## Shawville girls donate their legs for crippled children

Thirty Shawville teenaged girls will hike to Renfrew next Wednesday, April 17th, donating one day of their school vacation and their leg power to the cause of raising money for crippled children.

The girls are members of the Intermediate and Senior CGIT groups, and the adult organizer of this venture is Mrs. Barrie Murray, the former Sandra Horner who just a few years ago was a CGIT herself and who now spends her spare time as a leader of the Senior Group.

Each of the girls taking the long walk will be seeking sponsors and each sponsor will pledge a certain amount of money per mile. If the girl happens to go all the 25 miles to Renfrew, the sponsor will fork over the amount promised times 25. If the girl makes it only half way the sponsor pays only the amount promised times the number of miles actually covered by that girl.

Some people are pledging five cents a mile and some are pledging a dollar, which would be a major contribution to the fund if the sponsored girl got as far as Renfrew.

To sponsor a giri on her walk, a person should telephone to Patricia Sheppard at 2820 or 2893 bfeore Monday, April 15th. The whole project will take a lot of organizing so the girls want to get the sponsoring done early. You can pledge the money in the name of any one of the girls, or you can let the girls decide which of them will carry your own particular pledge.

Those going are Helen Hayes, Janice MacLachlan, Patty and Ruth Sheppard, Sheila McLean, Christine Smart, Anne Stanley, Mavis Hodgins, Linda Fletcher, Sharon Thomson, Laurie Murray, Maydon Dods, Debbie Howard, Anne Stevens, Dulcie Elliott, Dorothy Horner, Glenda Hodgins, Shirley Belsher, Debbie Stones, Mary Elliott, Diane Belsher, Wendy Woodman, Brenda Strutt, Elizabeth Russell, Karen Bean, Kathy Hayes, Marilyn Sparling, Jean Eckford, Kathy and Marilyn Letts.

Cars will be needed to keep touch with all the girls during the entire day, providing water to the thirsty, carrying lunches at noon and snacks later if needed, and to pick up those who find the going too tough and do not want to complete the whole walk.

People willing to help out with cars during any part of the day or for the whole day may offer their services to the leader, Mrs Barrie Murray or to Patty Sheppard.

The girls will leave from their regular meeting place at Shawville United Church at six o'clock in the morning, Wednesday, April 17th. Rain or shine, they intend to go through with this walkathon which is the first adventure of this sort ever entered into in this area.

A good send-off by local citizens at 6 a.m. will give the girls confidence and moral support as they embark on their day of walking, and a good supply of sponsors will make them feel that their spectacular effort is drawing sufficient attention to the need to help unfortunate children who are not able to engage in such things.

The demonstration of the usefulness of a healthy pair of legs will result in practical help for youngsters who haven't been so blessed Research and rehabilitation are the two major uses of the money donated to the Easter Seal Crippled Children's Fund. A dime a mile on the part of everyone wno reads this will help considerably.

Anyone out of town, anywhere in the world, who reads this report, may take part with the CGIT in their venture by sending a pledge to Miss Patricia Sheppard, Shawville, Que. with a name from the above list. After the walkathon Miss Sheppard will notify the sender of how many miles that girl covered and then the money can be mailed in by money order or cheque, payable to "Shawville CGIT".

All who have heard of this big project on the part of the service minded CGIT are hoping that the day will be cool and clear, that enough cars will turn up to assure safety and a maximum of comfort to the walkers, and that they will consider the day a huge success when it is all over.

Anyone wondering what CGIT stands for should know it means Canadian Girls In Training, and this week, if they wonder what the Canadian Girls are In Training for, it is for the biggest athletic event in their entire lives, a twenty five mile walk to raise money for crippled children.

## Eric Ross explains problems of pollution at Lions Club Zone Rally

The Shamrock Room of Gavan's Hotel was the setting for a highly successful Zone Rally conducted at the request of Zone Chairman Clarence Wall and hosted by the Lions Club of Quyon. Besides the host club, other clubs represented were Pembroke, Bryson, and Shawville.

The head table, introduced by Lion Ken Dugan of the Bryson Lions Club, included guest speaker F. M. (Eric) Ross, PDG Charlie Imison and wife of Shawville, Zone Chairman Clarence Wall and wife of Bryson, Pres. Stan Callaghan and wife of Quyon, Zone Chairman (22 East) Ken Cochrane and wife of Renfrew, first vice-president Gus Peppard and wife of Quyon, and second vice-president Dr. Bob Hudson and wife, Quyon.

The district officers and clubs were introduced by Lion Charlie Imison.

The report of the activities and achievements of the Lions Club of Quyon was delivered by Lion Gus Peppard, Chairman and organizer of this entire program.

In his remarks Zone Chairman Clarence welcomed all clubs present and praised the Quyon Club for its fine record since having been chartered last June He praised Chairman Gus Peppard for organizing such a fine program.

The meeting was enlivened by lively singing led by Lion Ken Dugan of Bryson accompanied by Zone Chairman Ken Cochrane of Renfrew. An addition to the fun and merriment was the antics of acting tail twisters Charlie Hogg of Pembroke and Lennis Dean of Shawville.

The highlight of the evening was the talk delivered by the guest speaker F. M. (Eric) Ross, Chief Chemist of the Pontiac Mill. Mr. Ross had worked in British Honduras, Scotland and the United States before coming to the Portage project.

Mr. Ross spoke on "Air and Stream Pollution". The speaker dealt with his subject on three levels of responsibility: (1) the government level, (2) the industry level, especially the pulp and paper industry, (3) the Company level, with reference to the Pontiac Division Mill of Consolidated-Bathurst Ltd. In summation Mr Ross said, "The Company and Pontiac Division are concerned about pollution and & doing all that can be done with the present knowledge of the art.

"The pulp and paper industry is concerned about pollution, is doing research on problems, and is co-operating with governments at all levels.

"The government is concerned but since the politicians are controlled by you, the voter, it behooves you to become informed about pollution, and then to get involved, so that Canada may continue to develop economically, but not at the expense of destroying our environment, and that of generations still to come."

The speaker was introduced by a colleague Lion Bill MacLachlan of Shawville. He was thanked and presented with a gift by Lion Don Murdock of Quyon.

Dancing completed the rest of the program.

## Quyon Lions will send two students to Kemptville for public speaking contest

A public speaking contest sponsored by the Lions Club of Quyon was held in St Mary's School auditorium last Wednesday evening, April 3.

The contestants were Earl Bennett, son of Mr and Mrs Francis Bennett of North Onslow; Kerry Gavan, son of Mr and Mrs Lennox Gavan, Quyon; Marion Kennedy, daughter of Mr and Mrs Bert Kennedy, Quyon; Marion Mahon, daughter of Mr and Mrs Howard Mahon, Quyon; Chuck McColgan, son of Mr. and Mrs Ed McColgan, Quyon; Cathy Muloin, daughter of Mr and Mrs Bill Muloin of Shawville; Ann and Marion Robinson, daughters of Mr. and Mrs John Robinson, of Beech Grove. All are students of St Mary's High School and were trained by their English teacher, Stan Callaghan. The winners were Marion Kennedy, girls section, and Earl Bennett, boys section.

Lion President Stan Callaghan opened the program by welcoming everyone, and explaining brifely the nature of the contest. He then turned the program over to Lion Fr. T. Klatt, chairman of the Education Committee of the Lions Club of Quyon.

The contestants were identified by number only. They had drawn these numbers by lot prior to the contest and spoke in the order of the number drawn. The contest consisted of two parts first, a five to seven minute prepared talk on a subject of each student's own choice; secondly, a two minute impromptu speech on a subject drawn by lot fifteen minutes prior to delivery of this talk.

The judges for this event were Rev R. Smith, Mayor William Burke, and Lion Laurie MacKechnie, all of Quyon.

The president presented a trophy to each winner along with a ten dollar prize. All other contestants received prizes of five dollars.

Just before closing, the president thanked all those who had made this contest such a success: the judges, the teachers who had given the contestants time out from classes during the last few days prior to the contest, the contestants themselves and their parents and chairman Fr Klatt. He then announced that the winners will advance to Kemptville on Saturday, April 20, to participate in District A-4 finals. The top prize there is the Governor's Trophy. The winners from this contest proceed to District "A" (all Lions Clubs in Ontario and Quebec) finals. This contest will be held this year in Arnprior during the month of May.

## New Zone Chairman

Lions International Zone 22 regional rally at Arnprior on April 4th elected Shawville Lion W. M. (Mac) Hayes as their new Zone 22 West Chairman. Shawville Lions president Versil Smith congratulates Mac on his election to this high office. Mac is one of the charter members of the Shawville Club.

## Farmers went back to school for two days

Galen Driver and Peter Hamilton of Macdonald College came to Shawville last week to give a short course in certain aspects of farming to an alert group of local agriculturalists, mostly dairymen.

They compared the costs of good hay, corn silage, haylage, and grass silage. They pointed out that the better the quality of the hay the cheaper the cattle could be well fed. Improved quality of hay came through early cutting. When the quality of the hay is poor, the dairyman has to buy dairy ration for his cows which is expensive.

It was noted that some farms in the States are operating completely with corn silage.

Urea was discussed at length with warnings that more than a two percent of Urea in the ration can be poisonous but that it is a good additive to corn silage. Corn is high in energy and nutrients but low in protein and Urea is a cheap source of protein when used with care.

Cost figures and comparison of crops gave farmers a basis for making important decisions for their own individual operations. It was pointed out that cattle don't eat as much poor quality hay as they do good hay and the more they eat the better their health and the better and the more milk. The big difference between good and bad hay seemed to be the time of cutting so the big message of this particular part of the short course was "cut early". The second crop is usually better anyway, probably because it has to be cut at the right time on account of weather.

Fifty percent of hay checked last year at Macdonald was below standard—better than straw but not too much better—according to the extension department, so a lot of improvement can be made in this direction.

Mr Hamilton mentioned that agriculturalists are starting to have second thoughts about hybrid corn and they are wondering if the old type of field corn isn't better after all. There has been an opinion around that the stalk hasn't much value but now it is being wondered if all the value is indeed in the cob or if the stalk isn't carrying a lot of food value as well. These wonderings present a forward approach to the typical agricultural problem and epitomize the open mindedness of thinking among the farmers of today.

## UNITY OF PURPOSE

It seems that the English speaking Roman Catholics of Pontiac County are not going to settle for second best for their children after all. If school population is all they need to warrant a good regional high school then they are out to get that population.

Campbell's Bay seems to be the chosen site for the school they want and they have been given a great boost by the decision of the people of Quyon and Bristol and Shawville and district to join with the people of Bryson and Campbell's Bay and that district rather than send their children either to Hull or to a combined English and French school in Fort Coulonge.

The support of the people from the east end of the County has meant a lot and now support for the idea of a complete school for the English speaking Catholics of Pontiac is being sought at the West end.

When the whole County of Pontiac is united in its wish for the best for everyone of its various population, the wish will be fulfilled. The Quebec Department of Education has seen samples of Pontiac County solidarity before and has acted according to the dictates of such solidarity. It has also seen a few disastrous examples of divided thinking which only served to slow progress. But the trend is progressive now and all should end well, as long as this last group to get its wish will stick together.

There was for a while only a choice of either going hither and thither to join up with French speaking schools up and down Highway 8 or of putting up with old fashioned schools. The simple solution of joining up with the English speaking school in Shawville has seemingly been set aside while another solution is being sought: a complete regional school in Campbell's Bay for English speaking Roman Catholic students of the entire County. Unity of purpose should achieve that goal.

## Warden Burke on Economic Council Executive

Quyon Mayor and County Warden William Burke, Campbell's Bay Mayor Edgar Lance, Remi Fortin of Fort Coulonge and Rev T G May of Vinton were named to the 1968 Board of Administration of the Outaouais Economic Council at its annual general meeting. These four men represent what the Council calls Rural Sector No 3 which is Pontiac. Four members each for Urban Sector 2, East, Urban Sector 2——West, Rural Sector 4, Gatineau and Rural Sector 5, Papineau were also named and nine members from Urban Sector 1—City of Hull. Urban Sectors 2 and 3 are East and West Hull.

This makes a total of 29 administrators. The Executive Committee has eleven members of whom the only Pontiac man is Warden Burke.

One of the greatest difficulties the Government has today is to get competent stenographers and clerks. All branches of the Service has been placed under the Civil Service Commission, and all appointments are now made by the Commission on merit only. The examinations for permanent employment are held in May and Nov of each year but the demand is now so great that examinations are being held weekly. The salary paid is a minimum of $600 per year.

Maple sugar makers never had such a demand to fill as this year. The shortage of cane and beet sugar makes maple products of great use as substitutes. Every maple tree available should be tapped this spring. Statistics show that out of 35,000 farmers in Eastern Canada who produce maple sugar and syrup at all only very few tap more than a quarter of the trees they have abailable on their farms.

### TO THE EDITOR

**"Old Guard"**

To the Editor,
The Equity, Shawville
Sir,

With reference to the post card survey published in The Equity by Tom Lefebvre, MP, is in my opinion most erronous and misleading, somebody got quite mixed up in working out percentages. How can Mr Lefebvre state that 74.7 per cent of his constituents feel he is performing satisfactorily in Parliament when only 524 cards were returned on a total of 10,000 a total of 5.24 per cent only has expressed their views, this means approx. 391 persons is supporting Mr Lefebvre in this consultation from a total of 10,000, I think that this is a very grim image of his popularity.

I am inclined to think that this questionnaire has been initiated by the "Old Guards" of the Old Liberal Association of Old Pontiac County, this shows that they are still very much alive.

yours truly,
L. D. Bertrand,
Fort Coulonge

(Editor's note: The percents as stated were based on the number of replies received as is done on all opinion polls. As for "Old Guards" and "New Guards" perhaps recent developments in the Liberal Party will knock down all these tiresome concepts so the Party can move ahead together, as its new leader would like to see all Canada move ahead together.)

Shawville Equity,
Sir:

The members of the Central Hospital Auxiliary wish to express their gratitude for your kindness in publishing their reports for the past year.

Thank you,
Gertrude Conolly.

Saturday, April 20 is the bottle drive date. Starting at one o'clock in the afternoon, Boy Scouts will be going from house to houe hoping to collect soft drink and beer bottles which will be sold by the Scouts to replenish their funds. It is also a good deed because it helps people in their spring cleaning to get rid of a lot of bottles they thought they would get around to taking back to the store some day but probably never will. You don't even need to bring them up from the basement, the Scouts will do that for you. On the other hand, it would help them get more done in a day if your bottles were outside the back door waiting for them when they arrive.

## COURT REPORT

Court was held at Campbell's Bay on April 3rd with District Judge Avila Labelle presiding.

Mrs. Linda Sikorski, owner of the Lakeview Hotel at Demers Centre was fined $100 plus court costs when she pleaded guilty to a breach of the Liquor Board Law in her hotel by selling alcoholic beverages to minors.

Denis Pelletier, 18 of Gatineau charged with illegal posession of a stolen car and two sets of Quebec markers, was fined $50 for the illegal possession of the markers and given a suspended sentence for the illegal possession of the stolen car by posting a personal bail bond of $200 to keep the peace for a period of two years. The QPP reported to the Court that Pelletier met a friend in Gatineau who told him he could have the stolen car he was driving since he did not need it anymore. He also was told to drive it without fear of being arrested since it was stolen at Pembroke, Ontario. At that point the accused stole two sets of markers from parked vehicles in Gatineau and put one set on the stolen car before he and a friend drove in the County of Pontiac where they ditched it. Extensive damage was done to the car and his accomplice will appear in Juvenile court on the 11th of April.

Lorne William Ranger 25, of RR 6 Pembroke was assessed a $50 fine for dangerous driving and an additional $20 for driving without a driver's permit. Judge Labelle was told that the accused drove his car on Main Street of Chapeau in a reckless manner and in so doing came very close to hitting two pedestrians. Ranger was also prohibited to drive a motor vehicle in Canada for a period of 3 months

Leo Peter Davis 55 of Quyon was fined $100 for impaired driving. The court was told that one of the QPP patrol cars followed the accused who was driving in a very erratic manner on main streef in the village of Quyon and when finally stopped found he was in an advanced state of inebriation.

Robert Cermac, 20 of Waterloo was fined $50 plus the court costs on a charge of hit and run. Evidence revealed that the accused paid a visit to a hotel on Allumette Island and when leaving hit a car in the hotel yard and drove away. Eye witnesses to the hit and run took his license number and gave it to the QPP who had no difficulty in locating him. Judge Labelle also learned that the father of the accused had paid for all the damages caused.

William Robert Seward 26 of Pembroke, intercepted by the QPP on No 8 Highway near Campbell's Bay while driving under the influence of liquor was fined $100 plus $10 for driving wtihout a driver's permit.

### Double celebrations for Tubmans and Cartys

In St Georges Parish Hall, Campbell's Bay on March 29, friends and former neighbors of Mr and Mrs Ken M. Tubman now of Maryland and Mr and Mrs Eldon Carty now of Richmond gathered to honor them on the occasion of their 25th wedding anniversary. Each couple had been invited to a party for the other couple therefore arrived to a complete surprise.

About 150 guests were present to congratulate the two couples.

Mr and Mrs Carty's bridal attendants were unable to attend they were Miss Laura Smith and Mr Orvilie Carty of Ottawa.

Mr and Mrs Tubman's attendants were Mrs Basil Quaile of Otter Lake and Mr Hilliard Tubman of Ottawa, both were in attendance.

Corsages were pinned on the brides and boutoniers on grooms. The Rev Mr D. Bolton gave a very fitting address each couple was then presented with a lovely pole lamp a set of hostess trays and some money by their friends as well as individual gifts.

Mr and Mrs Tubman's brothers, sisters and parents presented them with a set of China dinnerware, flatware, and stemware. A social evening ended with a delicious meal, including two decorated wedding cakes, which were served by the ladies present. Both couples thanked all those present for the lovely gesture and the very useful gifts.

# New furnace for historic church

The congregation of St James' Anglican Church, Otter Lake (Leslie Township) is planning a new oil furnace

At the Annual Vestry meeting several weeks ago, a decision was made to open a special "New Furnace" Bank Account and to ask for donations.

A few days ago, the St James Ladies Guild began a special Cook Book Project. Profits from the project will go towards the new furnace.

No definite plans for erection have been made to date but it is expected that there will be additional cost in order to build a separate room for the furnace.

St James Church, Otter Lake was built in 1886. It was constructed of local wood and stone with an attractive stone Bell Tower overlooking Hugh's Lake. Services are held each Sunday.

An earlier Church was a log building, Trinity Church. This building is still in use on a farm on the way to Campbell's Bay.

There has been continuous Anglican Worship in Leslie Township since 1865.

At the present time at St James, the Rector's Warden is Mr K. Milliken; the Peoples Warden, Mr Reuben Thoms; the Deputy People's Warden, Mr Cecil Sparling; Altar Guild Convenor Mrs R. Thoms; Organist Mrs C. Sparling; Incumbent The Rev'd Frere Kennedy .

St James Ladies Guild have launched an ambitious Cook Book with recipes by people of Otter Lake and district, and advertisements by local merchants. The Book will be printed with an attractive cover and there will be a write-up on the early history of the Church at the beginning. Recipes will be divided into subject headings. The President of the Ladies Guild is Mrs Frank Bullin, Otter Lake.

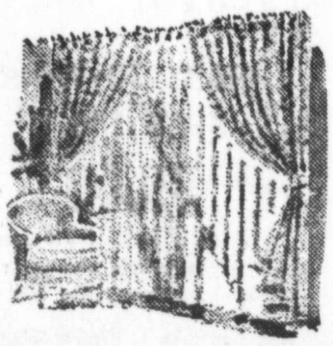

It was recently announced that donations for the new furnace are now being gratefully received. It is hoped that all who use and belong to St James both in the summer and winter will wish to give toward this important project.

Donations for the new furnace are being given or sent to the Rector's Warden, Mr. Kenneth Milliken, Thornby Post Office, Quebec.

# Shawville captures volleyball series

The Western Quebec Volleyball Championships were held in Buckingham on Saturday and the Shawville Senior Boys captured the title by sweeping their series with Aylmer, Hull and Buckingham in straight games. Game scores were SHS 15-11, 16-14 over Aylmer, 15-6, 15-8 over Hull and 15-13 and 15-11 over Buckingham.

The young senior girls team didn't fare so well and ended in 4th spot in their competition.

In other school sports in the past month Shawville represented the Western Quebec League in Intermediate andSenior Hockey and in Senior boys Basketball. The Intermediate hockey team lost 6-1 to Waterloo in the Provincial finals held in Lennoxville. The senior boys dumped Lachute 8-0 in a two game series in quarter final play. Chateauguay Regional H S the provincial champs beat SHS in the semi-finals 4-1 and 6-2.

In senior basketball SHS downed Stanstead College 51-44 with a great 22 point output in the last three minutes of play after trailing by ten points to that point.

Scorers in this game were Wayne Wallace with 15, John Atkinson with 13 and Terry Murray collected 8.

In semi-final play Chateauguay Valley Regional once again stole the honors from SHS with a come from behind 47-42 win. John Atkinson had 15 pts and Gary Wilson netted 10 in this game. SHS only collected 3 pts in the whole 4th quarter of this game and this was their downfall.

The high school teams had a very successful year and once again proved they were the equal of any in the province even the much larger schools.

## *Minor Hockey victories at Deep River and Kemptville*

Shawville Pee Wee North Stars went to Deep River Saturday afternoon to play what turned out to be their last game of the season. They won 3-0 with goals scored by Gil Fraser, Peter Hodgins and Billy Russett.

* * *

The third Shawviile team to win an ODHA Championship in the Minor Hockey Division 'D' was the Bantam Dairy Kings, who in a two-game, goals to count final series against an Athens team, won 13-4 to claim the Kemptville Recreational Association Trophy. Although the score may appear unbalanced. it was no indication of the game played by the Athens boys. They outclassed the other 4 teams our team eliminated before meeting them. They were husky, passed well and were great skaters, but undoubtedly the Shawville boys were better when it came to scoring and netminding.

In the final game played here March 28 Shawville won 5-1. Scoring for the winners were Garry Russell 2 goals and 2 assists, Vern Brownlee, Desi Allen and Jim Fletcher 1 each and Charles Taylor 2 assists.

Jim Johnston scored the lone goal for Athens.

Bryson Annual Hockey Banquet

## Gerald Dumouchel wins Sportsmanship Trophy

The annual banquet of the Bryson Minor hockey association was held at Forest Inn Hotel on Sunday, April 7th. 168 people were present and enjoyed a lovely turkey dinner. The guest speaker, introduced by Danny Duggan, was Mr Greig Fowler, commissioner of the Ottawa district ODHA. He spoke on management of hockey and the advantages of belonging to ODHA.

Mr Fowler's message was much appreciated by the coaches and managers of the various teams as well as all those present.

Special guests at the banquet were Mr Tom Lefebvre, M.P., and Mrs Lefebvre.

Master of ceremonies at this function was Mr Renaud Rainville. The Bryson Minor Hockey teams who each came first in their respective leagues were congratulated by President Joe Hamel and presented with trophies. The Midgets won the Atlas Cap Co Trophy, the Bantams won the Bertrand and Poisson Trophy, the Pee Wees won the Germain and O'Brien Trophy, the Atoms won the Local 880 Trophy.

The Paul Cahill Memorial Trophy or sportsmanship was won by Gerald Dumouchelle. Trophies for the most outstanding players in each team were won by Paul Gauthier of the Midgets, Maurice White of the Bantams, Rudy Schwartz of the Pee Wees, Doug Moss of the Atoms and Richard Lanoix of the Mosquitos. All the boys were presented with crests.

Credit for all the fund-raising schemes that kept these teams going all winter was given to Leo Piche, the association's financial wizard who worked tirelessly and did a wonderful job.

Coaches and managers were thanked for the hard work with their teams and also the young champions who put Bryson on top of the league were given their due honor at this annual banquet.

## Richardsons and Newtons play exhibition game to benefit Holland family

In a benefit game played here last Tuesday night between the Newton Montagards and Ebert Richardson's family the Richardsons defeated the Montagards 9-7 in a hard fought game.

Three generations of Richardson's participated as well as three sons-in-law. Royce scored 6 goals and 3 assists. Also scoring for the family were Bert Murphy, Pat O'Donnell and Joey Keon. Grandfather Ebert (plus hat!) occupied the net for the first two periods but son Murray took over in the third so his father could get in on some of the more lively activity in the game. In spite of the 'big swing' in which act he failed to hit the puck, none of the spectators would disagree that Ebert was still very much the "big star" of the night! Particularly amusing was to watch little Warnie Richardson, Michael and Ricky Richardson moving in among the larger players trying desperately to score.

Scoring for the Montagards were Dave McCord 2, Eric Hodgins 2, Gordie Bruce 2 and J. Hodgins 1.

Earl Powell refereed and only 1 penalty was allotted and that to Bert Murphy for tripping.

Proceeds went to the Holland family who recently lost their home by fire at Vinton.
