## MRS. LOVELL'S YOUNG LADIES' CLASS,

1283 ST. CATHERINE STREET, FACING PHILLIPS SQUARE.

THE plan adopted by MRS. LOVELL is that so successfully pursued by the late Miss LYMAN in this city (previous to her appointment as Lady Principal of Vassar College), and aims to unite the advantages of sound literary training with the pleasures and safeguards of home.

Critical discussions on Literature, Art, and Current Events, form an important feature of the course, serving to secure from the pupils intelligent and practical interest in their studies.

The regular course of study embraces History, English Literature, Composition, Logic, Mathematics, reading aloud from the British Classics and other standard works, and Vocal Music (Singing at Sight).

An evening of each week is devoted to French Conversation, on a subject previously selected.

MUSIC receives special attention, supplemented by weekly rehearsals.

Whilst sectarianism is studiously avoided, the BIBLE is made the standard and guide, and every effort is made to impress upon the pupils a sense of their duties and responsibilities as Christian women.

Conversations on Literary Subjects are encouraged to facilitate expression of thought.

CONVERSAZIONI take place once a month, to draw attention to ART, as well as to bring the pupils in contact with intelligent and cultivated society.

Terms for English and French, Elementary Drawing, Music without professor, Board and Laundry, \$100 per term; \$400 per annum.
