Regulations and Rates.

All letters sent by post in Canada and other Provinces of British N. America, are charged by weight.

The scale of weight for charging postage is the same as that by which letters to and from the United Kingdom are charged, viz.:—

For a Letter not exceeding		½ ounce	1 Rate
Ditto	ditto	1 ounce	2 Rates
Ditto	ditto	2 ounces	4 Rates
Ditto	ditto	3 ounces	6 Rates

And so on, adding two rates for every additional ounce. After the first ounce, fractional parts are not noticed; thus, if a letter exceed one ounce, it becomes liable to four rates, and if it exceed two ounces, six rates.

The Rates of Postage on Letters are—For a Letter not exceeding half an ounce, (without regard to the number of pieces of which it is composed)

Conveyed	60 miles or under	0s. 4½d. Cy.
Ditto	60 miles to 100 miles	0 7
Ditto	100 miles to 200 miles	0 9
Ditto	200 miles to 300 miles	0 11½
Ditto	300 miles to 400 miles	1 1½
Ditto	400 miles to 500 miles	1 4

And so on. Letters re-directed are rated afresh for the further distance.

Between the Province and the United Kingdom, a uniform charge of 1s. 2d. sterling, or 1s. 4d. currency per half ounce. English letters re-directed, 2½d. currency additional per half ounce.

Letters may be pre-paid or not, at the option of the sender.

The Inland Postage, on all Letters, Papers, &c., for the U. States, must be pre-paid, otherwise they will not be forwarded, but sent to the Dead Letter Office.

PRINTING.

The subscribers, in returning thanks to their customers and the public, for the very liberal patronage extended to them during the year, beg to state that they continue to execute orders for every description of BOOK and JOB PRINTING with accuracy and expedition, and on the most moderate terms.

Their material has been selected, with care, from the best Founderies in Great Britain and the United States; and no expense has been spared to make their assortment as varied and extensive as any in the Province.

Considerable additions of Plain and Fancy Type have been made to their stock, and every exertion will be made to maintain the character the Establishment has so long enjoyed for Superior Workmanship, and to give satisfaction to all who may favor them with their orders.
