NINETY-THIRD YEAR

## Possibility Kindergarten May Be Conducted At Huntingdon High School

The Huntingdon High School Board of Commissioners met for an adjourned meeting at the High School, on Tuesday evening, June 12th, with all members present.

Correspondence revealed that permission had been granted by education authorities in Quebec for the Board to borrow a required amount to cover payment of the damages in the recent suit against the school year.

Dr. K. Willis reported on arrangements made to take care of the examination period and said that teachers who were released from their classes by reason of the pupils not writing exams, would stay and help with supervision until a later date. He also explained the new ruling whereby students in some of the lower grades would be exempted from writing certain examinations.

Some members of the Board complained that certain parents had called them to the effect that they thought the system was unfair and felt that all students should write examinations at the same time. Dr. Willis explained that the system was within the Education Act and quoted a paragraph relating to it. In order not to write a particular examination a pupil must have had a high percentage mark throughout the school year.

The board asked if there were any who would not write a single test. Dr. Willis replied that there were a few, but not too many. The Board decided to leave the matter to the principal by being qualified to judge what was best.

The matter of new enrolment was discussed and it was decided that starters must have reached the age of six years on or before September 1st, 1956, in order to be accepted for the new school year.

## Successful Annual Musical Recital

Betty Cairncross — Fairies' place in the auditorium of Howick High School, Friday, June 1st, at 8:30 p.m., when the pupils of Mrs. James Crawford presented their Annual Musical Recital. The parents, friends, students and teachers who attended thoroughly enjoyed the informal afternoon entertainment. The stage was attractively decorated with baskets of apple blossoms and tulips.

Each student played two or more musical selections, several of which were duets played by pupil and parent or pupil and teacher. The program was as follows:

- 1 Sheryle Cullen — Questions, Air, Blue Bells of Scotland.
- 2 Barbara Logan — Lazy Mary, Betty and Bill, Flying to the Moon.
- 3 Gloria Goudey — My Bonnie, Vacation Time, The Long Trail.
- 4 Ian Bustard — From a Wigwam, Jesus Loves Me.
- 5 Gene Goudey — Music Land, Man in the Moon; duet with Mrs. Crawford; Home on the Range.
- 6 Sandra McFarlane — Jesus Bids us Shine; Chimes; Duet with Mrs. McFarlane; Pierrot.
- 7 Patricia Bowness — Big Ships; Jesus Loves Me; The Old Cellar.
- 8 Patsy Reddick — The Cuckoo; Dapple Grey; Duet with Mrs. Reddick; The Hunter and the Shepherdess.
- 9 Betty Cairncross — Fairies' Harp.
- 10 Susan Smith — When Mother

## BOWLING CHAMP FETED

When P. E. Lebec of Valleyfield (second from right), returned to Montreal from Winnipeg, where he won the Canadian Bowling Championship, he received a real champ's welcome. Here he and his wife are pictured at Dow Brewery's reception room with Roland Lesperance, regional sales manager (left), and Paul Bertrand, assistant director of sales (right). In addition Mr. Lebec also appeared on Doug Smith's "Big Time in Sport" television show.

## Anniversary Service At Howick United Church

HOWICK  
An anniversary service was held at Howick United Church on Sunday morning, June 10th, with Rev. W. A. Edwards in charge.

On Monday evening the congregation enjoyed a Pot Luck Supper which was well attended. Following the supper, there was a short, but pleasing musical program. The C.G.I.T. directed by Mrs. E. Smith, sang The Lord's Prayer. Carol Tenant and Dorothy Ann Welburn sang sweetly in two duets. A mixed quartet, Mrs. R. B. Ness, Mrs. E. Smith, R. Gruer and E. Smith sang, Lead Me Lord.

Mr. and Mrs. C. Moore were asked to come forward and Rev. Mr. Edwards on behalf of the congregation, presented them with a small token of appreciation for work they had done in the church.

Rev. Mr. Pelletier from Valleyfield was present and told of the wonderful experiences he had had at the meetings of the worked Council of Churches at Evanston, Ill. One highlight being a unique pre-communion ceremony, which was led by the church of south India. It was interesting to hear how the three official languages were used and interpreted. Mr. Pelletier, on the staff in connection with interpreting was able to explain fully how this was done.

## Kindergarten For Huntingdon

In response to numerous requests and to keep in line with recognized educational trends the Huntingdon Protestant School Commission will sponsor a kindergarten for 1956-57, if sufficient parents are interested. An enrolment of 20 to 24 children who become six between Sept. 1st, 1956, and Dec. 31st, 1957, would be necessary. Mrs. Stanley Ruddock would handle the class in the High School between 9:00 A.M. and 11:00 A.M. each school day. Since a very small share of the cost should fall on the taxpayers in general, the usual fee of \$5.00 a month must be levied to cover practically all the costs. This would include milk and cookies each morning as well as all supplies. The program is designed to provide worthwhile activities for children of this age group during most of the morning as well as to prepare the children for the social adjustments required of them in Grade 1. Although children from outside Huntingdon itself are welcome and school bus transportation to school will be available, the school board cannot provide transportation home at 11:00 A.M.

Parents who are interested in having a child attend the kindergarten are invited to telephone the school principal or Mrs. Stanley Ruddock.

## Today the Voting Is On!

The tumult and the shouting is over; the battle crys have been subdued, an armistice is declared while the people go to the polls to decide who will be the victor. Today is June 20th and the people will be making their way to the appointed poll for their area to mark their ballots in favour of the candidate of their choice.

They have listened to the pros and cons put forward by the several candidates in the three ridings in which we are mostly interested, and they will have made their decision. Some time after 6:30 this evening, the results will start coming in and we shall know who is to represent these ridings and which party will form the new government of this province. It is expected in the Huntingdon riding that the vote will be heavy and will be very close. All through the campaign it has been very quiet. Talk on the election has been guarded for both the men representing the two parties in this riding are well known and respected. It is a hard decision for many to make, just on this account. Whichever one is elected, will call for a wild celebration and this will follow the results as soon as they are known.

The main result—that is the Provincial tally will also call for a celebration. It could see in this riding both sides celebrating different victories, or it could mean a full one side victory. If the Liberals are returned to power throughout the Province, it could mean a very exciting celebration, which they have not been in power for a number of years. It is possible that this election could be one of most exciting in many years. The voting throughout the province could be very close all around and this would mean many defeats for the Union Nationale candidates as the Union Nationale to gain a large number seats in order to have a majority to form a government. The Liberal seats have been decided on the small side in the past two governments have been decided on the small side and if they were to win this campaign it would certainly be a sweeping victory.

Today will be an anxious time for all who have a stake in this election and they will be impatiently waiting for the polls to close and the votes to be summed up. The general electorate will be waiting just as anxiously for the results as they will want to know if their particular vote, to know if their particular candidate has been chosen by the popular vote.

Fortunately, to day we get returns much earlier than in years past and thus the suspense is lessened and by about ten p.m. the full result should be known. There may be some remote polls still to be heard from, but which are not likely to change the general picture very much.

This is one of those times when we would like to be publishing a day later, then we would be able to tell you the whole story and the names of the winners. No matter what happens, we will be on time and today is publishing day. For the full details we shall have to wait until the next issue.

In the brief time that is left between when you receive this edition of The Gleaner and when the polls close, may we again urge everyone to get out and vote. It is a duty you owe unto yourself as well as to the riding and the Province.

## Chat. - H'don Pupils to Have County Scholarship

Plans were completed this week for a Chateauguy Huntingdon County Scholarship of \$100 to be awarded a pupil completing Grade eleven this year in any of the four High Schools: Hemmingford, Howick, Huntingdon, Ormstown.

The following qualifications are necessary: (a) that the pupil must be continuing on to higher education; (b) that a standard of 750 marks or more in ten subjects be achieved; (c) should there be several candidates who qualify with regard to academic standing the matter of economics need should be considered as well as industry and general worthiness of the applicant.

Applications for this scholarship must be sent to the County Convener of Education Mrs. Wallace Kerr, Kilmurc Farm, Howick) by June 22nd, 1956. The letter of application should state name, age, parents' name, school where planning to continue next year's education, and in what profession, and any other particulars that might be pertinent. The winning student will be notified as early as possible in August.

## Boy Drowned, Was Attending Picnic

A drowning accident occurred at Lake Hermas, a mile south of Hemmingford, on Friday afternoon, June 15th, when Yvan Brais, age 12 years, lost his life. The victim is the son of Mr. and Mrs. Fortunat Brais, of Hemmingford, and was attending a picnic with a group of children from Langlois Academy, Hemmingford.

The boy was playing with a beach ball in the water and when last seen by another boy, was going after the ball. Apparently he got into deeper water and was drowned. He was not missed until it was time to leave for home.

Dr. George Lefebvre of Huntingdon, County Coroner, was called and announced the death as accidental. Const. Roland Goyette of the Provincial Police, Huntingdon, investigated.

## Woman Holds Robbers For Police

The E. Rabeau cheese factory at St. Amelot, was the scene of an attempted robbery on Sunday evening. This factory is a well-known rendez-vous for people to buy cheese curds and cheese, and Sunday had been a particularly busy day for the owners.

Mr. Rabeau had retired for the night as he arises early in the morning for his work at the factory. Mrs. Rabeau was alone and had just closed the door of the factory at about 8:30 p.m. and was tired after the busy day.

She was startled a short time later by hearing a window being opened and the screen window being broken. Soon a head and a body appeared through the window. Mrs. Rabeau lost no time in picking up a bar and struck the person and dazed him. There were two of them and Mrs. Rabeau held the two of them until police arrived to take charge.

Const. Bernier of Valleyfield was called, but he was away at Beauharnois. On his way to answer the call he was delayed by two traffic accidents thus it took some hours or more before he arrived. However, Mrs. Rabeau maintained her vigil and the two men were taken into custody.

## Community School Notes

Approximately 1500 copies of the program of the Fall Community School project have been sent out to local and out-of-town residents. Anyone who has not received a copy and wishes to have one, may phone Huntingdon 2698 or 2901 and a copy will be forwarded.

During the past three months, the executive has expended a great deal of time and effort in preparing the Community School program in order to be assured of obtaining capable instructors and having plans finalized before the end of June.

Courses and instructors are as follows:

Mr. James Laurie, Hemmingford, Woodworking.  
Miss Vera Rutherford, Ormstown, Typing.  
Mrs. A. Stuart White, Howick, Ceramics or Clay Modelling.  
Mr. Robert MacDonald, Westmount, Glee Club.  
Mr. Robert Veysey, Westmount, Dramatics.  
Mrs. Gordon McCrimmon, Oil Painting.  
Miss Jean Pryde, English Conversation.  
Mr. H. MacKerith, French Conversation.  
Mr. M. Tillotson, Bridge.  
Mr. J. Teifer, Auto Mechanics.  
Archie Murray School of Dancing, Modern Dancing.

Gratifying response to applications has been received to date. The limited courses of Ceramics and Oil Painting have been more than half filled, while Modern Dancing requires six more couples before its justifies.

The Huntingdon Social Association which sponsors the Huntingdon Girl Guides, has recently been newly re-organized, and would welcome any new members when they re-convene for regular meetings in September.

Meetings will be held in the fourth Tuesday of every second month, at 7:45 p.m. at the Huntingdon High School, when matters of importance pertaining to the guide movement will be dealt with.

The newly formed Executive is as follows: President, Mrs. E. C. Martin; Vice President, Mrs. H. MacNaughton; Sec'y Treas., Miss Jean Pryde; Badge Sec'y., Mrs. A. L. Levine.

## Gideon Presentations Made To District School Pupils

The Chateauguy Valley Camp of the Gideons International in Canada, are pleased to announce the names of the winners of their 1955/56 essay. Those taking part were children of the 5th grade of the following participating schools, all of whom were presented with copies of the Gideon New Testament. A New Testament is given to every child attending 5th grade each year in Protestant Schools of this province and throughout Public Schools across Canada.

The winner of the grand prize of a watch was Miss Sandra Coult of Nitro Protestant Schools. The following were winners of prizes for the best essay submitted from individual schools, the prize being a wallet: Miss Joyce English, Ormstown High School; Miss Linda Dahms, Huntingdon High School; Miss Violet Powell, Beauharnois High School; Mr. Fred Sherrington, Franklin Consolidated School; Mr. Joseph Pare, Hemmingford High School.

## David T. Ness Made Honorary Life Member C.B. of R.C.C.C.

On Friday evening, June 15th, a grand old Howick curler was honored. David T. Ness, who had been elected an Honorary Life Member of the Curling Branch of the Royal Caledonian Curling Club, received his membership certificate and gold medal.

John S. Moffat, President and George Routhwaite, Secretary of the Canadian Branch came from Montreal for the occasion and about 15 members of the Howick Club, headed by President Gerald A. Roy, attended. Dave Ness, (a son) President of the St. John's Curling Club, was also present with Mr. J. I. McCabe and Mr. C. Trotter representing the St. John's Club. Brodie Ness, a past President of the Kingston Club and of the Ontario Association, was unable to be present, but Donald Ness and his family were all there and it was a very happy gathering.

Mr. Moffat, in making the presentation, mentioned that the Life Membership was in recognition of the great contribution which David Ness had made to curling. "Not only in Howick, but in the way he provided work has been an inspiration," said Mr. Moffat.

Mr. McCabe, speaking for the St. John's Club, of which Mr. Ness is the Honorary President, told how Mr. Ness had invited 10 men from St. John's to curl in Howick and as a result a club had been formed in St. John's.

Gerald Roy told of Mr. Ness organizing the first curling in Howick and the forming of the local club in 1907. He also said that this was a happy event for his Club which will celebrate its 50th anniversary during the coming winter.

The Canadian Branch has operated for more than one hundred years and Mr. Ness is the 67th Honorary Member; he is indeed in select company.

## Annual Bazaar, Chateauguy Proves Wonderful Success

CHATEAUGUY — The Annual Bazaar of St. Andrew's United Church took place on Saturday, June 16th, and was officially opened by the Minister, the Rev. R. H. McColl, at 2:30 p.m. In pleasant contrast to the scorching weather of the past three days, Saturday was comfortably warm, with a cooling breeze blowing, which certainly helped the attendance. This year, the booths were particularly pleasing, as each group had undertaken to decorate them, and some of the effects were quite lovely. In particular, the Babies' and Children's booth was made into a bower of roses, and this, together with the beautiful work on display, made the booth a magnet for most of the visitors. The Men's table, dealing in all sorts of practicalities, was not so charming, but was certainly very interesting, and a many children will start the next school year with a good ruler provided free with purchases from this stall.

The Home Cooking needed very little decoration other than its stock of delicious cakes, cookies, pies and other things to eat, and was a most appetizing sight. This table, of course, is one that is very quickly cleared, but the ladies in charge seemed to be magicians of some kind, because as soon as space was cleared by buyers, fresh stocks appeared like magic.

The Novelty table well deserved its name, if only for novel decoration of buttons, and as its sign proclaimed, there were certainly "Buttons Galore". Every size, shape, colour and design were on sale, besides many other small items which most of us were glad to see—these being the sort of thing one is always needing and seldom has on hand. However, after Saturday, there can be no excuse for shortage of "Notions".

Aprons this year were as popular as ever, and in great variety of colour and style. It is always a pleasure to see the (Continued on Page 5)

## CARS COLLIDE ON PAUL'S SIDEROAD

In the above photographs is seen the damage that resulted from a collision which occurred on an intersection on Paul's Sideroad, on Sunday morning. The top car owned by Alex Bergevin of Gienelm, and driven by Roger Bergevin, was travelling along Paul's sideroad toward Huntingdon at about 10 a.m. on Sunday, June 17th. The lower car, driven by Mr. John Small, Huntingdon, was travelling on a gravel road into Paul's Sideroad, when the collision occurred. As will be seen both cars suffered considerable damage. Three persons were in the Bergevin car, Mrs. Bergevin and her two sons, all were treated at the hospital for minor injuries. Mr. John Small was also treated at the hospital for minor cuts, etc. Const. R. Goyette investigated.

# Beauharnois Student Graduates From McGill University

Muir has been very active in extra-curricular activities. She was elected Vice President and finally President of the McGill School of Physical Education Undergraduate Society (M.S.P.E. U.S.). She also served as an elected member of the Red Wing Society, McGill's Honorary Society for women, for three years. Miss Muir has been a member of various Intra-Rural, Inter-City and Inter-Collegiate teams as a player, manager and coach.

Recently Betty was elected permanent class President for this year's graduation class.

Miss Muir has accepted a position in Quebec City where she will be in charge of the Girls' Physical education program in St. Georges Elementary School and Quebec High School.

We would like to offer our most sincere congratulations to Miss Betty Muir who has achieved such a fine record as shown above in scholastic work as well as in extra curricular activities.

Miss Muir's association with Beauharnois Intermediate School and Gault Institute, Valleyfield, while at Gault she was a Gold Medalist and took part in all school activities. She graduated from Gault in 1952 and entered McGill in the fall of the same year. At McGill Miss

## ATTENDS MEETING

**DR. CHAS. H. LALONDE, O.D.**, attended the Eastern Canada Congress of Optometry at the Sheraton Mount Royal in Montreal, June 3, 4 and 5.

The principal subject was the development aspects of the vision of children.

The principal speakers were Dr. Hans Selve, Dr. Gerry Gilman, and Dr. J. A. Skeffington.

## Hemmingford

**W. I. Meeting**  
HEMINGFORD — Hemmingford Women's Institute held their regular monthly meeting on June 6th, at the home of Mrs. A. Lukas. The President, Mrs. T. Cleland thanked Mrs. Lukas for her kindness in having the W. I. meeting at her home for the past six years. Mrs. Lukas in reply invited all present to sign her guest book.

When the minutes were read and approved the Convenors gave their reports: Mrs. P. Grees, Agriculture, read an instructive article on Conservation from the Macdonald Farm Journal; Mrs. W. Beattie, Home Economics, showed various items to be displayed at the Provincial Convention at Macdonald College, made by our members, they were: a quilt, handwoven nylon baby blankets, an oil painting, and four hats which were made at the Hat Course in November. All were pleased to hear the article given by Mrs. G. Gnass (Health and Welfare) entitled "Quick Sheps to Happier Feet", which contained many good ideas to comfort these overworked members of our body. In future, Publicity Convenor, Mrs. D. Woolley will not report at meetings, but a scrapbook of all newspaper clippings, etc., which might be of interest to members will be circulated.

Formal approved of the Branch was given to the petition of the Montreal Council of Women in the establishment of proper facilities for Protestant mentally ill women in the City of Montreal.

Report from the delegates to the County Convention, Mrs. H. McAdam and Mrs. D. Woolley was read and accepted.

The official delegates to the Provincial Convention, Mrs. T. Cleland and Mrs. Mary Keddy will attend the formal dinner on Thursday, June 27th, at Macdonald College. Mrs. J. L'Esperance is in charge of transportation arrangements for any members who wish to attend the Thursday session.

Mrs. D. M. Laurie reported on the Painting Exhibition at Huntingdon, at which several Hemmingford ladies entered their work.

Excerpts from a special issue of the "Bonaventure Echo", were read by Mrs. C. Petch. It is understood articles, advertising etc. were all done by W. I. members of that county.

A copy of the newly completed Branch History is in circulation among the members; arrangements will be made in the fall to provide copies to any members desirous of owning one. Another copy is on file at Macdonald College.

Members responded to Roll Call by describing a favorite Canadian bird. Mrs. E. Moore supervised a quiz on names of common flowers, won by Mrs. D. M. Laurie.

Members were sorry to learn Mrs. W. Rember, County President, was unable to be the guest speaker due to serious illness in her immediate family.

After the Mary Stewart Collect was repeated the meeting was adjourned. Winners of the Floral Display Contest were announced: Mrs. E. Moore, Mrs. W. Keddy and Mrs. T. Cleland. Tea was poured at refreshment time by Mrs. C. Petch and Mrs. E. Cleland; proceeds from Money Cake donated by Mrs. E. Merlin were \$1.10.

Hostess: Mrs. A. Lukas, Mrs. J. L'Esperance, Mrs. Reeves, and Mrs. T. Cleland.

**Hinchinbrook Council**  
A regular meeting of the Municipal Council of the Township of Hinchinbrook was held in Herdman Town Hall Monday, June 4th, 1956 at 8 p.m., with a full Board in attendance.

Messes M. J. Rosevear, Bruce Maitner, Earl Tannahill, Joseph Helm requested portion of the Road ditch cleaned. The road officers in the various road divisions were notified to have the said ditches cleaned, except in the case of Joseph Helm's request, where the Secretary was authorized to ask the Road Engineer to inspect the ditch mentioned and deepen it if necessary.

The Department of Roads is to be asked to erect a "Slow Down" sign at the east side of the hill on the Gore Road opposite the farm of Gordon Foster.

The secretary was instructed to ask the Road Department to repair the east approach to the Bridge on the Gore Road opposite the farm of Stanley Whaley.

The following accounts were ordered paid: M. J. Rosevear, \$5.75; L. Graham, \$6.23; A. Duhome, \$16.25; W. Samier, \$1.97; D. Rennie, \$6.20; A. Farquhar, \$11.50; S. Farquhar, 7.50; B. Kelly, \$2.50; S. W. Peter, \$34.51; K. Neely, \$3.00; B. L. McGerrigle, \$125.00.

**ORMSTOWN COUNCIL**  
Orms town Council met on Monday evening, Councillors Rennie, McCormick and Sault absent, Mayor Carylie Dickson presiding.

On motion of Councillors Roy and D'Aoust the following accounts were approved for payment: Village of Orms town Coupon account \$1365.; Minister of Finance \$44.60; L. R. Ross \$5.; Shawinigan Water & Power Co. \$426.95; R. Brunet Concrete Ltd. \$38.29; F. X. Tobin \$198.85; Firemen's account \$44.; Wallace Collins \$8.; Lamb & Waller \$18.60; H. Beaudin \$10.15.

Moved by Coun. D'Aoust, seconded by Coun. Dahme that the Corporation of the Village of Orms town agree to pay for the cost of a 36-inch tile running east and west between the property of the Daigneault Estate and Canadian National Railway property approximately 90 feet in length. This, provided that the culvert coming from the pond north of the railroad track would be closed.

Coun. McCormick was appointed in charge of workmen until July meeting of Council.

## Council Meetings

### GODMANCHESTER COUNCIL

The Godmanchester Council Meeting was held on Monday, June 4th. Members all present except Councillor Tannahill, Mr. Olivier L. Leblanc, Mayor, presiding.

William McClatchie complained about bulls running at large, and what action can be taken to keep them closed in. Mr. McClatchie also reported the condition of the work on the Hall Creek, causing damage to the fences and ditches.

Russell McDonald was appointed special officer over the Yikema Discharge and branches. William A. Arthur came before the board to discuss the Caldwell Act of Agreement Ditch and that he can get a mechanical ditcher, dig the council's share of the ditch along the sideroad and draw the dirt away for \$1.00 per rod, and the council was satisfied with that arrangement.

In the case of the bill for 100 pickets from Yvon Frederick for fence on the No. 9 Sideroad, the council furnishes the wire for all the fence along the sideroads and the farmer furnishes the posts and labor free.

The municipal valuator were asked to proceed to have a new valuation roll drawn up in the Township of Godmanchester. The mayor was authorized to

## Henrysburg

**HENRYSBURG** — Mr. and Mrs. Earl Orr, Donna, Alden and Larry were Sunday evening callers of Mr. and Mrs. Fred Orr and family of Sherrington.

A number of families from this community attended Orms town Fair, the past week.

Miss Ethel Cookman and her four friends arrived home on Friday from their month's tour to the Pacific Coast. They covered around 7900 miles and were lucky enough not to have any tire or car trouble. They were only in the rain one day. They slept out when the weather was warm but woke up one morning with snow on them. The trip was considered well worth taking.

Tuesday evening callers of Mr. and Mrs. Earl Orr and children were Mr. and Mrs. Duncan Young and Mr. and Mrs. Ross Beven of St. Lambert, Mr. and Mrs. Clifford Elvidge, Mr. and Mrs. Albert Akester and Norma of Roxham, also Mr. and Mrs. Alan Orr and two children, Diane and Jimmy of Smith Falls, Ont., who are visiting relatives for a couple of weeks.

Sorry to hear that Miss Marjorie Whyte has been a patient in the Barrie Memorial Hospital, Orms town.

## The Many-Splendored Thing...

Splendor is everywhere in Oldsmobile.

There's the splendor of distinctive Starfire styling—fresh, dignified, but so alive. There's the splendor of rich, custom-tailored interiors—luxurious, gracious and so comfortable. And there's the splendor of mighty power, tamed to go quietly about its task of producing swift, smooth motion.

And this Oldsmobile splendor is not a sometime thing. From the moment you proudly take possession until that distant day when you decide to trade it in on an even more exciting Olds of the future, you'll keep discovering new splendors in this unusual car. And you'll keep reflecting all the while how wise you were in 1956 to step up from the ordinary into an Oldsmobile.

## Possibility of Kindergarten at Huntingdon High

IN view of the keen reception of the panel discussion conducted by the Huntingdon Home and School Association, on the matter of children attending school at five years of age, the proposed kindergarten should prove of interest. While the gathering was not in favor of children starting right into Grade 1 at the age of five, there was unanimous agreement that a kindergarten would prove of great use. When this was brought to the attention of the Huntingdon School Board this past week, the Board was also in favor of the idea providing the expense would not be too high.

It looks as if a kindergarten may be possible providing sufficient space and other accommodation can be found in the High School and that a sufficient number of pupils can be enrolled to cover the teaching salary, and a few incidentals. The early start of the younger child should have beneficial effects in after years and certainly will prepare the child for entry into Grade 1 the following year. Dr. Willis, principal, was quite certain that the work of the teacher in Grade 1 would be lightened by the fact of the training that children would receive in kindergarten. It would also mean that this child would make greater progress after reaching this grade on account of the fact that being disciplined to school, more time would be allowed for actual learning. The child would also have learned a great deal of the ground work and thus would be more receptive to the Grade 1 work.

The necessary enrollment would need to be at least twenty and it is more than possible that this number could be found and

perhaps a few more. Apparently the enrollment is not to be limited to Town children and thus the scope is wider. However, in the case of children from the outside points, the Board was of the opinion that accommodation may be found for them on the school buses, but parents would have to assume the responsibility of returning the children to their homes when the class was over at about 11 a.m. The attendance at the class would involve a fee and this fee would be used at least in part, to pay the salary of the teacher.

The present ruling of a child having to be six years old before the school year begins, presents its difficulties. Some children reach the required age a month or even a few days after the deadline and must of consequence wait for another year. With a kindergarten, it would seem that these children could take advantage of such opportunity to at least get a grounding. Their later progress should not be impeded thereby, but enhanced and thus their progress would be at a faster rate.

If parents think well of the idea of a kindergarten for Huntingdon, they should get in touch with Dr. Willis, principal, and acquaint him of their feeling in this respect. By this means it can be judged whether or not the plan can be put into operation in the fall. It is also necessary to ascertain what accommodation can be found and what actual expense may be involved in the way of equipment. The Board is willing to accept some part of the expense for equipment. Your help will mean much principal know.

## Damage Suit Settled For Less

THE announcement last week of the award given in the damage suit against the Huntingdon High School Protestant Municipality brought by Mr. N. Roskies on behalf of his son David, aroused considerable comment. The School Board was considering an appeal against the judgment, and members of the Board consulted with a lawyer to obtain legal advice on the matter. The judgement gave a sum of \$17,000 in settlement of the claim. Insurance at the time of the accident was for an amount of \$5,000, thus leaving an amount of \$12,000 or better for the School Municipality to pay.

It was with a great feeling of relief, when it was heard that a settlement of the case had been made for a lesser amount, last Thursday. Apparently after negotiation between the principals in the case and their lawyers, a settlement was arrived at for a sum of \$8,000, less than half the

amount of the judgement award. However, in view of the reduction in costs, the insurance company is to deduct a sum in relation from its \$5,000 liability and the School Municipality will be called upon to pay the balance amounting to approximately \$4,000 which will include lawyer fees. Thus the original total insofar as the school is concerned will be reduced by an amount approximating two-thirds.

We feel that the public will take a milder view of this settlement and that Mr. Roskies is to be commended for his generosity in accepting the smaller sum. This, more especially in view that the judgement allowed him to collect the larger amount. The School Board will probably be able to pay the smaller sum with less strain on its finances and those of the taxpayers, although there is no provision in the budget to cover this extra and unexpected expense.

## The Huntingdon Community School

WE believe the Huntingdon Community School is going to provide one of those rare opportunities to gain knowledge in a number of subjects which will prove of great interest. The school is limited to a time period of six consecutive Monday nights commencing on September 17 to October 29th, except Thanksgiving. The program is a very ambitious one to be carried out in the time allotted and will of necessity have to be quite condensed. However, in the time allowed and with the qualified instructors in charge of each course, much should be obtained which will be of benefit to all enrolling.

The course covers a wide variety of subjects which might be termed hobbies as well as of general use in daily living. They are: Woodworking, a handy knowledge of which will often serve a useful purpose in the home and elsewhere; Modern Dancing, something which will help to provide fun and amusement; Glee Club, a chance to give the vocal chords a tryout and provide entertainment; Oil Painting, providing an opportunity to release hidden talents in art; French Conversation and English Conversa-

tion, two subjects very necessary to obtain full educational values; Typing, a useful subject for anyone; Auto Mechanics, something about which every driver of a car should have some knowledge; Bridge, will enable you to bid up your hand and mark up the points; Dramatics, will bring out those artist talents; Ceramics or Clay Modelling, provide a useful art for production of articles which can be placed in the home.

There is certainly a great array of subjects to choose from and something of interest to everyone. Such a school will provide congenial company on these evenings as well as the opportunity to learn something or improve upon what you already know. Already a large number of persons have evinced interest in the school and it appears that it will attract a large number. However, some courses will have to be restricted in enrollment on account of their type. At the moment, we believe this plan is an experimental one and that future requirement will call for an extended period and perhaps additional courses. This is based upon the response already being given at this time.

## Looking Back Along the Trail

Editor's Note: The following is a continuation of excerpts taken from book "Transactions of the N.Y. State Agricultural Society" 1848. Much of what is contained here is part of Canadian early history.

A Force Sent From Canada to Attack Fort Ann—Whilst these works were in process of construction, general Nicholson with his army lay encamped at Fort Ann, waiting intelligence of the arrival of the forces from England, to make his descent upon Canada simultaneous with that of the other branch of the expedition. The governor of Canada, being informed of Nicholson's position on Wood creek, detached fifteen hundred French and Indians to attack him. But on their advance up Lake Champlain, learning that Nicholson's force was superior to their own, and that his encampment was fortified, they abandoned this purpose and returned to the frontier posts in Canada, stationing themselves there to await his approach.

Mortality Among the Troops at Fort Ann—In the meantime

soldiers, we require no Indian treachery or other cause to account for their sickness. The fatality with which the disease raged, may be conjectured from the statement of father Mareuil, who had been taken prisoner and confined in Albany. In his release, returning to Canada, he passed over the spot where Nicholson's army had been encamped, and judged from the number of graves that at least a thousand were there buried.

The sickness and the non-arrival of the promised force from Britain, induced general Nicholson to return to Albany in October, where his troops were disbanded, and thus this enterprise terminated.

Third Expedition Against Canada—The following year general Nicholson commanded the expedition from Boston which captured Fort Royal. He then repaired to England, to urge upon the queen and her cabinet the prosecution of the scheme for the entire reduction of Canada, and in conjunction with colonel Schuyler, then on a visit to London with five Indian chiefs from the province, succeeded in again enlisting the government in the enterprise. A fleet with five thousand troops was sent to Boston, whence it sailed July 30th, 1711, to attack Quebec. At the same

time, a provincial army amounting to four thousand men, was raised by New York, Connecticut and New Jersey, and Albany to penetrate Canada by the way of Lake Champlain, purposing to take the Lake George route, instead of the unhealthy one along Wood creek. But ere he reached the lakes, he received intelligence that a severe weather had so shattered the British fleet in the gulf of St. Lawrence that it had sailed for England. He hereupon returned to Albany, and thus this third expedition, the success of which had been relied upon without confidence, was terminated. Such a fatality seemed to attend every effort for the subjugation of Canada, that many good people were almost constrained to believe that Providence had predetermined that all such attempts should be frustrated.

The restoration of peace between France and Britain deferred any further enterprises of this kind for a long period.

Proximity of Canada and Crown-point Retards the Settlement of this District—Although the country was in a peace between France and Britain deferred any further enterprises of this kind for a long period.

# Round Byre and Ring...

By Frank Napier

Lachute Spring Fair — At it was with Ormstown Exhibition, so it was with Lachute Spring Fair this year. Both were favoured with good weather (hotter so in the case of Lachute) but the cattle entries as also those in attendance at the time of the judging of the cattle were away below normal. At least, the latter applied to day of the judging of the Ayrshires, Jerseys and Guernseys at Lachute, Friday, June 15.

The Holstein, Beef and Dual Purpose cattle classes were judged on the day before, but, while we are not aware of the comparable figures, we understand that the attendance around the cattle ring was just as sparse as it was on the Friday.

The Huntingdon, Ormstown and Howick district is usually well represented around the judging ring on Ayrshire day, but this year we didn't see a single person we recognized from Howick, only Carlyle Dickson, Manager, and Treasurer Osmond of Ormstown. Exhibition from Ormstown, The Huntingdon district only had Mrs. Napier and this writer and Jimmie Small as its representatives. That is except "Jake" Higgins who was one of the "Pioneer" representatives in charge of that company's travelling exhibit.

The Ayrshires — With the exception of an exhibit from the Bruceherd of Bruce Bros., Spencerville, Ont., the Ayrshire entries were all from around Lachute. Nevertheless, it was a really good show with Arthur Dags of Shawville, Que., outstanding breeder and judge, as he is, making an excellent job of placing the awards.

W. Erskine Rodger and J. P. Bradley & Son, both of Lachute, won five first prizes each in the individual classes. Mr. Rodger also won the reserve junior male championship on his bull calf Woodlea Evergreen Signet, the junior female championship on Woodlea Relief Katie, first prize junior yearling, the reserve junior female championship on Woodlea Skymaid, first prize senior heifer calf.

J. P. Bradley & Son also won the junior male championship on Bonnielshade Raider, first prize senior yearling bull; the reserve senior and reserve grand female championships on Brookview Vivian, first prize cow, 5 years and over dry.

With his two first prize winners, J. H. Black of Lachute won both the senior and both the grand championships. His bull, the well-known Dairland Ever Ready Challenge, was first prize bull, 2 years of age and also the senior and grand champion male. His first prize cow 5 years old and over, in milk — the well-known former winner Willowhaugh Evergreen — was also the senior and grand champion female.

J. P. Bradley & Son won firsts day dinner guests of Mr. and Mrs. Albert Akester.

Miss Shirley and Norma Wallace, Chateaugay Que., spent the week-end with their parents Mr. and Mrs. Harold Wallace.

Miss Elsie Akester, Montreal spent the week-end with her parents Mr. and Mrs. Robert W. Akester.

on graded herd and senior get-of-sire. First on junior get-of-sire and junior breeders herd went to W. Erskine Rodger. Quebec Ayrshire Society Francois Boulais

As most Ayrshire men are aware, Francois Boulais resigned as Fieldman of the Quebec Ayrshire Society at the time of the last annual meeting of that Society. He agreed, however, to act as Secretary until a suitable successor in that capacity had been located. He therefore carried on until the end of May, until Raymond Lanctot, Jr., was appointed Secretary-Fieldman.

Francis Boulais gave several years of painstaking, unselfish, distinguished service to the Ayrshire breed in the Province of Quebec, and since he was bilingual he was well and favourably known to the English and French speaking sections alike. However, he had received an attractive offer from a commercial firm which he could not afford to turn down. Moreover, at the time of this writing he is busily engaged as a Liberal Candidate in opposition to the present Minister of Agriculture.

Unfortunately, and decidedly regretfully so, Francois Boulais suffered a great loss through the sudden death of his wife some two weeks ago. We feel sure that all who are acquainted with Francois will join with us in expressing to him our sincere condolences.

The New Secretary — Raymond Lanctot's first appearance as Secretary of the Quebec Ayrshire Society was at Ormstown Exhibition where he gave considerable assistance in connection with the Ayrshire Show. However, as will be noted later that was not the first connection he had with Ayrshire cattle and Ayrshire breeders. By the way he is thoroughly bilingual, and, to date him, twenty-five years of age.

He was born in Chicoutimi and after his regular schooling he spent three years at Macdonald College. During his summer vacations, while at Macdonald College, he was on the Exhibition Staff of Canada Department of Agriculture, in which capacity he attended Class B Fairs across Canada. After college he managed his father's farm and Ayrshire herd at West Brome for some time, after which he was

on the field staff of Purity Flour Mills, selling Pioneer Feeds, for some two and a half years.

In April 1955 he joined the staff of a Chemical firm, his territory in that position being the counties of Brome, Missisquoi, Rouville and Shefford, which position he vacated in order to assume the Quebec Ayrshire Secretaryship.

Raymond Lanctot, Jr. is still personally interested in his father's Ayrshire herd while he also owns a farm and orchard at Freilighsburg, Que. He is also Vice-President of the Bedford District Ayrshire Club. In addition, he is a Lieutenant in the Royal Canadian Artillery.

It may also be mentioned that Raymond Lanctot, Jr., is married and that his father-in-law is Senator, the Hon. Adelaud Godbout, former Minister of Agriculture and Premier of Quebec and a former well-known Ayrshire breeder.

Covering The Sports

Baseball  
In Sunday's baseball game between Huntingdon and Hogsburg the Huntingdon Merchants came up with a 5 to 3 victory when Wally Smith singled home two runs in the eighth inning. Hogsburg got off to a fast start when they scored two runs in the first inning. It was not until the fifth inning that the Merchants tied the score. In the seventh inning Huntingdon scored their third run to go ahead 3 to 2, but in the first half of the eighth Hogsburg tied up the game on an unearned run. In the last of the eighth Proudfoot led off with a single, Sonny Robare sacrificed, moving Proudfoot to 2nd. Graham then singled and stole second on the first pitch. With runners on second and third Wally Smith hit a line drive that the Hogsburg shortstop misjudged, the ball hit him on the shoulder and rolled into left field. Proudfoot and Graham scored on the play and that was the ball game. Bob Graham, a nineteen year (Continued on Page 5)

Fire Calls. The Huntingdon Fire Brigade answered two fire calls the past week. One fire occurred at the home of Mr. John Chambers, 99 Wellington Street, on June 14th, at about 1.15 p.m. Damage amounted to about \$450.00 and the fire was caused by defective wiring with the fire in the ceiling above the kitchen. Another call came from St. Anicet, when a wagon shed on the farm of Jean Beaulieu caught fire about 10.55 a.m., on June 15th. The shed was a total loss, but other buildings were saved. The boiler pump was sent to this fire.

### For all your banking...

Did you ever stop to consider all the things a chartered bank can do for you?

It is more than a convenient place to make a deposit, cash a cheque or see about a loan. You can also buy travellers cheques and money orders; rent a safety deposit box; purchase foreign currency; talk over your financial plans or problems. The list goes on and on... and all these services are available at the branch where you do your banking.

A branch bank is, in effect, a service centre and everyone on the staff is there to help you, to look after all your banking courteously, confidentially and well.

HUNTINGDON TROOP

CUBS During the month of May the Cubs were required to identify wild flowers and local trees as part of the Conservation programme. The value of our forests was stressed. During a hike arranged for this purpose Cubs were able to see at first hand the beauty of our Canadian Wildflowers and trees.

For the month of May our Conservation theme is "Soil and Water". Due to the lack of time for study of this very worthwhile and friends will stress the importance of this well worthwhile subject.

GENERAL

At a recent meeting of the Huntingdon Group Committee it was decided to purchase essential camping equipment for cub and scouts. A week-end camp for Cubs has been arranged for June. This will take place during the last week-end in June. It is also planned to have a Scout camp during the summer.

In response to an appeal for a adequate staff for the Cub Camp three local people and three scouts have kindly volunteered their services. The Cubmaster Mr. H. H. MacKith will be in charge assisted by Assistant Cubmasters Mr. V. E. Johnson and Mr. Ben Harrigan.

Chateauguy Valley District Bronze Arrowhead Training Course

Baden-Powell, the founder of Scouting said that "Scouting aims to teach boys how to live". He also wrote in the preface to his book "Scouting for Boys", "The aim of Scout Training is to replace Self with Service, to make the lads individually efficient, morally and physically, with the object of using that efficiency for the service of the community".

One of B.P.'s basic ideas was to have boys play, and train together in small groups, under the leadership of one of the boys in their group. He called these small groups patrols, and two or more patrols form a Scout Troop, under the guidance of a Scoutmaster.

Some years ago a special course was designed to train boy leaders how to get ideas over to other boys in their patrol, and how to lead. This is known as "The Bronze Arrowhead Course", and boys completing the course successfully wear a bronze arrowhead, which is awarded to them.

On Saturday, June 2nd, 1956, the Chateauguy Valley District Boy Scouts Association held such a training course at Huntingdon.

3 REASONS WHY You Bale at Less Cost Per Ton with NEW INTERNATIONAL BALER TWINE

Divide the number of bales you tie into the price you pay to get the true cost of baler twine. You'll find International Baler Twine costs you less per ton than so called "bargains" claimed by foreign manufactured baler twines made from inferior henequen fiber.

Made in Canada from true sisalana fiber, International Baler Twine gives you the full length, full strength and uniform thickness essential to trouble-free baling.

Every step from raw fiber to finished ball is quality controlled. And every bale is backed by a written guarantee. Use International Baler Twine on your next baling job. Prove to yourself you can bale faster, better, and at less cost. For your supply, see your IH Dealer now.

32 Scouts, 27 of whom are already leaders, attended. Activity commenced at 10 A.M. in the High School Gymnasium, kindly offered for the course, by the local school board. R. D. Henderson, Asst. District Commissioner acted in the Capacity of Scoutmaster for the day, assisted by W. C. Sexton District Scoutmaster. Three Scoutmaster, J. Laurie Hemmingford, G. Olsen and A. Bolliger Valleyfield, gave invaluable assistance throughout the day in putting on special sessions, and training games.

Short talks, demonstrations, discussion, practical work, and film made up an interesting day indoors and outdoors. The Course ended with a model camp fire hour, which was attended by the District Commissioner, T. W. Hargrave, and H. M. Rider of the District and Canadian General Scout Council. Before lowering the flag and putting out the camp fire, the Bronze Arrowhead Certificates and Badges earned by the Scouts, were presented by T. W. Hargrave and H. M. Rider. A successful day ended at 7.30 p.m.

Leaders for the day, and patrols chosen were: Beaver-Fred Clarke; Leader: Victor Wade, Second: Eagle-Russell Thornton, Patrol leader: Russell Haworth; Second: Fox-Gerard Van de Werfhorst, Patrol leader: George McKell; Second: Wolf-Don McVey, Patrol leader; Theo. Rothie; Second.

The Bronze Arrowhead was awarded to the following Scouts: Ian Rennie, Norman Rennie, Bob Haydon, Ross Shirlow and Brian Smith, all of the 1st Beathornos Troop.

Rodney Akster, Raymond Cookman, William Cookman, Wayne Hadley and Don McVey, all of the 1st Hemmingford Troop.

Robt. Bernhardt, Ronald McArthur, Ray MacWhinnie, Russell Thornton and Carl Wilson, all of the 1st Huntingdon Troop. Fred Clarke, Theo. Rothie, Wayne Clifford and Trevor Moon, all of the 1st Nitro Troop. George McKell and Rae Campbell, all of the 1st Ormstown Troop.

CONSERVATION

In order to protect Canada's wildlife and forests, the Scouts Association has decided working on certain subjects. To divide the spring, summer and fall into periods during which the Boy Scouts will be working on the "Conservation Project", started with the subject of "Birds". Being part of the Association, the 1st Valleyfield Troop has worked actively in this field, making a large number of birdhouses, bird feeding stations and bird picture collections. In this way the Scouts became acquainted with every bird common in this area.

For the month of May, the "Conservation Project" had as its theme, "Trees and Flowers", but as the season was very late, the result was not what was expected. However, several hikes were held on which the trees and flowers which had bloomed were observed and discussed.

More Coffee?

Brazil has been testing portable aluminum irrigation systems to increase the coffee crop. Results are startling: yield per tree is more than doubled. Even if applied only to half of Brazil's coffee crop, production would be increased by 3,700,000 bags!

Our own Canadian farmers have found endless ways to use Canadian aluminum: Piping for orchards, field crops and stock... foil for mulching... roofing and siding for barns, brooders and silos... cans and pails for dairy farms.

Canadian output of primary aluminum is being further increased to supply the makers of these and a thousand other products useful in agriculture, industry, defence and the home. ALUMINUM COMPANY OF CANADA, LTD. (ALCAN)

What Does Poor Hay Cost You?

After his milk production fell off about 30 percent when his cows refused good green alfalfa in ordinary bales, Mr. D. B., of Iowa, said: "Don't feel I could ever afford anything but ROTO-BALERS again."

The ROTO-BALER, built only by Allis-Chalmers, seats in leaves, wraps long stems to weatherproof the ROUND BALE like a thatched roof... without thorny, sharp-edged slices. There IS a difference in baled hay. Ask us now for a ROTO-BALER demonstration

ROTO-BALER is an Allis-Chalmers trademark.
