Dr. Chretien elected Bay C of C president

Every effort will be made to attract new industries

The Campbell's Bay Chamber of Commerce held their annual meeting at the Legion Hall in Campbell's Bay at which time the election for the officers to form the 1968 Board of Directors was held.

Elected were: Pres. Dr Roland Chretien; vice-pres. Jean Guy Lariviere, Rev T. G. May, P.P.; Directors: Raymond Shea, Edgar Allard, V. D. R. Mousseau, Romeo Arbic, Ernest B. Lunam, L. R. Quaile; Secret., William T. Mousseau; Treas. Cecil Vibert.

Dr Chretien is succeeding Mr Edgar Lance who was elected Mayor of Campbell's Bay last June, and due to his numerous occupations, was obliged to resign his function as president of the Chamber of Commerce in favor of Dr. Chretien who was then vice-president.

Invited guests at the meeting were Mr C. Girard, Industrial Delegate for the Outaouais Region, and Mr D J Morrissette, Regional co-ordinator Regional Development Agency Department of Industry, both of Hull. They outlined the importance for the County of Pontiac to seek new industries to settle within its boundaries as it is a designated area, with an income per capita below the national average.

It was decided forthwith that an industrial committee will be set up by the Chamber of Commerce with the intention of making every effort possible to bring in industries and thus give work to the great number of unemployed in the District.

Anglicans will discuss changes in boundaries

An important business meeting has been called for Thursday, March 14, in Saint Paul's Parish Hall, Shawville for the four Anglican parishes in Pontiac County — Campbell's Bay, North Clarendon, Quyon and Shawville.

All church wardens, lay delegates to synod, parish treasurers and presidents of Women's organizations are especially asked to be present.

The purpose of the meeting will be to discuss changes in parish boundaries and parish structures and ministerial manpower.

At the meeting there will also be present the Ven Douglas Christie, Diocesan Director of Pragramme and the Rev Lydon McKeown, Rural Dean of Clarendon.

Red Cross seeks participation from Shawville and Bryson

Mr Paul Labelle, Area representative for the Canadian Red Cross will be in Quyon next Thursday evening March 14 at eight o'clock. He has been invited by the Quyon group which furthers the interests of the Canadian Red Cross in lower Pontiac County and his special interest at this visit is to re-organize the area to include a better participation of Shawville in Red Cross activities.

There was at one time a strong Red Cross unit in Shawville but lately through the death and retirement of various workers, Red Cross has been dormant in Shawville village.

Mr Labelle and the well organized Quyon group would be pleased to receive a good representation from the Shawville and Bryson area. Proposals will include the possibility of setting up a Shawville Branch, a Bryson Branch, a joint Shawville-Bryson Branch or of inviting participation of Shawville and Bryson people in conjunction with the members of the Quyon Branch to form one overall Lower Pontiac Branch. This is the nature of the Upper Pontiac Branch which includes a number of villages in the westerly end of the County.

The most recent Red Cross Blood Donor Clinic in Quyon was last July. Another will be planned for this summer. The Red Cross has other activities than Blood Donor Clinics, all of which are felt by the Society to be of great importance and worthwhile.

A few carloads of interested men and women from Shawville and Bryson would be very heartening to the Red Cross people and to Mr Labelle who is coming in from Quebec City to address the meeting.

Dr. S. E. McDowell Elementary School

A new school, under new management with a new grading system and even a new name will be opened this year for the children in the elementary grades in Shawville.

The Dr S E McDowell Elementary School will be opened in the beautiful building which has been housing the High School for the past fifteen years, on Centre Street, beside the Rotary Park. This school has a large gymnasium, a bright cafeteria with ample kitchen, a sloping floor audio-visual room, a stage with curtains, well appointed classrooms, girls and boys dressing rooms and washrooms, all on one floor, administration offices, extensive playground room and off street loading areas for school busses.

Appropriately, the school is being named after the County's dean of education, Dr S. E. McDowell who came to practice medicine first in Quyon forty five years ago and who, except for three years in Almonte, has been doctoring in this County ever since; at the same time taking a more than usual responsibility for the schooling of the children here.

Dr. S. E. McDowell

Samuel Earl McDowell was born in Clarendon, started his education in the one room school in Charteris, then went to the Hull Model School and got his matriculation from Albert College, taught school for two years, obtained his university training and medical degree at Queens University, Post Graduate studies at Polyclinic Hospital in New York City and the Royal Victoria in Montreal, where he met and married the former Lu Edey of Wyman whose great aunt was the great teacher and poetess Lucy Wyman Edey.

They came to Shawville in 1931 and as their four children grew up they became greatly concerned about the educational opportunities in the area. Dr McDowell was a member of the Clarendon School Board for six years, organized the Pontiac County Central School Board of which he was a member for eight years, was appointed a member of the Protestant Committee of the Council of Education of the Province and remained a member of that austere body for twenty five years. He is a life member of the Quebec Association of Protestant School Boards and has been conferred the "Her Majesty the Queen Medal" in 1953 and the Confederation of Canada Centennial Medal in 1967.

The children of Dr and Mrs. McDowell are living testimony to this family's belief that education is the key to the full life. There are four: William, Faye, Mary and Jane.

Rev William E. McDowell, is the United Church Minister at Trenton, Ontario, whose wife is also a university graduate holding a M.A. degree. They have three sons and a daughter.

Faye is a graduate with an M.A. from Columbia University in New York, teaching Nursing Science at Ball University in Indianna. She is married to Dr Ishan Karaagac Psychiatrist who also holds a PhD from Columbia and degrees from Universities in Paris and other places. They have one son, John.

Mary is a graduate of both Queens University and Harvard and is married to Dr Tom Wood, FRCP, a Specialist in Medicine. They have three daughters.

Jane is a graduate of Kingston General Hospital, is married to Douglas Adams, an Ottawa lawyer who also has a Science degree from Queens, and they have two boys and a girl. Dr McDowell's interest in education has been passed on and multiplied, and with eleven grandchildren, it should flourish.

But all the children of this area have benefitted from the efforts of this native son, born before the turn of the century, the youngest and only surviving of six sons of the William C. McDowells, Charteris, Que.

To be the first principal of the McDowell School, the Clarendon Board has appointed Mr Wilfred Tipping, originally of London, England but more recently of Aylmer, Que where he has been assistant Principal of the High School for the past three years. Before Aylmer Mr Tipping was Physical Education Supervisor for the area around Richmond, Que., and before that he taught Physical Education instructors for ten years at Loughborough College, Leicester, England which was also his own Alma Mater.

Principal Wilfred Tipping

Mr Tipping and his wife, Josie and son Leigh (a Carleton University Honors Chemistry student) will be moving to Shawville during the summer.

The new regulation about educating each child in each subject at his own speed will come into effect here this year, which will mean that with 700 children in the school, there will be 700 streams, so the new principal could be extremely busy.

The Pontiac Regional High School, now under construction on the high ridge in Shawville will be administered by Mr David Allan MacKenzie who is now the Principal at Temiskaming and will move to Shawville in July with his wife and four children.

Mr MacKenzie is a graduate of Macdonald and Sir George Williams and is near completion of work towards an M.A. at Bishops University. He taught at schools in and around Montreal before going as Principal to Temiskaming.

The Regional High School shows every promise of being ready in plenty of time for school opening. This week some of the varicolored brick has been arriving as well as the colorful panels which are being made of red and brown flecked granite from the quarries just north-west of town. This is the same stone which was used on the Bonaventure Hotel in Montreal and is commonly known by architects as "Shawville Stone".

The school boards, both Clarendon and Regional, seem to be in a condition of optimism about the prospects of education in this town for next term, which altogether makes very good news for Education Week.

Collection for fire victims

Joseph Andrew Holland Jr., eight year old son of Mr and Mrs Joseph Andrew Holland of Vinton died in the fire which destroyed their home and injured several other members of the family last Friday night. The funeral was held Tuesday from Ringrose Bros. Campbell's Bay to St Elizabeth's Roman Catholic Church, Vinton with Requiem Mass at ten o'clock in the morning and burial in the parish cemetery.

At the time of the fire Mrs. Holland was in hospital, having given birth on Sunday night to a daughter. Andy Sr was at work when the house went ablaze. He is a security guard at Pontiac Mill. His father, 84 year old William Holland was in the house and five of the Holland children were asleep upstairs. Four of them jumped to safety and waited below to catch young Joseph who apparently was overcome with smoke and perished. Taken to hospital in Shawville were the grandfather who was badly burned trying to save the children, and the two older girls, Judy 16 and Ruth 13. Barney 15, and Marion 12 were not seriously injured and the family's year old baby Sandra was not in the house at the time. She was being looked after by the Vincent Hollands in Campbell's Bay during her mother's stay in hospital.

The family will resume housekeeping in Richard Hearty's house in Vinton and clothing and furnishings of every sort are being collected to meet their immediate needs by Mr and Mrs Kenneth Woods of Charteris. Anyone in the Shawville area having any article of furniture, beds, appliances, toys, shoes, clothes, tables, chairs or anything else to be contributed to the Hollands may telephone the Woods on the Shawville rural line at 630R31 and Ken will be around with his truck to pick up the articles. Anyone in the Vinton area wishing to help might take contributions to Francis McCrank who will direct them to the place where the Hollands are going to resettle.

EDUCATION WEEK

A start is being made in this Province on a program that soon will be in force in all the elementary schools of Quebec. This program removes all the trappings of grades and failure and loss of a year's progress because of weakness in a few subjects.

In the secondary schools the adoption of subject promotion now taking place allows the student to progress at a pace determined by his own abilities and inclinations. Teaching methods are also changing to stimulate student interest and guidance services have been instituted to help a student determine where his particular abilities and interests should lead.

Educational television has been expanding to include adult education and Quebec is launching into many fields of adult education to train and retrain its population for life in a mechanized society and in the computer age to come.

Junior Colleges for general and technical education have been set up in French and it is expected that they will begin in English in 1969, and the new type of Composite High School designed to provide a broad range of vocational education in addition to the pre-university courses will be operating in all the major English-language centres in 1968.

Never in the history of Quebec has education been so active in its development, so important to the public welfare, as right now.

Education Week, March 3 to March 9, is designed to call attention to this vital aspect of our community life. We hardly need a special week, here in this Province, especially in Western Quebec and very especially in this County of Pontiac, to remind us of the importance of education. The costs and problems of education are always with us and very much in our minds. Schools are our biggest industries in most Pontiac towns. In Shawville for instance, the school is the largest employer: teachers and their families form an important part of our population and many people have chosen to live here because of the excellence of our schools.

Now that the new methods are coming into practice here we will see even greater advances in educational progress.

(THE EQUITY has invited the High School Guidance teacher, Mr. Gerald Avis, to write a series of short articles about the new systems being inaugurated by the Department of Education and look forward to the start of this series within the next few weeks.)

Campbell's Bay Scout - Cub Father - Son banquet

The 1st Campbell's Bay Wolf Cub Pack held their first annual Father and Son Banquet on Sunday, February 26th in the newly finished basement of the Royal Canadian Legion, Pontiac Branch 162 which is the sponsoring body of the Scout movement in Campbell's Bay.

Chairman of this function was Jean-Louis Muir PSC, treasurer of the Group Committee who gave a brief retrospective about their first year activities and outlined plans for the coming year.

Cpl William Ogden of the Canadian Armed Forces stationed at Camp Petawawa and District Scoutmaster for Pembroke was the Guest speaker for the occasion. He spoke on the new Scout program titled "Scouting 1968" and was much appreciated by the gathering.

About 110 fathers and sons attended the Banquet which was served by the Legion Ladies Auxiliary.

Following the Banquet a Film was shown much to the delight of the younger group.

Honoring the Scouts by their presence were: Mr Edgar Lance, Mayor of Campbell's Bay, Mr Francis Devlin, Mayor of Bryson, Mr Lloyd Kensley President of the Campbell's Bay Catholic School Board, Sgt Francois Lapointe, i/c of the QPP Detachment at Campbell's Bay. Jos. Sloan, Sheriff of Pontiac, Donald Letts and Roland Haley, respectively Scout and Cub Masters of the Campbell's Bay group.

Farewell party for the Frank Sonsers

A farewell party in honor of Mr and Mrs Frank Sonser was held at the home of Mr. and Mrs Joseph Rodgers. The party was attended by employees of the Machine Shop of New Calumet Mines.

Mr Maurice Lepine read the address and a travelling bag and a flight bag was presented to Mr Sonser and a china cup and saucer to Mrs. Sonser. Mr Sonser will surely be missed in our community, as he was a very active member in our Bryson Lions Club and did a lot of work in promoting the Cubs. He leaves for Stuart, British Columbia, on March 10th, where he will take the position of Mechanical Superintendent at Grand Duc operations.

Boy Scout week in Shawville

Shawille's Scouts and Guides were together in spirit for Church Parade ceremonies on February 18th, although they were separated to facilitate seating arrangements. Cubs and Scouts convened at the Anglican Church where Rev Pearce conducted the Service while Rev Snowden welcomed Rangers, Guides and Brownies to the United Church Service.

The Annual Scout father-son banquet was held in the United Church Hall on February 22nd the birthdate of both Lord and Lady Baden-Powell (Founder's Day). Over 200 gathered to enjoy the meal prepared and catered by the Scout Mothers Auxiliary under the Convenorship of Mrs Arthur Strutt. Grace was said by Rev Snowden.

Mr George Stones chaired the proceedings and called for various Toasts: the Toast to the Queen was proposed by Rev Pearce; Scout Gerry Callaghan Toasted the Fathers and Bill Main replied; the vote of thanks to the mothers was extended by Pat Clarke.

Head table guests were introduced and included Mr. Cliff Garrison, Mayor Orla Young, Rev Snowden, Rev Pearce, Bill Smart (Rotary) Carson Hodgins (Lions) Sidney Sheppard (Ag Society), Mrs. Keith Hodgins (Shawville WI) Bill Brandum (Hilton Mine) Mrs Cecil McTiernan, Ranger Captain, (Shawville Guide group) Mrs Ken Wilson (Pres Scout Mothers Auxiliary) Rev Father Klatt (Quyon Scout Group) Reuben Smith, Morley Wilson and Mrs Earl Devine.

Also attending by invitation were several Scouts and Fathers of the Starks Corners group with Leader Doug Fulford and Rev Don Smith, Chaplain.

The gathering was delightfully entertained by the talented vocalizing of Sam and Sandra Towell whose two totally contrasting duets were performed in an equally effective way.

Chairman Stones presented the Group Committee (the governing body) as it now stands: George Stones (Pres), Ken Wilson and Arthur Strutt (vice-pres.) Daisy Devine, (Sec), Morley Wilson (Treas.), Reuben Smith (Badge Sec.), Rev Snowden (Chaplain), Bill Pirie and Lawrence Dagg (camping), Bill Main and Pat Clarke (Transportation) Watt Taylor, Ken Wilson and John Findlay (Bldg) Bill Main (fin.)

The Trophy earned by the leading Scout Patrol each season, was won last year by Beaver Patrol and was presented by Mrs Ken Wilson to Patrol Leader Gerry Callaghan who accepted on their behalf.

Scout and Cub leaders and their respective wives, husbands and sons filled one table and a sincere vote of appreciation was extended the Leaders as they were presented and enthusiastically applauded. The hard-working Leaders include: Scoutmaster Neil Hodgins and his Assistants Ron Richardson and Gerry St Pierre, 1st Pack Cub Mistress Mrs Hiram Davis and Assistants Mrs George Knox and Mrs Doug Campeau; 2nd Pack Cubmaster Harold Davis and Assistants Neil Sharpe and Mrs Roy Thoms. The Leaders were presented with gifts of appreciation by Mrs Ken Wilson and Watt Taylor.

Mr Clive Smart brought greetings from the Shawville Recreation Association and a donation to be used on proposed building projects at the Camp site.

Thanks was extended "Hardy Plants" for their floral table decoration, which was later forwarded to Mrs. A. C. F. Winslow in "Cap's" memory.

LETTERS

TO THE EDITOR

Praise for West Quebec

The Editor,
The Shawville Equity,
Feb. 28, 1968.

Dear Sir,

I must say I have been extremely heartened by the tremendous response from the people of Shawville, Quyon and area, following the reading of one bit of hate mail that I received from the district. To be honest, I don't think I've ever seen such an outpouring of feeling in this matter. Many people have written assuring me they do not feel the way the author of one letter did. In addition, I have had a number of phone calls and several personal contacts and always the message is — For heaven's sake, Lowell, don't think we're all like that here.

I think at this time I should point out to the people in the area that I received only one letter from the whole district following a series of shows I did concerning the rights of Roman Catholics and Separate Schools. Contrasting this with many letters received from communities much smaller in Ontario, you can see that Shawville has nothing to be ashamed of. As a matter of fact, it is quite obvious that the people in Shawville and area are much more concerned than many people elsewhere. When I read letters from other communities, in some cases several letters from a community, I received very little response whatsoever. I would like to say that just because one or two people in a community as large as that, feel the way they do, it is nothing for anyone to be ashamed of, except perhaps the people concerned, and one cannot always blame them since education, I'm sure we all agree, plays a major role in this kind of thing.

I personally am extremely proud to live in the area, especially recently since so many people have made such obvious attempts to try and understand the other side. I think that if all parts of Canada could get a glimpse of what is going on in Western Quebec these days, we would be a much stronger nation for it.

Yours truly
Lowell Green

Ministerial Association meets at Campbell's Bay

The Clarendon and District Ministerial Association met at the Free Methodist Church parsonage at Campbell's Bay for its February meeting with Rev E N McColl presiding.

The devotional period was conducted by the host pastor Rev Arthur Perry. The report on The Week of Prayer showed that the attendance was down from that of the previous year, with the financial receipts also being smaller. It was felt that the extreme cold weather during that week had much to do with the decrease.

The Benevolent Committee met and brought in the following report, which was accepted. That we give to the Pontiac Community Hospital and the Ade Memorial Hospital $25 each with the expression that the money be used for a particular project. To the Canadian Council of Churches and the Canadian Bible Society $25 each and $50 each to the Brookdale Farm and the Rosemere Protestant Children's Home. Also $10 to the Hull Social Welfare.

An invitation to have the March meeting at the United Church, Shawville was accepted.

SHAWVILLE W I

The February meeting of Shawville's Women's Institute was held at the home of Mrs. Gordon Paul, with Mrs A. Winslow and Mrs Morley Hodgins as assisting hostesses with sixteen members answering the roll call.

Final arrangements were made for a telephone bridge party and a food sale and also to put an infant's quilt together.

It was decided that no displays would be entered by this branch at either the Quyon or Shawville Fairs.

Motion was made to purchase a food blender for the Ade Memorial Hospital and $5.00 was donated to Save the Children Fund.

Reports were received from the Convenors of Agriculture, Citizenship, Home Economics and Bridge.

Nominating Committee was appointed consisting of Mrs. Winslow, Miss Shaw and Mrs Armour and auditors appointed were Mrs Nellis Hodgins and Mrs H M Turner.

Mrs Nellis Hodgins, convenor of Education introduced Mr Gerald Avis, Guidance Counsellor at the Shawville High School who gave a very interesting outline of the work he was engaged in with the pupils at that school, followed by a question and answer period. The president thanked the speaker.

Rev Don Smith spoke of the work being done by the Starks Corners group and of the plans they are entertaining for the future. This group was recently formed.

Rev Klatt representing the Quyon group spoke of the varied program his group is presently enjoying and the projects they hope to accomplish in the future. He was surprised at the magnitude of the Shawville group and hoped Quyon could benefit from our experiences.

Mr Stones closed the evening program with a fervent request to the more than 75 fathers present that they endeavor to attend the Open Group Committee meeting held every September at the beginning of the Scouting season. (12 to 15 is about the usual attendance number)!

Scout Week in the Shawville area culminated in a week-end camping trip enjoyed by several hardy scouts and Leaders at the Hughes Lake camp site, Otter Lake.

EARDLEY W I

The February meeting of the Eardley WI was held at the home of Mrs Steve Robinson on Wed. the 14th.

Correspondence: Letter of thanks from Mrs D. McDougall for Christmas gift to Ade Home from the WI. Letter of thanks from the Cup of Milk Fund. A donation was made to the NCWI.

Annual report forms were handed out to each convener to be completed and returned to the March Annual meeting.

Mrs Robert Bronson and Mrs Percy McKibbon were appointed to audit the books.

Mrs Urban Curley and Mrs Edward Kennedy were named the Nominating Committee.

Mrs Percy McKibbon is in charge of Red Cross sewing, with some still to be completed.

Mrs Sam Wilson gave a report of a Disaster Fund meeting she attended.

Mrs Annie Nugent read a paper A look at foods through history, followed by a contest "What's in a Valentine", the prize won by Mrs Cecil Faris.

The tea prize was won by Mrs C Faris also and a "Lucky Draw" donated by Mrs Joy Campbell was won by Mrs Steve Robinson.

A sale of home made cooking and articles was held, followed by refreshments served by the hostess assisted by Mrs Joe Kennedy.

Birthday wishes to Master Shawn Sloan son of Sheriff and Mrs Joe Sloan who is soon to be a year old.

Our deepest sympathy to Mr. and Mrs Andy Holland who lost their child in a tragic fire on Saturday.

Mr Mervin Baird and Mr Billy Hearty travelled to Ottawa on Thursday.

The children of all the schools had an unplanned holiday Thursday due to the failure in the water system in town.

Fire practice for this month was cancelled as the volunteer firemen spent the evening and night working at the water system.

Mr and Mrs Rodger Lance travelled north to Rouyn, Noranda over the weekend to visit with relatives there.

There was an excellent turnout to the Boy Scout and Cub Father and Son Banquet held at the Legion and catered to by the Ladies of the Legion.

Mrs Walter Ebert visited with Mrs Manley Brown prior to the church meeting on Friday when the Women's World Day of Prayer was held at the Wesleyan Methodist Church. The evening service was held and conducted by the CGIT.

Many teenagers gathered at the rink Friday night for a few hours skating before a special youth dance sponsored by the Recreation Association was held at the auditorium of St John's High School. The music was supplied by 'The Shattered Minds' and the dance was well attended by the teen set and was chaperoned by many capable adults. It was estimated that there were over 186 in attendance.

Belated birthday wishes to Mr Lawson Smith who is one of those few lucky folk who grow old very slowly since they only have a birthday once every four years being born on Feb. 29.

Mr John Stewart of Renfrew visited with Mr and Mrs Eldon Sparling and on Sunday accompanied his grandson Bobby Sparling to the Father and Son Banquet held at the Legion Hall for the Boy Scouts and Wolf Cubs.

Quyon Lions party honors district officials

On Friday evening February 16, a very successful Valentine's Party was held at the Fairbanks Hotel by the Lions Club of Quyon. The primary purpose of this gathering was to honor Zone Chairman Clarence Wall on the occasion of his official visit to the club, as well as to honor Past District Governors Jack Cherry of West Ottawa Lions and Charlie Imison of Shawville Lions (February is PDG's month).

At the head table were Lions Gus Peppard and wife Rose, PDG Jack Cherry and wife Julie, President Stan Callaghan and wife Deanna, Zone Chairman Clarence Wall and wife Verna, PDG, Charlie Imison and wife Muriel, Dr Bob Hudson and wife Hilda. This head table was introduced by Lion W. J. Stanton.

The president in his remarks welcomed all Lions and their guests. He then gave a brief resume of the club's growth and activities since June 9, 1967.

Following this, the toast to the ladies was given by Lion Lester McCann and Agnes Thomas, wife of Lion Alex replied.

The three speakers Lions Clarence Wall, Charlie Imison, and Jack Cherry were introduced by program chairman Jacques Pilon and thanked by president Stan.

The president also singled out for special praise and thanks Lion Bob Young and his committee who organized the entire evening.

The evening was concluded by a dance. Incidentally, regular bingos are still being held on first and third Tuesdays. On February 6, the big jackpot of $335 was won by Mrs. Yvon Nobert of Quyon. This prize begins at $200 and progresses each bingo both in numbers called and in cash. The cash increase is $15 per bingo. The $50 jackpot was also won this same evening by Mrs. Irene Proulx.

Estimated increase in highway traffic due to Pontiac Mill

An analysis has been made of the expected increase in local truck traffic on Highway 8 due to the construction of the Pontiac Mill. Until there has been one or two years experience with the new mill it will not be possible to state exactly what the effect of the mill will be on traffic but some reasonably indicative figures of traffic loads which might be expected have been suggested.

The number of trucks travelling over the road will depend on the type of vehicle used, ranging from a three-ton truck as used by tree farmers to the large five axle tractor trailer combination.

For shipment of the finished pulp there could be from 400 to 1500 trucks per year of the five axle variety.

For pulpwood deliveries about fifteen thousand truckloads of wood will come to the mill each year. About eighty per cent of these trucks will cross into the Province at Portage du Fort. The rest will come down Highway 8 from Sheenboro and from Otter Lake through Campbell's Bay in about equal numbers, being about 1500 loads from each.

There will also be about 2100 truck loads of saw logs delivered to the company mill at Waltham, about half entering the Province by the Pembroke bridge and the rest evenly divided between sources from beyond Sheenboro and from sources above Otter Lake. This means that Highway 8 between Campbell's Bay and Sheenboro will carry about half of these trucks.

Incoming bulk shipments of supplies to the mill will amount to approximately twenty trucks each week. There will also be normal truck deliveries by local transports such as Brady Bros and Overnite Express of parcels and equipment and supplies.

There will also be an increase in the number of private vehicles using the road. There are now over four hundred permanent employees working at the mill and at the Woodlands Division office. These employees will be visiting and receiving visits from family and friends who live outside the area and will be using Highway 8 for its full length.

At the present time the entire road from Aylmer to the Portage du Fort bridge is classified as second class road on which half loads apply during the spring thaw period.

This results in substantial additional costs to industry, according to Mr S. C. Belson, comptroller, Pontiac Division of Consolidated-Bathurst Limited. Mr. Belson has provided this information to the Chambers of Commerce of Quyon, Shawville and Campbell's Bay to strengthen their request for a new highway. He states that consideration should be given to having the roads upgraded or re-classified as Class "A" roads and has mailed a copy of the above information to our Provincial Member of Parliament, the Hon Raymond Johnston.

Playoffs start Friday

Pontiacs 7-3 over Renfrew

The spectators were surprised, the Renfrew Aces and their fans were even more surprised but the Shawville Pontiacs claim they planned it this way to provide plenty of excitement.

This was the story when the Pontiacs defeated the North Stars 7-3 after overcoming the 2-0 lead held by their opponents here last Friday night in ODHA action

Renfrew opened the program at 1:56 with a quick goal by Jean Vaillancourt to show our boys they meant business. A second goal at 18:40 by M. J. Blimkie to give the North Stars a 2-0 lead. Only penalty of this period was to Glenn Richardson at 17:47 for interference.

The Pontiacs took the game into their own hands at 9:50 of the second period when Mervin Wren scored assisted by MacLean and Kuehl. They returned at 13:27 when Saunders with Robinson and Glenn Richardson tied the game to hold it for the remainder of the period. Only two penalties marred the period, one to Renfrew for hooking at 6:13 and to Thomas at 19:46 for holding.

For the first time in the game Shawville took the lead when Wren netted his second at 3:03 aided by MacLean and Kuehl again. But Renfrew's Bert Morrow tied it up at 19:54 during which time MacLean and Ian Mills were resting 2 min. for roughing. But it was their last goal of the night. The Pontiacs took over with four successive goals. At 10.38 Royce Richardson assisted by Powell and Thomas at 17:33 Glenn R. assisted by Royce R., Elson Schock aided by Powell and Barney Richardson and the final one at 19:13 by MacLean with Desabrais and Glen Richardson. Only one penalty was meted out and that to Kuehl for interference at 13:52.

P H L Finals Start Thursday

Quyon defeated Bryson Tuesday night in the seventh game of the semi-finals of the Pontiac Hockey League at the Lions Community Centre. On Sunday Fort Coulonge defeated Campbell's Bay 1-0 to win the semi-finals in that section 4 games to 2.

The finals best 4 out of 7, will start this Thursday night at the Community Centre here. Games are scheduled for Thursday at 8 p.m., Sunday afternoon at 2 p.m. and Tuesday at 8 p.m.

3 from Pontiac win all the prizes

Motor Sled races as part of the Beachburg, Ontario, Winter Carnival turned out to be a Pontiac affair on Saturday. Three of the sixteen contestants were over from this side of the river and they took all the prizes.

Donnie Campbell of Wyman came over the obstacle course four minutes flat to take the first prize driving his Polaris. Jerry McKinnon of Quyon made it on his Skidoo in four minutes, eighteen seconds for second place in the race and Shawville's Bob Campbell was just two seconds slower on his Skidoo to win third prize in the three prize open event.

BEECHGROVE UCW

The Feb. meeting of the Wesley UCW Beech Grove was held on Tuesday evening at the home of Mrs Ronald Hutchison with assistant hostess Mrs Overton.

The meeting was under the direction of the President Mrs Lorne Draper.

The meeting was opened by prayer with Rev Mr Huntly and the Scripture was read by Mrs L. Draper.

Seventeen members answered the roll call each giving 1 of the 10 commandments in modern language.

The various reports were given and approved. The Treasurer Mrs Hubert Emmerson reported that the Valentine Tea held on Feb 10 was a fair success. A reading entitled Women of Courage was read by Mrs N. Fraser and Mrs Hazel Taber. The Visiting Committee reported one call and 2 boxes of treats sent to shut-in members.

Mrs Thomas and Mrs Hobbs thanked all present for cards and a plate during their illness. Two thank you cards were received from members who received box of treats. A congregational supper is planned for March 15 for Zion and Wesley.

It was moved the meeting adjourn and was closed by prayer by Mr Huntly.

A delicious luncheon was served by the hostesses. Mrs. Ken Draper won the tea prize

Pastoral comment...

by Rev. L. Emard

Ernst Zimmerman in his painting, "Christ and the Fishermen" has given us his interpretation of Mark 1:19-20. In the background is the Sea of Galilee, a suggestion of boats and fishermen, in the foreground are three groups: Jesus, James and John, and Zebedee. Jesus was the manly type of person who could appeal to fishermen. He knew how to talk their language. It is too bad that so often people think of Jesus as effeminate and his religion as saccharine. He had been a carpenter with sun-tanned skin, toughened hands, and hardened muscles. Only a man with a strong physique and daring courage could have endured the hardships that Jesus did. He was a young man, full of the fun and vitality of youth.

Jesus did not make life drab for those about him. On the contrary, he attended so many social gatherings, banquets and parties that his enemies called him a "gluttonous man and a winebibber". He was a sensible man with good judgment and a sensitive spirit. He does not frantically wave his arms and shout at his listeners. One could wish that the church he founded had always shown the intellectual and emotional balance which Jesus possessed. Saint Francis of Assisi was so sacrificed in his living that he became the founder of the now celebrated Franciscan Order. But after Saint Francis died, certain radical elements brought disgrace upon the Order. Somebody has pertinently remarked that "if Saint Francis had come back even within a century, he would have had to insist that as for him, he was not a Franciscan". One wonders if the Church of Christ has drifted so far from the principles of Jesus that if he should come back to earth he would have to insist that as for him was not a Christian. Certainly it is true that the church has not always reflected the spirit of its founder. In looking again at the picture, I notice particularly the eagerness on the face of Jesus. He is desperately in earnest. He is trying to enlist disciples in his cause. All his life Jesus held firmly to his calling. The church started out with high ideals and a character-changing message. All too often since the church has allowed itself to be drawn into idle controversies and useless activities. Jesus was beginning his work and wanted disciples who would share his experiences. They were to hear him teach, live with him and ask him questions. After a time they would then be able to go out and represent him.

His appeal to them was the same to James and John, to Peter and Andrew: "Come and I will make you to become fishers of men."

These were young men whom Jesus called. He was always interested in capturing the imagination and loyalty of youth. But he didn't do it by offering an easy way. Perhaps we have too long tried to interest youth in the things of the Kingdom by offering them ease and enjoyment. Perhaps if they are confronted with the Christ of the cross they will respond to that challenge. Jesus never said that to become a disciple one must take up his bed and walk, He did say: "If any would come after me let him deny himself, take up his cross and follow me".

We may not be able to be a missionary or a preacher, but we can support the work of the Kingdom both abroad and at home by our gifts and service. Our response to the call of Christ is entirely voluntary. "Behold, I stand at the door and knock". He will no tforce his way in.

He is calling for more recruits today. What we do rests entirely with us.

C-B dividend down

Consolidated-Bathurst Limited has reduced its quarterly dividend rate from 50 cents to 25 cents per common share.

R. A. Irwin, president said in a letter to shareholders that, despite an increase in sales in 1967 of almost $8,000,000, audited net earnings for the year were $17,327,996 against $20,793,041 for 1966, stated on a comparable basis.

Mr Irwin said the decrease was due primarily to the following factors:

—world overcapacity for the manufacture of newsprint, containerboard and market pulp;

—rising costs of labor and materials which have not been fully offset by improvements in productivity or higher selling prices; and

—substantially higher interest charges arising from heavy capital expenditures and other expansion projects which are not yet contributing their potential to earnings.

"It is anticipated that adverse business conditions will continue to have a severe impact on the company's earnings during 1968," Mr Irwin said. "The need to conserve the company's cash resources over the short term is essential."

COURT REPORT

Court was held at Campbell's Bay on Feb 28 with District Judge Arthur Labbe in attendance.

Thomas Intino of 825 Briggs St E, Montreal who was caught by Game-Wardens at the Eagle Depot in Pontiac County after killing his second deer with the same hunting permit pleaded guilty to the charge and was fined $50 plus court costs.

Corporal Wesley Stanley Boucher, 24, of Camp Petawawa pleaded guity to a charge of car theft and was given a suspended sentence. He also was ordered to sign a personal bail bond of $200 to keep the peace for a period of one year.

The accused who asked clemency because he had no previous record explained that he had been driking very heavily in a hotel on Allumette Island and having no transportation back to camp spotted a car in the hotel parking lot with the ignition keys in it, decided to use it. Unfortunately for him no sooner had he got on the Ontario side, he was involved in a car accident and arrested by the OPP who charged him with impaired driving.

Laurent Paquette of Scotstown was fined $10 plus court costs for failing to attach a possession stub to the carcass of the moose he had killed.

Pictures in THE EQUITY

Every once in a while we have to repeat information about pictures for THE EQUITY. To get a news picture in the paper we must have a photo, not a negative and not the discard from a polaroid print. Any size picture will do as we can make them larger or smaller in the paper. Some color photos and even some black and white snaps are too indistinct to print but it never hurts to bring them and find out. We do not guarantee return of the picture but we usually have them on hand after the paper has gone out and they can be picked up in the office here.

Wedding photographs and anniversary photos are published at a cost of $6.00 each and one column pictures of engaged people or graduates are published at a cost of $3. There is no charge for news pictures of course, and there is no charge for wedding and anniversary stories, only the pictures are charged for. THE EQUITY does not make a practice of publishing the pictures of deceased persons.

When an occasion would require the attendance of a photographer, the officers may contact Rev L. Emard of Shawville, phone 647-2826. Mr. Emard is a retired clergyman and a member of Professional Photographers of Canada.

Otter Lake

Get well wishes to Simon Mayhew who had the misfortune to break his arm. Mr. Mayhew lives in Martintown and is the son of Mr and Mrs Mark Mayhew.

The Zion Lutheran Ladies Aid was held at the home of Mrs Hannah Zacharias on March 2nd with six members and thirteen visitors present.

The meeting opened with The Lord's Prayer followed by a hymn and a psalm.

Mrs. Charles King's 70th birthday was also celebrated and her son and daughter-in-law presented her with a beautiful birthday cake and she was the recipient of many lovely gifts.

A lovely luncheon was served by the ladies.

Mr and Mrs W. Sparling, of Braeside visited her mother and father, Mr and Mrs W. Zimmerling.

Sunday visitors at the home of Mrs Hannah Zacharias were Rev and Mrs Baxter and Mrs Louis Bretzlaff.

We are all glad to hear that Mrs Emma Schwartz has arrived home from the hospital after an operation on her eye.

Recreation grant distributed among 5 Shawville groups

By virtue of an occasional special grant from the Provincial Government, there exists in Shawville a special organization to adminster this grant. The grant is for recreational purposes and was arranged for by the Hon Raymond Johnston, Minister of Revenue for the Province and Member of Parliament for Pontiac.

The present chairman of the Shawville and District Recreation Association, which is the name of this local administrative body, is Clive Smart. Directors include Bill Anderson, Philip Thompson, Robert Findlay, Keith Hodgins, Earl Powell, Art Smart, Elburn Bean, Royce Richardson, Bryan Murray, Benny Allen, Keith Horner, Doug Thomas, Ken Wilson, Mrs Allen Black and the secretary is Mrs Opal Carson, RR 2 Shawville.

At their most recent meeting last Thursday the directors considered various requests from local recreation organizations and distributed the accumulated funds to the Boy Scouts, Girl Guides, Pony Club, Senior Hockey and Minor Hockey organizations.

The monies are available upon application in writing to the secretary, to help established recreation organizations under responsible leadership There are no more funds available at present but another grant is expected in the autumn at which time the Association will meet to review requests and elect officers for another year. The amounts of money involved are not very large but it is the wish of the officers in charge that the public be informed. The chairman has said he will announce the date and place of the next meeting in advance but has asked THE EQUITY to remind organizations wishing to apply for financial assistance that the requests must be in writing to the secretary, that groups asking for help must be responsibly organized and must be recreational

A well rounded recreational program for the public in and around Shawville is the purpose of the grant and is the aim of those entrusted to administer it.

Charteris

Sunday visitors at the home of Mr and Mrs Charlie W. Smith and family were Mr. and Mrs Chas T. Smith, Mr. and Mrs Dalton Smith, Mr and Mrs Vertal Smith of Shawville, Mr and Mrs Mervin Yach and Perry and Mr Cedric Yach of Foresters Falls, Mr and Mrs Cecil Yach of Portage du Fort, Miss Fay Yach, Shawville, Mrs Jane Ann Yach and Miss Darleen Yach of Ladysmith, Mr Basil Hodgins of Wyman also Mr and Mrs Kelvin Cartman and family of Yarm.

FIVE GENERATIONS

Ninety-eight year old Mrs Samuel (Sarah) Rooney, her daughter Mrs Frank (Orpha) Brown, her daughter Mrs Dalton (Mina) Rebertz, her daughter Mrs Sidney (Judy) Stephens and her daughter, Connie) make up the five generations of one of the Shawville district's early families.

"Good Outdoor Manners" contest closes April 1st

A Forest Protection Poster contest has been announced with a deadline of April 1 for entries. Pupils in grades 8 and 9 are eligible to enter this contest and must make posters to go with the theme of "Good Outdoor Manners", telling a message on good manners when working or playing in a forest area, with special reference to forest protection. The poster should be no bigger than 14"x22", not more than three colors, must be original. The pupil's name, address, age, school and grade should be printed on the back of the poster and only two posters will be accepted from any one school. This means that if more than two pupils wish to enter they have to have an elimination contest within their own school in time to have the two finalists mailed to the Quebec Forestry Association, 915 St Cyrille Boulevard West, Suite 210, Quebec 6, PQ before April 1, 1968. That is very soon.

Farm Beautification and Organization Competition

A Farm Beautification contest has been announced for 1968 which will be similar to the Centennial Contest with a new regulation. In the 1968 version, Farm Organization will be included along with Beautification. This will mean that the management of the farm as a viable economic unit will count in points when the judging is being done.

Anyone wishing to take part as a contestant should notify the County Agronomist, Doug McMillan, Shawville right away.

The book you write yourself

A new printing of the Family Record Book has just been completed at Pontiac Printshop Ltd. This new enlarged edition is being sent out to professional genealogists and amateur historians who have ordered them by mail. There is also a supply on hand for other purchasers at $4.50 each.

This Record Book makes it possible for anyone anywhere to organize a family history. It is actually a do-it-yourself genealogy kit.

The moment you receive your kit, put your family name on the label and affix it to the cover of the book you have provided your history with a title and an author. Then you begin by reading the interesting sheets of instruction written by Gordon Crouse who has made genealogy his life long avocation.

After you have familiarized yourself with the types of forms included in the book, you start writing down names on one of the practice sheets, conveniently padded and enclosed with your kit.

You start with relatives you know and then, using the methods suggested on the first page of the book, you gather information about other family members.

Whether you are a youngster, a busy worker or a retired gentleman, the working out of a family tree will have its compensations. For those whose relations are all over town the job might take as little time as a few months. For others whose nearest relation is across an ocean it might take years, but every minute put into the project will bring great rewards. For people who like to receive mail, correspondence connected with personal genealogy provides lots of the most interesting sort.

The kits are available at Pontiac Printshop in Shawville or can be ordered by mail. There are no other agents and this original Family Record Book is copyrighted.

Other recent publications at Pontiac Printshop Ltd have been "Pioneers and Other Poems of Pontiac County" by Lucy Wyman Edey at $1.00 and the Centennial Edition of THE EQUITY at twenty five cents, both of which are still available. Now in preparation is "Pontiac County Recipes" and another book of poetry from the pens of local people

Campbell's Bay Winter Carnival

The long awaited Campbell's Bay First Winter Carnival finally came to pass on the second day of March, commencing with a costume parade sponsored by the English Catholic Elementary School Parent Teachers Association. Peter Kluke representing the Royal Canadian Legion Branch 162, Jean-Louis Muir representing the Knights of Columbus and Mr Gaetan Lance were the judges and awarded prizes to Virginia Vibert, Susie Belanger and Cecil Vibert jr. Mrs Clarence Sloan of the school staff assisted the children.

Straight from her winning of the costume parade, Virginia Vibert went on to win the girls skate race for ages 6 to 8. Patricia Kingston came second, and boy winners in that age group were Thomas Kelly and Bobby Vibert. Eight to ten year old winners were Philip Pilon, Danny Haley, Bruno Soucie; ten to twelve John Mousseau, Calvin Devlin, Dennis Farrand and Mary Dubeau; over twelve Raymond Larue. Faye Belland and Joyce Hearty.

A puck carrying contest sponsored by the Protestant Home and School Association with Rev David Bolton as time keeper and the charming school queen Miss Kathy Fenton awarding the prize, was won by Daniel Dubeau who carried the puck over the course in a record time of 19 seconds.

The next event was a "Bag on the Head contest" which was won by Karen Kensley, after which a pancake race was sponsored by the Association Parent-Maître. Everyone in this contest was decked out in white aprons and chef style caps and ran on ice flipping pancakes with frying pans the while. Laurette Dubeau, Francois Prevost and Jocelyn Rioux won for the ladies and Pierre Lance, John Bellrose and Greg Loiselle for the gentlemen.

A tricycle race was won by Dianna Burman, Jill Smith and Andre Lapointe.

Prizes for these events were provided by the sponsoring groups and Fishers Store, Arbics Store, Raymond Shea, Romeo Arbic, Lunams Store, Buggy Letts, Mousseaus Store and Viberts Store.

Refreshments were served at the rink all day and the first hockey game of the morning was Campbell's Bay Mosquitos who tied in a 1-1 game with Bryson Mosquitos. The Campbell's Bay Pee Wees then defeated Bryson Pee Wees 5 to 1.

Broomball then took over with the Laundry team defeating the Belanger wonders 2 to nothing and Mike Dube equally trouncing Keith Rivard three to zero.

Morris Morin won a prize donated by Amyotte Garage for the snowmobile race and then the rink became the property of a mixed group for something never before witnessed on local ice. There were firemen and police in their rubbers with brooms in their hands and there was a hardy team of town ladies on skates with hockey sticks and there was a puck which managed to get past the ladies five times, and only once found its way into the men's net.

The final game of the day was Old Timers vs Seniors in which the Seniors were unable to get past a 3-3 tie, in some measure due to the size of the Old Timer's goal stick which was a home made affair of plywood and large enough for some very legible and rather discouraging suggestions to be marked thereon.

To wind up a very successful carnival, a draw was held for a portable television set donated by L and M Electronics and won by Rene Gauthier.
