Bottril Atkinson Others Steal Hearts at Concert

Bright New Performers Were Lorraine Murray and Bob Stark

The Shawville Rover Scout 2nd Variety Show was held in the High School Auditorium, Saturday, May 6th with a large audience to enjoy a good variety of entertainment.

Benson Elliott was M.C. introducing first the Dubois sisters, Juliette, Giselle and Huguette, who sang two selections Juliette accompanying them with the guitar. She also accompanied her father who played the violin. Mr. Ron Bottrill of Quyon, stole everyone's heart, with his songs for both the young and old, climaxing with "The Lord's Prayer'. Mrs. Tom Barley accompanied him at the piano. Following his songs, Mrs. Barley again displayed her musical capabilities with a beautiful piano selection.

Gervaise O'Reilly of Quyon sang two Irish songs in his jovial manner. A girl's trio of Lorraine Murray, Heather Dale and Joan Tubman sang "Please Help Me I'm Falling" and "On the Wings of an Angel'. They were accompanied by the "Little Man with the big guitar", John Atkinson, who also was a real heart stealer. The brother and sister team of Mrs Jean Storie and Bob Stark sang "It Is No Secret" and "Beyond the Sunset". Kathy and Bonnie Tanner followed with their selection "Hanks Travelling Blues", also accompanied by John Atkinson. A change in pace came with the lively appearance of Margaret Langford doing her tap dancing act. After intermission Mr. Bottrill was persuaded to return to the stage. Billy and John Atkinson with their violin and guitar, played a waltz and "The Road to Boston'. The Chapeau teen-age square dancers, in their pretty green and gold satin attire, did two changes. They were trained by Mr. Clayton Poirier who also called for the dance. John Langford performed two tap dances, the second one, an imitation, being very amusing.

A musical trio composed of Frank Bell and brothers Carl and Garry Cummings played an instrumental selection, as well as a rendition of song by Frank. Another trio of Heather Dale, Lorraine Murray and Kathy Tanner sang another song, accompanied again by John Atkinson. Mr. Irvin Cole of Vinton recited an amusing monologue. Versatile Lucille Hodgins, accompanied by Jack Sammon and the Trio, Bell and Cummings did a lively step dance in the true Donnie Gilcrist pattern. A male quartet composed of Gordon Paul, Wilmer Hodgins, Glenn Hodgins and Bob Stark sang two hymns, accompanied by Mrs. Barley.

The Scout Mothers Auxiliary made candy and the Scouts helped with its sale. The Rovers and Scouts are grateful to those who participated in this event, making it a real success, as well as those who attended, to make its proceeds very satisfactory.

7 Pontiac Teams

U O V Baseball Starts Sunday

Rheas Poisson, New President

The defending champion Shawville Tigers open the Upper Ottawa Valley Baseball League season this Sunday in Vinton. The Tigers are looking for a fifth straight league title.

Two new teams have joined the league — Fort Coulonge and Bryson. Returning along with Shawville and Vinton are Quyon, Sheenboro, and last year's finalist, Campbell's Bay.

William Mousseau has retired as league president. His successor is another Campbell's Bay man, Rheas Poisson.

Sunday's games will be single, nine-inning contests starting at 2 p. m. While Shawville plays the hard-hitting Vinton club, Quyon squares off against Fort Coulonge, and Campbell's Bay meets Sheenbro.

League Roundup

Here is how the seven clubs look on the eve of the 1961 Upper Otawa League Baseball season:

Shawville: Champions for the last four years, Tigers report most of last year's club returning, in addition to a large turnout of promising young players. Tigers have strength and depth in pitching, hitting, fielding. Their greatest problem — overconfidence.

Campbell's Bay: The Red Sox finished first in regular season play last year, but they could have trouble this year. Reason: heavy player losses to the Bryson team, and the loss of George Gagnon, star pitcher and hitter, to either Coulonge or Sheenboro. Pitching will be a problem for the Sox.

Quyon: The Flyers are rebuilding. Over the years this club has been a consistent threat, and with a strong nucleus of veterans flanked by some good youngsters, the Quyon team will be in the thick of the fight. Rumors have it the Flyers are cooking up some real surprises for the rest of the league.

Vinton: Always rugged hitters and capable fielders, the Irish may be the biggest thorn in Shawville's side this year. With a little more depth this team could go all the way.

Sheenboro: A steady if unspectacular team over the past two or three seasons, Sheen could really come to life if George Gagnon lines up on their side. This club has had money troubles, but could shake them loose with a big season this year.

Bryson: Although Bryson has had no baseball team recently, it has produced many good young players who have played their ball for other towns. Now they have their own team, and they are expected to show strongly. They are definit threats for the league title.

Fort Coulonge: Unless Coulonge has been secretly preparing for the big jump into the UOV League, the team will suffer the usual first-year growing pains. But nobody is writing them off at this early date.

All in all — it looks like another great season for Pontiac County's baseball fans.

Barn Burns At C Bay

A barn owned by Bill Clarke of Campbell's Bay burned to the ground yesterday afternoon while the Campbell's Bay Fire Department stood helpless because of a lack of water.

The fire was discovered at 5 p.m. by Jean Cuthertson on the Clark farm, 3½ miles east of Campbell's Bay. The Campbell's Bay Fire Department under the direction of Rheas Poisson was summoned but could do nothing.

Lost in the blaze was a calf, all of the farm machinery and 1500 bales of hay. The loss will run between $15,000 and $20,000.

Two years ago the Clark house burned, and the new house, occupied by Bill, his wife and two children, is not yet entirely completed.

She has been an active church worker and also a faithful member of the Women's Institute. Her friends in Pontiac wish her many happy returns.

Shawville Minister In Car Accident

We are sorry to hear of the accident Rev. Ervine Johnston, his wife and children encountered Tuesday a.m. while on their way to Ottawa. It occurred on the well know dangerous stretch of Highway 8 known as muddy creek hill, where, over the years several others have encountered accidnts. It was raining at the time and road conditions were ruled the cause of the accident. The car suffered heavy damage after collision with a tree. We are glad to know that no serious injury was suffered by the occupants but Rev Johnston did sustain a few abraisions.

Clarendon and District Ministerial Association Hears Rev. R. S. Smith

The Rev. and Mrs. A. E. Clayson of the Baptist Church, Otter Lake, were hosts to the Clarendon and District Ministerial Association at its regular meeting. The speaker for the occasion, the Rev. R. S. Smith, gave the second in a series of addresses on the various branches of the Christian Faith. Mr. Smith from his wide experience in the ministry was well qualified to speak on the life of the United Church of Canada previous to June 10th 1925 and since. He was able to add much by showing to those present several important documents which are in his personal library.

Much satisfaction was expressed by the members on the proposed improved Social Services in Pontiac County. Should major decisions have to be made in this matter before the next meeting which will be in September, the Executive was empowered to act in the name of the Association.

The Rev. E. N. McColl spoke of the Pontiac Historical Society and asked that each church in the County compile its history and see that the Society received copies of its Archives.

At the conclusion of the business the President, the Rev. W. R. Schamehorn, said the dismissal prayer.

X-RAY CLINIC

Starting next Monday, and for the two following weeks, the mobile chest X-Ray unit will be in Pontiac County. The mobile unit, now a familiar sight in our villages, will once more be here for the purpose of detecting tuberculosis of the lungs.

Concern has recently been expressed in some medical quarters over a noticable upswing in the incidence of tuberculosis. It is of great importance therefore that everyone be X-rayed when the mobile unit appears on the scene.

Those responsible for the detection of T.B. of the lungs point out that infected adults, (frequently older and even elderly people) are usually the cause of the spread of the disease. There is good reason, accordingly, for older people to attend the X-ray clinics.

There is no charge associated with the clinic. Its services are offered free to all who attend. It is hoped that the response from the public, fairly good in other years, will be superb this year.

We thought we had problems when we started into the weekly newspaper business! Well that was nothing compared to the problems facing those who are starting into the private television business at Channel 13! What seems to make things more complicated down there is that not only is everyone outside the business in the dark about why things happen as they do but also everyone inside the business also appears to be baffled.

If our Valley Weekly program causes would-be viewers to wonder, please believe that it causes those taking part to wonder too. If we knew when it was going to be on the air we'd be the first to let you know—naturally. If the publicity people at the station knew when it was going to be on they would let the newspapers know because it is as embarassing to them as it is to the publishers when listings in newspapers turn out to be wrong. More than one of the papers have just stopped publishing the listings, rather than go on being wrong.

To all those who looked last Sunday at 2:15 for Valley Weekly and who also missed us the week before and the week before that we can only say we hope you'll try again some Sunday but we don't dare suggest a possible time to try.

Meanwhile, for those who couldn't find us last Sunday (and that's just about everyone we imagine since we went on the air at 1:45) it turned out to be an interesting show with Dr. Harold Geggie of Wakefield and Mayor Elsie Gibbons of Portage du Fort as guests along with Norm Turner, the editor of the Perth Courier.

One more note on CJOH is to remind readers of The Equity that if you have any suggestions for guests on the program or if you'd like to be to guest yourself the address to write to is CJOH, 29 Bayswater Ave., Ottawa.

While on the subject of channel 13 we should congratulate Nicholas Elson for his recent appearance on We Want An Answer and Lucille Hodgins for her fine step dancing on The Haylofters on Tuesday night. Donnie Gilchrist was proud as punch of his little pupil and all Shawville could be proud too.

Landscaping around the Rotary pool near the school grounds looks like a risky business but could be the kids will fool us all and let the little saplings grow into useful shade trees. The Rotary Club is following through on their pool project to the benefit of all. That pool is a godsend in the hot months.

—x—x—x—

One of the nicest sights in Shawville around noon and at four is the orderly way the school children cross Center Street, obeying their patrols. Good show, all of you.

—x—x—x—

To have an announcement made as a public service on Channel 13 you write to "Public Serivce" CJOH, 29 Bayswater Ave., Ottawa. To have a birthday or anniversary congratulated you write to "Valley Weekly" CJOH, 29 Bayswater Ave., Ottawa. To request a song you write to "Haylofters" CJOH, 29 Bayswater Ave., Ottawa. In other words—write in— don't phone Mrs. D. and don't leave a note at the Printshop. Many have asked for Jennifer to sing more sacred songs but CJOH must receive the request in writing.

Letters To Editor

Not Authoritative

May 8, 1961

Editor, The Equity,
Shawville, Quebec.
Dear Sir,

When I read the article "Do you know?" on the editorial page of The Equity in the last issue by my good friend, Mr. Edgar Mulligan, I did not know whether to laugh or to weep. I hope that nobody will be lead astray by it. I am sorry I have neither the time nor the energy to delve into all the errors contained in this Article.

It is unfortunate that we in Pontiac County are so closely associated with the Province of Ontario that often people are deluded into thinking that Ontario laws are applicable to Quebec. It looks to me as though Mr. Mulligan's article was gleaned from pamphlets issued by some trust company in Ontario or some other province.

On One point, however, I thoroughly agree with Mr. Mulligan, and that is, that people ought not to be afraid to make a Will. There are many situations that would have been much better, if the deceased had left a Will. And let me add that there are many situations in which no great harm was done because there was no Will. And I have seen cases where a Will was left, but it would have been much better, if there had been none, as people can make very foolish Wills.

They say the London, England, lawyers, at their annual Bar Association banquet, have a toast to the man who makes his own Will, because he almost invariably makes a mess of it. I have heard otherwise intelligent people say there was nothing to making a Will, and that they knew all about it. Yet only a few questions sufficed to show that they knew nothing about it. There are legal experts who say that even judges, lawyers and notaries should not make their own Wills, or at least they should submit them to some other legal expert before signing them, as it seems to be a quirk of human nature that one cannot see his own case in the proper light. Doctors have the same experience trying to diagnose their own ills.

Reverting to Mr. Mulligan's article, I might say that it has been legal to make wills since the dawn of history, and the formalities are mentioned in the Twelve Tables of the Romans in the year 1200 B. C. Seven witnesses were then required. A new marriage does not revoke a Will in Quebec. There is no "Devolution of Estates Act," or "Wills Act. These matters are governed entirely by the Quebec Civil Code. There is no such thing as a heliograph Will, which would be one written in the sun, but there is such a thing as a Holograph Will, written entirely in ones own handwriting. There are three kinds of Will in Quebec. First and foremost the Notarial Will, which requires no probate. Then by way of exception the law will allow proof to be made of a Will executed in the form derived from the laws of England, or of a holograph Will. Only a Quebec Notary can make a Notarial Will. The profession of Notary in the Province of Quebec takes 8 years of University training, which is probably more than any other profession.

In conclusion I will say that Mr. Mulligan's article is not in the least authoritative, and certainly does not apply to the Province of Quebec.

Yours truly,
H. C. Rowat, Notary

Need For Local Histories

St. Johns Rectory
Quyon, P. Q.
May 10th, 1961.

The Editor, The Equity,
Shawville, P. Q.
Dear Sir:-

Last week, as The Equity reported ,the Board of Directors of the Pontiac Historical Society met and elected its Executive. It was a good meeting one of those after which three of us finished our discussion over a cup of coffee. It was only the necessity of time that forced us to retire.

Among the many topics discussed was the fact that when anyone wishes to understand life in this part of the Prov of Quebec there is so little material available.

Here we had in mind the University student who is writing a thesis; perhaps, on "The Development of Agriculture in Western Quebec.', or maybe the pedagogical aspirant attending Macdonald College who wishes to make a special study of Education in the Pontiac prior to 1900.

What about the young seminarian in Ottawa who is looking for early history on the English-speaking parishes, as separate from the French ones in Quebec province?

It is the function of the Historical Society to gather the material for this and keep it in an archives where it will be available when needed.

Would it be possible, therefore, for all churches, schools, Agricultural Societies and other Institutions to compile their history, with all available information and sources and present copies to the Historical Society for future reference? I believe, the Women's Institutes already have done some work in this regard.

At present such material will be kept in a locked steel cabinet at the home of Gordon Crouse of Shawville. Soon we hope to have more permanent quarters.

I know I speak for the entire Board of Directors when I say thanks to all local historians who put forth efforts to assist in this important project.

Faithfully yours,
(Rev.) E. N. McColl,
Recording Secretary

Poet's Corner

by "Cambrian"

This past week has marked the fiftieth anniversary of the first publication of a volume of poetry by Rupert Brooke, whose name has become perpetuated by and synonymous with poetry defined as "classical romanticism".

Brooke's work showed throughout his too brief carrer a love of life and beauty and his genius can be said to have reached its zenith in his fine poem, "The Old Vicarage, Grantchester". His untimely death occurred in wartime service on the Isle of Scyros in April 1915.

Our selected poem is one which must be familiar to millions. This poem, in part or in its entirely, has appeared on cenotaphs or above the final resting places of those who died in our nation's service throughout the Commonwealth and commemorates not only the dead but the undying genius of a great poet.

"THE SOLDIER"

If I should die, think only this of me;
That there's some corner of a foreign field
That is for ever England. There shall be
In that rich earth a richer dust concealed;
A dust whom England bore, shaped, made aware,
Gave, one, her flowers to love, her ways to roam,
A body of England's breathing English air,
Washed by the rivers blest by suns of home.

And think this heart, all evil shed away,
A pulse in the eternal mind, no less
Gives somewhere back the thoughts by England given;
Her sights and sounds; dreams happy as her day;
And laughter, learnt of friends and gentleness,
In hearts at peace, under an English heaven.

Do You Know?

by Edgar Mulligan

The most important person in the world is mother — everyone's mother. In pre-historic times there were many Matriarch societies. In later history there are many examples of its survival, in Formosa North and South America and among many African tribes it still exists.

There are many mothers in the abstract sense, such as Mother Nature, Mother Earth Mother Country, Motherland, Mother Tongue, Mother Church Motherhood, Mother Wit, Mother Wisdom, mother of pearl, and of course Mother Goose and Mother Hubbard.

The most important Mother in the whole world to you and I, is our mother. She who was responsible for bringing us into this world, also, for our survival and existance there after. She, who changed and washed 4,267 diapers more or less; who went to our bedside and tucked us in three times each night for ten years or more, who sat vigil while we were sick; who cried the first time we went to school because she was lonesome; who rejoiced with our successes; who never seemed discouraged with our reverses; one could go on with these salutations almost forever about this wonderful person.

Mother's Day is Sunday, lets show her how much we love her, and then the next day and every day from now on, let her know how much we appreciate all she has done for us.

Pontiac Women's Institute Meets at Ft. Coulonge

The Annual Convention of Pontiac County Womens Institute was held in St. Andrews Presbyterian Church, Fort Coulonge, on Wednesday May 3rd., 1961.

The morning session opened at 10.15 with Mrs. Arthur Turner, 1st. Vice President presiding. She informed us that Mrs. Muriel Bronson, the County President, had been involved in a car accident, was seriously injured, and would be unable to attend.

The meeting opened with the repeating of the Collect, followed by the opening Ode, the Salute to the Flag, and the Queen. Mrs. Edgar Hodgins presided at the organ. Mrs. Stanley led us in prayer for the speedy recovery of Mrs. Bronson, and that grace and strength be given her in her hours of suffering.

Minutes of the previous annual Meeting were read and approved.

The Treasurers Report was given by Mrs. Hosmer Turner. this did not show a great surplus, but a great amount had been given toward many good causes.

We were informed by the secretary that the prize for the quilt would be $35.00 rather than $50.00

Letters of appreciation for scholarships given, were read from John Bowie, Dorothy Armitage, Sandra Wilson, Eilen Schwartz, and Sister Rosalie of Campbell's Bay School.

There was a discussion on reports appearing in the MacDonald Journal. A letter was read from Miss Joyce Gilchrist asking tha tthe reports be sent in immediately following the meetings.

Reports of the different Convenors were given as follows: Education, by Mrs. Walter Kilgour; Home Economics, Mrs. Hillis Connolly; Citizenship, Mrs. Elwood Hamilton; Health and Welfare, Mrs. Audrey Jacques who reported 31000 polio shots given; Publicity, Mrs. Robert Cartman, read by Mrs. Findlay.

Discussion on the amount of the Donation to Shawville and Quyon Fairs. Motion — Mrs. Donnelly and Mrs. Walter Kilgour that the same amount as last year, which was $10.00, be given as a donation to Shawville and Quyon Fairs.

A discussion on whether a Blood Bank could be established at Shawville. Mrs. Audrey Jacques explained why the blood could not be kept for any length of time, and must be stored at Ottawa, where they have the proper facilities. At this time the supply equals the demand.

Discussion on whether or not we operate the Tea room at the Shawville Exhibition, Motion — Mrs. Edgar Hodgins and Mrs. Hilton Crick that we operate the Tea Room on Friday and Saturday afternoon, September 8th and 9th. —Carried.

Meeting adjourned for luncheon, to re-convene at 1.30.

The delgates were served a delicious luncheon at the home of Mrs. (Dr) Rabb, by the members of Fort Coulonge Womens Institute. While at the luncheon table, we had the pleasure of enjoying a piano duet by Mrs. Edgar Hodgins and Mrs. Harland Rowat.

The afternoon session opened at 2 p. m. with the singing of the Hymn of all Nations, followed by 2 verses of the hymn Fight the good Fight.

The Secretary then had the Roll Call, with 54 ladies responding, and 16 of those were from Shawville.

A very pleasant event took place when Mrs. Ossington, 1st Vice President of Quebec Province, presented Miss Irene Shaw and Mrs. Earl Findlay, each with a Merit Pin. This was a complete but pleasant surprise to the ladies. Pictures were taken of the presentation of the pins by Mrs. Wells.

The Acting President then asked that the Secretary have a potted plant sent to Mrs. Bronson, with the good wishes of us all.

Mrs. Stanley introduced the speaker Mrs. Ossington, who expressed her pleasure at being with us, and brought greetings from Mrs. Ellard, the Provincial President. She was pleased with the reports given, spoke on how the womens Institutes to bring people together, especialy the farmers wives. She expressed her regret at Mrs. Bronson having been in the car accident. She had been to see her in hospital, and found her interested in the meeting, and she asked that Mrs. Ossington remind the ladies to bring in the history of their institute.

Mrs. Ossington asked for our support of the travelling library, as it was an expensive item, and should be made use of. She was pleased that we patronize the Short Courses, and said Mrs. Wells would instruct us in sewing classes. She then spoke on the Canadian Association of Consumers and explained how fancy packaging of foods are bound to make them more expensive, than plain ones.

She spoke of Miss Abbie Pritchards request to the Womens Institute, and hoped we would do something useful and nice with it.

She asked that we make an effort to increase our membership, as we are getting older, and will need younger folk to take our place. She then spoke on how those going out of office should do all they can do to help the new officers coming in.

Life membership Pins were send in the history of their Branch, and if possible the names of the first officers.

Life membership Pinen were to be valued highly, and only given as a real mark of Merit. Mrs. Ossington then said that from now on, we would have no choice in the dates of the Short Courses. We would be informed when they would be held, and what the courses would be.

Be careful in making reports, and send them in made out in a correct manner. Mrs. Ossington said that anyone desiring a souvenir of the Convention, that there would be a bowl which would sell at $1.00.

Mrs. Wells spoke briefly, and expressed her pleasure at being with us.

The Acting President then read the paper that Mrs. Bronson would have given, had she been able to attend.

Shawville W. I.

The May meeting of the Shawville W. I. took place in the cafeteria of the High School with a good attendance on Monday, May 8th with Mrs. Reuben Smith presiding.

Mrs. Don Blanchard, program chairman, read correspondence from Mrs. Dorothy Brown, Ramsay W. I. president concerning a planned trip to a woollen mill and the mill of Kentail Museum. As July 12 seemed a suitable day for the majority of members to take the trip and it was also the regular meeting date of the Institute playing hostess, it was decided to arrange the trip on that date.

After a short discussion, it was decided to notify the special committee who had been in charge of the Tweedsmuir quilt block competition, that they may keep and include the blocks chosen from our entry. These with other chosen blocks will be combined into one quilt which will be placed in the Adelaide Hudleiss Museum for display.

Good wishes for a speedy recovery were extended from our group to Mrs. Muriel Bronson past W. I. County President.

A full and complete report of the annual convention held at Fort Coulonge, was composed by Mrs. Wm. Riddell and Mrs. Nellis Hodgins and read by Mrs. Hodgins.

Mrs. Art Turner, convener of Ways and Means committee reported that a meeting had been held at her home last week, and that the ladies of this committee plan to hold a food sale in June, food to be donated for this only by the non-bridge playing members.

Roll call was answered with the name of a perennial flower. The president appointed Mrs. Cliff Schwartz and Mrs. Wm. Gibson to be in charge of transportation of exhibits to Quyon Fair.

All those who helped to attend one day of the W. I. Convention at Macdonald in June and take the bus trip, listed their names, so arrangements can be completed.

Mrs. Edgar Hodgins, reported prize winners of the last two marathons conducted under her convenorship. High winners were Mrs. Wm. Gibson, Mrs. Gordon Paul, Mrs. Mahlon Hayes, Miss Irene Shaw, Mrs. Norris Horner and Mrs. F. I. Rice.

Mrs. Hodgins thanked the ladies for their kind cooperation during her terms as bridge convener. Mrs. Paul reported on the present marathon. Donation to CARE was made by both past and present conveners.

Canasta marathon report was given by Mrs. Lawson Corrigan and high winner was Mrs. Keith Munro; second was Mrs. Art Strutt; Consolation, Mrs. A. Black.

Business completed Mrs. Edgar Hodgins Convener of Agriculture took charge of the program. Mr. Morley Hodgins showed a film on landscaping, pictures and information on perennial flowers were circulated and read aloud by the member and several won bulbs or plants in a draw. Hostesses were Mrs. Gordon Paul, Mrs. Nellis Hodgins, Mrs. Stewart Foster, Mrs. Claire Jacques and Mrs. Armour.

Quyon W. I.

Quyon Womens Institute met recently, with the program in charge of Agriculture Convenor, Mrs. G. O'Donnell. Mrs. O'Donnel reported on the county convention at Fort Coulonge.

Mrs. O'Donnel read a paper on World Agriculture and Food Organization, also on care of gardens and lawns. The semi-annual meeting will be held in Quyon in October.

Members will serve refreshment at Walter Clark's auction sale..

Gifts for two departing members Mrs. Steele and Mrs. Hache.

There will be of sale of plant slips.

Mrs. Joe Steele reported on the Civil Defence programme held recently in St. Mary's School.

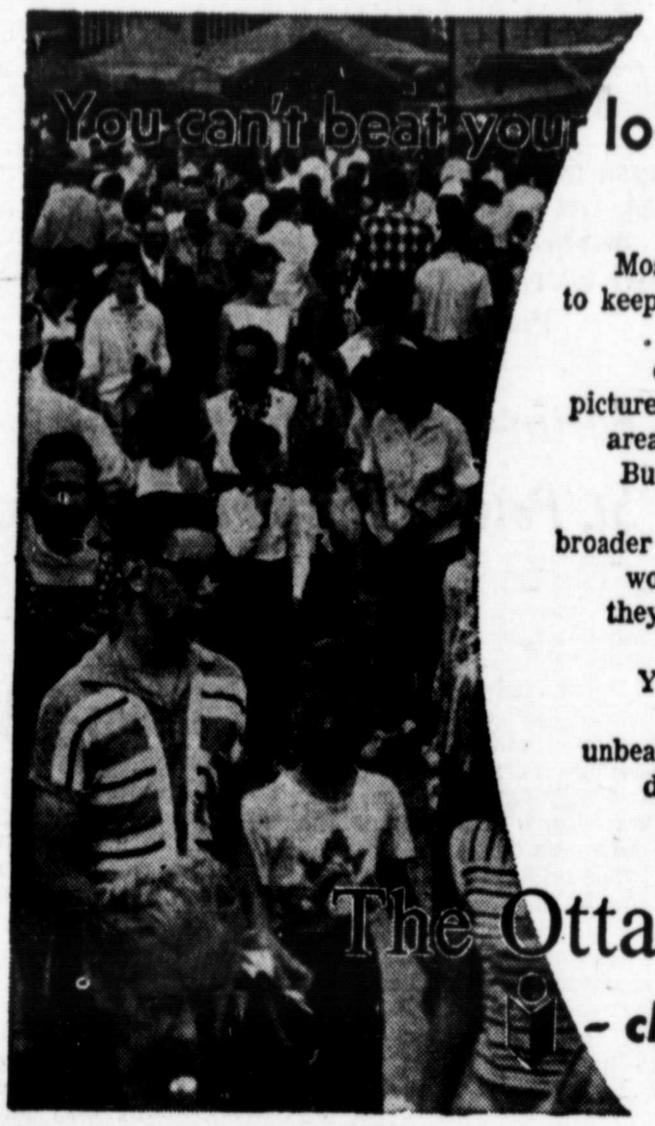

Mrs. Ed. McColl president, was in the chair. Refreshments served by Mrs. Jim Davis, and Mrs. Fred Fraser at the home of the hostess Mrs. Lester McCann.

First Aid Candidates To Receive Awards

Word has now been received from the Headquarters of the St. John Ambulance that those who took the examination in First Aid on the 9th March last have passed their tests. Certificates, Vouchers, Medallions and Labels have been received and will be presented at a meeting of the Scout Mothers Auxiliary, sponsors of this class, at a place and date shortly, as soon as arrangements can be made.

Along with the regular program, Mr. Moore is arranging with the Gatineau Power Co. to bring a film covering the new oral artificial respiration method of resusication. There will also be a practical demonstration of this method. All those who have taken First Aid tests, either last March or at some previous time are invited to attend and see this demonstration as well as to encourage those who are receiving their cards.

Knowing First Aid will relieve possible unnecessary suffering and might even save a life, particularly the various methods of Artificial Respiration.

Mr. James Pratt Connelly, a life long resident of this Community, died August 30 in Mattawa. He was 75.

He had lived in Shawville and vicinity until 1950, when he moved to North Bay, but since that time he had returned annually, spending approximately half his time in Shawville.
