The ROYAL
STANDARD TYPEWRITER

$85.00

Eighty-five Dollars for a Standard Visible Typewriter looks too good to be true—doesn't it? .. ..
The **ROYAL** is in every respect the equal, and in many respects the superior of any **$125.00** machine on this market. In material, workmanship and mechanical correctness it has no superior. Simple of mechanism—simple of operation, durable and compact. For steady high grade work, at low cost of maintenance, compare it with any machine, no matter what the price.
