peut démontrer, d'après ses livres, qu'il a manufacturé **641 pianos**, dans sa fabrique, **214, rue Papineau**, en 1892, et de toutes les sortes de bois que l'on peut trouver sur les cinq continents.

Tous ces pianos-là sont vendus et donnent pleine et entière satisfaction ; preuve, toutes les lettres qu'il a reçues en conséquence de ses nombreux clients. Tout ce qu'il demande au public en général, c'est de visiter sa manufacture et l'assortiment qu'il a en magasin, de toutes les variétés et de tous les styles, avec harpe spéciale ou **Muffler** perfectionné qui seront vendus au plus bas prix et meilleur marché que tout autre avec une garantie de dix ans à ses frais et dépens.

Il a payé cette année au-delà de \$32,000 de salaire aux différents ouvriers de la ville de Montréal. Il devrait avoir au moins une partie du patronage Canadien-Français et Anglais, puisque cet argent payé aux employés reste parmi les nôtres et donne le pain à des centaines de familles.

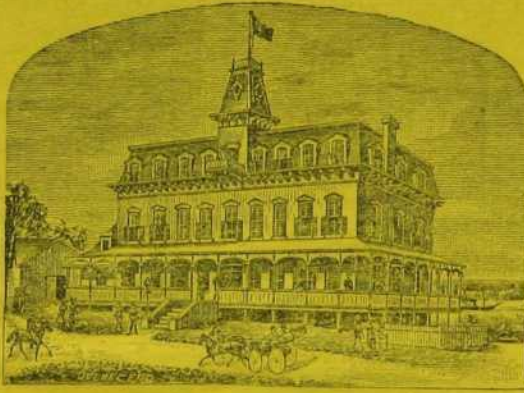

Agents demandés et correspondances sollicitées dans toutes les parties du monde.
