World News In Brief

Beachville, Ont., July 20.—(CP)—Ontario Provincial Police were scouring the country around this village near Woodstock today in search of the lone bandit who yesterday held up the Beachville branch of the Bank of Montreal and escaped with an unestimated sum of money.

Bank authorities would not divulge the amount stolen by the man, said to be about 45 years of age, blond, who strode into the bank yesterday afternoon and thrust a gun in the face of bank teller Richard Thurtell and messenger John Palmer. The bandit scooped up the cash from the till and left in a hurry.

Guelph, Ont., July 20.—(CP)—A coroner's jury investigating the fatal shooting of Donald Parks, 18, during an escape attempt from the Ontario Reformatory July 11, last night found the reformatory guards did not carry out the spirit of the Criminal Code section governing escapes from custody.

The jury added that instructions given to guards regarding use of firearms were not clear and recommended each guard be given a copy of the section mentioned.

Two inmates of the reformatory testified the shooting was unnecessary in apprehending Parks who made a break for freedom while among a group of prisoners being marched back from work at the tailor shop. He ran across a field amid a hail of bullets, was wounded in the legs by shotgun pellets, jumped an electric fence and was shot through the head by a guard.

Col. Hedley Basher, acting superintendent of the reformatory, said guards are instructed to fire in case of an escape but are warned not to shoot directly at a man's body unless attacked.

Parks, serving a 12 months term for theft, was due for release in November.

Istanbul, July 20.—(P)—Turkey prepared for her first general election in democracy—an election tomorrow to determine the fate of the government of President Ismet Inonu.

Most sources conceded that President Inonu's government would be retained in office. They said, however, that the significance of the election was that for the first time in Turkey's turbulent history an opposition party conceivably could rise to power through the ballot box.

The election is a result of a government decision last December to lift the ban on opposition parties. There has been only one legal permanent party in Turkey since the revolution 23 years ago.

Nova Scotia Premier Has Ottawa Talk

Hon. Angus Macdonald States That Talks With Federal Officials On Conference Were of "Very General" Nature.

Ottawa, July 20.—(P)—Premier Angus Macdonald of Nova Scotia yesterday conferred with Finance Minister Isley on the Federal proposal for new taxation and financial agreements with the provinces as outlined in the budget of June 27.

Mr. Macdonald said he had had a "very general" discussion with Mr. Isley and Dr. W. C. Clark, Deputy Minister of Finance, and that he was returning to Halifax either tonight or tomorrow.

Asked if he would be returning to Ottawa, Mr. Macdonald said: "I hope we have another go at this time. I hope we have another conference."

Before the Dominion-Provincial Conference broke up in disagreement last May, Mr. Macdonald sought to have the discussions adjourned until July 1 in the hope that by that time a common ground of agreement might be found.

His suggestion was not acted upon, however, and the conference adjourned "sine die."

The budget disclosed the new offer to the provinces. The offer was similar in financial and taxation details to the one put forward at the conference but did not have attached to it the social security, public investment and other measures originally advanced by the Federal Government as part of its proposals to the provinces.

OLD SAW PROVES TRUE
Kansas City, July 20.—(P)—"Water the fire?" Patrolman Walter Millsted asked Arthur Byers, as he pulled alongside the speeding automobile. "My house is burning down," pleaded the driver. The officer, although somewhat skeptical, led the way to Byers' home, where firemen had the blaze under control.

Examination of Union Official and Steel Company Executives Expected to Continue When Committee Resumes Monday—Situation Quiet at Hamilton.

Ottawa, July 20.—(CP)—Members of the Commons Industrial Relations Committee, started on their job of investigating industrial unrest in Canada, today took a week-end recess and prepared to tackle a heavy agenda next week.

First thing on the agenda will probably be completion of questioning of C. H. Millard, Canadian director of the United Steelworkers of America (C.I.O.) which is engaged in a strike in three basic steel plants. Management representatives of the plants are also expected to be on hand and the committee plans calling Labor Department officials and possibly Donald Gordon, Price Board Chairman.

The committee devoted two sessions yesterday to questioning Mr. Millard and arguing details of procedure in his enquiry.

In his evidence last night Mr. Millard said the Government would have to abandon a policy of limiting wage increases to 10 cents an hour if industrial unrest was to be ended.

Mr. Millard said his union's demand for a 19½-cent increase in strike-bound steel plants was based on providing a worker with \$1,750 a year on a 40-hour week. The union did not believe Canadians could work more than 40 hours a week and still provide sufficient jobs. The weekly wage of \$33.60 was considered the minimum required for decent living standards.

The union had offered before the strike to settle for 15½ cents with a 44-hour week. The terms were generally similar to those given British Columbia loggers.

Committee members turned their questioning to the ability of companies to pay higher wages.

The Dominion Steel and Coal Corp. which had pleaded inability to pay had shown profits of \$3,000,000 last year.

Mr. Millard said while the union demand was 19½ cents he believed a settlement would be reached between 15½ and 19½ cents. Highest offers were 10 cents an hour. A series of wage board applications seeking elimination of the five-cent differential now existing between Nova Scotia and Ontario mills dated back to 1943. It had been indicated to the union that if it would settle for 10 cents, the differential would be "wiped out" retroactive to either Jan. 1, 1946, or November, 1945.

Mr. Millard said there had been an attempt to impose on labor a 10-cent maximum wage increase. The maximum would be applied by the government, by War Labor Boards and in the steel dispute through a controller.

Reconstruction Minister Howe stepped into the broad-range discussion to ask the union's position on unloading coal and iron ore which would be badly needed next winter.

"Our people are convinced as long as they keep on unloading coal the very pressing question of wages will not be settled," Mr. Millard said. "Our people are not impressed with the speed we are making toward a settlement, even in such committees as this."

Harry Archibald (CCF-Skeena) asked for an opinion on what could be done to avoid further violence at the Stelco plant in Hamilton.

Mr. Millard said if Stelco would adopt the policy being followed at Desso and Algoma there would be little likelihood of trouble.

"It is my opinion that Mr. Hilton (H. G. Hilton, Stelco president) has personally conducted a provocative attitude toward the union and strike situation," he said.

"The company started some weeks ago to prepare strike-breaking activities. I believe provocations and disorders are coming from inside the plant."

Hamilton, Ont., July 20.—(P)—Picketts with orders to keep out of fights unless attacked, today kept up constant patrol outside the gates of the Steel Company of Canada Hamilton Works here as the strike called by the United Steelworkers of America (C.I.O.) went into its sixth day.

Some of the men working in the steel plant behind the picket lines—men who have kept up partial production in the sprawling steel works since the strike started—were beginning their second week inside the plant.

Duparquet, Que., July 20.—(P)—Hopes of rescuing four men trapped yesterday by a rush of clay in the Beattie Gold Mine here, were abandoned today as a mine official said the men were buried beneath about 100 feet of clay and that it would take at least a month to reach them.

Harry McGowan, manager of the mine, said 16 men had been at work on the mine shift but that 12 of them, working on higher levels than the four men, were able to escape.

The four, all listed as residents of this northwestern Quebec municipality, were: Paul Matish, boss, a widower without dependents; Scott Clark, 24, married, with one child; John Hemovic, 45, unmarried; Joseph Bedard, 24, unmarried.

Matish, working on the fifth level, descended to the level below in an effort to warn the three other men. The rush of clay poured into the shaft as the four were

Charge Information Board Cabinet Propaganda Agency

By GEORGE KITCHEN
Canadian Press Staff Writer
Ottawa, July 20.—(P)—Sharp criticism—and equally sharp defence—of the Canadian Information Service was heard yesterday in the Commons discussed a resolution preliminary to a bill to keep the government information agency in operation.

The criticism came from Progressive Conservative members whose opposition was pin-pointed by an assertion by Gordon Graydon, (PC-Peel) that the service, successor to the Wartime Information Board, should be re-named the "Canadian Government Perpetuation Service."

Health Minister Claxton, defending the resolution, defended the service and denied "with all the vehemence possible" charges "implied or stated" that there had been "any sign of political propaganda at any stage" in the operation of the agency.

The resolution finally was adopted and the bill itself introduced and given first reading.

At the House opening, Justice Minister St. Laurent said the government had deferred until later its decision on a suggestion by the United States that a civilian meteorological station be established as a co-operative venture on Melville Island in the Canadian Arctic.

He disclosed that discussions between Canada and the United States regarding an extension of meteorological services in the Arctic regions have been going on for some time.

J. L. Gibson (Ind.-Comox-Alberni) tabled a petition signed by 8,000 British Columbia residents asking the House to enact legislation for the deportation to Japan of all persons of Japanese descent in Canada and to arrange to have the deportation included in the peace terms with Japan.

The House gave third and final reading to a bill giving the Health Department authority to limit the sale of penicillin to persons using it under instructions from a physician.

Later, the House studied health estimates and heard from Dr. David Shugar, who was charged and denied acquittal in connection with espionage, had been given notice of dismissal as a result of disclosures in the final report of the Royal Commission of Espionage.

In the C.I.S. debate, Mr. Claxton said that, unlike the W.I.B., the activities of the Canadian Information Board would be more or less limited to sending information about Canada abroad.

He thought it "astounding" that charges of propaganda should have been brought into the debate without proof. The government had leaned "over backward" to make sure there could be no such charge.

Mr. Graydon said he felt the service had done a "good job" during the war, and predicted that it eventually would become a "propaganda machine" for the government of the day.

REALLY ENTHUSIASTIC
New York, July 20.—(P)—Jose Rodriguez has found life in the United States good—so good that he is flying 61 of his relatives to Brooklyn to share it with him. He brought 31 of the relatives from Puerto Rico by a chartered airplane Thursday. Next week he is going back for 30 more. Savings from Jose's \$100 a week salary as a shop foreman provided most of the \$2,817 cost of the first plane trip. The airline has offered a plane free for the second trip.

Trio Face Direct Charges As Espionage Probe Result

Ottawa, July 20.—(P)—First action against additional persons mentioned in the Royal Commission espionage report was indicated yesterday as three persons were definitely named as facing charges.

All were charged in connection with the obtaining of a passport for a Russian agent who had operated in California but who now has disappeared.

Arraigned in Ottawa court was William M. Pappin, Passport Office clerk, on three charges arising from the same incident. He was jointly charged with Sam Carr, former Labor Progressive Party organizer, who has disappeared, and Dr. Henry Harris, Toronto optometrist said to be holidaying in the Laurentians.

Dr. John Soboloff of Toronto also was arraigned yesterday on a charge of knowingly making an "untrue or misleading statement" in connection with the same passport.

Meanwhile, a fourth man—Dr. David Shugar, who already was released for lack of evidence in connection with spy charges—was given his notice by the Health Department as a result of further statements concerning him in the final report of the Commission.

Health Minister Claxton announced Dr. Shugar's dismissal late last night.

Pappin is said to have accepted as genuine a document he knew to be forged, to have conspired, with Harris and Carr, with Embassy heads to forge, alter or tamper with passports, and to have conspired with Carr and Harris to obtain false passports intended to be useful to Russia.

Pappin was released on \$3,000 bail.

Harris was expected to be charged officially "as soon as he can be picked up" and may face court Monday.

Press Protesting Photographic Ban

London, July 20.—(P)—The London Daily Express protested editorially today against what it said was a ban on the taking of news pictures at three recent events attended by the Royal Family.

A. W. V. King, London manager of the Australian Associated Press, said in a letter to the London Daily Mirror that "We have insisted—highly we think—that wherever a public function concerns a Dominion's subjects, that the press of that particular Dominion should have facilities to report and photograph that function."

"It is with the help of a 'good press' that the loyal, living link between the Dominions and their monarch is going to be preserved," he added.

In a letter to London photographic editors, Bernard Alton, secretary of the Newspaper Photographers' Association, said he had heard the opinion expressed that there was a "growing tendency" on the part of photographers to take advantage of privileges at Royal functions.

Victory Smile

Gene Talmadge, left, his red suspenders a campaign trade-mark, smiles happily over his nomination as Democratic candidate for Governor of Georgia. Talmadge won a majority of the state's voting units, which is what counts in Georgia, although he trailed his youthful opponent, James V. Carmichael, in popular vote. With Talmadge in Atlanta, is his campaign aide, Roy Harris. Talmadge campaigned for "white supremacy."

Fear Attack Means Start Of Gang War

Montreal Paper Declares That Attack on Dice Game Is Signal for Battle for Control of Gambling.

Montreal, July 20.—(P)—The Montreal Gazette said in a news-page story today that "high officials are much worried over the prospect of a gang war in the Montreal underworld" following, according to the Gazette, tossing of a powerful "pineapple" bomb Friday morning at the most important "balho" game on central Mansfield Street.

"We have enough trouble of all kinds with them without having to put out a brotherly fight," the paper quoted an officer as saying, adding that no official comment could be obtained.

The story said "the long-expected 'gang war' for the control of Montreal's highly-profitable gambling racket apparently broke loose" with tossing of the bomb which missed a window of the building and "fell on the roof of a restaurant, where it blew a large hole and caused damage estimated at \$100."

"According to reliable reports at the time there were more than 50 persons busily engaged at playing (balho) this card variation of the old-fashioned barbotte or the premise, an alleged gambling house which has been open for four months, despite two or three police raids," the newspaper added.

"It is believed that this tension in the gambling world is the latest consequence of the pressure which has been applied by the press, public bodies and religious authorities in recent months."

The fight now arises on the question of who will have control of the relatively limited number of establishments being operated."

The story added an unidentified person called the Gazette office last night and said: "We'll close every one of the balho establishments. We missed on this one, but we have plenty of time and plenty of what it takes to close them."

Big Drought Is Ended By Heavy Rains

Extensive Damage Caused Throughout Ontario by Unprecedented Rainfall in Many Areas Last Night.

Toronto, July 20.—(P)—A four-week drought in most parts of Ontario was broken late yesterday afternoon by storms of varying intensity which swept across the Province on a wide front, bringing death to three persons and tangling communications.

The storms extended from Windsor on the west to Ottawa on the east flank and extended also a considerable distance northward.

At Sudbury, the Ontario Department of Lands and Forests reported a rainfall of 8.6 inches over an eight-hour period, though this was questioned by weather bureau experts here, who termed such a heavy rainfall "unprecedented."

The deaths were Edwin Badgley, 24, of Toronto, killed at Highland Park by lightning when he took shelter in a tent in an open field; George W. Rankin, 70, struck by lightning in a boarding house at Falding, near Parry Sound; and Clarence F. Coats, 55, who collapsed on a down town street car here and died shortly after.

Near Acton, Ont., 20 valuable Jersey cows were killed as they huddled about a tree seeking shelter from the storm. Elsewhere in the province there were reports of fires being started and barns burned down with valuable hay crops and livestock.

The storms interrupted communication lines of the Canadian Pacific and Canadian National Telegraphs. Bell Telephone circuits between London and Sarnia, London and Windsor, Toronto and Georgetown and Oshawa and Port Hope were broken.

In some areas, hay crops were damaged extensively while the rains were beneficial to potatoes, corn and other crops.

Radio stations in the Toronto area were off the air for seven minutes to two hours, due to static charges and power failures, but there was no general power interruption.

Russian Delegate Displays Conciliatory Attitude At Atomic Commission Studies

Andrei A. Gromyko Declares "Nobody Is Asking for Secrets" at This Stage of Atomic Control Discussions.

By CHARLES A. GRUMICH
New York, July 20.—(P)—Soviet delegate Andrei A. Gromyko, playing a stand-in role among the scientific advisers to the United Nations Atomic Commission, was on record today as saying that "nobody is asking for secrets" at this stage of atomic control discussions.

The remark was given emphasis by the fact that the five quoted words were the only ones given in direct quotation in a 700-word official U.N. report of yesterday's secret meeting of the new 12-country scientific and technical advisory committee on atomic energy.

Mr. Gromyko, who represents Russia in all political deliberations on atomic control, turned up among the scientists as a substitute for the Soviet scientific representative who now is observing the Bikini atomic bomb tests.

In the official version of yesterday's meeting the Soviet delegate said "nobody is asking for secrets" and then was indirectly quoted as saying the time was ripe for discussion of the methods of exchange of scientific information on the peaceful uses of atomic energy.

Mr. Gromyko also told the scientists that his proposals, for exchange information, as stated more than a month ago in the presentation of Russia's counter-plan for handling atomic energy, were in no way in conflict with the views expressed by Bernard M. Baruch of the United States in a supplement July 12th explaining one phase of the proposed United States program.

Mr. Gromyko's remarks apparently were prompted by Mr. Baruch's statement saying "It is not contemplated that, in these discussions, further information now held as secret would be disclosed."

Dr. Richard C. Tolman, the United States scientific representative on peaceful uses and dangerous activities of atomic energy are inseparable because up to a certain point the same processes are used in both fields of research.

Fresh Revolt Is Reported From Bolivia

One Report Places Death Toll in Latest Revolutionary Attempt in Excess of One Hundred.

Buenos Aires, July 20.—(P)—Advices filtering through a tight censorship in Bolivia indicated today that many persons—one report said approximately 100—had been killed in an attempt to overthrow the government of President Gualberto Villarroel.

Officials of the Bolivian Embassy here said the revolutionary uprising occurred Thursday when a group of heavily armed students at the University of La Paz staged a rebellion which was crushed within a few hours.

However, a dispatch from Arequipa, Peru, quoted private sources there as saying that the situation remained chaotic throughout yesterday, with many persons killed.

The attempted coup was the second in Bolivia in the last five weeks.

A dispatch from Arequipa, Chile, quoted the La Paz Evening Star, Bolivia, as saying that approximately 100 persons were killed, and 150 wounded at the Bolivian capital of La Paz Thursday.

The broadcast said that Bolivian pro-government newspapers placed the blame on Communist influences imported from Chile.

The Bolivian Embassy here did not mention any casualties, and an embassy official said this account, which he said had been cabled yesterday by the Bolivian Foreign Ministry.

"Last (Thursday) night students who entrenched themselves in the university surrendered their arms, admitting they had been received by politicians into allying the public order."

"During the day Thursday, all activities at La Paz, including the submission of telegrams, were suspended because of the diverse subversive centres of the city which impeded traffic, persons and vehicles. Today (Friday) the city was completely tranquil and all subversive centres were dominated by the government. The government gave full guarantees to the students, against whom no reprisals would be adopted. At the same time, the government assured the university its autonomy would be respected."

The dispatch from Arequipa, however, said the revolution was organized by elements of the P.R. Party and some members of the military.

Golovina has been in a state of political unrest since last June 13, when the government crushed an attempted coup d'etat in which army fliers attempted to bomb La Paz. The government subsequently announced that five persons were killed in that revolt.

Lake Success, N.Y., July 20.—(P)—A \$17,783,000 plant which last month still was turning out weapons of war, today neared complete conversion into a palace of world peace.

With only three weeks to go until the United Nations final moving date from Hunter College in the Bronx, contractors increased their staff of 300 men to speed the makeover of the sprawling Sperry Gyroscope Company factory. The U.N. already has opened several offices here.

The cost of reconstruction was estimated up to \$1,700,000.

This town of 688 population, situated on the shore of Long Island Sound, is one of the most beautiful spots in the world.

Britain Institutes First Bread Ration At Week-End

London, July 20.—(P)—Bread rationing, described by opponents as unworkable and unnecessary and by the government as an essential precautionary measure, becomes effective for the first time in British history this week-end.

Stormy scenes in the House of Commons and displays of public posters marked reception of the plan, announced by Food Minister Strachey on his return from a recent visit to Canada and the United States.

The average Briton's patience seemed to be wearing thin.

The housewife doesn't anticipate much difference in her family's bread allowance for the ration allowance is generous, but there are grumbles aplenty over this new twist of red tape created by the orler.

The country's bakers, openly rebellious at first, are grudgingly conceding that they'll have to give rationing a try. Winston Churchill advised them to do so in a Commons speech Thursday, saying it should be clear if the scheme broke down "it would be because of its own defects and not because of lack of effort on the part of the trade."

Bread is in fairly good supply at present although housewives find it pays to shop early as bakeries and stores frequently sell out by afternoon. A small 14-ounce loaf sells for two pence three farthings (about five cents) and a larger one-pound, 12-ounce variety for four pence half penny.

When rationing starts the purchaser will be required to yield two bread units for a small loaf, four for a large. A pound of flour is nine units and cakes, buns or scones one unit a half pound.

These ration units are in coupon form in new ration books which have been issued during recent weeks and which will be used after Sunday. It is not mandatory, but deciding factors.

housewives are being urged to deposit coupons at stores where they deal or with the "roundsman who makes bread deliveries.

Some large bakeries are printing special cards which will be issued to customers showing how many units they have to their credit. The ration period will be on a four-week basis when the new coupons have been given up.

The basic schedule of bread units allot five a week to children up to four, nine from four to 11, 15 from 11 to 18. A "normal adult" gets nine units, against which mothers and women manual workers 11 and male manual workers 15.

Extra coupons can be obtained for adolescents and manual workers.

Thousands of families won't use anything like all the bread units allotted to them and what they have over at the end of the four-week period can be translated into "points" which can be used for scarce goods rationed on a point basis.

Cakes and scones will be bought in the same way as bread by surrendering coupons. Cakes, however, are in short supply and those available lack icing and are of solid, unappetizing texture.

Bakers' representatives seeking postponement of the scheme said no directives have been forwarded yet to bakers who will hold mass meetings in London Tuesday.

"Quite a number will try to work the scheme but that is all they are likely to do for the next month or so because it is impossible to work it in its present form," one representative of bakers said.

Mr. Strachey meanwhile has given hints that rationing may not be necessary for a long period. The size of the Canadian wheat crop issued during recent weeks and which will be used after Sunday. It is not mandatory, but deciding factors.

WATERLOO CLUB CLOTHES DRIVE GREAT SUCCESS

Waterloo, July 20.—Waterloo Kiwanis Club held its weekly meeting in the dining hall of the Waterloo Hotel, under the presidency of Kiwanian Fred St. Denis.

The business for the evening was primarily to draw up the program for the remainder of the year, and to receive suggestions from the gathering of members as to the type of meeting that was desirable to the majority.

Two guests, Mr. Toby Jackson, of Granby, and Pte. Omer Malboeuf, a recently returned veteran from England, who attended as the guest of Kiwanian Bob Flood, were present. A fairly good attendance was on hand to partake in the meeting.

Kiwanian Rollie Boucher, chairman of the recent clothing drive, announced that a total of 52 drums or 3,860 pounds of clothing were gathered, which was considered excellent, due to the fact that three previous clothing drives had

uated just inland from the north shore of Long Island in prosperous Nassau County, already is feeling the influx of the U.N., which plans to remain the next three to five years.

With strict zoning laws, there was little chance of immediate business expansion within the town, which now has only two commercial establishments—a delicatessen and a liquor store. However, restaurants and taverns along the broad highways and in the nearby villages looked for added business and the housing situation has become more acute.

Out at the peace plant, workmen concentrated on a 6,400-square-foot, air-conditioned, sound-proof chamber for the Security Council. Plans include another chamber to be shared by the Economic and Social Council and Trustee Council, four huge conference rooms, 10 committee rooms and approximately 300 individual offices.

All U.N. activities will be housed in the 60,000 square feet of space except the General Assembly, which meets in September at the 1939-40 World's Fair site in nearby Flushing.

Sperry vacated the area given to the U.N. July 1st, but will continue operations in other factory buildings. Both Sperry and the U. N. lease from the United States Government.

Pointing to the "campus" where will fly the flags of the 51 United Nations, one of the Sperry employees said:

"Well, with the problems they have they couldn't have picked a town with a better name."

Hollywood Highlights

By Bob Thomas

Hollywood, July 20.—(AP)—The era of big, beautiful premieres returned to Hollywood last night.

It was like old times along Hollywood Boulevard as several thousand people lined the street to watch the celebrities converge on Gramman's Chinese Theatre. The occasion was the premiere of "Anna and the King of Siam" and it caused the biggest accumulation of fans in five years. The usual police staff was tripled.

Multi-colored searchlights cut through the sky as the country's best-known and best-paid working people drove up to the theatre in their limousines.

Unusual for a Hollywood occasion, the film started only 35 minutes late, leaving latecomers like Lana Turner and Bob Hutton to grope down the darkened aisle.

Reporting for me last night was Nancy Guild, a journalism major at the University of Arizona before she landed on a magazine cover and thence into the lead of pictures like "Somewhere in the Night" and "The High Window." Some of her observations:

The show brought out the largest turnout of stars of any non-academy event in recent years, even stay-at-homes like Irene Dunne and Robert Montgomery. . . Rex Harrison, one of the stars of the picture, entering unnoticed. . . Donald Nelson rubbernecking like any fan. . . Also June Haver with Dave Ross. . . Bob Hope getting applause as he walks down the theatre aisle. . . George Jessel with ex-wife Lois Andrews.

"Anna and the King of Siam" proved worthy of all the to-do, being a charming adaptation of the popular book. Irene Dunne and Rex Harrison couldn't be better in their roles. Movie fans should be warned that there are no musical production numbers with the harem girls, no boy-meets-girl story. Just a simple, humorous, touching tale.

Some people don't forget. Toronto-born Marty Pickford still has parties for servicemen at Pickfair, where the boys are treated as royally as a visiting duke. . . Strict orders have been issued to Bing Crosby about no more practical jokes. . . Billy Wilder took three hours to line up 300 extras and horses for a shot in "Emperor Waltz" and then Bing walked up to a P.A. mike and dismissed everybody for lunch. . . The Braille Institute will distribute synopses of movie plots for better enjoyment of films by the blind.

and family of Hemingford, were guests of Mrs. Cookman's mother, Mrs. H. Holbrook. Mr. F. Carr, of Sherbrooke, was also a guest at the same home.

Mrs. R. Ryan, of Montreal, and Mr. and Mrs. Oliver Barter, of Bury, were guests of Mrs. H. Holbrook.

At The Granada

TECHNICOLOR MUSICAL TREAT! "Do You Love Me," a gay musical in Technicolor starts at the Granada Theatre on Sunday, playing until Tuesday night, starring Dick Haymes, Marlene O'Hara and Harry James. Miss O'Hara is cast as a classical music teacher who turns from Bach to boogie-woogie.

COATICOOK

Mr. Alan Buckland, of Waterloo, is a guest of his grandmother, Mrs. C. Buckland, for the month of July.

Mr. and Mrs. Heber Peters, of St. Petersburg, Fla., and Mr. and Mrs. Arthur Peters, of New York, were guests of their cousin, Mr. Abbott Jenks, and Mrs. Jenks.

Mr. and Mrs. E. B. Fischer, of Westmount, are guests of Mr. and Mrs. Winston Adams.

Mrs. Brown entertained a number of little guests and friends on Thursday, July 18, to celebrate the fifth birthday of her son, Norman. A delightful time was enjoyed by all.

Friends regret that Mrs. Lottie Wallis had the misfortune to suffer a serious fall resulting in a serious cut on her right arm and necessitating her going to the hospital and having about twenty-five stitches taken in her arm. At time of writing, Mrs. Wallis is able to be about with her arm in a sling.

Mrs. A. J. Mayhew, who is staying at Miss M. Waldron's apartment in the Guerin Block for the summer, is doing nicely after having the misfortune to break two ribs. Her many friends wish her a speedy recovery.

Mr. Herve Caron has bought the building in South Barnston known as the old South Barnston Hotel, where years ago the stage used to stop with its passengers. This will remove one of the old landmarks as Mr. Caron is having the building torn down and removed to make extensive additions to his present home in Coaticook.

Mrs. Francis Hurd has returned from a hospital in Sherbrooke, but is not improving as her many friends would wish.

Miss Helen Woodman, nurse-in-training, of Sherbrooke, is a guest of Miss Barbara Meade and Miss Phoebe Pyne, at "The Shack," Baldwin's Mills.

Guests at the home of Mrs. Fanny Wallace were Mr. and Mrs. Leslie Straw, Mrs. Jean Shaw and Mrs. Agnes Fowler, of Franklin, N.H.

Mr. and Mrs. Charles Williams and Mr. and Mrs. Ralph Hayes have left for a motor trip to St. Catharines, Ont. En route they will be guests of Mrs. Hayes' sister, Mrs. J. W. C. Levy, and Mr. Levy, at Montreal. They will be guests of Mr. and Mrs. Harry Cartwright and other friends in St. Catharines, Ont.

Mr. James Dougherty, of Waterbury, N.Y., is the guest of Mr. and Mrs. Bristol Smith.

Mrs. Charles Johnson has left for Maine, where she will make an extended visit with her sister and friends.

Mr. J. S. Heath, of Montreal, was the week-end guest of Mr. and Mrs. S. A. Meade.

Mr. Grant Johnson, of Tache, was a guest of Miss Beatrice Meade and Mr. Cecil Meade for a short stay.

Dr. C. H. Church has left to return to his duties as chief surgeon on a boat running from Halifax, N.S., to Bermuda, via New York. While in town Dr. Church visited many of his friends. Dr. Church hopes to have another leave from his duties sometime in October. His many friends will be glad when he is demobilized and back in their midst again.

The Misses Florence and Ruth Smith, of Montreal, are guests of their grandparents and aunt, Mr. and Mrs. E. J. Elford, and Miss Edith Elford.

Mr. Roger Telmesse is improving after his accident, when he broke his arm.

Miss Winona Williams has gone to Derby, Vt., to visit her aunt for her holidays.

Miss Rose Williams is the guest of Miss Ann Dodd, at Lake Massawippi.

Mr. and Mrs. Leo Lamoine and daughter, Beverly, have returned to Portland, Me., after spending a pleasant holiday in Coaticook with Mr. Lamoine's mother, Mrs. Richard Smith, and family. They were also guests of Mr. and Mrs. Philip Hauser and Miss Betty Hauser, at their summer home at Lake Wallis. Mr. and Mrs. Harry Richardson and family were also visiting at the two above homes.

Mrs. Fred Hurd and Judith and John Hurd, of Sawyerville, were guests of Mrs. Hurd's sister, Mrs. Graydon Colwill, Mr. Colwill and children.

Misses Shirley and Leona Williams are guests of relatives in Way's Mills.

All will be glad to learn that Mr. Everett McGee, who recently had part of one of his fingers taken off in an accident and suffered a severe relapse from shock, is improving and is able to be out again, although it will be a long time before he will be able to use his hand.

Mr. and Mrs. Campbell Donaldson, of Cabot, Vt., were guests of Mr. Donaldson's father, sister and brother, in town.

Miss Muriel Hanson gave a very delightful miscellaneous shower in honor of Miss June Parsons, a July bride.

Rev. H. W. M. Church and his sister, Miss Frances Church, have left for six weeks' holidays in Bermuda, where Mr. Church will preach at one of the Anglican churches during their stay there.

Mrs. Arthur Whitcomb has returned to Magy, where she is staying with her sister, Mrs. Blanche Christie, after spending a short time with Mr. and Mrs. O. G. Webster.

Mrs. Armand Gregoire is a patient in St. Vincent de Paul Hospital, Sherbrooke, where she underwent a very serious operation, but at time of writing is as well as could be expected.

Those from Coaticook who attended the O'Hara-Parsons wedding were Mrs. A. J. Mayhew, Mr. Armand Gregoire, Misses Muriel Hanson, Phoebe Pyne, Helen Woodman, Edythe and Jeanne Snow and Rev. and Mrs. George F. Gorman.

Mrs. Prout, of Inverness, is a guest of Mrs. Ida B. Weary.

Three Decisions Are Given On New Transport Services

Three judgments by the Provincial Commission of Transportation and Communication, which sat at the local court house two months ago, were rendered today and granted permission for the establishment of a new bus service to be operated by Alphonse Laramee, of Sherbrooke, to run between Bromptonville and Windsor Mills via St. Francois-Xavier and Greenway.

In rendering this decision, the judgment states that in view of the presentation on behalf of the number of additional persons who will receive this service and the fact that the operation of the present service between Sherbrooke and Richmond, (Laramee Transport Company) has a good record of service in the past, it is felt that this request is in order and will be of benefit to the community as a whole.

Permission for another transportation service was also granted. Henri-Louis Dion, of Asbestos, who will operate between Asbestos, St. Georges de Windsor and Wotton "for the benefit of the employees of the Johns-Manville Company and the public in general."

In the case of Jean-Louis Carriere, of Asbestos, permission was granted for the operation of a "Drive Yourself Service" with headquarters at Asbestos.

AGED RESIDENT OF GOULD DIES FROM INJURIES

Charles Foster, 82-year-old resident of Gould Village died at the Sherbrooke Hospital last night from injuries received when he was struck by an automobile on the highway between St. Marguerite and his home centre early last Sunday night.

Mr. Foster, who is reportedly somewhat deaf, was returning home when the car, driven by Philibert Goulet, 1450 St. Hubert Street, Montreal, hit him. He was rushed to the Sherbrooke Hospital where he was found to be suffering head injuries which ultimately resulted in his death.

Provincial Police traffic officer H. B. Lawrence investigated. It is expected that an inquest will be held on Monday by Coroner Armand Nadeau.

MAGOG CHILD MEETS DEATH UNDER TRUCK

Magog, July 20.—Five-year-old Jean-Paul Hebert, son of Mr. and Mrs. Florian Hebert, of this place, was killed almost instantly on Thursday afternoon when the rear wheel of a truck driven by his father passed over his head.

The youngster, along with six other children, were standing on the running board of the truck while the father of the victim backed the vehicle out of the driveway. Part of the victim's clothing apparently became entangled on the doorhandle and he was unable to clear the running-board when he jumped.

Dr. Wilfrid Pelletier was immediately summoned, but young Hebert died before his arrival. A coroner's jury later returned a verdict of accidental death. Burial will take place this afternoon at St. Patrick's Church.

J. A. DROUIN OF GRANBY DIES

Granby, July 20.—J. A. Drouin, 61, well-known Granby lawyer, died suddenly at his home here yesterday.

Born in St. Aime de Nicolet, he was educated at Nicolet Seminary and admitted to the Quebec bar in 1911. He came to Granby in 1915. For many years he served as Conservative Party secretary in Sherbrooke and was active in commercial, religious and sports circles here.

His wife, the former Bella Bellefeuille, survives. Funeral services will be held on Monday in St. Famille parish church.

FORMER LOCAL INSPECTOR OF SCHOOLS DIES

Funeral services were held this morning in the chapel of Sacred Heart Hospice for J. Evariste Genest Labarre, a well-known figure in former years as an inspector in local Roman Catholic schools, whose death occurred at the hospice at the age of eighty-nine. Burial was made at St. Gregoire, Nicolet.

Mr. Labarre was prominently associated with education in this city, having served from 1896 until his retirement in 1929 as a school commissioner, and for many years as an inspector in every school under the jurisdiction of the Board of Roman Catholic School Commissioners.

His death will be mourned by his many friends and former associates here, as well as by the large number of children who remember his cheery manner, and his favorite expression, "Very good, next," which he used when having pupils recite a lesson for him.

The deceased was born at St. Gregoire to Francois Labarre and his wife, Maria-Olive Masse, on November 24, 1857. Surviving are a sister, Rev. Mother St. Stanislas, of Assumption Convent at Nicolet, as well as many nieces and nephews.

Bell Company Plans Early Erection Of New Exchange

Purchase by the Bell Telephone Company of Canada of lots No. 1424, 1423 and the west half of lot 1422 on King Street West immediately west of the Bank of Commerce building was announced today in a release from the company office.

The lots were purchased from E. A. Bernard for an undisclosed price and include the present premises of the Black Diamond Taxi, Farrell's Restaurant, H. L. Blais' grocery store and two or three private houses running from number 168 to 180 King Street West.

Company officials this morning refused to make any further comment but it was learned authoritatively that purchase of the land will be for the erection of a new building to house an exchange and a number of offices.

A. J. Whelan, local manager said that additional information on the company plans would be forthcoming early next week and that he was awaiting the arrival of a company engineer and architect before releasing anything definite. Blueprints and architectural plans have already been drawn up and contracts will be let soon.

It has been known for some time now that the Bell Telephone Company have been seeking a new site for an exchange and company engineers have been in Sherbrooke recently looking over prospective sites. First news of the choice of the site, however, came this morning and it is expected a full release from headquarters will be made within the next few days.

Lack of accommodation in the present building on Strathcona Square brought on by the continual expansion of the telephone service and growth of the City of Sherbrooke has undoubtedly necessitated construction of a new and larger building for the exchange. The present three-story building and steel structure situated at the rear of the Court House apparently will not allow any expansion and a new site had to be chosen.

GREATER NEED THAN EVER FOR WAR SERVICES

"There is little doubt but that our services are as greatly needed today as they have ever been," stated W. J. G. Macdiarmid, senior officer, Canadian Y.M.C.A. overseas, in a report received at the National Council Y.M.C.A. Headquarters in Canada.

Mr. Macdiarmid reports that the statistics for the past month show a great reduction in numbers of men being served—4,463 events of all sorts were held, with a participation of 276,518 men.

He writes: "As all but one Canadian Leavers Club in London have been closed, it would be anticipated that very few Canadians were still coming to London on leave. However, it is interesting to note that during the month of April 4,001 Canadians were provided with accommodation at British Y.M.C.A. Leave Clubs in the London area. This is an average of 133 each night. The best occupancy figures at our two continuing clubs in York and Harrogate remain at a fair level. Both are overcrowded over week-ends, and the Harrogate Club reports a 40 per cent occupancy during the week, and the York Club a 30 per cent occupancy."

To date this year the Canadian Y.M.C.A. overseas has held 21,809 sessions of entertainment and recreation with total participation of 2,497,044 uniformed men.

Since January, 1940, the Canadian Y.M.C.A. War Services has held 1,618,120 sessions with a total participation of 123,579,824.

Nineteen Judges Appointed To Act At Sherbrooke Exhibition

Officials of the Eastern Townships' Agricultural Association today announced the judges who have been asked to act at Canada's Great Eastern Exhibition, which will open on August 24 for a full week.

Plans for this first annual exhibition are going apace and the directors of the E.T.A.A. are confident that this year's event will top all other performances, both from the viewpoint of the attractions and exhibits to be presented and from the number of visitors who will pass through the turnstiles.

Many improvements have been made to the grounds to date, including paving of the main and side entrances up to the grand stand and the circle in front of the arena. The arena building's interior has been renovated and additional sleeping quarters have been provided the breeders.

The judges appointed by the Fair Board include:

Light horses, Ray Demers, Lennoxville.

Heavy horses, Donald Black, M.P., Aubrey, Que.

Dairy cattle, Ayreshires, Douglas Ness, Howick; Holsteins, C. C. Haviland, Wilsonville, Ont.; Jerseys, Gordon Poole, Ste. Anne de Bellevue; Canadians, Adrien Morin, Cap Rouge.

Beef cattle, Shorthorns, J. Baker, Hampton, Ont.; Herefords and Aberdeen Angus, Robert McKivren, Lennoxville.

Sheep, J. Telford, Department of Agriculture, Ottawa.

Swine, X. N. Rodrigue, Quebec; Poultry, L. Crevier, St. Martine; Dairy products, A. V. Chevalier, Ste. Anne de la Parade.

Maple products, J. R. Mathot, Department of Agriculture, Quebec.

Honey, field crops and vegetables, W. S. Richardson, Lennoxville.

Fruits, R. J. M. Reid, Hemmingford, Que.

Flowers, Charles W. Slack, Waterloo.

Cooking, Miss Walker, MacDonnell College.

Fancy work, Miss Liliane LaBelle, Roxton Pond.

Arts, Paul Gagne, Sherbrooke.

NEW FIRM IS OPENED HERE BY VETERANS

Two Sherbrooke Air Force veterans have opened a new company here known as Provincial Distributors Registered, with offices and warehouse at 25a Belvidere St. South. The firm which was opened here this week by Frank E. Jones and J. Lindsay Reid will sell building maintenance materials in Sherbrooke and throughout the Eastern Townships.

Manufacturers that the firm represents in the Eastern Townships have a country-wide reputation for quality at a price which will considerably reduce the overhead of building maintenance.

One of the feature products is a new formula wax which cleans and polishes floors at the same time, doing away with washing. Other janitors' supplies available from the company are soaps, cleaners, polishing machines, brushes, mops, brooms and sweeping compounds.

Mechanical building maintenance equipment on sale at Distributors' offices is from the Frank P. Lalonde Company in Montreal.

All stock is carried in the local warehouse for quick and efficient service. Office telephone number is 2818-W.

FARMERS MAKE FINE PROFITS ON WOODLANDS

Quebec farmers get 19 million dollars a year from cash sales derived from their own small woodlands attached to the homesteads. Their woods being twice as much each as their cropland, according to a statement of the Canadian Forestry Association, based upon Bureau of Statistics figures.

Farm woodlands in the great potato-growing province of New Brunswick produce a farm income of \$5,300,000 as against potato revenue of \$9,400,000. Nova Scotia farmers take almost three millions from their forest products, which is in excess of either hogs or potatoes.

"If even a tenth as much cultivation was given to farm woodlots as to potato fields and livestock," says the Forestry Association, "the cash returns could be multiplied many times. Throughout Canada, 400,000 farmers own their own sections of farm forest, but the great majority operate them at low efficiency, chiefly because of lack of know-how and a little expert encouragement."

Recital By Music Pupils Given In Church Hall At Ayer's Cliff

Ayer's Cliff, July 20.—The recital of Miss Marjorie Woodard's music pupils was held in the United Church Hall and was well attended by interested friends and parents, who look forward each year to these recitals to note the improvement of these young people.

The program opened with a motion song, "The Little Shoemaker," by Jessie L. Gagner, by the junior boys and girls. "The Stepping Stone" was played as a piano solo by Ernestine Whipple. The junior class sang a nursery song, "The Sleepy Fishes." A piano solo, "Jolly Little Breeze," by Williams and Turner, was nicely played by Jackie McVeay, and Miss Woodard at this point made a few remarks, saying that the senior girls class had been studying for only two months and that new pupils had just come into the junior class. She expressed her pleasure at the large attendance and support that she and her pupils see given, and then the entertainment continued.

"My Mother's Waltz," was sung by the senior girls class and showed that they had accomplished a good deal in the short time that they had been studying with Miss Woodard. This was much enjoyed. Miss Ernestine Whipple played for her second piano solo, "The Humming Bird."

Miss Evelyn Stubbs, of Beebe, was introduced to the gathering by Miss Woodard and she sang two numbers, "Darny Boy" an Irish air with words by Weatherly and "On Wings of Song," by Mandelstam. She received hearty applause, showing much appreciation for her contribution to the program.

"Dripping" by Williams and Turner was played by Cecil True, and the juniors boys sang, "A Song of Iron," by J. L. Gaynor.

Miss Diane Ellington played for her solo, "Little Fairy Waltz" by Sorensen, and Miss Stubbs, sang for her second group two Scotch songs, "On the Banks of Loch Lomond" and "Coming Through the Rye."

Miss Kathleen Kezar for her piano solo played the "Spinning Song, Op. 14, No. 4," by A. Elmerreich, and again the senior girls pleased their audience by singing "Afton Water" by Burns and Hume, and the junior girls not to be "outdone" followed with a pantomime song, "Tulips," by J. L. Gaynor.

Murray Baldwin, a senior, who has for some years showed much talent played "Taranstie," by Heller, and he responded to hearty applause with an encore.

Miss Stubbs appeared for the third time, singing, "The Holy City" by Stephen Adams, and "A Perfect Day," by Carrie Jacobs Bond.

Miss Woodard closed the very

A LODGE MEMBER HONORED

Mr. Fred M. Wyman, who has just served as Grand Patriarch of the Grand Lodge of Quebec, for the I.O.O.F., and this year received the appointment of Grand Representative, was honored at the meeting of the Encampment Branch the other night when Kind Edward Lodge of Coaticook presented him with a very fine creche board in appreciation for his faithful work during the past year.

The presentation was made by Brother Hansford, who voiced the wishes of commendation for all the brothers.

Mr. Wyman was taken by surprise but expressed his sincere appreciation for the gift and for the kind words of appreciation they had given him.

HARMONY BAND GIVES CONCERT IN NORTH WARD

coming up in the "ekip" elevator. Shifts, consisting of 15 men each were immediately put to work to remove the clay.

Mr. McGowan said: "From present indications and having been down to the fourth level and to the clay itself, there does not seem to be any possible hope of their being alive. We have done everything possible to cope with the situation.

Cause of the slide was not immediately known but it was believed that a concrete pillar caved in and that a concrete bulk-head went with it, causing clay and mud from "Gory Hole" previously joined to main mine operations by means of drifts, to pour into the mine.

C.W.L. GARDEN PARTY HELD AT AYER'S CLIFF

Ayer's Cliff, July 20.—The first event sponsored by the Catholic Women's League was a decided success in every way and was a lawn party at the attractive home of Mr. and Mrs. Emile Rousseau, on Thursday afternoon.

MISCELLANEOUS SHOWER

One evening, Mrs. J. M. Martin and Mrs. L. H. Martin were hostesses at the home of the former, when they entertained at a miscellaneous shower in honor of Miss Kathleen Rollins, a bride of the week.

The house was tastefully and attractively decorated with a profusion of pink roses, bridal wreath, baby's breath, lupins, and other flowers.

After upwards of thirty-five guests had assembled, Mrs. Martin sent word to the bride-elect that she was wanted on the telephone, and upon her arrival, she was escorted into the room to the strains of the "Wedding March."

Mrs. W. S. Keeler sang, "For I Love You Truly," and Mrs. Keeler and Mrs. L. H. Martin sang as a duet, "Sweetest Story Ever Told," accompanied by Miss Mildred Paul, who also played several of the old songs.

The guests were then asked to write down one sentence of advice to the bride-to-be and this caused much amusement, when they were read by Miss Rollins.

erved, when the bride's cake, decorated in pink and white and silver, was placed on the table which was covered with a lace cloth and centred with pink roses and baby's breath in a crystal bowl and flanked by lighted white and silver tapers. The hostesses were assisted by Mrs. D. Sloggett and Miss B. Wheeler.

OPENING AT RIPPLECOVE INN

Mr. and Mrs. M. E. Bradley, of Montreal; Mr. and Mrs. Bruno Almondi, of Bristol, Conn.; Mr. and Mrs. H. Munroe, of Theford Mines; Mr. A. J. Lemieux and family, of Granby; Mr. and Mrs. M. C. J. McKee, of Richmond; Mr. and Mrs. R. C. Blakey and family, of the Town of Mount Royal; Miss Dorothy Meade, of Coaticook; Mr. Charles A. Case, of St. Petersburg, Fla.; and Mr. and Mrs. H. B. Van Every, of Montreal, were among the guests who registered at the Ripplecove Inn for the "Opening," and remained for the first week.

Messrs. R. J. and A. C. Stafford have spared nothing to make this Inn, at Ripple Cove, one of the nicest places on Lake Massawippi and have already made a name for themselves.

This is the ideal place and the townpeople are very happy that they have a hotel in town that they are very proud of and also one at the lake front.

Army Chaplain Addresses Service In Lower Ireland Christ Church

Lower Ireland, July 20.—A service of widespread interest to civilian and military personnel took place in Christ Church, Lower Ireland, on July 7, with the rector of the parish, Rev. A. V. McLaren, in charge. The congregation numbered upwards of two hundred and a profusion of greenery and cut flowers adorned the altar.

Major, the Rev. James Barnett, a former priest of the parish, was the guest speaker. Rev. Mr. Barnett served in the capacity of army chaplain during the late war, and was a prisoner at Hong Kong for a period of four years. Parishioners and former acquaintances were glad and grateful to be privileged to renew broken ties.

Special hymns in direct keeping with this occasion were rendered by an augmented choir, with Mrs. Leslie Henderson, at the organ.

Rev. Mr. Barnett chose his text for this outstanding event, from Acts IV: 10-11. During his discourse he cited many occasions in his wartime career, when the fact of a firm belief in Christianity had played a vital part in the lives of himself and his men.

At the conclusion of this impressive service, all present repaired to the parish hall, where delectable refreshments were served by members of the congregation.

Flags, streamers, pennants, and cut flowers adorned the hall, and its grounds. Many visitors were present from the surrounding districts.

The rector acted as master of ceremonies and a short address of welcome to the returned men was delivered by Miss Annie Johnson, on behalf of the president and members of local Red Cross Group, after which "O Canada" was sung, with Mrs. Thomas Johnson, of Thetford, as pianist.

Mrs. McLaren then presented a service pin from the Canadian Red Cross Society, to Mrs. George T. Little, the oldest member of the local group. A suitable poem accompanied the gift. This service pin was conferred upon Mrs. Little for her loyal and outstanding work in connection with the local Red Cross Society for a continuous period of almost six years.

Major Barnett presented initialled fountain pens to each man of the community, who had served overseas. It was a matter of regret that all the men were not able to be present at this service, to receive their gifts in person.

A hearty response of thanks was tendered to the Red Cross Group by Goff Henderson, on behalf of himself and his comrades.

A token of appreciation and remembrance, from the local Red Cross members was given to Major

MAPLE GROVE

At Holy Trinity Church on July 9, Rev. A. V. McLaren, held a celebration of holy communion at 10:30 a.m. Rev. McLaren had the pleasure on behalf of the congregation of welcoming Major Rev. James Barnett, who was a prisoner in Hong Kong. Rev. Mr. Barnett preached a very interesting sermon. He took his text from the Acts of the Apostles III: 6. He spoke of their lives in the prison camps and he also described the work of one of the Japanese interpreters, who was a Christian. The church was decorated with flowers. Special hymns were sung by the choir, with Mrs. A. Nugent at the organ. There was a good attendance.

While Major Rev. Barnett was in town he was a guest at the "Rectory" of Rev. A. V. and Mrs. McLaren. Mrs. Barnett was not able to accompany him as their daughter Anne, was ill. He was accompanied from Quebec by Mrs. J. J. Boyd who was the week-end guest of her parents, Mr. and Mrs. Bennett.

Mr. and Mrs. John Morrison, of Lennoxville, and Mr. J. Bennett, were guests of her brother and sister-in-law, Mr. and Mrs. Jasper Dinning. They were also visiting her brother, Mr. George Dinning, of St. Ferdinand and found him much improved in health.

The Ladies' Guild of Holy Trinity Church, was held in the Parish Hall one afternoon with Mrs. B. A. Bennett and Miss Olive Annesley the hostesses. The meeting opened in the usual manner and afterwards several of the ladies cleaned the church. Refreshments were served by the hostesses, assisted by Mrs. George Stewart.

Mr. and Mrs. Edwin Little, of Millfield; Mr. and Mrs. Enal Robinson and family, of Inverness; and Mr. and Mrs. F. H. McVetty, of Cookshire, spent a day with the former's daughter, Mrs. Herman Bennett, and Mr. Bennett.

Mrs. John Morrison, of Lennoxville, Mrs. Jessie Annesley and Mrs. Otis Bennett and daughter, Elsie, were afternoon and tea guests of the former's brother and sister-in-law, Mr. and Mrs. Bert G. Dinning.

Mr. Beniam Amadon, of Black Lake, spent a day at Mr. Otis Bennett's.

Mr. and Mrs. Alynor Swift and two sons, and his mother and sister, Mrs. Swift and Miss Swift, of New Hampshire, motored here and spent a few days with Mrs. Swift's mother and brother, Mr. R. Nugent and Mr. Walter Nugent. They also called on other relatives and friends.

Mr. and Mrs. Charles Robinson and two children and Mrs. James Robinson, of North Hatley, Mr. and Mrs. Wesley Robinson and son, of "ennoxville, motored here and were overnight guests of Mrs. Charles Robinson's parents, Mr. and Mrs. A. Nugent, en route to the Orange picnic on July 12, held in Lowry Grove. A number from here also attended the picnic.

Mr. and Mrs. John Morrison have returned to their home in Lennoxville, after spending ten days' holidays at Mr. John D. Bennett's home, at Trout Lake.

Mrs. Hubert Bennett and daughter, Beverly, spent a day with Mrs. O. R. Bennett.

Mrs. F. N. Gill and daughter, Miss Jennie Gill, spent an evening with Mrs. H. C. Bennett.

Friends were sorry to learn of the death of Mrs. He. Y. Annesley of Govan, Sask., formerly of this place. The deepest sympathy is extended to the bereaved family.

Mrs. Robert Layercroft and son, Mr. L. Layercroft, of Ste. Agathe, motored here and were guests of her daughters, Mrs. W. Bennett and Mrs. B. A. Bennett, and Messrs. Bennett. They were accompanied back by her grandson, Gerald Bennett, who will spend a few days there.

Mr. Curtis Bennett, of Lower Ireland, spent a day with his brother, Mr. Otis Bennett. He was accompanied home by his son, Jeffrey, who had spent three weeks at his uncle's.

Mr. and Mrs. Merritt Pharo and daughter, Nancy, of Thetford Mines, spent their holidays at "Sun Set" camp, on Trout Lake.

Miss Margaret Stewart was visiting her grandfather, Mr. R. Annesley.

Mrs. O. Hopkins and children, of Cowansville, are spending their holidays at Mr. John D. Bennett's home, at Trout Lake.

Mr. Lawrence Bennett, of Thetford Mines, spent a week-end at his home here.

OBITUARIES

MRS. NEIL MacDONALD, OF ALBERT MINES, FORMERLY OF SCOTSTOWN.
 Scotstown, July 20.—The death occurred of Mrs. Neil Macdonald, who passed away at her home in Albert Mines after a long illness, on June 20.

Following prayers at her late residence, conducted by Rev. N. L. MacLeod, of Lennoxville, the remains were removed to Scotstown, where a service, largely attended by sorrowing relatives and friends, was held in St. Paul's Presbyterian Church.

Rev. J. W. Smith, pastor of the church, spoke words of comfort and hope to the bereaved, and with Miss Iris MacLeod at the organ, the hymns, "The Lord Is My Shepherd" and "Asleep in Jesus," were sung.

Among the beautiful floral tributes covering the casket, evidencing the love and esteem in which the deceased was held, were flowers from Sherbrooke Chapter O.E.S., and from Huntingville W. C.T.U.

Interment took place in River View Cemetery, the bearers being Rfmn. Gordon, MacIver, Messrs. Allen Boy, W. A. Ladd and R. A. Scott, cousins, and Messrs. Earl Smith and George Milford.

Mrs. Neil Macdonald, nee Aurora Boy, a daughter of the late Philibert Boy and his wife, Adele Patis, was born in 1890 at Scotstown.

In 1914 she was united in marriage to Neil Macdonald, also of Scotstown. Later, Mr. and Mrs. Macdonald moved to Chisholm, Minn., where they resided for several years, afterwards returning to Scotstown, and moving to Albert Mines in 1935. Five children were born to them, two daughters and three sons.

Those who survive and mourn her loss are her husband; her daughters, Adele, Mrs. Murdo Macdonald, and Miss Marion Macdonald; her sons, Neil Macdonald,

W.O. Douglas Macdonald and Franklin Macdonald; her son-in-law, Mr. Murdo Macdonald, and her granddaughter, Diane Macdonald.

Mrs. Macdonald was a member of the Order of the Eastern Star. She was of a bright and cheerful disposition, which she retained through the years of illness. Even while suffering, her courage, faith, patience and moral fortitude were a source of comfort to all who knew her. She was ever a kind, loving and devoted wife and mother, and will be sadly missed by her family and her many friends.

Those from out of town who attended the funeral were her family, Mr. Neil Macdonald, Mr. and Mrs. Murdo Macdonald, Miss Marion Macdonald, Mr. Neil Macdonald, Jr., W.O. Douglas Macdonald, Mr. Franklin Macdonald and Mrs. Ada Humphrey, of Albert Mines; Mrs. M. A. Macdonald and Mr. Winston Macdonald, of West Newton, Mass.; Mr. and Mrs. Cecil Humphrey, of Lachine, Mr. and Mrs. W. H. A. Smith and Miss Edna Smith, of Sherbrooke; Mr. and Mrs. Frank Ingham, of Lennoxville, Mr. Elijah Boy, of Manchester, N.H., Mr. Earl Smith and Mr. George Milford, of Albert Mines.

MRS. MOSES WILLIAM McCOURT, OF WINDSOR MILLS.
 Windsor Mills, July 20.—The death of Isabella Margaret Samson, beloved wife of Moses William McCourt, occurred at her home on May 30.

Mrs. McCourt was born on May 20, 1882, a daughter of Margaret Archibald and James Samson, and with the exception of a year in Island Pond, Vt., spent her entire life in Windsor.

The funeral service was held on June 1, in the Lower Windsor United Church, and was conducted by Rev. V. M. Gilbert, assisted by Rev. Charles Huxtable, of Montreal. The Windsor Mills choir sang "Unto the Hills" and "Breathe On Me Breath of God." A solo, "Jesus Lover of My Soul," was sung by Mr. Clifford Force.

The bearers were Messrs. Archie and Gordon Paterson, Fergus and Hugh Farquhar and James and Roy Watson.

DAVIDSON HILL AND BETHEL

Mrs. George Breerton, of Mont-real, is spending a holiday at the home of her mother and brother, Mrs. H. Lancaster and Mr. Maurice Lancaster.

Mr. and Mrs. Hubert Norton and family, of Sutton, were guests of his sister and family, Mrs. J. W. Davidson.

Mr. and Mrs. Roy Davidson were dinner guests of Mrs. Davidson's parents, in Richmond.

Mrs. Alfred Davidson spent a day in South Durham, at the home of Miss Jessie Phillips.

Guests at the home of Mrs. Alfred Davidson and family were Mr. and Mrs. L. P. Knowlton and two daughters, of Knowlton Landing; Master Kenneth Tibbets, of Waterloo; Mr. and Mrs. F. E. Davidson, of Ulverton; and Mr. Albert G. Davidson, of Montreal. Miss Irene Davidson met with a very painful accident, while helping her brother, Roy, to put the knives in the mowing machine. She had the end of one finger on her left hand nearly cut off. She was rushed to Dr. Brown's office in Granby to have it dressed. Then was taken to a hospital in Montreal. The latest news was that the doctors expected to save her finger. She was accompanied there by her brother, Roy, and sister, Mrs. Albert G. Davidson.

Several from here attended an ice cream social in South Durham. Mrs. J. Prox and Mrs. William Robinson were guests at the home of Miss Jessie Phillips, in South Durham.

Several from here attended the sale in South Durham at the home of the late Douglas Mallette.

Messrs. F. E. Davidson and J. K. Coughman, of Ulverton, were helping Mr. Roy Davidson to lay water pipes.

Mr. Kenneth Fee, of South Durham, is helping Mr. Albert Mallette during the haying season.

Would YOU Like to be a Nurse?

Enrolment is now being made for Young

Women who wish to become

GRADUATE NURSES

at the

SHERBROOKE HOSPITAL SCHOOL OF NURSING

QUALIFICATIONS:

Age, between 18 and thirty years: Health must be good; Education: Junior Matriculation as recognized by the Quebec Department of Education. A pleasing personality is necessary. Two classes are conducted annually, April and September. No tuition fees required.

Your Course in Nursing at the Sherbrooke Hospital

The better schools of nursing admit new classes at a stated time, either twice or once a year. The program of a good school of nursing is carefully planned to cover three years of theory and practice. It is divided into preliminary, junior, intermediate and senior terms.

The preliminary period, which should not be less than four months, is devoted largely to classroom instruction with observation and correlation of instruction on the wards under careful supervision. At the conclusion of this period you will be assigned to the wards and given patients to nurse. The program of nursing experience is planned as carefully as the classroom instruction, providing for definite length of time in the various wards and departments of the hospital. You will carry lectures in conjunction with your nursing work throughout the course.

Subjects which are studied include several sciences underlying nursing such as anatomy and physiology, chemistry, bacteriology, dietetics, materia medica, hospital housekeeping, health education, home and community problems. The course includes a study of nursing in all its various phases. A complete list of required subjects may be obtained at time of application. You will expect to receive good teaching on the wards as well as in the classroom, for it is really on the wards in contact with patients that you learn to become a good nurse.

It is a long time since Florence Nightingale shocked the world of her day by becoming a nurse. Since her time, however, woman's role in a specialized world has become increasingly more important. Today nursing is the most honored of women's professions.

Here is a profession that offers boundless opportunities, a profession that will always support you and which provides an excellent training. At no time has the need for nurses been greater or the opportunities more tempting. Besides hospital and health services, nurses have entered the field of transport and industry as hostesses on airlines, steamships or railways. In hotels, department stores and factories, they guard the health of the nation.

The Sherbrooke General Hospital has an excellent School of Nursing. Classes are being recruited now. Write the Superintendent of Nurses for information and application forms. The Sherbrooke Hospital, as far as possible, employs her own graduates and gives every available assistance to the young nurse interested in post-graduate work.

Successful completion of the Sherbrooke Hospital three-year course in nursing allows the graduates to use the degree "R.N."

**You Are Asked to Make Application in Person
or By Letter to the Superintendent of Nurses
On or Before Saturday, August 17**

What the Future Offers You as a Nurse!

Loyal Orange Lodges Of Megantic Commemorate "Battle Of Boyne"

Reedsdale, July 20.—Once again the Orange family in Megantic County, comprising eight Lodges of the L.O.A. and three Lodges of the L.O.B.A., with many visiting members from other sections of the province, celebrated the "Victory of the Boyne" with all its traditional color and enthusiasm, while many friends from sister provinces and States of the Union returned to assist them in making it the largest picnic here since before the war.

In spite of a light drizzle of rain, which came on at intervals, cars, trucks and in fact all kinds of road vehicles began to gather into the field, immediately adjacent to the lovely maple grove owned by the Lowry Bros. in which the picnic proper was held. Shortly after eleven o'clock, with a clearing sky, the Lodges commenced to arrive making a very colorful picture with their banners, members in regalia and their bands conveyed in trucks were preceded into the field by mounted escorts.

The procession was then formed up under the direction of Brothers

Murray Nugent and Ernest Ross and led by their provincial and county Lodge officers marched on to the platform on which later the program took place. After ranks were broken, many greetings were exchanged as friend met friend for the first time in several years due to war conditions, many of these being members, who have been absent on active service since 1930.

Well-filled lunch baskets were then attacked with avidity known only to picnickers and the accents thoroughly enjoyed.

At two o'clock the meeting was called to order by the W.C.M. Brother C. W. McVeety. The first item on the program was the singing by all, led by a volunteer choir, of that fine old hymn, "Oh God Our Help In Ages Past." It will be recalled that this was the battle hymn of the Orangemen of Ulster in those dark days before World War I. A welcome was then extended to all on behalf of the County Lodge.

The program was as follows: Selection from the band of L.O.L. No. 297; speech by R. W. Broderick, E. S. Heasterington, D.P.G.S., and W.C.M. of Sherbrooke County; selection from the band of L.O.L. No. 558; speech by R. W. Sister McHarg, Past Grand Mistress of Quebec Lodges; selection from the band of L.O.L. No. 559; speech from Rev. Mr. Wheeler, of Inverness; selection from the band of L.O.L. No. 659; selection on the bagpipes by Mr. Kenneth Majury, of Sherbrooke; speech by the Rev. Mr. Butler, of Kinmare's Mills; selection from the band of L.O.L. No. 609; speech by the Rev. Brother Graham Reeve, of Sawyerville; selection from the band of L.O.L. No. 1010; selection from the band of L.O.L. No. 3016.

The speeches from the above named gentlemen dealing with the live problems and challenges of the present day were much enjoyed by a very attentive audience, while every band was called by insistent encores for a repeat number as the music of a good fife and drum band is much easier to remember than to forget. And as a large number in the audience had Scotch blood in their veins the skill of the pipes was decidedly welcome.

The thanks of the County Lodge were then tendered to all, who had made the program the success it was. The County Master also expressed the appreciation of the County Lodge for the splendid order, which had prevailed at all times, there not being one single incident of a disagreeable nature to mar the pleasure or success of the day.

It must be mentioned here that early in the program, a fine old gentleman, Brother A. Petry, of Sherbrooke, was brought forward and introduced. Brother Petry, a veteran Orangeman, has been in connection with the Order for seventy-seven years. He spoke briefly of his great interest in the Society and the value and he advised all, who were eligible to join to do so. The very best wishes of his many Megantic friends are his.

The singing of the National Anthem, "God Save The King," accompanied by Mr. Bobbie Hill, of Lancaster, N.H., on his bugle, brought an official end to the picnic.

Once again the Lodges formed up and marched out to their trucks, where, all too soon, long

lines of cars began to leave the grounds.

Dancing was enjoyed in several halls during the evening but several of the Lodge rooms were not opened owing to the fact these Lodges were in mourning for members recently deceased.

Advance On Ballyhoo For Next Heavyweight Bout Is Released

By HARRY GRAYSON NEA Sports Editor

New York, July 20.—(NEA).—Tami Mauriello may not be too well qualified to fight Joe Louis, but they never fail to build them up. The Mauriello steam will be applied like this:

New York, July 22.—Mke Jacobs today announced that Tami Mauriello had accepted terms for a heavyweight championship match with Joe Louis at Yankee Stadium Sept. 18.

Sept. 18. Jacobs refused to reveal the details of the contract, but declared that the Bronx battler with the thunder and lightning in his fists was receiving a fair shake in the way of percentage.

"He's worth it," asserted Uncle Mike. "He's the only heavyweight in the ring today with a chance to dethrone Louis."

"It'll be a great fight. Those two guys have got guts. And the top price won't be \$100. It's about time the public got a break."

Bronx, N.Y., July 24.—Tami Mauriello foretook his bar and grill to go into light training for his match with Joe Louis.

"You can't burn the candle at both ends," he remarked.

Camp Goofus, N.J., July 26.—Tami Mauriello and his board of strategy inspected Joe Glotz's place here today and selected it as the challenger's training camp.

"Camp Goofus has everything a good fighter needs," said manager Lefty Remini, "including a large kitchen."

Washington, July 29.—A nationwide poll of fans shows this consensus regarding the price of admission to the Joe Louis-Tami Mauriello fight: "What with no O.R.A., the top for ringside seats should not exceed a sawsky (\$10) and a set of dishes and pair of binoculars should go with each ringside pew."

Camp Goofus, N.J., Aug. 1.—Tami Mauriello's board of advisors announced today that, during his

Locals Must Take Maples Here To Remain In Playoff Picture

If Sherbrooke Canadians are going to make a serious challenge for fourth position in the Border Baseball League, they had better go to work on Ogdensburg Maples, present occupants of the last playoff berth.

"Dutch" Prochel's laddies come home from foreign fray tomorrow night to receive Bob Dill's Ogdensburg aggregation in a single game, and, according to the local front office will oppose belligerent Bob's boys in a twin feature on Monday night.

This is definitely the time for

Sherbrooke to put together another home winning streak similar to the one which saw them take two from Kingston, three from Auburn and one from Granby in a highly successful week.

Should the Canadians take three from Ogdensburg, they should move on past the Kingston team, who have the misfortune to be pitted against the league leading Cayugas at Auburn for three days, and draw up on practically even terms with Dill detachment.

Watertown will come here for single games Wednesday, Thursday and Friday, with Ogdensburg moving on to Granby to oppose the Red Sox. It might be that these games will be played at Ogdensburg, however, should Omer Cabana turn his outfit over to the Border League for operation.

Addition of Henry "Guidoo" Roy to the list of umpires gives Sherbrooke two men on the league staff, the other being Leo Pournier. Roy will don the umpire's blues here tomorrow night in the Ogdensburg series.

Gendreau, of Sherbrooke, the chestnut stallion's height is 15 2/4 hands. Dr. Gendreau, a veterinarian, bought the horse in Ohio earlier in the summer to improve the breeding of saddle horses in the Eastern Townships. A consistent winner in show rings in the United States, My King Of All will probably be seen here for the first time on Sunday, August 4, when Fairplay is sponsoring a field day.

Heavyweights Must Train More Seriously, Ex-Pugilist States

By AL VERMEER NEA Staff Correspondent

San Francisco, July 20.—(NEA)—A slow elevator toils its way to the fourth floor of a small San Francisco hotel and there, in a tiny room, sits 73-year-old Tom Sharkey, one of the few survivors of that great heavyweight era of the turn of the century.

With a sweep of his arm he invites you to scan hundreds of old time fight pictures which cover the walls, recalling his battles with Jeffries, Fitzsimmons, Choyinski, Corbett and other famous fighting men.

"I guess those pictures are not worth \$3 to anyone else, but wouldn't sell them for \$10,000 remarks the old tar.

Sailor Tom Sharkey is still as hard as steel plate, with the chest of an ox. His head is large and grizzled, the ears curled, but he reads without glasses and still does a man's work, walking 14 miles per day and doing a fulltime job as night watchman.

"The trouble with me is I was born fifty years too soon," grins the man who licked champions but never became champion himself. "Do you know that Billy Conn got more money for doing nothing than getting knocked out by Joe Louis than I did in all my 127 fights?"

Like most veterans, Sharkey does not think highly of modern heavyweights. With so much money to be made, he cannot understand why young fighters do not train more diligently. He points to Tami Mauriello being paired with Louis at Yankee Stadium, September 18.

"They tell me Mauriello, while the blubbery type, showed up for a fight or two at Madison Square Garden sadly out of condition," says Sharkey. "Things are in sorry shape when Mike Jacobs has to turn to that kind of a challenger to keep the heavyweight champion busy."

In Sharkey's time, from 1893 through 1904, no promoter had to dig into the dears to make a heavyweight championship match. There was always a good champion and several contenders with a chance to knock him off.

"These modern fellows train in night clubs and on radio programs," explains the Irish-born Thomas J. Sharkey. "I ran ten miles before breakfast, eat down to a mess of sherry and eggs, boxed six rounds every day and then

"LEFTY" ADAIR STILL GOING DESPITE AGE

Toronto, July 20.—(AP)—From down western Ontario way comes word of a gent who deserves a lot of credit for hopping up the Guelph minor league baseball team. Name of Nelson (Lefty) Adair. Lefty has stepped in as reliever hauler from time to time and while a little wild and without much speed has made his experience count. Experience is one thing he has plenty of. He's been bitten by the baseball bug for more years than he likes to remember.

Jack (London Free Press) Park recounts the following incident. "We ran into Lefty before a game and he thanked us for a reference we made to the fact he pitched a game. As we had not been particularly complimentary at that time we did not figure thanks were in order but Nels explained: "You said I was over 40 in your write-up. Actually I am 51!"

If you mention the word "saddy" to a tournament golfer you're apt to be answered with a bitter laugh. The trouble is it's merely that there are few caddies in the country worth the name. Since the war the crop of caddies has deteriorated into class of poor green-bag chivalries.

Many of them don't even know the common courtesies of the golf course. That's what the golfers say.

The Scarborough Golf Club decided to remedy the situation. One Alan Renick is conducting a school for caddies and hopes to be able at last to teach them to hand a golfer his club correctly, to refrain from whistling and to know where to stand.

Joe (Toronto Star) Perlove tells of a rather painful display of ignorance during the recent Canada Open at the Beaconsfield club. "Vic Ghezzi was lining up put. He was examining the flag of the hole with a microscope, probing it for depth, solidity, specific density and a tendency to start a weed suddenly, when his caddy walked across the road and implanted a heel, dab-smack on the line of flight."

Connie Smythe seems of the opinion that N. H. L. hockey is becoming effeminate. Andy (Toronto Star) Lytle quotes the Leaf coach as saying "the Leafs have won and taken part in their last sissy championship."

Smythe's shudders when he recalls the Leafs finished a recent season the least penalized of any N.H.L. club. He says such a thing never happened to them before and he never happens again. He insists next season will see more action reminiscent of the old days when hockey players were men and elbows and hips were used for more than clothes-hangers.

Gaye Stewart, Fort William product who spends his winters snipping goals in a Toronto Maple Leafs outfit, underwent an appendectomy in Toronto last week.

The operation was a success but doubtless Coach Happy Day shivered a bit when he thought back a few years to when Calgary's Sweeney Schirmer had one about the same time of year. . . . Sweeney went through the following season at only a so-so clip.

Ivan (Hamilton Spectator) Miller reports that Hamilton Cardinals of the Pony Baseball League—Pennsylvania, Ontario and New York for those not familiar—are trying something a bit different in the way of drawing fans to Scott Park there.

The Cards' management will lash out with copies of the St. Louis Sporting News—the ardent ball fan's Bible—to the first 200 men to pass through the turnstiles. In addition there'll be draws from seat stubs number for 10 pairs of nylon stockings. If the lucky recipients are men they shouldn't have any trouble explaining to the "Mrs." what kept them so late at the ball game!

89 Players Competing For Titles As Play Commences On Two Courts

Players in search of titles in the city tennis tournament will swing into action today on two courts—Mount Pleasant and East Sherbrooke—and matches will be played throughout the week-end.

Draw for the week-end games was made last night at the Mount Pleasant Club by officials of the Sherbrooke Tennis Association, who anticipate keen competition in all divisions.

Champions will be declared in men's and ladies' singles, men's and ladies' doubles, and mixed doubles. For several weeks activity has been the keynote of the major tennis courts of the city and an excellent brand of tennis is expected.

First matches today are scheduled for two o'clock, and there will be games throughout the afternoon and evening, while Sunday's schedule calls for matches throughout the day on the two courts. . . . Following are the week-end games:

Saturday 2:00: Russ Marois vs. Gastor Gagnon, Mount Pleasant; Normand Gagnon vs. Normand Brault, East Sherbrooke.

3:30: Dr. Johnny Hibbard vs. Andre Renaud, Mount Pleasant; Paul Blodiéau vs. Rene Joyal, East Sherbrooke.

5:00: Miss F. Joyal vs. Mrs. R. Marois, Mount Pleasant.

Sunday 2:00: Roger Roy and Dr. Johnny Hibbard vs. Normand Brault and Rene Joyal, Mount Pleasant; Yvan Boisvert vs. Gaston Blais, East Sherbrooke.

3:30: P. Blodiéau and P. Boudreau vs. Dr. Page and Gaston Gagnon, East Sherbrooke.

4:00: Marcel Dupuis vs. Gaston Gagnon, Mount Pleasant.

7:30: Jean Levesque vs. Andre Panneton, Mount Pleasant.

Monday 7:00: R. Roy vs. P. Boudreau, Mount Pleasant; Miss G. Royer vs. Miss R. Laporte, Mount Pleasant.

9:30: Miss J. Tanguay and J. Levesque vs. Miss P. Joyal and J. Panneton, East Sherbrooke.

9:30: Miss S. Chevalier vs. Miss F. Dauplaise, Mount Pleasant.

Players will be given fifteen minutes' grace after the time scheduled for the game. Failure to appear within this limit will mean forfeiture of the match.

Until the quarter finals of the tournament are reached, umpiring will be done by various tennis players at the courts. In the later stages, officials will be appointed for the matches.

There are eighty-nine players in all registered for the tournament, the largest field to enter this event for many years. The figure includes twenty-nine entered in men's singles, twelve in ladies' singles, and sixteen teams in the men's doubles. Six ladies' doubles combinations will also compete, as well as thirteen teams in mixed doubles.

Last year's champions were the following: Men's singles: Andre Panneton. Ladies' singles: Marthe Tanguay.

Ladies' doubles: Marthe Tanguay and Raymond Laporte. Mixed doubles: Marthe Tanguay and Rene Joyal.

Men's doubles: Ivan Boisvert and Majella Charest.

Loose Stance Helps Golfers Beat Putting's Exacting Requirements

By Philip Mangrum U.S. Open Champion (As Told to Ned Brown)

Mental strain causes more puts to be missed than any defect in physical mechanics. Most players become tense, tighten up, fail to stroke freely when confronted with the exacting requirements.

Take a completely relaxed stance. Place the feet fairly close together at right angles to the line of travel. Bend the body forward at waist, with knees flexed to overcome tension. Play the ball off the left foot, the left eye looking directly down at it.

Keep the blade close to the ground, at right angles to the cup with the shaft almost upright. I use the same interlocking grip in putting that I use in other shots, but many great putters use different individual grips. It is only important that the grip be firm. The left hand is not turned to the right, but the back of it is toward the cup. The right hand should not be so much underneath the shaft handles as in other shots. The arms may be crooked at the elbows, stroking is done with the hands.

Keep the feet free without making any attempt to "hold" the ground.

Mangrum's putting stance. Both thumbs should be on top of the shaft.

NEXT: The putting arc.
