fun! comfort! economy!

This is the AROSA SUN, the latest addition to the Arosa fleet of trans-Atlantic liners sailing from Quebec City to Southampton, Le Havre and Bremerhaven. It typifies the fun, the comfort, the economy that are yours when you travel on ships of the Arosa Line, famous for their international cuisine, their informality — dinner dress is not required, even in first class — and for the courtesy of their crews.

Take advantage of the low autumn rates now in effect and bring your family along . . . specially trained supervision provided for children's play while parents relax. If you are going to Europe, plan to travel via *Arosa Line*.
