LADIES MAN

Deputy Speaker Paul Martineau, MP for Pontiac-Temiscamingue was honored in his own town last Saturday night and among the honors was a greeting by three little charmers, Jean Kearns, Susan Audet and Joan Kearns. The girls

presented flowers to Paul's mother, his wife and Mrs. Ray Johnston, but their main interest was for the guest of honor, especially in the case of Jean, the little red headed Kearns twin. Equity Photo

Martineau Honored In His Own Town

Mme Alphonse Martineau, mother of the Deputy Speaker of the House of Commons was a special head table guest, seated at the right of her illustrious son, at the testimonial dinner in his honor in Campbell's Bay last Saturday night. Others at the head table were Mrs. Paul Martineau, Mr. and Mrs. Raymond Johnston, MC Richard Bowie, Edgar Allard, Fr. Shulist, Tate and May, Mr. and Mrs. Roland St. Onge and Mr. and Mrs. Jean-Jaques Martel.

Testimonials to Paul were by Richard Bowie who named Martineau "a wonderful man who has risen to great heights"; by Mr. St. Onge who said Paul's intelligence and ability to hard work will stand him in good stead; by Mr. Martel who told the audience they were privileged to have such a man speaking for them in Parliament and also called Martineau a man of destiny; by Ray Johnston who placed Paul in the "top twenty" of 265 Members of Parliament; by Edgar Allard who praised his colleague's modesty; by Mayor Hamel of Paul's native Bryson who was proud to call him a Bryson boy; by Fr. Tate who said that out of the small

hidden and secluded places came the streams that turn the dynamos of the world and he believed that Bryson was such a small hidden and secluded place. He had predicted first in Pontiac that Diefenbaker would be Prime Minister and now his prediction was that Paul Martineau would be the next Speaker. Benediction and invocation were by Fr. Shulist and Fr. May.

Mr. Martineau's message was a history lesson in the development and purposes of our parliament. The traditions, the atmosphere which prevades in the House wherein is made known the sovereign will of the people of Canada, the unseen presence of the great of yesterday who forged the destinies of our country, are always felt, he said.

The casual spectator might be inclined to think Parliament to be a very inefficient place but according to the origin of Parliament it is "a place to speak —

Man Rescued At Campbell's Bay

Three volunteer firefighters raced through a smoke-and-flame-filled frame house on Main Street, Campbell's Bay, Friday, April 27th., to rescue a man sleeping upstairs in a locked room.

Firefighters Tom Moorehead, Rheo Pare, and Ed Chenier had to bash down the bedroom door to rescue Mason Young, a roomer, 40, from a fire of undetermined origin that broke out about 8:30 a.m. The fire was under control by 10 a.m., with the house a total loss.

Left homeless in the blaze for the second time in two years are Mr. and Mrs. Prosper Lance, and their two teen-aged sons, Jean Guy and Marcel. None of their belongings were saved. Damage was estimated at \$8,000. The building is owned by Mrs. Peter Bowie of Ottawa.

Court Report

Howard Bulmer, 29 years old, Norway Bay, P.Q., pleaded guilty before District Judge Arthur Labbe, on a charge of having taken a motor vehicle without the owner's consent, was sentenced to the time he has already spent in jail since his arrest, namely 15 days.

Joseph Cooko — 46 years old, Maniwaki, P.Q., pleaded guilty of having caused a disturbance on main street in the Village of Fort Coulonge on the 6th day of April 1962, was sentenced to the time he has already spent in jail since his arrest, namely 20 days.

Hospital Annual

2153 Admissions During Last Year

At Monday night's annual meeting of Pontiac Community Hospital Clarence Dean, Dr. Bruce Horner, Joe McGahren and Alvin Brown were returned to their seats on the Hospital Board and Dave Davies was elected to take the place of retiring Director Everett McDowell.

Superintendent Mrs. Dorothy McDougal reported that the year of 1961 had been an uncommonly busy one for the hospital.

Admissions were 2153, Births 361, Major operations 307, Minor operations 319, X-rays 1481 and lab reports 4591 which was an

increase in all departments over 1960. The average patient days 1960 had been 41 and in 1961 it was 62.

Mrs. McDougal had previously reported the great need for improved X-ray and lab facilities and now in both these departments the objective has been achieved as evidenced by the great number and variety of diagnostic procedures being performed each day.

Mrs. McDougal made an especial appeal to friends and relatives of patients in the hospital to adhere very strictly to visiting (Continued on Page Two)

Dr. Armitage Speaks On Veterinary Practice

Dr. Roly Armitage had good news for Rotary Monday night.

As guest speaker at their meeting in Pontiac Hotel, he announced that there has been no rabies reported in Pontiac County for over a year further that our dairy herds are as healthy as can be found anywhere. They are TB free, Brucellosis free. In thanking the speaker, Agronomist Neil Drummond said that Pontiac has been bovine brucellosis free for 30 years.

Introduced by Dr. Bruce Horner, Dr. Armitage spoke mainly about his alma mater and the veterinarian's career. After senior matriculation, the course is five

years with six months internship with another veterinarian.

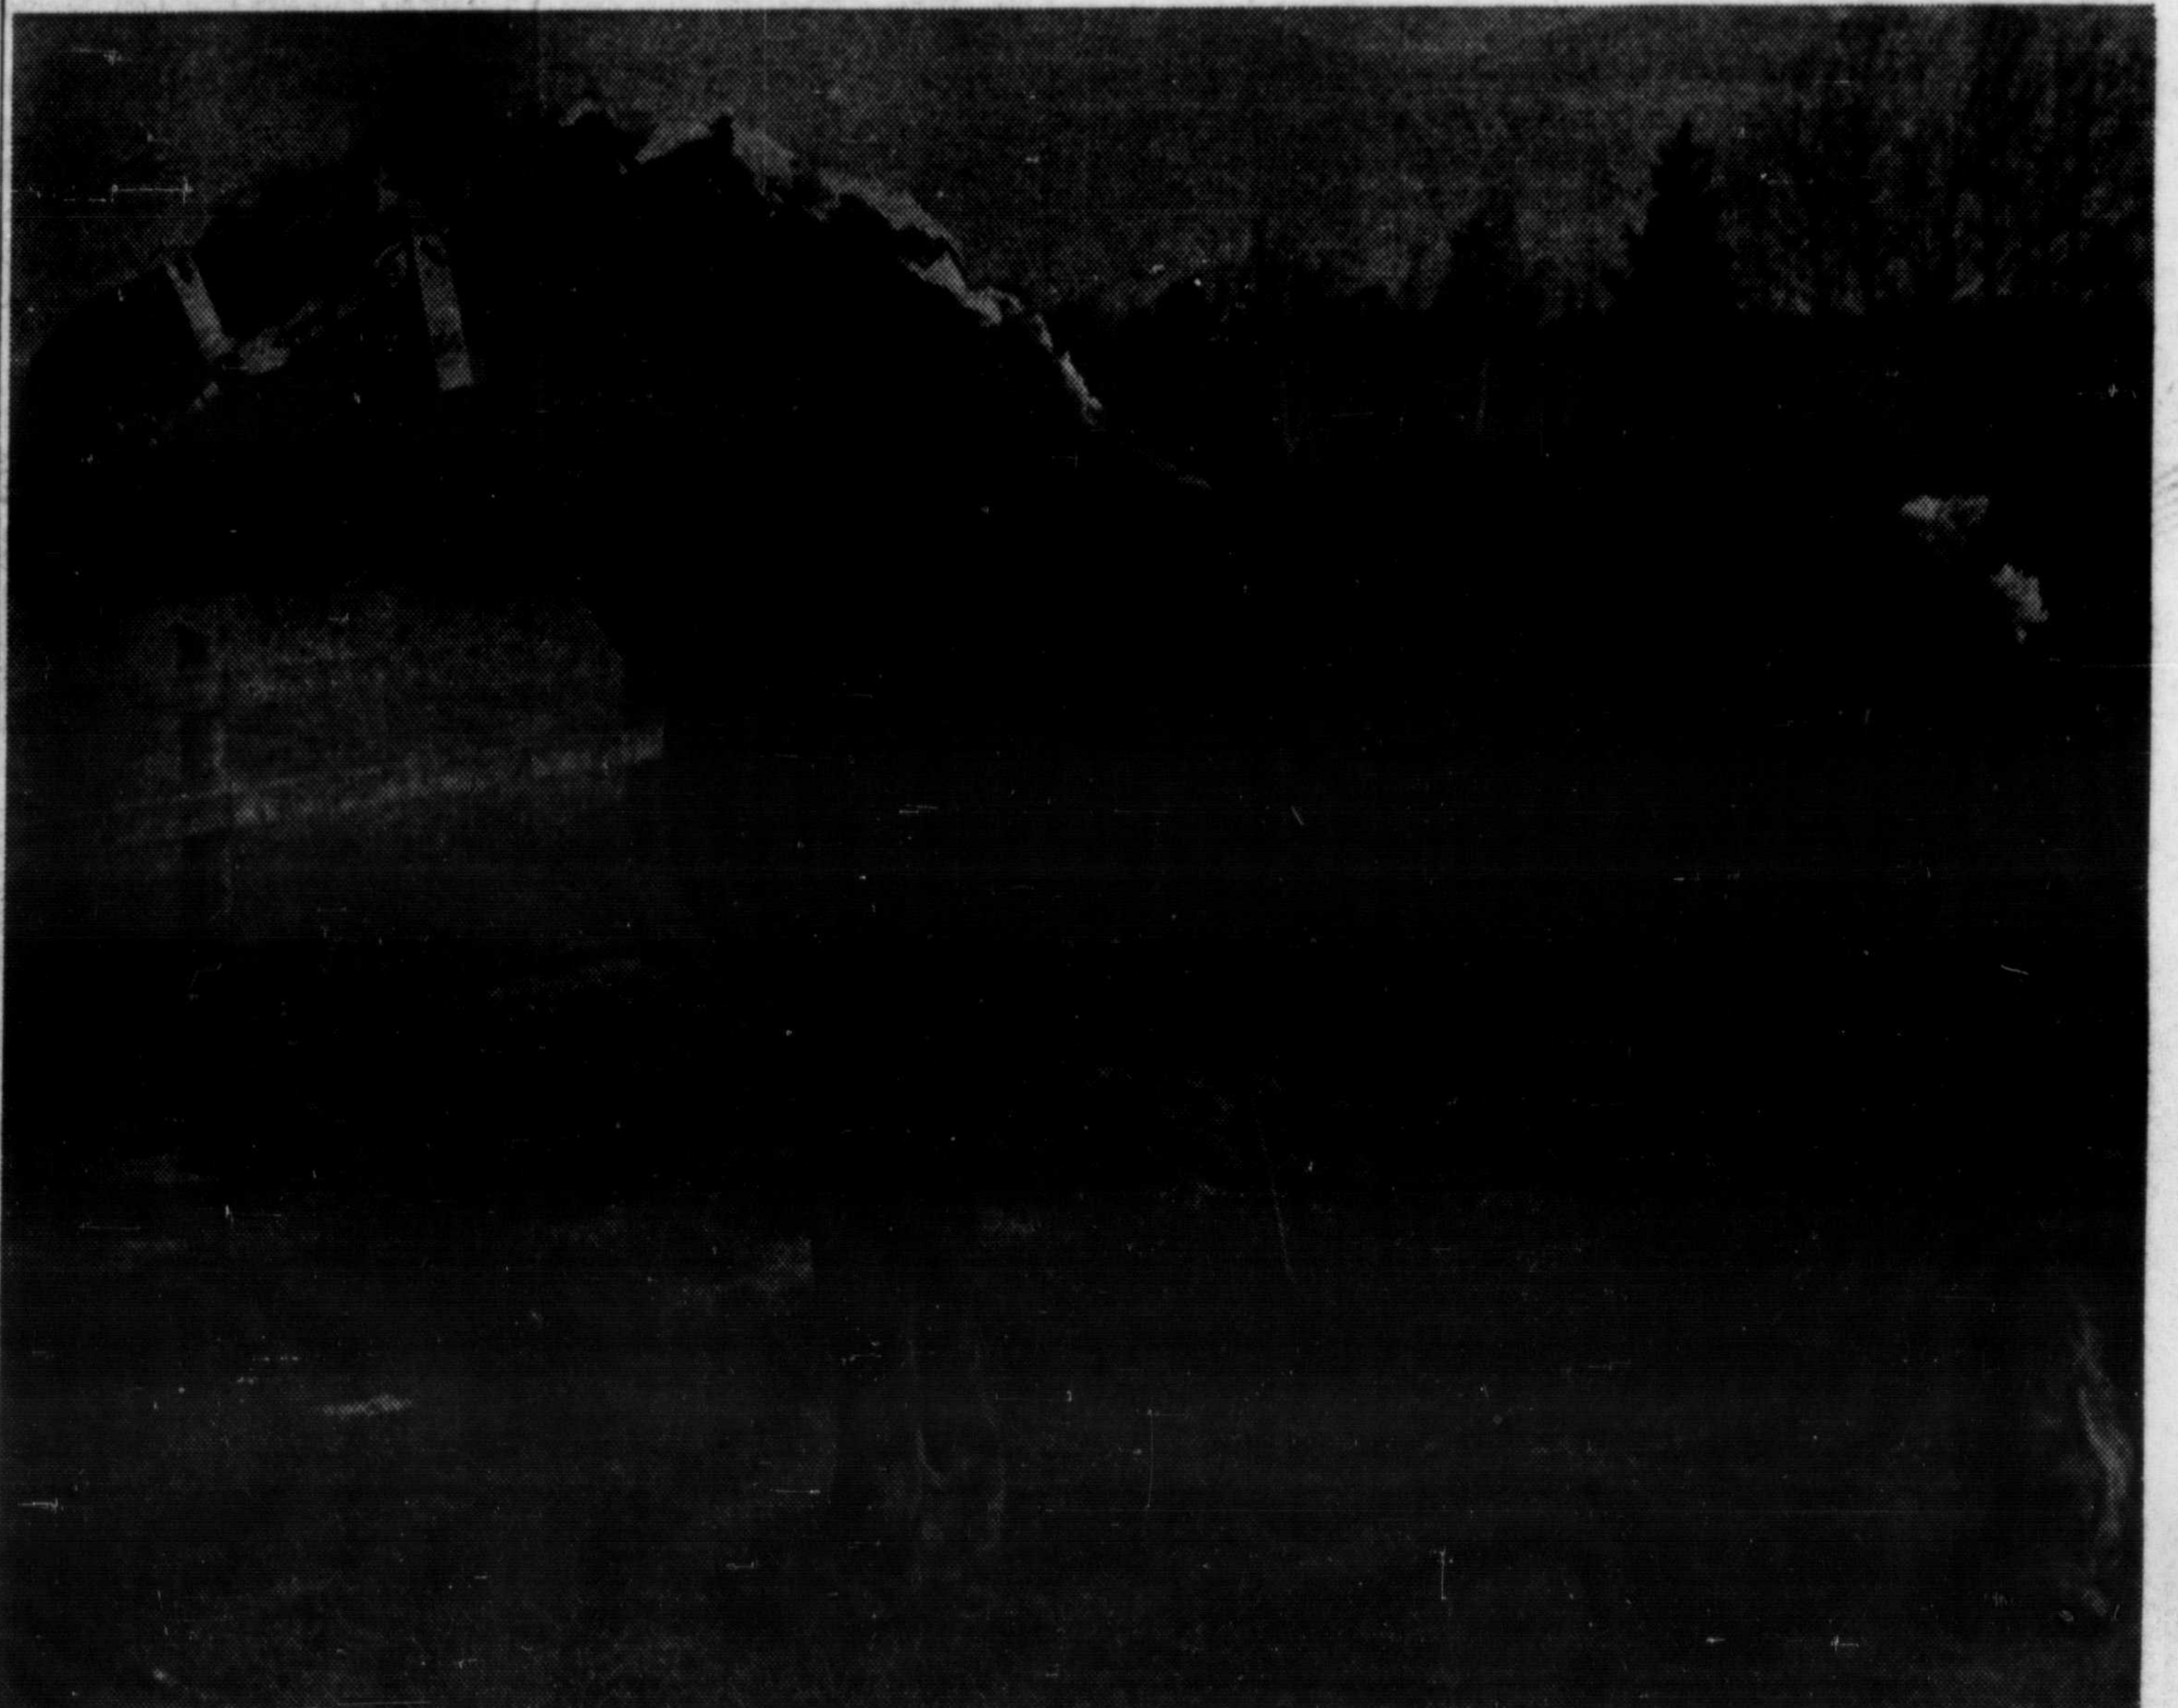

Several avenues are open to graduates. They can go into large animal work with horses, cows and swine, small animal work with pets and very fancy city animal hospitals, research which is essential to keeping veterinarian practice at a high level, meat inspection and health of animals inspection and specialties such as race track work.

The Rotarians were interested to hear Roly's account of his work at Connaught race track during the harness racing season. Two horses from each race, the winner and one other picked at

random, are checked for any possible use of drugs. In four years at Connaught, Dr. Armitage said only one doped animal has been discovered. The penalty for this is absolute disbarment from any race track for life and that goes for the horse and all those connected with him.

With such checking and inspection Dr. Armitage said that if drugging goes on at any track it is the fault of the track veterinarian.

Answering questions about inspection of meat, Dr. Armitage disclosed that there is no meat inspection in Shawville and that in some places this is being corrected by the training of lay inspectors who do not necessarily have to be doctors. It was during this discussion that he revealed the good condition of the animals in this district.

SUNNY LANE DON

Don McCord and Carl Dale are the proud owners of this 11 year old Belgian Stallion bred by Bert L. James of Paris Missouri. His Sire is Fairview's Rubis and dam is Lady De Malmaison. The stallion was purchased from Oak Ridges Farm, Toronto. He was

the Grand Champion for a number of years at the Toronto Royal and also Senior Champion at the CNE in 1961. Sunny Lane Don should improve the stock of heavy horses in this area, at least that is what his owners have planned. Equity Photo

BIENVENUE

This week we welcome a newcomer to the weekly newspaper scene. Le Réveil goes into its first issue tomorrow, following The Equity off the press at Pontiac Printshop. The two papers have one thing in common—they both are concerned with Pontiac County—but there the similarity ceases.

Le Réveil is entirely in french, it has its own staff of writers (all french) its own proof readers, its own distinctive format and its own editorial opinions.

Although published and edited by the same publishers and editors as The Equity, Le Réveil intends to reflect an entirely different aspect of life in this County, heretofore unnoticed. It represents the joint effort of a large group of greatly interested people. Starting very small indeed, Le Réveil looks forward to a long and fascinating life such as The Equity now enjoys.

WE SHOULD BE PROUD

Since the product of the Shawville Creamery travels far afield with the name of our town prominently printed on every package it is good to know that the butter is second to none.

This is the week the price of butter has gone down 12 cents. The government of Canada pays the difference to encourage us to eat butter instead of margarine. No amount of subsidy would encourage us to eat the reshaped storage product on some grocery shelves but when we know we are getting pure, fresh butter from the healthy herds of Pontiac County it is worth the price, even without the subsidy.

Several incidents in Ottawa since Shawville butter has reappeared on the grocery shelves have led us to realize that this standard of quality is appreciated.

hours and to realize that two visitors at a bedside at any one time is as many as any sick person can enjoy. She said that visitors should keep in mind that those other than immediate family should keep visits extremely brief.

"We at the hospital" continued the Superintendent, "are looking forward to the opening of the new Ade Memorial Home which will place our chronically ill patients in an atmosphere more suited to their needs."

She added that the Pontiac Community Hospital has been most fortunate in its strong support from the many auxiliary groups and that now this need is more urgent than ever; that as the hospital can not afford to lose any of this support given by the present auxiliaries she would hope that other groups could be formed in each area with the special interest being in the new home.

A very hearty thank you was extended to all those auxiliaries, service clubs and individuals who have given of their time, money and gifts for the benefit of the hospital during the past year as well as to the nurses and all staff members who unfailingly show that extra spirit of interest which carries the hospital through the tremendously increased volume of work.

Laurie Moore presented the financial report which revealed that this past year's excess of expenditure over revenue was 40

thousand dollars whereas the figure for 1960 had been 61 thousand. Total operating expenditure in 1961 was 316 thousand and total operating revenue was 268 thousand.

Salaries and wages were up to 173 thousand, administration costs were down from 20 thousand to eight thousand, dietary costs were up surprising little considering the increase in patient days, housekeeping costs were fairly constant and plant expenses were 16 thousand, down considerably from 1960.

Mrs. Harold Wilson reported for the Central Auxiliary and Mrs. Sturgeon for the Shawville Auxiliary.

President Leonard Horner thanked Mrs. Ade for her generous donation of the home in Bristol; thanked Mrs. McDougal and the staff, directors and auxiliaries for cooperation during the past year.

Fr. Harrington spoke his appreciation, on behalf of all clergymen, and said we should be glad we have such a great hospital. He commended the medical staff, the superintendent and the nurses for their great cooperation at all times of day and night in assisting him in his duties.

Fr. Harrington presided at the election of members for a new board of directors. There was some discussion of whether a doctor was an individual or not when Mr. Moore nominated "a doctor" to the board, leaving the name for later decision. The nomination was retracted when

Letters To The Editor Butter

The Editor, The Equity,
Shawville, Que.

A Great Opportunity For The Shawville Creamery Ltd.

In the butter business of today, the way most money is being made, but not the best butter, is to buy long-held storage butter from the Government, at a price, undisclosed, rework and recondition it and sell it to the consumer as 'First Grade' butter. The reconditioning of butter is not a new development but never before has it assumed the proportions that it has today. This could explain, in part at least, the serious decline in butter consumption and the occasion for the very substantial consumer subsidy on butter that has gone into effect this week.

The situation that has developed affords a great opportunity for business expansion on the part of the Shawville Creamery. They can very easily do one of two things. They can do as others are doing and go into the butter reconditioning business or they could capitalize on the good name that Shawville Creamery has built up for itself over the years and provide the consuming public with an original butter of very high quality. There is still a good market for that kind of butter and now is the time to capitalize upon it.

An informative, attractive description on the wrapper briefly describing the method of manufacture and the high standard of dairy herds behind it would greatly help consumers draw their own conclusions even to the point of justifying the premium that such butter is worth over other, above described, 'First Grade' butter.

Inasmuch as the success of the Shawville Creamery has a direct bearing on the prosperity of the whole community the above is something that might well be given attention by the Shawville Chamber of Commerce and a matter that might well justify some appropriate radio advertising.

Mr. Editor:-

Not so long ago a citizen remarked that Shawville never gets its name in the headlines. He quoted a town by name that on a certain night that week, had occasion to have three separate items on the front page of one of our Ottawa newspapers and also in The Equity. These articles included a large building burned, a child killed by an accident and a man burned to death in his home. Being such sad articles I'm sure no one within that town or district was happy to have the occasion to report these and would have been much happier not to have made such news.

However, we can always remember the old saying "No News is Good News", so let us keep the town of Shawville out of the headlines of any newspapers, except it be with pleasant events.

Recently some of our citizens have shown their usual common sense by cleaning their back yards, fences, etc. as required not only by the town fathers, but by their own sense of pride. Instead of bravely setting a match and watching flames hungrily de-

it was pointed out to Laurie that the procedure would be irregular. Nobody suggested naming "an electrician" or "a merchant" to the board, leaving the name to be decided later but the "a doctor" idea was kicked around considerably before being thrown out.

An unusually short meeting as hospitals annuals go, it was nevertheless very well attended with 65 people signing the register.

your dead grass almost a foot deep which probably later will set fire to a building (as has so many been threatened throughout the district this spring) they sensibly advise the Volunteer Firemen of their desire to clean up their surroundings. Of course this is better done with preparation than have a careless smoker throw a cigarette butt or match into it some night, and have us wake up to see a bright glow in our bedroom windows.

Quoting Fire Chief Watt Taylor "this time we have the water before the fire", they proceed to do just that. Watt and some of his men simply bring the fire truck to the desired place and connect up the required hose if they think more might be needed than the ever present 200 gallons on the truck. They saturate around any nearby building and then they set the fire. In a few minutes everything is cleaned up and in a few days, after this fine rain, all places thus burned will have fine green grass appearing. Congratulations to the citizens who clean up with caution!

Then it's good business to make a *Scotiabank* loan

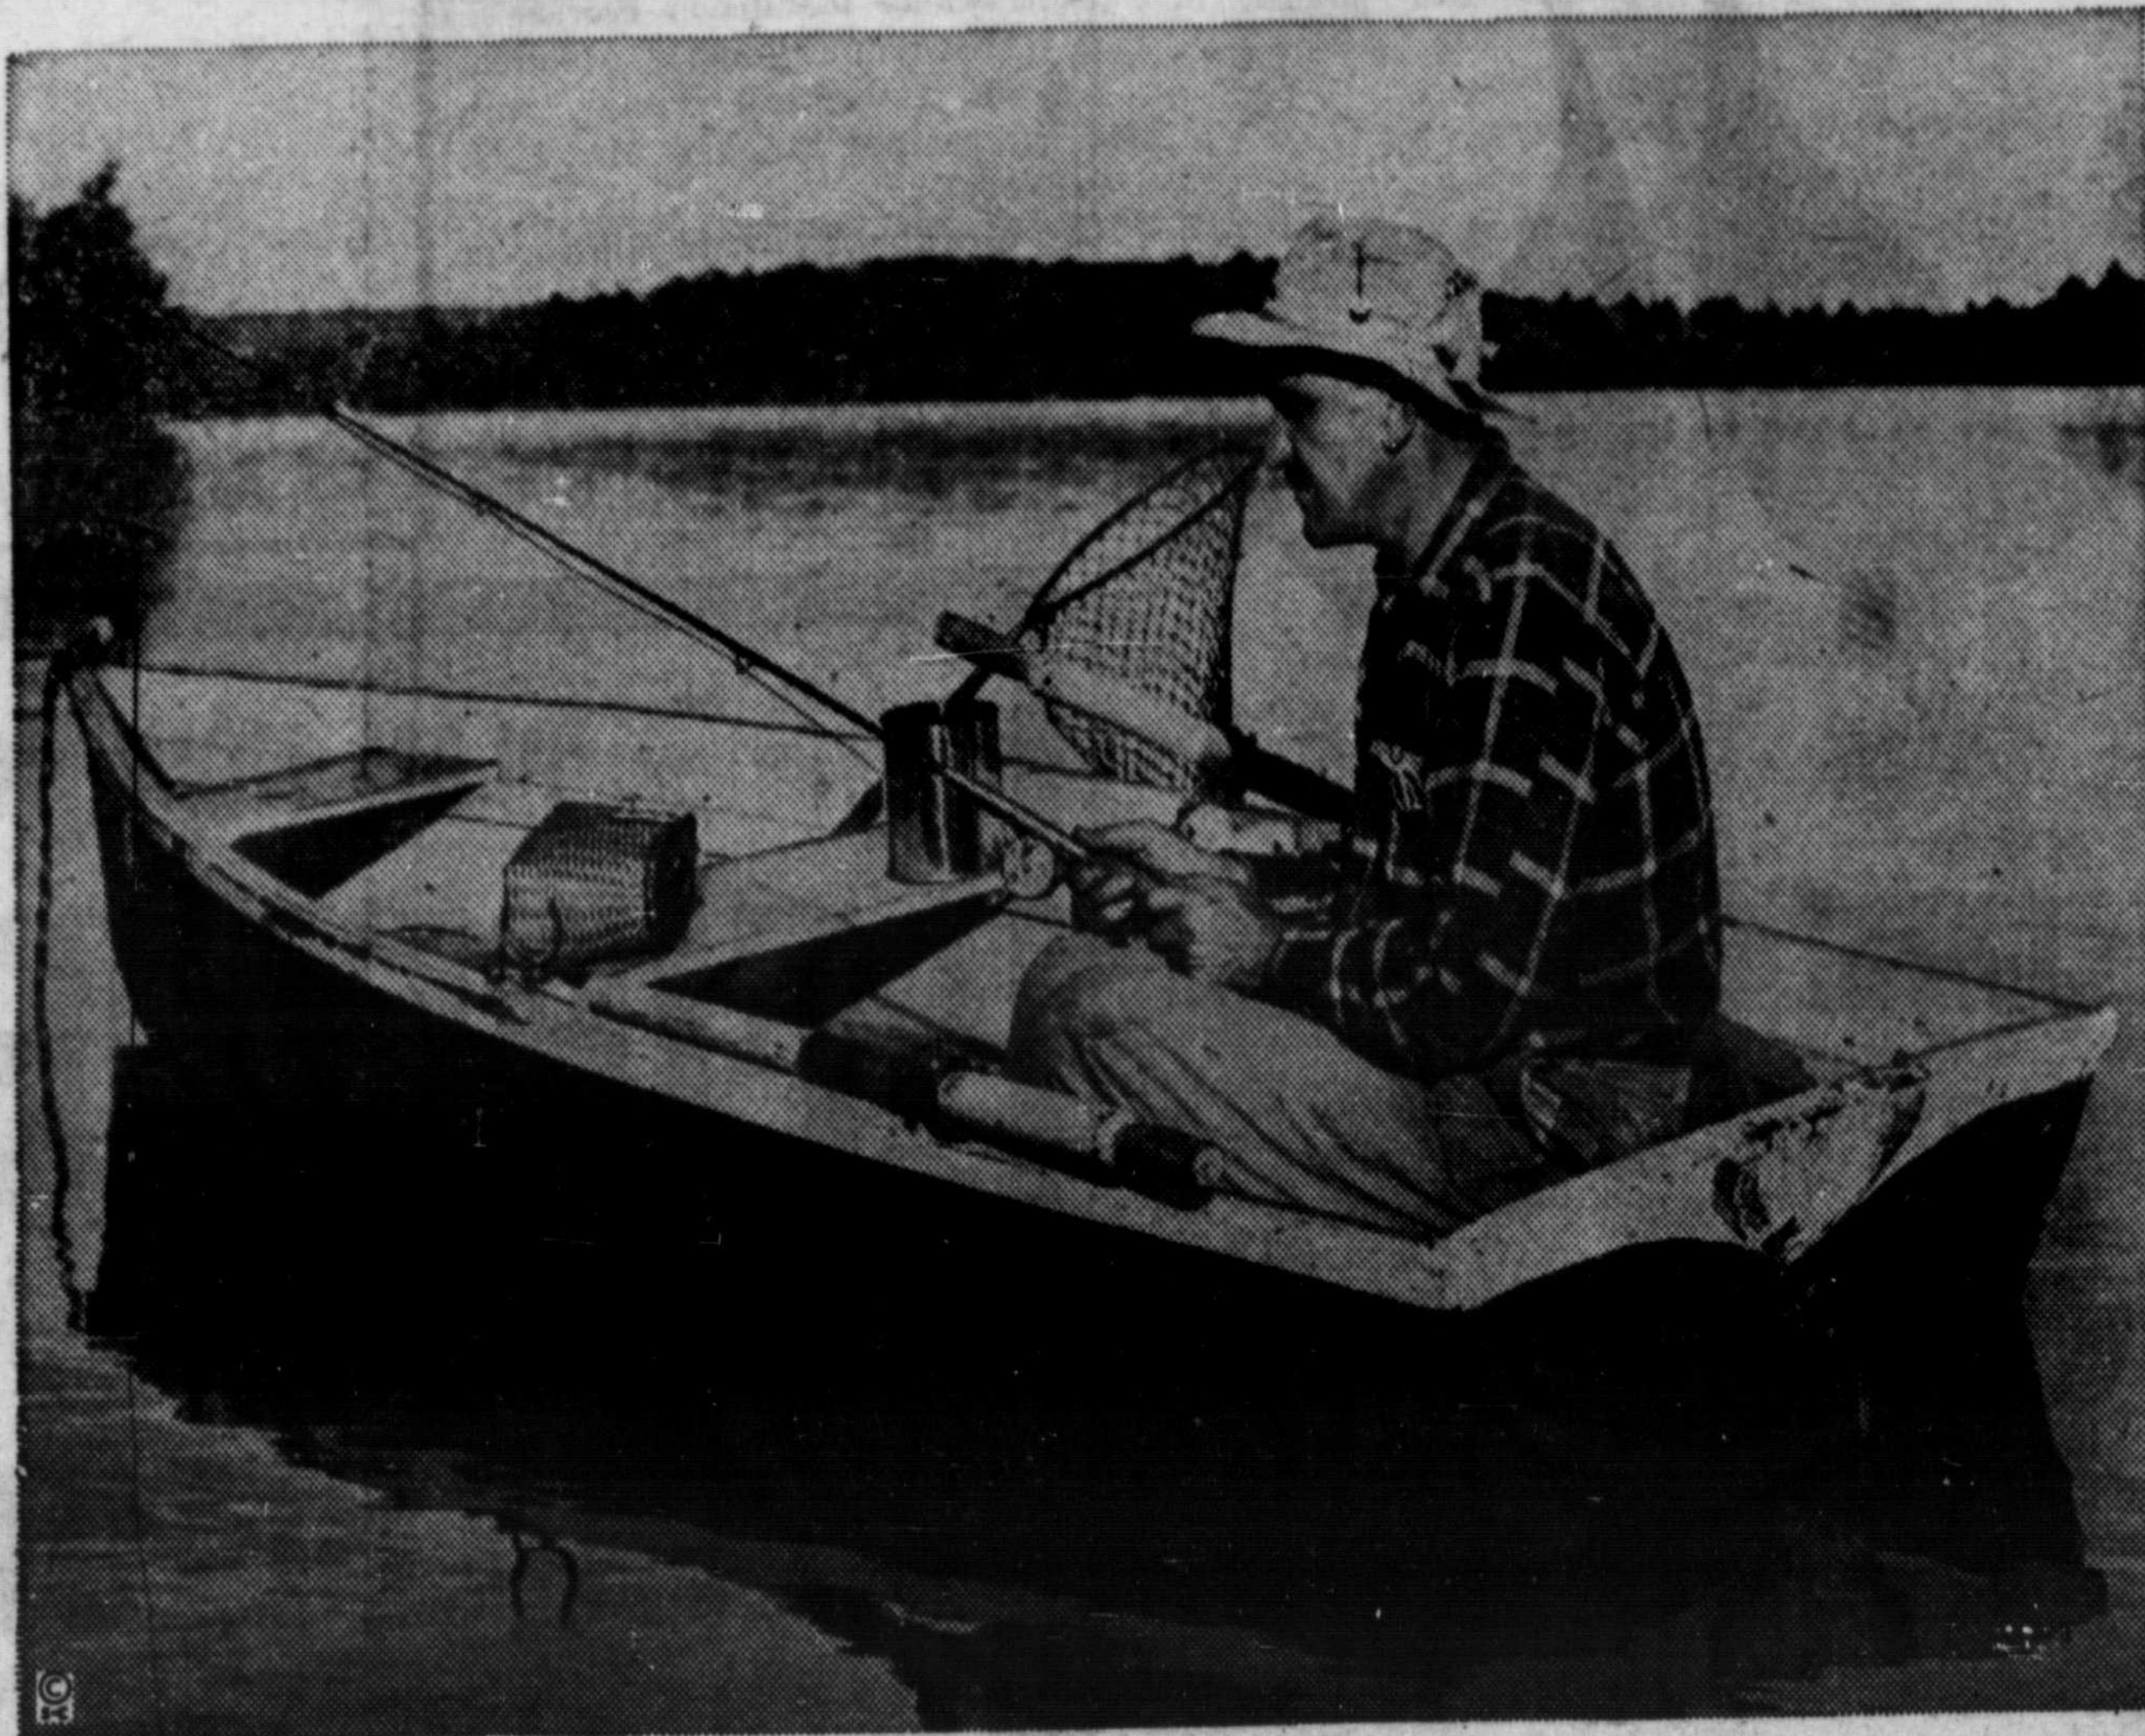

Leaking roofs, peeling paint, sagging walls... leave them unattended and they just get worse—and more and more expensive to repair. But sometimes the cash you need for repairs is a problem. And that's when a Scotiabank Farm Improvement Loan could be the answer. A Scotiabank Loan may be arranged quickly and easily for repairing buildings, buying new machinery, upgrading livestock, and many other worthwhile projects.

Don't wait to get your farm in the shape you want it. Visit your Bank of Nova Scotia branch manager soon. Find out how a Scotiabank Farm Improvement Loan can help you.

Senior Hockey Players & Wives Eat Turkey & Talk Hockey

The Pontiac Senior Hockey team, their wives and a few friends rounded out the hockey season Saturday night when they entertained themselves with a fine turkey supper and all the trimmings in the Agricultural dining hall with about 30 present.

Ivan Saunders presided as chief carver and made a fine job of dismantling a huge turkey. The players' wives provided the food, the Agricultural Society gave the hall for the evening and the beautiful music-maker was provided with the compliments of Athol Dale of Shawville Electric. This was thoroughly appreciated and we are safe in saying that no time was wasted in putting to use, the good music on the fine records for dancing, twisting and "that new dance" which made its debut Saturday night.

Shift work took a few of the boys away a little earlier than they wished.

By co-incidence, Quyon Hockey Club, winners of the Pontiac League series, planned their party to take place on Saturday night also. As we know some of the Pontiac Seniors players were also members of that club, so they had to double up their appearances. This they did and everyone had a good time.

For the second year in a row, by popular vote of his teammates Royce Richardson received the trophy for the most valuable player on the team and Doug Thomas for the most gentlemanly player.

Mr. Art Kilgour brought greetings from the Agricultural Society and thanked the boys for their winter's efforts and entertainment, as well as thanking all the others who had played a part

in the season's sport. Coach Keith Horner, Manager Ernie Dean

and Rink Committee Chairman Arnold Garrison were especially thanked for their leadership.

Door prizes were won by Mrs. Ben Allen and Mrs. Art Kilgour. And now for the next season boys! See you all at the Baseball Diamond.

You will note that all of the above families can easily be traced

Campbell's Bay

Mr. and Mrs. Fred Joy, Cherry Valley, Ont., Mr. and Mrs. Wil-

ed back to the original families given at the first of this article.

Those who are interested in claiming to be heir to lost fortunes, both large and small, would do well to note that the Mrs. Cook, formerly Jane Kelly, given near the top of this list, died recently at Minneapolis, leaving no direct descendants.

mer Elliott and Anne, Lachine, Que. visited Mr. and Mrs. Alfred Jay recently.

Mr. and Mrs. Clarence Black of North Bay spent a few days visiting Mrs. John Knipe and Mr. and Mrs. Wm. Stewart.

Mr. Brent Smith spent the weekend with Mr. and Mrs. Lowell Smith at Belleville and they motored to Houghton College to attend a music recital.

Mrs. Melvin Brown underwent surgery in Pontiac Community Hospital last week. Mrs. Joseph Devlin is also a patient there. Best wish to them both.

In Memoriam

CAMPBELL — In memory of my wife who passed away on May 2nd, 1959.
—Wilson Campbell b

IRELAND — In fond and loving memory of our little boy Miles Ireland who passed away May 4, 1960.

There is someone who misses you sadly

In the home where you used to be There is someone who wanted to keep you

But God willed it not to be You left some beautiful memories,

And sorrows too great to be told But to one who loved and lost you

Your memory will never grow old.

—Missed by Mommy & Daddy b

McNEILL — In loving memory of Samuel McNeill who passed away April 26, 1960.

There is a home not made by hands

Beyond it's golden door

Awaits the one who's now away Not dead — just gone before.

—Wife and family. x

MULLIGAN — In loving memory of a dear wife, Mrs. W. G. Mulligan who passed away on May 4th, 1955.

Just a thought of sweet remembrance

Just a memory sad and true. Just the love and sweet devotion Of one who thinks of you.

—Ever remembered by —Husband, William. x

TUBMAN — In loving memory of a dear mother Mrs. Henry Tubman who passed away on April 12, 1960.

Often and oft our thoughts do wander

To the grave not far away Where we laid our dear mother Just two years ago today.

—Ever remembered Son, Henry x
