MONTREAL WEST.

(Incorporated as a Town, 1897).

FORMERLY MONTREAL JUNCTION

This beautiful suburb in the parish of Notre Dame de Grace West owes its origin to the junction of the C P.R. routes, five miles from Montreal; it is so easy of access that it is in great favor for residential building. Trains connect with the City at almost all hours both by the Canadian Pacific (Montreal Junction) and Grand Trunk Ry's (Montreal West), while the Upper Lachine turnpike road affords a delightful drive. The Park & Island Electric Ry. cuts through the outskirts, affording a 20 minutes' service with the City. It has three churches: Church of England, Presbyterian and Methodist, a Public Model School and a Post Office. Mails twice a day. There are drains, water, electric light and Bell Telephone. Population about 750.

A suburban town on the south shore of the St. Lawrence directly opposite Montreal in the county of Chambly, district of Montreal, with a population about 2,000 and growing rapidly. It is an important railway centre, and is supplied with an excellent train service by the Grand Trunk Railway, having over twenty trains each way daily. Return 25c, single 15c, on suburban trains, return good for day of issue only, 25c; return good for 1 month 35c;

single fare on regular train 25c; by commutation tickets, 10 trips for 75c, 55 trips for \$2.75, or 5c a trip.

The Victoria Jubilee Bridge spans the St. Lawrence here, and all trains to and from the City stop at the railway station. Several lines of railway run here, viz: Grand Trunk for points South, East and West; I. R. C. for Halifax; Central Vermont for Farnham; New York and Boston Delaware & Hudson for New York; South Shore Railway for Quebec. The distance to Longueuil, the county seat, is three miles. There are four churches: Methodist, Episcopal, Roman Catholic and Presbyterian with resident ministers and cure. There is a large Model school, conducted by the Protestant School Commissioners, with a staff of five teachers.

The Roman Catholic School Commissioner's school is now conducted by the sisters of the Holy names of Jesus and Mary and have a staff of five teachers and a Brother of the C. V. Viateur for the boys. There is excellent boating on the river, and the St. Lambert Boat Club is recognized as one of the best clubs in the vicinity of Montreal. The residents are mostly employed in the City, and select it for a suburban home from its favorable situation and excellent means of communication at all seasons with the city. A crib work wall along the river bank, gives the Town a fine promenade of over 1,000 feet in length from which the view of Montreal, lighted at night by thousands of electric lights is magnificent. During the winter months direct communication is had with Montreal by an ice road across the St. Lawrence on which considerable driving is done, and by the bridge. St. Lambert is being rapidly built up, and is destined to become a very important point and has a system of water, drainage and electric light. Mail twice daily. G.N.W. Tel Co has an office also telephone communication at post office.

Summerlea, better known as Dixie, is situated
 on Lake St. Louis between Lachine and
 Dorval. It is a delightful location and a
 favorite summer resort of Montrealers, being
 on the main line of the Grand Trunk, nine
 miles from Montreal and the station only
 five minutes walk from the majority of the
 houses.

Boating, bathing, and fishing facilities are unsur-
 passed, the Lake at this spot abounding with
 fish of many varieties.

The Royal Montreal Golf Club, with the finest links
 in Canada, is situated at this point, also
 the Lachine Boating Club, one of the oldest
 in Canada, and which has already done a
 great deal towards bringing out the young
 rowing talent. Every evening the Lake may be
 seen dotted with single sculls, doubles, four
 and eight oars.

It is a favored spot for camping parties, particu-
 larly Dixie Island which is situated a quarter
 of a mile from the shore, and is always cov-
 ered with tents.
