You are a Guest
of this Store.

When you step over our threshold, you become our company and we try to make you feel perfectly at home. Of course there is a receiving line — our clerks and our chief entertainment — our merchandise. But while in our store you are our guest, and in a very informal way—so just make yourself perfectly at home.

Beer is a Temperance Drink

A MEMBER of the British Cabinet says that beer is only a little higher in alcoholic strength than ginger ale. Good beer like *FRONTENAC BLUE LABEL* can be drunk in any quantity without harmful results.

Frontenac Blue Label

*Is a delicious, thirst-satisfying drink—mildly stimulating, but tonic and of great value to the stomach.—
