VOL. XXVIII, No. 7

WESTMOUNT, FRIDAY, FEBRUARY 15, 1952

PRICE FIVE CENTS

Support Teachers On Extra Work

On Wednesday, February 6, members of Westmount Senior High School's Current Events Club assembled in Room 3 for what was the Club's last meeting until teachers, who now do voluntary supervision of various extra-curricula activities outside school hours, have their wage demands met by the Montreal Protestant Central School Board.

After the minutes had been read and approved, Mike Sundell, the Club's president, read an eulogy on the late King George VI. Following this, award crests were presented to numerous members who had rendered valuable service to the Club during the past year. A lengthy discussion ensued on the Protestant men teachers' plans to abandon the supervision of extra-curricula activities until they receive higher pay from the Montreal Protestant Central School Board. A motion was passed to the effect that those present supported the teachers' stand. Mr. Snyder, the Club's originator and adviser, was thanked for his unfailing interest and leadership and was informed that he would later be presented with a subscription to the "National Geographic Magazine". The meeting was then adjourned.

First Aid Class Postponed Due To King's Death

The Director of Civil Defence for Westmount, Lt.-Col. P. W. Cook, announces that in view of the fact the funeral of His Majesty King George VI takes place on Friday, February 15, the Basic First Aid Course scheduled for that date is postponed. It will begin on Friday, February 22, at the same hour and place. There is no change in the course scheduled to begin on Thursday, February 14.

Also, that the demonstration of Civil Defence Techniques, scheduled for Group 5 of the Basic Course on February 18, is cancelled because of the unavoidable absence of two of the instructors. It will be combined with the similar Demonstration scheduled for Wednesday, February 20. All members of the Monday night group are requested to attend on Wednesday, February 20, when the Certificates of both classes will be issued.

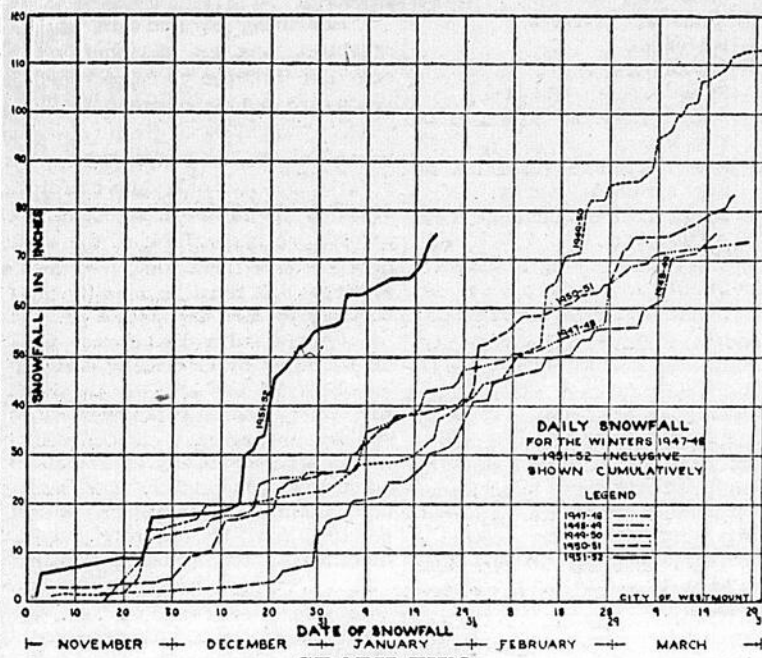

United Nations Meeting Moved To February 20

Due to Ash Wednesday falling on the final Wednesday of the month, the regular meeting night, the Western-Montreal Branch, United Nations Association, will hold their meeting on Wednesday, February 20, in the Westmount Junior High School, Academy Road, at 8:15 P.M.

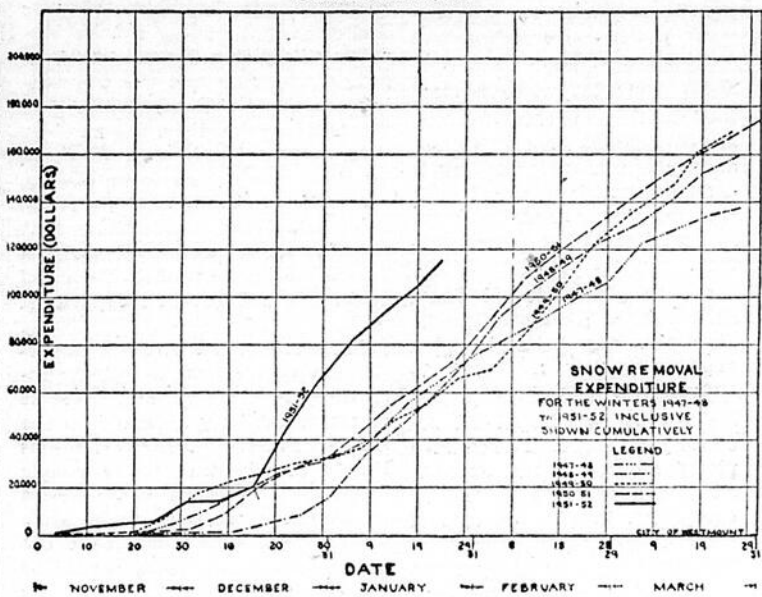

There will be two speakers: Mr. Bilal Riaz Husain of Pakistan and Mr. Derrick Mahinda Fernando of Ceylon. Both of these men are doing post-graduate work under the Colombo Plan.

Moving pictures will be shown. As usual, the meeting is free and open to all who are interested.

Westmount's Snow Removal Problem Shown In Booklet

More snow fell in Westmount during the month of December than has fallen in any December since 1928. According to McGill University records, there was a total fall of 39.2 inches as compared with a 77-year average of 23.2 inches.

The "Story of snow removal" in the city has been printed in a pamphlet for study by citizens.

Graph No. 1 shows a comparison with the previous 4 years. Between November 1 and December 31 the total snowfall reached the 4-year average usually attained in mid-February. On January 25th the cumulative daily snowfall was equal to the cumulative snowfall usually reached in mid-March. It was more than the amount that fell throughout each of the entire winters 1947-48 and 1948-49. These figures show that twice the expected amount of snow fell in one month, and that most of it, 30 inches, fell in 10 days.

These facts would make headlines in most communities throughout the country. Most communities would have been completely snow-bound for days on end. In many communities storms of the intensity and frequency experienced in December would have spelled disaster. In Westmount traffic was slowed in the initial stages, but never stopped. Some of the hills were at times difficult to climb without chains. A few bottlenecks occurred, because following storms descended before the first one was completely removed from all streets. In such circumstances it is necessary to re-route snow removal equipment from secondary

streets back to the arterial streets. Some of the more deluxe snow removal services, as un-blocking driveways, were deferred until the respective storms were in hand and the work forces regrouped.

The Westmount pamphlet continues, "Your Mayor and Commissioners, entrusted with the direction of the several departments concerned, gave unstinting thought and attention to the various problems. The City officials, supervisors, and employees gave all they had of their experience and strength to keep the streets open and traffic moving. During the peak period snow-plough and snow-blower operators and tractor drivers worked until they were exhausted, sometimes 20 hours per day, 30 hours extra work per week was quite common. The objective, "Keep the Streets Open", was achieved.

The purpose of this bulletin is to make you familiar with what happened, what was done about it, what it cost and — most important — how each citizen can help with the problem in the future.

What happened has been stated. Graph No. 2 shows what it cost to do the job. The total expenditure at January 25th equals that usually reached about the end of February. (It should be noted that the snowfall and expenditure curves for this winter follow identical patterns.)

Many expedients were employed. Snow disposal sites have been taxed to the limit, even the parks and the Westmount Athletic

(Continued on page 2)

St. Andrew's Civic Service For King George VI Today

The City of Westmount will hold a Civic Service in memory of our late King, His Majesty George Sixth, at St. Andrew's Church, 101 Cote St. Antoine Road, at 3 p.m. today. The service will be conducted jointly by the Rev. D. M. Grant and the Rev. Canon Gilbert Oliver, L.Th., M.C. The lesson will be read by Mayor J. S. Cameron.

The mayor, aldermen, ex-mayors, ex-aldermen, city officials, school commissioners, school principals, judges, civil defence advisory council and wardens, representatives of clubs, organizations, and military units, members of federal and provincial governments, and all the clergy, have been specially invited. The service is open to the general public.

The hymns "The King of Love My Shepherd Is," and "Abide With Me" will be included in the order of service. The lesson is St. Matthew 5, verses one to nine, and Revelation 7, verses nine to seventeen.

The St. Andrew's Choir will sing "The Souls of the Righteous" by Noble, and the dead March from Handel's "Saul" will be played. Organist for the service will be Mr. Phillips B. Motley.

The following is the text of a resolution passed by the city council at a meeting on Monday evening at city hall.

Whereas the Westmount City Council, having learned with deepest sorrow of the death of our beloved Sovereign, His Most Gracious Majesty King George the Sixth, desires to record its sincere appreciation of his outstanding courage and devotion in the difficult problems which he encountered during his reign; and

Whereas his labors on behalf of his peoples throughout the British Commonwealth and his gracious recognition of himself as head of a great and widespread family has endeared him to all his subjects;

Therefore be it resolved that this Council desires on its own behalf and on behalf of all the citizens of Westmount, to convey to the Members of the Royal Family its deepest sympathy in their great bereavement, and to express to Her Most Gracious Majesty Queen Elizabeth the Second our loyal devotion and the prayer that she may long be spared to guide the destinies of the Commonwealth.

Modern Agriculture Talk Theme Of Famed Author

At Victoria Hall on Friday evening last a capacity audience listened enthralled to Louis Bromfield, famous author and agriculturist, as he disclosed what latest and more up-to-date methods in farming are doing for America today. Mr. Bromfield's first statement was that any man who cannot succeed on a farm today must either be bone lazy or a moron. In his own domain on Malabar Farm, Mr. Bromfield has proved that by scientific methods one acre can yield as much as five acres farmed in a slipshod manner. In other words the good farmer gets five times more return than the poor farmer, at a fifth of the cost.

The main point in the new program is in going deeper into the earth with a straight plow thus releasing all valuable mineral content to help Nature in her work.

Howard S. Ross Struck By Auto

Howard S. Ross, Q.C., former columnist for The Examiner, is being detained in the Queen Elizabeth Hospital for observation. Mr. Ross was knocked down by an automobile on his way to work Wednesday morning. He spent the day at his office as usual, but went to the hospital that night for a check-up. He remained there for more thorough examination.

Extreme Caution Urged Employing Domestic Help

Police Chief R. Byford has issued a warning to all citizens to exercise caution in employing domestic help.

Recently, a resident was victimized by a domestic servant who stole some \$900 worth of household goods while her employers were absent from their house. Police believe she may have been working with an accomplice.

The maid, who gave her name as Pierrette Goyette, said she came from the county of Megantic, Quebec. Any resident who can give further information on her should contact police.

Her description is as follows: Age 26 years, height five feet five inches, hair blonde, was seen wearing a red coat with brown fur collar and grey hat.

Guatemala Official To Speak On His Country

I. Mendez-Zabada, Consul General of Guatemala, will address the sixth grade of Roslyn School on "Central America", especially emphasizing his country. His daughter Lyuba has been a student at the school for the past three years.

According to Mr. Bromfield the turnover or mold plow, in general use in some parts of Canada, is obsolete. Such a startling statement in which were some of the most raised many eyebrows in the foremost agricultural personages in Canada including Faculty and students from Macdonald College, but in the question and answer period Mr. Bromfield had an answer for everything that came forward. The Kiwanis Club in general, and Cecil Carpenter in particular, are to be congratulated in making Mr. Bromfield's appearance here possible and should they arrange to have him come again they would have to engage a larger auditorium to accommodate the people who would want to hear him.

... That there will be more changes on Greene. Emile the Beauty Specialist is planning a new, deluxe salon in his own building where Demers Grocery Store is now located. The new Temple of Beauty will have all the modern touches including a glass and marble front, 14 hairdressing booths, drying compartments, separate lounges for customers and attendants, rest room, dispensary, receptionist, etc. Remodelling will start about May 1st and occupancy is planned for the early Fall . . . That Miss Dumaresq of the Swop Shop is planning to retire and will sail for Europe on the "Scythia" on Aug. 27th. With her sisters, she will spend at least six months relaxing in the south of France and then will return and settle down to the joys of country life. Isn't it wonderful to be able to retire to a life of leisure when one is still young enough to enjoy it? And there's a good business looking for a new owner, too.

... That the Y.M.C.A. Gymnastic team didn't win that Eastern Canadian Championship last Friday night after all. But only because the event was postponed due to the King's death. Just give them time, they'll win it next month instead.

... That to Berger our heads we incline, He is the man whose sole is so fine, He not only mends shoes, But at last he has views, About how to write rhymes that will shine!

... That the Canada Paint Store would be glad to put on interior decoration style shows or demonstrations for any

groups of Westmount ladies who would like to have them.

... That it would be a good idea if the tramways buses loaded and discharged passengers at the safety zones the same way as the street cars do instead of holding up traffic by pulling into the curb and leaving their rear ends sticking out nearly to the car tracks. The more we think of that idea, the better we like it. Anybody agree?

... That the way the City Roads Dept. has kept Sherbrooke Street in such wonderful condition is a credit to the authorities. But Western Avenue is another story. Too holey to mention here.

... That the sun no longer shines at the corner of Sherbrooke and Victoria for many young ladies since Swivel Hips was plucked from their midst.

... That Mr. H. C. Hayes is the chairman of the Library Board for 1952.

... That John Rowe, of the Canadian Council of the Blind, and Anthony Zaplaski, of the Canadian National Institute for the Blind, were guests at the Westmount Rotary Club meeting this week. Mr. Rowe gave a short talk on White Cane Week, urging the public to assist blind people on the streets.

... That both the Westmount YMCA and the Library will be closed on Friday in observance of the day of mourning for His Majesty King George VI.

BACHELOR BOYER

Charles Boyer, one of the screen's great lovers, plays a starring role in Paramount's "Thunder in the East", and not once does he make mad love to either of the heroines, Deborah Kerr or Corinne Calvet.

Westmount's ...
(Continued from page 1)

Grounds have been opened as disposal sites and the casting of snow back of the sidewalks extended. These various methods employed, although not universally popular, are undoubtedly justified in order to keep the streets open and costs down.

Equipment

The City owns and uses the following equipment for snow removal:

- 7—Plow Trucks (2 equipped with underbody scrapers).
- 11—Sidewalk Tractors.
- 2—Blowers.
- 1—Junior blower.
- 1—Snow Loader (Reserve).
- 1—Cinder Spreader Mounted on Truck.
- 2—Salt Spreaders (mounted on any available truck).
- 2—Front End Loaders Mounted on Tractors.
- 1—Sidewalk Sanding Machine.
- 1—Small Snow Blower for Paths, Driveways and Rinks.

Snow is removed from 30.5 miles of roadways and 61 miles of sidewalks. Snow is cast back of the sidewalks on 31.5 miles of route, loaded on 25 miles of route, sometimes cast, sometimes loaded on 2.3 miles of route and hand loaded on 2.2 miles of route. Approximately 293,000 cubic yards of snow equivalent to 100,000 tons have been removed from the streets this winter.

When a snow storm occurs, the success of the City's snow removal programme depends on the co-operation of the citizens. You will be co-operating if you

- (1) Equip your car with chains;
- (2) Refrain from parking on the streets during snow storms and snow removal. Parking is the greatest adversary of snow removal forces. Put your car in the garage or on your driveway.
- (3) When traffic is slowed down, keep in line. The motorist who cuts out and tries to pass everyone else is bound to cause grief.
- (4) Do not become impatient because your street has not been ploughed first or not as soon as you hoped. Remember equipment breaks down, and sometimes it gets snarled in the traffic, particularly when travelling on streets used by public transportation vehicles.
- (5) Remember that our 6 east-west arterial streets provide passage for most of the traffic to and from the west end of the metropolitan area and must receive priority.

The City will do all it can to help you. A good citizen will do all he can to help his City.

Your constructive suggestions are always welcome—please write to the General Manager, City Hall, Westmount, the pamphlet concludes.

Friendship Club Stage Tea Party February 20

The Westmount Friendship Club will hold a Valentine Tea Party on Wednesday, February 20, at 2:30 p.m. The party is open to members and, on application beforehand, to friends of members who wish to join the Club. During the afternoon there will be songs by Mr. W. J. Stevenson and Mrs. J. C. McKean, and monologues by Mrs. J. N. Poole; at the piano Mrs. George Wardrope and Mrs. George Shepherd.

This recently-formed organization is a social club for elderly men and women residing in Westmount or with affiliations in Westmount. It meets every Wednesday afternoon from 2:00 - 5:00 p.m. at the Athletic Grounds Clubhouse, 4350 St. Catherine St. West, Westmount, Que.

BOTH TEAMS

Long-time favorite of American servicemen Bob Hope is taking no chances of offending any branch. In his new Paramount film "Military Policemen" Bob had a special scene written in that takes place on a Navy battleship.

EDUCATIONAL SERIES NO. V

Pot-Pourri

Educating Mr. and Mrs. Public is not easy! Rudolph Bing has been revolutionizing the Metropolitan Opera since he became general manager and being a young person for this important post (he recently celebrated a half century) he is vibrant and full of new ideas. Last week "Carmen" was given rejuvenation treatment in keeping with the times and Mr. and Mrs. Public were thrilled with the result. Bing is progressive! Not only does he fill the coffers of the Metropolitan but he satisfies the audience. As we have stated in these columns many times before, one must think of the audience — they will not return if one does not give them what they like and new bait must be adroitly advertised to lure the people in.

Bing created a disturbance upon his entry by dismissing certain members of the long established personnel, including singers, conductors and opera technicians by installing new blood that would adhere to his wishes. The man has administrative power. More power to him! He is luring people to opera — and educating them.

Another first for Bing . . . he permitted a star to sing two principal roles in one day . . . and with overwhelming success. Eleanor Steber sang a leading role in Mozart's "Così Fan Tutte" last Saturday afternoon and the demanding role of "Desdemona" in "Othello" by Verdi in the evening. Singers are people who must be in good health, so Miss Steber, who wanted to sing the two roles, could stand the strain. Now that she has set a precedent, perhaps others who have probably wanted to do this will get an opportunity.

Since school teachers are underpaid in comparison to other professions in business and there is so much publicity attached to the present state of affairs, it seems timely to add that many people in the music profession are forced to do other work to make ends meet. Until such time that the public is educated with regard to the teaching profession in all its branches there cannot be adequate advancement.

Some time ago we had a visit with Miss Lillian M. Hendrie, one of the grandest people and a former principal of the Montreal High School for Girls. She had written a very beautiful letter (that I am proud to possess) and invited me to come to see her. (The only school I attended was Montreal High from kindergarten.) Miss Hendrie informed me she had followed my career closely since school days and naturally during the afternoon we drifted into the subject of "Teaching". She showed me a dedication made by a principal of some college (I do not recall his name) when writing a Treatise on Education. I copied it down, and think it speaks for itself and is especially suitable for publication at this time when there is such wide-

spread controversy on the subject of education.

"TO THE MEMBERS OF THE MOST RESPONSIBLE, LEAST ADVERTISED, WORST PAID, AND MOST RICHLY REWARDED PROFESSION IN THE WORLD."

Protection Chart For Vegetables

The 1952 vegetable and fruit protection charts published by the agricultural chemicals department of Canadian Industries Limited are now ready for distribution. They may be obtained from the department's district offices in Halifax, Montreal, Toronto and Chatham, Ont.

Available in Maritimes, Ontario and Quebec (English and French) editions, the charts contain useful information on the control of vegetable and fruit-destroying insects and diseases. Full-color illustrations identify the most common pests and recommendations are given as to the best pesticides for their control.

ALLERGIC TO WHAT?

Allergy was once an almost unknown word except to medical men and its meaning differed somewhat from that of today's popular subject of conversation. Many people are sensitive or have some reaction to substances that are normally harmless, that is, they are allergic to these substances, and this sensitivity may take the form of skin rash or eruption, "hay-fever" or an asthmatic condition. The trouble may lie with something that is eaten, inhaled or touched. To discover just what the allergy is, the doctor may have to make a number of tests and, when the offending substance is identified, he will prescribe treatment that may remedy or at least alleviate the condition.

I know not what course others may take, but, as for me, give me liberty or give me death.

Patrick Henry

Pictured above is the Y.M.C.A. Senior Gymnastic Team which is expected to show strongly in the coming Eastern Canadian Championships to be held in Montreal. Owing to the death of the King, the meet was postponed from February 8

and is tentatively set for March 8. Left to right are—John Cooper, Westmount; Gordon Mather, International; Jack King, Central; Len Mather, Internations; and Don LeClair, Westmount. The team works out twice weekly at Westmount

Depicts India's Progress Since Independence In '47

The troubles which have arisen since the Indian people received independence in August, 1947, was described to Westmount Rotary Club members by M.G. Dharmaraj, general secretary of the Y.M.C.A. in Nagpur, India, on Wednesday.

Mr. Dharmaraj described his own attitude to the situation as being that of the common man, and pointed out that he was not on either side of the fence, since the two opposing factions are Hindu and Moslem.

When independence was granted in 1947, the nations split into India, with 300 million Hindu citizens, and Pakistan, with 100 million Moslems. Of the eighty independent states ruled by sultans, only one failed to unite with one or the other nation.

This was Kashmir, which, because its people are ninety percent Moslem, was expected to join Pakistan. When it remained independent, Pakistan sent "tribesmen", or nomads, into the Kashmir territory to plunder, burn and commit dreadful atrocities on the people. Kashmir appealed to India for aid, and Indian troops moved in to push the tribesmen back to the Pakistan border.

With Indian and Pakistan troops facing each other, a U.N. commission was appointed. But, stated Mr. Dharmaraj, the commission and others which followed it have so far refused to name Pakistan as an aggressor.

When Pakistan is declared an aggressor and forced to withdraw her troops from Kashmir's borders, India will remove her forces and the Kashmir people will vote in a plebiscite to decide which nation they wish to join.

Pakistan, with one-fifth the

population of India, has one-half of the peninsula's arable land and many of its raw material crops. But development programs are now being undertaken which are expected to make India a self-supporting nation by 1957.

There are enormous problems of disease, illiteracy, and food shortage in India today, the speaker said, and communism breeds in such ground. But the British left behind them a solid basis for building democracy there.

The Indian people cherish the democratic principles of freedom and stability. Over 175 million have already voted in the first general election. They cannot declare themselves as to foreign policy because they are not equipped to fight a war. But in time of crisis India would be a vital bastion for the Western democracies in Asia, Mr. Dharmaraj concluded.

The speaker was introduced by Norman Millington, secretary of the Westmount Y.M.C.A., and thanked by P. Delgado.

Y.M.C.A. Meeting Set Wednesday

The 40th annual meeting of the Westmount Y.M.C.A. will be held next Wednesday evening at 6:00 p.m. in the Y.M.C.A. at 4585 Sher-

Memorial Service At Synagogue

Rabbi Samuel Cass, President of the Board of Jewish Ministers of Greater Montreal, has announced that one city-wide Jewish Memorial Service for his late Majesty, King George VI, will take place on the national day of mourning, Friday February, 15, at the Shaar Hashomayim Synagogue, Cote St. Antoine Road, Westmount.

The service will begin at 11 a.m. with the participation of the entire Rabbinate of the city and with representatives of national and local Jewish organizations in attendance.

brooke St. W. Following a brief business meeting at which time the various reports will be submitted and the new Board of Management will be announced, supper will be served.

Guest speaker for the occasion will be Mr. M. G. Dharmaraj, General Secretary of the Y.M.C.A. in Nagpur, India, who is visiting the city. Mr. Dharmaraj has spoken to many groups since his arrival here a short time ago and has been acclaimed a most interesting and gifted speaker. Special entertainment is plan-

(Continued on page 4)

St. Andrew's Plan Oratorio Feb. 18

The modern oratorio "The Pilgrim's Progress" by Robin Milford, the greatest living British composer, will be sung by the choir of St. Andrew's Church, Westmount, under the direction of Phillips Motley, on Monday, Feb. 18, at 8.15 p.m.

John Bunyan's immortal allegory is the subject of the work, tracing the journey of Christian from the City of Destruction to the Celestial Heights, with all the manifold adventures which befell him in the way.

Soloists will be Henry Gosham, tenor, John Grant, baritone, Ellen Reynolds, soprano, and Hope Wright, contralto. An introductory reading from "The Pilgrim's Progress" will be given by the Rev. D. M. Grant, minister of the Church.

The collection on this occasion will be devoted to the British Organ Restoration Fund of the Canadian College of Organists. Taking Coventry Cathedral as a symbol of all the bombed churches of Britain, the College has been seeking since 1943 to raise \$30,000 towards the new organ. Already some \$24,000 has been remitted to Coventry and vigorous efforts are being made by the College Centres across Canada to bring the Fund to its completion this year.

MILITARY WHIST

Queen's Home and School Association is holding a military whist in Queen's School Gymnasium, 208 Olivier Avenue, Westmount, on Friday, February 22nd, at 8.15 p.m. Players are requested to supply their own cards.

The proceeds will be used to continue support of the lunch room, to defray expenses of athletic activities and many other causes on behalf of the children's welfare.

(Continued from Page 3)

ned for the supper period and a full evening of program will follow the meal. The Square Dance Club will hold their regular Tuesday session that night so that people attending the annual meeting will have a chance to get in on their weekly fun. At the same time the Westmount "Y's" Young Men's basketball team will be playing host to Georgian Juniors, while the swimming pool will be available to all who wish to swim.

It has been pointed out that all members and friends of the Association are cordially invited to attend the full evening.

TIMELY TOPIC

Paramounts "Thunder in the East" starring Alan Ladd, Deborah Kerr, Charles Boyer and Corinne Calvet, is a story of modern day upheaval in India with one of the screens most dramatic and action-packed climaxes ever staged.

Wolk, Mr. Ivor Kursbatt. Committee in charge: Miles Wisenthal, Harold Prinsky, Mrs. Josef Aron, Mrs. Joseph Bambiger, Mr. Nathan Izenberg.

In Observance of Jewish Music Month

At the service, Friday evening, February 15 a special musical program composed of the works of Heinrich Schalit and Julius Chayes will be rendered by Cantor Otto O. Staeren and an augmented Temple choir under the direction of Mr. Phillips Motley, B.A., Mus. Bach., Temple Organist and choir-master.

With Our Sisterhood

Chairman of New Committees: Mrs. Richard Kramer, Chairman, Emergency Relief; Mrs. Joseph Bambiger, Chairman of Peace and Human Relations Committee. A delegation of Sisterhood women attending the inter-faith meeting of the Unitarian Church Women's Alliance on February 13 will be the following: Mrs. Harry Joshua Stern, Mrs. Leonard Blank, Mrs. Charles Goldstein, Mrs. Irvin Gertsman, Mrs. Alfred Grossman, Mrs. Louis Goodman, Mrs. Dagobert H. Lisser, Mrs. George Hollinger.

The following ladies have arranged the Institute Luncheon held for clergy and educators on Monday, February 11 — Mesdames Paul Putziger, Nathan Izenberg, Joseph Bambiger, Ben Smiley, Asher Gerstenfeld, Dagobert Lisser, Louis B. Goodman, Albert Simon, George Hollinger, W. N. Carin, Jack Freedman, All Bergen, Harry Engels, Ben Yates, Joseph Pardo, John Newman, Lawrence Marks, E. T. Garfinkle, Harry Bornstein, Harry Joshua Stern, Alfred Grossman, Reuben Ginsberg, Ivan Kursbatt, Gaston Albright, Irvin Gertsman.

These Blessed The Lights

Friday evening, February 1st Mrs. William Gittes and Mrs. Lawrence Marks. February 8, Mrs. Irving Bordo.

With the Temple School

Assembly, Saturday morning, February 16, Class IX in charge. Special program in observance of Brotherhood Month. Every member of high school department and junior congregation urged to bring a non-Jewish friend as guest on this Sabbath to the Assembly and to Sabbath worship.

Feast of Purim which occurs on Monday, March 10th, will be observed with special program in the school on Sunday, March 9th and on Sunday, March 2nd. Students of the high school department are writing their own musical and the pupils of class III of the junior school are preparing a dramatic performance entitled "The Merry Masqueraders." Mr. Arthur Weinthal in charge of dramatics, Mr. Efram Rosenweig, director and Mr. William Lightstone in co-operation with the teaching staff are in charge of the plans for the Purim celebration.

Sabbath Inter-faith Service

The guest preacher on Friday evening, February 22nd at 8:15 o'clock will be the Rev. Dr. Lloyd Smith, minister of the Dominion Douglas Church. The Unitarian Church choir will be associated with the Temple choir in rendering the musical program. Dr. Harry J. Stern, Rabbi of the Temple will preside. This service is held annually in observance of Brotherhood Week.

Chairmen Temple Committees Seating — E. T. Garfinkle; Public Relations — Dr. H. J. Stern; House — Herman Tower; School—

Jack Garrick; Ritual and Choir — Nathan Bing; Ushering — Francis Beck, H. H. Lewis, Joseph Cooper; Cemetery — George Hollinger; Membership — Garner Bornstein; Special Finance — Mr. Samuel Paperman; Hospitality — Colin Spiegel; By-laws — Lawrence Marks; College and Union — William Gittes; Seventieth Anniversary — Hyman Grover.

Woman Submits Poem In Remembrance Of King

"If There Be Mourning".
If there be mourning let it be for us who have fallen short of the ideals and duty to mankind as lived by courageous King George VI.

The following poem, "Death be not Proud", was written in the seventeenth century by John Donne of London, England.—Any poem by Donne must be read carefully and slowly and aloud; not merely because it is closely written but even more because a man must be heard saying the words — saying them with an almost insane emphasis in a voice that is unlike other voices— before their full meaning is gathered.

That full meaning at its best is beyond all but what the greatest can give us. It is a fitting epitaph to the late King George VI. Although he did not write the poem, but by his life and fine example of manhood, he has ingrained it upon our hearts.

"Death be not proud, though some have called thee Mighty and dreadful for thou art not so;
For those whom thou think'st thou dost overthrow Die not, poor Death, nor yet canst thou kill me.
From rest and sleep which but thy picture be,
Much pleasure, then from thee much more must flow;
And soonest our best men with thee do go—
"Rest their bones and souls delivery!
Thou'st slave to fate, chance, signs, and desperate men,
And dost with poison, war and sickness dwell
And poppy or charms can make us sleep as well
And better than Thy stroke, Why swell'st Thou Then?
One short sleep past, we wake eternally
And death shall be no more: Death Thou Shalt die!"

Never before in the annals of English History has there reigned a sovereign whose full impact of his spiritual force was so fully

made a reality of the symbol of "The Crown".

Stout hearted King George VI — Defender of the Faith — gave God the glory! — He now sings a nobler, sweeter song that shall never lose its power, till all the nations bring forth the "Royal Diadem" and Crown Him Lord of all.

Mrs. T. W. Deachmon

Sympathy Appeal Urged For Blind

A brief appeal for public sympathy toward those who carry white canes was delivered to the Westmount Rotary Club on Wednesday by John Rowe, of Canadian Council for the Blind, who was a guest at the Club's regular meeting.

Mr. Rowe stated that the idea of special coloring for canes carried by the blind originated in Bristol, England, in 1917. The white cane is a badge of honor, he said, because it marks a person who is trying to take his place in the community and to live a full, active life.

He appealed to the public to assist the blind, especially in traffic or on the sidewalk.

Military Whist Planned By 'Y'

Queen's Home and School Association is holding a military whist in Queen's school gymnasium, 208 Olivier Ave., Westmount (first street west of Greene first above St. Catherine Street) on Friday, February 22, at 8:15 p.m. Players are requested to supply their own cards.

The proceeds will be used to continue support of the lunch room, to defray expenses of athletic activities and many other worthy causes on behalf of the children's welfare.

Largest Business Reported In 1951 By Sun Life

New life insurance business amounting to \$461,700,000 was sold by the Sun Life Assurance Company of Canada during 1951, the largest amount reported by any Canadian life company. Benefits paid by Sun Life during the period stand at an all-time high, amounting to \$125 million, the equivalent of \$490,000 for each working day. Total benefits paid since the first Sun Life policy was issued in 1871 now stand at \$2,486 million. George W. Bourke, President, in the 81st Annual Report released today, also announced a further increase in policyholders' dividends arising out of improved interest earnings on the Company's invested assets — in 1951 3.70%, compared with 3.61% in 1950, 3.48% in 1949, and 3.30% in 1948.

Highlights of the Report include an increase in total life insurance in force of \$340 million during the year, bringing the total to \$4,801 million. Group insurance included in this figure amounts to \$1,254 million, an increase of \$168 million, or 15.5% over the amount in force at the end of the previous year. Annuities to individuals or through Group pension plans provide for immediate or future payments of \$104 million per annum. The proportion of insurance and annuities in force in the various countries where the Company operates is as follows: Canada 42%; United States 37%; Great Britain 12%, and 9% elsewhere throughout the world.

Assets of the Sun Life increased in 1951 by \$68 million, total assets now standing at \$1,666 million. Of this increase, the greater portion has been invested in industrial bonds and mortgages, the latter mainly home building.

Referring to the Government schemes for the provision of limited pensions in old age, Mr. Bourke said that a national security benefit of this kind need not interfere with the continuing progress of life insurance, but served to emphasize the desirability of the practice of thrift which helped people to provide for themselves. However, he added that the conduct by governments of business in competition with the life companies is not a proper function of government. The life companies, he said, have demonstrated their ability to serve the public well. It is not just change that Canada leads the world in insurance in force as a percentage of national income; namely, 110% in Canada, against 98% in the United States. Mr. Bourke believes that following the introduction of an old age pension scheme in Canada, it seems unnecessary for the Government to sell annuities, particularly on a basis which costs the taxpayers money.

Mr. Bourke, reviewing the favourable position of Canada in the world today, said that the country is in the midst of a great expansion, with current output higher than at any time in its history. Canada is developing its natural resources, constructing new plants and providing new machinery at a rate not exceeded by any other industrial country. The national income of Canada has risen to record levels. The basis for this prosperity is found largely in our ability to export goods and services in substantial volume and to increase capital equipment and productive capacity. At home and abroad, confidence in Canada's future is unbounded. Many people living outside Canada have invested substantial funds in this country's prosperity. Last year alone, the amount may well have exceeded \$600 million. However, over 85% of our capital expansion last year was financed within Canada, and in this respect, life insurance funds played a prominent part.

In recent years the roller type of paint applicator for walls has gained wide popularity.

Sun Life of Canada Cuts Cost of Insurance by Policy Dividend Increase

Also Holds 1951 Canadian Company
Record With \$461 Million New Business

The announcement of a further increase in policyholders' dividends, reducing insurance costs; an all-time high in benefits paid; the largest volume of new life insurance issued by any Canadian company in 1951 — over \$461 million; and a new record in volume of total assets which now stand at \$1,666 million, are among the highlights of the 81st Annual Report of the Sun Life Assurance Company of Canada just released by George W. Bourke, President.

In commenting on the continuing favourable trend in policyholders' dividends, Mr. Bourke said that any permanent improvement in interest earnings on the Company's assets brings about a reduction in the cost of insurance. The interest rate earned during 1951 was 3.70% as compared with 3.61% in 1950, 3.48% in 1949 and 3.30% in 1948.

The 1951 Report of Canada's leading life company reveals that over the twelve month period more than \$1,800,000 of new business was received for each working day, the final total being an increase of more than \$20 million over the previous year.

A SOCIAL INSTITUTION

Mr. Bourke described the Company as a social institution in its function of distributing payments to beneficiaries in the form of death benefits, or to living policyholders in the form of retirement benefits and annuities. In 1951, a total of \$125 million was paid out for these purposes, including \$35 million to beneficiaries of deceased policyholders, \$16 million under annuity contracts, \$36 million for maturing endowments, and the balance in dividends to policyholders, disability benefits, etc.

Since the first Sun Life policy was issued in 1871, total benefits paid to policyholders and beneficiaries have amounted to \$2,486 million.

INSURANCE IN FORCE

The total Sun Life insurance in force at the close of 1951 was \$4,801,000,000, an increase during the year of \$340 million. Annuities now in force provide immediate or future payments

to individuals or through Sun Life Group Pension plans to the amount of \$104 million per annum. In discussing the continued progress of the Company, Mr. Bourke referred particularly to the ever-expanding services of its Group business, pointing out that the Sun Life was the first Canadian company to write Group insurance. He stressed the increasing importance attached to this form of collective protection by employers and employees alike, men and women in all walks of life, many of whom would not otherwise enjoy the benefits and security which life insurance provides.

Total Sun Life Group insurance in force now stands at \$1,254 million, an increase of \$168 million during 1951.

The assets of the Company increased over the twelve month period by \$68 million, to reach a year-end total of \$1,666 million, an all-time high figure.

NEED FOR LIFE INSURANCE

Mr. Bourke mentioned the advancement of medical science and its effect on improving the mortality rate but he emphasized the necessity for life insurance by pointing out that in all companies, 30% of the death claims are paid on policies in force less than ten years, and 5% on policies less than one year in force. More than 50% of all deaths among Sun Life policyholders are due to heart disease, which is not necessarily a disease of old age. It kills and cripples thousands of children and tens of thousands of the young and middle-aged.

The key message of life insurance, said Mr. Bourke, is thrift. Life insurance combines protection with saving. Without the spirit of thrift and of self-reliance which life insurance has fostered over many decades, it would be difficult to imagine what the present state of our national economy would be.

A copy of the Sun Life's complete 1951 Annual Report to Policyholders, including the President's review of the year, will be sent to each policyholder or may be obtained from the Head Office in Montreal or from any of the branch, group or mortgage offices of the Company from coast to coast.

Canadian Education

A Time to Clarify Your Thinking
on a Vital Subject

Education is everybody's business. This is the watchword of Education Week, which will be observed throughout Canada between March 2 and March 8.

The purpose of Education Week is to encourage Canadians to examine their educational system, discuss it, and help in its development. Criticism by parents, ratepayers, and teachers, provided it is sincere and based upon accurate information, can make a very valuable contribution to our schools, our teaching methods, and the effectiveness of education in today's changing world.

In these days of high taxes for defence

and social security, and a steadily climbing cost of living, it is easy to fall into the dangerous state of taking education for granted. The danger of this can be seen when it is considered that only 55 per cent of all Canadians today have more than eight years of schooling.

Education Week is a time for every citizen to clarify his or her thinking on the real purpose of education — to focus the spotlight on all its aspects and to strengthen the bulwark of our democracy.

The interest, ideas, and active participation of every citizen are vital to the improvement of education in Canada. The home, the church, the school, the farm, industry and commerce, management and labor, all have responsibilities to meet in this continuing process.

Supporting Canadian Education Week are such organizations as the Canadian Association for Adult Education, the Canadian Chamber of Commerce, the Canadian Congress of Labour, the Canadian Federation of Agriculture, the Canadian Home and School and Parent-Teacher Federation, the Canadian Legion B.E.S.L., the Canadian Manufacturers' Association, the Canadian Teachers' Association, the Canadian Education Association, the National Council of Women, and the Trades and Labour Congress of Canada.

Yes, education is truly everybody's business.

Kingship

By Rev. Canon R. Kenneth Naylor,

Our country stands in reverent sorrow at the passing of a Sovereign who has won for himself the love and the respect of all his people. Few kings have come to the British Throne in more than unusual circumstances, with so little previous expectation of that great burden. Others have had handicaps, he had a speech defect that made public life a very great strain to him. With it all, through sheer honesty and uprightness of character he won his way, and without any reserve we mourn his loss.

Let us consider what we mean by Kingship. In the first place it is authority, for no man can take this office to himself. In our case it is the authority of descent from the ancient Kings of Wessex. In the second place it is obligation, for a man duly called to this office refuses it on the peril of his soul. Those we may call the outward characteristics of Kingship. But what are the marks that we demand of a king who has been duly called?

First, we look for modesty. The position itself is so lofty, that it should humble rather than exalt the holder. We expect him to exert authority, but not to put himself forward.

Secondly, we expect courage. We no longer expect the King to lead his own troops in battle or to serve as admiral of the fleet. George II was the last English king who commanded his own troops on the field. But there are situations in life and in politics which call for no less courage than in the field — the courage to face strange situations, the courage to stay in London to be bombed with the rest of the citizens, the courage to take an unwanted burden of office.

Thirdly, we look for sincerity; for the character that will make word and deed consistent with one another; that will say and do the right thing, day in and day out.

Fourth, we look for self-denial; for the character that will pursue a line of duty in the face of ill

health and distress of spirit. And most important of all, and tying all together in the bundle of life we look for a man who is not ashamed to serve God in his private and his public life.

When that has been said we realize that we have simply set down King George's character as we have seen it for ourselves, for his life has been clear for all to see. He inherited a great tradition, he has passed on that tradition unimpaired, he has raised a standard for his people and for his like-minded daughter to follow.

GOD SAVE THE QUEEN!

Church of the Advent

On Friday, February 15, at 9:30 a.m., a Solemn Requiem will be celebrated for the repose of the soul of our late beloved King, George VI. Choristers and servers will be on duty.

There will also be a requiem at 8:00 a.m. in the Lady Chapel.

Dr. Johnston Will Preside.

Christian Science

"Soul" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday, February 17, 1952.

The Golden Text is from Psalm 35.

"My soul shall be joyful in the Lord: it shall rejoice in his salvation."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:

"And when Jesus departed thence, two blind men followed him, crying, and saying, Thou son of David, have mercy on us. And when he was come into the house, the blind men came to him: and Jesus saith unto them, Believe ye that I am able to do this? They said unto him, Yea, Lord. Then touched he their eyes, saying, According to your faith be it unto you. And their eyes were opened." (Matthew 9).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies

Attend the Church of Your Choice Regularly.

Westmount Baptist

Evangelism and Life Service. This will be the theme of four great Services held in Westmount Baptist Church, under the auspices of the Young People's Union and led by Rev. Joseph Richardson, B.A., B.D., who is a virile young man with an out-spoken, challenging message for young man and young women.

Mr. Richardson, who does not mince his words but speaks with the kind of authority that carries conviction to his hearers, is pursuing graduate University Studies before returning to India to meet the growing challenge that this Country constantly presents to Christian Missionaries.

The Series will begin on Saturday Evening with a great gathering of Young People in the Lower Assembly Hall. This part of the Programme will be under the direction of the Baptist Young People's City Executive of which the President is Mr. Sidney G. Simpson. On Sunday the Young People of Westmount Congregation will sponsor, not only the regular services at 11 a.m. and 7:30 p.m., but

and giving a better understanding of Soul and salvation. Sight, hearing, all the spiritual senses of man, are eternal. They cannot be lost. Their reality and immortality are in Spirit and understanding, not in matter,—hence their permanence." (Pages 210 and 486.)

In The Women's Realm

Whist

The Next-of-Kin Association will hold a military whist, Monday, Feb. 18, at 8:15 p.m. prompt, in "Moose" Hall, 1175 Drummond Street. Please bring own playing cards. To get in touch with the secretary phone UN. 6-2316.

Karnak Ladies' Club

Karnak Ladies Club will hold a social afternoon on Tuesday at 2.45 p.m. Mrs. J. W. Buckland, president will preside. There will be a program of music carried out by members under the chairmanship of Mrs. E. D. McIntosh. Members are invited to bring guests. Tea will be served by Mrs. T. Prince and her committee.

Isabel McConnell

The monthly meeting of the Isabel McConnell Auxiliary, Evening Department, W.M.S., will be held in Franklin Hall Memorial, on Monday at 8.15 p.m. Mrs. Frank Binmore and Mrs. D. S. Brooker will introduce and review the first chapters of the new study book, "Meet the South Americans", and the Devotionals will be taken by Mrs. D. S. Penton.

Retarded Children

The public is invited to attend a meeting on Wednesday, Feb. 20, at 8:15 p.m. in the foyer of Montreal High School, University Street, when the Association for the Help of Retarded Children Inc., will hear Mrs. Mary B. Cardozo, Director, Speech Clinic, Children's Memorial Hospital, give a talk on the topic "Language and Mental Health."

Queen Elizabeth W.A.

The Woman's Auxiliary of the Queen Elizabeth Hospital (formerly the Homoeopathic), of Montreal, will meet in the Memorial Hall, Northcliffe Avenue., on Wednesday, February 20, at 3 p.m. Miss Kathleen Dickson, of the Montreal School for Nursing Aides, will be the guest speaker. All members are requested to attend. The Service Group will meet at 10 a.m. to roll dressings.

Cenotaph Service

Members of the Next-of-Kin Association of Montreal are requested to assemble in the Windsor Course tomorrow, at 4 p.m., to proceed thence to the Cenotaph for the Legion Memorial Service

Shaar Hashomayim

Harvey Goldberg, son of Mr. and Mrs. J. Goldberg, will this sabbath morning be called to the Reading of the Torah in celebration of his Bar Mitzvah.

Men's Association

"Reparations From Germany?" was the subject of the discussion held at the Breakfast Roundtable Program last Sunday, February 10. Mr. R. L. Bercovitch presented the affirmative, and Mr. Saul Hayes, the negative arguments, and a very spirited discussion followed. Fruits of Israel was served in observance of Chamisha Asar Bishevat.

Mr. S. L. Kert, Chairman of the Arrangements Committee, acknowledges with many thanks the kindness of the following members who have sponsored Breakfasts to date: Dr. Harry C. Ballon, Mr. Max S. Pascal, Mr. Max Miller, Mr. E. Aaron and Mr. J. J. Block.

Institute Book Review

The Fourth Book Review Tea in the current series arranged by the Women's Institute of Jewish Studies will take place on Tuesday, February 26, at 2:30 p.m., in the Dining Room, at the Synagogue.

Youth Group

The regular Sunday morning meetings, feature discussions on topics of interest to the members, in addition to organizational business. The informal dance scheduled for last Saturday night has been postponed to a later date to be announced.

"The 20-40 Club"

Arrangements have been completed for the forthcoming Open Meeting and Public Lecture to take place on Thursday, February 28, at 8:30 p.m., in the Community Hall. The Guest Speaker will be Dr. George J. Streat, Head of the Department of Gynecology and Obstetrics at the Jewish

in honor of His Majesty, King George VI.

Card Party

Non-Pensioned Veterans' Widows Inc. will hold a military whist Ave., Friday, February 22 at 8 p.m. in the Legion Hall, 4538 Verdun p.m. There will be door and table prizes. Please take your own cards. Convenor is Mrs. M. Gallaway, 687 Fifth Ave., Verdun, YO. 1425.

General Hospital, Assistant Professor in this department at McGill University, and Chairman of the Extension Activities Committee of our Congregation. This will be the first in a series of three discussions dealing with Marriage Counselling

Junior Congregation

At the regular Sabbath morning Services held on February 2, the Chazanim were: Mark Bercovitz, Mark Shapiro, David Portigal and Stephen Goldschleger. Mark Bercovitz read from the Torah and David Fleming chanted the Haftarah. The Sedra was explained by Betty Zeissler and Rhoda Tafler gave the Benediction. The Ark was opened by Robert Cohen and Martin Lazar.

King George VI Memorialized

Special memorial prayers for the late King George were offered at the Sabbath morning services in the Synagogue last week. A eulogy was given by the Rabbi.

Scout Jamboree

King Scout David Fieldman, son of Dr. and Mrs. J. D. Fieldman, has been selected as one of the three scouts who will represent Montreal at the Caribbean Jamboree in Jamaica early in March. A Patrol Leader in our Troop and Instructor of our Wolf Cubs, Scout Fieldman has earned over twenty-five proficiency badges, including the highest honours.

Festival Techniques

Under the joint sponsorship of all our Affiliated Societies, plans have been formulated for a series of Adult Evening Sessions on "How To Celebrate Purim" and "How To Celebrate Passover." Expert instruction will be given on the background of each of these festivals, their significance, ceremonies, music and techniques of observance in the home. All men and women, particularly young parents, are cordially invited to

Miss Huguette Lafleur, daughter of Mr. and Mrs. L. N. Lafleur, and Miss Ghislaine Elie, daughter of Mr. and Mrs. Gaston Elie, both of Westmount, sailed from New York by the Brazil on Thursday, February 7, on a 42-day carnival cruise to Rio de Janeiro, Brazil. They will also visit Barbados, Trinidad, Bahia and Santos, Brazil; Montevideo and Punta delicias and South America. Mr. and Mrs. Cresswell will visit St.

Ascension Sodality Will Entertain 30 At Valentine Party

Final arrangements for a children's Valentine party were discussed at the weekly meeting of the Young Ladies' Sodality of Ascension Parish, Monday evening at St. Paul's Academy. Games, entertainment, and refreshments will be provided for 30 boys and girls who are under the care of the Catholic Welfare Bureau, tomorrow in St. Leo's Academy. Miss Jacqueline DuBois is in charge of this event.

It was also announced that Miss Mary Branswell, Associate Editor of the Ensign, will address next week's meeting on February 18 in St. Paul's Academy. Her subject will be "Catholic Press Month." Ascension Sodality was hostess to the Union of Parish Sodalities, which held its monthly meeting following that of the parish sodality's. Afterwards refreshments were served by the Social Life Committee, of which Kay Pellowe is chairman.

Este, Uruguay and Buenos Aires, Argentina.

ENGAGEMENTS

Mrs. R. A. Derick, of Westmount, announces the engagement of her daughter, Shirley Hope, to Mr. Reginald Allison Brewer, son of Mr and Mrs. Orlo L. Brewer of Notre Dame de Grace. The marriage has been arranged to take place at three o'clock on Saturday, March 8, at Queen Mary Road United Church, Hampstead.

Mr. and Mrs. A. G. Dickinson, of Trail, B.C., announce the engagement of their daughter Geraldine Anne, to Mr. Donald Watson Munro, son of Mr. and Mrs. W. J. Munro, of Kamloops, B.C. Miss Dickinson is a granddaughter of Mrs. A. G. Racey and the late A. G. Racey of Westmount, Que. Mr. Munro is a graduate in Forestry, class of '51, from the University of British Columbia. The wedding is to take place on March 8, at Knox United Church, Trail.

APPROACHING MARRIAGES

The marriage of Mary Frances, daughter of Mr. and Mrs. John J. O'Brien, to Mr. Hermann Henry Behrens, son of the late Henry Behrens, and of Mrs. Behrens, has been arranged to take place on Saturday, February 23 at twelve o'clock, at the Church of the Ascension of Our Lord, Westmount. The bride will have as her only attendant, her sister Miss Patricia O'Brien.

Mr. Samuel H. Mislav will act as best man and the ushers will be Mr. Thomas M. Atkinson, Mr. F. Dale Bourcier, Mr. Gordon H. MacDougall and Mr. Cecil J. Nicol.

Spearman and Mrs. J. J. Swift; Press, Mrs. P. A. Parrott; Christian Stewardship and Finance, Mrs. H. K. Gorham; Christian Citizenship and Temperance, Mrs. R. G. Gilbride; Baby Band, Mrs. A.

MacGillivray Aux. Meets Allocation

The annual meeting of the MacGillivray Auxiliary of the Women's Missionary Society of St. Andrew's United Church, Westmount, was held in January and a very successful year was reported. The allocation of \$3,410 was reached, and the attendance at the meetings had increased.

Leaving Trinity Memorial Church

—Photo by Bosen
Mr. and Mrs. Arthur William Morse, photographed following their wedding on Wednesday, February 6, at Trinity Memorial Church, Notre Dame de Grace. Mrs. Morse was formerly Miss Margaret Anne Robertson, youngest daughter of Mr. and Mrs. Buchanan H. Robertson, St. Andrews East, Que., and Mr. Morse is the youngest son of Mr. and Mrs. John Morse, Notre Dame de Grace.

MORSE-ROBERTSON

The wedding of Miss Margaret Anne Robertson, daughter of Mr. and Mrs. Buchanan, H. Robertson, of St. Andrews East, Que., to Mr. Arthur William Morse, son of Mr. and Mrs. John Morse, of N.D.G., took place at noon, Wednesday, February 6, in Trinity Memorial Church, Rev. R. K. Naylor officiating. Pink carnations formed the floral decorations in the church.

The bride, given by her father in marriage, wore a ballerina length gown, with a crinoline skirt of accordion pleated nylon net, long sleeves, and a lace bodice with a

P. Christmas and Miss Elsie Dewey; Bruce Copland Mission Band, Mrs. F. L. Windsor, Mrs. D. M. Grant, Mrs. George E. Cross and Mrs. Donald Ross.

peter pan collar, a lace dutch cap veil. She carried a nosegay of white and pink roses and carnations.

Miss Enid Robertson was her sister's only attendant in a bronzed iridescent taffeta dress, with a gold feathered hat and gloves, and carrying a nosegay of talisman and tea roses.

Dr. Norman Morse was best man for his brother.

Mrs. Robertson, the mother of the bride, was in a dress of purple crepe, with a black felt hat, and a corsage of yellow carnations. The bridegroom's mother, Mrs. Morse, wore navy blue crepe with a hat of pink velvet leaves and a corsage of pink carnations.

After the ceremony, a reception was held at the home of the bridegroom's parents on Harvard avenue, where white and pink carnations decorated the house. Later the couple left by airplane for New York prior to sailing by the Gripsholm for Sweden where they will reside for a year. The bride travelled in a brown tailored suit, with dark green suede accessories, a hat of green velvet leaves and marten toned muskrat coat, with a corsage of yellow carnations.

Book Review Contest Slated For Feb. 29 At Melville Church

Canadian Association of reading clubs is holding an oral competition on Friday, Feb. 29, at 8.15 p.m. at Melville Presbyterian Church Hall, 349 Melville Ave. Entries for Book-Reviews are still being accepted by convener, Mrs. Gordon F. J. Glass.

Judge of Book-Reviews is Mr. Roderick Kennedy. Members are asked to bring guests.

Brush Party Proceeds To Help Buy Projector

On Wednesday, February 20, at 8 p.m., the Church of the Advent Sunday school teachers are sponsoring a Stanley Brush party in the parish hall.

There will be no admission charge. All proceeds will be used to augment the fund for purchasing a movie projector for the church. This is one of the objectives of the church's Diamond Jubilee Celebration.

Delta Gamma Bridge, Canasta, To Benefit Projects For Blind

On Thursday, Feb. 21, the Delta Gamma Alumnae Association is holding its Annual Bridge and Canasta in aid of the Blind, at St. Matthias Church Hall, Westmount, at 8 p.m.

The Delta Gamma fraternity project, which is international in scope, specializes in sight conservation and aid to the Blind. In Montreal, in the early 1930's, the Delta Gamma Alumnae purchased special equipment for "Sight Saving" classes held in Montreal schools. In more recent years the funds from this Annual Bridge have been used to buy "Talking Book Machines", for which the Canadian National Institute for

the Blind supplies the record books. These "books" include everything from the classics to fiction and leading magazines, and are loaned out to blind people. The Delta Gamma Alumnae Association has donated approximately 20 of these machines to the Canadian National Institute for the Blind. Tickets for this event will be on

sale at St. Matthias Church Hall that evening. Tickets may also be obtained from Mrs. R. L. Grout, President of the Delta Gamma Alumnae Association, or from Miss Maryellen Rossiter, convener. There will be numerous door prizes awarded to the holders of lucky tickets. Refreshments will be served.

To give the skin an occasional pickup, try a facial mask. Apply the white of an egg to the face and neck. Let it dry thoroughly and then rinse off with cold water.

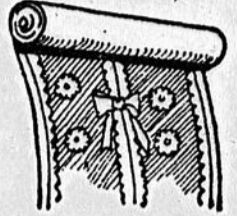

Spring Fabrics

I think that the nicest thing about the coming of Spring is the fact that we can look forward to taking off our heavy winter clothing and don our new Spring outfits . . . sewn from fabrics from

CROFT'S FABRIC CENTRE. Somehow it gives us a wonderful feeling of accomplishment . . . especially when we're economizing on the family budget, and are "sewing our own to save." CROFT'S FABRIC CENTRE . . . the only fabric shop in Westmount . . . has the finest collection of exquisite Spring fabrics. Why, there are beautiful imported and domestic fabrics . . . the ever-popular Tootal fabrics . . . a galaxy of gay prints . . . sheers, rayons, velveteens and corduroys. And, really, I am sincere in saying that I have never seen so many beautiful fabrics congregated under one roof . . . and at prices we'll all find very modest, and of course, easy on the budget! In addition to all the lovely fabrics that I have talked about, CROFT'S can supply you with Butterick patterns, giving you the season's latest fashion trends . . . knitting wools . . . and so many other things that will help make your home sewing a success. And, did you know that CROFT'S is the Montreal agent for Grace Knott Smocking Supplies? Yes, you'll find all your smocking needs at Croft's. So don't delay, get off to a good start by sewing your Spring and Summer wardrobe now . . . for you and your family. The beautiful and wonderful array of fabrics at CROFT'S is something wonderful to see! CROFT'S FABRIC CENTRE — located at 361 Victoria Avenue — WA. 8416.

Wallpapers

There is something about wallpaper . . . and only wallpaper that brings out the full beauty of the furniture and furnishings in your home. With wallpaper, everything takes on a new loveliness, a warmth and a distinctive personality that it didn't have before. There is something too, in selecting your wallpapers from an establishment that deals in wallpaper and wallpaper only! Yes, when you choose your wallpapers from the wide variety at hand at the WALLPAPER SHOP, you can be sure of finding just what you want . . . fashions for dramatic room contrasts or delightful room-to-room harmony . . . and because prices there range from fifty cents and upwards, you will find that they will very easily fit in to your own particular budget needs! Then again, you will enjoy visiting the WALLPAPER SHOP . . . and you will enjoy shopping in the quiet, unhurried atmosphere of its private showrooms . . . located downtown, but very central for all! You will find that there is an authoritative staff with many years of experience in the business ready to serve you . . . ready to assist you in achieving the colour schemes you desire — co-ordinating wallpaper colours with rugs, draperies and furniture. At the WALLPAPER SHOP you will find the latest wallpaper fashions — a wide assortment of Canadian and American papers, with matching draperies . . . scenic, hand-print wallpapers with fabrics to match . . . plastic wallpapers which will retain their original colour through at least a hundred soap and water washings . . . general purpose papers in many styles for every room in your home. So take my advice and plan now to see the exciting new wallpapers at the WALLPAPER SHOP. Make a point of seeing the wide variety for yourself. For whatever wallpaper you desire, you can be sure you will find it at the WALLPAPER SHOP — 1410 Stanley Street — Suite 301 — LA. 9594.

Postponements of Events

Valentine Bridge

Owing to the death of His Majesty King George VI the Valentine Bridge of the Trinity Memorial Churchwomen's Year has been postponed until Tuesday, February 19, at 2.30 p.m., in the Church Hall, Marlowe and Sherbrooke Sts. The Women's Auxiliary will have a table of home cooking.

Valentine Dance

Owing to the death of His Majesty, King George VI, the annual Valentine Dinner and Dance of the Queen Elizabeth Hospital, which was to be held Friday evening, February 16, in the Ball Room of the Ritz Carlton Hotel, has been postponed until Friday, March 21.

Westmount Club

The Westmount Women's Club Valentine Bridge which was postponed owing to the death of His Majesty the King, will take place on Tuesday, Feb. 19, at 2.30 p.m., in Victoria Hall.

Members and guests will be welcomed by the President, Mrs. J. C. McKean and Mrs. Herbert C. Holland, chairman of the day. Tickets are available from Mrs. Holland, WI. 1581.

Tea will be served by Miss F. Ewing and committee.

Stanley W.A.

Owing to the death of His Majesty, King George the Sixth, the Valentine Luncheon, which was to have taken place on Thursday, February 14, in Franklin Hall Memorial, was postponed for one week, and will be held on Thursday, February 21st, at 1.15 p.m.

The Women's Association of Stanley Presbyterian Church has been fortunate in having secured Mrs. A. J. Turnham, as the guest speaker for the luncheon. Her subject, "The Romance of the Fur Trade," should be particularly interesting to all.

Tickets which were purchased for the luncheon on February 14th can be used for the luncheon on

the 21st, and additional ones can be procured from any member of the executive of the Women's Association, or by telephoning to EL. 9954.

Silver Cross Whist

A military whist sponsored by the Silver Cross Woman of Canada will be held on Tuesday in the Legion Hall, 1463 Prefontaine Street, Maisonneuve, at 8 p.m. sharp.

Table and door prizes will be given. Players please bring own playing cards.

(Verdun High School)

GEOGRAPHY AND HISTORY (PART II)

Older readers will recall "bounding" countries, learning interminable lists of products, and being required to locate every cape on the Atlantic coast from Cape Race to Cape Horn. Political units only were studied, either country by country, or province by province. History consisted of the memorization of great lists of battles, kings, and dates. Undoubtedly such procedures caused the widespread dislike of these subjects among so many adults today. The modern pupil has less reason for such antipathy. It is now recognized that history and geography are primarily concerned with human life. The young child learns "home geography" — that is, the geography of his home locality. He acquires a knowledge of the simplest land forms, water forms, phenomena of climate, categories of vegetation, the structure and use of simple maps, etc. This is a prelude to the later study of "regional geography". Canada is no longer studied by provinces, but by regions. A region may best be defined as an area in which geographic conditions are similar. Such an approach makes it possible to study even a continent like Europe whose political map has been so largely torn to shreds.

Closely related to regional geography is "human geography". Briefly, this involves a study of the culture and way of life of the people of a region. National differences are minimized as the pupil learns, for example, that the Norwegian fisherman has a way of life essentially similar to that of the Nova Scotia fisherman. He learns that his own country is not the centre of the world — that, on a spherical earth, the Eskimo, or the Polynesian, is, after all, as much at the centre of things as he himself. In senior high school, "economic geography" is stressed. A study is made of the natural resources of various countries and of the distribution of such resources. Within each country, major industries and commercial activities are noted.

History in the elementary grades is presented largely in learning of the famous persons story form. The pupil begins by and events associated with our own Canadian history. British history is then studied for two years. Another, more formal course in Canadian history is offered in the ninth grade. In the senior high school, world history is traced to modern times. History, like geography, has been humanized. Less stress is placed on the purely political aspects. The pupil learns how people of the past lived, and what they thought and accomplished. Methods of teaching the "social studies" have changed. Projects such as map making, compiling of scrapbooks, and museum tours are now accepted practice. Every effort is made to keep up to date, and it is not unusual to draw an item for the day's lesson from the morning paper. Pupils are encour-

Women's Club To Hear Westmount Librarian

MISS KATHLEEN JENKINS

Westmount Women's Club general meeting will be held on Friday, Feb. 22, at 2.30 p.m. in Victoria Hall. The speaker will be Miss Kathleen Jenkins of Westmount Library, whose subject will be "Let's look at Books".

Songs will be rendered by members of the Westmount High School Glee Club, conducted by Mr. Gifford Mitchell, B.A., Mus. Bac. Refreshments will be served by Miss F. Ewing and the Hospitality Committee.

Head Table Guests American Women's Club Charter Day Luncheon

The American Women's Club Charter Day Luncheon will be held on February 19, at the Ritz Carlton Ball Room at 12.30 p.m. Mrs. Eve Trill, of Henry Morgan & Co., Limited will direct a spring fashion show for the pleasure of members and guests. However, due to the recent death of His usual formalities will be omitted.

Head Table Guests are: Mrs. J. B. White, President; and officers, Mrs. Alan Chippindale, Mrs. F. D. Ackman, Mrs. John C. Westaway, Mrs. Claude R. Blake, Mrs. F. E. Holland and Mrs. W. J. Pead, also the past presidents, Mrs. Wm. H. Roe, Jr., Mrs. Perley E. Pope, and Mrs. E. B. Luke as well as invited guests: Mrs. A. J. Gilbride, Miss Ann Silver, Mrs. M. J. Saunders, Mrs. J. R. Beveridge, Mrs. R. Freeman, Mrs. H. W. Reynolds, Mrs. T. J. Delgado, Mrs. K. E. Norris, Mrs. Gordon Smith, Mrs. N. Smith, Mrs. Chas. Keene, Mrs. S. T. Preston, Mrs. Elmer Lyons, Mrs. L. L. Bishop, Mrs. A. C. Stewart, Mrs. J. C. McKean, Mrs. L. B. Fuller, Mrs. Quentin Bovey, Miss J. Bovey, Mrs. Helen Guiton and Mrs. W. W. Timmins.

Zonta Club

Zonta Club of Montreal will hold a meeting on Tuesday at 8.15 p.m. in the Ciba Building, 1235 McGill

aged to read beyond our excellent, well-illustrated textbooks. Modern aids such as the motion picture and the radio are widely used. The writer recently exhibited a picture of Congo life to a high school class. Meaning and substance were at once given to what had been a routine textbook discussion. By such means, the pupil's knowledge of and interest in history and geography may be enhanced.

List Ticketholders For Westmount Club Valentine Bridge

Some of the ticket holders for the Westmount Women's Club Valentine Bridge are: Mesdames A. A. McNiece, John A. Burns, C. F. Gardner, C. W. Williams, A. E. Wilkinson, Edward Foster, Frank Binmore, H. B. VanEvery, F. W. Bryce, R. H. Switzer, R. E. Guy Smith, John Applin, G. T. Blair, J. G. Birnie, W. J. Ahern, Thompson Robertson, G. E. Cheese, E. Briggs, J. S. Cameron, J. A. Cameron, C. A. Duclos, G. W. E. Harrison, G. C. Robertson, M. Hudson, A. W. Hutchings, Dalkin, G. A. Hawker, C. S. Fortier, Miss S. Gardner, Miss A. Mason, Miss E. C. Knox, Miss M. Denis, Mesdames H. D. Caswell, Eric Riel, G. Flynn, D. A. McNiece, J. B. Churchill, R. E. Bliss, Miss Edith McCarthy.

Mesdames F. Baylis, F. R. Fraser, R. B. Bremner, P. R. Holt, H. L. Blatchford, F. G. Sharpe, Miss A. T. Coleman, Mesdames J. A. Bremner, F. L. Holland, M. G. LeHain, Miss W. Mann, Mesdames J. A. Grant, C. M. Brooks, V. McFall, J. J. Wilson, George Kydd, J. W. Elcome, Miss L. E. Terrill, Mesdames M. E. Stitt, H. Goodman, C. A. Roberts, A. J. Goodenough, A. G. Munich, H. M. Shore, W. Greenlees, J. J. McCormack, A. M. Lindsay, W. C. Shore, K. Burnham, E. LeMessurier, R. Gourlay, C. D. French, Miss A. E. Mattinson, Mesdames Harold Mills, Maclean, Miss Gwen Desjardin, Mesdames R. P.

College Avenue, when a sound and color film "Timber Trails" will be shown through the courtesy of the Canadian International Paper Company. Members may bring guests. Refreshments will be served by Mrs. Josephine Martin and her committee.

C. A. C. Reports

... TAXES AND THE CONSUMER DOLLAR ...
... WHAT IS IN STORE? ...

Within the next couple of months, Canadian Government Officials will be burning much midnight oil as they labour on the figures for the new Budget. Within that couple of months the Canadian people will find out what is in store for them in the way of Defense Expenditures, Social Services, cost of Government, etc. Already talk is rife that there will be reductions in some special cases, but the old problem of the pyramiding of hidden taxes will still be with us.

It is a peculiar thing about human nature that what we don't know doesn't seem to hurt us so much. A small increase in Income Tax will bring a big outcry, but

Make-Up Cape

Attractive waterproof cape protects clothes, adds gay touch at make-up time.

The grooming of many women, who spend countless minutes applying cosmetics and arranging

many consumers know practically nothing of the hidden taxation which is helping to eat away the value of consumer dollars.

Some figures on an imported article came our way the other day. Sold in Western Canada, the United States factory or distributor's price was \$5.00. Duty of 22½ per cent raised the price by \$1.12 to \$6.12. Excise Tax at the rate of 25 per cent on the \$6.12 was \$1.53 and price was now \$7.65. The Federal Sales Tax of 10 per cent on the original price plus duty raises it by 61¢ to \$8.26. The Canadian Distributor now took his mark-up of 20 per cent to bring it to \$9.91. And the retailers' regular mark-up of 50 per cent brings the final price to the consumer to \$14.86. In the Province of Quebec, the Provincial Sales Tax would be added and in Montreal this same article would add 5 per cent Tax on the \$14.86, namely 75 cents, for a grand total of \$15.61.

This is an extreme example, as Canadian goods would not be subject to duty but the figures must give us pause to wonder — "Quo Vadis" — Whither Goest Thou? We keep on expecting more and more services from our Governments, Old Age Pensions this Year — perhaps a complete Health Service next year. These are all excellent things; our people need them but who pays for them all? Let us stop expecting Santa Claus to be around all year long and realize that nobody but ourselves must pay the bills. We all dislike Taxes, and the Taxes which we do not see don't seem to hurt us like the ones which are out in broad daylight.

The Canadian Association of Consumers would like to see all the Price Tags plainly marked with the price of the article and the amount of each stage of taxation. Of course the idea would never work — we couldn't stand the shock, and we doubt if Business and Government could either. But there should be some attempt to halt the pyramiding of tax on tax as shown in our example above. The Federal Sales Tax of 10 per cent is calculated on the original price plus the duty of 22½ per cent, Excise Tax was on cost and duty. Distributors and retailers are obliged to base their mark-ups on their own cost of the article and in this Province the Sales Tax at the Retail level applies on the whole thing.

The arguments taking place almost daily about the price of cigarettes are not really the concern of the Canadian Association of Consumers. Cigarettes, while a pleasant amenity, are not vital to life, but C.A.C. does deplore the evils which have grown out of the present high price. The matter of smoking smuggled cigarettes is one which each citizen must settle with his own conscience. Can he feel really easy on the score of thus cheating his own country and his sense of moral values?

Our "Did-you-know" Department — that the tax on electric stoves will probably be reduced when the New Budget comes out, and that this reduction will be due to continued representations made by C.A.C.?

TISSUE CONTAINER

A fancy candy box can be easily transformed into a neat TISSUE CONTAINER. Just cut a strip across the top with a razor blade, and cut out a half circle.

For an airy STORAGE BIN,

with sliding shelves, for fruits and vegetables — build 3" out from the wall. Uprights are 2 x 4 and runners 1 x 2. The sliding trays are 3" x 30" x 60". Slat bottoms are best, one inch apart for air.

The biggest little book in Canada

ONLY YOU know the personal story your bank book tells. Did you know there are 8,000,000 such bank books in Canada? Each contains information that is strictly private, each represents "money in the bank".

Your money is part of the grand total of these little books — a great pool of deposits mobilized and safeguarded in Canada's 3,700 branch banks.

Your money in the bank and that of millions like you, enables the banks to provide the credit that helps keep Canadians producing, manufacturing, marketing.

That is how you help the chartered banks serve Canadians.

One of a series by your bank

Feminine Charmers At Work

Twenty-one-year-old Suzanne Morrow, 1951, Canadian senior ladies' figure-skating champion, found herself in some difficulty on her arrival in Berlin from Munich where she had been training for the Olympic Games. The lovely skater had left her passport in Munich and is shown here "soft talking" German customs officials into being lenient with her.

"Capt. Horatio Hornblower" And "The Strip" at Monkland

In 1941, during the dark early period of World War II, Winston Churchill, at sea on board the Prince of Wales en route to an ocean conference with President Roosevelt, took a few precious hours off to read a book. It turned out to be "Captain Hornblower, R.N." And therein started a chain of events that might be said to find its climax some ten years and thousands of feet of film later in the forthcoming presentation of Warner Bros.' Technicolor spectacle, "Captain Horatio Hornblower", based on the C. S. Forester best-seller novel, and starring Gregory Peck and Virginia Mayo. The film opens Saturday till Tuesday at the Monkland Theatre.

The Prime Minister, having been gifted with the book by the English Minister to Cairo, found time shortly afterward to cable him, "I find Hornblower admirable". Many British commanders throughout that part of the world, who were able to pick up this message on their own communications circuits, were thrown into momentary consternation, lest "Hornblower" be the code name for an operation about which they had not been informed.

Follows Hero's Path

Half-way around the world, in Burbank, California, the Warner Bros. studio executives must have been equally impressed with "Captain Hornblower", for the Forester stories had been thrilling many readers the world over in many languages. These half-fact, half-fiction adventures seemed to be an embodiment of all that was great in an English sea-going officer during an era when Britannia alone ruled the waves. And Britain did have one particular seadog of long fame who was a special hero — Horatio, Lord Nelson — hero of Trafalgar, famed also for that classic signal to his fleet, "England expects every man to do his duty!"

Perhaps it was Horatio Nelson after whom Horatio Hornblower was patterned, for none of the elements was omitted, least of all the great romance which each admiral experienced with the lady of his choice.

Added Attraction

"The Strip", M-G-M musical-drama, starring Mickey Rooney

and Sally Forrest is one of the few motion pictures to have been inspired by a geographical location.

The new offering was produced by Joe Pasternak, the veteran who has given the screen such box-office successes as "The Great Caruso", "Toast of New Orleans" and "Summer Stock", to name but a few of his many hits, and is a producer who is always looking for the unusual.

"In 'The Strip' we feature the most publicized geographical section of Hollywood", he says. "It is famous for its night clubs, restaurants and film agencies. Here our stars entertain and are entertained. What better setting for a motion picture?"

In the varied night clubs lining the Strip's four-lane highway, the studios have discovered some of their most sparkling entertainers. Among those who have used the Strip as a springboard to success have been Mary Martin, Lena Horne, Connie Haines, Xavier Cugat, Martin and Lewis and, more recently, Vic Damone and Monica Lewis.

Damone and Miss Lewis were signed by M-G-M after Pasternak had seen them perform on the Strip. In his newest production they appear as guest stars, and appropriately enough are shown singing in the very night clubs in which they were discovered by Pasternak, with scenes of the pictures filmed inside Ciro's, Mocombo and Little Hungary.

RIBS TRIGGER

During production of Paramount's "Son of Paleface," Technicolor comedy in which he shares top honors with Bob Hope and Jane Russell, Roy Rogers rode around the studio on a bicycle which bore the following sign: "Forgive me, Trigger—Roy."

DANCE FAVORITE

An all-time dance favorite, the Varsoviana, is revived in George Stevens' "Shane" for Paramount, with Alan Ladd, Jean Arthur and Van Heflin among the dancers. Many know the Varsoviana as the "Put Your Little Foot" folk dance.

Comedy, Science Fiction Bill Featured Sunday At Westmount

The rollicking story of a bread-winning secretary with a yen for a rich husband, and a playboy radio announcer who inherits two million dollars, Thor Productions' "A Millionaire for Christy" opens Sunday at the Westmount Theatre.

With the veteran film favorite Fred MacMurray in the role of the playboy, the comedy introduces lovely Eleanor Parker, an Academy Award candidate this year for her performance in "Caged," in a zany, comedy role that has critics comparing her with the late, beloved Carole Lombard.

For her role in the picture Miss Parker suffered through as grueling an ordeal as has any actress in recent years. She spent one full day in the surf at Santa Monica Beach, while waves broke over her repeatedly, getting just one scene for the film.

For other sequences, she was bound in a home-made straight-jacket, slapped resoundly by Kay Buckley, dragged across a floor by MacMurray and had her arches crushed dancing a spine-snapping rhumba with 230 pound Chris Pin Martin, the veteran Mexican comedian.

Also on the same program is the story of when "The Day The Earth Stood Still," Twentieth Century-Fox's science fiction thriller. It is by far the most frightening and totally compelling off-beat motion picture to grace the screen in many a year.

The film towers far above anything already done in the science-fiction vein with its devotion to realism, magnitude of production and perfection of detail.

You actually see a gigantic space ship from another planet descend on the nation's capital, miracles of scientific wizardry achieved by "Klaatu", the inter-

planetary ambassador, and the impregnable strength of his terrifying robot, "Gort," who threatens

Earth with complete destruction unless it returns to peace.

Director Robert Wise has magnificently made use of every situation to make the audience feel as well as see the tension and pandemonium that grips the world when the robot runs loose and uncontrolled in the streets of Washington.

**William Holden
Featured In
"Stalag 17"**

HOLLYWOOD—William Holden has just been set to co-star in Billy Wilder's "Stalag 17," the filmization of the smash Broadway success, which goes before the camera after the first of the year.

The casting reunites Holden and Producer-director Wilder for the first time since their sensational teaming on Paramount's "Sunset Boulevard." Both Holden and Wilder received Academy Award nominations as a result of that production, Holden for "best actor" and Wilder for "best director" and for screen-play.

Holden, who is currently in New York where he is appearing in top dramatic shows on the radio networks, will return to Hollywood to join Charlton Heston and Don Taylor who have also been signed for the top cast of this filmization of the all-male comedy-melodrama. The locale is a prisoners of war camp in Germany during World War II.

The play, which was produced and directed by the versatile Jose Ferrer, continues a hit in its seventh month on Broadway. The motion picture will be Wilder's first following the successful "The Big Carnival." He will both produce and direct.

Holden is starred in Paramount's new release "Submarine Command," and recently completed his starring role in "This is Dynamite" at the studio.

DE WILDE VISIT

While in Los Angeles as a starring member of the cast of the Ethel Waters drama, "Member of the Wedding", nine-year-old Brandon de Wilde spent a day renewing acquaintances at the Paramount studio where he recently completed a leading role in George Stevens' "Shane" for Paramount.

New Track And Field Club Organized For Westmount

The Westmount Recreation Department announces the formation of a track and field club for the boys who are residents of or attend schools in Westmount.

This club will be under the rules and regulations of the Amateur Athletic Union of Canada. The fact that 1952 is an Olympic year should stimulate interest in this particular athletic field. A good prospect discovered now, and given proper coaching, would be a definite contender for the 1956 Olympic team. Think ahead boys — it is the dream of every amateur athlete to represent his country at the Olympic games. Help yourself to make this dream a reality.

The Westmount Athletic Grounds has one of the best and fastest tracks in the city, plus all the equipment for all events in track and field. There is a large locker room, shower room and other conveniences for a track and field club. Each member will have his own locker.

The age groups are as follows:
Junior—20 years and under.
Juvenile—18 years and under.

ATWATER PARKING

For the convenience of the general public and patrons of the Forum we offer our parking as follows: During the week days from 8 a.m. to 6 p.m., 35c per day; monthly rate, \$6.00. For Forum events, 75c-\$1.00. No charge will be made for the first half hour to patrons of the Forum wishing to pick up their tickets at the box office for the events held there.

Stars Show Pace With Mighty Mik To The Fore

The Westmount Avenue Stars kept pace with the St. Laurent Laurels last Saturday afternoon, but the lowly N.D.G. Regents almost upset Jack MacDonal's high flying Stars.

The Regents took a one goal advantage early in the game when Jack MacMullen found the range at 2.40. Tony Kay, however brought the Stars back on even terms exactly ten minutes later.

The second period found the Stars swarming all over the N.D.G. Regents at times but only managed to garner one goal. That by Allan Turner at 12.10.

Mickey Bourassa sent the Avenue Stars two goals up after a hectic ten minutes of play in the final frame just seconds after Regent defenceman Jack Danaher was sent off for a two minute penalty. The Regents still playing one man short came back to within one goal of the Stars as MacMullen got his second goal of the game 22 seconds later.

The Stars were hard pressed during the final minutes of the game and it was only the fine defensive work and the goaltending of Doug Brambell that foiled the Regents in their last serge to even the game.

The opening game of the doubleheader had the St. Laurent Laurels tangling with Royal Pharmacy, the result of which saw St. Laurent remain tied with the Stars for first place with an 8-3 triumph.

Tomorrow's action will find the Stars and Royal Pharmacy squaring off in the second game of the doubleheader in an all important four-pointer. The result of this game will determine whether the Stars end up in first or second place.

Teams	P	W	L	D	F	A	Pts
Avenue Stars	13	9	3	1	57	26	19
St. Laurent	14	9	4	1	64	40	19
Royal Pharmacy	13	5	6	2	28	45	12
N.D.G. Regents	14	1	11	2	28	60	4

and represented Canada in the Olympics in London, England. He still takes an active part in track and field and can demonstrate as well as tell you what to do.

Mr. Rothwell has had considerable experience in track events, both in the active and coaching end of the sport.

The date of opening of the track is not known as yet, due to the weather, but it will be open just as soon as possible. However, there should be some advance training between now and that time.

We can plan this training only after we have an idea how many members we are likely to have. Should you be interested in this wholesome sport, please call at the Westmount Athletic Grounds, 4350 St. Catherine Street West, or telephone FI. 6975.

Many young men do not like bodily contact sport. This is your chance to take part in a highly competitive and strenuous form of athletics without bodily contact.

Membership is absolutely free. All we ask is that you register with the Recreation Department before the 1st of March 1952.

Should you be older or younger than the age groups shown, you are still welcome.

All members will be registered with the Amateur Athletic Union of Canada.

HOT TEAM

Bing Crosby and Jane Wyman, who were teamed for the first time in "Here Comes the Groom," Paramount's sensational box-office hit, are reunited in "Just For You," Technicolor musical-drama which also stars Ethel Barrymore.

Locals Leave Leagues With A Tie And A Loss

By ALLAN SANDZELIUS

To all intents and purposes, here am I writing my last sport epistle about the athletes of Westmount High and there are none sadder than yours truly at the fate of the students and my alma mater merely because I know personally the pleasures and definite benefits which are derived from the many and varied extra-curricular activities going on in the high schools of today.

However, there's no use crying over spilt milk and your reporter for one, is completely in favour of the cause for which our highly trained and experienced teachers are at the moment sacrificing so much time and energy.

The best news of all this week, if it so may be called, comes from the girls' domain wherein we announce 12-1, 11-2, and 10-5 victories by the Sr. "A" basketball team over Strathcona Academy, Commercial High and Mount Royal High respectively. Over half the "A's" points were scored by sharpshooting Liz Loebel as she potted a total of 17.

The "B's" didn't do so well as their 'big' sisters when they went down to three defeats in a row, 7-6, 10-8, and 9-0 at the hands of Commercial, Mount Royal and Strathcona. Out of the fourteen points scored for the Purple and White in these games, Nina Chadwick walked off with 11.

Next in line for laurels would naturally be 'Don' McRea's "A" pucksters by virtue of their splendid showing in their last game of the year as they hacked out a two-all tie with the powerful D'Arcy McGee squad at the Forum on Tuesday. Harty McKeown was the big point getter with two without even scoring one goal when he assisted Jim Beasant on the first, a neat face-off pass from the left of the double Blues' nets on which Jim made no mistake; and John Langshaw on the second on a pass from the blueline. With one and a half minutes remaining in the regulation game time, the Forum officials rang their bell just as WHS had their full power on with two McGeemen taking a rest in the sin-bin. This period saw little Bernie Wong in the McGee goals make his most spectacular saves on near impossible shots by Chuck Baillie, Gerry Apostolatos and Beasant. Doug Kerr in the Westmount nets played what coach McRea termed a 'hot' game!

The local Senior "A" cagers went down to an ignominious de-

feat at the hands of a mercilessly accurate Catholic High quintet at last Friday's Athletics Nite to the tune of 57-35 as Pat Baker and Ian Roussac came off with top scorers accolade garnering 8 each and Dave Mather and Buddy Naismith (out in the first quarter on fouls!) each potted six.

In their last game of the season, due to the teachers edict, WHS lost a thriller to WHHS, 51-47 at the Senior High Gym on Wednesday. Bud Naismith was high man as he notched eighteen points, Captain Mitch Klein and Baker getting 11 apiece. Laird McLennan shone for the Maroon and Grey with all of 24 points!

Also in the Athletic Nite, the Girls' Sr. "A" hoopsters downed a scrappy Junior High sextette, 18-2. Miss Loebel was top scorer in this tussle as well with thirteen points as Sue Christmas sank two free throws for the Red and White. In all fairness it must be mentioned here, that though the score turned out so favourably for the Seniors, in our opinion the Junior gals held a wide margin in actual play while the seniors did more shooting, with great accuracy, when in possession of the 'spheroid' (!), than did the frustrated juniors.

That's all! From now on our readers will have to be content with spasmodic efforts in accordance with any events which might be forthcoming, and we hope there will be many. Thanks to our faithful weekly readers and friends, and so, auf wiedersehn!

CHAMP VS. ROONEY

California's champion lightweight prize fighter Artie Aragon makes his motion picture debut in a screen fight with Mickey Rooney for Paramount's Bob Hope starer, "Military Policemen".

Y.M.C.A. Notes

Square Dance Club

A capacity crowd enjoyed the special Valentine-Sadie Hawkins night edition of the regular square dances were supplemented by novel program events and special features. President Alf. Smieszko has reminded all members and guests of the Square Dance Club that next week the regular dance will be held on Wednesday night instead of the usual Tuesday session order to coincide with the Annual Meeting.

Model U.N. Assembly

At least two countries will be represented from Westmount "Y" in the forthcoming Model U.N. Assembly to be held at Central Y.M.C.A. in March. The Effective Speaking Group will represent Poland and the Phlat and Phalanx Clubs will team up for Nationalist China.

Annual Meeting

All members are reminded of the Annual meeting of the Branch to be held next week on Wednesday, February 20 starting at 6.00 p.m. All members and friends are welcome.

Gymnastic Team

Due to the death of the King, the Eastern Canadian Senior Gymnastic Championships scheduled for last Friday night at the Currie Gym, was postponed to a later date. In the meantime the team is working out regularly and are expected to make a strong showing when the meet is held. A tentative date has been set for March 8 at the Currie Gym starting at 2.30 p.m.

Marathon Swim

A marathon swim similar to the "Swim to Cleveland" contest held last spring will be starting shortly. All boys and senior members are reminded to look out for the starting date and get an early start when the swim opens.

Swim Meet

The Westmount "Y" boys Swim Team under Coach Gilbert Young will be defending their formidable lead when they head for the Verdun "Y" next Friday night for the third Inter "Y" Progressive Swim meet. The Westmount Swimmers are leading by 24 points and Ron Taylor, high point man of the last meet is tied for top scoring honors with Brian Cuthbert of Central Branch with 28 points. Lloyd Kishino, also of Westmount is close behind with 26 points in the total scoring race.

Fencing Club

In a recent Inter-Club Novice Championship with Palestre Nationale the Westmount Club again came through with a surprise victory as Miss Marie Saindon and Gwendolyn Blott each accounted for two victories and one defeat. Coach Roland Asselin was very satisfied with his pupils since it was only the second competition they had entered and are showing fine promise.

City Midget Title Won By Maroons

The Westmount Recreational Hockey League schedule is coming to a close, and a few more days should see it through and champions declared in both Midget and Bantam sections.

The Maroons have played all their games and emerged as champions of their section because they were undefeated throughout the season. This team has played extremely good hockey and with a minimum of penalties. John Garland, the coach of the team, is to be commended on the grand job of work he has done, both with the boys of his club, and the co-operation he has shown to the league supervisor.

At present, the Comets and St. Leo's of the Bantam Section, are playing off for the Bantam Championship. They are playing a two-game total goal series. St. Leo's now lead 4-1 after one game played.

St. Leo's Seniors Bow 5-1 Lackadaisical In Defeat

Members of St. Leo's Bantam Q.A.H.A. squad are accepting congratulations for finishing on top of the City of Westmount's Bantam Division. Co-coaches Joe and Tommy St. James have done a good job of guiding this up and coming group of puckchasers. This team is now engaged in the play-offs and if successful will continue on in the Montreal city wide Bantam Q.A.H.A. play-downs. Prominent in this club's drive to the Westmount Bantam pennant, are Mike Lunny, Pat Davis, Chris Keating, Edgar McDougall, Joe Froio, Phil Ramsey, John Roach, Charley Casey, John McCabe, Gerry Dwyer, Joe Gallagher and Pierre Leger.

Pee Wee Hockey

St. Leo's has just completed a highly successful 12 game schedule for each team in the four team circuit. This miniature N. H.L. group of Maple Leafs, Canadians, Rangers and Black Hawks have shown a terrific amount of enthusiasm all season and the playoffs are expected to reach a new high in spirit. Co-coaches Claude Sawyer and Ronny Shaw are the successful mentors of the league leading Maple Leafs. This team has some mighty smart prospects, including Bernie Fisher, Ernie Debellefeuille, Tony Walsh and goalie Chris Lane. Ronny Ahern and Jack Martin look after Canadians and they boast such future greats as Jules Laurendeau, Dick Robinson, Larry Cullen, Peter Cullen, Fernand Lauzon and Louis Leprohon. The Black Hawks with masterminds Mike Dodman and Vince Heney have tabbed Bob Belanger, Donald Murray, Keith Gaven, Michael Feeney and Guy Krontal as future timber for St. Leo's senior team. The Rangers, the most feared team in the play-offs, have Albert Losito and Grant Gill as co-pilots and this team have some smart looking half-pints in Garry Tinkley, Michael Carrier, Danny Carrier, John Farrel, Paul Genereux and Gordon Dooley.

Sport Shorts:

Peter Grant so far has failed to show the spirit and drive that made him an outstanding prospect on last year's senior hockey team — Brendan Guilfoyle, with six goals, is the leading scorer on the Bantam Inter-School team. With a little more weight, Brendan could dislodge some of the Prima Donnas on the senior team. He is shifty and can score and that is what is needed on the senior club.

St. Leo's Seniors Bow 5-1

A leg weary St. Leo's senior hockey team bowed to D'Arcy McGee 5 to 1, in an exhibition hockey game played at Lachine Arena last Saturday. The Double Blue with three fresh, fast stepping forward lines was too much for the Academy crew, who withered under the attack. It was the poorest exhibition of the year by the Academites and it was apparent that some of the boys could have help their team's cause along better by staying home in bed.

Coach Andy McGillis, made no effort to hide his disgust with the team's mediocre performance and has reached the end of his patience, and well he might, as the team's lack of scoring punch and condition is a growing concern. Mike Dodman was credited with St. Leo's lone marker. Ray Losito played well on defence but seemed to lack his usual pep. Tommy St. James tried hard but was visibly tired and of little use to his team. Claude Sawyer made a few real good saves in the Academy goal but also fanned on a few soft ones that might have been stopped if he was a little more alert.

Bantam Inter-School

St. Leo's Bantams, after losing three straight games at the start of the schedule, are now boasting of a three game winning streak and things are looking up for captain Gerry Ramsey and his crew. Last Saturday at Lachine Arena, they posted their third victory at the expense of D'Arcy McGee, shutting out the Pine Avenue boys 2 to 0. Brendan Guilfoyle was the man of the hour with the only two goals of the game but he was ably supported by a wide awake team that checked the op-

position to a standstill. This team had hard luck at the start of the season, losing a number of regulars through sickness but once they got close to full strength they dug in gamely and started their long uphill climb from the cellar of the league and now find

Youngsters Are Rewarded For Road Safety Habits

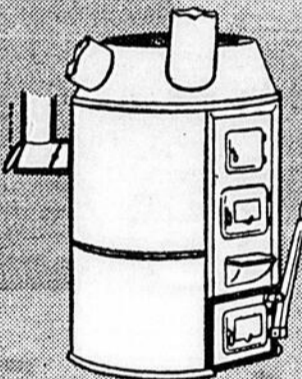

Dudley, England—Children who pay particular attention to road safety are to be handed "tickets" here.

Teachers, road-safety officers, and policemen will watch for specially good behavior and hand out the tickets, similar to the ones American policemen serve on traffic offenders.

The child's name and details of the occurrence will be filled in. The child will then take the ticket to his or her headmaster and be given a certificate of commendation.

Follow These Coke Rules for Warmth & Economy

1. Always fill the firebox as full as you can. A deep fire (a) applies more heat to sidewalls of furnace; (b) circulates more hot air; (c) burns steadier—easier to control; (d) needs less attention.

2. Coke needs less draft than coal. Draft settings vary with each furnace. A little experimenting will prove the most efficient positions to set your smoke-pipe damper and cold-air check. Bottom draft-door should be open only when you want quick heat.

3. Lasalle Coke makes so little ash that hard shaking of grates is not necessary. Use poker to loosen ash, then if you must—shake grates very gently.

In the morning and at night:—

1. Open key damper, close air check, clean fire with poker.
2. Shake grates gently until red glow appears in ashpit.
3. Add a few shovels of Coke and open bottom draft.

Then, when desired house temperature has been reached:—

1. Heap firepot as full as you can get it.
2. Close bottom draft door.
3. Nearly close key damper. Set cold-air check according to temperature you require.

FREE HEATING SERVICE — Trained and experienced service men are at the disposal of all Coke users to assist in obtaining maximum satisfaction from their heating equipment. Call your dealer or Lasalle Coke Service Department, UNiversity 6-6531, for this FREE service.
