## Twenty Two New Teachers After Chapeau Graduation

On Saturday, June 1, Rev. John P. Hilton, principal, presided over the graduation exercises at St. Mary's Teachers' College in which 22 young ladies received "B" teaching diplomas from the hands of Bishop Smith.

The Lieutenant-Governor's Medal for highest standing was awarded to Judith Keon of Sheenboro. A prize for practice teaching and teacher personality was merited by Angelina Kebe of Val d'Or, while Marguerite Moyle of McKee and Judith Sloan received honorable mention.

Twenty-six successful students in the B1 class were also presented for the exercises. The medal of the superintendent of education was awarded to Diane Perry, Waltham, for highest standing in the first year group, while Helen Fitzpatrick, Geraldine McGuire, Olivia Belanger, and Margaret Sullivan received honorable mention. Marilyn Keon, Calumet Island, merited the prize for practice teaching and personality in this class, and Mrs. Lloyd Kutchke and Mary Teresa Berrigan ranked second and third respectively.

Judith Keon as valedictorian expressed the sentiments of the graduates.

In a humorous and inspiring address to the graduates, Rev. Romeo Guilbeault, OMI, assistant-rector of the University of Ottawa, stressed the necessity of a teacher's realization of her duty 1) to form her pupils by making practical the knowledge she was imparting, 2) to approach her teaching each year as a fresh experience, and 3) to have a deep respect for the children. From 23 years' experience in Basutoland, Father Guilbeault could testify to the deep respect in which African parents hold their children. From this would follow naturally the child's respect for authority.

## Blood Clinic

There'll be a Red Cross Blood Donors Clinic on July 29 in Shawville and the Lions have undertaken to help recruit donors.

Bishop Smith expressed deep satisfaction with the work of teacher training carried on at St. Mary's and his pride in the success of so many students from Pontiac County.

In the Catholic Teacher's Professional Pledge which was administered by William McKenty, director of studies, the young teachers promised complete dedication in the profession through unselfish service of the children who would be entrusted to their care.

Following the graduation exercises, a buffet lunch was served by the B1 students to the parents and friends who were present, and the evening was closed by a social gathering in the auditorium of Immaculate Conception School.

## FIRES AT OTTER LAKE

Fire rangers and equipment from Fort Coulonge are fighting fires at Alan Quailles and Basil Quailles farms in Otter Lake along with the Otter Lake Fire Brigade.

The fire started during the lightning storm yesterday.

## Tigers Back In Wierd Track

By Bruce Yemen

Shawville Tigers are back on the winning track, but it's a pretty wierd track.

The defending champs of the Upper Ottawa Valley Baseball League won two games over the holiday weekend and the best play of either game was made off the ball field by a non-player.

Tigers were nursing a 3-2 lead over Fort Coulonge in the seventh inning Monday when first baseman Bill Murray said something that aroused the ire of an umpire.

Next thing anybody knew, Bill was banished to the bench (Continued on Page Six)

## FIRE

In the province of Quebec, humans are still by far the most serious cause of forest fires. Many of the large fires that occurred in Western Quebec in 1962 were the results of ignorance of how to conduct oneself in the forest or indifference to provincial fire regulations. Two very important regulations deal with SMOKING and CAMPERS.

**SMOKING** — In Quebec, it is forbidden to smoke while travelling or working in or near the forest. Whether travelling by car, by horse, or on foot, one must stop in a safe place to enjoy a smoke, and must thoroughly extinguish matches, cigarette butts and pipe ashes before continuing.

**CAMPFIRES** — Small fires may be made for cooking or warmth, but must be made in a safe place away from all flammable material. All branches, twigs and grass, in fact anything that will burn must be cleared away to mineral soil to a radius of at least four feet before the fire is lighted. The fire must be attended at all times and must be thoroughly extinguished before leaving.

The Lower Ottawa Forest Protective Association Limited, which is responsible for the protection of some 17,000 sq. miles of forest lands in Western Quebec, has announced that, because of the apparent indifference to these regulations, a much sterner law enforcement policy will be put in effect at once. Another regulation often ignored is that to enter any protected area one must first obtain a forest travel permit. This regulation became effective all over the province on May 1st for the 1963 season and will also be strictly enforced. Violators of Provincial Fire Regulations are liable to severe penalties, including fines and being barred from the forest in the future.

The purpose of these laws is to protect our forests for the continued use and pleasure of all and this cannot be done without the cooperation of everyone. Further information on Provincial Forest Fire Laws can be obtained from any office of the Department of Lands and Forests of Quebec or by writing to The Lower Ottawa Forest Protective Association Limited at Chelsea, P.Q.

## LETTERS TO THE EDITOR

Davidson, Quebec,  
June 30, 1963.  
The Editors, The Equity,  
Shawville, Quebec.  
Dear Editors,

I bought my first copy of your paper last Friday and was very pleased with it except for the fact that there were no news items from this bustling community of Davidson which was a disappointment to several of the people who read the paper.

Possibly the following items might be included in next week's edition:-

Mr. and Mrs. C. Fause, Montreal spent three days with Mrs. G. H. Davidson.

Mrs. Davidson had as her guests over the Dominion Day weekend her cousin, Miss A. Campbell and her nephew Mr. M. Boundy both of Montreal.

Mrs. Stuart Hanson had her daughter and son-in-law, Mr. & Mrs. L. Bruce of Toronto as her visitors for the Dominion Day weekend. Also with Mrs. Hanson are Mrs. Bruce's parents Mr. and Mrs. A. Bruce and his brother and sister-in-law, Mr. and Mrs. C. Bruce all of Toronto.

Mrs. C. C. Boyden of Ottawa arrived Tuesday for the summer. Here's hoping these items will be of interest to you.

Sincerely,  
Mark C. Boundy.

Ed Note: Certainly are, and we hope you'll keep sending Davidson news.

## Miscellaneous Shower

A miscellaneous shower was held at the home of Mrs. Hilliard Beattie on Wednesday afternoon in honor of Miss Wileta Kelly whose marriage took place the following Saturday, June 29, as the bride-to-be entered the living room. Miss Heather Ann Hodgins played the wedding march after which Mrs. Stewart Woods pinned a corsage on Wileta. A bride's book was made by Ellen Woods, who also was in charge of the games. The gifts were presented to the bride-to-be by Wayne Woods and Barry Hodgins after which a buffet lunch was served. Among those assisting were Mrs. Bill Fletcher, Mrs. Lell Hodgins and Mrs. Stewart Woods, Misses Betty Stewart, Linda Fletcher, Heather Ann Hodgins, Ellen Woods and Mrs. Irwin Armitage.

Miss Reda Sloan, was one of the 1963 graduates from Lorrain School of nursing, Pembroke, Ont. Miss Sloan is the daughter of Mr. and Mrs. Clarence Sloan of Vinton Que.

### In Emergency Call 2212

If your own doctor doesn't answer on weekends or holidays, the medical men of the community have arranged to have one on call at all times. To contact the duty doctor just phone 2212 and they will tell you who he is.

\*\*\*

Joe Brown, of the CFRA Happy Wanderers, called yesterday. He reports that there was a good crowd at Coronation Hall last Friday night but due to the heat most of them stayed outside. This week he hopes they'll come inside and enjoy the dancing.

\*\*\*

There were three strikes against Mayor Orla Young's famous prize-winning Jersey herd. Lightning killed three of the animals yesterday afternoon, just three days after he had received the Eaton's Silver Tray for best herd at the Quyon Fair.

\*\*\*

Just thirty years after the tragic July 1st drowning which took the life of Lindsay Kilgour, Green Lake almost saw a second such accident Sunday with Clayton Young of Quyon. Ted Hayes, Albert Armstrong, Angus Horner, Lyle Hodgins joined forces to effect a rescue and artificial respiration brought Clayton back to life.

\*\*\*

Maybe it's too hot to think about hockey but someone is making plans for artificial ice at the arena next winter, we are told. It could be the Lions are buying the old refrigerating plant from the defunct creamery — or is it going over to Thurso to be used for the same purpose there?

\*\*\*

Doug Yemen was elected top boy and Margaret Kilgour top girl at Shawville High last week and they will be president and vice-president of the student body respectively. Congrats kids.

\*\*\*

Congratulations to Brenda Richardson on the opening of her new beauty salon in Shawville.

\*\*\*

"The Drunkard" is an old fashioned melodrama which twenty two Ottawa high school and university students have been preparing since May. Now it's ready for production and will be put on Friday and Saturday nights at the little Summer Theatre between Aylmer and Breckenridge in Eardley. (The old Eardley United Church hall). Directing the play is Elizabeth Dickson, lately of Shawville High.

QUILL TO COMPUTER. A dramatic 146-year contrast between the Bank of Montreal's first system of handling accounts and its new "Genie" system is shown in this photograph. Here, Miss Marion Ryan compares the B of M's ledger dated 1817 with the computer which forms the heart of the bank's new "Genie" centre — the first fully-integrated automatic banking system in Canada. The new system

goes into operation this week. Making full use of electronic speeds, Canada's first data processing banking operation of such scope combines cheque clearing and ledger posting for many of the B of M's Montreal area branches. The centre is the forerunner of a number of similar "Genie" operations scheduled for development by the B of M across Canada in the future.

## Hospital Board June Meeting

The June meeting of the Pontiac Community Hospital Board started as always with prayer and ended as always with the summary passing for payment of bills too numerous to mention at the meeting.

Business arising from the minutes of the May meeting included a report from the doctors on

their reaction to the decision to enforce a certain hospital rule. The rule states that for major operations involving the opening of the abdomen two doctors must be present as well as the anaesthetist and nurses are forbidden to scrub unless the required number of doctors is present.

This rule applies to all except Quebec Certified Surgeons of which there is only one in Pontiac County.

The doctors of the community had held two meetings to discuss the problems inherent in the enforcing of this rule and only one doctor had brought any objection to the Board.

Board Chairman Leonard Horner reported that he had tried in vain to get a Quyon member for the Board as per his instruct-

ions at the April meeting. It was finally decided to ask Rev. Ludger Emard to return as a board member to serve out the remainder of the term of Clarence Dean who had resigned.

The possibility of installing an intercommunications system in the hospital is being explored with the telephone company. A request was brought in for a coin changing machine to be used in conjunction with the drink dispenser in the front lobby.

Decision was deferred pending further study on the subject of holiday leave for domestic employees of the hospital.

The building repairs committee reported that the plumbing problems in the doctors scrub room are still at a standstill.

During a discussion of finances it was suggested that to ask the bank for further loans without allowing them to see the hospital's financial statement was expecting too much. It was then disclosed that nobody has yet seen a financial statement for

the year 1962 and furthermore nobody knew why one hadn't been prepared.

Five hundred dollars was willed to the Hospital by the John Reginald Hodgins and the Board decided to put this money into the purchase of necessary new refrigeration plants for the first floor.

Dr. Horner reported that at the meeting of doctors it was decided to go along with Nursing Superintendent Dorothy McDougall's proposition that the doctors take turns making themselves available for emergency calls on weekends. A roster for this purpose is being prepared and Dr. Pappin of Fort Coulonge and Dr. Hudson of Quyon were reported to have expressed willingness to take their turns.

A discussion of nurses wages ensued bringing forth the opinion that it is right that a nurse should be paid more in Shawville than some other places because "there is so little recreation for a young girl here".

## Court Report

Court held at Campbell's Bay on June 26th, before District Judge Arthur Labbe.

Alfred Roland Meleur, owner of the "Hotel Chapeau" at Chapeau, pleaded guilty today before District Judge Arthur Labbe on a charge of having sold alcoholic beverages in his hotel, after hours and outside the time permitted by law. He was fined \$100 ordered to pay the court costs, and in default of payment, 3 months in jail.

Mabel Santerre, Reg. Nurse, Wolf Lake, had her trial and was found guilty on a charge that at the village of Wolf Lake, did illegally practice medicine. She was fined \$100.00, ordered to pay the court costs, and in default of payment, 60 days in jail. Mrs. Santerre owns and operates a private hospital in that community. In passing sentence, Judge Labbe said that he recognizes all the good she has done over the years in that locality and surrounding area at a time when doctors were not readily available, but nevertheless he had to find her guilty of having given consultations and prescriptions to patients who went to see her.

The complaint against her had been lodged by "The College of Physicians and Surgeons of the of the Province of Quebec".

Right at the start of the first heat of the classified race at Quyon, Friday, Bill Pyke, driving L. C. Majesty, took a spill. He can be seen in the background walking dazedly down the track while in front Brent Horner driving Excess Profit, Barrie Murray driving Hi Craig, Roley Armitage driving Warren Dillon and Mike Keon diving Dean Brookville got on with the race. Jimmy Connors driving Ben Majesty had just passed when the photograph was taken and won this race. Complete results from the Quyon Fair will be published next week.

### Tigers Back

(Continued from Page One)

and Tigers had only eight players left.

Allowed to continue in the field with just eight men, Tigers nonetheless had to produce an eligible ninth man in time to have him bat for Bill in the next inning, or else default the game.

The game-saving production was engineered by a spectator who leaped from the stands into his car and piloted it out Highway 8 to meet Bryan Murray on his way home from work at Hilton Mines, snatch him from a slower moving vehicle, and rush him to the ball field just in time to bat for Bill.

To cap off the frantic frenzy Bryan whacked a single to score a run.

Tigers went on to win 7-3, which along with Sunday's 16-6 win over Vinton gave them a perfect weekend.

Strong pitching by Bill Murray on Sunday against Vinton and by both Earl Powell and Harv Sweetman Monday sparked Tigers to the double win. The trio of lefthanders got fine back-up work from righthander Bryan Murray who pitched the last inning of each game and held the opposition scoreless.

Ed Walker went all the way on the Coulange mound in blazing heat and suffered the loss in spite of a well-pitched game. George Gagnon was his battery mate. Wayne Chamberlain did all Tiger catching Sunday and shared it with Paddy O'Donnell Monday.

Sweetman and Powell piled up 12 strikeouts between them while Bill Murray whiffed five Sunday. His mates helped him with four double plays.

In the batting derby, Tigers Dave Wilson and Harv Smith had weekend totals of five hits each, followed by fancy-fielding Dave Ranger with four, and Doug Yemen and Bryan Murray with two each.

Tigers went through both games without veterans Richardson, Garrison, Morrison and Findlay, and got only part-time service from Murray, Powell and O'Donnell who had work to attend to. Rookie Jim Carmichael made a strong debut with Tigers while Harv Smith made his presence felt in a continued comeback with the club.

Next game for Tigers is Sunday in Bryon.

**In Memoriam**

**BRETZLAFF** — In loving mem-  
ory of a dear husband Louis  
who passed away July 9, 1960.  
Memories are treasures that no  
one can steal,  
Death is a heartache that nothing  
can heal,  
Some may forget you, now that  
you're gone,  
But I will remember, no matter  
how long.

My heart still aches with sadness  
My eyes shed many tears  
God only knows how I miss you  
And wish you were here  
—Sadly missed and lovingly  
remembered by wife, Emma. x

**BRETZLAFF** — In loving mem-  
ory of a dear father and grand-  
father Louis who passed away  
July 9, 1960.

Gone, dear father, gone forever,  
How we miss your smiling face  
But you left us to remember  
None on earth can take your  
place.

A happy home we once enjoyed,  
How sweet the memory still,  
But death has left a loneliness  
The world can never fill.  
—Ever remembered by the family x

**HODGINS** — In loving remem-  
brance of a dear wife and  
mother, Mrs. Gerald Hodgins,  
who passed away July 5, 1961.  
If I had all the world to give,  
I'd give it, yes, and more;  
To hear her voice, see her smile,  
And greet her at the door.  
But all I can do, dear mother,  
Is go and tend your grave,  
And leave behind tokens of love  
To the best mother God ever  
made.

I like to think when life is done,  
Wherever heaven may be,  
She'll be standing at the door  
Up there to welcome me.  
—The Family. x

**HARRIS** — In memory of a  
dear grandfather Sam Harris  
who passed away July 8, 1962.  
We who loved him sadly miss  
him,  
But trust in God to meet again.  
—Always remembered by  
Tommy and Beverley. b

**HARRIS** — In memory of a  
dear father Sam Harris who  
passed away July 8, 1962.  
The depths of sorrow we cannot  
tell  
Of the loss of one we loved so  
well  
And while he sleeps a peaceful  
sleep  
His memory we shall always  
keep.  
—Fondly remembered by  
Wilmer and Rita. b

**THOMPSON & RUSSELL** —  
In loving memory of our dear  
son Donald and grandson Gra-  
ham who passed away July 8  
1959.

A silent thought, a secret tear  
Keeps your memory ever dear.  
—Father and Mother. x
