In bringing the NATIONAL ASSURANCE COMPANY OF IRELAND before the Public in the Dominion, it will be readily seen from the names of those who guide its fortunes, that it is second to none in stability, while its successful record, extending over SIXTY YEARS, proves the perfect security it offers to its Policy-holders.

FIRE RISKS accepted on all descriptions of Insurable Property, and the Premiums charged will be found to be as low as is consistent with safety, and as reasonable as those of other first-class companies.

Losses will be promptly and equitably adjusted by us, without reference to the Home Office.

Further information will be gladly furnished from our Office, or by any of the Company's Agents.
