WESTMOUNT, FRIDAY, OCTOBER 19, 1945

PRICE:— THREE CENTS

SIGN YOUR NAME TO VICTORY

Stirring Slogan Sparks Loan Drive

Last minute instructions for the Victory Loan campaign which opens here Monday, were given to the selling teams, at a final meeting held in the Green Room of Victoria Hall.

Denton Creighton, Victory Loan General Sales Executive, was the principal speaker, and in his talk to the assembled salesmen, he laid special emphasis on the fact, that citizens of this City, could show their appreciation and approval of Victory in no better manner, than by signing their name to Bond purchases.

His worship, Mayor Adams in his address, welcomed the salesmen and made an appeal to the citizens of Westmount to purchase bonds at their place of residence. During his talk, his Worship made a special appeal for citizens to await the call of their Victory Loan Salesman.

C. E. McKenna and W. Evans, joint organizers, informed the sales staff, that a greatly increased objective had been placed upon the local unit by the National War Finance Committee, but said that there was no reason to despair or this account, as bank saving deposits as of September 30th, were at a new high level across Canada.

Ten teams of six men each, will cover the city, and a pleasant as-

pect of the sales force is the fact, that many veterans have been enrolled in the different teams, in addition to several well-known local residents.

Following are names of the salesmen on the different teams:

A. R. Porter, A. B. Clark, Roy E. Mackenzie, R. E. Moore, W. R. Watt, J. H. Beare.

G. F. MacRae, F. E. Crane, P. Stephenson Macnutt, W. J. Neale, G. D. Stephens, H. W. Williams.

R. H. Smith, W. G. Fitzgerald, H. S. Jones, J. T. F. Peck, John Wood, Robert Wood.

Paul Bertrand, C. W. Hertzberg, M. Hughes, L. A. Dupras, H. A. McKean, A. H. Walker.

G. H. Tessier, L. L. Franks, W. H. Fowler, W. H. Hartley, W. R. Sinclair, E. F. Wainwright.

K. Leishman, J. Fauvel, C. W. Kennedy, Tom Robertson, G. H. Peck, C. R. Wilson.

M. Williams, S. G. Stanford, J. H. C. Brown, G. H. Cook, R. M. Murray, John Bousquet.

E. F. Adams, Charles Downs, G. H. Hawker, E. A. Sherrard, W. S. MacKay, S. Longmore.

J. E. Spinkle, T. J. Coonan, L. Wellington, A. V. Sinclair, L. F. Winchester, G. C. Shaw.

M. Kirsch, L. Kirsch, B. Ber- man, V. Michaels, Norman Rill, Myer Pins.

Clothing Drive Exceeds Quota

The response of Westmount residents to the appeal of the National Clothing Collection has been so generous as to utterly dispel any doubt about exceeding the allotted quota.

As a result of the overwhelming response to the appeal for used clothing, the work of sorting out the various clothes will continue, during the coming week, and the service of more volunteers in this work is required.

Owing to the shortage of help, many calls for pick-up service have been neglected, and the use of cars and extra workers to attend to this part of the work would be appreciated.

Warm praise is given by Arthur W. McMaster, Division Chairman, to the citizens of Westmount who contributed so generously, to the women of the Westmount Women's Club and the various churches and other organizations who so greatly assisted in the work of the Clothing Appeal.

Hallowe'en Party

A Hallowe'en Party sponsored by the Sergeants' Ladies' Auxiliary, 7th Recce Regt. (17th D.Y.-R.C.H.) is taking place on Friday, October 26, in the Sergeants' Mess 4185 Cote des Neiges Road, at 8.30 p.m.

Refreshments will be served.

Westmount Library

Starting Saturday morning, October 20, at 10.30 a.m., and continuing each Saturday morning, the winter months, the Story Hour for boys and girls will be held in the Children's Room of the Westmount Public Library.

PAUL A. McFARLANE

Paul A. McFarlane, 637 Sydenham avenue, vice-president of The Bell Telephone Company of Canada, who was re-elected chairman of the Trans-Canada Telephone System for the ensuing year at the annual meeting held in the Chateau Frontenac at Quebec City. R. V. Macaulay, 737 Roslyn avenue, assistant vice-president of the Bell Company, was named vice-chairman of the System that embodies all seven of the major telephone organizations across the Dominion.

Crest Designed For Ninth Loan

A figure 9 and a pen, inscribed upon a shield, has been adopted as the crest of the Ninth Victory Loan. The 9 signifies the Ninth Loan, and the pen represents the slogan of the campaign, which is, "Sign Your Name to Victory."

Lapel badges in the coming drive, which begins Monday, will be miniatures of the crest, which, in larger forms, will appear in many decoration schemes and other Ninth Victory Loan presentations.

Explaining the crest and slogan, officials said they symbolized the fact that, the war having been won, it is up to individuals to profit by the bounty of peace. One of the first steps in this direction, they said, was the purchase of Victory Bonds. The proceeds of these bonds are a major portion of the nation's necessary spending program, which, in brief, is largely devoted to the many factors which will shorten the transition from a wartime to a peacetime economy.

Each signature on a Victory Bond, it was pointed out, means that the signer is helping his nation and himself at the same time. These, in fact, are the long-awaited days when the pen has become mightier than the sword.

Change Of Date

The Captain Fryatt Chapter I.O.-D.E. sale which was to take place on November 1 and 2 will, owing to the holiday, take place on October 31 and November 2.

The sale will be held in the Quebec Hydro Building.

PROMOTED

Frank C. Whitaker, 49 Easton, who has just been appointed staff assistant reporting to the assistant vice-president, commercial, of The Bell Telephone Company of Canada. Mr. Whitaker is well-known in the west-end, being past president of the Westmount Rotary Club and former west district manager of the telephone company in Montreal.

Victory Gardeners

Victory gardeners, are herewith reminded that at the end of the gardening season, their gardens must be cleared of all corn stalks, and other like refuse, which may harbour pests or insect larvae.

This is one of the requirements upon which permission to use the land is given and failure to comply with this regulation may result in forfeiture of the land next year.

Westmount Family Returns To Great Britain

Mr. and Mrs. Edmund H. Brietzcke, and daughter Pat, 31 Springfield avenue, were aboard the S.S. Manchester Shipper, when the vessel left Montreal this past week, bound for Liverpool, England.

The Brietzcke family have severed their connection with Westmount after a period of residence which lasted for 25 years, and will take up house in Chichester, Sussex, England.

Mr. Brietzcke, who recently retired after 36 years service with the National Harbours Board, was a civil engineer, and in this capacity drew the charts of Montreal harbour, and other waterfront developments.

His educational chart "The Great and Small" designed and illustrated with the aim of interesting students in the natural wonders of the world, while refused by educational authorities as being too advanced, is conceded to be the work of a master craftsman.

VETERANS RETURN

More than 950 Montreal and district army personnel will return to Canada on Sunday, when the S.S. Ile de France is scheduled to dock at Halifax. M. E. Doke, general passenger agent, Canadian National Railways, said here today.

Travelling to Montreal on two C.N.R. special trains, they will arrive at Bonaventure Station on Monday. Included in the group are 36 women and 17 men who were serving overseas as a voluntary concert party.

WESTMOUNT HIGHLIGHTS

By GEORGE COCHRANE

Mr. John Jake Dickens, the short and ever smiling Westmount High School student whose classic features appeared in the air cadet skit of the Purple and White Revue '45 back in April, approached your favorite columnist not so many days ago and claimed that he had a very important announcement to make through the medium of Westmount Highlights.

Important announcements are our staff of life so we ordered Mr. Dickens to proceed post haste and quam cellerrime.

"I," said Mr. Dickens, pausing to reflect upon the beauty of that vowel, "am in charge of publicity for the annual fall dance of the Westmount Boys' Hi-Y Club. Wolfgang Peter Siemers, president of same organization, and James Jumbo Parsons, chairman of the dance committee, have asked me to ask you to ask your editor to ask the publisher if you could inform the solid citizens of this community that the soiree will be held in the not too spacious gymnasium of Westmount High School on the night of Friday, November 2 and the early morning of Saturday, November 3. Furthermore, all proceeds will proceed to charity."

Having delivered himself of this lengthy oration, handsome Jake genuflected and, with a wave of his hand, departed in the general direction of Sol's stationary Stationery.

It was approximately two minutes and 20 seconds later that James Jumbo Parsons appeared in the suit that he is wearing this month. James J. gave out with the same information as his publicity manager and then added, "The Westernaires, that great conglomeration of modern musicians, will be supplying the musical accompaniment for this all-important social event."

Starting time, quoth Jumbo, will be 9.00 p.m.

POST MORTEM

With only a disappointing number of couples present in Victoria Hall's lower ball room last Friday evening, ye Skyliners Orchestra opened their 1945-46 dance season. The Liners pleased those who attended and William Roberts, WHS grade 12 student who has been covering school football for The Herald this season, went so far as to say that Jerry Miller's boys are vastly superior to the Westernaires.

The Skyliners, however, are not too sad about last week's fiasco. The publicity attached to the event has brought them a number of offers, one of which is to play at the West Hill graduation dance next Friday evening.

By the time they put on another dance at Vic Hall, the Skyliners hope to have established themselves throughout Montreal to such an extent that they'll be able to jam the Westmount dance centre.

ITEMS

The Westmount Four, Bain MacAskill, John J. J. Pepper, Normie Hampton and Gordie Pfeiffer, will be playing at tonight's WHS Friday Night Party. Admission is free to students of the institution. . . Art Varonka, the songwriter of this metropolis whose forehead has been voted most likely to recede, was scheduled to give out with the world premiere of Week-End Love at last Friday's soiree but decided to postpone the big event when there was no orchestra on hand

to background the number . . . Tonight, Arthur? . . . Westmount High School was broken into some time over last week-end. Nothing was stolen and the only clue was a footprint. Call the Haney Detective Agency.

MORE ITEMS

Fred Tees and Bob Sproule will both be taking commerce at McGill this year. Tees is already an ex-sailor while Pappy expects his walking ticket, from the Canadian navy in another week or so. He has been serving on the destroyer Micmac. . . William Atwood Macdonald's learned treatise on the music of Duke Ellington, which appeared in the McGill Daily a week or so ago, earned him one fan letter. . . Quasi Common hopes to begin studying science at Dawson College in January. He's just out of the navy. . . Dave Laurin and Jim Macaulay, both about to become ex-Canadian sailors, have resumed scholastic work. Wavy-haired Dave is at a tutorial school while Macaulay makes a daily trek to McGill. . . Which reminds that Edwin Briggs is taking first year commerce at McGill. . . Sue Haire is in charge of the gals' Hi-Y household committee again this year. That's the fancy title bestowed upon the femmes who serve at the Hi-Y suppers. . . Wolfgang Peter Siemers, president of the boy's Hi-Y Club, is refereeing the elementary schools' football league games this season. He saw action for the first time Monday. . . Eric Gregory Swaine, who's out at Montreal West this year, is almost a sure bet for coach of this season's Roslyn School hockey team. Younger brother John is captain of the Roslynites' pigskin-chasers. . . Hear that the Westernaires will be playing at the WHS graduation dance a week tonight.

LIBERALS MEET

A preliminary organization meeting of the Westmount Young Liberals Association was held at the home of William Macdonald, 66 Chesterfield avenue, Wednesday evening. Plans for the first public meeting of the association, to which all young men and women of Westmount will be invited, were discussed and it is hoped that the group will begin holding regular get-togethers before the end of this month.

"At this time, when the entire world is reconverting from war to peace, it is more important than ever for young people to take an active interest in politics," said Mr. Macdonald. "The Westmount Young Liberals Association will give the younger generation in this city an excellent opportunity to become thoroughly familiar with the platforms of all of Canada's political parties."

Present at the meeting, aside from Mr. Macdonald, were Charles McCrae, Bill Milne and George Cochrane.

FAT RESERVOIRS

Many animals besides the camel carry reserve fats on their backs, but in a long, narrow strip, instead of a hump. A caribou may carry a band of back-fat weighing 50 pounds.

Domestic airlines operated 350 commercial liners before the war. Easy conversion of military aircraft is expected to put more than 1500 planes in this service shortly.

INSTITUTION HERE FILLED TO CAPACITY

In an interview with Walter Hatch, Manager, Homoeopathic Hospital, concerning present hospitalization possibilities for residents, Mr. Hatch revealed the following information:

"Whilst all Montreal Hospitals are filled to capacity at this time, we feel that the Community would be interested in knowing the situation at the Homoeopathic more intimately.

With a bed capacity of 125, the waiting list for admission to Hospital now stands as follows: Private 22, Semi-Private 112 and Public 50.

While it is true, many of these patients are not acutely ill, the majority of them would be prepared to enter the Hospital immediately, if the accommodation were available.

It is essential that the Hospital maintain a certain amount of its capacity available for emergency admissions. This fact is justified by the number of such emergencies which to date in the month of October has averaged three per day.

The pressure of such a high ratio of occupancy, taxes the energies of all Hospital personnel to the limit. With the shortage of personnel in some departments, the load has been eased, to a large degree, by the service of Volunteers, now going into their fourth year of valuable assistance on the wards of the Hospital. Tribute is also paid to those loyal Employees who have stood by their duties so efficiently during the War years."

Noted Speaker Gives Address

John A. Marsh, Special Assistant to the Deputy Minister of Munitions for Canada and noted goodwill ambassador to the Allied Nations, will address The Young Men's Section of the Montreal Board of Trade at their Opening Dinner Meeting to be held in the Windsor Hotel on Monday next.

Mr. Marsh recently completed a tour of the United Kingdom, Holland, Belgium and France where his magnetic personality and eloquence won him the highest of praise. In the last two years Mr. Marsh's audiences have exceeded the 100,000 mark, and his scholarly, friendly and sincere manner has done much for Canada and the Empire.

Psychiatrist Gives Solar Club Address

Dr. Ewart Hinds told members of the Solar Club that mental illness was one of the greatest health problems facing Canada today. Few people realized that, of necessity, there are more hospital beds for the mentally than the physically ill in Canada. Dr. Hinds, however, struck an optimistic note in explaining the success of modern and advanced methods of treatment in restoring some of the most stubborn cases to a healthy normal life.

Dr. Hinds was addressing a meeting of the Solar Club, held on Thursday evening last at the Homoeopathic Hospital. Following the speaker's remarks, it was announced that "The Hilda Galt Revue," a well-known Army Show, would be staged at Victoria Hall in aid of the Homoeopathic Hospital on November 28th next.

Regular Classes

The regular classes on the gym and in the pool are well underway. Evreybody will have to be on his toes this year, for the three groups—Preps, Junior and Intermediates will be competing against each other in numbers and attendance.

The Preps go on the floor with W. Kinrade and Junior Leaders giving direction. The Prep boys have a varied programme—Calisthenics, mat work—games and some apparatus work.

The Juniors are led by Dave Wood and have workouts on all the apparatus—basketball—floor hockey and advanced tumbling and mat work. This class has a grand time and is looking for more and better attendance.

The Intermediates this year can spread their wings. With Gerry Wright and Howard Mandigo putting the lads through their paces, we expect to see this class turn out some expert gymnasts.

Movies

The movies hit an all time high last Saturday. Everybody behaves well and as long as they do, we will have movies. This week's show is a picture interpretation of a famous book "The Count of Monte Cristo". It has all the appeal for old and young. So come and see it. Try to be on time (1.30 Saturday)—it helps.

Learn To Swim

There are still some of our members who cannot swim. If these boys come every Monday

ASIATIC DELICACY

The curious Asiatic fat-tailed sheep is raised for wool and the tail, which contains many pounds of fat. The tail is considered by natives of both Asia and Africa to be a delicacy.

SLEEPLESS FISH

Fish cannot close their eyes, and therefore they are unable to sleep in the ordinary sense of that term as applied to mankind. They have periods of less activity during the day and night, and it is then that they rest.

SHORT ILLNESS PROVES FATAL

Dr. John Finnie, 70, prominent Westmount doctor, died in the Montreal General Hospital, Tuesday night after a short illness.

Born March 20, 1875, the son of the late Dr. John Finnie, he graduated from McGill University as Doctor of Medicine and Master of Surgery in 1898, and then took post-graduate work in the Montreal General Hospital.

He first came to Westmount in 1909, when he transferred his practice from Coaticook, Que., where he had first established himself in 1903, and remained in this city for more than 30 years.

Dr. Finnie was a great lover of outdoor sports and was a life member of the Montreal Amateur Athletic Association. He was past president of the Kanawaki Golf Club and also of the Montreal Hurlie Curling Club. He was also member of the Can-Hunt Club, and the Tak-it-ey Fishing Club.

He is survived by his wife, one son, John Frederick Malcolm, and one daughter, Mrs. George R. Crowne, Senneville, Que.; one grand-daughter, Miss Mary Anne Crowne; a sister, Mrs. Robert J. Hines, Toronto, and three brothers, Albert B. and Alfred D. Finnie, Montreal, and Stanley G., Morrisburg, Ont.

The funeral services were held at Christ Church Cathedral. Interment took place in Mount Royal cemetery.

ST. JOHN AMBULANCE

Recent meetings of the St. John Ambulance Brigade in Victoria Hill were highlighted by the annual check-up of the Division's account books by Provincial Superintendent A. Proven, and the annual examination of member's work by Divisional Surgeon, Dr. J. Day.

New members who have recently joined the Brigade, benefited a talk and demonstration on general deportment which was given by Ambulance officer, J. Allie.

At the public reception of the M.R., members of the Westmount Division with reinforcements from Divisions 50, 179, 2, and 69 under the command of Superintendent J. Dalton lined the parade route and also manned the first aid stations.

Roslyn Home and School Association Hold First Meeting

Mr. G. H. Steeves, president of the Roslyn Home and School Association was chairman at the opening meeting of the organization which was held in the School Auditorium.

Mrs. Hamilton Marshall, Convener of the Parent Education Committee of the Quebec Federation of Home and School Association was present and spoke briefly on Child Study Group.

G. H. Penrose, principal of Roslyn School was the speaker for the evening and had as his subject "60,000 Families Approve."

In the course of his talk, the speaker said:

"Sixty thousand families, by becoming members of Home and School Associations in all parts of Canada, have signified their approval of the organization as a means of promoting Home-School co-operation.

"In Edmonton, Alberta, for example, the local associations have drawn the attention of the public to the need for up-to-date buildings and equipment for their schools, with excellent results. In Winnipeg, one of the local groups used the school grounds, a park and an outdoor bathing pool to provide a summer camp for city children unable to get away to the country for the summer. In Quebec province, the provincial Home and School federation gave unstinted support to the teachers' associations in their demands for a solution of Montreal's financial problems in education. In Nova Scotia efforts were directed toward improving the standards of education in rural schools.

"In addition many groups throughout the country have sponsored health and recreation projects of various kinds such as art classes, hobby shows, skating rinks, playgrounds, sports clubs, hockey and basketball supervi-

lon, field days, 'summer round-up' for medical examination of pupils about to enter school for the first time, provision of hot lunches and of noon supervision in rural schools, and classes in nutrition, first aid and home nursing.

Roslyn

"The Roslyn Association has for many years augmented the provision made by city and school authorities for supervised games, by providing additional supervision where needed, so that more children might participate. It has also taken an interest in visual education and has co-operated with the school authorities in making provision for the showing of instructional films.

"Perhaps more important than

G. H. PENROSE

RETURN ON LADY NELSON

Arrivals expected aboard the hospital ship Lady Nelson are Col. G. E. Wright, RCAMC, 5771 Cote St. Luc Road; Sgt. J. F. Armitage, RCASC, 7 Ellerdale Road, Hampstead; Cpl. M. M. J. McKee, 408 Metcalfe Avenue, Westmount and Capt. G. M. Smith, 10 Braeside Place, also Westmount.

the sponsoring of specific projects by local associations has been the contribution made in fostering a greater understanding of the nature and needs of the child, particularly his need for security and for independence. Of similar importance has been the development of understanding of the aims and methods of the school.

Where these are fully understood, the home and the school are able to work together as an efficient team in their common task of educating the child."

Social Club Is Planned

An effort is being made to keep together the large group of adults who participated in the putting activities at the Westmount Park course during the past summer. Plans are underway to hold weekly social nights at Victoria Hall for the players and their friends throughout the winter months.

An organization meeting has been called for Monday, October 29, at Victoria Hall, when plans will be discussed and a committee chosen to arrange the group's activities. Bridge, whist, cribbage and other card games are expected to be played and there is a possibility that refreshments may be offered as well.

All those interested in this group are asked to attend this opening meeting.

WESTMOUNT, FRIDAY, OCTOBER 19, 1945

VICTORY BOND OBSERVATIONS

Anybody can buy a Victory Bond, whatever his residence or nationality. American visitors, visiting United Nations aviators, have bought Victory Bonds. . . . So for that matter have felons undergoing penitentiary sentences. . . . Bonds are negotiable from hand to hand, just like any other Canadian money bills. . . . They can be registered in a given person's name, however, and thus become theft-proof.

The cost of floating a Canadian bond drive, including transportation, salaries, printing stunts, etc., is less than 3/4 of one per cent. . . . The vast majority of Victory Bond workers are volunteers, not paid in any way. . . . The cost of Victory Squares, parades, etc., in any Victory Loan is a very minute fraction of one per cent, the greater part of such stunts being underwritten by private concerns. . . . Many

firms underwriting stunts specifically request that they be given no publicity.

The bete noire of the door-to-door Victory bond salesman is the buyer who breaks his appointments, requires two, three or four calls before clinching the deal. . . . Many such salesmen, doing their ordinary work by day, do single campaign. . . . This newspaper space is their selling evenings . . . and repeat calls ruin their schedules, waste valuable time. . . . Montreal newspaper publicity for Victory loans, exclusive of advertising, if run as a single column, would be half a mile long for a the free-will contribution of a public-spirited press.

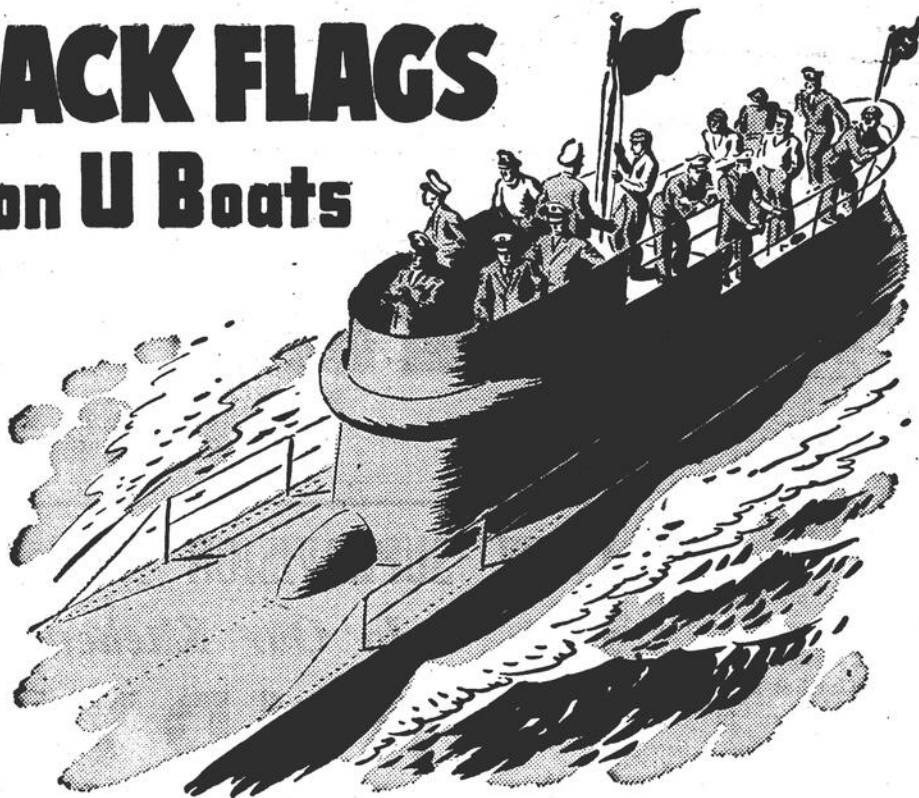

HOW ADVERTISING PAYS!

A man who seemed to know what he was talking about told me that a maker of one of the tablets that fizz when you put them in water disliked the Roosevelt administration so much in its early days that he decided to spend all his profits on advertising so he wouldn't have to pay any taxes, writes William Feather.

The upshot was that his business doubled, tripled, and keeps on growing. His taxes now greatly exceed his total earnings of a few years ago.

There's something amusing about this, although I can't say just what it is.

BLACK FLAGS on U Boats

When Nazi U-boat commanders hoisted black flags of surrender, it was a "go ahead" signal to the three out of every eight Canadians who normally depend for their livelihood on export trade.

For five years the flow of foreign trade has been largely a government responsibility. But now, to help create peacetime jobs, Canadian enterprise must do its full share in finding customers abroad. This means doing business all over the world, in strange and distant cities, in a hundred languages and currencies.

Canadian banks have a key role in this complicated but essential peacetime task. Every day their foreign branches and correspondents arrange credits, handle documents and perform other intricate operations to bring buyers and sellers together across the obstacles of distance, language and custom.

This banking service is of primary importance to business and to every Canadian worker as Canada turns to the task of re-creating trade abroad to provide jobs at home.

THE FORUM

Conducted by HOWARD S. ROSS, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

As a post-war project the formation of a strong department of religion at Yale was recommended in a report of the committee of ten appointed a year ago by President Seymour, to study the role that religion should play in a university. The committee warned against "moral and intellectual anarchy." It referred to "sharp increase in the amount of classroom dishonesty." A return to religion would go a long way, the report suggested, to counterbalance the existing conditions.

The new Parliament of Britain with ancient ritual elected Col. Clifton Brown to be its speaker. He served as speaker under the former government. Just before the ceremony began, youthful voices hailed the entry of Mr. Churchill, by singing "For he's A Jolly Good Fellow", to which the Labor Members replied with "The Red Flag". When the speaker began his address, he showed what he thought of this display; he had not imagined that he had been elected to be the conductor of a musical show!

The New York Times reports that the latest census of Roman Catholics in the U.S.A., Alaska and the Hawaiian Islands, as set forth in the official Catholic directory for 1945, shows an increase of 543,970 in the past twelve months and bringing the total to 23,963,671, the ratio of gain in a year being nearly 2.5 per cent.

Hon. Lewis P. Schwellenbach, newly-appointed U.S. Secretary of Labor, while serving as a Federal judge, gave his famous decision in OPA against the Inland Dairy Association. He held that: "The patronage dividend (refund) has been woven into the warp and woof of the co-operative system. To take from co-operatives the right to pay patronage dividends ultimately would destroy the co-operative structure."

As a senator, Lewis Schwellenbach was looked upon by Washington observers as one of the ablest and soundest progressive thinkers, and was described by the late Senator Norris as "one of the hopes of the U.S. Senate."

The U.S. war department recently released its figures on total casualties in the European war. They total 60,000,000, not including civilian deaths from bombing, starvation, mal-nutrition or disease!

"... inaccurate writing is generally the expression of inaccurate thinking."—Richard Grant White.

"Early in my propaganda career I learned the necessity for iteration and re-iteration in order to gain interested attention. There are so many things to attract attention, that only the most insistent can succeed. This is my excuse for quoting so much from others. There is also the fact that many people demand 'authority' in support of ideas presented by an unknown writer."—Warren E. Brokaw in Equitable Society And How To Create It.

Dr. Harry Emerson Fosdick retires from the pulpit of Riverside Church, New York (the Rockefeller Church) in May, 1946, when he will reach the age of sixty-eight. He has been a powerful force for the promotion of undenominational Christianity.

A survey covering 150 soldiers discharged from the Army, revealed that only thirteen were able to get into their old civilian clothes. One always suspected that those tales about the Army cooks were lifeless.

A shipment of U.S. nylon stockings diverted from Italy to Switzerland, arrived at Sweden. Women who knew of them from here and the movies, lined up at shops to buy them at \$4.15 a pair.

A total of 2,000,000 cigarettes are being distributed monthly by National Co-operatives Incorporated in the U.S.A., according to Advertising Age. The following from their advertising copy is the frankest advertising I have ever read. It is stated that the cigarette "afford the same degree of enjoyment to those who relish smoking any good brand and they contain about the same amount of nicotine and other ingredients generally believed to be injurious to health."

"The greatest of faults, I would say, is to be conscious of none."—Carlyle.

Cartels are based on a philosophy of scarcity, restriction of monopoly power over economic life. They are inherently contrary to the American creed of freedom opposed to the spirit of democracy and hostile to progressive improvement of the economic position of the majority. Because cartels are founded on the belief in privilege, they are outposts of political reaction, and barriers to forward movement of democracy in all its aspects.—Wendell Berry

The Observer, official organ of the United Church of Canada, recently charged that "public utilities of one kind and another throughout Canada are developing into a serious gambling menace."

"Theory is the soul of practice."—From Business Book-keeping and Practice

Britain's steel capacity will increase 20 per cent under a year plan. Also, a plan has been adopted for handling the rubber monopoly, and an export trade research body will be established. There will be new ovens, rolling mills, strip mills and blast furnaces.

"That the conduct of individuals is determined largely by the conditions under which they live, as well established as any principle of political science."—J. Smith.

THE CHURCH IS OPEN DAILY

Westmount Baptist

The question as to what Christ did between Good Friday and Easter Sunday has repeatedly evoked interest and enquiry. Peter makes a passing allusion when he says: "He went and preached unto the spirits in prison". The Morning Sermon in Westmount Baptist Church will bear the title "Spirits in Prison". The Message of Grace is positively a liberating, emancipating message. There are multitudes in moral shackles and spiritual concentration camps who should be liberated to enjoy the Freedom wherewith Christ sets free.

At the Evening Service the title of the sermon will be "Bringing in The Sheaves". Our Master had much to say about Fields White, all ready to harvest, and about the joys of those who engage in the reaping. Every Christian ought to be a recruiting agent for Christ. If this Practical Art were practiced by all Christian men and women the Church would be full, and the community electric with spiritual power.

A Young People's Sunday Evening Fellowship, in the Lower Assembly Hall, follows the Evening Service. An inspiring programme of song and witness will be carried through. Refreshments will be served. Young men and women are specially invited.

The Annual Fall Rally of the Baptist Young People's Unions of the City of Montreal, will be held in Westmount Church on Monday evening, with a Song Service beginning at 7.45. The speaker will be Mrs. J. R. McDonald, of Winnipeg. This lady from the Canadian West is a gifted speaker, with a challenging message. Young people of the City will be cordially welcomed.

The Prayer and Fellowship Service of the congregation is held on Wednesday evening, at 8 o'clock. Increasing numbers are attending this vital gathering. S. C. Simpson, who has recently returned from a visit to England, will tell something of what he saw in that war-battered but victorious country.

Calvary Church

The Services of Worship in Calvary United Church on Sunday will be conducted by the Minister, Rev. T. W. Jones, M.A., D.D.

At the morning service 11 a.m., Dr. Jones will preach on the theme "The Foolishness of Preaching", using the New Testament text as a focal point for thinking and speaking of preaching in relation to life today.

At the evening service at 7.30, Dr. Jones will preach on the theme "In the Cross of Christ I glory, Towering o'er the wrecks of time." All are invited to attend these services and share in the fellowship of Calvary Church.

The Church School will meet at 10 a.m. in all departments from Beginner's to Seniors. The Nursery Division and the Mission Band will meet during the Morning Service period from 11 a.m. to 12 noon.

The Young People's Union will meet on Monday, Oct. 22nd, at 8.15 p.m. in the Macaulay Hall. All young people are invited to attend. On Sunday night, October 28, the Choir will render a Special Musical Service under the direction of Mr. A. J. Binnie.

held on Friday evening at 8.15. The Teen Ager's Bible Class will meet Sunday afternoon in the Church at 3 p.m. Anniversary Services will be held on Sunday, October 28th. The Red Cross Society meets every Tuesday from 10 a.m. to 1 p.m.

Westmount Park

The Minister, Rev. George W. Goth, B.A., B.D. will preach at both services on Sunday. The topic chosen for the morning sermon is "Conversation at Noonday" being a continuation of the series of sermons being preached on the Galilean Ministry of our Lord. The topic of the evening sermon is: "A Church that Makes a Difference."

An enthusiastic start was made last Sunday with the Young People's Forum. The subject dealt with was "The Church and the Returning Veteran" with Mr. Goih presenting the case for the Church and Haston Scott speaking for the returned man. Free discussion was encouraged and was entered into whole-heartedly. These forums will continue and will be held each Sunday evening at 8.30. It is hoped that by this means young people will have an opportunity for the discussion, in a friendly atmosphere, of the many problems which face present day youth. The meeting was chaired by Bert King.

Commencing next Monday, the Red Cross will meet twice weekly; on Mondays from 1- to 5 and on Wednesdays from 10 to 5.

Other regular weekly meetings include: Carpet Bowling on Mondays at

ASCENSION SODALITY COLLECTS OVER \$500 IN RECENT DRIVE

The Sodality team, under the leadership of Miss Dorothy Lehman collected \$527.50 in the recent Catholic Charities Drive.

The candidates' classes, under the supervision of Miss Marjorie Cook, will commence on Sunday.

Miss Eileen O'Brien was awarded the Sodality prize at the recent

St. Paul's Academy Graduation. A closed retreat is being planned by the Eucharistic committee from December 14 to 16, at the Bernadette Retreat House, St. Johns, Quebec.

It was moved at the meeting that the Sodality hold a membership campaign in order to increase their membership; and Miss Joyce Clarke, prefect, informed the meeting that the Sodality had been

asked to support the coming raffle being sponsored by the Westmount Subdivision of the Catholic Women's League in their efforts to raise money for the Ascension Parish Rectory Fund.

The Sodality bowling team got into action on Tuesday at the Knights of Columbus Hall. It was also stated that plans are being made to stage a musical show in the early spring.

UNRRA Urgencies Revealed At Westmount Women's Club

The destitution in Europe, and the work being done by the United Nations Relief and Rehabilitation Administration to alleviate it, was outlined on Friday by Andrew Cairns, Director of the Food Division of UNRRA and also Secretary of the International Wheat Committee.

Westmount division of the National Clothing Drive, paid tribute to the loyal co-operation of members of the Westmount Women's Club who, in Victoria Hall, have sorted and packed the donations of clothing in cartons.

It was reported also that sixty Ditty bags had been filled by members of the club, under the co-ownership of Mrs. L. L. Stewart, for the Navy and Merchant Marine.

Cream Shampoo Quickly Restores Hair Highlights

TONI TUCCI: Glimps

The lazy girl's dream of getting summer out of her hair can come true by simply combing out the bad effects of sun, salt water and chlorine.

If you think that's too easy an escape from summer's penalties, w-a-i-t. Hear out glamorite model Toni Tucci, who says cameras won't wait on tedious reconditioning.

Calling it her "rave cream," Toni says it owes its spectacular performance to lanolin which, fused into a milky lotion, penetrates the hair shaft and revives luster from the inside out.

To whoop up luster all the way to the scalp, this glamor-wise model uses a soapless shampoo cream for washing her hair, and a tablespoonful of the liquid cream, dissolved into a pint of water, for rinsing.

The tendency for young people to leave the family farm and move to the cities may reflect the inadequacy of Canadian farm housing standards.

Speedy Relief Mr. Cairns stated that the UNRRA contributions were made without discrimination on the grounds of race, creed, color, etc. Just back from Europe, where he had been constantly in touch with missions in different places, he stated that there was no shadow of doubt that the needs were far greater than UNRRA's finances can meet.

Fats and Oils UNRRA can get only 20 per cent of the fats needed, Mr. Cairns stated, and stressed that any campaign here to save fats and oils would be of the greatest importance and most welcome.

In answer to questions as to why the United Kingdom's food was so dull and monotonous, he answered that this arose in part from a scarcity of refrigerated shipping space, and from lack of fats and oils.

Mrs. E. M. Briggs, president of the Westmount Women's Club, presided at the meeting, and the mayor of Westmount, Mr. Percy Adams, introduced the speaker.

Mrs. Armand Davis sang a group of songs, accompanied at the piano by John Cook.

Sign to-day FOR TO-MORROW'S DREAMS

When you pick up your pen and sign for your share of the 9th Victory Loan you won't be dreaming or thinking of dreams. You will be dealing with realities.

You will be doing your part to help Canada meet her many obligations in the years ahead. Money is needed to support our men in the army of occupation in Germany and to meet the obligation we all owe to those who fought in Europe.

When you have your Victory Bonds you can dream or plan as you wish ... of a new home ... new furnishings

... a new car ... of a better education for your children ... of any or all the things people want to have. When today's realities are taken care of those dreams of yours can become realities too for you will have the means to make them so.

There's no better way of making dreams come true than to buy Victory Bonds today to the limit of your ability. The objective for the 9th Victory Loan is higher ... there will be only one loan in the next 12 months. In that period with the same rate of savings as in previous loans you can buy twice the amount of bonds.

HOME EDUCATION

An Educated Heart

HELEN GREGG GREEN

Parents teach their boys and girls most of the lessons they consider important, but they often overlook what Sir Walter Scott called "the education of the heart."

I am thinking of a poised, charming girl of fourteen by the name of Marilyn. She knows all the variations of etiquette that a child is taught by a fashionable mother and a private school of distinction, and carries them through as beautifully as her older sister—a senior in a high class finishing school.

Marilyn is always smartly dressed and has learned to be an intelligent shopper, able to make her money go far. She can cook and sew and is a talented musician. For all this, credit is due not only to Marilyn but to her mother and her teachers. But in the education of the heart they have been remiss.

Marilyn and I were recently standing by an elevator in the apartment hotel in which we both live. I remarked that I was in a great hurry to go down as a guest of mine was suffering from a severe case of neuralgia. Marilyn said disinterestedly, "I am going to take a sun bath on the roof!"

Although there was only one elevator in service at the time, it did not occur to the child, for whom I had often done kindnesses, to say, "You go first and get the aspirin; I'm not suffering—I can wait for my sun bath."

When the elevator came, she got in and left me waiting.

At another time, I had been detained and was late for an important Red Cross meeting. Marilyn happened to drop into the apartment. Fidgeting, I explained, "Excuse me, dear. I'm trying to meet a deadline." And then I said, more to myself than to Marilyn, as I hurriedly started laying out my bag and gloves, "I'd like so much to find some one to stay an hour with our new neighbor's little boy. Her nephew is leaving for the army and she so much wants to see him off."

It never seemed to occur to the child to suggest, "I'd be glad to keep Bobby for an hour."

It is rather pathetic to see such a gently reared girl so lacking in thoughtfulness, kindness and consideration for others.

Why don't we all try to teach our boys and girls to be kind in a kindly way? Some people think they are being kind when the manner in which their assistance is given is so cold and impersonal that the kindness is almost lost in the seeming too-great effort of doing the deed.

I recently heard of a busy mother of five children who illustrates what I mean by the education of the heart. Although she had no one with whom to leave her little ones nor to help her get them ready, she planned and carried out a shopping treat for a little old lady who lives in an old ladies' home.

"She loves to go through the stores," the mother explained, "and it is impossible for her daughter to take her as she works during shopping hours. So I made plans for the two eldest children to have lunch with their father, the twins to go to a movie, and the youngest to be left in the care of a volunteer mother's helper, while I gave Mrs. Beatty a treat. I let her browse through the stores to her heart's content."

Not a word from her about all the trouble to make "the treat" possible! That mother of five possessed an educated heart, and she is passing on the beauty of that possession to her children.

THE YOUTHFUL FASHION PICTURE

Practical snug outfits are pictured here for Jack and Jim. The clever sewer at home could get the same results from re-making adult worn garments into smaller editions for the young fry.

- Braised Veal Steaks**
- 4 leg steaks of veal (about 1 pound)
 - 2 tablespoons fat
 - 2 ounces salt pork
 - 1/4 cup flour
 - 1 1/2 teaspoon salt
 - 1/4 teaspoon pepper
 - 1 can condensed tomato soup, diluted with 3/4 cup water
 - 1/4 cup sliced onions
 - 1/2 teaspoon celery salt
- Pound flour, salt and pepper into both sides of veal steaks.

Brown slowly about 10 minutes per side in hot fat and cubed salt pork. Add tomato soup, onions and celery salt. Cover and simmer about 1 1/2 hours, or until tender

Hints On Fashions

Pretty little date dress. One-piece frocks that borrow a two-piece look give emphasis to the skirt and blouse theme. This pretty little date number has a top of black jersey made with a boat neck, short sleeves and a back-buttoned closing. The skirt of vanilla beige jersey is gathered in front and gored in back. A bunch of red roses with green leaves is tucked through the black belt.

Return Little Favors For Kindness Extended

When you rent a room, don't take too much for granted. Your hostess may be filled with warm-hearted sympathy for you, especially if you've been looking for and she has just decided to rent room or two to help out. It will benefit you both if you keep the arrangements as businesslike as possible, for at least the first few months.

After that you'll know just how much a member of the family you may consider yourself. If you decide to spend half your evening with them, read their magazines, use the telephone freely, and the ice box occasionally, be sure you reciprocate some of these favors with little kindnesses that will show how much you appreciate them. A few offers to help her and there, an occasional smile present, will please everybody and you'll no longer even think of yourself as "a lodger."

Opening Reception Held By Maritime Club

The Maritime Women's Club Montreal, Inc. held a reception Saturday afternoon. Mrs. A. D. [unclear], the president, was assisted receiving by Miss Dais L. Gass, Miss Anne Fraser, Mrs. J. E. [unclear], Miss Margaret Murray and Miss Mary T. Hutchings. Mrs. Ross, after welcoming the members and their guests, outlined the program for the coming year. Vocal numbers were rendered by Margaret Messenger and Hazel Barrett, accompanied by Aldreth Neville. They were thanked on behalf of the Club by Miss Bertha Rogers.

Miss D. L. Gass, Mrs. G. R. MacLeod, Mrs. W. F. Norfolk and Mrs. G. Lapraik presided at the tables.

Good Grooming Helps To Offset Complexion Faults

Give skin night care

Buck up, you teen-agers who think all is lost because nasty blemishes mar your skin. Some flare-ups are superficial, and for these temporary nuisances there are eight-hour creams which, put on before you go to bed, can ease a headache overnight.

If the trouble is chronic, follow your doctor's advice in treating it and faithfully use the healing lotion and powder he recommends, and now you can still match looks with any girl in your crowd.

Use your lipstick as a red banner to flag attention away from troubled skin.

With the same idea in mind, make eyebrows models of good grooming by tweezing 'em clean. Darken them, if need be, with an eyebrow pencil to enforce color. To make orbs underneath look pretty special, use eyelash pomade to gloss up your fringes.

You want also to pull audience

eyes to your hair by these decoys: freshly-shampooed shine, simple, tailored outlines and the cleanest hair-parting you can draw.

Repeat the well-defined, uncluttered look of your hair in a hat. Sharply outlined and fuss-free berets, visor caps, sailors and other types of "haberdasher" hats are better for your purposes of strategy than fancy millinery.

What goes below your face? Just as a slick little tailored topper on your head makes an eye-compelling frame above your face, so will the starchiest white collar you can snap on whoop up appeal below. Pose this neckwear for sharpest effects against dark dresses, and change to a fresh collar every day, so that both you and your clothes have an out-of-the-handbox look.

Home Cooking Sale

A sale of work and home-cooking will be sponsored by the Westmount Conclave No. 4 True Kindred, in the N.D.G. Community Hall, cor. Decarie Boulevard and Cote St. Antoine Road, tomorrow afternoon and evening, in aid of benevolence.

The sale will be opened by Mrs. S. Bleackley.

Rummage Sale

St. Luke's W.A. will hold a rummage sale on November 1 at 1.30 p.m.

Canada's daily war production bill rose from \$1,500,000 in 1940 to a peak of \$9,000,000 in 1942. Since the beginning of 1945 it has averaged about \$6,000,000.

Membership Tea

The monthly meeting of the Westmount Subdivision of the Catholic Woman's League is being held this afternoon at three o'clock in St. Leo's School Hall. An attractive programme has been arranged by Mrs. William Boyd, membership convener, in anticipation of welcoming new members.

Miss Denise Mainville, pupil of Sarah Fischer, will sing, accompanied at the piano by Miss Edna Maria Hawkins.

A buffet tea will be served.

Cream of Celery Soup With Olives

- 1 bunch fresh celery leaves
- 1 cup chopped celery
- ½ cup chopped onion
- 3 cups boiling water
- 1 teaspoon salt
- 3 tablespoons butter
- 4 large stuffed olives, chopped
- 3 tablespoons flour
- 1½ cups milk

Cut leaves from a bunch of celery and tie together. Put into a saucepan with the chopped celery, onion, boiling water and salt. Cover and simmer for 30 minutes, then take out the leaves. Melt fat in top of double boiler over direct heat. Add olives and fry gently for five minutes. Stir in flour, mixing constantly until smooth. Add milk, celery and onion mixture, with the liquid. Heat, stirring constantly, until thickened. Place over boiling water and cook for 15 minutes. Add pepper to taste.

Turkey Supper

St. Luke's W.A. will hold a turkey supper and fair on Friday, November 16, in the church hall, commencing at 3 p.m. Mrs. Parker, 2340 Hampton Avenue, and Mrs. Ward, 3821 Hampton Avenue, are conveners of the sewing table; Mrs. Moulton, 39 Dufferin Road, the food table, Mrs. Vall and Mrs. Van Wagner, supper conveners; Mrs. Hamilton and Mrs. Taylor are in charge of the dining room where the committee of stewards will be in attendance from 6 to 7 p.m. Miss MacDonaid will convene a fish pond for the young people, and W. MacDonaid, representing the Half-Way Club, is sponsoring a musicale. Tickets may be obtained from Mrs. Moulton.

Rural Scene

We're waiting for the green light. When telephone men and materials are back again, we'll resume our rural expansion program where we left off. First job of all will be to supply service to families on our waiting list. Then will come such major projects as extending facilities into new areas; replacing "veteran" equipment; raising standards of service. Simply to relieve present crowding on rural lines will mean running more than 8,000 miles of wire from present pole lines. Then we'll need extensions to the pole lines themselves — some 2,500 miles of them — to reach additional communities. Wherever we find one family per half mile of main road wanting telephones, we plan to construct pole lines to serve them.

It all means PEOPLE AT WORK... work which must be done, if telephone service is to keep pace with rural needs. It is work which calls for the efforts of linemen, service men, operators, office workers. To get it done, we'll need not only every present Bell employee, plus all those now away on military service, but many more workers besides.

BRIGHT WALLPAPERS PERK UP SPIRITS WAR-WEARY BRITISH

Dark green goldfish swimming in a lighter green pool, French poodles sitting on blue cushions, pale acorns scattered on lemon ground—these are some of the wallpaper designs which modern artists offer a British public weary of its grubby color-washed wartime walls.

There are many less modernistic, too. Patterns, ornate, elegant, and decorative, or just pleasant, are among the 180 recently designed by ninety-eight artists for the Central Institute of Art and Design for an exhibit at the Suffolk Galleries, London. Each artist worked independently. Tones on the whole are bolder and deeper than the color washes which most British homes have had on their walls during the past six years.

The crowds of housewives, art students, school boys and girls, businessmen, soldiers, sailors, airmen who flocked into the exhibition rooms left no doubt about a sincere, general interest in wallpaper as soon as supplies are available in larger quantities.

Wallpaper is on the priority list for post-war manufacture.

A modern Noah's Ark by John Salmon, a boy of 15, designed for a nursery dado, seemed to have some new creature in it every time one looked at it. Squirrels at play, in white and green with dashes of flame color on a blue ground, suggested several interesting combinations of colorings for a day nursery. One could visualize the squirrels on the wall, the ceiling washed in pale blue with woolly white clouds flitting by, pale green curtains, with spots of flame here and there in accessories. A white French poodle, sitting on a blue cushion on a petunia ground, was there for the child dog-lover.

For the drawing room and lounges. Frances Stewart's baller-

ina design suggested a setting for Victorian or Regency pieces, while her more modernistic castles in the air were background for newer treatment.

Part of the exhibition displayed historical wallpapers from early 16th century down to 1936. There were allover prints on dark backgrounds, Jacobean print patterns, Gothic rosette, old chest lining papers, Elizabethan wallpapers with panels repeated, with arms of England, Tudor roses, and original pieces recovered from wattle-and-dab walls.

Queen Elizabeth visited the exhibition.

OUT OF THIS WORLD! Cass Daley, Diana Lynn, Veronica Lake and Eddie Bracken in a scene from the hit film "Out of This World," which starts Saturday at the York United Theatre, playing until Tuesday night.

"Billy Rose's Diamond Horseshoe" Dazzling Technicolor Hit

Score another sensational musical hit for Betty Grable and 20th Century-Fox. In fact, "Billy Rose's Diamond Horseshoe," which is now playing at the Westmount United Theatre with glamorous Grable at her best and 20th Century-Fox going all-out with a spectacularly eye-thrilling Technicolor production, easily tops the year's musical field in outstanding screen entertainment. Packed with wonderful songs, high hilarity, dazzling dance routines, and gorgeous gals — and with Dick Haymes co-starred with Betty in the enthralling romance — "Billy Rose's Diamond Horseshoe" makes for exciting fare from start to finish. As its title indicates, the picture is set against the background of Billy Rose's world-famous

"Diamond Horseshoe" just off New York's Times Square. It takes movie audiences behind the scenes of this fabulous night spot and into the lives of the people who make Broadway entertainment history. Betty Grable is seen as Bonnie, the girl with the most beautiful legs on Broadway, a headliner in the cast of the "Diamond Horseshoe" show, fiercely jealous of her position, and hardened to everything but her own success. When fate spins a romantic web over which Betty trips and falls head-over-heels in love with Dick Haymes, son of her bitterest rival (William Gaxton) for spotlight honors, Betty is faced with a challenge that serves as a basis for one of

the most intriguing love stories of the year. In more than the immediate, obvious sense, her current film shows Betty Grable off to better advantage than ever before. Betty (complete, of course, with her justly celebrated underpinnings) sings and dances in the style that has made her America's undisputed Pin-Up Queen. Her handling of scintillating song hits by Mack Gordon and Harry Warren plus her dancing in the spectacular "Acapulco" number are brilliant highlights in the film, and are treat enough in themselves. But more than that, the exciting and moving story reveals her as a really top dramatic actress. Dick Haymes garners new honors in this, his most important picture to date. The young singing sensation's easy charm, high acting ability and terrific way with a song make him a sure-fire bet in any picture. In addition to Grable and Haymes, Producer William Perlberg has packed "Billy Rose's Diamond Horseshoe" with a galaxy of top stars from the screen, stage and radio. There is Phil Silvers, easily one of filmdom's top comedians, at his hilarious best; William Gaxton, with the sure skill that has made him the idol of the Broadway musical comedy stage; Beatrice Kay, the celebrated "Gay Nineties Girl" on the screen for the first time; Carmen Cavallaro, the popular wizard of the piano keyboard; the international favorite, Willie Solar; and others. Keep an ear cocked for "I Wish I Knew," "The More I See You," "Acapulco" and the other swell songs in the picture; you'll be hearing plenty of them on the hit parade. Hermes Pan devised the spectacular dance routines that help make this film such an eye-filling treat. "Billy Rose's Diamond Horseshoe" was directed by George Seaton, who also wrote the screen play. This marks Seaton's first chore as a director, and his bright and sparkling results bode well for his future in this field.

NEW LAUGH HIT! Spencer Tracy and Katherine Hepburn in a scene from "Without Love," which opens at the Westmount United Theatre on Sunday, playing for one week. The top-notch cast includes Lucille Ball, Keenan Wynn, Carl Esmond and Patricia Morrison.

John Blythe; Aunt Sylvia, played by Alison Legatt, and Grandma Flint played by Amy Veness. In the house next door to No. 17 is Bob Mitchell, played by Stanley Holloway, with his son Billy, played by Johnny Mills, Sam Leadbitter, played by Guy Verney, is courting Vi, the elder daughter and the little girl-friend

of Reg is Phyllis, played by Betty Fleetwood. **OLD-NEW CROP** Soybeans, one of the newest crops to be cultivated in the United States, is one of the oldest crops grown by man, being mentioned in Chinese writings of 4800 years ago.

"This Happy Breed", York

"This Happy Breed," the much-talked about Technicolor film written and produced by the famous Noel Coward and featuring Robert Newton of "Major Barbara" fame, Stanley Holloway and two members of Noel Coward's last picture, "In Which We Serve"—is now playing at the York United Theatre. Noel Coward wrote the story of a simple English family, living in an unpretentious little house in a South London suburb. He wrote it as a stage play, took it on tour in the English provinces and subsequently appeared in it in London. The play was an instantaneous success and it has now been filmed in Technicolor with an all-star cast. The title comes from the famous Shakespeare line "this happy breed of men" and the author takes the members of one small English family, living in a London suburb, between the last World War and this as his characters, Noel Coward has forgotten nothing in his delineations, for here is the essential humour of the Londoner, the courage, the wit, the philosophy of the people who inhabit the little houses that stand, cheek by jowl, in a thousand city streets. People like the Gibbons are an integral part of London's pride . . . just ordinary, simple, dignified, brave souls, bearing their humdrum burdens and rising, when called upon, to face their domestic or national crises. In his little London house, No. 17 Sycamore Road, Noel Coward puts Frank Gibbons, the father, played by Robert Newton, Ethel his wife (played by Celia Johnson) and the children—Vi, played by Eileen Erskine, Queenie, played by Kay Walsh, and Reg, played by

"This Gun for Hire," Paramount's exciting drama, starring Veronica Lake and Robert Preston and featuring Laird Cregar and Alan Ladd, now playing at the Snowdon United Theatre.

Right from the start "This Gun for Hire" fastens a grip that remains unrelaxed until the very last scene. Here is a new film that has a powerful fascination, from any thing you've seen before.

Returning to the dramatic pace she set in "I Wanted Wings," Veronica Lake, last seen in a comedy role in "Sullivan's Travels," turns in a glowing performance as the girl embroiled in a killer's flight in "This Gun for Hire." Heart palpitations are inevitable when this shapely Lake gal is on the screen.

Alan Ladd, a sure bet for screen stardom, is seen as The Raven, a callous killer sought by the police

for murder. He seeks vengeance against a pair of double-crossers who turn out to be Axis spies. His performance has the surprise and effect of a shot in the dark. But despite its cold, quiet, ferocity, Ladd's role has plenty of sympathy! You're going to see a lot of this handsome young man from now on!

Robert Preston, as Veronica Lake's detective boy friend, who amputates Alan Ladd's crime career, has an exciting part and acts it to the limit. Laird Cregar, one of the screen's best new featured players, and Tully Marshall are excellent as a pair of cunning and ruthless Axis agents.

"This Gun for Hire" tells the story of a ruthless young psychopathic killer who is betrayed to his death by a moment of weak sympathy for a girl he holds hostage against the police.

Former Sea Scouts Holding Reunion Many Now Discharged From Services

At a special meeting held recently in connection with Sea Scouting, it was decided to hold a re-union of all former members of the nautical branch of the Boy Scouts Association in the Montreal District.

The committee in session believe that this autumn is the opportune time to hold such a gathering for, although there are still a number of "graduate" Sea Scouts overseas, there are many back in town, and more turning up all the time. It was felt that those who had been in troops here before enlisting in the armed forces would welcome the opportunity of getting together and swapping yarns. And what stories some of them will have to tell of their experiences in all quarters of the globe, for the Sea Scouts of this District have an enviable record of enlistments.

Of course the largest number, naturally, entered the Royal Canadian Navy, and some made great names for themselves in the senior service, but many made good in the Army and the Air Force too.

Sea Scout Training Helped

The reports at the meeting emphasized that each former Sea Scout who has spoken to any member of those present has expressed in no uncertain language the opinion that the training he had received in his Scouting days had been of tremendous help to him in carrying out his duties in the King's service, whether it had been in the Navy, the Army or the Air Force that he had happened to serve.

Unfortunately, there is no accurate record of the number of former Sea Scouts who served in the Forces, but it was reported at the meeting that from one troop alone there were eighty-five, 57 of whom were in the Navy, which bore out the general opinion that the percentage of ex-members who had been on active service was high, and that the greater proportion had served in the Navy.

Welcome Home

Not only is the proposed get-together for the purpose of giving the ex-Sea Scouts the opportunity of meeting each other again, but it will give the Sea Scoutmasters and officials an opportunity to welcome them home. Also, it is believed to be an opportunity to tell the "graduates" how Sea Scouting has carried on in their absence. There is no doubt that they will be pleased at the report they will hear; for in spite of all the handicaps of wartime, Sea Scouting has made decided progress during the past few years.

The exact nature of the get-together was not decided, but a sub-committee will be appointed to make suitable arrangements. In the meantime, however, all former Sea Scouts at present in the city are asked to communicate with the officials of the units of

which they were members, or telephone Cyril Dendy at Scout headquarters, PL. 7951, for further information.

Among those present at the meeting were G. Ross Hutchins, vice-chairman of the Sea Scout committee of the Montreal District Council, R. C. Stevenson, Sydney E. Webster, G. Robley Mackay, A. B. Morris, C. N. Draper, T. D. Archibald, Robert Magnussen, F. R. Campbell, C. J. Dendy, W. J. C. Hewetson and Alan Ingham.

STILL NOT ENOUGH

Harvey Meehan, Omaha, Neb., football player, made a 50-yard run, but lacked seven yards of making a first down. His team had been set back by a penalty, a loss and a blocked punt, which Meehan recovered and ran back.

ROSLYN NEWS

By Kent Clegg and Richard Freedman.

The girls in Gr. VI Rm. 13 wished to raise some money for the Junior Red Cross. So one of the members, Catherine Folkins suggested an auction sale. The sale was held on Friday afternoon, October 12, and the sum of eleven dollars (\$11.00) was raised. The class wants Mrs. R. B. Shaw, Supervisor of Junior Red Cross to decide how this money should be used.

Grade 5, Room 18 started basketball Wednesday.

Room 20 reports that their Red Cross group, The Junior Workers, have a meeting once a month. The president is Ruth Silver.

The first inter-school rugby game of the season at King George Park, resulted in the defeat of Roslyn team, by a score of 10-0. More information about this game will be found in the sport section.

Next game is against the Queens School team at King George Park, this afternoon.

ST. LEO'S SPORTS

by BOB LUNNY

With St. Leo's Senior B club on the improve with every game, the old question: "Are St. Leo's planning to return to Senior A football circles in 1946?" has been revived. St. Leo's were in Senior A company back in 1939 and 1940. Those close to the Academy football scene could wish for no more than a chance to return to senior ranks but at present can see no prospect of moving up as all figures and facts point to the contrary. The casual observer may ask, "Well what has Loyola, Catholic High and D'Arcy McGee got that makes them click in senior football?" Now let us first of all compare the student body of these three big schools to St. Leo's. These three schools have anywhere from six to eight hundred boys in their high school; St. Leo's a meagre 92. They have a twelfth year; St. Leo's has not, with the result that our boys graduate and leave the school before they hit their football prime. St. Leo's had a total of 19 boys out for their Bantam Squad while the bigger schools had as high as a 100 trying for places on their Bantam teams. Some of our best young football prospects leave school prematurely and in many cases use their experience gained here against their old mates. On the other hand, St. Leo's seldom secures football talent from any other school. At least 33 per cent of all the boys in the high school are actively engaged in football and to match this the other three schools would each have to have over two hundred boys in competition.

ODDS AND ENDS

Catholic High's Senior football squad received a set-back when their popular and successful coach, Brother Xavier, was transferred by his order to new fields of education. Brother Xavier, quiet and unassuming, never shared the football limelight that was his due but many well drilled Black and White football aggregations owed a large measure of credit to this shrewd football strategist that astounded school football fandom when his team upset the supposedly invincible West Hill Red Raiders for the City title in 1942. . . Bob "Swivel Hips" Mace turned in a star-studded performance when his team administered a 11 to 0 coat of whitewash to West Hill's Senior B team. Bob was really cooking with gas as he burned the ground for long gains around the west-enders' ends. . . Bob Bulger, former Academy football great, has been giving a hand at coaching the line of the two teams and his sound advice on line tactics has been producing results with both the Bantam and Senior B lines showing improvement. . . Jimmy McCarthy, no relation to Charlie, is showing sound judgement at the quarterback post of the Senior B team. Jimmy has also been finding time to wheel off some mighty fine gains as a ball carrier. . . One wonders how Loyola seniors allowed themselves to be lulled into a two week lay-off prior to their game with West Hill. No team with such a long lay-off from active competition could possibly have hoped to beat such a smart team as West Hill. There is no substitute for good strong competition to put a team on edge for an all important game. . . There is talk of challenging Westmount High Seniors to a game if our Senior B Club fail to make the post season playoff series. The game could be billed as for the school football championship of Westmount and would give both schools a chance to renew the friendly rivalry that has always existed between these two Westmount schools.

Efforts are being made to re-

new our contract with Lachine Arena for ice on Saturday mornings throughout the hockey season and it is likely the same arrangements will be in force as last year. . . Huskies throwing a ball around in the school yard could find a more interesting way to get rid of their excess energy by turning out for the Senior B team. . .

The Senior B club will close out their home stand at Westmount Park on Wednesday when they will engage the formidable Town of Mt. Royal High School in what promises to be a humdinger of a football game between two of the better teams in Senior B company. The kickoff is slated for 3.30 p.m.

MICE HARVESTERS

Mice are used as harvesters by the Eskimo. Instead of digging laboriously for the potato-like roots of the mushoo plant, the Eskimo waits until mice have dug and stored the roots. The Eskimo helps himself, but leaves enough for the mice and adds some dried fish for good measure.

EARLY "DIVE BOMBER"

The pteranodon, prehistoric creature with a 22-foot wingspread, used "dive attack" tactics 150,000,000 years ago. This bird had a long, pointed, death-dealing beak and a head crest that acted as a rudder as it dived earthward at its prey.

WHERE DOES HE GO *from here?*

IN former Victory Loans, you bought Bonds to give our boys a fighting chance in War. Today, Canada urges you to give these boys a fighting chance in Peace. For among the great objectives of Canada's Ninth Victory Loan is the rehabilitation of returned men.

So, buy Victory Bonds to the limit. Help make up for those three to five years sacrificed by our boys in fighting for our freedom. Help make possible a great Canadian rehabilitation program by which our returned men will be efficiently trained . . . given a trade, an art or a skill by which to live, work, earn and enjoy employment, security and all other benefits of the peace for which they fought.

Remember, you, too, will benefit. You will gain in the knowledge that the Victory Bonds you buy will be a reserve fund to help you in any emergency. You will gain in the knowledge that you have helped repay, in some measure, our deep, unforgettable debt to the fighting lads whose courage made victory possible.

Dave Barnard's Eagles In Top Spot In Bantam Loop

Dave Barnard's Eagles have taken possession of first place in the midget section of the Westmount Municipal Six Man Rugby League by virtue of their 13-11 win over Richard Lord's Tornados in an important four-point game. The victory gave the Eagles a two point margin over Tornados in the section standing.

In another midget game played last week, Tornados doubled the score on Tigers 24-12 to win an exceptionally well-played game.

The Eagles-Tornados four point affair, made necessary by a postponed fixture, was an even battle with the losers holding an edge, which they failed to take full advantage. The winners grabbed off an early one point lead when Fred Hofman rouged Buddy Selby. Five more points were picked up when Dave Barnard tossed a long forward to Bob Putnam behind the Tornado's line. Barnard kicked another rouge before halftime to give the Eagles a 7-0 lead at the halfway mark.

Tornados hit back in the second half and after threatening many times, only to see their efforts thwarted through fumbles — on two occasions they were made behind the Eagles' line and would have been major scores—they finally hit paydirt when Richard Lord carried the ball over from 10 yards out. The convert was missed so the count remained 7-5 for Eagles.

The winners came back and registered another point when Andy Blair booted a rouge, to give Eagles an 8-5 lead.

The Tornados took the lead for

Roslyn-Queen's Clash This P.M.

Defeat 10-0 by King's in the first game of the 1945 elementary school's football league at King George Park Monday afternoon. Roslyn's hard practising gridders are determined to go through the remainder of their schedule without a loss. They'll meet Queen's at King George this afternoon and are confident of victory over the Olivier avenue crew.

The Roslyn squad, who think they would have won Monday's game if the breaks had been com-King's five-yard stripe twice), journeyed out to L.C.C. Tuesday afternoon and were defeated 16-0 by a heavier Royal avenue outfit. The locals almost managed to rack up a major at one point of the game, though.

Next week they hope to clash with another L.C.C. team, this one nearer their own weight class.

This afternoon's tilt is scheduled to get underway at four o'clock and will be refereed by Peter Wolfgang Siemers, Westmount High School student.

GOOD REPORTER

When Teresa Wright recently put out a fire in her kitchen single-handed, the first thing she did was to phone the story to a Los Angeles newspaper. She plays an ace reporter in "The Trouble with Women," co-starred with Ray Milland and Brian Donlevy, and was at home on a day off when the fire broke out.

The name "Chicago" comes from the Indian language and means "wild onion."

the first time when Lord tossed a long forward to Dave Wilks behind Eagles' line and although the convert was missed, Tornados led 10-8. With a little over a minute remaining to play, Lord kicked another convert to give his team a seemingly sure win by an 11-8 count.

The Eagles made a sharp comeback however, and in two plays carried the ball the length of the field with Bob Putnam finally taking a forward from Dave Barnard to go over Tornados' line on the last play of the game to give Eagles a 13-11 win.

The Tornados-Tigers game was a close affair for three quarters of the game, but Tigers faded badly in the last quarter and the Tornados went on to win handily by a 24-12 score. The teams were tied up at 7-all in the first half.

Dave Wilks led the winners in scoring with 11 points, others to score were Carl Burton, five; Willie Manolson, five; Allan Turner, one, and Richard Lord, one.

Dennis Skinner and Mike Tucker accounted for the losers' points, the first-named tallied seven while the latter registered five.

Mike Tucker of the Tigers is leading the section in the scoring department with 17 points; he is closely followed by Dave Wilks with 16. Others in line are Bob Putnam, Eagles with 10; Dave Barnard, Eagles, seven; Dennis Skinner, Tigers, seven; Allan Turner, Tornados, seven; Cam McFadden, Greyhounds, six; Jack Watson and Pete Fullerton, Tigers, six; Pat Lomasney, Tornados, six; Gillis Ross, Greyhounds; Ian Doig, Tigers; Dave Ross, Eagles; Bob Gough, Greyhounds; Carl Burton and Willie Manolson, Tornados, have all scored five points.

Two more games will be played next week, on Tuesday, October 23, Greyhounds will meet Tornados, while on Thursday, October 25, Eagles and Tigers will clash. Both games are scheduled for King George Park.

Rain Halts All But Two Games In Pee Wee Rugby

Rain halted all but two games in the pee-wee section of the Westmount Municipal Six Man Rugby League last week. The two tilts played resulted in shutouts with Ed Martin's Shrimps turning back Jack Cote's Aces 11-0 and Lonnie Holland's Strathcona's swamping Derek Dunbar's Thunderbirds 44-0.

A pair of touchdowns by Alan Warnock, one in each half of the game, accounted for the Shrimps' win over Aces. Warnock also kicked the other point of the game. The winners led 6-0 at half time.

Five Strathcona players broke into the scoring column as this club handed Thunderbirds their 44-0 defeat. John Foy led the parade with 16 points, Jim Quarles was next in line with 11, Pete and Lonnie Holland each had six while John Swift scored five.

The win for the Shrimps sent them into first place in the "A" group of the pee-wee section with three wins in as many starts.

Hughie McDonald of the Reds still leads the scoring list for the pee-wee players with 40 points, others in line are Jim Cotter, Reds 37; Marty Kay, Reds 26; John Wilson, Hornets 22; Alan Warnock, Shrimps 22; Ed Martin, Shrimps 20; Lonnie Holland, Strathcona's 18; John Foy, Strathcona's 16; John Abbott, Shrimps 11; Jim Quarles, Strathcona's, 11.

Games scheduled for this week are as follows: Sat. Oct. 20, Red Sox vs. Wildcats, 9.30 a.m.; Reds vs. Eagles, postponed game at 11 a.m. Wed. Oct. 24, Furies vs. Eagles, postponed game at 4.00 p.m.; Thurs. Oct. 25, Furies vs. Sky Rockets, 4.00 p.m.

The standing of the two groups:

	W	L	F	A	Pts.
Shrimps	3	0	55	0	6
Reds	2	0	103	0	4

Boys' Brigade

Plans are being made for the first Fall parade to take place on Sunday, November 11. Boys of the 1st Westmount Company are looking forward to this, their first public parade, with great expectancy. Company activities are rolling along and recruiting is in full swing. New recruits are being uniformed very rapidly, and are expected to complete their initial training prior to the date of the parade.

A class in Wayfaring is being commenced this week by Lieut. A. G. Anderson. This is a very interesting course which takes in a wide variety of subjects from knot-tying to nature-study and a very interesting time is assured all those who enter this class.
