FINAL PLANS FOR CATHOLIC REGIONAL SCHOOL APPROVED

The GLEANER

THE LEADING ADVERTISING MEDIUM IN THE DISTRICT OF BEAUHARNOIS

SINGLE COPY 12 CENTS — ANNUAL SUBSCRIPTION, $4.50 CANADA; $5.50 U.S.A.

104th YEAR — Entered as second class mail by the Post Office Department, Ottawa, and for payment of postage in cash. — HUNTINGDON, QUE. APRIL 5th, 1967 — 14 PAGES

We learned with great pleasure on Monday that the final plans for the Catholic Regional School to be built in Huntingdon had been approved and that tenders will be called within a week.

This will surely please everyone concerned for on many occasions there was doubt that the project would ever become a reality.

This decision allows us to hope, even if the opening date of the school is still unknown. The students of Huntingdon will at last benefit of a school which will offer all the advantages.

It might be an occasion to congratulate the school commissioners who have worked so hard to get this far. Let us not forget the Parent-Teacher Association who by numerous attendances at meetings has made known the desires of the whole population and undoubtedly helped to attain the actual result.

DELEGATION FROM C-C-C ATTENDS TOWN COUNCIL MEETING TO DETERMINE FACTS ABOUT SWIMMING POOL MAINTENANCE

The regular monthly meeting of the Huntingdon Town Council was held on Monday, at the usual time and place with all aldermen present and Mayor Cappiello presiding.

The secretary read the minutes of the previous meeting which were approved as read.

Then Mayor Cappiello invited the delegation from the C.C.C. to express their wish. Mr. K. Renwick stated that the committee of the Centennial projet would like to know where they stand and what are the intentions of the town in regard to the maintenance of the swimming pool after it is erected. He mentioned that on an occasion members of the council had said that the town would look after it.

The mayor answered that the majority of the council had promised that the town would eventually look after the maintenance. Before committing themselves the members of the council would like to know what the other organizations intend to do to help toward the maintenance.

Mrs. Cameron gave information she had received from a similar organization whose costs of operations are in the neighborhood of $4,000 per season, that being for lifeguards, monitors, caretaker, etc.

Mr. E. Senecal was of the opinion that he has never seen any project reach its objective in our town because there always was dissension. He hopes that for once, everybody will pull together and see this one through.

Mrs. Cameron expressed the opinion that all the organizations are doing a lot to help and feels that the council should do its share.

After lengthy discussion, a resolution was passed which reads as follows: Proposed by aldeman Brisebois, seconded by alderman McGerrigle that the Town of Huntingdon contribute up to an amount of $2500. annually for the operation and maintenance of the proposed swimming pool to be erected on Russells Island irrespective as to which organization administrates said swimming pool. Carried.

A resident came before council to complain about water getting into his basement and causing damage to carpets, clothes and other items. The Council said there is nothing they can do in such matters.

Mr. Wm. Wilson asked permission to place two trailers (mobile homes) on part of lot 296. Temporary permit was granted for one year after that time, if trailers are to stay on that location, a foundation will have to be built for same as per existing by-law.

Correspondence

A letter was received from the Stars of Notre-Dame asking the Council to help defray the cost of casings for their drums. Members of the Council expressed their appreciation for the group saying that we should all be proud of them and that the fact that they will perform at Expo will be good advertising for our town. A grant of $200 was made.

The Chateauguay Valley Music Festival also wrote the Council for a donation to help defray the cost of this annual event. They will receive $25.

The Huntingdon Boy Scouts wrote asking if the Council could help them to defray the expenses to two of their group who will take part in the Jamboree to be held in Idaho, U.S.A. next summer. An amount of $25. was voted for this cause.

The monthly bills were then read and approved for payment.

Mr. Cappiello then informed the council that Mr. Frank Fournier of the Centennial Commission had met him on March 30th in regard to the Centennial Caravan which will be here on May 1st and 2nd. The Federal government will give a banquet on April 30 and asked the mayor to make the necessary arrangements. There will be representatives of the Federal and Provincial Governments, the Clergy, and all surrounding municipalities.

Also the town is to provide the entertainment for the evening. Local choirs will be on hand.

On May 1st., there will also be special ceremonies and our council is to make the necessary arrangements.

In connection with Expo, three special officers will be sworn in for special duty; they will work on approval of the council only.

The next meeting will take place on May 3rd., on a Wednesday, due to the caravan being here on Monday and Tuesday of that week.

EASTER SEALS CAMPAIGN IS GRADUALLY REACHING AIM

A further report of the Easter Seals campaign shows the amount received so far as almost reaching the minimum objective. To April 1st a total of $2180.75 has been reported.

There are still some who have not returned their pink envelopes and the committee would be obliged if they would do so as soon as possible now.

Following is a further list of contributors and amounts.

from March 17 to April 1st
Easter Seal Donations
from March 17 to March 23rd

$20.00 — Lawrence McCallum.

$15.00 — Gilbert MacMillan.

$12.00 — Jerome Jenneau.

$10.00 — E. Sault, Zephyr Textiles Inc., G. W. Thompson, W. T. Payne.

$5.00 — Eric Seller, C. V. Johnson, Cecil Johnson, R. R. Ness & Sons Ltd., H. A. D. Somerville, Calvin Carr, M.W. Campbell, J. W. Rennie, M.R. Stalker, O. W. Mattinson, Rev. J. A. David, Fernand Laurin, Louis Plante, Louise Plante, Lorraine Plante, Mrs. Alice Leblanc, Ewen McDougall, Elizabeth Roy, Floyd Gruer, Dr. F. G. McCrimmon, W. T. Fearn, Dr. H.E. Purcell, W. Rees, Kelly Funeral Home, Les Chevaliers de Colomb, Huntingdon, Quebec, J. C. Murray, B. L. McGerrigle, M. P. Oldfield.

$3.00 — Robert Arnold, Dr. George Lefebvre, Mrs. Antoinette Faubert, Dean G. Empey, L.M. Kelly, Donald Ebbett, G. Lamb, Rev. P. R. Stote, Ernest Lefebvre, Mr. and Mrs. J. L. Robertson, Armand Legault, H. Dixon, Eleanor Spearman.

$2.50 —Stewart Carmichael.

$2.00 — Jack A. Watson, R. R. Allen, A. Glen, J. C. Moore, E. Schmidt, Harold Robertson, Dorothy Smith, Harvey Smith, M. G. Barrington, Fred Nievwenhof, Jimmy Smythe, Huntingdon Motors, E. Berthiaume, A. Tremblay, Lloyd Allen, Merrill Tannahill, Watson Tannahill, Mrs. K. McIntosh Archie Chisholm, Mrs. Hugh Orr, Lorna Allen, James T. Durnin, Jos Dorais, Peter Tully, Ella Neely E. Named Agronomist

Named Agronomist

Congratulations to Mr. Marcel Billette, B.A., B.S.A. of the University of Montreal, who has been named agronomist for the improvement of the animal production in Vaudreuil-Soulanges county. He has a vast experience in agriculture and the Department of Agriculture is depending on his ability to improve the situation in that region.

Dave Rennie Injures Back In Fall From Truck

Mr. David Rennie while hosing down his tank truck at the Fry-Cadbury plant on Tuesday morning, slipped off the truck and fell to the floor. He was assisted to his home, but soon after arrival there the pain became quite intense in his back. The doctor was called and after being given a needle to ease the pain, he was taken to Huntingdon County Hospital.

Upon examination it was discovered that several vertebrae in his back were broken. It is likely that a cast will be made for the inqured back. The accident happened at about 8.15 a.m.

Mr. and Mrs. L. A. Sanderson Recipients Of Many Gifts At A Farewell Party Saturday Eve

A very pleasant evening was spent at the Chateau on Saturday, when the occasion was a farewell party for Mr. and Mrs. Leslie Sanderson. The event was organized by employees of the Huntingdon Branch Imperial Bank of Commerce, as a public farewell for Mr. Leslie Sanderson and his wife before their departure to St. Johns, Que. Mr. Sanderson has been manager for the above named bank for almost six years and during that time has taken a keen interest in almost all community affairs.

It was thus that about 250 guests were in attendance at the party and they came from all parts of the town and county. During the entire evening the guests were entertained by the Lindsay Cullen Orchestra both for listening and for dancing.

The guests of honor, Mr. and Mrs. Sanderson were escorted to the party by Mr. Fred Anderson, a neighbor of theirs. Their arrival was the signal for the singing of "For They Are Jolly Good Fellowe" by those already assembled. After greeting some of the guests, the guests of honor were escorted to the head table and seated. Others at this table were: Mr. and Mrs. H. S. Sanderson, Sr., Mr. and Mrs. Leonard Taylor (the new manager), Mayor Cappiello and Mrs. Cappiello, Mr. and Mrs. Donald Davidson, Mr. and Mrs. Fred Anderson and Mr. and Mrs. Jon Proudfoot (M.C.).

Mr. Jon Proudfoot, Master of Ceremonies, addressed the Guests of Honor as Les and Marge Sanderson. He said, I thought back over the past five and half years that Les and Marge have been living and working with us in this community. I wondered how I would approach this. Would I speak of the Leslie we know as Past President and Director of the Huntingdon Rotary Club? Or the one we know as Chairman of the Board of Governors of the Huntingdon County Hospital? Then again there is the Leslie who is chairman of the Finance Committee of the Huntingdon Agricultural Society; the one who is the secretary of the local Salvation Army; and also the secretary of the local Red Cross. I had quite a choice, for he has done all these jobs and more, and in each case he has been successful. When Leslie took a hold of something it moved, or else. Then we come to Leslie A. Sanderson, the banker.

I think the thing that has made Leslie stand out in the years we have known him is, his willingness to work, not only as a banker, but as a person in his community. In him we see more of a glint of human kindness, here we see dedication and service to the community as a whole, here we see a man expending energy and thought for the good of his Fellowmen. I am sure I speak for everyone here this evening and for all the people who worked with you in the various organizations when I say: "Well done my true and faithful servant". On behalf of all your friends I offer you good wishes for success in your new undertaking and surroundings.

(Continued on page 12)

Mr. and Mrs. L. A. Sanderson at the mike, extending their thanks for the farewell party and gifts.

HAIR STYLING AND FASHION SHOW AT HUNTINGDON AND ORMSTOWN ARE SUCCESS

On Friday, March 31, at the Gleaner office, a cheque for $316.18 was presented to Mr. Keith Renwick, president of the Chateauguay Valley Association for Retarded Children, by Mrs. Antoinette Faubert of Elite Dress Shoppe and Mr. Claude Rémillard of Salon Claude. The cheque was the proceeds from the Gala Presentation '67 held on March 14th in the Chateau Huntingdon. The show, the third of its kind, presented by Salon Claude, and Elite Dress Shoppe was a tremendous success, thanks to the efforts of all involved.

The Fashion show from the teenagers in their mini-skirts, to the glamorous after 5 dresses, were a real breath of spring to all female hearts. Our teenagers seem to have quite a year ahead of them, fashion wise. The most conservative of parents just could not say no to the delightful fashions for their daughters; from slack suits in off-white sail cloth, mini-skirts in bright orange linen, all weather coats, very nautical or military in style. Five-piece ensembles, almost a complete wardrobe for any budget-minded girl.

The touch of the military, even to the epaulettes and the nautical, lots of navy, and brass or gold buttons seems to be the trend this year, and was noticed throughout the show in coats, dresses and suits.

Each of the models had the perfect complement to their clothes, in their lovely hair styles, created by Claude, with the help of his charming assistants, the two Claudettes. Throughout the show, Claude commented on the different coiffures and explained why each one was so right for each individual. From the short cuts and the well-groomed look to the softly feminine carefree effect.

For after five and that special date, again the teenagers, exciting styles and refreshing colors. Orange and tangerine for the vivacious brunettes and the glorious pastels for our dainty blondes. Mostly in mini-length and simple in style with a slight alteration here and there, Claude transformed the day-time hairstyles to just that extra look of glamour to complement the after five fashions.

For the over 21's, up to the glamorous grannies, the fashions shown were delightful and suitable for spring, summer and fall. Again a good show of navy, with contrasts in lovely colours. Superbly fashioned town and country two-piecers, in imported fabric, hand tailored; young looking all weather coats in lovely colours, some with the ever popular simple sheath dress underneath, making a dashing two-piece. For before five, elegant dresses, two-pieces in linen, jersey knit and silk knit; and for after five, stunning cocktail dresses and for that special occasion. Also shown, rather exclusive looking two-piecers for the fuller figure, for before and after five. Again these lovely models had that final polish with their elegant coiffures, always just right for the model.

One of the highlights of the show. The complete transformation from day-time coiffure to evening coiffure, with the addition of a postiche, or wiglet demonstrated by Claude. He and his girls did the transformations during an intermission. The results were something to see, absolutely ravishing. These wiglets are a must for those of us wishing to have just that extra touch of glamour and elegance. Models, showing even a budget priced dress, when wearing a wiglet, suddenly acquired the air of a debutante.

The models who fashioned for the over 21, most of whom are known to all of us, have a definite flair for this kind of thing and were a pleasure to watch. As Mrs. Campbell remarked "I wonder how many of us, after watching these models, will go home and frantically begin a crash diet to lose those unwanted pounds".

Another highlight was Claude's presentation of the Award Winning Hair Style of the Year Montreal 67. Claude's model was a lovely natural blonde teenager. The style which takes lot of time and patience and special cutting, was really lovely, so softly flattering and feminine. And, so said Claude, suitable for all age groups. So grannie, try a Montreal 67.

A change in programme this year, with the addition of a commercial: A silent spot, which was just as well, because dialogue would have been wasted, because of the laughter from the audience. First of all we saw the new bride, radiant in beautiful house-coat, perfectly dressed hair, waiting to give hubby coffee. Micheline Latreille as the wife, Irvin McWhinnie the husband. Pour soul, he was so mesmerised by this vision, he never got his coffee. With a few humorous cracks from the commentator, this scene ended, and the second scene shows our couple a few years later; in this scene the part of the wife was taken by Mrs. Joan Hopper as Micheline had to model later in the show. This vision of loveliness had to be seen to be believed. A loud washout house-coat, over hubby's pyjamas and hubby's socks with a pair of revolting pink slippers and to top the lot, an early morning hair-do which put Phyllis Diller in second place. One of the Claudettes must have had quite a ball creating this one. No words were needed. It was so obvious that the "gilt had worn off the gingerbread". The female, a bit of real slapstick comedy, where they poured cofee on each other's

(Continued on page 13)

A CHEQUE FOR RETARDED CHILDREN

Mr. Keith Renwick, left, president of the Chateauguay Valley Association for Retarded Children, receiving a cheque for $317. from Mrs. Antoinette Faubert and Mr. Claude Remillard, proprietors of Elite Dress Shoppe and Salon Claude, respectively, representing proceeds of the recent fashion show at the Chateau Huntingdon. Next to Mr. Renwick is Mrs. Lester Campbell one of the organizers and commentators at the successful show that was repeated at Ormstown in aid of the Barrie Memorial Hospital when $384.65 was realized.

VARIETY CONCERT WELL RECEIVED AT HEMMINGFORD

The members of St. Andrew's Presbyterian Church in Hemmingford held their annual Variety Show on two evenings this year, Friday and Saturday, March 31st. and April 1st. and, with memories of last year's fun and frolics, the hall was packed to capacity on both nights.

The show opened with two numbers by 'The Mystic Mynde', a local popular dance band whose members are students of Hemmingford High School. Dayle Moseley on drums and John Barr, Barry Campbell and Roger Duclos on guitars. These young people have a fine set of instruments and a good sense of rhythm and, in modern language, are really 'with it'.

Mrs. Gloria McKay followed with two delightful old numbers, 'My Grandfather's Clock' and 'Bless this House'. Mrs. McKay's voice strongly resembles that of Catherine McKinnon (of Don Messer fame), must be something in that Maritime air which makes the voices so sweet and clear. She was accompanied by Mrs. L'Espérance. Our old-time fiddler, Mr. Ed. Ellerton, then entertained with a number of airs on the violin, accompanied by Mrs. Halton Kennedy. The next item proved that it is not only the Russians who can dance the ballet. In their dainty little bloomers and frilly, coloured ballet skirts, their tight fitting T-shirts and pretty bonnets, a

(Continued on page 12)

CENTENNIAL BALL SPLENDID SUCCESS SATURDAY EVENING

As announced earlier, the Notre-Dame Stars held a Centennial Ball in Notre-Dame School Auditorium, last Saturday. We believe this was a "first" for our town.

The organizers would have liked to see more people there but the approximate hundred who took part had a very nice time. The girls and ladies present wore formal dresses while their escorts had on their very best. For most of the girls it was their first ball and they enjoyed it to the full.

Four of the majorettes and their escorts opened the ball: Ann Campeau, Francine Lavallée, Maureen Campeau and Diane Trépanier.

Amy Campeau, age 17 months was Queen of the ball. She was applauded as she entered the ball-room. Her mother Mrs. Shirley Campeau helped her around.

A beautiful painting offered by Empire T.V. as door prize was won by Miss Esther Fortin; Miss Francine Lavallée was the lucky winner of a large teddy bear which was drawn for and had been donated by Légaré Store; the youngest couple Daniel Hart and Suzanne Parent were also given prizes donated by Mrs. V. Delaronde and Mercédès Shoppe.

The Notre-Dame Stars wish to thank all the merchants who gave other prizes; their generosity on many occasions is deeply appreciated. They are also grateful to all those who helped in many ways to make this event a success.

And now they will get back seriously to their practice so that in May when they represent all the people of Huntingdon while performing at Expo; everyone may be proud of them. It is possible that in the fall another special event may be organized for this is an encouragement to the girls and the committee feels that their hard work deserves a reward.

MAN INJURED, HORSE KILLED IN WEEKEND ACCIDENTS HERE

Two more accidents occurred at the weekend, one of which involved injury to at least one person.

Lloyd Douglas of Athelstan, was driving a sports sedan '55 on Route 52 near Herdman, when he lost control of the vehicle and it went off the road and turned over. He was accompanied by Gary Donnelly, who was not injured. Douglas suffered severe cuts on the face and was taken to the Huntingdon County Hospital for treatment. The accident occurred about 2 a.m. on Saturday.

Another accident occurred at about 2 a.m. on Monday morning at St. Anicet on the Montée St. Charles road. Romeo Brunet of Cazaville, 24 years, was driving an Edsel

(Continued on page 2)

Car In River Tuesday Morning

A car was found in the river near the Athelstan Road, on Tuesday morning. It appears that Donald Wattie was coming toward Huntingdon when as he was passing another car, he lost control and went into the river.

The accident happened about a half mile from Huntingdon, early on Tuesday morning. The car belonged to Mr. Levine of Athelstan. Later in the morning a garage wrecker truck pulled the car from the river.

TWO LOCAL YOUNG MEN INJURED IN CAR ACCIDENT NEAR DEWITTVILLE SATURDAY

Two young men were injured in an accident which occurred early Sunday (1 a.m.) between Huntingdon and Dewittville.

According to the Provincial Police report, it seems that the driver, Bernard Lefebvre, 21, residing at 3 Somerville St., Huntingdon, lost control of the car on a curve, just past Turkeys De Luxe farm. He and his cousin,

(Continued on page 2)

ONE INJURED IN THIS ACCIDENT

Above is the car in which Bernard and Norman Lefebvre were riding when the driver, Bernard lost control and the car rolled over. See story elsewhere.

This and That in Town

✓ **FIRE late Sunday afternoon destroyed a barn and its contents on the farm of Dr. Paul Tie Ten Quee on the brysonville sideroad, between the Tullochgorum and Fertile Creek roads. The Barrie Memorial physician entered the barn at the peak of the blaze and attempted to start a truck and move it to safety. The vehicle wouldn't start but the doctor kept trying even as burning debris was falling and the building showed signs of collapsing. Ken Brown of Howick, believing the doctor had been overcome by smoke, attempted to enter the barn and a door fell on him, fracturing his wrist. Despite the heavy rain falling at the time, the barn was razed to the ground in a short time and all that was left standing Monday morning was a cement silo.**

✓ WILL THE U.S. CONTROL GREAT LAKES FLEETS, TOO? — "There have been a lot of speeches made in Parliament about the extent of which U.S. capital controls Canadian business," says Eric Axelson, editor of Canada Shipping & Marine Engineering News. "And now another area is being seriously threatened. We are referring to Canada's Great Lakes shipping interests. Since the opening of the Seaway, the U.S. lake fleet has steadily diminished in both size and importance. No modern lakers have been built for some years (mainly perhaps because no subsidies are available) and the many up-to-date, automated Canadian Great Lakes carriers have pretty well overwhelmed any competition that existed previously. Some very large U.S. interests are anxious to correct that situation in a way which would be every bit as or even more detrimental to Canada's interest than any banks coming in here. It is a fact that at least three of the larger Canadian lake fleets have been approached by U.S. firms with take-overs in mind, and all firms with very substantial stakes in the conduct of inland shipping operations. So far those bids have been rejected. But there is always, we suppose, a point where offers of that kind become so attractive to the prospective seller that they can no longer be resisted. It is possible that the federal government has not — until now — been alerted to this situation. If so, it would be well for it to begin considering the ramifications at once. We no longer have a deep-sea fleet and it could be quite disastrous to lose control over the better part of the inland fleet as well. It could happen."

✓ **SUZUKI MOTORCYCLES will soon be popular in the Ormstown area, if Gaston Cartier has his way. Mr. Cartier has accepted the franchise for Suzuki and has several models at his garage, 5 Roy St. (See advt).**

✓ WORLD'S BEST PRODUCERS — Canadian farmers have the best production record in the world, The Financial Post reports. Statistics released by the U.S. Department of Agriculture show Canadian farm output during the last decade has increased more both in total and on a per-capita basis than production in any other major country or area. Canada's closest competitor is Russia.

✓ **FLOYD DOUGLAS of Rockburn was involved in a car accident over the week-end on his way home from Valleyfield and some 100 stitches were required to close cuts and gashes. His 1956 Ford was badly damaged. ALLAN WINTER of Ormstown suffered a slight head cut when his 1952 Ford took the ditch at Chantigny's Corner on the Island Road near Ormstown, also on the week-end. His car, too, was badly damaged. Saturday night, after the hockey game, two cousins from Huntingdon, Bernard and Normand Lefebvre, both of Somerville St., were driving from Huntingdon to Ormstown when their car, a 1956 Ford, went into the ditch on one side of the road and then went across the road and into the ditch on the other side. Bernard suffered multiple injuries and is now a patient in the Montreal General while Normand, less severely injured, is at the Barrie Memorial.**

✓ LURE OF CANADA — The balance of immigration between Canada and the U.S., which traditionally works in favor of the States, shows signs of reversal, The Financial Post comments. In 1966 the flow of Canadians to the U.S. dropped to 23,000 (40,000 in 1964), while the U.S. stream northward jumped to nearly 18,000 (12,000 in 1964). The figures make it obvious that Canada is becoming increasingly attractive to many Americans. Many Americans are concluding that the rewards can be rich and they think they can live more cheaply than in the U.S. Ottawa, says the Financial Post, should find out what regions and what occupations in the U.S. are most receptive to recruiting by our immigration and manpower people. If Americans are becoming more interested on their own, Canada should fan the interest in every way possible.

✓ **HIGH WATER Monday was responsible for the Franklin Intermediate School being closed for the day.**

✓ WE'RE AMONG TOP SPENDERS — Canada is one of the world's top spenders for social security—$183 a year per person. This, The Financial Post reports, puts the country in fourth place. First place goes to Luxembourg, which spends $221 per person per year, Sweden spends $204 and Germany $195. France is just after Canada with a per-person annual level of $177, with the U.S. in sixth position with $172. In Britain the level is $148.

✓ **DESPITE HIGH HOPES, the maple syrup season is probably over. It was a very poor year. Quality of the syrup made, in most cases, is excellent, but quantity is practically nil. One well-known producer who averages over 1,000 gallons normally only made 200 gallons this year.**

✓ BATTLE FOR YOUR SAVINGS — A fierce new bank battle is under way, and it spells good news for depositors, investors and borrowers, Beatrice Riddell writes in The Financial Post. Even before proclamation of Bank Act amendments (to become effective May 1), banks are scrambling to line up customers with lures of new, higher-yield savings accounts, lower rates to some borrowers, mortgage loans and more flexible banking hours. It means, The Financial Post says, far more choice for savers and some interesting prospects for investors. The need for additional funds — to finance the banks' entry into the mortgage market — will precipitate a new medium to long-term, high-grade, fixed-income investment — the bank debenture. It also means stiff new competition for other lending and deposit-taking institutions such as trust and loan firms, notes The Financial Post.

✓ **ICE BREAK-UP in the Chateauguay River near the dam at Huntingdon occurred early Saturday afternoon and hundreds of people lined the streets to watch it. There was no overflowing of the river banks near the new bridge and, despite predictions to the contrary, the ice went out without any damage being caused.**

✓ **YOU'LL PAY MORE FOR MONEY ORDER — Book-club subscribers, record-club members and rural shoppers who buy through catalogs from the big department stores, Martin Sinclair reports in The Financial Post, are going to shoulder the burden of increases in third-and fourth- class postal rates, which take effect June 1 and Oct. 1. And by early next year watch for another round of increases. An executive of the Canadian Direct Mail Association told The Financial Post: "It's fairly common knowledge the Post Office plans to bump third- and four-class mails again in 1968." It is unlikely the main categories of second-class mail — newspapers, periodicals, etc. — will face a boost.**

✓ **THAT FAREWELL PARTY for Les and Mrs. Sanderson at the Chateau Huntingdon Saturday evening was a most successful event. The manager of the Canadian Imperial Bank of Commerce in Huntingdon was taken completely by surprise and he had no inkling anything unusual was happening until friends drove him to the Chateau and he spotted his father's car in the parking lot. The party was planned by members of the staff and more than 300 people attended. The Sanderson family will be moving to St. Johns, Que., in the near future.**

✓ DIAMONDS IN CANADA? — It's official, Frank Kaplan says in The Financial Post. There may be diamonds in northern Ontario. A report by three Ontario government geologists to the Canadian Institute of Mining & Metallurgy conference says the indicator minerals which point to diamond possibilities occur in the James Bay Lowlands area. The areas are similar to Russian and South African conditions where diamonds have been found. The source of these minerals may be within 125 miles of where the samples were found. The Financial Post writer says that no diamonds have been found yet, but 17 were discovered in Wisconsin and Ohio. There is a theory these diamonds originated in northern Ontario and were carried south by glaciers.

✓ **CONGRATULATIONS to Mrs. Armand Leger, 40 Lake St., Ourtown, who last week won an electric carving knife, electric can opener and knife sharpener, mixmaster and beauty kit; also a chance to win the grand prize, a 1967 Mercury Villager station wagon. Two days later, Mrs. Leger learned she had also won the station wagon! (See picture).**

✓ NEW SCHOOL HERE: At last, plans for the new Catholic Regional School in Huntingdon have been approved. Tenders are to be called within a week. Surveyors have been working on the site for the past ten days and speculation was running high, but official word was received on Monday. Good. Very good!

✓ **MRS. M. STARK of Ourtown has submitted a Letter to The Editor for this week's issue. The letter reflects sound thinking on her part and is probably food for thought for all of us. It is gratifying to have someone express his or her own thoughts in this manner and not ask for a nom de plume.**

✓ LAST WEEK, in this column, we omitted to mention that flowers were placed in local churches on Easter Sunday by the Kelly Funeral Home Reg'd. as well as by Booth's Florist Reg'd.

✓ **RICHARD L. TINKER, chairman of the local Easter Seals Campaign, reports that as of April 1st, 83% of the minimum objective of $2,000 had been subscribed. A list of contributors appears elsewhere. 988 envelopes have been returned, indicating that people of this area are pleased to help others less fortunate, when they know their donations are being put to good use. The crippled or handicapped, especially youngsters, can be helped through local support. Today, many handicapped people have been taught useful trades through small donations from the public — these people would have been in institutions until the past decade. Others, less fortunate, are able to look after their needs when they are fitted with artificial hands, even arms and legs. Generally speaking, most of the handicapped children helped by Easter Seals donations are bestowed with keen minds — they don't want to be a burden to others throughout their life span — be generous, help them become independent: give to the Easter Seals Campaign. If you did not receive a return envelope, just put your donation in a plain envelope, include your name and address, and mail it to "The Easter Seals Campaign, Mr. R. L. Tinker, Huntingdon, Que."**

✓ SUNDAY EVENING, starting about 10:30, lightning flashed and thunder roared — first electrical storm in our Centennial Year.

✓ **EXPO '67 starts in three weeks! Hardly seems possible. Everyone who goes out of town, as far south as Florida or as far west as Vancouver, is talking about it. Many people have been suggesting an Old Home Week here in Huntingdon. Any comments?**

✓ HISTORY OF THE ORMSTOWN BANDS by Reverend William Holmes of Brysonville: this illustrated booklet is receiving wide acclaim in the community and already more than 100 copies have been sold. Proceeds from the sale of booklets, after expenses, will go to the Barrie Memorial Hospital Expansion Fund. Unless Rev. Mr. Holmes decides to print more, it is doubtful if any will be left to sell by the time the Ormstown Ex. rolls around. The booklets are being sold by: The W. Fearn Variety Store, Ormstown; The B.M.H. Hospitality Shop; Mr. Leigh Coffin, O.H.S.; also from Messrs. Wayne and Harley Sproule and the author.

✓ **MRS. WARREN THOMPSON, Huntingdon, who won $346. on June 1st, 1966, in a CFCF radio programme, has done it again, this time receiving $301. on March 20th.**

✓ LOCAL CUSTOMS AND IMMIGRATION OFFICERS on the sick list and in hospital include Ralph O'Connor and Clarence Duncan in the County Hospital and John Cappiello in the Barrie Memorial. Purvis Hamilton is on temporary duty at Prescott, Ont., and Reg. Daniel is back at Trout River after a lengthy tour of service in Montreal.

July 1st Parade Plans Underway

April 11th., at 8.30 P.M. Legion Hall, will be the next planning meeting of all interested Organizations and Individual groups, to pick out Booth space at the Fairgrounds for the Centennial Celebrations.

The Parade at 10 a.m. July 1st., will include Floats, Bands Majorettes, Open cars as well as trimmed Bicycles, etc.

The Theme of the Parade is "A Century of Confederation". The decorations pertaining to anything that has happened in our Organization within the last 100 years — or of a Patriotic nature. There are NO prizes just a real good show of Patriotism in our Country. If you have not already entered a float please call up Kay Williams immediately at 4-5714 or Henri Guerin 4-5003.

This is Your Only Chance to Be In on the Centennial of Confederation of Canada. The Committee would like every Organization to be recognized in the Parade, regardless of what you enter; cars with Group names and Emblems also would suffice if a float is impossible. Let's make this a truly Bilingual Centennial Celebration.

Additional Floats entered since the first published list will be Bulldog Cub Pack, with prospects of a booth, and one from Franklin County Pomona Grange. The United Church Junior Choir will also sing at Thanksgiving Ceremony.

There are still Booths available for those wishing to take advantage of same with all net profits to be donated to County Civic Centre Centennial Fund. The Booths are FREE. This is one way for Organizations, etc., to make extra funds for this Centennial Project.

Games of all Sorts can be run by groups if a booth selling merchandise, is not feasible.

Please call in, or better still, attend the meeting April 11th. You will be welcome.

This is your once in a life-time chance to celebrate our Centennial!

Centennial King and Queen Contest — The Huntingdon Branch (No. 81) Royal Canadian Legion; Chairman Kay Williams reports that plans are completed and that Applications for all age groups should be sent in by April 8th. Extra Application Blanks are available from the Chairman, as well as Mrs. Anne Cameron Legion President, and Messrs. Pinko and Brockman.

The rules were in last week's Gleaner (front page) and are very simple. The age Group 16 to 22 years will answer an easy questionnaire on Canada and Huntingdon County, also will give a three (3) minute speech.

The 5 to 9 and the 10 to 15 Princes and Princesses will be judged on their applications and interviews with judges (All School Principals)

Crowning will take place at the Huntingdon High School — 8 P.M. May 2nd. when 3 minute speeches will be made.

Winners to ride in July 1st. Parade.

DATE for Judges to interview applicants will be announced later this month.

There is Nothing to Sell and nobody to seek votes from as this is NOT a popularity Contest. We are **Promoting Youth in our County,** who would be able representatives of Huntingdon County when visiting elsewhere.

There are **No Restrictions** as to who can enter as long as applicants are Canadians and have resided within the County for at least 5 years.

The question regarding "Parents Being Legion Members" is solely as a tally of Legion family entrants.

The scoring of judges is as follows: — A. Basic — 30 points B. Personal Interview — 25 points; C. Questionnaire — 30 points; D. Speech at Crowning — 15 points. Total 100 points.

The above event is in support of the Youth of this County. May we depend on the Youth and Their Parents to support this effort.

You will never have another chance to enter a Canadian Centennial of Confederation contest!

HOWICK

Hi-C Activity

The Hi-C group from Howick United Church paid a visit to the Hi-C group of St. Andrew's United Church, St. Lauren on Saturday. Eighteen members, with two leaders, Mary Younie and Jean Templeton travelled in five cars, thanks to the parents. They reached St. Andrew's at 3 p.m., had soft drinks and sandwiches before going to the studio of Channel 12.

There they divided into two groups and toured the station before attending the show "Like Young" from 6 - 7 p.m. Although we didn't see them, they were the clapping audience. After the show they returned to St. Andrew's Church where a delicious supper was served followed by dancing until 11.30. They had a grand time.

At Centennial Ball

This is the youngest couple to attend the Centennial Ball sponsored by Notre Dame All-Stars.

Sap by Pipeline At Franklin

Mr. James Leahy has expanded his sugar making operations this year and is working with the sap from 22,000 spouts, about half of which is collected by pipe line. He has equipped the R. J. Blair sugar bush with two electrically driven pumps which draw the sap from 6800 spouts through 11 miles of plastic tubing.

Two Local Young...

(Continued from page 1)

Normand Lefebvre, also in his twenties and residing at 13 Somerville St., Huntingdon were on their way to Ormstown at the time. When the car went out of control, the two were thrown out and found at a distance from the car, lying in the field.

The Provincial Police was called and the doctor as well as two ambulances. Normand Lefebvre was taken to the Barrie Memorial Hospital where he was treated for cuts and shock; Bernard was taken to the Montreal General Hospital suffering from serious injuries, mainly to his face. He has since regained consciousness and was to be operated on this week.

The car is a total loss.

Man Injured...

(Continued from page 1)

'58 when he struck a horse that was going along in the centre of the road. It was quite stormy at the time. The horse was killed and damage done to the car amounted to about $1,000.

Alpha Caza from Cazaville is the owner of the horse. The driver of the car was not hurt and he was alone in the car.

FRIER — In loving memory of a dear husband, father and grandfather, Walter W. Frier, who passed away on April 11th, 1954.
His wife and family

KNOX — In loving memory of a dear grandma, Mrs. Jessie Knox, who passed away April 5, 1966.
"God knows how much
we miss her
Never shall her memory
fade,
Loving thoughts
shall ever wander
To the spot where she is
laid."
Lovingly remembered by her grandsons
Randy and Winston Finnegan

KNOX — In loving memory of a dear mother, Mrs. Jessie Knox, who passed away April 5th, 1966.
"A wonderful mother,
woman and aid;
One who was better,
God never made,
A wonderful worker,
loyal and fair,
Tenderly helpful,
O mother you were.
Just in your judgement,
always right
Honest and liberal,
ever upright,
Loved by all,
our pride they share,
Pride in the wonderful
one you were."
Always remembered by
Murl and Mary Finnegan

RABIDEAU, Edna — In loving memory of a dear mother, sister, aunt and cousin, who passed away April 5, 1957.
You are not forgotten
loved one,
Nor will you ever be.
As long as life and
memory last
We will remember thee.

Bookmobile To Be Here

The Bookmobile of The McLennan Travelling Libraries will be in Huntingdon on the 17 of April, at Huntingdon High School, for Adults from 10.00 a.m. — 11:30 a.m. and for juveniles at 11.00 A.M.

NE DESIGNS AN ARTIFICIAL HAND

A new, lightweight mechanical hand, for use with artificial limbs, has been designed by Northern Electric's Research and Development Laboratories in Ottawa.

The new hand, which has a number of novel features that set it apart from other designs, is the result of over a year's development work in the field of prosthetic devices by the Laboratories, working in close harmony with the Rehabilitation Institute of Montreal.

It can be employed on either the right or left arm with only a few changes of minor parts. In addition, it is constructed in modular fashion, enabling two hand sizes to be produced from the basic structure.

The hand can be used with electro-mechanical or hydraulically-operated artificial limbs. The thumb and first two fingers are powered in motion by a worm gear and lever system via miniature instrument roller chains acting in much the same way as tendons in a human hand.

As the mechanism operates, the fingers close and form a pinch grip with the thumb. When it is desirable to grasp larger objects, the thumb can be released into two additional positions, allowing the

Cards of Thanks

We wish to express our sincere thanks to relatives, neighbours and friends for their expressions of sympathy, flowers, cards and the many other kindnesses shown us in our recent bereavement.
Mrs. Tom Begbie and Family

My sincere thanks to Dr. McCrimmon and the staff of the Huntingdon County Hospital for the excellent care given me during my stay in hospital, also to my many friends and the Elgin Ladies Aid for cards, gifts, flowers and visits. All of which were much appreciated.
Bella Murray

I wish to thank Dr. Lefebvre and the nurses of the Huntingdon County Hospital for the excellent care I received while I was a patient there.
Lorenzo St. Onge

Here we see the Queen of the ball, little Miss Amy Campeau, age 17 months.

ORMSTOWN CENTENNIAL TO HAVE 'MADEMOISELLE' AND 'MISS' ORMSTOWN '67

At a recent meeting of the Ormstown Centennial Committee it was agreed to sponsor two girls to represent our town during the Centennial Celebrations. All registrations for Miss Ormstown must have a good command of the English Language and be able to make herself understood in French, likewise the girl representing the French population must be fluent in her own language with enough English to make herself understood in English. See ad in this paper for details.

The representatives will each receive a free trip to the twinning ceremonies in Mc Gregor early in June and will be required to represent Ormstown at all Festival occasions during the remainder of 1967.

One of the most important requirements will be to know Ormstown, she will be required to answer many questions on the past and current history of the town and parish, and this will be a splendid opportunity to learn that second language a little better as she will be required to speak a little of Canada's or of Quebec's second language.

The finals for choosing our girls to represent Ormstown will take place about the middle of May.

CIVIL PROTECTION COURSE PLANNED FOR ORMSTOWN

Ormstown has been offered the opportunity of a Civil Protection Course, for interested men between the ages of 18 and 50. According to local Policeman, John Rennie, the course will be given at St. Jean XXIII School and will offer instruction in property and person protection, from fire, floods, accidents, lost persons, gas attack, surprise attack, etc.

A knowledge in how to handle injured persons, from wrecked or burning buildings, bush fires, flood victims, or attack victims, will be part of the trained man's course.

The plan is to have three instructors, on four Saturdays beginning April 15th. There will be no charge for the course and all trained personnel will be paid for any services when they are called upon to help. Of course it is expected, in the case of dire emergency, that any man will not stay away, simply because he might not get paid for an act of mercy.

It is hoped that men will contact Mr. Rennie at their earliest convenience.

Members are wanted from Franklin Centre, Howick and Ormstown. The headquarters will be in Ormstown. Five men have already signed up for the course.

It is the plan of the police to have a 2-way radio system set up with the Barrie Memorial Hospital, and eventually, a survival truck for emergency use.

Ormstown has been subjected to many incidents in the past, such as; bank hold-ups, robberies, (persons have been attacked on the street), fires, some flooding, several fights have had to be broken up by the police and so on. This will be a busy year all over Canada. It is not beyond the realm of possibility to suppose that Ormstown will be less busy than any other part of our country, with great influx of persons visiting Expo. We may meet only the "Cream" of humanity, and then again we may not.

It was a wise move, to ask the Nation Civil Protection instructors to come to our town. Incidentally, the course will be given in English, as yet there are no instructors available for the French population. This should not deter those of French Origin to offer their services. We are bilingual in Ormstown.

Headquarters for National Civil Protection for Quebec is in Boucherville, with M. Marcel Langlois as its chief Director.

PROVINCIAL CAMPING GROUNDS LIST PUBLISHED BY QUEBEC

QUEBEC — A folder cataloguing all Quebec government-operated camping grounds that will be available to tourists this year has been published by Department of Tourism, Fish and Game.

Special emphasis was placed this year on camping by the department in order that more camping and trailer sites be established. Not only have existing sites of this nature been graced with additional installations but several new grounds will be inaugurated before the opening of the coming tourist season.

The new leaflet lists 38 camping and trailer parks, including two in Gatineau Park which is under the Federal Capital Commission. About 15 of these did not exist in 1966. The 38 establishments will have 11,006 units for tents and trailers. Nearly 70% of

What Is Ormstown Doing?

The Town Council met on Monday evening with one of the fullest agendas ever dealt with. The Financial report was given by Messrs. Quesnel and Laurin of Quesnel, Masse and Co., chartered accountants. The town's finances are in excellent condition and will be reported on later. Mr. Romeo Brunet led a delegation to the table to register a complaint against dog owners who allow their animals to roam the town. There are two by-laws on the town books which all residents should know about. By-law No. 30 states that: "No keeper of a dog shall allow it to run at large within the town unsecurely muzzled, and any dog which may be found so running at large may be killed by any officer, or person or persons appointed by the council for that purpose who shall have full authority to destroy all dogs running at large. No keeper shall permit same to go outside his master's property unless securely muzzled, on pain of fine or imprisonment." By-law No. 47 written ten years later, (with at least one present member of the present council in office), states that, "It is forbidden to permit ... any animals to roam through the streets.

A complaint was also laid before council, re the parking problem on Lampton Street on Sunday mornings, many church goers constantly park their cars in front of driveways, thus making it impossible for the owner to leave his property until service is over. This will be looked into.

One Mr. Cameron waited to present his information on plastic water pipe. He noted that 8 inch iron pipe weighs 600 pounds per length, compared with the same length of plastic which weighs 90 pounds. This factor alone decreases the cost of laying pipe by less than half.

Spot checks have been taken on the water in a four mile radius of the town and a detailed analysis will be forthcoming within the week.

Ormstown is looking prosperous, with new improvements. The Vieux Moulin is getting a face lifting with a fine new cement finish, Marton's Shoe Store adds a new look to Lambton Street. W. S. Cullen has bought the old Grist Mill and it will soon house two new business ventures. Gaston Cartier has a complete line of Suzuki Motor Bikes for the young folk. We knew it's spring, not only have we seen many robins, but Ivor Daniel has opened his snack bar drive-in. Everyone is happy, well almost everyone, because the high water did not damage the promenade. The 4-H Universal Campsite Secretary has received the first reservations, the Police in Co-Operation with the town have made plans for a Civil Protection Course to be given in town starting on April 15. The Centennial Committee has named several sub-Committees to plan for a mammoth parade, an outdoor concert, a street dance and a Miss and Mademoiselle Ormstown.

The Lions Club and the Town Band will sponsor the open air concert to be presented in the park on June 23. A mammoth parade under the chairmanship of Mr. Alex McCaig assisted by Mrs. Angie Barrington, Mr. Doug Elliott and Mr. Garth Cavers have things well in command. An invitation is extended to all to help the committee, either by contribution of ideas, manual help. The Theme will be 1867-1967.

The contest for Miss and Mademoiselle Ormstown is under the direction of Mr. Bury McGerrigle, assisted by Mrs. Merrill Stalker, Mrs. Vernon Ouimet, Mrs. Ken Aldridge, Mr. Serge D'Amour and Mr. Adoris Beauchamp. The Open Air Dance on June 30th is being planned by Mr. Jasper Lamb, Mr. Florien Guerin and Mr. Jean Paul Riendeau.

This writer hopefully looks forward to the council doing something about street traffic on three of the town's most dangerous corners, vis: Gale, Church and Prince Albert; Lampton and Church and that corner at No. 4 and Bridge where one enters town. Perhaps Flashers would be life savers during the busy summer months ahead.

Our town police have been busy with infractions. They can be credited with literally saving the lives of two brothers a couple of weeks ago. The two were breaking the speed laws as they drove their car through town. The cops followed them. About three miles out of town they found a wrecked car, and the duo badly injured lying in a snow bank, far out in a field. Both boys are still in hospital.

OH HO, who was the Ormstown gentleman who caused the beautiful traffic jam at St. Catherine and Mountain on Wednesday at 10:30 a.m.? About fifty cars were tied up all going the same way, with Mr. Ormstown coming in the opposite direction. We were there, we saw you Sir.

The Chateauguay Festival Committee reports 502 entries this year. Sessions begin on April 19 in Beauharnois and end on April 29 in Ormstown.

Extensive work is going on at the Regional School Site. Several local men have been hired with a promise of more employment as soon as the weather dries the ground.

W.M.S. STUDIES HISTORY OF THE PRESBYTERIAN CHURCH

The regular meeting of St. Andrew's W.M.S. was held in the Church Annex at 2:30 p.m. with Mrs. D. S. McColm presiding.

The Easter Service of Worship from the March Glad Tidings was used for devotions.

The prayer for missionaries was read by Mrs. Mennie. The treasurer report showed that $36 has been sent to the Presbyterial Treasurer to date. The treasurer is to notify the Presbyterial Treasurer that our allotment has been set at $325.00 for 1967 but will try to send more if possible.

A letter from Miss Louise Gamble, a missionary in Formosa, was read. Used Christmas Cards are used extensively in this area in the work with the children. They love the bright colors and the chance to cut up and make cards over for their families and teachers. Cards may be sent to: The Mustard Seed Inc.; 73 Nan King Road, E. Sec. 3; Taipei, Republic of China.

A letter from Mrs. Armour concerning the Annual Meeting in March was read. The speakers at this meeting were Mr. Gordon Williams, a Canadian Indian (Cree) and Mr. Martin Wolf, An Orthodox Jew, each telling his reasons for becoming a minister of the Presbyterian Church in Canada.

One minute of silence was observed in memory of the Late Mrs. Allan Ritchie, a former member.

The Spring Thank-offering meeting was announced. This will be held on April 26 with Miss Dorothy Coles, a past-president of Montreal Presbyterial showing slides as special speaker. An invitation is extended to all to attend.

Mrs. A. S. Reid conducted the study period, based on a history of the Presbyterian Church in Canada, which started as a Reformed Church about 360 years ago. At that time there were very few churches. Ministers traveled from place to place holding services in schools; baptizing and marrying since only church officials were qualified to perform these rites. Gradually a few churches were built.

The Presbyterian Church in Canada starts with the local church-members, minister and elders or session deciding policies on a local basis. W.M.S. and Y.W.A. groups are part of this set up. The minister and one elder of each church in a certain area forms the Presbytery. The W.M.S. has a corresponding section known as a Presbyterial. A group of Presbyteries form a Synod. There are 6 Presbyteries in the Montreal Synod. The minister and I elder of each church in a Synod area meet to decide policies on a wider scale. Ladies of the W.M.S. groups meet at the same time, preparing reports on their work and plans for the next year. A General Assembly is held once a year with one sixth of the ministers and an equal number of elders in attendance. Each minister attends once in six years to help formulate the policies of the Presbyterian Church. At the present time there are over 40 Presbyteries and 8 Synods across Canada.

The W.M.S. celebrated its centennial in 1964. On the local level the W.M.S. and Y.W.A. groups support the children's groups of the church. — Children of the Church, C.G.I.T.; and Explorers as well as supporting the Missionary Society in Canada and overseas. Delicious refreshments were served by the hostesses, Mrs. McCleery and Mrs. Smellie.

The Soviet pavilion at Expo 67 has a floor area equal to six football fields. Its most prominent feature is a soaring rectangular roof which reaches a height of 138 feet.

CHATEAUGUAY VALLEY MUSIC FESTIVAL TO OPEN APRIL 19

The C.V.M.F. will begin on Wednesday, April 19, in St. Paul's School, Beauharnois, with the presentation of school choirs. The Wednesday sessions will begin at 9.30 until noon, the following day will be an all day session. Friday the sessions will be at Ormstown, in the High School with glee clubs, Church choirs and other vocal groups. There will be evening sessions on Friday, while the piano participants will be heard on Saturday, April 22.

The following week, the Festival will be in full swing with an unprecedented number of entries. The presentation of trophies will be the feature of Friday evening April 28 and the Best of the Festival, will be presented on Saturday evening, April 29.

A list of donors will appear in next week's Gleaner.

MONTREAL PEOPLE TOUR SUGAR AREA OF FRANKLN

There were about 80 persons from the Rosedale United Couples' Group, Montreal, who motored to Franklin Centre to make a tour of some of the sugar bushes in this district and sample some of the real Maple Products on the spot.

They visited the bush of Mr. and Mrs. Donald Ednie and saw the "pipe lines" at work, then went to the United Church Hall where they were received by some ladies of the congregation who served them with tea, coffee, milk and soft drinks.

After lunch A Home Bake Sale was held, put on by the ladies of the Church for the benefit of the Sunday School. Around $30 was cleared for the S.S. After lunch they made a tour of Mr. and Mrs. Peter Ednie's sugar bush, where "Taffy" on Snow was served them. This completed their outing for this year.

CENTENNIAL PROJECT..FUND GAINING SLOWLY NOW

Following is a list of contributions to the Huntingdon Centennial Project under the auspices of the County Civic Centre committee.

This is moving very slowly, but it is advancing each week. Most of the expenses have been taken care of to date and it is likely that after the first launching of the campaign these will not be as heavy in the future. The committee is hoping for some larger contributions in the near future to help build up the fund more rapidly. It is especially hoped that news will be forthcoming soon of a grant from the Provincial Government. It is further hoped that when this is announced that it will be quite substantial.

Following is a statement of receipts and expenses showig balance now on hand.

Balance from previous statement	$ 757.12
Received from canvassers and out-of-town letters	$1,871.50
	$2,628.62

Paid to Huntingdon Gleaner:

Receipt Books for Drive	35.62
Pledge Cards	27.01
Centennial Brochures	230.62
Envelopes	33.77
Letter Heads	50.70
Labels for Cans	23.74
Dance Tickets	12.17

Paid to Braithwaite Brothers:

Paint for Sign	8.48
	$ 422.11
Balance on hand March 31st, 1967	2,206.51
	$2,628.62

Further donations received from: Miss Norma W. Lunan, Mr. A. A. Lunan, Mr. and Mrs. Bruce M. Scriver, Mrs. H. Elder, Mr. and Mrs. R. Irving Roberts, Ladies' Auxiliary Canadian Legion, Huntingdon, Mrs. R. Cuthbert.

N. E. Designs..

(Continued from page 3)

fingers to grip in a normal fashion.

The fingers are jointed and simulate normal movements. The upper joints on the first two fingers are articulated to aid in grasping small objects when the hand is closed. Springs are provided in the various mechanisms to allow the fingers to conform to irregularly shaped objects. In addition, all the finger joints are arranged to provide a resilient action, so that they will yield on contact with stationary objects.

Although the original laboratory prototype of the new hand is made of aluminum, scientists at the Labs are experimenting with modern plastic materials in an attempt to reduce the weight as much as possible. Hands made of acetal resin, for example, will weigh as little as seven ounces. It comes in two sizes-for adults and children.

The R & D Labs will turn over the new hand to the Rehabilitation Institute of Montreal for clinical testing and adaptation to existing artificial limbs. Partial assistance for the artificial arm development program is provided by a grant from the National Research Council.

Provincial Camping...

(Continued from page 3)

these units are in 14 parks within a radius of 80 miles of Montreal.

The Tourist Branch will again publish this year a list of all camping grounds and trailer parks that hold a licence issued by its Hostelry Division.

ORGANIC GARDENING AND FLOWER CULTURE

L. G. LEVIE

POTTING SOIL

In choosing POTTING SOIL, or preparing soil for indoor plants, it is important that each POT have good drainage and aeration. The soil should be light and loose and well supplied with humus. It should be made up of one half good loamy garden soil, one quarter well-rotted leaf mold, and about one quarter sand.

Loamy garden soil is a medium grade soil, it is neither clay, muck, sand or gravel. It is a mixture coarse grained than clay, finer than sand, and contains organic matter.

Well-rotted leaf mold, is a friable mixture of decayed leaves and varying quantities of earth and it is produced in compost heaps.

Sand is a material consisting of the mineral parts of the soil. Chemically it is almost pure quartz or silica and therefore has very little or no part in providing plants with food. But sand mixed with stiff heavy clays make the clay looser and more friable; or to loose soils it gives them more body and substance. Sand is gaining a new importance in greenhouses Plants such as carnations, sweet peas and others can be cultivated in sand that is fed regularly and constantly with a weak solution of certain chemical substances completing a diet demanded by that particular kind of plant. Because sand can be cleaned by water, or sterilized by heat or chemicals between crops without being taken out of the benches; it does away with much labor that is otherwise necessary in removing and replacing soil every year or so.

Never let the plants suffer from lack of moisture. They should be watered early in the morning so any excess water will have drained off or evaporated before night.

All indoor plants require additional food during their active growing and flowering seasons. A liquid food made of high grade fertilizer, or a dry form can be used that would be equally effective.

To obtain excellent blooms and healthy plants it is well to build up a fertility with bonemeal. This will create sufficient fertility to grow practically any type of plant that you would care to grow. The fragrance of their flowers will be exhilarating and their beauty unrivalled.

Boneeal contains a very large proportion of phosphorous and a much lesser quantity of nitrogen. It is not an immediate acting agent but will feed your plants for a long time once it is incorporated into the soil, it will induce profuse long lasting flowers, especially for roses. It is good for indoor plants, greenhouses and gardens.

Seniors Meeting

The Seniors held their final meeting of the season on Wednesday, March 29th. At 11 a.m. the curlers went on the ice to play a special round in the Brown Bonspiel, the funds of which go to the Barrie Memorial Hospital.

While they curled, the ladies hustled about preparing a fine dinner which was served at 12:30 to about 50 members. Among those seated at the head table were the Rev. William Brown and Mrs. Brown donors of the Brown Trophy, President J. D. Lang, Secretary, Treasurer, James Marsden and table host and hostess Mr. and Mrs. Gordon Easton.

There were platters of ham, salads, pickles home-made rolls, and lemon, cherry and mince pies. A satisfying meal thanks to the efforts of Mrs. Hiram Reddick Mrs. William Guynan and their able assistants.

President J. D. Lang suggested that a short rest was in order, before starting the second round of curling. He started the fun by elling a few jokes then called on the Vice-President, Mrs. J. Roy Younie for a reading. "The Parson by Gregory Clark was delightful — Clark a his best. Everyone enjoyed the singsong conducted by the Rev. Wm. M. Brown, with Mrs. W. Logan at the piano. Various combinations of singers surprised themselves by assisting Mr. Brown and it was great fun.

The curlers returned to the ice at 2 p.m. for the final games. The ladies hurried through the work that follows every meal, then played the usual games or visited.

A pleasant hour was spent together before the meeting closed. At this time six ladies, Hazel Bradley, Martha Logan, Florence Crawford, Nellie Tolhurst, Grace Younie and Agnes Milne, members of a Guild, held a meeting to decide who would robe the new minister. They gave a lively performance and judging by the laughter the folk enjoyed the reading of this play.

The present slate of officers was appointed to the Nominating Committee for the 1968 slate.

Mrs. W. Logan and Mrs. Johannsson of the Enertainment Committee presented the prizes. The main curling event was won by Mr. Fontaine (skip), Gordon Easton, Melville Kerr, Wallace Elliot. Runners-up H. Johansson (skip), Martha Allen, Bduce Cairncross, Lois Elliot. Plate glass skip prizes were won by Mrs Richard Champ and Mr Hight.

One draw was made to give a prize to those who had played cards, scrabble and Chinese Checkers. It was won by Mrs. William Stewart. Mrs. W. E. Bradley won the weekly spot prize and Mrs. William Allan the door prize which was donated by Mr. Fontaine.

Folk were reluctant to leave they had enjoyed so much the weekly gatherings during the winter months. The officers and committees worked harmoniously and all are looking forward to next season.

C.G.I.T. Event

An event sponsored by the Siloki, C.G.I.T. was held at the United Church Hall on Thursday evening, March 30th. A movie, The Chalk Garden was the featured entertainment and young and old enjoyed it. Refreshments were served.

W.M.S. Meeting

The Georgetown W.M.S. met at the home of Mrs. T. Kerr on Thursday afternoon, March 23rd. Mrs. R. McFarlane opened the meeting and led in responsive scripture reading and prayer. Mrs. W. Logan read the minutes. The Roll Call was answered by 17 members with a verse containing the word "Cross".

Letters were read from Mrs. J. Armour, President of the Montreal Presbyterial and from Miss Ferguson asking that an effort be made to increase givings in the coming year also that an effort be made to increase membership for the Centennial year.

Mrs. W. Logan assisted by Mrs. Mervin Craig, Mrs. R. McFarlane and Miss Lois Elliot, presented an interesting study of "Church Growth in the West" telling of the outstanding work done by such people as Dr. John Black, Rev. James Robertson and others. Peter's sermon, Acts 2, Verse 32 to the end was read followed by an interesting discussion. Members were asked to read, at home, before the next meeting, Acts 8 Verse 1 to 8 and 14 to 17. Mrs. R. McFarlane closed the meeting with prayer.

ersonals

Guests of Dr. and Mrs. Wilfred Watson during the Easter week-end were Miss Eillen Whillans of Montreal, Mr. and Mrs. MacKenzie Watson and Peter of Toronto, Mr. and Mrs. Ian Watson and Mark of Ottawa, Mr. and Mrs. Donald Watson and Leslie Ann of Glenelm and Mr. David Watson of Toronto.

Mrs. Alice English of Montreal was an overnight visitor at the home of Mr. and Mrs. Lincoln West. Other guests at at the same home were Mrs. George West and Mrs. Ranger of Coteau Station.

Beverly Robson of Huntingdon, spent two days with Mr. and Mrs. Gerald Rowat, Academy Street. Other guests at the same home were Mr. and Mrs. Alvin Arthur and Wade of Ottawa.

Mrs. Russell Logan and Miss Barbara Logan, spent a week visiting with Mr. and Mrs. Hanafin in Toronto and Mr. and Mrs. Harold Birchmore, Brampton, Ont.

We are glad to know that Mr. Boyd Paige of Howick High School Staff has returned from his home at Knowlton, following an absence of one month due to a skiing accident. Mr. Paige broke two bones in one leg. The leg is in a cast and he will be using crutches for at least another month. Our best wishes to him for a speedy recovery.

The world exhibition, of 1958 in Brussels, had as its theme, "Balance Sheet for a More Human World." The theme of Expo 67 is "Man and His World."

Une partie du coût de maintien de la piscine sera défrayée par la ville

L'assemblée régulière du Conseil de Huntingdon avait lieu lundi soir à l'heure et au lieu habituels.

Le secrétaire fit la lecture des minutes de l'assemblée précédente qui furent approuvées.

Puis le maire invita la délégation du C.C.C. à s'adresser au Conseil.

M. K. Renwick expliqua que le comité voulait savoir à quoi s'en tenir quant aux intentions du Conseil municipal au sujet du maintien de la piscine après son érection. Il mentionna le fait qu'en certaine occasion des membres du Conseil avaient laissé entendre que la Ville s'en chargerait.

Le maire répondit que la majorité du conseil avait promis que la ville s'occuperait éventuellement du maintien de la piscine. Mais avant de se prononcer définivement ils désirent savoir ce que les organisations locales ont l'intention de faire pour aider à en défrayer le coût.

Mme Cameron fit part d'une lettre reçue d'une organisation semblable à ce qu'on envisage ici et disant que le coût d'opérations pour une saison s'élevait approximativement à $4,000 par année (pour sauveteurs, moniteurs, préposés à l'entretien, etc.).

M. E. Sénécal fut d'opinion qu'il n'avait jamais vu un projet aller jusqu'au bout à Huntingdon parce qu'il y a toujours eu de la dissension. Il espère que cette fois-ci tous travailleront main dans la main pour enfin se rendre "Jusqu'au bout".

Mme Cameron dit à son tour que toutes les organisations locales font tout leur possible pour aider la cause et croit que le Conseil devrait faire un effort spécial puisque ce projet est pour marquer le Centenaire de la Confédération de notre pays.

Après une longue discussion une résolution fut adoptée. Elle se lit comme suit: Proposé par M. Brisebois secondé par M. McGerrigle que la Ville de Huntingdon contribue jusqu'à $2,500 annuellement pour l'opération et le maintien de la piscine proposée qui doit être érigée sur l'île Russell quelle que soit l'organisation qui administre cette piscine. Adopté.

Un résident s'adressa au conseil pour se plaindre du fait que l'eau avait pénétré dans son sous-sol causant des dommages à divers item. Le conseil regrette de ne pouvoir rien faire dans un tel cas.

M. W. Wilson demanda la permission d'installer deux remorques (maisons mobiles sur une partie du lot 296. Un permis temporaire d'un an lui fut accordé; après ce temps, si les remorques doivent demeurer sur ce site, il devra faire une fondation selon le règlement établi.

Correspondance

Une lettre des Etoiles de Notre-Dame demandant de l'aide pour acheter des contenants pour leurs tambours. Les membres du conseil ont exprimé leur appréciation pour ce groupe disant que nous devrions tous en être fiers et que le fait qu'elles seront en vedette à l'Expo sera une bonne occasion de nous faire connaître. Un octroi de $200 fut voté.

Le Festival de Musique de la Vallée de Châteauguay recevra pour sa part la somme de $25. pour répondre à leur demande d'aide financière.

Les Scouts de Huntingdon qui doivent envoyer deux de leurs membres au Jamboree à Idaho au cours de l'été se sont aussi adressés au Conseil. On leur fera parvenir un chèque de $25.

Les factures du mois furent ensuite lues et approuvées pour paiement.

M. Cappiello informa ensuite le conseil du fait que M. Frank Fournier de la Commission du Centenaire lui avait rendu visite le 30 mars. Ceci au sujet du départ de la Caravane du Centenaire qui doit être ici les 1er et 2 mai. Le Gouvernement donnera un banquet à cette occasion le 30 avril et demande au Conseil de faire les arrangements nécessaires. Il y aura des représentants des gouvernements fédéral et provincial, du clergé, de toutes les municipalités environnantes. La ville doit également voir au programme récréatif et les chorales locales seront de la fête. Il y aura également des cérémonies spéciales le 1er mai et on compte sur l'administration locale pour en régler les détails.

Par rapport à l'Expo, trois officiers seront assermentés pour être en devoir en cas de nécessité; ils travailleront seulement quand ils auront été autorisés par le conseil.

La prochaine assemblée aura lieu mercredi le 3 mai, à cause de la présence de la Caravane les lundi et mardi de cette semaine.

50e anniversaire du droit de vote des femmes

Le ministre des Postes, Jean-Pierre Côté, a annoncé la semaine dernière que les Postes canadiennes émettront le 24 mai 1967 un timbre de 5 cents pour marquer le 50e anniversaire de l'année où les femmes canadiennes ont, pour la première fois, été autorisées à voter aux élections fédérales.

Bien que le droit de suffrage aux élections nationales n'ait été définitivement accordé aux femmes canadiennes qu'en 1918, la loi électorale de 1917, dite de temps de guerre, avait déjà reconnu le droit de vote à celles dont les proches parents servaient dans les forces armées.

Par une heureuse coïncidence, le nouveau timbre s'inspire d'un dessin de Helen Fitzgerald, de Toronto. Il est de dimension moyenne, de format vertical, et de trois couleurs: le mauve, le noir et le gris. Le dessin, une figure sur un socle, ou paraît un bulletin de vote, symbolise la victoire de la femme dans sa lutte pour le droit au vote. Mlle Fitzgerald a remporté un succès des plus remarquables dans le dessin des timbres. Au cours des quelques dernières années, les Postes canadiennes ont précédemment adopté six de ses dessins.

Le timbre du suffrage des femmes a été tiré à vingt quatre millions et demi d'exemplaires, par le procédé de la lithographie. L'impression en a été faite par la Canadian Bank Note Company Limited, d'Ottawa.

Chez les Chevaliers de Colomb

Les Chevaliers de Colomb de Huntingdon ont tenu leur assemblée mensuelle jeudi le 23 mars. Les minutes de la précédente réunion ont été lues et furent approuvées.

A cette rencontre nous avions l'honneur de recevoir M. Paul-Osée Leduc qui dans le moment, fait un magnifique travail pour l'Ordre des Chevaliers de Colomb.

Aussi, notre député de district, M. Adélard Vallée qui nous a entretenu sur un sujet fort intéressant et apprécié par tous nos frères.

Maintenant des nouvelles de l'Expo. Nous avons reçu dernièrement des diapositives de l'Expo "67"; ces photos sont mises à la disposition de toutes les organisations de la municipalité.

Enfin, les Chevaliers de Colomb se rendront à Ste-Agnès, le 16 avril prochain pour assister à la messe.

Notes sociales

Dimanche, le 26 mars dernier, Mme Alouine Leduc donnait une réception en l'honneur de sa fille Monique à l'occasion de ses fiançailles au docteur André Cécyre, M.V., fils de M. et Mme Anatole Cécyre de Châteauguay.

M. et Mme Eugène Sauvé, recevaient à Pâques: le docteur et Mme Jean Marc Sauvé et leurs enfants de Châteauguay, M. et Mme Hubert Sauvé et leurs enfants de Châteauguay, M. et Mme Jean Claude Sauvé du Nouveau Bordeaux, Mlle Louise Sauvé, T.L. de Montréal, M. et Mme Pierre Sauvé, M. Alain Sauvé de Cornwall et Mlle M. Leduc de Beauharnois.

M. et Mme Fernand Gagné et leurs fillettes Linda et Brigitte visitaient M. et Mme Aldéric Beaulieu le 26 mars dernier.

M. et Mme Pierre Beaulieu et leur fillette Pascale de Hull ont passé la fin de semaine de Pâques chez M. et Mme Emile Beaulieu.

Samedi le 25 mars dernier, Mme James Lussier recevait: M. et Mme Louis Lussier et leur famille, M. et Mme Roberts de Montreal, M. et Mme Marcel Roy et leurs enfants de Châteauguay, M. et Mme R. Lussier et leurs enfants de Verdun, M.. et Mme Roger Soucy et leurs enfants de Canton, Conn. Mlle Simonne Lussier et M. Frank Hohn de New-Brittain, Conn., M. et Mme Victor Langlois de Verdun, M. et Mme Arthur Primeau et leurs enfants de Châteauguay,, M. et Mme Roger Lussier de Lachine et M. et Mme Gowan de Ville Emard.

Meilleurs souhaits de bonne fête à Denis Roy, étudiant à l'Université de Sherbrooke, à l'occasion de son anniversaire; de la part de ses parents: M. et Mme Charles Roy et de ses frères et soeurs.

Meilleurs souhaits de bonne fête à Madeleine Leduc, étudiante à l'école Edgar Hébert de Valleyfield, à l'occasion de son anniversaire de naissance le 9 avril; de la part de ses parents: M. et Mme Adélard Leduc, et de ses frères et soeurs.

Meilleurs souhaits de prompt rétablissement à M. Jim Smith qui est actuellement hospitalisé.

Décès

Décès M. Lorenzo Schink

Mercredi le 5 avril en l'église St-Malachie d'Ormstown eurent lieu les funérailles de M. Lorenzo Schink.

Incendie

Dimanche le 2 avril vers cinq heures, un violent incendie détruisait des bâtiments de ferme ayant autrefois appartenu à M. Raymond Graham, propriété du Dr. Paul Tie Ten Quee, aux limites de la paroisse d'Ormstown.

Activités Cercle des Fermières

Mardi le 11 avril prochain aura lieu l'assemblée mensuelle du Cercle des Fermières, sous la présidence de Mme J. Paul Beaulieu.

Activités scolaires

Lundi le 10 avril prochain, à 8.30 h. p.m., il y aura une assemblée spéciale à l'école Jean XXIII, à propos de l'organisation de classes maternelles: tous ceux qui ont des enfants âgés d'environ cinq ans sont invités à y assister.

Première communion

Dimanche le 9 avril, à la messe de 8 heures a.m., aura lieu la première communion solennelle des enfants.

Howick

Le Cercle des Fermières de Howick tenait une partie de cartes et bingo qui a remporté un grand succès samedi dernier.

La présidente, Mme R. Mailloux souhaita la bienvenue aux personnes présentes et se dit heureuse de voir plusieurs personnes des paroisses environnantes. Les dames Fermières sont reconnaissantes aux donateurs de prix. M. Hermas Demers et un Monsieur de Ste-Martine ont gagné chacun $10. tandis que Mme Jos. Amyot en récoltait $5.

M. Antoine Meunier, maire du village de Howick et son épouse étaient présents. M. Meunier adressa quelques mots et exprima l'espoir qu'il y aurait d'autres soirées du genre qui permettent de fraterniser.

Un goûter fut servi et M. le curé Jeannotte entonna l'hymne national pour clôturer la soirée.

Souvenirs et papillons

Les souvenirs de nos vingt ans
Sont de jolis papillons blancs
Qui nous apportent sur leurs ailes
Du passé de tendres nouvelles
On les adore à l'infini
En notre coeur ils ont leur nid
Les souvenirs de nos vingt ans
Sont de jolis papillons blancs

—o—

Les souvenirs de nos soucis
Sont de vilains papillons gris
On a beau leur donner la chasse
A nous peiner ils sont tenaces
Mais dès qu'arrivent les beaux jours
Ils disparaissent pour toujours
Les souvenirs de nos soucis
Sont de vilains papillons gris

—o—

Les souvenirs des jours heureux
Sont de jolis papillons bleus
Notre cerveau les accapare
Car ils sont infiniment rares
Ils repartent, vont faire un tour
Mais ils nous reviennent toujours
Les souvenirs des jours heureux
Sont de jolis papillons bleus.

NETTOYONS NOTRE VILLE POUR LA VENUE de la CARAVANE
LES 1er et 2 MAI

Tournoi des ligues de sacs de sable

Les 1er et 2 avril derniers, il y eut tournoi Individuel "DOW" à la paroisse St-Eugène à Valleyfield. ICI ET LA

La glace est descendue

Depuis quelques jours, on surveillait la rivière Châteauguay pour ne pas manquer la descente des glaces. Cela s'est produit samedi après-midi et une foule s'était rendue pour voir ce spectacle de la glace poussée par le courant et qui descend la rivière. Depuis, avec la pluie de dimanche soir, le niveau de l'eau a monté considérablement. mais on ne rapporte pas encore d'endroits où la rivière aurait débordé comme cela se produit presque à chaque printemps.

Que la lumière soit

Entre deux questions sérieuses discutées, les conseillers étaient heureux de nous informer lundi soir que quatre des lumières du pont Henderson sont maintenant en état de fonctionner. Les deux qui manquent ne devraient pas tarder à être installées également. Cette nouvelle plaira certainement à tous ceux qui déploraient le fait que ce pont manquait assurément d'éclairage adéquat.

On se régale

Il n'a pas fallu grand temps aux clients saisonniers du camion de M. Pivin pour s'y rendre dès qu'on a su qu'il avait commencé ses opérations pour la belle saison. Ses chiens-chauds sont réellement bons et les amateurs disent qu'il faut aller loin pour en trouver des pareils. Il y a cependant l'inconvénient du stationnement qui cause chaque année un problème; espérons qu'on trouvera un moyen d'éviter qu'il y ait congestion à cet endroit.

Filles d'Isabelle

Juste un mot pour rappeler aux membres qu'il y a assemblée ce soir à 8:15 à la salle.

Bonne nouvelle

N'oubliez pas de lire la bonne nouvelle au sujet de l'école régionale.

Invitation

Voulez-vous que cette page soit vivante? Aimeriez-vous y lire plus d'articles d'intérêt pour les membres de vos organisations? Il suffirait que les secrétaires nous fassent parvenir les compte-rendus des assemblées régulières. Nous nous ferons un plaisir de les publier.

25ième anniversaire

Plusieurs parents et amis s'étaient réunis à la salle des Chevaliers de Colomb samedi soir dernier à l'occasion du 25ième anniversaire de M. et Mme Conrad Ringuette.

A leur entrée dans la salle et aux applaudissements de tous, leur fille Madeleine présenta à sa mère un joli corsage de boutons de roses et à son père un oeillet blanc. Leur fils Richard était maître de cérémonies. Au nom de tous il offrit ses voeux de santé, bonheur et longue vie à ceux qui, dit-il, malgré de très humbles débuts, ont réussi à pourvoir aux besoins d'une famille nombreuse malgré toutes les difficultés qu'ils rencontrèrent.

Au son de la musique du trio Albert Godin, les danseurs s'en donnèrent à coeur joie jusqu'à très tard dans la soirée. Un délicieux goûter fut servi et de jolis cadeaux furent offerts aux jubilaires dont quelques-uns par le Cercle de Fermières local.

M. et Mme Ringuette sont très reconnaissants envers les organisateurs de cette belle fête et remercient tous ceux qui y ont assisté.

Départ

Vous pourrez lire dans la section anglaise le compte-rendu d'une soirée d'adieu qui avait lieu samedi dernier en l'honneur de M. et Mme Leslie Sanderson, gérant de la succursale locale de la banque Canadienne Impériale de Commerce. M. Sanderson a été nommé à St-Jean et quittera donc notre ville dans les prochains jours.

Son remplaçant, M. Léonard Taylor sera ici sous peu. Nous lui souhaitons la plus cordiale bienvenue dans notre milieu.

Beau succès

Egalement dans la section anglaise, vous pourrez lire un compte-rendu de la soirée de gala, présentation des dernières nouveautés de la mode printanière et des coiffures dernier cri qui avait lieu récemment à Huntingdon. Cette organisation sous les auspices de Elite Dress Shoppe et Salon Claude remettait la semaine dernière les profits de la soirée au président de l'association de la Vallée de Châteauguay pour enfants exceptionnels. M. Keith Renwick, un chèque de $316.18 représentant les recettes de cette soirée. C'est la troisième fois que cela se produit et c'est tout à l'honneur de ceux qui contribuent au succès de cet événement annuel.

Andrew Delisle Commissioner Of Expo 67 Indian Pavilion

Grand Chief Andrew Delisle has been appointed Commissioner of the Indians of Canada Pavilion at Expo 67. As Commissioner, Chief Delisle will play a leading part in welcoming leaders from countries all over the world to Indian participation in Canada's principal expression of its Centennial Year. Mr. Delisle will greet Her Majesty Queen Elizabeth and Prince Philip, who will visit the Indian Pavilion during their brief visit early in July.

The Indian Pavilion is next to the pavilions of the Atlantic Provinces and the Canadian Pavilion itself.

Indians from all parts of Canada have played parts in the conception and implementation of the Indian pavilion. Indian painters, carvers and other artists have worked to translate the concept which evolved into a form of significant expression.

The main wish of the Indian people behind the pavilion honouring their heritage is to present a picture of the problems they face, living as they do, side-by-side with an advanced modern technological society.

Chateauguay Group Of Lachine General Hospital Women's Auxiliary Annual Report

Membership: 20.

Eight regular monthly meetings were held during the year. Two morning coffee parties, a flower arranging demonstration, which was held the evening of the Membership Tea in October, and a Christmas Tea and Sale were the social activities of the year.

A drawing for 2 Expo 67 season Passes made it possible for the group to donate $158.00 to the Lewis Brown Memorial Library and $125.00 to the Medical Library.

In addition to the regular magazine collections of 408 magazines and books plus 2 cartons of approximately 50 magazines, one of the local Scouts and Guides groups collected Magazines, Toys and Games for the Lewis Brown Memorial Library, and the Pediatric Ward of the Hospital. During the year, the members also collected 10 games for the Pediatric Ward.

6925 Swabs and a total of 10 sets and 24 single knitted articles, valued at $67.70, as well as donations to the Coffee Cup and Aux Cart worth $4.00 were made during the year. There were 3 collections for the Good-As-New Shop and 18 gifts were collected for the Festive Fair.

A collection was made in April for the Caughnawaga Children's Hospital which realized 24 pairs of pajamas.

There have also been 15 articles about our Group in the local Newspapers.

Your committee, as well as myself, wishes to take this opportunity to say how grateful they are to all the members, volunteers and friends who have so generously given of their time and talents. Your efforts, your confidence and your support have been most gratifying. Our pride in our accomplishments is indeed warranted.

The balance of stuffed animals and children's items were given to Mrs Leroux to be distributed to an orphanage.

Income amounted to $776.89 and Expenditures were $528.37. Balance in the bank at Dec. 31st., 1966 was $248.52.

LETTER FROM
SEIGNIORY PARK
by
FERGUS HORSBURGH
Route Boys:
ROLAND and PAUL LUSSIER
373 St. Francis 691-0782
FRANK TOTH
388 Woodbine 691-2495

Rev. Ronald Nash and son Tim, former Seigniory Parkers have been house guests of Mr. and Mrs. David Walker of Montcalm.

When the snow magically disappeared from Woodbine Park last weekend some of the grass seeds planted last fall were seen to have germinated.

It is early to tell if there has been a large percentage of germination, but the next week or two will tell the tale. If the germination is unsatisfactory the contractor will reseed.

Once the thaw made its long-delayed start, the accumulated ice-snow of the winter disappeared almost as we watched it. A feature this year has been the orderly run-off of water. So far as I know, it was not necessary for the Town work-force to unfreeze any culverts, which is most odd.

I ran into former Seigniory Parker Ken Perry in Place Ville Marie last week. Ken is very well, and his many darts friends will be glad to know that he plans frequent visits to the Club to keep his hand in at the double and triple top.

Schools, including the Nursery School, have re-opened after the Easter holidays. The Nursery School will close for the summer on the last Friday in April. Registration for next year's school is underway. It has been decided that exceptions cannot be made to the requirement that Mothers of children in the school must do their stint as "duty-mother", approximately once per month. The school will be hed in a house on Montcalm next year. The Election meeting of the Pre-School Association will be held on Monday, April 24th. The nominating committee will be circularizing members with names for the new slate of officers in the very near future.

Home owners Sports Director Herb Clayton, who has been an outstandingly conscientious and hard worker ever since he took office last September, tells me that 6 to 16 year old boys will have a second chance to give their names for soccer registration for play this spring and summer. Place is Laberge School gymnasium at 10 a.m. to noon on Saturday, April 8. For information call Mr. Clayton at 691-9583.

Word is awaited shortly from Provincial Transport as to when they will institute the re-routing of buses along Maple and St. Francis. This route should be a boon to practically the whole community. I say "practically" advisedly, because St-Francis residents are far from enthused over the idea. Let us hope that the police will, from the start, enforce rigid control of traffic regulations.

The Nursery School Mothers were due to hear the previously postponed talk on sex education for three-year olds by Miss Doyon last Monday evening. An account of the lecture will be given in next week's Gleaner.

For a long time I have been anxious to include far more news on above the line happenings, but all my eforts to find a correspondent there have failed. If anyone is interested, please call me at 691-1581.

Motel Units In Chateauguay Centre

It is reported that an announcement will be made shortly regarding plans for a 1000 motel unit project in Chateauguay Centre. Also awaited is word on the Centre's plans for a helicopter port to ferry passengers between Chateauguay and Expo.

Maple Home And School News

The program for the next general meeting of Maple Home and School Association deals with Physical Education.

A demonstration of a regular Grade three Phys. Ed. class will start off the evening. Mr. Roy Mader, in charge of Phys. Ed. instruction in Maple School will put the students through their usual daily course, to show parents what this particular subject consists of.

The second part of the program will be a talk by Mr. Brian Cleary, Professor of Physical Education at Macdonald College, Mr. Cleary's talk, with emphasis on Primary grades will deal with the purpose, the reasons, whys and wherefores of Physical Education. He will also show slides on the subject.

As there will be one grade three classes in the demonstration, the program will begin sharp at 7:30 p.m. date Tuesday, April 11. Place is Maple School Gymnasium on McLeod Avenue.

Please be on time, so that the little grade three-ers may not be kept up late. The whole program is expected to finish at 9:30 p.m. All adults are most welcome to attend.

MODEL OF KATIMAVIK ON DISPLAY AT FINCH MERCURY SALES IN CHATEAUGUAY

As a special preview to Expo, anyone in Chateauguay can visit the display of "Katimavik", the inverted pyramid that is Canada's Expo pavilion, now on view at Finch Mercury Sales Ltd., 190 St. Jean Baptiste Blvd. (Hwy 4).

This display was officially opened by Mr. H. Leslie Brown, Commissioner General of the Canadian Government Pavilion, last Monday evening, April 3rd. The display will be open from now until April 28th — Expo opening day — from 10 a.m. to 10 p.m. Monday to Friday and on Saturdays until 5 p.m. For anyone interested in Expo — and who isn't — this should be a most interesting preview. The Chateauguay Centennial Committee are to be congratulated on their initiative in securing this "preview". It will be far more satisfying than those tantalizing glimpses through binoculars while dawdling dangerously slowly along the new route 3 where it runs alongside the Seaway and opposite Expo.

The theme of Katimavik — Eskimo for "meeting place" in case there is anyone who still has not heard that, is how Canadians meet their own peculiar challenges of climate, distance and communications.

The actual building covers 21 acres on Ile Notre Dame, so one will be considerably less footsore visiting the Chateauguay preview. It might be a good idea to take those children too, who are too young to go to Expo.

Brownie Fly-up And Party Held

A fly-up and party was held Friday, March 31st at Our Lady of Perpetual Help Church Hall, in which eleven little Brownies were made tenderfoot Guides.

Patricia McKenna flew up to 5th Company and Mrs. Maher and her Patrol Leader welcomed her.

Marilyn Halfyard and Linda Holt, lew up to 4th. Company and were welcomed by Mrs. Suss and her Patrol Leader.

Deborah Arkwright, Sharon Briand, Ethna Ford, Kathleen McCanny, Judy Palmer, and Tina Rossi lew up to the 6th Chateauguay Company.

Melanie Cooper and Elaine Rowat were blown up by their Brownie Packs to the 6th. Company.

Mrs. Boudreau, Captain of the 6th Company received her new little recruits and asked all Brownies and Guides to participate in games and songs.

Clare Keenan, Tawny Owl and Donna Houseman, Packie, of the 10th Chateauguay Brownie Pack are to be congratulated for all the time and effort spent in preparing the Brownies for their Wings.

Mothers of the Brownies and members of the Catholic Women's League served tea, coffee and delightful refreshments to parents and friends, and the party was heartily enjoyed by everyone present.

Drive-In For Chateauguay

By Russ Faughnan

The recent announcement of changes in Quebec Government policy regarding movie theatres should spur Chateauguay's interests into immediate action. What an opportunity for local civic authorities to gain some added tax revenues. And finally, what an opportunity for local commercial interests to increase their sales volume.

In fact, something for all. New business, new revenue, new jobs — all producing more tax income to help our over-burdened populace. Let's get a Drive-in theatre for Chateauguay. A perfect site would be at the junction of Highways Three and Four. Right near the shopping centre. Perhaps local by-laws can be amended to allow merchants the right to open every night until nine p.m. What a boon to our commerce. Anyone who takes a drive to the Champlain area on a summer's evening can attest to the fact that more than 75% of the cars at both Shopping Centre and Drive-in are Quebec. And it seems to me, a very large percentage are from Chateauguay. So here we are with our stores closed tight and there is our buying public, pouring money into American cash registers.

Oh yes, there's the moral aspect. De we want our kids necking in cars at Drive-ins? Watching provocative movies that they are "protected" from seeing here in Quebec. Let's face it, kids will neck in cars or elsewhere if they are so inclined. In fact, those that are can be seen, below the border. At least if they were doing it here, they would be spared the long dangerous drive home. Besides, as a frequent Drive-in goer, I can say that there are a heck of a lot more families at these places than would be imagined by the average protector of public morals.

As to the movies themselves, have you looked at TV lately? There is certainly nothing on the Silver Screen that can beat out what can be seen on the idiot box.

So, there is just no argument. More business for all, more taxes, more jobs, and convenience for all. Step right up folks, who is going to take the plunge?

Regional School To Be Built In Chateauguay Centre Area

It was announced recently that the Department of Municipal affairs has approved the erection of a new French Catholic Regional High School whether you have children in school or not.

close to Ville de Lery.

Mr. Bernard Vinet, chairman of the Youville Regional School Commission, stated that the new school will cost approximaely $3,500,000, will accommodate some 2500 pupils, and will be in operation for the 1968-1969 school year.

Easter Puppet Show For 9th Chateauguay Brownies

The 9th Chateauguay Brownies were promised a surprise for Easter and at their regular meeting on Wednesday, March 22, surprised they were indeed, to find the Brownie Meeting place turned into a theatre, complete with stage and they were treated to a Puppet Show.

The Story was simple, Peter Rabbit was busily painting eggs for the Princess and one night while he was asleep Puffy the Dragon from the Enchanted forest stole the eggs. It all had a very happy ending for he didn't steal them to eat them, he just wanted for once in his life to play the part of an Easter Rabbit and present the eggs to the Princess himself. In the last act the Princess and Casey dance the minuet, accompanied by the magical music box.

A special vote of thanks goes out to Mrs. H. Viereck for presenting the puppet show and to her assistant Mrs. the show so very much and Fabio. The Brownies enjoyed the show so very much and are hoping that Mrs. Viereck will return again with her puppets and put on another show for them.

Chateauguay Centre United Church

At the Sunday morning service the Explorers gave their Mission Exploration proceeds to the M. and M. Offering of the Church — The Lenten Easter Offering for purposes outside our congregation amounted to $135.80 to date.

The Congregational Pot Luck Supper, Saturday, April 15th, at 5.30 p.m. If you plan to be there with your family please call Mrs. J. Edwards (Betty) at 691-0261, as soon as possible.

Next Sunday morning (April 9th) at 9:30 a.m. for Junior and Intermediate pupils, Mr. Moss Marlin will tell something of available camp life under Church sponsorship this summer. Any non-pupils who are interested are invited.

At 11.00 a.m. Mr. Edwin Raymer of Montreal will represent the Gideons at our morning Service. Rev. and Mrs. Goold will be taking a portion of their holidays and we all sincerely hope they will enjoy a well-deserved rest.

Meetings for week of April 3rd

Monday — Junior Choir (Grades 2 and 3) at 3.30 p.m. 7:45 p.m. U.C.W. Guest speaker Rev. Doug. Jennings of India.

Tuesday — Scouts — Special Meeting of Stewards.

Wednesday — 8 p.m. Senior Choir — In Church: 8 p.m. In Hall, Special Meeting of interested ones to make plans for Couples Club.

Thursday — Cubs, 8 p.m. Meeting of Session.

Friday — Ping Pong — 7 to 10 p.m. Supervised by Mr. Jim Edwards.

Saturday — Explorers at 10 a.m.

Sunday — 7:30 p.m. Evening Study and Fellowship. 8:30 p.m. Hi-C.

Our Church is quite a busy one — but a special Official Board Meeting was recently held to examine our place in the Community. We are trying, but as human beings realize all needs are not yet taken care of. Your suggestions and yes, criticisms would be appreciated — but more than anything else YOU are needed to help wherever your time and talents permit.

MOST RESIDENTS IN FAVOUR OF BUSES ON ST. FRANCIS

It seems that most weary commuters would be glad to see buses routed along St. Francis. In its favour are the following reasons given: — not so far to walk; more protection from the wind in winter, either from houses or trees. St. Francis is less dusty and dirty than the highway. This last was a woman's opinion, needless to say!

This writer feels that, generaly speaking, Provincial Transport bus drivers are competent, that they obey stop-signs, and are observant for children. They are far more careful than the majority of drivers of trucks around this district.

Other people, however, are very much against having buses routed along St. Francis. The general opinion expressed was that the street is dangerous enough as it is, without adding to the hazards by putting buses along it.

So we await the Provincial Transport Co's decision with interest.

SCHOOL PROBLEMS: SOME SOLVED, SOME REMAIN

By Russ Faughnan

Both English and French School systems in Chateauguay are feeling the relief of some solved situations and can now face up to the many problems remaining.

The biggest news is the final approval given by Quebec authorities to the site of the Youville Regional School. The complex will cost well in excess of 3 million dollars and will take in about 2500 French Catholic students. The best of facilities will be available to both teachers and students and will cover all phases of school and recreational activities. Completion date has been rather optimistically set for September, 1968.

On the English side, it now seems certain that all local English speaking students, both Catholic and Protestant will join forces this coming September. Most of the problems inherent in this historic merger have been resolved. A Principal and four Vice-Principals have been engaged. It will be some time before a Protestant school of the regional class is built but we are told that ample space is available, this year.

Among the many problems facing both systems, one of the most immediate seems to be what to do with seventh grade. It has been agreed that this grade will be shifted to High School. Some Elementary students might do an extra year after sixth grade in an effort to make up their weak points. The question is, are our High Schools ready to take over this grade? Are the teachers prepared or even available? It is not a matter to be taken lightly in these days of possible teacher shortage.

And that raises the point of the "Teacher Situation", in Chateauguay. There is no doubt that we will lose some. A few because they are not qualified, others because they are not satisfied. One thing is sure, there will not be an exodus as at first feared. Most have adopted a wait and see attitude. Let us hope that this is one problem that will be quickly resolved.

CONSUMERS' LEAGUE PRESIDENT RESIGNS

It was announced last week that Mrs. J. D. Sizaire, President of Chateauguay Valley Consumers' League, has resigned her office. Mrs. Sizaire was reluctant to discuss the reasons for her resignation, but stated that the League would continue its struggle against rising food prices under new leadership. It is understood that Mrs. Harvest, a prominent executive assistant to Mrs. Sizaire, will be a candidate for President at a League executive meeting scheduled for early this week.

13 HOMES FLOODED ON BEURLING

Heavy damage was sustained last week-end, when thirteen homes on Beurling St. Parkview had their basements inundated with water.

Cause of the flooding was traced to the bursting of a dam at Montée Quesnel in the neighboring parish of Ste. Philomene, 600 feet from the street. Pressure of water coming from the irrigation dam, forced the dam open resulting in an estimated damage in the thousands of dollars.

Some homeowners had finished playrooms in their basements, others with considerable valuables stored.

At the time of writing, it is not known what reparations, if any, are to be made to the damaged homes.

Valleyfield

VALLEYFIELD — The Valleyfield United Church Couples' Club held a Sugaring-off Party on Saturday afternoon, April 1st., at the farm of Mr. Alan Elliot near Herdman. This was a family outing and was well attended by members and friends. There were pony rides for the children and the ponies were kept busy all afternoon riding children along the paths through the woods. There was a line-up all afternoon for the maple syrup on snow which was delicious. Everyone spent a most enjoyable afternoon.

Mr. and Mrs. T. Crook have returned home after spending a few days in Detroit, Mich., visiting at the homes of their sons, Mr. and Mrs. George Crook and family and Mr. and Mrs. Allen Crook and family.

Mr. and Mrs. Wallace Bridcut and family of Oshawa, Ont., spent the past week-end at the home of his parents, Mr. and Mrs. C. Bridcut.

Miss Nancy Palmer of Portland, Ont., spent a few days during the Easter holidays at the home of her uncle and aunt, Mr. and Mrs. A. Chaplin. Sunday guests at the Chaplins' were Mr. and Mrs. H. Palmer.

Mr. and Mrs. Don Wilson and Douglas spent a few days in Syracuse, N.Y. during the Easter holidays.

Deepest sympathy is extended to Mrs. S. Angell on the sudden death of her husband on Thursday, March 30th.

Wandering troubadours will entertain visitors at Expo 67. Four mobile troubadour units, jugglers, singers, musicians and variety acts will follow the crowd.

Zoning Bylaw Now Nearing Completion

After nearly two years of preparation the Town of Chateauguay's new zoning by-law will shortly be placed before Council for consideration. Mr. Colle, Town Planner, and Messrs Paradis and Hurtubise, who are also in charge of a zoning study for the Town of Chateauguay Centre, have advised that a draft zoning by-law will be submitted to the Town of Chateauguay within the next few days.

It is understood that the new zoning regulations will permit the construction of duplex apartment buildings on St. Francis Boulevard between the Seigniory Park area and Maple Street.

Local Service Clubs, Homeowners Discuss Expo Participation

In response to an invitation from the Town of Chateauguay, a meeting of local service clubs, recreation associations and property owner groups were scheduled to meet last night (Tuesday), at Town Hall. Under discussion is the Town's Expo Committee's plans to aid local businessmen to participate in Expo. The Expo Committee have announced that it hopes to publish an information bulletin through the good offices of Expo's informaion kiosks.

Education In The Valley

No. 111-3

PROTESTANT REGIONAL SCHOOL BOARD OF CHATEAUGUAY VALLEY
ADMINISTRATIVE APPOINTMENTS 1967-68

The following appointments are announced for the school term 1967-68.

CENTRAL OFFICE

Director of Studies: — Mr. John A. Ferris, B.Sc., B.Ed., M.C.I.C.

Duties: — Supervision of the level of instruction in elementary and secondary schools, leadership and co-ordination in curriculum development, development and co-ordination of in-service training of teachers.

Supervisior of Technical-Vocational Education: — Mr. Kenneth A. Dixon, B.Sc. (Industrial Arts) and post-grad. uate studies at the University of New York; currently employed as Industrial Arts (Electricity) teacher at Chateauguay High School.

Duties: — Organization of school shop facilities, machinery, equipment and supplies; requisitioning of machinery, equipment and supplies; development of shop budgetary requirements; development and organization of courses of study in all technical and vocational subject areas; supervision of the level of instruction in technical-vocational studies; development and co-ordination of in-service training of technical-vocational teachers.

Duties: — To work mainly in Zone A of the Valley in the elemenary schools to assist in the development and co-ordination of reading-to-level programmes, the introduction of the New Mathematics, the development and co-ordination of a "continuous progress" plan of elementary school organization, the development and co-ordination of Special Class education.

CHATEAUGUAY VALLEY REGIONAL HIGH SCHOOL

Principal: — Mr. Earle Y. Templeton, B.Sc., post-graduate studies at Bishop's University.

This is a re-engagement with a re-assignment of duties to that of Principal. In his current employment as Assistant to the Director General, a large part of Mr. Templeton's duties have been related to the organization required in preparation for the opening of the new polyvalent regional high school next September.

Vice-Principals: — Mr. G. Fraser Maheson, B.A. B.Ed., and post-graduate studies at Plattsburg State University, N.Y. currently employed as Principal, Hemmingford High School.

Mr. John C. Murray, B.A., Bishop's University, currently employed as Principal, Howick High School.

Guidance Officer: — Mr. Walton F. Steeves, B.A., B.Ed., M.Sc., (Educational Guidance).

This is a re-engagement with re-assignment of duties.

Duties: — Acting head of guidance department at Chateauguay Valley Regional High School, responsible for the organization and development of the guidance department, development of the school timetable and the student individual timetables; the co-ordination of, and when necessary, the administration of standardized tests in the elementary schools in the Valley and the interpretation of these tests to ensure a uniform standard of achievement.

HOWARD S. BILLINGS REGIONAL HIGH SCHOOL, CHATEAUGUAY.

Principal — Mr. Merton C. Tyler, B.A., currently employed by the Protestant School Municipality of Chateauguay. This is a straight transfer from local to regional board employment.

Vice-Principals: — Mr. Robert J. Burke, B.A. B.Ed., currently employed as Principal, Chateauguay English Catholic High School.

Mr. Robert K. Douglas, B.Sc., (McGill) and post-graduate studies at Bishop's University; currently employed as Vice-Principal, Cowansville High School.

Mr. Donald E. Watt, B.A. (McGill) and post-graduate studies at Universities of Vermont and New Brunswick; currently employed as Principal, Royal George High School, Greenfield Park.

Administrative Assistant: — Mr. Lloyd H. Adamson, B.A., currently employed as Principal, Beauharnois Intermediate School; responsible for the co-ordination of junior high school curriculum.

R. D. Mosher,
Director General

Memorandum from McLeod

Correspondent:
Mrs. Edith Bate
282 McLeod Ave. 692-9453
Route Boy:
Peter MacLean
246 McLeod Ave. 692-9669

Five ladies of my acquaintance all celebrated birthdays this past week end. Three of the ladies are very little ones and I can tell their age, but the two others, alas are what is generally described as "21 past". Just how long past 21 is anyone's guess of course.

Reaching the ripe old age of two years were, Belinda Hollingdale of St. Francis Blvd.; and Alison Brown of Ashmore Street. They are two of the sweetest little pets anyone can imagine, and both have the same birth date: April 1st. Next we have Stephanie Hollingdale also an April 1st. birthday, and she had her eighth birthday same day as little sister Belinda.

Another on April 1st. was Mrs. Yvonne Watson of Hamilton St. and on April 2nd. Mrs. Helen Airlie of Mountain Avenue, both of the Heights. To all of you, belated Happy Birthday greetings!

Some of my teen-age friends are planning a summer vacation project which, I think, is worthy of mention here. They are looking for used toys, and are going to repair, repaint and renew the toys and donate them to under-privileged children, either here in Chateauguay or whereever they may be needed. The girls — four of them so far — would like others to join in on the project. I will have more details for you in my next week's column on this thoughtful idea.

Can't think of anything else this week — Oh! except to wish Mrs. Ingrid Barnett a speedy recovery!

Ingrid at time of writing is still a patient at Queen Elizabeth Hospital in Montreal — but she should be home any day now. Cheer up, Ingrid, you'll soon be able to laugh it up without being in stitches!

Chateauguay News Notes

Former Chateauguay man Mr. Bob McGregor, President of McGregor Travel Bureau, has announced that he has chartered the harbour sightseeing vessel Le Madelon for one of its trips each day during Expo for $100,000. The contract will service the 500 people per day signed up by Mr. McGregor for a package tour of Expo.

Miss Martlin Elizabeth (Bettye) Finnie will wed Mr. Clifford W. Gregory of Beauharnois on May 6th in the Church of St. Andrew and St. Paul

Lt. Colonel Jacques Vaast, Officer Commanding the 4th Battalion of the 22nd Regiment (Chateauguay) and Mrs. Vaast were hosts to a ball held by the regiment last Saturday at the Ritz Carlton. General J. V. Allard, C.B.E., D.S.O. and Mrs. Allard were guests of honour. Colonel Vaast is President of the Chateauguay Historical Society.

There are some very irate home-owners on Beurling Ave., where extensive damage was caused by flooding last Thursday. See story elsewhere.

Town Police report a quiet week with routine matters, minor accidents and complaints from citizens of various sorts.

Late Saturday night and Sunday morning on a routine check-up of cars at the Beach Hotel, a Town of Chateauguay constable saw a young boy drive into the parking lot. On questioning the boy, it was learned that he had no license and no registration for the car. Further questioning elicited the fact that the boy had stolen the car in Lachine. Another boy with the driver was detained by Police, until their identity could be established. Both were from Lasalle.

Centre Police also report a very quiet week, with nothing of major importance, except of course the homes on Beurling being flooded.

Observations of this writer, Monday morning, April 3rd:

Monstrous, tremendous, huge chunks of ice along the banks of the Chateauguay River between Gilmour and Smith Street on Salaberry Blvd. They're piled as high as a giraffe's eye.

The little red and white tug-boat safely back at its usual mooring place, after being stranded on a sand bar at the Lake St. Louis end of the river.

Centennial Park and Robert Jobber Schools (Prot. Elem.) well on their way of construction. Also taking shape is the Centre's Cultural Centre on Maple near the A. & P.

The river from bridge at highway 3 and the foot of Lang Street very choppy and treacherous during the high winds on Monday. Seems to be at a higher level too.

The tulips in front of Town Hall on Station Road up about 4 to 6 inches. Caretaker Mr. Allard should be congratulated on the fine, neat and tidy appearance of the Town Hall and grounds at all seasons of the year.

At a recent Council meeting of the Town of Chateauguay a vote was taken on a motion to give the Riveraines Majorette Corps a sum of $1,000. to aid them in obtaining an Instructor. The vote was 4 to 3 in favour of the Riveraines.

Tenders are being asked by Town for the patching of all roads, (where needed), date April 18th, 1967.

The contract for Chimney Sweeping was awarded to Mr. Fernand Lebeau, a change from last year. Cost is to be borne as usual by homeowners, who pay directly to the sweep. Mr. Lebeau's men are also to clean out the soot deposits, removing their shoes before entering homes.

At a Town meeting on March 21st, by-law 317 was adopted, providing for acquisition of part of cadastral lot 49 for a Municipal park, and to borrow the sum of $41,000. with payment using available funds on by-law number 272.

At a special meeting held by Centre's Council on March 29th, by-law 608 was adopted. This is to provide for a permit to construct a gas station on part of lot 65. Western Tire are to be occupants.

Centre Council also adopted a resolution in order to present a private bill to Quebec Legislature to modify the following by-laws numbered: 348 - 359 - 405 - 433 - 452 - 524 and 527. Taxation on the above by-laws to be charged as following: 25 percent of cost of work charged at large by area of lots (not by valuation) and 75 percent of cost, works charged to area of the sector specified in each by-law; all lots which are built as Commercial or Industrial — area of these lots will be multiplied by two for taxation purposes. In other words, to change the mode of taxation.

Same resolution applies to by-laws 240 - 256 - 394 - 395 432 - 451 - 470 - 472 - 525 - 530 - 555 - 577 and 593; taxation of these by-laws same, but only for existing cost of twenty-four inch pipe.

At an electors' meeting held on March 30th, by-laws numbers 604 and 605 were adopted. By-law 604 provides for the purchase of machinery and the acquisition of departmental equipment and a loan of $110,000.

By-law 605 to acquire certain lots for street and municipal purposes, and to acquire servitude and municipal services with a loan of $75,000. was adopted, with only one elector asking for a referendum.

Real sign of Spring: a lady and gentleman cutting and trimming a hedge in front of 44 d'Anjou Blvd. on Monday morning last.

Catholic Women's League News

The general monthly meeting of the C.W.L. of Our Lady of Perpetual Help will be held in the Church Hall, on Monday, April 10th, at 8:30 p.m.

Program for the veening is a film entitled "EXPO 67" and includes slides, with commentary by Mr. Jim Harney. All members are urged to attend and enjoy this topical evening.

The Great Vineyards Of Niagara

David L. Wrightson

From studies of the "soil map of the world" it has been discovered that there are over 20 variations of soil type in which vineyards may be successfully grown. No less than six of these are found in the Niagara fruit-growing area, a region that extends from Hamilton on the west to the Niagara River on the east — approximately 50 miles. It varies from 3 to 7 miles in width, with Lake Ontario on the north and the Niagara escarpment on the south. Geologists tell us that this escarpment once formed the southern shore of the glacial Lake Iroquois.

In 1906 the Ontario Department of Agriculture established the Horticultural Experiment Station at Vineland. In the 60 years since, grape-growers of the peninsula and Canadian wineries have benefitted greatly from the technical and viticultural advances made by the station.

For many years the standard native grape varieties, Concord and Niagara, were used exclusively by the commercial wine-growers. These multi-purpose grapes yielded reasonably palatable wines. But in 1934 the largest of the Canadian wineries, Brights Wines of Niagara Falls, instituted a program of vineyard research that resulted in the introduction of new wine grapes to the Niagara peninsula, never before grown there in commercial quantities. New varieties like the Agawam, Elvira, Dutchess, Lomanto, Delaware, President and Westfield were thus introduced and acclimatized.

Ten years later the same winery gambled hundreds of thousands of dollars on these new grapes: 450 acres of standard grapes were rooted up to make room for the newcomers, among which were some 25 French hybrids. The seeming rashness of this step can be appreciated when one realizes that these vineyards were in the very prime of life with an annual income yield of approximately $70 thousand and a capital value of a quarter of a million dollars.

The gamble was enormously successful. From these new grapes came fine Canadian wines that are today equal to or better than the great majority of wines imported from any country in the world. Any wine is only as good as the grape from which it is made; many of the grapes growing in Ontario today are world famous. Imported to this country as seedlings; nursed, babied and cultured in the experimental plots of Niagara; proven in the fertile clay of the peninsula, these renowned aristocrats of the wine world now flourish in commercial quantities in Canadian vineyards. The Pinot Noir, Chardonnay, Marechal Foch, and many varieties of the Seibel — to name but a few — make our vineyards rank with the great vineyards of the world.

The soil and sun of Niagara, the determination of provincial agricultural experts and the vision of Ontario wineries have resulted in wines that deservedly rank with the great "wines of the country" being grown today.

Protestant School Municipality of Chateauguay

PUBLIC NOTICE

Is hereby given that the Electoral List for the purpose of voting at the election of two Commissioners to the Board of the Protestant School Municipality of Chateauguay, for seat No. 1, (Town of Chateauguay Heights) and seat No.4, (East side of the Chateauguay River from Maple St. (east side only) to the limits of the Town of Chateauguay Centre above Highway No. 4, bounded on the south by Highway No. 3 (north side only) and Ste. Marguerite Blvd. (north side only) and on the north by the limits of the Town of Chateauguay Heights and the Caughnawaga Reserve) is deposited in my office, where it may be examined by interested parties during the next fifteen days.

Given at Chateauguay this 1st day of April 1967.

PETER L. ROSS, C.A.
Secretary-Treasurer

TOWN OF CHATEAUGUAY CENTRE

PUBLIC NOTICE

PUBLIC NOTICE is hereby given by the undersigned, Laurier Legault, Town Clerk of the Town of Chateauguay-Centre, that at a meeting held on March 29th, 1967, the Municipal Council of the Town of Chateauguay-Centre has adopted by-law No. 608 entitled:

BY-LAW NUMBER 608:

By-law amending zonage by-law number 212 which was amended by by-law number 332 in order to permit the construction of a gas station on a part of lot number 65, of the official plan and book of reference of the Parish of St. Joachim of Chateauguay, Registry Division of Chateauguay.

This by-law is now deposited at my office, at the Town Hall, 25 d'Anjou Blvd., Chateauguay-Centre, where all the interested parties may take communication of same during normal office hours.

PUBLIC NOTICE is also given that it was UNANIMOUSLY RESOLVED that a public meeting of all electors who are proprietors of immovables will be held on April 7th, 1967, between 7 and 8 o'clock P.M., at the Council Meeting Hall at 1 Croissant Richard, Chateauguay-Centre, and that there and then said by-law will be submitted to that said electors, according to Law.

Given under my hand and the seal of the Town of Chateauguay-Centre, this March 30th, 1967.

LAURIER LEGAULT,
Town Clerk.

FROM OUR COLLECTION OF

"Suit ns"

Here are suitings reflecting the deep toned richness, warmth and brilliance of gem stones. A new dimension of masculine colours has been achieved — subtle . . . distinctive . . . and elegant. Each suit is moulded and stitched — detail by detail — by Progress Brand craftsmen.

St. George's Notes

The three Choirs presented a program of Easter Carols at last Sunday 9:30 and 11:15 a.m. services in place of the sermon.

The Boys' Choir sang a French carol, "Cheer Up, Friends and Neighbors" from the Oxford Book of Carols, and "The Garden of Jesus" by Geoffrey Shaw, a Dutch traditional carol.

The Girls' Choir sang an old Czech carol, "The Birds".

The Senior Choir presented six carols. "The Victor's Triumph", 16th century German carol; "At Easter Time" by Rutger Van Woert; "O Risen Lord, O Conquering King — Heinrich Schuetz; "Blow Golden Trumpets", Ruth Bampton; "On Wings of Living Radiance", also by Heinrich Schuetz and "This Joyful Eastertide" a Dutch carol arranged by W. H. Harris.

St. Georges

At next Sunday's 9:30 a.m. service Education Sunday will be observed. The guest speaker **at this service only** will be Mr. Russell D. Mosher, Director General of the Chateauguay Valley Regional School Board.

At the 11:15 service, St. George's Boy Scouts, Cubs, Girl Guides and Brownies will hold their Annual Church Parade.

The Woman's Auxiliary will hold their monthly business meeting and Penny Fair tonight, Wednesday, April 5th at 8:15 p.m., in the Hall. The W. A. is also sponosring a tour of the C. B. C. Studios on Dorchester Blvd. on Tuesday, April 18th. Buses will leave the Church at 12:30 p.m. sharp. Reservations must be obtained ahead of time. More information on the Tour may be obtained by calling 692-9453. Come and take advantage of an opportunity to take part in an enjoyable outing.

St. Andrew's Notes

Guest preacher at the Sunday morning service was Rev. Egerton C. Armstrong, B.A., B.D. Born of missionary parents in Japan, Mr. Armstrong spent his boyhood years in that country. He graduated in Arts from Victoria College, University of Toronto in 1933 and received the Bachelor of Divinity Degree from Emmanuel in 1936. His ministry has been marked by a loving concern for people and a willingness to undertake difficult and challenging projects. Among these was his appointment as Superintendent of the Montreal City Mission in 1960. This inner-city work has expanded greatly since his coming to Montreal, and a fine new building is already in operation. Rev. Armstrong is a member of the Board of Home Missions where his breadth of experience has been a valuable asset as it has in the Presbytery and Conference Committees on which he has served. Mr. Armstrong preached his sermon on the subject "A Startling Reverse."

The Canadian Girls in Training presented a pageant depicting the development of the Christian Church in Canada at a Centennial Vesper Service last Sunday evening. The offering was toward financing a girl at summer camp.

A Men's Supper was scheduled for last evening (Tuesday, April 4th), with Rev. Douglas Jennings as guest speaker. Mr. Jennings has been a United Church missionary in India since 1955 and is now home on furlough.

Chapter III of "Disciples Here and Now" was the subject for discussion at the Women's Prayer Fellowship meeting at the manse yesterday morning (Tuesday). The Sacrament of Baptism will be administered next Sunday morning, April 9th.

Members of the Masons' Salaberry Lodge No. 130 will hold a Vesper Service at the Church next Sunday evening, April 9th. Rev. Robert Blair of Ahuntsic United Church will preach.

The Cancer Dressing Group meets on Wednesday mornings at 9:30 a.m. in Memorial Hall.

Editorial Notes..

Pollution

WE hear considerable about pollution these days and the attempts being made to control this deadly menace. At one time pollution was mostly thought of in the matter of water for domestic purposes and waterways. If one took water from a stream, river or such, or from a well, steps were taken to test it and see it would be safe for consumption. If one were forced to take water from an unknown supply, then the procedure would be to boil it first.

Today, however, more is known about pollution and indeed pollution has reached far greater proportions than was formerly believed. More forms of pollution have been introduced to our world by the many new advances of our living.

It was formerly believed that the air we breathe was reasonably safe and pure. A common saying is: 'Let's get outside and get a breath of fresh air'. A change of air probably, but not "fresh" in the meaning that is intended. Today, the air is heavily polluted with many poisonous gases permeated by our present-day living conditions. The automobile is perhaps one of the greatest contributors to this condition. Added to this is that newer discovery, atomic fallout. The latter has always been with us to some extent, but this has been increased through experimentation of one kind and another, more especially on account of atomic explosions while testing various nuclear devices. Fog which used to be a heavy pall of mist caused by a depression of vapour over low lying areas, is now called smog. This is much more dangerous than fog as it is composed of heavy palls of smoke and gases manufactured by the many types of industry which now abound in our modern world. This is depressed to earth by air pressure of the atmosphere, just the same as fog. Smog is particularly dangerous in areas of intense industrialization and has been the cause of many deaths. The exact cause has not been determined. It could be a form of suffocation, or it could be from the poison contained in the gasses. However, there is danger.

Regarding our waterways, whether they be streams, rivers, lakes, or even oceans, pollution is ever present in large or small measure. With the coming of more and larger ships the ocean ways have become more crowded, then with the introduction of oil fuel driven ships the pollution menace has been added to. From time to time there have been reports that fish and other marine life have been found dead and floating on top of the ocean. This has been attributed to the dumping of oil and other refuse in the sea. Closer to home in our own rivers and streams, pollution is far worse. Unless a river is a fast flowing one and fairly deep, it cannot carry away the refuse that is dumped into it day after day fast enough. Since all bodies of water flow somewhere, they finally emerge into an ocean and so to the sea. Our rivers are not the fast flowing type (with the exception of possibly in spring of the year or at high water periods) so, much of the refuse remains stagnant for long periods at a time. This of course thoroughly infiltrates the water. The refuse includes that of animals and humans.

Fortunately, we have developed a means of purifying our water supplies by the additive of certain chemicals and passing the water through a filtration process. Were it not for this, hundreds of people and animals would die daily, from using the water alone.

It often follows that something which is considered of the greatest use to man, can become his greatest menace. Since the discovery of oil its use has become universal and it is considered a necessity to human existence. Yet it is menacing in many ways. An illustration of this can be seen in the accident to a large ocean going oil tanker which ran aground off Land's End, England, during a storm the past week.

Much of the oil leaked out as the tanker was buffetted by the storm and high waves and this began to flow along the coast line of Cornwall. Dotted along this coast line are numerous seaside resorts making their living by tourists who visit them. With this oil in the sea it would be impossible for anyone to swim or bathe. Such a thing could mean the loss of livelihood to all the points affected. Means have been taken to try and clean the waters of this oil. First detergents were used (another cause of modern day pollution) and the tanker was being bombed in an effort to burn up the oil. There used to be a saying that pouring oil on troubled waters would make all calm. This does not seem fitting for this occasion.

There is much to be done in the matter of pollution and it is a greater problem than at first appears. It menaces our very livelihood, for over the course of time it could be responsible for extinguished much, or all, of our marine life. Considerable wealth is gained from fish and other marine creatures, to say nothing of the food value.

The elimination of pollution requires a concerted effort on the part of everyone. It cannot be done by just a few or even by one community, it requires much more than that.

Movie Theatres For Children

EVER since a fire in a Montreal movie theatre caused loss of life among a number of children in attendance, the law has banned children below a certain age from attending a performance of motion pictures in a theatre.

In a way this was a little unfair both to the children and to the theatre owners. The incidence which caused the ban occurred in a theatre which was on an upper floor and required egress and exit by way of a staircase. Actually this staircase was more the cause of the deaths than the fire which was quite small. The youngsters were pushed, trampled on and jammed on the stairs. From that time on there has been a ban on children attending movie theatres. The onus was really on the Government for allowing these theatres to be placed in such premises. There should have been more supervision of premises and no license should have been granted for those which did not qualify.

Pressure has been brought to bear on many occasions to have the ban lifted, but to no avail. However, it now appears that children will lawfully be able to attend a movie in a theatre under certain new regulations.

Theatres have greatly improved in the past years and are much better equipped and protected. With closer inspection as to proper fire prevention measures and with properly operating exits, the danger to children has been lessened. Moral protection is still needed with the present trend in movies, but provisions affecting this will be part of the regulations suggested.

At the present time there is greater tendency to attend the movies. There seems to be a cycle at this time. TV has lost much of its former pulling power for the time being. Movie theatre owners are anxious to cash in on whatever increase there is in the business. Allowing children to attend will no doubt assist greatly.

Another break in the motion picture industry is the proposal to allow Drive-in theatres in Quebec. Certain restrictions will prevail as to these however. No doubt strict provisions will be made to enforce the law. It is stated that the Government does not want these places to become "passion pits." Neither will they allow them to be erected where they will do damage to the business of an existing movie theatre. Such theatres are established almost all across Canada and the United States, but never have they been allowed in the Province of Quebec.

It will be interesting to follow the course of these new moves.

SUGAR AND SPICE
by Bill Smiley

UNIFICATION: PART TWO

Remember where we left off? Twenty years from now. A weak central government, with everybody from the housewife to the U.S. government down on it.

A tough, ruthless Uniforce, popularly known as the Canadian Cobras, 100,000 strong. And jut-jawed Joe Garibaldi, former union leader, as Defence Minister.

The Honorable Joe vaulted into the House of Commons in a rather unusual fashion. One of his opponents withdrew from the campaign, on health grounds, and set out for a world tour. The other was run down by a truck, just after addressing a meeting in which he had attacked the Honorable Joe. Both incidents occurred three days before the election. Joe won.

He moved into Ottawa with several beetle-browned cohorts. A modest flat? Not on your life. He took over an entire floor of the Chateau Laurier. There he lived quietly, with nothing to distinguish him from the average MP except the constant flow of champagne, call girls, and guests.

He was lavish with the press, and they liked it. He was always good for a story, because he had guts, color, and good whisky, an unusual combination in a member of the House.

But the majority of his guests were sleek-headed men who grow fat and sleep o'nights. Industrialists with a new gimmick, armament-makers with a new toy, politicians with a new angle, and all the other flies who gather around honey.

The Honorable Joe was the natural choice for Defence Minister. Slack-jawed Lester Gordon, Prime Minister, last of Canada's Rhodes scholars, felt in a vague sort of way that the Cabinet needed new blood.

Within two years he had quadrupled the defence department's slice of the national pie. That made it 85 per cent. of the taxes, but nobody kicked, because, even though there hadn't been a new post office, bridge or breakwater built in several years, everybody was proud of the Cobras, the world's finest fighting force.

And only a few old-fashioned members of the press thought it odd that the Cobras paid ten per cent. of their salaries, voluntarily, into the Old Soldiers Benevolent Fund. Chairman of the Fund, Joseph J. Garibaldi. By 1987, of course, there were precious few old soldiers left, but they were well treated by the Fund. Two glasses of beer a day, free smokes, roll-your-own, and a sexy movie every Saturday night, whether you wanted it or not.

Joe played it cool. He invited a couple of waiters from the Nanking restaurant up for a weekend bash. Everybody thought he was flirting with the Chinese.

The U.S. State Department called an emergency session. The C.I.A. infiltrated Ottawa, in the guise of civil servants. Of course, nobody recognized them. Each thought they were other civil servants spying on him.

Next thing he did was throw up a string of fortresses at Vancouver, Windsor, Brockville and St. Andrews-by-the-Sea. He justified the expense by pointing out, at a secret meeting of the caucus, that the forts were made of paper, thus giving a boost to our pulp and paper industry. But the results were drastic. The Americans pulled eight divisions out of Germany and sprinkled them along the 49th parallel, about eight men to the mile. They sent an aircraft carrier up the St. Lawrence Seaway. It got stuck sideways, but the residents of Prescott, Ontario, lost their cool for a few days, with those 19-inchers trained on them.

The entire U.S. Air Force was yanked out of South Africa, from which they had been napalming the Congolese. The pilots were delighted to be back in spots like Oswego, N.Y., where a beer was 35 cents instead of a buck, and besides, they wanted a whack at those Canadian Cobras, who were getting more space in Life Magazine than they were.

Alas, once again we have run out of space, and you must wait until next week's issue to learn how Canada was taken over by a dictator in the only bloodless revolution in history. Well, practically bloodless.

Toronto Telegram News Service

"COUNTRY NOTEBOOK"

BY WALKER RILEY

You would have to see Dr. Ford Stinson in action to really appreciate him. Punctuating his speeches with the stem of his pipe, you feel he is talking right to you from his armchair. Dr. Stinson is Principal of the Kemptville Agricultural School.

Dr. Stinson was the guest speaker at the Graduation Banquet last Wednesday of our own Diploma Course in Agriculture at Macdonald College. He drew on his wide experience, from the time he was a young high school graduate of the lean 30's riding the box cars to the prairies, to Chairman of a Royal Commission for his "Advice to Young Graduates."

"I have made all the mistakes in the book and I am going to tell you one or two things I would do," Dr. Stinson said.

"The first thing I would say is don't take a job that doesn't offer a challenge. If you are sure you can do a job, you might as well forget about it. It won't stretch you and it won't develop you. Take one that's a bit tougher. Also, when you take a job on, you are expected to do your best, not your second best. Maybe this is old fashioned, I don't know. But when I hire a man I size him up, and I expect him to do his best, not half as good as he could. And I think any other employer does the same.

"Do the best you can to keep your boss out of trouble and see that he gets a promotion, because if he gets promoted, that leaves an opening for you. A lot of people overlook this one.

"Another thing — and this has worked time and time again for me — try to develop those folks under you so they can take your job. That's because the boss, if he is wondering whether to promote you or not, wants to know if there is someone who can fill your place. If you have someone ready, there are no problems. It works.

"Then I would suggest you pick a good boss. I have been fortunate enough to find one or two people for whom I would do almost anything. If you can find these kind of people just as you are starting out, they can develop you.

"Besides the satisfaction of doing a job well, it will be recognized. Even if your own organization doesn't recognize you, your competitors are almost bound to. It is not like it used to be where you had to freeze on to a job. The competition is keen enough that if you are honest and worth-while, the other folks are looking for you.

"A new development is that organizations are giving on-the-job training. Don't miss these chances. Perhaps the reason I have my job is not because I am good, but because there is no one any better. Don't lock these doors to opportunity.

"I hope all of you have developed a liking for reading. Keep this habit. Resist the temptation to turn on the diot-box; it is a time-waster.

"Let me say this too; your diploma doesn't entitle you to a thing. It gives you an opportunity to start and earn it, and develop from there. I recall my own graduation. We were told, you are getting a sheep-skin tomorrow, but it is not going to keep the rain off you. You will have to get out and earn it. This is true.

"Your dipoma identifies you with an industry in which fewer and fewer provide for more and more. I congratulate each one of you. You have made the first step. Good luck and Bon Voyage."

The written word really doesn't do justice to Dr. Stinson's talk.

Seventeen graduated from this year's Diploma Course. Only four or five are going back to the farm; most of the rest have accepted places in industry. Three are re-registering this fall for the five-year degree course, including the two students from overseas.

Frank Tarte won the Minister of Agriculture's Medal for top student in the Animal Science option; Patrick Bethell from Barbados, won it in the Horticulture option, and Blythe Masia from Africa, in Agronomy. Frank Tarte, who is from the Eastern Townships, also won the Minister's prize for the student making the most progress in the two years. Frank is entering the degree course this fall.

Rodger Vizbar and Thomas Quinnell won the Vernon E. Johnson awards for the best woodlot project.

Dietrich Frost, not too long in this country from Germany, did a magnificent job of his farm project, and won the La Ferme prize.

Our best wishes are with these graduating students wherever they may go.

Letter to the Editor

Huntingdon, Que.
April 3rd., 1967

Dear Mr. Editor

There comes a time in every project when it is wise to stop and take stock of our situation. How about **now** in regards to the swimming pool project?

We in Huntingdon have been contemplating a new hospital for **too** many years and seem to be very cautious in our endeavors. There is a new idea that suddenly comes to the fore in the form of a swimming pool and we are brave and away we go. How is it we are so optomistic all of a sudden? Just where is the upkeep coming from for the continuation of this pool? Is it too late to change the project?

Just pick any street in the residential section of town and calculate how many people occupy these homes — maybe one or two in many of them. These same people are alone for no reason of their own choosing but of necessity. Many, if they had to make a visit to a hospital, would not be allowed to return to their homes unless they could get somebody to stay with them. Try to get somebody!

Huntingdon is known as a town which is comprised of retired people or very young families. Thus the revenue comes from young couples who have enough to do to finish the budget to cover the needs of a growing family. The older inhabitants are living on interest from a set principal and many on old age pensions. The rate of increases by far does not keep up with the increase in cost of living and thus the purse strings get tighter and tighter. These are the people we are asking to back this new venture.

Do you not agree that a spot such as this island would be a beautiful location for a retirement residence? From this there would be a revenue coming that would far exceed the revenue from a swimming pool and is really needed in this locality. When people reach a certain age they just seem to drift along until they have to go to a home. Why not give them a few more years of independence such as being able to turn a key in their own quarters under such conditions as such a residence could afford?

This is something that we all have to face up to: old age. Besides helping the single house occupant solve part of their problem it would help to make life happier for them out of the companionship resulting from such a residence.

Nearly everybody with children who want to swim could drive out to Lake St. Francis or even to parts of our river, as few families do not own cars. Years ago if a youngster wanted a swim he or she rode a bicycle to the lake and on worse roads than we have now.

We have a skating rink, a curling rink and a bowling alley and I'm sure none of these are turning members away. How do we expect to do something spectacular in some other form of amusement? In my idea this is a very expensive project as the length of use will be seasonal.

Express your opinion — don't sit back and let the other fellow do it. You know you'll have to pay in the long run; maybe in extra taxes if the town council is asked to look after the grounds. Write to The Gleaner with your opinions instead of sounding off to the convassers. They are not going to voice your opinion on this subject.

If you should publish this, Mr. Editor, thanks for your space.

Sincerely,
M. Stark.

ROUND BYRE and RING

By Frank Napier

"The Emperor!"

Those who "Tune-in" on C.B.C.'s Radio Farm News will doubtless have learned about the sale of the Canadian-bred Holstein bull calf for a World record price of $140,000.00. However, for the information of the uninformed, the said bull calf, Oak Ridges Reflection Emperor was sold by Russell Rowntree, Woodbridge, Ont., and Robert Lowe, Maple, Ont., to American Breeders Service, De Forest, Wisconsin, U.S.A., the largest artificial breeding organization in the Americas.

Also that "The Emperor" was given a "Royal send off" at the time of a reception held in his honour at Canadian National Exhibition grounds on March 28, 1967, with some 300 of the great and near great in attendance, including the Federal Minister of Trade and Commerce, and Ontario's Minister of Agriculture, with Senator, the Hon. Harry Hays as Master of Ceremonies.

Good Genes

Answering the layman's question of why a bull should bring such a fabulous price, George M. Clemons, Secretary-Manager, Holstein-Friesian Association of Canada, said: "It's all a matter of good genes. This bull is so rich in the best bloodlines and his ancestors have such a tremendous record of achievement that he could exert an outstanding influence on the Holstein breed."

Mr. Clemons was, of course, referring to that "The Emperor" is, first of all, an artifically conceived son of A.B.C. Reflection Sovereign, famous Class Extra bull, universally recognized as the greatest sire in the Holstein breed in Canada in the past quarter-century and probably of all time. (In making the latter conjecture that is of "all time", the Holstein reporter was doubtless taking what might be called poetic license, because that title should surely go to Johanna Rag Apple Pabst, the granddaddy of them all).

Secondly, Mr. Clemons was also referring to that "The Emperor's" dam, Glenafton Nettie Bonheur Maud, is another famous individual from a notable family. Her $42,000.00 World Record price was established at the reduction sale of the Oak Ridges herd of R. R. Dennis, Oak Ridges, Ont., in May 1966 (her joint purchasers being Russell Rowntree and Robert Lowe). She is one of only six cows for all time in Canada that have twice produced over 30,000 lbs. of milk in a year on official tests — she made 30,202 lbs. as a seven-year-old and 33,270 lbs. as an eight year old. She is also the fourth generation of cows to produce over 900 lbs. butterfat in a year.

Her background for type (body conformation) is equally outstanding. She is classified Excellent and she and her ancestors for four generations are either Excellent or Very Good. Only one of every twenty Holsteins classified for type in Canada are rated Very Good, and only one in every 350 are classified Excellent.

Guarantee and Bonus

More about The Emperor. The 10 months old Holstein bull which was recently sold for a World Record price, was heretofore the first dividend to be received by Messrs Rowntree and Lowe from their World Record cow purchase. In that connection, a subsequent Holstein news letter says, in part: "One of the interesting features of the reception held March 28 in honour of the $140,000 World Record Holstein bull calf was an explanation by Russell Rowntree of just what is involved in the way of guarantees in such a fabulous sale.

"The bull is guaranteed to be a breeder. He is also guaranteed to produce semen of a quality that will permit it to be frozen. (Such semen is fast frozen in liquid nitrogen at 350 degrees below zero which permits storage for many years).

"Mr. Rowntree also revealed that after the bull has had enough test matings to ensure that he is **not a carrier of the red factor**, a special bonus will be paid by American Breeders' Service to Mr. Lowe and him consisting of 10 per cent of the income on the next 100,000 ampoules of semen sold. To help the tax position of the sellers, American Breeders Service will pay the $140,000.00 and the bonus over a period of years."

A Strong Protest

In a Special News Release, dated March 28, 1967 Canadian Federation of Agriculture reported:

"In special meeting to day the Canadian Federation of Agriculture expressed a strong protest over the inadequacies and inequitable nature of the recently announced dairy policy (Canada Department of Agriculture) for 1967-68.

"The meeting was called on the initiative of the Ontario Federation of Agriculture to discuss the implications of the new policy. It was attended by representatives of Provincial Member Organizations across Canada and of Dairy Farmers of Canada.

"The Federation believes that as the full implications of the new policy becomes apparent to farmers throughout Canada, they will be deeply distressed and disappointed. They will realize that the policy is inequiable in many respects; that it provides no guarantee of a minimal level of returns; that the returns to many fluid milk producers will actually decline that the **total milk price of $4.75 per hundred weight** announced by the Minister (to use his words **does not in fact represent a firm undertaking to guarantee such a price to the producer,** and that there is no adequate long term dairy policy planning by the Federal Government in evidence.

"The Federation called for reconsideration by the Federal Government of its 1967-68 dairy policy, and of the Federation's proposals for a $5 per hundredweight level of returns. This request is a reasonable and considered one.

"The total expenditure of the $120 million allocated to the 1967-68 dairy support programme by the Federal Government is appreciated but is not enough. Moreover it must be clearly recognized, the Federation stated, that these expenditures **in reality represent a subsidy to the consumer,** in that they are designed to limit increases in dairy product prices. This is a sound and necessary policy approach toward the consuming public, the Federation declared".

The Federation, commenting on the new policy, noted that:

"1. The new proposals do not guarantee milk producers a price of $4.75 per hundredweight as might be the impression gained by the public. **In fact the final returns to producers under the new policy is unknown and is unlikely to be as much at $4.65.**

"2. **Exisiting payments by the Federal Government on the industrial milk of producers who also produce milk for fluid consumption are terminated.** Thus, many such producers are left much worse off under the new policy than when they are at present. This is an unfair and retrograde step.

3. **Shippers of farm separated cream,** because they cannot benefit from Federal support on skim milk powder, **continue to be discriminated against.**

"4. Existing procedure of consultation by the Federal Government with milk producers are altogether inadequate and do not permit orderly and longer term dairy policy planning. This situation must be corrected immediately. For example, the setting up this year of a quota sytem for price support eligibility will quickly lead to acute inequities between producers unless the most intensive attention is given to the orderly adjustment of such quotas over time. Little thought has yet been given to this and other critical problems of a longer term nature.

Local Repercussions

Except for those mentioned in paras 2 and 3 of the Federation of Agriculture's contentions, it might be claimed that this situation does not affect this area to any great extent, because a very large percentage of the milk producers thereof form part of Montreal's Whole Milk Shed.

Nevertheless a considerable number of the others, estimated by Irvin McWhinnie, Manager of Fry-Cadbury Ltd., Huntingdon, at some 12% of the total milk production of the area is shipped to the Fry-Cadbury; the Champlain Industries Ltd., of Athelstan and several other smaller industrial plants in the area covered by The Gleaner.

For instance, off hand, Irvin McWhinnie estimated that the daily intake at Fry-Cadbury was some 145,000 lbs. milk per day, on a 7 day week basis, during the summer months; some 39,000 lbs. per day during the winter months.

We also telephoned Paul Valdemar, Manager, Champlain Industries, but since he was at home and not at the Plant, he couldn't give us any definite figures. However, he stated that the intake at the Athelstan Plant would be around 6 to 7 million pounds per year. And while it takes a lot of milk to make a pound of butter, a lot of butter is made at the Athelstan plant, and of a quality that would be hard to beat anywhere, in addition to the other by-products. The Fry Cadbury milk is, of course, partly processed in Huntingdon and then trucked to Montreal to be incorporated in the famous Fry-Cadbury Chocolates, etc.

Ste-Agnes

STE AGNES — Mr. and Mrs. George Sutton and Wendy returned on Sunday from a relaxing two week holiday spent touring Florida. They were fortunate to have had wonderful weather during the whole time, and were favourably impressed with the ease of living habits and the spontaneous friendliness of all those with whom they came in contact.

Little Miss Debbie McPherson celebrated her eighth birthday on Wednesday, Mar. 29th. To help her enjoy her special birthday dinner she had as her guest her great grandmother, Mrs. Mary Davidson.

Mr. Gordon Elder accompanied Messrs. Edward and Doug Watterson, the Misses Anne and Shirley Platt to Montreal on Sunday. While there they enjoyed Metro and travelled on it to Ste. Helen's Island to view the Expo site.

Mr. and Mrs. R. A. Fleming and sons Craig and Brent of Ottawa spent the Easter week-end with Dawn's parents, Mr. and Mrs. V. Elder.

On Easter Sunday afternoon Mr. Fleming and sons, and Mr. and Mrs. V. Elder called at the home of Mr. John D. Elder in Athelstan.

Mr. and Mrs. Lucien Quesnel and family enjoyed Easter Sunday visiting relatives in Montreal.

Mrs. Norma Barger of Toronto, spent the Easter week-end with her parents, Mr. and Mrs. Lyle Currie in Bombay, N.Y. Dinner guests on Easter Sunday at the Currie home included, Mrs. Barger, Mr. and Mrs. Charles Gardiner, and family, Mr. and Mrs. Dave Campbell and family, Miss Juanita Gayton of Olean, N.Y. a friend of Miss Susan Campbell, both students at Fredonia State University College, Mrs. Gregor Leslie and Mr. and Mrs. Dune McPherson.

Mr. and Mrs. Keith McPherson and family visited relatives in Hemmingford on Sunday.

Mr. and Mrs. Gordon McGibbon of Lorraine, visited this week at the home of Mr. Gregor Leslie.

In Hospital

Mr. Stanley (Bob) McPherson is a patient in Huntingdon County Hospital, where his condition is reported to be improving. Best wishes from our friends, Bob, for a return to good health.

Best wishes, too, to Miss Thelma McMillan, who is also a patient in the County Hospital.

Undergoes Surgery

Mrs. Herbert Benane, (Belle McPherson) of Fort Covington, N.Y., is recuperating at home after major surgery in the Massena Hospital. Her daughter, Joyce (Mrs. Bradford Allen) of Oxford, N.Y., is spending some time at the Benane home, where she is caring for her mother.

Best wishes for a speedy return to good health from your many old friends in this area.

Huntingdon Locals

Huntingdon County Hospital Notes

The Huntingdon County Hospital gratefully acknowledges the receipt of an Annual Membership from Mr. and Mrs. E.J.S. King, a donation in the amount of $25 from Mr. and Mrs. E. W. Brown and an anonymous donation of $100 in memory of Miss E. M. Rutherford.

—o—

Curling Club Bridge

The ladies of the Huntingdon Curling held their Thursday afternoon Bridge in the club-room last week. Hostesses were Miss Mabel MacMillan, Mrs. Cameron Stewart and Mrs. Erle Martin. Mrs. M. Kerry and Mrs. George Thompson won the first and second prizes, respectively.

—o—

Callers during Easter week-end at the home of Mr. and Mrs. H. F. McConville were Mr. Dwight McConville of Hamilton, Ont., Mr. and Mrs. Oscar Palmer of Frelighsburg and Mr. George Palmer of Montreal.

—o—

Week-end guests at the home of Mr. and Mrs. Harold Stark were the Misses Darlene and Karen Arthur of Chelsea.

—o—

Mr. and Mrs. Bill Taylor spent the week-end at the home of Mr. and Mrs. Ord Taylor. Miss Brenda Taylor returned with them after spending a few days at their home in Montreal.

—o—

Best wishes for health and happiness to Mr. and Mrs. E. G. Bennett who moved last week from their former home on Chateauguay St. to Strathroy, Ont.

—o—

Guests during Easter week-end at the home of Miss Frances Turner were Mrs. William Hallamore of Toronto and Mrs. J. Brocklehurst of Montreal, Mrs. Wayne Dodds, Kathryn and Juliana of Burlington, Ont.

—

Mrs. Ethel Sturtevant and family of Waterloo, Que., visited on Wednesday at the home of Mr. and Mrs. Wilbur Arthur.

Kilbain

KILBAIN — Michael and Joanne Ryan of Montreal, spent the Easter week-end at the home of their parents, Mr. and Mrs. Joseph Ryan. Mr. and Mrs. Cecil Vibert and their three children of Campbells Bay, Ont., spent a few days the past week at the same home.

Best wishes for a speedy recovery to Ralph O'Connor, who is presently a paitent in the Huntingdon County Hospital.

Mrs. Virginia Weaver of Montreal, spent the Easter week-end at the home of her brother, Ralph O'Connor, and visited with him at the hospital.

Mr. and Mrs. John Coffey and baby were recent visitors at the home of his brother and sister-in-law, Mr. and Mrs. David Coffey and family.

Miss Norah Smythe and Mr. and Mrs. Gerry Henley of Montreal, spent the Easter week-end at the home of their parents, Mr. and Mrs. Wm. Smythe.

Mr. and Mrs. Wm. Smythe motored to Saranac Lake, on Thursday, to attend the funeral of Mrs. Smythe's uncle, Mr. Richard Finn. Mr. Finn was formerly from this vicinity but has lived for many years in the Saranac Lake area.

Mr. and Mrs. Harold Rogers of Syracuse, N.Y., were recent visitors at the home of her parents, Mr. and Mrs. Hugh Cosgrove.

Easter week-end guests at the home of their parents, Mr. and Mrs. Thomas O'Connor were: Mr. and Mrs. Gerry Gallagher and family of Montreal; Mr. and Mrs. Vincent O'Connor and Jean of La Salle; Mr. and Mrs. Ancel O'Connor, Danny and Peter of Sherbrooke, Mr. and Mrs. Bruce Anderson and girls of Malone, N.Y.; Mr. and Mrs. George

Rockburn

ROCKBURN — Mr. and Mrs. Frank Martin of Ormstown, Mrs. Stanley Currie and daughter Margaret of Huntingdon, were Saturday visiors at Leroux and family of Valleyfield; Mr. and Mrs. Cecil O'Connor and family and Mr. and Mrs. John Disch and family, were Sunday callers at the same home. Mr. and Mrs. Ed. McGinn, spent a day with Mr. and Mrs. O'Connor

Miss Shirley Cosgrove of Toronto, and Mr. and Mrs. Peter MacDonald of Ottawa, spent the Easter week-end at the home of their parents, Mr. and Mrs. Michael Cosgrove.

Mr. and Mrs. John Cosgrove and family spent Sunday, at the home of her parents, Mr. and Mrs. Willis Bott, in Ormstown.

Sgt. and Mrs. William Cosgrove and family of Plattsburg AFB, were Sunday guests of his parents, Mr. and Mrs. Hugh Cosgrove.

Obituary

The Late Mrs. Allan Ritchie

The community was saddened to hear of the sudden death of Mrs. Allan Ritchie, on Saturday morning, March 25, at the Barrie Memorial Hospital.

Mrs. Ritchie, née Janet (Nettie) Louisa Gordon, was born at Dewittville, Que. on January 17, 1890, and was the daughter of the late Mr. and Mrs. John Gordon.

She was united in marriage to Allan Ritchie on October 10, 1912, and lived in Dewittville all her life, first on the farm, and for the past 18 years in the village of Dewittville where she and her husband had retired and built a new house in 1949.

She was a faithful member of the Presbyterian Church and a Life Member of the Dewittville W.C.T.U.

She leaves to mourn her passing her husband Allan, two daughters Margaret (Mrs. Irwin Todd) of Dewittville, Christena (Mrs. Mervyn Graham) of the Gore, grandchildren, Phyllis, Marion and Richard Todd and Melvin Graham and his wife Verna, also one brother Raymond Gordon of Vancouver, B.C., and two sisters Lulu (Mrs. Frank Martin) of Ormstown and Margaret (Mrs. Donald Black) of Aubrey. A sister Annie (Mrs. Amasa Gale) predeceased her on February 6, 1967.

Funeral services were held on March 27th, at the Kelly Funeral Home with Rev. G. McMichen taking the service. The many beautiful floral offerings and large attendance paid tribute to the esteem in which the deceased was held.

The pallbearers were Mac Ruddock, Otto Bulow, Archie MacIntosh, Royce Ruddock, William Graham and John Whitehead, Interment was in the Protestant Cemetery, Huntingdon, Que.

the home of Miss Florence Johnston.

Mr. Floyd Douglas is at present a patient in the Huntingdon Hospital following a car accident on Friday night. All wish him a quick recovery.

Last Thursday guests of Mr. and Mrs. Murdoth Rosevear, were Miss E. Kimball of Athelstan, Mrs. Arnold Milne, Huntingdon, and Mr. and Mrs. Ed. Rennie Powerscourt.

A number of adults as well as children in this vinicity are suffering from a siege of the mumps and grippe.

Dr. A. White and Mrs. Shattuck of Huntingdon, were Thursday callers at the home of Mr. and Mrs. Will Maither.

Noyan

Mr. and Mrs. Paul Schmidbauer and four children of Chambly were Easter week-end guests of his parents, Mr. and Mrs. A. Schmidbauer.

Recent holiday weekend guests at the home of Mr. Stuart Derick, Mr. and Mrs. Rodney Derick and family were: Mr. and Mrs. Newton Butts, David and Pam of Salem, Mass.

Mrs. Hazel D. Brash and friend, Miss Bessie Smith of Hartford, Conn. called on friends here over the holiday weekend.

Easter weekend guests of Mr. and Mrs. Gerald Hislop and Bruce were her brother-in-law and sister, Mr. and Mrs. Arnold Lewis and Lorie Ann of Bedford.

Holiday weekend guests of Mr. and Mrs. Versil Taylor were Mr. and Mrs. Clifford Hardy of Shelburne, Vt.

Mrs. Dorothy Weir and Mrs. Stella Derick spent Thursday in Montreal. While there, they visited their nephew and grandson, Allan Purcell who was a patient in hospital. They also visited Miss Augustine Ledoux who is a patient in Notre Dame Hospital; Everyone joins in wishing them a speedy recovery.

Mr. and Mrs. John Gingera of Scarborough, Ont.; spent a couple of days the past week with her parents, Mr. and Mrs. Andrew Hislop. Holiday weekend guests at the same home were Miss Linda Hislop, Mr. J. Fairhurst and Mr. T. Fairhurst of NDG.

Weekend guests of Mr. Bernard Derick were his son and daughter-in-law, Mr. and Mrs. Robert Derick, Nancy Jane and Brent of Montreal.

Covey Hill

Taffy Party

COVEY HILL — On Saturday afternoon, 80 members of the Guide Group of Montreal West United Church enjoyed a visit to the sugar bush of Mr. and Mrs. Kenneth Sample. They watched the sap being gathered and the taking off of the syrup. Taffy was served on snow on a table especially constructed for the occasion.

Being an ideal day, the young people walked through the bush and many enjoyed an old-feshioned snowball fight. As the group departed they all expressed their sincere thanks to Mr. and Mrs. Sample, Norris and Winston for their gracious hospitality.

Social News

Mr. and Mrs. Herbie Pilon of Montreal and Mrs. James Allen of Havelock were recent guests of Mr. and Mrs. Armand Maynard. Miss Elaine Chenette and Mr. Gerald Maynard also spent a recent week-end and Mr. and Mrs. Arthur Buchanan of Howick and Miss Dorothy Maynard Montreal, were Sunday geests at the same home.

Mr. Winston Sample of Rochester, N.Y., has returned home after spending ten days at the home of his parents, Mr and Mrs. Kenneth Sample.

Mr. and Mrs. Douglas Sloan and daughters of St. Hilaire and Miss Winona Brooks of Sorel were Saturday afternoon guests of Mr. and Mrs. Fergus Moore and family. Sunday supper guests at the same home were Mr. and Mrs. Merrill Lindsay and family of Ormstown.

Mr. and Mrs. Donald Eldridge and Donna Leigh of Montreal were week-end guests of Mr. and Mrs. James McAllister.

Mrs. Annie Harkness of Terrebonne Heights was a recent overnight guest of Mr. and Mrs. James Curran and Mr. Thos. Gowdey.

Mrs. Tolhurst, Mrs. Bradley, Mrs. John Logan and Jeffrey of Howick were recent guests at the home of Mrs. A. L. Stewart.

Miss Winnifred Stewart recently spent a few days at Greenfield Park, guest of Mr. and Mrs. Edgar Sutherland.

Sunday afternoon callers at the home of Mrs. A. L. Stewart and Miss Winnifred Stewart were, Mrs. N. O. Stewart, Mooers, N.Y. Mr. and Mrs. Roy Vaughn of Plattsburg, N.Y., Mr. and Mrs. Edgar Sutherland and Mr. John Flegg of Greenfield Park.

Get well wishes are extended to Mrs. W. W. Barr who is not as well as her many friends would wish.

Mr. and Mrs. Paul Lattin, Donald and Donna of St. Lambert, were recent week-end guests at the home of Mr. Fernie Beattie and Mr. and Mrs. Willie Beattie and Debbie.

Mr. and Mrs. J. D. McRae of Cornwall, Ont., were Friday evening guests at the Curran and Gowdey home.

Lacolle

LACOLLE — Mrs. David Carr and family of Beaconsfield, spent a few days last week with her mother Mrs. Chas. Hewson. Other visitors at the same home on Saturday were Mrs. Donald Hebb and Stephenanie of Montreal and Miss Hebb of New Brunswick.

Mr. Derek Van Vliet of Toronto, spent the Easter holidays with Mrs. Nelson Van Vliet and Mr. and Mrs. Raymond Van Vliet, Mr. and Mrs. Lorne Van Vliet motored from Toronto for the past week-end and Derek returned with them.

Mr. Peter Denison of Lennoxville, was a week-end guest at Honey Bee Farm.

Miss Alberta Lathe spent last week visiting her brother-in-law and sister, Mr. and Mrs. A. Nicholi, at Candiac.

Mr. and Mrs. E. Cleland of Hemmingford and Mrs. Robt. Jackson of Plattsburg, were Sunday dinner guests of Mr. and Mrs. Elmer Robinson.

Glad to report Mr. Wm. Dawson's condition as good, after heart surgery at Montreal General Hospital.

The Catholic Welfare held their drawing of prizes at the Bowling Alley recently. Rev. Romme of St. Bernard won the five dollar prize, Miss Mary Hazelton won the doll prize.

Mr. and Mrs. Don Robinson and Mr. Peter Denison, visited relatives at Denison's Mills on Sunday.

Saturday supper guests of Mr. and Mrs. Sherwood Boyse were, Mrs. Gilbert Boyse and Mrs. Steven Wright of Plattsburg. Week-end guests at the same home were Miss Winona Boyse and Mr. Dick Hohn of Albany.

The burial service of Mrs. Allan Sutherland took place at Burtonville Cemetery on Friday. Mrs. Sutherland was a native of Lacolle, who had resided in Montreal for the past twenty years. The sympathy of the community goes to Mr. Sutherland and family in their great loss, also to Mrs. Cookman, who is a sister Mrs. Sutherland had many friends in this district.

Mr. Gordon Boyse enjoyed his class trip to Washington and New York over the week-end.

How to relieve BACKACHE

Use Dodd's Kidney Pills for prompt relief from the systemic condition causing the backache. Soon you feel better — rest better. Depend on Dodd's.

Franklin Centre

FRANKLIN CENTRE — Mr. Hugh Barr returned to Ottawa Sunday, after spending the Easter Holidays with his parents.

Mrs. Clarence Blair and Miss Cora Blair motored to Montreal on Sunday and spent the day with Mr. and Mrs. John Barr.

Sunday guests of Mr. and Mrs. L. W. Parker were Mrs. F. Laidlaw of Toronto, Mrs. R. E. Baker and two children from Trout River, Mr. and Mrs. Harvey Boone of Montreal and Mr. and Mrs. George Marlin and Ruth from Hemmingford.

Mr. Ross Goldie of Cloyne, Ont., spent part of his holidays with his sister and family, Mr. and Mrs. Howard Blair.

This year's Sugaring Season does not look very promising at present, the general idea is that it is about over. The warm weather and no frost at night are not ideal sugar weather. Quite a number in this district are using the pipe line system.

School was to open Monday morning after a week's holiday which was spent by most of the pupils, sick with the "mumps". The basement became flooded with water, so there was no school on Monday.

Miss Morrison of Montreal was a guest at the home of Mr. and Mrs. Herbert Clarke, on Saturday.

Mr. and Mrs. Gordon Parker of Montreal, were Sunday guests at the same home and Mrs. Jack Anderson of Kemptville, Ont., was a Saturday guest.

Miss Nancy Waller's name was omitted from the list of hostesses given last week. She assisted Mrs. Kyle Blair at the Shower given at her home for Mrs. Garth Nussey.

Mr. and Mrs. James Lamb were Sunday guests at the home of their son, Mr. and Mrs. Ross Lamb.

Mrs. F. G. Sherrington is spending a few days in the city.

Mrs. John Durkin and Jane of Lake Placid spent the weekend with her mother and brother Mrs. E. Tucker and James.

Sunday guests at the home of Mr. and Mrs. F. G. Sherrington, Sr., were Mrs. Peters of Montreal and Mr. and Mrs. Wm. Croucher and family of St. Lambert.

Mr. and Mrs. Bruce Stevenson and Mark of Chateauguay Terrace, were Monday guests of Mr. and Mrs. Floyd Stevenson.

Mrs. Jack Boyse of Lacolle spent Wednesday afternoon with Mrs. Clarence Blair and Miss Cora Blair.

Havelock

HAVELOCK — Mr. and Mrs. Raymond Bonhomme, were hosts at an Easter family get-together on Saturday evening. Mr. and Mrs. Bert Allen and family of Huntingdon, Mr. and Mrs. J. Allen, Mr. and Mrs. Enest Allen and family and Mr. and Mrs. Harold Allen and family attended.

Easter week-end guests of the F. Laurin's, were Mr. and Mrs. George Laurin and family of Oshawa, Mr. and Mrs. André Laurin and family of Montreal, Mr. and Mrs. E. Allen and family and Mrs. Bill Gibbs and family.

Belated birthday wishes to Master Jacques Laurin who celebrated on April 1st., to Mrs. F. Buchanan on April 2nd., and to Mrs. Oasie Mannagh on April 5th.

Mr. and Mrs. John Laurin and family, were week-end guests of Mr. and Mrs. J. Elvidge.

Get well wishes to Sarto Gervais, who underwent an operation recently at the Barrie Memorial Hospital.

Howick High School Report

Judi Champ

The Easter Holidays are over and once again the classrooms are alive with rested students.

The most exciting event which took place during the week prior to the Easter Holidays involved the Senior Boys' Basketball team. After winning the Chateauguay Valley championship they were entitled to compete for the Visser Trophy at the Sir Arthur Currie Gymnasium. Unfortunately they lost the first game against Knowlton. In the second game against Brownsburg, they proved victorious. However Sunny Side High School managed to down them in an exciting final game. Though the team did not win, they displayed fine sportsmanship.

Thursday night, March 23 found most of the High School students in the gym for an enjoyable closing dance. Egor and the Vampires provided the music.

During the holidays, a number of students were involved in curling. The teams were Janet Holmes, Brian Ness, Diane Allen and Gerald Brown (skip). They lost their first game, won their second and lost their third. Wendy Brown, Harry Younie, Dorothy Reddick and Frank Reddick (skip) lost both their games. Dorothy Angell, Dick Angell, Shirley Whyte and Andy Ness (skip) lost their first game, won their second and third and lost their fourth. All games were played at the Bonaventure Curling Club on the Easter Mixed.

Aubrey-Riverfield

AUBREY - RIVERIELD — Miss Anne Ewing and Miss Heather McKenzie of Montreal spent the weekend with Mr. and Mrs. Carman Goundrey and family.

Mr. Bill Templeton who has spent the past two weeks in Saint John, N.B., on a Cape Construction project returned home by plane on Friday.

The Bunburys spent Easter week with Mr. and Mrs. Robert Templeton.

Mr. Robert McFarlane underwent surgery last week at the Queen Elizabeth Hospital where he is progressing nicely. Best wishes for a complete recovery and a speedy return to his home.

Mrs. Ewart Orr spent a few days last week at Ste. Agathe with Mr. and Mrs. Willard Orr and enjoyed a benefit concert for the sanitorium put on by local talent.

Little Barbara MacDonald from Huntingdon spent a few days last week with her uncle and aunt, Mr. and Mrs. Lloyd Allen. Mr. and Mrs. Russell MacDonald and granddaughter Cheryl visited at the same home on Sunday.

The W.M.S. of Riverfield Presbyterian Church were hostesses last Tuesday night to about 60 guests at a taffy party in the Church Hall. Coffee and doughnuts were served after everyone had had his fill of taffy.

A short programme followed consisting of a sing song, violin music by Wm. Stacey, piano solo by Mrs. Wm. Stewart, piano duet by Mrs. Wallace Logan and Mrs. Wm. Brown, a duet by the Misses Marian and Linda Craig on their electric organ and Wallace Craig entertained with his little dancing man.

Mr. and Mrs. Jack MacAllis ter, Mr. and Mrs. Norman Easton and Mrs. Keith Jackson were Sunday guests of Mr. and Mrs. Gordon Easton.

A group of 25 young people with their leaders from People's Church in Montreal enjoyed Saturday afternoon in the sugar shanty of Mr. and Mrs. Wallace Craig. Great quantities of taffy were consumed followed by hot dogs, coffee, ice cream and cake. All agreed it had been a wonderful experience.

Mr. James Templeton was host to about 25 members of St. James' United Church Y.P.S. on Saturday afternoon and evening. They had hoped to do some curling in the afternoon at Riverfield Curling Club but due to the sudden and unprecedented rise in temperature the ice proved unsatisfactory so most of the visitors called at the sugar

Wedding

NUSSEY-BLAIR

The marriage of Miss Judy M. Blair, daughter of Mr. and Mrs. G. Norval Blair, of Franklin Centre, to Mr. W. Garth Nussey, son of Mr. and Mrs. Preston J. Nussey of Ormstown, took place on Saturday, March 25th., at 2.00 p.m., at the residence of the bride, Rev. A. E. Loree of St. Paul's United Church, Orms-town, officiated at the quiet ceremony.

The Bride given in marriage by her father, was in white peau de soie street length gown, with Empire waistline. The train falling from the shoulders was of the same lace as the bodice and sleeves. Her bouffant veil of tulle illusion was held by a beaded floral headdress. She carried a nosegay of a large yellow chrysasthemums centred in stephanotis.

Miss Susan Blair, bridesmaid for her sister, was gowned in yellow lace over satin with empire waistline. She carried a large bronze chrysanthemum centered in yellow net.

Mr. Donald Dunn, cousin of the groom, acted as best man.

Little Jeffrey Blair, brother of the bride, was ring bearer.

Following the reception, the happy couple left by plane for Fredericton, New Brunswick.

Noyan

NOYAN — Easter guests of Mr. and Mrs. H. Elgar, were Mr. and Mrs. Harold Murdock and family of Verdun, Mr. and Mrs. William McConnell and family of Dorval, and Mr. and Mrs. George Ferguson and family of Chambly.

Get well wishes are extended to Mr. Leonard Vosburg who is a patient in St. John's Hospital.

Mr. Stuart Derick, Mr. Rodney Derick and daughter Carol attended the funeral of the late Mrs. Alan Sutherland in Montreal on Friday morning. Mr. Sutherland is well known in this vicinity as he was formerly employed by the Richelieu Bridge Company. Sympathy is extended to the family.

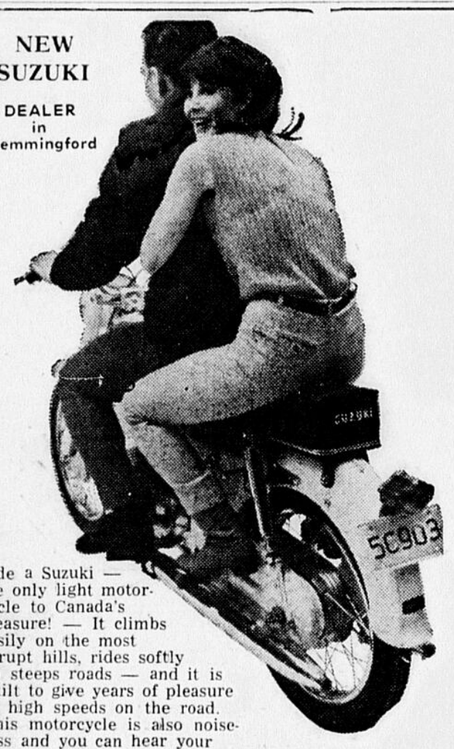

Glad to see Miss Augustine Ledoux home after her stay in Notre Dame Hospital, Montreal.

A Chartered Bus left Clarenceville on Thursday at 11 a.m. for St. Gregoire, where everyone enjoyed a sugar party. The bus returned a 5 p.m.

Mr. and Mrs. T. Breckles of Fabreville, were Sunday visitors of Mr. Stuart Derick, Mr. and Mrs. Rodney Derick and family.

Mr. and Mrs. Gordon Mosher and Mrs. J. Mosher were Sunday visitors of Mrs. Mosher's brother and sister-in-law Mr. and Mrs. Clifford Dean of Philipsburg.

NEW SUZUKI
DEALER in Hemmingford

Ride a Suzuki — the only light motorcycle to Canada's measure! — It climbs easily on the most abrupt hills, rides softly on steeps roads — and it is built to give years of pleasure at high speeds on the road. This motorcycle is also noiseless and you can hear your passenger sing in your ears.

The motor is the two cycle type which gives more power than a four-cycle one when needed. One, two instead of one, two, three, four. And all this is guaranteed by Suzuki — the best there is.

Suzuki has a model to suit your taste for speed — try one of the many splendid ones — from the Sports Standard 50 cc to the 250 cc X6.

Mr. and Mrs. L. A. Sanderson...

(Continued from page 1)

Then on behalf of the various organizations Mr. Proudfoot made announcements of the following presentations in their turn.

For all the friends gathered there — the presentation of a set of Royal Doulton Dinnerware.

Mr. D. Davidson, accountant at the Imperial Bank of Commerce, addressed Mr. and Mrs. Sanderson and stated how much all the members of the bank staff had enjoyed working with Mr. Sanderson and thanked Mrs. Sanderson for the various occasions when she was hostess to the staff members. All of this was greatly appreciated. He then called upon Mrs. Morris Henderson and Mrs. McRae Clouston to present Mr. and Mrs. Sanderson with a set of luggage.

A presentation by Stanley Reid, President of the Huntingdon Agricultural Society was made on behalf of the Society. Mr. Reid remarked that Mr. Sanderson had done a wonderful job for the Agricultural Society and he presented him with a cut glass decanter. At the same time he expressed best wishes for their future.

Mr. Fred Anderson on behalf of the Huntingdon Rotary Club presented the guests with a cut-glass water pitcher. He quipped a little on some of his experiences as a neighbor of the Sanderson's which brought forth a number of laughs. He wished them both every success.

Mr. Gilbert MacMillan, O.B.E. and former Chairman of the Governors of Huntingdon County Hospital, was next called upon to make a presentation to Mr. Sanderson from the members of the Board. He spoke of the good work that Mr. Sanderson had done while serving with the Board and in recognition of this he presented to him an engraved silver tray.

Dr. F. G. McCrimmon then presented a similar tray to Mr. Gilbert MacMillan in honor of the 15 years he had served the Hospital Board as its Chairman. He addressed him along those lines and the tray was engraved according to this recognition.

Mr. and Mrs. Sanderson were called to the front, when Mr. Sanderson thanked all for the splendid gifts that had been presented to them and thanked everyone for the words of praise and so forth which had been extended to them.

However, Mr. Sanderson said he did not deserve all the praise and he felt that the members of his staff had often helped him out in the tasks he had undertaken. He therefore called all the members of staff to the front and introduced them one by one to the gathering. He extended an invitation to all if any of them happened to be in St. Johns, to visit them in their new home.

The rest of the evening was then turned over to dancing or whatever other recreation the guests decided upon. Later, with the Guests of Honor leading the line, a smorgasbord meal was served. After partaking of this, the evening was brought to a close.

News from Ormstown

COVERING THE ACTIVITIES OF THE "LITTLE ROYAL" EXHIBITION CENTRE

ORMSTOWN — We are pleased to report that Mr. Eddie Elliot has returned to his home, much improved in health, after a lengthy stay at the Royal Victoria Hospital in Montreal.

Mr. and Mrs. Murray Lamb and family of Oakville, were week-end guests at the home of Mr. and Mrs. Eddie Elliot.

Sgt.-Maj. L. L. Skidmore of Quebec, visited with Mr. and Mrs. L. Cullen, on Monday.

Miss Floris Henderson of Morin Heights, spent last week at the home of her parents, Mr. and Mrs. Art Henderson.

Miss Floris Henderson and Mrs. A. A. McNeil were Wednesday overnight guests at the home of Mr. and Mrs. Keith McMillan in Finch, Ont.

Mr. and Mrs. Art Henderson attended the funeral of the late Mr. Dan MacMillan of Finch, Ont., on Thursday.

100 SCHOOLS TO RECEIVE CENTENNIAL LIBRARIES FREE

Christie's has announced that its nation-wide Centennial project will be the awarding to more than one hundred elementary schools of libraries suitable for children from kindergarten to grade 9.

Making the announcement, Mr. N. Murray Brown, President, Christie Brown and Company Limited, said "Our search for a suitable Centennial project led us to the conclusion that none could be better than to assist those who will be contributing to Canada's future. Thus, our company is going to equip more than one hundred elementary schools with libraries."

Each library, which will be known as the Christie Centennial Library, contains a wide selection of books compiled by one of Canada's leading educational book publishers and is suitable for all elementary schools. The Christie company hopes that the elementary schools designated to receive them will have their library units installed before the summer vacation recess.

Provincial educational officials are very pleased with the Christie's Centennial Project as, unfortunately, elementary schools in many parts of Canada are not as well equipped with school libraries as they should be. "We are hopeful" continued Mr. Brown, "that these elementary school libraries will provide entertainment, relaxation and knowledge for Canadians in our nation's second century."

Hemmingford Variety Show

(Continued from page 1)

group of Hemmingford men pirouetted and twirled and danced their way right into the hearts of the audience; so much so that the audience were convulsed (with laughter!) and called them back for an encore. The members of this troupe were Earl Orr, Emmet Napper, Harry Davis, Angus Orr, Allan Fisher and Ernest Merlin. Gavin Farmer, one of our serious students of the piano, gave a solo then we watched 'Operation 67'. With Dr. Bob McKay operating. Nurse Ann Robertson assisting, Nurse Erna Somerville presiding over the anesthetic machine (a new type 1967 wooden mallet) the audience watched, enthralled, while a weird variety of objects were removed from patient Mrs. Mildred Hadley. As the Doctor remarked, 'what a digestive system this patient has'.

After intermission the band again entertained with two numbers and they were followed by the local not-so-teenage band. Our ballet dancers proved (with the aid of a hidden record player!) that their rhythm was not only in their feet. Little Faye Germain sang and danced a modern Go-Go number and was followed by Earl Orr giving the dramatic recitation 'The Soldier and the pack of cards'. This serious item was very well done and well received by the audience.

Mr. Ken Lamb and Mrs. Pauline Greer entertained with song and guitar. The two songs, sung by Mrs. Greer, accompanied by Mr. Lamb were most interesting and deserving of wide publicity. They were composed by Mr. Lamb, the first, a centennial song, in both French and English, the second a song about Montreal, also in both languages. In the opinion of many who heard them, these two songs compare very favourably with anything heard recently on either radio or T.V. It was later learned that Mr. Lamb has an extensive repertoire of songs of all kinds, many about current happenings, some western type. Mrs. Lamb also has a fine voice and sings the songs written by her husband.

The 'Three Unexpected Happenings' which followed were short but funny and then came the girls of Hemmingford High School with a graceful demonstration of tumbling. They were Heather MacGregor, Debbie Boon, Debbie Ross, Vallerie Pelletier, Susan Elvidge and Carol Berthiaume. Mr. Bob McKay was M.C. for the evening and entertained during the acts with a number of funny stories. Our thanks for this excellent show go to Anne Robertson, Laura Napper, Evelyn Davis, Erna Somerville, Mildred Hadley and Robert McKay who were the planning committee, and to Mr. Doug. MacGregor who took the pictures. We shall look forward to next year's show.

Unprecedented Volume Of Mail Received By Government Tourist Branches

QUEBEC — Those who follow the trend of the tourist industry agree that this year will be a record one. Certainly, one does not need to be a phophet to be assured of this, since Expo '67 has drawn the attention of every country in the world to the city of Montreal.

Normally, the largest number of requests for information by mail is received by the Department of Tourism, Fish and Game during the months of April, May and June, not only because this is the period during which the department's publicity campaigns begin, but also because this is the time when people start thinking about their vacations.

In January and February of last year, 17,544 and 23,743 requests respectively had been received by the Tourist Branch; this year, the figures for the same months were 42,854 and 79,578. In other words, the mail volume tripled.

The Tourist Branch, during the first months of the year, usually inserts advertisements dealing with winter sports in mass circulation newspapers and magazines throughout North America. This year, an increased budget permitted the department to carry on a parallel advertising campaign geared to Expo 67, aimed at suggesting that visitors who come to the world's fair take advantage of their trip to visit the principal regions of "La Belle Province"

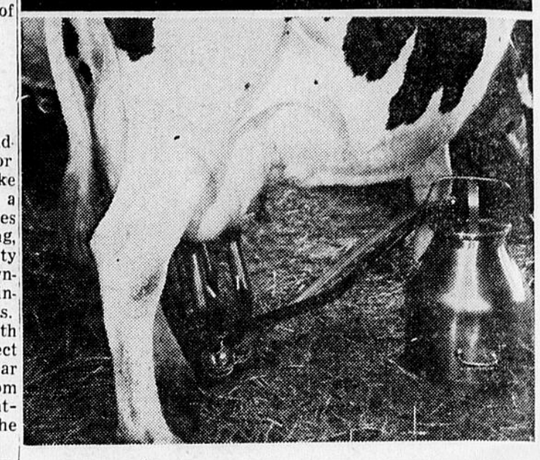

AIR — WHO NEEDS IT?

The complexity and dependability of the modern motor vehicle has tended to make the average owner neglect a number of important features of his car. For one thing, the Canadian Highway Safety Council points out, few owners remember the proper inflation for their car's tires. The manual provided with each new car lists the correct inflation for front and rear tires, yet the motorist seldom can tell the service station attendant how many pounds he needs in the tires.

Strict adherence to these inflation recommendations is extremely important, according to the Council. Not only for Safety, but for economic reasons, proper inflation must receive constant attention. Underinflation of a tire results in flexing which builds up excessive heat and increases the risk of tire failure. Underinflation also causes rapid wear on the tire's outer edges, and may cause internal damage.

The Rubber Association of Canada has urged motorists to check tire air pressure at least once a month, when tires are cool, preferably after the vehicle has been parked for at least three hours or driven less than a mile at moderate speeds. Underinflation results in improper contact with the road surface. While modern tires are vastly stronger and more dependable than any tires in the past, the association reminds owners they can still wear and they can be damaged by lack of attention and care.

Hair Styling...

(Continued from page 1)

heads (ah: me that ravishing coiffure ruined. The message of this commercial, according to the commentators was: "Ladies, never forget your weekly visit to your hair dresser and the occasional trip to your dress shop if you want to keep your old man at home".

Incidentally, another change in programme this year. Two commentators, Mme Boileau of Ormstown, in French and Mrs. A. Lester Campbell in English and both ladies did an excellent job.

The men folk were well represented with male models, from Arnold's Men's Wear and Huntingdon Plaza showing some good suits and coats and the latest in Mod styles. One young man stole the show. Harold Kruyk, all of seven years old, who showed us just what our future generation can look like. At rehersal, Harold had been rather nervous, but on the show, he was a real little trooper. In all probability, he delights in standing in puddles two inches above his Wellingtons and thinks slitting his very best pants a huge joke, but on that ramp, this debonair man about town with just a hint of shyness touched every mother's heart.

Another bit of hilarity, when this year's guest model was introduced; modelling for the fuler figure. Irvin McWhinnie again in an elegant two piece and shoulder length wig. It's no show without a bride and for this year's bridal gown, one word only is sufficient: Exquisite.

The whole show from the Elite Dress Shoppe and Salon Claude showed throughout, the elegant simplicity which seems to be the trend of this year's fashion. Claude's coiffures for the formal evening wear, so chic and so feminine were complemented by the full length gowns worn by the models. Only one "Fantastic", this year, set off by an intriguing Batman style evening gown.

There was a reminder of our great Centennial year. Lise Villeneuve in a one hundred year old dress, complete with button boots and ostrich feathers. For this, Claude created, with the addition of a wiglet, a perfect replica of the 1867 hair style.

Madame Faubert and Claude wish to thank all those who helped in making the show possible. Miss Thérèse Saumier, for choosing the fashions and fitting the models and her assistants, Mrs. Garnet Hopper and Mrs. Agnes Cyngot who also took the tickets at the door. Mrs. Monique Racine for her translation, typing and as a charming hostess. Also for typing and translations, Mrs. Lise Villeneuve and Mrs. Beverly Lalonde. To Mrs. Campbell for her part in helping to organize the show; also as English commentator; Mrs. Boileau as French commentator. Mrs. Jean Brunet as hostess; M. G. Marleau for lights arrangements and Mr. Fernand Guérette. Also Miss Eliane Lasalle for Avon products.

And a very special thankyou to the two Claudettes for their hard work and splendid cooperation; also to all the models who were so charming. To the management of the Chateau for their help and cooperation and to Daniel Langevin and Hervé Lefebvre for their decorations and the construction of the ramp. Also to the Little Denmark Flower Shop who donated one bowl of flowers. And Mr. Don Racine who loaned the wood for the ramp; St. Joseph church for the loan of the carpet.

And lastly to the public who bought tickets making the giving of the cheque to the Retarded Children possible; thereby helping in a small way toward the upkeep of our little school in Huntingdon, which is doing such a wonderful job.

The following week, the same show was presented in Ormstown, to a packed audience and with similar success. The proceeds went to the Barrie Memorial Hospital.

Les préparatifs vont bon train pour les célébrations du 1er juillet

Les préparatifs vont bon train pour les célébrations du 1er juillet à Huntingdon.

Le 11 avril à 8:30 p.m. à la salle de la Légion aura lieu une assemblée pour tous les groupes intéressés à réserver un kiosque ou de l'espace sur les terrains de l'exposition pour cette grande journée de fête.

On vous a déjà parlé de la parade monstre qu'on désire présenter et des nombreux groupes qui ont manifesté leur intention d'y participer.

Chars allégoriques, majorettes, fanfares, bicycles décorés etc. en feront partie. Le thème de la parade est "Un siècle de Confédération". Les décorations devraient s'inspirer des événements de l'histoire du pays ou de notre région. Il n'y aura pas de prix; ce qu'on désire, c'est d'exprimer notre patriotisme. Si vous n'avez pas encore signifié votre intention de participer, téléphonez dès maintenant à Mme Kay Williams 264-5714 ou à M. H. Guérin 264-5003.

C'est vorte seule chance de prendre part au Centenaire de la Confédération du Canada. Le comité voudrait que toutes les organisations y soient représentées, de quelque manière que ce soit. Char allégorique, groupe marchant, drapeau, etc. Que cette célébration soit vraiment celle de tous les groupes, quelle que soit leur langue.

Il y a encore quelques kiosques de disponibles pour ceux qui voudraient aider de cette façon au projet du Centenaire car tous les profits de la journée iront au fonds de ce projet.

Le Centenaire d'un pays est un evénement qu'on ne voit qu'une fois; célébrons-le comme il se doit.

Le concours du prince et de la princesse ainsi que de la reine et du roi du centenaire devrait susciter beaucoup d'intérêt chez les jeunes. Ceux qui y prendront part seront divisés en trois groupes d'âges. Les 16-22 devront répondre à des questions sur le Canada et le comté de Huntingdon et prononcer un discours de 3 minutes. Ceux du groupe 10-15 et du groupe 5-9 seront jugés selons leurs formules de participation et les entrevues qu'ils auront avec les juges.

Le couronnement aura lieu le 2 mai au Huntingdon High School à 8 p.m.

Les gagnants seront dans la parade du 1er juillet.

Il n'y a rien à vendre et personne ne doit voter, car ceci n'est pas un concours de popularité. Nous voulons faire connaître la jeunesse du comté qui pourrait nous représenter ailleurs. Pour participer, il suffit d'être Canadien et d'avoir résidé dans le comté pendant au moins 5 ans.

Liturgie—Le jour est-il venu où l'Eglise devient pour moi une réalité à laquelle je participe, une communauté dans laquelle je découvre qu'il y a une multiplicité de fonctions? Le moment est-il arrivé où je reconnais que l'existence des prêtres, des religieux, des chrétiens consacrés s'inscrit dans l'ordre de la vitalité et de la sainteté de chacun de ses membres? Je prierai pour de telles vocations parce que ma vocation de chrétien l'exige, parce que j'ai saisi ce qu'est le peuple de Dieu. Notre prière de ce jour, en réponse à l'invitation du Pape, a une portée eccésiale. Elle engage tous les chrétiens à découvrir l'amour que Dieu nous porte, à demander à l'Esprit d'éclairer chacun dans sa vocation et de susciter dans le monde des vocations de consacrés au service de l'Eglise. Elle proclame au monde l'amour du Seigneur ressuscité.

Dimanche — 9 avril — 2e après Pâques (Misericordia)

3h. p.m. Heure Sainte du Rosaire perpétuel
7½h. p.m. Feu Mme Blanche Lupien: Pupils of Grade 7

Sunday — 16 — White — 3rd after Easter (Jubilate)
Liturgy — There is no room for skepticism in our appraisal of Jesus. He told us about Himself, about His mission — and He lived up to it entirely. When, in today's Gospel, He declares: "I am the good shepherd", He is stating a fact. At the time when He made the statement, His sufferings and death still lay ahead in the future. Despite the agonies that would be involved. He was ready, even then, to assert: "I am the good shepherd: the good shepherd lays down his life for his sheep." Perhaps, though, we are a bit skeptical. Perhaps, in the back of our minds there lurks a shadowy suspicion: "He must have expected to get something out of it." We should take the suspicion out of the shadows, and expose it to the light: What would any shepherd expect to get out of laying down his life for a bunch of sheep that don't have enough sense to stay away from danger?

Deux blessés dans un accident près de Dewittville

Tôt dimanche, soit vers 1 heure a.m. un accident se produisait près des limites de Dewittville, entre Huntingdon et l'endroit précité.

Il semble selon le rapport de la Police Provinciale, que le conducteur aurait perdu le contrôle de son auto, une Ford 1956, dans une courbe, un peu passé la ferme de Turkeys De Luxe. Bernard Lefebvre, 21 ans, demeurant à 3 Somerville, qui conduisait l'auto et un cousin Normand Lefebvre, aussi dans la vingtaine, et demeurant à 13 Somerville qui avait pris place dans la voiture se dirigeaient au moment de l'accident vers Ormstown. Ils furent projetés hors du véhicule qui dérapa. On les retrouva tous deux à une certaine distance de l'auto, étendus dans le champ.

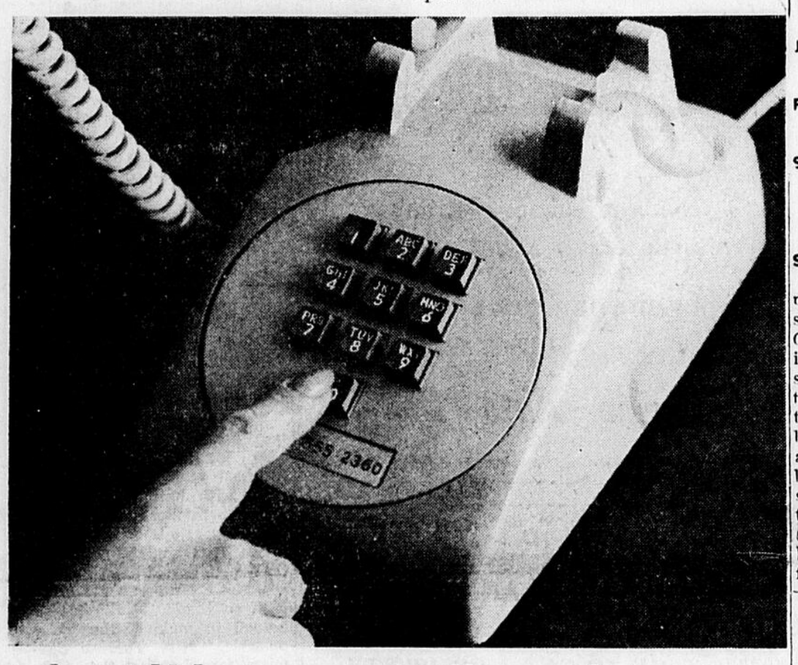

La Police Provinciale, le médecin et deux ambulances furent mandés sur les lieux. Normand Lefebvre fut transporté à l'hôpital d'Ormstown où il fut traité pour blessures légères et choc nerveux. Bernard Lefebvre fut transporté à l'hôpital Général de Montréal, souffrant de blessures graves surtout à la figure; il a depuis repris connaissance et devait subir des opérations cette semaine. Quant à l'auto c'est une perte totale.

notre secteur est encore indécise.

Il serait bon à ce stage de féliciter les commissaires qui ont travaillé d'arrache-pied pour obtenir ce résultat. N'oublions pas l'Association Parents-Maitres qui par ses nombreuses démarches et en faisant connaitre les désirs de la population a sans doute aidé grandement à atteindre ce but.

Le téléphone de l'avenir: le téléphone à clavier "TOUCH TONE"

(offert en quantité limitée seulement!)

Il suffit d'appuyer sur les touches! Vous pourrez ainsi composer un numéro facilement, avec une grande rapidité. Ce sont des impulsions électroniques à sonorité musicale qui acheminent l'appel: voilà le plus important changement depuis l'invention du téléphone à cadran! Commandez le téléphone que vous voulez, de la couleur que vous aimez — l'appareil de couleur ne coûte pas plus cher.

Le service "Touch-Tone" ne coûte que $1.75 de plus par mois, une fois les frais ordinaires d'installation acquittés, quelque soit le nombre d'appareils que vous avez à la maison.

N'oubliez pas: notre provision de téléphones "Touch-Tone" est limitée. Si vous voulez être parmi les premiers à profiter du téléphone de l'avenir, commandez le vôtre au plus tôt!

Les plans définitifs de l'Ecole Régionale de Huntingdon sont acceptés

Nous apprenions lunli avec grand plaisir que les plans définitifs pour l'école Régionale catholique de Huntingdon avaient été approuvés et que des soumissions seront demandées d'ici une semaine.

Cette nouvelle de grande importance réjouira sans doute toute la population locale qui à certains moments a peut-être douté que le projet vienne à se réaliser.

Cette décision permet d'espérer même si la date à laquelle on pourra profiter de tous les avantages d'une telle école pour les étudiants de

Succès du bal du Centenaire

Tel qu'annoncé précédemment, un bal du Centenaire organisé par les Etoiles de Notre-Dame avait lieu samedi soir dernier en l'auditorium de l'Ecole Notre-Dame. C'était nous a-t-on dit le "premier" du moins pour les jeunes.

Les organisateurs auraient aimé y voir une assistance plus nombreuse, mais les personnes présentes, environ cent y ont passé une très agréable soirée. Quant aux adolescentes, pour qui c'était le premier bal, elles ont trouvé cela merveilleux. Les dames et demoiselles portaient toutes de très belles toilettes longues tandis que les messieurs avaient endossé leurs plus beaux habits.

Quatre des majorettes et leurs escortes ont ouvert le bal: Ann Campeau, Francine Lavallée, Maureen Campeau et Diane Trépanier.

Une belle peinture offerte comme prix de présence par Empire T.V. a été gagnée par Mlle Esther Fortin; Francine Lavallée gagnait un gros ourson qui fut tiré au sort et avait été offert par Légaré; le plus jeune couple, Daniel Hart et Suzanne Parent ont également reçu des prix offerts par Mme V. Delaronde et Mercédès Shoppe.

Les Etoiles de Notre-Dame désirent remercier tous les marchands qui ont offert des prix; leur encouragement en plusieurs occasions est très apprécié. Elles remercient également tous ceux qui ont aidé au succès de cet événement.

Et maintenant elles reprendront leurs pratiques régulière afin qu'en mai, alors qu'elles représenteront toute la population de Huntingdon à l'Expo, elles fassent honneur à leur ville. Il est possible qu'un autre événement spécial soit organisé à l'automne; ceci encourage les jeunes et le comité est d'avis que leur beau travail mérite récompense.

Vente Anniversaire de peintures INTERLUX
2 pour 1

International Paints célèbre ses 125 ans de succès au Canada ... participez à la fête en profitant des fabuleuses aubaines de la Vente Anniversaire.

C'est le temps de vous approvisionner de peintures de qualité supérieure Interlux... on vous les offre à moitié prix. Et les finis d'intérieur Interlux vous sont présentés en un choix de plus de 1,000 couleurs très en vogue, pour un léger supplément. La sensationnelle Vente Anniversaire Interlux ne durera qu'un temps limité. Voyez votre fournisseur Interlux dès aujourd'hui.

Vous achetez l'une ... l'autre est gratuite!
