## *Heather Curling Club Votes To Go "Wet" Ending 64-Year Prohibition*

## MEMBERS OF CLUB SHOW "SPIRITS"

A 64-year prohibition was ended at the Heather Curling Club Monday night when members voted to serve liquor this year at their Kensington avenue establishment.

A total of 144 members attended the special meeting with 121 casting their vote in favor to 'go wet'. Twenty members voted the suggestion while three ballots were termed void.

All other curling clubs in the Metropolitan area dispense hard drinks and members of Heather feel that it was always a one-way deal in which they couldn't reciprocate.

This decision was expected as it ends a 64 year prohibition and takes Heather members off the so-called 'exclusive list'. Liquor served on the establishment will come under the jurisdiction of the Board of Directors.

**Old Question**

The question has been brought up time and time again over a period of years but was squashed soundly at previous meetings.

The club will amend its by-laws concerning liquor being dispensed on the premises. One of the major rules will be that members will not be permitted to buy drinks for one another but will be able to buy for their guests.

They also feel that the new move will help to promote hospitality with other clubs in the Metropolitan area. The club is scheduled to open Nov. 17.

### Queen's H.-S. Meet Wednesday In Gym

Mr. Pitcairn will also introduce the teachers to the parents. Following the meeting the parents are invited to meet the teachers in their respective classrooms.

**Half-century Mark Reached**

MR. AND MRS. BRYSON

### Mr. and Mrs. A. C. Bryson Mark Golden Wedding Anniversary

The music which echoed through St. James United Church a half century ago still rings in the memory of a Westmount couple.

For Mr. and Mrs. A. C. Bryson, 417 Claremont avenue, the memory of that music has never waned.

The couple, who were married 50 years ago in St. James United Church, were feted at a party to honor their Golden Wedding anniversary.

More than 90 guests attended the get-together at the home of Mrs. William Peel, 4145 Hingston avenue. Mrs. Peel is Mrs. Bryson's sister.

Expressing his views on married life, Mr. Bryson said that it certainly didn't seem as though he had been married 50 years. "The time goes quickly but I wouldn't have traded my married life for anything", he said.

Mr. Bryson added that he and Mrs. Bryson have always enjoyed good health and prosperity, and expect to for a long time to come.

He is the former proprietor of the old Westmount Windsor Market, which was situated at the corner of St. Catherine street and Greene avenue.

## George Marler, U.S. Consul To Attend 3rd Annual Game Along With Civic Officials

An annual event of international interest takes place at the Westmount Athletic Grounds on Monday morning at which George Marler, MLA for Westmount; Richard P. Butterick, U.S. Consul to Montreal; and various other civic and local dignitaries will be present.

The participation of these officials is in direct reciprocation to similar honors bestowed upon the visiting Westmount High football team when they made the trip to Andover, New Hampshire, last fall for the now classic U.S.-Canadian High School football competition between WHS and Proctor Academy. This will be the third meeting of the two teams.

At that time the Governor of the state of New Hampshire was present along with the Canadian consul to Boston and school notables.

Monday's game will be kicked-off by Walter Smaill, well-known local official of the QRFU whose son, a graduate football great of Westmount High, lost his life in service to his country in World War II. The Doug Smaill Memorial Trophy was instituted last year to be awarded the winners of each year's game by the Old Boys Association of Westmount High.

**Marler to Speak**

In addition to Mr. Marler, who will say a few words of greeting to the American visitors, the City of Westmount will be represented by the Pro-Mayor, the Westmount School Board by its chairman, Donald Baillie, and the Old Boys Association by its president, Douglas Bourke.

The American Flag presented to Westmount High two years ago by the visiting team will be flown from the grandstand.

Mr. Bourke will present the trophy to the winners at the end of the game; Westmount are the defending holders by virtue of their 49-5 victory last fall at Andover.

R. O. Bartlett, Principal of WHS will be on hand to welcome Proctor headmaster, Lyle Farrell, who accompanies the 32 visiting boys.

### Modern Extension Of Roslyn School Is Now Underway

To eliminate the use of unsuitable basement area for classroom purposes, an extension will be erected to Roslyn School, Roslyn and Westmount Avenues, the Greater Montreal School Board revealed today.

The addition, for which excavation has already been completed, will consist of six classrooms, two kindergarten rooms and a gymnasium.

Architect is H. Leslie Perry. The contract was awarded to Cecile Carpenter and Company.

## *Rotary Club Marks 22nd Anniversary*

The Westmount Rotary Club which has contributed several hundred thousand dollars to child welfare observed the 22nd anniversary of its founding at a luncheon Wednesday.

Members listened to a review of past work and future plans of the club in addresses given by Percy Jarman, Ewart Everson and Percy Delgado.

In the past 22 years, it was pointed out, the club has given more than $135,000 to the Montreal Childrens' Memorial Hospital.

In addition, it provided a $173,000 boys and girls club with necessary equipment in the St. Henri-St. Antoine-Westmount districts.

The club has also been donating $15,000 per year toward the operation of the Unity Boys' Club. The sum of $9,000 has also been contributed to the Julius Richardson Convalescent Hospital for children.

The club presents two university scholarships to boys who, otherwise, would not be able to carry out their university education. The club also built the Weredale Camp at Lac l'Achigan and each week sends food parcels to needy European families.

## *Stiff Fine For Leaf-Burners*

Residents of Westmount who burn leaves in the district are liable to a stiff fine, Chief William Cobb, of the Westmount Fire Department said this week.

Chief Cobb has appealed to citizens to cease burning leaves in the district as the fire department has been called out numerous times to squelch blazes described as minor.

The Police Department assists the Fire Department in seeing that fires of this type are kept under control in the district.

# WE HEAR IN A ROUNDABOUT WAY...

. . . That a fellow could easily waste away a morning in the office of Western Taxis on Victoria Ave. Now that Western has 11 two-way radio equipped cars and a transmitter which can keep in touch with them as far as 50 miles away, it is fascinating to see and hear genial Don Adey, who is acting as dispatcher, issue instructions and receive messages from his drivers all over Montreal. As well as controlling the radio taxis, he receives all incoming phone calls and phones the messages to the cabs waiting at the stands. Meanwhile keeping track of the cars on each stand as the drivers check in and carrying on a conversation with a visitor at the same time! Phew! Two heads would be handy.

. . . That Fernand Girard of Girard Automobile spent last week in Windsor being briefed on the new Chrysler-Plymouth cars. Says the 1953 models are changed from bumper to bumper and have 73 new features not incorporated in the old ones. Fernand was supposed to stay in Windsor till Saturday A.M. but had his fill of speeches, conferences and banquets by Friday afternoon and left for home on the quiet. The new cars will be on view in the showroom by about November 14th.

. . . That Mar-Lor Dress Shop celebrates its first anniversary this week.

. . . That Miss Olive Fergusen has returned from Toronto where she was vacationing.

. . . That Norman Giguere, a new addition to Macy's staff, has a new addition to his family. It's a girl.

. . . That a certain driver for Westmount Taxis, who was involved in an accident with a street car, is still waiting to collect damages although many months have passed since the accident occurred.

. . . That Tommy Donohoe closed up the summer cottage on Lake St. Francis on Thanksgiving Day and is now spending his week ends at home.

. . . That Reuben Berger is a man without peer,
When the wintry weather and storms are drawing near,
For he'll fix your rubbers and overshoes too,
So that, for one more season, they'll see you through.

. . . That the policeman who balled out the motorist for blowing his horn when he was blocked at the curb by a double-parked truck on Wednesday A.M. on St. Catherine near Greene would have better fulfilled his duty if he had told the truck driver to move some time before as the truck was in plain view from where the policeman was standing at the corner. Instead, the motorist, who was quite evidently blowing his horn to attract the officer's attention, was threatened with a fine for making a noise.

. . . That there are some remarkable Laurentian scenes included in the paintings being exhibited by Stanley B. Wilson at his Elm Ave. home.

. . . That John Ryan's father is seriously ill in hospital. John is the proprietor of the Ryan Paint store on Greene Ave.

## Cab Driver Pleads Guilty To Charge Of Injuring Woman

Mrs. F. G. Ferron, 55, 4277 Western avenue, suffered a possible concussion when she was struck by a taxi cab at the corner of Sherbrooke street and Elm avenue.

A charge of failing to give the right of way to a pedestrian was laid against the driver Paul Emile Longtin, 24, 1862 Champlain street. Longtin pleaded guilty to the charge.

Longtin was proceeding west on Sherbrooke, turned on Elm avenue and struck Mrs. Ferron as she attempted to cross the street.

## *Jack England Appointed Manager Of Local Bank*

The Bank of Montreal announced the appointment of Jack England as manager of the Westmount branch. He succeeds William M. Jackson, who is retiring on pension at the end of the month.

Mr. England, a banker of more than 30 years' experience, is no stranger to Westmount. Educated in N.D.G. at West Hill High School, he entered the service of the bank at the McGill and St. Paul streets branch in 1920. During the following years, he gained valuable banking experience at a variety of offices across Canada, including those at Charlevoix and Centre streets and Park and Bernard avenues, in Montreal, and at Arnprior, Ont., St. John's, Nfld., and Vancouver.

J. S. ENGLAND

**Manager Since '35**

Mr. England received his first appointment as acting manager of the B of M's Charlevoix and Centre streets office in 1935. Following four years there, he was promoted to manager of the Arnprior, Ont., branch in 1939. In 1945, he was

W. M. JACKSON

appointed an inspector at head office on Place d'Armes and, four years later, he was transferred to the Park and Bernard office as manager, which post he now leaves to take over his new duties here.

An active and well regarded member of this community, Mr. England, during his periods of service in Montreal, was a member of the Heather Curling Club and the St. George Curling Club here in Westmount. Some years ago, he was connected with the old M.A.A.A. Skating Rink on St. Catherine street here.

**40 Years Career**

Mr. Jackson, the retiring manager, has become well known to residents of Westmount and district during his four-and-a-half-year stay here. A banker of wide experience, his retirement, at the end of the month, will bring to a close a career of more than 40 years.

## Youth Rally To Be Held In St. Andrew's, Oct. 31

A great youth rally will be held in St. Andrew's United Church, Friday, Oct. 31, as a part of the visit of the United Church Exposition, it was announced.

On Saturday morning Nov. 1, Children's Day will be held at the Exposition.

## Westmount Public Library Reports Busy September

The Westmount Public Library reported September was one of its busiest months with issue of books totalling 17,057, an increase of 3,448 over the same period in 1951. It was also announced that 240 new members registered at the Library.

A list of new books, recently issued by the Library, indicates the variety of subjects made available through its recent acquisitions. The beguiling title, "I cannot rest from travel", heads a number of books about far countries — Guernsey and the Isle of Man, Tibet and the high Himalayas, Ethiopia and South Africa, Australia and the Arctic.

The war remains a favored topic with writers: "The white rabbit", by Bruce Marshall, "The battle of Baltinglass", by Lawrence Earl, "The diary of a young girl", by Anna Frank, and "The naked island", by Christopher Braddon.

The opening of the schools has brought boys and girls back to the Library, after their summer vacations. A number of teachers from the elementary schools, accompanied by their classes, have visited the Boys and Girls Department, and many requests have been received for help in high school assignments.

Much work, of a rather "special" nature, has been done in helping to select books for those who cannot come to the library in person. Illness keeps many such persons within their own homes, and for them, the reading of books has proved to be a constant delight.

The Library has received a gift of the four finely illustrated volumes, entitled "Recording Britain", published by the Oxford University Press in association with the Pilgrim Trust. The Chairman of the Trust, Lord MacMillan, has contributed an introduction, in which he states that the books grew out of a wartime project, "Recording the changing face of Britain". "Quite apart from the havoc wrought by the enemy and by our own necessary defensive measures . . . the outward aspect of Britain was changing all too quickly at the sinister hands of improvers and despoilers." These fine books are now made available to Westmount readers through the generosity of an individual donor.

Experts agree that the most dangerous speed for a blowout is between 45 and 60 miles an hour. At higher speed, the centrifugal force holds the tire up somewhat.

**EDUCATION'S THE THING . .**

We were chatting to popular Westmount staffer, Jimmy Patrick, (a WHS '32 grad, by the way) and he informs us that the matric geography class is to be treated to something special in the not too distant future as they will be honored by the presence of Miss June 'Rocky' Carroll . . . for the uninitiated, Miss Carroll is at present taking her PhD in geography at McGill after spending some time lecturing at a college in California plus taking some trips to the far north of Alaska and acting as visiting lecturer at a Finnish University this past summer . . Miss Carroll is considered one of the foremost authorities in world geography in America and will deliver a lecture on the American Desert to the local students . . . should be quite informative . . .

## Cab Driver Pleads Guilty To Charge Of Injuring Woman

Mrs. F. G. Ferron, 55, 4277 Western avenue, suffered a possible concussion when she was struck by a taxi cab at the corner of Sherbrooke street and Elm avenue.

A charge of failing to give the right of way to a pedestrian was laid against the driver Paul Emile Longtin, 24, 1862 Champlain street. Longtin pleaded guilty to the charge.

Longtin was proceeding west on Sherbrooke, turned on Elm avenue and struck Mrs. Ferron as she attempted to cross the street.

## *Jack England Appointed Manager Of Local Bank*

The Bank of Montreal announced the appointment of Jack England as manager of the Westmount branch. He succeeds William M. Jackson, who is retiring on pension at the end of the month.

Mr. England, a banker of more than 30 years' experience, is no stranger to Westmount. Educated in N.D.G. at West Hill High School, he entered the service of the bank at the McGill and St. Paul streets branch in 1920. During the following years, he gained valuable banking experience at a variety of offices across Canada, including those at Charlevoix and Centre streets and Park and Bernard avenues, in Montreal, and at Arnprior, Ont., St. John's, Nfld., and Vancouver.

J. S. ENGLAND

**Manager Since '35**

Mr. England received his first appointment as acting manager of the B of M's Charlevoix and Centre streets office in 1935. Following four years there, he was promoted to manager of the Arnprior, Ont., branch in 1939. In 1945, he was

W. M. JACKSON

appointed an inspector at head office on Place d'Armes and, four years later, he was transferred to the Park and Bernard office as manager, which post he now leaves to take over his new duties here.

An active and well regarded member of this community, Mr. England, during his periods of service in Montreal, was a member of the Heather Curling Club and the St. George Curling Club here in Westmount. Some years ago, he was connected with the old M.A.A.A. Skating Rink on St. Catherine street here.

**40 Years Career**

Mr. Jackson, the retiring manager, has become well known to residents of Westmount and district during his four-and-a-half-year stay here. A banker of wide experience, his retirement, at the end of the month, will bring to a close a career of more than 40 years.

## Youth Rally To Be Held In St. Andrew's, Oct. 31

A great youth rally will be held in St. Andrew's United Church, Friday, Oct. 31, as a part of the visit of the United Church Exposition, it was announced.

On Saturday morning Nov. 1, Children's Day will be held at the Exposition.

## Westmount Public Library Reports Busy September

The Westmount Public Library reported September was one of its busiest months with issue of books totalling 17,057, an increase of 3,448 over the same period in 1951. It was also announced that 240 new members registered at the Library.

A list of new books, recently issued by the Library, indicates the variety of subjects made available through its recent acquisitions. The beguiling title, "I cannot rest from travel", heads a number of books about far countries — Guernsey and the Isle of Man, Tibet and the high Himalayas, Ethiopia and South Africa, Australia and the Arctic.

The war remains a favored topic with writers: "The white rabbit", by Bruce Marshall, "The battle of Baltinglass", by Lawrence Earl, "The diary of a young girl", by Anna Frank, and "The naked island", by Christopher Braddon.

The opening of the schools has brought boys and girls back to the Library, after their summer vacations. A number of teachers from the elementary schools, accompanied by their classes, have visited the Boys and Girls Department, and many requests have been received for help in high school assignments.

Much work, of a rather "special" nature, has been done in helping to select books for those who cannot come to the library in person. Illness keeps many such persons within their own homes, and for them, the reading of books has proved to be a constant delight.

The Library has received a gift of the four finely illustrated volumes, entitled "Recording Britain", published by the Oxford University Press in association with the Pilgrim Trust. The Chairman of the Trust, Lord MacMillan, has contributed an introduction, in which he states that the books grew out of a wartime project, "Recording the changing face of Britain". "Quite apart from the havoc wrought by the enemy and by our own necessary defensive measures . . . the outward aspect of Britain was changing all too quickly at the sinister hands of improvers and despoilers." These fine books are now made available to Westmount readers through the generosity of an individual donor.

Experts agree that the most dangerous speed for a blowout is between 45 and 60 miles an hour. At higher speed, the centrifugal force holds the tire up somewhat.

# Newspaper Thriller and Comedy Share Westmount Double Bill

The battle of a free and vigorous press against the forces of big city corruption, where politics and crime has too often been found to go hand in hand, is delineated in "Deadline — U.S.A.," the new Twentieth Century-Fox melodrama opening Sunday at the Westmount Theatre. Heading the cast of the realistic display are Humphrey Bogart, Ethel Barrymore and Kim Hunter.

Bogart, plays a crusading editor who will not be intimidated by the rackets machine headed up by boss Tomas Rienzie, enacted in the film by the noted stage and screen character actor, Martin Gabel.

Giving sustenance to the Bogart drive are Ethel Barrymore as the reliant publisher of the newspaper he edits and Kim Hunter as the wife who sees her loyalty in a new light as a result of Bogart's efforts.

Actually filmed in large part in the news plant of the New York Daily News for the sake of authenticity, "Deadline — U.S.A." employs a number of well-known New York stage players in its company. Among these are Ed Begley, Paul Stewart, Warren Stevens and Audrey Christie. Others featured are Joseph de Santis, Joyce MacKenzie, Fay Baker and Jim Backus, and there is a long supporting roster.

Richard Brooks, author of the screenplay as well as director of "Deadline—U.S.A.," is noted for his realistic flair, and has spared nothing to incorporate this flavor in his latest work. The workngs of a big city newspaper; the intricate alliance of gangsterism with weaknesses in a political set-up; the cold slaying of an ex-showgirl who becomes involved with the rackets king, these are among the graphic events virtually lifted from recent headlines that punctuate the narrative of "Deadline —U.S.A." Sol C. Siegel produced the film.

**ADDED ATTRACTION**

Also on the same program is Hal Wallis "Jumping Jacks" starring Dean Martin and Jerry Lewis who give a riotous demonstration of what happens when an anemic song- and-dance man and his gril-happy buddy join the paratroops. Punctuated with bright music, lively dancing and romance, the demonstration stacks up as the screwball team's freshest and funniest screen chore to date.

To get down to cases, the story casts Dean and Jerry as a vaudeville team. For a while, that is. Then Dean answers the call to the colors. Jerry can't follow because his rickety frame just isn't up to the rigors of Army life. But while visiting Dean, he's mistaken for a genuine GI. Before Jerry can explain to the colonel that it's all a terrible mistake, he's clapped into a soldier suit and marched off with Dean to Fort Belding, to become a paratrooper.

What happens when Dean and Jerry undergo the rugged training for 'chute-jumping' sky soldiers marks one of the wildest military episodes since the invention of the gun. Jerry's attempt to master the mysteries of packing a 'chute, his tussle with a tough top kick, and his near-strangulation on the practice-jump rig are to be seen, not described.

The base is reduced to belam as the scatter-brained bungler and his conniving buddy leap from one catastrophe to the next. In the war games, Jerry hilariously fumbles his way into the role of hero. And in the big graduation jump (actually photographed at Fort Benning), the pair goes through some aerial maneuvers that would have the Wright brothers writhing in their graves.

# Initial Meeting Of Municipal League Wednesday

The Westmount Municipal Hockey League, operated by the Westmount Recreation Department, will hold its opening meeting on Tuesday evening, Oct. 28 at 8 p.m. at the Westmount Athletic Grounds, 4350 St. Catherine Street West.

All those interested in entering a team, or in helping to organize a team, or in doing any volunteer work to help the League are welcome and asked to be present.

Age qualifications have been altered and are now as follows: Pee Wee—Under 12 as of August 1st, 1952; Bantam—Under 14, Midget under 16, Juvenile under 18—all as of above date.

All players' cards will be given out and returned during the week of Nov. 17, 1952, and must be completed and returned (with birth certificate where necessary) by December 31, 1952.

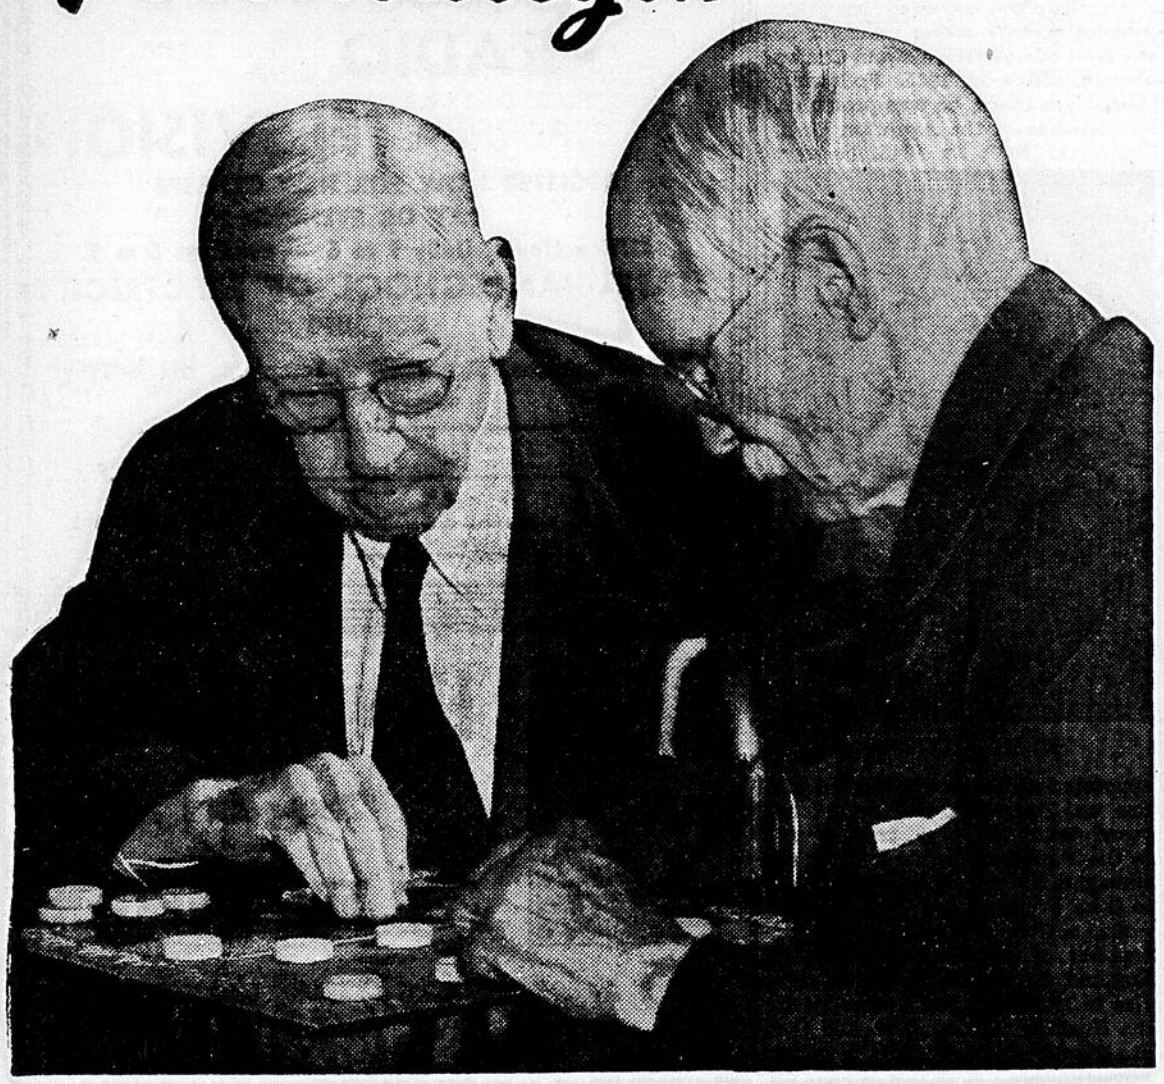

Your early co-operation in turning out to this first meeting will help us to get a good start. All parents are welcome.

**FREIGHT INCREASE SHOWN**

# Capacity Crowd Seen For Church Exposition Here

A capacity crowd is expected here, as has been the rule in the few communities already visited by the United Church pictorial exposition that is to visit all Canadian urban centres during the next two years.

Chairman Fred N. Stephen, of Marcil avenue, said today that accommodation for the pageant in the Town of Mount Royal high school auditorium for the nights of Nov. 4, 5 and 6 will only be 2,844 seats in all.

Recently in Windsor, Mr. Stephen said, almost 2,000 persons crowded into a much larger auditorium used there on opening night, and at least another 400 failed to gain admission. The Mount Royal high school hall has 948 seats to accommodate each night's audience here, he said.

Rev. Harvey B. Campbell, minister of Westmount Park-Melville United Church, is to be chairman of a supper gathering on Thursday, Oct. 30, in St. Andrew's church on Cote St. Antoine road. This will be an event preliminary to the opening of the pictorial exposition and the pageant to follow, will include a large assembly of representatives of official boards of the participating churches, together with representatives of the Women's Missionary Societies and the Women's Associations of these congregations.

**SPECIAL SPEAKERS**

Guest speaker on this occasion wil lbe Rev. "Bob" Elliott, secretary for evangelism in Southern Sask., and the Rev. R. ("Bob") Morris, well known member of the same department, also from Toronto.

Following, at 8 p.m., there will be the official opening and dedication of the exposition and a tour of the exhibits. Dr. Campbell will also preside at this time, and the dedication ceremonies will be conducted by the Right Rev. A. A. Scott, Moderator of the United Church of Canada, from Toronto.

Dr. Scott, himself a missionary for 40 years in India, is taking a particularly personal interest in both the Exhibition and the Pageant. For the latter, Sir Ernest MacMillan has composed the musical background and accompa...

The Exposition is to be open to the public from 2 to 5 p.m. on Friday, Oct. 31, and at the same hours on Monday, Nov. 3.

## A Good Investment

* * *

### 7th Issue of Canada Savings Bonds Offered for Sale

The 7th issue of Canada Savings Bonds will soon be placed before the public. This is most encouraging, a proof of the soundness of the bonds, and an incentive for all Canadians to take part in the Dominion's financial move. At the same time, those buying the bonds receive a substantial rate of interest on their investment.

This issue, with an average yield of 3.44 per cent if held to maturity, will be obtainable from banks, investment dealers, and trust or loan companies. Your order can be placed with your employer if you wish, when regular deductions to cover it will be made from your salary for 12 months. This is an easy way for the average person to get in on a sound investment.

These bonds are immediately dedeemable, should the time arrive when you desire ready cash.

Nothing can possibly be a safer investment than Canada Savings Bonds. They are backed by all of this country's resources, farming, forestry, fishing, minerals, and many others.

Further Canada's prosperity by buying Canada Savings Bonds — and encourage your friends to do likewise. You won't be sorry.

## On Using Time II

By Rev. Canon R. Kenneth Naylor
Trinity Memorial Church

It is quite likely that I laid myself open to the retort: "This just proves it; from now on I give up reading regular columns in the paper." Well, I do not blame them if they do; I should much rather they would read one of Wordsworth's Sonnets on Thursday evening than anything that I shall ever be able to write.

But there are so many other ways of using the twenty-four hours God has given us. I know an elderly woman in Notre Dame de Grace, who does not enjoy very good health, but who uses all her spare time knitting and sewing and organizing others to knit and sew for the Old People's Home. And I can assure you she gets a great sense of happiness out of it. I do not believe that even winning bridge prizes would compare with it.

And, of course, there are those who organize themselves for many activities in the various churches and hospitals, and legions — the Ladies' Aids and Auxiliaries and Sodalities and Sororities. They have their useful social side, but they have their indispensable contribution to the general charitable work of the community. For no matter how well organized our welfare groups may be there is always something extra for which no regular provision is made.

That does not begin to exhaust the openings for volunteer work. There are Scout and Guide activities and youth work generally. No one will ever estimate the contribution to civic welfare that has been made in the past half century by Scout and Guide leaders and by the committees behind them. I see the leaders and their committees at work in my own Church and I thank God from the bottom of my heart that there are some people who do not say: I'm sorry, but I haven't got the time." I attend monthly meetings of a certain board, which consists mainly of business men, and I am amazed not only at the amount of time they give without any remuneration, but at the care with which they examine every item of business.

This is just plain good citizenship. It is the means by which a democratic society maintains itself in health and good spirits.

When we all come to the point where we say: "I'm sorry, but I haven't got the time to do anything but look after my own affairs", then we are very close to the point of handing over the control not only of what is not our business, but of what is our business as well, to someone or some group who will do it for us.

## St. Andrew's Church Westmount

"Laymen's Sunday" will be observed in St. Andrew's, Westmount, on Sunday morning. The Service will be conducted by members of the executive of the Men of St. Andrew's. Those taking part are: Kenneth Copland, Cameron Hough, Forest Rutherford, Donald Ross and Douglas Bremner. The address will be given by Ralph C. Young, of Toronto, Secretary of the National Committee of United Church Men. He will speak on "Fishers of Men."

In the evening Rev. D. M. Grant will conduct the service of worship. The sermon will be entitled, "But We See Jesus." During this service there will be "a period of Joyful Praise" — the singing of hymns of the Church, led by W. Maxwell Ford. Mr. Phillips Motley will preside at the organ, and St. Andrew's Choir will sing appropriate anthems, and other selections at the morning and evening services.

The Church School (all departments) meets at 11 a.m., the primary, junior and intermediate departments joining with the congregation in the opening part of the service, and after the Sermonette by Rev. Donald MacGuire will retire to their class rooms.

The Junior Young People's Group will meet on Sunday evening at 6 p.m. Young People in their teens (15-18) are invited to attend. Refreshments, sing song, and a suitable program will be included. Leaders: W. M. Ford and Rev. Donald MacGuire.

The Evening Group of the Women's Association will meet Monday evening, at 8 p.m. at the home of Miss Hilda Sewell, 5530 Cote St. Luc Road. The guest speaker will be Miss Connie Stewart of Cameron House, Prestonfield, Scotland.

## Christian Science

"Probation after Death" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

This Lesson-Sermon stresses that death is not the key to immortality; but that here or hereafter sin, sickness and death must be opposed and overcome in the way shown by Christ Jesus."

The Golden Text is from 1 Corinthians: "The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ."

Bible citations include the following from I Peter: "But the God of all grace, who hath called us into his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you."

Correlative passages from the Christion Science text book "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "If the Principle, rule and demonstration of man's being are not in the least understood before what is termed death overtakes mortals, they will rise no higher spiritually in the scale of existence on account of that single experience, but will remain as material as before the transition, still seeking happiness through a material, instead of through a spiritual sense of life, and from selfish and inferior motives."

## Church of The Advent

Harry Bell, sexton of the church died in hospital as a result of injuries sustained while attempting to cross a street near his home.

Taken to the Montreal General Hospital, he died shortly after the accident on Oct. 15. The funeral service was held in the Church of the Advent and the interment was in Hawthorndale cemetery.

He is survived by his wife, four children and one grandchild. His eldest son died 15 years ago.

Harry Bell was not only a faitful sexton for 15 years but was an outstanding fardener. For many years he was employed as gardener for the City of Westmount.

"Rest Eternal grant to him, O Lord, And may light perpetual shine upon him".

# 'Dinner For Three' Premiere At Gesu Theatre Tonight

"Dinner For Three," the Kool-Vent Theatre production, has returned to Montreal after its London, Ont. tryout and is in rehearsal for its official Canadian premiere at the Gesu Theatre tonight.

Barry Morse, Mountain Playhouse and radio star, Elfi Koenig, Herbert Kramer, author and composer of this comedy with music, and Robert Goodier scored a great success during the week's run in London which ended on Saturday, Oct. 18. This is the first production of the newly KoolVent Theatre, a significant professional undertaking in Canadian theatre.

Reviewing the London tryout of "Dinner For Three" in his column, Show Business, in the Toronto Globe and Mail, Herbert Whittaker pronounced it "an experience that will not soon be forgotten." Beatrice Taylor, drama critic of the London Free Press, called the piece " a comedy that had meaning and a sauve sting in the tail of many of the lines."

"Dinner For Three" is a Kool-Vent Theatre presentation planned in line with a policy of launching and touring Broadway destined shows to give Canadians an opportunity to see them in Canada before their Broadway opening.

## Martin, Lewis and Top Sergeant "Chatting"

## Three Wavy Waves In Skirts Ahoy!

Joan Evans, Vivian Blaine and Esther Williams, as the three girls of varied backgrounds and temperaments, who become close friends when they join the U.S. Navy Waves in M-G-M's lilting new Technicolor musical, "Skirts Ahoy!" opening this Saturday at the Monkland Theatre. Others in the big cast include Barry Sullivan, Keefe Brasselle, Billy Eckstine, the De Marco Sisters and Dean Miller.

# Skirts Ahoy! And Western At Monkland Starting Saturday

M-G-M's "Skirts Ahoy!!" launches a boatload of stars, songs, dances, love and laughs on the Monkland screen on Saturday.

Esther Williams, in a role as form-fitting as her Wave uniform, leads the big parade of talent garnered for this rollicking musical tale of three girls who join the Navy either to get or to forget a man, with Joan Evans and Vivian Blaine as her tourch-bearing buddies and Barry Sullivan, Keefe Brasselle and Dean Miller as the males responsible for it all.

Also involved in the whirl of entertainment are the five De Marco Sisters and the popular singing star, Billy Eckstine.

Miss Williams plays Whitney Young, the Long Island society girl who ditches her prospective bridegroom at the altar, fits into the life of the Waves like a duck to water, fall head-over-heels in love with a Navy doctor (Barry Sullivan) who doesn't like predatory girls, then put up a stiff fight to win and hold him. Her two buddies have their romantic work cut out for them as well. Joan Evans as the shy and homesick smalltown girl, Mary Kate Yarbrough, who gets jilted by Dick (Keefe Brasselle), her childhood sweethear; and Vivian Blaine as the brassy ex-salesgirl, who sets her cap for Archie (Dean Miller), a sailor who once took her rowing in Central Park. But everything turns out for the best by the time the Wave fledglings have completed their ten weeks of boot training and emerge as knowing and competent Navy girls.

Also on the same program is the true story of "Carbine Williams" portrayed by James Stewart co-starring Jean Hagen and Wendell Corey.

# Zwinge Stars As WHS Lose 22-5

## HSM Next Week; International Classic Set For Monday Morning

By ALLAN SANDZELIUS

Paul Zwinge can truly wear the star's mantle this week if only on his performance versus Loyola last Friday aft in which Westmount lost out to experience, 22-5.

In scoring the locals' second TD of the season, Paul received a fourth down punt on the Loyola thirty-five, feinted, then proceeded to plow right through the entire opposition's team to break into the clear at the fifteen to go over standing up in what was perhaps the most spectacular touchdown run of the high school league this season.

Others who played standout games for the locals were Dickie Byford, whose passing was all that could be asked for, hard-charging Richie Bell, Gerry Apostolatos and Ian Ferrier whose hard tackles sent the Maroon team packing many a time. Ian Roussac's punts went for an average of forty yards for most of the game.

With yesterday's tussle with Catholic High off their chests the Purple raiders will be out to gain revenge for their 18-0 white wash at the hands of HSM when they meet in the seded game (5th vs 6th team) next Wednesday afternoon. Starting time is 3.30 sharp.

This Monday morning, however, is most likely to be the biggest event in the current schedule for the Sharp coached squad when they take on their annual rivals from down Andover, N.H. way, Proctor Academy, to try and make it two in a row. The scores in the three meetings to date have been 35-28; 11-0; and 49-5; WHS victorious in the first and third.

From what your reporter saw of the visitors last year, the game on Monday should be fast and high scoring with the apparent weakening of this year's local team and the return of practically the same 'eleven' that proved too light last fall against Westmount's hard charging.

The game is played half American Code, half Canadian, featuring three of the finest referees Montreal's high school league can produce.

Turning now to WHS Junior football, we are told that said stalwarts have played a few exhibitions to date versus LCC and MacDonald High. A few weeks ago, they tied LCC 6-6 then last week dropped a 10-0 decision to the Macs.

It seems there's a 'six-foot giant' on the St. Annes' team who has what is termed an educated toe. He helped his mates' cause along by booting the pigskin four times for a total of ten points. Three field goals (3 pts.) and a single! The return match is slated for this afternoon at four at the Park. Mr. Hutchison late of the WJHS Coaching staff mentors the Juniors.

A glance at the latest standings brings us some solace in that at least two Westmount teams are on the top rungs; the WJHS Bantams in both Soccer and Rugby. Good show, gang, let's keep it up.

**Deadline Doodling**

**For the benefit of the young Junior school miss who corrected us—we regret our error last week; the girls' tennis standings were: WHS-9 pts; WHHS-7; WJHS-6; MWHS-4; and MRHS-3 . . . Doug Alexander asking for participants in his new venture—the West-end Grads basketball team to be entered in the senior or intermediate section of the MBL depending upon the calibre available, and provided a sponsor turns up in time . . . anyone interested in basketball is invited to join in the practice sessions being held each Monday night at 7.30 in the Junior high gym . . . Jim Liddell up to the school to offer his home as a billet for one of the visiting Proctor lads . . . only a few more were to be procured by press time, Wednesday night . . . the Green and White will bring with them 32 players, 2 managers and three coaches and will arrive between 4 and 5 p.m. on Saturday . . . high spot of the local high schools' hoop-la term coming up soon in the form of the annual all-day Golden Ball tourney held at the Arthur Currie Gym . . . prospects for the locals look fairly bright with such able players as Pat Baker, Ian Roussac, Johnny Fuller, Randy Brooks, Johnny Smith, and messers Lipski and Rosenberg back to take the limelight... add to that All-star coach Ron Sharp and you have a potent combo . . . popular hockey mentor, D. N. MacRea back to guide the fortunes of the Senior pucksters . . . hockey holdovers include Gerry Apostolatos, Jim Beasant, Richie Bell, Gavin Scott with starry newcomer, Paul Zwinge, late of the contending Lachine high aggregation joining in on a front line position . . .football standings as follows:**

## SPORTS at St. Leo's

**Aces, Pee Wee Champions**

Joe Gallagher's Aces upset Jimmy Grant's Cubs, last Saturday 51 to 50 at the Westmount Athletic Grounds, to capture St. Leo's Pee Wee Rugby title.

Jean Rinfret, George Spare and Fred Collins, were the three aces that trumped the Cubs, in spite of the one man show put on by Dave White, who notched all his team's points with ten touchdowns.

This game brought to a close, a highly successful season of rugby competition among the eight, nine and 10 year old youngsters and before signing off, will introduce the Champs. Jean Rinfret, Jim Sullivan, Rodrick Holmes, Douglas Campbell, Michael Leger, Fred Collins, George Spare, Tom Lafontaine and Mike Barry.

**Bantam Title Game Today**

The Bantam Six-Man Tough Rugby championship, will be settled this afternoon at the Westmount Athletic Grounds.

Kevin Dunnigan's Argos, finished in first place with ten points. The Alouettes, Rough Riders and Tiger-Cats, wound up the regular season in a second place tie, each club having six points in the final standing.

After today's final game, there remains but the all star game to close out the league activities for 1952.

**Seniors in Hockey Practise**

The Academy's senior hockey club, held its second practise last Monday afternoon at Verdun Auditorium and a turn-out of 18 candidates were present.

# An Open Letter To The Citizens Of Westmount

By ISABEL M. HURST

The people of Westmount are very proud of their city and well they may be.

Thanks to a City Council whose members serve voluntarily, we have a clean city, beautiful and extensive park areas, with many facilities for outdoor sports in both winter and summer, broad well-paved shady streets, a public library which caters to every type of reader from tots to gray heads, the first floral clock on our Continent and many advantages too innumerable to mention.

We have a very active Westmount Women's Club, a Westmount Municipal Association, an up-to-date Fire Department and a vigilant Police Force, fine schools in fine buildings, with highly qualified staffs. And one could cite many other attractions of our beautiful city. Their name is legion.

But has anyone ever heard a Westmount citizen boast of its one and only hospital?

Yet the Reddy Memorial Hospital deserves much praise. Since its complete reorganization in 1916, it is forging its way ahead in spite of almost insuperable difficulties.

The Department of Pathology is most up-to-date. The staff of specialists in this department has been increased as well as its equipment, and the volume of work is now three and one-half times greater than it was in 1916. Miss Grey who trained under Dr. Papanicolau of the New Cornell Medical Center is of very special value in this department.

The new fully equipped X-ray Therapy Department was inaugurated last June as an addition to the X-ray Department and to the Cancer Control Clinic. The equipment installed in this section is of the latest model. It is most up-to-date and completely automatic. The Maxitron 250 unit makes possible the treatment of cancers which respond to radiation, whether they are accessible as cancers of the skin or deep as cancers of the bowel, bladder or cervix and certain intra-abdominal cancers. The unit is also for treatment of some non-cancerous conditions, and with this addition the X-ray Department is now complete and can handle any cases, whether in the Diagnostic Section or in the Therapy Section, that were previously referred to larger hospitals for diagnosis and treatment.

The nursery is the appealing feature to most women. Yet how many Westmount women know that each baby after birth lives in its own glass cubicle in an adjustable bassinette so that the babies are changed and cared for in their own little units. That the baby's clothes, etc. are kept in its cubicle, that no doctor or nurse enters the cubicle without donning a fresh gown? And that there were 1,316 infants born in the Reddy last year? That, in fact, the Reddy has the best nursery on the Island of Montreal?

Nor is the Children's Ward one to be ashamed of with new attractive furnishings.

The Home Care Plan (the first and only one in Canada) makes it possible for a patient to leave the hospital sooner, receive regular visits from a Victorian Order nurse who bathes, makes up bed with fresh linen, etc., administers injections, changes dressings, also visits from an interne of the hospital when necessary. Think of the lessened expense to the patient who receives expert care at a remarkably low cost, of the extra bed made free for a more seriously ill person! Westmount is the only city in Canada which can boast of such a plan in connection with its hospital.

The Reddy has a fine library with a large number of books and magazines for both patients and staff.

How have you, men and women, helped the Reddy? Hou can you help? Here are a few suggestions:-

1. Every citizen can work through established organizations such as the City Council, the Municipal Association, the Westmount Women's Club, etc. by urging these bodies to take concrete steps now to give to the people of Westmount not a better hospital but a bigger one (it is bursting its seams now) where the excellent work now being done can be carried on under better conditions and on a larger scale.

2. You might with profit read the last Annual Report of the Reddy Memorial Hospital. It has one defect—it states the work of the hospital too modestly.

3. You can offer to do voluntary work for the hospital—helpers are needed in most of the clinics, in the Library, in the out-door departments, etc. The Women's Auxiliary is desperately in need of active members, the work is so great and so urgent and the workers are few.

The citizens of Westmount by helping as suggested above and in other ways, are bound to bring their hospital up to the standard of excellence achieved by the various municipal departments. When that end is obtained I hope every citizen will feel a deep satisfaction that each one's contribution, work and sacrifices helped to make Westmount's hospital a proud boast.
