

Westmount Alters Traffic Rulings

City Council Authorizes Paving Work

Westmount city council has authorized the following capital works:

Repaying of Wood Avenue between St. Catherine Street and Sherbrooke Street, including the replacing of the sidewalks between St. Catherine Street and Western Avenue, the replacing of the curb on the east side between Western Avenue and Sherbrooke Street, and the replacing of portions of the sidewalk on the west side between Western Avenue and Sherbrooke Street.

Repaying of Belvedere Road between Sunnyside Avenue and Summit Road, including replacing of portions of the sidewalk.

Resurfacing of Severn Avenue.

The Council also accepted the tender of the Sicily Asphaltum Paving Company Limited, for the paving of Summit Circle between Oakland Avenue and Summit Road; Cote St. Antoine Road from Metcalfe Avenue to Arlington Avenue and from Lansdowne Avenue to west City Limits; Wood Avenue from St. Catherine to Sherbrooke Streets; and Belvedere Road from Sunnyside Avenue to Summit Road.

Final Tribute Paid Hon. G. Lemieux

Final tribute was paid Monday to the Hon. Dr. Gustave Lemieux, 10 Rosemount Ave., Liberal member of the Quebec Legislative Council since 1932. He died at his residence on Thursday of last week. He was 91 years old.

His death leaves two members of the Upper House still residing in Westmount, Hon. L. O. Grothe and Hon. Jean Barrette.

Dr. Lemieux retired from active practice shortly after his appointment to the Council. He was both a physician and a dental surgeon.

Born in Montreal he lived in the city during much of his life.

Educated in Nicolet schools and at Bishop's University, Lennoxville, where he received his D.D.S. degree in 1893, and later his L.D.S. and M.D., he was elected to the Legislative Assembly by acclamation in the general election of 1912 representing Gaspé County. He was re-elected in 1916, 1919, 1923, and 1927 in subsequent elections.

Before he retired from the lower house in 1932, Dr. Lemieux was elected Deputy Speaker, for two years, and chairman of the Private Bills Committee for eight years.

When appointed to the Upper House, he became one of its most active members as representative for Montarville.

He is survived by a son, Gustave; a daughter, Marguerite; and a sister, Marie Eugénie, widow of the late Judge Camille Pouliot of Quebec. His wife, the former M. L. Christian, predeceased him three years ago.

WESTMOUNT, FRIDAY, JULY 27, 1956

EIGHT PAGES

Extra Stops, Less Parking Are Directed

Westmount city council has announced several important changes in traffic regulations—authorized at Monday's meeting of the council and which will be put into effect as soon as the necessary signs can be installed.

(a) Stop signs will be erected on the east and west sides of Sunnyside avenue at its intersection with Lexington avenue. This intersection will now be a four-way stop, which should have the effect of reducing speed on Sunnyside avenue where there is a tendency of through traffic to exceed the speed limit.

(b) Limit of two hours for parking on the east side of Roslyn between Westera avenue and Sherbrooke street from 9 a.m. to 7 p.m. This regulation is designed to limit the extended parking of vehicles belonging to commercial interests in the adjacent commercial zone, and thus improve conditions for residents who are now prevented from parking near their domiciles.

(c) Cancellation of winter parking on the east side of Roslyn avenue between Cote

(Continued on page 2)

Arthur E. Lavery, City Judge, Final Rites Held

Final rites were held Tuesday for Arthur Edward Lavery, QC, 20 Thornhill Ave., who died Saturday at St. Mary's Hospital.

Mr. Lavery served as judge in Westmount Municipal Court, having served as an assistant recorder and recorder of the City of Westmount for many years.

Born in Montreal in 1904, Mr. Lavery was educated at Mont St. Louis College and Loyola College. He graduated in law from McGill University in 1923 and practised with his uncle, F. J. Lavery, QC, in the firm of Lavery, Hale and Lavery.

Later, he was a member of the firm of Hackett, Mulvena, Lavery, Drummond, Willis and Hackett.

He made a special study of legal problems arising out of insurance work, and also did a great deal of work with trade associations, particularly the Canadian Pharmaceutical Association, with which he was associated for many years.

An active sportsman, Mr. Lavery was former president of the Mount Royal Tennis Club and the Montreal Badminton and Squash Club of Montreal.

He was a member of the Knights of Columbus and the Rotary Club of Montreal.

He is survived by his wife, the former Betty Brookfield; sons Michael and Patrick; daughter Susan; his mother, Mrs. Edward J. Lavery and an uncle.

Service was from the Church of the Ascension of Our Lord, with burial in Cote des Neiges Cemetery.

THE EXAMINER camera catches members of the Westmount Putting Club sharpening up on their technique. Top, left to right, are N. Dundas, A. M. Starke, C. E. Lamontagne, Mrs. H. Roggenburg and club chairman George Cairns. Below, Mrs. E. Jones, Mrs. H. Smith, Richard Hill and Miss M. Sargent.

MONTREAL SOPRANO, CLAIRE GAGNIER, being fitted for her role of Cherubino, in the opera "Marriage of Figaro" by Mozart, taking place in the St. Denis Theatre. This is one of the major productions for the 20th Anniversary of The Montreal Festivals Society, from August 6th to September 1st.

Answer To Oratory Appeal Said 'Very Encouraging'

Commenting on the appeal made on July 4 by Rev. Fr. André Cordeau, bursar of St. Joseph's Oratory, Rev. Fr. Emile Deguire, c.s.c., Superior of the Shrine, announced recently that replies received from the friends of the shrine and the faithful at large are very encouraging.

Father Deguire stated that the current appeal has brought in to date offerings totalling \$88,500, or about 45% of the \$200,000 objective set to cover the costs of the most urgent work for the completion of the basilica: interior wall finishing; painting of the concrete floor;

general clean-up, etc. The Superior of the Shrine added that the authorities of the Oratory hope that the mail of the next few days will bring them all the funds required to ensure in the near future the permanent opening of the vast Basilica for the cult.

"Should replies still to come be as enthusiastic as those already received continued Father Deguire, "we will certainly reach our objective in the period of time estimated, that is at least in time for the celebration of the 111th anniversary of Brother André's birth, on August 9.

"We wish to take advantage of this occasion to thank publicly all those who, last February, replied to our emergency appeal to prevent the suspension of the work in the Basilica.

"For this reason we did not hesitate to launch a second appeal the result of which should enable us to finish the most essential work and get the Basilica ready for regular use. Friends of the Shrine have replied very generously in the last 15 days.

H. H. Lank Named To Research Board

Herbert H. Lank, 168 Edgehill Rd., president of the Dupont Company of Canada Ltd., has been appointed a new member of the Defence Research Board, along with Dr. William James Archibald, dean of arts and science at Dalhousie University, Halifax, it was announced this week.

The board announced that they replace Dr. H. D. Smith, president of the Nova Scotia Research Foundation, and Col. R. D. Harkness, 59 Forden Ave., president of Northern Electric Co. Ltd., who have completed the normal three years as board members.

Extra Stops . . .

(Continued from page 1)

St. Antoine Road and The Boulevard and prohibiting parking at all times on this part of Roslyn avenue. Parking is now permitted on both sides of the street except during the winter season (December 1 to March 31). Parking on both sides of the street hampers the free flow of traffic. This change in the regulations will bring Roslyn avenue under similar control to that established on Grosvenor and Victoria avenues.

In addition it was decided at the meeting to install signs reading "Steep Hill-20 Miles Per Hour" on Clarke avenue between Montrose avenue and Anwoth Road. This will go into effect shortly. Study has also been given to placing traffic lights on St. Catherine street and Metcalfe avenue as recent traffic counts indicate some control is necessary at this intersection.

The United States produces more than one-half the petroleum of the world and consumes the major portion of its production.

Active Program Continues At 'Y' Summer Fun Club

The youngsters at the Westmount Y.M.C.A. Summer Fun Club have just completed another eventful week of trips, tours, games, songs and many other enjoyable activities which they themselves have planned.

One of the events that they all have been working on is the coming "Penny Carnival" which is to take place on Tuesday evening, July 31, at 7:30. Games, stunts and swimming will be on the agenda. Residents of Westmount, campers, parents, guests and anyone else wishing to attend may do so. The proceeds of this event will go to the World Service work of the Y.M.C.A. throughout needy countries.

During the past two weeks the children have enjoyed trips to the Coca Cola plant, Weston's Bakeries, McDonald College Agricultural Department and Saratoga Beach for an all-day picnic.

Tuesday the long-awaited camp newspaper, the "Whisper" was distributed to all the members of the camp. It contained several articles written by the campers themselves. There was a poem by Kent Harrison, quizzes, jokes, puzzles and an editorial by the director. The "little chiefs" council is now working on a camp magazine.

Friday the Montreal East Y.M.C.A. acted as host to the group as Westmount used the Long Point Ordnance Depot swimming pool and the canteen and baseball field. Both boys and girls had a terrific ball game together and are all looking forward to another such game. The Montreal East counsellors acted as lifeguards and both campers and staff enjoyed a dip.

Low Waller will soon be back

with the camp and he will again assist in the swimming pool and also in the craft room with some new crafts such as basket-making and wood carving. The Lumberman-Voyager program is also one of Lew's favorite events so don't miss them.

Indians, Pirates Cowboys Invade Negro Center

An Urban Camp for school age children featuring daily use of out-of-doors playgrounds, play fields, picnic spots, and regular swimming at the Y.M.C.A. pool, has been highly successful at the Negro Community Centre, a Red Feather Agency, located at 2035 Coursol Street.

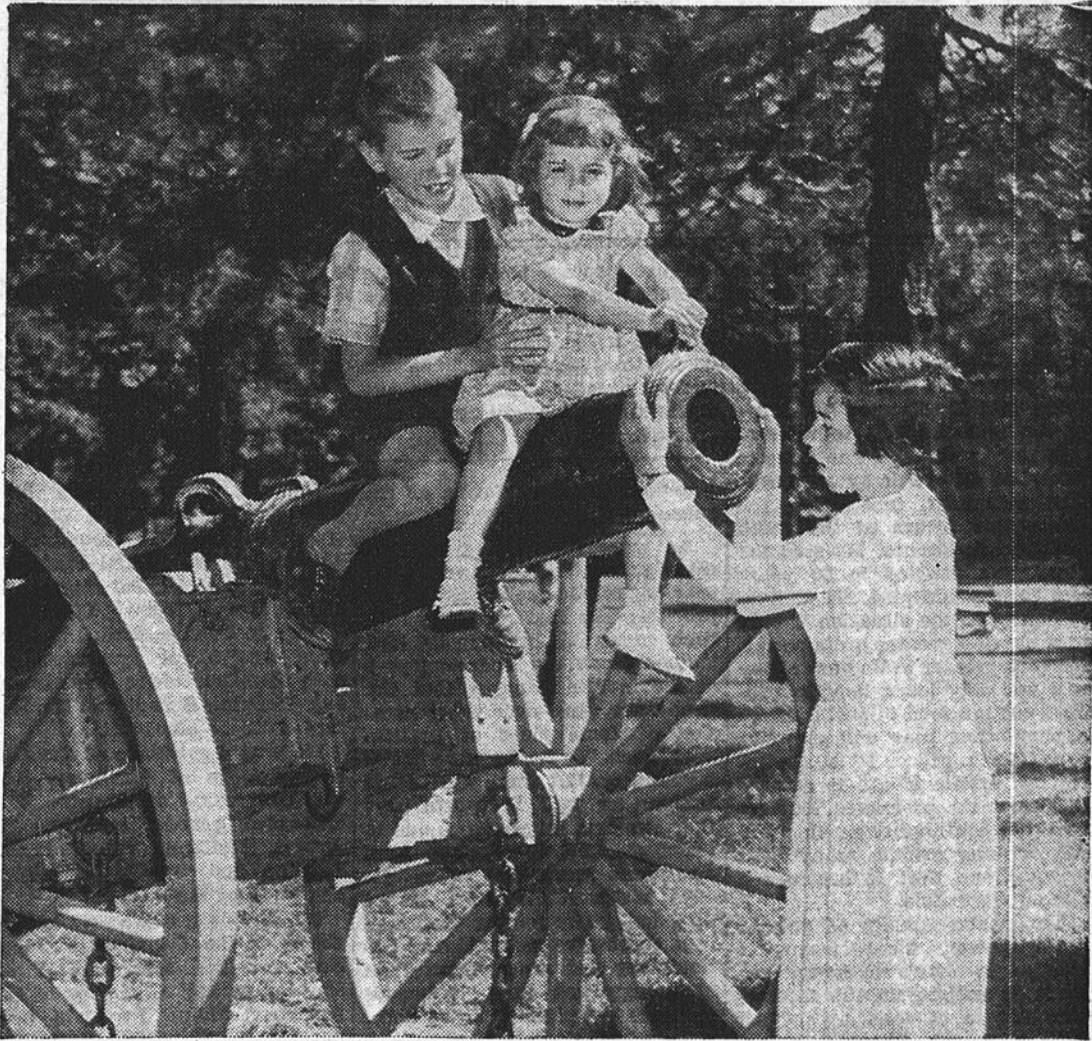

A unique feature of the program, and one which has added greatly to the children's enjoyment, is the special weekly program theme. Commencing on June 25th, the various weeks have been designated Buddy Week, Hobo Week, Pirate Week, Cowboy Week and Indian Week. On July 30th an indoor Round Up is planned as the finale and will be highlighted in a carnival like atmosphere including the presentation of prizes for the best costumes, displays of craft work and original skits, all related to the camp experiences.

Two of the big features of this program according to S. A. Clyke, the Executive Director, has been the Annual Jamboree, sponsored by Steinberg's Limited at Belmont Park, and a trip to an International League Baseball Game sponsored by Mount Royal Lodge of the B'nai B'rith for 100 boys. On the 25th a trip to Granby Zoo, under the auspices of the Youth Service Committee of the Montreal Kiwanis Club, is looked forward to with great expectations.

Commenting on the support given to the program by Service Club Groups such as the Northmount Lions, which subsidized the cost of bus transportation to urban camping spots, Mr. Clyke said, "Much credit is merited by all our supporters for helping to make available healthful and constructive experiences for our future citizens."

STEPPED OFF

Coronado, early Spanish explorer, determined the daily distance of his marches by delegating a foot soldier to count his steps.

KYLES AND CANNON: The children of Mr. and Mrs. G. A. Kyle, 534 Grosvenor Ave., amuse themselves playing at the cannon in

Westmount park. Left to right are Gordon, 10, Susan, 3, and Judy, 12.

'Mr. Chips' Tells Rotary Of Task

The experiences of a young high school teacher with his classroom of members of the "rising generation" were outlined to members of the Rotary Club Wednesday at the weekly luncheon meeting.

In his talk, guest speaker James Hayward, a winner of a Rotary scholarship during his high school days, related a number of anecdotes about his young charges in a humorous vein but also set forth some provocative ideas on the training of modern teenagers.

Mr. Hayward advanced the idea that much of the trouble with young people today resulted from the fact they are spoiled, either by parents or the world in which they live.

He called the period in their lives, when they complete high during which they need help and guidance form parents. He mentioned or leave it a critical one tioned folk schools, which are conducted in Denmark to train teenagers in special skills or trades during this time, and suggested that example might be followed here to good advantage with the government sponsoring the schools.

While discussing the harmful

Air Cadets Gather

Some 258 Royal Air Cadets and 26 officers left C.N.R. Central Station in Montreal recently en route to the first summer camp training period at the R.C.A.F. Station at Clinton, Ont.

The Clinton Station will play host to air cadet groups from all over Quebec and Ontario during an eight-week camp period. The camp program includes lectures, sports, and flying.

effects of an overdose of television in respect to getting homework done, Mr. Hayward, however, posed the question of a "revolution" in modern teaching methods with the emphasis on pictures, as an alternative to the

standard reading and writing techniques.

"If they learn better by the use of pictures", he said, I am in favor of doing away with the learning to read and write manner of education."

UTOPIA I

By Rev. Canon R. K. Naylor
Rector, Trinity Memorial Church

Four centuries ago Sir Thomas More wrote a book under the title "Utopia" — the place that does not exist — the sort of place that men might make it only they were wise enough. He gave the place laws and customs but did not give it location by which to find it. In our own day Lord Samuel wrote a sequel describing the discovery of the island, but his discoverers introduced into it the one thing that Sir Thomas had left out. His sailors brought in the fact of sin and the results were calamitous.

A few weeks ago The Gazette published an article by an American columnist, forecasting the foreseeable future of the earth and its inhabitants. He sees the population doubled in 50 years and then quadrupled. He sees no difficulty in the situation if only men develop greater brain power, for with greater brain power they will not only learn how to produce enough food to sustain such a population, they will also live together in peace. It is a comforting article if one is content to accept the premisses. But actually it contains so much wishful thinking and so many false assumptions that it becomes a dangerous article.

The writer speaks of greater brain power. That means a change in man's make-up and there is nothing in the foreseeable future of man to suggest such a change. Suppose we accept the evolutionary hypothesis and work from there. The anthropologists tell us that man has not changed in 25000 years, that his brain power is the same as when he appeared after the last Ice Age. If he has not changed in that time he is not likely to acquire a greater brain power in the next hundred years. Man has had these thousands of years to learn to live in peace with his neighbour and his wars

become more devastating as the years go by.

As war is our chief problem we might well consider why wars ever began. Our columnist would probably say that all wars have been economic, because he lays his emphasis on food supply. I should incline to agree that the first wars were over the possession of some piece of pasture land when the flocks were growing hungry. But there were other reasons as well. Scripture says that the first murder was due to jealousy. And there have been disastrous wars due to vengeance. National memories can be very long. The fact is that man is a combative animal. And nations are not much more than men magnified many thousands of times but perhaps losing some sense of responsibility when they become magnified.

Wars have been fought for religion and for other ideologies and there is no observable change in human nature that will make such wars impossible in the future. The religious wars which desolated Europe in the middle of the Sixteenth Century and the clash between Moslem and Hindu in India 300 years later do not make us too hopeful.

Sheer ambition is still a cause of war. In 1914 the Kaiser saw a comparatively safe opportunity of becoming in fact as well as name the War Lord of Europe. He had the weapons and his potential enemies were divided and distracted with home politics. And will any one say that greater brain power will never be used for personal ambition?

The greatest danger of all today is the rise of nationalism. It can do strange things. It has restored two almost forgotten languages — Erse and Hebrew — to become the national speech of new States. It is a growing power in the New China and the New India. What could it become if means were found to confer greater brain power on a few leaders.

Mrs. R. J. Murphy Funeral Today

Funeral service will be held this morning at 9 a.m. at St. Thomas Aquinas Church for Mrs. Robert J. Murphy, 198 Selby St., wife of the day composing room superintendent at The Gazette, who died Tuesday in her 61st year at her residence. The former Mary Margaret Ryan, she lived in Montreal all her life. She was born here Jan. 18, 1896, and had been married 11 years. Mrs. Murphy is survived by her husband.

Solomon Gisser Cantor Saturday

Cantor Solomon Gisser, of the Shaare Zion Congregation, will officiate at Sabbath Services in the Beth Israel Synagogue in Trout Lake on Saturday, July 28, at 9:00 a.m.

Nathan Dermer, who is president of the congregation, called upon the Jewish Community of Trout Lake to attend these services as a symbol of their solidarity with the State of Israel in these crucial days.

The guest speaker at the religious service will be Hyman Grover, honorary chairman of the Montreal Israel Bond Committee, who was chairman for the past three years.

In announcing the Sabbath service, Mr. Dermer pointed out that the urgency of the hour is the greatest since 1948, and the present moment calls for a new intensification of all efforts on behalf of the State of Israel.

Funeral Services For W. Harrison Thursday Last

Funeral services were held Thursday, July 19 for William Harrison, one of the founders of Ayerst, McKenna and Harrison Limited, who died Tuesday at his home, 8 Ave. Pointe Claire.

Born in London, Ont., Mr. Harrison was a past president of both the Shawbridge Boys Farm and Training School and the Rotary Club of Montreal.

He was a graduate of the Ontario College of Pharmacy and the University of Toronto. He was also general manager of Ayerst, McKenna and Harrison Limited and was later named chairman of the board.

Mr. Harrison was a former president of the Canadian Foundation for the Advancement of Pharmacy, and a director of the American Home Products Corporation in New York City, the Chartered Trust Company in Toronto, and J. R. Harrison, Dodds and Co. Limited, London, Ont.

He was a governor of the United Theological College, a commodore (Ret'd.) with the Montreal Power Boat Squadron, an da member of the session of Dominion-Douglas United Church. He served as president of the Boys Farm at Shawbridge from 1947 to 1949.

He is survived by his wife, the former Beatrice Friend; a son, John Harrison, of London, Ont.; and a daughter, Mrs. Douglas Humm (Jane), Chapel Hill, N.C.

Westmount Baptist Church

Dr. A. C. Archibald the interim pastor, will speak at both services. His topic at 11 A.M. is — "Are the coming Bryan Green meetings the evangelistic answer for this city"? At 7:30 he will speak on "The Kingdom of God and the individual". On Wednesday evening he begins a new series of mid-weeks topic on "Vital questions for our day". His subject this week will be — "How broadminded should a christian be"? Children attending the morning service are cared for during the sermon period in the Rickerts room. Visitors in our city are cordially welcomed.

Christian Science

The value and importance of right motives in daily living will be emphasized at Christian Science services this Sunday.

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy in the Lesson-Sermon entitled "Love" will include the following (454:17-21): "Love for God and man is the true incentive in both healing and teaching. Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action.

The freedom-giving power of divine Love will also be brought out in the Scriptural readings which include the following (1 John 4:18): "There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Picnic Benefits Rosemere Home

There was an excellent attendance at the annual picnic sponsored by the Orange Social Club at the Orange and Protestant Children's Home at Rosemere, Que. Proceeds of all activities went to the Home.

Ned Burke, President of the Orange Social Club, introduced Rev. Mr. Norman, Minister of Rosemere United Church, who spoke of his association with the children of the Home and gave an interesting history of the Home property.

Royal E. C. Werry, president of the Home, was unable to attend, and R. H. Butler, treasurer, welcomed those attending. Mrs. Winnifred Roberts presented a cheque for \$50 from Montreal Crystal Chapter L.O.A. Miss Gertrude Hoyle, newly elected L.O.B.A. Grand Mistress of Quebec, also spoke briefly.

There were special races for the children of the Home and they also won a number of prizes in other races. The married men were victorious in the tug-of-war. There was also a "bean guess", a drawing with four lucky winners, races and darts, etc.

Plan Before You Paint To Beautify Your Home

Did you realize you can "remodel" your home simply by painting it? Well, you can. Take it from the current issue of The American Home Magazine: Practically any house will look better architecturally just because it has been painted.

Painting isn't very hard work and it very often can be a good substitute for an all-out hammer-and-nail remodelling, but, a word

of caution: Plan before you paint. If your house looks too tall, paint the upper story darker than the first story. To make a house look less chunky, use a dark color on the roof and sides. A smaller house will look bigger if the walls, roof, shutters and trim are painted a light color.

If your house offers none of these problems, you can still highlight its good features by use of contrasting colors or minimize the bad ones by painting them to match the house.

"Use discretion and plan carefully," advises The American Home, "and you'll be surprised at the wonders paint can accomplish as a remodeler of your home."

MISS JANE MARWOOD LITTLE and MR. BASIL BOXER, whose engagement is announced by the former's parents, Mr. and Mrs. Basil Little, of Montreal West. Mr. Boxer's parents are Mr. and Mrs. Robert Boxer, of Westmount. The marriage has been arranged to take place Saturday September 8, at the Church of the Advent, Westmount.

Social, Personal, Engagements

Mr. and Mrs. Laurance B. Fuller returned recently from Aylmer East, Que., where they were visiting Mr. and Mrs. George M. Fuller.

Mrs. James A. Eccles and Mrs. Charles Robinson poured tea at the opening exhibition of paintings by Canadian artists in Cowansville Art Centre at the Bruck Club on Saturday. Dr. Wilder Penfield opened the exhibition.

Mrs. Hamilton Guthrie recently returned on the Empress of Britain following a trip abroad.

Mrs. Allan Bronfman returned on the liner Ivernia following a trip to England where she was with her little granddaughter, Miss Zoe Sheckman.

Vacationing at Jasper Park Lodge in the Canadian Rockies are Mr. and Mrs. W. J. George and their daughter Audrey of Westmount.

Mr. and Mrs. Arthur L. Mellington of Westmount left recently on the Empress of Scotland, accompanied by their children, Frederick and Lynda. They will spend some time on vacation in Europe.

Mrs. David Spencer Hall has been visiting her parents, Mr. and Mrs. J. Milton Brown of Westmount.

St. Adele Art Centre will hold an Art and Book Fair August 24-25-26.

Mr. and Mrs. Munro Brown stayed recently at the Guild of All Arts, Scarborough, Ont.

Sweden has close to 100,000 lakes left by retreating glaciers of the Ice Age.

Miss Doris Clark, Grosvenor Ave., has left on a Western trip to Winnipeg, Vancouver, Banff, and Victoria.

Mrs. Thomas McLean has returned to St. Louis, Mo., after spending a holiday with her mother, Mrs. M. McG. Rowan of Westmount.

Hall In Westmount Being Renovated For Orange Assn.

Many members of Montreal and district Ladies Orange Benevolent Assn. lodges attended sessions of the Grand Lodge of British America, which took place recently in Royal Alexandra Hotel, Winnipeg, Man.

Reports showed that a total of \$100,000 had been spent on welfare work across the Dominion. Support was given to their Children's Homes in each Province, local welfare needs, Red Feather drives, Cancer Society, Red Cross, Blind Institutes, etc.

Many new lodges had been instituted during the past year and help given to Juvenile Orange Lodges. Members were pleased to learn that the Loyal Orange Ass'n had bought and is now renovating a hall in Westmount, Que., part of which is now ready for occupancy.

Election results were as fol-

lows: Mrs. Ruth Day, London, Ont., Grand Mistress; Mrs. Ethel Williams, N.B., Dept. Grand Mistress; Mrs. Anne Newell, Saskatoon, Jr. Dep. Grand Mistress; Miss Anna Grier, Burritts Rapids, Ont., Grand Secretary; Mrs. Staples, N.S., Deputy Grand Secretary; Miss Mary Stewart, Hamilton, Ont., Grand Treasurer; Mrs. Mary Walker, Montreal, Grand Dep. Secy.; Mrs. Ethel Smith, Winnipeg, Director of Ceremonies; Mrs. Winters, of Saskatchewan, and Mrs. Beaton, of B.C., Lecturers.

When completed, the Pan-American highway will be one continuous ribbon of hard-surfaced road, stretching more than 15,000 miles from Alaska to the Straits of Magellan.

Doris Cooper, R. F. Robinson

The marriage of Miss Doris Gwendoline Cooper, daughter of Mrs. C. W. Cooper and the late Mr. Cooper, to Mr. Ronald Frederick Robinson, son of Mrs. F. Robinson and the late Mr. Robinson, took place Saturday July 21 in St. Stephen's Church, Westmount.

The bride was given in marriage by her brother, Mr. C. L. Cooper, and attended by her sister, Mrs. V. Cummins, as matron of honor and Miss Doreen Cummins as brides-maid. Mr. I. Quinn was best man, and Mr. V. Cummins and Mr. L. Robinson were ushers.

Following the reception, Mr. and Mrs. Robinson left to spend their honeymoon in the Laurentians.

Average size of the Canadian family five years ago was 3.7 persons, according to the 1951 Census. Newfoundland had the largest average size at 4.4 persons and British Columbia the smallest at 3.3. Estimates for last year indicate a rise in the national average to 3.8.

MR. AND MRS. JAMES ERIC BELFORD, whose marriage took place recently at Knox Crescent and Kensington Church. Mrs. Belford was formerly Miss Margaret Joan Dickinson and she is the daughter of Mrs. Joan Dickinson, of Westmount, and the late G. H. Dickinson. The bridegroom is the son of Mr. and Mrs. Belford, of Notre Dame de Grace.

Margaret Dickinson, Jas. Belford, Wed: Sail For South America For Three Years

The marriage of Miss Margaret Joan Dickinson, only daughter of Mrs. Joan Dickinson, of Westmount, and the late G. H. Dickinson, and Mr. James Eric Belford, youngest son of Mr. and Mrs. Belford, of Notre Dame de Grace, took place recently at Knox Crescent and Kensington church. The Rev. Clifton J. MacKay officiated and Mr. John C. Ringwood presided at the organ.

Suggested Menu, Outdoor Dining

It's hard to think of eating indoors these precious July evenings... isn't dinner out on the terrace a much happier idea? The Ladies' Home Journal agrees wholeheartedly and features for July this delightful Starlight Feast: chilled, minted pea soup the prelude, lobster-scallops-and-crab risotto the glorious climax, and lime meringues the happy ending.

The pea soup, a savory blend of peas, onion, chicken broth and cream, is made in advance, thoroughly chilled and topped with finely chopped mint.

Lobsters, crabs and scallops are at their liveliest and most luscious this season. Combine them magically in a sea food risotto and serve it with rice, that classic companion of shellfish. The rice, faintly colored with tomato like a coral atoll, is built up around the inner edge of your best casserole, and the fish poured into the center of it.

Add a gay note to salad greens with strips of sweet red pepper and to strike a balance, add delicate slices of raw mushrooms with their mild mysterious charm. Toss with French dressing... and voila!

Give your rolls the Gallic touch with the piquancy of butter flavored with dried tarragon which is toasted right into the bread itself, so that bread, butter and herb fuse into one fascinating whole.

For summer, dessert should be both light and bright, and the Journal's delicate lime meringues fill the bill to perfection.

The bride was given in marriage by Mr. James Thompson. Mr. Kirk Belford was best man and Mr. David Grant and Mr. Jerry Church were the ushers.

The bride wore an ice blue satin gown with white lace insets and carried a white Bible with streamers of white iris and satin. A Juliet cap trimmed with seed pearls and sequins held her shoulder length veil. Miss Louise Yakiem was bridesmaid and wore a blue and white taffeta gown with sheer navy blue duster-type coat. She carried a bouquet of blue iris and pink and white carnations.

The bride's mother, Mrs. Dickinson, wore a cocoa satin gown with lace insets and had a corsage of white and pink carnations. The groom's mother, Mrs. Belford, wore a light blue and white floral gown.

After a short stay in the Laurentians the young couple left for South America where Mr. Belford is under a three-year contract as mining engineer with the Cerro de Pasco Corporation at Maroccocha. Mr. Belford is a graduate in engineering of McGill University.

COFFEE PRICES

Coffee price per pound will stay high, at least to the end of this year, says The Financial Post, despite higher production and back-to-normal inventories. South American producers will follow Colombia's lead and bring in government support-buying programs. But look for "instant" brands to increase their 20% share of Canadian volume sales.

This Woman's Job Is Testing Soil

Suzanne St. Gela's is a city girl, but she's helping grow oats and carrots all over the province of Quebec.

From miles around farmers send samples of their soil to the C-I-L soils laboratory in Montreal and there petite Mrs. St. Gela's takes over. As a soil-tester, her job is to analyze the soil to see how the farmer can improve his crops by the use of fertilizer.

Through chemical tests, she determines the percentage of organic matter in the soil, the content of calcium, magnesium and potash, and whether it is alkaline or acidic.

When all results are compiled, a qualified agronomist sends the farmer a fertilizer "prescription" to correct his soil's deficiencies.

Whether the land is to grow turnips or tulips, this girl with the test tubes is always ready to find out what ails the soil.

NATURAL RUBBER BEST

Before the second World War, says the Book of Knowledge, the

Orient produced about 1,500,000 tons of rubber a year. When this supply was cut off it became necessary to substitute synthetic rubber, but so far no synthetic product has been devised that can be used for as many purposes as natural rubber.

MacRae Take Lead With 2 Victories

A defaulted game Tuesday forced Prudential into a "do-or-die" effort in their scheduled contest last night against MacRae Electric now leaders of the Westend Intermediate Fastball League.

The Electricians took over undisputed possession of the lead by winning a pair of games from Mitchell Houghton during the week, while Prudential were postponed in a four point engagement with Notre Dame des Neiges, and defaulted to Mitchell.

MacRae crushed Mitchell 9-0 last Thursday, but only managed to squeeze out a 3-2 win in the makeup of the season opener, Wednesday.

Cliff Bowles was the winner on both occasions, with Red Davis taking both losses. Last Thursday, MacRae pounded home six runs in the first inning and were never headed, led by extra base blows by Joe Taillon, Lloyd Hughes and Al Olsen.

The Electricians again used the long ball to beat Mitchell Wednesday, after the Trenholme team took a 2-0 lead in single unearned tallies in the first and second frames.

Hughes tied the game up in the third with a towering homer after Olsen singled, and Taillon won it with a four baser in the top of the ninth.

Pat Lomasney picked up the only other hit allowed by Davis, while Jim Chalmers, Jim McWilliams and Tom Willcock managed bingles off Bowles.

MacRae are now four points ahead of Prudential, with two games left to play, and three for the Transport crew. If the Electricians win tonight's game against Prudential, or tie, they are pretty well assured of first place. Even if Prudential wins, chances are they can do no better than tie for the lead.

Mitchell close out the regular schedule with a tilt against Notre Dame. The teams are expected to make up postponed contests by the weekend, so that playoffs will begin next week.

MacRae 002 000 001—3 4 3
Mitchell 110 000 000—2 3 0
Bowles and Selby; Davis and Chalmers.

American B Topples Lakeshore LL 11-4

American B Little Leaguers made their opening start in tournament play a successful one Wednesday, defeating Lakeshore 11-4.

The westend team makes its next start tomorrow, meeting Valleyfield at Little League Stadium, at 4 p.m.

John O'Driscoll got credit for the victory, relieving teammate Pierre Bezeau of the Tyndale House Red Sox in the third inning. George Tombs was on the receiving end to make it an all Red Sox battery.

Don McKay, of the Lions Boys Club Orioles, supplied the punch at bat, knocking in three runs with a first inning homer. Vic Carter, of the White Sox, and Tombs were on base when McKay unleashed his blow.

John Bertrand, also of the Red Sox, was leading hitter with three bingles in four attempts.

The American B team was lucky to come out ahead, as Bezeau and O'Driscoll dealt a total of 14 walks, while striking out eight. But they limited the Lakeshore team to four hits and had their stuff when men were on base.

The regular league play ended last week when White Sox won a protest over a game won by the Orioles earlier in the year, but promptly lost the replay by the same score, 8-7. Don McKay was the winner, fanning 10. It left the Red Sox and White Sox in a tie for first place, with a game to be played between them to decide the second half champions.

League president Alf Sinel said the game would not be played

until after the tournament play ends, as so many players from the two teams concerned are on the tournament squad.
