence, self-reliance, and a belief that you can do what is to be done and do it better.

The failure of the dole in England has not seemingly taught our statesmen that state compensation insurance and subsidized unemployment insurance fringe on the paternalism that leads to deterioration.

The ebb and flow of labour's demand has been and will continue to be world with end, and no man can think he is a Canute to stop the tidal flow of supply and demand.

Men who are rightly brought up think to save in harvest time that they may eat and be merry in the winter.

Go to England and see the dole system in operation. It has led to carelessness and indifference among the unemployed. It makes a man sit in the house, and idle rather than go out and hustle and think and study how he can make money for some man and for himself. If the job available be not to his bent, the "dole" man turns up his nose at it, and returns to his seat before the fire. Many of them prefer to remain idle and exist on the dole. The use of the dole has left the people without initiative and without ambition.

The dole is more of a detriment than a benefit, and so, too, will be unemployment insurance and state insurance under the Workmen's Compensation Act.

There must be compensating effort on the part of the partaker, or we make paupers and tip-seekers as they abound to-day in the British Isles. Every man should do something for the benefits he receives else he gets labour indigestion.

A VACATION STUDY FOR THE TEACHER.

Macdonald College and its beautiful grounds will be set aside this summer for the Summer School Courses of school teachers who wish to better their pedagogical standing and be eligible for the higher pay which usually comes to possessors of these advanced diplomas.

W. P. Percival and his colleagues have certainly selected an alluring site for the course and studies. To most school teachers who know Macdonald College the course will have a dual appeal in that it will be as recreative and pleasant as a month at a summer hotel by the lakeside. Following the few hours at lectures each morning there will be a full afternoon for physical exercises, golf, play and games. And the nominal cost of \$30 will include residence in the dormitories, free tuition and registration.

As many of the older teachers will observe "It was not like that when we took our university

courses." Mr. Percival should be inundated with applications from those who would include a delightful holiday with a post-graduate improvement.

The course starts on the fifth of July, just when we all begin to pine for a month in just such a charming resort. I wish I was eligible, and would like a special dispensation from the Deputy Minister of Protestant Education.

A FAIR EXCHANGE.

In view of the certainty of R. S. White, the member for Mount Royal being elevated to the Senate of Canada at an early date, we have a suggestion to make in the way of an exchange of courtesies.

Twice in the nearly passing years we in the Eastern Townships have accorded a cheerful reception to residents of Westmount and Mount Royal, and have entrusted to them their suffrage in both the House of Commons and the Quebec Legislature.

We suggest a fair exchange. Let Mount Royal accept as its candidate to replace Mr. White our distinguished jurist, W. Harold Lynch, K.C., who offered his services to his country, but was defeated, not on the principles he advocated, but rather because of the popularity and machine-like organization of Charles B. Howard.

Plainly, we think it would only be our right and Westmount's great privilege if the on-coming Conservative nomination in Mount Royal were offered to Mr. Harold Lynch.

We ask now for a recognition of our kindly consideration, and can guarantee the Metropolis that we can send to them a member who will grace their choice.

EDITOR'S NOTE BOOK.

The recession of the Federal Government from the prohibitive duty on potatoes may please the Prince Edward Island exporter, but it is not in line with the principles laid down. To tax radishes at a fixed value of ten cents a pound only may encourage the importation of the flavourless and tasteless early radishes from the South, where they do not seem to get the good old Northern flavour into any of their fruit or vegetable products. The main idea is to discourage these early importations until our own home-grown products are ready for the markets, thus preserving the spring zest for our own growers.

Trouble is brewing for the Hon. Mr. Sauve, Postmaster-General, against the time when he presents his estimates to the House. The Opposition are gathering data about dismissals from the service which they claim to have been made on purely partisan grounds. As an executive handling one of the most important service departments the Hon. Arthur has not scored acclaim even amongst his colleagues, and if the charge of partisanship be established against his department during the session he may be translated to some less burdensome department on the first reorganization of the portfolios. There has been no conspicuous reconstruction in the postal service. The Air Mail is not a service, but just a money-wasting luxury.

FRONT WINDOW MUSINGS

There are correspondence schools to prepare you for everything except the hard jobs you have a chance to get.

The chief objection to opportunity is that you cannot see the darned thing until you look back ten years later.

An experienced tourist is one who multiplies by two when a resident tells him the distance to some place.

The law of compensation is everywhere. For every banana peel on the sidewalk there is an anti-skid wad of gum.

The independent class is the one that does not have any breakfast if the dependent class does not show up to cook it.

THIS DAY THIRTY YEARS AGO

From the Files of the Sherbrooke Record. May 11th, 1901.

Harry Loughheed, formerly of Sherbrooke, has been elected captain of the Quebec lacrosse team.

Capt. Guy Carr, of Compton, and George M. Howard, of Capelton, are among the business visitors in town.

John Yates, who for many years was foreman of the Sherbrooke Gazette printing plant, has gone to Montreal, where he has taken a position.

The deaths of two old residents of the Townships occurred. John Fontaine, of Fitch Bay, passed away at the age of 71, and Morah Scott, of East Bolton, in his 76th year.

Mrs. C. Ernest Muir, whose home was formerly at Richmond, is a guest of Mrs. Henry A. Odell. As Miss Maude Steel Muir, she is well known throughout Canada as the author of many charming songs.

The Silver Spring Brewery has been converted into a joint-stock company with a capitalization of \$250,000. Seth C. Nutter, who holds a controlling interest in the business, will continue as manager.

The citizens of Barnston are congratulated upon the possession of a modern and homelike hotel. C. S. Buckland has thoroughly renovated the Highland House, and reported a flourishing business.

Harry E. Hall, fish and game warden, is earning his salary. At Knowlton he arrested three young men giving their names as McClay, Wilson and Davis, on charges of fishing out of season. Judge Mulvena assessed fines and costs when they appeared before him, the total amounting to \$48.30. Poor fish!

Local disciples of Izaak Walton are reporting fine successes. George Carruthers, A. H. Anderson and Dr. W. D. Smith had good luck near East Hatley over the week-end. James F. Morkill and H. Bruce Fletcher brought home sixty speckled beauties from Windsor River, and others reporting good catches are L. A. Bayley, W. E. Loomis and Frank Wilson.

The strange acts of Louis Bourassa, twenty-two-year-old barber at the Grand Central Hotel, have caused quite a sensation. Midway through shaving a customer he laid down his razor, walked out of the shop and disappeared. The same evening he was arrested in Montreal on a charge of attempted suicide, having thrown himself in front of a shunting engine at Bonaventure Station.

FRELIGHSBURG GENERAL NOTES AND PERSONALS

Social Items of Interest from Frelighsburg and Surrounding District.

FRELIGHSBURG, Que., May 11.—On Monday evening, April 27th, Mr. and Mrs. Tait celebrated the fiftieth anniversary of their marriage. Guests to the number of eighty-five were present, among whom were many relatives from St. Laurent and Montreal, in addition to a few of the local townspeople Mr. and Mrs. Tait, moved here from St. Laurent some nineteen years ago and have made many friends. A purse of gold from old neighbors in St. Laurent, together

with gifts of gold from the family and friends, made up a purse of over one hundred and fifty dollars. A pleasant social evening was spent in playing cards. The highest scores were held by Mr. and Mrs. C. H. Rennie, who were presented with a memento of the occasion.

Mr. Walter Lagrange returned from the O.V.C. at Guelph, on April 28th.

Mrs. A. Gilbert, of Burlington, Vt., was a week-end guest of her sister, Mrs. Homer Ingalls and Mr. Ingalls. Mr. S. L. Guillet, of Dunham, was also a guest at the same home.

Mr. Raymond Whitcomb has returned from Queen's University at Kingston and is the guest of his parents for a short time.

Mr. and Mrs. F. A. Ayer, of Montreal, were recent guests of Mr. and Mrs. E. H. Spencer.

The many friends of Mrs. Nettie Spencer will be glad to know that she is now able to be up after being confined to her bed for the past three weeks, under the care of Dr. Fuller.

Mrs. L. H. Sornberger has returned from Malone, N.Y., where

she has spent the past two weeks with her daughter, Mrs. Cunningham and infant son.

Mrs. Ulric McCrum and Mrs. Homer Ingalls motored to Bedford on Saturday evening.

Mrs. J. Eland, grand instructor, of Sutton, paid her official visit to Maple Leaf Chapter, O.E.S. on Monday afternoon and evening. During her stay in town, Mrs. Eland was the guest of Mr. and Mrs. T. J. Bell. Those in town Monday evening, May 4th, to attend the regular meeting of Maple Leaf Chapter, O.E.S. were Mr. and Mrs. Marcus Doherty, Mrs. Leon Rowse, Mrs. C. R. Manson and Mr. and Mrs. L. Coffin, of Dunham.

Mr. and Mrs. Amos Laduke, of Stanbridge East; Mrs. W. Jenkins, of Bedford; Dr. Cook and Mr. J. G. Rennie, of Montreal, were guests of Mr. and Mrs. L. R. Capsey, recently.

Mr. Mahannah had the misfortune to break his wrist and a bone in his arm while attempting to crank a car on Saturday night. Fortunately, Dr. Cook, of Montreal, was in town and in a very few minutes had the bones set. Paul is at present

in Montreal for a few days to have the fracture X-rayed and placed in a cast.

Mrs. M. M. Blinn has returned from a visit with relatives in Stanbridge East.

Mrs. Lyall Gould and daughter, Catherine, have returned to their home in Bedford, after spending several days with Mrs. Gould's parents, Mr. and Mrs. P. M. Hayes. Mr. and Mrs. Geo. Baker and Mr. Howard Baker, of Brewster, N.Y., were callers in town on Monday, having arrived at Abbot's Corner with the remains of their mother, the late Mrs. N. Baker.

Mr. L. L. Jenne and Mr. F. Jenne, of Sutton, were business callers in town on Thursday.

Mesdames U. McCrum, E. M. Shepard, A. J. Shepard and R. McCrum motored to Waterloo on Thursday evening last to attend the concert given by Mr. Fenwick Newell.

Dr. Wells, of Morrisville, Vt., accompanied by Mr. and Mrs. Balch and Mrs. H. Paul, of Johnson, Vt., were calling on friends on Thursday.

Mr. and Mrs. E. H. Thompson,

SEVEN DESPERADOES FALL INTO CLUTCHES OF POLICE

Nearly Seven Million Dollars Booty Believed to Have Been Taken by St. Louis Gang During Criminal Career.

CHICAGO, Ill., May 11.—Bank robberies netting more than \$5,000,000; kidnappings which brought in a million dollars ransom; and the \$200,000 hold-up of the Denver mint in 1922 were attributed by authorities to seven desperadoes seized in a raid at East St. Louis, Ill., yesterday.

Described by police as a cluster of what remained of the Fred Burke, Cuckoo and Shelton gangs of southern Illinois, the seven were captured in a spectacular sortie. A number of other crimes were laid to those captured.

Miss M. Spencer and Mr. J. R. Doherty motored to Montreal, on Thursday.

AN OPPORTUNITY TO HOLDERS OF EARLY MATURING
CANADIAN GOVERNMENT BONDS
TO EXTEND THE TERM OF THEIR INVESTMENT IN
THE PREMIER SECURITY IN CANADA

GOVERNMENT OF THE
DOMINION OF CANADA
1931 CONVERSION LOAN

The Minister of Finance of the Dominion of Canada offers to holders of the undernoted Dominion issues the privilege of exchanging their bonds into longer dated issues, in the following terms and under the following conditions:

This offer affords to holders of bonds eligible for conversion, the same interest payment and tax-free privileges, for the life of and as contained in the present bonds, and the opportunity of extending the term of the investment at 4 1/2% per annum.

WAR LOAN 5% BONDS MATURING 1st OCTOBER, 1931—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1956, bearing interest from 1st April, 1931. The first coupon will be for six months' tax-free interest at the rate of 5% per annum payable 1st October, 1931; the second coupon will be for seven months' interest at the rate of 4 1/2% per annum payable 1st May, 1932; thereafter to maturity interest will be payable half-yearly at 4 1/2% per annum.

VICTORY LOAN 5 1/4% BONDS MATURING 1st NOVEMBER, 1933—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1958, bearing 4 1/4% interest payable half-yearly from 1st May, 1931. The first five interest coupons, being those to and including 1st November, 1933, will be tax-free. There will also be attached to these bonds five tax-free adjustment-coupons payable respectively on 1st November, 1931, and 1st May and November, 1932 and 1933, for additional interest at the rate of 1% per annum.

RENEWAL LOAN 5 1/4% BONDS MATURING 1st NOVEMBER, 1932—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1957, bearing 4 1/4% interest payable half-yearly from 1st May, 1931. There will also be attached to these bonds three adjustment-coupons payable respectively on 1st November, 1931, and 1st May and November, 1932, for additional interest at the rate of 1% per annum.

VICTORY LOAN 5 1/4% BONDS MATURING 1st NOVEMBER, 1934—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1959, bearing 4 1/4% interest payable half-yearly from 1st May, 1931. There will also be attached to these bonds seven adjustment-coupons payable respectively on 1st November, 1931, and 1st May and November, 1932, 1933 and 1934, for additional interest at the rate of 1% per annum.

Conversion applications in the terms of the foregoing are invited to a total of \$250,000,000. The Minister of Finance reserves, however, the right to increase or decrease this amount at his discretion.

Subscriptions will be received and receipts issued by any branch in Canada of any Chartered Bank and by recognized Canadian Bond Dealers and Stock Brokers, from whom may be obtained application forms and copies of the official prospectus containing complete details of the loan. Applications will not be valid on forms other than those printed by the King's Printer.

The subscription lists to the foregoing will open on 11th May, 1931, and will close on or before 23rd May, 1931, at the discretion of the Minister of Finance.

DEPARTMENT OF FINANCE,
Ottawa, 11th May, 1931.

BOSTON HANDED A SEVERE JOLT TO CLEVELAND

Red Sox Registered Their Third Straight Victory Over Cleveland Yesterday and Sent Indians Skidding from First to Third Place.

NEW YORK, May 11.—Apparently holding the "Indian" sign firmly within their grasp, the Boston Red Sox are making the going even tougher than expected for the western half of the American League in the current eastern invasion. The Red Sox, who were expected to provide some easy pickings for the westerners to ever...

The Red Sox made it three straight over Cleveland yesterday by a 9 to 4 count after an uphill battle. Ed Durham gave the Indians the apparently good margin of four runs in the first inning. But he staidied down to pitch eight scoreless innings while Boston tied it up, driving Mel Harder from the mound in the third inning.

Washington added another triumph for the east yesterday, taking a twelve inning battle from the Detroit Tigers by 7 to 4, to make it six victories for the league's eastern clubs in seven intersectional games. The Senators likewise had to fight an uphill struggle, scoring a run in the ninth, to tie the count at 4 to 4. George Uhle hit a bad spot in the twelfth and Washington piled three singles on top of a pair of walks to bring in three runs.

Safely settled in first place, the New York Yankees were rained out in Chicago and a proposed double-header at St. Louis between the Browns and the Philadelphia Athletics gave way to the weather after four innings of the first contest, with the A's leading 6 to 4. Without registering a win or loss, Philadelphia went into second place ahead of Cleveland.

The tale of the National League's games was bound up in the New York Giants and Larry French, of Pittsburgh, and Fitzsimmons, who was most of it. The Giant was not content with pitching a four-hit shutout against the Chicago Cubs, refusing even to give a walk, but when his rival, Pat Malone, made the mistake of passing Frank Hogan to fill the bases and get at a pitcher, Fitz replied by slamming the first pitch into the stands for a home run that netted four of the runs in a five to nothing victory.

French, the twenty-third left-hander to face Brooklyn this season, served out another dose of the unpleasant medicine the Robins have been taking regularly from southpaws. He gave eight hits, but kept them well scattered until the ninth inning, then fanned Frank O'Doul with the tying runs on second and third. The Pirates made use of their seven batters off Babe Phelps to gain a three to one victory in the first game of their eastern trip.

Rain halted a double-header at Boston between the Braves and the Cincinnati Reds, while St. Louis and the Phillies had an open date.

YESTERDAY'S RESULTS INTERNATIONAL LEAGUE Montreal 1, Newark 0. Baltimore 6, Buffalo 1. Toronto 5, Jersey City 3. Reading at Rochester, postponed, rain.

SATURDAY'S RESULTS Baltimore 4, Toronto 7. Baltimore 2, Toronto 0. Jersey City 4, Buffalo 8. Jersey City 4, Buffalo 5. Reading 5, Rochester 3. Newark 7, Montreal 6.

AMERICAN LEAGUE Washington 7, Detroit 4. Boston 9, Cleveland 4. New York at Chicago, postponed, rain. Philadelphia at St. Louis, postponed, rain.

SATURDAY'S RESULTS Boston 5, Cleveland 1. New York 13, Chicago 9. Philadelphia 6, St. Louis 4. Washington at Detroit, postponed, rain.

NATIONAL LEAGUE New York 5, Chicago 0. Pittsburgh 3, Brooklyn 1. Cincinnati at Boston, postponed, rain. Other clubs not scheduled.

SATURDAY'S RESULTS Brooklyn 8, Philadelphia 3. Brooklyn 1, Philadelphia 5. St. Louis 4, Pittsburgh 2. Cincinnati 2, Boston 4. Chicago 4, New York 5.

Home runs, Hornsby, Cubs, 6; Arlett and Klein, Phillies, 5. Stolen bases, Berger, Braves,

FINE SUCCESS CROWNS SUNDAY SCHOOL MEET

Presbyterians Captured Major Honors at Thirteenth Annual Sunday School Athletic Meet on Saturday Evening—Three Permanent Trophies Donated.

The church athletes had their inning at the Y. M. C. A. on Saturday evening, when the thirteenth annual Sunday School athletic meet between groups from Sherbrooke and Lennoxville was held in a manner creditable to all competitors. The Presbyterians, church athletes were easy victors in both junior and senior divisions, although the Lennoxville lads struggled hard at each division of the meet.

The final standing of the competition was Presbyterians seniors, 44 points, juniors, 31½ points; Lennoxville seniors, 4 points, juniors, 11½ points; and Plymouth Church seniors, 2 points, juniors, 6 points. Among the seniors the outstanding athletes were Ross and Dunsmore, who garnered 18 and 14½ points, respectively, for the Presbyterians group. Matthews, for Lennoxville, had four points to his credit, and Leslie and B. Hammond had eight and six points, respectively, in the junior section. Both these juniors were in the Presbyterian group.

In all respects the meet was a fine success and compared favorably with those of former years. Plymouth United Church, Presbyterian Church and Mrs. Forbes, of Lennoxville, donated permanent trophies for the meet.

The officials were: Clerk of the meet, Mr. C. Chamberlain; scorer, Messrs. H. McGraw and M. Turner, and judges, Messrs. T. F. L. Cohoon, W. Mutchler and McDougall. The following is a list of the winners in the different events: SENIOR EVENTS. Shot putt.—1 R. Dunsmore, 2 K. Ross, 3 M. Matthews, 4 Bartlett. High jump.—1 B. Dunsmore, 2 K. Ross, 3 D. Johnston, 4 Bartlett and Powers (tied). Broad jump.—K. Ross, Bartlett, Matthews, Dunsmore and Powers, (tied). Potato race.—1 Ross, 2 R. Dunsmore, 3 Bartlett and Powers (tied). Hop step and jump.—1 Ross, 2 Dunsmore, 3 Matthews, 4 Powers.

JUNIOR EVENTS. Shot putt.—1 M. Dunsmore, 2 R. Leslie, 3 B. Cohoon, 4 B. Hammond. High jump.—1 Campbell and Matthews (tied), 2 Trenholm, 3 D. Johnston. Broad jump.—1 Matthews, 2 H. Leslie, 3 B. Hammond, 4 G. McNaughton. Potato race.—G. McNaughton, B. Hammond, H. Leslie, M. Dunsmore. Relay race.—1 Presbyterian, 2 Plymouth, 3 Lennoxville.

The individual standings are as follows: Seniors.—Ross, 18 points; R. Dunsmore, 14½ points; Bartlett, 6 points; Matthews, 4 points. Juniors.—H. Leslie, 8 points; B. Hammond, 6 points; M. Dunsmore, 5 points. Comorosky, Pirates, 5 each.

American League Batting.—Ruth Yankees, .426; Simmons, Athletics, .422. Runs.—Fonseca, Indians, Blue, White Sox, 20. Runs batted in.—Cronin, Senators, 23; Simmons, Athletics, Gehrig, Yankees, 21. Hits.—Fonseca, Indians, 37; Alexander, Tigers, Cronin, Senators, 36. Doubles.—Alexander, Tigers, 12; Webb, Red Sox, 11. Triples.—H. Rice, Senators, 4; Gehrig, Yankees, Simmons, Athletics, Cronin and Bludge, Senators, 3. Home runs.—Stone, Tigers, 5; Ruth and Gehrig, Yankees, Webb, Red Sox, Simmons, Athletics, 4 each. Stolen bases.—Johnson, Tigers, 6; Gehrig, and Chapman, Yankees, Cissell, White Sox, 5.

YESTERDAY'S STARS Yesterday's leading lights in the major league games were: Fred Fitzsimmons, Giants—Blanked Cubs by 5 to 0, with four hits, and clouted homer with bases filled. Earl Webb, Red Sox—Drove in three runs against Indians with a home run, double and single. Fred Marberry, Senators, Went in as relief pitcher and held Tigers to one hit in four innings as Senators won a twelve-inning game by 7 to 4. Larry French, Pirates—Scattered Robins' eight hits and beat them by 3 to 1.

RAIN WASHED OUT OPENING BALL GAMES YESTERDAY Baseball fans were disappointed yesterday when rain washed out the opening double header between Notre Dame and J. P. Dion and Jos. Choquette, Montreal. On the Montreal line-up were several hockey players of international repute, including Aurel Joliat, Sylvio Mantha, Wildor Larochelle and Mondou, whom many local supporters had hoped to see in action. The weather, however, did not dampen the spirits of the local aggregation, who are practicing faithfully for the opening of the newly-formed Eastern Townships League on May 24th.

POOR BUT PROUD Judge—If you broke into that delicatessen shop for food, because you were starving, why were you found tampering with the cash register? Prisoner—Because I'm a proud man, yer honor, and I makes it a rule to pay for all I eat.

LIKED STRONG, SILENT MEN On being asked in court, "What does your husband earn?" a woman's unexpected reply was, "I am glad to say he is not such a nunny as to tell me."

THREE TEAMS DEADLOCKED IN SOCCER LEAGUE

Asbestos, Magog and East Angus Neck and Neck in Race for Honors—Drummondville Furnished Surprise in Trouncing Quebec Central.

Asbestos, Magog and East Angus are today deadlocked in points for the leadership of the Eastern Townships Football League as a result of their victories on Saturday over the Sherbrooke Rovers, Beebe and Knowlton, respectively. Asbestos, however, by reason of their better goal average, held a slight margin over the Textile Town boys, while a smaller advantage exists between Magog and East Angus.

Asbestos fastened their scoring average at the expense of the Rovers by scoring a five to nil victory at the Parade Grounds, while Magog experienced little difficulty in vanquishing Beebe on the latter's home grounds by seven goals to one. East Angus received Knowlton on the Pulp Town field and turned back the threat offered by the new entry to the tune of four goals to two, while Drummondville supplied the surprise to date when the Celanese aggregation took Quebec Central into camp by a count of four to nothing.

After playing a strong first half in which they held their opponents to a solitary point despite the fact that they were minus the services of Jimmy Gardner, one of their forwards, the Rovers became disorganized by the brilliant exhibition staged by Asbestos and suffered their second defeat of the season. A large crowd was on hand when Referee Albert Loughheed sent the two teams into action. Play sallied from end to end, both goal-tenders being called upon to rattle several spectacular shots. McGinty, in the local nets, was given more work than Anderson, in the visiting posts, but the veteran goalkeeper was in stellar form and repulsed every thrust until Harry Andrews notched the first counter on a shot which left McGinty bewildered. Taylor had an opportunity to equalize the count but over-anxiety caused him to pass up the opportunity.

The visitors showed improved form as the second half got under way and although reinforced by Gardner, who arrived shortly after the session was inaugurated, were obliged to give way slowly. Play was hemmed in behind centre throughout most of the period and the defensive tactics employed by the Rovers caused them to lose many opportunities when the ball was kicked into Asbestos territory. Five minutes after the whistle Bandy Fisher tallied goal number two when McGinty was rather slow in clearing. Fisher duplicated his feat a few minutes later on a shot which McGinty had no chance to save, and shortly afterwards the ball was deflected off the cross bar to Harry Andrews' toe, and the fleet forward made no mistake in scoring his second tally. Just before the whistle brought an end to hostilities, Surtees split the Rovers' outer guard and had McGinty at his mercy to end the scoring. For the winners, Fisher, the two Andrews brothers and Turnbull were the pick, while Eddie McGinty's goaltending was outstanding for the local aggregation.

The line-ups were: Asbestos—Anderson, John, Skidmore, McKenzie, Turnbull, Andrews, Connelly, Thompson, Fisher, Surtees, Harry Anderson and Copeland. Rovers—McGinty Dowling, Duffy, Twyman, Quinn, Booker, C. Gardner, Foley, Taylor, J. Gardner and Bell. DRUMMONDVILLE PLAYED INSPIRED FOOTBALL The major upset of the season to date was the defeat which the present titleholders, Quebec Central Railway, suffered at the hands of the Celanese aggregation at Drummondville. The home team played a much better brand of soccer than they displayed against Asbestos last week when they dropped a two to one decision to their opponents, and their attack had the Railroad boys on the defensive the greater part of the time. The game started with the visitors taking a strong wind. The home team took advantage of the conditions and gave Stoyles a warm time. Bridges, Fielders and Howe led the attacks, and three of their shots hit the cross bar. Sixteen minutes had elapsed when Celanese drew first blood, Haworth heading the ball past Stoyles on a pass from Renfrew. Celanese kept up the pressure, while all the visitors' drives met disaster at the airtight defence afforded by Holmes and Twelves. Ten minutes before half time Frank West made his way in front of Stoyles and gave him no chance to save. No further scoring resulted and the rest period found Drummondville two up on the champions. As the half ended, McNally got in a hard shot at Fred West, and in clearing the goalie carried the ball too far and a penalty shot was awarded. Benny Grime, however, failed to capitalize the opportunity. Favored by the wind, the visitors threatened for the first fifteen minutes of the second half, but they were repulsed and play became more even. Fieldsend put the game awarded. Benny Grime, however, failed to capitalize the opportunity. Favored by the wind, the visitors threatened for the first fifteen minutes of the second half, but they were repulsed and play became more even. Fieldsend put the game awarded. Benny Grime, however, failed to capitalize the opportunity.

CANADA OFFERS DOMINION BONDS TO CANADIANS

Victory Bonds and War Loans to Be Converted into New Long Term Bonds as Most Desirable Investment to Present Holders.

Official announcement is made today of the terms of the Dominion of Canada 1931 Conversion Loan. This issue extends the opportunity to holders of Dominion of Canada War Loan and Victory Bonds now approaching maturity to convert their holdings into bonds extending over a further period of from 15 to 25 years, and marks what may eventually prove to be the greatest financial operation in the history of Canada—the refunding of the heavy volume of financial obligations incurred during the War period.

The offer does not involve the raising of any new money. Not a penny will be added to the national debt of Canada in consequence of the 1931 Conversion Loan. It is simply a matter of exchanging existing bonds for other bonds of the Dominion. A total of more than one billion dollars of bonds reaches maturity within the next 3½ years. This total is made up of about \$52,500,000 War Loan 5½% Bonds due October 1, 1931; \$73,000,000 Renewal Loan 5½% Bonds due November 1, 1932; \$446,600,000 Victory Loan 5½% Bonds due November 1, 1933; and \$512,000,000 Victory Loan 5½% Bonds due November 1, 1934.

Holders of bonds of these issues are being given the opportunity of continuing their investment over a longer term in the direct obligations of the Dominion Government. They will not lose anything in the way of interest payments or income tax exemption by exchanging for bonds of the 1931 Conversion Loan. It is explained that the new bonds will carry coupons entitling holders to receive up to the date of the maturity of their old bonds, the same interest payments and tax free privileges as they would enjoy if they held their War Loan or Victory Bonds until the actual date of maturity in each case. For the remainder of the 1931 Conversion Loan Bonds, they will carry interest at

Hatch, B. Grime and Jackson gave West some anxious moments and two corners were lost when the ball went wild. Twyman, Frank and lost control of the ball. Frank West rushed in and ended the scoring with a hard shot. The whistle fouled the Railroaders fighting hard, but unable to penetrate West's stellar guard.

James Bennett, of Sherbrooke, handled a clean game in a satisfactory manner. The line-ups were: Celanese—Fred West, Holmes, Twelves, Clements, Joiner, Imhah, Renfrew, Fieldsend, Bridge, Haworth, Frank West, Harry Anderson, Quebec Central—Stoyles, McHarg, Pearce, Twyman, Armstrong, Loch, H. Grime, Jackson, B. Grime, McNally and Hatch.

MAGOG TOO STRONG FOR BEEBE The first game which Beebe fans have had an opportunity to witness on their home grounds for the past two years ended disastrously for the home team when Magog administered a seven to one defeat to the Beebe Town outfit. The first quarter of the game was well and evenly contested, but the superior condition of the visitors soon overcame the resistance offered by the home squad. Beebe had two of their men injured accidentally, and although the two players continued, their effectiveness was lessened and greatly seemed to have an effect on the remainder of the team. G. Lowther was the outstanding man on the field, scoring four of his team total, while Jackson and Griffiths were responsible for the remaining two. The last goal was notched by a Beebe back, who accidentally sent the ball into his own net. Lowther's first two goals came on individual efforts, while his third came on a combination play with Griffiths. At half time Beebe was trailing by three tallies. With the wind in their favor for the second half, Beebe forced the play and saved themselves from a whitewash shortly after the second session began. Lowther then obtained his fourth goal and was followed by Jackson and Griffiths, the former notching on a penalty shot, while Jackson's goal came as the result for a combination play. The last goal was handed the visitors on a platter when one of Beebe's backs sent the ball behind Baigrie. Magog brought forty supporters with them to the game, while a good turnout of home fans was also present. Charles Stewart, of Beebe, was in charge of the fixture. The line-ups were: Magog—Sandell, Hamilton, A. E. Jackson, Cross, Hawley, E. Lowther, Griffiths, L. D. Jackson, G. Lowther, McHarg and Guiding. Beebe—Baigrie, J. Anderson, Jr., Jack Anderson, Masher, McIntosh, Lavers, Stewart, D. McFarlane, Sheldon, Lees and P. McFarlane.

KNOWLTON LOST SECOND East Angus assumed an early lead in their game with Knowlton at the Bromo Lake town when Mason sent them into the lead on a fine attempt. Before half time Harold Clout had increased this lead to two points. Knowlton retaliated after the rest period, and goals by Westcott and Hewitt equalized the count. Two rather lucky goals, one by Rowland and the other by Clout, sealed Knowlton's doom, and East Angus walked off the field with the score four to two in their favor. Ted Croft, of Sherbrooke, handled the game. The line-ups were: East Angus—A. Rowland, Jr., Allan, Neil, Webb, Radcliffe, Anderson, Fearnley, Clout, Mason, Rankin and A. Rowland, Sr. Knowlton—Evans, Stratidge, Harcourt, Bobrick, Evans, Hewitt, Waugh, Burke, Westcott, Muir and Waugh.

the rate of 4½% per annum, which is a comparatively generous return in view of the interest rates now prevailing in the London and New York markets. Conversion applications are now being invited up to a total of \$250,000,000 of the new bonds. It is announced, however, that the Minister of Finance reserves the right to increase or decrease this amount, in his discretion. Subscription lists will open today and will close on or before the 23rd of May. Holders of the War Loan 5½% Bonds maturing 1st of October, 1931 may exchange their bonds for Dominion of Canada 1931 Conversion Loan Bonds maturing November 1, 1936. The new bonds will not be subject to redemption from that date until maturity they may be called by the Government on any interest date on 60 days' notice, at 100 and 4½% per annum payable half-

yearly on the 1st of May and the 1st of November. In addition to the regular coupons, these bonds will carry three adjustment coupons payable, respectively, on the 1st of November 1931, the 1st of May 1932, and the 1st of November 1932, for additional interest at the rate of 1% per annum. Holders of the Victory Loan 5½% Bonds maturing the 1st of November 1933 are being offered the opportunity to exchange their bonds for Dominion of Canada 1931 Conversion Loan Bonds maturing November 1, 1937. These new bonds will carry interest at the rate of 4½% per annum from May 1, 1931, payable half-yearly on May 1st and November 1st. The first five interest coupons—that is, those due to be paid each six months up to November 1, 1933, will be tax free. In addition to the regular coupons, these bonds will carry five tax free adjust-

ment coupons for additional interest at the rate of 1% per annum, payable, respectively, November 1, 1931; May 1, 1932; and November 1, 1933. The Conversion Loan Bonds maturing in 1938 will not be subject to redemption before November 1, 1948, but on or after that date they may be called at the option of the Government on any interest date on 60 days' notice, at 100 and accrued interest. Holders of the Victory Loan 5½% Bonds maturing 1st November 1934 are being offered the opportunity to exchange their bonds for bonds of the Dominion of Canada 1931 Conversion Loan maturing November 1, 1939, which will carry coupons entitling the owner to interest at the rate of 4½% per annum, payable half-yearly May 1 and November 1 commencing May 1, 1931. The blessed sweetest of a loving breath Will reach our cheek all fresh through weary years. For her who died long since, ah! waste not tears. She's thine unto the end.

Inserted by MOTHER, SON AND BROTHER. Coaticook, Que.

IN MEMORIAM. In loving memory of Mrs. Lang Walker who passed away on May 11th, 1931. Inserted by MR. LANG WALKER AND FAMILY.

CARD OF THANKS. We wish to express our sincere thanks and appreciation to our many kind relatives, friends and neighbors during the death and burial of our dear baby, also those who loaned cars and sent flowers. MR. AND MRS. HARVEY H. HEALY, Parents. Danville, Que.

DEATHS REPORTED. MR. LANCELOT A. STACEY, LENNOXVILLE. May 11.—The death of Mr. Lancelot Augustus Stacey occurred at his home here on April 25. Mr. Stacey had been indisposed for about ten days, but his illness was not considered of a serious nature. On Saturday morning, however, he passed away very suddenly from heart failure.

Mr. Stacey was born in Drighlington, in the settlement of Westbury, Township of Eaton, on March 25, 1847, the youngest son of George and Eliza Louise Stacey. On October 15, 1867, he married Phoebe Geanette Winslow, of which union two children were born, William Henry and Hattie Louise, who predeceased him.

The greater part of his life was spent at Ascot Corner and in the Township of Dudswell, but for the past twelve years he had resided in Lennoxville. Mr. Stacey was a member of Pride of the Valley Lodge, I.O.O.F.

The funeral service was held on Monday, April 27, at St. George's Church and was in charge of the pastor, Rev. Albert Jones. The

bearers were Messrs. H. J. Weyland, C. E. Weyland, M. M. Lothrop, W. G. Loomis, G. S. Rolfe and N. E. Dean.

The floral offerings were numerous and beautiful, testifying to the esteem in which "Grandpa Stacey," as he was lovingly called, was held. He leaves to mourn his daughter-in-law, Mrs. Jessie D. Stacey, and one granddaughter, Mrs. Charles E. Parkin.

Interment took place at Dudswell Centre.

MR. GORDON F. CAIRNIE, WESTMOUNT, QUE. RICHMOND, Que., May 11.—On Tuesday, May 5th, Gordon Francis Cairnie died at the Western Hospital, Montreal. The deceased was a son of the late Mr. and Mrs. John Cairnie and was born in Melbourne, Que., over seventy years ago.

He received his education at St. Francis College, Richmond, and Toronto University from which he was graduated a Civil Engineer.

For many years he was in the employ of the well-known firm of Bailey, Blackwell and Bask, of New York, and did engineering service in Peru, the Argentine and Mexico.

Several years ago, owing to impaired health, he retired from active work since which time he has lived with his sisters in Westmount, Que.

He was unmarried and is survived by two sisters, the Misses Bella and Jean, of Westmount and two brothers, J. H., druggist, of Richmond, and Lorne Douglas, of Westmount.

The remains were brought to Richmond on Thursday morning and interred in the Congregational Cemetery to Compton, where service and interment took place.

The pall-bearers were Messrs. W. J. Ewing, Fred Verrill, Fred Burrill, Harry Jones, W. E. McIver and Edmund Atkinson.

NEW ZEALAND HAS WITNESSED MANY 'QUAKES'

Past Experience Has Shown Certain Portions of New Zealand Very Liable to Earth Disturbances.

WELLINGTON, New Zealand, May 11.—Earthquakes are an old story in New Zealand, and past experience has shown that the central portion of New Zealand from Taranaki and the east coast to Christchurch and Westport is liable to earth disturbances, several well marked geological fault lines having been located in that area.

The first earthquake of any severity after European occupation occurred in October, 1848. It was felt from Taranaki to Marlborough, but Wellington, then a very new town, suffered most severely. Three persons were killed and only four brick buildings escaped damage. Conspicuous was spread among the new settlers, for whom it was a most unerving experience.

Wellington was the centre of another earthquake in February, 1855, when portions of the coastline were raised and the Government offices were destroyed. An area in the heart of Wellington was converted from a swamp into dry land.

In 1868 Wellington was again shaken and Christchurch had its first experience in 1881. Seven years later the latter town was severely shaken and a portion of the Christchurch cathedral was dislodged. The cathedral was again damaged in the quake of 1901 which caused terror and death in Cheviot, nearby.

At intervals of two or three years several lesser quakes disturbed the islands, one in 1913 causing heavy falls of rock and damage to buildings in Westland. The Christmas Day quake of 1922 caused damage in

New Canterbury and visiting English cricketers halted their game to watch chimneys shaking.

The Westland and Nelson quake of 1929 is still fresh in the minds of New Zealanders. Damage was done on both the north and south islands. Several deaths were caused by the disturbances and in Murchison alone ten persons were killed.

Paris, May 11.—With thirty-eight world air records out of the 105 accepted and ratified by the International Aeronautic Federation, France has claimed again the supremacy of the air, wrested from her by Germany for a few months in 1930.

Lucien Bousoutrot and Aime Rossi, who annexed the distance and duration marks on a circuit near Oran, Algeria, recently, and Regimensi, who with Jean Lalouette achieved a similar feat for planes carrying a "useful cargo" of 2,000 kilograms, brought France to the front again in the world of aviation.

Germany has thirty records, the United States, nineteen, Italy eight, Great Britain, Czechoslovakia and Spain three each and Hungary one.

Louis Dumestrie, Air Minister, says France will make an intense effort for the Schneider Cup. Sadi Lecoate, world record-holder for speed over five hundred kilometres, has been stationed at Marignane, hydroplane base near Marseilles, for ten months and his experiments with the new French seaplanes are said to have been quite satisfactory.

France holds thirty-eight air records.

FUR FOR SUMMER EVENING WEAR

White Fox Styles Chic Scarf.

The white fox scarf, cut of regal fur, tied in Ascot manner, is the latest luxury fashion furnishes the smart woman. For cool summer evenings or late afternoon at beach or in the mountains, the new fox scarfs give just the right amount of warmth, plus great chic. They are cut on ample proportions, tailored to fit the shoulders and tie with ends of summer ermine, bordered in the white fox.

FRANCE HOLDS THIRTY-EIGHT AIR RECORDS

In All, There Are 105 Records Accepted by the International Aeronautic Federation.

PARIS, May 11.—With thirty-eight world air records out of the 105 accepted and ratified by the International Aeronautic Federation, France has claimed again the supremacy of the air, wrested from her by Germany for a few months in 1930.

Lucien Bousoutrot and Aime Rossi, who annexed the distance and duration marks on a circuit near Oran, Algeria, recently, and Regimensi, who with Jean Lalouette achieved a similar feat for planes carrying a "useful cargo" of 2,000 kilograms, brought France to the front again in the world of aviation.

WHITE IS MUCH IN VOGUE FOR THIS SEASON

White Touches Add to Hat and Accessories and Lighten All Dark Colors—Roman Sashes and Gay Flowers to Be Worn.

Without question, white is eclipsing color in the realm of accessories and as a contrast to color. Women with a keen sense of the dramatic as applied to their costumes have taken the incoming vogue of white and color by the forelock and are the most strikingly attired persons glimpsed on the fashionable avenues.

Black coats are handsome with snovy flat fur collars, and a white touch added dextrously to hat and accessories. Black frocks show flashing white vees and collar or scarf treatments.

A touch of white is the fashion hue and cry of all spring and summer styles. And even if it is but a pique trim, the note of white is sounded.

The tri-color theme is expressed cleverly in a navy canton crepe costume. Its jacket is edged in white pique and its wide belt of red patent leather. A little bit of white goes a long way around the jacket outline and sleeve trims.

The hat may be either white, blue or red as its wearer desires.

The forthcoming French Colonial Exposition is, of course, responsible for this invasion of white into the field of color. The Bruyere jacket dress is one instance of the way in which white tops the mode.

The dress proper is made of a lightweight black, brown or blue wool with a bodice and jacket of solid white and the hat composed of a white crown with a dress color brim.

For summer, the all-white costume will be seen to a less degree than that of white and color. Roman striped sashes, two and three-colored scarfs and brightly colored leather belts together with gay leather flowers are the accent notes with white sportswear.

Gloves, that bridge the gap between elbow and wrist, nine times out of ten are of white pigskin for tailored and spectator wear. They are cording to the choice of the smartest women.

Officer—Well, I have a warrant for his arrest.

Verger—Friends of the bridegroom on the right hand side of church, please.

CONFERENCE TO BE IMPORTANT FOR DOMINION

Sir James Lithgow Says Ottawa Conference Presents Great Opportunity for Canada to Show Its Statesmanship.

OTTAWA, May 11.—Success of the Imperial Conference meeting at Ottawa this year depends on Canada, Sir James Lithgow, president of the Federation of British Industries, told the Canadian Club here. The conference, he said, offered a great opportunity for the application of the "Canada first" principle. It gave Canada a chance to take the lead in broadmindedness and statesmanship.

Speaking in the presence of Premier R. B. Bennett and several of his Cabinet Ministers, Sir James indicated Canada should not expect too much from the British delegation to the conference. The conference in London last year had been a disappointment but it was to be hoped the disappointment would not be repeated. Canadians, he said, should be considerate of the delicate political situation in Great Britain.

"I ask you to remember," he said, "that Great Britain is in a rather peculiar position. Democracy has recently come into its own and its leaders, perhaps, have not been able to adjust themselves to it. I would ask you to be considerate of any apparently smallminded points of view that may be put forward at the conference."

Sir James Lithgow is head of the British delegation now in Canada to confer with Canadian industrialists with a view to furthering trade between the two countries. His mission, he said, could speak with authority for British industry and British industry had definitely abandoned free trade.

"We had a vote on it in our federation," he said, "and three and one half per cent of our members voted in favor of free trade while 96 1/2 per cent voted in favor of the promotion of Empire Trade. British industry is solidly in favor of such a fiscal policy as you have found beneficial to yourselves in Canada."

The free trade doctrine still obtained among certain professional men, he went on. But industrial leaders had too long relied on the professional classes for guidance and found them wanting. They were convinced free trade should be abandoned.

The trade mission of which he is the head took shape from the last Imperial Conference which was "pretty much of a failure". The idea was to try to get industrial leaders in the two countries together while the political leaders were preparing for their next step at the Ottawa conference.

He appealed to Canadians to consider trade from the point of view of the Empire, not from altruistic motives but as a matter of sound business. Political slogans were apt to lead people astray, such as the slogan "Canada first" attributed to Premier Bennett and "Britain first" attributed to Mr. J. H. Thomas. He trusted these slogans had now served their political purposes, whatever they were, and could be analyzed dispassionately. They both amounted to the same thing and that was "Empire First."

"Without Empire trade, Great Britain has no future at all," he said. Canada also derived great benefits from association in the Empire, as was evidenced at the recent exhibition at Buenos Aires.

NORWEGIAN STEAMER MAKES TRIP THROUGH BELLE ISLE
Grain Carrier Establishes Record for Navigation Through Straits Not Usually Open Until June 15.

CONFERENCE TO BE IMPORTANT FOR DOMINION

OTTAWA, May 11.—The Straits of Belle Isle, that stormy and often ice bound bit of sea between the northern tip of Newfoundland and the coast of Labrador, was negotiated for the first time this spring by the freighter American, on her way to Norway with a cargo of grain from the port of Montreal. The achievement is a distinct record as the Straits are not usually passable till the middle of June and sometimes later in the year.

Captain R. S. Guttormsen reported loose ice, but with reduced speed and careful navigating he managed the passage. From the various ports have come rumors that vessels are preparing to follow its trail in the near future.

MANY PROBLEMS ARE AWAITING GRAIN PARLEY

All Principal Wheat-Exporting Countries Will Be Represented at Conference Which Opens in London Towards End of the Month.

LONDON, May 11.—Representatives of the principal wheat-exporting countries of the world will meet here toward the end of the month to discuss the crisis which has arisen owing to the fall in wheat prices throughout the world. Agricultural and other interests have expressed satisfaction that the United States has accepted an invitation to participate in the conference.

Delegations will come from Canada, Australia, Argentina, Soviet Russia, Rumania, Hungary and other exporting countries of Central Europe.

While it is too early to speculate on what the agenda is likely to contain, one of the principal points for discussion undoubtedly will be the feasibility of an agreement for regulating exports of wheat in order to secure reasonably remunerative prices for farmers.

Observers see many difficulties ahead for conference even on this necessary expedient as export quotas are not generally liked. It is said they must be fixed for each country after which individual Governments would need to make corresponding plans for producing in order for farmers to comply with the quota. There also are millers and bread consumers to be considered.

It is alleged in some quarters that the slump in wheat prices is not fully reflected in the price of bread and that the purchasing powers of industrial workers generally are still affected by depression in world trade.

It would seem, therefore, that deliberations of the wheat conference so far as prices are concerned are bound up to some extent with potential improvement in industry, which brings in its train improved purchasing power of the workers.

FORMER CANADIAN WOMAN PASSED AWAY IN LONDON

Mrs. T. D. Milburne, Born in Montreal, Was Sister of Sir H. Montague Allan.

MONTREAL, Que., May 11.—The death at London, England, of Mrs. T. D. Milburne, sister of Sir H. Montague Allan, was recorded in a cable received here yesterday. Mrs. Milburne, who was eighty-one years of age, was the widow of Major T. D. Milburne and had lived in England almost continually since her marriage about sixty-five years ago. In addition to her brother, two sons, Claude and Hugh Milburne, a daughter, Mrs. Stuart, living in England, and five sisters, survive.

VETERAN SERVED IN WAR UNDER DIFFERENT NAMES

One Name Assumed to Conceal His German Ancestry and Others Taken During Lapses of Memory Caused by Head Wounds.

OTTAWA, Ont., May 11.—A veteran who served in two armies under three fictitious names on Saturday was given an honorable discharge here as Alfred Reginald Ermekeil. Mr. Ermekeil, who now lives in Cleveland, Ohio, enlisted in the expeditionary forces of both Canada and the United States during the war and was given the military medal for bravery by Canada. One name was assumed to conceal his German ancestry and the others were taken during lapses of memory caused by head wounds received overseas.

Ermekeil's military career contains all the incidents of a sensational movie picture. Although born in Staffordshire, England, he feared his German ancestry might be a bar to his enlistment and when he joined the Canadian Expeditionary forces at St. Thomas, Ont., in

October, 1914, he took the name of Forrester. In France he received the military medal for gallantry in action. During the second Somme offensive he was struck in the forehead by flying shrapnel and was invalided home to Canada.

Placed in the military hospital in London, Ont., he suffered a loss of memory, wandered to Toronto and unaware he had already served in France, enlisted as Alfred Morgan. One day an officer in his military unit chanced upon the military medal. After an investigation, the veteran was identified as For-

rester. In recognition of his services he was made a sergeant and later went to the United States to encourage recruiting.

Another lapse of memory occurred and again Ermekeil obeyed his instinct for army life. This time he joined the 17th United States Cavalry at Columbus, Ohio, and was sent to Fort Sherman as a bombing instructor. When he was able to piece the past together he got in touch with the Canadian authorities and was discharged from the Canadian forces in 1920 with a pension of six dollars a month. In the meantime he had married.

He eventually decided to have his right name established in the Canadian records. He is now listed at the National Defence Department under that name and the Canadian authorities have decided to raise his pension from six dollars to twenty-five a month, retroactive to 1920.

Ermekeil's military experience is not confined to the Canadian and United States armies. In 1912 he served under Pancho Villa in Mexico and escaped across the border into Texas when the tide of battle turned against Villa's army.
