The Gai Valley School Students Entertain Their Parents Here

Students of the Gai Valley School entertained their parents and members of the Executive of the Chateauguay Valley Association for Retarded Children at lunch on Wednesday, April 12. The lunch, consisting of turkey and potato salad, assorted salads, and cookies, had been prepared by the students with the assistance of Mrs. Fred Kyle and Mrs. Jacques Leger. The tables were delightfully decorated with apple blossoms made by the students, and with their art work.

Miss Barbara Ferry welcomed the guests with a delightful speech, and Mrs. Lowenberger and Mrs. Seale introduced the volunteer workers: Mrs. Fred Kyle, Mrs. Philip Tinker, Mrs. Jacques Leger, and Mrs. Stanley Currie. Guests included: Mr. Keith Renwick, Mr. Philip Tinker, Mr. John Proudfoot; Mrs. K. Cameron, and the Rev. H. Lowenberger.

SCHOLASTIC HONOR FOR MISS PALMER

Miss Jean Palmer of Hemmingford, senior student at Mooers Central School, N.Y., attended the Citizenship Conference at Syracuse University on the week-end of (April 14-15th). The Conference, which is held annually, brings together students from high schools across the State of New York, to discuss citizenship problems. The three main topics this year included a study of the Great Society programmes of the Federal

Howick Stages Gala Centennial Events On Two Evenings

The gala Centennial Event held at Howick High School, on April 14 and 15, was a great success. Mrs Norman Simms, originator of the event, and co-Convener, Mrs. Antoine Meunier, received an ovation at the close of the Saturday evening performance when Ian Watson, M.P., congratulated them and called on Holly Gruer and Debbie McCartney to present beautiful bouquets of Spring flowers. Weeks of preparation preceded the final presentations.

After the idea came to Mrs. Simms she invited the Howick Aubrey-Riverfield Branch of the Barrie Memorial Hospital Auxiliary to sponsor the event and meetings were held to discuss ideas, form committees and make all the necessary plans. Members of the Cercle des Fermières and Howick, Aubrey-Riverfield Women's Institutes were asked to help.

Trunks and attics were searched for treasures and the resulting display of dresses and antiques with a musical program of old time fiddlers and pianists provided two memorable evenings, that will go down in history.

Lights were lowered in the auditorium at the appointed hour and as the curtains parted the audience was delighted to see an authentic living room of the 1800's. Period furniture and pictures, a fire place with glowing fire, and sitting around the room 5 youny ladies holding life-sized dolls wearing old-fashioned christening robes.

Mrs. Wilfred Watson, assisted by Clara Simms, Beatrice and Bob McCaig, was responsible for this ransformation, a perfect setting for the fashion show which followed.

Two large floral arrangements at both sides of the stage were donated by Topaze of Beauharnois, and flags arranged beside the stage were from Ian Watson, M.P.

Mrs. Simms and Mrs. Meunier gave the commentary during the fashion show and they were great. Many amusing remarks and little extras added to the enjoyment of the evening. Mrs. A. McNeil of Ormstown came forward and received the bridal bouquet carried by a relative who was modelling her sister's wedding gown which she (Mrs. McNeil) had helped to make.

Jerome Jenneau was asked to come forward and model his Centennial Moustache. He received a kiss and a gift!

The models who displayed the costumes of 100 years — more and less, were beautiful and graceful, the luckiest men in Howick were Leslie Champ and Quentin McCartney (Friday), Lorne Simms and Donald McKell (Saturday) who, from the floor, helped the models descend the steps from the platform, receiving from each a dazzling smile. They gallantly kissed the hand of one coquettish model each time she appeared, until, as an ancient grandmother with a cane, she decided to skip the kiss. Music during the fashion show was by Vera Stewart (Friday), Sherrill Carson (Saturday).

SUCCESSFUL BAND CONCERT GIVEN AT HIGH SCHOOL

The Band Concert held at Huntingdon High School on Friday evening, was fairly well attended and provided a nice musical evening.

The students taking part did very well and both they and their leader Mr. L. Cullen deserve praise for the progress made during the year. There were three trios and they played quite well. Miss Janice Goodall in a saxophone solo acquitted herself quite well. The band as a whole played splendidly together and some of the pieces were quite difficult. The selection of marches played toward the end of the concert gave an insight to the new pieces the school band is now practicing.

We feel sure that the public would like to hear more of these concerts. All are to be congratulated on the progress made.

SHOW HORSES LOST IN FIRE AT THE ROLAND RIEL FARM

A fire that means a tragic loss to Mr. and Mrs. Roland Riel, occurred on Friday afternoon about 4.45, when the barn in which they kept their riding horses caught fire.

The children had only just arrived home from school and were out playing, when they called to their mother that the barn was on fire. Mrs. Riel immediately went out and managed to save some of the horses, getting seven of the animals out. The farm is situated near the Maple Garden Pavilion, near Herdman.

Soon many neighbors gathered around trying to help in any way possible and the Hinchinbrooke firemen arrived on the scene quickly. However, by the time this help arrived, the barn was almost burned to the ground. The firemen concentrated their efforts on a workshop near the barn and the house, both of which had caught on fire. They were successful in saving these buildings.

Among the losses are: three horses that were shown at horse shows and fairs, two children's ponies, 1 dog and two litters of puppies, a new horse trailer, all saddles, horse blankets and harness. Some of the ribbons won at various times were also lost, but fortunately most of these and the trophies were kept in the house.

The horses that were saved are being cared for by Mr. W. Levers and Mr. Dan Chodat.

fire has not been determined.

EASTER SEALS ONLY SHORT 4.5% OF $2,000 OBJECTIVE

Easter Seals collections up to April 17th amounted to $1,925, which is 95½% of the objective. $75 is still needed to go over the top. Can we make it before April 22nd?

A further 38 donations were received this past week, as per attached list.

38 donations totaling: $102

$15.00 — Mrs. E. M. Wood.

$10.00 — Leach Textiles Ltd., Model Dye Works (Canada) Ltd.

$5.00 — J. Earle Ness, Rufus Carr.

$2.00 — Rose Lalumiere, S. Sandmark, W. A. McClatchie, Valerien Poirier, James Leahy, Bertha McGowan, G. Ferry, Braithwaite Bros., Wilfred Bryson, Gordon Grant, W. J. Goodall, H. Westerik, Mrs. Winnifred Graham.

$1.00 — F. Towns, Mrs. J. Gavin, Anonymous, Mr. A. Lowe, S. Ferguson, Mrs. A. Braithwaite, Leo Leahy, Spencer Gavin, Thos. Gowdey, J. Akester, Mrs. T. Cyngot, Anonymous, Miss D. Marleau, Mrs. F. Patenaude, H. Keddy, Joseph Forget, T. Norman, Mrs. R. White, Irvin Todd and a special donation of $12. from the residents of Riverview Terrace Convalescent Home.

C-C-C TEENAGE DANCE WAS ANOTHER SUCCESSFUL EVENT

The Teenagers Dance at Notre Dame School, on Saturday night, sponsored by the County Civic Centre, was a well organized chaperoned dance. There was a good attendance although perhaps not as many as might have been, as there were several other dances on at the same time.

Camaro's orchestra supplied the music and Norbert Bourgon was the Master of Ceremonies. The chaperons were Mrs. Ann Cameron, Mr. and Mrs. Frank Cole, Mr. Tom Vine and Mrs. R. Payne. Everyone enjoyed the evening and the proceeds will go to the fund for the swim-

(Continued on page 2)

Centennial Caravan Arrives In Huntingdon For May 1 And 2

Sixty-four brightly-decorated tractor trailers are fanning out across the country this month to show Canadians the story of their nation and her people from pre-historic times to the Swinging Sixties. The giant trailers make up eight Confederation Caravans which, together with the Confederation Train, are expected to be visited by ten million people in this Centennial Year.

Mayor Leo Cappiello of the Town of Huntingdon has advised The Gleaner that a banquet sponsored by the Federal Government will be held at the Chateau Huntingdon, on Sunday evening, to which upwards of 175 government and local dignitaries have been invited. The official opening of one of two Centennial Caravans scheduled to tour Quebec will be held the folowing morning, Monday, at Prince Arthur Square in Huntingdon. At noon, a luncheon sponsored by the Province of Quebec will be held at the Chatean Huntingdon, when guests again will number about 175. Mayor Cappiello states that Premier Daniel Johnson has signified his intention to attend.

Chateauguay Valley schools either a full or partial holiday have been asked to declare, either on Monday or Tuesday. At time of writing, is is known that Hemmingford schools will be attending Tuesday morning, which fact was made known by H. Alister Somerville at the regular Rotary luncheon this week.

Visitors will find the trailers parked in a quadrangle, with a stage at the entrance for opening ceremonies and entertainment by local groups. Exteriors of the trailers facing into the quadrangle depict the exploration ships, the tools of agriculture, an industrial skyline and Canadians at work and play, from ballerinas to cowboys, skiers to swimmers.

Within the quadrangle, colorful triadetic displays tell the story of the region the caravan is passing through. They are aluminum-tube struc-

Legion Members Assigned To Various Projects For July 1st

A Joint Meeting of the Entertainment and Executive Committees of Huntingdon (Que. No. 81) Branch, The Royal Canadian Legion, was held at the Legion Hall, Tuesday evening, April 11. The purpose of the meeting was to discuss a progress report of the Entertainment Committee regarding the forthcoming Legion's Centennial Week, likewise any further plans for which the approval of the Executive Committee may be necessary, including the appointment of Chairmen or Conveners of the various Sub-Committees connected with the project. That is with the exception of the King and Queen, Prince and Princess competition, of which committee Honorary Member of the Branch, Mrs. Kay Williams, was appointed General Chairman and Organizer when that project was originally authorized.

At the request of the President, Mrs. Anne Cameron, 1st Vice-President, Henri Guerin who is General Chairman of the Entertainment Committee, chaired the meeting.

It was decided that the Executive or General Management Committee of the Centennial Project be comprised of Henri Guerin, as General Chairman; Mrs. Anne Cameron, President of the Branch; Dr Fred Horsley; Frank Napier, with Mrs. A. Mary Elliott as General Secretary.

Approval was also given to the appointment of Chairmen or Conveners of the following Sub-Committees, with, in each instance, power to add.

Floats, etc (July 1): General Organizer and Chairman: Mrs. Kay Williams, together with Alderman Douglas McGerrigle and J. McN. Smellie as Parade Marshals.

Cars for Float, Parade, other than the regular Floats: Emile Senecal.

Thanksgiving Service at Fairgrounds on July 1: Rev. P. R. Stote with other members of the Clergy.

Magic Town Entertainment in War Memorial Arena, during the afternoon of July 1st: Reg. Daniel.

Booths and other exhibits at Fairgrounds, July 1st, Jack Elliott.

Publicity and Advertising: Frank Napier.

Centennial Ball at Legion Hall evening of July 1st: Tom Vine, as Chairman, with Gordon D. Ferry; Paul Patterson and Erik Rottensten.

The progress reports of Mrs. Kay Williams regarding the King and Queen and Princess Competitions, and the First of July Float Parade, respectively, were given unanimous approval. It was also decided that the Float Parade be assembled on Fairview Road, between the Legion Hall and Lorne Avenue, and that same would March-Off on the prescribed route through the Town to the Fairgrounds at 10 a.m.

It was also decided that the various Organizations which had signified their intention of having a Booth or other exhibit at the Fairgrounds on July 1, be requested to contact Jack Elliott as to where any such would be located, etc. By the way most of the said Booths or Exhibits will be located in the Industrial Building, the use of which, as well as of the grounds in general, has been generously donated by Huntingdon Fair Association. Similarly the Huntingdon War Memorial Association has generously donated the Arena and its facilities for the staging of the Magic Tom Entertainment.

As in the case of the Branch, the other Organizations concerned will, individually, donate the net proceeds from their July 1st Project to the County Civic Centennial Project.

DENIES THAT TEENAGERS ARE MISBEHAVING AT ORMSTOWN 'FRIDAY NIGHT CLUB' THERE

The Gleaner has received an emphatic denial that young people using a hall in Ormstown on Friday evenings have caused any undue disturbance at their gatherings or after.

Mr. Ken Story called at the Gleaner office on Monday morning to protest the item which appeared under an Ormstown head about police activities. He said both he and the teenagers were quite upset after reading the item and wanted an explanation made.

Mr. Story operates a Service Station on No. 4 Highway and quite a number of teenagers used to stay around the station. On questioning them as to whether they had no better place to go, to which they answered no, he decided to try and do something about it. Therefore he organized a group and secured permission to use the Legion Hall in Ormstown on Friday evenings until midnight. He chaperons the group at all times from 8 p.m. until midnight and then stays behind to lock up and clean up before leaving himself. He says that by that time the youngsters have cleared the street and are well on their way home.

Mr. Story told the Gleaner that there is no need for the boys to leave the hall to smoke outside as the item refers to. They are allowed to smoke in the hall. The girls do not go outside and they are not encouraged to smoke. Since the original group

(Continued on page 2)

CHATEAUGUAY VALLEY REGIONAL SCHOOL SOD TURNING CEREMONY

Seen at sod-turning ceremony for new Chateauguay Valley Regional High School near Ormstown are Regional Board Chairman Mr. Jack Blake, holding the shovel, Mr. 'Phillip Goodfellow, architect, on Mr. Blake's left and representatives of local and regional school boards.

The official sod turning ceremony took place Saturday, April 8th for the new Chateauguay Valley Regional High School. The site of the new school is located about one mile west of Ormstown. This school will replace existing high schools in the Chateauguay Valley outside the Chateauguay proper. It has been designed to accommodate well over a thousand English speaking pupils, both Protestant and Roman Catholic. Vocational courses will be offered in addition to the regular Academic courses.

Chairman Jack Blake of the Regional School Board has set the target date for completion as September 1st this year, and the contractor, Longpre Construction Inc., has given the Board its assurance that, barring any unforseen difficulties, the school will be ready for occupancy at that time.

On hand for the sod-turning ceremony were representatives of the local boards as well as the regional board. Also present were Mr. Phillip Goodfellow, architect, and representatives of Longpre Construction, Inc.

PRIZE MONEY INCREASED FOR CATTLE AT THE 1967 ORMSTOWN EXHIBITION

Over 1000 Prize Lists were mailed out last week and a very interesting feature is that $8,750. is being offered for Holstein, Ayrshire and Jersey Cattle these same three breeds were offered $5000. for the 1966 Exhibition. First prize in each class is $70. whereas in 1966 first prize was $45. In three breeds of Beef Cattle (Shorthorn, Hereford, Angus) the 1967 offering is $4,950., increased from $3,300. in 1966. First prize in each class will be $50., increased from $30. in 1966.

Many Generous Gifts Received During Year

The annual meeting of the Barrie Memorial Hospital, Ormstown, was held on Wednesday evening, April 12th., in the Board Room of the hospital with a very good attendance. Mr. Earle E. Sault, Chairman of the Board of Governors presided.

The notice of calling the meeting was read as per requirement. By resolution, the reading of the minutes of the last annual meeting was waived. This being due to all proceedings having appeared in The Gleaner and most everyone had read them, and the reading would require a long period of time at this meeting.

The chairman thereupon opened the proceedings by paying tribute to a departed member of the Board as follows:

Above is Mr. Norman Simms standing beside the portrait of himself which was unveiled in his honor at the annual meeting of the Barrie Memorial Hospital, on Wednesday, April 12th.

Before proceeding with the business of this meeting, I should like to pay tribute to the memory of Mr. George Dixon. Mr. Dixon served the hospital well, being appointed Governor in April 1952. He took a keen interest in the Hospital until his passing in June 1966.

He was appointed to the Board of Management in 1955, elected Treasurer in 1956 and Vice-Chairman of the Board of Governors in 1962. He devoted a great deal of time and effort in the establishment of our Nurses' Residence as Chairman of the Building Committee. He wise counsel is sorely missed at our board meetings.

Let us stand for a moment of silence in memory of the late George Dixon.

This having been duly observed, he proceeded to give the Chairman's annual report.

ANNUAL REPORT OF CHAIRMAN — 1966

It gives me great pleasure to present to you my first report on the past year's activities of your hospital. I have found the position of Chairman of the Board of Governors to be a most interesting one and, although troublesome at times, I have been delighted with the support I have received from the Governors, the Medical Staff, Administrative Staff and all employees connected with the Barrie but, above all, I have been particularly gratified with the comments I have received from individuals as to the kindness and treatment shown towards them by our Medical and Nursing Staff while patients in our hospital.

Appointment of Governor:

At the March meeting of the Governors, Mr. Adoris Beauchamp was appointed to replace Mr. Gerald Turcot who found pressure of business forced him to retire. Mr. Beauchamp served as Governor from 1955 to 1961 and will add a wealth of experience in public affairs and business to our Board.

Expansion Plans:

There is nothing definite to report on our request for increased facilities. A committee from the Board of Governors visited Québec last November and were very cordially and well received by officials of the Department of Health. Our need for additional beds is recognized but, when we will be permitted to retain the services of an architect to start planning for these additional facilities is still not clear.

Finances and Annual Budget:

I will only touch briefly on finances as you will be receiving the Treasurer's report later this evening. It has been an exciting, if rather trying year in regard to financing. You will recall that there was practically a province-wide strike of hospital employees during 1966 and, although it did not directly affect us at the Barrie, it did create a heavy load of extra work for your finance committee and administrative staff. Two revised budgets regarding salaries and wages had to be submitted to Québec, two delegations visited Québec regarding same and, I must say, they were cordially and well received and satisfactory solutions were found for our financial problems.

I am particularly pleased with our financial statement for 1966. Although we show a loss of $18,822.04, of which $16,560.26 is recoverable from Québec Hospital Insurance Service, the loss represents only about 3% of our total budget which, in my opinion, is exceptional when you consider the number of variables such as estimating the number of patients and patient days which the hospital will have to provide for over the next twelve months.

Endowment and Plant Funds:

Our Endowment Fund increased during the year by $123,603.00 received from the Laura E. Moore Estate to create the Dr. J. C. Moore Endowment Fund. This was a most generous gift and it is one that will provide a lasting memorial to the memory of the Doctor and his wife.

These gifts to the Endowment Fund are doubly appreciated by the Governors as they not only provide a living memorial to the donor but provide a steady source of income which permits some degree of autonomy in the operation of your hospital.

Our Plant Fund received donations of $9,921.91 from the Estate of Thomas Ovans who, while born in the vicinity of Ormstown, lived practically his entire life in Boston, Mass. He retained an interest in his birthplace and remembering, made a most generous gift to your hospital. $2,000.00 was received from the Estate of Miss Margaret Graham, a former resident of Howick; $5,000.00 from the Estate of Mr. W. F. Welch was also received this year. Mr. Welch served for many years as a Governor of the Barrie and was a board member during the planning and erection of this hospital. He always displayed a keen interest in its affairs and his generous gift is most gratefully acknowledged.

I wish also to thank all those who, year after year generously make donations to our hospital. It is most heartening to your Governors to have this continuing support and to know that they have so many friends who have confidence in their efforts to provide improvements and the latest equipment to help those who are placed in our care.

I wish too to thank the Women's Auxiliary of your hospital for the many services they perform. They are accumulating funds at present for future needs of the hospital,

(Continued on page 5)

HYDRO FAILURE CAUSES $14,000 LOSS, ORMSTOWN

A Hydro failure due to a Company Cut off during the night on Thursday, caused the suffocation of 10,000 chickens, ready for market. Mr. Raymond Lalonde of Tullochgorum Road, Ormstown checked his stock at midnight, and on checking again at eight o'clock the next morning found them lying dead on the floors of the pens.

For some reason the power had been turned off for four hours and forty minutes, during the night. The birds needed ventilation which was provided by electric fans, without which they suffocated. Mr. Lalonde told this reporter that the chickens might have survived as long as a two-hour period without the use of the fans, but they could not live for a longer period. The owner had no way of knowing of his loss until he entered the building early on Thursday morning.

Mr. Raymond Lalonde has a very modern, sanitarly clean set up, for raising chickens for market. He receives 10,000 every six or seven weeks as the batch before is shipped to market. It is interesting to note that it takes eleven tons of feed a week, to bring 10,000 chickens to market weight at a cost of $180. a day.

60,000 pounds of meat were lost on Thursday. It was hauled away by a rendering company from Montreal at a total loss to Mr. Lalonde. We were informed by the owner that although he was well insured for almost any eventuality, a power failure is not subject to insurance.

Centennial Caravan...

(Continued from page 1)

tures carrying sound and light displays, photos and moving exhibits the visitor can activate by turning a crank.

From this ultra-modern setting, you mount a ramp to the first trailer — and walk straight into the cave-man era.

The Centennial Symbol seems to be carved into a granite-like wall. Beyond, seagulls wheel and cry, the land emerges from the sea as the light dims and brightens with the passage of time. Mineral samples glow from niches in the cave wall. You pass Indian encampments to the sound of yelping dogs and chanting braves

The sound changes to the creaking of masts on an explorer's ship and you see the Ming vases and fine silk he was seeking when he stumbled on North America. Rich furs and the song of a voyageur indicate the explorers found wealth of another kind. Ancien maps glow in floor recesses, gradually becoming more accurate as exploration continues.

Civilization emerges as you walk through a Quebec tailor shop of 1731, on past a poster seeking sharpshooters for the War of 1812, into the King's Head Inn with comfort for the hardy wayfarer after a day on Upper Canada's dismal roads.

The clash of battle surrounds you as H.M.S. Shannon captures the U.S. frigate Chesapeake off Boston Harbor. Trouble within the colonies and threats from without bring you to the crimson and royal blue Confederation Chamber, focussing attention on tiny sculptures figures of the Fathers of Confederation surrounded by hunters, settlers, trappers, traders — the people of 1867.

You pass between railway tracks linking the new nation and suddenly you're walking over the steel plates joining two railway coaches. They move and squeak and you hear the clickety clack of wheel on track

In a dark-wood and red-plush railway coach you become a westward-bound immigrant while outside a steam engine chuffs at speed, the coach creaks and groans and now and then brakes squeal and your hear the metallic clang of work in a freight yard outside.

Beyond the coach, a life-size slicker crouches beside a gold-rush creek, panning for his fortune as the water gurgles softly behind him. His finger stirs the silt and gold flecks in the pan. Now and then he looks up at you.

Portraits rise from a wheat field; old portraits of the Russians, Austrians, Ukranians, Bavarians and many others who built the West.

Those who went back to Europe the hard way are recalled by a sign announcing: "Free Trip To Europe — Step Aboard." You do and you're in a mud-spattered World War I trench, shells screaming overhead. No Man's Land lit in the distance by the flicker of gun and exploding shell.

From the darkness of war you step into the harsh light and frantic pace of the Roaring Twenties. A coonskin coat hangs on one wall and 40-year-old honky tonk grinds from a victrola. A Mack Sennett silent movie cranks out its cliff-hanging tale. Banting and Best peer out from a corner with a vial of their life-sustaining insulin. A clothing-store ad for Jackie Coogan mufflers explains that "to wear anything bearing his name is the height of the average boy's ambition"

The fun and the victrola wind down abruptly as headlines and a ticker tape report the stock market crash of '29. The Great Depression covers the land. The skull of a steer lies bleaching on the lifeless soil of the wind-blown Prairies. Men line up at soup kitchens or ride the boxcars to anywhere. A hand-scrawled sign says: "No Men Wanted."

World War II takes the stage with the whine of bombs as the saturation bombers swarm overhead with the muted roar of a distant Niagara. A 500-pound bomb seems to be slipping through the floor to a city far below. Ragged bomb fragments frame pictures of the damage and the war on land, sea and Home Front.

Peace brings an age of expanding industry. A structure of metal tubes represents Canada's nuclear plants. A model of Isis, Canada's Centennial Satellite to be launched later this year, soars overhead.

A montage of photos shows modern Canada functioning in a wide field of endeavour. Photos of leaders in industry, sports, the arts, politics, gradually get younger and less well known until there are only children, singing an upbeat song that gets louder and louder in a crescendo of optimism for the nation's future.

And you're outside in the quadrangle again.

The sight-and-sound adventure through Canadian history was almost four years in the making. Writers established broad story lines, then artists, sculptors and craftsmen of many kinds developed them into living exhibits under the supervision of the Canadian Government Exhibition Commission.

The longest route is 8,516 miles through 96 stops in Alberta, northeastern British Columbia, the Yukon and Northwest Territories. It starts at Milk River, Alta., and winds up Nov. 2 at Drumheller. Because of the distance, that caravan is allowed the most number of days for straight travel.

The eighth caravan takes in the bulk of British Columbia, travelling 4,586 miles through 94 communities from Langley to Sparwood by Nov. 4.

CCC Teenage...

(Continued from page 1)

ming pool.

Sales of tickets are going well for the color TV and if you have not obtained one yet, better do so soon. The drawing for this set will be held on May 2nd, during the visit of the Centennial Caravan in Huntingdon Proceeds from this will also go toward the swimming pool fund of the County Civic Centre.

Tag days will be held during the visit of the Centennial Caravan and at the banquet that will be held the day before, that is on April 30th, May 1st and 2nd.

Following is the amount collected for the swimming pool fund up to April 17th and also the list of names from whom contributions have been received.

Denies Teenagers...

(Continued from page 1)

started, more teenagers have been attending and a number from outside points. This is the only form of amusement the teenagers have and they have no wish to be put out of their hall. Mr. Story says that the police have told him to keep on for it is much quieter around Town on Friday evenings. He says he has no idea of quitting for the boys and girls behave properly and if they do not, he has only to speak to them and they obey. They like this opportunity to have fun. Naturally there is some noise when they leave the hall as they say goodnight to one another and perhaps ask if they will be there next week. But is is not as bad as was reported.

It is hoped that this explanation will allay the fears of any parents who may restrict their children from attending this Friday night teenage party. Many forms of amusement are engaged in including dancing to records. It is hoped that some orchestras can be engaged from time to time. The youngsters pay a small fee to cover expenses, some free "Cokes" are provided.

Teenagers from Grade 7 to Grade 12 are eligible to attend and Mr. Story is there all the time to keep things under proper control.

Ste-Agnes

Mr. and Mrs. Lucien Quesnel entertained relatives last Sunday afternoon, the occasion being Pierre's confirmation into the body of the Church.

FURTHER DONATIONS FOR THE CVMF WHICH OPENS TODAY AT ORMSTOWN HIGH SCHOOL

The Chateauguay Valley Music Festival gratefully acknowledges further donations to the general and scholarship fund. The number of entries having increased sizeably this year, expenses are higher as adjudicators are required for the extra session.

Any member of the committee will be glad to receive your donation, or they may be sent direct to the treasurer of the Ormstown Lions Club, Mr. Jack Taylor.

Donations have been received as follows: Vel Construction, $15; Model Dye Works (Canada Ltd), $25; W. G. McCrimmon, $25; Valleyfield Dissentient School Trustees, $25; Mr. Claude Remillard; Mr. Dave McCoy; Dr. and Mrs. George Lefebvre; Tres. Saint Sacrement; Commission Scolaire, Howick.

The festival opens today (April 19th).

This and That in Town

CONFEDERATION CARAVAN — Everyone from one to 100 in the Chateauguay Valley is invited to visit the Confederation Caravan that will be in Prince Arthur Square, Huntingdon, on May 1st and 2nd. Provincial and Federal statesmen will be here on the Sunday, Monday and Tuesday and according to Mayor Leo Cappiello, Premier Daniel Johnson will preside at a Quebec-sponsored luncheon at the Chateau Huntingdon on Monday. Huntingdon is the starting point for one of two caravans scheduled to tour this province and thousands of visitors are expected from the Counties of Beauharnois, Chateauguay and Huntingdon as well as many of our neighbours from south of the border. According to reliable sources, press, radio and television personnel will be in Ourtown and Mayor Cappiello is asking local residents to clean up their properties in order that the best possible impression will be given. Messrs. Ken Scott and Henry Talbot, the latter with Les Petits Chanteurs de la Paix, will provide entertainment following banquets at The Chateau Sunday evening and Monday noon. Every person, young and old, is urged to plan now to see the Confederation Caravan.

NINE MORE DAYS, only, until Expo '67 is open to the public. We guarantee that anyone attending once, will return.

TENDERS for the new Regional Catholic School to be built in Huntingdon appear elsewhere in this issue. Congratulations to the Salaberry Regional School Board and all local people who worked diligently to have this school located in Huntingdon.

HEMMINGFORD GOLF CLUB is now open. Messrs. Normand Fortin and Harry Warner, the latter Fire Chief in That Town, delivered interesting addresses at the monthly W.I. meeting there. (Read elsewhere).

ONE INJURED in two-car collision near Hemmingford Saturday evening. (See pix and story).

DISASTROUS FIRE destroyed barn and killed pets owned by Mr. and Mrs. Roland Riel at Brooklet early Friday evening. (See elsewhere).

BOY SCOUTS of Huntingdon planning waste paper drive. (See advt.)

AIR RIFLES: Jon Proudfoot, president of Huntingdon County War Memorial Arena Ltd., reports every one of those extra-large light bulbs high in the ceiling of the Arena were smashed by air rifle pellets recently. The same offence occurred about this time a year ago. This type of mischief is most discouraging for people who have devoted their time and spent money from their own pockets in order that youngsters might enjoy themselves. One thing is certain: the individual (s) who spoil things for everyone will be punished if their identity becomes known.

MRS. JULIUS A. KORACS, 305 New Street, Fairport Harbor, N.Y. mailed a letter to "The Chamber of Commerce, Huntingdon, Quebec" on April 5th, inquiring about places to stay during Expo. The letter was answered, fortunately, but not by a member of the Chamber of Commerce. Unfortunately, this organization slowly died. Having been extinct for a couple of years with no signs of revival, isn't it time the Board of Trade was revived? Surely Ourtown is old enough and big enough that a group can be organized to work harmoniously for the good of all. Now if some of our businessmen don't agree, don't phone and blast me about it, write a letter to the editor in order that all the townsfolk will know your opinion. On the other hand, some will undoubtedly agree, so let's hear from you too.

MR. JACK SPENCER, who will be remembered by some of the older businessmen in the area, is conducting an advertising campaign in conjunction with The Gleaner. Jack worked with the late Adam Sellar almost 25 years ago and conducted a campaign during a War Saving drive. Although he has not been in Huntingdon for many years, he remembers many storekeepers and merchants from Hemmingford to Dundee Lines. He has been conducting campaigns for many Ontario and Quebec newspapers for years, in fact he works for Larry Gage at St. Johns every year and for a chain of newspapers throughout our country. Jack is a reputable businessman and what he has to offer has appealed to advertisers and readers alike.

A REUNION of former members of the Victoria Rifles of Canada in the form of a Centennial Dance has been arranged by the Irwin H. Eakin-Victoria Rifles Association Branch of the Royal Canadian Legion in the Black Watch Armory, Montreal, on Saturday, May 6th. We invite all former members of the Vics to attend this reunion, further information and tickets may be obtained from R. Hindle, 2454 De Rome, Ville Brossard, Phone: 676-4452 or C. J. Brighton, 9675 Basile Routhier St., Montreal 12, Phone: 381-8125.

BOB JOHNSON, proprietor of Huntingdon Theatre who has been hospitalized for two months, returned to his Westmount home over the week-end. We're pleased to report he is much improved in health and will again be taking a personal interest in Huntingdon Theatre. Bob tells us one of his features showing from Friday until Sunday, "Rare Breed", should be of prime interest to Chateauguay Valley farmers is it concerns cattle imported to this country. Quite frankly, we think both movies should be well worth seeing.

MERRILL WINTER OF ORMSTOWN, Customs Officer stationed at the Franklin/Churubusco port, suffered severe injuries Monday about four p.m. on his way home to Ormstown from work. Near Dumas' Range on Route 14, his car collided with a vehicle travelling in the opposite direction, reportedly owned by a man from St. Chrysostome. The other driver escaped injury but Merrill suffered fractured ribs and his jaw is believed to be fractured in three places. He was taken to a Montreal hospital by ambulance. Both cars were badly damaged.

RESIDENTS OF HUNTINGDON are asked to clean their lawns and yards and a special notice with regard to garbage collections appears elsewhere in this issue.

HUNTINGDON LOCALS

The Huntingdon County Hospital gratefully acknowledges the receipt of Annual Memberships from Mr. Arthur Spivey and Mr. W. R. Wilson, Life Memberships from Miss Frances M. Eccles and Mr. and Mrs. David Rennie, a donation in the amount of $5.00 from Mr. and Mrs. J. A. Brown in memory of Mr. J.J. Alexander, a donation from Mr. and Mrs. Charles Reid and the step-grandchildren in memory of Mr. J. J. Alexander, a $20 donation from friends and neighbours in memory of Mr. J. J. Alexander and a $5.00 donation from the Misses Ethyle, Vera and Blanche Hamilton in memory of Sandra Ruth MacNair.

Recently two rinks of mixed curlers from the Huntingdon Curling Club participated in the Pointe Claire Curling Club Bonspiel. A rink composed of Mr. and Mrs. Gordon Tannahill and Mr. and Mrs. Mons Duke played rinks from Pointe Claire and the Town of Mount Royal Clubs. The other rink composed of Mr. and Mrs. Ken Ferns and Mr. and Mrs. Erle Martin played games with entries from the Baie d'Urfé and Hudson Clubs.

Sunday afternoons guests at the summer home at St. Anicet of Mr. and Mrs. James Henderson were Mr. and Mrs. Bruce Newman of Montreal and Mr. and Mrs. Jacques Leger and family of Huntingdon.

Miss Dorothy Coles, Past President of the Presbyterial of the W.M.S. will be the dinner guest of Mrs. Robert McCleery when she comes from Montreal to give an address at the Thank-Offering Meeting of St. Andrew's W.M.S. on Wednesday, April 26 at 2:30 p.m. A cordial invitation to attend the meeting is extended to all those interested in this great work.

Mr. and Mrs. Harold Paul of Chateauguay Centre spent the week-end at the home of Mrs. Charlotte Paul.

Mr. and Mrs. Glen Moore, Bradley and Dwight of Dollard des Ormeaux visited on Saturday with Mr. and Mrs. George Boyce.

Mr. and Mrs. George Roy of Syracuse, N.Y. spent a few days the past week at the home of Mr. and Mrs. H. F. McConville.

Mr. and Mrs. George Horan of Ottawa visited her mother, Mrs. Eleanor Desjardins, at the home of Miss Margaret Sherry on Sunday.

PROUD OF THEIR CENTENNIAL QUILT

Above, proudly holding the Centennial Quilt they have made are Mrs. L. Watterson and Mrs. C. Carpentier of Dundee. It was designed by these two ladies with the help of Mr. Watterson. The size is 75 inches by 85 inches and it is for the use of the Dundee U.C.W. as a Centennial project. The red blocks are in the shape of the Centennial emblem and there are five across the width and six for the length, the whole on a white background. The design of the quilting spells out the following: Dundee Canada Quebec U.C.W. It is intended to hold a Centennial evening, when the quilt will be offered for sale.

Mr. J. A. Brown returned by train Sunday evening from Edmonton, Alta., after spending the past month visiting relatives and friends in different parts of Western Canada.

Mr. and Mrs. Colin Arnold arrived on Friday from Pensacola, Florida to visit at the homes of Mr. and Mrs. Arthur Arnold and Mrs. Elizabeth Ovans. They were present at the 50th wedding anniversary for his parents Saturday evening.

Recent guests of Mrs. J. E. Wilson were Mrs. L. Miller of Bedford, Mass. and Mr. and Mrs. George Miller and baby Glen of Pelham, N.H. Mrs. Miller spent last week with her grandmother.

Ladies Aid Meeting

St. Andrew's Ladies Aid Society met Wednesday afternoon, April 12rd, in the Annex for a short business meeting.

Mrs. O'Hare called the meeting to order with Prayer. Mrs. Willock read the Bible reading from Ps 95. T he Lord's Prayer was repeated in Unison. Minutes of the last meeting were read and approved.

Various committees gave their reports. Mrs. Willock offered to do the Hospital visiting for Mrs. O'Hare for awhile. Several thank-you cards were read.

10 members answered the Roll Call. The meeting closed by the Mizpah repeated in Unison.

Mr. and Mrs. Kenneth Elder from Standard Alberta spent the week-end visiting their aunt, Miss Elsie E. Elder.

Aubrey-Riverfield

AUBREY-RIVERFIELD — Aubrey-Riverfield W.I. met at the home of Mrs. Wm. Allen on Friday afternoon. Seventeen members answered the Roll Call by telling where they had met their husbands. One former member, Mrs. Ida Kerr, was present.

A letter of appreciation from Linda Gruer for the prize she had received for Public Speaking was read. A thank you note from Mrs. Preston for the Valentine box and a letter from the Dept. of Woodlot Management were also read by the secretary.

After some discussion concerning Christmas stockings it was decided that instead of making and filling the stockings this year each member would donate $1.00 towards this project.

Mrs. Math McKell was authorized to purchase some maple sugar for our donation to the sale at the F.W.I.C. National Convention to be held in June in Guelph.

Agriculture convener read an article about Centennial choices for beautifying grounds. Recommended were two crabapples and two roses. The article also spoke about the large rosebed to be on exhibit at Expo.

Citizenship convener told of the late General Vanier's medical will which he gave to Dr. Penfield a short time before his death. Mention was made of a letter from Queen Elizabeth to the pupils in Grade IV in Margaret McKell's class in Hamilton in reply to letters they had written telling why they were proud to be Canadians.

Education convener spoke of the $2,400,000 grant for the Regional School being built in Ormstown. She also told of one lady's idea for a souvenir for children in this Centennial year. She has already sold 25,000 copies of bilingual colouring books.

Publicity read the beautiful Centennial Hymn.

Welfare and Health told of a safety container for drugs or pills which has a plastic cap called "Palm-a-turn" that requires two movements to loosen it. It has been adopted by the Montreal Children's Hospital. There are two centres in Montreal, Ste. Justine Hospital and the Montreal Children's Hospital, that have clinics for treating the many cases of child poisoning.

Mrs. Gordon Easton displayed a down comforter which a few members had quilted during the week.

Following "God Save the Queen" the meeting was turned over to Mrs. Easton and Mrs. Milne for a social afternoon when games were played and each member received a booklet "Canada 1867-1967 Guide" and an Expo pin. Refreshments were served by the hostesses Mrs. Allen, Miss Berta Orr, Mrs. Math McKell and Mrs. Hiram Reddick.

The next meeting will be held on Wednesday instead of Thursday as the County Convention will be on Friday of that week.

The fortunate ones who attended the Salvation Army Band concert held in the High School on Saturday night enjoyed a rare treat. The "songsters" lived up to their name and delighted the audience with a great variety of beautifully rendered selections sung wholeheartedly.

Six members of Aubrey-Riverfield W.I. met at the home of Mrs. Andrew Allen last Tuesday to quilt a down comforter. At noon a pot luck dinner was enjoyed.

Mr. Robert McFarlane returned home from the hospital on Wednesday.

Mrs. Jack Hamilton is back in hospital again, where she underwent surgery last week. Best wishes for a speedy recovery from her many friends.

WEDDING AT ST. ANICET

Mr. and Mrs. Yves Brosseau cutting the cake after their wedding.

BROSSEAU-HIGGINS

The marriage of Sharon Lynn, daughter of Mr. and Mrs. James Higgins of St. Anicet, and Mr. Yves Brosseau, son of Mr. and Mrs. L. Brosseau of Hemmingford, took place on Saturday morning, April 8th, 1967, at St. Anne's Church, St. Anicet.

Easter lilies and baskets of yellow and white mums decorated the Chancel. The Rev. P. Deguire officiated at the double-ring coremony and celebrated the Nuptial Mass. The organist, Miss Mariette Latreille played appropriate wedding music and accompanied Miss Rachel Hebert who sang during the service.

The bride looked charming in a floorlength sheath gown of white peau-de-soie styled with a portrait neckline outlined with Alencon lace and long sleeves. Over her gown she wore a sleeveless coat of Alencon lace which extended into a chapel train. Her bouffant veil of tulle illusion was held with two small rosebuds of white peau-de-soie and three petals edged with lilies of the valley, seed pearls and rhinestones. She carried a cascade bouquet of white carnations centred with two mauve orchids and wore a cultured pearl necklace and earrings, the gift of the groom.

Her two bridesmaids, Miss Anne Brown of Howick and Miss Shirley Benoit of Lachine, wore identical gowns of a soft, mint-green crepe in Empire style, the bell sleeves of white lace forming a cape at the back. Their headdresses were of mint green roses holding head-veils of the same shade and they carried bouquets of Shasta daisies.

The junior bridesmaid, Gail, and the flower-girl, Linda, both sisters of the bride, wore identical gowns of pale gold peau-de-soie, also in Empire style, with sleeves and yoke of white lace and head-bands of white silk roses. They carried baskets of white Shasta daisies.

Mrs. Higgins, mother of the bride, wore a teal-blue wool suit edged in off-white, with a mink stole and hat of white silk straw. Her accessories were in black and she wore a corsage of red rosebuds.

Mrs. Brosseau, mother of the groom, wore a cream wool suit with tan accessories and a corsage of red rosebuds.

Following the ceremony a reception, attended by 80 guests, was held at the Ormstown Hotel.

For travelling the bride wore a tapestry brocade dress in shades of tangerine and green with a matching coat, a small cloche of tangerine silk straw and black patent accessories. Her corsage was of Talisman roses. The honeymoon was spent at Niagara Falls and motoring in Ontario. On their return Mr. and Mrs. Brosseau will reside in St. Leonard, Mr. Brosseau, former photographer with the Huntingdon Gleaner, is now employed in Montreal and Mrs. Brosseau is a Secretary at Sun Life.

Prior to her marriage Mrs. Brosseau was guest of honour at a miscellaneous shower given in Huntingdon by Mrs. Alcide Leduc, Miss Adele Leduc, Miss Shirley Benoit and Miss Anne Brown and at a Pantry Shower given by her friends on the staff at Sun Life.

Among the guests were Mrs. Anne Higgins of Huntingdon, grandmother of the bride and Mr. and Mrs. Ernest Brosseau of Hemmingford, grandparents of the groom. Other out-of-town guests included Mrs. S. Johnston of Ottawa, Mr. and Mrs. H. McNicol of Cornwall, Mr. and Mrs. James Curran of Nitro, Mr. and Mrs. Rick Sugget, St. Laurent, Mr. Steve O'Shea, Mr. and Mrs. E. Lafleche, Mr. and Mrs. E. Bannon, Huntingdon, Mrs. Joe Meilleur and son Roger of Cornwall, Mr. and Mrs. George Germain, Malone and Mrs. Earle Yale of Montreal.

Franklin Centre

Mrs. Clifford Barrington and Curtis of Pointe Claire accompanied by her parents, Mr. and Mrs. James Lamb, spent Tuesday at Plattsburg.

Mr. and Mrs. Walter Hope and family, returned to their home at Sudbury, Ont., after a two weeks visit at his parent's home, Mr. and Mrs. Wm. Hope.

Aubrey-Riverfield

Mr. Ken Beattie of Melbourne spent the week-end with Mr. and Mrs. Kenneth Allen.

Miss Gail Allen with two friends Miss Pat Hollett of St. Michel and Miss Janet Maddeaux of Verdun, spent the week-end with Mr. and Mrs. Kenneth Allen.

Mrs. C. S. Barter and Ian returned to their home on Saturday after spending the winter in Florida. The sympathy of the community is extended to them both in the recent loss of a husband and father.

MEMBER AUDIT BUREAU OF CIRCULATIONS

Editorial Notes..

The Need For Additional Space

AT the annual meeting of the Barrie Memorial Hospital at Ormstown, on Wednesday evening last, all the reports given stressed the need for more space and accommodation. Certain innovations have been made to provide greater space, or an extra room, so that all is being utilized to the best advantage.

Each year, the hospital has to make do with whatever facilities it has at its disposal. Curridors are often pressed into service to accommodate an extra bed and patient. The doctors are hard put sometimes to get beds for most urgent patients and therefore some cases are reduced in the number of days they are allowed to stay in hospital.

Money is being put aside for a building fund and this fund is increasing but nothing can be done until the Government sanctions it. The incidence of hospital insurance has greatly increased the pressure upon this and other hospitals. This pressure will continue as it is the right of people to seek admittance to hospitals when they need attention and treatment. Then again there is a shortage of doctors and it is easier for them to give treatment to people if they can be hospitalized. Accident cases are more numerous and these often entail several persons at one time having to be admitted. There are many reasons why hospitals are in greater demand.

The Barrie Memorial deeply appreciates the many contributions it receives for its building fund and hopes that one day this will be put to the use for which it is intended. Plans for a new wing have been in hand for several years now. Each succeeding year makes the need for expansion more definite. No word comes from the authorities giving the green light to proceed with plans. Insofar as the Board of Governors, doctors and nursing staff are concerned, it will be a happy occasion when the expansion so badly needed is actually authorized and underway.

As was pointed out at the meeting, the reputation of the Barrie Memorial goes far and wide across the country and it could be this that makes it in greater demand. Certainly the area from which patients come to this hospital is forever expanding.

Announcement was made that the practice of having internes at the hospital will be ceasing in the near future. This could have an effect on the service, for it has been the internes who have taken a great burden off the doctors. They have attended to many matters which freed the doctor for more important things. Of course they were constantly changing, for as they gained experience they were off to other fields of the medical profession to learn more. It is something that is regretted.

That the Barrie Memorial is doing good work can be learned by reading the annual meeting report. The enlistment of Dr. Howard Mitchell as consultant should do more to add to the hospital's prestige in the future.

Taxes or No Taxes?

SOMETHING which should attract the attention of all who have to pay school taxes is what will happen in the near future in this regard.

After the end of the present school year many changes will take place in the general set-up of schools in our area. If all goes well, the Chateauguay Valley Regional School will be opening in Ormstown in September of this year. To this school will be transferred students from all the schools which will form a part of this district. That is grades from 8 to 11. In 1968 Grade 7 from all these schools will be included in the Regional district. In those schools where High School grades were taught, after September they will become Elementary schools only. In all cases there should be considerable room for economies to be introduced by the various local Boards and thus ease the burden upon the local taxpayer. In all cases the elementary school Boards will be called upon to pay a share of the upkeep of the new Regional School. This applies to Protestant and Catholic taxpayers alike.

In several cases where additions have been made to existing schools, or new ones have been built, special taxes were levied to take care of this cost. In most cases this remains unpaid in full, having been taken on debentures over a number of years. This will still have to be paid until the amounts have been settled in full and will continue as a special tax. The regular tax has to be paid, When the assessment is known for the Regional School a further tax will be levied to cover this cost. The school tax figure will increase considerably in the next year or so.

The point is, the taxpayer should take a greater interest from now on in what is going to happen in this connection. Pressure should be brought to bear on the local School Boards to study their own situation and to see where economies can be effected at the local level. While it might be too late at this time, staff requirements should be kept to absolute minimum compatible with good education requirements. There should be a considerable difference in salary costs due to there being no high school teachers required with the exception of Grade 7 for the 1967-68 year. With the availability of more classrooms and the equipment of same, there should be no costs in this direction for several years to come, although an inventory of such equipment is required by the new Regional School. With less classrooms being used, it should be possible to reorganize requirements for the remaining Grades into compact space and perhaps cut down on the heating and upkeep of the school during the winter months The school population will be considerably diminished and it seems unnecessary to heat the whole school building when a large part will not be used. Other economies may likely present themselves pertaining to upkeep, which the local Boards should take full cognizance of. Every economy that can be effected will be that much less in expenditure and consequently less taxes to be paid. The representatives on the Boards are placed there to keep close watch and to administer without undue waste. They should work in the interest of the taxpayer in all matters.

This then, is one side of the picture. Now comes another. It has been said many times of late that the source of revenue for our schools should not come from taxes on property. In fact it has been suggested that some new form of financing the schools is in the planning. We have not been told what form this will take, or when it may come about. This should not deter School Boards from planning now what and where they can effect economies, or the taxpayer from becoming inquisitive and wanting to know what the Boards are doing, if anything — in this direction. Such planning should be considered now in readiness for school opening in September when plans can be made effective with the start of a new school year. What changes have to be made in classroom arrangement or other parts of the school should be done during the summer recess.

It is a time when important decisions must be made to meet the requirements of a new situation.

The Effects of Expo

WE will probably all experience something new in the impact of tourism this year which is due to start within two weeks. We have in mind the pulling power of Expo '67 which will open in Montreal on April 28th.

Certain fluctuations in our population have occurred berore when conventions or one sort or another have been held in nearby cities. They have meant an increase in traffic on our highways in addition to the ordinary tourist who uses this route to arrive at a destination. All of this is in addition to the regular run of traffic. At times this makes a considerable difference to our area. The incidence of Expo is going to exceed extensively anything we have ever experienced before.

In readiness for eventualities, The Huntingdon Town Council has arranged for more special policemen to be available for duty within the Town, both to keep traffic on the move and to be on the lookout for other possibilities. In addition, the Quebec Provincial Police detachment here will be increased for the same purpose. Plans are in readiness in Montreal for handling the expected large volume of traffic and people who will be attending Expo. The police of that city and those of Provincial Force will work in close co-operation, thus there will be co-ordination in all areas where traffic is liable to become congested.

It is feared that at peak times bridges by which entrance to Montreal Island will be gained, will become clogged. In order to keep close watch on this, helicopters will patrol the main lines of traffic into Montreal to try to spot areas of congestion and pass this information to patrol officers on the ground. If necessary, these officers will re-route the traffic to other highways and bridges. It is hoped in this manner to avert tie-ups, or to cut long delays. It may happen that drivers will have to go a few miles out of their way, but it will assist their getting onto the island.

It is quite possible that many people will leave their cars outside the Montreal area and make their way by some means of public transportation. It might also be wise for local residents to follow a similar line of approach. We fear that Montreal will become so congested at times, that movement will be near standstill. There will also be the problem of parking a car for long periods. Regular parking places will no doubt be taxed to capacity.

In turn all of this will have its effect on towns between the U.S. border and Montreal. This of course means Huntingdon, Ormstown, Howick and other such points. It is possible that many cars will be left at these points and a bus be taken the balance of the way. It is therefore most likely that accommodation will be sought in this area and we should be prepared for it.

Education — Our Retarded Children

WE are all very much aware of and indeed appreciate, the tremendous strides that are being taken to improve education facilities for the child who possesses a normal level of intelligence. The new regional schools will be opening their doors in the very near future to the majority of our pupil population and there is no doubt, that the children and the Chateauguay Valley, can only benefit as a result of this progressive change in attitude towards education.

There exists in the Valley a minority of the pupil population who, unlike the majority do not possess a normal level of intelligence and are mentally handicapped. It is true that our mentally retarded children represent only a small minority of the total pupil population but surely, every child has the right to develop to the full limit of his or her capabilities handicapped, or not.

In this present age of busy activity where the majority rules, it is often said that community spirit and an awareness of the problems of the minority, is a thing of the past. — It is always a pleasure to come across evidence that this in fact, is not the case, as far as our retarded children are concerned.

In 1964, a private group of persons comprised of business and professional men, as well as housewives, from different areas of the Valley, met and discussed the educational plight of our retarded children. In December of that year, the group formed the Chateauguay Valley Association for Retarded Children. The primary object of the association was to help all affected children, regardless of language, ace, or creed, to develop them to their full capabilities.

Some nine months later, in September 1965, the Gay Valley School for Retarded Children was opened, the intention being to train and assist the handicapped children in this area of the Chateauguay Valley. The school can be justly proud of its achievements to date and is perhaps unique, in that, the children who are attending regular classes, are both French and English and are being taught, in the same classroom, by a bilingual volunteer teaching staff, who in turn, are assisted by part-time volunteers, who teach cookery and other activities.

The Chateauguay Valley Association for Retarded Children, with the assistance of industry, service organizations and private individuals, is determined to continue to support and sponsor the school until such time as the education and training of our mentally handicapped children, is accepted as being the complete responsibility of the regional education authorities.

It is hoped that the Regional School Boards will accept and assume the full responsibility for the education of our retarded children in the very near future. Special classes for those children who are of school age will be required, whilst a sheltered workshop for the young adults and within easy access of industry is worthy of consideration.

We would be most happy to report during the next few months, that tremendous strides have also been taken to provide special educational facilities for our retarded children in the Chateauguay Valley.

In the meantime, those members of our community who have already accepted this responsibility are to be commended for their efforts and are worthy of our continued support.

Keith Renwick.

SUGAR AND SPICE

I'D RATHER EAT SPAM

One of the great failings of modern society to which sociologists pay little attention was imposed on me this week. I traded my car for a new one.

This psychological crisis comes to all of us, every two or three years. It bears looking at, as a manifestation of the tremendous pressures we have to cope with, and our grandfathers didn't.

What a snap they had. They went to a reputable horse-dealer and bought a horse. No sweat. They didn't even have to make the agonizing decision of whether to buy a brand new one or a late-model used. There was no such thing as a new horse.

What's more, they enjoyed it. There was some good-natured dickering which usually ended with both parties thinking they had got the better of the deal. Grampa chuckled as he drove his lively gelding home, thinking of how much trade-in allowance he'd received for Old Min, the mare, who hadn't much mileage left in her. And the dealer chuckled as he thought of the gelding steadily going blind, and the fact that the preacher, who knew nothing about horses, was looking for a quiet mare like Old Min.

My point is that it was not the wrenching, exhausting thing that a modern car deal is. The average layman then knew whether a horse was sound. He took a look at the teeth, felt the beast here and there, hitched it up for a trial spin, and made his deal.

There was only so much that could be wrong with a horse. He could be blind, or spavined, or wind-broken. But he didn't rust, there was no chance of his brakes grabbing, his transmission was automatically automatic, and he didn't cost $1500 a year for life.

And that's one of the reasons I buy a car exactly the way Grampa used to buy a horse. I look at its teeth. That is, I lift hood to make sure there's a motor, and open trunk to make sure there's a spare. I don't feel the beast here and there, but I kick the tires and give the doors a good slam or two. I take it for a little trial spin. And if nothing falls off, and the color suits my wife, I deal.

There are different types of car buyers, of course. There's the kid who makes $60 a week. He walks up to the red convertible with 80 yards of chrome, bucket seats and dazzling wheel discs, points to it and says, "Gimme dat one." Cheerfully, he signs the indenture papers which will enslave him for four years, and departs the lot with a squeal of tires. Where else can he find power and sex appeal for a lousy $80 a month?

And there's the born horse-trader, who deals for the sheer joy of it. He spends most of his spare time in car dealers' lots, badgering the salesmen, disparaging the merchandise, and quoting the terrific deal that Honest John down the street has offered him. He seldom has a car more than six months and is deluded into thinking that his lot is improving with every trade.

But for the average layman today, buying a car is an excruciating ordeal. He suspects the dealer. He fears ridicule from his friends, all of whom have made excellent deals lately. He dreads the interview with the bank manager. He trails from one car lot to another, trying to find a buick for the price of a volkswagen. And the upholstery must match all his wife's clothes.

Not me. Not no more. Life's too short. Yesterday, I bought in 20 minutes. Let my wife drive it home. Oh, there were one or two little things. It stalled, and we discovered the battery cable was loose. The light in the ceiling wouldn't go out and I had to phone the dealer to find out where the switch was. One of the doors won't close. And there was a delightful bit of family excitement when my wife pushed the window-washer button, it stuck, and soapy water gushed over the windshield for five minutes with more suds than a detergent commercial.

But it'll all work out. Three years from now. It'll be just another rust-bucket, almost paid for. And I have probably addead a year to my life by buying like Grampa. Try it yourself.

Cards of Thanks

I wish to express my sincere thanks to Dr. Cameron and the nurses and staff of the Huntingdon County Hospital for the good care I received while a patient there; also to relatives and friends for cards and visits.

Lloyd Douglas

I wish to express my sincere thanks to relatives, neighbours and friends for their expressions of sympathy, Mass offerings, floral tributes, many acts of kindness, visits or attending the funeral of the late Bill Syktus.

Eileen Hebert

I wish to express my thanks to Dr. Cameron and the nurses and staff for their kindness to me while I was a patient in the Huntingdon County Hospital; not forgetting my friends for their thoughtfulness in remembering me with flowers, gifts and cards. Thank you.

Elsie Halliwell

I wish to express my sincere thanks to Pioneer Rebekah Lodge friends and neighbours for their kind expressions of sympathy in the loss of my dear grandson, Dwight.

Mrs. Ida McCallum

We would like to thank all our friends, neighbours and relatives for the beautiful gifts, cards and money; also our family for their effort to make our 50th wedding anniversary such a happy occasion.

Ruth and Arthur Arnold

Our sincere thanks to friends and neighbours for their help at the time of the fire at our home. We specially thank all those who gave gifts of clothing, and our thanks and appreciation to the Lions Club for the generous gift of money.

Mrs. Henriette Bergevin
and children

I wish to extend my sincere thanks to the doctors, nurses and staff on the second floor of the Barrie Memorial Hospital for their kindness and good care to me while a patient there; also to my friends and neighbours for cards, gifts and visits. All were much appreciated. Also a special thanks to Mrs. Willis Bott.

Barrie Memorial Hospital...

(Continued from page 1)

especially toward needs which will be created when our expansion plans are finalized. Currently they are re-upholstering and redecorating our lobby, a most worthy project.

The Nursing Staff contributed $232.00 again this year. Their continuing interest is acknowledged with thanks.

Personnel problems have eased over the past year. We now have a full nursing staff. We have been unfortunate in losing the services of our Director of Nurses, Mrs. E. Snowdon who has, in her short stay with us, been of inestimable value to Mrs. Fearn in the operation of the hospital with all its attending complexities.

Due to changes affecting status of internes and resident doctors, we expect that after July 1st., we will no longer have an interne on our staff. This will mean an added load on our medical staff and I wish to state that the Board of Governors will be only too happy to do anything within their power in the matter of equipment, etc., which might lessen the load.

I wish also to announce that Dr. H. S. Mitchell of McGill University and of the Montreal General Hospital, will join us as Consultant Chief of Staff whose duties will be to supervise the clinical work of the hospital and he will be available to the Board of Governors with respect to questions of policy regarding medical matters. I have asked Dr. Stalker to present Dr. Mitchell to you later this evening.

At this time, I wish to thank wholeheartedly the Board of Governors for their generous support throughout the past year, particularly Mr. Norman Simms and Mr. John Dickson who have given generously of their time and talents to assist me in my duties as Chairman.

To Mrs. Fearn your Executive Director and Dr. Merrill Stalker your Medical Director, I extend my thanks not only for the sound advice and co-operative spirit which they have showed towards me during my first year as Chairman but to the keen interest they display in the welfare of the hospital and its many patients.

To Mr. Hughes and his staff I express my thanks and appreciation for the physical up-keep of the hospital. The general atmosphere of cleanliness and housekeeping along with the deportment and genial disposition of his staff, leaves little to be desired.

To Mrs. Finlayson and her nutritional staff I say thanks, not only for their efforts in controlling food costs but for the excellent meals served to our patients.

To our nursing staff I have only the best to say. Their devotion to duty and patient care exemplifies the high standing they have in our community.

To Dr. Kelen and his medical staff, I wish to say a particularly sincere "thank you". Your zeal and devotion to the care of the sick and injured has given our hospital a reputation second to none.

Respectfully submitted,

EARLE E. SAULT,
Chairman.

April 12th., 1967.

Other reports were then given by the Executive Director and the Medical Director.

REPORT OF THE PRESIDENT OF THE WOMEN'S AUXILIARY THE BARRIE MEMORIAL HOSPITAL 1966

Mr. Chairman, Members of the Board of Governors, ladies and gentlemen:

In the name of the Women's Auxiliary of The Barrie Memorial Hospital, I have the honor to present the report of the year 1966.

Before I do so, I would like to express my thanks to all those who have in any way contributed in making this past year favourable, expecially the Executive of the Auxiliary, Mrs. Snowdon, Nursing Superintendent. The Chairmen of various committees, volunteers, and the generous people who have given donations to the Hospitality Shop, all Members of the Auxiliary itself.

REPORT OF THE EXECUTIVE DIRECTOR 1966

Mr. Chairman, Governors, Ladies, Gentlemen:

I have the honour to present to you the Twenty-seventh Annual Report of the work of the Barrie Memorial Hospital for the year ended December 31st., 1966.

Statistics:

There were 2,191 adult and children's admissions. Of these 1,022 (down 2) came from Chateauguay County, 453 (up 48) came from Beauharnois County, 564 (up 55) came from Huntingdon County, 94 (down 9) from other parts of the province and other provinces, 58 (up 2) from the U.S.A. The American patients accounted for 351 days of patient care.

Again the waiting list for admissions remains at approximately one admission per bed.

Days of patient care were 16,195, a decrease of 872 over 1965. However, admissions were up 95 over 1965 which accounts for the very low average days' stay per patient of only 7.46 compared to 8.1 in 1966.

Newborn patient days were 1,847, an increase of 60 days.

72.8% of our patient days were on account of standard ward patients, 22.7% semi-private and 4.3% private.

The percentage occupancy was 79.2% — down from 83.4%.

Our higest daily census for the year was on September 30th., when we cared for 60 patients plus 7 newborns. However, it is interesting to note that on November 1st., we cared for 15 mothers and 14 newborns in an Obstetrical Department designed to accommodate 5 mothers and 10 newborns.

The lowest daily census was on February 13th., with only 21 patients and 2 newborns in hospital.

There were 375 babies delivered in 1966, down from the previous year's total of 395.

There were 1,100 operations performed and 926 anesthetics administered during 1966. There were 3,416 x-ray examinations carried out and 18,032 laboratory tests done during the year. There were 1,648 treatments done in the Physiotherapy Department.

Our patients came from the following communities:

Chateauguay County	
Ormstown	425
Howick	129
Ste. Martine	135
St. Urbain	40
St. Chrysostome	169
Aubrey	29
Ste. Clothilde	40
Ste. Philomene	18
Ville de Lery	1
Riverfield	14
Chateauguay	18
Barrington	4
Total	1,022
Beauharnois County	
Valleyfield	288
Beauharnois	34
Maple Grove	5
St. Timothée	23
Ste. Barbe	14
St. Louis de Gonzague	26
Nitro	28
Henrysburg	5
St. Stanislas	19
St. Etienne	11
Total	453
U.S.A.	
U.S.A.	58
Total	58
Huntingdon County

Chambly	4
Richelieu	1
Mississquoi	4
Labelle	1
Total	94

Maintenance and Buildings :

This department, under the supervision of Mr. A. Hughes, has had a busy year.

An office for the Director of Nursing was designed and built in the old "Paint Room".

It was necessary to increase the size of wiring and fuses in the main electrical entrances.

The emergency lighting system in the Operating Room and Case Room was changed from 12 volts to 6 volts, because 12 volt bulbs are no longer available.

Major repairs were carried out on the parapet wall on the east side of the building at a cost of $1,277. All roof flashings and ventilators were painted. The penthouse walls were repaired and painted.

A new hot water heating coil was installed in the Nurses' residence and the soft water line from the hospital was extended to the residence.

Numerous shelves, cupboards and mobile tables were made and installed.

Considerable painting was done both in the patient areas and the service areas. Numerous pieces of furniture were refinished or painted.

It is gratifying to report to the members that a great deal of this work has been done by our own staff.

Additional safety devices were installed on the elevator and a safety check made.

We experienced considerable trouble with pipes or bushings breaking or leaking in walls and ceilings. However, this was not so extensive as last year.

Grounds:

Several trees and shrubs, donated by the Women's Auxiliary, were planted on the front and side lawns.

Considerable work was done on Branch No. 1 of the Martin Water course opposite the Nurses' Residence, to prevent any further damage by erosion. This work was carried out by the Department of Drainage.

Staff:

It is the custom in the Annual Report to refer to the relationships between the hospital and its staff. This is generally one of my more gratifying tasks and this year is no exception. 1966 was, as everyone knows, a year of turmoil in labour relations throughout the country. Contrary to the general trend, the policy of your hospital towards its staff, has been received with understanding and co-operation. Changes in personnel have been few and we have been able to maintain adequate services at all times. It is a pleasure to report that since August 1st., 1966, we have had a full complement of nursing staff. This condition helped us to give a consistent quality of care to the patients and also helped in giving a feeling of job satisfaction. Among the factors that helped in attaining the staff stability was the rapid settlement of the new salary scale.

This is our twenty-seventh yearly report. Two members of our staff have been with us for twenty-two of these years. Numerous others have been with the hospital for periods ranging up to twenty years. Several of our relief staff have assisted us for long periods. Surely this reflects a good will that has been built up over the years and which is a source of pride and satisfaction to all.

Memberships:

At the end of 1966 we had 112 annual memberships and 469 life memberships. These memberships are important to both our hospital and its members. We sincerely hope these memberships will continue to be an integral part of our hospital.

Conclusion:

In last year's report we made reference to the creation of a proper Admitting Office, a Physiotherapy Department and a Psycho-Social Clinic. These departments have been in operation for more than a year. They have proven to be valuable additions to your hospital.

It is again a pleasure to say "thank you" to the Women's Auxiliary for their excellent support. Apart from the generous financial contributions and the bursaries awarded student nurses, we are indeed grateful to the members who give so freely of their time to help in the Sewing Room, assist with the diversional therapy programme for many of our patients, provide all the Christmas decorations and help in many other ways.

The "Candy Stripers" have continued the excellent work of previous years. In addition, the Junior Red Cross has provided toys and games for the young patients in the Children's Ward. We are grateful for their assistance.

I am extremely grateful for the loyal support given to me by the Board of Governors, the Medical Staff and the entire hospital staff.

Respectfully submitted,

(Mrs.) M. FEARN,
Executive Director.

April 12th., 1967.

(Continued on page 6)

Howick

The Southwestern Quebec Protestant Settlement Association distributed 225 gallons of paint last week to members who will use it for inside or outside painting. Another 200 gallons will be distributed this week. The price was reduced for such a large order and a big painting project should result in many beautified farm buildings and homes for the Centennial Year.

Last week we attended a rehearsal for all Howick pupils taking part in the Chateauguay Valley Music Festival. It was wonderful. We hope they enjoy playing at the festival and we hope that all the parents and friends go to hear them perform.

Mrs. O. W. Mattison, her sister Mrs. C. Elliff, daughter Jill and Patsy Stonehouse, visited a sister Mrs. Ray Scott in Warwich, Rhode Island, and friends at Needham, Mass., Dr. and Mrs. C. W. Ringer. They were away one week.

Mrs. Raymond Anderson has returned from an enjoyable holiday. She attended an Air Force wedding at Trenton before spending a week with her uncle and aunt, Mr. and Mrs. Whyte, at nearby Wellington. This was an interesting place to visit. Mr. Whyte invented the electric clock, and spends much time restoring antique furniture. Mrs. Whyte is a collector's collector and the house is filled with beautiful things that move on to other homes.

Mr. David Fiskin is a patient at the Barrie Memorial Hospital. Mrs. Sanley Peddie has been transferred to the Royal Victoria and Mr. Lincoln West has returned home. We hope all these folk regain their strength and health with the coming of warmer weather.

Miss Lois Elliot travelled West by train, where she visited friends at Victoria and Vancouver.

Mr. and Mrs. J. Earle Ness returned last week from Bradenton, Florida, where they spent the past two months. Mr. and Mrs. Owen Ness and family of Arvida were in Florida during the last two weeks of the holiday and they had several enjoyable visits.

Mrs. E. M. Wood of Powerscourt was a recent overnight guest of Mr. and Mrs. Jim Crawford.

Visit Roman Catholic Church

Last Wednesday after school the members of Akita C.G.I.T. with their leader Mrs. Robert McFarlane, visited the Roman Catholic Church in Howick, where they learned a great deal about a church of another faith.

The Rev. G. Jeannotte, curé, graciously showed the girls around every part of the statues, choir and fine Casavant organ, 12 Stations of the Cross, on the walls in three-dimensional form, the very impressive mural across the chancel, painted by an Italian artist, many beautiful vestments and symbols of the Roman Catholic Church. Father Jeannotte then rang the bells in honour of their visit.

The girls were most impressed and the knowledge gained seemed a fitting conclusion to the study they had made this year of the book, "One God — The Way We Worship Him!"

Scholastic Honour...

Barrie Memorial Hospital...

(Continued from page 5)

MEDICAL DIRECTOR'S REPORT

Mr. Chairman, Governors, Ladies & Gentlemen. As you have heard from other reports, your hospital continues to operate at the limit of its facilities. In fact, for a hospital of this size, our occupancy rate is higher than is normally considered desirable. Unlike commercial enterprises, our aim is not to show new records each year of patients treated nor to approach the theoretical 100% occupancy. We must be concerned with providing the best possible medical care and making available to our patients the benefits of modern medical science. Your Board of Governors have always fully supported the medical staff in providing those facilities and services which were considered advisable.

At this time last year I mentioned the recent appointment to our staff of Dr. Walanskyj, a pathologist from the Lachine General Hospital. In addition to providing our routine pathological service he has continued to visit the hospital twice monthly, at which time he has attended our regular clinical conferences and has been available for consultation.

We have been fortunate this year in persuading Dr. Howard Mitchell to accept an appointment as a visiting consultant. Alhough his official appointment awaits the completion of certain formalities, he has been visiting the hospital on a weekly basis since February. Dr. Mitchell has a long association with McGill University and The Montreal General Hospital and we anticipate that his experience will be of great value to the medical staff and to our patients.

A recent addition to our facilities has been the new Emergency Department. This space was formerly used for x-ray purposes but in recent years the space was infrequently used because newer equipment is available in the department in the Medical Centre. In the short time since the department opened on the first of March, the space has indeed been put to much more profitable use, providing both facilities for emergency care and additional space for minor surgery.

At this time last year, I reported that a change was to take place in our transfusion service. Since that time, our blood has been provided by the Red Cross and has worked to the satisfaction of everyone. On a few occasions, in emergency situations, we have taken blood locally as before but this has arisen most infrequently and I would again urge all our members to support the Red Cross blood clinics when they are held in this area.

Respectfully submitted,

M. E. STALKER, M.D.
Medical Director.

At this time Dr. Stalker said he had a pleasant duty to perform, that of introducing Dr. Howard Mitchell, who had accepted a position with the Barrie Memorial Hospital as a visiting consultant. He stated Dr. Mitchell has a long association with McGill University and the Montreal General Hospital. He felt that the Barrie had been most fortunate in persuading Dr. Mitchell to accept the appointment. He then called on Dr. Michell to stand and be introduced.

Dr. Mitchell thanked Dr. Stalker for his introduction and said that the Barrie has a reputation that reaches right across Canada. It is looked at with deep interest by other hospitals and Doctors. He noticed that those giving reports did so with pride in these reports and he liked the atmosphere that seemed to prevail from the moment one stepped into the hospital. He also noticed a geat amount of community effort in the reports as given and this showed the pride of the people in their hospital. Such spirit is of great assistance to the hospital and all who have to do with it. He was glad of this opportunity to become a part of it.

Further reports were given by the President of Medical Staff; President of The W.A. and the Treasurer, in the following order:

REPORT OF THE PRESIDENT OF THE MEDICAL STAFF — 1966

Mr. Chairman. Governors, Ladies and Gentlemen:

In Dr. McCallum's report last year he started out by saying "your Medical Staff have again had a very busy year in 1965". All I have to do is change the date to 1966. As you will see from other reports, our occupancy rate for the past few years has been running close to or above 80%. It is therefore almost impossible to do any more work in the space we presently have available.

The Barrie Memorial Hospital has now been a fully accredited hospital since 1952. This is an enviable reputation especially for a relatively small rural hospital. In order to attain this standing we must constantly strive to maintain the highest possible standards of patient medical care. This requires the special efforts of several committees of the Medical Board. These committees are concerned with what we call medical auditing. In this system each and every doctor's case reports and standard of work are under continuous review. This is our way of assuring the Board of Governors and the public generally that we are doing our best to provide good. up-to-date medical care.

As good evidence of our results, I would like to refer to a few statistics from the Medical Records Department. During the three years — 1964, 1965, 1966 — we had 1200 deliveries. We did not lose any mothers but we had 14 newborn deaths (including our premature babies). This is exactly half the Canadian 1965 Infant Mortality Rate of 23 per 1,000 live births. During 1965 and 1966, every live born baby of 5½ lbs. or over survived.

During these same three years there were just over 1200 major operations. There was only one death attributable to an anaesthetic. Only one patient in 100 (12 in all) who had a major operation died within ten days of the operation. When one considers the extensive character of some of these operations and the very advanced age of many of the patients, these results are remarkably good.

Our staff members have remained essentially the same during 1966 but Dr. Robert Poliquin has left us as he moved from this district to accept a new appointment elsewhere.

Due to recent changes in the Provincial Medical Regulations, it will be virtually impossible for us to acquire the services of any further internes. Our interne programme goes back about twenty years so that it is with great regret that we see it drawing to a close. There is some hope that it may be possible to make some other arrangements in the not too distant future. You can be sure that we will do our best to try to make this a reality.

It is probably fitting that our last interne is Dr. Tom Jeyachandran. He has become affectionately known as Dr. Tom. I would like to pay tribute to his ability and kindliness. All of the nursing and medical staff have become aware of his many good qualities. Many of our patients have also become aware of the fact that he was always more than just an "interne". We wish him and his family health and happiness for their future endeavours.

During 1966 we have continued to act as hosts to several small groups of medical students from McGill's Faculty of Medicine. Most of these were only day long visits, however, two students were able to stay with us for a whole month. We also had two more students from the University of Saskatchewan with us for about six weeks last year. I think that these associations with so many medical students are a very unusual feature for such a small non-teaching hospital as ours. At times it is rather amazing to find out how well-known we are in many other parts of Canada.

Last year Dr. McCallum referred to the early stages of an association with the then newly established Department of Continuing Medical Education of McGill University. It is with pleasure that I am able to report that we now have a well established association with this organization. The benefits from this programme are bilateral — we are able to learn from the experts but they, in turn, learn something about our problems. We are able to see each others problems more clearly and therefore find ourselves closer together with increased mutual respect and understanding. On the basis of such a good start. we are looking forward to a continuing and expanding future for this programme.

I think that everyone will agree with me when I say that by the continuous and combined effort of many people, we have succeeded in building a solid reputation for the Barrie Memorial Hospital. Our experiences in the past should be a great asset to us when the time comes for us to be able to expand once again. Let us hope that this challenge will not be too long in cominng.

Respectfully submitted,

G. L. SUTTON, M.D.,
President of the Medical Staff.

April 12th, 1967.

TREASURER'S REPORT — 1966

Mr. Chairman, Governors, Ladies and Gentlemen:

In presenting the Treasurer's report for the year 1966, I should like to confirm that the accounts were again examined by Messrs. Cook, Perry, Sewell & Co. and found in order.

EXPENSES

Our expenses amounted to $588,951., and increase of $110,618. over 1965. Large increases occurred under the following readings:

Wages and Salaries	$78,391.
Quebec Pension Plan	5,581.
Drugs	5,639.
X-Ray	10,088.
Laboratory	2,909.
Building Maintenance	2,812.
O.P.D. and Physiotherapy	5,713.

There were small increases under other headings and a reduction of $832. for Medical and Surgical supplies and $3,071. in the cost of meals. The latter reduction was achieved by Mrs. Fearn and Mrs. Finlayson devoting much more time to supervising the serving of meals and it will not be unnatural to ask why this saving was not made in earlier years. In answer I would say that with the appointment of a Supervisor of Nursing in 1966, Mrs. Fearn was able to devote more time to supervising the kitchen and other departments.

Wages and Salaries will again be increased in July of this year under the Labour Agreement and the cost of supplies and services in general will rise so our costs in 1967 will again be higher. We have been able to keep our length of patient stay down, it was 7.46 days in 1966, so that our costs on a per diem basis appear high but on a per patient basis will probably be lower than the average for hospitals in our catagory.

Turning now to the Plant Fund,

Donations amounted to		$18,295.50
Income and Profit from investments		7.788.64
Net income from Endowment Fund		9,844.97
Membership fees less discounts		776.00
		$36,705.11
Less — Pension	$1,800.00	
Miscellaneous	41.29	
		$ 1,841.29
		$34,863.82

Which has been added to our Plant Fund.

ENDOWMENT FUNDS

The amount was increased by $123,603. received from the Estate of Laura E. Moore to create the Dr. J. C. Moore Endowment Fund and $177. from the sale of Bell Telephone rights to bring the book value of the Endowment Funds up to $168,274.59.

DEFICIT ACCOUNT

According to the audited statement the estimated amount recoverable from the Quebec Hospital Insurance Service for 1966 amounts to $16,560.26 leaving an amount of $2,261.78 which is not recoverable. This amount, less an adjustment of $181.80 explicable to 1965, or $2,079.98 has been added to the deficit account which now totals $53,149.56. Depre-

Ormstown

Forty Five Years Married

Relatives and friends of Mr. and Mrs. W. S. Cullen surprised them on Wednesday evening, when on returning home from an Anniversary Dinner, they found about thirty persons, ready to wish them happiness on the occasion of their forty-fifth wedding Anniversary. Sam and Elsie were completely taken by surprise. After an hour or two of visiting with old friends, Mr. and Mrs. Cullen were presented with passes to Expo on behalf of all present.

Unit One U.C.W.

Members of Unit One of St. Paul's United Church, Ormstown, met in MacDougall Hall on Tuesday morning, April 11th and worked on quilts until lunch time. At three o'clock the President, Mrs. George Elliott welcomed the members and visitors. The devotional period was presided over by Mrs. Ken Faloon, with Mrs. Earle Forrester as pianist. Twenty-seven members answered the roll call, two visitors were present. Mrs. Elliott showed the centennial spoons which the CGIT will sell during the year as their money making project.

Programme Convener, Mrs. S. Osmond introduced Rev. A. E. Loree, who sang "The Holy City" as his opening number, accompanied by Mrs. E. Forrester. Mrs. M. Greig then read a resume of the chapter in the current Study Book, The Church Grows in Canada. Rev. Loree then sang "The Rose Of Tralee". Mrs. Osmond thanked Rev. Loree, Mrs. Greig and Mrs. Forrester, for the programme which was thoroughly enjoyed by all. The closing hymn Oh Master Let Me Walk With Thee, brought the meeting to a close. Delicious refreshments were served by the hostesses, Mrs. L. Taylor, Mrs. C. MacDonald and Mrs. A. Finlayson.

Mrs. Edwin Baskin attended the wedding of her nephew Earle Cayen and Florence Daniels on April 8th in Ahuntsic and on Sunday with Mr. and Mrs. Albert Cayen and Mr. and Mrs. Leo Cayen motored to Joliette to visit relatives.

Barrie Memorial Hospital...

(Continued from page 6)

ciation charges which were not covered by revenue and other expenses not included under the Hospital Insurance Act explain this item.

Respectfully submitted,

NORMAN N. SIMMS

April 12th, 1967.

The business of the meeting then turned to that of electing members to replace those on the Board of Governors whose terms had expired. The retiring members were: N. Simms, F. Stevenson, A. Allen, J. P. Reindeau and Dr. R. Belanger.

Mr. N. Simms announced before nominations that he would not be available for nominations and wished to retire from active participation on the Board. Likewise, Mr. A. Allen expressed the same wish.

The chairman expressed his regrets that these two members wished to retire, because both had been invaluable members on the Board. He knew the circumstances and would accept their resignations with deep regret.

New members were nominated as follows: W. D. Stuckey, J. P. Reindeau, F. Stevenson, Dr. R. Belanger and Mr. Finlayson. It was moved that nominations cease and these men were duly elected for the required term.

There being no other business, the Chairman then announced there was a further pleasant duty to perform and this was the unveiling of a portrait of Mr. Norman Simms to be placed with other retiring Governors.

The Chairman remarked — It is with pleasure that I am able to take part in the unveiling of the portrait of our immediate and past chairman of the Board of Governors Mr. Norman Simms.

Mr. Simms has served on the Board since 1958 and was chairman from 1961 to 1966 and has been treasurer for the past year.

He has been a most faithful and competent servant of the Hospital and with his announced retirement will be sorely missed, at the Board table.

I now take great pleasure in calling upon Mr. F. Stevenson and Mr. E. Ness to unveil the portrait.

Mr. Simms voiced his thanks for this honor and also expressed his regret that he was obliged to resign from the Board. He had enjoyed working for the hospital, although when he took over the Chairmanship, Hospital Insurance was just coming into being and it provided many headaches. Happily, with the help of other members of the board, Mrs. Fearns and other members of the Doctors and Staff, he had managed to overcome the difficulties that confronted the hospital from time to time. He wished the hospital and all connected with it further success.

Thus the meeting ended on a very pleasant note.

BOARD OF GOVERNORS. OFFICERS 1967

Chairman	Mr. Earl E. Sault
Vice-Chairman	Mr. Earle Ness
Secretary	Mrs. Mary A. Sancton
Treasurer	Mr. George Kennedy, M.P.P.

Beaver

BEAVER — Miss Mary Thomson, R.N. and Mark Leslie, spent the week-end with Mr. and Mrs. Allister Kelly and family at Belleville, Ont.

The Hi-C group met at the home of William Leslie last Friday night. All reported an enjoyable evening. Plans were made by the members to help in the spring clean-up of the Zion Church on the following day, in preparation for the Centennial party and for a special Sunday service.

We are glad to report that Clark Goldie grandson of Mr. and Mrs. Harold McDonald, is making satisfactory progress after his recent operation in the Montreal Children's Hos-

Buying or Selling, DO IT THE BEST WAY CALL
COUNTRY REALTIES REG'D.
Licensed Broker

Did you ever stop to consider why so many capable business people, when buying or selling, go to a reliable real estate broker? Certainly it is not because they lack ability, but because they know that the service and advice they get is worth-while, and in the long run saves them both time and money.

A competent, honest real estate agent is not going to put anything over on you whether you're buying or selling. He'll be fair to both parties, and when an "Offer to Purchase" is concluded by him, both of you know what is going to be in the deed the notary draws up, so there's no argument at any time.

We pride ourselves on giving the kind of service you'll appreciate. So why not place your real estate affairs in the hands of people who are on the spot to serve you, and who'll do it to your satisfaction. Just call us, we won't call you.

PROTESTANT SCHOOL COMMISSION OF LACOLLE, QUE.

TENDERS

for Local School grounds improvements.

Sealed tenders addressed to the Secretary-Treasurer of the Protestant School Commission of Lacolle, and endorsed "Local School grounds improvements" will be received until 4.00 p.m. April 28, 1967, at 104 Church St., Lacolle, Co. St. Johns, Que.

Each tender must be filled (in 3 copies) on a form duly furnished by the architect and must be accompanied by a certified cheque on a canadian chartered bank for the amount of 10% of the tender or by a bid bond of the same amount.

The tenderers may obtain against a deposit of $50.00, the plans, the specifications and the tender form at the architect's office at 85 St-Jacques St., St-Jean, Que.

Lowest of any tender not necessarily accepted.

Mrs. Mildred Hood,
Secretary-Treasurer,
Protestant School Commission
of Lacolle, 104 Church St.,
Lacolle, Que.

ONE PERSON INJURED NEAR HEMMINGFORD

Graham Doughty, 17, of Hemmingford and Montreal, suffered a fractured pelvis and numerous lacerations Saturday evening about 7:30 when the Hillman station wagon he was driving collided with a 1966 Pontiac Parisienne sedan operated by Ross Hawkins of Hemmingford. Doughty was driving towards Hemmingford and Hawkins was proceeding from Hemmingford to Lacolle, when the vehicles collided about one mile east of Hemmingford on Route 52. Left: the exterior of the demolished station wagon; centre: interior of the same vehicle showing the dashboard twisted and pushed back towards the driver's seat; right: the Pontiac sedan showing extensive damage to the left front end. Considerable difficulty was encountered extricating Doughty from the station wagon and he was taken to hospital in St. Lambert by a Lacolle ambulance where he was given first aid and later transferred to St. Mary's Hospital in Montreal. Mr. and Mrs. Hawkins escaped injury as did Allister McIntyre of Hemmingford, a passenger with Doughty. Latest reports indicate the injured youth is in satisfactory condition.

St. Agnes

Traffic Lights Installed

Noticed in the Fort Covington Sun of April 6th was a bit of information which should be of extreme interest to those who frequently visit or drive through the nearby New York State village.

Installation of the traffic signal at the intersection of Bombay - Fort Covington Road with Route 37 began on April 5th. The flashing type light (flashing amber on Route 37) and (flashing red on the Bombay Road) will act as an additional traffic control at this dangerous intersection.

According to Mayor Bert Fish, the three-light signal at the intersection of Water Streets and Route 37 in the village of Fort Covington should be installed and operating in approximately two weeks. This light will be activated by photo-electric cells on both sides of Water Street which will cause the light to turn red on Route 37 when traffic is emerging onto Route 37 from Water Street. The light will remain green on Route 37 the remainder of the time.

Installation of these lights follows a long and concerted effort on the part of town and village officials and concerned residents of the community as well as by Senator Ronald B. Stafford.

All are relieved that the State has taken steps to reduce the danger inherent in both locations, and especially on the eve of Expo '67 when an unprecedented flow of traffic on a highway already heavy travelled, is expected.

Athelstan

Evening Auxiliary

ATHELSTAN — On April 4th., the Young Women's Evening Auxiliary of Athelstan Presbyterian Church met at the home of Mrs. Roy Hiscock. Mary Elder read the Scripture and Margaret Atcheson led in prayer. Twelve members answered the roll call. Carrie French gave an interesting lesson on early missionaries in Canada. Refreshments were served by the hostess, and a social hour was enjoyed by all.

Ladies Aid Meets

The ladies held the April meeting in the church schoolroom on Thursday afternoon, April 13 and completed a quilt during the work period.

Mrs. Hampson conducted the business meeting. Mrs. McLean gave the devotions, meditation and prayer. Eleven members responded to the roll call.

Mrs. Hampson had been in contact with Elgin and Rockburn Churches in regard to the plans for the social part of the Ordination Service for Mr. Cunningham. The committee has been appointed and will meet some time in May to make the necessary arrangements. Mrs. McIntyre gave a comprehensive report on the prices, etc., of floor coverings for the church. After some discussion the decision was left until the May meeting. Plans for the fair booth was left in the hands of Mrs. Jamieson. An acknowledgment was read for donation sent to County Civic Center. Some finished work aprons, crochet work, etc., was brought in and more wool was given out.

At the close of the meeting a social hour and refreshments were enjoyed. Mrs. Jamieson and Mrs. Stanley Hamilton offered to entertain the next meeting.

Hospitalized

Mrs. Garnet Green is a patient in the Huntingdon County Hospital, and Mr. Percy McGowan is at the Queen Mary Veterans' Hospital in Montreal.

Aubrey-Riverfield

Curling News

During the Easter holidays three mixed teams of local young people curled at the Bonaventure Curling Club in Montreal. None was victorious but they all reproted a good time in meeting so many other young ones in the three days of curling. Theye were Frank Reddick (skip) Dorothy Reddick, Harry Younie and Wendy Brown. Gerald Brown (skip), Diane Allen, Brian Ness and Janet Holmes. Andy Ness (skip), Shirley Whyte, Dick Angell and Dorothy Angell.

The Annual "Barrie Memorial Bonspiel" was held in Howick and Riverfield rinks last week with forty mixed teams competing. The finals were held in Riverfield rink on Friday evening.

Winners were as follows: — Main event — Clarence Kerr (skip) Mabel Glasgow, Raymond Stonehouse and Janice Stonehouse. Runners-np: — Ross Peddie (skip) Hazel Robertson, Ronald Parent and E. Soucisse.

Consolation: — Ronald Reddick (skip), June Orr, Mervyn Craig and Dianne Tennant. Runners-up: — Ralph Reddick (skip), Fred Allen, Charlie Turcot and Allan Reddick.

The trophy was presented to the winning rink by Rev. Wm. Brown, who extended his congratulations. The President, Keith Robb, called on the teams to come forward and choose their prizes which had been donated by Mrs. Donald Roy. The proceeds amounted to $202, which included a donation of $20 from the Senior Citizens Lunch was served by the Riverfield ladies.

Two teams entered the Lacolle ladies bonspiel last week and one was runner-up in the Consolation.

One teams played in the Men's Fisherman Bonspiel in Lancaster and won the consolation.

One men's rink played in Sutton and one in the Outremont bonspiels.

Club night was held as usual on Saturday.

Beauchateau Curling Season Now Over And Golf Is Scheduled To Start Soon

Beauchateau Country Club, Inc., of Maple Grove winds up its curling season in the coming week, and President Bob Trudeau stated to The Gleaner last week-end that never in the Club's ten year history has there been such a successful year. The new approach of the club executive, whereby annual fees were sharply reduced, has proved eminently satisfactory. Playing curling members increased by approximately 100% over the previous year.

Mr. Trudeau announced that the executive last week voted $5,000 to improve the golf course's condition — first stage of the previously announced $15,000 programme of course development this year.

Beauchateau last year, after many years as a 9-hole course, upgraded itself to full 18-hole status. Golfers have reported that the course compares very favourably to other and longer-established courses in the Greater Montreal region.

Mr. Trudeau waxed enthusiastic at last weekend's dull wet weather — the best possible for the health and well-being of the greens this year.

Plans are underway to bring prominent players from Canada and elsewhere to tournament play at Beauchateau this year.

Beauchateau has appointed Mr. Adrien Leblanc as club professional, succeeding Mr. Don O'Doherty. Adrien, brother of Joe Leblanc, professional at Sherbrooke, is a scratch player who was prominent in amateur competitions in Whitlock, Hudson.

The current season's $15,000 expenditure followed last season's $30,000 investment in the "second nine." A planning committee, headed by former Club President Mr. Roger Mathieu, has been formed. Mr. Mathieu announced recently that an expenditure of $125,000 to improve club facilities is foreseen for the years immediately ahead.

It is expected that shares in the Club will be sold this year at between $250 and $300.

Chateauguay High School . . News

Activity wise the school was dead again this past week. The June exam time tables have scared us all into reading the books. There is always a sort of death like hush over the whole school when Easter exams are over and we don't even have a play to lighten our spirits this year. Oh well, a month today is the biggest event of the year and as the planning has already begun we are sure it will be a marked success this year as our grad dance always is.

This year we are all asked to stay until eleven o'clock, so as to enjoy the music of the West Winds, the orchestra that has been hired.

The members of the Liberal Arts Club are having a trip to Quebec City on April 22nd. For details on this trip see Margaret Birtwistle. The rings for the grads and the school rings should be in this week so I hope you have all made your last payments. See your class reps for your rings. There is a dance this week at our school with Bartholomew plus three. They're a good band So I hope we get a good turnout. Anyone who handed in candid pictures of Mr. Roussie can see him if they want them returned .That's all for this week.

STAMP A GO-GO (gone gone)

by Russ Faughnan

The housewives army has won a major battle in the War on Prices. Two large supermarket chains are now in full retreat. Or, at least it seems that way from their recent decision to abolish trading stamps. The ladies have conducted a very well organised campaign. When the much publicized boycotts were in effect a few months ago, many thought that that would be the end of it. The women would tire of the whole thing and the hue and cry would pass. Obviously, it has not. A number of the groups organized at that time are still going strong. They have kept up the pressure. They have written to the government and to the stores. They have sent delegations of protest to see any person or group that had influence and would listen. They did their work diligently and well, and now, it appears, sucessfully.

If I seem a bit skentical, I am not alone. Sure, the two biggest stamp stores have given up. One has even closed for a day in order to mark down their goods. But wait. The President of a chain recently testified to a Federal Government hearing, that trading stamps did not increase prices. In fact, he claimed that stamps lowered prices. His reasoning was a bit wild but that is what he said. Now it seems we have the lie to those words by reducing prices. Which is true? The Statement to the Government, or the present action.

Perhaps both. And this is what everyone will be watching. Is the present action just another gimmick? Another temporary gimmick? Will prices drop a cent or two for a week or two and then creep back up? If this is the plan, I fear the merchandisers are in for a rude awakening. This housewives army is not going to be fooled. I am sure that they are now comparing prices, with stamps and without stamps. They are determined to keep up their fight. They will not be deterred by a temporary or meaningless victory. They intend to continue the war, this never ending war against high prices.

Carry on girls, carry on regardless.

St. George's Notes

The Primate's World Relief Fund is the Centennial project for St. George's. Special envelopes were provided for this in the last Crusader mailing. If you have misplaced the envelope, please use a plain white envelope marked "Primate's World Relief" on the outside. Envelopes are to be turned in within the next two Sundays.

The Birthday Party for children of the Church will take place as scheduled next Saturday at 12:30 p.m.

Guest Preacher and Celebrant at next Sunday's services will be Archdeacon Barry Valentine. The Rector will be attending a course at the College of Preachers in Washington, D.C. In case of emergency, kindly contact the Administrative Assistant, Mrs. Morgan at the Church office 692-0911 or residence 692-2687.

Advance notice is given now, that the 11:15 Service and Church School classes on May 7th will be cancelled, because of the conference, "The Role of Christian Women Today," after the 9:30 Service.

Prayers are asked on behalf of eleven ordinants to the diaconate: Peter G. Asbil, Ian N. Dodd, Gerald P. Edmondson, Brian A. Evans, Lloyd F. Kersey, George A. Long, Peter R. Mason, John D. Mercer, Eustin J. Morris, Samuel Vaines, William T. White, and Graham Burgess, the latter to be assigned as Curate Assistant in St. George's.

The Woman's Auxiliary will hold their mid-month meeting tonight, Wed. April 19th at 8:15 p.m. Members are asked to bring along a pair of number four knitting needles and a ball of cotton twine, to make dish cloths for Half-Way House..

Missionaries and Catechists of the Arctic Diocese urgently require articles of clothing and other essentials; the whole to be ready by April 21st. Please call Mrs. Shirley Beeser at 692-8705 for further information.

Maplewood Presbyterian Notes

April's Newsletter comments on the crisis concerning the shortage of Ministers of the Church. There are only eleven students graduating this Spring, from the two Theological Colleges, with requests from Presbyteries for thirty eight appointments of ministers.

Recently a comprehensive questionnaire was held concerning the life of Maplewood Church. The answers were mostly in the negative. The congregation was asked to give serious thought to the problem and to be prepared to stand behind those who choose to respond to the call of Christ through his Church.

The Sacrament of Baptism will be administered (D.V.) on Sunday, April 30th. Mr. Allan will meet with parents to discuss the meaning of baptism on Sunday afternoon, April 23rd at 2:30.

An Adult Communicant class will commence on Sunday, April 30th at 2:30 p.m. and continue each Sunday afternoon. Anyone wishing to become a member of this congregation by profession of their faith in Jesus Christ is expected to attend these informal classes. Pleace contact Mr. Allan by April 23 if you wish to attend.

Mrs. Jean Taylor will represent Maplewood at the 1967 Congress in Kingston, Ont. this June.

Mrs.. Phyllis Black will be a delegate to the W.M.S. Synodical Council to meet in Perth, Ont. this month.

VACATIONS - - - will be Weird, Wild, Colorful!

By Russ Faughnan

The nagging thought persists that Montreal offices will be like empty caverns on Fridays and Mondays this coming summer. This feeling develops as friend after friend tells us he is planning on a two or three month vacation, this year. No, my friends have not all landed executive positions. But it seems that many people will be taking their holidays one day at a time. Naturally, a Friday or a Monday is the big preference for those three day weekends. They will be Expo-bound of course.

Others are having their problems trying to plan a vacation in between or around visiting relatives and long-lost friends. The wise ones will certainly try to avoid the big fair during July and early August.

But where to go? If most of the U. S. population is coming here, who will be minding the store at our own favourite little U. S. resort? Will our vacation Bonanza result in near bankruptcy for the American operators? Somehow, I don't think so. Most eastern-Canadians and in particular, those who live near Montreal, will be ready to do anything to get the heck out of here, by mid-summer. What a time for that European excursion.

For those who stay, by choice or necessity, Expo will certainly provide a vacation spot beyond your wildest dreams. As each new pavilion is unveiled, it is becoming more obvious that we could go all day and every day and still not see it all. It really isn't where to go but how to fit it all in. The world is at our doorstep. Do you want your children to visit the old country? The Near-East, the Far-East or the South Pole? It will all be there or rather, here. Plan your time well. It is going to be a tough choice. This is one summer which is going to be in some ways wild, in some ways weird but in all ways wonderful.

LETTER FROM
SEIGNIORY PARK
by
FERGUS HORSBURGH
Route Boys:
ROLAND and PAUL LUSSIER
373 St. Francis 691-0782
FRANK TOTH
388 Woodbine 691-2495

At long last the traffic lights on St. Francis were put back in action last week. The delay had been caused by frost, which had damaged equipment below the road level, and Provincial engineers were obliged to wait until the frost was out of the ground.

An executive meeting of the Pre-School Association was scheduled for last night (Tuesday) in Chairman Mrs. Pat Bedard's house.

Preparations are well under way for the Tramps Ball at the Clubhouse on Saturday evening. Home Owners Social Director Mrs. Pat Lyne says that reservations were going well as of last week-end. This is a come-as-you-are party.

Once again it is that time of the year for the Town to do something about mosquito control. Now is the time to attack the larvae in stagnant pools. It will be interesting to see if we in Seigniory Park will experience any improvement this summer, now that Woodbine Park, a favourite breeding ground, has been filled in. Personally I think that a fully effective campaign bitive in cost. The co-operative spraying effort by home-owners on Montcalm last summer was reasonably successful, and will probaby be repeated. Conservationists claim that the most effective anti-mosquito measures are by biological control. Humming birds and martins have voracious appetites for mosquitoes, and anything done to attract these species to our gardens would indirectly help towards reducing the pest's numbers.

The Wall Street Journal is not normally a hilarious newspaper, but the folowing little poem recently graced its pages, and should strike a sympathetic chord with long-suffering wives:—

"As soon as Winter's snow is gone,
As speedy as an arrow
My love goes flying at the lawn
With shovel, hoe and barrow.
And tireless as the busy bee
He digs away for hours
Precisely in the spot where he
Last autumn planted flowers.
Betty Billips."

Now is the time to sow sweet pea seeds and to lay mushroom spawn. The former is quite hardy to frost and the latter requires warm spring rain for a vigorous growth in early summer.

One of the Home Owners' longest outstanding requests was finally granted last week Would you believe that one of the last things the 1963-64 Home Owners' President, Horsburgh by name, did during his term of office was to request Town Hall to install a children's safety sign on Woodbine close to the entrance to the Park? Today's President, Warren Hart, has been agitating for this for some time, and last week it was finally put up. Regrettably, it is not as prominent as would be desired, and Warren is pressing now for something better — for example, a road crossing sign. This is badly needed, so best of luck, Warren.

Mr. Hart says that a meeting with Mayor Laberge, Alderman Bert Oliver and others will probably be arranged for later this week.

Congratulations to Mrs. Pat Walker of Montcalm on her winning the Big 12's ladies high triple with a score of 406 last Friday.

The Horsburghs' Centennial Project is a bird-house purchased at O. and Mike Vincelli's. This is alleged to be for the benefit of the children, and this child is looking forward to lots of fun.

I understand that possibly 30 or 40% of the cost of curbs or sidewalks on Oliver, Woodbine and Elmridge is to repair the damage done to adjoining gardens.

If the homeowners concerned petitioned Town Hall to the effect that they were prepared to repair any damage themselves, it is quite possible that a substantial reduction in cost of the sidewalks By Law could be made.

A group of eleven Mothers from Concordia and thereabouts planned a protest demonstration last Friday against continued and excessive use of Concordia by school buses going to and from Laberge School. See details elsewhere.

The gastronomical fare at Expo 67 restaurants includes reindeer steak from Finland, caviar from Russia and Iran, tortellini from Italy, German wienerschnitzel, and Southern Fried chicken.

Imperial Gardens, Crown Homes and Chateau Estates

Correspondent:

The 9th Chateauguay Brownies are very busy as are all other packs in the district rehearsing for the big Centennial Programme which takes place the 28th and 29th of this month at the Julius Richardson School. Mothers please take note this Wednesday all those Brownies taking part in the Spanish Song please come to 99 Ethier St. as they did last week for another practice session. All other Brownies report as usual to the Brownie Hall.

Belated birthday wishes go out to Carole Spenard who celebrated her 13th birthday on April 11th. Hope it was a very special one for you Carole.

A family reunion took place on Monday, when Mrs. Dorothy Leh[illegible] Cape Cod stopped off bet[illegible]a flights for a visit with Mr. Ken Moody of Ethier Street, her Cousin, whom she had not seem for 12 years. Together they visited their Aunt Lil in Montreal whom Mrs. Lehy had not seen for some 25 years. They spent a wonderful four hours reminiscing and then Mrs. Lehy boarded her plane for Springhill, Nova Scotia, to visit other relatives

Many folks are planning special programmes for Expo and Centennial and many other folks aren't only thinking of their own pleasures while doing so. Heard last week of a family who decided they wanted to share the pleasures of Expo with someone less fortunate so they have undertaken to take an Orphan to Expo for a day along with their children and treat him or her like one of the family and let them enjoy this once in a lifetime fair. Who said there weren't any kind considerate people left in this topsy turvy world?

And while we are on the subject of thanking folks, on behalf of the parents of the children at St. Paul School, may I say a sincere thank you to one of the teachers Mr. Al Pittman who was I believe responsible for the volume of Poems called "Things" all written by the children of St. Paul School. As Mr. Pittman says in the foreword. To label many of the poems in this volume as "cute" would be to underestimate their worth as poems. True, they are cute, but behind the cuteness of most of them lies a wealth of wisdom, humor, vision, and what-ever-else lurks in the secret hide-outs of a child's mind. It is truly a deluxe tour through the hitherto unmapped caverns of a child's view of many things. From a youngster in Grade 3 came this gem —

I WALK
Frogs hop
dogs bark
horses run
bees sting
cows moo
birds fly
ponies gallops
grasshoppers jump
and I walk
Shaun Giuliani, Grade 3

Spring People
When spring comes out of its winter hollow
You may see the beautiful swallow.
The skinny cows are eating hay.
The dogs and cats come out to play
You can see a squirrel running up his tree
And the birds are singing with glee.
All the animals are dancing around,
Until they decide to settle down.
Garry Timmons, Grade 5.

One of the world's longest escalators, almost 100 feet in length, carries visitors to the space exhibit in the United States pavillion at Expo 67 in Montreal.

NO MORE TRADING STAMPS - - HURRAH!

To the widespread relief of consumers, two large food chains in the Greater Montreal area announced last Saturday that commencing Tuesday, April 18th, discount stamps would no longer be issued by any of their stores in the Province of Quebec.

Trading stamps, introduced in Quebec nearly nine years ago, have long been defended by food-store chains on the grounds that large-scale food retailers could only operate under a constant promotional atmosphere. If the retailer did not spend promotional money on trading stamps, so the argument was some other promotional technique would be found. Hence, they said, trading stamps did not add to the cost of food to the buyer. This line of argument, although heralded by withdrawals from the trading coupon field in other Provinces, was abruptly cast aside by Saturday morning's announcement.

This development caught the Chateauguay Consumers' League by surprise. League Fresident Mrs. Harvest had organized a survey of shoppers last Friday to determine the local attitude. Mrs. Harvest told the Gleaner last week-end that some 120 people were asked their views. Some 95% of those canvassed wanted to abolish stamps by legislative action.

Mrs. Harvest expressed herself as delighted at the news of the two major stores ceasing the issue of stamps, and felt that this action was attributable to protests by similar organizations to the Consumers' League in recent months. Follow-up action is planned to verify if prices will in fact be reduced.

Mrs. Harvest stated that she hoped to participate in a nation-wide convention of Canadian Consumers Protest Associations next month, or in June.

St. Andrew's Notes

The Church Treasurer has announced that total receipts of congregational givings for the first quarter of 1967 were $7896.77, including $548.86 carried forward from 1966. This sum compared to the 1967 budget objective for the first quarter of $8375.00. Total expenditures for the same period were $6377.02, including $1005.35 to M. and M.

Mr. Howard Fraser's sermon at last Sunday morning's service was on the subject "God the Creator". The Choral Anthem was G. A. MacFarren's "The Lord is my Shepherd."

Mrs. Harry Odell, wife of a technical missionary on furlough from service in India, will be guest speaker at a supper to be held in Memorial Hall, on Wednesday, April 26th, at 6.45 p.m. Mrs. Odell will be bringing coloured slides for this Women's Fellowship function.

The Official Board of the Church will be held in the Sanctuary on Monday, April 24th, at 8 p.m.

As next Sunday will be the last before the opening of Expo, Mr. Fraser's theme for the morning service sermon will be that of Expo itself — "Man and his World." Prayers will be said for Expo and the Christian Pavilion.

The St. David's Society of Montreal will hold another singing service at St. Andrew's next Sunday evening, April 23rd at 7.30 p.m.

HOUSEWIVES PROTEST ROUTES BEING USED BY SOME OF THE CHATEAUGUAY SCHOOL BUSES

A group of eleven Seigniory Park housewives last Friday protested against the routing of school buses along Concordia street en route to and from Laberge Catholic School.

Leader of the protesting ladies was Mrs. Sandra Mallett of Concordia, whose principal assistants were Mrs. Barbara Tessier and Mrs. Edie Vincent, both also of Concordia St. They have been concerned in recent months over unnecessary passage of heavy-duty vehicles through Concordia Street. Mrs. Mallet told the Gleaner last weekend that she has been making strenuous efforts to bring to the attention of the authorities concerned, the unsatisfactory and dangerous traffic conditions now existing on Concordia. Mrs. Mallet spoke in terms of the highest praise for the consideration shown her by Town of Chateauguay Police Chief Meloche.

While it had been planned to stage a demonstration of protest last Friday, and notice to this effect had been given to the Police, no barricades or other impediments were placed to obstruct traffic. The presence of local police on supporters that effective action would be taken in the immediate future to rectify the situation.

Mrs. Mallett told the Gleaner that her objections apply equally to gravel trucks en Concordia has seemed to assure Mrs. Mallett and her route to the new construction area near the Laberge School. Chief Meloche had stated that signs prohibiting the passage of trucks along Concordia would be installed in the very near future, and that once installed, the Police would take prompt measures to halt the flow of trucks. Mrs. Mallett hoped to meet Mayor Joseph Laberge early this week to discuss the matter. "I can see no reason" said Mrs. Mallett, "why trucks or school buses must pass via Concordia. They could just as easily proceed via St. Francis Boulevard and Elmridge Street. Chief Meloche has promised to intercede with the School Board on our behalf".

Mrs. Mallett, who has been striving since January to obtain satisfaction from the various parties to the dispute, was very hopeful that effective measures would be taken early this week.

Maple Home And School News

The regular general meeting was held last week in Maple School Gym, with guest speaker, Mr. Brian Cleary and a physical education demonstration by one Grade three class as the highlights of the evening.

In a brief business session before hearing the speaker, Vice Pres. Mrs. J. Ingram asked for a motion to be put forward from the floor, that the present executive continue in office until October of this year, when the new Home and School Associations will be formed for two and possibly three schools. Interested parents were asked to attend the executive meetings, to gain some knowledge, and to help organize the new associations. For those interested in either the Robert A. Jobber School, the Centennial Park School or Junior High please contact the Secretary Mrs. Bate at 692-9453 and leave your name.

It was announced that the Bicycle Rally will take place the week of May 15th, for Grades one to three.

The speaker, Mr. Cleary, a professor of Phys. Ed. at McGill and Macdonald, illustrated his talk with diagrams on the blackboard and colored slides. The parents attending learned a great deal on the whys and wherefores of physical education through Mr. Cleary's talk.

Mr. R. Mader, in charge of Phys Ed. in Maple School, put the children of one of the Grade three classes through their regular routines, explaining the purpose and reasons as each exercise was being presented.

The seventy parents in attendance enjoyed both the talk and the gym demonstration.

Chateauguay Centre United Church

There is a source of supply for Male Choir Members. Choir leaders will have to audition at Masonic Lodge meetings. Our church was honoured to have the Eastern Star Lodge Number 74, with Dave Black as Master attend Sunday morning Service, and never have the hymns been sung so lustily. We hope the Masons mill make a return visit real soon.

Many exclamations of appreciation were heard in the Church Hall, of the lovely United Church Crested jewelry designed and made up by Mr. H. Wagener. A committee headed by Mr. Ronald Tomilson has been set up to handle publicity, and actual sales of the jewelry.

Mrs. Isabel Howie, U.C.W. President, reports that proceeds from the Chocolate Bar Sale are now sufficient to pay for one goat and ship it to India. Rev. Douglas Jennings, the United Church missionary who recently spoke in our church, was informed prior to leaving Montreal, and was extremely pleased. The ladies of U.C.W. work so very hard for our own needs — but also give very generously to many worthy causes. They recently donated a sum of money to be used as pocket money for under privileged children to visit Expo.

The ladies would like to send a big "Thank you" to the employees of Henry Morgan Co. Department Store, who bought come 20 dozen chocolate bars from Mrs. Phyllis Reid. Their purchases helped a great deal to get the goat for India.

Friday, April 21st, the Ex-

(Continued on page 10)

PHOTOGRAPHS OF MEN WHO HELD UP A BANK IN VALLEYFIELD ARE IDENTIFIED

Three hooded men entered the Caisse Populaire du Sacré-Coeur in Valleyfield, at noon, and got away with approximately $3,000.

After forcing the clerks and customers to lie on the floor, they took what was in the cashiers' drawers and in the safe.

They left the car in which they had arrived in on a parking lot corner of Chaussée and St-Laurent streets, getting away (according to a witness) in a white Galaxie of recent model. The municipal police report that the car bore a plate from the Montreal region. It is assumed that it was a stolen car. Anyone who can give information on this matter is asked to call the Valleyfield police station.

Identify Photographs

Thanks to the alertness of two bank customers, Valleyfield police say they have good leads on the robbery.

Police say the two have been able to identify photographs of three of the heavily armed bandits.

A fourth man remained outside the bank in the getaway car.

They took the hoods off as they fled. Two bank customers — several of those forced to lie on the floor — managed to get a good look at the holdupmen, reported a police officer.

Hood and coveralls were found minutes later in the stolen car on a parking car lot not far from the bank.

Detectives said the men, are wanted by a number of suburban police forces for questioning about recent robberies.

Eleventh Annual Heights Art Exhibit

The ever-popular Art Exhibit of the Chateauguay Heights Art Group will be held at Town Hall (Recreation Club) in Chateauguay Heights, on April 30. There is no admission charge to this social highlight of the Heights season.

Entries for the exhibition will be welcomed from anyone in Greater Chateauguay, whether or not they have attended classes held by the Group during the past winter. Entries should be delivered to 77 Carlyle Avenue or 51 Pine Avenue, Chateauguay Heights, on or before Sunday April 23rd.

Instructor this past season has been Mr. E. L. Sonne, who succeeded Mr. Hoverman who taught during the group's first nine years. Making his second consecutive appearance as Judge will be well-known commercial artist and stage-set designer Mr. Keith Strike.

It is understood from group Director Mr. R. G. Fair that apart from the official judging by Mr. Strike, there will again be a popular choice vote available to all who attend.

It is hoped to publish a short history of the Heights Art Group in next week's issue.

Attending classes this past season were Delores Bertrand, Olive Condy, Sheila Cunningham, Georgette Gurholt, Pamela Mason, Christine Morris, Jim Oliver, Lou Poland and Ernie Wakelam.

The GLEANER
THE LEADING ADVERTISING MEDIUM IN THE DISTRICT OF BEAUHARNOIS

Chateauguay News Notes

Business was slack at the taxi stand beside the Chateauguay River Bridge one day last week, and the drivers celebrated spring's arrival with a little fishing while awaiting the next call.

The burned out part of the La Grange Restaurant on St. Jean Baptiste has been torn down, and contractor Ovide Asselin is starting to rebuild the premises all around the still standing fireplace and chimney.

Late Saturday night last one man was slightly injured when the steering of his car broke, with the result that he lost control and the car hit a post opposite 290 Youville Blvd. The man, only occupant of the car suffered cuts and bruises, but was not hospitalized.

A bit of excitement last Monday morning in front of the Plaza Hotel on Salaberry North — a skin diver was attempting to attach a tow line to a car which was completely submerged in the river. The driver apparently forgot to put on the hand brake and as he left the car, the vehicle kept on going right down the ramp and into the muddy waters. The incident took place sometime on Sunday. At time of writing the News Notes, the car still had not been recovered. The skin diver was having a great deal of difficulty getting the hook attached, so that the tow truck could pull the car out.

A very attractive houseboat was tied up on the Youville side of the river last Monday morning. It was moored near Perron St.

Construction started on Tuesday, April 11th, on the new extension to the Town of Chateauguay's Police/Fire Station on St. Francis Blvd.

The Town has received a request from Reid and Bourcier (Furriers) for a permit to construct an automatic carwash on the parking lot at Towers. This item was approved in principle — subject to the approval of Town Planners; approval of Towers; subject to request of Towers to install sewer services; subject to the adoption and approval of a by-law to cover the cost of installation of sewer services. This sounds very involved; and we trust they have not forgotten to install water services to wash the cars.

The Town's Sports Director Mr. Philipe Despatie has been re-engaged for one year.

At Chatauguay Centre's April 11th meeting, Council DISAPPROVED the minutes of the Elector's meeting on by-law 608 to call a referendum.

Council adopted a resolution to give a contract to Laberge et Frere Ltee, for domestic sewers, surface drains and water for Blvd. Rousseau in the amount of $10,230.90.

Council also adopted contract for asphalt patching of roads to Seaway Nursery and Land at a cost of $20. per ton.

Agence Uni Toit will build an Information Kiosk near the Casa Valencia Restaurant.

Remainder of the April 11th meeting dealt with subdivision plans and correspondence.

Both Town and Centre Police have little to report. The past week was mostly routine, with a few minor accidents in both regions.

BIG 12 BOWLING

Fridays results were:—

Flies	7	Mosquitoes	0
Bees	2	Hornets	5
Worms	4	Crickets	3
Grasshoppers	7	Wasps	0
Beetles	2	Ants	5

Crickets	99
Wasps	84
Beetles	82
Worms	80
Bees	60

Weekly High Triples:—
Ladies — Mrs. Pat Walker 406
Men's — George Gardner 568

PARKVIEW NEWS

By Janet Sizaire

Many of you know two by-laws were passed at the last council meeting here in Chateauguay Centre. The first one presented was for $45,000. to pay for snow removal equipment and office equipment. The second was for the amount of $75,000. for town property. Naturally everyone questioned the second proposal due to the fact that it was the larger cost to the taxpayer. After a lengthy discusion, one of the aldermen regarded his watch and announced to those present that due to no question being raised within one hour after presentation" the first proposal was passed. As you can imagine there were a few surprised faces. Well, gentlemen, we are beginning to see how things work and how laws are passed. Many of us will certainly feel these actions in our pocket books. One thing is certain we're learning.

It seems some milk trucks are using the paths meant for pedestrians instead of driving around the block. It would be well for these drivers to stop the habit or it is probable they will be reported to the poilce.

We have also heard there were plans for an olympic size swimming pool on Beurling Street which fell through due to the high cost. It will be interesting to see if and when we'll get any pool. One thing is certain we need one. Chateauguay is expanding but our facilities are not. Another question asked, is it worthwhile spending as much on a pool we can use only three months out of each year." Would it cost much more to have an indoor pool?

The council meets the first Tuesday of each month. Are you interested in knowing what is done with your money? Not only as a resident, but as a taxpayer you should attend it may be quite enlightening.

Valleyfield

VALLEYFIELD — The Ladies' Guild of the St. Mark's Anglican Church met on Monday, April 10. The guests for the evening were the ladies of the Valleyfield United Church and the Valleyfield Presbyterian Church. Mrs. J. Clandinan welcomed all those present. The guest speaker, Mr. Ken Aldridge, was introduced by Mrs. W. M. Kellett. Mr. Aldridge gave an illustrated talk on Expo '67. Everyone found it most informative and are now looking forward to visiting Expo in the near future. Mrs. W. Harvey thanked the speaker. Refreshments were then served. At the close of the evening words of thanks were extended to the Ladies' Guild by Mrs. T. W. Hargrave of the United Church and Mrs. H. Henry of the Presbyterian Church for the enjoyable evening.

Mr. and Mrs. Arnold Chaplin, Craig, Kenneth and Lynn attended the Sunday morning Church Service in Cardinal, Ont., and then were Sunday guests at the home of Mrs. Chaplin's cousin, Mr. and Mrs. Douglas McNaughon of Long Sault, Ont.

Mr. and Mrs. T. Carter, Anne, Carol Lyn and Jamie spent the past week-end visiting at the home of Mrs. J. Carter of Aurora, Ont.

Mrs. R. Harden of Toronto, is spending a few days at the home of her son-in-law and daugher, Mr. and Mrs. Wm. McIlravey.

Valleyfield Council

The Valleyfield Town Council held a special meeting on Monday afternoon. It was decided to request from the Roads Department to widen the road known as Chemin du Rang double.

A the same meeting, the Council accepted a provincial contribution of $1,100. as municipal tax for provincial buildings.

The regular meeting of the council will be held next Monday evening.

Lacolle

LACOLLE — Mr. and Mrs. Donald Gill and family of Greenfield Park and Mr. and Mrs. Jack Van Vliet of Montreal, were guests on Saturday of Mr. and Mrs. Lawrence Van Vliet.

Mr. Mylo MacCallum returned on Thursday, after spending the past six months in Florida. At present he is a guest of Mr. and Mrs. Sherwood Boyse, before moving to his own home.

Mr. and Mrs. Elmer Robinson visited at the homes of Miss L. E. Keddy and Mrs. C. Smirle and Miss B. Smirle in Montreal, on Sunday.

The curling season drew to a close on Saturday evening, ending a bonspiel in which the Riverfield team was the winner.

Mrs. D. A. Edward entertained the Odeltown Home Dep. meeting on Thursday. Mrs. Jas. Robinson had charge of the meeting. Refreshments were served by the hostess. Next meeting to be at the home of Mrs. Alan Robinson.

Sunday visitors of Mr. and Mrs. Don Robinson were Mr. and Mrs. Alton Barrington, Steven and Cindy, of Ormstown, and Mr. Andrew Edward of Montreal.

Mr. and Mrs. Clifford Elvidge, Kent and Bobby, also Mrs. Young of St. Lambert, attended the twenty-fifth wedding anniversary of Mr. and Mrs. Howard Orr at Ottawa on April 16th.

Covey Hill

Wesley-Knox U.C.W.

COVEY HILL — The regular monthly meeting of Wesley Knox United Church Women met at the home of Mrs. Fergus Moore on Thursday afternoon, April 13, with Mrs. James Curran as co-hostess. Devotions were conducted by Mrs. James Curran. Twelve members answered the roll call and there were two guests. Several articles were completed and turned in for the bazaar. Quilt blocks were on hand for those who wished to sew.

Mrs. Edwards read an article on "The Church Citizen and Social Action".

She also conducted a question period on the second chapter of "The Church Grows in Canada." Other readings were "Canadians do send aid to Vietnam and "Project Concern". Mrs. Robinson had books on loan from the travelling library, which were distributed. Mrs. McOuat, the Regional Vice-President, will be guest at the May meeting at the home of Mrs. H. Gil-

Women Of The Moose, Chapter 1560, Is Formed At Valleyfield

The Loyal Order of the Moose, Valleyfield Lodge 1230, is happy to announce that the official opening of a chapter of the Women of the Moose took place Sunday, March 5th in the Valleyfield Lodge. Officers from the Montreal Lodge Chapter were present to install the new officers and initiate 50 candidates. A delegation from the Massena Chapter were also present for the occasion.

A cold buffet was served to help celebrate the greatest event since the foundation of the Valleyfield Lodge. The men had the pleasure of joining their wives for the buffet and for the dance in the evening. After the meal, Mrs. Labrosse, wife of the governor of the Valleyfield Lodge, was presented with a cushion of flowers by Mrs. André Sarrazin. Many beautiful gifts given by Mrs. Cockerton and Mrs. Mathieu from Montreal were won by the women who were initiated. There were also quite a few gifts given by the local business men. The new chapter will be a great asset to the local Lodge and already an interior decorating course is being sponsored by the Women of the Moose. Later this month a card party will take place in the Lodge reception hall.

On May 28, the Valleyfield Chapter will hold its first initiation. For further information concerning the Moose Fraternity, contact the Moose Lodge, 67 Academie St., Valleyfield.

Former Resident Elected Alderman In LaSalle

JOHN CAMPBELL

In recent civic elections held in LaSalle, John Campbell, a former resident of Huntingdon, was elected alderman. John spent many happy years in this community and his friends will wish him well in his new role.

Franklin Centre

FRANKLIN CENTRE — At the close of the Sunday morning Service in the United Church, Mr. James Manning was presented with a Family Bible by Mr. Stewart Moneypenny on behalf of the Board of Stewarts and congregation as a token of appreciation for the 22 years of faithful, devoted service as Secretary-Treasurer rendered the church by the recipient.

Miss Florence Jamieson, Mr. Ken Stemo and sister Miss Janice Stemo of Montreal, were recent guests of Mr. and Mrs. Wm. Hope.

Mrs. Chas. Harvey returned home Thursday after spending 5 days in the Barrie Memorial Hospital.

Mr. Robert Eastwood of Ormstown was the guest speaker at the Church of the Nazarene on April 9th. On April 16th. Mr. John McDonald of Toronto was the guest speaker and soloist.

Mr. and Mrs. James Manning returned home on Tuesday after spending a few months travelling. They visited St. Petersburg, Fla., Palm City, Fla., at the home of Mrs. Mannang's aunt; Lititz, Penn., Virginia and Connecticut.

Mrs. Harry Moneypenny is spending a few days at Brampton, Ont., at the home of her son, Mr. Stanley Moneypenny.

Mr. Leslie Crawford, of St. Bruno, spent Sunday with Mr. and Mrs. Earl McNiece.

FRANKLIN W.I.

April meeting was held at the home of Mrs. George Dickenson, Mrs. C. Sproule assisting.

Mrs. E. Lindsay opened the meeting. The roll call was answered by a parade of Easter bonnets made from kitchen utensils by 12 members. Miss Eccles read the minutes of the previous meeting.

Mrs. R. Barr and Mrs. Rod Arthur will attend the county convention in Howick as delegates for our branch. It was moved and carried that we make Christmas stockings for the Save the Children Fund.

The conveners reports were as follows:

Agriculture: Mrs. H. Blair read an article about pruning plants with chemicals.

Home Economics: Mrs. George Dickenson told us how to support tall plants with an extending curtain rod and **how to remove heel marks** from floors with baking soda.

Health and Welfare: Mrs. R. Barr read an article entitled "Time for ten things."

There being no further business the meeting was adjourned and delicious refreshments were served by the hostesses.

Social News

Get well wishes are extended to Mrs. Marguerite Lowden and Mrs. Oscar Maynard, patients at the Barrie Memorial Hospital.

Deepest sympathy is expressed to the Stewart family in the loss of a dear sister-in-law, Mrs. Gordon Edwards who passed away last Friday morning.

Mr. and Mrs. Fred Stewart, Dawn and Ian of Lakeside Heights were Saturday guests at the home of Mrs. A. L. Stewart and Miss W. Stewart.

Mr. and Mrs. W. D. Hamill of Franklin Centre were Sunday afternoon callers at the Fergus Moore home.

Mr. and Mrs. Mac Edwards and Jennifer of Williamstown, Ont., spent the weekend at the home of Mrs. C. B. Edwards and Brand.

Memorandum from McLeod

Correspondent:
Mrs. Edith Bate
282 McLeod Ave. 692-9450
Route Boy:
Peter MacLean
246 McLeod Ave. 692-9669

Since last week's column came out, I've had quite a number of calls to tell me of further damage done to gardens over the past winter months.

One of my callers has had the whole alpine currant hedge chewed up by — they think — rabbits. Some of the other callers complained about the damage to honeysuckle hedges, apple trees, and assorted other plants and shrubs. Also reported were moles in the lawns. I understand from both reading and hearing about moles, that they eat only insects and do not gnaw at the bark of trees and hedges, so it would appear that rabbits and mice are the culprits of all the damage. Another person mentioned "kangaroo" mice, being very destructive. Well let's hope that with a little warm weather and sunshine, the plants and trees will take on renewed life.

I am in need of ten empty javex bottles for a school centennial project. The size required are the smallest I can get. The bottles from liquid detergent are not suitable, so if any of you have the plastic bottles, please give me a ring and I'll pick them up. We had a similar project at school last year and had twenty-nine or thirty of the plastic bottles made into piggy banks, but I can find only twenty in the box now, so please heed my S.O.S. Thank you.

I had a nice drive last week up to Canada's Capital "Ottawa". (My old home-town for eight years). The Trans-Canada highway is perfect, until one reaches the border of Ontario and it then deteriorates a little. Funny thing, some years ago it used to be the other way round. The Quebec highways were regarded as the worst on the continent, and the Ontario roads always the best.

I had a telephone conversation recently with a friend and she was telling me of the things her precocious little two-year-old was doing. I said in jest "Why don't you write them down — it would be amusing to read." Instead of that she has written a poem, and here it is:

My Cat and I

Could I be a problem when
I'm only two?
My mum says I am, but it
can't be true.
T.V. hasn't worked for nearly
a month,
The knobs have been twiddled and I've been accused,
But I'm such a pet — it could
not be me —
Pussy did it !

Who ate a piece out of every
candy
And spit the bits anywhere
handy?
Who poked the eyes out of all
of those things,
And the legs fell off when
you pulled the strings?
Pussy did it !

What's that round thing mum
calls a pot ?
If she thinks it's for me, it's
certainly not!
I think it would make a much
better hat,
Oooh, what's that puddle down
on the mat?—
Pussy did it!

Who tipped powder all over
the place?
Who wiped lipstick all over
her face ?
Who broke the necklace in
Mummy's drawer?
Who sloshed bath water all
over the floor ?
Pussy did it!

Precocious, outrageous, delightful and precious,
Demanding, frustrating, cute
and rewarding,
Annoying, aggravating, friendly and humorous,
That's little me — but Pussy
still did it!!

The authoress wishes to remain Anonymous.

Have you got one of these in your home?

I guess all mummy's go through this at one stage or another.

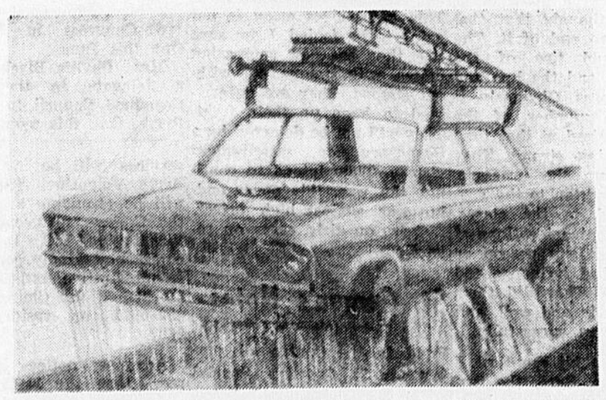
IF YOU WANT OUT OF THE TRADE-EVERY-TWO-YEARS RAT-RACE
— READ ON —



Ambassador by American Motors is the one standard-size car that's built to last longer than the payments. A lot longer. When you own an Ambassador, the most common reasons for trading every couple of years just don't seem to materialize. Reasons like rattles, rust, leaks, muffler rot and mechanical temperament. But let's go into detail.

Those rattles, squeaks and "things that go bump in the night", never seem to happen with Ambassador. Its body is a single, solid, all-welded unit. Single-Unit Construction. We believe Single-Unit Construction is the strongest, safest and most durable way to build a car. Jaguar, Rolls Royce and Mercedes-Benz think so, too.

Single-Unit Construction also contributes to Ambassador's weather-tight snugness. The door frames (part of the welded body) are precision tooled to guarantee a tight fit. Then, double door seals are installed to give twice the wind and weatherproofing of any other car on the market. On hardtop and convertible models, the windows have a broad, protective metal edge which seals out road noise, wind and weather.

Next, rust; and how we beat it. American Motors is the only car manufacturer that dunks cars in special rustproofing solutions right to the roofline. And we do it seven times. We call this Deep-Dip rustproofing because every nook, every cranny of the entire body gets the treatment. Most manufacturers spray their **cars. It's a lot less effective** and it's also a lot less expensive. We spend more to rust-proof Ambassador, but we don't ask you to pay more for it. Another great feature we'll mention right now, is the acrylic enamel paint that covers the rustproofing. It stays bright and shining — resists fading for years.

One of the biggest problems your car will face is muffler and exhaust system rot brought on by a couple of slushy, rainy, snowy, salty Canadian winters. For defence, we give Ambassador a ceramic-armoured muffler and exhaust system. It guards against corrosion more effectively than anything used by any other manufacturer. Another sure sign of trade-in time is mechanical temperament. After a couple of years, many cars need mechanical attention with alarming regularity. Not Ambassador. Ambassador engines are the newest, most modern in the industry. They're designed and engineered for ruggedness.

Bride, New Year's Eve 1966	Anne Brown	Mrs. Mary Louise Robinson
Granny gowns — (60 - 90 - 100 years)	Modelled by Debbie McCartney and other models	

Doors opened at 7.30 p.m. to give people an extra hour to view the antiques in the rose room. During a long intermission, late-comers had an opportunity to view them, and almost everyone enjoyed coffee and doughnuts in the cafeteria.

There was a wonderful display of antiques, with Mrs. R. B. Chisholm as Convener. She was assisted by many women in the community from the Cercle des Fermières, Women's Institutes and the local branch of the Barrie Memorial Hospital Auxiliary.

Their work was lightened by a committee of men with Convener Jas. B. Elliot, J. D. Lang, Douglas Templeton and Dr. W. Watson.

The display was set up by Mrs. R. B. Chisholm, Mrs. Peter Peddie, Mrs. Harold Robertson and Mrs. J. D. Lang. Display A, was in charge of Mrs. R. B. Chisholm and Mrs. F. Milne; Miscellaneous Treasures, Mrs. R. Mailloux and Mrs. H. Robertson; Handwork Heirlooms, Mrs. Peter Peddie, Mrs. Robert Templeton and Mrs. J. D. Lang; Centennial Theme handwork, Mrs. Leo Rose; Spinning, Mme Florina Jeanneau; Art Work done by Mrs. John Holmes and Mrs. J. M. Touchette was used to mark the displays.

Items noticed were: loaves of bread using home-made yeast, baked by Mrs. Andrew Glen; two samplers, one made in 1843 by Jane King (Mrs. John Younie) and a small red on white one with the Centennial symbol and words, "I Love My Grandma", made in 1967 by 4 year old Terri Lang, great, great granddaughter of Mrs. John Younie; a large music box about 150 years old owned by Mrs. W. G. Brown from her grandfather Orr. It has a sweet tone and plays 6 tunes a book owned by Jas. tB. Elliot, printed in 1857 giving statistics of many towns and villages and hamlets in this part of the country — Howick included.

There were so many interesting items it is impossible to list them.

The cafetria was a popular spot, 400 or more people were served during the two evenings with Mrs. W. G. Brown and Mrs. Donald Chisholm in charge assisted by many willing helpers.

The audience gathered once more in the auditorium for the drawing of prizes and a short program of music, convened by Mrs. James Crawford.

Many people had donated prizes and these were drawn on Friday evening by Mrs. C. Turcot, on Saturday evening by Ian Watson. Mrs. Simms and Mrs. Meunier received Centennial pins from Mr. Watson which they will treasure.

Those taking part in the musical program on Friday evening were seated around the pleasant living-room, ready to enjoy a family party. Mrs. Margaret Stewart in her 82nd year, played several popular old songs on the piano. Her fingers are nimble and the crowd was delighted.

Willie Stacey, a great-grandfather, one of our old-time fiddlers was accompanied on the piano by great-grandmother Mrs. Margaret Angell. Their music brought Mayor Antoine Meunier and Claude Logan to their feet for a bit of stepdancing, and the next number of waltz saw the mayor dancing with Mrs. Stewart and Claude Logan with Mrs. Turcot.

Therese Rose agreed at the last minute to sing a French song and her sweet voice pleased the crowd, as did violin music by Claude Logan, both replacing other people who could not come.

We have a musical mayor in the Village. Mr. Meunier had to be coaxed a bit, but folk enjoyed his accordion and piano numbers. Florence Crawford (another great grandmother!) played a medley of strathspeys, reels and hornpipes with Vera Stewart chording. This was a rousing number which pleased the crowd.

We saw Mrs. Angell dancing with Mayor Meunier during another number — it was great fun. As Mrs. Margaret Stewart said, "The nicest thing about the evening was having French and English speaking people at the same party — it was more fun? Many others have expressed the same thought — the delightful blending of French and English speaking people.

The program closed wih the singing of God Save the Queen with Vera Stewart at the piano.

On Saturday evening, a different group gathered around the living-room. Mr. J. A. Harris played several selections on the piano and a 79 years of age, gave a sparkling performance. He returned to play another number later in the program.

Mervin Craig and Everett Orr, wearing long-tailed dress suits from years past, played several violin numbers, accompanied by their wives, Nell Craig and Lois Orr. While they played one number Wallace Craig and his wife Olive manipukated a tin dancing-man and dancing woman, Everyone enjoyed the music and dancing.

Mr. Meunier played his accordion once more and later Kenneth McRae and son Oakley played their violins, accompanied by Oakley's wife Dorothy. The McRae's, at one time had three generations fiddling. Folk were pleased to hear father, son and wife on Saturday night.

The conveners appreciate the effort made by old-time fiddlers and pianists who appeared on these programs. Several had never appeared on a concert platform, nor had they practised much for months or even years. Farmers are busy. They work with their hands and when you get into the 60's or 70's playing a violin or piano is difficult. So many admiring remarks have been heard since they appeared in the Centennial event. We hope they continue to practise and play for their own pleasure and ours too on occasions such as this one.

Bill Hooker was on hand on Saturday night with two groups of dancers from Ormstown wearing colourful costumes. Bill called and the McRae trio supplied the music for the lively square dances, which received hearty applause.

The couples were: Robert and Genette Schinck, Jean-Claude Chantigny and Noella Poissant, Yves Daoust and Diane Dandurand, Philip Allen and Denyse Allen.

Florian Guerin and Mme Florian Guérin, Georges Leduc and Colette Schinck, Gilles Belanger and Esthel Turcot, Francois Daoust and Francoise Crête.

Mrs. Simms and Madame Meunier who had worked together for so many weeks and had introduced each item on the fashion show and program of music thanked the people for supporting the Centennial Event. They thanked also Mr. George Stonehouse for helping in so many ways, and Mr. Roy Gourley for the P.A. system and other help.

Mr. Watson spoke briefly in appreciation of the effort made by all concerned which has meant so much to the community in more ways than one.

Flowers were presented to the co-Conveners and the program closed with the singing of "O Canada" with Florence Crawford at the piano. Proceed were Approx. $600.00.

List of Donors for Centennial Evenings.

Mr. and Mrs. Antoine Meunier, Mrs. Beatrice Haineault, Bank of Commerce, Mrs. C. Turcot, Shell Oil Co., Valleyfield Express, Steinberg's, A and P Co., Gigi of Valleyfield, Woolworth's, Zellers, T. Covey Hill

Taffy Party

COVEY HILL — On Saturday afternoon 70 members of the Montreal West United Church enjoyed a taffy party at the home of Mr. and Mrs. Kenneth Sample. On their departure the guests expressed their thanks to Mr. and Mrs. Kenneth Sample and Mr. and Mrs. Norris Sample for an enjoyable afternoon.

Social News

Mr. and Mrs. Gordon Edwards of Montreal, Mr. and Mrs. Edgar Sutherland of Greenfield Park and Mrs. Lillian Brewis of the Town of Mount Royal were Saturday guests at the home of Mrs. A. L. Stewart and Miss W. Stewart. Mr. Brent Sutherland of Greenfield Park spent the week-end at the same home.

Mrs. A. B. Churchill, Wilma and Elizabeth, Mrs. K. M. Sample and Mrs. A. L. Stewart attended the "Spring Tea" at the St. Lambert Baptist church last Friday afternoon.

Mr. and Mrs. Ernest Rennie of Ormstown were recent guests of Mrs. L. Rennie at the home of Mr. and Mrs. Wellington Potter. Sunday guests at the same home were Mr. and Mrs. Karl Huggins and Inez of Ellenburg, N.Y., and Mr. and Mrs. Oakland Rennie of Montreal.

Miss Alma Lesage and Mr. Thomas Lesage of LaSalle, were Sunday afternoon callers at the home of Mr. and Mrs. James McAllister.

Sunday afternoon callers at the home of Mr. and Mrs. Fergus Moore and Mary were, Mr. and Mrs. S. C. Moneypenny of Franklin Centre and Mr. and Mrs. Norman Moneypenny of Ste. Martine.

Fellowship Study Group

Last Monday evening a Fellowship Study Group under the leadership of the Rev. O. Carmichael, met at the home of Mrs. C. B. Edwards. This meeting proved to be interesting, and it is hoped that more will plan to attend these weekly meetings. Everyone will be made welcome.

Hemmingford

Scout award presented at St. Luke's Anglican Church

During morning service at St. Luke's Anglican Church, Rev. Mr. Brown presented the Scout's Religion and Life Award to Chan Petch, a member of the Hemmingford Troup. It is understood that this is the first time this award has been presented in Hemmingford. To qualify, the scout is examined by his Pastor on his participation in Church Service and Sunday School; must know the organization of his church in Canada; must know all details of the robes worn by the Pastor and their meaning; must have a good knowledge of the Prayer Book and is required to write an essay on a topic concerning the church. Chan wrote his essay on 'My conception of the word 'church'. Accompanying him at the service were Scout Master J. J. Laberge and Mr. L. Brousseau. The Hemmingford Troup and all members of the community are proud of Scout Chan Petch.

Two other events of particular interest took place during the service. A number of Anthem Books had been presented to the church by Mrs. E. Denman in memory of Mr. E. Denman, these were dedicated by Mr. Brown and

ROUND BYRE and RING

By Frank Napier

It was noted by the report of the annual meeting of Ayrshire Breeders' Association of Canada that the Executive Committee of same strongly recommended the erection of a much larger building on its two lots on Carling Avenue (1160), Ottawa, Ont.; and that same was, in turn, endorsed by the full board of directors.

At present one of the lots is "a vacant" one, to use a common expression, with the other, "a corner" one, having thereon the office building of the Association. That is a one story (ground floor) building which is comprised of a large Secretarial Office and Board Room, and a large office for the Secretarial staff, files, etc. However, while the basement houses the heating plant, the lavatories, etc., there are also three rooms in which are housed files and records, printing machines, etc. Collectively, an up-to-date office building, but, as indicated before, with a building-lot going to waste. Moreover, on what is now one of Ottawa's important thoroughfares.

Anyway, at the time of the said annual meeting Director Owen Ness (of Arvida, Que., and a son of Terrace Bank, Howick) presented a report, on behalf of the Board of Directors, regarding the possibility of developing the property of the Association. "This proposed project," says Canadian Ayrshire Review," has been given detailed study because it could be a sound business proposition that would improve the Association's assets and could also provide some income. A study was conducted by an Ottawa property management firm who recommended a two storey office building of maximum size permitted order present building by-laws — 8,800 sq. ft., plus basement. According to their calculation a building of this type, that was occupied 97% of the time, would provide the Association with $6,000. profit per year providing a 25 year mortgage could be obtained."

After considerable discussion had ensued a motion: "That we authorize the Board of Directors to proceed with the development of the Association's property if they deem this advisable because of construction costs, rent revenue and finances available," was given approval.

Vitally Interested

The uninitiated may say: "What has the erection of an Ayrshire Office building in Ottawa to do with this area?" In explanation we might say that the Howick-Huntingdon Ayrshire Club area is not only one of Canada's most important Ayrshire Cattle breeding areas, but probably also the oldest, continuous Ayrshire Cattle breeding area in Canada. Moreover, that Ayrshire cattle breeders of this area who are members of the said Association are, in fact, shareholders of same.

It might also be of interest to note here that the Headquarters of Canadian Ayrshire Breeders' Association (now Ayrshire Breeders Association of Canada) was located in the Town of Huntingdon for over 25 years. Shortly after the formation of the Canadian Association (resulting from the amalgamation of Canada Ayrshire Breeders' and Importers' Association, and the Dominion Ayrshire Breeders' Association) the late W. F. Stephen of Trout River was appointed Secretary of same with headquarters in the Town of Huntingdon. That is, for some 25 years at 29 King St., and from 1926 to 1930 in the O'Connor Hall Annex. In October 30 the said office was moved to Ottawa. However, Canadian Ayrshire Review which was established in 1920 through the joint efforts of the Association and Huntingdon Gleaner Inc., was printed and mailed by The Gleaner until a few years ago.

Fair Classifications

The Livestock Division of Canada Department of Agriculture recently announced the regulations for the 1967 dairy cattle classifications. These regulations apply to all "A" and "B" exhibitions and winter fairs.

We are not aware whether Huntingdon Fair, which is now in the "B" class will adopt the said regulations.

However, the following summary of the regulations for Fairs and Exhibitions operating under the "Hays Plan" may be of interest.

The prize offering per class remains the same as last year. The production requirements are also the same as last year — a minimum B.C.A. of 115 for milk for all senior females 3 years and over. However, if a 3 year old has not completed an official record her dam must have a record with 115 for milk.

Some flexibility is permitted this year according to a Canadian Ayrshire Review report. For instance Fairs may offer the same classes as last year or a second option in which they must offer six mandatory classes and three of a specified five optional classes.

The six mandatory classes are the five female classes offered last year — yearling, 2-year-old; 3-year-old, 4-year-old and 5 years and over — and the group class.

Optional classes are bull calf; yearling bull; bull 2 years and over; dry cow with B.C.A. of 125 for milk, and junior yearling heifer. A Fair can choose any three of these five classes and they must offer the same money for all classes. The prize money for the minimum ten placings varies from $88. in category 7 to $790. in category 1. The Government grant will be 50% of the prize offering in these classes.

Despite the adverse criticism about same, it appears that the Inter-Breed Udder class must still be offered if the Fair adopts these classes for one or more breeds.

In addition to the mandatory and optional classes, Fairs may offer up to two additional classes for each breed provided they pay the maximum prize money ($150. for first down to $35. for tenth) for all breeds of beef and dairy cattle. If they offer these classes **they must provide all the prize monies themselves,** offer it for at least three dairy breeds and three beef breeds and offer the same money schedule as in the regular classes.

Ayrshire Competition

Usually a considerable number of both Juniors and Seniors of this area record their votes and preferences in connection with the All-Canadian Ayrshire Judging Competition, and this year was no exception to that custom. In the 4-H Club Section in which there were 109 competitors Ralph Templeton, Howick, made a score of 76 points (out of a possible 80) to tie with three others for the second and third prizes.

Others in the mention lists included Kenneth G. Whyte, Howick, with 73 points; Agnes McKell, Howick with 72 points; Lynn MacFarlane and Fay McKell, both of Howick, and Jean Sproule, Ormstown, each made 71 points.

In the open competition J. Whiteford McKell, Howick, made 74 points, while R. Brodie MacFarlane and Gordon McKell, both of Howick, and Mrs. John McCaig, Ormstown, made 73 points each.

Hemmingford

(Continued from page 11

the new Canadian Flag, recently purchased by the church, was also dedicated.

St. Andrew's United Church

The christening took place at St. Andrew's United Church on Sunday, April 2nd. of the infant daughter of Mr. and Mrs. Gordon Hill. The baby was baptized with the names Donna Lynn.

Followig the baptism, 31 of Donna's relatives and friends, including the Reverend and Mrs. Carmichael and children, enjoyed a buffet luncheon at the home of Donna's grandparents, Mr. and Mrs. Melville Hill.

A Bridal Shower

The teachers of the Hemmingford High School and a number of friends gathered at the home of Mrs. Edna Laurie on Thursday evening to shower Miss Carol Clark, one of the teachers at the school, with wedding gifts. Miss Clark is to be married in July. Arriving home about 8 p.m. she was very surprised to find 21 ladies waiting to greet her, the party had been a very well-kept secret. Presented with a corsage and crowned with a pretty 'Easter Bonnet' of vari-coloured net, the guest of honour was escorted to her seat. Amusing games were played then Mrs. Bob Petch carried in the gaily wrapped gifts. A Corningware coffee percolator was the gift of her fellow teachers, and among the many decorative and useful gifts presented were several other pieces of Corning ware. While refreshments were being served Miss Clark cut the special birthday cake which graced the centre of the table, this occasion was also the celebration of her 21st. birthday. At the end of a most enjoyable evening the bride-to-be thanked her friends for the delightful gifts and their good wishes on her approaching marriage.

Bylaw To Permit Sale Of Beer In Township Of Godmanchester Retail Grocery Outlets

The regular meeting of the Municipal Council of the Township of Godmanchester was held on Monday, April 3rd., Mr. Chas. R. Reid, mayor, presiding; Councillor Billette being absent.

No action was taken in the requests from the Township of Ancaser, Ont., The Huntingdon Boys Scout Troop and the Chateauguay Valley Music Festival.

Two petitions signed by 67 tepayers presented by Ad lard Brisebois and Alridge Saumier, asking for permits to sell beer in their respective groceries, were read. A notice of motion was given that a by-law be prepared and brought in for the next meeting in May, regulating permits to sell beer in groceries, in this Municipality.

Councillor Billette was appointed Pro-Mayor for the next three months.

The request for fencing made by David Coffey was left in the hands of Councillor Leblanc.

The Secretary was authorized to contact the Health Inspecor in Ste-Marine regarding a sanitation question.

The Department of Roads at Ormstown is requested to replace a culvert on the end of the Carr Headline Road and "White Sideroad, opposite the property of Terrance Robidoux.

Councillor Leblanc was appointed to look into the condition of roads on the complaint of Mrs. John Quennelle.

The following bills were ordered paid: — Hydro-Quebec $153.62; E. C. Martin, preparing By-Law and advice $35; Huntingdon Auto Parts, $104.69; Laberge & Lalonde, $10.14; K. M. Ferns, $118.09; A. Saumier, $37.55; Willis Arthur, $54; R. Fournier, $69.44; E. Fournier, $80.98; R. Viau, $113.63; J. Viau, $160.03; A. Brisebois, $31.38; Walter Motor Trucks, $350.65; Registry Office, $4.00; John Cosgrove, $137.52; Réal Fournier, $129.79; Francis Thurston, $203.19; H. J. Thurston, $28.34; Wilbrod Vaillancourt, $44.05; Minister of Finance, Q.P.P., $117.10.

Franklin Council To Cut Trees Along Roadsides

A regular meeting of the Municipal Council of Franklin met on April 3rd., all members present except Councillor Dunn, and under the presidency of the Mayor, Marc A. Barrette.

The following amounts were passed for payment: — Inter Municipal Dump, $39.38; Norman Stevenson, $112.50; Sterling Stevenson, $119.50; Lamb & Waller, $32.50; Shawinigan Water & Power Co., $95.93; K. M. Ferns, $51.80; George Huet, $50.75; Jean Meras, $142.50; Real Moise, $142.50; Maurice Moise, $52.42; N. C. Rowe, $352.53. Carried.

Moved and seconded that the Council donate $500.00 to the L.D.T.D.R. of St. Antoine Abbe.

Moved and seconded that motion passed on May 25th., 1966, appointing William Stevenson as Fire Chief, be rescinded, and that Kyle Blair be appointed as Fire Chief to fill the vacancy.

Moved and seconded, that Coun. Moise be authorized to have the dead trees cut along the road side, also have each ratepayer sign that the Council will not be held responsible for any damage caused by the cutting of these trees. If owner wants the wood he must dispose of the brush, if not, the wood and brush will be cleaned up by the Municipality. Wages with chain saw, $2.50 per hour.

Howick

Evening Auxiliary

The monthly meeting of the Georgetown Evening Auxiliary was held April 6th., at the home of Mrs. Clifford Craig, Chateauguay. Eighteen members answered the roll call. There were four visitors. Mrs. Bob Barr read the scripture and Mrs. Garnet Barrington led in prayer. Mrs. Norman Simms read the minutes of the last two meetings. It was be sent toward the allocation. be sent toward he allocation. Mrs. Walter Stonehouse handed in $10. which she had made by selling guest books for Expo. Mrs. Brown had the study. Refreshments were served by the hostess and the food committee, Mrs. Garnet Barrington, Mrs. Bob Barr and Mrs. Wm. Brown.

W.I. Meeting

The April meeting of the W.I. met on Tuesday, April 4th., at the home of Mrs. Marsden, with 18 members present. The new president, Mrs. Huntley Greig, was in the chair.

Because the convention meets here this year, in the United Church, a dinner committee was appointed. It was decided to hold the regular May meeting on the afternoon of May 4. Mrs. Louise Kerr reported that a new mattress cover had been bought for the hospital bed. The Salvation Army truck is expected about the middle of May.

The conveners reported on: — New Stamps — Meals on Wheels, a V.O.N. project. There is to be a nursing station at Expo. Special uniforms will be worn by those looking after it.

A book "My Cousin Rachel" by Daphne du Maurier was reviewed by Mrs. Roy Younie. It is a superb study of that cancer of the human mind — suspicion. Refreshments were served by the Howick ladies.

Ormstown

Council Meetings

VILLAGE OF ORMSTOWN

The regular meeting of the Municipal Council of the Corporation of the Village of Ormstown was held in the Town Hall on Monday, April 3rd, at 7:30 o'clock p.m. at which session were present Mayor Bruno Beaulieu, and Councillors Cullen, Roy, D'Aoust, Hughes, Beauchamp and Secretary. Councillor Anderson absent.

On motion of Coun. Cullen, seconded by Coun. D'Aoust, a correction was made re water taxes of Mr. Fred Baskin, and the amount of $90. was taken off the books.

Messrs. Quesnel and Laurin from the firm of Quesnel Masse & Co., Chartered Accountants, were present to give the financial report and it was moved by Coun. Beauchamp, seconded by Coun. Cul-

(Continued on page 13)

BELL LINES

by Laurent Bouchard, your telephone manager

April seems to be a favourite month for many people. In spite of a few sudden, mad, final bursts of winter, spring does seem to promise that the warm weather of summer is really on its way. In many communities Daylight Saving Time brings a few extra hours of daylight and most property owners are anxious to begin work out of doors. In fact, during the blustery months of winter, many of us seem to spend a great deal of time dreaming of the shrubs or trees we plan to plant, fences or patios we plan to erect or other home improvements. Before you begin to put these plans into action, could I ask you to give us a call at Bell Canada. We can then tell you if there is any buried cable on your real estate. You see, to protect our telephone cable from most hazards, we bury much of it underground. This usually helps us to give uninterrupted service to you, as well as keeping overhead wires to a minimum. However, all it takes is one hefty thrust of a shovel or a well-sunk fence post to damage a buried cable, if by chance, you should pick a spot above that cable. This damage could disrupt regular telephone service, long distance, data-sending facilities or even emergency communications that might be transmitted by telephone wire. We're happy to check to see if any such cable is located on your propery, free of charge. Just give us a call at Valleyfield 4104. We'll get the information to you as quickly as possible. Oh yes, if fire regulations permit you to burn brush or grass on your property, please make sure you don't build the bonfire beneath telephone wires. Flames, too, can quickly put part of the system out of commission.

Long before Alexander Graham Bell — in 1667 in fact — an eccentric Englishman named Robert Hooke developed a primitive device whereby lovers could exchange tender messages through two tin cups connected by taut string. He called his invention, appropriately enough, "Cupid's Telegraph". Today, 300 years later, a phone call ranks as the third most popular method of proposing marriage. Mister Hooke had the right idea. As we've said before — Long Distance really is the next best thing to being there!

Our language with its many different words from the one derivative, can be confusing for young students. A teacher in class occasionally interrupted the reading of an essay to quiz the pupils on the meaning of certain words. One of the words was "operetta" and she wanted to know if everyone recognized the word and knew what it meant. "Sure", piped up one lad. "It's a lady who works for the telephone company".

Salaberry Regional School Board

Tenders Wanted

FOR THE BUILDING OF A POLYVALENT HIGH SCHOOL IN HUNTINGDON

The tenders must be sealed and bear the mention "Tender for the construction of the Polyvalent High School in Huntingdon" and given to the secretary-treasurer of the Salaberry Regional School Board, at the meeting of the Salaberry Regional School Board to be held at Ste-Cécile School, 30 Thomas St., Valleyfield, on May 23rd, 1967 at 8 p.m. Eastern Daylight Time.

Each tender must be accompanied by a certified cheque in the amount of $180,000.00 or a bid-bond (tender guarantee) in the amount of $180,000.

The tenderer whose tender will have been accepted must, on demand of the owner, at the time of the signing of the contract, replace said deposit cheque or bid-bond by another bid-bond equivalent to 50% of the amount of the contract. This bond must be issued by a responsible company and will be maintained until the final acceptance of the works.

All tenders must be submitted in accordance with the dispositions of resolution of Council 2380, on the official form supplied by the architect.

The tenderers may get at the following address, (upon deposit of two hundred ($200.) dollars in cash or by certified cheque made to the order of the architect) plans, drawings, tender form.

Mr. JEAN-MARIE LAFLEUR, architect,
19, Du Marché,
Valleyfield, Que.

The initial deposit will be returned to the tenderers when the plans, drawings are returned to the architect's office within eight days following the opening date of the tenders. The contractors who will have acquired a complete set of plans and drawings without submitting a tender will have their cheque confiscated.

All sub-contractors in plumbing, heating, ventilation, electricity, kitchen, refrigeration, must deposit their sealed tenders at the Montreal Deposited Tenders Office, 4970 Place de la Savane, Montreal at the latest, on May 18, 1967 at noon (12.00) Eastern Daylight Time).

The Commission Scolaire Régionale de Salaberry will consider only the tenders who conform to all specifications mentioned.

The Commission Scolaire Régionale Salaberry does not bind itself to accept the lowest nor the highest, nor any of the tenders received.

The tenderers are invited to attend the opening of the tenders which will take place at the meeting of the Commissioners, on May 23rd, 1967, at 8.00 p.m. Eastern Daylight Time, at Ecole Secondaire Ste-Cécile, 30 Thomas St., Salaberry de Valleyfield.

Given at Salaberry de Valleyfield, this 17th day of April 1967,

ROBERT DIONNE, Secretary-treasurer.

ORMSTOFN 30 CHURCH

LETTERS TO THE EDITOR

April 11, 1967.

The Editor,
The Huntingdon Gleaner,
Huntingdon, Quebec.

Dear Sir;

Since the County Civic Centre was formed late last fall with the intention of giving Huntingdon a Centennial Project, there has been much controversy as to whether or not a Swimming Pool would be the best project on which the committee should set its sights. Controversy of course is a good thing, for it is only when people speak their minds that one knows what they are thinking. There were many good ideas presented to the committee at the time of its formation. Homes for the Aged, Library, Artificial Ice and the Hospital.

All these matters were looked into and were put aside because of certain drawbacks. I know that in the case of the Hospital it would be a matter for the Government to say whether or not we could build or add to our present Hospital, and the amount of money involved would have to come from Public Funds. As for Artificial Ice in the Arena, this would cost in the neighbourhood of thirty-five thousand dollars to install; the cost in itself is not too much, but the cost of operating the Arena would be about nine thousand dollars a year, for a twenty-week period. The Arena is not in a position to receive help from the town of Huntingdon, as the Arena is not within the Town Limits. The operating costs would have to be paid by those who use the Arena. If the Arena was to charge $20.00 per hour for all the Hockey and Broomball games played during a week, they would be $190.00 short of their expenses for each week of operation. One can see that Artificial Ice would not be a gift to the Arena, but a burden.

I hope that in knowing these facts it will help people to know that the Committee in charge of our Centennial Project has the best interest of the community in mind, when they say that a swimming pool should be our candle on Canada's Birthday Cake.

Jon Proudfoot.

—

R.R. 2, Huntingdon, P.Q.
April 6th., 1967.

The Editor,
The Huntingdon Gleaner,
Huntingdon, P.Q.

Dear Mr. Editor,

In reply to letter to 'Editor' your issue April 5th/67, in reference to "Changing Centennial County Civic Centre Project",

FIRST — There is nothing in life FREE! We pay to come into this world, and we pay to go out of it — and in-between, we have taxes, etc, etc. to live with! Whatever the PROJECT would be, it would still have an initial cost attached to it.

SECOND — Evidently M. Stark has not been reading your Gleaner very thoroughly these past eight (8) months! If M. Stark had or has access to back issues, perhaps it would be noted that this question of "Retirement Residences," a noble cause — had been discussed at first organizational meetings, when Swimming Pool was voted as the Centennial Project by approximately thirty-five (35) Town and County Organizations, etc.

THIRD — The writer is the owner of a "large home" — out of town, and lives alone Living alone is one of the privileges of a Democracy. We live this way because we like it that way, and no doubt, can afford to in our own way. (Perhaps some of us could not live with others?) Neither does the writer "drop off the years" like Jack Benny with each succeeding Birthday! I am wondering just how many such persons have said or told M. Stark that they wished t o go into "Retirement Residences" If so, we can sell our homes and go into such apartments or rooms as we wish. Of course we could always rent our own rooms, too. Many of these Retired Persons have very generously donated towards the County Civic Centre Swimming Pool Project, because they wished to do so and believe in "Ourtown" Youth!

FOURTH — As a "Taxpayer of Age" ! the writer pays just as much for taxes as Young Couples — perhaps more? The Retired Couples or Persons still pay Taxes, wherever taxes are charged. The same price for food and clothing, etc. Many of these Retired Persons have paid Income Tax for years and still do, and deserve their well earned pensions, also having paid Unemployment I n s u r a n c e which they can never collect.

FIFTH — Times h a v e changed f r o m when the Youth used to remain at home — on farms worked in family stores, etc; but today, there is very little in "Ourtown" for these young pepole. They now go away to schools — a n d stay away to work — no new industries to keep them busy here — farms being sold, etc, so "Ourtown" as M. Stark states" is comprised of Retired people or very young families". A retired person's haven and a start for the very young! is this "Ourtown's ambition? Perhaps if this County Civic Centre Project was successfully finalized "Ourtown" would be greatly disturbed, distressed and disrupted! It would "spoil the record "of" "Nothing ever reaching its objective" which appals and amazes the writer when we especially ignore our Youth, (particularly) by bragging about it being" comprised of Elderly peopel and the very young."

SIXTH — A New Hospital would be a pride and joy to Doctors and Nurses as well as patients. The Minister of Health Mr. Kierans promised a concession of a GRANT for a new Wing, etc, during a political campaign in Town regardless of who would be elected — The Government changed! Huntingdon does not show a continuous waiting list for hospital admittances to warrant a Grant from the Government, especially with Valleyfield and Ormstown in such close proximity. Three years ago, when President of the Province of Quebec Association of Hospital Auxiliaries, the writer privately and personally tried to "pull strings" through a private source for such a consideration, to no avail. This story has never been told before.

SEVENTH — All the "Talked and written" about suggestions have been brought to light many times during the past ten years of my residency in the County, and have "come to naught". Many of them being Town, County or Provincial issues. However, since last September 1966 — this County Civic Centre Project has been on the move, and every few months "somebody" — Wakes up to the fact that it's a "Swimming Pool!" — then they begin to re-think of all the other things "Ourtown", in their opinion, needs. Is it because all the "spade or ground work" has been done? Such as organizing a Committee, Publicity and advertising and printing costs also functional costs, etc, for Campaign have all been taken care of that "their Idea" should be given preference over the voted Project? Are these "Writers" going to take over and do the work that has been accomplished the past eight months? For believe me, the Committees have worked all this time, doing little else, to "put the show on the road" — The writer personally cancelled a trip to Australia!

EIGHT — The County Civic Centre Project was never 'designated as a 'Revenue' making enterprise", nor was it ever said to be strictly a "form of amusement", many of our Youth do skate and bowl. Curling is also taught — The Oldsters do these things in greater number, with exception of skating perhaps. So why not one of the most important and worthy Arts and Exercises in a swimming pool? A back issue of the Gleaner will enlighten M. Stark et al, under what conditions Russell Island was received for the Project now in force. It will be an Educational and Health giving form of exercise (amusement if you will) for children, Youth and adults — wherein the Noble Art of Swimming and Lifesaving will be taught.

The Editor's praise of "free thinking and sound thought" is commendable, if late in the day, especially the remarks about not requesting a "nom de plume" which this writer has never used nor requested without the Editor's praise. Let us start now and back "Ourtown" Centennial Project by giving the children, and Youth, as well as oldsters, like the writer, a chance for Better Health in a Real "live" Town whose History dates back seventy (70) years before Confederation.

We can have an Island where all can spend time in various ways if we will work together for this Centennial County Civic Centre Project, the swimming pool!

Will you carry the torch?

Respectfully submitted and without prejudice,

Kay Williams.
Committe member.

—

539 Ave du Lac
Valleyfield, Que.
April 12th. 1967

Mr. Editor
Huntingdon Gleaner,
Huntingdon, Que.

Sir:

Fond memories were recalled a couple of weeks ago when I read an anecdote from The Gleaner concerning the family car and one of the many "Tours de forces" that we had to play on our Dad so that we could, as you vividly described," take a jaunt to Port Lewis for a swim . . .?

I'm sure many times in his youth Dad did the very same except the means of transportation were somewhat different. I remember a discussion at one time arising between us concerning a farewell party we had had at Rankin's Point for G. Renaud — George was leaving for duty in the Air Force — what a shindig that was! Anyway no comments, criticism or advice were conveyed by the "SAGE" at the time. — Only at a later date did he tell us that he had known all along what was going on.

He knew that we took the car but he played ball with us. Frankly, if that deSoto could talk, I'd make sure my daughter would not be within earshot of what was being said.

Reflecting back I wonder why the Town of Huntingdon does not sponsor another "Old Home week."

If you recall this occasion occurred either in 1937 or 38 and was a tremendous event for both the young and the old.

Why not plan on having a similar affair in the near future. I'm sure most of us ex-Huntingdonians would welcome such an event for fraternizing, socializing and over a glass of ale recollect past memories and renew past friendships, so long forgotten.

On closing, I may add that my mother wondered where all that wine went.

Yours truly
Raymond Caza

Dundee

U.C.W. Meeting

DUNDEE —The April meeting of Zion Church Women met on Wednesday at the home of Mrs. Earl McNicol. Mrs. Alma Fraser conducted the worship service.

The program consisted of stories and reminiscences about landmarks in the vicinity. Members told about the old butter factories, driving ministers to the Laguerre church, the fairgrounds at Dundee where cattle would be loaded on boats bound for Montreal and going to church in buggy or cutter. Mrs. L. Fraser had gleaned much information about the early churches and manses and this she read to her listeners. Mrs. McNicol showed one of the scrapbooks which Mrs. Eleanor McNicol had made. Mrs. C. Carpentier read about the early history of Canada.

Several cards of appreciation were read. A bale of clothes is to be packed next month so donations are requested. The Centennial evening was discussed. Mrs. James Clinton gave report on the highlights of the Fifth Annual Presbyterial held February 23 in St. James United Church.

Mrs. McNicol served supper after the meeting.

W.I. Meeting

The April meeting of the W.I. was held at the home of Mrs. Wm. Arnold. A moment's silence was observed in memory of Mrs. Elizabeth Cameron. Mrs. Stowell modelled a hat for roll call made from a plastic lace doily decorated with yellow daisies. She reported that the treasurer's books had been audited and found correct. The F.W.I.C. is meeting in Guelph, Ont. this year and branches have been asked for souvenir gifts which can be sold. The members decided to send some handmade crocheted pillow lace which had been donated by Mrs. Pearl McNicol. It was voted that $5. be sent to the Huntingdon Agricultural Society to be used as prizes in the young exhibitor's section. Mrs. T. W. Stowell exhibited the materials she will use to make a centennial cushion. Mrs. Stowell was named as convener of Welfare and Health.

The meeting was brought to a close and Mrs. Arnold served refreshments.

Mrs. Junior Locey and son David of Cornwall spent several days last week visiting with her father and mother, Mr. and Mrs. W. S. Smellie.

Last Thursday evening Mr. and Mrs. Roy McNicol, Mrs. Harry McNaughton and Mrs. Earl McNicol attended a kitchen shower at the home of Mrs. Andrew Palmer of McMasterville. Guest of honour was Miss Linda Williams of St. Lambert.

Ormstown

(Continued from page 12)

len, that the 1966 Financial Report and Audit, as prepared by Messrs, Quesnel, Masse & Co., be approved.

Mr. Cameron, a representative from Building Products, waited on Council re quotations for water pipe; Council to look into this.

A delegation of ratepayers, headed by Mr. Romeo Brunet, waited on Council with a complaint against dog owners who let their dogs run loose and damage their properties. Coun. D'Aoust gave notice of motion, that at the next or subsequent meeting of Council he would bring in a new by-law re dogs.

The delegation also complained re the parking conditions on Lambton Street, especially on Sunday morning during church service. Council to look into this.

Mr. Lucien Dandurand waited on Council and requested permission to install a cornice around his proposed new building and it was moved by Coun. D'Aoust, seconded by Coun. Roy, that Mr. Lucien to install a cornice around his new building, partly situated on the 10 ft. strip belonging to the Corp. of the Village of Ormstown; however, not to exceed 30 inches in width and not less than 10 ft. off the ground. At any time when work has to be done by the Covernment or the Corp of the Village of Ormstown re the said strip of land. Council will not be responsible for damage to said cornice, at any time, for any reason.

On motion of Coun. D'Aoust, seconded by Coun. Beauchamp, Council agreed to take a ½ page advertisement in the Ormstown High School Year Book '66-'67.

On motion of Coun. Roy, seconded by Coun. D'Aoust, the following accounts were approved for payment:

Oswald Primeau (March), $350.75; Wallace Collins(Mar.) $273.38; Gerard Laberge (Mar.) $57.51; Jack Barrington (Mar.) $229.33; John Rennie (Mar.), $212.63; Mrs. Jack Barrington, $10.; Regional Construction Co., $4.90; C. H. Bolduc, $3.34; Daniel The Printer, $27.04; The Bell Tel. Co. of Canada, $62.29; Hydro-Quebec, $701.25; Gabriel Langevin, $1.59; White Insurance Agency Reg'd $10.; Markrite of Canada Inc., $10.-57; D. & M. Hooker Ltd., $42.48; Donald Lang, $5.75; Donald Lang (Firemen), $159.; Bill Hooker, $39.; La Revue Municipale, $5.; Vil. of Ormstown Bond and Coupon Acct., $600.; Jasper Lamb & Son, $38.; Ormstown Texaco Serv. Station, $18.15; Donald Primeau, $92.55; The Minister of Revenue QPP, $44.28; The Rec. General of Canada, $29.-60., and $11.; Ormstown High School (Oracle), $23.

On motion of Coun. D'Aoust, seconded by Coun. Cullen, Coun. Beauchamp was appointed Pro-Mayor until the July meeting of Council.

Coun. D'Aoust was appointed in charge of the Town workmen until the May meeting of Council.

It was moved by Coun. D'Aoust, seconded by Coun. Roy, that the water rate for the Barrie Memorial Hospital be renewed at $1000. per annum for the year ending Dec. 31st, 1967.

Secretary was instructed to place a notice in the local papers re summer garbage pick-up.

On motion of Coun. Cullen seconded by Coun. Hughes, Coun. D'Aoust was authorized to have manholes installed where needed, right now.

On motion of Coun. Daoust, seconded by Coun. Beauchamp Mr. Gerard Laberge, was hired temporarily as a third townman for a salary of $66. a week, commencing April 10th, 1967.

It was moved by Coun. D'Aoust, seconded by Coun. Roy, that a parking lot be made from the piece of land belonging to the Corporation of the Village of Ormstown below Mr. Lucien Dandurand's property and the bridge, S.W. of Bridge St. and N.W. of river.

Parish of St. Malachie

Regular session of the Municipal Council of the Parish of St. Malachie d'Ormstown was held in the Town Hall, on Tuesday, April 4th, at 8 o'clock at which session were present Mayor J. P. Riendeau and Councillors Greig, Lauzon, Hamilton, McCaffrey, Vaillancourt, McCaig and Secretary.

A complaint was made by some ratepayers re dogs attacking cattle. As the dog situation is getting out of hand, Council decided to take immediate action.

It was moved by Coun. Hamilton, seconded by Coun. McCaffrey, that Council take a ½ page advertisement in the Ormstown High School Year Book.

On motion of Coun. McCaffrey, seconded by Coun. Vaillancourt, the following accounts were approved for payment:

Hydro Quebec, $82.41; Ernest Guilbault, $704.; A. A. McCormick, $653.21; J. H. Williams, $235.; White Insurance Agency Reg'd., $10.; Jos D'Aoust, $20.; Jasper Lamb & Son, $25.85; Duquette Auto Ltd., $15.; R. Vallee, $32.; Ernest Rennie, $23.11; John Whitehead (Firemen), $67.50; Village of Ormstown, $300.; Minister of Revenue QPP $5.40; Antoine Reid, $15.; Ormstown High School (Oracle), $23.00.

It was moved by Coun. Lauzon, seconded by Coun. Greig, that the Secretary write another letter to Hydro Quebec re cutting trees on Upper and Lower Concession, River Outarde and Tullochgorum Rd. as some of the trees are dead and dangerous.

On motion of Coun. Lauzon, seconded by Coun. Vaillancourt, Council agreed that all low limbs on trees be cut on every road. Councillor Lauzon was authorized to hire men needed for this job.

Coun. McCaffrey was appointed Pro-Mayor until July meeting of Council on motion of Coun. Hamilton and Vaillancourt.

On motion of Coun. Lauzon, seconded by Coun. McCaffrey, Coun. McCaig was authorized to buy a ladder for the Fire Dept.

It was moved by Coun. McCaig, seconded by Coun. Greig that the Financial Statement for the year 1966 as prepared by Quesnel Masse & Co. be approved.

La Caravane de la Confédération no 2 à Huntingdon les 1er et 2 mai

Le rôle des Caravanes de la Confédération est d'atteindre les coins du pays où ne peut se rendre le Train de la Confédération. Elles porteront, elles aussi, étalées dans leurs flancs, des pages d'histoire du Canada; on pourra aussi y contempler les réalisations du présent et admirer les espoirs de l'avenir.

Ces jolies caravanes seront au nombre de huit et chacune aura un territoire bien précis à parcourir.

Le point de départ de la Caravane No. 2 est précisément Huntingdon. Elle sera ici les 1er et 2 mai.

Chaque caravane comprend huit camions-remorques chacun d'une longueur de soixante-treize pieds et d'un poids approximatif de vingt tonnes. A chaque escale, la Caravane se disposera en forme de quadrilatère à l'intérieur duquel seront montés sur des supports repliables des étalages d'objets d'intérêt local. Une estrade y sera aussi aménagée et là auront lieu les cérémonies et manifestations locales. Les roulottes seront accessibles au public de onze heures du matin à onze heures du soir et séjourneront de un à huit jours à chaque endroit. La Caravane, une fois en place, fera songer, avec toutes ses couleurs et ses décors originaux, à une vraie foire, et son séjour sera certes le grand événement de l'année partout où elle se rendra, de Dawson (Yukon) à Bonavista (Terre-Neuve).

La population des régions environnantes ainsi que la population locale est invitée à visiter la Caravane qui sera installée au carré Prince Arthur, Rue Dalhousie, Huntingdon.

Des cérémonies spéciales se dérouleront à cette occsaion; des représentants des gouvernements fédéral et provincial seront présents ainsi que les autorités municipales de toutes les villes des alentours.

Valleyfield

Les dames acceptées chez les Moose

L'ordre Loyal des Moose, Loge 1230, Valleyfield est heureuse d'annoncer qu'une cérémonie pour admettre les dames avait lieu le 5 mars à Valleyfield. Les offiicers de la Loge de Montréal étaient présents pour installer les officières et initier 50 candidates.

Un buffet froid fut servi pour marquer le plus grand événement depuis la fondation de la Loge de Valleyfield. Les messieurs se joignirent à leurs épouses pour le souper et la danse qui suivit. Mme Labrosse, épouse du Gouverneur de la Loge de Valleyfield, reçut un coussin de fleurs présenté par Mme André Sarrasin. Plusieurs prix furent gagnés par les nouvelles membres; ils avaient été offerts par Mmes Cockerton et Mathieu de Montréal.

D'autres cadeaux avaient été offerts par des hommes d'affaires locaux.

Le nouveau chapitre sera un gros atout pour la loge locale et déjà des cours de décoration intérieure sont mis en oeuvre par les dames. Plus tard ce mois-ci, une partie de cartes aura lieu dans la salle de réception de la Loge.

Le 28 mai aura lieu la première initiation. Pour de plus amples informations, adressez-vous à 67 Académie, Valleyfield.

St-Anicet

(Carmella Sanders)

Bonjour,

De ces temps-ci, il faut s'attendre à toutes sortes de surprises, et bien voici qu'au bowling, ceux qui ont été derniers toute l'année ont fini, pensez-y donc champions!

C'est bien le Cazapril de la ligue des Francs-Amis de St-Anicet qui a fini vainqueur, sous l'oeil vif de son capitaine M. Maurice Caza. Le Cazapril a défait en finale le Happy Gang de Roméo Ouimet.

Félicitations sincères aux vainqueurs et à toutes les autres équipes; à l'année prochaine.

Mouvement des F.C.

Mercredi soir dernier, c'est à l'école Jean XXIII de Ormstown que les équipes des sections se rencontraient. C'était Ste-Barbe, St-Anicet, St-Antoine Abbé, Hemmingford, Huntingdon et Ormstown. Nos aumôniers étaient aussi présents, c'était une soirée récollection familiale. On passa tous une très intéressante soirée et nos hôtesses d'Ormstown clôturèrent avec un excellent goûter..

Société St-Jean-Bapliste

Le 29 avril à l'Ecole Centrale il y aura soirée dansante, le prix d'entrée sera de $1.50 Il y aura un orchestre reconnu, des prix de présence et un goûter. Tous les membres sont invités et amenez-y aussi vos amis.

Un voyage à l'Expo le 11 juillet est aussi organisé par la S. St-J.B. pour ses membres, le transport d'ici, à Montreal sera gratis. Alors à samedi le 29 avril, on en reparlera.

Notes Sociales

Bonne et Heureuse Fête à Jocelyne Joly de la part de M. et Mme Norman Legault.

Samedi soir dernier un groupe de parents et amis se réunissaient chez M. et Mme Maurice Caza pour célébrer leur vingtième anniversaire de mariage, nous nous joignons à eux pour souhaiter à un couple si charmant nos plus sincères voeux de bonheur

Bonne Fête à Mme Mary Quinn de Valleyfield de la part de M. et Mme Michael Quinn et leurs enfants.

Aurevoir

ICI ET LA

Les Dames Fermières de Huntingdon vous invitent à assister à une démonstration de céramique qui sera donnée par Mme Noël; il y aura également démonstration de bourses et de souliers donnée par Mme Thauvette. Ceci aura lieu mardi soir prochain soit le 25 avril à huit heures à la salle paroissiale. Toutes les dames sont invitées.

Festival de musique

Le Festival de musique de la Vallée de Châteauguay débute aujourd'hui. Les entrées sont toujours nombreuses pour cet événement annuel. Nous souhaitons tout le succès possible aux participants de notre ville qui sont nombreux.

Danse du CCC

La danse organisée par le CCC et qui avait lieu samedi dernier à l'Ecole Notre-Dame avait été bien organisée. On attendait un plus grand nombre de jeunes, mais plusieurs autres activités availent lieu en même temps, c'est sans doute pourquoi l'assistance était moins nombreuse que prévue.

L'orchestre des Camaros fit les frais de la musique tandis que M. Norbert Bourgon était le maitre de cérémonies. Les chaperons étaient Mme Ann Cameron, M. et Mme Frank Cole, M. Tom Vine et Mme R. Payne. Tous passerent une soirée agréable dont les recettes seront versées au fonds de la piscine.

Tirage de la TV en couleurs

La vente des billets va bon train pour le tirage de la TV portative en couleur organisé par le CCC; si vous n'avez pas encore le vôtre, il est temps car le tirage aura lieu le 2 mai alors que la Caravane de la Confédération sera à Huntingdon. Les recettes de ce tirage iront également au fonds du Centenaire.

Tag Day

Au banquet du 30 avril et les 1er et 2 mai, on vous offrira un tag. Ce sera une façon de contribuer à atteindre l'objectif fixé. Au 17 avril le montant recueilli était de $5,-632.51.

Notes sociales

Bonne fête à Serge Lazure dont l'anniversaire de naissance est aujourd'hui, le 19 avril. De la part de ses compagnons de travail.

Meilleurs voeux à Mme Gérard Lazure dont l'anniversaire de naissance était célébré dimanche le 16 avril. De la part de son époux et ses enfants.

Prompt rétablissement à Bernard Lefebvre qui se remet des blessures reçues lors d'un accident il y a quelques semaines.

M. et Mme Milton Viau de Baldwinsville, N.Y. et Mlle Joanne Sénécal, de Warner, N.Y. étaient de passage à Huntingdon en fin de semaine dernière.

Première Communion

Le tout petits se préparent ces jours-ci pour la journée solennelle de leur Première communion qui aura lieu le 7 mai. Comme chaque année, il y en a sans doute quelques-uns qui manquent de certaines choses. Ceux qui désirent

VILLE DE HUNTINGDON

Avis public

Veuillez prendre note que la collecte des rebuts ne se fera pas les 1er et 2 mai à cause de la présence à Huntingdon de la Caravane du Centenaire.

La cueillette se fera le mercredi, 3 mai.

On vous demande donc de ne pas mettre vos poubelles au bord de la rue pendant que de nombreux visiteurs seront chez nous à cette occasion. Votre collaboration sera appréciée.

Claude Pilon, sec.

Commission Scolaire Régionale
Salaberry

Demandes de Soumissions

POUR LA CONSTRUCTION D'UNE ECOLE SECONDAIRE POLYVALENTE A HUNTINGDON

Les soumissions seront remises dans une enveloppe cachetée portant mention "Soumission pour la construction de l'école polyvalente de Huntingdon" au secrétaire-trésorier, à l'assemblée même de la Commission Scolaire Régionale Salaberry tenue en l'Ecole Ste-Cécile, 30, rue St-Thomas, le 23 mai 1967, à 8.00 heures p.m. heure avancée de l'est.

Chaque soumission sera accompagnée d'un chèque visé (accepté) de $180,000.00 ou d'un "bond" de garantie (cautionnement de soumission) au montant de $180,000.00.

Le soumissionnaire dont la soumission aura été acceptée devra, à la demande du propriétaire, au moment de la signature du contrat, remplacer ce chèque de dépôt ou ce "bond" de garantie par un "bond" de garantie équivalent à 50% du montant du contrat. Ce "bond" sera émis par une compagnie reconnue et acceptée par le propriétaire et sera maintenu jusqu'à l'acceptation finale des travaux.

Toute soumission devra être soumise conformément aux dispositions de l'arrêté en conseil 2380, sur la formule officielle fournie par l'architecte.

Les soumissionnaires pourront se procurer à l'adresse suivante, moyennant un dépôt d'une somme de deux cents ($200.00) dollars payable en monnaie légale ou par chèque certifié à l'ordre de l'architecte, un exemplaire des plans, devis, formules de soumission.

Monsieur JEAN-MARIE LAFLEUR, architecte,
19, rue Du Marché,
Salaberry de Valleyfield.

Le dépôt initial sera remis aux soumissionnaires lorsque les plans et devis seront retournés au bureau de l'architecte dans les huit jours suivant la date d'ouverture des soumissions. Les entrepreneurs qui se seront procurés une copie complète des plans et devis sans fournir de soumission verront leur chèque confisqué.

Tous les sous-traitants en plomberie, chauffage, ventilation, électricité, cuisine, réfrigération devront remettre leurs soumissions scellées au Bureau des Soumissions Déposées de Montréal, 4970, Place de la Savane, Montréal, au plus tard le 18 mai 1967 à midi (12.00) heure avancée de l'est.

La Commission Scolaire Régionale Salaberry ne considérera que les soumissions qui respecteront intégralement toutes les clauses des conditions de cette demande de soumissions.

La Commission Scolaire Régionale Salaberry ne s'engage à accepter ni la plus basse, ni la plus haute, ni aucune des soumissions reçues.

Les soumissionnaires sont invités à assister à l'ouverture des soumissions qui se fera lors de l'assemblée de Messieurs les Commissaires, le 23 mai 1967, à 8.00 heures p.m., heure avancée de l'est, en l'Ecole secondaire Ste-Cécile, 30, rue St-Thomas, Salaberry de Valleyfield.

Salaberry de Valleyfield, ce 17 avril 1967,
ROBERT DIONNE, secrétaire-trésorier.

Liturgie — Le Seigneur a fait des merveilles. La grande merveille, c'est la Pâque du Seigneur, la libération du péché, le jour nouveau qui se lève sur ceux qui étaient plongés dans la mort. Nous savons que dans quatre jours aura lieu l'ouverture d'Expo 67. Mais saurons-nous accueiller avec largeur de vue et amitié les étrangers que nous côtoierons durant les prochains mois (sans distinction de couleur, de coutumes, de credo). Mais saurons-nous accepter les inconvénients matériels occasionnés par les visites (entassement au logis, fatigue, surplus de travail, dépenses . . .). Mais saurons-nous nous ouvrir largement à la fraternité, au dialogue, à l'échange, à l'hospitalité. "En vérité, je vous le dis, dans la mesure où vous l'avez fait à l'un de ces plus petits de mes frères, c'est à moi que vous l'avez fait.'

Dimanche — 23 — Blanc — 4e après Pâques (Cantate)
Visite des Pères Franciscains: 23-24-25 avril
7½h. Late William Connors: George Murphy

Sunday — 30 — White — 5th after Easter (Vocem)
Changement d'heure après la messe de midi — plus de messe de 5 heure.
Change time after the noon mass — no more five o'clock mass.

Liturgy — This coming Friday will see the opening of the much published Expo 67. The theme of this world fair is "Man and his World". In those four words and in the exhibits to be presented are summed up many of the achievements of mankind over the span of thousands of years. The meaningful relationship between man and the world began when God gave Adam and Eve dominion over the world, with instructions to develop it. The intervening centuries between then and 1967 mark the development of man's dominion. Expo 1967 does not let us stop at what our world is like in 1967; it turns our imagination to what lies ahead. It is urgent that at this time, we determine our own outlook about the future and teach it to our children. "O God, grant that your people may love what you command and desire what you promise, so that amid the passing things of this world, our hearts may rest where true joys abide." Amen.

Ci-dessus, l'équipe Cazapril qui remportait les honneurs de la finale de la ligue de quilles "Francs Amis" récemment. De gauche à droite: M. Renaud Caza, Mme Maggie Caza, Mme Clara Legault, Mme Marie-Ange Caza, M. Maurice Caza, Mme Mireille Carrière (substitut), M. Norman Legault. Félicitations.

Grange incendiée à Athelstan — Lourde perte en chevaux

En revenant de l'école vers 4 heures vendredi dernier, les enfants de M. et Mme Roland Riel virent les flammes qui s'échappaient de la grange de leurs parents, Mme Riel était dans la maison et se précipita dès qu'il l'eurent avertie. Elle réussit à détacher les chevaux qui se trouvaient à l'intérieur et à en faire sortir quelques-uns.

La brigade d'incendie volontaire de Hinchinbrooke se rendit rapidement sur les lieux et réussit à limiter les dégâts à la grange; une bâtisse attenante et la maison furent épargnées, mais la grange est une perte totale. On déplore également la perte de plusieurs chevaux de selle d'une grande valeur et de tout l'équipement, tels harnais, selles, couvertures, etc. Aussi les records et rubans gagnés aux diverses expositions auxquelles ils prenaient part chaque année.

La grange était assurée, mais les dommages dépassent de beaucoup le montant couvert.

Les pompiers volontaires ne quittèrent les lieux que vers 10:30 p.m. alors que tout danger était écarté.

M. Riel compte rebâtir, entretemps MM. Walter Levers et Dan. Chodat prennent soin des chevaux qui restent jusqu'à ce qu'ils puissent être mis en pâturage.

Pour M. et Mme Riel, ceci signifie qu'ils ne pourront pas participer cette année aux expositions où ils remportaient chaque année des succès avec leurs chevaux de selle. C'est pour eux une dure épreuve car ce couple et leurs enfants sont réellement attachés à leurs animaux.

Nos syndicats à Lachute

Pour la première fois dans les annales du syndicalisme régional, une organisation ouvrière tient des assises très importantes dans la cité de Lachute.

Ce groupe d'ouvriers de l'industrie du Textile, membre du syndicat International (Ouvriers Unis des Textiles d'Amérique) représentant plus de 3,000 travailleurs de cette industrie au Québec s'est donné une nouvelle structure Provinciale en adoptant une constitution pouvant subvenir aux besoins actuels et futurs.

Cet organisme sera connu sous le nom de Conseil Provincial du Québec des Ouvriers Unis des Textiles d'Amérique et se réunira annuellement en session plénière.

M. FRANCOIS GAGNE

Plus de 80 délégués venant de 18 villes de la province de Québec; en plus de la participation à la réunion, furent reçus par le Conseil de ville de Lachute à un goûter et furent invités par M. le maire le Dr. Zoel Saindon à inscrire leurs noms dans le livre d'or. Une visite industrielle organisée aux usines de la Dominion Ayers (Division Textile) intéressa au plus haut degré les participants.

Au cours de la réunion les délégués eurent le privilège d'entendre les orateurs suivants: le Dr. Zoel Saindon, maire de la ville de Lachute et député provincial du comté d'Argenteuil, M. Louis Laberge, président de la Fédération des Travailleurs du Québec, M. George Payette, co-directeur O.U.T.A., M. le curé Yvon Mailloux, un grand ami des ouvriers, ainsi que M. François Gagné, président du Conseil du Travail de la région Lachute-Calumet (F.T.Q. C.T.C. Les délégués s'amusèrent ferme à une soirée-dansante organisée par l'exécutif de l'union locale O.U.T.A. Chaque délégué reçut en souvenir un porte-clef, un don du Conseil de Lachute-Calumet.

Les délégués se donnèrent le comité exécutif suivant: à la présidence, M. François Gagné, représentant international, résidant de St-Hermas, Mme Aline Couture de St-Jean, M. Jean-Paul Valade de Huntingdon, M. Jacques Frenette de Trois-Rivières, secrétaire-archiviste M. Réjean Petit de Grand'Mère, comme auditeur des livres les délégués se donnèrent le comité suivant: M. Gaston Labonté, de Lachute, M. René Guimond, de Montréal et M. Claude Massicotte de Trois-Rivières.

Amateurs de golf

Le temps est venu de vérifier votre attirail car bientôt les verts seront en état pour vous permettre de vous adonner à votre sport favori. Vous voudrez sans doute être parmi les premiers à profiter des beaux jours qui s'en viennent, du moins nous l'espérons.

Qui remportera la coupe Stanley?

Question de $64,000 à laquelle nous ne pouvons répondre; nous souhaitons que le Bleu Blanc Rouge répètera ce qu'il a accompli l'an dernier et gardera cet emblème de supériorité pour le plaisir de tous les partisans.
