Mr and Mrs Joseph Paré celebrate 68th anniversary

Mr and Mrs Joseph Paré of Davidson, Quebec, celebrated their 68th wedding anniversary on Thursday, November 13th.

Mr Paré will be 90 years of age on February 3rd and Mrs Paré, the former Elizabeth Stewart will be 86 next April 20th. Both were born on Calumet Island. They have resided in Davidson for 66 years.

Mr and Mrs Paré had seven children (one son was killed in action in Holland during the Second World War), 24 grandchildren, 31 great grandchildren and 6 great great grandchildren.

Mr Paré claims to have voted Liberal in every election since Sir Wilfred Laurier and therefor to be the best Liberal in Pontiac County. He had the privilege of meeting Sir Wilfrid in person. He claims to be Liberal through and through, even admits not supporting his son in law Iky who ran as Union National Candidate in the last Provincial Election.

All members of the family who could be there, gathered at their home in Davidson to celebrate with the couple on this very rare occasion.

LIP grants for Quyon, Bristol, Shawville, Mansfield

From the office of Tom Lefebvre in Ottawa the announcement of several more LIP grants has been received.

At Quyon the Pontiac Agricultural Society Division C will receive $18,300 to provide five or six jobs improving the fair grounds. Specifics include levelling the ground around the horse barns and the race track, clearing the brush and repairing the various barns, providing outdoor lavatories on the grounds, improving the main display building and the food booths and certain maintainance for the fastball diamond.

At Bristol $13,500 is being used to create four jobs. The project is to create a good controlled garbage disposal system for the two thousand permanent residents of the municipality and the two thousand summer residents.

At Shawville $16,275 will be granted to clean up Shaw Lake and provide a park around that area which will improve the view for senior citizens at the proposed old folks home. The money will also be used to clean up the area around the springs which provide town water. Four jobs are expected to be created for this project.

At Mansfield beside the red covered bridge, the Municipality of Mansfield and Pontefract intends to build a municipal hall and offices with $9,300, this amount to be used for labor and the municipality to borrow the money needed for materials.

and County-wide housing

A Better Housing project which hopes to extend from Quyon to Rapides des Joachims has received $28,890 which will create seven jobs for people who are to put up storm windows, install toilets, repair roofs and stairways, paint up and generally fix up the homes within this county which are in disrepair and whose owners are on welfare. Michel Legaré and Marcel Rivet of Fort Coulonge CLSC are in charge of this project.

It is possible that one more project within Pontiac may be announced but otherwise the budget has been completed for this year.

Mr John St Pierre presents Mr Edwin Pirie with a forty-year pin. Mr Pirie has been a member of the Holstein Friesian Assoc of Canada for Forty Years.

Pontiac Holstein Club Annual Banquet

A record crowd was on hand to help the Pontiac Holstein Club close out a very successful year.

President Archie Stanley welcomed everyone in attendance and introduced the many visitors from out of town. He then gave a report of events sponsored by the Club in 1975, complimenting the Breeders for the fine display of animals at the Black & White Show held in conjunction with Shawville Fair.

Walter Kilgour introduced special guests for the evening, Mr and Mrs Edwin Pirie. He gave a resumé of their life leading up to the beginning of Elmside View Holsteins and their many years spent on their farm at Bristol. Mr. Pirie was presented with a pin, in recognition of his 40 years as a member of the Holstein Fresian Assoc. of Canada, by National Vice President Jean St Pierre of Brownsburg, Quebec.

Mr St Pierre brought greetings from the National Assoc. Office, reporting that membership was up this year however the postal strike and inflation were giving Head Office their usual problems.

Past President Hugh Hammond the Ladies toastmaster for the evening, made special mention of contribution made by Club Secretary Mrs Evelyn Duff and made a presentation to Miss Rayma Hayes- Pontiac Holstein Club Hostess.

Keith Brownlee made the presentation of awards for the Pontiac Black & White Show, commenting on how well the awards had been distributed among the exhibitors.

Ken Kilgour chaired the presentation of production Awards, with Top Herd, 2 year old, 4 year old, and Mature Cow going to the Elmside View herd of George Pirie and Son with Top 3 year old going to Kennedy McBane & Son and the 2nd High Herd to J. Donald Duff & Son.

Dalton Hodgins chaired the presentations of Star Brood Cow and Long Time Production Awards recognizing many of the leading Breeders in the County.

Special Guest Speaker Mrs Pheobe McCord climaxed the banquet portion of the evening, with a very thought provoking and inspiring compliment to the worlds "Food provider", the farmer.

A dance played to by the "Blacksmith's" rounded out a tremendous evening for everyone involved.

Special thanks go out to the Zion Hospital Ladies Auxiliary for the lovely meal and to Mrs Evelyn Duff and the Club Executive for their fruitful efforts.

Phone 1-683-3167 if you know about any elderly people who need any type of assistance

A new committee of mature responsible women has been set up in Pontiac County to act on behalf of any elderly people who need help of any sort.

Mrs Jeanette Belec of Davison is the chairman of the group which includes Mrs. Irene McGrath of Fort Coulonge, Mrs Marielle Kluke of Campbell's Bay, Mrs Claude Harkins of Waltham, Mrs Audrey Jacques of Shawville and Mrs Florence Kilroy of Quyon.

Their office is in the basement of Labine's Hotel and their secretary is Miss Thelma Hereault. The phone number is 683-3167. If anyone knows of an elderly person who has trouble getting to a doctor or doesn't know how to collect welfare, or their pension, or needs a friend or glasses or a hearing aid or legal advice or food or someone to read to them or to write a letter for them or anything else - or if anyone knows of any isolated elderly people who might need help but wouldn't know how to find out about it - just give the names and addresses to the committee and they'll drive to any corner of the County to see what can be done. The name of the group is simply "Help for the Aged".

Agricultural Producers list being revised

by D MacMillan

It is important that farmers receiving the questionaire complete and return this form. After January 1, 1976 farmers who have not completed the questionaire could be in a position of being held in suspension as Agricultural Producers.

Quebec issues subsidy and rebate payment cheques only to farmers who are qualified as Agricultural Producers and failure to complete the questionaire could mean a delay in receiving subsidy or rebate cheques.

Over the past few years each farmer selling $1,000.00 per year or more has been approved as an Agricultural Producer. An Agricultural Producer is eligible for tax rebates and the Quebec Department of Agriculture programs and policies if he qualifies.

Recently farmers have received a questionaire in the mail asking them to answer the questions and return the completed form to the Shawville office of the Quebec Department of Agriculture. Only farmers who have not yet completed the questionaire received these forms.

Rotary Club Wheelchair

The Shawville Rotary Club has lost track of a wheelchair borrowed from the hospital.

A plaque identifying it as belonging to the Rotary Club is attached to the chair.

Anyone knowing the whereabouts of this chair is asked to contact Mr Edgar Horner, the club secretary, at 647-2945.

MORE PENALTIES THAN PLAYING TIME

Since the game of hockey has deteriorated here to the point where one game includes a hundred and eleven minutes of penalties plus a game misconduct is it time to drop it altogether?

But no; dropping hockey would solve nothing. Those same people who break the laws of hockey on the ice and those same people who carry hockey fights into the streets and restaurants, and the same people who go to watch a game and end up fighting on the ice, would undoubtedly be displaying their antisocial behaviour some other way if the institution of hockey didn't provide the necessary safety valve.

Anyone who plays hockey knows how it can end up. Any parent who permits, or urges, his child to play hockey knows the way the game is being played in local and in larger leagues. And those who go to watch hockey also know they might well be watching and taking part in a boxing match before the night is over. Even watchers of television hockey express disappointment when a fight is off their screens, though this is seldom indeed because the producers know the public tastes and would rather miss a good passing play than a glove-dropping fistfight.

So that's hockey; so what's new?

The game last Friday in Shawville was to be a good-will exhibition game. It provided all the excitement the fans could ask for and all the excitement the referees could handle.

Our community has its full share of hockey fans and they should not be denied their favorite pastime, no matter what the rest of us think about it. All we have to do is stay away if it displeases us.

Ernest Dean read the names of the fallen and the "Last Post" and "Reveille" were played by Douglas Rowat.

Rev Orville White, read the poem by John McCrae, entitled - "In Flanders Fields". After the laying of wreaths of remembrance, Pastor Lloyd Moore, concluded with prayer and the benediction.

The service began with the singing of the National Anthem and ended with "God Save the Queen".

LETTERS

TO THE EDITOR

With regards to an opinion by one of your correspondents in last week's issue, I certainly feel adults as well as students have the right to their feeling on the issue of jeans.

As for the boy referred to he was wearing (CORDUROY JEANS).

I do not think church was ever meant to be a place to go to criticize peoples apparel.

Being a mother of one of the other students, I am sure my daughter can determine what is proper dress whatever the occasion may be.

Mrs Ken Cruickshank

Nov. 17, 1975

Dear Editor,

In answer to your editorial dated Nov. 12, 1975 let us clarify the point that dress regulations were originally adopted by the Regional School Board in 1968. This regulation was amended in 1974 at the request of the School Committee.

Students were neither deprived of their education nor locked-out, this was their decision.

In as much as many experienced educators have found that a direct association exists between a decline in dress standards and a decline in behavior, dare we take the chance, no matter how slight, of this occuring in our school?

Your hope that the School Committee will make a wise decision has been realized because the School Committee, in a decision based on the opinions of parents chosen at an open meeting, has recommended to the school board a continuation of the present policy.

Secretary, School Committee
Pontiac Protestant High School.

(The School Committee consists of Dave Conrod, Robina Richardson, Eleanor Hayes, Raymond Rowat, Dawn Kierstead, Hugh Horner, Bill Smiley, Margaret Crawford, Sheila Crozier (Secretary), and the chairman, Marnie Haldane. To our knowledge the chairman is the only member who agrees with the students that dress should be left up to the individual and she had not seen this letter until after it was brought into THE EQUITY office. Ed.)

STUDENT DRESS
PONTIAC HIGH SCHOOL

I have been asked by the School Board to inform all parents at the High School that they will be asked for their opinions on student dress.

The poll will be carried out in the near future and you will be informed more fully as to the type of balloting to be used.

D.B. Conrod,
Principal

Threshing with steam - 1915

This photograph was taken by Sherwood Henderson sixty years ago, on October 5, 1915, during the threshing at John O'Brien's farm in North Bristol. The men are, left to right, John Neil O'Donnell, John James O'Donnell, Francis Bennett, Bert Tubman and George Phillips. Threshing with steam was modern in those days but as we have witnessed recently it is still being done in several places around this area.

Pontiac Co-op Medical Annual Meeting to be Thursday, November 27th

The financial statements of the Pontiac Co-operative Medical Services has been printed and mailed out to all members. On the cover of the statements is the announcement of the annual meeting and somehow, by mistake, the date for the meeting was listed as Wednesday, November 27th. Of course, November 27th is a Thursday and that is the day of the meeting.

On Thursday, November 27th, the Co-op will meet with all its members in the Basement of the Shawville Municipal Hall, Main and Centre Streets, at 8:15 in the evening.

This will be the 27th annual meeting. Business of the evening will include reports including the auditor's statement and the election of four directors and one supervisory director, and presentation of checks to catastrophic claimants and consideration of recommendations from the directors as well as to transact any new business which might come before the meeting.

New members will be welcomed at the annual meeting and memberships will be received at that time by the secretary-manager.

Directors whose terms of office have expired are Walter Kilgour, Mrs Secil Sly, Kenneth Smiley and Russell Mee. The retiring supervisory director is Lennis Dean.

CHOV-TV strike

On May 1, 1975, NABET (National Association of Broadcast Employees and Technicians) was certified to represent 22 employees at CHOV-TV, Channel 5, Pembroke.

Talks began in July and broke down October 9th with a concilliator present. Members voted unanimously to walk out November 8th at 12:01 a.m., the legal strike deadline.

Of the 22 employees the average wage is $114.80 gross (before tax deductions etc ..) for a 40 hour week. Employees have been working for the company for from 2 weeks to 14 years.

The most important issue is union security under the Rand formula whereas everyone pays dues and it is their choice whether to join the union or not. Dues are 1.66% of salary. These would be deducted at source and union membership would always remain confidential.

Management officials and a few employees remaining on the job are keeping the station on the air while sacrificing programming quality along with cancelling all local shows except for half an hour of news daily, Monday through Friday.

Anyone crossing the picket line to work at the station will be blacklisted by NABET and other unions which exist at most of the stations across Canada.

Martin Jones, president
Local 717, NABET
Pembroke, Ontario

Programs, but NOT as usual during strike at CHOV-TV

The skeleton staff at Pembroke television station, CHOV-TV, is valiantly trying to keep programs on the air but local production has diminished to a bare trickle. Pontiac Now, Song Farm, and even the daily Town and Country, have discontinued production pending a solution to the labor problems at the station.

THE EQUITY has learned that before the arrival of the NABET union at Pembroke TV the wage structure was not in keeping with the rising cost of living. Since negotiations with NABET the station has agreed to increase salaries. This situation points to a need for union supervision but the station still does not wish to permit NABET to require union dues from all its employees. This, as far as we can determine, is the main cause of the present impasse.

As of this moment the management is still inside the station doing all the jobs required to keep CHOV—TV broadcasting and the union members are outside picketing.

90 Years Ago in Shawville Part V

by Gordon Crouse

This is the concluding article on the old account book of the Armstrong Store located in Shawville where Smith's Restaurant is now situated. Donated by Bob Smith it is now in the archives of the Pontiac Historical Society. Similar books and documents should be thus preserved for posterity. There was a quality to life in 1885 centered around these old stores unknown today. The propietor, clerk, carter, and customer were trustworthy friends. A mans' signature and word was all that was needed in dealing with one another.

The trading, buying, selling, bartering, and labour arrangements were put in one book. Names of well-known residents are plentiful in this book. We find George Hynes, W. A Hodgins, James Lang Shaw, Robert McCredie, Donald McRae, Samuel Howes, Moses McCorriston, John Lester, Joe Sly, Wm Corrigan, Dr Lyon, John and Alex Hazard, James Tracey, Dan Cowley, Sam Hobin, James, Alex and Ben Work man, George Lucas, Joe Turner, William and Cole Hayes, Robt and Josh Farrell, John Steel, Sam Sinclair, Sam and John Rennick, Capt Louis Keller, James Leathem, Archie Greer, Thos McCord, Robert Glen and six Daggs - Isaac, Chas., George, W., John, and Richard.

Of interest is the notes in the till. $1.00 cash taken out "for a few days"; another dollar loan to Sam Harris for "Exhibition Day"; and a $10.00 to Joseph Gray "until next Saturday". Once 25 cents was given out "to the Missionary". $4.00 bank-notes (now a collector's item) were found in the till. One of the Armstrong brothers left a note with simple explanation "cash to buy Gin". Brandy was available on the shelves at $1.35 per bottle, likely for medicinal purposes. For the do-it-yourself beer drinker

ARE YOU
A KIND PERSON?

ANSWERS: 1. (E) A nice note and a reciprocal invitation would be appreciated the most. 2. (A) Compounding the child's disappointment would be of little avail. So tell him that he'll probably do better next time. 3. (C) Contribute to the charity *and* send flowers. Your double act of kindness will be appreciated at least twice as much. 4. (B) Wish him a happy birthday and, if he's done a good job, give him some extra money. 5. (B) Point out that his present situation might lead to a better job.

Police News

From Sgt Nadeau at the Campbell's Bay Detachment Quebec Police Force we are informed that there have been no serious accidents nor criminal investigations this past week but one fortunate coincidence did lead to the apprehension of thieves in Fort Coulonge.

Sunday night Constables Leduc and Melançon just happened to be cruising past Labine's Hotel when two men were breaking in and making away with various supplies of liquor.

Arrests were immediate and the surprised men were taken along to the police station. Charges will be laid.

Sgt also stated that charges will soon be laid against certain men who caused mischief and set fires on Hallowe'en in both Quyon and Shawville.

Personality Quiz

Though kindness is a trait attributed to many, the individual who exercises it with consistent care will come to be considered one of a kind by his friends and relatives. Here's a quiz whose answers you might well put into effect when dealing with humankind:

1. After spending a day or weekend at a friend's home, you should (A) Telephone him immediately and express profuse thanks, (B) Write a short letter of gratitude, expressing the hope that he can visit you at *your* home in the near future, (C) Offer to take him out to lunch?

2. If your youngster complains that he or she has been graded unfairly on a test at school and you disagree, it's best to (A) Point out that the child, with a little more study, will probably do better next time, (B) Tell the boy or girl to quit complaining, or (C) Ask him or her if there are any complaints about other tests?

3. When a friend of yours dies and his family requests that you do not send flowers, but instead contribute to a charity, you should (A) Comply strictly with their suggestion, (B) Call a member of the family and tell her how much you would have liked to send flowers, or (C) Contribute to the charity *and* send flowers to the deceased's former residence or the funeral home?

4. After learning that it's the birthday of the boy or girl who delivers your newspaper, you should (A) Telephone the youngster's mother and ask what he'd like as a present, (B) Tell him happy birthday and, if you wish, give him a dollar or some change, saying that you hope he makes good use of it, or (C) Assure him that you intend to renew your subscription?

5. If a friend of yours has been fired, the kindest thing you can do is (A) Urge him to work harder on his next job, (B) Point out that, if he finds better work, his dismissal may be a blessing in disguise, or (C) Tell him about other friends of yours who have lost their jobs?

THANK YOU

Strutt- Vickers wedding

Nancy Joy Vickers, daughter of Mr and Mrs Russell Vickers, Burlington, Ontario, and Gordon William Strutt, eldest son of Mr and Mrs Arthur Strutt, Shawville, Que. exchanged marriage vows Saturday, August 23rd, 1975, in Wellington Square United Church, Burlington, Ont. Rev H.G. Pritchard, D.D. officiated at the double ring ceremony. Mr Gordon Douglas, organist, played Praise My Soul as processional.

Given in marriage by her father, the bride wore an A-line floor length gown of white polyester satin falling into a slight train, with an overlay of flocked cotton, empire waistline and long puffed sleeves. Her elbow length veil fell from a headband of matching material. Nancy carried a bouquet of pink sweetheart roses and white carnations.

Maid of honour was Miss Jenny Vickers, sister of the bride, and Miss Brenda Strutt and Sally Vickers, sisters of the groom and bride respectively, were bridesmaids. Miss Denise Vickers, niece of the bride, was flower girl. All wore blue flocked cotton over blue taffeta A-line dresses with short puffed sleeves and matching blue picture hats. They carried bouquets of pink and white carnations.

Best man was Mr Terry Stewart, ushers were Mr Bruce Judd and Stephen Strutt, brother of the groom. William Strutt, brother of the groom, was ring bearer. All wore light blue tuxes.

The bride's mother chose a long peach floral gown with a corsage of yellow roses. The groom's mother was dressed in a pink floral floor length gown with matching jacket and a corsage of white carnations.

During the signing of the register the congregation sang O Father, All-Creating. Following the ceremony, reception and dinner were held at The Estaminet, Burlington, Ontario.

Out of town guests were from Shawville, Ottawa, Edmonton, Niagara Falls, Aylmer, Ont, Owen Sound, Woodstock, Guelph and Sudbury.

The couple is now residing at Guelph, Ontario.

community store selling everything from horse brushes to candle wick over the counter and into account books if fast disappearing. In the present day mad rush to centralization other familiar landmarks have been sacrificed at the altar of so-called progress.

We view with dismay the closing of little churches, one room schoolhouses, and rural postoffices. In some small villages and settlements nothing remains but forlorn cemeteries in active use. Truly the greatest tragedy to be recorded in the history of the 20th century is the abandonment of pleasant villages. And the major myth of the age is that this is a sign of human advancement.

Moved by Weldon Hobbs and seconded by Royce Richardson that the words "the Trade Fair and" be deleted from the minutes of the meeting of October 21, 1975, from the portion which reads "that Agricultural Society be charged $425 for extra hydro for the Trade Fair and the Shawville Fair".

With this correction it was moved by Bill Orr seconded by Allan Black that the minutes of the previous meeting, as circulated, be adopted.

Moved by Bill Orr and seconded by Bob Campbell that the annual banquet, formerly hosted by the firemen, be held at the Ed and Ellen Restaurant on Saturday, November 29, 1975.

Moved by Allan Black and seconded by Bob Campbell that the street which will provide the main access to the Pontiac Home for the Aged be and is a continuation of Victoria Avenue, already named.

Moved by Royce Richardson and seconded by Weldon Hobbs that a letter of appreciation be written to retiring members of council.

Accounts amounting to 10,073.45 were approved for payment, with the exception of two of these, which are to be questioned, on a motion by Weldon Hobbs, seconded by Bill Orr.

Whereas this council deems it advisable to regulate the erection of signs and, whereas, notice of motion has been regularly given, it is proposed by Weldon Hobbs and seconded by Albert Armstrong that the following be an amendment to By-law Number 159-

a) It is hereby forbidden to erect any overhead, outdoor signs, suspended from a building, overhanging town property

b) All outdoor overhead signs must be self-supporting or fastened securely on the face of the building, not overhanging town property.

c) A permit is required at a cost of $5.00 for the erection of any outdoor illuminated sign.

This amendment was read and adopted unanimously.

Moved by Allan Black and seconded by Bill Orr that two Municipal Code books be ordered.

The secretary was asked to write to Pontiac Bus Lines concerning the fact that more than one bus stopping on Main Street, so close to the corner of Victoria, is an impediment to traffic, particularly on Friday nights.

Moved by Royce Richardson and seconded by Bob Campbell that tenders be requested for the digging of an excavation for the disposal of garbage. There was further discussion about the dump and the need to purchase more property for the disposal of garbage.

Adjournment was moved by Allan Black at 10:45 p.m.

FINDING NEW LIVING SPACE

By Joy Miller

Young families have a way of outgrowing homes. Or, put another way, homes have a way of "shrinking" with the arrival of new family members. What can be done?

Well, the simplest and most obvious answer is . . . move! Simple and obvious as it might be to pack up and head for larger quarters, these days when budgets are as tight as a sheepshank, it's just not all that realistic. Again, what can be done?

You could add a room. But before that's considered, exhaust every means available to utilize existing home space. What about that attic? Kids especially find attics attractive as personal "retreats." How about the basement? No law exists saying that basements have to be rec rooms. They make dandy bedrooms.

It's important to check your home for unused — or under-utilized — space because adding an addition to your home is much more than constructing three or four walls.

There are the expenses of the roof, foundation, heating system, electrical wiring, insulation — all costs which can be avoided by better utilization of existing space.

Imagination is often the key. Even if there are no vacant areas in your house, the chances are you have corners in your home that are just plain wasted space. Spots where two walls meet, but two people don't.

According to the talented designers at Armstrong, makers of budget-minded, do-it-yourself resilient floors, carpets and ceilings, many rooms can be designed to create artificial corners. A good example is two upholstered chairs placed at right angles near each other with a low table between them.

But what about a *real* corner of your room? Well, there's no reason you can't use the same chairs-plus-table combination. And since you're next to the walls, the addition of decorative lighting and some paintings and prints will add to the relaxed atmosphere.

Furthermore, by bringing the three main pieces of furniture away from the center of the room, you'll add to its spaciousness.

The New Revelation

"As the body of man needeth a garment to clothe it, so the body of mankind must needs be adorned with the mantle of justice and wisdom. Its robe is the Revelation vouchsafed unto it by God. Whenever this robe hath fulfilled its purpose, the Almighty will assuredly renew it. For every age requireth a fresh measure of the light of God. Every Divine Revelation hath been sent down in a manner that befitted the circumstances of the age in which it hath appeared."

In Memory

BURGESS — In loving memory of a dear Wife and Mother and Brother, who passed away October 30th, 1963.
Our family circle has been broken,
A link gone from our chain.
But though we're parted for awhile,
We know we'll meet again.
Someday we hope to meet them.
Someday we know not when,
We shall meet in a better land,
Never to part again.
Always remembered by The Burgess Family. 9047XN19

DUNLOP — In loving memory of a dear Mother, Mrs. George V. Dunlop, who passed away Nov. 20, 1945.
There is a sad
But sweet remembrance,
There is a memory
Fond and true;
There is a token of affection, Mother,
And a heartache still for you.
The Dunlop Family. x

MOUSSEAU — In loving memory of Earl Mousseau who passed away Nov. 16, 1973.
Time may heal the broken hearted,
The years may make the wound less sore,
But it can not kill the longing
For the loved one gone before.
Who shall say the grief is lessened.
Though the smile may hide the tears,
Memories keep the wound still open
Spite the passing of the years.
Wife and family 9073XN19

STEWART — In memory of my dad and grand dad who passed away Nov. 22, 1968.
He would not ask for sorrow
He would not ask for tears.
Just to be remembered
Through the passing years.
However long my life may last
Whatever land I view
Whatever joy or grief be mine
I will always think of you.
Jean, Lloyd and family. 9072XN19

TUBMAN — In memory of a dear husband, father and grandfather, Gregory Tubman who passed away Nov. 15, 1973.
Just a thought of sweet remembrance.
Just a memory sad and true.
Just the love and sweet devotion.
Of ones who think of you.
Ever remembered by wife and sons Bruce, Ronnie Michael and Gary. 9078XN19

WAY— In loving remembrance of a dear mother and grandmother Mary E. Way who passed away October 22, 1974.
Loving and kind
In all her ways
Upright and just to the end of her days.

Obituary
William (Billy) Langford Horner

On November 3rd, at the age of 40, in a highway accident near Tweed, Ontario, Billy Horner was instantly killed.

He was the son of Norris R. Horner and his wife the former Opal Langford, born in Shawville on December 28th, 1934. Billy attended Shawville High School and worked in the family business, the Shawville Bakery, and later at the Hilton Mines and more recently he was a harness horse owner, trainer and driver.

He was a member of the Shawville United Church.

On September 16, 1959, he married the former June Dale at St Paul's Anglican Church in Shawville and they have a daughter, Judy.

Also surviving are a sister Marian, Mrs Pat McGahern, of Ottawa, and a brother Darryl of Cornwall, Ontario.

The funeral on November 7th, attended by a very large assembly of mourners, was conducted by Rev A Macintosh assisted by Rev Dugal Sharpe, from the W.J. Hayes and Sons Funeral Home with a service in Shawville United Church at which Mrs Norma Horner was soloist.

Pall Bearers were Brent Horner, Robert Horner, Hugh Horner, Wilmont Horner, John Langford and Elwood Sharpe and Honorary Pall Bearers were members of the Shawville Driving Club and other Harness Horsemen of the district. Burial was in Maple Grove Cemetery.

CW L St Mary's meeting

The Catholic Women's League assembled in St Mary's School Auditorium on Tuesday evening, November 11th at 8 p.m. Thirteen members along with Director were in attendance.

The meeting was opened by Father Garry Cain with the recitation of the League Prayer and the Prayer for the Pope.

Secretary, Mrs Leo Foran read the minutes which were approved and signed. Correspondence was then read. Letters from Television program.

A Mass for the Souls in Purgatory to be offered during month of November.

Thank you wishes to be sent to St Edward's for their gracious hospitality Sunday October 19th, Regional meeting held in Parish Hall.

Convenors for a wedding Dec. 6th were chosen also for the Agricultural Banquet on Nov. 29th.

There will be a drawing for an afaghan donated and crochet by Mrs Anna Robinson. This will be at the December meeting. Exchange of gifts at the Christmas meeting.

Father Cain was subjected to many questions put forward by the members. This made a most interesting and informative meeting.

The meeting was adjourned by Mrs Helena Beatty. Hostess Mrs Ada Daley who also took home the tea prize. The meeting closed with a prayer.

Campbell's Bay News

Mr Gerald Martin Grace, rural route contractor since 25-12-25 will be retiring on Dec. 31st. He was born on July 31, 1896. Mr Grace is in good health and keen of mind and also very well liked by everyone. After 50 years of service he should have interesting memories to relate.

Dr Wilson was at Campbell's Bay Elementary School Monday evening to speak on a topic that is the concern of many parents -- "Drugs". Dr Wilson is a chemist working with the Federal Dept of Health Food and Drugs. The auditorium was filled as he explained. How to recognize the drugs used by everyone -- The effects and side effects on the people concerned who use the drugs -- Tips on detection if you think your child is taking drugs.

To the parents interested enough to attend it was a most enlightening meeting.

He also spoke to the entire student body of Campbell's Bay Elementary School in the afternoon. He was quite interested in the attention shown by the students and questions put to him by them. May we give Dr Wilson a thank you for his informative talk to us as parents.

Mrs David Lunam Sr, Mr and Mrs Hahn and son Todd are vacationing in Florida for three weeks.

Mrs Grace Smith spent the weekend in Ottawa. Mr Alton Gould former minister in Campbell's Bay who has returned from serving in the far east for twenty years was speaking at Fifth Ave Free Methodist Church. Mrs Smith and others made the trip to be able to hear him.

The United Church Women of St Andrews United Church held the annual tea, bake sale and bazaar on Saturday. It turned out to be a great success as usual.

Mr and Mrs W.S. Griffiths returned from Mooseonee, Ontario where they have been visiting their daughter Margaret and her husband. They both teach at Mooseonee.

Visitors at the home of Herby Martin's were their daughter Leona and her husband.

I am glad it was made clear that the TV Producer had asked the students seen on television to wear jeans and also that those children in particular would not go to church etc in jean because in our community I have seen children not only in jeans at church but singing in the choir in them without a choir gown covering them.

Although I would like to add that I think they are better to be attending church in jeans than not at all. A thank you to the editor for her comments which clarified this situation.

Children of the schools in our area were glad of their break this week which was for two days. The Teachers convention was on in Montreal.

Teacher interviews are to be held Wednesday evening at Campbell's Bay Elementary School. Parents interested in the progress of their children should make it a point to be present.

Mrs Grace Grawburger of Ottawa visited at the home of Ebert Murphy's.

Mr and Mrs Jim Videtta of Ottawa were visiting Mrs Bernice Smith this week.

Due to an LIP Grant four women have jobs in the former St Joseph's Convent.

This building is open from 9 am to 5 pm weekdays. And anyone wishing to take up a craft, knitting, crocheting, quilting etc is asked to contact Mrs Roland Haley so classes can be organized.
