Patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck, or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts. Patterns and samples of merchandize, not exceeding the weight of eight ounces, addressed to the United States, may be sent at the rate of ten cents for each package.

A packet of patterns of samples sent to France or Portugal, must not exceed 18 inches in length, and 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.

*Transmission of Patterns and Samples within the Province of Canada.*

Patterns or samples of merchandise, and goods for sale, may be posted in Canada, to be forwarded to any place within the Dominion, on pre-payment by postage stamp of a rate of one cent. per four ounces, under the following regulations:—

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves—the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules, is to be rated and treated as a letter.

IV.—The rate of 1 cent per four ounces is to be pre-paid by postage stamp,—and if such rate be not fully pre-paid by the stamps affixed, the package is to be rated with the deficient postage, and a fine of five cents in addition.

V.—Packets of samples or patterns may be registered on pre-payment by postage stamp of a registration fee of five cents in addition to the

postage rate—and provided such packets be duly handed in to the Post Office for registration.

A registration receipt or certificate should always be obtained for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed 24 ounces in weight; any packet exceeding that weight is to be sent to the Postmaster-General.

*Penal Clause.*—The Act contains the following penal clauses: To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel posted for the parcel post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to enclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers, (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers), is an offence punishable by a penalty of not less than ten and not exceeding forty dollars.

No letter or other communication intended to serve the purpose of a letter must be sent or enclosed in any article of miscellaneous mail matter; and all transmissions authorized by this regulation must be put up in covers, open at the ends or sides, or in such manner as to admit of inspection to ensure compliance with this condition.

Miscellaneous mail matter as above specified, when addressed to the United States or to Newfoundland, may be forwarded, when pre-paid the one cent per 4 oz. rate, as if addressed to a place in Canada, with the exception of packets of samples and patterns of merchandise addressed to the United States, on which the special rate of ten cents must be pre-paid.

*Money Orders in Canada.*—All the Money Order Post Offices in Ontario, Quebec, New Brunswick, Nova Scotia, Prince Edward Island, Manitoba and British Columbia, are authorized to draw Money Orders on each other for any sum up to \$100, and for as many Orders of \$100 each as the applicant may require, upon the following terms, viz :—

#### POST OFFICE SAVINGS BANK.

1. The Post Office Savings Bank commenced operations in Ontario and Quebec on the 1st April, 1868.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Savings Bank Post Office the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed upon the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits are received daily during the ordinary hours of Post Office business, of any number of dollars, from \$1 up to \$300, the total amount which can be received from a depositor in any one year, except in cases to be specially authorized by the Postmaster-General.

5. The Postmasters of the Savings Bank Offices will act as agents for the receipt of the money deposited for transmission to the Post-

master-General, and for the payment by the Postmaster-General of money withdrawn by depositors.

6. Each depositor is supplied with a Pass Book, and the sums paid in, or withdrawn, are entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in is sent to the depositor from the Postmaster-General, and the Postmaster-General will issue a cheque payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post Offices, which at the time may best suit his convenience, and exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity, whenever paying in or drawing out deposits.

8. Interest at the rate of four per cent. per annum is allowed on deposits.

9. Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to depositors on paying in, or drawing out money, nor for postage or communications with the Postmaster-General in relation thereto.

11. The Postmaster-General will always be ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank matters.
