MAIN ESTIMATES FOR THE FISCAL YEAR ARE TABLED

TOTAL ESTIMATED EXPENDITURE \$437,679,071, AN INCREASE OF \$137,996,632.

Ottawa, March 19.—The main estimates for the fiscal year which commences on April 1st, were tabled in the Commons today by Sir Thomas White. The total estimated expenditure is \$437,679,071, an increase of \$137,996,632 over the expenditure of the year which is just closing. The largest increase is in public works, which will be largely in connection with harbor improvement.

The sum to be expended will include thirty million dollars, required for the construction of vessels in accordance with the Government's ship-building programmes. Of the total proposed expenditure \$86,893,581 will be chargeable to capital account and \$351,785,490 to consolidated revenue account.

Very large expenditures are again to be made in connection with railways. The amount to be appropriated is \$50,296,681 which is an increase of over \$23,000,000 as compared with the current fiscal year. The remainder of the capital expenditure of five and a quarter millions will be in connection with public works generally.

The estimates tabled today are exclusive of war expenditure which will be covered by a special vote.

Pension Fund.

The amount provided for pensions is slightly over thirty million dollars an increase of almost fourteen millions over the current year. Almost one and a half is to be devoted to immigration and colonization costs, an increase of \$303,000. This does not include the expenditures in connection with land settlement for soldiers for which the sum of over twenty-five million dollars is to be voted. Another large proposed expenditure is \$24,783,480 provided the Department of Soldiers' Civil Re-establishment which includes the amount to be devoted to vocational training of returned men.

The Railway and Canals votes chargeable to capital include over eleven million dollars for Government Railway equipment. The appropriation for the Hudson Bay Railway is only one hundred thousand dollars, but western members hope that this will be increased in the supplementary estimates to be brought down later. The \$100,000 Hudson Bay vote is for Port Nelson terminals. Provision is made for the spending of \$3,500,000 on the Welland Canal.

Railways and Canals.

Railways and Canals votes chargeable to income total over thirty-six million dollars. This sum includes a loan not exceeding thirty-five million dollars repayable on demand with interest payable half-yearly at the rate of six percent, to be used to meet expenditures or indebtedness incurred in paying interest on securities to excess of the amount available from net earnings, or paying maturing loans of the Canadian Northern Railway Company, or any company included in the Canadian Northern System, and for construction and betterments, said loan to be secured by mortgage upon the undertaking of the Canadian Northern Railway System, containing such terms and conditions as the Governor-in-Council may approve.

Harbor and River votes chargeable to capital include three hundred thousand dollars for improvement at Port Arthur and Port William, \$750,000 for improvements at St. John and \$500,000 for Toronto harbor improvements.

Public Works.

Miscellaneous Public Works votes include \$35,000 for a monument to the late Sir Wilfrid Laurier. An additional \$2,000,000 will be voted in connection with the construction of the new Parliament Buildings at Ottawa. Public Works votes chargeable to capital include \$478,000 for the River St. Lawrence ship channel, and \$163,900 to complete the dredging plan for the St. Lawrence River from Montreal to Father Point.

General miscellaneous votes include the \$25,000,000 to be loaned to the Provincial Governments to encourage the erection of dwelling houses. The sum of \$100,000 will be voted to cover the expenses of the Canada Trade Commission, while \$20,000 is provided

RHYL RIOTS IN BRITISH HOUSE

WAS WET CANTEN RESPON- SIBLE FOR THE RECENT DISTURBANCES.

London, March 19.—(Canadian Press despatch, from Reuter's Ltd.)—In the House of Commons today Mr. Sidney Robinson drew attention to the statement that in connection with the disturbances at Kinnel Camp the wet canteen had been established in Canadian camps in direct contradiction to Canadian wishes and that if there had been no liquor at the Rhyll Camp there would have been no disturbances. He asked what steps the Minister of War proposed to take to prevent a recurrence of such happenings.

Mr. MacMaster also asked the Minister of War whether he had received a statement that the conduct of the Canadian soldiers at this camp was particularly good and that the real cause of the discontent was the failure to provide shipping facilities to enable them to return to their homes.

Right Hon. Winston Churchill, the Minister of War, replied that he had received a report furnished by the Canadian authorities but that the matter had been left entirely in the hands of the Canadian authorities. He did not think that it was his business to deal with it beyond the extent to which he was forced by specific questions.

Wet canteens were not and never had been provided for the Canadian troops except on the decision of the Canadian authorities and he was informed that so far from their provision causing disturbances, it was believed that they had quite a contrary effect.

BRITISH FLEET INVITED

Secretary Daniels Extends Invitation To Visit New York

Washington, D.C., March 19.—Navy Department officials said today Secretary Daniels during his trip abroad probably would invite the British Government to send the Grand Fleet to New York for a visit during the coming summer. Such an invitation was extended informally by Assistant-Secretary Roosevelt when he was in England just before the signing of the armistice.

Santiago, March 19.—Announcement as made here today that Great Britain will send a fleet of twelve warships to tour South America. The fleet will leave Europe as soon as the peace treaty is signed.

TWO BRITISH BUDGETS ANNOUNCED

London, March 19.—Speaking in the House of Commons today on the second reading of the Appropriation Bill, Lord George Lambert, former Civil Lord of the Admiralty, said there were two budgets this year, aggregating 1,500,000,000 pounds, and that if this sum were to be raised by taxes it would mean fifteen shillings in the pound income tax and the doubling of the duties on tea and sugar. The Chancellor of the Exchequer, a member added, would have to resort to borrowing. He appealed to the Government to be resolute in restoring the export trade, unhindered and unchecked by any "absurd Government regulations."

CLOTHING WORKERS GO ON STRIKE

Cleveland, Ohio, March 19.—Four thousand men's clothing workers of Cleveland, employed in forty factories, went on strike today, according to Louis Hollander, general organizer of the Amalgamated Clothing Workers of America. A strike vote was taken last night. The workers demand a forty four hour week, complete recognition of the union and thirty percent increase in wages for all workers.

HUNGARIAN ELECTIONS.

Budapest, March 19.—(Havas)—The Government has set April 13 as the date for the election of delegates to the Hungarian National Assembly.

ed to meet the cost of the Canadian War Mission at Washington.

The vote covering surveys of water power resources has been increased from \$144,000 to \$182,000.

The amount provided for the naval service is \$11,805,000, an increase of \$275,000.

UNITED STATES UNPOPULAR IN VLADIVOSTOCK

NEWSPAPERS FULL OF TIRADE AND INGENUOUS DISTORTIONS OF FACTS.

Vladivostok, Monday, March 17.—(By The Associated Press).—Never since the landing here of troops in August has there been such widespread criticism of the United States. The newspapers are full of tirades and ingenious distortions of facts calculated to sow discord among Americans, Russians and the Allies. It is an unquestioned fact that there is a systematic campaign. Some newspapers of Siberia, it appears, have been subsidized and are distinctly hostile to the United States.

The Russians, never confident regarding the intentions of the Americans, have been ready listeners and the legitimate Russian press prints and editorializes on the fabrications that have been put in circulation.

Beginning with the disappointment over the passiveness of America's intervention the sentiment developed mistrust and an outspoken hostility in many quarters to the Princes Islands proposal for a conference of all Russian factions with the Allies justly or otherwise credited to President Wilson. Americans were instantly dubbed friends of the Bolsheviks, and the idea was quickly utilized by an unfriendly press and accepted in the political circles of the Russians generally. There is an effective means here of combatting this propaganda and the result is that the United States has few champions in any class or party.

CANADA GROWING.

Estimated Population Today Placed at 8,835,000.

Ottawa, March 19.—Canada's estimated population today is 8,835,000, according to an answer given to Mr. Tobin in the House. The population last census was 7,206,643.

Sir Thomas White informed Mr. Kay that up to March 12th, 1919, the Newsprint Commission had cost the country \$73,945. The investigation had enabled the various newspapers to continue by regulating the supply and cost of paper, thus making it possible for the Government to give greater publicity to the various war loans and other necessary measures.

Hon. J. A. Calder told Mr. Proulx, that the cost of the Repatriation Committee to March 11th, was \$60,720. There were fifty employed in the work of the committee at the present time. Salaries to date totalled \$20,364.

WANT GRAIN

MAN RETAINED

Chicago, Ill., March 19.—The Chicago Board of Trade adopted resolutions today asking President Wilson to retain Julius H. Barnes as President of the Grain Corporation of the Food Administration until the wheat crop of 1919 shall have been marketed. It is suggested that Mr. Barnes, himself one of the most important grain exporters in the country be given a salary and that his patriotism be appealed to if necessary to persuade him to remain. It is further urged that J. J. Stream and Howard Jackson be retained in the Grain Corporation.

FISHERMEN IN CONTROVERSY

Washington, D.C., March 19.—Controversies over working conditions involving several thousand fishermen along the Atlantic seaboard between Provincetown and Portland, including employees of the Gloucester fisheries and many of those in the Boston fishing fleet, were referred today to the War Labor Board for settlement. Henry J. Steffington, a labor conciliator, got the men and employers to agree to the submission to the Board, which will conduct hearings, the dates for which have not been set.

KINGSTON WOMAN MURDERS BABY.

Kingston, Ont., March 19.—Mrs. Lovice Thompson, of Kennebec, was this morning committed for trial by Magistrate Farrell on the charge of murdering her two-week-old baby. Dr. W. T. Connell, who made a post-mortem of the body of the child, stated that it had been suffocated by a handkerchief being stuffed in its mouth.

Two of the nurses identified the body as the child of Mrs. Thompson.

URGE FORMATION OF GREEK STATE AT PONTUS.

New York, March 19.—Cablegrams urging the formation of a free democratic Greek state, at Pontus, in Asia Minor, and protesting against the union of that district with Armenia were received by Premiers D. Lloyd George and Clemenceau and President Wilson. Sava Kehaya, President of the Greek-American Pontus League, announced here today. Mr. Kehaya says he represents 40,000 Greek members of the league with branches in various American cities.

WILL ASK POLES AND UKRAINIANS TO CEASE FIGHT

SUPREME COUNCIL CONSIDERS SITUATION IN GALICIA.

Paris, March 19.—The situation in Galicia was considered today by the Supreme Council and it was decided to request the Poles and the Ukrainians to cease hostilities under certain conditions.

The text of the official statement containing this announcement issued this evening, follows:

"The Supreme Allied Council met this afternoon between 3 and 7 o'clock. An exchange of views took place in regard to the military situation in Galicia. The Council agreed on the terms of an injunction to be addressed to the two armies facing each other in front of Lemberg, requesting them to suspend hostilities at once, on certain conditions.

"The Council then dealt with the western frontier of Poland and heard the report of the Commission on Polish Affairs, which was presented by its Chairman, M. Jules Cambon.

"The next meeting will be held on Friday, March 21, at 3 p.m."

Labor Commission.

The following official communication regarding the Labor Commission meeting was issued this evening:

"The twenty-eighth and twenty-ninth meetings of the Commission on International Labor Legislation took place today. The special sub-committee appointed to find a solution of the difficulties which have arisen in regard to application of labor conventions by certain federal states presented a report suggesting a solution which was adopted by the Commission.

"The final reading of the British draft convention for the establishment of a permanent organization for international labor legislation was completed and the draft convention as amended was adopted by the Commission for submission to the Peace Conference.

"The Commission then continued the discussion of the labor clauses to be recommended for inclusion in the treaty of peace."

League of Nations.

The following committee has been named to meet the representatives of neutral countries to discuss the League of Nations:

Yvon Bourgeois, France; Lord Robert Cecil, Great Britain; E. Venizelos, Greece; Paul Hymans, Belgium; Colonel E. M. House, the United States, and Dr. M. R. Vernitch, Serbia.

The American delegation, it is said, plans to accept a limited number of amendments to the League of Nations covenant. Secretary of State Lansing will preside over the meeting of delegates of neutral countries Thursday to hear their views on the situation. It is expected that the League of Nations Commission will then re-assemble and perfect the amendments and that the completed covenant will then be attached to the peace treaty.

Italian claims before the Peace Conference will encounter no difficulties and a solution will be easy, according to the Paris correspondent of the Giornale D'Italia of Rome.

STEAMER ABANDONED.

Crew of Thirty-Eight Were Taken Off With the Captain.

Eastport, Me., March 19.—The British steamer Troja, which grounded on Old Proprietor ledge, southeast of Grand Mann, N.B., yesterday, was abandoned late today. All on board were saved. The crew of 28 men were taken off early in the day by the Wood Island life-saving crew and Captain John Cairne, left the ship several hours later.

The Troja, registering 1,653 tons, was bound from Louisburg, N.S., for St. John, Nfld., with 3,650 tons of coal. She struck the ledge yesterday forenoon, when running through a dense fog with a heavy southeast wind. The life-savers reported that the steamer was full of water, and would be a total loss.

ANOTHER ARMED BANK HOLD-UP

Freeport, N.Y., March 19.—Four men armed with revolvers, held up the employees of the First National Bank in the heart of the business section of Freeport today and taking all the cash on the cashier's counter, escaped in an automobile. It was reported that the men obtained about \$5,000.

Two hours later a motor cycle policeman in Jamaica, a suburban district of Brooklyn, spotted the highwaymen's car and gave chase. He soon overtook it and the four occupants jumped out and started to run. The police shot one in the back and captured another, but the other two escaped into the nearby woods. The condition of the wounded man is not serious. The stolen money was recovered.

SMOKE MACDONALD'S "INDEX"

REVOLUTION OF THE MENSHEVIKI AGAINST SOVIET

MODERATE ELEMENT RISES IN PETROGRAD SAYS UN- CONFIRMED REPORT

London, March 19.—There are unconfirmed reports that a revolution of the Mensheviks, or moderate element of the Social Democratic Party, against the Soviet Government has broken out in Petrograd, according to a German Government wireless despatch received tonight.

Russian non-Bolshevik forces, having been defeated by Soviet troops have retired toward Odessa from north of that city, according to a Russia wireless despatch dated in Moscow on March 17.

The Bolsheviks on Saturday attacked the town of Morjegoskaya, 130 miles south of Archangel, but were repulsed according to a Russian official despatch received here today.

The enemy left fifty seven dead and many wounded behind them, while five un wounded prisoners and six machine guns were taken from them.

THE SOLDIERS' COUNCIL

Anti-Military Agitation Reported In Northern Norway by Posten

Gothenburg, Sweden, March 19.—"The Soldiers' Council," according to a Christiania despatch to the Gothenburg Posten, has issued a proclamation to those liable to military service exhorting them to demand the right to determine their own military disposition and to place military authority in the hands of the soldiers instead of the officers. The proclamation also calls for the disarmament of the bourgeoisie should they defend themselves from the Red Guards.

The Christiania despatch probably refers to some action taken in Northern Norway. For more than a year there has been anti-military agitation in the north. A report received in Christiania on March 7th, said that Russian agents were aiding in a revolutionary movement in Finmark, the northernmost part of Norway. There has been nothing to indicate that the agitation has spread southward to Christiania.

The Weather

Toronto, March 19.—The weather has been cold today in the Western Provinces and fair and comparatively mild in Ontario and Quebec. Light local showers have occurred near the Bay of Fundy.

EVA A. TINGEY,

AT THE THEATRES

VIVIAN MARTIN TODAY

AT AUDITORIUM, CAVALIERI

TOMORROW AND SATURDAY

Vivian Martin will be featured to-day only at the Auditorium in a Paramount production, "YOU NEVER SAW SUCH A GIRL." This is a melodramatic production full of "pep" and amusing situations. The bill for today also includes a comedy, "OH! ETHEL."

Lina Cavallieri will appear tomorrow and Saturday at the Auditorium in a stirring drama of modern life "THE TWO BRIDES." It is a very big attraction and with the artist's renown, this play will certainly prove a treat to all lovers of good performances.

The comedy, for tomorrow and Saturday will be one of those screaming productions by Mac Sennett and it will be entitled "NEVER TOO OLD."

No change in prices. Tax included.—Adv.

NAZIMOVO AT VICTORIA,

LAST SHOWING TODAY

Today will be the last opportunity Quebecers will have of seeing Mme. Nazimova in "EYE FOR EYE" at the Victoria Theatre. This picture has proved to be a tremendous sensation and no one can afford to miss it. On the same bill today there will be shown, the second episode of "THE MAN OF MIGHT" serial, featuring William Duncan.—Adv.

ENID BENNETT AND EDDIE

POLO AT THE EMPIRE TODAY

Dainty Enid Bennett in Thomas Inces' "FUSS AND FEATHERS," very human story with a lot of good fun and an example of how snob-business is sometimes severely dealt with, was the feature attraction at the Empire yesterday. The same picture is being shown again today, along with Eddie Polo in "THE LURE OF THE CIRCUS" tenth episode and an up-to-the-minute Alice Howell L. Ko. comedy. Tomorrow beautiful June Elvidge in "THE APPEARANCE OF EVIL" will be the feature shown.—Adv.

INVESTIGATED OUR MINERALS

Although the United States Department of the Interior has been working almost since the beginning of the war for an appropriation and authorization to assist in and stimulate the reduction of necessary minerals and metals, which by being produced at home would save precious ship tonnage for immediate war uses and make America independent of outside supplies, it was not until the last days of September that Congress finally passed and the President approved a bill for those purposes, carrying with it an appropriation of \$60,000,000 for capital and \$500,000 for administrative expenses. Congress did, however, early appropriate \$150,000 for the Bureau of Mines to use in making a survey of developmental possibilities and for co-operative work with private producers. With this small fund the bureau created an investigating corps of about fifty scientists, engineers, and helpers, supplemented by occasional co-operators. Directly or indirectly the mineral possibilities of the country were minutely examined from the Atlantic to the Pacific, and from Canada to Mexico. Investiga-

The April issue of the Delineator has just arrived and is a remarkably interesting number, which every one should have.

Price, each 20c; by mail, please add three cents for postage.

Retail Division . . . 157-173 St. Joseph Street.

COMMONS TURN TO BUSINESS FROM ADDRESS

BOTH GOVERNMENT AND PRIVATE MEMBERS HELD AN INNING YESTERDAY.

Ottawa, Ont., March 19.—Both the Government and private members had an inning in the Commons at the first business session subsequent to the conclusion on the debate on the Address. A large number of questions which members have placed on the order paper since the House opened were answered and orders for papers passed, the majority without discussion.

When Government business was taken up and before the House adjourned at six o'clock progress had been made on several bills and resolutions.

At the adjournment Sir Thomas White announced that the resolution on which a bill will be based giving Parliamentary sanction to the Orders-in-Council appointing Hon. J. D. Reid, Receiver of the Grand Trunk Pacific Railway will be proceeded with on Thursday. In connection with this the Acting-Prime Minister will make a statement of the Government's policy in connection with the Grand Trunk Pacific and Grand Trunk Railways.

Government legislation put through the committee stage included the Act to amend the Yukon Placer Mining Act, and the Act to amend the Irrigation Act. Resolutions adopted included one providing for the issue of a smaller one-cent piece and another authorizing the banks to issue excess circulation until financial conditions become normal. Sir Thomas White expressed the opinion that this would be in about two years.

In the House of Commons today, Hon. Rodolphe Lemieux moved a resolution asking the Government to institute a good steamer service between the Magdalen Island and Picton during the season of navigation between April and Christmas. The resolution was adopted by the House and Hon. A. K. MacLean expressed himself sympathetically regarding the matter.

Mr. Lemieux said there was general dissatisfaction about the manner in which privately owned subsidized vessels were managed and he suggested that a steamer service controlled by the Government would be the most satisfactory.

He could not yet say what was to be done next season. He suggested, however, that the merchants of the Magdalen Islands could lessen the transportation problem by ordering their Christmas and winter supplies earlier than they have been in habit of doing.

Hon. Mr. Crear was asked a series of questions in regard to the Canada Food Board. He told Mr. Sinclair that up to December 31st last, 78,916 licenses were issued by the Food Board for the sale of foodstuffs. The sum of \$336,261 was charged in fees for the licenses. Licenses were still in force for millers and packers. It was not intended to continue the issue of the licenses beyond expiry of the present licenses.

Total expenditure of the Food Board from June 21, 1917, to December 31, 1918, was \$623,111.

In reply to a question by Mr. Stevens, Hon. A. K. MacLean said that on February 14 last, grain storage in elevators or on ships in Canadian ports east of Lake Superior was as follows:

Canadian grain 18,347,147 bushels; American 6,191,846 bushels.

During the 1918 season of navigation lake shipments of the wheat crop of 1918 from Fort William and Port Arthur totaled 50,565,345 bushels.

The House gave third reading to the bill amending the Yukon Act. The amendment provides for a reduction in the membership of the Yukon Council from ten to three. Amendments to the Statistics Act and Railway Belt Act were also given third reading.

The Yukon Placer Mining Bill was then taken up in committee. It aims to protect the claims of soldiers who went overseas, and also allows former owners of claims to re-locate after one year. It was given second reading.

A resolution of Sir Thomas White providing for the continuation in operation of certain provisions of the Finance Act, which have been operating during the war under proclamation,

GRAIN GROWERS ARE INDIGNANT

COL. CURRIE'S ATTACK IN COMMONS ROUSES WESTERN IRE

Calgary, Alta., March 19.—Both C. Rice Jones, General Manager and Vice-President of the United Grain Growers, and H. Higginbotham, Secretary of the United Farmers of Alberta, were indignant today at the attack upon H. W. Wood, the President of the latter organization, by Colonel J. A. Currie, in the House of Commons.

"The statement that the United Farmers of Alberta sent out a man to preach Bolshevism is an absolute falsehood," exclaimed Rice Jones, "and to say that Mr. Wood is an annexationist is equally ridiculous. Such statements are only to be expected from a man like Colonel Currie, who appears to be the 'chore boy' for the Manufacturer's Association in the House of Commons. If the manufacturers think that they are going to hoodwink the public by attempting to appeal to patriotism they will be badly mistaken," said Mr. Jones.

"We don't have to pay people to go out to talk tariff reduction," said Mr. Higginbotham. "I suppose that is what Colonel Currie calls Bolshevism, because it will upset the traditional national policy. A good many things are being changed in Canada and some people at Ottawa will shortly realize, if they have not already done so."

CANADIAN PACIFIC FINANCES

Corporation Shows Net Earning for 1918 of \$34,502,388

Montreal, March 19.—The receipts of operations of the Canadian Pacific Railway Company for the year ending December 31st last were:

Gross earnings from railway and lake steamers \$157,537,698.

Working expenses, \$123,035,310.

Net earnings from railway and lake steamers \$34,502,388.

Deduct fixed charges, \$101,177,513.

Surplus, \$24,324,875.

Deduct contributions to pension fund \$500,000.

Deduct net earnings of commercial telegraph, January and February, transferred to special income account \$28,977.

Net revenue from earnings of railway and lake steamers available for dividends \$23,606,908.

After payment of all dividends declared for the year the surplus from earnings of railway and lake steamers is \$2,208,631.

Special income for year after making allowances for contingent reserves \$8,128,751.

KOREA PROCLAIMS HER INDEPENDENCE

Washington, D. C., March 19.—Advices to the State Department today from Vladivostok state that the Korean National Council at Nikol'skoe, on the Ussuri River, Siberia, has transmitted to all consulates the declaration of independence of Korea. The Koreans paraded through the city under Korean banners, distributing translations of the declaration in Russian. No disturbance was created.

tion was then considered. These provisions among other things authorize chartered banks to issue excess circulation. Sir Thomas White explained that under the provisions of the Finance Act this proclamation could only be issued in cases of war or financial crisis or other similar emergencies. The financial situation at present, however, owing to the length of the war, made it advisable to continue the provisions until conditions became normal. It was essential that this would be accomplished in about two years.

In connection with this resolution, the Minister of Finance gave a brief review of the financial situation. He said that of all the belligerents who had been in the war since its beginning, the condition of Canada was, he thought, best. Before the war Dominion notes outstanding totaled \$112,000,000 and against this the Government held \$90,000,000 in gold. During the war the note circulation has expanded to \$319,000,000 and the holdings of gold to \$112,000,000. In addition to this security for the note circulation, the Government held Imperial Government, Provincial and Municipal bonds and railway securities.

In reply to Frank S. Cahill, Sir Thomas White replied that the regulations regarding the export of gold from Canada were still in effect. It was necessary, under present conditions, that we should reserve our gold supply. The resolution was passed. Sir Thomas White introduced the resolution which was passed unanimously and which has for its purpose to provide for the issue of a new one-cent piece smaller than the present coin. He said the new coin will weigh only fifty grains and will be a little larger than the ten-cent silver piece and figure so that it will be easily distinguished by the touch. The old one-cent piece will continue in force and the new one will be issued by proclamation.

MORE HELP FOR THE EXHIBITION

FEELING OF COMMISSION IS PROVINCIAL GOVERNMENT SHOULD DO MORE

The general feeling at the meeting of the Exhibition Commission last night seemed to be that more assistance might be received from the Provincial Government in the way of an increased grant or in the erection of a special building for agricultural merit.

Representations have already been made to the Government on this matter, and while the commission has never been refused nothing has been definitely promised and the commission seemed to be under the impression that with the close of the war the government would be more generous to the exhibition.

Ald. Gauvin proposed a motion of thanks to Mr. L. A. Cannon for his defence of the Quebec Exhibition in the Legislature. The motion was unanimously carried.

Continuing Ald. Gauvin held that the Government should increase its grant or erect an agricultural building. He said that the Government with its immense profits should do more for the exhibition. He suggested that a delegation of the commission and these decorated for agricultural merit should wait on the ministers and urge the matter.

Mr. Cannon pointed out that petitions to that effect had already been sent in.

Mr. Gauvin—"A delegation would have more weight."

Mr. Cannon believed that when the celebration of the "agricultural merit" was being held during the exhibition it would be a good time to take the matter up.

Ald. Fiset said that he did not wish to complain of what the Government had done already, but was convinced that it should do more and an additional grant of from \$10,000 to \$12,000 for agricultural merit would be very appropriate.

At the request of Ald. Fiset it was decided to ask the Provincial Government to defray the cost of the booklet on agricultural merit as had been done in the past.

WOULD FORM THIRD PARTY

Regina, Sask., March 19.—With a view to forming a third political party in Canada, recruited from the ranks of the Great War Veterans' Association, Grain Growers and Labor, a resolution is to be introduced at the Provincial G. W. V. A. Convention in Moose Jaw next month, by J. C. Seccord, of this city, a returned major. The father of this resolution stated today that he would not present his resolution to the Veterans as members of the Association, but as citizens.

ARCHBISHOP'S INSTALLATION

Most Rev. Patrick Joseph Hayes Succeeds Late Cardinal Farley.

New York, March 19.—Army and navy officers of high rank, dignitaries of the Catholic Church and laymen attended the installation here today of Most Rev. Patrick Joseph Hayes, Bishop of the American Army at the front, as Archbishop of the Diocese of New York to succeed the late Cardinal Farley. The ceremony, which took place in St. Patrick's Cathedral, was simple but impressive. More elaborate services will be held after Easter when the pallium or insignia of office is received here from Rome. Special papal dispensation made possible the installation of Archbishop Hayes during Lent.

Addresses were delivered by Monsignor John Bonzano, Apostolic Delegate, Monsignor Mooney, Chaplain George J. Waring, of the 11th Cavalry and Supreme Court Justice Victor J. Dowling.

TORONTO NEWS

CHANGES NAME

Toronto, Ont., March 19.—It is reported that the Toronto Daily News, after an existence of thirty-nine years, will pass out of existence on Friday, and will re-appear thenceforward as the Times. The paper recently changed hands, and it is stated to have been taken over by a strong independent company.

WOULD RESUME DIPLOMATIC RELATIONS.

Paris, March 18.—(Havas)—The French Government, the Petit Parisien announces, desires to resume at least unofficially, diplomatic relations with German-Austria. Foreign Minister Pichon, it adds, has called to Paris Henri Allize, the French Minister at The Hague. The paper says that M. Allize probably will be sent to Vienna.

Paris, March 19.—A rumor that Premier Clemenceau had resigned which was current here today was denied in official quarters this evening.

NEW PUBLIC UTILITY ISSUE

OTTAWA GAS BONDS OFFERED BY ROYAL SECURITIES CORPORATION — A SOUND SECURITY.

(Exclusive to "Chronicle")

Montreal, Mar. 19.—Investors will be interested in the announcement that a public offering is being made by Royal Securities Corporation, Limited, of the unsold balance of a new issue of \$850,000 Ottawa Gas Company, Twenty-Year 6% Refunding Mortgage Sinking Fund Gold Bonds, guaranteed unconditionally as to principal and interest by Ottawa Light, Heat and Power Company, Limited.

The issue was purchased by Royal Securities Corporation two weeks ago, and it is understood that in the meantime a very successful private offering of the Bonds has been made. The remainder of the issue is now being offered for public subscription at 101, and interest, yielding over \$59,000 yearly on each \$1000 invested. If the success that has attended recent Bond issues offered the Canadian public may be taken as a criterion, the Bonds will be quickly placed, for the issue presents features which make it a sound, conservative investment.

Its purpose is to partly reimburse The Ottawa Gas Company for expenditures amounting to \$125,000 made on its properties during the past six years and to provide funds for the completion of its new water gas plant and other extensions to keep pace with the growing demand for its service. With the completion of the new plant, within ninety days, The Ottawa Gas Company will have one of the most modern gas plants in America with a total capacity of over 2,750,000 cubic feet of gas per day.

Something of romance surrounds the history of The Ottawa Gas Company, for it is one of the oldest on the continent, its beginnings antedating Confederation by thirteen years. It was back in 1854 that it was given a perpetual charter and franchise for operation in the Cities of Ottawa and Hull by Act of the Parliament of the Province of Canada. It is the only gas company doing business in Ottawa to-day and is, therefore, solidly entrenched in the Capital of the Dominion and one of Canada's richest and most prosperous cities.

The new issue is thoroughly secured not only by assets and earnings of The Ottawa Gas Company itself but by the unconditional guarantee of Ottawa Light, Heat and Power Company, the holding company of The Ottawa Gas Company and The Ottawa Electric Company, the latter being the only private company doing an electric business in Ottawa to-day.

Property values of The Ottawa Gas Company are conservatively estimated at more than three times the total of its Bonds outstanding. For 1918, Net Earnings of the Gas Company were more than three times, and the combined Earnings of both Companies are more than six times, the annual interest charges on the new issue.

Issues of public utility Bonds of the calibre of The Ottawa Gas offering have been rare during the war, a circumstance which should tend to make the new Bonds more than usually popular with the investing public.

Helping Nature, the Key to Good Health

Watch for these symptoms

Kidney or Bladder affections don't develop seriously until Nature has given you plenty of warning that the trouble has commenced.

Constant headaches, dizziness, pains in the back or sides, swollen joints and ankles, brick dust deposits, or painful urination should make you realize positively and beyond doubt that your kidneys are out of order and need assistance.

Nature is wise and never sends out unnecessary or foolish warnings. Her call is for help, and you must do your part by bringing relief to those overburdened kidneys, or suffer the consequences.

Rheumatism, Lumbago, Sciatica, Gravel, Stone in the Bladder, Neuritis, etc., are all caused by inflamed or congested kidneys and the consequent deranged kidney action. Don't suffer the agonies produced by these diseases. Help Nature to relieve the congestion—to heal those inflamed kidneys and to make them strong once more—by taking GIN PILLS.

Gin Pills are the best remedy for Kidney and Bladder troubles on the market to-day. This is a fact proven by hundreds of testimonials. Try them and be sure of instant relief. For sale everywhere at 50c a box. A sample box free if you write to—

The National Drug & Chemical Co. of Canada Limited, Toronto, Ontario, U.S. residents should address N. Druggists, Inc., 200 Madison St., N.Y.C., N.Y.

APPROPRIATIONS FOR EXHIBITION

SUBMITTED TO COMMISSION LAST NIGHT AND APPROVED — OTHER MATTERS.

The Exhibition Commission at a meeting last night considered the appropriations for the year 1918-1919 totalling a sum of \$67,000, which were approved as was also the amount of the expenses incurred since the closing of the last term in October, 1918, aggregating \$7,279.79, and which will thus reduce the budget for the coming season to a sum slightly less than \$60,000.

Mr. L. A. Cannon, the Chairman, presided at the meeting and among those present were: Ald. U. Gauvin, Mr. George Van Felson, Ald. Mercier, Ald. Bouchard, Mr. Jos. Savard, Ald. Martin, Mr. C. E. Morissette, Mr. J. A. Drolet, Ald. Lesage, Mr. Joseph Tanguay, Ald. Fiset, Ald. Lantier, and Mr. Georges Morisset, secretary of the Commission.

At the opening of the meeting a letter was read from the St. Jean Baptiste Society requesting that the Commission place the Exhibition Grounds at their disposal on the 24th June, St. Jean Baptiste Day, free of charge. The decision of the Commission was that the St. Jean Baptiste Society may have the grounds on that day, but the fee charged for admission to the grounds must not exceed ten cents for each person. The Society will also be given full use of the grand stand, as well as other parts of that building, and is free to charge whatever it desires for admission to the grounds and the grand stand. The Commission will claim twenty-five per cent of the gross receipts and will reserve for itself the right to operate all other amusements within the grounds, such as the scenic railway and other mechanical devices solely for its own profit.

Having in accordance with the order of the City Council reduced the office staff of the Exhibition, the Commission received letters from three employees, one asking for a month's salary, and the other two claiming two weeks' pay. It was decided after a long discussion to grant two weeks' pay to all three.

The appropriations as authorized are as follows: Administration... \$14,200. Agriculture... 18,200. Publicity... 7,000. Concessions and Privileges... 2,000. Attractions... 15,000. Attractions during summer... 10,000. Total... \$66,400.

But the Budget was placed at \$67,000 round figures. The resolution passed ratifying the Budget specified that the total expenditures, except for repairs and maintenance, must not exceed \$67,000. While no definite decision was taken, it was explained by Ald. Bouchard (St. Roch's), chairman of the Civic Public Works Committee, that City Engineer Barilhaire had estimated the cost of the temporary repairs required at \$17,728 to have everything in good order for the next fair. Mr. Bouchard further explained that repairs would be made to the industrial palace which would fit it for the requirements of exhibitors. He pointed out that it would not be necessary to put on a new roof which would cost between \$9,000 and \$7,000, but to repair the present roof which was generally good.

On the question of publicity for which \$7,000 is allotted, Chairman Cannon held that the Commission should endeavor to do more in that direction. He thought that English publicity should be sent throughout the Dominion, announcing the Quebec Exhibition, and at the same time advertising the City and its advantages. The publicity campaign will be studied at the next meeting. A suggestion was made by Ald. Bouchard that portions of the Exhibition Grounds be ploughed and converted into a garden, which might be used for demonstration purposes for the practical raising of vegetables. Mr. Morisset explained that last year he had spoken of the matter to Mr. Lavoie, of the Provincial Department of Agriculture, but the latter had stated that the land at the Exhibition Grounds was not suitable and would have to be worked considerably before it would produce good results.

The matter was left over for further consideration. There was mention of the suggestion made last winter by Mr. George Van Felson relative to the erection of a Victory building and a triumphal arch at the Exhibition Grounds, to commemorate the victorious closing of the war and also to perpetuate the memory of the Canadian heroes who had fallen.

Mr. Van Felson replied that it was too late now, but if it had been acted on in time the Federal and Provincial Governments might have become interested in the matter and results might have been obtained.

ALLENBY IN PARIS

Paris, March 19.—General E. H. Allenby, Commander of the British Forces in Palestine, arrived here today from Egypt to advise the Supreme Council on Near Eastern questions.

PRINCESS PATS NOW NO MORE

DEMobilIZATION OF OVERSEAS BATTALION COMPLETED YESTERDAY.

Ottawa, Ont., March 19.—The famous Princess Pat's Canadian Light Infantry, Canadian Expeditionary Forces, is no more. Demobilization was completed shortly after 7 o'clock tonight, the last man being discharged and the unit disbanded. It is considered the demobilization constitutes a record for speed, as the men did not reach their barracks for dinner until shortly before one o'clock this afternoon. There was a touching scene as Lieutenant-Colonel A. H. Gault, the organizer of the unit bade the men farewell. Many of the men left for their homes tonight, those living at a distance being provided with first-class sleeper accommodation and tickets, in addition to generous allowance or meals enroute. Toronto and Western men were among those leaving tonight.

STEEL CONFERENCE

Initial Steps Taken to Bring About Reduction in Prices.

Washington, March 19.—The initial steps toward bringing about a reduction of prices and stabilization of the basic commodities were taken today at a conference of representatives of the Steel industry with the Department of Commerce's recently organized Industrial Board. The steel men, headed by E. H. Gary, Chairman of the American Iron and Steel Institute, met with the board and heard a separate conference. Another meeting with the board will be held tomorrow. The attitude of the steel manufacturers toward the board's proposals was not announced. The board, however, in a statement issued after the initial conference said that while "an actual decision on a lowered scale of prices" had not been reached, "satisfactory progress has been made."

Chairman Peck, of the Board, was quoted as saying the steel men had shown an entire willingness "to cooperate in making effective any programme that will hasten the return to normal conditions."

INCOME TAX FOR JAMAICA

Kingston, Jamaica, March 19.—The Legislative Council is considering an income tax bill which would impose a tax on all insurance and shipping companies doing business with Jamaica.

As a result of the withdrawal of embargo restrictions, arrangements are being made to ship \$2,000,000 worth of rum to the United Kingdom.

ARRANGING TRANS-ATLANTIC FLIGHT.

New York, March 19.—The Aero Club of America, announced tonight that it had been notified by the Royal Aero Club of the United Kingdom of the appointment of Major Partridge, of the Royal Air Force, as official observer at St. John's, Nfld., for the trans-Atlantic flight which will start from Newfoundland.

SOCIALIST CONFERENCE

Montevideo, March 19.—Announcement was made here today that a pan-American socialist conference will be held in Montevideo in April. The programme includes consideration of the attitude of labor and socialism toward the Tacna-Arica problem.

OTTAWA CHEERS PRINCESS PAT'S

Ottawa, March 19.—Forty thousand enthusiastic citizens today gave royal welcome to the Princess Pat's, Canada's most spectacular fighting unit. Practically all business was suspended and the route of march from the Central Station to the Exhibition Grounds, more than two miles, was lined with a cheering crowd.

EXPERIMENTS IN TRANS-ATLANTIC WIRELESS PHONE

SUCCESSFUL TRIALS BETWEEN GLACE BAY, N. S., AND CLIFTON, IRELAND.

Montreal, March 19.—Experiments in wireless telephony across the Atlantic have been proceeding for some time between the Glace Bay, N. S., and the Clifton, Ireland, stations of the Marconi Company. The London announcement indicates that they have been successful. Experiments are still being continued.

Halifax Retient.

Halifax, N.S., March 19.—Officials of the Marconi Company here declined to comment on the announcement that wireless telephony had been established between Ireland and Canada. If the announcement were correct, the two places would probably be Louisburg, N.S., and Clifton, Ireland. Experiments in wireless telephony have been proceeding for some time at both these stations and considerable equipments for the purpose has been installed at each.

DR. W. K. WILKINS UNDER ARREST

ALLEGED WIFE - MURDERER

FOUND NEAR PENNSYLVANIA R. R. TERMINAL

VANIA R. R. PENNSYLVANIA

New York, March 19.—Dr. Walter K. Wilkins, who disappeared Sunday a few hours before a warrant was issued for his arrest on the charge of having murdered his wife at their summer home in Longbeach last month, was arrested near the Pennsylvania Railroad terminal in this city tonight soon after his arrival from Baltimore. He returned voluntarily.

Long Beach, N. Y., March 19.—Receipt of a telegram from Baltimore signed with the name of Dr. Walter K. Wilkins, wanted on a charge of murdering his wife, was announced today by District Attorney Weeks, of Nassau County. The telegram reads: "Morning newspapers say my case is to be presented to you today. Would like to appear. Am returning to put my self in your hands. W. K. Wilkins."

The police announce they are investigating a theory that Mrs. Wilkins was murdered by professional thugs hired for that purpose but they refused to divulge any of the facts on which this theory was based. Stories of three strange men having been seen near the Wilkins home, and of lights turned on in the upper story of a vacant house opposite on the night of the crime have been reported to the police.

The Quebec Chronicle

Printed and published by The Chronicle Printing Company, D. Watson, General Manager, at the building of the Company, 9 Buede Street, Quebec.

QUEBEC, MARCH 20, 1919

MANY HAPPY RETURNS

It is in a spirit of sincerity that the Chronicle wishes "many happy returns of the day" to Sir Lomer Gouin who yesterday celebrated the fifty eighth anniversary of his birth.

While a sense of duty to his party, or a matter of preference, has hitherto confined the energies of Sir Lomer to the Provincial arena, it must long have been a regret to disinterested citizens that they should never have been permitted the fuller scope that Federal politics afford.

In the Legislature of Quebec, Sir Lomer has no equals and in the Parliament at Ottawa he has no superiors. As a leader of men and a student of the past he is comparable only to Sir Wilfrid Laurier and if the iron hand is somewhat more in evidence than the velvet glove as compared with his late chief-tain, he is still capable of warmest sympathy on occasion.

No previous Premier of Quebec has enjoyed popular confidence so completely or for so long and the unbroken succession of Liberal victories has been as much a personal triumph, a personal endorsement, as anything else.

Rumors have recently been revived as to the probability of his translation to high office in the Federal field: what truth there is in this it is impossible to say, whether the same considerations that have hitherto held him back are still operative we cannot judge, but should he decide upon a step of this kind, Quebec's loss would be Canada's gain.

The Chronicle has been afraid neither to praise those of his official actions that have appeared commendable, nor to oppose those that have appeared unsound, but in either event it has always retained its admiration for a virile and attractive personality.

CANADA'S AERIAL FUTURE

One of the most important—if not the only—constructive results of the war has been the perfecting of aeroplanes with the consequent development of aerial navigation. There is little need to insist upon the comprehensive character of the possibilities opened up or of the vital benefits that Canada may derive from them if properly utilized.

Such work as has already been done in Canada has been almost exclusively confined to the Imperial authorities and in future we shall have to rely upon our own efforts to "carry on".

the last annual report of the Montreal Branch, together with a letter from its secretary soliciting our co-operation to arouse local interest in forming a Quebec group.

What Montreal has done and proposes to do for flying can best be shown by quotation from the report which runs in part as follows:

"During the year 1918 the League continued to devote its attention to the recruiting work of Cadets for the Royal Air Force. As you know this work was undertaken originally at the particular request of Major General Hoare, the Officer commanding the Royal Air Force, and at the conclusion of the work a letter was received from him commending the work that had been done by the League and mentioning that upwards of 2,000 flyers had been recruited from this district.

"During the year, through the courtesy of Lt. Col. George R. Hooper, Mr. W. R. Miller, Captain Ogilvie, and the Executive Committee of the Back River Polo Club, we secured the use of the Polo Field for a landing ground, and during the year had as visitors Lieutenant Flaehaire, the French ace; Captain Brian Peck; Lieutenant McCullough, M.C., and Lieutenant Vezine.

"The past year was memorable also for the fact that the first official "Aerial Mail" was forwarded from this City to Toronto on June 23rd, 1918, and was carried by Captain Brian Peck in a J. N. 4 type machine. The trip took six hours of actual flying; time between Montreal and Toronto. This flight was remarkable for the fact that the machine used was not particularly adapted for the work and had been out in the rain for a period of 48 hours.

"Your League is looking forward to the development in the early future of systems of aerial transport radiating from the different cities across this Continent, and also a trunk line from Montreal to Vancouver, and to this end have co-operated with Major K. E. Clayton-Kennedy—who you will remember addressed this meeting last year on the subject of "Aircraft in War and Peace"—and together we have laid out a number of "Aerial Airways," as you will see by referring to the cut. These suggestions have been forwarded to Ottawa for approval.

"During the year we have also lent our support to the formation of a "National Aeronautical Advisory Committee" collaborating with Major Kennedy, and your League formed a deputation which waited upon the Government last Fall but so far nothing has resulted from our efforts.

"The problem of our boys who have been across and served at the front and who are now returning to civilian life is one that is causing us all a great deal of thought and we are casting around for ways and means to assist them. No encouragement, however, has come from official sources, neither has any policy been formulated so far as we are aware in regard as to what is to be done with them and at the moment they are being allowed to slip back into civilian occupations which seems unfortunate when you consider that all of these young men possess technical knowledge and skill and many of them to a high degree.

"As to the future, we are at a disadvantage in formulating any programme, as outside of Toronto very little flying has been done, so that our people have no conception of the tremendous strides that have been made in the art and science of flying, and until we have something to grip the imagination and the establishment of the industry in Montreal, we cannot hope for this to change so far as Eastern Canada is concerned.

PRESS COMMENT

HEAR THE OTHER SIDE

Of course in matters of the kind on which Brigadier-General Smart based his charges against the Government representatives, Sir George Perley, Sir Edward Kemp and against Argyle House—which means the overseas administration,—the reasonable part of the public will say "let us hear the other side." And the other side must not ignore the charges or evade the issue raised by General Smart.

HAD GREAT FAITH IN DREAMS

Lives Were Saved by Following the Dream Warning.

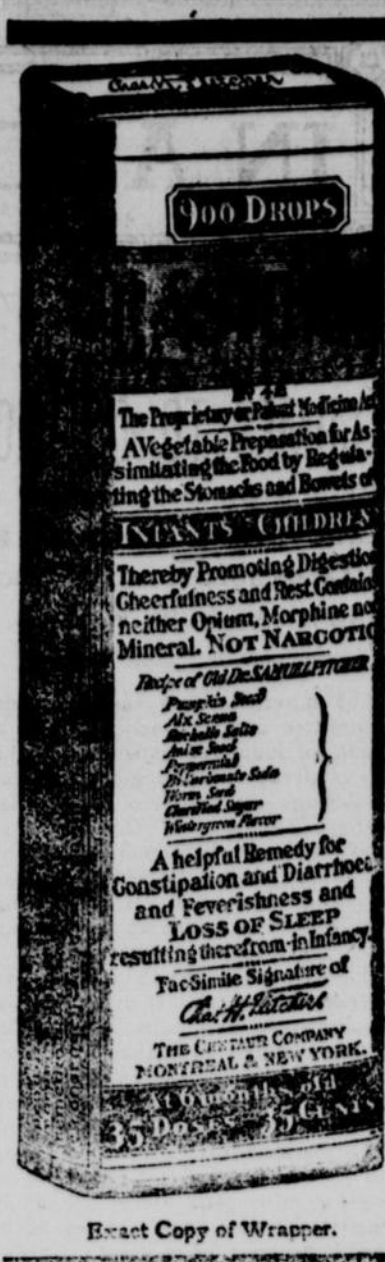

The faith of some people in their dreams is strikingly illustrated by the story of Mrs. Fry, of Lewes, who, although repeatedly informed by the War Office, the commanding officer, and the chaplain of his company, that her son was killed fifteen months ago, steadfastly refused to believe he was dead, simply because she dreamt he was alive.

Constant dreams of her son buoyed up her hopes, and she expressed herself, as in no way astonished when at last she heard that he was a prisoner in Germany.

Ten days before the Titanic disaster, the Hon. J. C. Middleton, vice-President of the Akron and Canton Railway, in Ohio, who had booked a passage on the ill-fated steamer, dreamt he saw the ship capsized in mid-ocean and a lot of passengers struggling in the water.

Mr. Melton Prior, the famous war correspondent once told the writer how, on two occasions, while in Africa, at the time of the Zulu war, he dreamt that he saw himself shot and witnessed his own funeral.

IN AND ABOUT TOWN

NEW INDUSTRY COMES TO QUEBEC

TRADE COMMISSIONER E. R. MARIEN SUCCEEDS IN BRINGING ON EASTERN MFG. CO.

The movement of the Industrial Committee of the Quebec Board of Trade for industrial expansion in this city is already beginning to bear fruit as through the efforts of Mr. E. Kay Marien, Industrial Commissioner, who was recently appointed by this committee, "The Eastern Manufacturing Company," of Mont-Joli, has been induced to close up its extensive plant there and locate here.

This company, which manufactures overalls, pants, shirts, macinias, and woolen socks and mitts, through Mr. Marien secured an option on the former Guay leather factory situated on De Courcelles street and the deal for its purchase has just been put through thus marking the first new industry for Quebec under the industrial expansion movement and which the Industrial Commissioner states is but the forerunner of many that are to come.

The Eastern Manufacturing Company, of which Mr. Joseph Cote is the head, has heretofore employed one hundred hands and it is the intention of the company to open up here with that number and in the course of about six months to augment it considerably.

GOT SEVEN YEARS.
Sentence Passed Yesterday on Joseph Lachance Who Brutally Assaulted Godfroid Turcotte on Ramparts.

Joseph Lachance who pleaded guilty to having brutally assaulted Godfroid Turcotte on the Ramparts last Saturday evening was sentenced in the Court of Sessions yesterday by Judge Langelier to a term of seven years at hard labor in St. Vincent de Paul Penitentiary.

Veterans Exonerated.
Owing to the story having gone out after the attack on Mr. Turcotte that his assailant was a returned soldier, the Great War Veterans took umbrage at the imputation and since the facts of the case proved the contrary, a delegation of the Veterans waited on the relatives of Mr. Turcotte last night to clear up the entire misunderstanding. Mr. Turcotte's brother assured them that the victim's statement after he regained consciousness had been misunderstood, and that he would have him write a letter as soon as he had recovered, exonerating the Veterans.

Don't fail to hear Lieut. H. T. C. Walker, R.N., speak on the Zebrugge Raid.

FIRE IN STOREHOUSE.
Premises of Fiset & Co., 6n St. Francois Street, Damaged Last Night.

A fire broke out in the storehouse of Messrs. Fiset & Co., situated at No. 12 St. Francois street last evening at 6:20 o'clock and before it was extinguished caused damage to the extent of about \$400. The blaze started in the fourth floor of the building which was stored with mattresses and bedding and when the firemen arrived in answer to an alarm from box 54 the whole top flat was in flames. Quickly setting to work, however, the firefighters had it under control in a very short time. The cause is so far unknown.

COME AND HEAR HOW BRITISH TARS MADE GERMANS LOOK FOOLISH. COLUMBUS HALL TONIGHT.

A NEW FIRM HAS OPENED
Quebecers, taking an interest in their homes, will naturally be interested in the house painting and decorating firm which has opened at 371 St. John Street. The guiding head of this firm, Mr. R. J. Black, has had a wide experience and is the author of "Practical House Painting and Decorating", which is in wide use as a text book for technical training.

Most of Mr. Black's experience has been in the Old Country where he was entrusted with the decoration of some of the finest homes, as his numerous testimonials from the leading architects testify. In consequence he is well fitted to ensure entire satisfaction to his clients—indeed, it is to be the main policy of the business that a transaction is never complete until the customer is quite pleased with the work and the manner in which it was carried out.

Mr. R. J. Black intends his painting and decorating service to be very comprehensive, and hopes to be very useful in furnishing free color suggestions, etc. Not least important among the firm's operations is the up-to-date retail shop which supplies the better brands of paints, oils, varnishes, brushes, wallpaper, etc.

Matching of shades will be a special feature and the expert advice which may be had free will make it an ideal place of its kind.

HALING GAS. He was found dead in bed with a tube connecting with the illuminating gas jet in his mouth and a towel wrapped around his head. His wife assigned a nervous breakdown from overwork during the war as the reason for Captain Taylor's act.

QUEBEC ACCOUNTANTS TO FORM SOCIETY

ENTHUSIASTIC MEETING HELD LAST NIGHT AT WHICH BY-LAW COMMITTEE FORMED.

A large number of Quebec accountants assembled in L'Union Commerciale Hall last night to receive the report of the special committee appointed some time ago to arrange for and superintend the presentation of the bill to incorporate the accountants of the Province of Quebec before the Private Bills Committee of the local Legislature at its last session, and to discuss plans for the forming of an accountants' society in this city.

The meeting was presided over by Mr. Henri Myrand while Mr. H. Groleau acted as secretary. The special committee above mentioned reported that, as already announced, the bill had been defeated and all expenses connected with the efforts to have it presented and passed had been met and paid by the accountants' employers for which the committee felt very grateful, at the same time the members forming it asked that in view of the fact that it had been accomplished, that it be dissolved. This request was granted accompanied by the thanks of all present for the committee's efforts.

Chairman Myrand then called upon various accountants present to express their views on the subject of forming an accountants' social society pointing out that through a society of this kind the numerous accountants in this city would have an opportunity of meeting one another more frequently when matters of vital importance pertaining to the profession could be discussed. All were enthusiastic over the idea and it was finally decided to appoint the following temporary committee whose duty it will be to draw up a constitution and by-laws: Messrs. Henri Myrand, H. Groleau, E. Garneau, W. F. Laming, J. E. Dion, P. Dallaire, Robt. Bradley, N. Lajeunesse, A. A. Gouibout, A. F. de la Motte, W. Caboury, J. P. Galbois, and Ernest Moreau.

A motion was embodied in the minutes of the meeting inviting all office employees to join with the accountants and for more big society. Before the close of the meeting it was announced by the chairman that the membership lists in circulation comprise 115 names of members of the profession who have signified their intention of becoming members of the society. It is expected that in a short time after the drawing up of the constitution and by-laws and the election of permanent officers, the membership will reach into the thousands.

THE REFERENDUM.

Voting on Beer and Wine Will Be Held on April 10th.

It was officially announced yesterday, as forecasted in the Chronicle, that the referendum to choose between absolute prohibition and the legalizing of the sale of beer and light wines, will take place on April 10th next.

What British sailors can accomplish in face of tremendous odds will be shown tonight.

BOLSHEVIK BEATEN.
Greek Troops Win Engagement At Kherson North Of Odessa.

Saloniki, Tuesday, March 18.—Greek troops have defeated the Russian Bolsheviki at Kherson, north-east of Odessa, and advanced about 12 miles, according to an official announcement made today by Greek Headquarters here. The Greeks captured prisoners and war material.

Greek troops were reported to have occupied Kherson in a despatch from Athens on February 26. An earlier despatch had reported that Greek and Rumanian troops had advanced north from Odessa in pursuit of the Bolsheviki. The fighting referred to in the announcement probably occurred north of Kherson.

For several months French and British detachments have been in Odessa, but reports received in London today said the situation in Odessa was critical and that the Allied forces were retiring from the city. The report, which was not denied, could not be confirmed.

A Russian wireless despatch received in London on March 13 reported that Kherson had been captured on March 8 by Ukrainian Soviet troops. Kherson, which is ninety-two miles north-east of Odessa, is an important trading centre at the mouth of the Dnieper.

Remarkable story of pluck and perseverance will be told tonight at Columbus Hall.

THE NEW CHURCH ON GRANDE ALLEE

CONTRACT HAS BEEN AWARDED FOR CONSTRUCTION OF ST. COEUR DE MARIE EDIFICE

At the cost of \$171,000 the church of the new parish St. Coeur de Marie will be erected within a year at the corner of Grande Allee and Scott street. The contract for its construction has been awarded to Mr. Edmond Belanger of this city.

The new edifice will be of byzantine style and will be built of granite with cut-stone decorations. The dimensions will be 180 feet in length by 80 feet in width and 75 feet in height. The capacity of the new church will be about 1,000.

Work will be started about the 1st of May next and before construction is begun the building now occupying the site will have to be demolished.

CELEBRATION IN FRAMPTON.
Feast of St. Patrick Fittingly Observed—Hundreds Take Part.

The feast of St. Patrick was celebrated in Frampton Monday last with great solemnity. The Irish members of the Roman Catholic congregation came in large numbers to honor with prayer and song the "Apostle of Ireland." At nine o'clock in the morning a Solemn High Mass was sung by Rev. J. Fleury, Pastor of St. Margaret's, assisted by Rev. Thomas Gelly, Pastor of Cranbourne, and Rev. J. A. Provencher, Pastor of St. Agnes, as deacon and sub-deacon; Patrick Quigley, Patrick Furlong, Thomas Meagher and Gerald Brennan served at the Mass. The Rev. E. Giroux, parish-priest of Frampton, and Father A. Giroux, C.S.S.R., of Ste. Anne de Beaupre, were present in the sanctuary.

The choral part of the service was splendidly rendered by the choir of the Convent with the assistance of a number of friends. The soloists were Messrs. Walter Brennan, John O'Farrell and Walter Donahue, and the Misses M. Brennan, Margaret and Allyn Furlong.

After the Gospel, Rev. Father A. Giroux, C.S.S.R., delivered the sermon, taking as his text Hebrews xiii. 7: "Remember your prelates who have spoken the Word of God to you." The preacher, in the course of an eloquent address, spoke of the wonderful virtues of Saint Patrick and drew from the life of Ireland's apostle a triple lesson of Faith, of confidence in God, and of zeal for personal sanctification.

A eucharist-concert, held in the hall of the Convent, concluded the festival of the day, more than 250 persons taking part in the patriotic entertainment. After a few games, handsome prizes were distributed to the winners. Then the following musical programme was rendered:

St. Patrick's Day—Piano and 2 violins
Vocal Solo—"The Harp That Once Thro' Tara's Hall".....
Miss H. Hurley.
Mrs. McCloud's Reel—"The Emblem of Old Erin".....
Miss H. Hurley.
Duet—"The Soldier's Joy"—Piano and Violin.
Vocal Solo—"The Minstrel Boy"....
Mr. Walter Donahue.
Solo—"God Save Ireland".....
Mr. Martin Meagher.

Congratulations are due to Rev. E. Giroux, Mr. and Miss Miller and Mr. Martin Meagher for the success that crowned their efforts in making the celebration a memorable one.

Go to Columbus Hall tonight to hear story of Zebrugge Raid.

HIGHER PROTECTION IN AUSTRALIA
London, March 19.—A despatch to the Exchange Telegraph from Melbourne says that W. A. Watt, Acting-Premier and Treasurer of Australia, today announced the introduction of a measure in Parliament calling for higher protective duties.

A Simple Way To Remove Dandruff.
There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

Story of finest feat of war will be told tonight at Columbus Hall.

SEATTLE APPLY WHITEWASH BRUSH TO FLYING FRENCHMEN

PACIFIC COAST CHAMPIONS WIN FIRST OF "STANLEY CUP" MATCHES, 7-0—CONTEST WAS VERY FAST AND CLEAN—PLAYED UNDER WESTERN RULES.

Seattle, Wn., March 19.—Seattle Mets tonight cut the wings of the Flying Frenchmen who came from Montreal to try to get the world title. The local team, title-holders of the West, defeated the visitors 7 to 0 in the first game of the championship series. Canadiens were outskated and outchecked by Seattle. The visitors showed they were on strange ice and were playing under western rules and not their own.

Arena, Seattle, Wn., March 19.—Packed grand stands greeted the Seattle and Montreal champions as they skated out on the ice for preliminary practice. Every seat in the arena was taken and standing room tickets were sold out quickly. The crowd roared when the Mets appeared and also gave a big hand to the visitors when Captain Newey Lalonde led them out to battle.

Back and forth for the first three minutes the puck was shot up the ice. Both Wilson and Rickey made long rushes for Seattle. Murray, after eight minutes play scored the first goal for Seattle on a pass from Wilson.

Foyston four minutes later scored for Seattle on a pass from Rickey. Hall replaced Cleghorn in Canadian line-up.

During most of the first period Seattle kept the play in the territory of the Flying Frenchmen. Lalonde made a hard try for a goal after a pretty rush but Holmes kept him out of the tally column.

Toward the end of the first period, the Red Sweatered visitors seemed to recover themselves and forced a part of the play to the Seattle end. Seattle, fighting like tigers, checked many of their rushes. Joe Hall and Lalonde twice worked the puck through the outer defense, but failed to get it by Holmes. Veziina, Montreal goaler, was the target of shots from Bobby Rowe and Jack Walker. Both times the visitors held.

The period ended with Rowe trying for a goal. It looked as though he made it and the crowd roared but he missed by inches. The crowd cheered wildly when the period ended with the score standing Seattle 2, Canadiens 0.

Seattle continued fighting hard and ran the puck to the Montreal nets but not in, at the opening of the second period. As in the first period the puck seemed continually around the visitors end of the ice. Back and forth the puck was shot. Lalonde Hall and Corbeau working hard for Montreal.

Corbeau went down when he tangled with Rickey. The crowd gave him a hand when he got back into the game. Six minutes from the whistle Murray put the puck in the Canadiens' net for the third Seattle goal. Muzzy Murray was hurt in a mix-up and was assisted off the ice.

Although Seattle was doing the scoring, the visitors were playing harder. Montreal got in some good checking when Seattle's hopes attacked their defence. Two shots in rapid succession were fired at Veziina, who, however, parried them both.

"Some Hockey," Manager Kennedy of the visitors told the Canadian Press just before the period closed. The play is becoming faster and checking heavy on both sides. Each time the Canadiens worked the puck past the blue line some Seattle man grabbed it from them and worked it quickly to the visitors' end of the ice. Jack Walker put in the fifth goal for Seattle in seven minutes.

Reports from the dressing room said Murray's thumb had been badly hurt.

Foyston scored the sixth goal in five minutes. After a few flashes from end to end Lalonde shot at Holmes with a determined back but "Happy" blocked his effort. Foyston and Rowe passed the puck back and forth the length of the rink but failed to get a shot.

Seattle put in another in the net for the sixth tally in five minutes. It was Foyston who rang the bell for the Mets, after Walker and Wilson had brought the puck to the Montreal end of the ice. Both sides were

OTTAWA KICK OVER ROSS CUP GAMES

SAY THAT COMPETITIONS HAVE PROVED FARCE AS FAR AS OTTAWA CONCERNED.

Ottawa March, 18.—The competition each season for the Art Ross Trophy emblematic of the amateur hockey championship of Eastern Canada, has proved a farce so far as Ottawa is concerned. For the last three seasons a team representing the champion clubs of the Ottawa City League has gone after the Art Ross Trophy, and each year it has received worse and worse treatment.

Three seasons ago Royal Canadiens played Sons of Ireland, in Quebec, for the trophy, and were defeated. However, when Royal Canadiens arrived back in Ottawa after their trip they kicked against the officials, and stated that they had not received justice. Last season the same incident occurred when Munitions lost to Hochelaga in Montreal.

On Saturday night, when St. Brigid's, champions of the league, went to Montreal to play St. Ann's for the cup, they at least expected to get protection from the officials, and a square deal, but, on the contrary, they received quite the opposite. St. Brigid's are noted for the clean brand of hockey they play, and had the least number of penalties chalked up against them than any other team in the City League.

In Montreal, Saturday, when St. Ann's saw that they were beaten unless they resorted to rough-house stuff, they went out to get the man. St. Brigid's outplayed St. Ann's in the opening period, when the play was clean, but in the second and third periods the Montreal team roughed things up in such a manner that they took all the "pop" out of St. Brigid's.

In the first period Orville Moran, one of the stars of the Ottawa league, made the St. Ann's players look like bush-leaguers until Spriggins, who acted in a disgraceful manner all through the game, knocked him unconscious by giving him the butt-end in the stomach. Moran returned to the game in the second period, but found it impossible to continue, and had to retire. Al. Moran was also attacked by Jim Arnold, and was carried off the ice. Neither Spriggins nor Arnold were given penalties for their offences, and the officials let numerous other things escape their notice.

The staging of games for the Art Ross Trophy each season between the different cities created considerable interest in amateur hockey, but if something isn't done in the near future to protect the outside teams when playing for the trophy, it will be but a matter of time before the clubs will refuse to play for it.

St. Brigid's received a raw deal in Montreal, and either the trustees of the trophy or Art Ross should look into the matter.

going at a fast clip. The play was equally divided between the two teams as to shots. Berlinguette outchecked one of Wilson's drives. Lalonde was behind the puck most of the third period. Pitre helped in checking the Seattle rush. Foyston staged a dashing one-man drive from the mid-ice but failed by a narrow margin to score. McDonald was put in for Cleghorn. Couture put in for Berlinguette.

The line-up:

Goal	Seattle
Point	Holmes.
Cover Point	Rickey.
Rover	Rowe
Centre	Walker
Right Wing	Murray.
Left Wing	Foyston
Substitutes	Wilson.
	McDonadd.
	Couture

Summary:

(First Period)

1—Seattle, Murray from Wilson. 4:15
2—Foyston. 6:43

(Second Period)

3—Seattle Murray, from Wilson. 5:58
4—Seattle Foyston, from McDonald. 3:57
5—Seattle, Walker. 3:48

(Third Period)

6—Seattle, Foyston. 5:43
7—Seattle, McDonald, Rickey. 14:44

BOTH FRONTENAC TEAMS VICTORIOUS

VICTORIA CLASS A AND B TEAMS SUFFER DEFEAT IN LEAGUE MATCH.

In a league game postponed from Monday night, the Frontenac class A team took all three strings from their Victoria rivals.

Scores were high on both sides, each man passing the 500 mark. Duquet was high man for Frontenac, with 586, while Harry Ledden topped the list for Victoria, rolling 543, including the highest single of the evening 325, in the opening game.

In the class B match, Victoria lost the odd string in three. Scoring was low on both sides, only two men getting 500. Boudreaux was high scorer with 535, followed by Laberge 530. Hunt was low scorer of the game, rolling 325.

The scores as follows:

Class A, Victoria 0.

Ledden.	235	149	169	543
Learmouth.	181	181	155	517
Boivin.	198	172	143	503
Labreque.	116	193	199	508
Belcourt.	174	179	178	531
	884	874	844	2602

Frontenac 3.

Duguay.	140	17	183	501
Amiot.	179	183	211	573
Duquet.	193	198	195	586
Fortier.	188	195	157	540
E. Gagnon.	212	189	171	572
	912	943	917	2772

Class B.—Victoria 1.

Hunt.	91	142	92	325
Doherty.	164	173	155	492
Hebert.	152	182	125	459
John.	107	202	123	432
T. Pappas.	129	161	151	441
	643	860	646	2149

Frontenac 2.

Frechette.	151	132	145	428
Boudreau.	182	177	176	535
Thibeault.	161	124	144	429

Lamy.	136	174	178	488
	798	773	839	2410

"STRANGLER" LEWIS BEAT DOC ROLLER

Montreal, Que., March 19.—Strangler "Ed" Lewis, in a heavyweight wrestling match defeated Dr. Roller in two straight falls at Sohmer Park tonight, the first fall coming as the result of a crossbody hold, and the second from a scissor and body hold. The bout was almost a repetition of the previous meeting between these men in Montreal several months ago, except that Roller was downed under different circumstances.

FRANCE TO RESUME HORSE RACING SOON

Paris, March 19.—The Government has consented to the resumption of horse racing in France, beginning May 5. Among the latest petitioners in favor of the resumption was the dress-making industry, which declared that the race meets were of the greatest importance to it as affording the means of launching new fashions.

TORONTO BUYS GEO. WHITEMAN

Toronto, Ont., March 19.—President J. J. McAferry, of the Toronto International League Club, announced today that Geo. Whiteman, world's champion Red Sox, had been purchased from the champion Red Sox and that he had accepted terms. Infielder Gonzales has also been signed. Manager Geo. Gibson will leave tonight for Gainesville, Ga., where he will practice with the New York Giants.

CAMPBELL WON THE HUDSON BAY DOG RACE

The Pass, Man., March 18.—Noising out the strong McKay team by the length of two dogs, Batease Campbell and his train of huskies won the hundred mile Hudson Bay Derby this afternoon in one of the most sensational finishes that has ever featured an event of this kind. Campbell won out by sheer pluck coming from behind on the home stretch to nose out his rival, Hayes finished third and the first three teams were bunched with not twenty feet separating them. The finish was made in the presence of Sir James and Lady Atkins. The time was 15 hours and 35 minutes.

JUNIOR CHAMPIONSHIP FOR TORONTO TEAM

Toronto, March 19.—The O. H. A. memorial cup, emblematic of the junior hockey championship of the world will stay in Toronto for a year at least.

Patrickias from Regina and Western champions, played their first game against the U. T. S. here tonight and were badly nussed. The final score was 14 to 3. A lead of eleven goals for the Toronto team cannot be pulled down on Saturday. Like the Selkirk the Pats had no organized system of attack and were out-classed everywhere. Their defence was also woefully weak. U. T. S. rode in two and three at a time all night.

BERLIN'S RIOT BILL

Berlin, March 19.—(Havas)—Damages incident to the latest revolt in Berlin will aggregate more than 512,000,000 marks, the Frankfurt Nachrichten says. Claims for damages for this amount already have been filed against the city.

Sporting Notes

Tonight's games in class "A", Lewis vs. Victoria and Olympia vs. Frontenac.

The Viger-St. Valier game to have been played last night for the Junior championship of Quebec, has been postponed.

The standing of the teams in class "A"

Team	Won	Lost
Olympia.	23	19
Frontenac.	30	21
Lewis.	20	29
Victoria.	18	33

"Shim" came near wrecking the alleys yesterday, spilling the pins about for a count of something like 250. Some rolling.

Harry Ledden rolled his highest single of the season last night, getting 325.

The final games of the class "A" league will be played tonight.

Hunt had a bad slump last night at the Frontenac alleys, getting strings of 91 and 92, and totalling 325.

The standing of the teams in class "B"

Team	Won	Lost
Olympia.	33	15
Frontenac.	34	17
Victoria.	19	32
Cercle-Chevalier.	13	35

The final games in class "B" will also be staged tomorrow night, when Victoria travel over to Lewis, while Olympia clash with Frontenac.

Popular Pastime No. 1283—Going down to a hockey game, and finding it has been postponed.

GERMANY AND JAPAN.

Viscount Kato, the veteran Japanese diplomatist, who was Foreign Minister when war broke out, has made some interesting disclosures of German treachery and duplicity at an informal political dinner, attended by many influential Japanese statesmen.

Referring to the triple interference at the end of the China-Japan war, which he had no doubt was of German origin, Viscount Kato said at that time he was Ambassador in London, and saw the cartoon of the

"Yellow Peril," which the Kaiser had drawn to destroy Japan's honor in the eyes of the world. Had it not been for Germany's arrogant interference, he said, the Russo-Japanese War would have never happened.

"A short time before the triple interference was announced," continued the Japanese statesman, "the German Ambassador in London asked me for an interview, so I called to see him. He made some lame attempt to justify Germany's heinous conduct. He said Germany was interfering in the interest of Japan, for if she stood aloof Russia and France would make more exorbitant demands, and he asked me to convey that message to my Government at home.

"I was young, being only 38, so that I could not repress my indignation at his contemptuous proposition, and said I would do nothing of the kind, reminding him that if the German Government had any communication to make to Japan on the matter it should be made through the Japanese Minister at Berlin or the German Minister at Tokio.

"Then he had the impudence to say: You are a young man yet, and ought to read the history of European diplomacy. I retorted that whether I read the book or not was my own affair, that it did not require old age to see that Germany's conduct in that case was an uncalculated and unwarrantable interference, and that I could not convey to my government a message which was made in such an irregular manner.

"Later, when the Kaiser paid a visit to the Court of St. James' a great banquet was given in the Royal Palace, to which all representatives of foreign nations were invited. There were cordial greetings all round; but the Kaiser, while courteous to the others, gave me the cold shoulder and left the chamber without taking any notice of me.

"It is quiet fresh in my memory," said Viscount Kato, "that upon his departure from Yokohama, after the commencement of hostilities between Japan and Germany, Count Rex, the German Ambassador to Tokio, refused to shake hands with Secretary Yoshido, who had gone to the pier to give him a send-off, and had the rudeness to say to him 'Germany will never forgive you, Japan.'"

"All this well typifies the proverbial German baseness and treachery, and we can congratulate ourselves, not only for Japan, but for the whole world, that fate has recoiled upon Germany's own head the curses and intrigues which she had so heinously thrown broadcast upon the rest of the world."

HELPING HAND
FUND PROGRESSING

QUEBEC AND LA TUQUE HAVE
SUBSCRIBED \$5,027.41 FOR
DESTITUTE JEWRY IN
PALESTINE.

Subscriptions for the Jews of Palestine which are being taken up in this city and district by the Quebec Women's Branch of the Zionist Federation of Canada now amount to \$5,027.41. The campaign will continue all this week and the object being such a worthy one, the result should be beyond the expectations of the ladies of the local committee.

The headquarters of the fund is at Messrs. Holt, Renfrew & Co., where anyone wishing to subscribe may deposit his or her donation.

Following are the subscriptions received yesterday:

Table listing donors and amounts for the Helping Hand Fund, including names like F. W. Ross, Holt, Renfrew & Co., and various individuals.

WHERE WILL THE
REVENUE COME FROM?

To meet the regular expenses of administration, to pay war service gratuities to demobilized soldiers, to provide pensions for disabled soldiers and for the dependents of those who have lost their lives, as well as to carry out the program of public works which is being undertaken to relieve unemployment, it is estimated that the Dominion Government will require to raise this year a revenue of about

400 MILLION DOLLARS

Last year the Dominion Government revenue was 260 million dollars and was derived from the following sources:

Table showing revenue sources: Canadian Customs Tariff (116 millions), Special War Tariff (45 millions), Excise Tax (26 millions), Business Profits Tax (21 millions), Income Tax and other Sources (52 millions), Total (260 millions).

How is the shortage of 140 millions to be made up?

At the very moment when Canada is struggling with this problem the Western Grain Growers come forward with insistent demands for:

- (1) "An immediate and substantial all-round reduction of the customs tariff."
(2) Free trade with Great Britain inside of five years.
(3) Reciprocity now, and free trade later, with the United States.

These demands are apparently made in the hope and belief that, if they are granted, those making them will be relieved of a large part of what they call the "Burden of Taxation" which the tariff imposes upon them.

Passing to the next point, how would the Grain Growers provide for the probable shortage of 140 million dollars this year? They ask the Dominion Government to impose the following taxes:—A direct tax on unimproved lands, increased taxation on personal incomes, increased inheritance taxes and increased taxation on corporations.

Vacant land now pays taxes to the Municipalities and, in some Provinces, additional taxes to the Provincial Government. Income taxes are now paid by individuals to the Municipalities and also to the Dominion Government.

Last year the tariff collected sixty-one per cent. of the total Dominion Government Revenue. Does anyone believe that the forms of taxation advocated by the Grain Growers can be increased sufficiently this year to obtain the revenue which would be lost by tariff reduction, and also the additional 140 million dollars required, without crippling industry, stifling business and throwing thousands of workers out of employment?

The United States has all the forms of taxation advocated by the Grain Growers, but still finds it necessary to maintain its customs tariff.

If the Grain Growers are to escape almost all taxation, including the great increase caused by the war, what will happen to the people who will be driven out of business through having to pay not only their own taxes but also those of the Grain Growers? Will they try to grow grain? It is more likely that they will go to the United States to get work, as other Canadians went fifty years ago, and leave a population, chiefly farmers, ever growing smaller, to bear all the taxes, ever growing greater.

Again we ask where is the extra revenue coming from?

LIFT OFF CORNS!

Drop Freezone on a touchy corn, then lift that corn off with fingers

Doesn't hurt a bit! Drop a little Freezone on an itching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! No hang-bug!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

SHIPPING NEWS

HARBOR SERVICE BY GOVERNMENT

CUSTOMHOUSE AT BUENOS AIRES TO UNLOAD AND LOAD SHIPS DURING THE STRIKE.

Buenos Aires, Argentina — The Argentine Government issued a decree on Saturday empowering the customhouse to load and unload ships and nationalize the harbor. This followed an effort by Sir Reginald T. Tower, British Minister, to reach a compromise between the shipowners and the strikers, acting in the role of mediator, which he assumed earlier in the day. The men demand full pay for the past month, during which they have been idle. Sir Reginald proposed to the shipowners that the men be paid for 15 days. The owners refused to consider the proposal.

Under the decree issued by the government the customhouse will use government tugs in loading and unloading ships in the harbor. It is provided that all vessels refusing to accept the services of the government shall leave the port. The men employed on the work will be fed in government kitchens at cost price.

The decree became effective Monday morning. The government says it has enough men for efficient service.

The preamble to the decree says that it is impossible to permit a further prolongation of the port strike because it is prejudicial to the welfare of the country.

MERCHANT MARINE TO USE 34,000,000 BARRELS OF OIL.

Washington, March 19.—The extent to which fuel oil will be used by the American merchant marine is indicated in specifications providing for the merchant marine fuel for 1919. According to the estimates the Shipping Board will use a maximum of 34,000,000 barrels.

The amounts that will be provided at the different ports are as follows: Boston, 1,000,000 barrels; New York, 5,000,000; Philadelphia, 2,000,000; Norfolk, 2,500,000; Gulf ports, 3,000,000; Panama, 3,000,000; Mexico, 6,000,000; San Francisco, 4,000,000; Los Angeles, 2,000,000 Puget Sound ports, 3,000,000; Honolulu, 2,500,000.

JEWS PROTEST UNIT IDEA OF ZIONISTS

Philadelphia, Pennsylvania. — A statement signed by 300 prominent American Jews setting forth their objections to the organization of a Jewish state in Palestine as proposed by Zionist societies was made public on Wednesday. It will be presented to the Peace Conference by Julius Kahn of California. The statement says: "We wish to indicate our entire sympathy with the efforts of the Zionists which aim to secure for Jews at present living in lands of oppression a refuge in Palestine or elsewhere, where they may freely develop their capabilities and carry on their activities as free citizens, but we raise our voices in warning and protest against the demand of the Zionists for the reorganization of the Jews as a national unit, to whom, now or in the future, territorial sovereignty in Palestine shall be committed."

LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

When Constipated or Bilious, Give "California Syrup of Figs."

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, though cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat, or act naturally, or is feverish, stomach sour, breath bad, has stomach ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here. To be sure you get the genuine, ask to see that it is made by the "California Syrup Company." Refuse any other kind with contempt.

EXPORTERS WARNED ON EMBARGO RUMORS

MANUFACTURERS' EXPORT ASSOCIATION WARNS SHIPPERS TO "SIT TIGHT" ON PUBLISHED REPORTS.

New York, March 19.—To prevent unjustified criticism of and dissension among the allied nations American exporters have been warned by the American Manufacturers' Export Association to sit tight to the bottom all published reports of import embargoes being placed abroad on exports from the United States. This action was decided upon following the receipt here of an incorrect foreign despatch stating that Australia had seen fit to decree a prohibition of all imports except those of British origin and manufacture.

The report was eventually proved to be without foundation, having originated from an official decree restricting the importation of dyestuffs. In urging American exporters to "sit tight" until reports of this character, which are probably propaganda, are sifted out officially the Washington office of the Export Association comments as follows:

"Now that the unrest which the publication of such a report would cause has subsided officials look at the instance as one which emphasizes very clearly the existence in some export circles of a rather chaotic condition. Although not criticizing those who made inquiry at Washington concerning the report, they point out, however, that in this instance, just as in the case of the so-called British embargo on imports, American exporters have placed themselves in a position that is decidedly misleading when view from the position of the foreign buyer.

"These officials pointed out, very logically, that at the present time there is no small amount of propaganda abroad for the express purpose of creating dissension among the allied nations. Events have established that this propaganda is often of such subtle variety that even the daily newspapers are deceived into taking fiction for fact. The statement is made, therefore, that the far-sighted and practical exporter will in such cases as this make inquiries to official agencies before jumping to conclusions. Public criticism should be held in abeyance until such criticism has at least one foot to stand upon."

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Alterations and Additions to Barrack Building, Military Hospital, Cove Fields," will be received until 12:00 o'clock noon, Tuesday, April 1, 1919, for the Alterations and Additions to Barrack Building for Military Hospital, Cove Fields, Quebec, P.Q.

Plans and specification can be seen and forms of tender obtained at the office of the Chief Architect, Department of Public Works, Ottawa, the Overseer of Dominion Buildings, Central Post Office, Montreal, P.Q. and the Clerk of Works, Postal Station "B," Quebec, P.Q.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein. Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 p.c. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

By order,
R. C. DESROCHERS,
Secretary,
Department of Public Works,
Ottawa, March 14th, 1919. M.14x3

CLOSING LETTERS BY THE CANADIAN PRESS

(By Canadian Press) New York, N. Y., March 19.—The Stock Market today was governed by the same influence that had characterized the operations of the past few weeks. Professional interests were in absolute control but some divergence of sentiment was reported between local traders and the Western contingent.

Reports credit the latter faction with an extension of bullishness while board room gossip ascribes much of the recent short-selling and profit-taking to a group of well-known local operators.

Although trading fell slightly under the recent daily average of one million shares, the scope of the market was broadened by the activity of numerous secondary specialties particularly the fertilizers and food divisions.

Shipments held their supremacy of the previous session at gains of 1 to 4 points, secondary equipments ranking next at similar advances, followed by sugars, electrical issues, leathers and the usual unclassified shares.

Oils, motors, Industrial Alcohol, tobaccos and several of the better known utilities were hesitant or heavy and rails retained their listless attitude. United States Steel fell a fraction under yesterday's minimum and continued under pressure until the final hour, when heavy buying effected a sharp rally at a net gain of 1 3/8.

Reactions of 1 to 4 points from top levels featured the later dealings, the set-back coinciding with an advance in call money to six percent, due to withdrawal of bank loans, an irregular tone prevailing at the close.

Sales amounted to 925,000 shares. Trading in bonds was moderate and featureless, steadiness ruling in Liberty and other domestic issues, foreigners yielding slightly. Total sales, par value, aggregated \$10,730,000.

Old United States registered two case 1-8 and coupon two ros 1-4 on call.

NEW YORK MARKET

COTTON MARKETS

New York March 19.—Cotton futures closed dull. Closing bids: March, 25.85c. May, old, 23.70c; May, new, 24.45c. July, old, 23.48c; July, new, 23.73c. October, old, 20.60c; October, new, 21.38c. Spot closed quiet. Middling uplands, 28.40c. Liverpool — Cotton, spot steady. Prices easier. American middling, fair, 17.10d; good middling, 16.20d; middling, 16.40d; low middling, 14.90d; good ordinary, 13.20d; ordinary, 12.30d. The sales of the day were 3,000 bales, including 2,700 American. Receipts were 3,000 bales, including 200 American. Futures closed steady.

DAILY GOSSIP ON THE LEADING STOCKS

It is undeniable that stocks in various departments of the market are supplied under cover of specialty strength and it is evidently only a question of time until the weight of accumulated selling is felt and expressed by a general reaction. How soon it may come is anybody's guess, but it would be folly not to be prepared for it. Specialties may continue to be bought for turns when made active but purchases of other stocks should be confined to recessions. Shipping shares and food stocks are in speculative favor with the bull contingent and pools at the moment.

Director-General Hines explained yesterday that the United States War Finance Corporation in loaning \$50,000,000 to the Penna R.R. made the advance to pay current bills also. The note of the railroad had attached to it the same collateral as had been attached to a former note.

The regular quarterly dividend of Reading 2 per cent. is payable May 8th to stock of record April 16th.

At a meeting of the Directors of the United Cigar Stores it was voted to call a special meeting of stockholders April 11th to authorize an increase in the common capitalization from \$30,000,000 to \$60,000,000.

The regular dividend on International Corporation quarterly 1 1/4 per cent. is payable April 15th to stock of record March 31st.

The Bank of Montreal is increasing its capital to \$20,000,000. The new stock is being allotted to shareholders on the basis of one new for twenty old, to stock of record February 28th.

The Town of St. Lambert has sold 100,000 of 5 1/2 per cent. 1928 bonds at 95.87 to Hanson Bros. There were seventeen tenders submitted.

Foreign Exchange quotations yesterday were as follows—Sterling: demand, 4.75 11-16; cables, 4.76 7-16. Francs: demand, 5.75; cables, 5.74. Swiss francs: demand, 4.96; cables, 4.91. Guilders: demand, 40 1/2; cables, 40 1/2.

A Canada Cement dividend of 1 1/2 per cent. has been declared for the three months ended March 31st, payable April 16th to stock of record March 31st.

A Banque Nationale dividend of 2 1/4 per cent. has been declared for the three months ending April 20th, payable May 1st to stock of record April 16th.

A New York correspondent says: "I believe that if I had good profits, I would take them and look on for a while." Another advice from the same place confesses to bullish sentiment on Marine preferred; the best kind of buying going in on it.

The average price of twenty railroads yesterday was 84.61, off .12 per cent.; that of twenty industrials was 87.87, off .54 per cent.

The Wall Street Journal says that profit-taking and short-selling was absorbed in a remarkable manner and that the technical situation was improved by the set-back. It does not consider that any ulterior causes were to blame for the selling pressure but it was worth noting that rails advanced in the face of weakness along the industrials which indicates a speculative switching from industrials to rails.

The Liverpool cotton market opened steady yesterday morning unchanged to 23 points lower; the 12:30 market being quiet at 20 to 23 points lower.

E. F. Hutton & Co. can still see nothing in the general situation in cotton that warrants taking the long side.

Block Maloney & Co. look for considerable investment buying between now and the end of the month, in anticipation of April 1st disbursements of interest and dividends.

"The reactionary trend seems to have no incentive outside of technical considerations. As far as the day's news were concerned, little appeared to accentuate what has been under discussion for some time past."—New York Times.

CLOSING LETTERS BY THE LOCAL BROKERS

(By Brunseau & Dupuis) New York, N. Y., March 19.—The market has shown a reactionary tendency this afternoon, which though mild in character is distinct. It has seemed to us in the last few days that some reaction might well occur. There was no basis for a substantial advance at this time in either the railway shares, the coppers or even the steels, and most of the specialties in the market had already been very substantially lifted by their enthusiastic friends. Such a condition naturally means that sooner or later the favorites will have some reaction after their rather rapid climb. It does not mean however, that there is any material change in the general situation. The outlook for this course is certainly wonderful, provided labor does not make the fatal blunder of demanding more in wages than the value of the output of the labor will produce. There is grave danger of labor demands being carried to this extreme both here and abroad. Even if not carried to this extreme the disposition to hold up labor and war prices makes it very difficult to reduce other prices, and thus the cost of living. It is to be expected and hoped that this difficult question will be sensibly adjusted in this country. But it is by no means sufficiently certain to warrant disregarding it altogether and brushing aside all the problems of the reconstruction period. The market has done very well, but we must not expect too much of it.

OTTAWA GAS COMPANY 6% Twenty-Year Refunding Mortgage Sinking Fund Gold Bonds

GUARANTEED UNCONDITIONALLY AS TO PRINCIPAL AND INTEREST BY OTTAWA LIGHT, HEAT AND POWER COMPANY, LIMITED. Dated March 1st, 1919. Due March 1st, 1939.

Interest payable 1st March and September. Principal and semi-annual interest payable in gold coin at Montreal, Ottawa, Toronto, New York or London. Eng. Coupon Bonds with privilege of registration as to principal. Redeemable as a whole or in part, at the Company's option on sixty days' notice, on any interest date at 103 and accrued interest. Montreal Trust Company, Trustee.

DENOMINATIONS: \$1,000 and \$500.

CAPITALIZATION table with columns for Common Shares, 5% Consolidated Mortgage Bonds, 6% Refunding Mortgage Bonds, Authorized, and Outstanding.

SECURITY FOR BONDS

Bonds will be secured—subject only to lien of an issue of \$250,000 Consolidated Mortgage 5% Bonds of which \$150,000 are now outstanding—by a direct and specific mortgage and charge upon all the Company's real and immovable properties, gas mains and plant both present and future and by a floating charge on all other assets. \$150,000 of present issue will be held by Trustee for redemption of Consolidated Mortgage Bonds. Additional Bonds, amounting to \$2,000,000, ranking equally with the present issue, may be issued to the extent of 75% of additions and betterments to plant, but only if Earnings for last preceding year shall have been at rate of 1 1/4 times interest on Bonds outstanding and to be issued. Trust Deed provides for Sinking Fund sufficient to retire over 50% of Bonds before maturity, at not over 103 and interest.

Complete prospectus, copies of which will be forwarded on request, contains a letter from Mr. T. Ahearne, President of the Company, from which we summarize as follows:

- 1. Perpetual Charter and Franchise to carry on a gas business in Cities of Ottawa and Hull was granted the Company by a By-law of the Town of Bytown (now Ottawa) passed in 1854, and by legislation of the Parliament of the Province of Canada, passed in 1853-1854 and 1865. 2. Company's System for the distribution of gas has a mileage of pipes of 141 miles. Production for the year 1918 amounted to 394,382,000 cubic feet of Gas; 14,227 tons Coke; 415,000 gallons Tar and 155,000 pounds Ammonia. 3. Property Values of the Company \$3,100,000, against total of \$1,000,000 Bonds outstanding, including this issue. 4. Net Earnings for 1918 available for interest on Refunding Mortgage Bonds \$167,466, or more than three times amount required. 5. Unconditional Guarantee. Ottawa Light, Heat and Power Company, Limited (The Holding Company of The Ottawa Electric Company and The Ottawa Gas Company) unconditionally guarantees principal and interest of The Ottawa Gas Company Refunding Mortgage Bonds. Combined Net Earnings of The Ottawa Electric Company and The Ottawa Gas Company for 1918 amounted to \$310,149—six times the amount required to pay interest charges on the present issue.

We offer the unsold balance of this issue at a price of:

- 101 and Accrued Interest, Yielding Over 5.90% Payable as follows: 20% of the par value on application. 40% of the par value on May 1, 1919. 41% of the par value on June 1, 1919.

The right is reserved to allot a portion only of the amount applied for. If only a portion of the amount applied for is allotted, the balance of the deposit will be applied towards payment of subsequent instalments. Payments may be anticipated in whole or in part at any time. Interest will be allowed on payments at the rate of 6% per annum. Accrued interest will be adjusted upon final payment.

Application may be made on the accompanying form.

Quebec Branch of Navy League lecture by Lt. H. T. C. Walker, R.N., on "The Zeebrugge Raid", in Columbus Hall at 8:15 p.m.

WOMEN'S WORK

On Tuesday afternoon several members of the National Service Club distributed chocolates and cigarettes to returning "Princess Pats." The men seemed to appreciate sincerely the hearty welcome extended to them by this club.

The Stadacona Chapter I.O.D.E., has taken over the Red Cross Lunch and Tea Room. In charge for lunch today are Mrs. Meredith and Mrs. Whitehead, assisted by Mrs. Ahern, Mrs. Ronald Fort, the Misses Vericita Price, B. Powell, Marjorie Watson and Dorothy Bancroft. Miss Minnie Scott and Mrs. George Scott will be in charge for tea.

Pauline Lemoine, and the members of the staff.

Intense sympathy is felt in England for the Grand Duchess George of Russia, the news of her husband's murder by Bolsheviks having been confirmed by the Grand Duke Alexander, uncle of the late Czar, who has been fortunate enough to escape to Paris. The deed is rendered more meaningless in that the Grand Duke George was not in the smallest degree a politician, and his one great desire was to reach England and be reunited to his wife and daughters, whom he had not seen since a short time previous to the outbreak of war. The Grand Duchess is a niece of Queen Alexandra, being younger daughter of the late King George of the Hellenes, and she has spent much time with Her Majesty at Buckingham Palace. But more time has been spent at Harrogate, where the Grand Duchess runs three splendidly efficient hospitals for wounded soldiers. Her two daughters, the Princess Nina and Xenia are remarkably pretty and clever girls.

The Ottawa Catholic Girls' Club members had the pleasure of an address by Miss Lilly Barrie at their St. Patrick's luncheon, Monday, March 17. Miss Barrie, who is widely known in the United States and Canada as a social worker, is vice-president of the Women's Federation of Montreal, a life governor of the Royal Edward Institute, and a lecturer on sociology at Loyola College. Miss Barrie spoke in a charming manner of her social service activities, especially those in Montreal. She pointed out the value of good intentions, and also the greater value of action. Miss Barrie dwelt on the fact that "union meant strength"; and that power of an organization such as the Catholic Girls' Club as a group should be unlimited. The opportunities of social service nowadays are great and it is hoped that at an early date Ottawa will have schools where this most important branch may be started. Miss Barrie in closing expressed her great happiness in being invited to speak to the meeting of so splendid a club. Over 100 members and guests sat down to the tables, prettily decorated for the occasion. Miss Lilly Barrie, Mrs. C. J. Steers and Mrs. J. Lorne McDougall were the guests of honor.

Justice of the Peace. Messrs F. U. Stanton, Manager of the Chateau Frontenac, and T. E. Shallow, Manager of the Hotel Victoria, have been added to the list of the Justices of the Peace for this District.

DELIGHTFUL CONCERT.

Programme Submitted Yesterday by Ladies' Morning Musical Club Pleased Audience.

Yesterday's programme of the Quebec Ladies' Morning Musical Club concert organized by Mile Jeanne Pelletier, was an exceptionally good one, where all acquitted themselves so well it is difficult to select any number for special mention. The applause which greeted the duet "Sous Bois" for two pianos, by Staub, delightfully played by Melles Antoinette and Jeanne Turcotte, reached its climax when Mile Gabrielle Langlois made her first appearance at the Club, playing with great execution, Prelude, Op. 2nd (Chopin) and the Staccato Caprice (Vogrich). Although it had been announced that no encores would be allowed, Mile Langlois was recalled three times.

MORE QUEBEC SOLDIERS RETURNING

The following telegram has been received by the officer in charge of the Military Information Bureau:

The following arrived for Military District No. 5 ex "Celtic" at Halifax yesterday and will proceed by special trains to respective dispersal areas this evening:

Bird, Megantic, Que.; Lieut. Chadcock.

BOLSHEVISM A MICROBE.

The theory of President Poincare that Bolshevism is a microbe that attacks defeated, not victorious countries, seems to be substantiated by certain results in the British elections, for wherever there was any indication of such an influence the majority against it seemed to be increased.

REMINISCENCES OF THE PAST

Chronicle Files 100 Years Ago

Latest from England.

The Courier of the 23rd of January announces the death of the "Queen Mother of Spain," Maria Theresa, consort of Charles IV, and the mother of Ferdinand the VII. Her Majesty, says the Courier, expired on the 2nd inst. This double calamity, the loss of a wife and a parent, within a short period of each other, will be severely felt by the King of Spain. Our papers also announced, the death of the Queen of Wertheburg. The Coronation of the King of France is fixed for the 2nd of May.

Dr. Wolcot.

Dr. Wolcot better known as Peter Pindar, was buried on the 12th Jan. in the church yard of St. Paul Covent Garden, close to the spot which contains the remains of Butler, the celebrated author of Hadibras.

In the Press.

and will shortly be published, and for sale by the Booksellers in Quebec, Montreal, Kingston, York and Niagara.

The Sermon preached by the late Rev. Dr. Spark in the Scotch Church at Quebec, on the day of his death, on the text Gen. XLV 24th. "See that ye fall not out by the way;" together with the Funeral Sermon preached on the following Sunday by the Rev. Mr. Wilkie, both published at the request of the Elders and Congregation.

Curling.

The match between St. Lawrence of Montreal and Victoria of Quebec was played in the Victoria Rink here yesterday morning and resulted in a win for the home club by 75 to 35. The following represented Victoria:—S. S. Bennett, E. L. Sewell, G. E. A. Jones, J. D. Gilmour, Lt.-Col. Wilson, Lt.-Col. White, A. E. Swit, A. H. Cook, H. C. Sheppard and W. S. Bennett.

Municipal Elections.

The candidates elected yesterday were Messrs. Leonard, Angers and Chambers, St. Louis Ward; Tanguay, Tessier and Boisseau, Palace Ward; Stafford and Rancour, Montcalm Ward; Bussieres, Cote and Poitras, in St. John's Ward; Foley, in St. Peter's Ward; Reynolds and Griffin, in Champlain Ward; Gagnon, Martineau and Dussault, in Jacques Cartier Ward; Belanger, Gignac and Duchaine, St. Roch's Ward; Dion, Cote and Pouliot, in St. Sauveur Ward and Fiset and Parent, in St. Valier's Ward.

Justice of the Peace.

Messrs F. U. Stanton, Manager of the Chateau Frontenac, and T. E. Shallow, Manager of the Hotel Victoria, have been added to the list of the Justices of the Peace for this District.

DELIGHTFUL CONCERT.

Programme Submitted Yesterday by Ladies' Morning Musical Club Pleased Audience.

Yesterday's programme of the Quebec Ladies' Morning Musical Club concert organized by Mile Jeanne Pelletier, was an exceptionally good one, where all acquitted themselves so well it is difficult to select any number for special mention. The applause which greeted the duet "Sous Bois" for two pianos, by Staub, delightfully played by Melles Antoinette and Jeanne Turcotte, reached its climax when Mile Gabrielle Langlois made her first appearance at the Club, playing with great execution, Prelude, Op. 2nd (Chopin) and the Staccato Caprice (Vogrich). Although it had been announced that no encores would be allowed, Mile Langlois was recalled three times.

The "Air from Herodiade" (Massenet) by Madame F. LeM. de Martigny, charmed the audience; in her second selection the Christmas Carol by Debussy, and "En Avant" (X. Leroux) were especially appealing, having been written during the war, and rendered with much feeling and expression.

Mr. Jean Saucier's first number "Sonata in A" (Handel) was greatly appreciated and in his three following numbers the "Berceuse" (Faure), and "Rondino" (Kriesler) the audience listened with evident delight. Mr. Saucier was particularly fortunate in his sympathetic accompanist. Mr. Antonio Piche's beautiful tenor voice showed to advantage in his three songs: (a) "S. Vous Contentez" (Pesse); (b) "Could I" (Tosti); (c) "Si l'Heure qui Sonne," the latter dedicated to Lady Gouin.

The Club was honored by the presence of Lady and Miss Fitzpatrick.

SCOLDING THE CHILDREN.

Nervous mothers, worried from morning to night by the care of children and the duties of the household; nervous children, perhaps worn out by overstudy, unable to sit still or stand still, or keep their minds concentrated or anything, both need Dr. Williams' Pink Pills to build up the blood and strengthen the nerves.

Try a short treatment with these strengthening, tonic pills and watch the color return to pale cheeks and lips; see how the worn tired nerves recover their poise, note how much less irritating the children become, and how much less scolding they need. Dr. Williams' Pink Pills are a blessing to nervous people everywhere, men as well as women, boys as well as girls, because they build up the blood and strengthen the nerves. They lighten the cares of life because they give you new strength to meet them.

In the case of nervous children the trouble should be corrected at once, as it is but a short step to St. Vitus dance. Give them Dr. Williams' Pink Pills to build up the blood, and whether boy or girl they will become pink-cheeked and rugged.

Dr. Williams' Pink Pills should be kept in every home, as a precaution against the many troubles due to watery blood and weak nerves. You can get the pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
