RUSSIAN FORCES RETAIN HOLD ON STALINGRAD

Soviets Launch Counter Drives In Many Areas

Russians Claim that Germans Have Been Forced to Retreat on Some Sections of Front in Rubble-Strewn City—German Losses Reported Tremendous as Battle for Volga City Enters Twenty-Ninth Day.

By The Canadian Press
The Red flag still flew over rubble-heaped Stalingrad today and at mid-day the Russian high command announced that Soviet troops counter-attacking in some districts of the Volga metropolis had forced the Germans to retreat. It was the twenty-ninth day of epic defence.

German field headquarters asserted briefly that Nazi shock troops had captured additional strongly-fortified blocks of houses in Stalingrad after close-quarter fighting.

"Attacks don't halt," said dispatches to the Soviet newspaper Pravda. "Hand-to-hand clashes are going on in the square, on street crossings and in houses."

Reference to "the square" perhaps indicated the Germans now were battling near the heart of the city. "Our units repulsed several enemy attacks and advanced in some sectors," the Soviet command said.

"Men of a Guards (Elite) unit, in stubborn fighting with the enemy, wiped out more than 400 Germans and destroyed three tanks and two armoured cars."

Dispatches to the German newspaper Frankfurter Zeitung admitted that "the fall of Stalingrad, and therewith the final breaking up of the Russian front, has been delayed."

Heavy Russian guns were reported shelling the Germans from the East bank of the Volga, and fresh Soviet reserves were said to be crossing the river in canoes to bolster the city's hard-pressed defences.

"The intensity of the battle is increasing," said Berlin reports to the Swiss newspaper National Zeitung. "No one can estimate how many still are living in the city which once had 500,000 inhabitants."

"But if the battle lags half-an-hour, it is swarming suddenly with human figures creeping out of hiding with terrified faces, carrying buckets and trying to reach places in the neighbourhood to fetch water for the day."

Fresh Nazi troops were reported moving into action to replace the invaders' terrible losses, and advances reaching Ankara, Turkey, described large new movements of Rumanian troops en route to the Soviet front.

One report said perhaps only five divisions were left in Rumania to guard against a possible Hungarian stab-in-the-back while the bulk of Rumania's fighting men are battling for Hitler deep in Russia.

Soviet reports quoted a prisoner from a German railway battalion as saying his group, thrown into action as a combat force, lost sixty-five per cent of its men.

HEPBURN AGAIN OPENS ATTACK ON GOVERNMENT

National Unity Impossible with Narrow-Minded Political Party in Power, Ontario Premier Declares.

Toronto, Sept. 22.—(P)—National unity is essential for a total war effort "but you can't have that so long as there is a narrow-minded political party in Ottawa," Premier Mitchell F. Hepburn of Ontario last night told 18,000 persons attending a total war rally here in Maple Leaf Gardens.

"A war presents an opportunity for a greater partnership of Liberals, Conservatives and Labor—all who believe in total war, Premier Hepburn told the rally, at which tribute was paid to three Russian heroes.

"The voice of Canada ultimately will demand an end of this fifty per cent war effort," declared the Premier.

After welcoming the three Soviet youths—Lieut. Lyudmila Pavlichenko, girl sniper; Lieut. Vladimir Pheintsev, another sniper, and Nikolai Krasavchenko, Moscow youth leader—Premier Hepburn presented a rifle to Lieut. Pavlichenko on behalf of the people of Ontario.

The rally, sponsored by the United Electrical, Radio and Machine Workers of America, Canadian Seamen's Union and the United Automobile Workers of America, cheered approval of the sending of telegrams and cables to Prime Minister Mackenzie King, Premier Joseph Stalin and President Roosevelt.

The messages to Premier King, Prime Minister Churchill and President Roosevelt urged total war effort and the speedy opening of a second front in Western Europe. The cable to Russia assured Premier Stalin everything would be done to speed the launching of a second front and extended greetings to Marshal Timoshenko, the defender of Stalingrad.

The meeting also sent a cable to Lt.-Gen. A. G. L. McNaughton, Commander of Canada's Army Overseas, promising him and his men the full support of people in the Dominion would be behind them when they invaded the continent of Europe.

Thanking the crowd for the warm reception given them, the three Russian heroes expressed the hope a Western Front would shortly relieve the pressure on the Russian armies.

"The sooner there is a second front, the sooner there will be victory," said Lieut. Pavlichenko, the girl sniper, through an interpreter.

Premier Hepburn condemned the Dominion Government for permitting a diplomatic envoy of the Vichy Government to remain at Ottawa.

"It is a disgrace that man, his bag and baggage and sent him back to the traitor he serves too well," said the Premier.

Chief of United States Bomber Command Says Forces for Attack Being Rapidly Assembled in Britain.

London, Sept. 22.—(P)—The conviction it is possible to destroy Germany from the air is expressed by Brig.-Gen. Ira C. Eaker, Chief of the United States Army Bomber Command. He holds the necessary forces "will be rapidly assembled."

A full in the aerial warfare over Western Europe last night gave the Germans another brief respite from the hammering of Allied bombs. In home defence, Britain had "nothing to report."

Gen. Eaker, who was nominated for promotion to rank of a major general by President Roosevelt yesterday, said in an interview published by the London Daily Mail that the enemy would fall before a sufficiently powerful series of vertical assaults.

"By destroying his munitions plants and communications you bring his armies to a halt," he said. "By destroying his shipyards you can make it impossible for him to build submarines."

Dynamite Found Near Oil Tanks Of Thetford Mines Concern

Thetford Mines, Sept. 22.—Assisted by Chief of Police Michel Cote, Royal Canadian Mounted Police and Provincial Police officers are investigating the discovery yesterday morning of five sticks of dynamite near two Canadian Oil Company reservoirs in Thetford Mines.

The dynamite was discovered at about eight-thirty o'clock yesterday morning, and was wet, leading to the belief that it had been thrown into the Company yard sometime Saturday night, when it was raining. No watchman was on duty from Saturday night to Monday morning.

According to an official source, no attempt to light the fuses of the dynamite sticks had been made, and apparently they were thrown in hurriedly. The two tanks, with a capacity of 12,000 gallons each, were about half-full.

It was expected here that arrests in the case will be made in the near future.

Twenty-Five Workers Drowned In Upset Of Motor Boat At Midland

Midland, Ont., Sept. 22.—(P)—Twenty-five men, employees of the Midland Foundry and Machine Company, were drowned and sixteen were rescued when the launch on which they were returning from a picnic was swamped and sank off Beausoleil Island in Georgian Bay last night.

Bert Corbeau, of Midland, once one of the National Hockey League's greatest defencemen with Montreal Canadiens, Ottawa Senators and Toronto St. Pats, was reported among the twenty-five drowned.

Corbeau was the owner of the launch which was reported to have gone down near Honey Harbor, about ten miles across the bay from Midland.

The men in the party were all believed to be from Midland and nearby Pentanguishene. Provincial authorities arrived here this morning to open an investigation.

Dr. Smirle Lawson, supervising coroner for Ontario; Deputy Attorney General C. L. Snyder and Prof. W. L. Robinson, provincial pathologist, were among the officials sent to the scene by Attorney General Conant.

At Toronto Mr. Conant said an investigation would be opened immediately to determine whether there was any negligence in the handling of the boat.

Three Sources Provide Major U.S. Revenues

Washington, Sept. 22.—(P)—Social security, liquor and income levies accounted for about two-thirds of \$681,967,168.10 tax bill collected by the Internal Revenue Bureau during August, the United States Treasury Department reported today. It was an increase of \$207,296,183.37 over the collections for August, 1941.

Although social security topped the entire list in total dollar volume, followed by the liquor levy, it was the income tax take which showed the biggest increase of the three over the previous August—more than doubling the 1941 figure.

Auto trucks, motorcycles and various automotive appliances continued to show the effects of rationing in sharp tax decreases, as did the gasoline tax which dropped nearly \$100,000,000 under the 1941 figure.

ROADS DEPARTMENT EMPLOYEES DISMISSED FOR INEFFICIENCY

Montreal, Sept. 22.—(P)—Hon. D. Bouchard, Provincial Minister of Roads and Public Works, announced yesterday a district engineer had been dismissed and a divisional engineer demoted following a departmental investigation into work done on a section of a provincial highway.

In addition, three section men were discharged and their cases referred to the Attorney-General's Department, the Minister said. The investigation started after a bill was submitted that was \$40,000 higher than the Department's estimate of \$300,000.

GERMANS ADMIT DELAY IN FALL OF STALINGRAD

Admission in Frankfurter Zeitung Accompanied by Implication of Heavy Casualties in Russian Fighting.

Berne, Switzerland, Sept. 21.—(delayed)—(P)—A German newspaper, the Frankfurter Zeitung, asserted today "The fall of Stalingrad, and therewith the final breaking up of the Russian front, has been delayed" but insisted "it has not been put off until winter."

This admission, following a German claim last week that the finale to the battle was near, was coupled with the implication of exceedingly high German losses.

Premier Stalin's method of resistance to the death, the Zeitung said, had been approved in London because it would extend the struggle and "accordingly higher German losses were to be expected."

The newspaper asserted, however, that restoration of strategic positions in Stalingrad was imminent, after which increased pressure would be brought upon Great Britain.

A Berlin dispatch to the National Zeitung of Basel said the Germans were trying to enlarge a wedge about a mile wide forced into Stalingrad but the Russians "brought fresh units across the river (Volga) by canoe for the counter-attack."

New concentrations of the Russian air force and heavy guns on the Eastern bank of the Volga also were in evidence, it stated, so "the intensity of the battle even is increasing."

"No one can estimate how many still are living in the city which once had 500,000 inhabitants," he said.

Ankara, Turkey, Sept. 21.—(delayed)—(P)—Reports to Ankara tonight, thus far not supported by direct evidence, described large new movements of Rumanian troops to the Russian front.

Only a few, possibly five, divisions were reported left in Rumania to guard against the alleged possibility of a Hungarian stab in the back while the bulk of Rumania's fighting men are far East of their own frontiers.

The report said this move followed a long period of tension between Marshal Ion Antonescu and the Germans, in which the Rumanian dictator gradually swung around to the idea of sending a large army to fight deep within Soviet territory.

All private rail traffic within Rumania was said to have been suspended, possibly because of troop movements.

Reorganized Cabinet Approves "Orientation Sustained During Last Six Years" in Foreign Affairs.

Madrid, Sept. 22.—(P)—The Spanish Cabinet, in its first important pronouncement since ousting the pro-German Foreign Minister Ramon Serrano Suer September 3, said last night it approved "the orientation sustained during the last six years" in foreign affairs.

Discussing internal affairs, the Government announcement said "the most severe discipline" would be applied to all Spaniards. It promised the "cutting short of all attempts at agitation or dissension" and said any act of violence against the state would be punished inexorably.

Serrano Suer was replaced as Foreign Minister by Count Francisco Gomez-Jordana and at the same time Franco took over Serrano Suer's post as Chief of the Political Junta of the Falange Party. The Ministers of War and Interior also were replaced.

(A Berlin broadcast last night quoted a Madrid dispatch as saying the Spanish Cortes or Parliament is to be revived and the first session might be held next month.)

Justice Department Orders Cancellation of Proposed Address in Toronto Auditorium by Theodore Dreiser.

Ottawa, Sept. 22.—(P)—Theodore Dreiser, seventy-one-year-old American novelist, was understood to be back in the United States today following a brief visit to Toronto during which he was banned under Defence of Canada Regulations from making a scheduled public address there.

Justice Department officials said the address was ordered cancelled because of certain anti-British statements Dreiser was quoted as making in an interview with a Toronto newspaper yesterday.

Under Section 21 of the Regulations, on which the ban was based, the Justice Minister is empowered to issue an order to restrict in any way the "dissemination of news or propagation of opinions" prejudicial to the public safety or the safety of the state.

Dreiser, who checked out of his Toronto hotel room late yesterday, had been scheduled to address a meeting of the Town Hall Forum committee in Eaton Auditorium in Toronto tonight on the subject "Democracy on the Offensive."

The statements ascribed to Dreiser caused Toronto City Council to pass a resolution asking that Hon. Louis St. Laurent, Federal Minister of Justice, be informed of anti-British remarks. Council also asked the Police Commission to discuss whether the Eaton Auditorium should be closed.

The Town Forum Committee cancelled the meeting, Chairman D. Ross saying the statements attributed to Dreiser had been "widely interpreted as a hindrance rather than a help to the better understanding of the United Nations' joint effort for which the meeting was called."

Saskatoon, Sept. 22.—(P)—Recommendations designed to improve the domestic beef situation in Canada are on route to Ottawa today from the Beef Advisory Committee of the Wartime Prices and Trade Board.

The recommendations, drawn up at a two-day conference here, will be submitted to Donald Gordon, Chairman of the Wartime Prices and Trade Board. The details were not made public here.

The Committee is representative of cattle breeders and feeders across Canada.

By The Canadian Press
British troops were reported in battle with strong Vichy French forces today only nineteen miles from Tananarive, the capital of 1,000-mile-long Madagascar island, after an eighteen-mile advance in twenty-four hours.

A Madagascar radio broadcast said the Vichy French were resisting.

On the New Guinea battlefield, Allied headquarters reported that the situation was unchanged in the Owen Stanley fighting zone, where Japanese invasion columns have been stalled for many days within thirty-two air miles of Port Moresby.

An Allied communique said the Japanese, making their first strong aerial attack in New Guinea for two weeks, sent twenty-seven bombers and ten fighters into an assault Northwest of Port Moresby—and away from the main fighting area—where it declared that the raiders inflicted neither damage nor casualties.

Allied planes were credited with destroying a Japanese supply bridge along the route from Buna in New Guinea and bombing a Japanese Air base at Bulka, on the Northern tip of the Solomon Islands.

The jungle battleground where Allied troops have stalled the Japanese drive on Port Moresby is about thirty-two miles Northeast of that Allied base, on the Southern side of the Owen Stanley range, but a spokesman said the attack had no direct bearing on the fighting there and the situation was unchanged.

Allied fighter planes swept along the Kokoda track between Kokoda and Buna, Japanese landing base, and destroyed a bridge believed to have been a wire rope span over the Kumusi river South of Kokoda.

A Vichy French broadcast from Madagascar today said British forces driving toward Tananarive from the Northwest have met strong Vichy French resistance 19 miles from the Madagascar Capital and still are engaged.

The broadcast, reported by Reuters News Agency from Port Louis on the island of Mauritius, indicated the British forces had closed in half the distance to the capital from their last reported position yesterday. At that time a Tananarive broadcast said the column was thirty-seven miles away.

The British column advancing on the capital from Majunga met strong resistance yesterday afternoon nineteen miles from the capital, and fighting has continued," today's broadcast said.

It reported that British planes made several attacks on a rail line in the area.

Vinson Declares Seapower Vital Need For Opening Second Front

Washington, Sept. 22.—(P)—"Dieppe and the Solomon Islands are merely forecasts of the shape of things to come," Chairman Carl Vinson (Democrat, Georgia) of the House of Representatives Naval Affairs Committee said today in a public statement on the United States naval expansion programme.

The Georgian's statement, declaring that "at sea we are beginning to turn the corner," was issued to reporters after President Roosevelt had requested yesterday an additional \$2,731,154,308 to bring the Navy's current year appropriation to a record high of approximately \$17,000,000,000.

"We now are pushing our greatly augmented programme of naval construction with the utmost speed at our command," Vinson said. "When it is completed and joins forces with the British and other Allied navies, it will give the United Nations a more nearly global strength at sea than the world has ever seen, the sea-power, moulded by history and aircraft, is the anvil on which the decision in this global war is being hammered out."

He predicted the new navy would give the United States "the added escort and patrol craft needed to put an end to the U-boat menace" and "will enable us to take the offensive with superior force in any theatre we choose."

"When the new land front is launched in the West of Europe it is sea-power that will launch it. Sea-power will transport the men and material needed to the point of attack. To keep them flowing in an unbroken stream until the whole Axis edifice has crashed, America and the other United Nations must have sea-power in overwhelming strength, far beyond challenge by any force that Berlin, Rome and Tokyo can bring against it."

Already, he said, the United States has taken the offensive in the Solomons and "there for the first time we have wrested the initiative from the enemy, and our new navy should enable us to retain the initiative right to the end."

On June 30th, 1941, Vinson said a United States not at war had 697 combat, auxiliary, patrol and mine vessels building, while June 30th, 1942, there were 3,230 vessels in this category, under construction. In addition to 218 being built for Allied nations. This, he added, does not include 11,659 smaller vessels under construction.

Counting all types of planes, he went on, "We added 4,895 new aircraft in 1941."

Resurgent Farm Groups Battling Roosevelt Price Control Scheme

By JACK BELL, Associated Press Staff Writer
Washington, Sept. 22.—(P)—A resurgent farm bloc fought a nip-and-tuck battle with administration forces today in its effort to inject a new and higher basis for agricultural parity prices into the anti-inflation bill.

Although Democratic Leader Arthur Hays Sulzberger and others remained confident they could defeat a proposed upward revision of 4.6 per cent, the Senate was reported so evenly divided on the parity question that a handful of votes might decide the issue.

"It looks all right," Barkley told reporters before the Senate began its second day of debate on the measure. The House of Representatives, a day behind, arranged for general discussion of the bill today with amendments coming up for a vote tomorrow.

Parity is a price standard which, when reached, is calculated to equalize the return the farmer receives for what he sells with the prices of the things he buys. In the past, it has been used as the basis for making Government loans and as a goal for a fair return to the farmer.

Under the terms of the pending bill it would become the lowest point at which price ceilings could be placed on farm products by President Roosevelt in carrying out the prospective congressional directive to stabilize prices, wages and salaries.

Despite the President's assertion he was "unshakably opposed" to any change in the basis of computing parity, Senators Carl Hatch (Democrat, N.M.) and Elmer Thomas (Democrat, Okla.) submitted amendments which would include farm labor costs for the first time in computing parity.

This would boost the parity base 4.6 per cent on the average, raising the lowest point of farm price ceilings under the new bill a like amount.

Farm State Senators indicated dissatisfaction, meanwhile, with a provision approved by the Banking Committee which would permit the President to take into account increased labor costs in adjusting the maximum price ceilings on agricultural commodities.

BORDER SCHOOL FOR ADULTS IN FIRST SESSION

Rev. A. B. Crichton, of Newport, Vt., Speaks on Hobbies at Opening Night at Stanstead College.

Despite the fact that the Weatherman decided to shower his blessings on the communities surrounding Stanstead on Wednesday evening, September 16, many residents of this district braved the bad thunder storm to attend the opening session of the International Community School which is being held this year in Stanstead College under the Rural Adult Education plan.

The school met in general assembly in the hall for the first fifteen minutes and literally raised the roof with their rendition of "School Days," "Pack Up Your Troubles," etc. Community singing was led by Turk McLean, of Derby Line, Vt., with Mrs. Harrison, of Rock Island, at the piano.

Rev. C. M. Stewart, Chairman of the Committee in charge of arrangements, then spoke briefly on the purpose of the school and introduced the film "The Peoples of Canada," which was much enjoyed by the entire audience. Lightning interrupted the showing by shutting off the power for a short time. However, the "pupils" of the school decided that this would be a good time to render all the old sentimental songs of yesterday and "Let Me Call You Sweetheart," "In the Gloaming" and other old time favorites were sung with great enthusiasm until the lights were once more available.

After the showing of the film, Mr. Stewart introduced the guest speaker, Rev. A. B. Crichton, of Newport, Vt., who spoke on some of his hobbies and told of the many advantages of having an interesting subject with which to absorb one's mind. Mr. Crichton's principal hobby being the keeping of bees, he brought with him a glass case containing a live and great interest was displayed by all present in watching the bees energetically working.

After Mr. Crichton's address the school adjourned to the various classrooms for registration in the respective courses. The enrollment was good and an interesting session is promised.

Two interesting "get-acquainted" games were played. The school adjourned with the singing of Auld Lang Syne.

Kidney Acids Rob Your Rest

Many people never seem to get a good night's rest. They turn and toss—lie awake and count sheep. Often they blame it on "nerves" when it may be their kidneys. Healthy kidneys filter poisons from the blood. If they are faulty and fail, poisons stay in the system and cause sleeplessness, headache, backache and other ills. If you don't sleep well, try Dodd's Kidney Pills—for half a century the favorite remedy.

COOKSHIRE

A very large number of members and friends of the Women's Association met at the home of Mr. and Mrs. Joseph Vaird, of Cookshire, for a social gathering last night. The occasion was the annual bazaar, which had been planned for last Spring, due to the flood it had to be postponed but nevertheless it was very much enjoyed by all.

Mr. James French, Mr. and Mrs. Harry French and Miss Joan French, of Sawyerville, Mr. George Leach, Mrs. Joseph Vaird, Miss Rita Baird and Mrs. Ellis Coates, all of Sherbrooke, were Sunday guests of Mr. and Mrs. Rufus Lebourveau.

The Cookshire Overseas Club wish to acknowledge the following donations of money: Mr. Stanley Woolley, of Akron, Ohio, five dollars; Mr. Victor Lusk, five dollars; Mrs. C. M. MacRae, one dollar; Mrs. Edie Clark, of Montreal, one dollar; Mrs. H. A. Chaddock, one dollar; and Mr. Henley, one dollar. Any donations to the bazaar party which will take place next month will be greatly appreciated by the Club.

Miss Grace Martin, R.N., of Quebec City, left on Wednesday morning for Montreal, after spending three weeks as a guest of Mr. and Mrs. Arthur Taylor.

Miss Evelyn Stevenson, of Ashcroft, spent the week-end with her parents, Mr. and Mrs. H. A. Stevenson.

Mr. George Kees, of Sorel, spent the week-end at his home here. Mrs. Kees and family returned to Sorel with Mr. Kees on Monday, where they will now reside. Their friends here wish them much happiness in their new home.

The Ladies' Guild of St. Peter's Church was entertained on Wednesday afternoon at the home of Mrs. Leon Desrosiers. Mrs. Henry Osmond presided at the meeting and Mrs. Noble, Secretary, read the minutes of the previous meeting. There was a very good attendance at this meeting. Only the regular business was carried on. At the close of the meeting refreshments were served by the hostess.

The Women's Association of the United Church met at the home of Mr. and Mrs. H. A. Worby. After the reading of the minutes a number of items of interest were discussed. The President, Mrs. Worby, then adjourned the meeting and delicious refreshments were served by the hostess and her group of helpers.

Mr. and Mrs. R. F. Wright, Messrs. Billie and Bobbie Wright, of Newport, Vt., were Sunday guests of Mrs. Robert Cole and Dr. and Mrs. C. E. Taylor.

HONORED PRIOR TO DEPARTURE FROM RICHMOND

Miss Eleanor Bieber Leaving Tomorrow to Join Women's Division of R.C.A.F.

Richmond, Sept. 22.—Miss Eleanor Bieber, daughter of Mr. and Mrs. H. E. Bieber, of this place, who is leaving tomorrow morning to join the Women's Division of the Royal Canadian Air Force, was honored by a large number of Richmond citizens last night at a gathering in Lou's Restaurant.

In behalf of the assembly, Mrs. C. R. Boast presented the guest of honor a substantial purse of money, and wished her every success in her new duties, which will be those of a transport driver. Miss Bieber will report to Haverhill College, Toronto, for initial training.

Miss Bieber's two brothers on active service, Sgt. Arthur Bieber, who went Overseas with the Base Depot shortly after the start of the war, and Sgt. William Bieber, with the 27th Armored Regiment at Debert.

HATLEY

Callers at the home of Mrs. V. B. Emery and the Misses Bessie and Hazel Emery were Mrs. James Moore, Mr. Charles Moore and two little daughters, Elaine and Charlotte, and Mr. Wilson Henderson, all of Thorford Mines.

No new information was given about progress of another British column moving in from the East Coast of the island, where British forces have occupied the rail junction in Brackville, 90 miles from the capital.

The Berlin radio, apparently seeking to shift emphasis from the Stalingrad front, asserted that Russian troops had been encircled on the Central (Moscow) front after breaking through German lines at two points South of Rzhev, key Nazi stronghold 135 miles Northwest of Moscow.

On the North African front, the Italian high command disclosed that Allied mechanized columns had knifed deep into Axis-held territory in Libya, reaching the neighborhood of Gialo oasis, 250 miles Southeast of Bengasi, last Wednesday.

The Fascist communiqué asserted the attackers finally were driven off after a five-day fighting, retiring to the south under pursuit by Axis bomber squadrons.

The Egyptian front, on the El Alamein line eighty miles West of Alexandria, remained quiet.

Efficiency Of Police Department Seriously Threatened By Plethora Of Captains, Ald. Thibault Claims

The Sherbrooke Police and Fire Department still has too many captains and the division of control holds a grave threat to the efficiency of the service, Ald. Thibault believes, and so told the other Council members at the regular session of the City Council last evening. His outburst came when the question of providing lodging for one of the newly-elected officials emerged from a Police Committee report, the Finance Committee chairman leaving it clear that he was opposed to the clause in question.

This was followed by the attack on the general policy of promoting too many officers, Mr. Thibault feeling that in the absence of the director, the existence of four captains would result in a division of authority with a consequent lowering of the morale of the department and produce friction between various fac-

EMPLOYEES IN AGREEMENT ON 56-HOUR WEEK

A proposed schedule for local ladies' wear, men's wear, shoe and chain stores to conform with the 56-hour week regulation was adopted last night at a meeting of the Employees' Association, called to consider the question.

With a view of adopting a plan as similar as possible to that suggested by local grocers and butchers, the employees agreed on the following hours: Nine to six on Monday, Tuesday, Wednesday and Thursday; nine to one on Friday and nine to five on Saturday.

The schedule will be submitted to Lucien Hebert, local representative of the Wartime Prices and Trade Board.

NEW SCHEDULE FOR MONTREAL C.P.R. TRAINS

Changes in Times of Departure Will Go Into Effect on September 27—1.15 Trains Saturday and Sunday.

Several changes on the Sherbrooke-Montreal schedule of the Canadian Pacific Railway for the fall and winter will go into effect with other C.P.R. changes across the Dominion on Sunday, September 27.

In the revised schedules announced by G. E. Carter, General Passenger Agent, Montreal, it was noted that the train now leaving Sherbrooke at 3:30 p.m. daily except Sunday will leave at the same time, leaving Montreal at 10:30 a.m. daily except Sunday.

The present Sunday train leaving at seven o'clock will be in operation both Saturday and Sunday, while a new Saturday train will leave this city at 1:15 p.m., and arrive at Montreal Windsor Station at 4:30 p.m. Other trains will leave at 4:55 a.m., and 8:00 a.m. daily.

Service from Montreal to Sherbrooke is scheduled at 8:40 a.m. daily; 1:40 p.m. Saturday only; 3:15 p.m. daily; 7:30 p.m. daily. Trains leaving Montreal for Boston will depart from Windsor Station at 9:30 a.m. and 9:00 p.m. daily.

Between Montreal and Vancouver, the Dominion transcontinental flyer will continue to leave Montreal at 8:00 p.m., but it will operate as through train and will carry all classes of equipment through to Vancouver. Train 1, also a transcontinental, will leave Windsor Station at 10:15 p.m., as at present.

Trains in the heavy traffic pool service between this city and Windsor, and the regular service beyond to Detroit and Chicago will depart from Windsor Station at 3:00 p.m. daily and 11:00 p.m. daily. The afternoon train arrives in Toronto in time to permit important connections. In addition, the day train via Peterboro, will continue to leave Windsor Station at 9:25 a.m. daily except Sunday.

The service between Montreal and Quebec will be practically the same as at present with departures from Windsor Station at 9:15 a.m. daily, 1:00 p.m. Saturday only, 6:50 p.m. daily except Saturday, and 11:45 p.m. daily.

The daily morning service, Montreal to Ottawa, will be at 8:15 a.m. and 8:35 a.m., the latter train via Montebello. Other trains will operate at 1:10 p.m. Saturday only; 4:00 p.m., except Sunday; 6:15 p.m., Sunday only, and 8:00 p.m. and 10:15 p.m. daily.

Highlight of the service scheduled to begin September 27 between Montreal and Saint John, N.B., and other Maritime points will be the operation of the train from Windsor Station at 3:15 daily, instead of daily except Saturday. Another train will also leave Windsor Station at 7:30 p.m. daily for the Maritimes.

Trains serving the Lakeshore and other suburban points will operate on schedule practically the same as currently in effect with certain minor adjustments.

Bound for the popular resorts of the Laurentian Mountains, trains will leave Windsor Station at 8:45 a.m. daily except Sunday, and 6:50 p.m. Saturday only, while other trains will depart from Place Viger Station at 7:55 a.m. Sunday only; 2:10 p.m. Saturday only; 5:20 p.m. daily except Saturday and Sunday; 8:30 p.m. Friday only, and 11:30 p.m. daily except Friday. This service may be increased later in the season.

Ald. E. Thibault Resigns As Finance Chief—Succeeded By Ald. Gervais

Ald. Eugene Thibault, custodian of the Sherbrooke civic coffers for the past several years, resigned from his post at the regular session of the City Council last evening, giving ill-health as the reason for laying down the office. In accepting his resignation with regret, the Council named Ald. Eugene Gervais, second Centre Ward representative, to the Finance Committee chairmanship with Ald. Thibault taking over the Waterworks post formerly held by Ald. Gervais.

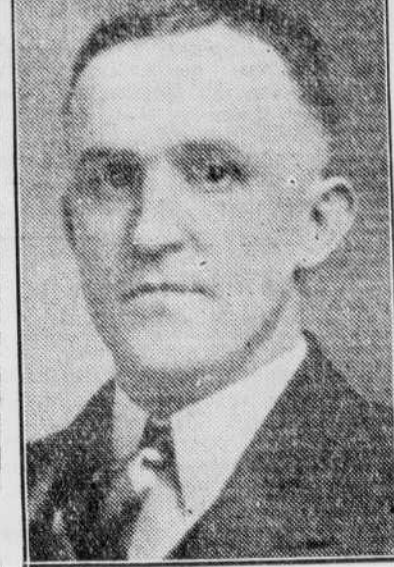

A glowing tribute to the work performed by Ald. Thibault during the eight years he has served on the Council was paid by Mayor Alec C. Ross, who declared that the untiring effort and devotion of the Finance Committee Chairman to the interests of the City was to a certain extent responsible for the breakdown in his health and he extended the best wishes of the other Council members to Mr. Thibault and expressed their gratitude that he would be able to remain on the Council for the balance of his term and hoped that by April next he would feel sufficiently improved in health to stand for re-election.

The remarks of the Mayor were endorsed by Ald. Guy Bryant, Ald. Armand Fiset, Ald. J. A. Savard and Ald. J. W. Genest, all of whom lauded the close control which Ald. Thibault kept over the financial aspects of the civil administration and ascribed to him no inconsiderable part of the credit for the high financial position the city enjoys at the present time.

Ald. Thibault, in thanking his colleagues for the expressions of goodwill, declared that much of the success which had met his efforts was due to the splendid co-operation which he received from the other Council members.

Ald. Thibault was first elected to the City Council in 1934 when he was appointed chairman of the Health Committee. In 1935 he was elevated to the Electricity and Gas Committee and in 1938 took over the Finance post which he held until his resignation last evening.

Of a somewhat fiery disposition,

ALD. THIBAUT

the retiring Finance Committee Chairman had decided views on a wide number of issues and had no compunction in telling the world at large exactly what he thought on the matters in question, with the result that the otherwise cut and dried Council sessions were stirred by his periodical outbursts when he offered his objections to items of the committee reports.

DEMONSTRATION WAS GIVEN BY SGT. MOREAU

Sgt. Edouard Moreau, chemical warfare expert of the Sherbrooke Police and Fire Department, last night explained the various types of incendiary bombs, including the phosphorous types, in a talk given before members of the St. Jean Baptiste Society in the Immaculate Conception Church Hall. At the same time, he also explained the most effective methods employed in extinguishing the incendiaries.

The speaker said that heretofore use of a spray has been the accepted method of dousing the bombs because of danger that molten metal would explode, but recent tests on both sides of the Atlantic have found that a solid stream is better because:

1—It extinguishes the bomb in several minutes, and incendiaries demand quick action.

2—Less than half as much water is needed.

3—The firefighter can play water on the bomb from a safer distance, and if the bomb explodes, the stream from the hose will force the molten fragments away from him.

However, he stressed that pouring a bucket of water on a burning bomb is still considered dangerous.

In explaining that recent experiments have shown the molten particles from an exploding bomb can be put out with ease and are less hazardous than the burning bomb itself, Sgt. Moreau declared "because incendiary bombs are not one hundred per cent magnesium, they will not explode with any great force."

Sgt. Moreau tonight will address members of the Lennoxville Civilian Protection Committee and Rural Adult Educational group in the Lennoxville High School. In the first of a course of three lectures on Civilian Protection in Wartime, he will deal with practical means to fight incendiary bombs and gas attacks.

COWANSVILLE MAN LOST IN SHIP SINKING

Leading Stoker Albert Moore Had Survived Dunkerque Evacuation While with Merchant Navy.

Cowansville, Sept. 22.—Leading Stoker Albert Moore, of this place, is missing and believed drowned following the sinking of His Majesty's Canadian Destroyer "Ottawa" while on convoy duty in the Atlantic. Announcement of the sinking and the casualty list was made from Ottawa yesterday.

A native of England, Leading Stoker Moore had seen plenty of service at sea, having survived a ship sinking at Dunkerque while serving in the merchant marine. Returning to this country after the evacuation, he joined the Royal Canadian Navy.

Living here for some twelve years, Moore was employed at the Bruck Silk Mill before joining the merchant navy. He was married to Geraldine Pare, of Fredericton, about six years ago, and has one daughter.

Death Removes Judge J. S. Couture In 53rd Year After Long Illness

In retirement for two years because of ill health, and a patient in Laval Hospital, Quebec, for more than a month, Judge Joseph Sylvestre Couture died yesterday afternoon. He was in his fifty-third year.

Judge Couture served as District Magistrate for the Districts of St. Francis and Beauce from 1932 until 1940, and was widely known in Sherbrooke and the Eastern Townships.

Born in St. Romuald, Que., the deceased was a son of the late Louis Couture and his wife, Marie Leclerc. He was educated at the Sacred Heart School and St. Charles Seminary before going to Laval University in Quebec, where he graduated in Law, LL.M., in June, 1915.

After leaving college Judge Couture entered into legal partnership with Hon. Jacob Nicol, M.L.C., and Mr. Justice Wilfrid Lazure, staying with this firm until 1932, when he went to the Bench.

Judge Couture was a member of the St. Jean-Baptiste Society, and the St. Francis Snowshoe Club. A Liberal in politics, he served as Secretary of the Young Men's Liberal Association of Quebec in 1913-14.

Married in 1917 to the former Antoinette Hebert, Judge Couture is survived by his wife, two brothers, Albert and Arthur Couture, of Quebec City, five sisters, Mrs. Jacob Nicol, Mrs. Alphonse Gauthier and Mrs. C. W. Dunn, of this city, and Mrs. J. P. Belanger and Mrs. Harry Ward, of Montreal, and a number of other relatives.

Funeral arrangements have not yet been completed.

FINLAND AGAIN SEEKING PEACE

The Finnish Minister to the United States, Hjalmar J. Procope, has dropped a bomb big enough to reverberate in many capitals, both Axis and Allied, in his announcement that "Finland wants to cease fighting as soon as the threat to her existence has been averted and guarantees secured for her lasting security." If we label this extraordinary move as a fishing expedition for a peace offer, we probably shall encounter an official denial from Helsinki, but that is what it looks like, a trial peace balloon. Between the lines there seems to lurk the hope that the United Nations will overlook that Finland is an ally of Hitler and persuade Stalin to make some proposal.

It might seem that it did not matter a great deal whether tiny Finland waged war or not. But the sturdy land of lakes is a mighty atom in this conflict. The safety of Russia's whole right flank from Leningrad to the Arctic is involved. Peace would be calculated to relieve the pressure on the Red lifeline port of Murmansk, which the Nazis are attacking from Finnish soil, and the railroad which runs Southward. It would ease the whole situation in the Gulf of Finland around the long beleaguered City of Leningrad and the Red naval base of Kronstadt.

It is likely, too, that Finnish peace would help the Allies meet the Nazi menace to the vital shipping through the Arctic Ocean to Murmansk. That is a big item, for the Germans are making that a tough route. Only this week-end Berlin claimed the sinking of thirty-eight merchantmen and the destruction or damaging of six warships—a claim not confirmed in Allied quarters. At the same time London announced that the Nazi battleship Tirpitz has been repaired and is on the prowl again along the Arctic route.

Of course, we cannot say in advance whether the Nazis might not be able to circumvent peace in some manner, since they have troops in Finland, but a passive or unwilling country would place one more obstacle in Hitler's way.

Why should the Finns suddenly decide to get from under? It is only fifteen months ago that they cast their lot with the Nazi all-highest, in the face of British and American warnings. That was when Hitler's hordes were grinding all Europe under their hobnailed boots, and there was nothing in sight to stop them. Finnish Field Marshal Baron Mannerheim's chest even now is jangling proudly with metal which Hitler and Mussolini awarded him recently as an honored ally. The Nazi Fuehrer went to the extreme of visiting Finland in June for the express purpose of congratulating the Commander-in-Chief on his birthday. One can see several reasons why the Finns might want peace. One of them is that the tinkling of Mannerheim's decorations cannot drown the sound of the hurricane which is rising to destroy the Nazi anti-christ. In short, the Finns allied themselves with a loser.

GERMANY EYES SWEDEN

Berlin propagandists who have called Sweden "The Communist centre of Europe" in an increasingly violent anti-Swedish campaign aimed a sharp new attack at that Scandinavian neutral yesterday following Sunday's Stockholm city council election in which the Communists registered the greatest gain, winning nine of the hundred seats for a gain of six. Declaring that the election results had been foreseen in Berlin for some time the German radio asserted Communism activity in Sweden "will have to be carefully watched by European powers fighting against the common Bolshevik enemy."

"Not even attempts made by leading Conservative papers in Sweden to disguise this development were able to shake the Wilhelmstrasse's conviction that Bolshevism has been able to establish new bases in

Sweden and tries to consolidate them by all means," the broadcast said.

The Germans started their anti-Swedish campaign September 2 with an attack on the Swedish press and followed a week later with a Foreign Office charge that Sweden fast was becoming the hotbed of Communist operations in Europe. In the midst of German attacks the Swedes have been going ahead with extensive defensive preparations, including anti-landing manoeuvres along the Southern coast, across the Baltic from Germany. Whether the preparations are being made in anticipation of German attack has not been explained by Stockholm, but they do reflect the feeling of the Swedish Government that such a development cannot be overlooked. Neither is it clear what Hitler would gain by attacking the last remaining neutral country in Scandinavia, for he has the country isolated from the rest of the world and is getting nearly all its high-grade iron ore. Thus the situation narrows down to one thing—the possibility that the Allies might open a second front in Norway. In that event Sweden would be of tremendous strategic value to Germany.

GERMANY'S NEW PLANES

Qualified British observers believe that the appearance of four new German high-performance warplanes on the world's battlefronts in the last few weeks indicates that Reichsmarshal Goering has achieved a major retooling job in the German aircraft industry.

They said the use of the new model fighters and bombers in battle showed that they were in mass production despite the opinions expressed by some air experts that the Germans would be unable to make major changes in models during the heat of the Russian campaign.

The latest German fighter was reported by the Russians to have made its appearance in action on the Russian front. It is the Messerschmitt 109-G, described as a high altitude, partly armored plane with a liquid-cooled 1,700-horsepower engine.

Experts here said such a plane would be a formidable addition to the Focke-Wulf 190, already reported followed up by an improved model.

Red Star, the Russian army newspaper, said the ME-109-G, although armed with three cannon and two machine-guns, lacked the speed of earlier model Messerschmitts. The newspaper said the 109-G would do 250 miles an hour at 3,000 feet and 325 at 12,000 feet.

It has been confirmed officially that the Germans have used a new Heinkel 177 four-motored, two-propellered heavy bomber over Britain recently.

Unofficial sources have reported the appearance, also, of a pressure-cabined Junkers 86-P bomber reconnaissance plane with a ceiling above 40,000 feet.

Regarded as a significant feature common to the JU-88-P, the new FW-190 and the ME-109-G was the fact that they all were reported capable of operating above 35,000 feet, out of anti-aircraft range.

While frequent bad weather over Britain limits the use of such extreme high altitude bombers, which must have clear weather to operate, their extreme operational height makes interception by fighters difficult. It takes approximately fifteen minutes for a fighter to climb to 40,000 feet, by which time the bomber can be some sixty miles away.

Against the new model German fighters the United States Army Air Corps has to offer the Republic Thunderbolt and the Lockheed P-38 lightning, both so far untried in this theatre of war. Despite the new-model German motors, air experts say that neither the ME-109-G nor the FW-190 touches the power of the Thunderbolt's 2,000-horsepower air-cooled engine.

JUDGE J. S. COUTURE

The death of District Magistrate J. S. Couture removes from the bench of the District of St. Francis a man who has long served in legal circles in this district. A native of Sherbrooke, he commenced his legal practice here, serving in one of the leading firms for a period of seventeen years until his appointment to the post of District Magistrate ten years ago. On his elevation to the bench he served not only the District of St. Francis but also cared for the administration of justice in other outlying judicial districts for a period of eight years until ill-health removed him from active work two years ago and forced his resignation within the past month.

A comparatively young man, the late Judge Couture had made his mark in local circles and his passing will be keenly felt by his colleagues in the district.

PRESS COMMENTS

THE FARMER AND THE BEEF SHORTAGE

War has created some unusual situations but certainly few more unusual than the spectacle of a great country like Canada running short of beef. After all, this meat is essentially the product of grass and grain and every school boy knows we have plenty of both those commodities in this Dominion.

Yet here we are after three years of war facing an acute shortage and with no relief in sight for perhaps many months. Had we been exporting eighty per cent or more of our beef to Britain as we are doing with cheese, salmon and bacon, the present situation might have been more understandable but practically no beef has gone there.

The immediate cause of the scarcity was a flow of live cattle to the United States but the main reason appears to be a lack of long range foresight. It takes from two to three years to bring cattle to the beef stage. For the farmer it is a long term investment and sometimes a very costly one.

In the agricultural crash which almost immediately followed the first Great War, Canadian farmers lost millions of dollars on beef cattle. They had tied up their money only to have the animals reach the slaughtering stage when the market had gone to pieces. Some of them had the bulk of their capital and all available credit invested in these cattle.

Remembering that costly lesson, Canadian farmers have been cautious about expanding beef cattle holdings during this war. Compared to gains in the hog output, that in cattle has been moderate indeed.

This has not been sufficient to accommodate a normal export of live cattle to the United States plus a war-boostered domestic demand for beef. The result as every consumer knows now is a shortage and it will continue in more or less acute form until the Canadian farmer is convinced that the animal raises or buys for feeding today will not be liable to force him into bankruptcy if the war should end and the market collapse before the animals are ready to market.

STOP THE BRAIN WAVES

Daily Express, London.

It has been said that Germany must run short of U-boat crews. Encourage no such belief. Hitler has 300,000,000 human beings in his power. Most of the seaports, fishing villages and sea cities of seamen in Europe are his. If he cannot force or cajole conquered seamen to serve in his navy he can put them into work which releases young German seamen for the new mass-produced U-boat service. Don't expect shortages of ships, engines or men to trip up Germany in the sea war. Don't expect anything but a long, hard struggle before the Navy and the R. A. F. drive the U-boats off our sea routes. Don't look for American brainwaves for using transport planes in places of ships to save us. We shall find safety and victory only from our own efforts. We must double the output of our own shipyards.

LETTERS FROM CAMP

Your toys were always soldiers off to battle,
And painted ships and tiny dime-store planes;
Your baby hands would never clutch a rattle,
You had not time for wagons or for trains.

A wee tin hat, a gun, a sword to flourish;
A tank to draw behind you on a string.—
These were the toys you liked, they helped to nourish
A climax that I knew the years would bring.

And now that you're away you are so gentle;
Your letters question—"Is the larkspur tall,
And has the cat new kittens?" Incidental
The things you want to know, so soft and small!
"Mother," you ask, "do you still dress in white,
And eat your evening meal by candlelight?"

PATRIOTISM

single Fortress may start a race between the United Nations and the Axis to produce a plane "akin to an aerial battleship," Colin Bednall, air correspondent of the London Daily Mail, observes.

The achievements of the Flying Fortress have made a profound impression on both sides of the English Channel, Bednall writes. This is extremely interesting. One recalls that less than a month ago the newspaper columns and the radio air waves were heavily freighted with expert opinion derogatory to the Flying Fortresses. They were too small, too slow, and carried far too small a bomb load, it was asserted and re-asserted. The British bombers could fly farther, higher and faster and carry two to four times as big a load. That was before the Flying Fortresses got into action. Now it may be suggested that the Flying Fortresses are admirably designed and equipped to perform the task they were designed and equipped to perform. They are precision instruments designed for high level daylight precision bombing. And apparently, they do their job.

The highly praised British bombers may have all the qualities that their exponents claim for them. But they are a different breed of cats. They are designed primarily for night bombing and for the transport and discharge of the huge "blockbuster" bombs, dropped without much regard for whether they hit the target or not. If they land anywhere in the vicinity they will do plenty of damage. The Flying Fortresses, equipped with our superior bomb sights, are less wasteful of munitions. They do deliver a smaller bomb; but they deliver it at the exact spot where it will do the most damage and they return home to fly again.

Both types of planes are useful; but to say that one is superior, or that one is good and the other useless, is sheerest poppycock. That one factor of the Flying Fortress performance alone—its safety record—would be sufficient to stamp it as one of the finest weapons the war has produced. Out of those more than one hundred offensive sorties they have undertaken over Europe not a plane or crew has been lost! It is a record of which we may be proud.

How soon will we have a charter for Britain's countryside? The war brought to an end the years of gross neglect of our greatest asset—the land. It compelled us to evolve an agricultural plan. Incomplete perhaps, but still a plan. Its purpose, however, was to meet emergency needs. The task of finding a long-term solution of our rural problems still confronts us. The Scott Committee, whose report on land utilization was published recently, has faced these problems. It makes two major affirmations: "Workers on the land should have living and working conditions which are not inferior to those of town workers; national planning should transcend purely local interests." That is eminently sound doctrine. Its appearance in the report of a Government board of inquiry is stimulating evidence that at last things are moving.

Our ships will carry the bravest boys ever to sail a battleship; men who will fight on until they march down the streets of Tokyo. Gov. John W. Bricker of Ohio.

TRUMP SPLIT CALLS FOR SKILFUL PLAY

Each year finds hundreds of new players trying their hand at duplicate or tournament play. Generally the new tournament fan's first major event is one of the amateur contests or the president's pair event in the summer national tournament. F. P. Begley entered national competition for the first time this year and came out the winner of the president's pairs with Dr. Kalman Apfel.

Here is one of the hands that helped him win. Most North-South pairs let East and West play two or three spades, sometimes doubled and usually made. Mr. Begley, sitting South, bid four hearts as a save and managed to make the contract. He won the first lead with the king of spades and cashed the ace and queen of trumps.

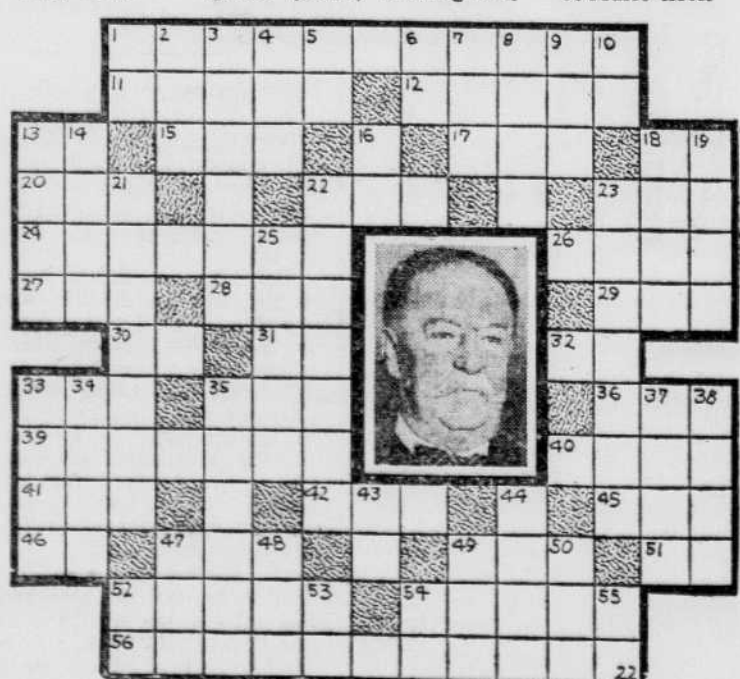

Finding the bad trump split, he immediately switched to a lead of the club six. East had a wrong picture of the hand, placing South with top diamonds and short clubs. So he made the mistake of putting up the ace of clubs and leading an-

AUSTIN COUPLE ARE FETED ON ANNIVERSARY

Relatives and Friends of Mr. and Mrs. C. L. Channell Congratulate Them on Their Fiftieth Wedding Day.

Austin, Sept. 21. — About fifty friends and relatives called on Mr. and Mrs. C. L. Channell on Monday afternoon, September 14, to congratulate them on their fifty years of married life.

Mr. and Mrs. Channell are life-long residents and are still living on the farm they settled on when they first married.

About four years ago Mr. Channell sold the farm to E. G. Smith, of Montreal, who built a summer home on the lake shore.

Mr. Channell remained on the farm and is manager for Mr. Smith. Mr. and Mrs. Channell had three children, Lera, of Newport, Vt., Jennie, who is at home with her parents and who celebrated her birthday on the same day, and one son who died in infancy. A niece, Vivian, whom they brought up, was unable to be present.

The rooms were prettily decorated with cut flowers. Mrs. Channell wore a very becoming corsage of yellow mums and gold ribbon. Miss Leonore Clapper passed around a guest book in which the ones present wrote their names. Lunch was served, including a wedding cake decorated with gold ribbon, a gift from Mr. and Mrs. Smith, also a birthday cake for Jennie, a gift from her sister, Lera.

Mr. and Mrs. Channell received some nice gifts, also cards, telegrams and phone calls. Rev. Graham Barr presented the guests of honor with a purse of money from their many friends. Out-of-town guests were Mr. and Mrs. Myron Clapper and Leonore, Mr. and Mrs. Morris Gray, of Newport, Vt., Mrs. Hattie Manning, of Waterloo, Mrs. Martha Newton and Mrs. Kenneth Talbot, of Warden, Mr. and Mrs. Robert Merrill, of Oliver Corner, Mr. and Mrs. Ezra Ball, Magog, Mrs. Luxton and baby, Ruth, of Ottawa, Mrs. Dorothy Crim, of Montreal, Mrs. Kenneth Bryant, of Bury, and Mr. and Mrs. Donigan, Mildred and Ena Donigan, of Magog.

Mr. and Mrs. Channell have always been a great help to the Community, both in church work and social life.

General Notes
Mrs. A. L. Bryant entertained the Ladies' Association with a good attendance and plans were made for a chicken-pie supper to be held in the near future at the home of Mr. and Mrs. Elwin Bryant. Lunch was served by her daughter, Dorothy, assisted by Mrs. Keith Taylor and Miss Jennie Channell.

Mr. and Mrs. A. L. Bryant went to Montreal recently, Mrs. Bryant remaining a while for treatment. The schools are opened with Miss Wells as teacher for Lake Side, and Mrs. Irwin Dingman at the Corner School. The schools have been undergoing repairs.

Mr. John Peters has installed a new lighting plant on his farm, Bellevue Range.

Mr. Eric Fisher is rebuilding his farm house at Roswell Farm, the other house being destroyed by fire a few years ago.

Much sympathy is felt for Mr. and Mrs. Ezra Ball in the death of their son, Norman, who died Overseas.

BISHOPTON
The many friends here of Flying Officer Ray McHarg will be pleased to hear of his recent promotion from Pilot Officer. Flying Officer McHarg is a brother of Mrs. Carl Bishop and

EAST HEREFORD

Mr. and Mrs. D. A. Lavalliere went to Sherbrooke and were accompanied home by Mr. and Mrs. Beaton, who are their guests.

Rev. and Mrs. J. C. Tanner were guests of Mr. and Mrs. Roy Owen. Ronald Owen went back to Dixville with them and will attend Coaticook High School during the coming school year.

Mrs. Susan Bryan was a guest of her sister, Mrs. Lillian Howe, for a few days. Then Mrs. Bryan and Mrs. Howe went to Mrs. Claude Cunningham, where they will remain for a few days.

Mr. and Mrs. Herman Hann took their young son, Gerald, to the Sherbrooke Hospital for treatment. Mrs. Hann remained in Sherbrooke to be near him.

Mr. Lay Wells and Miss Myrtle Chute were evening guests of Mr. and Mrs. R. E. Ellingwood.

Mrs. and Mrs. E. Hurley, of Savoyville, spent a week-end with Mrs. Myrtle Weston.

Denise Owen and Desmond Cunningham were in Dixville to visit Durwood Cunningham.

Mr. Lloyd Speck visited his parents, Mr. and Mrs. George Speck, in Randboro.

Mr. and Mrs. T. Aldrich, of Barnston, are spending a few days at their camp here.

Third son of the late D. P. and Mrs. McHarg. He is at present stationed at Vancouver.

Social and Personal

Mrs. Gault Parker, Drummondville, spent the week-end in Quebec, a guest of Mr. and Mrs. Herbert Simons.

Mr. Bruce Bishop, R.C.N.V.R., Montreal, spent the week-end at home with his parents, Mr. and Mrs. C. Guy Bishop.

Mr. and Mrs. Earle Spafford and their family, who spent two weeks at their country residence in Knowlton, have returned to Montreal.

Miss Belle Hargrave is a guest of Mr. and Mrs. J. H. Burton, New York, at "The Grange," their summer residence at Ayer's Cliff.

Mr. Bill Hovey, R.C.N.V.R., has returned to Montreal, where he is at present stationed, after spending the week-end at his home on High Street.

Mrs. H. S. Grove, of Montreal West, spent the week-end in Sherbrooke as a guest of her aunts, Mrs. E. A. Powers and Miss M. A. C. Bennetts, High Street.

Word of the promotion of Flying Officer Ray McHarg from Pilot Officer to Flying Officer has just been received through friends. Flying Officer McHarg is presently stationed at Vancouver, B.C.

Friends of Mrs. W. A. Clearhugh, who has been a patient under observation in the Sherbrooke Hospital for two weeks, will indeed be pleased to hear that she returned yesterday to her home, 185 Queen Street.

Mrs. Bert Hyman entertained informally at two tables of mah-jongg on Thursday evening at her home on King Street, in honor of Mrs. J. O. Weinstein. At the conclusion of the game the hostess served refreshments.

Sgt. Edward G. Wiggett, who after completing his intelligence security course at Kingston, Ont., spent a two days' leave in Sherbrooke visiting his aunt, Miss Winnifred Wiggett, 38 High Street, has left for Newfoundland.

The engagement is announced of Florence, daughter of the late Mr. and Mrs. Herbert Brown, of Ayer's Cliff, to Mr. Melvin McGovern, son of the late Mr. and Mrs. Walter McGovern. The wedding to take place on October 3rd at Waterloo, Que.

Mr. and Mrs. Charles MacKay, who arrived in Sherbrooke on Saturday, were guests of Mr. and Mrs. Wallace Wells, Miss Eula Wells, Mr. Douglas Pitman, Miss June Hyatt; game of chance, Mr. Donald Tarte, Miss M. Savage, Mr. Russell Wells, Mrs. G. Wells, Mrs. E. Wells, Mr. E. Wells, Mr. J. Wells, Mr. R. H. Ross, Mrs. J. W. Cilles, Mr. G. Wells, and Mr. W. Dobb. Refreshments following wartime restrictions were served, the conveners being assisted in serving by Miss R. Price, Mrs. F. Tarte, Mrs. V. Hurley and Miss A. Wells. On behalf of these assembled friends, Mr. Charles Pitman presented Mr. Wells, who is leaving next week for Ottawa to take an instruction course, with a lighter and purse of money, voicing in an eloquent manner their appreciation of his services to King and Country, quoting from one of Prime Minister Churchill's speeches on the splendid work done by the Canadian boys Overseas, and wishing him the best of everything in the future. Mr. Wells expressed his thanks and appreciation not only for the wonderful reception and gifts, but for the comradeship "Over There," who had been often-times remembered by their friends and relatives fighting on the "Home Front."

The Misses Kathleen and Florence Clark entertained at a charmingly arranged shower and tea Sunday afternoon at their apartment in the Parthenon, in honor of Miss Marie McLeister, an October bride-to-be. Autumn flowers in profusion were placed about the already attractive living room where during the time between the reception and tea, the bride-elect was presented with a huge parcel wrapped in pink and white, topped with pink gladioli tied with pink tulle and containing a pair of pyrex, ear piece being done up separately in white with pink ribbon and seals. After the excitement of unwrapping the numerous gifts was over the guest of honor graciously expressed her thanks. Delicious refreshments were served by the hostesses, the table which was covered with a hand-made cloth, being prettily centered with pink and white cosmos in a crystal bowl and pink tapers in matching crystal holders. Assisting were Miss Charabel Mooney and Miss Helen Slattery. Among the guests was Mrs. Hutton Unsworth, of Montreal, who is visiting in Sherbrooke, her former home.

The bride, who was given in marriage by her father, wore a street-length dress of peanut-butter brown, a fur neck piece, brown hat, and accessories and wore a corsage of roses.

Mrs. Charpentier, mother of the bride, was gowned in a black dress and black accessories.

After the ceremony a buffet lunch was served at the home of the bride's brother, Mr. Robert Charpentier. The table was centered with a beautifully-decorated three-tier wedding cake.

Later the bride and groom left for a short honeymoon to be spent in Quebec and St. Anne de Beaupre. The bride travelled in a mustard shaded dress with brown accessories.

The out-of-town guests included Mrs. J. C. Mann, sister of the groom, and Miss Shirley Mann, of Detroit, Mich.; Mrs. J. McDowell and Mrs. H. H. H. of North Walpole, Mass.; Miss Mary Ann Lynch, of Drummondville; Mr. Leslie Hayes and daughter, Marlene, Miss Lorraine Porter and Mr. Edward Lynch, all of Sherbrooke.

Attendants at the Hutchinson-Woolerton wedding which took place on Saturday included Mrs. L. W. Temple, Jr., Trenton, Ont., W. Temple, Jr., Trenton, Ont., Hutchinson, brother of the groom, best man, LAC. L. W. Temple, Jr., Trenton, Ont., and Mr. Eric Fuller, ushers.

Mr. and Mrs. W. E. Hodge entertained the following home guests for the week-end at their home on London Street, their daughter, Corporal Eleanor Hodge, her friends, Corp. Gwen Jenkins; A.W.1 Ada Foster; A.W.1 Christina Reynolds and A.W.1 Eva Westover, from the Women's Division, Bombing and Gunnery Station, Mont. Jol., Quebec.

The Belvedere Community Hall, decorated with a profusion of beautiful autumn flowers, was the scene of a "welcome home" party given on Saturday evening, September 19, in honor of LAC. Russell Ellis, R.C.A.F., who has just returned from Overseas.

Miss Doris Cilles and Miss D. Ross supervised all arrangements for the delightful social event at which upwards of fifty-five Community friends of the guest of honor united in celebrating his return. After the exchange of happy welcoming greetings, the evening's entertainment included cards and other games, prizes for which were won in order of merit as follows: Chinese checks, Miss Gwendolyn Pitman, Mrs. A. E. Cilles; bean bags, Mr. Cecil Wells; Mr. Stewart Wells; table tennis, Mr. Stuart Wells; Mr. Wallace Wells; Miss Eula Wells; Mr. Douglas Pitman, Miss June Hyatt; game of chance, Mr. Donald Tarte, Miss M. Savage, Mr. Russell Wells, Mrs. G. Wells, Mrs. E. Wells, Mr. E. Wells, Mr. J. Wells, Mr. R. H. Ross, Mrs. J. W. Cilles, Mr. G. Wells, and Mr. W. Dobb. Refreshments following wartime restrictions were served, the conveners being assisted in serving by Miss R. Price, Mrs. F. Tarte, Mrs. V. Hurley and Miss A. Wells. On behalf of these assembled friends, Mr. Charles Pitman presented Mr. Wells, who is leaving next week for Ottawa to take an instruction course, with a lighter and purse of money, voicing in an eloquent manner their appreciation of his services to King and Country, quoting from one of Prime Minister Churchill's speeches on the splendid work done by the Canadian boys Overseas, and wishing him the best of everything in the future. Mr. Wells expressed his thanks and appreciation not only for the wonderful reception and gifts, but for the comradeship "Over There," who had been often-times remembered by their friends and relatives fighting on the "Home Front."

The church was decorated with fall flowers and ferns, white asters being arranged on the altar. Mrs. M. C. Walsh, aunt of the bridegroom, played the wedding music.

Mr. Frederick Gurnham, cousin of the bride, and Mr. Clifford Moore, brother of the bridegroom, acted as ushers.

The bride, who was unmarried, was given in marriage by her father and wore an afternoon dress of mauve blue crepe, a blue felt hat and black accessories and a corsage of Tulleman roses.

Mrs. Shaw, the bride's mother, was wearing a dress of McArthur blue crepe, black accessories and a corsage of American Beauty roses.

Mrs. Moore, the bridegroom's mother, wore a dress of black crepe with white trimming and black accessories and a corsage of American Beauty roses.

A reception followed at Maplewood, the home of the bride's parents, where the decorations were of hydrangeas and other autumn flowers.

Later the bridal couple left for a wedding trip to Ottawa, the bride wearing for travelling a dressmaker suit of Manoa brown wool, brown felt hat and brown accessories.

The out-of-town guests included: Mr. and Mrs. C. W. Gurnham and Mr. Frederick Gurnham, of Valleyfield; Mr. and Mrs. L. V. Parent, of St. Felix; Mr. and Mrs. J. C. Moore, of Three Rivers; Mr. L. W. Moore, Miss Mary Moore and Master John Moore, of Drummondville; Mrs. J. S. Cleland, Miss Jean and Master Andrew Cleland, of Hemmingford; Mr. and Mrs. J. W. Kewell, of Waterloo; Miss L. S. Shaw, Mr. and Mrs. W. D. Ross, Misses Barbara and Marlene Ross and Master Findlay Ross, of Richmond.

Low-Calorie Foods Reduce Poundage

Fat Girl Left Alone at Parties "Ruthie's fat but awfully nice," the hostess said. But the men prefer the slender girls somehow!

If you're a "Ruthie" you needn't accept such a fate. You can lose two pounds a week, choosing foods that cut you down to 1200 calories a day, instead of the high quantity—maybe 4,000—you get now. It's easy. When you know your calories you can have just as much to eat. Sliced chicken has only 100 calories a serving (creamed chicken has 435) and a baked white potato (100) is as filling as a sweet potato (200).

Desserts, too, may be on your reducing menu as long as they're low-calory—such as apple snow, 125 a cup—but NOT chocolate blanc mange, 431!

By being smart about your food you win a smart figure; soon everyone admires yours!

To know your calories, see our 32-page booklet. It has a calory chart, 42 delicious low-calory menus, recipes for slimming desserts. Includes a 3-day liquid diet to start your reducing.

Send 15c in coins for your copy of "The New Way to a Youthful Figure" to Daily Record, Home Service, Sherbrooke, Que. Be sure to write plainly your name, address, and the name of booklet.

RANDBORO

South Newport Women's Institute held a quilting at Mrs. Arthur Loveland's on Thursday. Proceeds are to be used for soldiers' boxes.

Many from here attended the golden wedding anniversary held in the L.O.O.F. Hall, at Savoyville, for Mr. and Mrs. J. Williams, on Saturday evening.

Mr. and Mrs. Vernie Montgomery and family were Sunday guests of Mr. and Mrs. Thomas Saunders, in Lennoxville.

Mr. Lloyd Speck, of East Hereford, was a week-end guest of his parents, Mr. and Mrs. George Speck. Other guests at the same home on Sunday were Mr. and Mrs. A. W. Sawyer, Miss Gloria and Master Howard Sawyer, of Lennoxville.

Mr. and Mrs. Bert Cook were overnight guests of relatives in Sherbrooke.

Kingsey, and Mr. Philip Archibald Moore, younger son of Mrs. J. G. Moore, also of St. Felix de Kingsey and the late Mr. Moore, was solemnized on Saturday afternoon, September 5th, at a twenty-o'clock in St. Paul's Church, Sydenham Place, Rev. F. B. Cooke officiating.

The church was decorated with fall flowers and ferns, white asters being arranged on the altar. Mrs. M. C. Walsh, aunt of the bridegroom, played the wedding music.

Mr. Frederick Gurnham, cousin of the bride, and Mr. Clifford Moore, brother of the bridegroom, acted as ushers.

The bride, who was unmarried, was given in marriage by her father and wore an afternoon dress of mauve blue crepe, a blue felt hat and black accessories and a corsage of Tulleman roses.

Mrs. Shaw, the bride's mother, was wearing a dress of McArthur blue crepe, black accessories and a corsage of American Beauty roses.

Mrs. Moore, the bridegroom's mother, wore a dress of black crepe with white trimming and black accessories and a corsage of American Beauty roses.

A reception followed at Maplewood, the home of the bride's parents, where the decorations were of hydrangeas and other autumn flowers.

Later the bridal couple left for a wedding trip to Ottawa, the bride wearing for travelling a dressmaker suit of Manoa brown wool, brown felt hat and brown accessories.

The out-of-town guests included: Mr. and Mrs. C. W. Gurnham and Mr. Frederick Gurnham, of Valleyfield; Mr. and Mrs. L. V. Parent, of St. Felix; Mr. and Mrs. J. C. Moore, of Three Rivers; Mr. L. W. Moore, Miss Mary Moore and Master John Moore, of Drummondville; Mrs. J. S. Cleland, Miss Jean and Master Andrew Cleland, of Hemmingford; Mr. and Mrs. J. W. Kewell, of Waterloo; Miss L. S. CHIEF W.C.T.U. ORGANIZER AT AYER'S CLIFF

Miss Edna Grant, of Ladner, B.C., Addresses Gathering in United Church Hall.

Ayer's Cliff, Sept. 22. — A very delightful social evening was held in the United Church Hall, when Miss Edna Grant, of Ladner, B.C., Dominion Organizer of the W.C.T.U., was the guest speaker.

The evening's session opened with the hymn, "Faith of Our Fathers," with Mrs. Lyon acting as Chairman. Mrs. W. P. Berwick led the devotional period and she took for the Scripture reference I Corinthians, third chapter and verses 9 to 14.

Her discourse, as always, was appreciated, following which the speaker, Miss Grant, was introduced by Mrs. Lyon and her one great point was speaking words of encouragement to members of this great organization in their great effort.

It was regrettable that more citizens did not avail themselves of the opportunity of hearing Miss Grant, who was a fluent and very interesting speaker. She also gave a very interesting reading, "Mammy Cheerful."

Mr. F. A. Johnston was enjoyed in two instrumental numbers, one, "The Holy City," by request.

Mrs. C. S. Harris, of Magog, County President of the W.C.T.U., gave a description of the "Inter-

national Peace Garden."

The evening proved to be most enjoyable and profitable.

SENIOR WOMEN'S ASSOCIATION

On Thursday afternoon, the Senior Women's Association was entertained by Mrs. F. A. Johnston at her home, on School Street. The President, Mrs. William Moir, presided and conducted the business session, when many items were discussed. The financial report given by the Treasurer was indeed very gratifying, as the sum of fifty-five dollars had been realized from the rummage sale held on the lawn at the Sheldon home the second day of the Fair. The sum of thirty-one dollars had also been cleared from the sale of aprons, seventy-two having been made and twenty-one of these were sold in A. H. Slack's General Store by his kindness.

Committees plan to meet the Committee from the Junior Association regarding the social evening in connection with the anniversary of the Church on September 22.

It was decided to have only very light refreshments at the meetings and to leave it to the discretion of the hosts.

An enjoyable social hour was spent when Mrs. Johnston was assisted by Miss Bella Dickson, of Montreal, in serving refreshments.

CAFETERIA TEA MUCH ENJOYED AT WATERVILLE

Ladies' Guild of St. John's Anglican Church Sponsor Pleasant Event in Church Hall.

Waterville, Sept. 22.—St. John's Anglican Church Hall provided a delightful setting for a cafeteria salad tea, the first autumn activity sponsored by the Ladies' Guild.

Baskets of lovely flowers banked the stage and windows. Hardly was the cafeteria open before the guests began to arrive, and during the serving hours the hall was filled with friends from far and near who came to do justice to the delectable food.

The President, Mrs. James Lunn, graciously received and extended a warm welcome to each. The cafeteria was in charge of Mrs. F. W. Ayer, who was also the general convenor of the successful event, assisted by Mrs. Trafton, Mrs. Kelloch, Mrs. Brown, Mrs. F. A. Burton, Mrs. Fred Smith, Mrs. C. E. Burton and Mrs. Pearson.

The tea table, centered with silver candelabra, was most attractive. Dainty vases of purple and white asters adorned its shimmering surface.

Tea was poured by Mrs. Henry W. Burton and Mrs. Ernest R. Roy. Those assisting in serving were Mrs. McPaul, Peggy Parrish, Elaine LaBonte, Audrey Belham, Mildred Smith and Laura Pearson.

THETFORD MINES

The annual meeting of the local branch of the Quebec Auxiliary of the British and Foreign Bible Society was held in the United Church on September 14. The President, Rev. M. H. W. Seeley, presided and opened the meeting with singing, Scripture reading and prayers. The minutes of the 1941 meeting were read by the Secretary-Treasurer, Miss Seymour, who presented the financial report, showing collections by Mrs. W. P. Wemyer amounting to \$19.50 and by the Misses Joyce Johnson and Betty Johnson to the amount of \$81.25, which together with the collection of the evening, aggregated \$102.20 for that worthy cause in this place this year. The officers were all re-elected, and E. L. Montgomery was added to the number of Vice-Presidents. The Rev. George M. Franck gave a very interesting and instructive illustrated lecture on the Philippines, which he had spent some time. Rev. Mr. Seeley thanked the speaker, and gave some interesting statistics on the work of the Society, especially in the Quebec Branch. A hearty vote of thanks was accorded the collectors for their valuable cooperation.

HOORAY! NO MORE HORRID GREASE LEFT ON MY DISHES!

THE OLD GREASY WAY **THE NEW RINSO WAY**

Just POP your dishes into Rinso suds—they'll come out sparkling!

QUICK as you can say "Rinso," grease disappears when you wash dishes this grand new way! It saves hours of work at the sink every week—and keeps your dishes brilliant.

What's more it saves your hands—keeps them smooth and white—for Rinso suds are gentle, safe!

Simply pop dishes, silverware, glass into thick, rich Rinso suds and out they come spotless and gleaming! No horrid grease to make them smeary, no unpleasant dishpan scum to clean up afterwards! Start using Rinso for your dishes today—get the GIANT package for extra economy.

RINSO DISSOLVES GREASE

WHY?

DARLING—I LOVE YOU—

YOU MAKE SUCH SWELL BREAD—SO LIGHT—SO DEE-LICIOUS

DEAREST! THE CREDIT GOES TO FLEISCHMANN'S FRESH YEAST

Win praise if you bake at home, by using Fleischmann's fresh Yeast—Canada's favorite for 4 generations! You can depend on its making smooth, fine, sweet-tasting bread that always gets compliments! Ask your grocer for Fleischmann's fresh Yeast—with the familiar yellow label.

Get Extra Vitamins—Maintain Pep by eating 2 cakes of FLEISCHMANN'S fresh Yeast every day. This Fresh Yeast is an excellent natural source of the important B Complex Vitamins.

MADE IN CANADA

A SMOOTHER, More Youthful COMPLEXION WITH THIS NEW KIND OF FACE POWDER

For a transparent, gossamer-like veil of beauty that clings and clings—you will want the New Formula Three Flowers Face Powder. It's so smooth, lighter, so much finer, it becomes part of you—and lasts for hours.

The New Formula Three Flowers Face Powder is perfectly colour-blended... it won't streak... and its texture simply won't let it "cake". Three Flowers is "today's" powder created to cling... for busy girls who just haven't time for frequent "powder-touchups" and want to look their best at all times.

BROADWAY ODDS 20-1 AGAINST BROOKLYN

Great Hurling Duels Expected If Yankees And Cardinals Clash

Should Be One of Best Pitched World Series in Long Time, with Scoring Exceptionally Low—St. Louis Staff Stronger Than Brooklyn's in Last Year's Series—Morton Cooper Backbone of Cardinal Curvers.

(This is one of a series comparing prospective rivals in the 1942 World Series.)

By GAYLE TALBOT
Associated Press Sports Writer

New York, Sept. 22.—(A)—"Sure," conceded the American League man, "I wouldn't be surprised to see Morton Cooper pitch a whole of a game against the Yankees. They can be pitched to like any other club. Cooper might hold them to four or five hits and maybe a single run."

He and the National League man had been tossing the coming World Series around orally for some time when the American made his disarming concession. The National League man beamed his surprise and delight, but before he could think up a suitable appreciative reply, his antagonist continued:

"And you know what's probably happen to Cooper? Spud Chandler or Ernie Bonham or somebody else on the Yankee staff will be having a hot day and Cooper will get beat about 1-0. That's what I mean about Cooper not winning the series for the Cardinals."

The writer regards this as a graphic summing-up of the pitching potentialities of the two clubs that probably will play the first game

of the big series a week from tomorrow in St. Louis. Brooklyn still has a mathematical chance to beat out the Cards in the National League, but actually the Dodgers were licked a week ago.

The American League, of course, was giving only his side of the argument. The same thing could and probably will happen to one or more of the Yankee flingers. If the Yankees have the best pitching staff in baseball, as is widely believed, then St. Louis Cardinals certainly have the second best.

It should be one of the best pitched World Series in a long time, with the scoring exceptionally low. The Cardinals' staff must be regarded as stronger than the Brooklyn staff of a year ago. Manager Billy Southworth of the Cards, at least, will not have to start a couple of such veterans as Curt Davis and Fred Fitzsimmons, who led off against the Yankees in the first and third games of the '41 series.

While Cooper, with his fine fast ball and great variety of stuff, is the one who will have to turn the Yankees back a time or two if the Cards are to have a hope of winning the series, he lacks considerable of being the "Cardinal staff." In Max Lanier and Ernie White the club has a pair of corking good southpaws, and in Johnny Bonville the freshman pitching sensation of the National League.

The Yankees, themselves, have vivid recollections of the Card hurlers from their spring exhibition series, when the Cards won six games to three.

London, Sept. 22.—(A)—Baseball is being played all over Britain—much to the bewilderment of most of the populace—so the London News Chronicle hit on an original idea to educate the masses.

Under a three-column heading "Ever Hear of Baseball," along with a diagram of the playing field and positions, the paper published a purported exchange of pleasantries relating to the game between "Tom Tiddle of the British Army" and "Joe Jukes of the American Army."

The scene was laid in "The Hammer and Tongs," a pub, and many a mild and bitter went down the hatch before the American finished explaining the game to his cricket-thinking ally. Initiation into the rudiments of the sport began for the Tommy when the American commented that the Red Sox had him worried "because they're going to slide." Then it went like this: "Why don't you pull them up?"

Further dialogue about "socks" and "dix" and then Jukes says: "The crying out loud, I mean the Red Sox, Red Sox. The American League Boston Red Sox. (saddy) Ever hear of baseball?"

"Sure. It's the game where grown-up men attack a little ball with a club," Tiddle declares.

"The less you begin, with the barmid interjecting to ask if the audience ever kills the umpire 'like I hear them call out in the flims (movies).'"

Ring Notes: Cpl. Ernie Roderick, British and Empire welterweight kick, took time out from his air force duties to return to his native city of Liverpool and knock Jim Herlihy of Dublin kicking. . . Herlihy's gameness proved his downfall for he decided to mix it with the champ and went down in the fourth of a scheduled 10-round bout.

The gong saved him from the count but his seconds threw in the towel. . . Pte. Eddie Petrin of Montreal, Canadian bantam champion, will shortly make his second appearance in a London ring in an Aid for Russia tournament against LAC Joe Davis, a tough customer from the R.A.F. Eddie's London debut wasn't so successful. He was pitted against flyweight king Jackie (Dynamite) Paterson in an exhibition affair and hit the deck early.

Word reached here of the death in Switzerland of Ben Longchamp, former European rowing champion, at the age of 72. He was regarded as the pioneer of Swiss rowing.

LITTLE GIANTS ARE SHUTOUT BY BLACKWELL

Syracuse Wins 5-0 for Third Straight Shutout Victory in International Baseball League Final.

Billy Terry, General Manager of the New York Giant farm system which includes Jersey City, recently called Ewell Blackwell, young Syracuse right hander, the best pitcher in the International League.

And Blackwell, 19-year-old Californian owned by Cincinnati of the National League, made the selection stick last night by shutting out Terry's farm hands, 5-0, for the Chiefs' third straight victory in the International League's final round of the Governors' Cup playoffs.

Blackwell's blanking brought to 40 the number of innings since the Jerseys have counted a run off Syracuse pitching, including the game in which the two clubs broke a third-place tie.

Terry, in discussing the youngster who is playing his first season of pro baseball, said Blackwell "really is doing the hitters a favor when he throws his fast ball but when he throws that side-arm sinker he is a tough cookie."

The former Manager of New York Giants thinks that Blackwell is another season away from the big leagues but predicts there won't be any let down in Cincinnati Reds' present day pitching prowess when Blackwell arrives.

Last night Blackwell was touched for four singles. In addition, he walked two batters but fanned seven others.

How about a big hand for the men who helped put the Record Cigarette Fund soccer game over so successfully Saturday afternoon. Credit Bob Bell, Sergeant-Major Ceely, Frank Mitchell and Arthur Taylor for most of the spadework necessary to have things running smoothly. And also give a hand to the Drummondville and Magog players who travelled in at their own expense to kick the ball about in aid of the boys from Sherbrooke and the Eastern Townships serving Overseas with the 35th Battery.

And don't forget Cpl. Whorwood, of the Veterans' Guard, who took on ten school boys in a ten-mile race before the soccer game. The Vet, a real old-timer, raced like a twenty-year-old youngster, never varying his pace once during the whole ten miles. The young fellows, ten of them running a mile each, beat him, but not by very much.

That was really a hard-fought game, and three of the Newington players had to leave the game because of charley horses received during the second-half exchanges. The All-Stars put on their best efforts in the second half, with Perron and Foley leading some dangerous attacks. Ambrose Wootton was really a tower of strength at centre half for the All-Stars, breaking up many Newington thrusts and sending his forwards away with well-placed kicks.

It is not certain whether any more soccer games will be played this fall, but at any rate a few examples have been set. If old-time soccer players could be persuaded to come out again to help keep the boys Overseas supplied with smokes, surely some other local sports groups could arrange events for the Cigarette Fund. It is to be hoped that this year's fall soccer season will be a success. The boys Overseas need all our help, and the more cigarettes we can send them the better.

That old son-of-a-gun the Weather Man was in a bad mood again on Sunday, washing out the scheduled opening game here between Verdun of Quebec and Notre Dame of Sherbrooke in the intermediate championship.

It was perfect baseball weather Saturday, hot enough for the pitchers to work up good sweats and really be loose in there as they

whipped the balls over the plate. Sunday it was so cold the ball would have collected a coating of ice on the way from the pitcher's mound to the batter.

The game will be played next Sunday, provided there is no snowstorm. It is understood the winner of this series will go on to meet the Provincial senior champion, if it is not too late for baseball.

If confidence is all that is needed to dethrone Joe Louis, then Billy Conn will most definitely be the next heavyweight boxing champion of the world. The handsome Irishman, whose fighting stock dropped when pa-in-law Smith bested him in a brawl a few months back, is working hard in preparation for his October 12 title shot, and is absolutely convinced—not only for the newspapers' sake—that he will beat the Brown Bomber, who has ruled the heavyweight roost for 10 these many years.

Conn bases his conviction on the fact that in the last fight he carried Louis thirteen rounds before he got his chin in the way of a Brown Bomber trademark special and was waived into the land of dreams. He figures that this time he will go fifteen rounds and be ahead on points at the finish. His Army training seems to have toughened him up considerably, and he has put on a few precious pounds.

Mr. Louis isn't saying very much. He's willing to let his fists do the talking when he steps into the Yankee Stadium ring for the first daytime championship bout in many years. But he doesn't think his time has come yet. Not by a long shot.

They might just as well wrap the National League pennant up and send it to St. Louis Cardinals, rather than wait for the final elimination of Brooklyn Dodgers. The way things are going now, the Cards are not likely to get so close to a championship and then fold up like an accordion and let Den Bums pass them again. Only two and one-half games separate the two clubs, but this St. Louis lead has assumed mountainous proportions. The wind-up of the league is only a few days away. To clinch the flag, the Cards must win four out of their remaining five games, but any combination of four St. Louis wins or four Dodger setbacks will send them against the Yankees in the World Series.

Moore's Fielding Accounts For Cards' Low-Hit Hurling

Chicago, Sept. 22.—Ask any Cardinal pitcher about low-hit performances, and he'll tell you: "Terry Moore has a great deal to do with that."

St. Louis pitchers pitch to Terry Buford Moore in centerfield.

As Dizzy Dean once explained: "Terry gets them guys out."

No other Red Bird gives his team a bigger lift in the field and Moore is an accomplished second-place hitter. He is batting .288, knows how to hit behind a runner and is likely to bust one into the stands or out of the park at any time.

Like all the other blokes in the red blazers, Captain Moore moves with the speed of a sprinter. He is well up in stolen bases.

Moore is one of the more skilful

players of the game, but when you speak of him you talk of the supersonic outfielder. If the ball is inside the park and within jumping distance, Moore will get it. He plays a ground ball like a St. infilder, throws strikes to the plate.

Moore's value to the Cardinals was stressed when he was banned by young Arthur Johnson in Boston last fall and put out of the remaining games.

It was the crowning blow to a long skein of Red Bird misfortunes and a bit more than a plucky outfit could stand. The Red Birds were beaten by Brooklyn by only two and a half games. Moore's absence easily could have been the difference.

Moore suffered from the blow on the head this spring. He didn't feel

POLLET CHOSEN TO HURL TODAY FOR CARDINALS

21-Year-Old Southpaw Last-Minute Choice of Billy Southworth to Protect Lead Over Flatbush Forces.

St. Louis, Sept. 22.—(A)—The pennant-seeking Cardinals, faced with the necessity of winning four of their next five games to be assured of the National League championship, rely on 21-year-old Howard Pollet, baby of the Red Bird crew, to protect a two and one-half game lead over the Brooklyn Dodgers.

With the Cardinals beginning to show the nervous tension of their amazing pennant drive—they have scored only three runs in their last 27 innings—cool, calculating Pollet was Manager Southworth's last-minute choice to face the Pirates in the last game of their all-important two-

Just right in the morning, but soon shook it off and got going again. Moore is a 100 per cent team man. Following their sweep of the two-game set at Ebbets Field, which swept them into a tie with the Dodgers following a five-month chase, Moore called the Cardinals together.

"Now let's win this thing," he said quietly. "Let's check in early the rest of the trip. The first one who stays out late will be put on our own blacklist."

No Cardinal has broken the rule. The Red Birds haven't as much as puled out a deck of cards.

Moore was a star of the last Brooklyn series and then beat the Phils with a home run. But in scoring from first base on a hit to left field, he pulled a muscle in the calf of his left leg which put him on the sidelines.

It is significant that when Moore went out this time, the Cardinals did not fall apart. Harry Walker, younger brother of Dodgers' Dixie, stepped in and hit like blazes, further demonstrating Red Bird reserve strength.

Moore, 30, is a product of the St. Louis Municipal League. He remained out of baseball in 1933 because the Cardinal chain would not pay him enough to make it worth while for him to quit a job. He became a full-fledged National League star following only one year in the American Association.

Terry Moore caught on quickly and kept going—lickety-split.

game series.

Southworth was so pleased yesterday with the showing of Southpaw Ernie White, who handed the Pirates a 2-1 loss, that he decided to toss another lefty at them.

Opposing Pollet will be Truett (Rip) Sewell, who aided the Cardinals' cause by defeating the Dodgers 3-2 ten days ago. He was the winning pitcher in the nightmare at Pittsburgh Labor Day, when the Pirates scored 11 runs after two outs in the sixth inning and went on to an 11-6 triumph.

The chances are you are never going to see Jimmy Brown in the Hall of Fame. And you'd be willing to bet his chances of landing the most-valuable-player award any year are not bright.

But when it comes to picking out the guy who did as much as anyone else to bring St. Louis Cardinals the National League pennant, don't overlook James Robertson Brown of the Jamestown (S.C.) Browns.

The Cards still have the little job of sewing up the tie first, but after their 2-1 victory over Pittsburgh Pirates yesterday—in which Brown, incidentally, knocked both runs across—they still sported a 2-1-2 game bulge with only five to go. And, although Brooklyn also came home a winner with a 3-1 decision over the Phillies, all the Redbirds need now is any combination of four victories or four Dodger defeats to put it on ice. Around Broadway today, the odds were 20-1 against the Bums.

Yesterday Brown pulled one out of the fire almost without any help. In the fourth inning, he singled to send the first run home. Then in the ninth, after the Bucs tied it up in the seventh, he drilled a hit through the infield to knock the game-wrecker home.

Meantime, the Dodgers took a 3-1 lead in the first inning against the Phils and managed to hold on to it right down to the wire, although Kirby Higbe was in many tough spots before he pulled out his 15th victory of the year.

Mary Breuer looked like a sure winner for New York Yankees over the Red Sox as he allowed only one hit for eight innings. Then Ted Williams' 36th homer tied it up in the ninth and Tony Lupien's single sent the winning Boston run home in the 11th.

In the only other game of the big league schedule, the Detroit Tigers rolled over Chicago White Sox 6-4 on homers by Chat Ross and Barney McCosky.

It's as easy as that to make your telephone talks briefer

Please think before you telephone: "Do I have to make this call?"

And whenever you are on the telephone, ask yourself: "Am I keeping this talk as brief as I can?"

Yes, it will be hard at first to limit your telephone time to a fraction of what it used to be. But the war is chang-

ing a lot of habits . . . and the high-speed tempo of war business has put a heavy load on telephone equipment which cannot be further expanded.

The situation is sure to grow more urgent. You can help by confining yourself to essential calls . . . and by making them brief.
