140,000 Rail Workers Ask Raise

Help For Small Business Studied

OTTAWA — (CP) — The government is studying proposals for increasing loans to small Canadian business operators but Finance Minister Fleming says it may be some time yet before any decision is announced.

These operators, he told reporters Tuesday night, are facing the pressure of increasing competition from chain stores and are seeking access to "easier credit" than now is available to them.

The problem, he added, is "real enough" but the government so far had made no commitment to anyone. It would take some time to reach a decision after all the representations are studied.

Mr. Fleming touched on this point following a 50-minute meeting with Governor James Coyne of the Bank of Canada. Reporters asked whether there was any truth to reports of policy clashes between the minister and the governor, clashes which could lead to Mr. Coyne's resignation.

NOT THE TRUTH

Mr. Fleming said there was not a shred of truth in these reports. His relations with Mr. Coyne were "always pleasant—we like to do business that way."

A number of matters were discussed with Mr. Coyne but Mr. Fleming could give no details. However, in reply to questions, he observed that interest rates on government treasury bills had declined by three-tenths of one per cent in the last two months and that the market for government bonds was showing "very considerable strength."

All this was "very gratifying," said Mr. Fleming, who had strongly opposed the tight money policy of the former Liberal administration.

While Canada's rates had eased, those of United States treasury bills had risen by one-half of one per cent since mid-July. The gap in Canada-U.S. treasury bill rates had narrowed by eight-tenths of one per cent and this appeared to be encouraging increased borrowing in Canada by Canadian corporations and various levels of government.

SOME CONCERN

The general liquidity of the Canadian situation was "all a gratifying development."

However, Mr. Fleming appeared somewhat concerned over the need for loans by small business operators seeking to dress up their store fronts and undertake other capital expansion better to compete against the bigger chain outfits.

There have been some rumors that the government was considering lowering the eight-per-cent floor on chartered banks' cash ratios to deposits as a means of increasing the supply of bank money available for loans, but Mr. Fleming declined to comment on this point.

Kenneth Taylor, deputy finance minister, who accompanied Mr. Fleming to the meeting, observed that the Crown-owned Industrial Development Bank has increased its loans to some \$70,000,000 from \$50,000,000 last year. This bank caters particularly to the needs of smaller enterprises.

Mr. Coyne was accompanied by a senior deputy governor, J. R. Beattie. Neither of these officials made any comment on the meeting.

Mother Charged — Toronto police have charged Mrs. Melville O'Donohue (left) with murder in the hanging of her three daughters shown at right. They are Eileen, 3, Kathleen, 2, and Maureen, 4.

Mother Of Hanged Girls Charged With Murder

TORONTO. — (CP) — Mrs. Maureen O'Donohue, charged with murder in the hanging of her three small daughters, Tuesday was remanded in custody to Nov. 19.

Police said the 27-year-old former nurse, would undergo psychiatric examination before her next court appearance.

Shortly after the weeping mother left the courtroom her husband, parents, relatives and neighbors, about 75 in all, attended the burial of the O'Donohue children.

The three little girls, Maureen, 4, Eileen, 3, and Kathleen, 2, were lowered into graves at suburban Holy Cross cemetery.

Before the earth was shoveled over the white caskets, a service was conducted at St. Anselm's Roman Catholic church where Mrs. O'Donohue sought solace shortly after the hangings were discovered.

A neighbor, Mrs. Jean Turner, a non-practising medical doctor made the discovery. She went to the O'Donohue house after receiving a telephone call from Melville O'Donohue, 34, Maureen's husband, a prominent Toronto lawyer.

At the church service, Most Rev. Francis A. Marrocco, Roman Catholic bishop of Toronto, asked that all present be "given strength and courage to see God's Holy will in all that happens to us in life."

US Thinking Of Manned Space Ship But Project Still A Long Way Off

WASHINGTON — (AP) — A U.S. Air Force general says the United States already is doing some preliminary thinking about a manned space ship — although such a project still is a long way off.

Brig-Gen. H. F. Gregory, commander of the air force office of scientific research, said in a speech Tuesday: "Although it may be somewhat early to be building manned space ships, it is not too early to be thinking about exploratory research in this area."

"In fact we have been doing it for some time."

Gregory described the USAF project Farside, a recent series of rocket tests, as "one of many high-altitude scientific research efforts that will be required for the successful conquest of space."

SIX ROCKETS FIRED

The USAF has said previously that six rockets were fired in the Farside tests in the Pacific and there have been unofficial reports that the sixth shot went more than 4,000 miles into the sky.

Former President Truman, in Washington to attend a luncheon in his honor Tuesday, told reporters: "We had a missile program before I left the White House—it was broken up after I left."

He said the program was devoted primarily to research from 1946-51, and that it was headed by K. T. Keller, former Chrysler Corporation president who later left government service.

Moscow reported Tuesday night that Sputnik II launched Nov. 3, would complete its 138th orbit of the earth at 6 a.m. today, but it gave no information on what had happened to the dog riding in the satellite.

Radio Moscow, meanwhile, predicted that the first satellite will drop into the atmosphere and burn in late December or early January, and that the carrier rocket will come down somewhat sooner.

CPA Requests East-West Route

MONTREAL — (CP) — Canadian Pacific Airlines announced today it will apply to the air transport board this month for permission to operate a transcontinental mainline route linking Vancouver and Montreal.

CPA chairman W. A. Mather said the application will seek traffic rights at Vancouver, Calgary, Edmonton, Saskatoon, Regina, Winnipeg, Toronto, Ottawa and Montreal.

Search Continues For Missing Plane

HONOLULU — (AP) — The aircraft carrier Philippine Sea and its crew of planes today enter the critical area in their search for a Honolulu-bound Pan American airliner which vanished Friday with 44 persons.

The big carrier, with 29 radar-tracking planes and 12 helicopters, completed the first full day of participation in the wide spread search Tuesday without a clue.

Non-Operating Unions Want 35-Cent Hike, May Precipitate Strike

MONTREAL — (CP) — Unions representing 140,000 workers have hit the railways with a demand for a big wage boost, sure to precipitate the threat of a strike.

The unions want about 35 cents an hour in an increase, split between 11 per cent and 17 cents an hour, plus some fringe benefits.

It would cost the railways more than \$100,000,000 a year.

The demand for the big raise — by the non-operating unions consisting mainly of employees not actually on the trains — was presented to the main carriers Tuesday, it was learned.

Today, Frank H. Hall, chairman of the general conference committee of the rail unions issued this statement: "The wages of railway employees have lagged behind those of workers in other major industries for many years past."

The present proposal for an increase of 11 per cent plus 17 cents, to become effective Jan. 1, 1958, is designed to correct this situation as well as to maintain parity with wage rates in the other industries during the tenure of the next agreement on the railways."

OTHER DEMANDS

In addition to the wage boost, which union officials calculated would total 35 cents an hour, a union letter to the railways also asks for a more favorable vacations-with-pay deal; an eighth statutory holiday, Remembrance Day, Nov. 11; establishment for the first time of the principle of severance pay for railway workers; and no farming out by railways of work normally done by their own employees.

The unions also asked for an "open-end" contract with respect to the negotiation of differentials as between different wage groups and for employees who might get shifted to better jobs.

It was the big non-operating group that staged the 11-day railway strike in 1950, called off by legislation enacted by an emergency session of Parliament.

In 1954 government intervention again was necessary in a dispute between the railways and the non-operating group. The cabinet forced the unions into accepting a settlement.

West To Give Way On Arms

UNITED NATIONS, N.Y. (CP) — Hope of averting the threatened breakdown in East-West arms talks grew today as the Western powers decided to give ground to Soviet demands for enlargement of the UN disarmament commission.

The United States, Britain and France agreed privately to relax their stand against changing the makeup of the 12-nation commission. Previously word spread that the Russians were willing to modify their demand that all 82 UN members take part in the negotiations.

Informed sources said the big three have not settled on how many members should be added to the commission. They were thinking of five to seven.

These informants said a resolution reflecting the Western position may be put before the general assembly when it takes up the disarmament question Thursday.

It was not clear whether this resolution would be independent of India's proposal to add 10 nations to the commission, including representatives from East and West Europe, Asia, Africa and Latin America.

Informed sources had entered the negotiations to revive the arms talks. Yugoslav delegate Srđja Prica conferred Tuesday with chief U.S. delegate Henry Cabot Lodge and scheduled talks with Russian Deputy Foreign Minister V.V. Kuznetsov.

The Yugoslavs want an increase of 10 members but feel they should be uncommitted nations who would act as a true balance force in the negotiations.

Bounced Loot

SACRAMENTO, Calif. (AP) — Burglars broke into the Menorah Garbage Service office and stole a metal cash box. It contained \$50 in customers' cheques that had bounced.

Red Submarine Fleet Could Isolate America

PARIS (Reuters) — U.S. Admiral Jerauld Wright warned today that Russia is building a huge navy designed to isolate North America from Europe and destroy the North Atlantic Treaty Organization.

Wright, supreme allied commander in the Atlantic, added: "All our war plans are prepared, are approved and are ready."

He was giving a private briefing of navy defence plans to legislators of the 15 NATO countries in conference here. Extracts from his statement were later released to the press.

The admiral said that Russia has developed the largest submarine fleet ever known in peacetime.

Moscow is building a navy larger than all the others in the world combined except for the U.S. Navy, he said, for the purpose of "the isolation of North America from Europe, the defeat of NATO at sea and therefore the destruction of our alliance."

Russia is known to have 500 submarines and is building between 75 and 100 every year, allied sources say.

SEE LONG CONFLICT

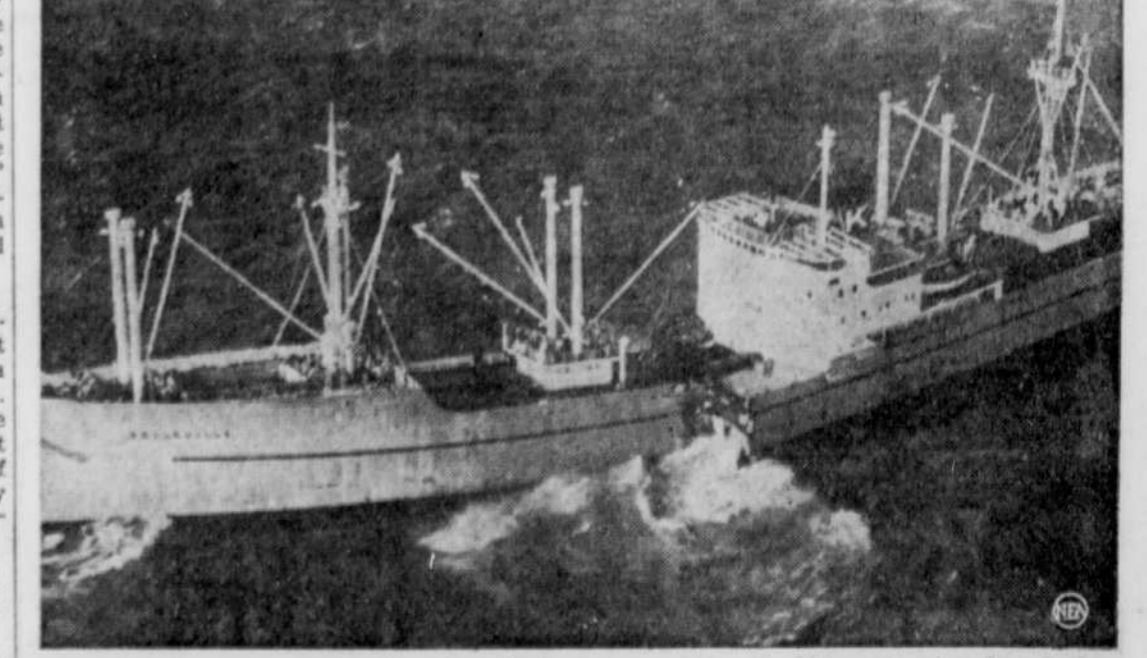

Wright said the "clear inference" of the size of the Soviet submarine fleet is that Russia does not visualize a short war.

"Whatever your estimate of the length of war, it is evident that we must assure the security of the seas for the duration of any emergency," he said. "One sure way to bring on ultimate defeat would be to lose our sea communications and therefore our unity."

The task of the allied Atlantic command, Wright said, is to assure that North America and Europe are strongly tied together.

"We are mutually supporting, each of the other," he said.

He added: "The Soviet submarine fleet is not one which can make itself felt in the early stages of a war. It must be deployed and its effective employment will take time — time beyond what many feel will mark the termination of hostilities."

Ship Shatters — Despite all salvage operations, the Norwegian freighter Belleville is shown breaking in half off Newport, R.I. The vessel went aground and all attempts to free her failed.

MP Complains

Comfort Before Science

OTTAWA (CP) — Dr. Stanley Haidasz says Canadians like to sit in their ranch-style bungalows and talk about science, but won't do anything about it.

The Liberal Commons member for Toronto Trinity, a medical doctor, said Tuesday that unless the government steps in to encourage scientific education, the shortage of scientists in Canada and the Western world will increase.

One reason for the shortage, he said during the Commons throne speech debate, is "increasing numbers of self-satisfied citizens who seem quite certain that everything desirable in life is to be found in a ranch-style bungalow, a television set, travel and convivial gatherings."

There were other reasons for the shortage of scientists: low pay, emigration to the United States, and a shortage of teachers and professors.

His was the latest in a number of recent speeches in Parliament expressing concern about the status of science in the Western world, following Russia's launching of two earth satellites.

BACK SOVIET PROPOSAL

Prime Minister Diefenbaker, who has expressed the same concern, continued on Page 6

Two Scandal Sheets Go Respectable

LOS ANGELES (AP) — Confidential and Whisper magazines have decided to retire from the "expose" field. And, in a development apparently related to this decision, they have won dismissal of one of the conspiracy charges brought against them.

The magazines announced in newspaper ads Tuesday that they will "eliminate expose stories on the private lives of celebrities," beginning with the March, 1958, issue of Confidential and the April, 1958, issue of Whisper.

The ads said the magazines "never felt that such stories violated any laws," but nevertheless agreed on the format change with the state attorney-general and county district attorney.

After the ads appeared in print, Superior Judge H. Burton Noble dismissed a charge of conspiracy to commit criminal libel brought against 11 individuals and three corporations connected with the publication of Confidential and Whisper. The prosecution did not object.

A two-month trial of the case ended last summer with the jury deadlocked 7 to 5 for conviction.

Rabies In Foxes In Laurentians

MONTREAL (CP) — J. F. Bourque, general superintendent of the Montreal division of the Quebec department of games and fisheries, said Tuesday rabies have been found among a few foxes in the Laurentians north of Montreal but "the situation is under control."

Steps have been taken to prevent spread of the disease, he said.

Sputnik Goes Into A Bottle

NASHVILLE, Tenn. — (AP) — The Sputnik trademark was registered with the Tennessee secretary of state Tuesday.

"Sputnik" was registered as a brand of vodka "made in the U.S.A. from 100 per cent Choice American grains." The label carries the slogan: "Fellow traveller — out of this world."

Tribesmen Object

CALCUTTA (AP) — Police beat off 5,000 tribesmen trying to break into Shillong jail to seize eight people accused of murdering children and offering their blood to a snake god.

Sex Switch

AGRA, India (CP) — A 16-year-old Hindu boy was declared to have changed his sex Tuesday following a surgical operation.

Tabloid Jolts Readers

Britons Told: 'Too Damn Smug'

LONDON (AP) — The millions of Britons who read the tabloid Daily Mirror were jolted this morning by a headline advising them they are "too damn smug!"

The entire front page of The Mirror consisted of an eight-deck lead reading: "Wake up, Britain! 'We're living in 'The past' 'We're too slow' 'Too sleepy' 'Too damn smug!' 'Smug!' 'Urgent... see today's centre pages.'"

A two-page spread inside The Mirror — which claims the world's highest weekday sale of more than 4,500,000 copies — says the rest of the world thinks of Britain as "stuck in a rut, bumbling, outdated."

MARKING TIME

"The world is on the move, but we are still marking time. 'Little wonder that we are losing trade. Today it is Germany and Japan who are beating us in world markets. Tomorrow, it may be Russia. 'British is best' is a comfortable motto. But there are many places in the world today where that is no longer accepted as a historic truth. 'There are businessmen from Buenos Aires to Bombay to whom the word 'British' too often means supercilious salesmanship, late deliveries, swollen prices. . . ."

LACK TEACHERS

The article says Britain has only one qualified science teacher for each 2,500 of population compared with the Soviet Union's one for 800; is "teetering on the edge of bankruptcy"; lacks modern roads and railways, and is lagging in industrial automation.

The newspaper pointed out that tens of thousands of young people waited for hours outside the Canadian immigration office in London last year.

"Why?" it asked. "Because they had no faith in Britain's future."

"If this article has shocked you," it concludes, "Britain can still be saved. If it hasn't, Britain has had it!"

The Mirror generally supports the policies of the Labor party.

Mother's Boss Say Children

SALT LAKE CITY — (AP) — The Salt Lake Tribune recently sent a questionnaire to all its school correspondents. One of the questions: "Who is the boss in your home?"

Columnist Dan Valentine says an overwhelming majority reported mother is the boss. Only a sprinkling voted for father.

One reply: "I don't know who's boss in our home. They are both still arguing about it."

St. Hyacinthe Mother Held After Deaths

ST. HYACINTHE, Que. (CP) — A 36-year-old farmer's wife was taken to provincial police headquarters in Montreal Tuesday for questioning in the deaths of her three young children, bludgeoned with a sledge hammer.

Mrs. Julien Gorka, is being held as a material witness. In Quebec, no charges are made in cases of violent death until a coroner's inquest has been held.

The children were found in their beds in their home at Rapides-Plats, three miles from St. Hyacinthe and 30 miles east of Montreal. They are Jean Paul, 5, Andre, 4, and Jules, 1.

Neighbors said Mrs. Gorka was released from the mental wing of Montreal's Maisonneuve Hospital recently.

Her brother, Laurent Racine, said the woman walked to his home early Tuesday and told him the children were dead. Racine lives a quarter-mile from the Gorka home.

Mr. Gorka, a Polish immigrant farmer, was summoned home from Beauharnois, Que., where he works part-time with Quebec Hydro-Electric. He was hysterical for some hours after his return.

Neighbors said Mrs. Gorka had been up most of the night because the eldest boy, Jean Paul, had been suffering from a sick stomach. They said she remarked she was tired and depressed.

Allo Police Said 'Piece Of Filth'

OTTAWA — (CP) — Senator Cyrille Vaillancourt Tuesday delivered a scathing attack on the Montreal crime and scandal weekly Allo Police which he described as "the greatest piece of filth in Canada."

The Quebec Liberal said attempts were made to blackmail him after he used his influence to have distribution of the French-language tabloid removed from the newsstands of the Quebec Levis ferry.

Today's Chuckle

A man in Grand Rapids has devised what he calls "the first realistic two-car garage." One door reads "His"; the other, "Hers."

The "Hers" door is two feet wider.

Show Business

By JAMES BACON

HOLLYWOOD (AP)—Joan Taylor, a red-haired, green-eyed doll, has only been in town a few weeks but she could give lessons on how to become a movie star.

As some stars, notably Joan Crawford, make a business of their business, Joan is making a business of getting into the business.

She has never made a movie

—but she will. Unknown outside of Chicago, where she worked as a TV actress, or her home town of Sioux Falls, S.D., Joan, in a few weeks, has most studios in town interested in her.

Hired Press Agent
Here's how she did it—and, girls, don't try it, unless you've got Joan's equipment.

First thing she did was hire a press agent. She liked the way Anita Ekberg's career zoomed so she called first on Miss Ekberg's press agent. He took one look and took her on on a percentage deal.

Next she sought an agent. She liked the way Jayne Mansfield's career went, in a few months from \$150 a week to \$75,000 a picture. So Joan met William Shiffrin, who handles Miss Mansfield. Shiffrin took one look and signed her.

She hired Natasha Lytess, once Marilyn Monroe's closest adviser and drama coach.

Fast Results
Milton Weiss, the press agent, moved fast. An old hand in the business, it was easy for him to get Joan sponsored as a debut star at the annual ball of the make-up artists and hair stylists. It's an important publicity break because most of the town's big people attend and the girls are presented beautifully. Only three

Joan Collins listens as Richard Burton tells his love for her in this dramatic scene from "SEA WIFE", now on the CinemaScope screen of the Granada Theatre. Basil Sydney and Cy Grant are co-stars in this story of four shipwrecked people adrift in the Indian ocean during World War II.

years ago, Kim Novak walked down the same runway as Joan—and she was just as unknown then.

Bob Hope annually takes the prettiest of deb-stars for his TV show. Joan made that group and will be seen on Hope's TV show as soon as he gets his sponsor trouble ironed out.

Shiffrin, a top agent, took her around the studios. Practically every one gave her a color screen test—red hair and green eyes are still a rare commodity. Now the offers are coming in.

group under the direction of Mrs. E. J. Curtis.

Refreshments were served by Comrades, Mrs. Ruth Pitney, Mrs. Francis Halsall and Mrs. Joyce Jarvis.

The next meeting will be held at the armory on December 4, hostesses to be Comrades, Mrs. Rose Smith, Mrs. Kay Miller and Mrs. Dene Sherman assisted by other members.

Farm Forum Activities

IVES HILL AND DRAPER'S CORNER

The first of Ives Hill and Draper's Corner Farm Forum activities was the meeting at the home of Mr. and Mrs. Stewart Cairns when 20 were present for the broadcast. George Clark acted as chairman.

Mr. and Mrs. Pomeroy reported on the work shop at Bristol which they attended and Mr. Pomeroy also gave an outline of the rally at Birchton Hall.

1. The most fundamental problems in connection with our type of farming was unanimously agreed to be money and labor.
2 and 3. By subsidizing products or by establishing a reasonable floor price, and the existing organizations can help to raise the general level of agriculture.

A recreation period followed adjournment. Mrs. Cairns served lunch assisted by Mrs. E. Naylor and Miss R. Cairns.
The next meeting will be held at the home of Mr. and Mrs. R. H. Draper.

Legion Auxiliary Elects Officers At Rock Island

ROCK ISLAND — Members of the Ladies' Auxiliary of Stanstead Frontier Branch of the Canadian Legion met at the Rock Island Armory for the November meeting.

The president opened the meeting and welcomed the guests, Mrs. Jack Heald and Mrs. Donald Emslie, of Beebe. Report of the secretary was given and correspondence read.

The sum of \$25 was voted to the Legion Poppy Campaign. A vote of thanks was given to Cowen's store for their generous discount on the order for gifts for the service men of the locality. Mrs. Hattie Eryou, chairman of the gifts reported some 53 names on the list. Veterans of the community will be made the usual gifts, arrangements for these to be attended to by the committees in charge.

Members were pleased to learn Comrade Irene Bacon was home from a Newport hospital where she underwent surgery; it was reported she had been remembered with flowers.

Tentative plans were made for a cooking school to be held in Rock Island in the near future, more definite plans to be announced later. The Rock Island and Stanstead Girl Guides and Brownies are to be offered the opportunity of selling home made candy at the school.

It was decided the Auxiliary Christmas party will be held at the Del Monty hotel on December 16th. There will be the usual exchange of gifts at \$1 value; names were exchanged at this meeting.

The president conducted the election of officers for the ensuing year, resulting as follows: President, Mrs. E. J. Curtis; 1st vice-president, Mrs. Ruth Pitney; 2nd vice-president, Mrs. Gladys Chartier; secretary, Mrs. Aileen Arbery; treasurer, Mrs. Margaret Bronson; Sgt. at arms, Mrs. Dene Sherman.

The installation of these officers will take place at the December meeting, District Commissioner of the St. Francis District, Delmar White will be installation officer assisted by other members of the Stanstead Frontier Senior Branch. All members of the Senior Branch will be invited to attend this session.

Wreaths for Armistice remembrance for Veterans' graves and Memorials were made by the

Spooner Pond Institute Meets

SPOONER POND — The regular monthly meeting of the W.I. was held at the home of Mrs. H. Blanchard with Mrs. O. Taylor and Mrs. J. Walker as assisting hostesses.

The president, Mrs. V. R. Beattie, opened the meeting. There was one guest present. Minutes were read by the secretary as was the correspondence which included several thank-you notes. The treasurer's report was given by Mrs. F. Wintle.

The following conveners read articles. Citizenship, Mrs. A. Codrington; Publicity, Mrs. J. Gervais; Welfare and Health, Mrs. Mallette.

Mrs. Simpson gave a report on the C.A.C. meeting. It was voted to pay the dollar for Mrs. G. Brock's membership to C.A.C. for the coming year.

Mrs. J. Walker offered to keep the W.I. chairs. An amendment was made to a motion made in 1952 that 10 cents a chair be charged to anyone outside of the members and J. W. I. members for the loan of W.I. chairs. They are to be reported on or returned in three days. If any are broken they are to be repaired.

It was decided to take 50 cents per member from the funds for the Quebec Service Fund.

Mrs. Sykes and Mrs. McArthur judged doughnuts that were brought in and the prize was won by Mrs. W. Lampron. Mrs. Sykes acted as auctioneer for the doughnuts which netted the sum of \$2.30. Mrs. C. Johnston won the drawing and the Card Quiz was won by Mrs. P. Brock.

Used clothing brought in at this meeting is to be packed by the secretary and sent to Montreal for U.S.C.

The December meeting will be held at the home of Mrs. E. Oakley, Melbourne, December 5th at 8 P.M.

HENDERSON VALE — Mr. and Mrs. Forrest Wright and family and Mrs. James Wright were guests of Mr. and Mrs. A. Little.

Little Sandra, Sheryl and Shariene Mathers spent a few days with Mr. and Mrs. Kenneth Kelso.

WEST SHEFFORD — The members of the Irish community joined the mourners and friends of the late Miss Anna Farrell, teacher, of Montreal and Cowansville, for the interment which took place in the family plot here a short time ago.

Anglican Laymen Hold Meeting At Theford Mines

THETFORD MINES — St. John The Divine Church was host to the recent meeting of the Eastern Townships Anglican Laymen's Association, when over 75 representatives from eleven parishes braved one of the fall's foggiest nights to attend, with over half of them asking round trips exceeding 150 miles.

The gathering began with a service taken by R. Urwick, of Magog, president of the Association, assisted by other laymen of the organization.

A business meeting in the church hall followed, at which the following officers were elected: Honorary president, clergy, Rev. R. Reeve, Bishop's University; honorary president, laity, S. A. Meade, Coaticook; president, R. Urwick, Magog, re-elected; vice-president, G. McCammon, Thetford Mines, re-elected; secretary-treasurer, J. Gardner, Windsor Mills, re-elected; assistant secretary, J. S. Turner, Lennoxville.

The committee, consisting of one member from each parish, was also re-elected.

Aim of the group is to increase activity in church affairs

and to encourage the formation of men's organizations in the parishes which do not already have them. While it has been active for many years, it has been functioning without a constitution. This was presented at the meeting and was referred back to the individual parishes for study and comments.

Refreshments were served by the ladies of the Thetford Mines parish.

Those present represented Bury, 8; Coaticook, 6; Cookshire, 1; Lennoxville, 17; Magog, 2; Richmond, 1; Sherbrooke Church of the Advent, 6; Sherbrooke St. Paul's, 4; Sherbrooke St. Peter's, 3; Thetford Mines, 14; Windsor and Brompton, 13.

Inverness W. I. Packs Box For Unitarian Relief

INVERNESS — A box of used clothing was packed for the Unitarian Service Committee of Canada at a meeting of the Women's Institute held at the home of Mrs. Weston Graham.

The vice-president, Mrs. John Dempsey was in the chair owing to the absence of the president.

Mrs. Harry Little, secretary, read the minutes while the treasurer's report was given by Mrs. Allan Little. Correspondence was read and the Short Course was discussed.

The next meeting is to be on December 7th at the home of Mrs. Allan Little when each member is asked to bring a gift for a child which will be sent to Montreal.

Supper was served by the hostesses.

GENERAL NOTES
Mr. John Cruickshank and daughter, Ann, spent a week-end in Lewiston, Me. They also visited Mr. and Mrs. Charlie Beattie, in Pittsfield, Me.

Mr. and Mrs. James Grady and family, of Lennoxville, were recent guests of Mr. Arthur J. Lowry.

Rev. G. E. and Mrs. Kendrick have returned home accompanied by Mrs. Kendrick's mother, Mrs. Guy, who will spend the winter months at the Rectory.

Mr. and Mrs. Thomas Little, and family, of Thetford Mines, were week-end guests of Mr. and Mrs. Irvine Little.

Mrs. Mary Silvester, of Moose Jaw, Sask., spent a couple of weeks with her sister, Mrs. Dan Appleton. The Misses MacKinnon of Quebec City, were also guests at the same home.

Mr. and Mrs. Bradley, Miss Ralah, of Thetford Mines, Mr. and Mrs. Charley Cruickshank, and family, of Lemesurier, were recent guests of Mr. and Mrs. John Cruickshank.

Those from a distance who attended the funeral of Mr. Albert Little included Mr. and Mrs. John Fletcher and Mrs. James Dawson of Goffstown, N. H., Mrs. Frank Leacock, of Manchester, N.H. Miss Audrey McGillivray of Ayer's Cliff and Mr. Lloyd Little of Lennoxville.

Mr. and Mrs. Cameron MacMillan, of Thetford Mines, were visiting Mr. and Mrs. Dan MacMillan.

Toy Display At Drummondville C.A.C. Meeting

DRUMMONDVILLE — The local branch of the Association of Consumers held a toy demonstration in the High School library, at which the guest speaker was Mrs. T. Kuchta, chairman of the Quebec Toy Committee for the C. A. C.

A good variety of tested and approved toys was on display, ranging from a gaily coloured plastic rattle for the infant, to a complex grooved plastic building set, designed to intrigue the mind of a 12-year-old, who is ready to sit and concentrate for a longer period of time. One interesting item was Play Doh, a much cleaner product than plasticine. It is resilient to the touch and if dropped on the floor may be easily swept up, an advantage over modelling clay, which requires scraping. This item was recommended for an age span from three-year-olds to teenagers.

The toy-testing committee is a non-profit, national joint committee of the Canadian Association of Consumers and the Citizens' Committee on Children, working in co-operation with the National Industrial Design Council. C. A. C. gives the consumer angle, C. C. C. lends authority, child-wise; N. I. D. C. adds a new slant to toys in Canadian design.

The work of the committee is to test toys for good design, durability, and play value before recommending them. It gives advice to consumers and manufacturers. It educates regarding toys suitable for different age groups, through the medium of T. V. and films.

Long Term Imposed On 2 Bandits

The two Montreal men — George Isobel, 26, alias Robert Perrault, and Michel Farrell, 21 — who pulled a \$64 hold-up at a Depot St. restaurant Oct. 31 received heavy penitentiary sentences as they appeared before Judge Edouard Boisvert in Magistrate's Court this morning.

Four Vagrants Recipients Of Court Clemency

Four women charged with vagrancy, one on a second offense, received the clemency of the court yesterday as they appeared before Judge Redmond Hayes in chambers.

Parents-Teachers Night —

Shown above examining the work of one of the pupils at the Parents Teachers Night at the St. Patrick's High School last night are from left: Richard Hoyer, Miss M. A. Nadeau, teacher; J. M. Hewitt, inspector for the English Catholic Schools and guest speaker; Mrs. Hoyer and Rev. Father Paul, Principal.

Parents-Teachers Night — Shown above examining the work of one of the pupils at the Parents Teachers Night at the St. Patrick's High School last night are from left: Richard Hoyer, Miss M. A. Nadeau, teacher; J. M. Hewitt, inspector for the English Catholic Schools and guest speaker; Mrs. Hoyer and Rev. Father Paul, Principal.

Parents-Teachers Meeting Held At St. Patrick's

The first annual Parents-Teachers Night in the history of the institution was held at St. Patrick's School last night when a large number gathered to discuss school problems and make an inspection of the new building and of the work done by the students.

An address on the realization of a better education for the children and a better relationship between the parent, teacher and child was given by J. M. Hewitt, inspector of English-Catholic schools.

Mr. Hewitt admitted the problem of bringing up children today is particularly difficult and that the ideas of parents may differ from his own. But he preferred the parent who disagreed with him to the one who never gives the subject a thought.

Extremes, especially in discipline, should be avoided, as a middle course served to create a discipline the children can understand and accept. He criticized a changeable discipline as one of the worst facets of home life, building up a feeling of insecurity and disrespect among the children. Nagging should also be avoided.

Mr. Hewitt also suggested that parents discuss with the teachers such as poor marks, and complaints about school behavior.

Parents should give more consideration to a child's feelings and should relax parental control as soon as possible.

Parents should promote confidence and understanding among children and should see that home study becomes a habit and not just the time to do homework.

Local residents enjoyed the TV program over CJAD "The Country Fair," which showed Bedford Fair, with the prize cattle of R. B. Goodhue, Wilfred Hadlock and others, also views of the Town of Bedford and the farm of U. Bernier. Various residents were shown at work on their homes.

At a recent meeting of the Village Council, with Mayor Joseph Hebert in the chair, it was decided to discontinue building of the sidewalk on Water street, until decision on the lowering of the road bed was reached.

Rotarians Hear Address On Atom Bomb Principles

A layman's description of the principles of the atomic and hydrogen bombs was given to the Rotary Club last night by H. O. Trihey, sales manager for the Federated Metals of Canada Limited.

Mr. Trihey, touching briefly on the original topic of his address "White Metal Alloy—Manufacturing," said he preferred to speak on some of the principles of nuclear physics and what they mean to the non-scientist. Mr. Trihey pointed out that the talk was on personal ideas he had learned over the past three years from his contact with scientists.

The internal structure of the atom is made up of a hard core of things called protons and neutrons, he said, with other things called electrons revolving about the core or nucleus in very much the same way as planets travel around the Sun. There is a force which provides a tension between the electrons and the core similar to the balance between the planets and the sun.

However, when an atom of unstable matter, that is, where the electron or planet is always trying to break away, is smashed together with a very stable atom, a tremendous power is unleashed, he said.

In effect, the scientists have taken hydrogen, which is unstable, and have brought it together with helium which is very stable and have produced what is known as the hydrogen bomb. The deciding factor that provides the heat to generate this process is the atomic bomb.

The atomic bomb works on the principle of one electron knock-

ing another electron out of its place just as a domino may fall causing another to fall, he said. This is called chain reaction. The reaction is started by heating a very unstable substance, in this case, uranium.

Concluding Mr. Trihey said "I am just on the fringe of things in my work but we get something of what scientists get. Maybe we even get more significance than they do from the work."

"We obtain a keen appreciation of the tremendous intelligence behind nuclear studies and the infinite wisdom and mastery of God."

The speaker was introduced by Archie Mitchell and thanked by Jim Wark. Two new members were introduced last night. They are Greg O'Boyle, introduced by Art Kerridge, and Bob Beaudry, introduced by Emile Levesque.

Guests at the meeting were Ross Hunting, of Huntingville; Jack Perler, of Fairlawn, N.J.; and Frank Gibb, of Toronto. Visiting Rotarians were Harold Bean, of Rock Island; Leon Klein, of Fairlawn, N.J.; and Irvington Bernau, of N.J.

Terrorists Killed
KUALA LUMPUR, Malaya (AP)—The federation government announced four Communist jungle terrorists were killed Sunday by a Gurka patrol.

OLD-TIME HERMIT
Richard Rolfe, English poet who died in 1349, chose to become a hermit after studying theology at Oxford.

Scotstown Hit

Japanese Competition Forces Closing Of Principal Industry In Compton Centre

By NICK POWELL
SCOTSTOWN — The decision of the Guelph Plywood Co. Ltd., the principal employer in this Compton County town of 1,250 people located 35 miles east of Sherbrooke—to suspend operations within the next few weeks raises the grim possibility of this community becoming a ghost town.

In an interview with the Record, Peter Graham, manager of the plant, blamed the closing of the mill on steadily-increasing imports of Japanese plywood at prices substantially below the production costs in Canadian mills.

He stated that the closing-down operation would cover a period of six or seven weeks, with the 120 employees being laid off at the rate of 20 each week, starting within the next few days. Only four caretakers will remain on the company payroll here when the shut-down becomes effective, Mr. Graham continued.

Explaining the reasons behind the company's decision to suspend operations, for the time being at least, Mr. Graham said the Scotstown plant supplied plywood of all sorts to furniture manufacturers. During the past few months, there has been a slow-down of the furniture business in Canada, reducing the demand for his company's products.

HEAVY IMPORTS
The situation has been further aggravated by the growing volume of Japanese imports, which are being offered in this country at about 60 per cent of the price of the Canadian product—roughly the cost of the raw materials used by the Canadian plants.

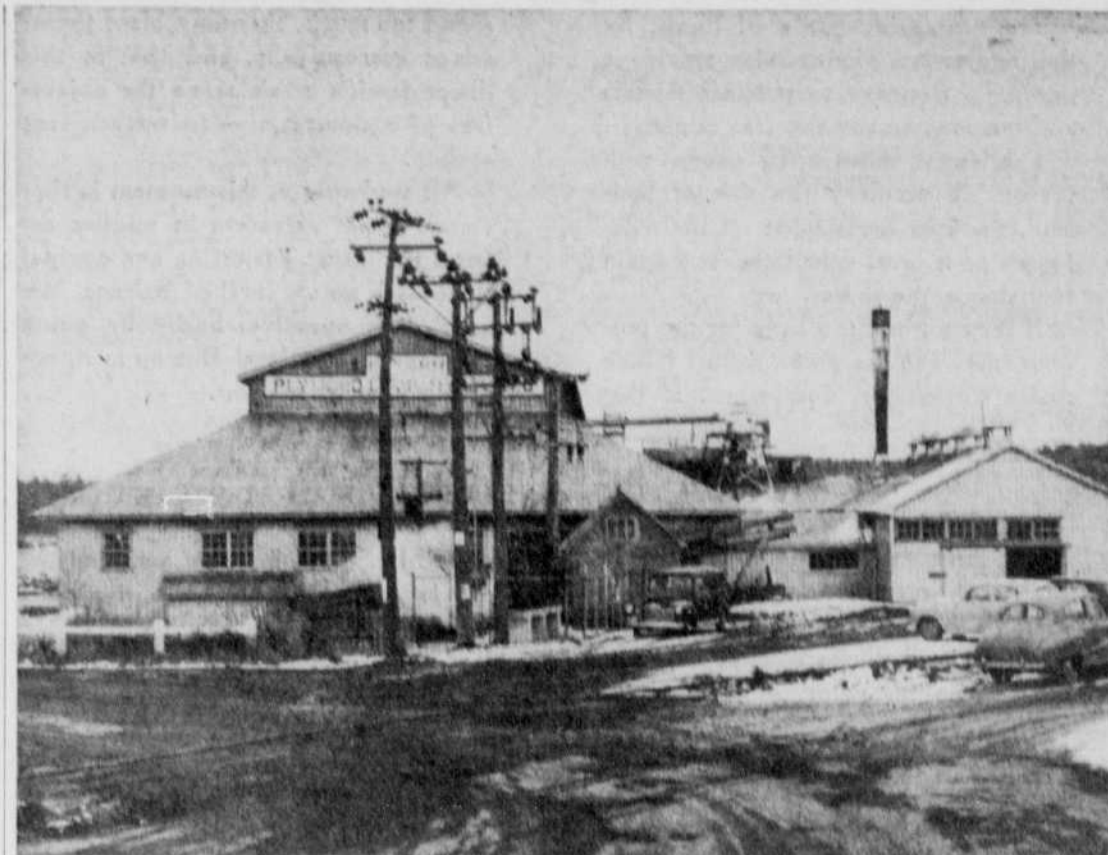

The impact of Japanese imports was apparent from figures given by Mr. Graham. In the six-month period ending June 30, 1956, Canadian purchases of Japanese plywood amounted to \$754,000, while for the corresponding period of the current year the imports amounted to \$1,035,500.

Coupled with a decline in domestic demand, the increased imports have made it virtually impossible for Canadian plywood producers to continue operations at a profit.

The Guelph Company is not the only Canadian firm hit by the depressed conditions in the plywood industry, Mr. Graham said, the industry across the country being in poor shape generally.

CONDITION GENERAL
Quoting official figures released by the Dominion Bureau of Statistics, Mr. Graham said the production of native hardwoods in August, 1956, was \$10,346,000 but that in 1957, the value had dropped to \$7,760,000, a decline of 25 per cent.

Shipments of Canadian hardwood plywood to the United States also have been adversely

Closing Down — Japanese competition is blamed for the closing of the plant of Guelph Plywood, Scotstown's chief industry, part of which is pictured above.

affected, declining from 7,238,764 square feet for June, 1956, to 5,605,624 square feet in June 1957, a drop of 22 per cent.

Discussing the future, Mr. Graham expressed the hope that the mill might re-open in the spring or early summer if some way was found to combat the low price of the Japanese imports.

The impact on the closing of the Guelph Plywood plant on the economy of this community can be recognized easily, when it is considered that over 120 of the 300 families in the town are directly dependent upon the mill for their livelihood.

There are only two other small industries in Scotstown, their combined payroll amounting to less than a score of persons.

FARMERS HIT
In addition to the direct employment it provided, the plywood company also bought large quantities of hardwood logs from farmers in the surrounding countryside, who in turn did most of their trading with local merchants.

Thus, the merchants are fore-

casting a sharp reduction in their volume of business, both by reduced purchasing from the families of mill employees and from suppliers of raw materials to the plant.

It is feared, also, that a substantial number of wage-earners may leave Scotstown to seek employment elsewhere, ultimately moving their families. This would result in a sharp cut in population, with a depression of real estate values and many vacant homes and closed business establishments.

The Guelph Company has been operating in Scotstown for about 50 years, first locating here when an English concern, the Guelph Cask Company Ltd., purchased the mill and timber limits of the Great Northern Lumber Co.

In its earlier days, the chief product of the company was the production of barrels and casks for the Old Country market, but as changing conditions cut the demand for wooden barrels, the firm diversified its lines to produce veneer and plywood which was sold largely in Canada.

A couple of years ago, the firm was reorganized with Canadian capital becoming associated with the English interests. Considerable research work was carried on with the idea of finding new markets for the products, but this failed to offset the cut-rate competition from Japan.

GLEN MURRAY —

Mr. and Mrs. R. J. Leith accompanied by Mrs. Irwin Hackett were at Richmond Hill where they visited Mr. and Mrs. Rufus Patterson and Mr. and Mrs. Sidney Lockwood.

Miss Flora Bennett of Quebec City and Mr. Bob Bennett of Ste. Jerome were visitors of Mr. and Mrs. R. J. Leith.

Mr. and Mrs. Russell White and son James, of Barre, Vt., and Mr. and Mrs. Alex McVetty of Birchton, were overnight guests of Mr. and Mrs. Roland White and family, and also visited Mr. and Mrs. Stanley White and family.

Mrs. R. J. Graham spent a few days at the home of Mr. and Mrs. Andrew McCammon of Theiford Mines.

Refreshments served by Miss L.M.V. Seymour, assisted by several of the members, brought the evening activities to a close.

Radio Topic Of Address Before Women's Group

The regular meeting of the Business and Professional Women's Club of Sherbrooke was held in the MacKinnon Memorial Hall with the president, Miss Clara Aitkenhead presiding.

Highlighting the evening's activities was the address of Morris C. Austin, assistant manager of CKTS Radio Station, on the subject of "The Place of Radio in the Community." In his remarks, the speaker stressed the fact that Radio Broadcasts had changed greatly since the advent of Television. Consequently every effort was being made to make radio programmes more attractive, by concentrating on matters of local interest. Every effort was being made to encourage local groups, musicians and speakers to participate in broadcasts.

The speaker was introduced by Miss Eva Hall with Miss Bessie Milford subsequently voicing the appreciation of all those present.

Miss Clara Aitkenhead and Miss Leslie Fales gave very interesting and comprehensive reports on the Provincial Convention of B & P. W.C. Clubs held last month at Stanstead.

Miss Aitkenhead paid tribute to the memory of Miss Gertrude Imrie, commenting on her gracious personality and the untiring service which she had rendered to the Club. Following the reading of a poem entitled "Life is Too Brief" by Miss M. Moir, the members observed two minutes silence in memory of Miss Imrie.

Congratulations were extended to Miss Marion Reed, principal of Windsor Mills School, on being awarded the Order of Scholastic Merit by the Protestant Committee of the Education Council of the Province of Quebec.

The president appointed Miss Olive Symons as membership convener with Mrs. L. Boudier as her Assistant.

Refreshments served by Miss L.M.V. Seymour, assisted by several of the members, brought the evening activities to a close.

Police Recover Greater Part Of Stolen Silver

Police Chief Edouard Moreau, said today police have recovered \$1,045.45 of the money stolen on Monday afternoon from a Stafford Sales Reg'd station wagon parked outside the Sports Club on Fraser st.

The original estimate of the loss was placed at \$3,000 but later the loss was cut to \$1,100. Sherbrooke police, working in conjunction with the Provincial Police captured three men late Monday night in connection with the case. A woman has also been detained.

The men will appear in court sometime this week.

150 cartons of cigarettes, also taken with the money which was all coins, have not yet been recovered.

Sgt. Eugene Morin, of the Sherbrooke branch of the Provincial Police said this morning that he expects further developments in a few days.

Supervisor Visits V.O.N.

Annual Visit — Miss Catherine Ross, district supervisor for the Victorian Order of Nurses, made her annual visit to the unit yesterday. From left are Bruce Bishop, president of the V.O.N.; Miss Ross; Mrs. Eric Webster, honorary secretary; and Miss L. Germaine, local supervisor.

A financial report, from January to October 31, was given at a monthly meeting of the executive of the Victorian Order of Nurses yesterday.

The report showed a net deficit of \$372.49 but this will be erased by a \$3,500 contribution from the Catholic Federation Charities which is forthcoming, according to Bruce Bishop, the president.

Amusing Program At Hatley Centre Bridal Shower

HATLEY CENTRE — Mrs. R. Little, Mrs. Vern Lowell, and Mrs. Rudy McLellan entertained at a bridal shower, with about 30 guests in attendance, at the home of Mrs. Robert Little.

When the bride-to-be, Miss Ann Little, arrived to the strains of the Bridal March played by Mrs. McLellan, she was presented with a corsage by Mrs. Little, then led to a chair decorated in shades of gold and green. Bouquets of gold chrysanthemums adorned the rooms.

While some of the ladies were preparing to take part in the

program, readings by way of advice to a newly-married were given, one by Miss Elizabeth Deacon, entitled, "Earful for Brides", and another, "A recipe for Cooking a Husband", by Mrs. Gordon Poock.

Then something was given in the way of a fashion show to help the bride and groom choose the best and latest in a trousseau for the fall of 1957. With Mrs. P. Wilson as commentator, the models paraded a wedding-gown, going-away outfit, lingerie, etc., for both the bride and groom, with a few extras in case of cold or illness, on the wedding trip. The luggage was especially up-to-date! Modelling were Mrs. McLellan, Mrs. Lowell, Mrs. Little, Mrs. O. Mappin, and Mrs. F. Fletcher, who were all applauded on the excellency of their performance and outfit.

A reading, "How to Bake a Cake", by Mrs. Wilson, brought a fun-filled evening to the point of the party: the gift-giving. A gaily-decorated wagon in silver was brought in, overloaded with gaily-wrapped gifts, and after a short speech by Mrs. McLellan, the bride was assisted in opening them by her mother and Mrs. McVittie.

Miss Little was the recipient of a nice assortment of china, glassware, linen, and towels, all accompanied by the very best wishes of the givers. Miss Little offered her thanks to all present.

Refreshments were served by the hostesses, assisted by Mrs. Mappin and Mrs. Fletcher, while Mrs. Kenneth Little and Mrs. Robert McVittie poured tea at the lace-covered dining-table, which was centered with a bowl of golden 'mums.

M. P. COMPLAINS

Continued From Page 1

cern said at the opening of Tuesday's sitting he is sure all free nations would approve a non-government conference of world atomic scientists. Such a meeting has been proposed by six Russian scientists and CCF Leader Coldwell suggested that the Canadian government encourage the move.

Mr. Diefenbaker said it is up to scientists — not the government. But if world scientists decided on a meeting he was sure the free nations would approve.

Mr. Diefenbaker, at another point, also suggested that a non-denominational prayer room be provided in the Parliament building where MPs could "ask for that guidance which parliamentarians need today."

Throne speech debates, proceeding separately in the Commons and Senate, produced a wide range of views and ideas.

FEARS SHORT-CHANGING

Hon. J. W. Pickersgill (L-Bonavista - Twillingate) said he fears that the "poorer provinces" will be short-changed at the federal-provincial conference later this month to review tax-sharing arrangements.

He said he is afraid the demand of Ontario's Conservative Premier Frost for \$100,000,000 more from the federal government will be met, and that there won't be enough money left for the other provinces. The others would be forced to take less than they received from the former Liberal government.

Two Liberal senators, Opposition Leader W. Ross Macdonald and Senator Thomas Reid, British Columbia, proposed that the government adopt a contributory old age pension plan.

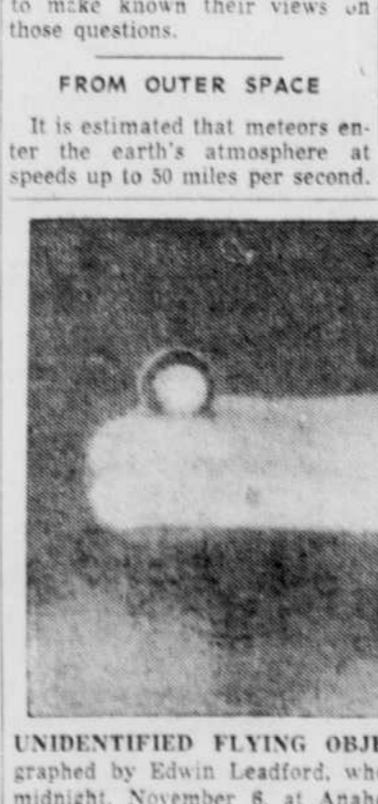

Rosaire Gauthier (L-Chicoutimi) said attempts should be made to keep navigation to the Saguenay River open the year round. He also called for a distinctive national flag and appointment of a Canadian ambassador to the Vatican.

On those two points, Theogene Ricard (PC - St. Hyacinthe-Bagot) said he is sure Mr. Diefenbaker will in due course give Canadian voters an opportunity to make known their views on those questions.

FROM OUTER SPACE

It is estimated that meteors enter the earth's atmosphere at speeds up to 50 miles per second.

UNIDENTIFIED FLYING OBJECT — This object was photographed by Edwin Leadford, who sighted it from his car around midnight, November 8, at Anaheim, Calif. Leadford described it as cigar-shaped and said it flickered with a reddish cast light.

Czech Red Boss Dies

PRAGUE (Reuters)—President Antonin Zapotocky of Czechoslovakia, one of the "old guard" Czech Communists, died here early today of a heart ailment He was 72.

Zapotocky, once a stone-cutter's apprentice, returned from a German concentration camp at the end of the war to become successively the head of the revolutionary trade union movement, premier and president.

Premier Viliam Siroky was being tipped here as Zapotocky's most likely successor.

Zapotocky died at 5 a.m. at Sanops, a Prague clinic reserved for high party and government leaders. He was admitted there nine days ago when he was taken ill after seeing off a Czechoslovak delegation to Moscow.

Zapotocky presided over the destinies of his country during a turbulent period which saw Czechoslovakia become Russia's most reliable ally in Europe.

The Communist leader, considered "absolutely loyal" to both the party and Russia, played a major role in consolidating the power of the Communists in the crisis of 1948 which followed the resignation and death of President Eduard Benes.

Fine Balance Reported By Bury Ladies Guild

BURY.—The Ladies Guild of St. Paul's Church held its November meeting at the home of Mrs. Cecil Coates with an unusually large attendance of members and visitors. Mrs. Coates was assisted by Mrs. Stanley Semple, and Mrs. Clarence Goodwin as joint hostesses.

With Mrs. Buchanan presiding, the meeting was opened by Rev. G. Norris with prayer and Scripture reading. Minutes were read by the secretary, Mrs. M. Worby. Two letters of appreciation from members recently bereaved were read and two members present expressed thanks to the Guild for being remembered in illness.

The treasurer, Mrs. H. B. Lawrence, reported on the Turkey supper which was a decided success, bringing the bank balance, after all bills had been met, to the satisfactory amount of \$300.27.

It was decided to accept the services of Mrs. Nellie Keene as caretaker of the church, to fill the vacancy left by the recent death of Miss Dolly Lower, who had carried on this service for many years.

The next meeting, which will be the annual Christmas meeting will be held in the Parish Hall on December 4, with a card party and sale of work in the evening. The hostesses on this occasion will be Mrs. W. Buchanan.

SOUTH DURHAM

Mr. Roland Montgomery, was in Cookshire recently visiting his sister, Mrs. Johnson. Mrs. Johnson will be leaving for her home in Vancouver, shortly.

Mr. and Mrs. R. Watt, of Alexandria, Ont., have been recent guests of Mr. and Mrs. R. Woolfrey.

Mr. Murray Richmond, student at Bishop's College, Lennoxville, and friend, spent a weekend at his home here.

Friends of Miss Joan Moore were sorry to hear of her serious accident.

Mr. and Mrs. J. O'Brien of Boston are guests of Mr. and Mrs. Harry Price.

Friends of Mrs. Edison Montgomery will be pleased to learn she has returned home from the General Hospital in Montreal.

Mr. and Mrs. Lou. Voorhees spent the weekend with friends in Montreal.

Friends of Mrs. Wilfred Pickens will be glad to hear she has returned home from the Sherbrooke Hospital.

Mr. Delmer Fee of Montreal, spent a weekend with his family here.

Bonds Sell Well

OTTAWA (CP)—Sales of the new 12th series of Canada Savings Bonds reached \$854,000,000 at the end of last week, 27 per cent higher than at the comparable date last year.

Two Guillotined

ALGIERS — (AP) — Two convicted Moslem terrorists were guillotined in the prison courtyard here. This brought to 87 the unofficial total of executions since the start of the rebellion.

Mrs. Elsie Morrison and Mrs. Arthur Frangley.

The meeting was closed by Mr. Norris with prayer. Tea was served by the hostesses assisted by Mrs. William Batley and Miss Betty Goodwin.

GREENSHIELDS STOCK MARKET

Stock prices were narrowly irregular in early trading yesterday, but a small wave of selling developed in the final hour and most issues closed with fractional losses. B.A. Oil was off ¼ at 37, Can. Iron up ¼ at 28¼, Can. Bank of Commerce off ½ at 42¼, Can. British Aluminum off 3/8 at 10¼, Dominion Bridge up 2 at 23¼, Home A off ½ at 15, MacMillan B off ½ at 25, Noranda off ¼ at 38¼, Pacific Pete off ½ at 19¼, St. Lawrence Corp. off ¼ at 11¼, Trans Mountain off ½ at 62½ and Union Gas off ½ at 60½.

Finance Minister, Fleming declined to comment yesterday on the rumour that the government is considering reducing the 8% floor on chartered banks cash ration to deposits as a means of facilitating loans.

An issue is being made of \$2 million Province of Prince Edward Island 4½% debentures at 90.59 to yield 5%.

Shareholders of British Columbia Telephone at a special general meeting on Nov. 28th. will be asked to approve the creation of a new issue of \$10 million preferred stock with a dividend rate not exceeding 5¼%.

Lester Sutherland, chairman British Motor industry in Canada has announced that Canadian sales of British built cars totalled 20, 844 units in the first nine months of the current year, an increase of 25% over the like period last year.

For the nine months ended Sept. 30, 1957 Aluminium earned \$1.03 a share compared with \$1.41 in the same 1956 period. International Paper earned \$4.38 a share compared with \$5.48 in the same 1956 period. Celanese Corp. earned 0.86 a share compared with 0.92 in the same 1956 period.

The Canadian steel industry operated at 80.3% of rated capacity in Oct. this year to produce 368,549 tons of steel ingot, a decline of 19% from the same month a year ago. This is the sixth consecutive month in which production has fallen behind that of last year. From the first of the year however, production at 4,225,779 tons was only 2% below that of the corresponding period last year.

\$12,000 Snatched From Employee

MONTREAL (CP) — A satchel containing \$5,000 in cash and \$7,000 in cheques was snatched Tuesday from the hands of a candy company employee in a north-end lane.

William J. Boyd said two men grabbed the satchel and escaped in a car driven by a third man. Boyd is employed by the Walter M. Lowney Company.

HARDWOOD FLAT

Guests of Mr. and Mrs. Garth Harrison were Mrs. J. D. Harrison, Waterloo, and Mr. Donald Harrison, Granby, also Mrs. Helen Hyatt and Mr. Douglas Hyatt of Huntingville.

Mr. and Mrs. Alden Clark, of Bishopton were guests of Mr. and Mrs. Douglas Harrison. Visitors at the same home were Mr. and Mrs. Alvin Herring.

Guests of Mr. and Mrs. Arthur Herring were Mr. and Mrs. Howard Sawyer, Lennoxville, and Mr. and Mrs. Raymond Gaulin, Red Rock, Ont.

The many friends of Mr. and Mrs. Osborne Allison regret to hear they have been confined to their bed for several days.

ADLAI LIKELY

Continued from page 1

brought on the uncertainty when both Hagerty and Stevenson later sought to clarify.

Stevenson said he had informed Dulles a week ago that "while I could not undertake to formulate the president's policies, I would gladly review and discuss our government's proposals before they were put into final shape."

Hagerty said Stevenson "will be kept informed of the developing program and will, we hope, discuss the items in the program with the administration before they are finalized."

MAY GO TO PARIS

Officials said that Stevenson could go with Eisenhower and Dulles to Paris if he chose to.

In New York Tuesday night, Stevenson said he would be willing to attend the Paris meeting. But whether he would go, he said, would depend on the shape of the U.S. proposals. He indicated one condition might be an increase in foreign aid which would require a relaxation of the \$175,000,000 limit on the U.S. federal debt.

He said earlier he already had given Dulles a memorandum of his first impressions of the problems likely to arise in Paris.

But by implication he left himself free to criticize any of the administration's proposals with which he disagrees.

Cards of Thanks

BURNS — We wish to express our sincere thanks and deep appreciation to all those who so willingly assisted us in any way at the time of the death of our dear wife and mother, Olive Burns.

All those who sent flowers, letters, cards, food or other expressions of kindness and sympathy.

To the Rev. Mr. Fraser, the organist, Mrs. Flaws, and the members of the choir. To our relatives and friends who came such great distances to pay their final respects to one we all loved.

CHARLES BURNS, Husband.
MARJORIE and NORMAN, Children.
Saxxville, Que.

In Memoriam

CARR — In loving memory of Mrs. Eliza Carr, who passed away on November 13, 1956.

Deep in our hearts lies a picture Of a loved one gone to rest. And those who think of her today, Are those who loved her best.

Lovingly remembered by,
HER SON, FRED,
BERNICE, daughter-in-law.

Favorable Weather And Good Field In Prospect For Tonight's Playoff

Fourteen Records Established In Western Interprovincial Football Union; Eskimos Set Merry Pace

REGINA (CP)—Fourteen team records were broken in the Western Interprovincial Football Union this year, eight of them by Edmonton Eskimos.

Statistics released today showed the Eskimos set marks in total net yards from scrimmage, yards rushing, number of carries rushing, best gain per rush, total first downs, first downs rushing, best average pass and most points in one season.

Three records went to Saskatchewan Roughriders, two to Winnipeg Blue Bombers and one to Calgary Stampeders.

The Riders established marks for the fewest fumbles, 15, most kickoffs returned, 79, and most points scored against in one season, 438.

The Bomber records were for most penalties, 108, and most yards penalized, 932, while Stamps set a record for total yards from scrimmage in one game, 654.

The total net from scrimmage for Eskimos was 7,075 yards, easily surpassing the mark of 6,020 set by Riders last year.

SURPASS OWN FEATS

Eskos also broke four of their own records. The marks are for yards rushing, 4,345, best gain per rush, 6.01 yards, first downs rushing, 272, and best average pass, 10.1 yards.

The other records for Eskos were previously held by Winnipeg. These marks are for total first downs, 403, number of carries rushing, 722, and most points in one season, 475.

Riders were the top team in passing this year, completing 182 of 367 aeriels for 2,819 yards and 133 first downs. They also had the most passes intercepted, 32. Eskimos had the best completion average, clicking on 149 of 270 passes for an average of 55.1 per cent. Eskos intercepted the most passes, 30, while B.C. Lions had the most touchdown passes, 20.

Lions had the best punting average at 42.1 yards and Eskos had the best kickoff average at 54.1 yards. Bombers led in both kickoff and punt returns with 26.8 yard average on runback of kickoffs and a 7.2-yard average on punts.

Lennoxville Tops St. Pat's In Cage Tilt

St. Pat's Academy Seniors lost their second straight decision to the Lennoxville High School 66-45 Monday evening in a regular fixture of the St. Francis Inter-scholastic Basketball League.

The tilt was evenly fought during the first half and when the whistle blew the Irish were trailing by only three points. Both teams came up with some good defensive and offensive work.

In the third quarter the green and white squad fell apart and at the end they were behind by 15 points. In the final quarter despite the hard work of the home club they just couldn't cut down Lennoxville's big lead.

St. Pat's failed to capitalize on their free throws notching only three out of 15. Lennoxville, on the other hand, dropped 11 out of 23 through the hoop and this played a big factor in the outcome of the game.

LHS: Nugent (21), Wingate (16), Reynolds (9), Pelletier (6), Peak (4), Allen (6), Aldrien (2), Robinson (2). Total—66.

St. Pat's: S. Gregoire (27), L. Gregoire (10), Doucet (6), Gilbert (2), Nadeau, Cahill, Wdowiak, Belanger. Total—45.

Semi-Final Sudden-Death To Begin At 7.00; Losers Out, Winners Tackle Tiger-Cats; All Cripples To Perform

OTTAWA — (CP) — Montreal Alouettes and Ottawa Rough Riders meet tonight in a sudden-death Big Four semi-final play-off — the game that means the end of the 1957 football season for the losing team.

The winner meets Hamilton Tiger-Cats in a home-and-home, total-point series beginning this Saturday with the final game a week later, to choose the eastern representative in this year's Grey Cup game at Toronto.

Riders held a light, half-hour workout Tuesday night — their second this week. Als arrived in Ottawa after a light workout Tuesday afternoon at their Westmount Park Practice grounds. They had begun practising Sunday, a day Riders had off.

Ticket sales were healthy, including nearly 2,000 picked up by Montreal fans.

The full game, commencing at 7 p.m. EST, was to be telecast, with local stations cut in on the telecast of a home game for the first time this season.

EXPECT FINE WEATHER

The weather forecast was optimistic: clear skies and warm temperature — conditions that should favor the passing offence of Als' veteran quarterback Sam Etcheverry and the versatile Rider attack pivoting around rookie quarterback Tom Dimitroff.

Groundskeeper Eddie Friel pronounced the playing field at Lansdowne Park in good shape after his staff had thoroughly raked and rolled it. Some concern had been expressed earlier about the field on which five college and high school games were played last week—three of them in the rain. One rainfall, however, could reduce the field to a quagmire.

But while the field was in good shape Riders were injury-ridden. So were the Als who dropped the last three successive Grey Cup games to Edmonton Eskimos. All the injured were expected to play however.

Montreal's injured included end Hal Patterson, fullback Pat Abruzzi and tackle Ted Elish. Riders casualty list included tackle Milt Graham with a sore shoulder, halfback Bill Sowalski with a bad ankle and centre Gerry Selinger with a leg injury. Tackle Kaye Vaughan is wearing a brace on a bad knee. But centre Ron Pawlowski said his bruised knee was improving and end Ted Smae appeared in good shape despite a concussion suffered Saturday against Hamilton.

Massawippi League Holds Important Meeting; Players' List Presented; All-Star Game In Asbestos Sunday

The Massawippi Valley Hockey League held one of their most important meetings last night when the question of players' list was decided. With close cooperation and harmony from all clubs the meeting terminated without any serious mishaps.

The six clubs in the O'Donnell circuit presented their list for adoption and approval of the league. Richmond had the least number of players, eight, while Magog had the largest, 25. Sherbrooke Beavers, Asbestos, Windsor and Victoriaville all had 19 each.

The teams must reduce their number to 18 before the league opening Dec. 1. All new players placed on the list must be signed, or released, within a period of fifteen days. Another meeting will be called for Wednesday, Nov. 27 when the teams must turn in their final list.

It was also pointed out that a team could have more than three players, who performed in the Provincial League last season, but this number must be reduced by Dec. 1 deadline.

The various clubs all presented new players with Magog 13, Sherbrooke 10 and Windsor seven. The Meteors of Asbestos had five while the Braves had none except their playing coach Normie Dussault. Several of these new players had performed in the loop last season with other clubs.

The final plans for the All-Star game, which is taking place in Asbestos Sunday, Nov. 17, were discussed. President O'Donnell pointed out the importance of this game and stated that it was imperative that all players who were named must turn out. Pee Wee Theriault will handle the league All-Stars.

PGA Advisory Group Suggests New System

LONG BEACH, Calif. (AP)—The advisory committee of the Professional Golfers Association has recommended that the PGA change the format of its national championship tournament, which has been losing money in recent years.

The committee proposed Tuesday that the tournament be converted from a match-play event to a 72-hole medal-play affair. The recommendation will go before the PGA convention, now in progress here.

Dick Mayer of La Jolla, Calif., 1957 U.S. Open champion, won the top citation at Tuesday night's annual PGA president's dinner. He was voted pro golfer of the year.

The PGA tournament committee announced purses for next year's tournaments will total \$1,400,000.

Detroit And Toronto Together On Bottom Of NHL Standing But Miles Apart On Players Association Plans

DETROIT (CP) — Detroit Red Wings and Toronto Maple Leafs may be together at the bottom of the National Hockey League but they're miles apart in the NHL Players Association.

Detroit players are the only ones to have disapproved formally of the association and its \$3,000,000 anti-trust lawsuit against NHL team owners and the league.

Toronto players are the only ones to have approved formerly of the association and its lawsuit.

The Detroit action came Tuesday, when team captain Leonard (Red) Kelly and attorney John A. Hird issued a public statement signed by all 20 Wings. The statement "publicly disavowed" the association and its lawsuit.

Last week Toronto players unanimously voted to have the association certified as their bargaining agent. At the same time they expressed approval of the lawsuit against the six club owners and league president Clarence Campbell.

OTHERS SILENT

The league's other teams still have to formally declare where they stand.

However, Tod Sloan, Toronto's player representative, said Detroit is the only team against the association "and we still have five other clubs behind it."

Sloan said: "I don't think it will hurt our association. We know that Detroit was the weak sister, especially after they traded (Ted) Lindsay to Chicago. I certainly know that we aren't going to back out now."

Lindsay is president of the association.

The Detroit statement said in part, "the president and counsel of the association have acted in detriment to the better interests of the players and hockey in general."

The Wings said they dropped out of the association because their consent was not obtained before the suit was filed, because they asked and did not receive reasons for filing the suit and because they have not received papers to indicate just what the association is—as to legal organization, constitution and bylaws.

First Russian Tilt To Be Carried Over TV

TORONTO — The hockey game between Whitby Dunlops and a Russian team in Toronto Nov. 22 will be televised and broadcast.

It will be the first of a series of six exhibition games the Russian team will play in Canada. The Soviet team and the Dunlops will represent Russia and Canada in the world amateur hockey tournament next February at Oslo, Norway.

Tickets for the game here were sold out Monday 75 minutes after they went on sale at Maple Leaf Gardens.

Frank Lane Gets Two-Year Contract To Handle Cleveland Indians; Devine Takes Over For St. Louis Cardinals

CLEVELAND (AP)—An explosive 61-year-old baseball executive with a reputation for shrewd trading is faced today with making pennant contenders of Cleveland Indians—and fill spacious Municipal Stadium with fans who will pay to see them play.

Frank Lane, appointed general manager of the Indians Tuesday, has arrived in Cleveland. Lane left St. Louis and his job as the Cardinals' general manager to succeed fired Hank Greenberg.

"Our first job," Lane said after he stepped off the plane, "is to find out what the team needs."

Ten days after he took over as Chicago White Sox general manager in 1948 he got Billy Pierce and \$10,000 from Detroit Tigers for catcher Aaron Robinson. Pierce has become one of the great left-handers in baseball, while Robinson faded.

Lane said he wanted to get acquainted with the team and talk things over with Bobby Bragan, Tribe field manager, before commenting on any possible trades.

He did mention, however, that "from a distance" the Indians looked as if they needed help around second base. He said he talked with John McHale, general manager of Detroit Tigers, by telephone in St. Louis Tuesday. Shortstop Harvey Kuenn, who spent part of last season at third base for Detroit, was discussed.

Replacing Lane at St. Louis will be 40-year-old Vaughan (Bing) Devine, who had been Lane's executive assistant.

Oklahoma Rolling Despite Pressure

NORMAN, Okla. (AP)—Pressure just because you've won 47 straight football games? Oklahoma's rabid followers feel it. But the Oklahoma coach claims he doesn't. And neither do the players, he says.

Oklahoma's winning streak is the longest in college football and the Sooners go after No. 48 against Notre Dame here Saturday.

A crowd of 61,700 will watch in the stands and millions more on television. The game has been a sellout for months.

"Maybe the fans feel the pressure but we just play from one game to the next," claims Bud Wilkinson, the Oklahoma coach. "Our players aren't worried about pressure. None on the squad has ever been in a losing college football game."

Tommy "Hurricane" Jackson Gets Good Opportunity To Prove If He Is Still Rated Chance, Meets Machen

SAN FRANCISCO (AP) — Boxing followers discover tonight if Tommy (Hurricane) Jackson has dropped from heavyweight title challenger to trial horse within the short space of two fights.

The tireless warrior battles the No. 1 challenger, undefeated Eddie Machen, in a televised 12-rounder at the Cow Palace at 10 p.m. EST (11 p.m. AST).

This marks the first outing for Jackson since July 29 when, as the top-ranked challenger, he was shellacked by champion Floyd Patterson. The one-sided bout was stopped in the 10th round. Jackson went to hospital.

Now comes the hard-hitting Machen, a 25-year-old from Redding, Calif., who is undefeated in 23 bouts. He says he wants to "win big" to impress everyone with his right to battle Patterson.

Over all, the 26-year-old Jackson from St. Albans, N.Y. has a 29-6-1 record. In his workouts here he has shown the same loose free-swinging style that characterized his rise through the ranks. He is ranked No. 5 by Ring magazine and No. 6 by the National Boxing Association.

TUESDAY'S FIGHTS

Houston, Tex.—Joe Brown, 140, New Orleans, outpointed Kid Centella, 139, Nicaragua, 10 (non-title).

Holyoke, Mass.—Alex Miteff, 202, Buenos Aires, knocked out Bob Graves, 225, Elizabeth, N.J., 4.

Tiger-Cats To Open Finals Away From Home

HAMILTON — Hamilton Tiger-Cats, first-place finishers in the Big Four football union, have decided to play the first game of the two-game total-point final series away from home, it was announced Tuesday. Tiger-Cats have the choice of venues for the playoffs.

Ottawa Rough Riders meet Montreal Alouettes in the sudden-death semi-final at Ottawa tonight and the winner opens the final series at home against Hamilton on Saturday. The second game of the final will be played at Hamilton Nov. 23.

Sid Smith's Departure From Leafs Closes An Era For Toronto; Was Power In League During His Prime

The passing of Sid Smith from the National Hockey League closes an era in the history of Toronto Maple Leafs.

The slim hawk-nosed left-winger who bowed out Monday was one of the last Leafs who could hark back to the late 1940s and early 1950s when Toronto was a power in the league.

One other man is left—Tod Sloan—and though only two years younger at 30, he was never really considered a member of the old guard.

The rest—Ted Kennedy, Bowie Meeker, Jim Thomson, Gus Morton, Turk Broda, Hap Day, Joe Primeau—are all gone, and only Broda is still a member of the Toronto organization.

Perhaps for Smith the era really ended on the last game of the 1954-55 season when Kennedy, his great center, retired. Though Kennedy made a brief, desperate comeback last season, the two were never re-united on the same line and "Smitty" never really found the scoring touch he once had.

WAS AMONG TOPS

When he had it, from 1949 until 1955, he was one of the best around, and he, or anyone else, can prove it by the record book.

His accomplishments are well known. Twice he won the Lady Byng Trophy for "sportsmanship and gentlemanly conduct," despite the fact that he was playing with the Leaf teams who followed Conn Smythe's dictum.

"If you can't lick 'em in the alley, you can't lick 'em on the ice."

He was chosen to the first all-star team once, and the alternate team twice.

In his quiet way, he made all his headlines on the ice. When he began to slip in the 1955-56 season, after Kennedy left, he scored only four goals, but he took the management's opprobrium without a whimper.

DIDN'T REGAIN FORM

He scored 17 last year, but he never looked like the old Smith and this year he had managed only two.

For the past week there had been dark threats of his removal. When they were proved true Monday he simply said he "hadn't been fitting in" with the

USE THE SAME TECHNIQUE ON A LOW-FLYER GOING STRAIGHT AWAY FROM YOU. HOLDING UNDER WILL MISS THESE BIRDS.

Yankees Call For Checkup On 3 Players

NEW YORK (AP)—The Mirror says New York Yankees have ordered clinical checkups this weekend for Mickey Mantle, Yogi Berra and Whitey Ford, the American League champs' big three.

The Mirror reports that the trio has been ordered to the Mayo Clinic in Rochester, Minn., instead of undergoing the annual routine physical examination required by the club.

The order was made, the newspaper says, after the trio's chronic conditions failed to respond to treatment.

Mantle's left shoulder and brittle legs, Ford's "twitching" left shoulder and Berra's nose trouble have not improved during the post-world series rest, the newspaper says.

Tom Dimitroff Is Chosen MVP By His Team-mates

OTTAWA — Quarterback Tom Dimitroff has been chosen by his teammates as Ottawa Rough Riders most valuable player during the regular Big Four football league season.

It was the second year in succession that Dimitroff was named most valuable player on his team, winning the honor last year with the University of Miami at Ohio.

Race For Top Spot In Richmond Darts Loop Tightens; Asbestos Still Leading With Slim Margin

RICHMOND — The race for first place in the Richmond Darts League seems to be getting tighter with each game played. Results of Tuesday night's tilts show a tie for second place between Valcourt and Legion with Trenholm in third place only four points separating them from Asbestos in first position.

Valcourt joined Legion in second spot as result of their win over Asbestos, in the Mining City, with the score ending 21-19 as the winning darts were thrown by the Guelph Husk-Marsh Gregory duo. They continued their winning ways registering three games keeping up their good average. Rouville Boudet and Gerry Desrosiers also won three while two other duos came through for four-game wins. 'Sonny' Dunn with J. G. Houde and Paul Belair with Ted Lacroix.

Legion tied with Trenholm gaining one point to remain in second place and Kay Crack with Harold Kydd won five out of five for the Legion. Four-game winners on the squad were Bert Deane with John Stott and Ed Knowles with Percy Frazer. One duo lost all five rounds, suffer-

Coach Schmidt Steps Up Tempo For Workouts

BOSTON (AP) — Milt Schmidt, coach of Boston Bruins, has stepped up the tempo of the practice sessions in an effort to put more life in the National Hockey League team.

The Bruins, Stanley Cup finalists last season, now are in fourth place.

"We're going to have longer and more strenuous practices," Schmidt said Tuesday.

Sunday night's 4-2 triumph over Detroit was only the second Bruins' victory in their last 10 games.

"Starting today our practices are going to get real rugged. This team plays better when it has to work hard. Seems odd, but when we play on consecutive nights, we play better the second game. There are a lot of big fellows on this squad who can use the extra work."

"Our passing has been atrocious and there seemed to be a lot of reluctance to body check. But these heavier practices will straighten out some of these problems."

Famous Colored Line To Play In Old-Timers' Game

OSSIE CARNEGIE HERBIE CARNEGIE MANNY McINTYRE

The razzle-dazzle Negro line of Herbie and Ossie Carnegie and Manny McIntyre who aroused local hockey fans to cheers during the heyday of the old St. Francis team in the Senior loop will again don their gear and play together at the Old Timers' game Nov. 24 at the Arena.

According to hockey experts, the trio formed the only Negro line ever known in the history of hockey. When they played Ivan Dugre was coach and the league was under the presidency of the late George Slater.

Secretary Henry Crochetiere

reports that more than 15 veteran players have accepted to play in the game. The receipts will be turned over to the organizations that sponsors minor sports in the city.

Tickets are now on sale and if the trend continues, a record attendance is expected.

The ex-players will be divided into two groups and as a special feature of the day teams formed from minor hockey leagues will play.

Aside from the players mentioned above the following veterans will also play: Fernand Gladu, police constable at St. Hyacinthe; Marcel Filion, of Thetford Mines, an insurance adjuster; Bernard Vinet, of Valleyfield, a technician; Tod Campeau

of Valleyfield, an operator in a chemical industry; Conrad Dion, of Asbestos, manager of the recreation centre; Noel Tremblay, of Joliette, hotel manager.

Others are Guy Labrie, of Quebec, manager of a savings company; Lyn McDougald, of Ayer's Cliff, employed at Sherbrooke Machinery; Clifford Gouppille, of Aston Junction, owner of a general store; Marcel Bouchard, of Montreal, intendant in a transport company; Frank "Mush" Morehouse, of Belvedere Heights, machinist; Jimmy Planche, manager of a division of the Investors Syndicate, and Paul Duchesne, of Sherbrooke, postman.

It is expected that others will be added to the list.

Thetford High School Quintet Posts Two Wins And Loss For First Road Trip; Bateman And Oughtred Set Pace

THETFORD — Thetford High School Senior boys basketball team, ably coached by S. L. Hodge, racked up a convincing 128 points as they won two games and lost one on their first road trip of the season.

Friday night they suffered their only loss as a tall, fast Three Rivers team stopped them at 30-17. Thetford took a quick lead on two spectacular shots by Greg Cunningham but a towering Three Rivers' forward line soon cut the lead down. The quarter, half and three-quarter time scores were 6-4, 18-9, 26-13 respectively. After the game the team was entertained at a dance in the Three Rivers High School. The boys were billeted for the night with Three Rivers students.

After the poor start in Three Rivers, the team played inspired ball the second game and handed Shawinigan Falls a 43-34 setback. The Shawinigan game was a thriller all the way. In the last half the score was tied at 30-30 for a few agonizing minutes until Wright broke the deadlock with a break-away shot. Scorers for Thetford were Bateman 18, Wright 13, Cunningham 8, Brink

Minor Hockey Group To Make Passing Change

MONTREAL — President George Marsh of the Quebec Minor Hockey Association announced Tuesday the organization was reverting to National Hockey League rules on passing this season.

He said the association tried to encourage players to carry the puck last year by prohibiting passing from one zone to another, but league officials found there was too much confusion.

Interest Mounts For Visit Of Russian Dynamos; Tickets Selling Fast In All Arenas Where Booked

Moscow's mighty Dynamos have set things humming in Canadian amateur hockey circuits.

Current interest in the Russian one-week tour has run so high in Ontario and Quebec that arena managers are pulling out faded sold-out signs.

The Dynamos connect with last year's Allan Cup champions, Whitby Dunlops, at Toronto's Maple Leaf Gardens to start the tour Friday, Nov. 22.

Just 75 minutes after tickets went on sale Monday, the sold-right-out sign was hanging in the Garden's box office window.

Kitchener - Waterloo Dutchmen lackle the Dynamos Nov. 26 at Kitchener. They have a score to settle with the Russians, who beat Kitchener in the 1956 world championships.

Last week 8,000 tickets went on sale, and shortly after the Kitchener management announced there were so many fans

Aces Decide To Remain In Loop, Attendance Up

QUEBEC — Quebec Aces have decided to remain in the Quebec Hockey League, Dr. Bruce Crutchfield, principal shareholder in the club said Tuesday.

Dr. Crutchfield said a week ago that dwindling attendance might force the Aces to consider dropping from the league. At that time he said the three next games might tell the tale.

"We had 4,100 at Sunday's game," he said Tuesday. "And attendance was up a little at last Thursday's game. Things are getting gradually better."

Dr. Crutchfield said last week the break-even point is about 2,000 fans a game.

The Aces share second place in the five-team loop Shawinigan Falls Cataracts, the Aces and Montreal Royals trail the first-place Chicoutimi Saguenéens by six points.

Rangers Recall Ivan Irwin And Marcel Paille

NEW YORK (AP) — New York Rangers of the National Hockey League Tuesday recalled goalie Marcel Paille and defenceman Ivan Irwin from Providence of the American Hockey League.

General manager Muzz Patrick said that Gump Worsley, the Rangers' regular goalie, still was troubled by a pulled thigh muscle. In addition, Worsley sustained cuts above and below the right eye in Tuesday's workout. He has been sidelined since Oct. 31.

Paille was sent back to the American Hockey League last Sunday after playing five games in the New York nets. He allowed only 10 goals as the Rangers put together a 3-1 record during his term.

Irwin, with Rangers two years ago, will replace Bill Gadsby. Gadsby wrenched his back in Chicago last Saturday.

REMEMBER WHEN . . .

Gabby Hartnett, who had handled the catching duties for Chicago Cubs of the National League for 19 years, was dismissed from his post as manager of the Cubs 17 years ago today. Gabby, acclaimed the most valuable player in the National League in 1935, succeeded Charlie Grimm as manager in 1938, and ran the team for three seasons.

In the foreground is the Legion Color Party. Two Royal Canadian Mounted Police officers stand beside the platform, on which, from the left, are Father J. A. Jodoin, Mayor Carl C. McClay, G. A. Rotherham, Legion president, and Rev. T. E. R. Nurse.

(Record Photo by Mrs. H. Breton)

STANHOPE AND NORTON VT. —

Mrs. Theresa Houle, from Sherbrooke, was a guest of Mrs. Verle Glaude, and family, and attended the funeral of Mrs. Cora Fox, at Coaticook. She then went to St. Johns, to be with her brother, Mr. Jimmie Clowery, as Mrs. Clowery is a surgical patient in the hospital there. They were formerly of Stanhope.

Mrs. James Byron, attended the funeral service for Mr. Wilman Hartley, at Auburn, Me., and spending a few days with Mrs. Hartley.

Mrs. Albert Binney, with her mother, Mrs. Dora LeCuyer, and Mr. Norris Sweeney, all from Birchton, were guests of Mr. and Mrs. Herbert Hall.

Mrs. Edith Brooks, and Mrs. Stone, of Lyndonville, Vt., were guests of Mrs. Brooks' brother, Mr. Leslie Dubois, and Mrs. Marie Belanger.

HUGE POOL

World's largest artificial lake, Lake Mead at the Hoover Dam in the Colorado River, covers 11,000,000 acres.

Impressive Service Held By Brome Legion Branch

KNOWLTON — Arranged by the Brome Branch of the Canadian Legion, a most impressive Remembrance Day service was held at the Cenotaph on Monday morning, November 11.

G. A. Rotherham, president of the branch, was master of ceremonies and the following organizations attended the ceremonies in a body: Brome Legion, Boy Scouts, Girl Guides, Cubs, Brownies, Sir John Fisher Chapter, I.O.D.E., Colfax Rebekah Lodge and Knowlton High School pupils.

The parade was led by the High School Band under the direction of Harry Long.

The program included: Advancement of the Colors, "O Canada" by the band, address by Mayor Carl C. McClay, prayers by Father J. A. Jodoin and Rev. T. E. R. Nurse, hymn, "O Valiant Hearts," by the Band, reading of the Roll of Honor by Mr. Rotherham, "Last Post" by John Patterson and Warren Mizener, two minutes' silence, "Reveille" by John Patterson and Warren Mizener, and the hymn "Abide With Me," by the band.

Wreaths were placed by the following organizations: Brome Legion branch, Municipality of Knowlton, High School, Lions Club, Boy Scout Troop, Wolf Cub Pack, Colfax Rebekah Lodge, No. 28, I.O.O.F., Brome Lake Masonic Lodge, No. 35, A.F. and A.M., Sir John Fisher I.O.D.E. Chapter, as well as by several private individuals.

The playing of "God Save the Queen" by the band was followed by retiring of the colors and the march past.

Two members of the Royal Canadian Mounted Police were also present.

COOKSHIRE —

The officers of Chapter No. 46, O.E.S. attended the stated monthly meeting of Queen Mary Chapter No. 5, O.E.S. in Sherbrooke, and put on the initiatory work of four candidates for that Chapter. A number of other members also attended the session.

The A.B.C. Home and School Association held a very successful card party in the Cookshire High School. The winners of prizes were: door prize, D. Cathcart; highest score for bridge, Mrs. M. Jacques; consolation, J. H. Vogeli; highest men's score for 500, Robert McDonald Jr.; highest ladies' score, Mrs. Heatherington. At the close of the evening refreshments were served by the refreshment committee.

MANY TELEPHONES

The world operates about 110,000,000 telephones, including more than 60,000,000 in the United States.

PIONEER FLIGHT

First air flight in the British Commonwealth was made at Baddeck, N.S., in 1909 by J. A. D. McCurdy.

Social Evening At Birchton Much Enjoyed

BIRCHTON — The first of the winter series of Community Social Evenings, featuring a potluck supper, was held on Saturday evening, in the Birchton Hall, with an excellent attendance.

Mrs. Charles Lefebvre and Mrs. George Latewood were the committee responsible for the bounteous supper.

The highlight of the evening was a series of coloured pictures shown by Rev. E. Breen of Cookshire, who took the appreciative audience from Cape Breton Island on the East Coast to Montreal; from there on an air trip to Ireland, showing a number of interesting views in and around the Belfast area. Among these were pictures of the last resting place of Carleton Goodenough of Bury, and others of the R.C.A.F. who had given their lives in plane crashes in Ireland during the Battle of Britain. All those graves are kept up by the War Graves Commission.

Mr. Breen accompanied the pictures with a running commentary, which made the scenes appear very real to the audience, among whom were numerous Irish Canadians.

Rev. J. A. H. Plowright, spokesman for the evening, thanked Mr. Breen.

General Notes

Miss Claudia MacKenzie of Disraeli, spent a week-end as guest of her uncle and aunt, Mr. and Mrs. William Nutbrown.

Miss Ida Scott has returned from a lengthy holiday in the U. S. A. She was accompanied back by her sister, Mrs. Ward, who will be her guest for an indefinite time.

Mr. and Mrs. J. A. Murray attended the funeral service for their aunt, Mrs. Agnes Thompson, in the East Clifton Church.

Mr. and Mrs. Alex McVetty spent several days in Inverness. They were accompanied back by Mr. McVetty's brother, Mr. Clark McVetty, who was their guest for a few days.

Recent guests at the parsonage were Mr. and Mrs. John Fletcher and Mrs. and Mrs. James Dawson of Goffstown, N. H., and Mr. Frank Leacock of Manchester, N. H.

Mrs. Oscar Desruisseaux spent several days in Bristol, Conn., guest of relatives.

Rev. and Mrs. J.A.H. Plowright have returned from a short holiday in Richmond, N. H., and adjacent points.

FOR FAITH, NOT SPACE — The last, and the first word in startlingly modernistic design goes all the way back to ancient Greece for inspiration in the new Holy Trinity Evangelical Church in Hamburg, Germany. The spire forms the Greek letter Alpha and the sloping, circular roof the letter Omega. The tower contains sheets of brass, rather than bells, to sound the call of worship. The unique design has led less classically minded members of Hamburg's population to somewhat irreverently dub the church the "ski jump to heaven."

East Angus W. A. Makes Plans To Hold Bazaar

EAST ANGUS. — The Women's Association met at the home of Mrs. Ronald Butler with Mrs. Howard Ward as joint hostess.

The devotional period was taken by Mrs. Sidney Clout and the president, Mrs. Carl Groenwald was in the chair.

Plans were made to hold a bazaar on December 14, in the Emmanuel United Church Hall. Tea will be served and two door prizes given. There will also be mystery prizes for children and grown ups. The members were asked to bring a small article for the mystery table.

Further discussion followed on the altering of the parsonage kitchen.

RANGERS HOLD PARTY

The Rangers held a Hallowe'en Party at the home of Miss Doro-

thy Shattuck with Miss Margaret Rowland and Mrs. Kenneth Kinnear as joint hostesses.

Miss Dorothy Shattuck showed films of her trip to Europe which were enjoyed by all.

Prizes were won as follows: Best dressed, Mrs. Bruce Rowe; most original, Mrs. Onil Martel; superman, Mrs. William Rowland; funniest, Mrs. Kenneth Kinnear. The judges were Miss Bridget Larkin and Mrs. Alden Wilson.

Miss Shattuck presented Mrs. Kinnear with a baby gift for her new daughter, from the Club.

The November meeting will be held at the home of Mrs. Ronald Rowland on York street.

GENERAL NOTES

Mrs. Theo Lauzon and daughter Lise, of Montreal, were week-

end guests of Mr. and Mrs. Ronald Rowland.

Mr. Shepard of New York City, was in town on business and visited Mr. Joseph Burns. Mr. Shepard was a former resident of East Angus and left here 57 years ago.

Friends of Miss Gertie Neile will be sorry to hear she is a patient in the St. Vincent de Paul Hospital, under observation.

OLD NAME

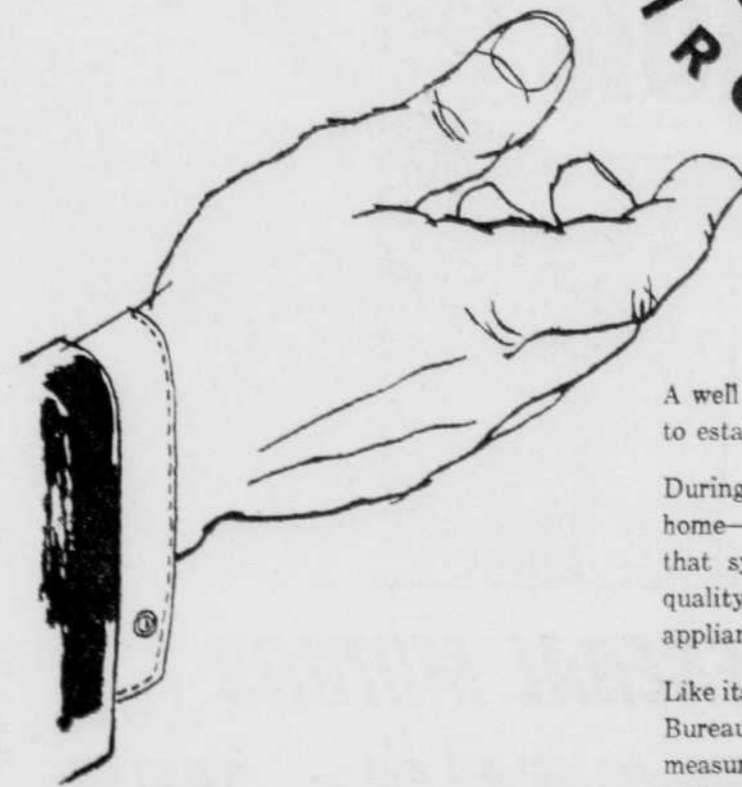

Sydney in Nova Scotia, big steel and coal centre, was known to the Micmac Indians long ago as Cibou.

PIONEER GROUP

The Art Association of Montreal, a group of artists and art collectors, was incorporated in 1863.

How This Newspaper Helps Advertisers...

By earning this symbol

A well known symbol is like a good reputation—difficult to establish and even more difficult to maintain.

During your daily activities—in your store or in your home—you come into contact with many trade marks that symbolize an assured measure of performance or quality. They may range from initials on an electrical appliance to words like "sterling" or "prime."

Like its counterparts, the membership symbol of the Audit Bureau of Circulations* provides you with a reliable measure of our circulation performance, based on the highest standards known for either print or broadcast media.

The A.B.C. symbol cannot be purchased—it must be earned through performance. Continued use of this symbol is predicated on our ability to maintain these highest standards of circulation value.

Whenever you think of advertising media, it will pay you to ask, "Does it measure up to A.B.C. standards?" You can be sure it does if you use the advertising columns of—

Sherbrooke Daily Record

*This newspaper is a member of the Audit Bureau of Circulations, a nonprofit, cooperative association of publishers, advertisers, and advertising agencies. Our circulation is audited at regular intervals by experienced A.B.C. circulation auditors and their reports are made available to our advertisers without obligation.

J. Showers Addresses Travel Group Of Cowansville Community School

COWANSVILLE — Having visited Europe in the summer of 1956 and again in February 1957, Joseph Showers had much of current interest to offer his audience at the Travel Group at the Community School held in the High School.

On both occasions Mr. Shower was on business and as a Canadian he found he was always cordially received. Most of his time was spent in Germany and therefore the greater part of his enlightened address was devoted to this country.

In Germany Mr. Shower noted that much war damage was still to be seen, but that the prosperity and efficiency of the people were the striking impressions. Ultra-modern buildings were a common sight in the big cities and throughout the country the highways were excellent. Thrift seemed to be another characteristic of the populace, cleanliness yet another, and a militaristic way appeared still to be theirs. The stores in large centres are well equipped, some of those in Dusseldorf could compete with Fifth Avenue. Textile factories were of special interest to Mr. Shower, and these he visited not only in Germany but also in England.

A number of items of general importance were discussed during the question period, one dealing with a comparison of working conditions health insurance, etc. in Canada and in Holland. Mr. Showers stressed the need of financial help to our in-

tellectuals, particularly our scientists.

Once more the Travellers gained much food for thought, and profited from the observations of an able speaker.

C.G.I.T. ELECTS OFFICERS

New officers for the 1957-58 season were installed at a recent meeting of the Canadian Girls in Training in the United Church House. The nominating committee which was composed of the leaders and last year's officers presented the slate which was adopted by the members.

Marilyn Mahannah succeeds Helen Mason as president, the new vice-president is Diane Sanborn who succeeds Pennie Redmile. Susan Hitchcock is now secretary, having succeeded Diane Sanborn, and Claire Christie is now treasurer, having taken over the office from Marilyn Mahannah.

A Sunshine Committee was formed to buy cards and gifts in case of illness or other cause. The members of this are Grace Jones, Christina Wlodarska, Sandra Froster, Pennie Redmile and Brenda Mahannah. Eunice and Susan Hitchcock were appointed press and publicity liaison officers.

Their first item is one of general and encouraging interest. The total amount collected in the UNICEF canvass which took place on Halloween and received some subsequent donations now stands at \$51.34. The C.G.

CHRYSLER — SUBURBAN MODELS — Chrysler of Canada will offer, for 1958, a total of 17 different station wagon models in its Chrysler, Plymouth, Dodge and De Soto lines, including the Plymouth 4-door, six-passenger Sport Suburban shown here. These vehicles will range from the smart and rugged six or V-8 Suburbans in the Dodge and Plymouth lines, through the "country-club-set" Dodge and Plymouth Sports Suburbans to the luxurious Chrysler and De Soto, four-door, six and nine-passenger Town and Country Wagons. A total of six engines will be offered in the various "wagons."

I.T. girls are looking forward to a successful year and are always ready to welcome new members.

BASKETBALL SCHEDULE

The Yamaska Basketball League holds games to which the public are invited, gratis, on Thursday evenings in the Gymnasium of Cowansville High School. The schedule for the balance of the 1957 season is as follows:

- November 14 — Sweetsburg vs Vilas; Albany vs Farnham.
 - November 21 — Vilas vs Albany; Farnham vs Sweetsburg.
 - November 28 — Sweetsburg vs Albany; Farnham vs Vilas.
 - December 5 — Vilas vs Sweetsburg; Farnham vs Albany.
 - December 12 — Albany vs Vilas; Sweetsburg vs Farnham.
 - December 19 — Albany vs Sweetsburg; Vilas vs Farnham.
- At the games played on Nov-

ember 7 the scores were Albany 72, Sweetsburg 64; Farnham 56, Vilas 53.

General Notes
At the last meeting of the Friendly Society held in Trinity

Memorial Hall, final plans were made for the annual Christmas Tea and Sale which will take place on December 4. Mrs. Lynn Bell and Miss K. MacIntosh entertained.

The trustees of the Vail Cemetery, under the chairmanship of Mr. William Beech, announce that renovation work is now in progress at that historic burial ground. New top soil has been added where required and the extensive metal fence is being painted a deep rich green. A special metal coat rust inhibiting paint is being used. Mr. W. J. Bell is secretary-treasurer of the Trustee Committee and the other members are Mr. Walter Clough and Mr. Rhett Ford, of Montreal.

Mrs. William Kennedy is convalescing after having been confined to bed with high blood pressure for ten days.

The Cowansville High School Students' Council was represented at the recent Conference of Students' Councils held in Montreal by Miss Joan Taylor from the staff and Vivian Shower and Eva Terauds from the pupils.

Mr. and Mrs. David Watt and Mr. and Mrs. Allan Watt motored to Montreal to attend the funeral of their brother-in-law, Mr. Earl Schofield.

Miss Mildred Parsons was the weekend guest of Mrs. E. J. Mc-

WEST SHEFFORD — SUTTON —

Mr. and Mrs. Lawrence Campbell, Waterloo, Mr. and Mrs. Roland Forand and two daughters, of Enosburg, Vt., and Mr. Elmer Dunlavey of Worcester, Mass., were week-end guests of Mr. and Mrs. William Dunlavey and Miss

Kenna and her daughter, Marjorie, in Waterloo.

In the report of the farewell party given by the bank staffs for the Misses Josette and Andree Pinsonneault it was erroneously reported that they were going to reside in Sherbrooke. They are making their new home in Ottawa.

THE LEND-A-HAND CLUB OF THE UNITED CHURCH WAS ENTERTAINED BY MRS. THOMAS MCCLINTOCK ASSISTED BY MRS. THOMAS SURTEES. MRS. DOUGLAS MUDGETT, PRESIDENT OPENED THE MEETING AND MRS. SURTEES TOOK THE DEVOTIONAL. MRS. MCCLINTOCK, ACTED AS SECRETARY, READING THE MINUTES AND GAVE THE TREASURER'S REPORT. PLANS WERE MADE FOR A SALE ON NOV. 29.

FIRST SETTLEMENT
First British settlement in Australia was in 1788 at Port Jackson, where the city of Sydney now stands.
