Please! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

THE PUBLISHERS

S'il vous plaît! Ne prêtez pas VOTRE ANNUAIRE

IL VOUS COÛTE DE L'ARGENT CHAQUE FOIS QU'IL EST PRÊTÉ

L'habitude de prêter votre Annuaire, dans une grande mesure, est la cause de l'augmentation dans le prix du service de l'Annuaire.

La raison en est:

Les frais de préparation et rédaction de l'ANNUAIRE de votre Ville sont en grande partie invariables.

CES FRAIS DOIVENT ÊTRE NÉCESSAIREMENT ABSORBÉS PAR LES ABONNÉS—QU'IL Y EN AIT UN SEUL OU 1000.

S'il n'y avait qu'un SEUL ABONNÉ à l'Annuaire—c'est LUI SEUL qui devrait couvrir TOUS LES FRAIS.

S'il y avait 100 abonnés—chacun devrait supporter UN CENTIÈME DES FRAIS.

S'il y avait 1000 abonnés—chacun devrait supporter UN MILLIÈME DES FRAIS.

Il est par conséquent évident que PLUS le nombre des abonnés sera grand, MOINS élevé sera le coût pour chacun.

Il est tout aussi évident que MOINS le nombre des abonnés sera important, PLUS élevé sera le coût pour chacun.

Chaque fois que vous prêtez l'Annuaire, l'emprunteur se considérera dispensé de s'abonner à ce service.

À UN NOMBRE ACCRU D'EMPRUNTEURS CORRESPOND UN NOMBRE RÉDUIT D'ABONNÉS, ce qui signifie UNE AUGMENTATION DU COÛT.

WHY ADVERTISING IN LOVELL'S MONTREAL DIRECTORY PAYS

***YOU** men who spend large amounts of money on creative advertising — who when you think of advertising, think **ONLY** of creative advertising —*

A word with you.

When you invest a dollar you protect that dollar to the utmost.

What are you doing to protect the money you invest in creative advertising?

The morning paper that lies before you on your breakfast table has in it an advertisement that cost you many dollars. This same paper has the day of the month printed at the top of each page, twice on each sheet; where everyone can easily read it.

You saw the date.

But when you reached the office, sat down at your desk, and wanted the day of the month, **YOU REFERRED TO YOUR CALENDAR**, and a dozen times that day you referred to your calendar. Your employees did the same. The whole business world did likewise.

Why?

The public will see your creative advertisement.

But when they want your goods — **THEY WILL TURN TO LOVELL'S MONTREAL BUSINESS DIRECTORY AT THE END OF THIS BOOK—** just as you turned to your calendar.

Protect that money you are putting into creative advertising.

Protect it with **REFERENCE** advertising in **LOVELL'S MONTREAL DIRECTORY**.

A small percentage of the amount you spend for creative advertising **WILL DO IT.**
