Businessmen Set Booster Week for Westmount Buyers

Several features agreed upon, at Tuesday's meeting of the Business Association of Westmount, may have some far reaching effects on local buying, it was disclosed today.

Rated one of the best meetings held, it was decided that a Westmount Business Booster Week would be put into effect during the second week of November. This project, under the chairmanship of C. A. James, will include more than 75 stores and business companies of the area, and is designed to promote purchasing in Westmount.

While a complete outline of the plan was not available, it was understood that stores and other establishments will offer special discounts, prizes, etc., during the week ending November 18th.

It was revealed through a specially prepared questionnaire answered by the majority of the members in the local Business Association, that more than 60 per cent want a late-closing hour of 9 p.m. on Fridays. President Paul Viau said that a letter would be submitted to the Westmount City Council, requesting that this be made official through a bylaw, and claimed that if it is turned down, a further request in the form of a delegation will be forthcoming from the membership.

While several topics were discussed throughout the evening, the members were also given a clever and interesting address by C. H. Scoffield, Secretary of the Canadian Chamber of Commerce.

Mr. Scoffield, covered every phase of business in the community, stressing the importance of display, merchandising, advertising, salesmanship and courtesy in making the community enterprise a success. He also gave a number of illustrations on projects which have been tremendously successful in other communities during his address on "Local Business Activities."

The speaker was introduced by N. E. Ohman and thanked by R. Zoland of the association.

It was announced that all arrangements for the publication of a special business telephone directory has been completed. C. A. James, who has been in charge of the committee handling this project, announced that a copy of the booklet containing all the addresses of business establishments in Westmount will be sent to all the residents of the area.

Following the recent success of the Limerick Contest, another such project is now being organized by the association. The contest, which sponsors a type of co-operative advertising scheme among the members of the association, will probably be put into effect on November 25, and will be carried on as long as enough members are willing to support the plan. It was pointed out that a $15 prize coupon will be given to the winner of the contest, and that the coupon would be valid in any store of the district.

Seven new applications for membership in the association were

Scholarships Awarded at 20th Rotary Anniversary

Douglas Kerr, jr., of 4412 St. Catherine street west and George W. Grough, of 3 Burton avenue, Westmount, were presented scholarships of $250 each at the 20th Anniversary meeting of the Westmount Rotary Club, Wednesday.

Kerr, a former student of St. Leo's Academy, and Grough, a graduate of Westmount High School were given the scholarships on the basis of their academic standing and their needs.

It was one of the chief meetings of the year as St. Clair Holland recalled the work and growth of the Westmount Rotary Club over the past 20 years.

As president of the Montreal Rotary Club when they sponsored the Westmount group in 1930, Mr. Holland said that the Westmount group has reached a full state of maturity and has played an active and influential role in the community.

He paid tribute to the charter members of the organization in Westmount, several of whom were on hand at the meeting, saying that they laid the foundations of the club on a sound basis in order to achieve the things they have.

Among the charter members present were; the first president, John Hand, Percy Jarman, Cecil Medlar, Stanley Cayford, Dr. Ken Carver, George Wheatley and Dr. Frank McNaughton.

He recalled the work of the late George Finlayson, who organized the first fund raising project of the club in March 1931, and said that since that time, they have never required any financial aid from the parent club of Montreal.

He also pointed out that since the inception of the club in October 1930, more than $300,000 has been raised, and paid tribute to the members for their part in the building of the Unity Boys Club. "It is indicative of what can be carried on by a small group of interested and sincere men," the speaker said.

Other projects mentioned by the speaker included the Were-

West End Girl Is Attacked in Taxi At Victoria Ave.

A 17-year-old Notre Dame de Grace girl hailed a taxi at the corner of Victoria avenue and Sherbrooke street, Westmount, a little after midnight on Friday, and was immediately seized by a man in the back seat of the cab.

The girl told Montreal police that she was taken to D'Aragon street, in Ville Emard, where she was attacked and robbed of six dollars.

The girl was taken to the Western Division of The Montreal General Hospital where she was treated for shock and then taken to her home.

A similar attack took place three months ago in Ville Emard. Another followed soon after in Ville LaSalle. The girls in the two previous attacks hailed the cabs on Patricia Avenue, and on Queen Mary Road.

Detective-sergeants Bob Lawton and Armand Montpetit of the Montreal Police Department, who are investigating the attack, said the circumstances were similar to those which surrounded the two previous attacks in the west-end in recent months.

Work Suspension On C&D Bank Bldg.

The Examiner was informed by the Publicity Department of the City and District Savings Bank that the work on the projected new bank building at the corner of Victoria avenue and Sherbrooke street, Westmount, is only temporarily suspended.

Asked whether there had been trouble with digging the foundation, the spokesman for the bank said it had been found necessary to do some pile driving.

However, he said that plans for the building had not yet been approved and that prices and estimates were still being received together with suggested plans.

He also intimated that several matters had to be straightened out with adjoining proprietors.

Asked if he had any idea of just what the building would look like, and as to when it might be ready for occupation, the bank spokesman said that he had no information on either point.

Y. M. C. A. NOTES

PHYSICAL DEPARTMENT

Boxing Club. Boxing seems to be the highlight at the "Y" these past few days. "Bert" Light, former coach of the Boxing at McGill, is on hand every Tuesday and Thursday evening to give beginner and advanced instruction. Both boys and men are welcomed to these sessions at 7.30 — you will be separated into a class of your own ability.

Fencing Club. Coach Roland Asselin is calling all prospective fencing students to join the classes as soon as possible, or drop in and see him about the courses. Beginners starting at a later date may find it difficult to catch up.★

This Club is open to men and women, and meets every Monday and Thursday evening.

Gymnastic Club — The old timers are back, and some new faces have turned up to work out with the Westmount 'Y' Club. Last week the Club welcomed Frank Barret, former captain of the McGill Senior Intercollegiate Gymnastic Team and holder of several Gymnastic titles. Barret has joined the 'Y' group, and will make a strong addition to the growing sport at Westmount. The club welcomes both beginner and advanced gymnasts to drop in on Mondays at 7.00 and Thursdays at 8.00 o'clock to have a workout or simply to meet the fellows and have a friendly chat.

Business Girls — The regular Business Girls' Gym Class is held every Friday night at 7.00 o'clock. This is an excellent way to prepare for the skiing season ahead. There is swimming, following the class, so don't forget to bring a bathing suit.

Badminton Club — The new schedule for the badminton club is as follows: Tuesdays and Fridays at the 'Y'", and Wednesdays at Westmount Senior High School. Next Tuesday playing will start a bit late, due to the Hallowe'en Party held for the Boys' Division in the gym. The club still has vacancies for new members. This is a mixed group.

Business Men — Business men in the area are reminded that they can drop into the 'Y' on their way home to dinner and have a refreshing shower and swim every evening, or, better still, have a session on the gym floor on Tuesdays and Thursdays of a keep-fit nature before the swim. Monday, Wednesday and Friday are still reserved for the handball enthusiasts.

Young Men's Class — All young men interested in a varied physical program should reserve Monday nights, from 8.00 to 9.00, and Thursdays, from 9.00 to 10.00. This group has a lot of fun while getting in good condition.

YOUNG ADULT SECTION

Bridge Club — The weekly Bridge sessions are going into high gear with the cooler weather. If you are an aspirant of the finer art of cards, or would like to be, come along Monday at 8.30.

Square Dance Club — This active group might well have to move to larger quarters for the weekly Tuesday "Hoe Downs", but there is always room for more, even if you just enjoy the old time music.

BOYS' DEPARTMENT

The Westmount Y.M.C.A. Stamp Club held its second meeting of the year on Monday afternoon, October 23, at 4.00 p.m. During the meeting a business session was held and the election of officers took place. Any boys wishing to join a stamp club are asked to come to the next meeting, Monday afternoon, October 30th, at 4.00 p.m., at the Westmount Y.M.C.A.

Westmount residents may avail themselves of the opportunity to have a free chest X-Ray by attending the exhibit centre in the Confederation Building, McGill College avenue and St. Catherine street west which is open daily from 9:30 a.m. to 4 p.m.

Dr. Philippe Landry, medical director of the Montreal Anti-Tuberculosis League, said "tuberculosis can be easily stamped out if all Canadians co-operated by having regular X-ray examinations of their chests. It the disease is detected in its early stages it is easily cured and there are many people walking the streets today who have found this out.

He urged everyone who has not had a chest X-ray in the last two years to attend this clinic.

Big Hallowe'en Activites Planned At Unity Boys Club

There will be a great get-together at the Unity Boys' clubhouse next week, when the girls, boys, instructors, leaders, and volunteer workers will all assemble. All the active members of the different house groups will be on hand in order to know each other better, and they will celebrate the time honored custom of Hallowe'en.

It was pointed out that the regular activities of the club will be suspended from Thursday, October 26, to Wednesday, November 1, in order to make room for the special Hallowe'en program. Instead, the following events will take place in the clubhouse, but only members holding membership cards for the group parties mentioned will be admitted.

The special activities began yesterday, when at 7 p.m. a party was held for the Bantam boys and girls. Games were played and refreshments served, with the wearer of the most original costume also winning a prize during the event.

Tonight at 8 o'clock, the junior boys and girls will hold their special party, and again prizes will be awarded those wearing the most original costumes. The Midgets will have their own special party on Monday night starting at 7:30 with much the same type of program planned for the event.

Tuesday night will be the feature event, when all members of the Unity Boys' Club will stage a get-together program of songs, stunts, movies, refreshments, and, once again, prizes for those wearing the most original costumes.

Speaking Club At Westmount 'Y' Proves Enjoyable

The agenda consisted of a detailed explanation by the instructor, Mr. Vic Baker, a five minute extempore speech by every member, followed by the instructor's criticism.

Recognizing the benefit to be derived in following a curriculum of this nature, the Y.M.C.A. invites all those interested in improving their speech to attend a regular session and decide for themselves the advantages in becoming a regular member.

These meetings are held every Thursday night at 8.00 p.m., at the Westmount Y.M.C.A.

Current Events Club Hears Pearson During U.N. Visit

The Hon. Lester B. Pearson, Minister of External Affairs for Canada, told members of the Current Events Club of Westmount High School that the Canadian delegation was extremely interested in the plan to revise the constitution of the United Nations Organization so that a veto in the Security Council can be overcome by a majority vote in the Assembly.

Mr. Pearson was answering a question asked him by one of the 35 members of the local high school club who made the trip to Lake Success last week-end. They were welcomed to the United Nations Organization by Mr. Pearson, who said that he was extremely pleased to see them take an active interest in the affairs of the world.

For the members, all students of Westmount Senior High School, it was one of many interesting talks and experiences during their three day visit to New York.

Under the supervision of Miss King and Mr. Snyder, teachers of the school, the students arrived by chartered bus early Thursday evening and visited Lake Success on Friday, where they were given a first hand report on the func-

Letters to the Editor

The Editor,
The Examiner.
Sir,

Something new is being tried out by four religious groups in the United States which might well be tried here.

The four groups have pooled their efforts to produce a comprehensive voting record of members of the 81st Congress that will be of value to citizens who will cast their vote in the November elections.

Titled "How Did Your Senators and Congressmen Vote?" the guide lists 16 key roll calls in the House and Senate House votes on social security, housing legislation, civil rights, and all major foreign policy issues and other items of particular interest to the individual voter.

It would seem that this method of assessing a member's usefulness to the constituency he represents, would be very much more to the point than the system we have here where promises of what he intends to do and seldom does if elected is the bait used to attract votes by the average politician.

How often does the average member open his mouth to protest measures not acceptable to his electorate? How many times does he vote as directed by the party rather than by his constituents?

The question of the removal of rental control and rent hike was one glaring instance in which members ignored the general consensus to vote as instructed. Leaning on the principle that the public has short memories, the elected representatives paid scant attention to the public outcry.

Maybe when they again come soliciting votes they will find that an enlightened electorate will not have forgotten "Black Monday."

The example shown by the United States group in tabulating how our members cast their votes on leading issues may prove an incentive to some Canadian groups to get out a similar guide here before the next general election.

Long Memory.

G. W. Kuhring Is Bereaved by Mother's Death

G. F. W. Kuhring, 4323 Montrose avenue, was bereaved by the death of his mother Mrs. Mary Frances Kuhring, which occurred in Toronto, on Thursday. Mr. Kuhring is president of the Westmount branch of the United Nations Society.

The late Mrs. Kuhring had been prominent in Church of England affairs for more than 50 years.

Born in Ottawa, she lived in Toronto until 1905 when her husband the late Canon Gustav A. Kuhring, was transferred to Saint John, N.B. She lived there until 1920 and during the First Great War organized voluntary services in New Brunswick.

In 1922 she helped organize the peace-time activities of the Red Cross in New Brunswick.

Mrs. Kuhring was editor of the Church of England calendar for many years.

Temple Emanu-El

Sabbath services, tonight, Oct. 27, at 8:15. Dr. Stern will speak on "My Pilgrimage to Israel—Lecture III." (In this address the Rabbi will deal with Israel and the United Nations—Israel and her Arab neighbors—Israel and Canada.)

Tomorrow morning, Oct. 28, at 11:30, sermonette—"Jewish Hospitality," based on Torah portion.

Bar Mitzvah

At the services this Sabbath—both on Friday evening and on Saturday morning, Arthur, son of Mr. and Mrs. Abraham Benjamin, will be called to the reading of the Torah in observance of his Bar Mitzvah. We congratulate the new son of the Commandment, his parents and family.

Dinner Meeting

The first Temple Brotherhood dinner meeting of the season takes place Sunday evening, Oct. 29 at 6:45 in the Temple Community House. Dr. Harry J. Stern will speak on "Europe and Israel Revisited" and will deal in his address with matters of a confidential nature which he learned during his travels the past summer. This was Dr. Stern's fourth visit to Palestine and his fifth to Europe. Reservations for the dinner are to be made with the Temple office, FI. 2405. The ladies will be guests of brotherhood members. The musical program will be rendered by Cantor Otto Staeren. Committee in charge: Messrs. Nathan Bing, Garner Bornstein, Hershell Lewis, Paul Putziger, Leonard Blank, and Louis Cohen.

Tablet to Be Unveiled

At the service this Friday evening, Congregation Emanu-El will pay tribute to the late Harry Edwin Davis and his wife Julia Davis, who throughout their lives rendered devoted service to Temple Emanu-El. A bronze tablet inscribed with their names has been placed in the Temple Sanctuary as an everlasting memorial and as a tribute of esteem and affection from Congregation Emanu-El.

Tom Gard's Note Book

One thing common to good gardeners is the ability to plan for the future. Now is the time to prepare for those harbingers of a new gardening year—spring bulbs. There is still time to plant some. If you didn't place your order early, you will likely still find some available at the stores. The planting chart and instructions given will prove helpful to the uninitiated.

Forcing Bulbs

While on the subject of bulbs, why not resolve to try your hand at forcing some for winter bloom. It isn't as difficult as it would sound and information on the subject is usually abundant at this time of year. The simple instructions given here will get you started, but check planting guides before you select your varieties—some will force better than others and rigid forcing dates should be followed.

Stovepipes

With cooler weather, we begin the annual tussle with stoves and stovepipes. I am reminded of my first ordeal—back in the days when I thought all stovepipes were the same. Instead of buying six-inch pipe, I bought some seven inches in diameter. Before it was time to use it the bill was lost and, rather than face the clerk again, I have been trying to think up uses for it ever since. Two of the best I have hit upon are illustrated. They sound rather "screwy" but they have proven satisfactory.

More About Orange Crates

My young son surprised me by walking in with a table for his bedroom—all painted and ready for use. Evidently they are teaching shopwork in lower grades than they used to, as he made it at school. Shown is a copy of his finished product

THE POPPY DAY APPEAL

* * *

Our Disabled Veterans Depend on You

With the general rise in the cost of almost everything today, the public is asked to subscribe more and more to charitable and patriotic causes. There are many appeals, and constantly higher objectives, for the cost of looking after the unfortunates goes up and up like everything else. In the multiplicity of appeals there is a danger that the public might overlook or cut down on contributions to some of the most worthy.

One of the most worthy is the annual Poppy Day appeal, subscriptions to which have been falling off as we get further and further away from the great wars in which the veterans served. The aged and disabled veteran needs care, competent advice in dealing with his problems of employment, hospitalization, pensions, and so forth. There are also the widows and orphans of the men who did not return. To all of these we owe a debt we can never repay. Let us remember this on November 11.

The Legion Service Bureau looks after these cases as well as finances permit. Last year, for example, the Bureau satisfactorily adjusted 811 cases dealing with veterans problems of many types, and assisted more than one hundred widows and orphans of men killed in action.

When you buy a poppy, your contribution goes directly to the assistance of our needy veterans and their dependants. Remember those who gave their lives, the dependents they left behind, and those who returned to live out their lives under the handicap of disability due to war wounds. Be generous. Let us not forget.

SUPPORT CATHOLIC CHARITIES!

* * *

Help of All Needed to Achieve Success

City Councillor J. Austin Murphy, K.C., president of the Federation of Catholic Charities, urges all local residents to give their whole-hearted support to the current drive for $310,000. The budget has been pared to the limit, but still calls for ten thousand dollars more than last year. The answer is the general rise in the cost of almost everything the Federation needs, from food to services. This year's objective is $310,000. The big increase is in the cost of food — up sixteen percent since the beginning of the year. This, plus increases in the number of people requiring aid, makes it imperative that the objective be achieved.

The Federation is relying especially on residents of this district for substantial help in putting the drive over the top. When the canvasser calls, be generous.

Dominion-Douglas

Next Sunday Dominion-Douglas Church will hold its annual Every-Person-Canvass. The plan this year is for each canvasser to contact those upon whom it is his privilege to call and arrange a time for an interview. At the morning service Dr. Lloyd Smith will take as his theme: "Which Side Are You On?" The choir will sing, "The 84th Psalm" by Schutz, and "Hark, hark, my soul", by Shelley.

In the afternoon the Church School will meet at 3 p.m. The Teens Club will meet at the same time in the Lower Gymnasium. This week's theme is "My Friends and I". For this club there will be badminton Thursday, and a Hallowe'en Party Friday, November 3, at 8 p.m.

In the evening Dr. Charles Johnston will continue his series on "Young People, then and Now", with "The Fate of a Playboy". A quartet of choir members will sing "If Ye Love Me" by Monk, and there will be a solo by Harry Brown.

The Young People's Union will meet immediately following the Service to hold a forum on "Canada's Race Problem". Interesting documents have been obtained covering these matters, and a timely and stimulating discussion is expected. We hope to see Mr. Robb's Young People's Choir get under way next week.

Monday, at 2 p.m., the Sewing Circle meets.

Tuesday evening, at 8, the Handicraft group will hold a preparatory meeting for the Fashion Show.

Wednesday, at 8.30 p.m., the Handicraft Guild Fashion Show will be presented in Leslie Hall through the courtesy of Holt Renfrew. Tickets may be obtained from members or at the Church Office. There will be a sale of useful articles, and refreshments will be served at the close.

Westm't Park-Emmanuel

Sunday evening Dr. Campbell will take the Book of Revelation and apply to it the method of Bible study outlined last week in the pulpit. This is the congregation's choice of a book to be used to test out the methods of study any ordinary reader of the Scriptures may use from day to day.

The thanks of the people of the church go to the librarian at Divinity Hall and to the Bible House for the loan of books not ordinarily known to the reading public. More than 70 volumes have been on display during the last few weeks.

On Nov. 5, Rev. Fredrico Mussili and Rev. Theodore Tucker will visit Westmount Park-Emmanuel congregation. The Reverend Frederico Mussili is the first native pastor from Angola ever to visit Canada. Mr. Tucker acts as his interpreter. Wherever these two have gone in Canada they have been a revelation of the work of the church in the foreign field. Mr. Mussili's coming is of special interest to the people of Westmount Park-Emmanuel because he was one of the first pastors to graduate in Angola from the Emmanuel Theological School, founded at Dondi by funds from the Emmanuel Church congregation, now part of the Westmount Park-Emmanuel Church. They will appear at the morning service, and Mr. Mussili will be the speaker.

Calvary United

On Sunday evening Calvary Church will welcome the Officers and Members of The Prince Consort Masonic Lodge No. 52 to the Service. The members will assemble in the Church Hall at 7 o'clock and parade into the Church for service at 7.30 p.m. The preacher will be the Rt. Wor. Bro. Very Rev. T. W. Jones, M.A., D.D., who will preach on the theme "What Masonry Means to Me". Members and other Lodges, Fraternal Organizations and friends are invited.

The theme of the morning sermon will be "The Searching Demands of Jesus".

Wednesday, Nov. 1, at 2.30 p.m., the Women's Association will hold a special meeting in the Ladies' Parlors.

Wednesday, at 8.15 p.m., the Elizabeth Read Missionary Auxiliary will hold its monthly meeting in the Ladies' Parlors.

Wednesday, at 8.15 p.m., the Deacons are called to meet in the Macaulay Hall, to receive applications for Church Membership and any other matters of business relating to the work of the Deacons.

The Cubs, Scouts, C.G.I.T., Badminton Club and the Choir will meet at their usual hours.

Christian Science

"Everlasting Punishment" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, Sunday. The Golden Text is from Proverbs 10:29. "The way of the Lord is strength to the upright: but destruction shall be to the working of iniquity."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:— "Rejoice not against me, O mine enemy: when I fall, I shall arise; when I sit in darkness, the Lord shall be a light unto me. Who is a God like unto thee, that pardoneth iniquity, and passeth by the transgression of the remnant of his heritage? he retaineth not his anger for ever, because he delighteth in mercy. He will turn again, he will have compassion upon us; he will subdue our iniquities; and thou wilt cast all their sins into the depths of the sea." (Mica 7: 8, 18 and 19).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy:—"We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts. The destruction of sin is the divine method of pardon. Divine Life destroys death, Truth destroys error, and Love destroys hate. Being destroyed, sin needs no other form of forgiveness. Does not God's pardon, destroying any one sin, prophesy and involve the final destruction of all sin?"

Westmount Baptist

"Three-Fold Hunger" will be the title of a brief series of morning sermons in Westmount Baptist Church. The first will be: "The Hunger of God for Men"; the second, "The Hunger of Men for God"; the third, "The Hunger of Christ for Both God and Men."

An evening series of addresses also will begin Sunday. This will be entitled, "Motives That Operate in the Mind." In this series we shall think of a number of people in the New Testament and find in their actions the expression of motives that surge in our own souls.

Westmount Mid-Week Fellowship issues its weekly call to Prayer. It sometimes seems that the modern Church will do everything but pray. We can plan effective services. We can raise much money. We can organize our Congregations but these things ultimately prove futile if we do not learn to pray.

A border of the Spanish lace edged her flowing veil which was held in place by a small pearl crown, and she carried a bouquet of deep red roses and lilies of the valley.

The maid of honor wore a light green taffeta gown, the fitted bodice having a wide collar, and very full skirt. Her picture hat and long gauntlets were of matching taffeta and she carried a bouquet of pink gladioli. The bridesmaids were wearing gowns made in the same fashion as the maid of honor's, but in orchid taffeta, with picture hats and gauntlets to match. All carried bouquets of yellow gladioli.

The flower girl was in a floor length frock of yellow taffeta made in the same style as the bridesmaids, with matching taffeta gauntlets and yellow tulle bonnet. Her bouquet was of small pink flowers.

Mrs. Grigorko, mother of the bride, was attired in grey, with navy blue accessories and had a corsage of roses.

Mr. and Mrs. William Earl Graham

—Photo by Posen

The Church of the Ascension of Our Lord, Westmount, was the scene of their marriage on October 9th. Mrs. William Earl Graham is the former Miss Margaret Edith Hiller, daughter of Mr. and Mrs. Robert C. Hiller, of Verdun. The bridegroom is the son of Mr. and Mrs. J. F. Sidley Graham, of Notre Dame de Grace.

GRAHAM - HILLER

The marriage of Margaret Edith, daughter of Mr. and Mrs. Robert C. Hiller, to Mr. William Earl Graham, son of Mr. and Mrs. J. F. Sidley Graham, of Notre Dame de Grace, took place at nine o'clock on the morning of October 9, in the Church of the Ascension of Our Lord, Westmount, Rt. Rev. Monsignor Wilfred E. McDonagh officiating. Mr. Lucien Lecours was soloist. Standards of white gladioli and ferns formed the decorations.

Given in marriage by her father, the bride was attended by her sister, Miss Elizabeth Ann Hiller, as maid of honor and Mrs. Raymond Ireland, sister of the bridegroom. The best man was Mr. Barry Graham, the ushers Mr. Gorman Graham, brother of the bridegroom and Mr. Lawrence Hiller, brother of the bride.

The bride wore a white satin gown fashioned with a nylon net bodice having an off-the-shoulder neckline, the skirt on princess lines falling into a short train, and the sleeves ending in points over the hands. Her finger-tip veil of tulle illusion was held by a coronet of matching satin and she carried a small bouquet of white stephanotis and carnations.

The attendants were dressed alike in frocks of bittersweet tissue faille, the bodices with tiny buttons to the waist and having low pointed necklines and stand-up collars, the full skirts falling into short trains. They wore wrist length mitts of the same material and carried small bouquets of gold pom-pons to match their headdresses.

Mrs. Hiller, mother of the bride, was wearing a gown of Queen's blue, with navy accessories, Persian lamb jacket and corsage of red roses.

Mrs. Sidley Graham, mother of the groom, wore black tissue faille with matching accessories, muskrat cape, and corsage of pale pink carnations.

The reception took place in the Rathskeller Room of the New Carlton Hotel, where pink and white roses adorned the bride's table. For the wedding trip by plane to New York City the bride wore a navy velvet blue wool suit and a navy velvet hat with red snakeskin accessories, and a shoulder spray of white gardenias. The couple will make their home in Montreal.

HIRSHBERG - PURVIN

A quiet wedding took place in California recently when Lois Purvin, daughter of Mr. and Mrs. Jake Davis, of Dallas, Texas, became the bride of Mr. Jack Hirshberg of Hollywood, California, son of Dr. Isadore B. Hirshberg, of Victoria Avenue, Montreal, and of the late Ernestine F. Hirshberg.

The couple will reside in Van Nuys near Los Angeles, Calif.

Reception Opens St. Andrews' Golden Jubilee Celebrations

Opening the Golden Jubilee celebrations of St. Andrew's United Church of Westmount, a reception was held Wednesday afternoon from three to six o'clock for women who have at one time been connected with St. Andrew's and for its present members.

Hand-made dolls dressed in period costumes from 1900 to the present day were exhibited. Mrs. D. M. Grant, the minister's wife, received with Mrs. R. G. Gilbride, president, assisted by the vice-president, Mrs. E. H. Cliff and Mrs. J. D. Robb; Mrs. A. G. Roy, president of the MacGillivray Auxiliary, and Mrs. D. O. Bremner, president of the Woman's Association.

In 1900 there were two main women's organizations in St. Andrew's—the Ladies' Aid and the Women's Missionary Society which was called the MacGillivray Auxiliary.

The Ladies' Aid changed its name in 1920 to the Woman's Association for church and social service work. The members have looked after the housekeeping of the church, including the flowers for the church and the church dinners.

During the two world wars the women of the church made an outstanding contribution with the sewing of garments and quilts and the making of dressings as well as keeping up the regular sewing for social service work.

In 1944, "The Women of St. Andrew's" was formed with one fund for financing all the women's work. Mrs. R. G. Gilbride is president.

Those presiding at the tea tables on Wednesday were Mrs. F. W. Kerr, Mrs. W. H. Spearman, Mrs. R. D. Harkness, Mrs. H. L. Gnaedinger, Mrs. R. N. Watt, Mrs. A. S. Fraser, Mrs. T. Speirs-Miller Child Model, Noreen Craig, Scores Success

At Dorval Airport on Friday the personnel were treated to an extra spell of duty, when they had to go through the action of reception of passengers, take-off and flight procedure without leaving the floor.

The occasion was the making of a new publicity campaign for the magazines and newspapers. This expert propaganda has to have the combined efforts of skilled direction, top photography and 'know how' of experienced models, as they go through scenes of ticket buying, passing of Customs, taking berths, going into flight with all the required procedure of steward attendance and comfort which go towards the making of a successful trans-Atlantic flight crossing.

Among Montreal's top flight models who successfully completed the job were Noreen Craig, a personable young lady of ten years of age, trained by Betty Speirs of the Speirs-Miller Model Agency. This assignment would have fazed many an older person, but Noreen was equal to every occasion. The poise and charm of this talented starlet was commented on not only by the professional models and camera men, but also by the officials of the air line.

"I'm just on my way to the bank"

He is just one of the hundreds who during the day will drop into the branch bank around the corner.

Savings depositors with their pay cheques . . . retail merchants with the day's cash . . . people consulting the manager about loans, others cashing cheques . . . it is all part of the daily work of the branch bank.

In ten years the number of accounts maintained by bank depositors has grown from 5,000,000 to 8,000,000.

This shows how Canadians have come to count on their local banks for a great variety of services. The banks keep pace with the growing needs of the nation.

tions of the various committee there.

Splitting into groups, one section went to the International Court of Justice; another to the Security Council, a third to the Trusteeship Council and a fourth to the General Assembly, where they had the thrill of watching history being made.

They dined in the Delegates Dining Room, and were later addressed by an official U.N. interpreter, Ted Fagan, in a friendly and informal manner.

On Friday night most of the visitors went to the theatres, while Saturday morning was highlighted by a tour of the City, followed by an afternoon of frenzied shopping. Heading for the N.B.C. studios Saturday night they listened and saw on television the Jack Carter show at the Hudson Theatre, and also present were movie stars Gloria deHaven and Jimmy Durante.

Mr. Snyder, advisor and founder of the Current Events Club, expressed his views on the trip, following their return home Sunday night. "There is," he said, "no doubt that the knowledge and experiences of the past four crowded days easily equal several months of perfunctory schooling. As I expected from past experience, the students measured up fully to my confidence in them. They brought Westmount great credit."

A history teacher at Westmount High School, he concluded that "for a long time in the lives of the excursionists, whenever the term 'United Nations' is mentioned, a vivid flash of recollection and appreciation will cross their minds."

Considered a tremendous success, it is hoped that further ventures of this type will become an annual event.

Oriental Dance Exponent At The Seville Art Theatre

Beginning next Thursday, the Seville Art Theatre will present on the stage a foremost exponent of Oriental dances, Mara.

As colorful in her personality as in her career, Mara was born in Manchuria. At 18, already interested in dancing as a career, she was sent to the Sorbonne, University of Paris. After returning to her family, then removed to Hong-Kong, she made her first tour of the Far Eastern capitals.

Later, she continued to study the difficult discipline of the Oriental dance; in Djocja, the ancient capital of Java, under Ngadiminga, court dancer for the reigning Sultan; in Saigon, French Indo-China, under Nonse-Rei, renowned Cambodian dancer; and in Paris, under the world famous Hindu dancer, Ram Gopal.

Theatrical appearances throughout Europe and Asia included engagements with the Opera Ballet in Harbin, Manchuria; the Kunst Theatres in Batavia, Bandoeng and Soerabaya, East Indies; Saigon Opera House, Saigon; Metropolitan Theatre, Manila; Saion du grand cirque militaire, Gaité Lyrique, Paris, Brunneleschi's Academy of Dance, London, and many other European capital cities.

Of special interest are the richly displayed authentic costumes worn by Mara, which add so much to the astonishing perfection of the discipline revealed in the difficult dance patterns — a marvellously embroidered art frozen into unchanging and unchangeable designs hundreds of years ago.

On the same program is "Moon and Sixpence," the celebrated movie based on a story by the great writer Somerset Maugham. With George Saunders, Herbert Marshall, Albert Basserman, and others.

Two Big Hit Show At Monkland

"The Daughter of Rosie O'Grady," Warner Bros.' Technicolor production of Broadway show business, which begins its local engagement at the Monkland Theatre on Saturday till Tuesday, played its New York engagement at the Radio City Music Hall, one of the world's largest theatres. June Haver plays the title role of a talented young girl who becomes a star, while Gordon MacRae enacts the roll of Tony Pastor, well-known impresario. For your added enjoyment, we have selected Claudette Colbert in "The Secret Fury," to give you one of the season's two big hit show that you'll really enjoy.

"Father of the Bride" Comes To Westmount Theatre Sunday

"Father of the Bride," which brings Spencer Tracy, Joan Bennett and Elizabeth Taylor to the Westmount screen Sunday, is the hilarious and heartwarming story of a father's trials and tribulations when his daughter announces her impending marriage. The laugh-filled action revolves about what happens to him before, during and after the wedding.

The picture is based on the story by Edward Streeter, read by more than ten million people. It was a Book-of-the-Month selection and also ran as a serial in a national magazine before being syndicated in a number of leading newspapers throughout the country. The screen play was written by Frances Goodrich and Albert Hackett.

The new picture marks the second comedy in a row for Spencer Tracy, coming on top of his big hit in "Adam's Rib." As the "Father of the Bride" he salutes all fathers of daughters — past, present and future!

The role of the mother is played by Joan Bennett, who recently scored in another mother role in "The Reckless Moment." Her current assignment is her first at the M-G-M studios.

Elizabeth Taylor, who recently enacted a bride in real life, finds herself completely at home as the twenty-two-year-old miss who throws her entire family into a state of chaos when she announces her engagement. And the report is that she gets even more laughs than she did as Van Johnson's co-star in "The Big Hangover."

Added Attraction

Joel McCrea and Barry Sullivan fight to the death over a million dollars in gold bullion and the affections of Arlene Dahl! A swirling torrent is forded by a wagon train to keep a date with death! Indian fights — a livestock stampede — the spectacle of the Utah mountains and canyons filmed on location in Technicolor! These are a few of the highlights of M-G-M's highly-touted new outdoor adventure drama, "The Outriders," which is the added attraction on the Westmount screen.

The director is Roy Rowland, who packed a ton of action into twenty pounds of film in "Killer McCoy," "The Romance of Rosy Ridge," "Scene of the Crime." The producer is Richard Goldstone, who was responsible for the planning of a migration of a crew of more than a hundred players and technicians to Kanab, Utah. Joining them were 120 natives, working as extras, and a contingent of Indians from surrounding reservations who took part in the picture's battle sequences.

Westmount Play Sherbrooke Here

Westmount Jrs. End Schedule Here Saturday

Westmount Warrior Juniors, presently holding down fourth spot in the Q.R.F.U. end another season on Saturday when they meet up with the South Shore Combines at the Westmount Athletic Grounds.

With only two squads in the play-offs this year, the Westmounters were ousted on the superior playing of the N.D.G. Maple Leafs and the St. Aloysius Orfuns, who are tied for first place in the league standings at the present time.

The Westmounters have lost five games this season, two of them to their arch rivals the Maple Leafs by big scores, and one each to South Shore, St. Aloysius and Rosemount.

DOWN ROSEMOUNT

Last Sunday, they defeated the Rosemount Bombers in a closely fought tussle, 13-12. Jim Lawson was once again the spearhead of the Westmount attack when he scored a major, and was responsible for many long gains, while Jimmy Cotter was the other major scorer.

Ed Lafontaine booted both converts, while Clyde Pearce gathered a single to assure the Westmounters of a victory over the Bombers, who have had trouble getting started all year.

The game with the Combines will get underway at 2:15 p.m. in the Westmount Athletic Grounds.

President Clarence Campbell of the National Hockey League announced that the hockey writers in the circuit's six cities would select its 1950-51 All-Star team.

R.M.R. Win Against A's At Sherbrooke in QRFU.

Coach Dave Peebles' well drilled Royal Montreal Regiment's football team handed Sherbrooke their seventh straight setback at Sherbrooke on Sunday.

Vic Daigneault plunged five yards for the first Army major early in the opening quarter before Sherbrooke's coach Sam Abbott hoisted a 60 yard punt for a single.

Al Wilcox took a pass from Norris Masterman and sprinted 30 yards for a touchdown which Jack Patterson converted in the third quarter.

Abbott singled again for the Athletics in the last stanza.

The final score was R.M.R. (Army) 11 Sherbrooke 2. On Sunday R.M.R. will tackle Lakeshore at Valois. In the first meeting at the Westmount Athletic Grounds R.M.R. should have won as they had more of the play than Lakeshore. A win on Sunday for Army will keep them in therunning for the championship.

Sunday Tilt at Grounds Defeat Eastward 12-0

By MEL JAMES

Westmount Warriors of the Senior Q.R.F.U. division, will play their first Sunday game at the Westmount Athletic Grounds this weekend when they meet up with the Sherbrooke squad.

Still tied for first place with the Lakeshore Flyers, the injury riddled Westmount squad swept by Eastward on Saturday with a 12-0 victory, and appear to be on the march to the championship if they win their remaining three games and Army is dropped by Lakeshore.

With Jim Chambers, Eddie Lerman, Lynn Hiscock and Jack Black sidelined for the tussle with Eastward, and with Eddie McLeod only making two appearances to kick converts during the Eastward game, the Westmounters still proved too powerful for the Eastward crew.

Only in the first quarter did the Fighters promise to make a tough battle for points dominated by the Westmounters.

Before the game, Co-coaches Roy Chesley and Mack Parsons told the players that it was up to them to carry the pigskin with an all out effort in order to make up for the players injured. As a result, Ducky Aird, a light, speedy halfback who has been troubled with an injured heel all season, turned in a sparkling performance. He scored the Westmounters first major and was chiefly responsible for the second when he intercepted an Eastward forward at the 35, flipped the ball to Archie Borland on a lateral and the latter brought the pigskin to the Eastward 25 yard line.

From there, several line plunges brought the ball to the Eastward two yard stripe, where Bobby Pugh plunged over on a quarterback sneak.

Eddie McLeod, suffering torn ligiments from the Three Rivers game, and wearing a heavy cast during the afternoon came out to attempt both converts. The stout hearted little halfback, still leading point getter in the league this season hobbled out after Aird had made his major in the second quarter, but his convert went wide of the posts.

Early in the fourth quarter he made his way out to the field again; slipped a blue peak cap over his tousled blond hair and booted the extra point on Pugh's major. Without hesitating or turning around, he limped off the field to the players bench waiting for his playmates to score another major so he would have another chance to score the extra point. But the chance never came, with Jim Simpson gathering the last point of the game on a long punt a few minutes after Pugh's major.

Also playing a fine game along the line was Harry Middleton, one of the biggest players in the league, who broke up numerous Eastward plays, while Des Findlay, Bobby Law, Al Robinson and Johnny Hiltz proved other chief stars on defence. Dave Binmore, who was captain of the junior Warriors all season turned in another fine performance at end.

While Sherbrooke is still yearning for a victory this season, Sunday's game is expected to be a hard fought contest, with the Athletics expected to open up an airial offensive throughout the contest. Coaches Chesley and Parsons have been drilling the squad on pass defensive plays all week, and will once more be faced without the services of Chambers, Lehman and Hiscock. Jack Black will be back in the lineup and McLeod will play his role of booting converts with a cast on if and when the Westmounters score a major.

Q.R.F.U. League Standings to Date

Westmount and Lakeshore are tied at the top of the league standing in the Q.R.F.U. senior division with 12 points each. In the junior division, N.D.G. and St. Aloysius are also deadlocked at the top of the heap with 14 points each.

Westmount Warrior Waterboy, Winston Chase, Widely Mourned

Youngsters throughout the City of Westmount mourned the recent death of playmate, Winston Chase, 10-year-old son of Mr. and Mrs. J. R. Chase, 10 Brooke avenue, who was paid final tribute at the Church of the Ascension of Our Lord, Westmount, Thursday morning.

The slim crinkly-haired colored boy, a student of St. Leo's Academy, and a member of the Westmount Recreational Department as well as the newly opened Unity Boys Club, died at his home Sunday morning after an attack of meningitis.

Was Waterboy

Reported to be playing sports only a few days before his death, the news was a great shock to all who khew him. He was the official waterboy of the Westmount Warrior juniors in the Q.R.F.U. league, and players of the squad wasted no time in making a collection at their Sunday afternoon game with Rosemount to send a wreath.

Allenby Moss, executive director of the Unity Boys' Club, paid high tribute to Winston. "Though I only knew him a short time, I will remember him as being a fine sport and great influence on other members of the club," he said. He also reported that the other youngsters in the club missed the popular youngster, who, as an active member of the organization was known by all.

Linder Pays Tribute

Herb Linder, Supervisor of Recreation for the City of Westmount also paid tribute to Winston, claiming that he was one of the best liked youngsters in the playground activities. He was a quiet, most likeable member," Linder said. "It came as a great shock."

Winston was also well liked by his school mates and members of the teaching staff, and was extremely popular with the players of the Warrior football team.

Always cheerful and pleasant around the players' bench, he is mostly remembered for his boyish enthusiasm whenever one of the players made a long gain into enemy territory; especially when his big brother, Johnny, a backfield star of the squad, was the ball carrier.

ONE TIME GREAT

Joe Wright, sr., one of Canada's great all-round athletes, died at 86.

Husky, white-haired "Mr. Joe," for years an outstanding figure in rowing, baseball, track and field, boxing and football had been ill since the death two years ago of his wife, the former Alethea Ainley of Toronto.

Westmount Senior A Whips Catholic High Rugby 11-0

The Westmount Senior A High School Football team will be out to scalp the D'Arcy McGee Squad next Wednesday, after grinding out a 11-0 victory over the Catholic High School team Wednesday afternoon.

It was sweet revenge for the Westmounters who won the battle from C.H.S. 11-0 after an earlier defeat by the same squad, 16-10, and they will be out to even the count with the Double Blue McGee crew who were also responsible for defeating them at the last encounter 6-2.

Westmount had too much power in every department at the game Wednesday, as they held the edge in ground, aerial and defensive plays throughout the afternoon.

Scoring 205 yards through their ground rushes, the Westmounters notched a major in the second and fourth quarters of the game, while Catholic High seldom threatened with only 55 yards gained along the ground.

The first major started from the Westmount 45 yard strip, with Ollie Lank and Doug Mariasine doing most of the pigskin lugging to the six yard line where Mariasine cut over left end for the major. Charlie Baillie added the extra point on the convert, making it 6-0, and the Westmounters hemmed in the Catholic High squad during the third quarter to keep their lead.

In the fourth frame, with about five minutes to go, the Westmounters gained possession of the ball at center field, and in consecutive plays ran the ball to the Black and White's three yard line. From here, Ollie Lank carried the ball to paydirt on a plunge through the middle to end the scoring.

Coach Jim Patrick paid tribute to the squad for a tremendous improvement in their blocking ability, and to Ray Baillie, Fred Hofman and Chuck Johnson in particular for a fine defensive performance.

The Westmounters attempted eight passes and completed five, while only three of the 13 passes attempted by C.H.S. went for gains. On five occasions, the Westmounters were able to smear the passer before the ball was thrown, making heavy losses on the C.H.S. side.

Jottings

In the Junior section, the Westmounters were not so fortunate with a 17-10 defeat in the hands of the Loyola squad. Ross Southward and Denis Drummond managed to rack up a major each in the fray but it was not enough to win the ball game from the Loyola crew.

The Westmount Soccer team of the Senior A division also suffered a setback in a tussle with Loyola. They failed to dent the scoreboard while the Loyolians managed to notch five points against the Purple and White squad.

In the water polo division, the inexperienced Westmount Club, back in the league after a four year lay-off were completely swamped by Baron Byng High School Wednesday afternoon, 17-3. It was pointed out that the game was entirely new to the Westmounters since the last team entered by the school was in 1946.

R.M.R. Rifle Team To Shoot Against R.R. at Quebec

The rifle team of the Royal Montreal Regiment will travel to Quebec City this week-end to shoot against the Royal Rifles.

Last year the Royal Rifles visited the Westmount regiment and defeated the R.M.R. in a match over the King's Medal Course.

The King's Medal Course consists of ten shots deliberate fire at 600 yards, 10 shots fired with movement 600 to 1000 yards, 10 shots rapid at 300 yards in 40 seconds and 10 shots snap at 300 yards with a three second exposure of the target.

The team to represent the Royal Montreal Regiment will be: Major Don MacRae, Captain; Capt. Perodeau, Lt. G. MacKenzie, C.S.M. Baines, C.S.M. Bent, Sgt. D. MacDonald, Cpl. Hamilton, Cpl. Clarkson and Pete. Hanson.

Major MacRae states that he is rather confident that, this year, his R.M.R. team will take the Royal Rifles.

Local Cubs Keep Active

Westmount Park Pack had their weekly meeting on Tuesday, October 17. Sixteen cubs out of eighteen turned up, all eager to learn something new during the meeting.

A fourth six was organized by re-organizing the three sixes in the pack. The new group chose the Tawny color for their six.

Two active games brought the pack to the instruction period in the program. Each cub was instructed in the particular test he was supposed to pass during the meeting or the following meeting. Bruce Anderson passed the First Aid Test in the Second Star Tests. Garry Anderson and Brian Bennett passed the Tenderpad Tests, and they will be invested in the pack on the 24th of October.

During the campfire, which followed, each six put on a little skit, after planning it for two minutes. The two new assistants in the pack were given their jungle names by Akela Poltrick. Miss Gudrun Dahlstrom and scout John Bieler are to be referred to as Bagheera and Rikki, in the pack.

St. Andrew's Cubs Have New Leader

St. Andrew's United Wolf Cub Pack held its weekly meeting under new leadership, Jack Preston taking over the duties as the new Akela, assisted by ACM T. Gilmour and it is hoped that Mrs. J. Preston will join the pack as Raksha.

The meeting opened at 7.00 p.m. sharp with the Grand Howl, this was followed by the investiture of New Chum Colin Adair to tenderpad and Ross Adair having opened his second eye received his second star. Mr. A. Gilhooly passed Robert Swift in Collectors Badge and Teddy Evans in Collectors and Homecraft.

Next week's meeting will take the form of a Hallowe'en Party sponsored by The Cub Mother Ladies' Auxiliary. This group of ladies have shown a very keen interest in the pack and it has been greatly appreciated.

Linder Leaves Recreation Post in City; Toronto Bound

Herb Linder, who made it a point to try and know every child and almost succeeded when he started working in the City's Recreation Department in March 1948, leaves his post today.

The Kenora, Ontario, born supervisor of recreation will be sorely missed by hundreds of youngsters in the area, who know him as just plain "Herb."

Mr. Linder is moving to Toronto, where he will occupy the post of Director of Recreation at the Leaside community center.

"I'm looking forward to my new post, but I hate leaving the kids back here," he said before leaving, adding that they were among the finest he has ever known.

"The people have been really great," he said.

Possessor of a long and varied career, Herb graduated from high school in hsi native Kenora and in 1942 joined the R.C.N.V.R. While serving five years in the Navy, he gained the rank of Lieutenant in the Special services division, and was one of the few in that branch to serve on board ship. He was with the H.M.C.S. Warrior for two years, as well as stationed in Scotland for another two years.

As a sing-song leader, recreational supervisor and handicraft teacher in Westmount, he was forever on the move.

In between his varied activities with the city, he managed to have enough time to do some industrial interior designing for various establishments in Montreal; a project which he calls a profitable hobby to have as a sideline.

He admitted before leaving that while he loves the work of dealing with children, it is always a little difficult to make a break to a new town or center, since there are so many youngsters he becomes attached to each time he works with a group.

"But I'll be back for a visit," he added, "just to see how they are all doing."

Westm't Woman Robbed in Taxi - Second in Week

For the second time in a few days, a woman has been attacked and robbed after hailing a taxi in Westmount.

Mrs. Marguerite Bieler, 42, of 531 Prince Albert avenue, Westmount, told police that she was robbed of her purse and ring worth $160 at 2 a.m. on Wednesday, whilst a passenger in a taxicab on her way home.

Mrs. Bieler said she hailed the taxi at the intersection of Claremont avenue and Sherbrooke street, Westmount.

The driver invited her to sit in the front seat so as she would get the benefit of the warmth from the heater, she told police.

After proceeding a short distance a bag was thrown over her head by a man hidden in the back of the cab, she said.

At St. Patrick street in Ville LaSalle, she was ordered to get out of the taxi.

Detective Merrill Lawton, of the Provincial Police special squad, investigated the woman's story, and turned the case over to Montreal City Police.

On Friday night, a Notre Dame de Grace 17 year old girl was seized by a man in the back seat of a taxi which she hailed at the corner of Victoria and Sherbrooke street, Westmount.

The girl told police that she was raped and robbed of $6 in her purse in the vicinity of D'Aragon street, Ville Emard, where she was left by the taxi-driver and his accomplice.
