Sherbrooke Daily Record

Established 1897.

THE PAPER OF THE EASTERN TOWNSHIPS
SHERBROOKE, QUEBEC, TUESDAY, MARCH 5, 1946.

WEATHER
CLOUDY
Forecast: Easterly winds, partly cloudy today. Wednesday, easterly winds, cloudy followed by snow or part sleet and rain; not much change in temperature.
Temperatures yesterday: Maximum 48, minimum 24. Year ago: Maximum 31, minimum 13.

World News In Brief

London, March 5.—The House of Lords last night heatedly debated a proposal that women be made eligible for membership—but the Peers went home without reaching a decision.

To a suggestion from Viscount Cecil of Chelwood that women receive peerages on the same basis as men, Lord Saltoun retorted that sessions of legislative bodies become more emotional and less judicial when women are admitted.

The Earl of Mansfield declared that "no woman ever achieved real prominence" in the Lower House.

Viscount Addison, Government leader in the Upper Lords, said the Government was not prepared to initiate any reform.

Dublin, March 5.—(Reuters) The North Atlantic Air Route Services Conference got under way yesterday in Dublin Castle, with 250 delegates warmed by peat fires.

The conference which arises from the International Air Conference held in Chicago in November 1944 is the first of its kind and the hope is that it will lay down a pattern on which the world system of air transport may be based.

Dr. Edward Warner of the United States, president of the Provisional International Civil Air Organization with headquarters in Montreal, said the conference was specifically important because it was concerned with problems of the business world oceanic route.

John Leydon, secretary of the Eire Department of Industry and Commerce was elected chairman and A. McKim of Canada vice-chairman.

Victoria, March 5.—Built to meet the emergencies of war, the wartime communications system of British Columbia will be maintained in the peace, Reconstruction Minister Howe said in an interview here last night.

Known as the Pacific Communication System of the R.C.A.F., the system extends through nearly 2,000 miles of the wildest country in Canada. Until late last year it was guarded as one of the greatest secrets of the war.

Planned and completed under the urgent threat of Japanese aggression, that system will remain as an outstanding constructive development for the future of Western Canada," Mr. Howe said.

It is reported the communications system was completed at a cost of \$11,000,000. It now is in the hands of the War Assets Corporation and discussion regarding the future management and operation of the system will be held in Vancouver between Mr. Howe and representatives of telephone and telegraph companies.

The project includes 16,252 miles of wire strung along 64,092 poles for a distance of approximately 2,000 miles. Work on the project was completed in August, 1944.

Invitation To Russian Troops To Remain In Iran Included Among Six Reported Demands Of Moscow

Varied Items Come Before Legislature

Opening of Ontario Legislature Yesterday Featured Events on Wide Front of Provincial Politics.

By The Canadian Press

One Legislature opened with pre-war pomp and ceremony, another brought down its budget, a third prepared to go into the insurance business, a fourth pondered finer points of evidence in divorce cases and a fifth continued debate on the Throne Speech yesterday.

Legislation affecting practically every government department was covered in the Throne Speech read by Lieutenant-Governor Albert Matthews at the opening of the Ontario House. Included were establishment of a minimum wage for men and amendment of the Ontario Liquor Authority Control Act (1944) "to improve licensing and control of licensed premises."

Estimated expenditures of \$32,331,325, largest in Alberta's history, were anticipated in the budget brought down by Premier E. C. Manning in his capacity as Provincial Treasurer.

Making no provision for new or increased taxes, the budget provided \$1,500,000 for the post-war reconstruction fund and estimated increased expenditures totalling \$2,463,026 in various Government departments.

The Saskatchewan Legislature gave second reading to the C.C.F. Government's act empowering it to engage in the insurance business after a two-hour debate during which Warden Burgess (C.C.F.—Qu'Appelle-Wolseley) opposed the "compulsory" feature of the legislation and said it violated one of the principles of the C.C.F. party.

Second reading was given by the Manitoba Legislature to a bill to amend the Manitoba Evidence Act by permitting admission of evidence by a husband or wife in divorce cases involving the legitimacy of a child.

Don C. Brown, Coalition member for Vancouver-Burrard, told the British Columbia house that proper planning, foresight and the right kind of publicity and good management could make the province the outstanding playground of North America.

London Hears That Russians Seek To Keep Troops In Iran Until Other Five Points In Ultimatum Given Premier Qavam Have Been Fulfilled.

London, March 5.—(C.P.)—Premier Ahmed Qavam of Iran today was reported en route home from Moscow bearing six Soviet demands, including one that his country "invite" Red army troops to remain in Iran.

Moscow advices said the Premier prepared to depart following a banquet last night attended by Premier Stalin.

The outcome of his talks with Soviet officials had been inconclusive, it was indicated. An Iranian spokesman in the Russian capital said the Premier and his delegation had listened to "proposals" concerning Russian troops in Iran. The spokesman described the talks as "friendly but difficult."

The London Evening News said the six demands had been handed Ahmed Qavam prior to his departure. Heading the list, the newspaper said, was a specification that Russian troops should remain in Iran until such time as the other five demands were accepted.

These five points, the newspaper said, are that Iran recognize the "autonomous" government of Azerbaijan, grant oil concessions to Russia, sign an alliance with Russia, co-ordinate its foreign policy with Russia, and allow Soviet military advisers to organize the Azerbaijan armed forces and to station them at points of strategic interest to the Soviet Union.

Iranian troops have been prevented by Soviet forces from entering Azerbaijan, a northwestern Iranian province.

Meanwhile, a British Foreign Office spokesman disclosed that Frank Roberts, British charge d'affaires in Moscow, had been instructed to "make inquiries" of the Soviet Government concerning Russia's failure to evacuate its troops from Iran by the March 2 deadline previously agreed upon by Britain, Russia and Iran.

Lauds Stand Of Dominion In Espionage

New York Times Declares Interim Report of Royal Commission Is As "Judicial and Restrained" as Original Statement.

New York, March 5.—The New York Times, in commenting editorially today on the interim report of a Royal Commission investigating espionage in Canada, praised the report as "judicial and restrained," and added: "The fact may be that the Canadian Government does not."

Under the caption, "Canada's Spy Case," the Times said in part: "The interim report of the Canadian Royal Commission which has been investigating the delivery to Russian agents of confidential information on the atom bomb, radar, electronic shell fuses and the disposition of United States and Canadian army units is as judicial and restrained as have been the previous official statements on the matter. No charges are made against the Soviet Government except that the order for the espionage came directly from Moscow. The only criminal charge made is that certain Canadian and British citizens violated their sworn oaths and the Official Secrets Act of 1939 by making available to the Russian military attaché and his aides secret information which was in their possession. The facts may condemn the Soviet Government. The Canadian Government does not."

"When the information was first released that such an investigation was under way, and thus was done simultaneously with the arrest of 11 suspects, the Moscow radio—an official organ of the Government—charged the Canadian Government with acting in an unfriendly manner and, by inference, denied that the Soviet military attaché in Ottawa was acting under orders. The interim report of the Royal Commission says that the military attaché, Colonel Zabolov, not only was ordered to carry on the espionage but was told exactly what information to collect. The Commission says that he obtained this information from a cipher clerk at the Soviet Embassy and that it accepts as authentic the documentary evidence he produced.

"The Russian Government itself guards far more closely than does any other country in the world military information of even less importance. Any of its subjects detecting giving information to other countries is quickly purged."

"The Canadian Government would be subject to strong criticism by its own people if it had not divulged what information it had, as it now is being criticized for not having brought more speedily specific charges against some of the 11 being held. If unfriendly acts were committed, it was Soviet agents that committed them, not the Canadian Government."

Ask Nimitz To Testify At Hearing

Defence Counsel at Nurnberg Trials Seek To Write British and U.S. Naval Orders Into Evidence.

Nuernberg, March 5.—(P)—Grand Admiral Karl Doenitz today demanded before the international Military Tribunal that Admiral of the Fleet Chester W. Nimitz submit a sworn statement to show that United States submarines operated under "slink without warning" orders.

He also requested that British Admiralty files be opened to disclose the combat orders given to British merchant ships.

Through his lawyer, the man who directed the Nazi U-boat campaign informed the tribunal he expected submission of an interrogation of the United States naval commander to show that:

1. "United States submarines attacked all ships with the exception of United States and Allied vessels without warning in specified operational waters."

2. "United States submarines attacked all Japanese ships without warning, at least from the time it could be surmised that Japanese merchantmen would resist being taken as prizes."

3. "United States submarines did not assist shipwrecked people in such waters where a submarine would have endangered herself through such assistance."

Admiral Doenitz, one of 22 defendants, was accused in earlier prosecution testimony of having issued orders to U-boat commanders to "sink-line-guns" lifeboats and sink vessels without trace.

The tribunal announced that the defence of Hermann Goering, No. 1 among the defendants, would open Thursday, and at the same time denied a defence motion which sought to have the trial of six indicted Nazi organizations separated from the present trial and tried at a later date.

Canadian Silk Products Workers Resume Posts To Allow Government Conciliation

Strong Move To Call Off U.S. Strikes

Hopes Mount for Settlement of G.M. Strike but Telephone Workers Go Ahead With Walkout Plans.

New York, March 5.—(P)—Settlement of the long and costly General Motors strike and halting of a threatened country-wide walkout of telephone workers were major items of business on the United States labor front today.

The Government was represented in conference, in Detroit and in Washington, aimed to end the disputes. In Detroit, negotiators were to meet as latest action by the C.I.O. United Auto Workers might bring a possible break in the 105-day-old General Motors work stoppage.

The Government intervened in the threatened telephone tie-up over a wage dispute. Although Labor Department officials expressed confidence privately the strike can be averted, union leaders went ahead with plans for some 250,000 members of the National Federation of Telephone Workers to leave their jobs Thursday.

The C.I.O. United Auto Workers' latest move was acceptance of a suggestion by General Motors that the 715,000 strikers take part in a secret ballot on the question of ending the walkout—but the union included a provision.

The union said it would agree to the G.M. proposal that rank and file workers vote whether they wish to return to their jobs under the company's latest 18½-cent-hourly wage increase offer, provided the ballot also included the alternative of submitting issues to a President-appointed arbitrator. The union has held out for a 19½-cent-an-hour boost, which was recommended by a fact-finding board.

The Corporation, which Sunday rejected the union's arbitration offer, did not give any indication when it would answer the union's latest proposal.

Although government conciliators made attempts to avert the scheduled strike of telephone workers, a declaration by President Truman left the wage issue wide open for 250,000 C.I.O. steelworkers who still were on strike in 700 steel fabricating plants. In a conference with steel fabricators, Mr. Truman said that his recommendation of an 18½-cent-hourly wage increase applied only to basic steel plants, not to fabricating plants.

He urged direct negotiations toward settlement of the strikes in fabricating plants, which started January 21. After a month long strike, workers in basic steel refused to work on the basis of the President's wage recommendation.

The Federal Conciliation Service called today's meeting in Washington in an attempt to settle the wage disputes between the American Telephone and Telegraph Company and 17 N.E.T.W. local unions. The Federation of Long Lines Telephone Workers was the only union involved in the session. Negotiations between the A.T. and T. and the Long Lines union have been deadlocked over union demands for a wage hike of 13½ cents an hour and the company's offer of 10 cents.

A walkout, union leaders said, would mean immediate disruption of long distance service, while radio, private line telegraph, telephony and transoceanic service would deteriorate as maintenance men left their jobs.

In Philadelphia, C.I.O. electrical workers, denied a permit to parade in connection with the strike at the General Electric plant, planned Federal court approval "to use public streets." The union, participating in a country-wide strike which started January 15 against General Electric and Westinghouse in support of demands for higher wages, had planned a parade today protesting the injunction.

There were a few minor work stoppages and a few new strikes with labor disputes throughout the United States keeping idle approximately 800,000.

Operations at the Canadian Silk Products Company will resume at noon today when five hundred employees, on strike for fifteen days, will return to work on production of nylon stockings, after a vote at a mass meeting of employees at the Syndicate Hall on Gordon Street last night showed the majority in favor of returning to work and breaking a dead-lock in management-labor relations.

A few departments will resume operations at noon today, with others to start tomorrow morning.

The meeting heard a message from the Provincial Minister of Labor, the Hon. Antonio Barrette, who urged the return to work with minimum delay, and the decision to do so was conditioned with the stipulation that the Minister of Labor guarantee that negotiations on strike issues begin immediately.

Picketing ceased this morning at plant entrances.

Last night's meeting came as a result of week-end developments in the strike situation. These developments were in the form of a report of the arbitration committee on the difficulties between management and labor, accompanied by a letter from the Minister of Labor.

In his letter, the Minister declared, among other things, that the decision of the arbitration committee which was unanimous on several points and in the majority on others bound the parties of the litigation morally and that parties involved would apply conclusions loyally and with good faith. The factor stated further that the difficulties which were not related to the matter of fixing an hourly or piece rate would be studied immediately by the parties in the case, under the direction of Georges Lepine, conciliator for the Provincial Department of Labor, and that if this government conciliation produced no result, an arbitration committee would be set up immediately to study and regulate the litigation.

"It is essential that all employees return to work with the minimum delay," the Minister stressed in his message. "We cannot put into effect the indicated procedure unless employees return to work and are within the law."

The report of the arbitration committee covered thirty-four issues. And on the margin of this report, Romeo Valle, president of the committee representing the employees, declared that his group presented eighteen demands to the company. He added: "On these eighteen demands, the company acquiesced to fourteen, and refused the point of the employees on the four others, but the arbitration will grant them on a majority vote."

Employees want a forty-eight hour week, with two weeks' holidays with pay for employees with five years service and over, and no work on these days; New Year's, Epiphany, Good Friday, St. Jean Baptiste, Confederation, Labor, All Saints, Immaculate Conception and Christmas.

The arbitration committee consisted of Andre Menepite, president, Paul Smith, representing the company, and a conciliator.

Londoner Is Detained On Spy Charges

Prosecutor Tells Bow Street Court That Charge Against Physicist Was Made on the Admission of Accused.

London, March 5.—(Cable)—Impassive Dr. Alan Nunn May, 34-year-old physicist, appeared briefly today in dingy Bow Street Police Station charged with disclosing information prejudicial to the state and Prosecutor H. A. K. Morgan said the charge was made on the accused's own admission.

Mr. Morgan said Dr. May refused to disclose the names or nationality of the persons who had received the information. Dr. May, who has maintained silence since his arrest yesterday, entered no plea and the case was remanded to March 19. He is held without bail.

Mr. Morgan said the charge was laid on Dr. May's admission to Lt.-Col. L. Burt who during the war was in charge of a special War Office department dealing with counter-espionage and who last week was appointed chief of the Scotland Yard special branch which deals with counter-espionage.

Dr. May, whose work in Canada was related to atomic energy, sat with crossed legs as the prosecutor read the charge. He maintained his silence throughout the hearing, nodding curtly when asked if the March 19 remand date was convenient, then walked back to the cells without any sign of emotion.

The prosecutor said specifically that Dr. May "is charged on his own admission . . . with having communicated information on atomic energy to another person."

The crowded courtroom under a large square skylight was hushed as the charge was read.

The parade of minor offenders resumed after Dr. May left the dock and the corridor rapidly emptied, but the crowds continued to hang around the dingy entrance to the court, half expecting that the bawling, bespectacled scientist would be released on bail.

"It is no use hanging around here—he's inside," a constable told the curious. He said no bail had been asked and none would be given.

Before and after the hearing a battalion of cameramen at the court entrance took pictures of the crowds. No pictures were allowed in the court.

Calculating Hooligans Play Major Part In Indian Riots

By HAL BOYLE

Bombay, March 5.—(P)—It isn't an easy matter to fix responsibility for the casualties that occur in India's rioting.

Many of those killed or wounded during native demonstrations are sincere patriots swept away by mob hysteria. Others are calculating hooligans who take advantage of disorders—in fact, help foment them—to feather their own nests by looting jewelry and clothing shops. They are urban guerrillas who owe no loyalty to anyone but themselves and by any law they deserve to be treated as common bandits.

Indian politicians, whose inflammatory utterances often help lead to the rioting, are the first to deplore these outbreaks after they occur and simultaneously they almost invariably accuse the British authorities of unnecessary brutality in quelling the rioters.

Here is the British side of the story as given by one captain who has taken an active part in subduing two serious riots here within a month.

"It's all well and good for people who don't have to do the dirty work to say that we go around firing needlessly—as if we got any pleasure out of shooting people down in the streets. What they don't bother to learn is that we don't fire haphazardly. We are forbidden by civil law from opening fire except with permission of a magistrate—and nine times out of ten it's an Indian magistrate who gives the order for us to shoot . . .

"We stay out of it entirely unless the rioters overwhelm the police and begin looting and burning shops. Unless force is used then

Writers Find Cool Welcome In Manchuria

By RICHARD CUSHING

Tientsin, March 5.—(P)—Russians, frozen by surprise at seeing 22 uninvited foreign news correspondents roaming Soviet-held Manchuria, have recovered—and barred the door. Now that the stories are out, they're stopping trains to Mukden to search them for foreigners.

Only surprise could have enabled the coup which brought the first on-the-scene stories of Soviet activities, in the opinion of the first group of newspapermen to return. For Soviet hospitality cooled after the first startled week.

Undoubtedly any more foreigners appearing in Russian-held territory will be in for a rough time unless they have proper Soviet-approved credentials—especially when Soviet officers hear what the boys have been writing about.

(Cushing wrote about: Shipping of Japanese war prisoners to Siberia; dismantling and removal of Manchurian industrial plants; full-dress military manoeuvres of the Red Army outside Dairen.)

The first wave of eight Americans and one British writer had grown weary of red-tape which kept them out of Manchuria. They wanted to cover what they considered a legitimate news story.

So they climbed aboard a train to Mukden.

Russians in Mukden still were suffering from that first shock when another group of a dozen correspondents arrived by the same expedient, bringing the total there to 21. A French newspaperman turned up later, alone.

The first group found the Russians guarding the city with sub-machine-guns. The newspapermen didn't look around much, at first. The Soviets put them in the tourist hotel and said it would be dangerous outside. The correspondents drank Japanese beer and fumed, until eventually the Russians said they could roam. Certain factories, however, remained barred.

Three newspapermen—including this correspondent and Associated Press Photographer Julian Wilson—wandered to Dairen. The Dairen commandant was not happy about this. He told us, in effect, that we were standing (uninvited, remember?) on Soviet soil. We went back to Mukden, some Russian guards going along for the ride.

United States Occupation Of Reich For 10 Years Seen

By JAMES F. KING

Berlin, March 5.—(P)—Lt.-Gen. Lucius Clay, Deputy Chief of the United States Military Government today announced a sweeping new law placing in German hands more responsibility for purging the nation of Nazi influences and indicating a commitment for Americans to remain in Germany at least 10 years.

Gen. Clay estimated that at least 1,000,000 and perhaps 4,000,000 of the 15,000,000 Germans in the United States occupation zone will be subject to punishment under the new law, which was drawn up by the three German Provincial Minister-Presidents in the zone and provides for trial of the cases by German courts.

The law specifies varying degrees of guilt for all Germans who aided Hitler, ranging from major offenders to minor cases classified as "followers." Major offenders are liable to as much as 10 years in applying the law.

In a labor camp, confiscation of property and loss of all rights for a minimum of 10 years, including the right to own an automobile. The minimum sentence for major offenders is two years.

Major offenders are defined as those who out of political motives committed crimes against victims or opponents of National Socialism, were responsible for outrages, or gave major political, economic, propagandistic or other support to Nazi tyranny.

German industrialists and bankers, a large number of whom fall into the category of major offenders, comprise one group especially to be called to account. Many of these big businessmen are yet to be rounded up.

Gen. Clay estimated that at least a year will be required to carry out the trials. While Germans themselves will do the prosecuting, the proceedings will be checked closely to see that there is no leniency in applying the law.

SNOW AND SALT STORM

Reno, Nev., March 5.—(P)—Reno experienced a snowstorm Sunday—with salt. Weather Forecaster Gil Prucha explained today that 100-mile-an-hour winds moving in from the Pacific ocean carried particles of salt over the high Sierras, depositing the spray on Reno during a snowstorm. Automobiles in Reno, 200 miles inland, were coated with salt.

Manila, March 5.—(P)—Pilar Barrera de Reyes, first Filipino woman convicted of treason by the Philippines Peoples Court, was sentenced to life imprisonment and fined \$5,000 yesterday. The prosecution said she disclosed hidden guerrillas to the Japanese police.

Bail Refused Four Alleged Members Of Espionage Ring

By GEORGE KITCHEN

Canadian Press Staff Writer

Ottawa, March 5.—(P)—Four civil servants today were under remand until March 11 on charges of violating the Official Secrets Act by disclosing secret and confidential information to a "network" of spies operating under "direct instructions from Moscow."

The four, three employed by the Canadian Government and one by the British Government, were arraigned in police court here yesterday simultaneously with the release of a 3,000-word interim report from the Royal Commission on the espionage activity which identified them as participants in the under-cover ring.

Charged with conspiracy to provide and providing secret information to Russian agents, they were: Capt. Gordon Lunan, 39, of Montreal, Scottish-born officer in the Canadian Army on loan to the Canadian Information Service described officially as "head" of the group of Canadian agents. He did not plead.

Edward Wilfred Mazerall, 29, native of Fredericton, electrical engineer of radar in the National Research Council. He did not plead.

Kathleen Mary Willsher, 40, native of London, Eng., deputy registrar in the British High Commissioner's office. She did not plead.

Mrs. Emma Wolkin, born at Blaine Lake, Sask., cipher clerk in the External Affairs Department. She pleaded guilty.

The four, who face maximum sentences of seven years' imprisonment on each charge if convicted, were remanded to next Monday for further hearing and lodged in the county jail without bail.

The interim report, signed by Mr. Justices Robert Taschereau and R. L. Kellock of the Supreme Court, the two Royal Commissioners, was made public by Prime Minister Mackenzie King.

It disclosed the organization and development of a "network of under-cover agents" by members of the military attaché's staff of the Russian Embassy under "direct instructions from Moscow."

Information sought by the agents covered a wide range, including data on the atomic bomb, explosives, the uranium-processing plant at Chalk River, Ont., radar and the movement of United States troops from Europe and the strength and organization of Canada's post-war army.

The report said significantly that "many other agents" were active and that "information more intrinsically important" had been disclosed, but that the Commission was not yet in a position to provide details.

In direct charge of the ring was Lt.-Col. Nicolai Zabolov, Russian military attaché, who went under the "cover name" of "Grant" and took his instructions from an unidentified Moscow personage known as "The Director."

Working under Col. Zabolov were other embassy members, including Lt.-Col. Motinov, chief assistant military attaché, Lt.-Col. Rogov, assistant military attaché for air, Maj. Sokolov, of the staff of the commercial counselor, and Lieut. Angelov, one of the secretaries of the military attaché.

Col. Zabolov is known to be in the Soviet and it is believed the other Russians implicated also have left Canada.

Cookshire Women's Missionary Society Holds Regular Meeting

Cookshire, March 5.—The regular meeting of the Women's Missionary Society was entertained by Mrs. C. M. MacRae at her home with the president, Mrs. Butler, in the chair.

Miss Leaned was in charge of the worship service, which opened with the singing of "Blest Are the Pure in Heart," followed by a reading, "God's Power," the theme for the day. The service continued with the hymn, "Father Whose Will," was sung, and the benediction closed this part of the meeting.

After the minutes were read and approved, several matters of business came up for discussion. It was announced that the society's allocation is to be \$120. The prayer partners are Miss Greta Gould and Mrs. R. L. Dobbins. The president reported that the supply committee had asked the society for three knitted mufflers.

The president reported that the "Book Shelf" which she had ordered had arrived, and books are ready for distribution.

Eight members responded to the roll call. There was one visitor. Several sick calls were reported to have been made and several missionary books read.

Mrs. James then took over the chapter in the study book for the day, entitled "The Wise Master Builder." In her talk she proceeded to show how wisely and well Dr. Currie in his pioneer work in

Africa had laid the foundation for the present African church. She pointed out many interesting points in reviewing the chapter, emphasizing the fact that unlike other mission fields there is no dominationism in the African field.

The society feels especially favored in having Mrs. James take up the study work with the members. Her intimate knowledge of conditions and the many problems missionaries are called on to meet, as well as her graphic way of presenting the matter, make for a fuller understanding of the great importance of missionary work.

At the close of the meeting refreshments were served by the hostess, assisted by Miss Lefebvre.

A BIRTHDAY PARTY

A happy event, which is observed annually, took place when upwards of twenty-five friends and neighbors called on Mrs. H. A. Chadock to express their good wishes on her 87th birthday.

A pleasant afternoon was spent and ample justice was done to the delicious refreshments which she had prepared for the occasion.

Many cards and messages of congratulation came from friends from far and near, including a long distance phone call from her son, Mr. Claud Metcalf, of West Monroe, La.

All joined in wishing her many more happy returns of the day.

THE W.M.S.

The Women's Missionary Society met at the parsonage for the annual meeting with Mrs. Hillier and Mrs. Ford the joint hostesses. At this meeting the following officers for 1946 were installed:

President, Mrs. Butler; vice-president, Mrs. Richardson; recording secretary, Mrs. Robinson; treasurer, Mrs. Beaumont; secretary of Christian Stewardship, Mrs. Goff; secretary of Associate Helpers, Mrs. Ford; secretary of Community Friendships, Mrs. Wooten; secretaries of supply, Mrs. Chadock and Mrs. Drennan. Splendid reports of the year's work in the society were given in the different departments. Roll call showed ten active and two associate members present and several visitors.

The meeting closed with the Mizpah benediction, after which the hostesses served refreshments.

ABERCORN

Mr. Reginald St. Francois is spending a few days in Montreal on business.

The pupils of the English School held a Valentine party. Games were played. The Valentines were all placed in a basket and then distributed. Delicious refreshments were served.

Miss Oliver, R.N., has returned to her home in Sutton, after caring for Mrs. Loftus Smith who is very much improved.

Flaming Excitement And Adventure Features Of New Bill At Premier

"Thunderhead—Son of Flicka," 20th Century-Fox's spectacular Technicolor thrill sequel to "My Friend Flicka," opens tomorrow at the Premier Theatre. Starring Roddy McDowall, Preston Foster and Rita Johnson, the film based on Mary O'Hara's best-loved best-seller, flames with the excitement of life and the urge to adventure that is the West at its best.

A sequel to "My Friend Flicka," "Thunderhead—Son of Flicka," which opens at the New Premier Theatre on Wednesday, is a brilliant Technicolor film of Mary O'Hara's best seller. With Roddy McDowall, Preston Foster and Rita Johnson heading the cast, and given the benefit of the most spectacular outdoor production of the year, the film is acclaimed as a truly thrilling adventure.

"Thunderhead—Son of Flicka," carries the story of Len McLaughlin, the wiseful, sensitive boy who loves horses, Rob McLaughlin, his rancher father, and Nell, the mother of the family, on from where its successful screen predecessor left off, with the three stars playing the original roles which won them such tremendous acclaim. Since sequels always invite comparisons, the new book had to tell an even better story, and the boy hero, now fourteen years old, had to face problems only an older youngster could solve. How successfully "Thunderhead—Son of Flicka" meets the challenge can best be judged by the consensus of Hollywood opinion, marking it as more outstanding in every way. Only Mary O'Hara could write a grander story, only the same stars could give it greater heart, and

With this, the Premier carries as a second bill, Republic's "Behind City Lights," the story of an intelligent young girl who follows her heart to New York City in quest of romance and adventure. She finds adventure—but not the kind she is seeking.

The role of the girl is capably played by lovely Lynne Roberts. Miss Roberts has two leading men in the picture—William Terry, who plays the role of the country boy who loves her, and Peter Cookson, the New York boy who also loves her but realizes that she will never fit into his way of living. A brilliant supporting cast helps to bring the story of "Return at Dawn" to life, headed by Jerome Cowan, Victor Kilian, and Esther Dale. Cowan appears as the witty pal of the boy from Manhattan. Kilian gives a convincing portrayal of the girl's father and Miss Dale is seen to advantage as her aunt.

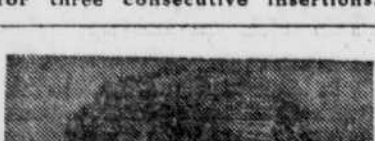

"Behind City Lights" marks Miss Roberts' biggest role to date and she makes the most of it, playing it with sincerity and charm. Although the story has its moments of excitement and danger, the direction of John English has supplied it with enough humor to make it ideal screen entertainment. Joseph Berchoiz was associate producer for Republic.

RECEIVES APPOINTMENT

K. W. ATKINSON, C.A., whose appointment to the position of General Auditor of the Dominion Rubber Company Limited is announced by W. C. Botkin, Company treasurer. Mr. Atkinson, a graduate of the University of British Columbia, joined Dominion Rubber in 1939. During the war years, he was on loan to the Automotive Production branch of the Department of Munitions and Supply, at Ottawa, and was comptroller and assistant treasurer at Dominion Rubber Munitions, Three Rivers, wartime subsidiary of Dominion Rubber Company.

Sell unwanted articles through the Record Want Ads.—Low cost, for three consecutive insertions.

PAUL DESROCHERS

Paul DesRochers, Vice-President of Lagueux and DesRochers Limited, of Quebec City, and D. W. Partridge, President of Canadian Alliance Corporation Limited, Montreal and Quebec, participants with five other companies in the sponsorship of Investment Distributors Limited, a new Security Research and Distribution organization for the use of Canadian investment dealers.

New Combine Of Security Dealers

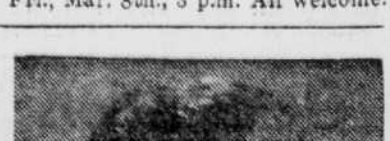

Announcement is made today of the formation of a new organization under the name of Investment Distributors Limited. Participants in sponsorship of this organization are: F. J. Brennan & Company Limited, Saint John, Moncton, Halifax, Charlottetown; Lagueux & DesRochers Limited, Quebec City; Canadian Alliance Corporation Limited, Montreal and Quebec; J. C. Rogers & Company Limited, Montreal; Isard, Robertson & Company Limited, London, Ont.; Lightcap Securities Limited, Winnipeg; Hall Securities Limited, Vancouver.

One of the principal purposes for the formation of I.D.L. is securities research, preparation and presentation of security offerings with distribution through approved investment dealers and stockbrokers. A unique feature of this new organization is the fact that the participants are composed of a group of dealers located in the principal cities across Canada and therefore constitute a national service organization.

Each of the participants will handle the business of Investment Distributors Limited in their respective territory.

AYER'S CLIFF

"Day of Prayer," United Church, Fri., Mar. 8th, 3 p.m. All welcome.

D. W. PARTRIDGE

Paul DesRochers, Vice-President of Lagueux and DesRochers Limited, of Quebec City, and D. W. Partridge, President of Canadian Alliance Corporation Limited, Montreal and Quebec, participants with five other companies in the sponsorship of Investment Distributors Limited, a new Security Research and Distribution organization for the use of Canadian investment dealers.

as a second bill, Republic's "Behind City Lights," the story of an intelligent young girl who follows her heart to New York City in quest of romance and adventure. She finds adventure—but not the kind she is seeking.

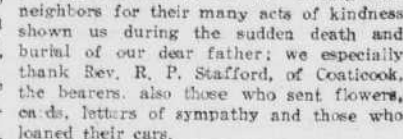

The role of the girl is capably played by lovely Lynne Roberts. Miss Roberts has two leading men in the picture—William Terry, who plays the role of the country boy who loves her, and Peter Cookson, the New York boy who also loves her but realizes that she will never fit into his way of living. A brilliant supporting cast helps to bring the story of "Return at Dawn" to life, headed by Jerome Cowan, Victor Kilian, and Esther Dale. Cowan appears as the witty pal of the boy from Manhattan. Kilian gives a convincing portrayal of the girl's father and Miss Dale is seen to advantage as her aunt.

"Behind City Lights" marks Miss Roberts' biggest role to date and she makes the most of it, playing it with sincerity and charm. Although the story has its moments of excitement and danger, the direction of John English has supplied it with enough humor to make it ideal screen entertainment. Joseph Berchoiz was associate producer for Republic.

RECEIVES APPOINTMENT

K. W. ATKINSON, C.A., whose appointment to the position of General Auditor of the Dominion Rubber Company Limited is announced by W. C. Botkin, Company treasurer. Mr. Atkinson, a graduate of the University of British Columbia, joined Dominion Rubber in 1939. During the war years, he was on loan to the Automotive Production branch of the Department of Munitions and Supply, at Ottawa, and was comptroller and assistant treasurer at Dominion Rubber Munitions, Three Rivers, wartime subsidiary of Dominion Rubber Company.

Sell unwanted articles through the Record Want Ads.—Low cost, for three consecutive insertions.

D. W. PARTRIDGE

Paul DesRochers, Vice-President of Lagueux and DesRochers Limited, of Quebec City, and D. W. Partridge, President of Canadian Alliance Corporation Limited, Montreal and Quebec, participants with five other companies in the sponsorship of Investment Distributors Limited, a new Security Research and Distribution organization for the use of Canadian investment dealers.

One of the principal purposes for the formation of I.D.L. is securities research, preparation and presentation of security offerings with distribution through approved investment dealers and stockbrokers. A unique feature of this new organization is the fact that the participants are composed of a group of dealers located in the principal cities across Canada and therefore constitute a national service organization.

Each of the participants will handle the business of Investment Distributors Limited in their respective territory.

EAST CLIFTON

Miss Gwendolyn Bellam, of Sherbrooke, spent a week-end with her parents, Mr. and Mrs. James Bellam.

Mr. and Mrs. Desmond Bain and daughter, Darlene, were guests of Mrs. Bain's grandmother, Mrs. D. Ellis, in Burlington, who is ill.

The many friends of Mrs. Ellen Blair will be sorry to learn that she is confined to her bed by illness. All join in wishing her a speedy recovery.

NEW FREIGHT AGENT HERE

WILLIAM GEORGE DAVIS, travelling freight agent, Canadian National Railways, Montreal, has been appointed district freight agent at Sherbrooke, including the territory from Richmond to Island Pond, east of Richmond to Lister and Quebec to Sherbrooke. It was announced here today by F. J. Stock, general freight agent, C.N.R. System. Mr. Davis succeeds J. A. W. Smith, who has retired on pension.

Mr. Davis, a native of Montreal, joined the Canadian National Railways in 1921 as a stenographer. In 1928 he became secretary to the general passenger traffic manager and two years later to the vice-president of traffic and in 1938 was made freight traffic representative. He was promoted to travelling freight agent covering the territory from Montreal to Kingston and to Massena, Malone and Rouses Point, N.Y., in 1941.

Mr. Davis has crossed the continent many times, visiting every section of Canada and most of the cities in the United States where the Canadian National Railways maintains freight and passenger offices. He brings to Sherbrooke the experience of more than 25 years' service in the traffic department of the C.N.R.

Wednesday evening performance cancelled due to Sherbrooke Symphony Orchestra Concert.

The Cough That Sticks The Cough That Hangs On

This is the kind of a cough it is hard to get rid of, the kind that bothers you during the day and keeps you awake at night. Why not get a bottle of Dr. Wood's Norway Pine Syrup and see how quickly it will help to relieve you of this coughing condition? It acts promptly and effectively, going to the foundation of the trouble, loosening the phlegm, soothing the irritated air passages, and stimulating the bronchial organs.

"Dr. Wood's" has been on the market for the past 48 years. Price 35c a bottle; the large family size, about 3 times as much, 60c, at all drug counters.

Many Charter Changes Are Approved By Local Council

Adoption of two amendments to the city charter, authorization of the city engineer, and J. A. Tardif, parks superintendent, to form part of a tree-planting committee and the re-engagement of C. E. Belanger as municipal auditor were principal items on the agenda of the City Council at the regular session last night.

The amendments included:

A—Establishment of voting hours from 9 a.m. to 8 p.m.

B—Upon a request signed by at least two-thirds of the property holders on any street or lane or by proprietors guaranteeing a revenue of 10 per cent and approved by the Municipal Commission, the City of Sherbrooke is authorized to construct all public works such as sewer, water and gas mains. That the city is authorized to finance these works to an amount not exceeding \$100,000 for the years 1946 and 1947.

Other amendments being sought under another resolution:

A—Permission to impose a license and regulate bill boards.

B—Ratification of a contract passed between the city and the Wartime Housing Limited on November 7, 1945.

C—Authority to build immovables for municipal or industrial purposes at a cost not exceeding \$300,000.

D—Authority to sell or rent these immovables.

E—Authority to borrow a sum of \$300,000 for the purpose mentioned in paragraph (C).

The Parks Department was authorized to sort out and distribute 1,000 trees furnished by the Provincial Department of Lands and Forests and a tree-planting committee comprising members of the Junior Chamber of Commerce and City Engineer J. C. Cote and J. A. Tardif, parks superintendent were authorized to go ahead with the project in the five wards of the city.

C. E. Belanger, C.A., was re-

ALD. TREMBLAY FAILS TO GIVE RESIGNATION

Return at the City Hall of three nomination papers and deposits this morning and the failure of Ald. J. D. Tremblay to resign his seat at last night's meeting of the City Council, thereby necessitating a ward bye-election after the main event, are the latest developments in the municipal election picture.

Nomination papers for Alderman O. Desziel, seeking re-election to seat No. 2 East ward, which is being contested by Alfred Brault, were received at the City Hall this morning with the following signatures: W. M. Desruisseaux, R. A. Badger, G. Marquis, L. Marquis, H. Boire, Phyllis Dumas, Phyllis Vanier, E. J. Jameson, A. Courchesne, Norrey Price, Joseph Fortin, Joseph Dumas, C. Omer Biron, Eugene Dion, F. H. Couture, E. St. Pierre, Joseph Lemieux, E. Martel, Wilfrid Gregoire, Eugene Lalonde, J. B. Lefebvre, E. C. Tetu and Adelard Dumas, agent.

Papers for Alderman Fiset, standing for re-election to West ward seat No. 2, carried the following names: T. Daigle, S. Leblond, N. W. Sjolander, C. E. Jobin, A. Drouin, A. L. Paquette, J. R. Collins, J. E. Bibeau, J. A. Lafort, Joseph Labrecque, E. Rodrigue, G. St. Pierre, N. Darcy, Adelard Jacques, Alphonse Lebrun and J. M. Jeanson, agent.

Alderman Alphonse Trudeau's papers were also returned with the following names: H. N. Brien, Louis Biale, Alex Trudeau, Simard Darche, Carl Camirand, J. F. Leblanc, R. Boisvert, J. A. Berton, L. L. Roy, N. Scheib, J. A. Rousseau, Oscar Bruneau, E. A. Bernier, W. Dallaire and Ovide Ramsay, agent.

Alderman Tremblay, who is running for the office of Chief Magistrate in opposition to Alderman Guy Bryant, implied last week that he would turn in his resignation before nomination day. However, as he remained silent on the issue at the Council meeting, the result will be a ward bye-election for ex-Alderman Eugene Thibault, who is seeking fourth ward seat No. 1, which will become vacant on nomination day.

Alderman Thibault told a Record reporter this morning that he also expected Ald. Tremblay to resign before his seat became automatically vacant and added "whether or not he resigns, I will still seek election after the main municipal elections."

Flays Action Of Mayor On Milk Pasteurization Issue

Although the question of compulsory pasteurization of milk in the city of Sherbrooke was not on the agenda of the City Council at their regular session last evening, a point dealing with this matter was brought up by Alderman C. Guy Bishop, Chairman of the Hygiene Committee, who claimed that the recent actions of Mayor J. W. Genest were not in order.

Apparently the Chief Magistrate distributed through the mail last week literature advising against the pasteurization of milk printed on city letterhead.

Reproving Mayor Genest, Ald. Bryant, addressed the Council and stated: "It is brought to your attention that the Mayor of this city enclosed in the City's envelopes a pamphlet which he received from one Joseph Menard, president of the Small Milkmen's Association in Montreal, against the pasteurization of milk, thereby implying that the City Council is against the idea, before the Council has decided for or against the issue."

"Any citizen has the right to his opinion on this question and can fully express same by speech, by the circulation of literature or by other means in the interest of public affairs."

"However, I feel that this act is entirely out of order and that Mayor Genest who has been a member of the City Council for many years has shown extremely bad taste."

Ald. Bishop also produced a letter from Dr. J. A. Deschenes, Provincial Public Health Inspector for the District of Sherbrooke, who claims that pasteurization remains and will remain the only efficacious process to protect the health of consumers against the danger of a septic milk.

"Let me tell you that this publication does not agree at all with the ideas expressed by hygienists of universal reputation, renowned for their great learning in public hygiene, nor by the medical authorities in the Dominion and in the other countries in general."

"It is a well known fact that the ideal would be the consumption of a natural clean and healthy milk, having undergone no alteration or modification."

"Until we have found the means of placing such milk on the market, pasteurization remains and will remain the only efficacious process to protect the health of consumers against the danger of a septic milk."

The matter brought some discussion from the Council and finally in which Alderman Lanctot, Fiset, Tremblay and Desziel endorsed the Mayor's actions as a free citizen. Ald. Bishop again pointed out that it was not the merits or demerits of pasteurization to which he objected, but the manner in which the pamphlet was sent out.

Mayor Genest, for his part, stated that it was not his intention to condemn or approve the pasteurization of milk, but "I do want the public to see both sides of the question and if they wish to purchase raw milk or processed milk, it is entirely up to them."

SARTO CODERE PASSED AWAY AT AGE OF 42

A familiar figure has disappeared from the ranks of Sherbrooke's younger men in the person of Sarto Codere, who passed away at the Ste. Anne de Bellevue Military Hospital on Sunday at the age of forty-two.

Well-known in local business, sport and musical circles, Mr. Codere was a veteran of this war, having served since 1941 with the Royal Canadian Air Force.

While stationed at Bagotville, Mr. Codere became ill and was taken to the Lachine Military Hospital and later to the Royal Victoria Hospital, Montreal, for special treatment. During the last few months he was at the Ste. Anne de Bellevue Hospital, where he succumbed.

Son of Mr. and Mrs. L. E. Codere and a native of this city, Mr. Codere received his early education at St. Patrick's Academy, the St. Charles Seminary and later studied at the Mount St. Louis, Montreal.

Prior to enlisting, he was in the employ of the Codere Hardware Store.

Besides his parents, he leaves to mourn three sisters, Margaret, Mrs. F. J. McManus, of Detroit, Mich., Andrea, Mrs. Octave Levesque, of Sherbrooke, and Pauline, Mrs. Arthur Tanner, of Sweetburg, his brothers and sisters-in-law, Mr. and Mrs. Cyril Codere, of Sherbrooke, Mr. and Mrs. Carl Codere, of Cartierville, and John, of Sherbrooke; aunts and uncles, Mr. and Mrs. F. J. Doherty, Mrs. B. J. Doherty, and Mrs. Eugene Codere, cousins, Margaret and Kevin Doherty, Rev. Canon N. Codere, Sister St. Adolphe of the Congregation of Notre Dame, Sister St. John of the Precious Blood Order, Mr. and Mrs. Marcel, Francis, Ralph and Paul Codere, of this city.

Funeral services will be held on Wednesday morning at 9:15 a.m. at St. Patrick's Church. The remains are now resting at Brien's Undertaking Parlors, 22 Ball St.

Rejects Large Action Over Motor Smash At Coaticook

An action for \$1,529.34 taken out on collision, tried to avoid the plaintiff's car by pulling to his left, but plaintiff himself, too late, steered his car towards the right, and the two cars collided and suffered approximately the same amount of damage; that immediately after the accident, plaintiff admitted before witnesses that he had entered the highway by driving on his left instead of on his right; and that the accident was caused entirely by the negligence of the plaintiff.

Considering that "if the plaintiff had used the necessary care he would not have entered upon the main road, and the accident would not have happened, that although it is alleged that defendant was at fault, no such fault has been proved and that the plaintiff has not proved the allegation of his declaration, but that defendant has proved the allegation of his plea," Mr. Justice White dismissed plaintiff's action with costs.

The accident in this case occurred on October 7, 1944, about 5:30 p.m. while plaintiff was driving his automobile from Coaticook North to Coaticook, on the road which connects with the provincial road at the corner commonly known as the Marcoux Corner. Mr. Bell alleged that he was proceeding at a moderate rate, having stopped before entering upon the main road, looked to his right and saw no automobile coming either way; that he had gone almost half across the street when the defendant, driving his automobile at a great rate of speed, struck him, and that damages amounted to \$1,529.34.

Mr. Hoy pleaded that at 6 p.m. on the day, he was driving his automobile on the highway leading from Coaticook towards Sherbrooke, driving his car perfectly under control and in a perfect running condition, on his right side of the road, at a slow and reasonable rate of speed; that when he approached the intersection of a small street or road, upon his right, which had a stop sign obliging in law drivers to stop their vehicle before entering the highway; that the said street or road is hilly and it is impossible for traffic travelling on the highway from Coaticook to Sherbrooke to see cars nearing the highway; that as he was actually passing this intersection, the plaintiff suddenly emerged from the road in front of his car, thus cutting in on his left and entering the highway; that the defendant immediately applied his brakes, and to prevent a head-

PHILIP ROBINS NEW LEADER OF SUNDAY SCHOOL

Philip M. Robins has accepted the post of superintendent of the Sunday School at St. Peter's Anglican Church, it was announced last night by Rev. Russel Brown, the rector, at the regular meeting of the Church's Men's Club.

Craig Bishop and Harold Super have accepted posts as Sunday School teachers, and it has therefore been possible to relieve Mr. Robins of his teaching duties, said Mr. Brown, to allow him to accept the position of superintendent.

Mr. Brown reported to the club on his recent ten-day trip to the Diocese of Ontario in connection with the Anglican Advance Appeal.

He said that he had been very proud to be able to tell the Appeal workers in that diocese that seventy-five visitors, the great majority of them men, were carrying on this work in St. Peter's parish.

The meeting last night was held under the chairmanship of Dean Bishop, club president, and the guest speaker was John Bassett, Jr. Mr. Bassett was introduced by Mr. Fred Baldwin.

CONTACT LENSES IS EXPLAINED TO LIONS CLUB

Speaker at the weekly meeting of the Sherbrooke Lions Club which was held last night in the New Sherbrooke was Gilles Daigneault, B.A., O.O.D., who spoke on the subject of "Contact Lenses."

Contact lenses which have the same function as ordinary spectacles are worn in contact with the eyeball and are made to fit the eye so that they can be worn with comfort.

The discovery of this new aid to those with eye weakness was made over 100 years ago and since that time scientists have experimented until now they are within the reach of the average citizen. The first contact lens was made from glass and proved to be more dangerous to the wearer than the conventional type of glasses but with the discovery of plastics, they are made so that there is no chance of the wearer injuring himself and are not broken even when dropped on the floor.

Many different types of people have found that contact lenses are indispensable and on close examination, they are difficult to detect, thus lessening the wearer's self-consciousness. Athletes, who could not participate in certain sports while wearing glasses, are now able to overcome that handicap by wearing contact lenses.

Although the cost of contact lenses may seem a trifle high, Dr. Daigneault explained that the amount of work involved in making them to the exact contour of the eye and in fitting is well worth the price.

The speaker was introduced by Joachim Bachard, B.A., O.O.D., and thanked by Neil Tracey.

Guests at the meeting included Ed. Campbell, Nova Boisvert, Lt. Gerard Allard and Joseph Bordeleau, of the Hull Lions Club, who has been transferred to Sherbrooke, while seated at the head table with the speaker and President Henri Leo Gagnon were Joachim Bachard, Alex Allard, Neil Tracey, Armand Nadeau, Joseph Bordeleau and Rene Leclaire, secretary.

Canadian Silk

Continued from page 1.

company, and Theodore Lesperance, representing the employees.

The text of the letter from the Minister of Labor to Romeo Vallee, on behalf of the employees follows:

"Enclosed find the decision of the arbitration committee, presided over by Andre Monpetit, charged with settling the litigation between the Canadian Silk Products, Inc., and the Association of Full Fashioned Hosiery Workers of the Canadian Silk Products Inc. This decision is unanimous on several points and in the majority on others."

"After the workers' dispute law was applied, either an unanimous or a decision in the majority bound the parties of the litigation morally, and we are assured that parties involved will apply conclusions logically and with good faith."

"It remains that at the present time the employees of the Canada Silk Products have been on strike for several days, contrary to the decree of Federal Order-in-Council No. 9384 and Employees Relations Law."

"I understand the impatience of the interested workers to hear the communication which we have transmitted with some delay due to the sickness of the president."

"I understand as well that the workers are weary of the unsuccessful direct negotiation that have already taken place between the Canadian Silk Products and the Association."

"In virtue of my position as Minister of Labor, I transmit to the workers of the Canadian Silk Products Inc., by the medium of your devoted president, the following appeal, which I hope, will be heard for the good of all."

"First of all, as minister, I press the authorities of the Canadian Silk Products Inc. to sign a collective contract based on the unanimous and majority decision of the tribunal."

"Second, the current difficulties on the fixing of hourly and piece rates which have not been settled will be studied immediately by the

ASH WEDNESDAY PLANS MADE BY CHURCH GROUPS

Special services are being held in the Anglican and Roman Catholic churches of the city tomorrow in observance of Ash Wednesday, the day which marks the opening of the Lenten season.

At St. Peter's Church, special Holy Communion services are being held at 7:30 a.m., 8:30 a.m., and 10 a.m. Matins will be said at 8 o'clock, with special services of intercession at 11 o'clock, 12:15 noon and 3 p.m. Evensong will be marked at 5:30 o'clock and the regular midweek service will be held at 8 o'clock.

Masses will be said in the Roman Catholic Churches in the morning with the blessing of the ashes taking place. The ashes will be distributed in the evening.

CITY BRIEFLETS

ANNUAL REVIEW
The Record's 49th Annual Review will be published on March 9th. Those wishing to obtain extra copies may order them through their carrier, dealer or by phoning Circulation Dept. 94. Only a limited number of extra copies available.

MAGOG LEGION IS STUDYING NEW MEMORIAL

Magog, March 5.—A conditional donation of \$500 by Colin C. MacPherson toward the Service Memorial Fund was the main topic under discussion at an executive meeting of the Magog Branch of the Canadian Legion, the branch will hold its next general meeting on March 12th.

One of Mr. MacPherson's conditions is that the Fund be renamed the "Magog Veterans' Memorial Fund." The donation will swell the amount of the fund to \$1,200, which does not include proceeds from a rummage sale held by the Ladies' Auxiliary and which netted \$231. Another rummage sale will be held in the Magog Armory on March 16.

Under discussion at the meeting was a proposed supper for the Legion hockey team, which made a fine showing during the past season in spite of the fact that most of the players had not been on skates for six years.

Several members remarked on

FRENCH STAND UNCHANGED

Paris, March 5.—(AP)—The Ministry of Foreign Affairs announced last night that it had advised the United States Government that France is standing firm in her position to the formation of a central government for Germany before Germany's western border is fixed. The announcement said that Foreign Minister Georges Bidault had proposed that a four-power conference be held in Paris to settle the issue.

Belfast, March 5.—(Reuters)—The first of 314 Irish brides of United States servicemen and 140 children boarded the United States transport Henry Gibbons for a voyage to New York, which will start on Wednesday. Most of them were from Northern Ireland but 35 came from Eire.

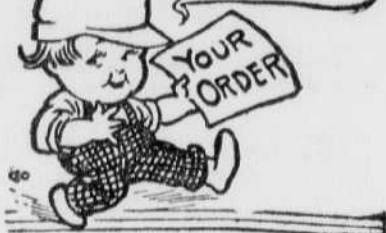

The co-operation given the Legion by the local police force, under the direction of Chief F. Lavoie,

Minora Blades SPEED UP SHAVING

DOROTHY DIX

What Is Success?

Expression Is Undefinable Since No One
Ever Gets All He Wants

DEAR MISS DIX: Our senior class of 60 is trying to define the word SUCCESS and figure out its meaning so we will know what to aim for. What is your idea of what constitutes success in life?

ANSWER: Success is one of the words that can never be defined because it means different things to different people. What may seem success to one may seem utter failure to another, and I doubt if anyone, when he comes to die, can ever look back upon his life and feel that it has been a success.

We call the man who has piled up a big fortune a financial success, but it may have brought him no love, no tender human associations, no happiness, none of the things that are really worth while. We call the man a successful politician who has held many public offices, but if he has never won the position to which he aspires, the taste of failure is bitter in his mouth. The writer of a best seller, the painter of a fine picture, the cinema stars with their fabulous salaries are all tagged as successful; yet few, if any of them, have ever gotten their hearts' desire. There was always a greater glory that they were reaching for and never grabbed.

DEFINITION IMPOSSIBLE

So how are we to define success? How is anyone to know what to strive for that will assuredly put him on top? How is anyone even to measure his own abilities? We might almost say that success is a thing we spend our lives toiling for in blood and sweat, and when we get it, it is a bubble that collapses in our hands. Personally, I think a successful life is one in which the individual does the work he loves to do for itself, without reference to its reward, and who leaves the world a little better and a kinder place than he found it.

DEAR MISS DIX: I am an ex-serviceman. While I was stationed in England I fell in love with a British girl and told her that as soon as I returned home I would make arrangements for her to come to America and we would be married. But since I have returned I have fallen desperately in love with a home girl and realize that it was just loneliness and the things that we had been through together that made me think I was in love with the English girl.

Now what am I going to do about the English girl? Am I in honor bound to her? Sometimes I think I am and that I must go through with our wedding, but I just don't feel that I can give up the girl I truly love. If you were in my place, what would you do?

JEROME.

ANSWER: If I were in your place, I should write the English girl and tell her the exact truth about the situation. Ask her to release you from your promise to marry her now that you have found someone whom you prefer to her. No doubt it will be a bitter disappointment to her, but she will get over it quicker than you expect, and it will save her from a lifetime of misery as an unloved wife.

Many men feel that they are bound to go on with a marriage even after they have lost their love for the woman to whom they are promised. They feel that they are being kind to their unwanted brides, but, in reality, there is nothing else so cruel that they could possibly do to them. For no matter what pretense of affection a man puts up, no matter how generous and considerate he is to his wife, she knows whether his acts spring from love or from a sense of duty, and if there is some other woman for whose companionship he longs she knows it too.

So my advice to you is to break your engagement to the English girl and give her a chance to marry some man who loves her.

DEAR DOROTHY DIX: What can be done about a man who is in every way an ideal husband; who never steps out or pays any attention to any woman except me, but carries around with him pictures and addresses of pretty girls he has met?

BEWILDERED WIFE.

ANSWER: Quit worrying. Your husband is just trying to show off. He is trying to pretend to himself that he is a big, bad wolf instead of the faithful family watchdog.

The Record will be pleased to receive any letters to this Dorothy Dix column. These will be forwarded to Miss Dix who will answer them as quickly as possible.

HILLSIDE

Mr. Hugh Sherrin, of Sherbrooke, Mr. Alden Sherrin, of Coanville, and Mr. Douglas and Miss Shirley Sherrin, of Bedford, spent a week-end with their parents, Mr. and Mrs. L. Sherrin.

School is closed here on account of cases of scarlet fever in the homes of Mr. Lynn Yates and Mr. Howard Johnson.

Mr. and Mrs. L. Sherrin spent a few days with their daughter, and son-in-law, Mr. and Mrs. D. Sweet, in Richmond, Vt.

Miss Audrey Sherrin and Master

Gordon Jones are spending a few days with Mr. and Mrs. D. Sweet, in Richmond, Vt.

Sympathy is extended to Mr. and Mrs. Gordon Chouffaux in the death of their eight months old daughter.

Mr. Lloyd Sherrin, of Sutton, spent a week-end at his home here.

Miss Juliette St. Pierre and Mr. Roger St. Pierre, of Laprairie, spent a week-end at their home here.

Mrs. St. Pierre, daughter, Gabrielle and two sons, were in Abercorn one day visiting their daughters and sisters.

AUXILIARY AT
LENNOXVILLE
HELD MEETING

The Women's auxiliary of St. George's Church, Lennoxville, held the March meeting in the Parish Hall. The opening hymn "The Love of Christ Constrains" was followed by prayers, the 7th, A. Litany and Bible reading. Reference was made to the death of two members, Miss Gill and Mrs. White and a silence was observed in their respect.

Numerous reports were given, after which Miss Grace Stevens, Dorcas secretary, announced that the sewing meetings to be held in Lent would start on March 12 at the home of the Misses Stevens, Clough Avenue. She also read a list of garments needed for the outfit to be made this year. It was stated that William Jones, who was recently returned from overseas duty, had offered to show a series of pictures for the benefit of the Auxiliary. This offer was much appreciated and a date for the showing will be set some time this month.

Correspondence included a letter from the Dominion president in reply to the Christmas letter received from this Auxiliary, in which she expressed her delight in her old friend Mrs. Byron Baker, with whom she had worked some time ago and who is now in Lennoxville.

Members were asked to attend the World Day of Prayer to be held in the Gertrude Scott Hall on Friday. Notice was also given of the Ash Wednesday service and the Lenten services. It was decided to have a fund-raising drive to aid in raising funds. These will be given out at the next meeting.

An interesting bulletin from Quebec was read describing two meetings and Miss E. Perry read an address by Capt. Barnett, a chaplain with the regiment interned for four years at Hong Kong, in which he spoke of the need for Christian teaching among the Japanese. Mrs. J. Morrison read a prayer written by the late Miss Gill on the W. A. request of the deaconess officer. Special subject was "Those whom God has called to service serve and not refuse."

Plans were discussed for holding a rummage sale in the near future.

At the conclusion, tea was served by Mrs. J. Morrison and Miss G. Rothera.

COMMUNITY ASSOCIATION
TO MEET

Dr. K. E. Norris, principal of Sir George Williams College, Montreal, will be the guest speaker at a general meeting of the Lennoxville and Area Community Association to be held in the Gertrude Scott Hall tomorrow night at eight o'clock. Dr. Norris will speak on "The Community at Work," with special emphasis on the youth program.

Dr. A. N. Langford, president, will outline the work that has already been done in organizing the Community Association, and following the addresses, there will be a discussion period.

Interested citizens of Area and Lennoxville, whether members or not, are cordially invited to attend. A meeting of the organizing committee will be held at 7.30, immediately before the general meeting.

In The Women's Sphere

Social and Personal

Mr. W. Tibbett, of South Stukely, spent the week-end at the home of Mr. and Mrs. H. F. Maddiss, King George Street.

Mr. Peter Beaudry, student at the University of Montreal, Montreal, spent the week-end at home with his father, Dr. P. P. Beaudry, Brooks Street.

Mrs. J. S. Bourque, Sherbrooke, Mrs. Antonio Barrette and Mrs. J. L. Beaulieu, are entertaining at tea this afternoon, at the parliamentary cafe, in Quebec.

Mr. J. Harry Blue, has returned to Montreal, after spending the week-end with his parents, Col. and Mrs. J. Harry Blue, of "Grey Court," their residence on Elizabeth Street.

Cpl. Glenn Carlson, R.C.A.M.C., formerly of the S.S. Queen Elizabeth, who spent his leave with his wife, Mrs. Carlson, at the home of her parents, Mr. and Mrs. Prever, Wellington Street North, left for Halifax on Saturday.

Mrs. John C. Newman returned yesterday to her home in Montreal after spending several days with Mrs. George W. Murphy at her London Street residence. Mrs. Newman, who has just returned from a holiday in Florida, plans to spend some time in the near future at her country home in Bonville.

Mrs. David Eichenberg, president of the Leah Eichenberg Hadassah Chapter, and Mrs. A. D. Eichenberg, president of the Ladies' Aid, received the hundreds of guests who gladly patronized the bridge, tea and food sale given in the Synagogue Hall on Wednesday afternoon for the benefit of Refugee Children in Europe. Seldom has there been a larger or more representative gathering than the efficiently planned and altogether delightful benefit card party.

Upwards of 35 tables were filled with devotees of the game, while at the tea hour many additional guests joined the players, thus enhancing the pleasure and success of the party. The prize at each table was a daintily wrapped candy dish.

Mrs. Marcus and Mrs. M. Smith acted as cashiers. Mrs. A. Mittleman, Mrs. B. Math, Mrs. S. P. Smith, Mrs. L. Eichenberg, Mrs. H. Travist, and Mrs. H. Budning (relieving one another) presided at the beautifully appointed tea table, which was covered with a point velvet cloth and charming for its golden daffodils, red tulips and sweet peas artistically arranged in a Sheffield bowl and white candles in Sheffield candlesticks. Mrs. A. D. Smith, Mrs. A. Waldman and Mrs. L. Chankin were in charge of the food table which proved very popular with the guests. The raffish tickets for the \$25 War Saving Certificate were drawn. Mrs. D. Eichenberg and Mrs. A. D. Eichenberg and their conferees are deeply gratified at the magnificent response to their invitation on behalf of the Refugee Children and although the returns are not yet complete, the ladies in charge feel confident that the receipts from bridge, tea and food sale will total a generous amount.

Assisted in the tea room under the supervision of Mrs. F. Adler and Mrs. S. Eichenberg were Mrs. A. Schachter, Mrs. J. Cooperman, Mrs. A. Wener, Mrs. L. Rosenbloom, Mrs. B. Hyman, Mrs. Alice Powell, Mrs. Hollander, Mrs. C. Rich, Mrs. P. Rennett, Mrs. I. Alder, Mrs. I. Steinman and Mrs. J. Bordoff.

SOUTH STUKELY

Mr. J. J. Savage spent a day in Montreal with Mr. and Mrs. Vaughan H. Moore, Jr., and Miss Patricia Joan Moore.

Mrs. Mary Comeau, of Magog, was the guest of Mr. and Mrs. Elton W. Martin.

Pte. William Cunningham, recently returned from serving overseas, and Mrs. Cunningham, of East Angus, have been the guests of Mr. and Mrs. Cecil W. McLellan and family.

Mr. and Mrs. Harvey Comeau and Miss Goldie Comeau, of Magog, were guests of Rev. W. G. Macfarlane and Mrs. Viola Comeau.

Mr. and Mrs. Horace Whitehead and Master Frederick Whitehead, of Knowlton, spent a day with Mr. and Mrs. Frank Whitehead and family. They also called on Mrs. Mary Whitehead at the home Mr. and Mrs. R. P. Hilliker.

Cpl. Henry Bowering spent several days in Montreal.

Miss Hazel Bressette, who has been spending several days in Montreal to consult a specialist, spent a week-end at her home here. While in the city she was the guest of Mr. and Mrs. Harry W. Sargeant.

J. W. Draper's Funeral Home, 351 Western Ave., Waterloo, Que. Phone 378-W.

CANTERBURY

The school was closed for two days, Miss B. Desruisseaux, the teacher being sick.

Mr. and Mrs. Harley entertained the card players, who are taking part in the "500" marathon.

MIND YOUR MANNERS

The Situation: A woman, telephoning a friend, gives her name to another member of the family who answers.

Wrong Way: Say, "This is Miss Jones" or "This is Mrs. Jones."

Right Way: Say, "This is Elizabeth Jones."

NEW OFFICERS
ARE NAMED BY
BORDER GROUP

Rock Island, March 5.—The Stansfeld and Rock Island Branch of the Canadian Red Cross Society held a business meeting in the Red Cross rooms in the Southern Canada Power building, Rock Island, on February 15, which was presided over by the president, Mrs. A. P. Bliss. Several important matters of interest were discussed.

Mrs. James Williamson gave a report of the annual meeting held in the Windsor Hotel, Montreal, to which she was a delegate from the local branch, and also the report of the nominating committee, which were approved and placed on file.

As a peace-time measure it was decided that a committee should be appointed and the following have been elected: Honorary president, Miss Jessie Colby, O.B.E.; president, Rev. C. M. Stewart; first vice-president, C. B. Narraway; second vice-president, Maurice Fregeau; treasurer, R. A. Hamill; secretary, Mrs. Grace Taylor; membership and campaign committee, C. B. Narraway, L. G. McGilton, L. E. Roberge, L. Byron Jenkins, Albert H. Progeau, Carroll E. Smith, Louis Mony, Mrs. Grace Taylor, Miss C. I. McKenzie, Miss Jean McIntosh, Mrs. P. M. Poaps, Mrs. James Williamson.

Disaster, preparedness and relief committee, Gordon Petrie, Rev. E. C. Amarant, Dr. A. R. V. White, Dr. N. A. Davignon, Miss Elsie McIntosh, M. B. Quillman.

Publicity, Rev. H. O. Deever, Rev. Albert Dionne, Rev. H. A. Carson, Rev. F. W. Mitchell, Rev. C. M. Stewart.

Entertainment, Mrs. H. M. Lamb, Miss Elsie McIntosh, Mrs. E. J. Curtis, Mrs. C. Lee Jenkins, Mrs. A. P. Bliss.

Directors, Miss Deever, Mrs. L. W. Hill, Mrs. A. P. Bliss, Miss Jean McIntosh, Mrs. Mabel Drew, Miss Mary Flint, Miss M. Robinson, Mrs. E. Charland, Mrs. R. Curtis, Mrs. C. P. Rider, Mrs. J. Smith, Mrs. E. C. Bushnell, Mrs. J. D. Ferguson.

Claus, Gordon Ross; Father Time, David Bascom; The New Year, Kathleen Dorian; Valentine, Mary Dorian; other characters, Betty and Jean Keating, Jean Edwards, Ann Bascom.

A surprise party was given at the home of Mrs. Alphonse Meunier by the operators of the Eastern Townships Telephone Company in honor of Miss Frances Grady, who recently retired from the Company's employ after many years service. The evening was spent socially, after which Miss Grady was presented with a beautiful gift, the presentation was made by Miss Beatrice O'Dell, local representative of the Company. Miss Grady thanked the donors in a few well chosen words. Dainty refreshments were served by the hostess, assisted by the Misses Lena Chamberlain and Miss M. Poulin.

The Doctor Says

NOTES ON FIRST AID

By William A. O'Brien, M.D.

Every fracture of a major bone should be splinted before the patient is moved. Fractures of small bones may not require this special precaution, but if the spine or a bone in the leg or arm is injured, a splint should be applied. Skin wounds should be covered with a clean cloth or sterile dressing, but no skin antiseptic should be used because of the possibility of further damage to the tissues. Except for the control of hemorrhage, emergency treatment seldom requires haste.

Dr. O'Brien.

Keep the victim covered and send for help. Injured patients should always be carried on a stretcher in an ambulance if possible; never should they be crowded in the back seat of an automobile. In lifting injured persons, avoid the common error of carrying them by holding on to their

THIS CURIOUS WORLD

Fight Asthma Mucus Easy Way

Mr. C. O. Beasley, Truro, N. S., was asthmatic, would cough and choke for hours every night, couldn't sleep. Tried many medicines but was not helped. Mendocino quickly stopped his attacks and he now sleeps better than for years. To prove that Mendocino may do the same for you, we make this liberal trial offer: Get Mendocino from your druggist today! Unless you return the empty package and get all your money back. You have everything to gain and nothing to lose. So don't suffer another day without asking your druggist for Mendocino.

FOR COUGHS COLDS- YOU CAN'T BEAT BUCKLEY'S MIXTURE

"Thanks to you, Grandpa Kruschen..."

My Rheumatic Pains Have Practically Left Me

Here is a saline treatment for the relief of rheumatic pains, which helped this Liverpool woman so much, that she wrote this letter of thanks:—

"For years I have suffered from rheumatic pains. My general health was gradually failing, when I was given the tip to try Kruschen Salts. I got a small bottle and after taking it for about a week, the pain, which had often kept me awake at night, gradually subsided. Now—when I am on my second bottle—my health has improved and the rheumatic pain is negligible."—Mrs. H. H. Liverpool

After obtaining relief from the first bottle of Kruschen, you can imagine how hopefully Mrs. H. H. started on the second. So follow her example if rheumatic pains are bothering you. Start taking the Kruschen saline treatment at once and continue until you give it a fair chance to help you. Like Mrs. H. H., you should soon feel improvement, because Kruschen is a combination of several mineral salts which aid the organs of elimination and this way leads toward improvement in health and ease from rheumatic pains. Thousands have been benefited by taking Kruschen. Give it a trial in your own case.

Kruschen is 25c. and 75c. at all drug stores.

How would you like to have more money in the bank?

These twelve booklets will tell you how to save money and live better at the same time.

BETTER BUYMANSHIP PRINCIPLES—How to learn to be a wise buyer. Credit for consumers—How to use credit intelligently and keep out of unnecessary debt.

TIME MANAGEMENT—How to manage time and save energy in housekeeping.

GEORGE CLARK'S CARTOONS ON MONEY MANAGEMENT—Money management treated with a light touch.

All for fifty cents! Household Finance, Canada's oldest and largest small loans company, has prepared these booklets as the result of long experience and research, covering the budgeting problems of thousands of families. We offer you the set of 12 booklets for only 50 cents.

Be a "Budgeteer." When you order the booklets at this nominal price, just check the square on the coupon and become a "Budgeteer." This will mean extra advantages for you at no cost. You'll receive new and interesting booklets and letters, which will help you with your family budgeting. You'll be entitled to write in at any time for advice on specific budgeting and money management problems. And if you keep your budget calendar up to date for a year, you'll receive special recognition. You get all this without charge. You will not receive loan advertisement of any kind.

Clip the coupon below and mail it today! (If you wish to avoid the trouble of sending a mail order, you may drop in at our local office, and the manager will send the order to headquarters for you.)

OBITUARIES

MR. TAYLOR J. LITTLE, OF HATLEY.

Hatley March 5.—The funeral was held on February 2, at the Hatley United Church, of Mr. Taylor Johnson Little, a well known Hatley resident, whose death occurred at his home on January 30 following a short illness.

The deceased was born in Hatley on May 25, 1867, and was the eldest son of the late Mr. and Mrs. Thomas Little. He was educated in the village school and spent the greater part of his life in that community, where he had a large circle of friends.

On October 14, 1886, he married Miss Jane Adam, of Montreal, who predeceased him four years ago. He is survived by six children, Archie, of Vegreville, Alta.; Reginald, of Westlock, Alta.; Kenneth, of North Hatley; Bertha, Mrs. John Hodson, of Peterboro, Ont.; Margaret, Mrs. Harper Anderson, of Noranda; and Miss Phyllis Little, of Ayer's Cliff; three sisters, Mrs. J. B. Reed, of North Hatley; Mrs. R. Tucker, of Sherbrooke; Mrs. C. P. Young, of Hatley; one brother, Mr. G. R. Little, of North Hatley; nine grandchildren and many nephews and nieces.

The funeral was conducted by Rev. D. A. McCaig, pastor of Hatley United Church, with Rev. W. A. Edwards, of Waterville, assisting. "Nearer My God to Thee" and "Peace, Perfect Peace" were rendered by the choir. Mrs. H. Nelson Pierce, of Ayer's Cliff gave a beautiful rendition of the lovely hymn, "The Beautiful City."

The pall-bearers, all nephews of the deceased, were Messrs. Clifford, Ronald and Stewart Reed, of North Hatley; Galen Young, of Massawippi; Neil Adam, of Ayer's Cliff, and Charles Adam, of Derby Line, Vt.

The members of the Golden Rule Lodge, No. 5, Standstead, of which Mr. Little had been a member for over fifty years, held their impressive service at the graveside in the United Church Cemetery, Hatley.

Mr. Little had been a faithful member and trustee of the United Church for some years and had served as a councillor in West Hatley for many years.

The church was filled with many friends from far and near, who gathered at the service to pay their last tribute to their presence, showing their respect for the friend, who had gone and their deep sympathy for the bereaved family, who have suffered so many losses in such a short span of time.

DIXVILLE

Dinner guests of Mr. and Mrs. Merriman Mayhew were Mr. and Mrs. Harold Mayhew and family, of Parker, Hill, and Mr. and Mrs. Ward May and daughters, Mona and Edith, of Coaticook.

REEDSDALE

Messrs. Herbert and Arthur Lowry were guests of Mr. and Mrs. Gregory, in Kinnear's Mills.

Mr. and Mrs. Archie Breton entertained a number of neighbors on the evening of February 16. After cards and other games were enjoyed, delicious refreshments were served by the hostess, assisted by her daughters, Misses Wilfred and Doris Breton.

BOSCOBEL

Mr. Roy Copping, of Ulverton, spent a week-end with his parents, Mr. and Mrs. Fred Copping.

Mr. Howard Hackwell was a guest of Mr. Gordon Dunsmore, at his home in South Stukely.

Mr. and Mrs. D. Nixon, of Kirkdale, was an overnight guest of Mrs. Nixon's brother, Mr. Fred Copping, and Mrs. Copping.

Mr. and Mrs. Wilfred Copping and son, David, of Vardon, were week-end guests of Mr. and Mrs. Fred Copping.

Mrs. Copping and son remained for a week's visit with Mr. Copping's parents, Mr. and Mrs. Fred Copping.

Mr. Stanley Copping, of Waterville, was a guest of his parents, Mr. and Mrs. William Copping.

BEDFORD

At the January executive meeting of the Quebec Provincial Chapter I.O.D.E. held recently in the Mount Royal Hotel, Montreal, which Mrs. Norman Holland, presiding, it was decided that the war service committee, which had functioned during the past five years will now be known as the post-war service committee. Mrs. D. L. Macdonald, the convener, reported that during the period, November 1 to January 1, twenty-two cases containing 13,875 articles valued at \$5,321 were shipped to England for distribution and also for Polish relief. Many knitted articles were included in shipments to the Canadian naval base, at Sydney, N.S. Mrs. William C. Hodgson, service libraries convener, reported 2,311 books, both French and English having been packed and shipped to vessels of the Royal Canadian Navy, Army, Air Force and Transport Command outposts. Military hospitals throughout the province continue to receive hundreds of new books and many crossword puzzles. The I.O.D.E. post war service program is designed to point the way to directing labor and resources on behalf of those so desperately in want. With the shortage of supplies in ready-made clothing it is the sewing and knitting of I.O.D.E. members which is the greatest need of today. The I.O.D.E. post war service program will provide: 1. British and European civilian relief, including direct Polish relief; 2. Work for seamen, adoption of ships, seamen's comforts; 3. Hospitality for convalescent service men and women, and continuing work in hostels, canteens, the need exists. The situation of most people in Europe is beyond belief. Thousands are now dying of cold and hunger. Their clothing and bedding are rags and their homes but ruins around them. It is estimated that even with the help now on its way and which will reach them soon, millions may die of cold and starvation. In the face of these conditions all who have plenty cannot go home to normal living but must help share the burden in the "Battle for Peace."

The bi-monthly meeting of the

Guild of St. James' Church was held one afternoon at the home of Mrs. Ralph Van Horn, with an excellent attendance of members and friends, thirty being present. The meeting was opened by the president, Mrs. D. J. Reid, with prayer, after which the minutes of the previous meeting which was held at the home of Mrs. Ross Preston were read by the secretary, Miss Jessie Blackwood, and accepted as read. Mrs. Reid announced that the collections made by the members of her group, Mrs. Ross Preston, Mrs. Raymond Whitcomb, Mrs. C. B. Gittens and Mrs. A. Steel for the first part of their term amounted to \$99.50. A letter was read from Mrs. Jerry Smith, who has been a patient during the past weeks in the Montreal General Hospital, thanking the members for their letter. The president of the Senior W.A.A., Mrs. Ralph Van Horn made an appeal for increased membership in the branch. Mrs. H. V. Erickson spoke on the drive being conducted by the Diocese, under the convener, Mrs. Gilbert Ferrabee, of Montreal, and expressed the hope that a decided increase in membership would be obtained here. Mrs. Hannibal Sheltus, treasurer of the Senior W.A.A., read from the current number of M.D.W.A. notes regarding the work done for children by the missionary schools. The branch again this year has the outfitting of an Indian girl, a student at the missionary school, the Bishop Horlen, at Lac la Ronge. Mrs. Van Horn was given out by the Dorcas Secretary, Mrs. F. N. Williams. Following the business meeting refreshments were served by the hostess assisted by Mrs. W. B. Bradshaw, Miss Margaret Hamilton and Miss Dorothy Van Horn. An invitation was extended by Mrs. John Erving to the members to meet with her for the next Guild meeting.

Bridge was played at nine tables at the Saturday evening meeting at the Social Club, in the Masonic Hall. The ladies prize for the highest score went to Mrs. D. J. Reid, while Mr. George Provost received the gentlemen's prize for the highest score. The hostesses for the evening were Mrs. M. E. Horton, Mrs. William Ford and

Mrs. Charles Jones. The hostesses for the next meeting will be Mrs. Gordon Jones, Mrs. O. Jones and Mrs. George May.

Mrs. Wilbur Borden is leaving shortly for Providence, R.I., where she will be the guest of her sister, Mrs. C. Parker, for a time.

Mr. and Mrs. Patenaude were in Montreal to attend the funeral of the latter's father, Mr. L. Desjardins. On their return to Bedford they were accompanied by Mrs. Desjardins, who will be the guest for a time of her daughter, Mrs. Patenaude, and Mr. Patenaude.

Miss Ann Stevens, of Montreal, spent a week-end in Bedford with her parents, Mr. and Mrs. B. R. Stevens.

Mrs. Edward Piche, who has been a patient in the Montreal General Hospital has left the hospital and will remain for a time with her daughter, Mrs. L. Sornborger, and Mr. Sornborger, in Notre Dame de Grace, before returning to Bedford.

Mrs. Ellison Gould and daughter, Judith, who have spent the past weeks in Montreal with the former's parents, Mr. and Mrs. Joseph Johnson, are returning to Bedford shortly.

Miss Ruth Van Horn, who is attending McGill University, Montreal, together with her brother,

Mr. William Van Horn, who is also a student at McGill University, will spend the mid-term holiday with their parents, Mr. and Mrs. Ralph Van Horn.

A very successful bridge and "500" party was held in the Masonic Hall by the local committee for the Girl Guides of Bedford. The arrangements were in the hands of Mrs. Ralph Van Horn, Mrs. D. J. Reid, Mrs. Hannibal Sheltus, Mrs. Clarence Collins and Mrs. W. B. Bradshaw. The proceeds of the evening will be devoted to carrying on of Guide activities.

The weekly meeting of the St. James' Church Bridge Club was held one evening at the home of Mrs. Wilbur Borden.

Mr. Malcolm Bradshaw, who is attending Bishop's University, Lennoxville, spent a week-end with his parents, Mr. and Mrs. W. B. Bradshaw.

Dr. and Mrs. Caffer, of Montreal, spent a week-end in Bedford, with Mr. and Mrs. B. W. Draper.

Mr. J. Carr, who is attending Dowsan College, at St. Johns, was the guest over a week-end of his sister, Mrs. Charles Jones, and Mr. Jones.

GET GENTLER, MORE EFFECTIVE RELIEF FROM CONSTIPATION

For effective yet remarkably gentle relief from sluggishness take 2 to 4 tablespoonsful of Phillips' Milk of Magnesia with water. You'll be delighted with the results this proved laxative-antacid gives you, and the way it helps you wake up refreshed, sparkling, ready to sail through your working day. What's more, Phillips' Milk of Magnesia is acknowledged by science one of the fastest neutralizers of excess stomach acidity known. Ask your druggist today for genuine Phillips'... remember

it costs as little as 25¢ to be sure of the best!

BY LESLIE TURNER

Now I must slip back through the window I unlocked before he misses me. Or—

N A MOMENT, EVA, YOU CAN HEAR MRS. BLEEKE LOCKED IN A ROOM ON THE THIRD FLOOR.

YES, I'VE HEARD HIM TELL MRS. BLEEKE HE'D KILL HER IF ANYONE TRIED TO CAPTURE HIM!

WE WON'T GIVE HIM A CHANCE IF YOU FOLLOW MY INSTRUCTIONS AND HE'D NEVER LEAVE HER HERE ALIVE IF HE'S ALLOWED TO ESCAPE!

WHILE INSIDE THE HOUSE JULKIE ATTENDS TO LAST MINUTE DETAILS BEFORE GETTING AWAY

I'M AFRAID I HAVE SOME VERY BAD NEWS, MY DEAR MRS. BLEEKE!

FRECKLES AND HIS FRIENDS

Going Fast

BY MERRILL BLOSSER

How did you get Junior to keep his mouth shut about those busted records?

HE WANTED ME TO TEACH HIM HOW TO HYPNOTIZE HECTOR! BUT THAT FIZZLED!

SO I PAID HECTOR A BUCK TO LET JUNIOR DO IT!

A WHOLE BUCK? HOW DO YOU KNOW HECTOR WILL KEEP THE BARGAIN?

THANKS FOR THE DOLLAR! HERE'S YOUR RECEIPT!

BOOTS AND HER BUDDIES

His Idea

BY EDGAR MARTIN

I'LL TALK TO MR. WIGBY! HE MIXES SWEET ADVICE WITH HIS DRINKS!

BOOTS!!!!

ULP!

SAY, WASN'T THAT WILLIE? HE RUSHED OUT WITHOUT EVEN SAYING HELLO!

SO HE DID— DIDN'T HE?

WHAT'S WITH MR. WIGBY? AM I POISON OR SOMETHING?

POISON? SOMETHING? I HAVEN'T HEARD ANYBODY CALL ANY POISON! NOT EXACTLY!

VIC FLINT

Come On, Gorilla

BY MICHAEL O'MALLEY AND RALPH LANE

Shorty was out cold. I flattened myself against the house and waited.

I expected the big guy to come through the window, but he fooled me.

HE RAN OUT OF THE ROOM. COULD BE GOING AFTER WATER TO PUT THE FIRE OUT, AND HE COULD BE COMING OUT THE DOOR.

Then I heard him at the door.

It squandered a couple of seconds saving at the rope around my wrist.

KING OF THE ROYAL MOUNTED.

By Zane Grey.

WELL, AT LEAST I HAVE A CAST OF THE KILLER'S FOOTPRINTS!

THIS, ALONG WITH THE DEATH KNIFE WILL ALL ADD UP... I'D BETTER GET THAT BLADE AND TAKE IT TO THE LOCAL SHERIFF'S OFFICE?

I'LL HAVE TO SET UP SHOP SOMEWHERE... IT MAY AS WELL BE THERE... HMM?

HE ISN'T IN HIS OFFICE... SAY, THAT SEEMS TO BE A NOTE STUFFED IN MY SADDLE... MAYBE IT'LL EXPLAIN...
