

HAVELOCK FAIR SCORES AGAIN IN 1967

Fine Weather, Large Crowd Contribute Greatly To Success Of Havelock Fair This Year

Havelock Fair can be fullscouts had been sent out to the table that went the entire length of the building. Flowers occupied the center stand and it too was filled. On one end a special display of apples and hops were made into a Centennial design. Crab apples spelled out "Canada" while 1867-1967 was done in hops. On the opposite of the building vegetables of all kinds held sway and there were some real fine specimens. Included in the display were large size pumpkins, squash and marrow. This display was really crowded. At the end was a display of fodder.

The former place where the vegetables, etc had been shown, was taken over this year by booths of the various churches and other organizations in addition to the regular booths which lined the side of the new building on the outside. This might be said to be another surprise, for this reporter went in the building that usually housed the flowers and sewing, etc., and found the flower section completely bare. It was at first thought that there were no flowers. Next he went to the table that went the entire length of the building. Flowers occupied the center stand and it too was filled. SOMETHING NEW FOR HAVELOCK FAIR THIS YEAR

The above photographs show an improvement in the display of exhibits at Havelock Fair this year. At the top left is an outside view of the new building that has been erected on the grounds at Havelock Fair in line with the dining hall. In this building the flowers, plants, vegetables, fruit, maple products and fodder were on display. Top right shows the flowers and plant which occupied most of the centre table. The lower photographs show views of the vegetables on display and among them are some very long table of apples of various varieties. This is a great improvement and allows this dept. to show the exhibits to in and out of the building.

SCHOOL ENROLMENT FOR HUNTINGDON ACADEMY 1967-68, 368 PUPILS

A regular meeting of the part of the meetings of the Protestant School Commission of Huntingdon was held in the library of Huntingdon Academy with all members present on Thursday, September 7th. Mrs. Mons Duke was present for the first time in her capacity of Secretary. Treasurer for the Board She was welcomed and introduced.

A number of routine matters came up for attention among which was to approve a bond for \$5,000 for the new secretary and several other similar matters to do with this new take-over.

Bills were read and passed for payment. Several letters were read to do with Education Department matters and with grants.

The Board then went into among the letters was a re-committee on Staff matters.

IT WAS RED AND WHITE DAY AT HAVELOCK FAIR

(By Frank Napier)

Said Gilbert Macmillan, O.B.E. "Dean" of Ayrshire Cattle Breeders' across Canada: "You can truthfully report that this was a really worthwhile show, comprised of animals that are not only of desirable type, but also well fitted and presented. Also that the Judge (Ulysses Bernier of Bedford, Que.) made a very pleasing job of quite an exacting task; particularly because of the uniformity and the quality of the animals shown in every class."

That was, of course, in connection with the annual Red and White Show of the Howick-Huntingdon Ayrshire Club, which was staged at Havelock Fair, Saturday, September 9th, 1967. As a matter of fact, it was "the" Cattle Show of that day, inasmuch as there was only a small Jersey Show and no purebred Holstein Show at all.

On the other hand, it would appear, from what we saw on the far side of the grounds, that the Hemmingford 4-H Calf Club staged a most creditable show.

As already noted the Ayrshire Judge, Ulysses Bernier of Bedford, Que., and a director of Ayrshire Breeders' Association of Canada, made a very pleasing job. The M. C. — Henry Wilson, Secretary of the Howick-Huntingdon Ayrshire Club, is also to be commended for his work in that connection. We understand that Mr. Wilson's list of the awards will appear with Havelock's other prize winning reports. However, a few comments about the highlights of the Ayrshire Show may be of interest.

The exhibitors were Oscar Vaillancourt St. Christosme (11 head); Davies Bros., Huntingdon Acres, Huntingdon (10 head); J. Earle Ness and Sons of Terrace Bank; Howick (9 head); R. W. McFarlane of

Rockford, Howick (9 head); A. Kyle, Hemmingford (4 head); James Scoble, Howick (2 head) — in most instances with the juniors of the families concerned in evidence as the capable, efficient showmen.

Only 4 males were shown, a class of outstanding bull calves with Meredith Lady's Man as the leader, thereby also the Junior and Grand Champion male for Colonial Acres. This bull, recently purchased at the Meredith Dispensal Sale, won similar honours at last week's Huntingdon Class B Fair. The attractive Rockford Comet, also with a wealth of record backing, made an outstanding second place winner, as also reserve champion for Rockford Farm. Another Rockford calf, Rockford Sky Tina, paternal sister of the reserve champion male, won first in the class of 5 heifer calves for Rockford, while Colonial Acres Mod 2, headed the class of 12 senior heifer calves for Colonial Acres.

Six yearling heifers were headed by Terrace Bank Christie 2, which heifer also annexed the Junior Female Championship for Terrace Bank. The reserve Junior Champion was Colonial Acres Mod 2.

The senior female classes were all headed by Terrace Bank entries, including: Two year old heifer class — Terrace Bank Silver Queen; Three year old heifer class — Terrace Bank Candy Floss; Four year old cow class — Sous L'ombre Stella's Edna; Five year old and over, dry cow class — Terrace Bank White Freda; Five year old and over, in milk class — Terrace Bank Lucky Fear.

It therefore was that the foregoing 5 first prize winners, together with a similar number of second prize winners made a spectacular parade in

Opening Exercises Held At Huntingdon Academy On Friday

It was the night for the opening exercises at Huntingdon High School (as we shall term it for this occasion) on Friday evening and there was a capacity attendance.

While the school has reopened for a new school year, it does so as an elementary school and therefore the graduation ceremony has in a sense been eliminated as to the form of past years. There will be a form of graduation at the end of the present year when the pupils of Grade Six are promoted to attend the Regional School, but this will only be a continuation of their education in High School Grades. Under this year's change only those of the High School Grades were affected and merely transferred to the Regional School.

It was thus at this year's Opening Exercises that prizes were awarded to both High School and Elementary students for the last time. Therefore as stated at the beginning we kept the name Huntingdon High School for this occasion only. In future the name will revert back to the original of Huntingdon Academy.

In the opening Rev. Lowenberger gave the prayer and was followed by Dr. K. G. Cameron, Chairman of the Board, who addressed the gathering as follows:

How quickly the years fly by. It seems such a short time since our last opening exercises and here we are again to welcome you to the final exercises of the old Huntingdon High School. It was the unanimous decision of the School Board to revert to the old name of Huntingdon Academy now that this has become an elementary school.

At this point I would like to say a few words to the secondary students who are leaving us, and to the Elementary students who are staying; to carry high the torch of prestige and honour of the Huntingdon Academy, a name that has become revered in the memory of many of these older, and not so old citizens.

ORDER FOR SWIMMING POOL MAY BE PLACED SOON

The President, Mrs. Ann Cameron will issue a call for another meeting which will probably be Thursday, September 21st. From indications it would appear that firm order for a pool will be placed after this meeting.

This would mean that the pool will definitely be in operation next year and the order will have been placed in this the Centennial Year.

At the moment there is a sway between the members for something like the pool at Chesterville is a much smaller town than Huntingdon and it is reported that the pool there was opened for the first time this summer. The officials were surprised at the great extent to which the pool has been used and

Rotary Sell-O-Rama To Be Held Sept. 30

The giant auction sale sponsored by the Rotary Club of Huntingdon will be held Saturday, September 30, at two p.m. H.P. "Jake" Higgins will be the auctioneer and the sale, known as the '67 Rotary Sell-O-Rama, is already assured of success. Rotarians and their friends have been gathering articles all summer and everything from tables and chairs to lawnmowers and garden tools, refrigerators and washing machines have been acquired and are stored at the Romain Menard building on the former Builders' Supply & Feeds property. There will be fun for everyone and bargains galore.

On Saturday, Sept. 23, Rotarian Fred Anderson will conduct club members on a house-to-house visit to everyone in Huntingdon and anyone wishing to donate articles for the sale may hand them over then. Auctioneer Jake Higgins and the Rotarians will sort the goods into several categories.

This giant sale, proceeds of which will be used by the Rotarians to further benevolent work, will be a worthwhile event. Many people have donated articles of considerable value, some modern and

some antique. Included in the latter category is a Chippendale table in excellent condition. A set of mission oak chairs acquired at an auction at Athelstan some weeks ago will also go under the hammer. Sporting goods, garden furniture, books, everything will be sold and we repeat, there will be bargains.

Big Twinning Celebration To Be Held At Ormstown

As part of the Centennial celebrations, the twinning of 27 cities of the province of Quebec and 27 cities of the other 9 provinces of Canada, that is 3 in each province was proposed. The Quebec Municipalities Union was the organizer of this project.

At the beginning of June, Ormstown twinned with MacGregor, Manitoba. A delegation of fifteen citizens of our town were greeted in a most pleasant manner by the people of the town of MacGregor. Last week, Ormstown was the host to 43 students from that twin city accompanied by chaperones. It was a wonderful experience for those who have learned the meaning of the word "friendship".

September 15-16-17-18 will be days of celebration in Ormstown when the citizens of MacGregor will make a return visit in our midst. (Approximately 35 persons).

A special program of activities has been prepared so that the local population may meet our visitors. The Ormstown Centennial Committee has made the following plans:

Sept. 15, in the evening: Greeting of the visitors at "Aux Quatre Vents de l'Amitié".

Sept. 16, 3 p.m. Reception at the Town Hall: 7 p.m. banquet in the dining room at the Fairgrounds; reservations must be made before the 14th

Garden City Problem Still Undecided Is Postponed To Another Meeting

The regular monthly meeting of the Town Council was held on Tuesday, September 5th, at the County Building, Mayor Cappiello presiding and all aldermen were present.

The minutes of the previous meeting were read and approved.

A delegation from Garden City asked the Council what had been decided concerning the construction and eventual operation of a Beauty Salon in their district. They were informed that the Council had asked legal advice on the matter and the letter of the lawyer was read to them. One man in the group also read a letter from a lawyer whose conclusion is not in accord with his fellow-member's. A long discussion followed but the decision will be taken at a special meeting which is scheduled for September 18th.

The monthly bills were then read and approved.

Tenders for the purchase of a truck were opened. After discussion it was resolved to purchase the vehicle from Riverside Motors, Reg'd.

An alderman suggested that traffic could be resumed to two-way on Chateauguay street after store closing hours every Sunday. It was felt that the present situation is quite satisfactory by others, so it will remain one-way until after Expo at least.

Mr. Charles Lalonde asked the Council to use the By-law 206 which sets closing hours for grocery stores. It was decided to take the necessary steps and advise the interested parties.

The meeting was adjourned to September 18th.

Notes From Police Blotter

From the local Provincial Police office we learn that a few accidents occurred in our region over the past weekend.

The first one happened on Montée Ste-Barbe Friday evening at about 8:45. Miss Deborah Elder of Roxboro made a turn toward the left of the road while a car coming from

Largest Co-Op Education Venture Starts Operation Monday In This Area

The province's largest co-operative education venture to date involving Protestant and English Catholic high school pupils has been launched by the Chateauguay Valley Regional School Board and goes into operation on Monday, September 18th.

By the time all classes are in full operation later this month, the Protestant regional board will have 650 Roman Catholics among its 2,800 pupils.

The co-operative program is the result of contracts between the Chateauguay Valley board and several neighboring Catholic regional commissions whose own pupil population is predominantly French. Parents in the area endorsed the plan last year. The pupils will be mixed in

The Billings School is made up of the former Chateauguay High School and a nearby elementary school (now being converted for use as a junior high). An extension to the high school will be completed next fall.

It has an enrollment of 1,700 pupils in Grades 7 through 12. Included are 400 Catholic students, beginning with Grade 8. Because conversion and furnishing of the new junior high section is not completed, Grades 7 and 8 will not begin their school year until September 18th.

That is also the date scheduled for opening the board's new comprehensive secondary School in Ormstown.

Opening Exercises ...

(Continued from page 1) to some \$736 million dollars. Quite a sizeable sum of money, so I suppose he who pays the fiddler must call the tune.

The school census taken this year for boys and girls aged 6-21 years totals: Boys 463; Girls 468, or a total of 931 for both sexes. These are Protestants in the Huntingdon School District.

The total valuation of Protestant taxable property is \$3,037,170, which nets a tax of \$88,403.00. Our share of corporation valuation is \$284,839.00 which nets taxes amounting to \$9,228.00 for a grand total of \$107,632.00 tax revenue. This figure represents a very small portion of the total cost of education when you consider that we have to operate our local school and pay our share of the regional school assessment. Let it be hoped that the Government see their way clear to liquidate the surplus by means of adequate grants.

The levied tax rate for 1965-66 was \$3.42 for \$100 valuation. With the approval of the 1966-67 budget on May 26th, 1967, the tax rate for this year has dropped to \$3.24 for \$100 valuation.

An inventory of all excess moveable equipment and supplies has been made, which equipment shall be transferred to the regional school if it can be used there.

Much time and effort has been expended without success, in attempting to work out a Transportation system to service both elementary and regional schools without the evident duplication of routes in separate service.

With the reduction in the number of students that have to be transported to the Huntingdon Academy, we have revamped our routes so that all elementary students are transported by means of 4 large buses and 1 smaller 18 passenger vehicle. This is independent of the regional system.

This also has meant the lengthening and rerouting of existing routes, which will account for a good many pupils having somewhat longer bus trips. Another necessary inconvenience imposed on some, in an effort to save distance and time, was requesting that some students walk to meet their bus at a pre-arranged point.

I am sorry for any apparent inconvenience that may be caused to any family. No matter which way the buses run, there is bound to be some.

made unhappy by the situation. Every attempt has been made to ensure that any one person will not be on the bus for a greater period than 1 hour under normal running conditions. I beg your indulgence and co-operation and feel certain that everything will run smoothly when regular schedules will be attained.

At the present time we, the Board are in the process of finalizing a collective agreement with the teachers in our employ. Prior to this there was no collective agreement binding the employer to the teachers in its employ that is we had individual contracts so that our teachers were outside the provisions of the controversial Bill 25. However with the signing of the new collective agreement our teachers will be under the provisions of Bill 25 and be subject to sections 15 and 24 of the act.

The implementation of Regulation 1 in our schools will alter the organization and method of instruction. This is where the real reform in our schools and our classrooms will take place. In this respect we are very fortunate in being able to retain the services of our Principal, Mr. Brockman, who will see that the new system gets off on the right foot. Reorganization and painting of classrooms has been carried out this summer.

With the resignation of Mr. Erle Martin as Secretary-Treasurer of the Huntingdon School Board, we are fortunate in being able to employ Mrs. Mons Duke to succeed Mr. Erle. Mrs. Duke is very familiar with the intricacies of the job, having worked with Erle for the past few years. The office of the Secretary-Treasurer will be at the same place so that no need for confusion should arise.

In closing, I would like to say "Good Luck" to all in the adventure into educational reform. I hope for a future rich in achievement.

Principal Brockman made the following remarks which tend to give some idea of the changes which will take place at Huntingdon Academy in this new school year.

ANNOUNCEMENTS
Parent Night — Wednesday, September 20, 8 P.M.
Grade ones dismiss at 11 o'clock until Christmas.

DEPARTMENTAL RESULTS

It is gratifying in the last year of H.H.S. to have once again very good results in the High School Leaving Examinations.

First Class Average — 2 students.

Second Class — A high percentage made a good 2nd class.

I would be remiss if I did not pay special tribute to the Grade X Class, this year's Grade XI. On the June examinations eleven students out of 29, that is 38% of those writing, made a first class average. The class deserves special commendation, for in my memory, this is the highest percentage at First Classes ever achieved by a Grade X Class at H.H.S.

III INNOVATIONS

In 1960 there began a whole series of changes designed to improve education in the province. One of the most potentially far reaching innovations is Regulation ONE, which calls for a programme of continuous progress by 1968-69. At the Academy we are involved in implementing the first stages of Regulation one.

In the past when a pupil failed a major skill subject such as reading or arithmetic, he failed his year. With continuous progress such a youngster would go on to the next grade in September, but would resume work in reading or arithmetic at his own level.

Similarly, in the past, a child who was excellent in arithmetic or reading, was to a certain extent hobbled by the rate of progress of his class. Under continuous progress he should be able to advance to new areas and levels of Arithmetic and reading as he is ready.

In order to put this programme into effect we have reorganized our grades at Huntingdon Academy. There are no longer a 1-A, 1-B, 2-A, 2-B, etc., but Mrs. Lang's Grade 1, Mrs. Pringle's Grade 1, Mrs. Hogg's Grade 2, Miss MacIntosh's Grade 2, etc.

The principal purpose of the reorganization of the school this year.

IV PRIZEWINNERS

To all of you I extend the congratulations of the teaching staff and myself. You have done well and we are proud of you.

To High School Students

We wish you the best of luck at the Regional, and ask you to create for the Regional School the same reputation for scholarship that you have helped to build for H.H.S.

Mr. Jack Blake as Chairman of the Regional School Board was called upon and he gave some facts as to the Regional School when it would be in operation and so on.

Jack Smellie is the top prize winner this year winning the Birk's Medal and the Reeves

Scholarship prize among others that were awarded him.

The prizes were awarded next and it will be noted that a number of the High School Students shared in the top prizes for various degrees of knowledge and merit.

ORMSTOWN HAS A NEW BALL PARK — HOLDS TOURNAMENT

Friday evening, Sept. 1st, was a time of rejoicing for the ball players of Ormstown. They officially opened their ball park. Having a place to play ball has long been the dream of the Ormstown playground officials. Much discussion has gone on for years on the subject. A delegation once went to the council to ask permission to buy a certain piece of land, but each effort was fruitless, until this summer, Mr. L. Dandurand put at the disposal of the Loisirs, a piece of land for their purpose. Lights were installed and a tournament was organized.

Opening night was a gala affair with the band leading the parade through town, followed by the queen of sports in an open car. The players

provided fun, some dressed as clowns, much to the delight of the children. The games were officially opened by Mayor L. Cullen and Mayor J.P. Riendeau. A week-long ball tournament followed with the following results.

Results of the tournament —

SATURDAY —

Ormstown, Guérin 6 St. Hubert 0

St. Antoine Abbé 5, Plattsburg 0

Ormstown, Allen 10 St-Timothée 9

SUNDAY —

St. Chrysostome 2, Beauharnois 3

St. Philomène 9, St. Urbain 0

Restaurant Daniel 8, Valleyfield 0

Taverne Cousineau 6, Northern Electric 3

Ste. Philomène 3, St-Antoine Abbé 0

MONDAY —

Valleyfield 8, Ormstown, Allen 3

Restaurant Daniel 2, Ormstown, Guérin 0

Taverne Cousineau 11, Beauharnois 0

Ste. Philomène 5, Valleyfield "4 As" 4

Taverne Cousineau 1, Restaurant Daniel 0

Taverne Cousineau 3, Ste. Philomène 2

Old timers said this was one of the best run tournaments they had seen, all work was done free of charge, the band and the floats for the parade were gratis as an attempt to get something going for the youth of our town.

All proceeds for all events will be used for sports and the betterment of youth by "Les Loisirs".

THE NEW BREED FOR 1968
1968 CORVETTE

Most dramatic and different conception of the new 1968 Chevrolet line appears in the longer, futuristic aerodynamic design of the Corvette coupe. The car is totally new in style, from redesigned grille, rear deck and taillights to the unique, fully-removable coupe roof panels and rear window for open air driving (lower picture). Corvette coupe features the new Astro Ventilation system of ducted air channels. Corvette features restyled aircraft-type instrumentation, wider front and rear tread, and wide oval 15 in. tires. Power train choices range from 300 to 435 horsepower, with Chevrolet's Turbo Hydra-Matic transmission offered for the first time as the automatic Corvette option. A convertible is also available.

1968 CHEVELLE

Chevelle for 1968 features entirely new, distinctive body styles on two different wheelbases — a highly maneuverable 112 inches for coupes and convertibles, with a longer 116 inches for sedans and station wagons. Thirteen models include a new Chevelle 300 Deluxe Sport Coupe, an SS 396 Sport Coupe (above), a budget-priced 300 Coupe and wagon choices ranging from the elegant Concours to the all-purpose Nomad model. Exceptional ride, comfort and handling ease result from Chevelle's improved Full Coil suspension system and rugged chassis incorporating separate frame design for each wheelbase.

Wedding

COURT - SMITH

The marriage of Marilyn white feathered carnations on Jean, daughter of Mr. and Mrs. R. Smith of Ottawa and Mrs. R. Smith of Ottawa and Mr. Kenneth Cameron Court, son of Mrs. Walton Court and the late Mr. Court of Escuminac, P.Q., took place at Bramley Road Baptist Church, Ottawa, on May 20, 1967.

The Rev. L. Keith Daniel officiated at the double ring ceremony. The wedding music was played by Mr. Don Halley. Mrs. Andrew Kolada, cousin of the bride sang "The Lord's Prayer" at the beginning of the service.

The bride wore an empire-waisted gown of white peau-de-soie, with the bodice, long pointed sleeves and chapel train falling from the shoulders all of Chantilly lace. A tiered shoulder-length veil of tulle illusion was held by a cluster of orange blossoms and petals. Her bouquet was of red and white roses.

The maid-of-honor was Miss Lorna Herbert, the matron-of-honor Mrs. Robert Sargent. The bridesmaids were Miss Geraldine Sutton and Mrs. Kyrke Nussey, sister of the bride. Miss Nancy Fleacher, niece of the groom was the flower girl.

The attendants' gowns were of yellow satepau over taffeta, with scooped necklines. Their short sleeves ending in a ruffle of satepau and the empire waistlines were accented with yellow Guipure lace appliques. Their floor-length satepau trains falling from the necklines were held in place by soft bows. Their head-dress were of yellow tulle illusion, nylon ribbon bows and orange blossoms, and the flower girl wore a circlet of

with Mr. and Mrs. Wm. Smith and visited Expo.

Mr. and Mrs. Kenneth McRae spent last week-end with Mr. and Mrs. Stanley Niles, Plattsburg, N.Y.

Mr. and Mrs. Stewart Rutherford from Spencer, Mass., have been guests of Mr. and Mrs. Pete Peddie and also visited other friends.

Mr. and Mrs. J. M. Crawford of Lachine, were Sunday visitors of Mr. and Mrs. J. Crawford. With them were the great-grand children Stephen and Vicki Smart of Beausfield.

Evening Auxiliary
The Georgetown Evening Auxiliary met on Thursday evening, September 6th., at the home of Mrs. Murray McCarty. There were 16 members and one visitor present.

Mrs. Muriel Ness had the scripture. Mrs. Pete Peddie led in prayer. Miss Mabel Elliot read the minutes of the last meeting because Mrs. Simms was absent. It was decided to remit \$250 towards the allocation. Mrs. Dave Silliman read an article on Canada. Refreshments were served by the hostess and Mrs. Muriel Ness. Mrs. Pete Peddie and Mr. Dave Silliman.

Showers For Brides-To-Be
Miss Muriel Cairncross was pleasantly surprised on Thursday evening, September 7, when she called at a friend's home, to find about 30 neighbours had gathered there for a miscellaneous bridal shower in her honour. Mrs. Armand Brunet and Mrs. Bruce Cairncross were among the guests.

The hostesses were Verna Logan, Margaret Ness, and Shirley Ness at whose home the shower was held. As the bride-elect entered the living-room, which was decorated with autumn flowers, Barbara Logan pinned a corsage of red gladioli on her.

Muriel was happy to see so many of her oldest and dearest friends and thanked them sincerely for the many lovely gifts they had given her. A cordial invitation was extended to all to visit her in her new home.

Delicious open sandwiches, cake and ice cream were served by the hostesses.

Miss Nancy Ness was the recipient of many nice gifts at a miscellaneous bridal shower, given by Mrs. William Smith and her daughter, Carole on Friday night, September 8th. About 25 ladies were present, among whom were school friends of the bride-elect. Dainty refreshments were served by the hostesses.

Nancy was pleased to be with her friends on this happy occasion. She thanked them for their gifts and invited all to visit her at her new home.

FRANKLIN CENTRE
Mr. and Mrs. James Manning visited relatives in North Bangor, N.Y., on Sunday afternoon.

This and That in Town

MANY PEOPLE professed interest in the editorial two weeks ago concerning the part of the St. Lawrence Seaway known as Lake St. Francis. A Valleyfield reader firmly states that modern detergents are the cause of the abnormal growth rate of weeds and asks what has happened to the soap company that claimed last year about this time that it would produce a detergent not harmful to anything. A Port Lewis summer resident whose permanent address is Montreal says The Montreal Star's weekend feature with regard to the fish mangled in the turbines at Cornwall is responsible for most of the pollution. Mrs. J. Renaud Caza of St. Anicet and Messrs. Guy and Austin Lefebvre of Huntingdon have been informed that the St. Anicet Municipal Council is sympathetic with regard to the weed problem but they are powerless to take remedial action even if they knew how to combat it. Our own opinion is that the St. Anicet Council is wise to refrain from wading in where the provincial and federal authorities apparently fear to tread.

THE WEED PROBLEM is serious. People most concerned right now anticipate that before three to five summers have passed, Lake St. Francis will be in as sorry a condition as Lake St. Louis. It isn't only people with summer camps "at the lake" who are worried, it's also a problem for Valleyfield, Beauharnois, Chateaugay, the Montreal Lakeshore towns and cities and even the Big City itself. We hear much about the lack of suitable drinking water for many areas in the United States, what's going to happen here when the St. Lawrence becomes rotten and stinking from Cornwall to Montreal harbour? Will chlorine and other additives and straining make the tap water more palatable? In our editorial we said it wasn't many years ago that summer residents used to putt-putt out to the channel and bring back crystal clear water that many of them didn't even bother to boil. This caused lifted eyebrows in some circles, especially among newcomers and the younger set, but our statement has been corroborated many times over by people who remember the lake as it used to be. We could have added, in fact, that fishermen thought nothing of scooping up a minnow pail of water and drinking it right on the spot. Would anyone try it now? We think not; moreover, we know that in some bays the custom now is to have a shower after a swim. It won't be too long before more people are installing swimming pools along the lakeshore if something isn't done.

WHO IS CONCERNED? almost everyone, whether they ever go near the lake or not. Everyone, that is, except those responsible for the pollution (detergent manufacturers, hydro officials at Cornwall, etc.) and government officials who just might be able to do something. One thing is certain: Mrs. Renaud Caza and some other interested people are not satisfied with the answers they're getting and they intend to carry the problem a great deal further. Good luck, Madame!

A. M. "Mac" BROCKMAN, 67/68 president of Huntingdon Rotary Club, brought his gavel down with a loud bang at Monday's weekly meeting at the Chateau Huntingdon and presided over a considerable amount of business. FIRST, Rotarian R. L. "Dick" Tinker is relinquishing some of the responsibility he has borne for a number of years regarding the Rotary-sponsored Easter Seals Campaign. Dick performed yeoman work, greatly appreciated by his fellow-members and the public as a whole. His guidance and counsel will be invaluable to all members, as they will be doing much of the spadework of the next drive. SECOND: 100 boys will arrive in Montreal from Caracas, Venezuela on Sunday and some eight months ago Huntingdon Rotary Club agreed to provide lodging and breakfast for five of the visitors and also arrange for transportation to Expo. Most members had forgotten in the interim, but Rotarians Jon Proudfoot, Francois Cley, Fred Anderson, Norbert Bourgon and Keith Renwick came to the rescue and the five boys will arrive in Huntingdon Sunday afternoon and be here until the following Sunday. The President, assisted by Rotarian George Thompson and one or two others, will be looking after transportation. (Valleyfield Rotarians, incidentally, are looking after ten of the lads). THIRD: Rotarian Fred Anderson finally released his bombshell: THE ROTARY SELL-O-RAMA (Fred still calls it "auction") WILL BE HELD SATURDAY, SEPTEMBER 30, STARTING AT TWO P.M. AT THE ROMAIN MENARD BUILDING (formerly Builders' Supply & Feeds) near the Henderson St. Bridge. It will be a "big show" friends, so keep this day reserved for bargains. (See elsewhere, s.v.p.)

JOHN SANCTON, publisher of the Westmount Examiner and President of The Monitor Publishing Company Limited (Canada) immediate past president of the Canadian Weekly Newspapers Association, presided at the C.W.N.A. annual convention last week at the Chateau Laurier, Ottawa. Mr. Sancton was accompanied by Mrs. Sancton and sons Andrew, Edward and Donald. Mrs. Gladys Sellar, yours truly and wife Margaret represented The Gleaner. Ormstownians and other friends of the Sancton family in the Chateaugay Valley will be interested to know that members in general considered this year's convention the most rewarding since the CWNA was formed 48 years ago. This, of course, reflects justly on the untiring efforts of John Sancton and his committee. A post-convention Expo visit was highlighted by a dinner Saturday evening at the Queen Elizabeth Hotel at which Premier Daniel Johnson was the speaker. This part of the annual convention officially ended Monday evening when publishers from British Columbia to the Maritimes returned home with plans to attend the 1968 meeting which will be held in Saskatoon.

THE SECOND LAYER of blacktop is now being applied on Route 4 between Monique's Curve and Huntingdon town

limits. Congratulations, at last, Gravel has been placed on both sides of the highway from Trout River Lines east for a few miles, too. Any significance?

THE 68 MODEL CARS are making their appearance and local dealers will have them in their showrooms soon. Biggest change, we're told, will be the price-tag. Ford dealers may be held up a little, but Roch says the last is sometimes best. Any comments?

Aubrey-Riverfield

The September meeting of Riverfield W.M.S. was held on Monday evening in the Church Hall. Mrs. Wm. Stewart was in charge of the programme. Mrs. Donald Black read an interesting paper on China. The Treasurer reported that the annual allocation would soon be met.

Dr. Scobie, Professor of New Testament Studies at the Presbyterian College in McGill proved a most interesting speaker at Riverfield Church on Sunday morning.

Mr. and Mrs. George Kees who accompanied their son-in-law and daughter, Mr. and Mrs. Wm. Summerfield, on a recent trip to Victoria and other points en route returned home last Monday. They are spending a couple of weeks travelled west through the with her daughter and new States and on the return trip grandson.

Havelock Fair Still Holds Attraction

There was a time a few years back when we believed that Havelock Fair would never be any different to what it was then and in fact might even have to be discontinued. There has been a wonderful change since that time and we do not believe anyone could say there is any danger now of it being discontinued.

It seems that each year since that time Havelock has been growing larger and larger and the crowds attending have been getting bigger and bigger. While the dinner was always an attraction there was never any great difficulty in getting in to be served; that is a few years back. Today that is not so. More and more people come to Havelock and one of the things in mind is to sample the Fair dinner. Now there is some talk of enlarging the dining hall in order to accommodate a larger number of a sitting and thus cut down on the line-up waiting to get in. This would be a great improvement and we believe it should be followed up in readiness for next year, 1968. Perhaps something more could go into the planning whereby some of the facilities for handling the dinner could be incorporated. In any case the thoughts are in the right direction.

The crowd which crammed into the grounds at Havelock Fair on Saturday was something to see. In the bright sunlight the many colors of the costumes worn by the people presented a very colorful

picture indeed. Despite the fact that rain had been predicted for the afternoon and in fact the sky clouded up and became overcast, the rain held off. As The Gleaner staff was on its way home, it began to rain and continued to do so. However, many of the exhibitors and patrons were leaving around that time and it is doubtful if too many would be left when the rain actually started.

Havelock Fair has been particularly fortunate during its long term of operation in the fact that, to the best of our knowledge, it has never been marred by inclement weather. Rain has come both immediately prior to and right after, but during the show good weather has prevailed. It is almost entirely an outside show, so adverse weather could quite easily upset it.

Despite everything, Havelock Fair continues to hold attraction and each year it seems that more and more people learn about it and decide to attend. This year the appearances all indicate that an even larger attendance was on hand. A huge parking lot on the opposite side of the road was fully occupied in addition to the many vehicles parked on the grounds. People were to be seen in all areas of the Fair. The dinner was attended by as large, or perhaps even larger number than other recent years. All indications are that Havelock Fair still holds its attraction and that next year again it will be as good, or better.

SUGAR AND SPICE by Bill Smiley

ME A HIPPIY?

Every so often I experience an overwhelming urge to throw everything to the winds, run away, and become a middle-aged hippy. Those kids have the world by the tail. With the rest of us, it's the world that has us by the tail, and does the twisting.

Think of those lucky bums. No taxes, no insurance premiums, no shaving every morning, no handing over a buck and a half for a haircut.

The hippies have abdicated from a society that has no reality for them, a society in which they see precious little love and honesty and a great deal of hate and hypocrisy. They have said, "Include me out," and in many ways I don't blame them.

So let them grow their hair and beards. Let them have love-ins and smoke grass and give each other flowers and refuse to work. They're harmless compared to many people and things that are highly respected in our society.

But after the first, fine, careless rapture of seeing myself among the hippies, the cold wind of reason blows and I know I couldn't make the scene.

Oh, I could let the hair and beard sprout, get some purple pants and hide behind a pair of shades. I could look the part. But I'd never fit in. I don't have the hippy attitude or mentality or whatever it is. And it's all the fault of my parents.

They brain-washed me with a lot of Victorian clichés and puritan maxims that made me the warped, inhibited individual I am today. You know the sort of thing. Cleanliness is next to godliness. A rolling stone gathers no moss. A stitch in time saves nine.

Fortunately, our own children have not allowed themselves to become indoctrinated. Try that rolling stone thing on Kim and she just hoots and points out how many million records the Rolling Stones made this year. The only "Stitch in Time" she knows is a rock-n-roll group by that name, and she thinks they're great.

My parents injected a lot of other hair-brained ideas into my innocent little skull. They convinced me that you should do an honest day's work for a

day's pay. That gives you some idea of how old-fashioned I am. They said you should face your responsibilities, not run from them. That's another reason I'd never make it as a hippy. I'd be completely out of tune.

They believed in helping people who needed it. My mother must have fed 2,000 hoboes during the depression. My father lost his business because he kept on giving credit to people who could never pay their bills.

They believed that you bore your troubles as best you could and did not inflict them on others. They told us, many times, that if you couldn't say something nice about a person, you shouldn't say anything about him.

They detested the idea of charity and fought tooth and nail, and successfully, to keep from going on relief. My mother sold home-made bread and Avon products, took in boarders and tourists. My dad, who couldn't sell air-conditioners in the Congo, took a series of humiliating jobs as a salesman on commission, fighting it out with younger, brasher men and selling almost nothing but his pride.

They believed in God and law and order and absolute honesty. They believed in neighborliness, but also in minding your own business. They believed in the family, in total abstinence, in good manners.

They believed in paying your bills and sweating agonies when there wasn't the money to do so. That's one thing that didn't rub off on me, thank goodness. I pay them, eventually, but I don't sweat in the interim.

And to tell the truth, I'm afraid a lot of the other things didn't take with me. I did have some resistance. But a lot of it did. Now, how could anybody be a hippy with a rotten upbringing like that?

So don't worry. If you come across a middle-aged hippy with a flower over his ear, next time you're in San Francisco, or Vancouver or Yorkville, I'm sorry, but it won't be me.

I was ruined by my parents.

Huntingdon Locals

Mrs. Stewart Barrington and sons, Gordon and Donald, of Arvida and Dr. and Mrs. C. Burnett of Smiths Falls, Ont., were visitors at the home of Miss Frances Turner the past week.

Mr. William Otney left on Sunday for Hamilton, Ont., where he will attend Mohawk College of Technology majoring in a three-year course in textiles and chemistry.

Honoured at Silver Anniversary

Mr. and Mrs. Kenneth Caldwell were honoured guests at a surprise 25th Silver Anniversary party given by their family at the home of Mr. and Mrs. Kenneth McClatchie at Valois, on Saturday evening, September 9th.

They were met by their daughter Judy, who pinned a corsage and boutonniere on the surprised couple and led them to a specially decorated area as approximately 30 close relatives and friends sang "For They Are Jolly Good Fellows". After congratulations were extended, a delicious buffet dinner was served. Following the cutting of a decorated cake, appropriate words of congratulations and poems were read by relatives, then Shirley, on behalf of the family presented them with twenty-five silver dollars framed in the shape of 25, and as longtime neighbours, Mr. and Mrs. Clarence Stark on behalf of all present, extended a silver tray of en-

velopes, gifts and good wishes, to which Mr. and Mrs. Caldwell fittingly replied. A social evening followed.

Recent guests of Mrs. J. E. Wilson, were Mr. and Mrs. George Miller of Pelham, N.H., Mr. and Mrs. Callahan of Bedford, Mass., Mr. E. Watson, Donald, Gordon and Shirley of Lexington, Mass., Mr. Don Taylor of Waltham, Mass., Mr. Ray Wilson and Brian of Cornwall, Ont., David of Toronto and Mrs. M. Thompson of Malone, N.Y.

Mrs. Frank Napier returned on Friday, September 8, after a two week's visit in Western Ontario. On the outward trip she was conveyed by her visitors, her brother and sister-in-law, Mr. and Mrs. Jesse Stickle of Port Colborne, Ont., and after a week there the Stickle's drove her to London to visit her ailing sister, Mrs. D. Kelly, and then to Brantford, Ont., where she spent the second week visiting her niece Mrs. E. Vaughn and her sister Mrs. E. Brooks, also Mr. and Mrs. Lorne Franklin. The return trip was made by C.N.R. to Cornwall.

Police Blotter

(Continued from page 1) the opposite direction and driven by Mr. Pierre Forget of St. Louis de Gonzague approached hers. There was a collision and the damage to both cars was estimated at \$800. Fortunately, no one was injured.

Saturday at 8:30 p.m. Mr. Ronald Richer lost control of his vehicle while driving on the Elgin 1st Concession road. His car went off the road and stopped 100 feet further. The driver and his wife were injured; two passengers, Mrs. Marjorie Richer and Mrs. Hazel Hutchison of Montreal were also injured. Damage to the car was approximately \$800.

Monday morning, at 7:05 Benoit Vallée, 21, of Ste Agnes de Dundee was proceeding on the Ridge Road when he apparently lost control of the car he was driving. The vehicle hit a tree and the driver was seriously injured and taken to the hospital in Montreal. The car is a total loss. The officer in charge of the inquiry has not been able to question the boy yet and no more details could be obtained.

We also learned that two men were arrested for impaired driving and appeared in court. They were sentenced to \$100 fine each and driving permits were cancelled for one year in one case, and for two years in the other.

ELGIN — Recent guests of Mr. and Mrs. Robert Crawford and family and also Mrs. J. E. Wilson of Huntingdon, were Mr. and Mrs. Geo. Miller and Mr. and Mrs. Jack Kellar of New Hampshire, Miss Shirley Watson, Mr. Don Taylor, Mr. Ed. Watson and sons Donald and Gordon of Lexington, Mass., also Mr. Ray Wilson and sons, David and Brian of Cornwall, Ont. While in Canada the American guests visited Expo several times and found it very interesting and enjoyable.

Mr. and Mrs. J. Kellaher, Mr. and Mrs. G. Miller, Miss S. Watson and Mr. D. Taylor, took their host and hostess, Mr. and Mrs. R. Crawford out to dinner, Sunday, September 3rd, at the Crossroads, Moira, N.Y.

Congratulations to Mr. and Mrs. Dan Myre on their new arrival.

Mr. Hugh Smail of Strathroy, Ont., and Mr. John McEwen Smail (Mac) of Edmonton, Alberta, were in Elgin and district for a few days visiting friends. They attended church service Sunday in Elgin and visited their old home now owned by Dr. J. Lohrenz. They also attended the 50th Wedding Anniversary celebration of their sister and brother-in-law, Mr. and Mrs. James Henderson of Canton, N.Y.

Although the schools are under the authority of the Protestant board, there are a number of Catholic personnel on their instructional staffs. The school in Chateauguay has a Roman Catholic vice-principal, while among the Catholic teachers at the Ormstown school are three nuns.

An experimental course is also being introduced to the students of the Chateauguay Valley Regional School Board which could become the prototype of a new look course in religion for Protestant schools throughout Quebec. The new program will be offered to non-Roman Catholic students in Grade 8 through 11 at the regional board's two schools. In this connection a more comprehensive article will appear in the next issue of The Gleaner.

Progressive-Conservatives Choose A New Leader

The past week has been an exciting one for nearly everyone no matter the shade of their politics. During this week a most noteworthy convention of the Progressive-Conservative Party was held for the purpose of choosing a Leader for that Party. It will be remembered that controversy arose over the leadership of the Party some time ago and it was felt that The Hon. John Diefenbaker should resign as Leader of the Party.

Apparently the dissent arose as a result of Mr. Diefenbaker not being able to lead the Party back to victory after the last election. It was figured by some that he was losing his grip and should therefore make way for other and perhaps more capable persons to hold the guiding reins. Dalton Camp came into great prominence when he decided to call a Leadership convention of the Party and apparently without prior consultation with Mr. Diefenbaker.

This convention was held the past week after a period of disgruntled reports and requests that Mr. Diefenbaker should resign and do it gracefully. After a first meeting with the members of the Party Mr. Diefenbaker said no more and gave no satisfaction of what his intentions in the matter might be. He continued as Leader of the Opposition but his vigor in this direction lacked its old fire.

Right until the last he kept the Party guessing, even after he gave a fiery speech at the convention on his attitude toward certain aspects of new policy that had been drawn up. Then a short time before the nominations were to close, papers were filed for him and he was in the running. This did not last long however, for after the second ballot he was out. He seemed to have obtained a greater support after his speech for the crowd gave him a great ovation, but apparently they were finished with him.

Some of the other popular candidates fared well at first, they too eventually failed to keep their leads and one by one on each successive vote they were cast by the wayside. The final battle was between Robin of Manitoba and Stanfield of Nova Scotia, with Stanfield finally winning out on the fifth ballot.

It would be hard to understand how this man won out, for little seems to be

known of him until these last few months and still it is very little. He does not strike a person as being a forceful leader such as is needed in these times. His speeches are not exceptionally inspiring such as one might expect from a Leader who has to make good and one who is to follow the Diefenbaker oratory. At the present moment, he does not show much promise as far as we are concerned.

There was a certain sadness about the latter end of the convention when Mr. Diefenbaker congratulated the new Leader and called for the support of the Party for him. Despite all that may be said, this man brought the Progressive-Conservative Party to power with the largest number ever known in its history. Despite defeats, this opposition still maintained the largest group of any other Progressive-Conservative Party before his time. This in itself was an accomplishment. In the bitterness that had been engendered during the period since calling the convention, everything that had been gained was forgotten in the feverish dash for power in the leadership field. It served none of the stalwarts any stead for they were defeated too. It remained for a virtual newcomer, one who has no experience in Federal politics, to head the Party. He has to seek a seat in the Federal House before he can really lead the party. He then has to gain the experience of the procedures before he can effectively make a stand against the other and more experienced politicians both in his own Party and in that of the Government side.

When Mr. Diefenbaker came up to speak there was prolonged applause and he was unable to begin. He motioned for silence, and finally got it. When he completed his final speech, prolonged applause followed him. What did this signify? They were glad he was going, that he no longer would be their leader — or were they sorry at this late hour to see him go? It is a strange world in which we live today. Values are not weighed. Virtues are not counted. You either produce all the way, or you are cast aside to the wolves.

It will be interesting to see what happens as time goes on, whether we are supporters of the Progressive-Conservative Party or not, for a new course has been set and a new skipper is at the helm.

Hemmingford Playground Association Holds Annual Field Day To End Season

The annual Field Day of the Hemmingford Playground Association, held on Labour Day, was most successful this year drawing a large number of youngsters than ever before. 135 children and a large number of adults were present. Mr. Y. Frederick, President of the Association was ably assisted by Mr. Robert McKay, Principal of Hemmingford Elementary School, Mr. H. Brown, Pastor of St. Luke's Anglican Church, Mrs. M. Kirnan, Playground Supervisor and the Hemmingford Scout Troop.

The youngsters entered enthusiastically in the various races and afterwards enjoyed the delicious apples donated by Petch Brothers Orchard. A drawing of lucky numbers was held and the winners were allowed to choose interesting prizes. All were given a soft drink, potato chips and a chocolate bar from the Association and so ended another fun-filled afternoon. The Playground Association members appreciated very much all the help they received during the afternoon and special thanks go to Scouts Gerry Morey and Chan Petch for their "clean-up duty" and to Donna Morey for helping tie those stockings on the tots for the three-legged races!

prospect students of the school at Ormstown will be given a tour of their new school in order to familiarize them with the locations of various rooms and surroundings which will have to do with their education over the following years.

An experimental course is also being introduced to the students of the Chateauguay Valley Regional School Board which could become the prototype of a new look course in religion for Protestant schools throughout Quebec. The new program will be offered to non-Roman Catholic students in Grade 8 through 11 at the regional board's two schools. In this connection a more comprehensive article will appear in the next issue of The Gleaner.

WILSON-HESELTINE WEDDING

MR. AND MRS. DONALD W. WILSON

Miss Dawn E. Hesselstine, daughter of Mr. and Mrs. Charles Hesselstine Sr., of the Burke Road, became the bride of Donald W. Wilson of Brooklet, Que., July 29 at Centenary Methodist Church.

The Rev. Allison Wood, of Massena, formerly pastor of Centenary Methodist Church officiated and the Rev. Kendall Scouten, pastor, assisted. The double ring ceremony was performed in a setting of blue and white summer flowers and evergreens. Richard Wilson of Chateaugay, N.Y., was organist.

The bride, given in marriage by her father, was attired in a floor-length gown of white silk organza and alencon lace over taffeta. The sleeves and A-line skirt were banded with Italian tulle with alencon lace appliques and edged with French soutache braid. The detachable Watteau square train was attached to the empire waist. A silk organza rose trimmed with pearls held her bouffant veil of French illusion. She carried a cascade of white roses and gypsophylla.

Miss Sandra Leggett of Huntingdon, cousin of the bride, was maid of honor. She wore a blue silk organza gown in empire style with sleeves and train trimmed with lace. She carried a miniature fireside basket filled with blue and white carnations and pompons.

Mrs. Charles L. Hesselstine Jr., of Malone and Mrs. Terence Hesselstine of Burke were brides-matrons and wore gowns like that of the maid of honor. Pamela Hesselstine, niece of the bride, was flower-girl and wore a white taffeta dress with a blue sash. They all carried fireside baskets of flowers like that of the honor attendant.

Harold Wilson of Lachine, was best man for his brother. Ushers were Donald Erskine and Keith Rennie, both of Brooklet.

The bride's mother wore a fitted dress of bone colored lace and shantung with matching accessories. The bridegroom's mother wore a mint

much larger this year and there is no doubt this curtailed some of the parking space for cars.

Somehow the midway supplied by the Lacolle Curling Club appeared to have more booths. It seemed to occupy a longer length of the grounds. In any case it was doing a land office business for most of the day and this one and that one were carrying off the prizes.

Another innovation this year was a large marquee erected right between the dining hall and the new building for the exclusive use of the diners. It was set up with tables and benches and was well occupied.

The refreshment booths were kept busy serving the needs of Fair patrons and we do mean busy.

Plenty of entertainment was provided for the fans of this one day fair. From time to time the crowd would be attracted to first one ring and then another as events were staged in them. This year Ormstown Band, Majorettes and Moppets were in attendance at Havelock and the Majorettes and Moppets staged their program of routines in the sports arena. There must have been everyone on the grounds watching this spectacular while it was going on. It is the largest crowd around this arena that we have ever seen since this was first instituted. The Ormstown performers get a wonderful round of applause for their efforts.

While actual count had not been made, it was considered that the day's attendance would make another record for this Fair for 1967.

In talking with officials, we hinted that perhaps a new building could be erected for the baking cooking, preserves, sewing, etc. etc. for next year. It needs more space both for exhibits and viewers of the exhibits, there are now only very crowded quarters.

The response we got was — The dining hall comes first, we want to avoid so much waiting in line. If the building is enlarged more people can be served at one time and thus faster service will be given. Well, we can't argue with that, for the dinner is certainly a main event and getting even more so.

Well all in all, Havelock Fair was another success and should provide further encouragement to the officials to make more improvements.

pledges. The treasurer reports that at the time of the meeting he had \$9,000 in cash in an account which is gaining interest and \$1200 in pledges. This is kept in a fund for the pool only, while other monies raised from other sources are maintained in another account to be used for expenses of operating the campaign. Thus it is that all contributions from individuals are placed in a special account and are intact. It does not look at this time that a Government grant is coming, but if the order for the pool goes

L.A. OF H.C.H. PARCEL POST AT FAIR QUITE SUCCESSFUL

An Executive Meeting of the Ladies' Auxiliary was held on Tuesday, Sept. 5, in the Board Room of the hospital with eleven members present.

The Treasurer reported a bank balance of \$3,790.61. It was moved by Mrs. Bleakney and seconded by Mrs. McLean that the bill for installing the air-conditioner be paid.

Mrs. Rennie reporting for membership committee 635 paid with 46 new members, and Mrs. Rennie asked anyone with membership books please return them as soon as possible.

Mrs. O'Connor reported for Mrs. Brisebois, Convener of the Parcel Post at the Fair who was unable to attend the meeting, proceeds were \$349.04 and a special mention to Miss Melina Murphy for contributing over 200 parcels.

There were no reports from Shoppe-on-Wheels, Landscaping, Treasure Chest, Refreshment Committees.

Mrs. Rennie reporting for Centennial Committee, two more "Silver Banks" received from Miss G.I. Sait and Mrs. Zabitsky.

It was moved by Mrs. Galipeau and seconded by Mrs. Rennie that the Ladies' Auxiliary give \$1000 to the Huntingdon County Hospital which is the balance of their pledge

through, it can be said that local people raised the funds that made it possible and this is something to be proud of.

Returns for the drawing held at the Fair were made known at the meeting, but these will come in a special report by the treasurer. It can be said that it was a decided success and netted a tidy sum to be added to monies already received.

The committee feels that the progress made should encourage more contributions and urges any who have not already made theirs to do so now. Contributions can come from anyone in Huntingdon County and from any who have left the area and also from any other persons who may be interested in this project. All will be acknowledged. Meantime keep those contributions coming in so that the committee can complete its task and the swimming pool will be a fact in 1968.

The next meeting will be a General Meeting and will be held Oct. 2nd, a notice will appear in the Huntingdon Gleaner.

As there was no further business, it was moved by Eliane LaSalle and seconded by Mrs. Duhaime that the meeting be adjourned.

CHATEAUGUAY RAMBLERS LEAD QUEBEC SENIORS

Chateauguay Ramblers, with St. Lambert Saints, played a 22-20 victory over a key role in the Ramblers' strengthened defending championship win, scoring in the first quarter on a 12 yard run last week, consolidated their position as leaders of the third period on a full-back Quebec Senior Football Conference draw. Milton ran 16 yards to touch down.

The win was the Ramblers' third consecutive, and left them two points ahead of last year's champions, the Bears, who have played four, won two and lost two. The Ramblers have played three and won three, including an opening game in which they trounced an admittedly under-strength Bears team.

However, this second victory against the Bears, although by a slim margin, was the most convincing display of the season, as the Bears were up to full strength, and as strong as last year, when they won the Senior League title.

Milton Green, signed by Ramblers this season, and formerly of the now defunct

FASTBALL:- SEIGNIORY PARK OLD TIMERS - CHAMPS

In the Chateauguay Fastball Oldtimers League Seignior Park last week emerged as clear winners, 12 points ahead of their nearest rivals. Other teams in the league were Colonia, Salaberry Hotel and C.C.R.A. (Chateauguay Centre Recreational Association).

In the play-off competition now underway, C.C.R.A. clinched a spot in the final by eliminating Salaberry Hotel in a best of three series. Seignior Park had lost the first of their series versus Colonia, and the second game was due to be played last Sunday evening.

Outside the Old Timers League, Seignior Park last week-end defeated the Northern Electric champions by 6 to 5. By all odds, Northern Electric were favoured to win this exhibition game. The average age of the Seignior Park oldsters was 35, as against the youthful 25 average of the Northern Champs.

The series continue at St. Jean's Park all day next Saturday.

After McLennan - What?

The report that the McLennan Travelling Library will no longer service the Chateauguay area will be received with some dismay by — particularly — the English-speaking section of Greater Chateauguay.

For the past five years, the McLennan, a subsidiary of McGill University, has served our community well. With its wide range of categories, it offered a selection of books numbered in the tens of thousands. Fact, fiction, biography, thriller, history, novel, arts, sciences, classics new and old — if the considerable choice in the travelling caravan could not provide the desired book, the library's readily available catalogue offered an even wider selection. Rare indeed was the occasion when a subscriber could not, within a reasonable lapse of time, acquire the book of his choice. The cost, of course, was purely nominal, and the community is the loser in McLennan's decision to withdraw.

McLennan spokesmen state that their function is to serve communities without alternate library resources. Chateauguay has a plan — but only a plan — to provide a bilingual library service to all within a five-mile radius of Chateauguay Centre's Cultural Centre. But a library approaching the quality of McLennan's cannot be created overnight. McLennan's facilities were only possible as a result of a considerable legacy from the late Mrs. McLennan, and had been built up over a number of years. The challenge to fill the gap caused by the McLennan withdrawal is formidable, and we may be confident that the Junior Chamber of Chateauguay and other local organizations will strive mightily in their response.

But could not McLennan be persuaded to continue on for, say, a year in rendering their estimable service to Chateauguay, while we organize a reasonable alternative?

It was announced recently that space in Chateauguay Centre's Cultural Centre — due for official opening next month — will be set aside for a library, available to all persons within a five-mile radius.

Mr. Larry Eldridge, Director of Cultural Affairs in the Cultural Centre, has asked the Junior Chamber of Chateauguay — formerly the Junior Chamber of Commerce, Chateauguay — to take the lead in organizing the library.

A special committee has been formed, and it is proposed to invite all local service clubs and similar organizations to cooperate.

A public appeal for help will be issued in the near future. Donations of all types of books — except school books — in good condition will be welcomed. However, to avoid undue duplication of books, local organizations are expected to make the main emphasis on financial contributions.

Plans are for a bilingual library, as befits a Greater Chateauguay of approximately equal proportions of French and English speaking citizens.

Although plans for a library for all citizens of Chateauguay and the surrounding area are only now underway, it has already been announced that the McLennan Travelling Library of McGill University will not include Chateauguay in its territory this coming season. A spokesman for the McLennan Library stated that calls from isolated communities for library service far exceeded the McLennan capacity to service. By removing Chateauguay from its schedule, McLennan could better continue its function of supplying areas not otherwise served.

The big question for the large number of McLennan subscribers is — will the Cultural Centre Public Library be quickly established, and will it offer a truly bilingual supply of books?

Bylaw May Provide Loophole For Drive-in Protest

Usually reliable sources have revealed a possible loophole in municipal law which might work to the benefit of those opposing the site of Chateauguay's Drive-in Theatre. It seems that Bylaw number eighty-two decrees the area in question as residential only. According to our information, the other commercial sites in this area have been allowed by amendment to bylaw 82. If this is so, an amendment will have to be proposed to permit the operation of the drive-in. This could be approved by the required number of citizens and a referendum called. There seems little doubt that such a referendum would be defeated.

We are also advised that a meeting has taken place between protest organizers Doug Ross and Claude Beauregard and the Mayor of Chateauguay Joe Labege. Mr. Labege has promised his cooperation in determining the rights of all concerned and in the investigation of the local ownership.

Meanwhile, over two hundred citizens of the area have signed petitions of protest and it would seem that the opponents of the site have only to maintain their active opposition to ensure victory.

THE PRO SHOP

Professional sportsmen do not play games. Nowhere is this better illustrated than with the current edition of the Montreal Alouettes. Our football heroes suffer from a lack of confidence, especially in the quarterback position. The Als are a potentially great team. Their defensive ability is beyond question and we believe they have the noses for a competent offensive. The big problem is at quarterback. Team management seem to have forgotten that this is the key position. We think that George Boils can be the man if it's a big if.

And the biggest if is whether the management will let the guy play. A full game, that is. They always seem to pull him out with ten minutes to go. This is a ridiculous procedure and just not done in the pro world if you want to build a leader. Just look at the Als. Boils wins one and it is conceded that he called a terrific game. Next time he's in trouble and with only ten minutes to go, he's pulled out. The team loses. The next game is lousy and why not. Who has any confidence? This week-end, they play a real crazy game but Boils stays in and the Als come out on top by one point. It's still good for the big two in the standings. And there's the point. Leave the quarterback in for the full game. Make it his to win or lose. It's the only way to build a winner. Remember Sam?

On the Hockey front, Toe Blake admits that Jacques Plante was a better goaler than the great Bill Durnin. And Plante gets invited to Los Angeles as a sort of assistant coach. The Hockey funny season has started for sure.

And in baseball, at this writing, Minnesota leads the American League. A little birdie tells us, keep your eye on Boston.

Chateauguay Centre United Church

Sunday, September 10th, has come and gone with mixed emotions. Some one hundred children were registered in Church School, and Superintendent Mr. W. Scarlett reports, everything went very smoothly. The additional space, relaxed atmosphere was a delight to teachers who have always, previously, had to rush lessons etc., as the building had to be prepared for Worship Service at 11 A.M. — Many new children registered on Sunday, and Mr. Scarlett advises a number of the old pupils will likely turn up in a week or so. However, now there is no worry as the space is there to accommodate all. Although, there is a fair sized staff, more teachers are required, so if you are willing to help do call Mr. Scarlett at 691-2693.

While the Church School was settling down, the congregation was not suffering one bit in their new temporary location at St. Paul's School. A larger than usual congregation were very comfortable in the quiet and most convenient hall; which looked and felt like a church. One would have to look very hard to find anything to criticize. Let us all move forward and give encouragement to those who have the foresight and ambition to do something to improve conditions and reach out to the whole community.

Next Sunday will be an "Open Session" at Church School when film strips and movies will be used to teach all the boys and girls. Sermon at the Public Worship will be "Faith in a cynical world". Read Hebrews 11 and Matthew 17.

"Messengers" starting September 20th. (3:30-4:30 P.M.)

LETTER FROM SEIGNIORY PARK by FERGUS HORSBURGH Route Boy: ROLAND and PAUL LUSSIER 373 St. Francis 691-0782 FRANK TOTH 388 Woodbine 691-2495

FIVE YEARS AGO Exasperated at the delay in erecting street signs, a small group in Seignior Drive put up their own home-made sign. Mrs. Martha Strike called a meeting to discuss the feasibility of starting a nursery school in Seignior Park. Another meeting was called to adopt a constitution of the recently formed Home Owners Association. And that Association was becoming rather upset that relations with Town Hall were so bad that even the broken water-main on Seignior Drive remained unrepaired. The total of occupied houses in Seignior Park had reached fifty.

CURRENT EVENTS

The Robert Jobber School opened for classes on schedule last Tuesday for Grades 1 to VI. Inevitably in such a complicated operation as the opening of a brand-new school, it took some time to iron out all the reshuffling of classes. Unfortunately it has been found necessary to limit the kindergarten to one classroom, because room had to be found for a third Grade 6 class. Kindergarten will consequently be put on shifts — the first in the morning and the second in the afternoon. The morning children will probably switch to afternoon at the beginning of January and vice versa. Classes were due to start this morning (Wednesday) and mothers have been notified of times to meet the teacher, Miss Moscovitch.

Following the discovery of a fault in the Woodbine-Seignior Drive mail-box, as reported in last week's Letter, a new box has been installed. Never before have I had such excellent mailing facilities — how many can claim a mail box in or close to one's front lawn.

One by one the trees in our park are turning to gold and red. How beautiful, but how sad. Incidentally, I wonder how many could have foreseen how phenomenally successful our Woodbine Park was going to be. It is normal these days to see several dozen children of various ages enjoying all sorts of informal activities. The swings and trapeze are frequently fully occupied while games of football, soccer and baseball are in process in the open spaces. It has

Chateauguay Days At Expo Gospel Singers Entertain

Last Saturday and Sunday the Sunshine Gospel Singers put Chateauguay on the map, with their delightful performance at "Banshell 'C'" at Expo '67. The first appearance had to be postponed from 1 p.m. until 3:30 on Saturday, because of unforeseen circumstances which turned out to be lack of an electrician on the spot to hook up speakers.

However this little setback did not daunt the six ladies and one man. They sang sixteen numbers to a fairly large audience, which applauded with quite a lot of enthusiasm.

The Sunshine Gospel Singers started singing together as a group in 1964 when five ladies, all members of St. Andrew's United Church Choir, started meeting regularly to sing and play guitars. Since that time the group has added two members and gained recognition in and around the Montreal area.

The group presents music of the old-fashioned revival tradition; together with Negro spirituals and modern folk songs, some of which are written by one of the group members.

Mrs. Marion Kemp, a soprano in St. Andrew's Choir, started the group, when she taught her friends to play the Hawaiian guitar. She plays Spanish guitar, mandolin, ukulele and piano.

Mrs. Nelda Murdoch, another soprano plays both Hawaiian and Spanish guitar. She is also the group treasurer.

Mrs. Elizabeth Allan, contralto plays Hawaiian guitar and her wit and pleasant manner has given her the job of manager and M.C.

Mrs. Judy Frigon has the distinction of singing both soprano and alto. She plays the guitar, which is a type of autoharp. Her solos are a long the Negro spiritual line and almost resemble a type of blues.

Mrs. Barbara Gonin is the latest addition to the Sunshine Gospel Singers. A strong soprano, she renders a number of beautiful solos. Barbara is the lyrics writer of the group, and has written a number of songs both in the spirit of a long five-year wait, but who now could think it wasn't worth it?

As I write this column I learn from Mrs. Edith Bate that the McLennan Travelling Library will not be servicing Seignior Park — or Chateauguay, for that matter — this year. I shall try to get further details for inclusion in this issue.

CHATEAUGUAY Y.M.C.A. GOES INTO ACTION

In an effort to meet one of the expressed needs of the area, the Resources Committee of the Chateauguay Y.M.C.A. has been preparing a Community Leadership Development Programme. This programme, under the chairmanship of Mr. Terry Forth, is specifically designed to be of assistance to those working with youth and the Y.M.C.A. hopes that all leaders, parents and others interested in young people will take advantage of it. The programme is expected to take the form of a week-end seminar, or a series of weekly meetings, sometime later this Fall.

The Y.M.C.A. is actively organizing other programmes for the youthful segment of the district. An evening of folk music and a Judo class will be under the supervision of Mr. Merv. Thorne and Mr. Tim Lynch.

Arena Decision This Week

Following a series of joint meetings between the Councils of Chateauguay and Chateauguay Centre, the first attempt to choose one of the three plans is expected to be set for a decision, one way or the other, this week, on the question of a Sports Arena for the Chateauguay area.

Both Councils have previously agreed in principle to share the capital and operating costs of a sports arena.

Three separate plans have been submitted — one from each town and one from an independent source. A meeting this week will make the first attempt to choose one of the three plans. It is reported that each Council is prepared to hammer out a decision in a series of joint meetings, with the deadline of winter a few short months away.

Even if a speedy agreement is reached by the two Councils, substantial difficulties lie ahead as far as completion of the project this year is concerned, but both Councils are determined to "give it a try".

It has been estimated that a sports arena would cost approximately \$400,000. This would clearly be beyond the capacity of either Town on its own, but as a joint project, it comes well within the bounds of possibility.

Mr. Armand Poupart, legal counsel for both Towns, stands ready to prepare appropriate by-laws for both Towns.

Perspective:— A Big Bore And A Big Winner

By Russ Faughnan

The Progressive-Conservative Leadership Convention was a crashing bore up to the last hour or so but it did produce a winner. A real winner in the person of Bob Stanfield.

Naturally I am pleased that my prediction came out so well and even more pleased that such a top man was selected, one who could take all the marbles in the next election. And one reason is organization. Stanfield had the best and it proved to be the deciding factor at the Convention. Two weeks ago, Robin was way out in front and seemed to be a shoo-in unless the Chief decided to run. But Robin's group failed on all points at the crucial time and Dief's crew was composed of youngsters. In fact he made the fatal mistake of believing that he was more important than the party. He should have known better. The man alone is never enough. It's the organization that makes the big difference. Mr. Diefenbaker was a sad sight as he held on to the point of appearing ridiculous. We can now hope that he will retire with whatever dignity is left to him. He probably won't.

The Convention itself was dull. The voting delays were irritating and Friday's speeches

COME TO THE FAIR NEXT YEAR?

By Russ Faughnan

Let's omit the usual review and indulge in a bit of speculation. It is becoming obvious that in one way or another the fair is here to stay. Mr. Drapeau is quite determined on that point and H... hath no fury like a Drapeau determined. However, it will not be the Expo we know. We must accept the hard fact that many of the buildings must be torn down simply because they were not built to last. Some demolition bids have already been called for. Cost is also a very large factor. It has been estimated that some of the larger structures will cost more than a half million dollars to be made permanent. That's each my friend and that's a lot of dough. On top of this, annual maintenance could exceed one hundred thousand dollars.

There is absolutely no doubt in my mind that such problems can be overcome. There are just too many possibilities for this magnificent site. An international University, a research Centre, a medical Centre, etc. Forget them all. The Expo site will continue as a fair. Of course, it won't be Expo but it will be a fair. Some countries have already expressed considerable interest in keeping their present displays. They would be changed or brought up to date every year or two.

Believe it or not there are some critics to this proposition. One who should know better is doing Expo commentary for a Montreal daily. He claims that six months is enough. That to continue the fair would be unfair competition to the tourist industry in the rest of Canada. That we have a moral obligation to the Bureau of World Expositions. That the traffic problems would be too much with 50,000,000 visitors every summer.

In brief reply, we say enough will never be reached. Competition is what this country needs, Expo will die and a municipal operation will be postponed the kick-off for one week.

The two Travelling Teams will also see League play start this next week-end in the Lachine-La Salle League.

Boys aged 8-13 who have not yet registered for play, are invited to do so tomorrow (Thursday) evening at 6:30 at Labege Park.

C.M.T.L. Season Start Delayed

Late arrival of equipment, particularly for the Atomes, has set back the opening of play in the Chateauguay Minor Football League by one week. League President Heward Reid said last week-end that lack of practice because of inclement weather, also contributed towards the decision to

born and of course it will not attract that many visitors each year. Which is a pity, just ask the local merchants. Frankly, I think the man is blind or desperate for something to criticize.

And so I think it's here to stay. And won't it be grand.

Chateaugay News Notes

We jumped the gun two weeks ago when we announced that d'Anjou Blvd. was ready for black-topping. The steam-shovel is now digging up another section of the road and we don't know just when the job will be finished. The work jumps all up and down from the highway junction of Routes 3 and 4, to the bridge in the village. Everybody is "enjoying" the guessing game, except motorists.

LITURGY: One of the newer churches of Rome is so constructed that to get into it you have to walk around the baptismal font. This is a continual reminder that it was through the Sacrament of Baptism administered by the Church that we first gained entrance to the Assembly of the Faithful. And in this assembly is celebrated the Lord's Supper where our sharing in the Eucharist both deepens and illustrates our togetherness (our communion) with Christ and one another. Both the baptismal font and the Eucharist in which we all share remind us that salvation is a social event. On the road to heaven there are no private cars, no man is saved alone — in isolation from the group. One either takes public transportation or one doesn't go. By serious sin we refuse to continue in the union of grace which Christ has established. We break away from the fellowship and, therefore, we can no longer join the community in the reception of the Eucharist. To do so would be to make a mockery of this sign of union.

ICI ET LA

A l'attention des parents d'étudiants

L'automne frappe à la porte. Déjà la température plus froide nous rappelle que les beaux jours achèvent et qu'il faut se préparer en conséquence. Mais l'automne apporte avec lui tant de beauté à son début qu'on voudrait avoir le temps d'admirer la nature dans toute cette splendeur. Nos arbres qui se parent de toutes les couleurs et dont les tons sont un charme pour les yeux, les champs dorés prêts à être fauchés, les couchers de soleil sur l'eau, inspirent sans doute les poètes. Quant à nous, nous nous contenterons d'admirer et l'idée nous vient de fredonner le Credo du paysan. Je crois en Toi, Maître de la nature.

Plusieurs écoliers se servent de leurs bicyclettes pour se rendre et revenir de l'école. Il faut les avertir qu'il est défendu et très dangereux d'y faire monter un deuxième passager. Evitons les accidents en nous conformant aux règlements établis.

Reprise des activités
Les différentes organisations locales reprendront leurs activités régulières sous peu. Chevaliers de Colomb, Association parents-maîtres, Dames chrétiennes, Filles d'Isabelle, Dames fermières, Guides, etc. Il ne suffit pas de faire partie d'un groupement quelconque; il faut prendre part aux assemblées si on veut en retirer tous les avantages qu'on en attend. Des organisations vraiment vivantes contribuent souvent au progrès d'une municipalité; le malheur la plupart du temps est qu'il y a trop de ce qu'on appelle du bois mort, c'est-à-dire de personnes qui croient avoir fait leur part quand elles ont payé leur contribution. Etre membre, c'est beaucoup plus que cela; c'est faire sa part chaque fois que l'occasion se présente; c'est émettre des idées qui seront discutées à l'assemblée et dont on peut souvent tirer avantage. Soyons donc des membres actifs de tous les groupements d'où nous faisons partie. Nous serons les premiers à en bénéficier. Pour tout dire, mélançons de nos affaires, mais mélançons-nous.

Succès du tournoi de balle à Ormstown

Vendredi soir fut une occasion de réjouissance pour les joueurs de balle d'Ormstown sans oublier les spectateurs. Le terrain de balle fut officiellement ouvert. Depuis de nombreuses années, les officiels des organisations de Loisirs désiraient un endroit pour que les jeunes puissent pratiquer ce sport. Une délégation s'était déjà adressée au Conseil en vue d'acquiescer un terrain, mais leurs efforts n'avaient pas eu de suite. C'est M. L. Dandurand mettant un terrain à la disposition des Loisirs. On installa des lumières et un tournoi fut organisé.

La soirée d'ouverture fut une spéciale, la fanfare dirigeant une parade à travers les rues de la ville, suivie de la Reine des sports. Les joueurs habillés en bouffons divertirent les jeunes. Le tournoi fut officiellement ouvert par le procureur Cullen et le maire J.P. Riendeau.

Voici le résultat des joutes:
Samedi: Ormstown (Guérin) 6, St-Hubert 0; St-Antoine 6, Plattsburg 0; Ormstown (Allen) 10, St-Timothée 9.
Dimanche: St-Chrysostôme 2, Beauharnois 3; St-Philomène 9, St-Urbain 0; Restaurant Daniel 8, Valleyfield 0; Taverne Cousineau 6, North-ester Electric 3.
Lundi: Valleyfield 8, Ormstown (Allen) 3; Restaurant Daniel 2, Ormstown (Guérin) 0; Taverne Cousineau 11, Beauharnois 0; St-Philomène 5, Valleyfield 4; Taverne Cousineau 3, St-Philomène 2.

Les habitudes d'événements du genre ont affirmé que c'était un des tournois les mieux organisés qu'ils ont vu; tout le travail a été fait bénévolement, la fanfare et les chars allégoriques de la parade avaient été fournis gratuitement. Toutes les recettes seront utilisées pour les sports Cullen et à l'avantage de jeunes par l'association des Loisirs.

A l'école Notre-Dame 537 inscrits au Secondaire

M. Maurice Marleau, directeur-général de la Régionale Salaberry, a dévoilé mercredi soir, à une assemblée des commissaires, qu'une augmentation de 419 élèves avait été enregistrée sur l'ensemble du territoire, lors de l'inscription des étudiants.

Le total actuel, qui peut varier par l'enregistrement tardif de quelques élèves, se chiffre à 3.449 étudiants, comparativement à 3.030 l'an dernier.

M. Marleau a expliqué que le principal facteur d'augmentation se situait dans l'établissement des classes Secondaire V, qui comptent 200 élèves. On constate également une forte augmentation des effectifs.

Les deux écoles où on a enregistré la plus forte augmentation, par rapport à l'an dernier, sont l'école Hébert avec 132 de plus, et l'école Jésus-Marie (convent) avec 89 de plus. Par ailleurs, l'école Notre-Dame de Huntingdon compte 43 élèves de plus, l'école St-André de St-Timothée, 16, l'école St-Thomas (Séminaire) 18, et l'école St-Cécile 15.

M. Marleau a fait remarquer qu'un problème de logement est constaté au niveau de la 8e année générale au Séminaire, où l'on compte six classes de 33 élèves, soit le maximum prévu par la convention des Enseignants de Salaberry. "Nous attendons quelques autres inscriptions à ce niveau, d'ajouter le directeur-général, et certains élèves, habitant Nitro, seront certainement acheminés vers..."

AVIS
PROJET DE PLAN JOINT DES PRODUCTEURS DE VOLAILLES DU QUEBEC
Prenez avis que la Régie des marchés agricoles du Québec a reporté la date d'ouverture du scrutin en marge du projet de plan conjoint des producteurs de volailles du Québec, du 12 septembre au 2 NOVEMBRE 1967.

Ce plan proposé vise la mise en marché de la volaille vivante pour fins d'abattage ou pour fins d'élevage en vue de la reproduction ou de l'abattage; la volaille abattue et les produits de la volaille appartenant aux producteurs sont également visés par ce projet de plan.

Aux fins de ce projet conjoint, le producteur intéressé est toute personne, propriétaire de volailles, qui met en marché ou qui produit et met en marché le produit agricole décrit ci-haut.

Si vous êtes un producteur intéressé visé par ce projet de plan conjoint et que vous n'avez pas encore reçu de la Régie une copie du projet de plan conjoint, ainsi qu'un bulletin de vote sur lequel vous devez indiquer si vous l'approuvez ou non, veuillez faire inscrire votre nom sur la liste des producteurs intéressés en vous adressant, avant le 16 octobre 1967, à la:

Régie des marchés agricoles du Québec, 201 est, boulevard Crémazie, Montréal 11.
Le secrétaire intérimaire ROCH MORIN.
Montréal, ce 7 septembre 1967.

MacGregor visite Ormstown les 15-16-17-18 septembre Programme d'activités spéciales

Dans le cadre des célébrations du Centenaire de la Confédération Canadienne, des Jumelages se sont faits avec 27 villes du Québec et 27 villes de neuf autres provinces du Canada, soit trois dans les différentes provinces. L'Union des Municipalités du Québec réalise ce projet.

Ormstown s'est jumelée au début de juin dernier avec la ville de Mac Gregor au Manitoba.

Une délégation de 15 citoyens de notre ville a été reçue magnifiquement par nos concitoyens de l'Ouest. La semaine dernière Ormstown accueillait à son tour 43 étudiants des Ecoles Supérieures de Mac Gregor, accompagnés de leurs "chaperons".

Ce fut une expérience magnifiquement vécue par nos jeunes pour qui le mot "amicité" n'a plus de frontière.

Les 15-16-17-18 septembre prochains seront des jours de réjouissance à Ormstown alors que nous recevrons la visite-retour de la délégation de Mac Gregor (environ 35 personnes).

Nous avons établi un programme intéressant et varié afin que toute la population puisse prendre contact avec nos visiteurs.

Le comité du Centenaire d'Ormstown — PROGRAMME: 15 Sept. — Vendredi soir — Accueil — "Aux 4 Vents de l'Amitié". 16 Sept. — Samedi — 3 h. p.m. Hôtel de Ville — 7 heures p.m.: Banquet — Salle à dîner —

Merci
La Brigade Volontaire d'incendie de Hinchinbrooke désire remercier les serveuses, les aides dans la cuisine, les travailleurs dans la cantine, et tous ceux qui ont aidé d'une manière ou d'une autre, ceux qui ont fourni des aliments et les solliciteurs pour leur générosité. Vous avez contribué au succès du dîner servi au Havelock Fair.
Avec reconnaissance,
Les pompiers volontaires de Hinchinbrooke.

this past year, more people switched to Dodge '68, we're going all-out

There's a whole new world of excitement at your Dodge and Plymouth dealers. Great new cars with features you'll find it hard to resist. Finger-tip speed control! Stereo tape unit! Time delay ignition light! Wagons that wash and dry their own back windows! Plus that famous Chrysler engineering!

Dodge

Dart: Canada's biggest, best-looking compact that says you don't have to give up things like room, ride, comfort. Comes in four series including the hot GTS and GT versions.
Coronet: The happy medium between the big and the little. A whole lot of automobile with the kind of styling that wasn't around last year. Right size. Right price. All right.
Charger: The newest of the new. A magnificent sports machine. Looks like a Mach 2 jet on wheels. And wears a price tag that means you can stop dreaming and start driving.
Monaco & Polara: Delivers the big car luxury you long for at a price you can live with. Big 122-inch wheelbase does great things for room, ride, comfort. 15 models in four series.

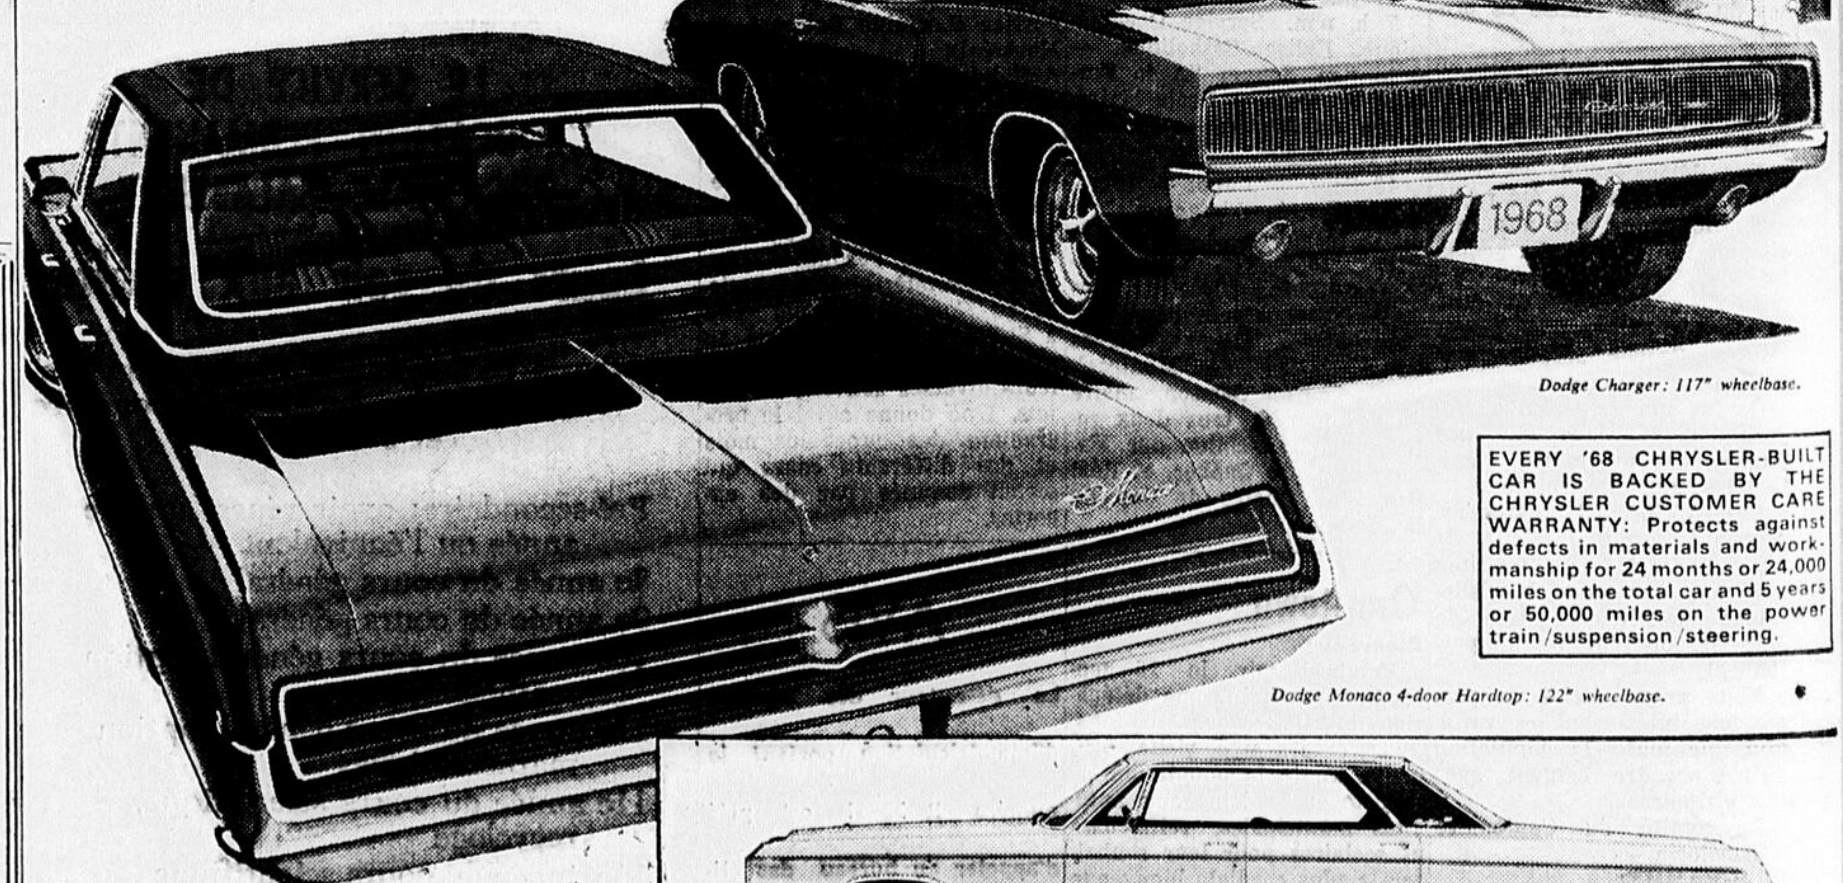

Dodge Dart 2-door Hardtop: 111" wheelbase.

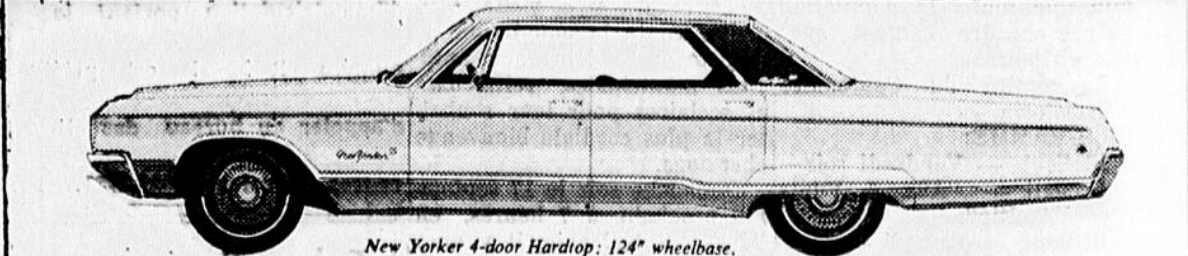

Dodge Coronet Station Wagon: 117" wheelbase.

Dodge Charger: 117" wheelbase.

Dodge Monaco 4-door Hardtop: 122" wheelbase.

New Yorker 4-door Hardtop: 124" wheelbase.

CHRYSLER

Just about everybody makes a luxury model. Chrysler has 15. With convenience, safety and engineering features that set new standards for the industry.

These Dodge/Chrysler dealers are going all-out to switch you

Hemmingford News

HEMINGFORD WOMEN'S INSTITUTE

The September meeting of Hemmingford Women's Institute was held on September 6th of our Centennial Year at the school. The meeting began a little late, not because our members were tardy, but because the annual School Fair, a W.I. Project, was holding an open house for parents and friends. This Open House gave members of the W.I. and parents an opportunity to meet and chat—parents whose children exhibited received congratulations: W.I. members received personal thanks from the parents. As stated in the School Fair report, there were 467 entries, all of excellent quality, so there was plenty of material for conversation.

During the course of our regular meeting a report from Mrs. Petch, Convener of Education was read, expressing our sincere appreciation to Mrs. W.W. Guynan for instructing the children of the community this summer in water safety and swimming. When Mrs. Guynan graciously acknowledged our thanks, she emphasized the organization detail accomplished by Mrs. Petch, and her personal thanks to Mr. H. Fortin for the use of Lac Hermas.

President Mrs. J. Robertson welcomed our guest, Mrs. Best, who is at present visiting her daughter, Mrs. H. Palmer. After reports of various conveners, Mrs. Robertson reviewed Convention (Provincial) highlights, and briefly outlined the dramas presented there.

Our August meeting was held at Cool Breeze Estate early in that month. Members and friends enjoyed themselves at this lovely picnic area.

W.I. Playground Representative, Mrs. W.W. Guynan, gave a brief report on the activities of the Playground Association, which held its final day for the children on Monday, September 4th.

Our timely roll call, "What I liked about Expo", brought forth lively and entertaining details. Mrs. L. Simpson spoke with feeling about the service Expo offers to elderly or handicapped people who find wheelchairs the most convenient form of transportation. Plans were made for the type of conveyance.

At the conclusion of the evening delicious refreshments were served. Hostesses for the meeting were Mrs. W.W. Guynan, Mrs. D. Laurie, and Mrs. E. Merlin, and the Sunday School re-opens. Following the adjourning of the meeting and the Mizpah Benediction members examined and admired the articles which had been brought in for the booth at the Fair. Refreshments were served by the hostess then Mrs. A. Somerville showed a film of the Centennial Parade and the Float which the Guild entered.

The next meeting will be held on September 21st.

In And Out Of Town
Mr. and Mrs. John Cahill and family have left our community for Chateauguay Centre where they have purchased a house. Best wishes from their friends here go with them, that they may enjoy many years of health and happiness in their new home.

Mrs. Grace Whyte, Arnold, Ronald and Marjorie and Mr. and Mrs. Elliott Whyte with their two children, Andrew and Cynthia have been recent visitors of the Cahills at Chateauguay.

Mrs. Grace Whyte spent a day in Montreal with Miss Mabel Whyte and Mrs. Janet Waldron.

Mrs. Fred Lusk and the three children, from Toronto, have been vacationing with Mrs. Grace Whyte and visiting other friends in the vicinity. Miss Mary Whyte returned to Toronto with them for a vacation.

Mr. and Mrs. Andy Kennedy and their three daughters, of Columbia, South Carolina, have spent a pleasant two-week vacation visiting parents. Mr. and Mrs. Halton Kennedy and Mr. and Mrs. R. Akester and, of course, Expo.

Mr. and Mrs. L. Brenton, N.D.G. and Mr. and Mrs. A. Poe from Baie D'Urfe were recent callers on Mrs. Dolly Hayden.

Mr. and Mrs. Bob Barelay (nee Audrey de Moulpied) and their two children, from Toronto, have been vacationing at the home of Mr. and Mrs. Rufus Fisher and other friends in the neighbourhood.

Mr. and Mrs. J.H. L'Espérance and Mr. and Mrs. Clifford Greer motored to New York recently to meet Miss Linda Reeves arriving by ship from London, England. A University art student, Linda, who is Mrs. L'Espérance's niece, is spending a five-week vacation here studying the many works of art gathered here from all over the world and also those of Quebec artists which are making Montreal, at present, the Mecca for all artists.

Honorary Hostess was Mrs. W.F. Orr.

Hemmingford Fire Brigade in Plattsburg parade
Hemmingford Fire Brigade, together with a large number of Brigades from various centres in Clinton County, took part in the Labour Day parade in Plattsburg and again returned home with numerous trophies and awards.

They received first prize for the Best Appliance and nearest truck, two firsts in the various Hose contests and the farthest distance. They also received money prizes for efficiency.

With Chief Harry Warner were Gaetan Fortin, David Simpson, Glen Clark, Raymond Cookman, Edmond Priest, Leonard Priest, Laurin Fortin, Bernard Berthiaume and Fred Orr. Congratulations gentlemen! Methinks the Trophy display case in the Fire Station will need yet another extension!

St. Andrew's Presbyterian Guild
The monthly meeting of the St. Andrew's Presbyterian Ladies Guild was held at the home of Mrs. E. Merlin with 9 members present. Mrs. E. Napper presided.

The meeting opened with the devotional period conducted by Worship Convener Mrs. K. Bachelder. The Bible reading was from Jeremiah, Ch. 2 and the Devotional talk on "Why is it hard to be good".

After the approval of the minutes a report was given on the Centennial Float and a description will be kept for future reference.

The flowers planted in front of the Hall as a Centennial project were reported showing a fine display of blooms.

A centerpiece of bronze, yellow and white artificial flowers were sent to Mr. and Mrs. Henry Davis on the occasion of their Golden Wedding anniversary and a letter of thanks from Mr. and Mrs. Davis was read at the meeting. Cards have been sent to sick members.

The secretary was asked to send a letter of thanks to Mrs. Rutherford for her donation of hand-knitted socks for the booth at Havelock Fair. Plans were made for the booth, the Work Committee to look after the details. Cookies and Candy will again be sold.

Plans were made for the cleaning of the Hall before and the Sunday School re-opens.

Duck Hunting Season.
Saturday, September 16th, marks the opening of the duck hunting season.

This year, the Department of Indian Affairs and Northern Development is conducting two surveys in order that it may tabulate more information about waterfowl hunting in Canada. They have forwarded a number of brown envelopes to purchasers of hunting licenses, and in these envelopes it is hoped the hunter will place one wing from each duck killed during the season. In this manner, the species and age of the bird may be determined, and the information as to where and when the fowl was shot is also requested. The reason for this survey is to enable the Department to work more effectively towards the maintenance and improvement of migratory bird hunting in Canada.

Signal Light in Operation.
Finally, after several years of deliberation, the Canadian National Railway has erected signal lights and bell at the railroad crossing in the Village. The problem of the many trains passing through in a day has always created quite a controversy, and a couple of years ago it was suggested that Canadian National might build an overpass. Happily, a signal light has been decided on, which is much more satisfactory to all concerned. A similar light has also been installed at White Crossing.

WEDDING LEGER-ELDER
The marriage of Karen Gayle, daughter of Mr. and Mrs. Vernon N. Elder of Ste. Agnes to Mr. René Léger, son of Mr. and Mrs. Albert Léger, also of Ste. Agnes, took place on Saturday afternoon, August 26th, 1967, in Ste. Agnes Church. The Rev. Father Gagnon officiated at the double ring ceremony, assisted by the Rev. Lloyd B. Martin, a family friend and former minister of Zion United Church. Mrs. J. P. Latreille played the wedding music, and Mrs. John Suto sang, "The Wedding Prayer", prior to the ceremony, and "Divin Jesus", during the signing of the register. Standards of multi-coloured gladioli and baskets of early fall flowers were arranged in the Church. Guest pews were marked with bows of white satin ribbon from which fell tiny chapel bells.

The bride, who was given away by her father, wore a long, white silk organza gown fashioned with an Empire waistline and embroidered lace bodice. A detachable train of embroidered nylon tulle fell from soft shoulder bows, and her shoulder length veil of tulle illusion was held in place by a coronet of seed pearls. She carried a cascade bouquet of pink Sweetheart roses and white stephanotis.

Mrs. Ronald Fleming acted as matron of honour for her sister. She wore a street length gown of embroidered turquoise peau de soie with a matching headpiece, and carried a cascade bouquet of yellow carnations and white stephanotis.

Mrs. Elder, mother of the bride, chose a pale blue linen sheath dress with navy accessories, and a corsage of pink Sweetheart roses.

Mrs. Léger, mother of the groom wore a brown sheath gown featuring a lace bodice. Her accessories were beige, and she wore a corsage of pink Sweetheart roses.

Following the reception at the Country Manor, Bombay, N.Y., the young couple left on a trip to the New England States, the bride travelling in a beige linen dress and jacket with tangerine accessories. Her corsage was of white and tangerine tinted carnations. They are residing at 449 Dufferin Road in Valleyfield.

Rockburn
ROCKBURN — Miss Elizabeth Gaw of Huntingdon was a week-end guest of Mr. and Mrs. Wayne Sutton.

Mr. and Mrs. Bruce of Newcastle, N.B., were week-end guests of Mr. and Mrs. Arthur Bruce.

Mrs. James Lamb of Franklin spent Sunday at the home of her son-in-law and daughter. Mr. and Mrs. Ronald Maither.

Mrs. Berwick and daughter Debbie of Ottawa, returned to their home on Saturday after spending the past week with her grandmother, Mrs. J. Sloan.

U.C.W. Meeting
The September meeting of Rennie's U.C.W. was held in the Church schoolroom on Tuesday evening, September 5th, with eight members present. The president read Psalm 23, and explained why it is the best loved Psalm; this was followed by prayer.

Thank you letters from Mrs. Frier and Mrs. Erskine were read. Treasurer reported \$45.17 was cleared from lunch at Allan Wilson's sale.

Plans were made for the booth at Havelock Fair, and the usual booths did a thriving business, especially the home baking of bread, buns, cakes, pies and candy. The Rockburn booth sales amounted to \$172.

Meeting closed with the Mizpah and articles were then priced for the Fair Booth.
