Pontiacs

Tide May Be Turning

Pontiacs welcomed Keith Horner back as provisional coach last night by eking out a win from Pembroke Trove after a long string of losses. Score was Pontiacs 3 (Saunders 2 and Richardson 1) and Trove Trailermen 2.

In the UOVHL game played by the Pontiac Seniors, they were defeated 10-6 by the Pembroke Trove Trailermen in the Agricultural rink Friday, January 26.

Two neat passes and some remarkable combination accounted for two goals for the Trailermen in the early part of the first period. The two goal lead by Mitchell and Edwards was not held too long as Richardson's determination at the other end of the ice soon earned Shawville one, followed closely by another one off Barrie Murray's stick. Pembroke's Quigley took a penalty for boarding Saunders which gave Shawville the extra man and the opportunity to tie the game. A slight bit of so-called "sloppiness" on Shawville's part appeared to be cause of Pembroke's Lesnick scoring when the team returned to full strength a minute or so later Fraser broke his stick, leaving Shawville defenceless and Lesnick did his trick again to make the score 4-2. Murray clicked again with a nice goal to make the score 4-3, and to keep the game hot and interesting until the end of the first period.

At the beginning of the second, Murray again started off strong, made a nice break away and was almost to the nets before two Pembroke players overtook him. Barrie may not be the biggest hockey player in the county but when he does make up his mind it takes two to stop him. Gil Fraser then missed a beautiful scoring chance, which was just as big a disappointment to the spectators as it was to him. Pembroke then took the puck and Tom Edwards scored the first goal of this period. They also collected another penalty, doled out to Morrissey for holding Richardson's stick to prevent him scoring. Pembroke being shorthanded, gave Shawville another opportunity and Dave

Barry Murray

Earl Powell

Kelly scored a beautiful goal from a nice pass from Richardson (let's see more passes like this eh, lads!)

Back to full strength again Pembroke immediately got down to business and Benoit did the honors, but not to be outdone by anyone was Earl Powell who scored a genuine sneaker. Not even the Pembroke goalie could believe it was in there! Second period left Shawville still one behind with Pembroke leading 6-5.

At the very beginning of the third period, Lesnick (that roly-poly skillful No. 9) banged in his third goal by sending it high and having it fall down into the net. One never knows what methods they will use next to score, but they are always legal and that's what counts. Desi Keon took a tripping penalty to save a Pembroke goal. Pembroke's Benoit scored again when Shawville was shorthanded. Noticeable at this time and many other times during the game was the numerous amount of hockey sticks that cracked up under the pressure. Surely both clubs must have got just a little bit in the 'red' with stick breakages at this game. Next to blink the red light for Pembroke was Mitchell with his second goal, and Benoit took a penalty for tripping. Shawville corralled the puck again and Powell amidst a scramble scored his second goal. Pembroke took the puck from the face off, caused a little scramble in front of Shawville's net and scored in the very same way. Quigley did his first honor of the night with this one. Dave Kelly then took a tripping penalty, which kind seemed to be the favorite of the night, all for the same reason—to prevent scoring. Thus ended the game 10-6 for Pembroke—

a little disappointing for our boys but never give up, we'll be back again with you, Feb. 10. As the saying goes — the sad part of being good sports is the fact that you always have to lose to prove it. So good for our Pontiacs as from where the spectators sit you are the best of sports and prove it by the few penalties in each game.

Those players chosen for a little extra vim, vigor and vitality were Barry Murray, Earl Powell, Dave Kelly and of course the old reliables and that includes goalie D. Therien.

Charlie Lemenchik officiated, assisted by Laird Murray as linesman.

Shawville: goal, D. Therien; E. Powell, I. Saunderson, R. Richardson, P. O'Donnell, D. Kelly, B. Findlay, B. Murray, B. Murphy, B. Bowen, G. Fraser and D. Keon.

Pembroke: goal, Ryan; Griese G. Lesnick, A. Krantz, Quigley, Lewis, Radhke, Edwards, Benoit, Mitchell, C. Plummer, A. Lesnick, Morrissey and A. MacIntosh.

Student Bursary Lions Offer \$200. Award

Shawville Lions Club has stepped into the education picture with a new \$200 bursary to be awarded to a student in grade eleven at SHS who plans to further his or her education.

The bursary is intended to be issued annually to help the student's expenses in any recognized university or technical school or any other school of higher learning which, in the opinion of the board of trustees, will assist the student in his or her chosen profession or vocation.

The board will consist of the principal of the high school, one medical doctor and one member of the clergy, the latter two to be appointed by the principal who will be chairman. This year Dr. F. C. Cowley and Rev. T. D. Rowe will be trustees and all doctors and clergymen in town will be appointed in rotation.

The trustees will decide on who is to be awarded the bursary each year on the basis of financial need and general proficiency in grade eleven. In their decision, general proficiency will count for 60% and financial need for 40%.

Students need not apply for the bursary but it will be awarded to a student who gives proof of his or her intention to continue studies after leaving Shawville High School. If in any one year no student is considered by the trustees to be qualified to receive the award, no award will be made.

The bursary will be issued on satisfactory proof of registration at an institution of higher learning. One hundred dollars will be paid immediately and another hundred dollars at the start of the second term of school in the new year.

hen Perry introduced Mr. Moore. Mr. C. Demarsh, Scout Master, Mr. William Hayward acted as chairman.

A gift was presented to Patrol Leader Roger Perry for his promotion to grade 2. The Dining Hall was tastefully decorated with flags and Boy Scout emblems. A vote of thanks was tendered Mr. Demarsh by Mr. Hayward for his untiring efforts for the cause of the Boy Scout Association. Rev. M. Atkinson paid the closing thanksgiving.

Joint C of C Meeting At Agricultural Hall

Full Time Industrial Commissioner Will Start Work April 1, 1962

An industrial commissioner is shortly to be appointed by the province of Quebec, to promote the establishment of new industry in Western Quebec. This is the word brought to the three Chambers of Commerce of Campbell's Bay, Shawville and Quyon which held a joint meeting last Thursday night in the Agricultural Hall in Shawville.

The appointment will be effective April 1, 1962, and the industrial commissioner, appointed on a full time basis, will have his offices in Hull. He will work

in close co-operation with the Chambers of Commerce.

M. Lacroix, of Thurso, president of the Chambers of Commerce of Western Quebec; and Yvon Sirois, general manager of the Chamber of Commerce of the Province of Quebec, brought the news to the three Chambers.

Chairman of the meeting was Wally Morris, president of the Campbell's Bay Chamber of Commerce. Larry Lamb, president of the Shawville Chamber welcomed those in attendance.

Rev. Ron Ellis Going To Waterloo Assembly

Last evening the congregation of Bethel Pentecostal Tabernacle met for their annual business meeting.

Increased attendance and offerings were reported by the Church Women's Missionary

Council, Young People's, and the Sunday School. Receipts from all departments totalled \$13,000.00 in 1961.

The Pastor, Rev. R. Ellis and the Secretary-Treasurer, Miss Ruby Storey conducted the meeting. The new church board consists of Claude Lemay, Ronald Draper, Laurence Rooney and Clarence Sparling.

Rev. R. Ellis after over five years of ministry in Shawville is leaving in February to take over the Waterloo assembly. The Church and Sunday School has seen much progress under his ministry.

With The Curlers

Nellis Hodgins was referee at the district finals for the Governor General's Trophy at Shawville last Saturday. On sheet one Arnprior beat Petawawa with the last stone of the last end of the last game shot by skip Doug Farmer. The teams were tied at the first, third, fourth and seventh ends of the second game after sheet two had tied their game up altogether. Arnprior's third was Bernie Laderoute, second was Doug Macklin and lead was Hugh Coulter. Petawawa's team was skip, Jack Fraser, Bob Waldo, Bill Delougheny and Al Miller. A large audience watched the fray and the Shawville ladies served a turkey dinner afterwards which was extremely appreciated. Tied up on sheet 2 were Arnprior's Orville Felhaven

Harold Lindsay, Lorne Bretzlaff, and Eugene Feker curling against Petawawa's Larry Adair, Jack Read, Larry Woodworth and Eric Roswell. The Arnprior teams have gone on to the Ottawa District Finals after defeating RCMP in Ottawa Monday and getting a bye. The finals will be played in Brockville.

Nancy Alexander, skipping in a bonspiel for the first time came home from Eganville with first prize, winning all three games with Mary Allen, Beryl Smart and Doris Barr.

The wonder-eight finally met their Waterloo at Pakenham and handed the ladies from Deep River a very closely fought victory. Total scores were 20-16.

Deep River subsequently lost to Brockville so this end of the Valley is out of the Tweedsmuir.

Red Cross Meeting At Campbell's Bay

Many interesting and enlightening facts were brought before the public by Miss Lucy Menard, Field Director for the Canadian Red Cross at the annual meeting of Upper Pontiac Branch of the Canadian Red Cross Society held at the United Church Hall on Wednesday, Jan. 24. Miss Menard reported that 4000 bottles of blood were used weekly in the Province of Quebec. 146,000 bottles were used in 1961 at a cost to the Red Cross of \$5.65 per bottle. 97% of the work is done by volunteers, the 3% paid receive low salaries. \$75,000 was spent in Prov. of Quebec last year, the highest of any province, and for two years Quebec has been in the red. Miss Menard thanked all those who had assisted the Red Cross in this District and a special thanks to Mr. Asa M. Smith one of the first and most faithful supporters of the Red Cross in this area. Miss Menard reminded her audience that now the Red Cross supplied the Hospital's with blood which in turn was supplied, free of charge, to

A COUNTY COMMITTEE

The announcement at last Thursday night's Chamber of Commerce meeting in Shawville, that an industrial commissioner is to be appointed to serve Western Quebec, was a real milestone in the economic progress of our area. His job will be to attempt to attract new industry to Western Quebec.

In view of the fact that the industrial commissioner will look to the Chambers of Commerce for information, it seems imperative that we in Pontiac County should immediately consider what steps can best be taken in order to provide the most effective information possible.

It goes almost without saying that the first step must be the completion of a proper survey of the full facilities of the County. It goes, again without saying, that each Chamber in Coulonge, Campbell's Bay, Shawville and Quyon, is prepared to do this in its own territories. However, there is a danger that there may be areas not now covered by any chamber, that some area may perhaps be covered by two Chambers, or that other inconsistencies may develop by each working independently.

To overcome this danger, we believe that it would be useful, important, and indeed virtually essential to set up some sort of co-ordinating committee responsible for taking a single survey of the entire County direct to the industrial commissioner, rather than having each Chamber reporting individually. We could thus approach the commissioner with one voice instead of four, and accordingly speak four times more effectively. It is important to remember that this same commissioner will constantly be receiving representation from at least three other counties in direct competition with us for new industry, so that we must at all times maintain the strongest possible competitive position. The establishment of a County Committee would be a start in the right direction.

EDUCATION WEEK ON THE WAY SOME THOUGHTS ABOUT SCHOOLING

At this time of year editors are urged to prepare their communities for some serious thinking about education. Each year the National Education Week Committee issues thoughts, some ready to use and others dehydrated for reconstitution by the editors. Along with these thoughts go an annual motto — remember the year it was "education is everybody's business"? Well this year it is "accent on excellence in opportunity, in performance".

Shawville Lions have jumped the gun on education week which is March 4 to 10. They have announced this week a bursary to help students intending to continue school beyond what is offered locally. This fits in with the general trend to abolish drop-outs. A person capable of higher education who does not seek it is just as much of a drop-out as one who leaves in grade six when he is capable of doing grade seven.

But everyone who leaves school isn't necessarily a drop-out. There are also the step-outs who have arrived at a point where they can not abide being told what to do from moment to moment and prefer to go it alone. In every community there are leaders and successful people who fit this category. Without exception they wish, later on, that they could have stuck it out a few years more but at the time it was impossible for them to do it.

To provide the advantages of education to these restless ones, these independent types who don't want to be pushed or led but rather to seek for themselves, the system is going to have to be changed.

There must be established some way for eager learners to learn what they want to know without years of being beaten down into a prescribed mold by a series of sometimes inspired but more often tired union members. The process is not character-building but can be the exact opposite.

Cutting down the drop-outs seems to monopolize a lot of current thought, education-wise, and results are being achieved. It will be a good day when educationists start concerning themselves with the step-outs. Their loss is also important and a great loss to the nation.

Grains of Sand

Dr. Wallace Hodgins has a real cute little trophy he won by skipping the champion rink at the Segniory Club's Annual Educationists Bonspiel. He and Dr. McDowell attended the meet. The trophy is a miniature gold curling stone, engraved.

The Pontiac Community Hospital is out of the red by virtue of a loan of \$250,000 from the Bank of Montreal. This means the 1947 \$192,760 bond issue which came due this month can be paid off. Permission has been sought from Deputy Minister of Finance Jean Bieler for a new \$250,000 ten year bond issue.

For purpose of provincial insurance PCH has only 42 beds. We use about 52 up there and sometimes as many as 70! Why the discrepancy?

Portage du Fort will celebrate its centennial next January. Any plans for the big day Portage? How about a little pageant to re-enact the significance of the Lady Head Monument?

Now you can buy The Equity in Campbell's Bay at Mrs. Esther Quaille's new store Linda's Tots and Teens on Main Street. Mrs. Quaille will also take subscriptions — \$3.00 per year.

Stan Horner, MSc., now has three new diplomas on his wall — Superior First Class Teaching Fine Arts Specialist and Engineering Drawing. Teaching at Beaconsfield High School, Stan also lectures on Art at Sir George Williams University and has been invited to direct the Fine Arts Summer School of the University of New Brunswick next summer, teaching courses in design, painting, drawing, theory and pedagogy. Good show Stan, your folks and friends are proud of your achievements.

New man at Shawville High School is Ferenc Andai (pronounced Onday) M.A., from Budapest, 37, married, one daughter, Canadian citizenship on the way, teaching history to grades 8 to 11 in place of Paul Hilton who left at Christmas. Welcome, Mr. Andai.

If you happen to be in Ottawa any afternoon or evening with time to spend nothing is as interesting as observing Parliament in session. The public is always welcome to watch the proceedings; any of the guards will show you where to sit.

Talk of secession has died down a bit — secession of Quebec from Canada that is. But there's talk of Pontiac seceding from Quebec! This may all be in fun but one good result would be some straight Ontario-type roads instead of the old high water line we use for a highway. There may be other advantages too. (Information from government departments would likely be in English — that would be good too.)

Dr. Cowley's little girl, Ruth, figures Spring is closer than we think since she found two furry caterpillars on the back porch last Friday. Just don't tell the hockey players, skiers and curlers, Ruth they'd all be happy for a nice long winter. Or would they??

Where the U.S. failed, SHS has succeeded — they got their launching off the ground. In the case of the high school it wasn't to be a main orbit but a number of weather balloons into the air. They were last seen drifting northward. Anyone up Sandy Creek way see a weather balloon?

THE GLENNS

The name of GLENN is on every lip today. Since Marine Lt. Col. JOHN GLENN, Jr and his wife ANNIE have come into world publicity, by John being chosen as the first American Astronaut to be put in orbit, it might interest us to trace up this family and see if we in Canada would also have a JOHN GLENN Jr. or a JOHN GLENN Sr. with a wife ANNIE.

Sure enough, right here in Pontiac, we had our JOHN GLENN and his wife was ANNIE. Years ago they went to live in the United States, along with John's sister, baptized Bridget, but usually known under the name of Theresa. However we do not think that the famous JOHN Jr. is his grandson.

MICHAEL GLENN came out from Ireland in 1842 and settled in North Onslow. The only member of his family to purchase land in Onslow was his son HUGH, who later moved to California. Michael was married to Ann Kilbride. They had six children: JOHN b. 1845 (ANN CASSIDY) b. in Onslow, but record to be found registered at Aylmer. They moved to the United States, JAMES b. 1849 Onslow (MARGARET CONNORS) They moved to Aylmer. She was the daughter of Thomas Connors, was born in 1850 and died in 1909. James became a C.P.R. Conductor and died in 1935. HUGH married and living at California, MARY (MARTIN McDERMOTT) Aylmer, died in 1932, CHARLES b. 1856 Onslow (MARGARET KELLY) dau. of Edward and Margaret Garvey and therefore first cousin of LEN and FRED COYNE of Bryson; Charles died in Aylmer.

In the U.P.H.L. hockey last week Bryson tied with Calumet Island, Thursday evening game but were beaten by Fort Coulonge Friday evening 4-3. Both games were fast and our team seemed to be a little off balance in the game with Fort Coulonge. At the moment they are tied in top with Shawville and there is no reason why they should lose a position.

Happy Ground Hog Day to all.

The Annual Vestry meeting of St. George's Church, Portage du Fort was held January 25 with the Rev. T. Desmond Rowe presiding. All reports show that a great deal of effort and cooperation had been exerted during the past year. The treasurer, Mr. Lorne Stewart, presented the church's financial report which was more than gratifying, and that all obligations had been met. Mrs. Gibbons, Superintendent of the Sunday school gave a very comprehensive report which showed it to be in a very healthy condition. However, it was pointed out that a few more chairs were required for the smaller children also a table or two. Mrs. Lorne Stewart reported on behalf of the Ladies Guild. The report showed that they had had a very successful year.

The officers for the ensuing year are as follows:-

Vestry Clerk, Mrs. H. Church Mr. Roy Dagg was appointed Rector's Warden and Mr. Vincent McCallum was elected People's Warden. Mr. Lorne Stewart was re-elected Treasurer. Messrs James Fraser and Edward Vaughan were elected delegates to the Montreal Synod. Many urgent projects were discussed and it was decided that the Wardens endeavour to accomplish them in accordance to the priority of each one. The most important that of improving the heating of the Church, which will receive immediate attention.

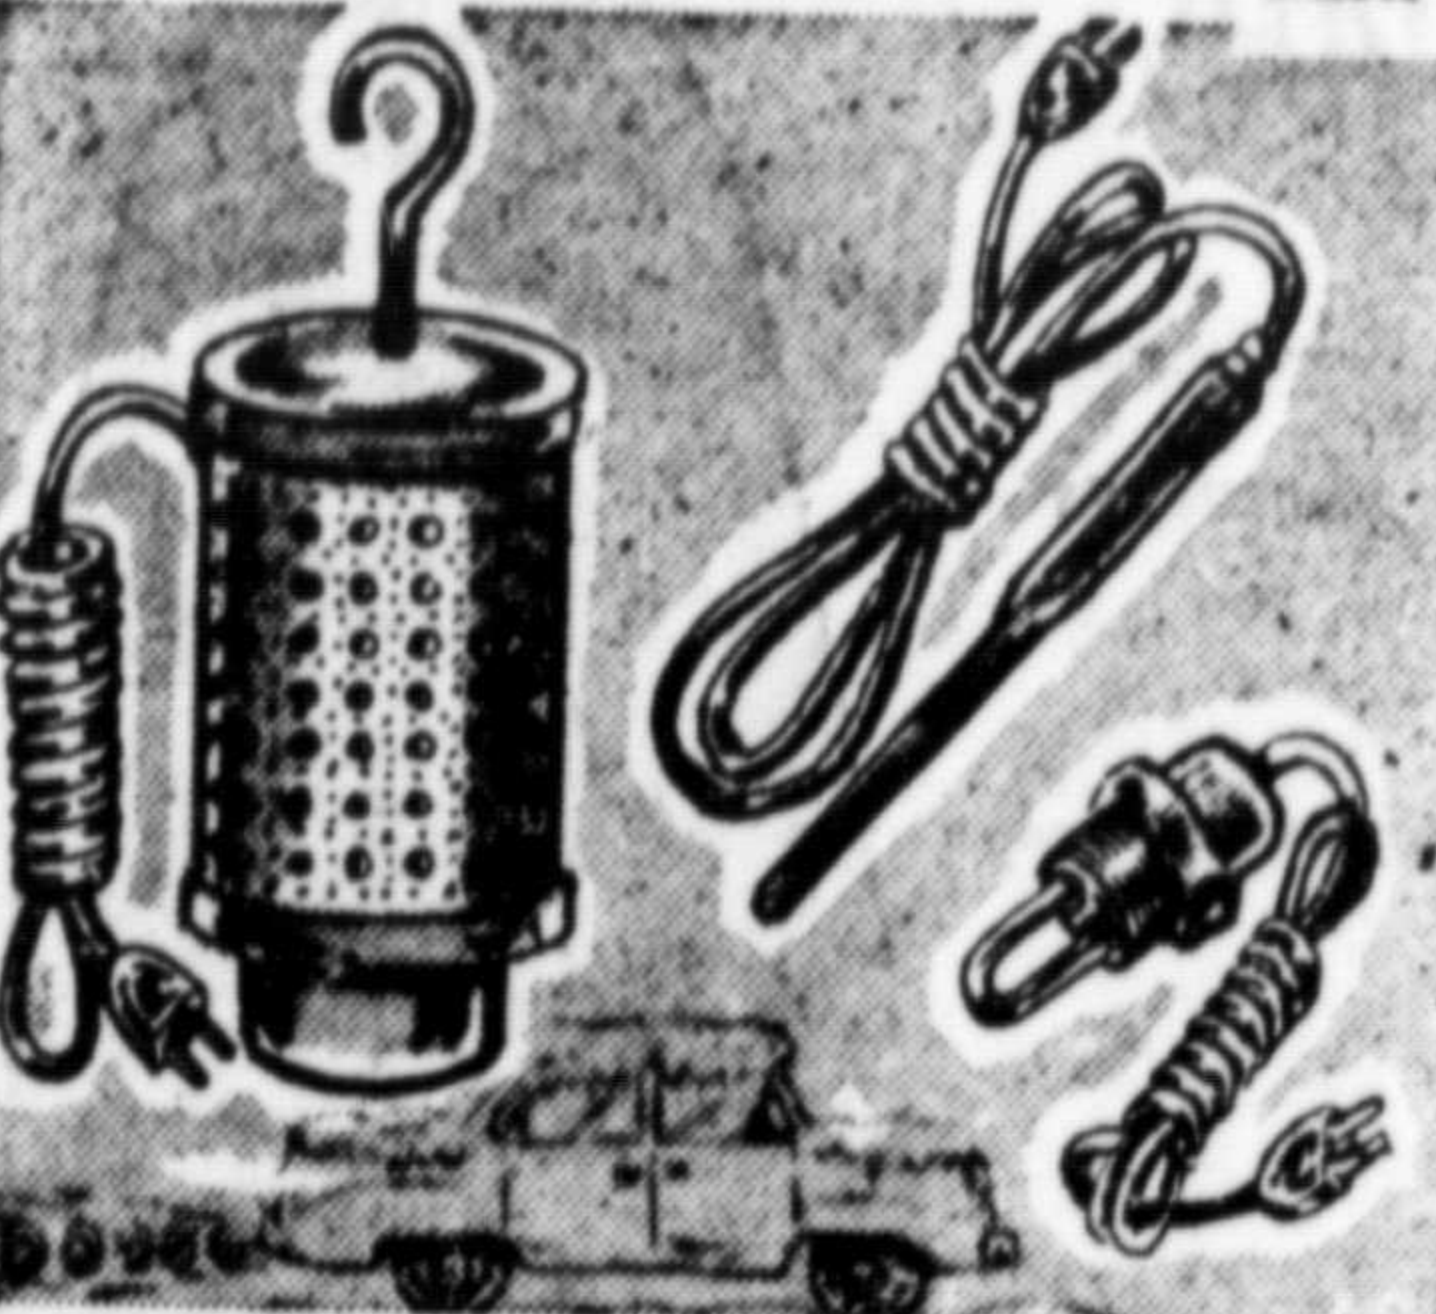

After the meeting, refreshments were served by the ladies, which were appreciated by all present.

The Science Club is preparing to start a "Science Fair" which will be held in Shawville High in the near future.

The Student Council has granted Mr. Bouchard \$50 to help purchase a tape recorder for the Shawville High. This should be a great benefit to all students.

A Canadian School Studios photographer was in Shawville on Wednesday to photograph both the students at Shawville High and Victoria Avenue. The Student Council will receive a commission on all pictures sold.

Ottawa Valley Historical Society

The Ottawa Valley Historical Society re-elected George H. Lemke as president of the annual meeting held on Thursday night in the Copeland Hotel, Pembroke. Other officers are the vice-president, W. J. Fraser, Clyde C. Kennedy, Mrs. J. W. M. Findlay and Mrs. W. N. Whitmore; secretary, Mrs. P. C. Doran; corresponding secretary, L. G. Bromley; treasurer, Mrs. H. A. G. Willoughby, 265 William St. Pembroke; permanent member of the executive, Murray Mathieson; curator, Miss Lulu Fraser; publicity and historian, Mrs. Carl Price; membership, Mrs. Larmer Small; official archaeologist, Clyde C. Kennedy, Deep River.

Reports revealed that registration at the Champlain Trail Museum topped the 1,000 mark in 1961, the deed of incorporation and seal were received in July and the Museum has been registered with the Department of Travel and Publicity for a several years as a tourist attraction in Renfrew County.

The annual obligation to the Pembroke Electric Light Company was met. Through their financial assistance, it became possible to establish the Champlain Trail Museum, first of its kind in the county. Funds are raised through membership and registration fees, grants from County Council, town and township councils and generous donations from the North Renfrew District Women's Institutes.

Following a recommendation by M. S. Fellowes, a Museum Library is to be established containing valuable books and documents on local historical data. Residents of Renfrew County are requested not to discard any of these but may donate them to this project where they would be an important addition to the history already on file in the OVHS. They could be left with the curator, Miss Lulu Fraser, RR 1 Pembroke, Ont.

G. H. Lentke presided at the meeting with Mrs. P. C. Doran as secretary. H.H. Middleton was in the chair for the election of officers.

Early Days At Quyon

St. Mary's Parish Has Quite A History

By Rev. Jos. E. Gravelle

The Parish of Quyon is the third oldest Parish in the Diocese of Pembroke. It dates back to 1837 when the first Missionaries were sent up from Montreal to visit the settlers along the Ottawa River. Fathers Poiré and Moreau in 1837-1839 visited all the Catholic settlements from Ottawa to

Lake Temiskaming and Lake Talon, baptizing and marrying both Whites and Indians who asked for these Sacraments. The Township of Onslow had been erected March 9, 1805, when John Richardson and John Forsyth, Ross-well Minor, Andrew Clow and John A. Upham were granted over a thousand acres each for past

military services. On November 12, 1808, other Land Grants were given to Salomon Dunning, Harry Walcott, Jonathan McConnell, Abraham Persell, John Buck, Nicholas Hall, Samuel March. Some of these never came to take up their lots, but sold them to the early Lumber Merchants amongst whom the principal one's were John Egan and Tiberias Wright.

John Mohre and Henry Durrill were the first to take up smaller lots on Range 4 and 5, apparently to start farming. This was in 1831 and 1832. Margaret Grier-son, in 1836, was the last to take out a Grant, possibly first given to her husband and then claimed by the widow. John Burrows, David Moore, Joseph Rice, Sam Benedict, David Weir and Edward Ryan followed in 1836 to 1841. The first Catholic families that really settled in Onslow were those of Mathew Major and John Murdock, likely related, as Major had married Margaret Murdock. They settled on Range 10, lots 1 and 2, which were registered in their names on July 8, 1843.

Father Terence Smith of Richmond Parish some forty miles away, was the first priest to make regular visits to Onslow. In looking over the Richmond registers, we find that on his return from one of his visits to the Ottawa River district, he entered as many as twenty marriages which he had performed on his trip.

Father Brady of Buckingham and Father Bellefeuille visited these missions at the same time and made many entries in the Registers of Buckingham and Montebello. George, the son of George Vallille and Ann O'Holihan, born in 1837, was likely born here and his baptism registered in Buckingham.

Fathers Desautels and Father H. Moreau have entered many early Baptisms and marriages in the Registers of Aylmer, from 1837 to 1845. We find the Baptism of James Benson, son of James and Margaret Duffy of Bristol, Helen, daughter of John Botton and Margaret Hurley of Onslow. Other names we find there are McGoff, Cardley, Gibbons, Murdock, Connors, Daley, Rutledge, Deau, Rice, Virginal, Dolan, Fitzgerald, Coughlin, Bane, Powers, Flaherty, Major, Kennedy, Hannaway, O'Donnell, Keon, Mullen, Lafleur of Pontiac Village, Maeley, Dolan, Joyce,

McGuire, Fox, McHugh McDermott, McConnough, Kelly, McParlan, McKenney, O'Brien, Moore, Quinn, Creighton, O'Reilly, Sheehan, Rowan, Tierney, Trudeau, Teewens, etc. All of Bristol, or Onslow.

In 1845 Father Teloon, O.M.I. came to visit the Mission and give a few day's retreat. He then wrote to the Bishop of Ottawa, newly appointed, telling that he had given First Communion to boys and girls of twenty-one and he asked that a parish-priest be appointed. In answer to this appeal, the Bishop appointed Father Feeley to look after Fitzroy Harbour and Onslow. Thus there is a break in the records and to get them one must go to Corkery where the early register of Fitzroy is kept.

Father Feeley remained from 1852 till 1860, when he was sent to Pakenham and the people of Onslow begged for a priest of their own. Father McDonnough was sent to Onslow. The times were very hard and there was much poverty. The first church was destroyed by fire as well as that of Fitzroy, by a band of men, and it was necessary to provide a house for the priest as well as a new church building. The former building was finally completed but the church was but a shell and the Bishop was obliged to recall Father McDonnough and leave Onslow without a priest.

Later in 1863, Father Casey, a young priest from Chapeau, was sent to Onslow. He worked hard to finish the church, pay off the debt and re-establish the church and presbytery in a more suitable place. Father Malloy of the Cathedral staff was sent up also by Bishop Guigues to help clear off the debt on what had already been built, while Father Casey looked after the section of Pontiac Village men had been brought in to attempt to build a canal along the Chats Rapids, a project soon dropped. The church, built by Father Feeley in what was considered a more central location, and finished exteriorly by Father Malloy, became then a Mission, attended by Father Casey.

The year 1867, the year of Confederation, was one of hardship and extreme poverty for the early Onslow Settlers. Many had to leave their farms and go in search of work, but nearly all returned later, when the crisis had passed. Mr. John Egan had originally given two hundred acres of land and a sum of money to help the settlers build their church. Then Tiberius Wright donated land at Pontiac Village for its location there. Many were settling at the mouth of the Quyon River and Mr. Egan, who fore saw that this would eventually become the center of the settlement, again donated, in 1852, a two-acre lot, in what is today the town of Quyon. Through some mis-understanding, one of the Protestant denominations went ahead and built a church on this lot and established a cemetery beside it. When the mistake was discovered and brought to the attention of Mr. Egan he donated a second lot, in Quyon, to the Catholics, in a much more suitable location.

At this time the Catholic census showed three families in Onslow, thirty seven in Bristol section and twelve in Aldfield.

In 1872, Quyon was finally chosen in preference to Pontiac Village for the Priest's residence and construction began. The name of Onslow however was still retained to designate the parish till March 18, 1875 when entering a baptism the name of Quyon appears for the first time. It should be noted that the church and presbytery at Quyon were later built on a property given the church by Mr. Lyons.

On October 16, 1878, Father Casey was appointed to Farrelton, so Father Meehan was sent to replace him for a few weeks till Father Coffey came to take over the parish. He remained two years till appointed to Almonte.

Father McGinnis was Pastor from 1878 to 1882 and then Father J. A. Castigan. This priest, though not of a strong constitution, worked very hard for his parish. At the close of a very successful bazaar, during which he had worked over hard, he was compelled to resign his charge and he died in 1884.

The greater part of Bristol was made into a Mission to be attended by Father Brunet of Portage du Fort. There were about 54 families attending the Mission.

On October 14, 1883 Rev. Ambrose Nolin of Chatham Diocese replaced Father Castigan and remained till 1890, when Rev. J. Bernard Kiernan came from Maynooth Parish to replace him. During his pastorate Father Nolin, in 1885, purchased the splendid lots on the water's edge along with the residence already built thereon, and the priest's residence has been there ever since.

The first church built at Quyon, by Father Casey in 1872, was finished by Father Coffey in 1877. It was located just behind where the present church stands. It was built of lumber and was not destined to remain for many years the place of worship. Something more splendid was required for the offering of the Holy Mass and for the administration of the Sacraments.

Rev. Father Kiernan, the new Parish Priest, was born in Ireland and was known for his great Irish wit and his great building ability. In 1893 he set about constructing a modern presbytery in brick, which still stands after all these years, just as solid and modern as if it were built but a year ago. The parish still uses the same cemetery as in the early days when the church was at Pontiac Village. It is some two and a half miles from Quyon Village on the Pontiac Village Road.

At the beginning of the century, Quyon had 115 families, nearly all of which were of Irish descent. There were also 115 families settled in Onslow, where the other church had been built.

These were all Irish farmers. Bishop Lorrain, after his appointment as Vicar Apostolic of Pontiac, with Episcopal residence in Pembroke, visited this settlement and was not at all satisfied with the church they had built, so in 1888 he himself engaged a contractor and a more fitting church was built. The Patron chosen for this Mission church was Saint Bridget, greatly venerated in Ireland. This Mission was attended by Father Kiernan with Mass every second Sunday.

In 1914, the beautiful Quyon church was built by Father Kiernan, before his departure for Arnprior Parish. Rev. Father Oswald McDonald replaced him as Pastor at Quyon, he being the first priest, born in the Diocese of Pembroke, to be named to Quyon. Father McDonald spent thirty-five years of his ministry here. He was honoured for his long service, by being given the title of Domestic Prelate, by His Holiness the Pope. He retired from the parish and he is at present Chaplain at Marionhill, Pembroke.

His successor, Rev. Thomas Wingle, urged the building of the St. Mary's School placed under the direction of the Sisters of St. Joseph's, died after two years of Pastorate at Quyon and Father A. K. McDonald of Maryland was appointed to replace him two years ago. Later he had Father L. D. Burns assistant.

Due to poor health, Father McDonald had to retire a few weeks ago and Father Thomas G. Klatt was transferred from Stonecliffe Parish to replace him as the twelfth Parish Priest of Quyon. On Sunday evening, December 17, Father Klatt was officially installed as the new Parish Priest by the Dean of the Calumet Deanery, Very Rev. Jos. E. Gravelle, as representative of His Excellency Bishop William J. Smith of Pembroke. In spite of the very inclement weather, the ceremony was attended by a full congregation and eight members of the clergy.

IS YOUR ELECTRIC BILL HIGHER THIS MONTH?

There's a good reason, if it is. Winter is here. You're using more electricity to make your home more livable, more comfortable. Your home's heating system is on more. Nights being longer, you use lights 5 times as much as in summer.

In winter, you stay at home more, entertain yourself and friends more. The TV and radio are on longer. More food is cooked — and kept cold — electrically. There are more clothes washed and dried electrically too. The electric water heater heats colder water and more of it. An automatic blanket keeps you warm at night.

During these wintry months, electricity is doing more work for you at home... adding to your family's pleasure, comfort and living. That's why Electricity is the Biggest Bargain in your Family Budget — especially in winter.
