The Muroleum walls of this bright, quiet office, can be kept clean and fresh looking for years by a periodic washing with soap and water. Dado is Muroleum pattern 805. Wall is Muroleum pattern 811.

Resilient Decorative Washable

Beauty and utility are most effectively combined in this new and distinctive wall covering. It is flexible, resilient, sound-absorbing, washable and offers exceptional decorative scope.

Muroleum is available in twelve colourings that suggest a wide variety of wall treatments. Eliminating as it does, the need for periodic refinishings, Muroleum is particularly desirable for schools, office buildings, hospitals, institutions, stores and restaurants and will find favour in many homes.

Made less than 1/16" thick, it comes in 30-yard rolls—36" and 72" wide—and is as easy to handle and apply as wall paper.

Write us for bulletin and sample.

COATED PAPERS AND BOARDS

For years the Printing, Lithographing and Box Making trade have depended on the Standard Lines of the Valleyfield Mill. The excellent results and the high production attained have made them particularly well known. An increasing clientele recognize that an interested and experienced personel and modern equipment can help in the solution of their paper problems and in the production of the specialties their trade demands.
