Forty-Ninth Year

World News In Brief

Toronto, Feb. 14.—A new charge of conspiracy involving a sum of "not less than \$500,000" has been laid against Carl B. French, former secretary of the Eldorado Mining and Refining Ltd., and two others—Marcel Pochon and Boris Tregel.

French and Pochon were to appear in Court here today when a date will likely be set for hearing the charge. Tregel is reported to be in New York.

When French was arrested last December he was charged with omitting to make proper entries in the company records, with intent to defraud. There were also four charges of accepting secret commissions.

Vatican City, Feb. 14.—In creating 32 new Cardinals Pope Pius XII will top all previous records.

At two other consistories 31 were created—by Leo X, July 1, 1517 and by Pius VII, March 8, 1816.

At the largest consistory in recent years, Dec. 16, 1935, Pope Pius XI created 18.

Frankfurt, Germany, Feb. 14.—American Army Headquarters in Germany has announced that citizens in the United States have written letters to Germans criticizing the Allies and praising the Germans. The army says the letters also criticized the United States Government and lamented the bombing of German cities.

The army has the names of all those persons who wrote the clandestine letters. Correspondence in or out of Germany for Germans is forbidden at the present time.

However, the army says that only a small portion of the illegal mail it has intercepted has been violently so.

Ellensburg, N.J., Feb. 14.—A 23-year-old discharged soldier—broke and without a job—loaded all his possessions in a baby carriage today and prepared to resume an 80-mile hitchhiking journey with his wife and 11-month-old daughter.

Harry Wolf and family—25-year-old Susan, an expectant mother, and daughter Susan Alice—are bound for Asbury Park, N.J., where they hope to stay with Mrs. Wolf's relatives until he "finds something to do."

Cold and tired from pushing a baby carriage and spending one night in the woods after starting the long trek from Philadelphia Tuesday afternoon, the family found temporary shelter last night in the Ellensburg municipal building.

Montreal, Feb. 14.—Nova Scotia's south shore fishing fleet, has just won two national contests sponsored by the Canadian Chamber of Commerce.

The maritime town (population 2,856 in 1941) is announced as this year's winner of both the fire prevention and health and safety contests for towns of 5,000 or less population.

Tugboat Strike Ends, But No Peace In Steel, G.M.

New York, Feb. 14.—(P)—New York City's paralyzing tugboat strike was ended today, leaving settlement of the nation's two major work stoppages—in the steel and automotive industries—prime objective of federal officials.

The 10-day strike of 3,500 A.F. L. tugboat workers, which caused a drastic fuel shortage to the city's millions and resulted in a shutdown of business for 18 hours on Tuesday in a move to conserve shrinking fuel supplies, was called off after union officials and operators agreed to arbitrate a wage dispute. The union ordered the strikers to go back to their jobs of operating tugs in the world's busiest harbor.

Although schools, closed to conserve fuel, reopened and the brownout of electric lighting was to end tonight, the fuel oil rationing controls were not immediately lifted and other emergency regulations were continued. After Mayor William O'Dwyer announced end of the strike last night, heating of subways was resumed.

The wage and hour issues in the dispute, the mayor said, would be arbitrated by a three-man board headed by Edward F. McGrady, former assistant Secretary of Labor.

N.Y.-Connecticut Site Is Expected To Be Approved As UNO Winds Up Session

Eleven-Nation Security Council, Still Faced With Syrian-Lebanese Demands for Withdrawal of British and French Troops From Levant, May Remain in Session After Adjournment of Assembly.

London, Feb. 14.—The United Nations General Assembly, moving swiftly toward the close of its first session, was expected to clear the way for adjournment today by quick approval of New York City and the nearby New York-Connecticut area as the temporary and permanent homes of the U.N.O.

As the 51-nation assembly was called for what may be its final meeting of the session at 3 p.m. (10 a.m. E.S.T.), informed persons predicted the sites as approved by the headquarters committee would get the necessary two-third vote required for adoption.

PLAN TO RUSH REPAIRS UPON TARGET SHIPS

Crack Salvage Crews Will Be on Hand for First Atomic Bomb Tests to Repair Vessels Without Their Having to Come Into Port.

Washington, Feb. 14.—(P)—The United States navy will assign its crack salvage crews to rush repairs on target ships damaged in the first atomic bomb test so they can be blasted again in the second.

Test officials said today the joint task force will be prepared to carry on 20 major operations simultaneously at Bikini Atoll, making it virtually unnecessary to bring bomb-damaged ships back to base in order to ready them for the second test.

Acting under specific orders from joint chiefs of staff, the task force has arranged what it hopes will be a program of graded destruction. Here is how the task force thinks the pattern of damage may shape:

1st test—bomb exploded a few hundred feet above the anchored target ships in the Atoll. Topside damage to superstructures and above-water portions of hulls from blast, pressure and heat waves emitted by the bomb.

2nd test—bomb exploded at surface level. Worst damage expected to come from a huge tidal wave, possible as high as 100 feet, created when the surface blast depresses and pushes outward the water around the bomb burst.

3rd and final test—bomb exploded at another site and in several thousand feet of water. The object is to plant the explosion deep under the target fleet so that water-transmitted pressure will drive in the hulls of ships.

Task force officials say that even if the specially encased and fused bomb needed for the third, deep-sea test were ready—and it is only in the planning phase—this experiment would not be tried first. The reason: All the target ships might be destroyed, leaving no chance to assess damage results.

The underwater test is not expected to create a tidal wave but only a violent boiling action at the surface.

The actual site for the third test has not been chosen, but probably will be in one of the Pacific Ocean "deeps" far removed from inhabited shores, steamship lanes or commercial fishing grounds.

The board will study the union's demands for wage increases ranging from 45 to 69 cents an hour for licensed personnel and a flat \$1.05 hourly pay for unlicensed workers, as well as retroactive pay and vacations. Meanwhile, there was no indication that the government, which seized the tugboat industry last week, would relinquish control immediately.

Other major developments along the labor front were in Detroit and Washington relating to the steel and General Motors walkouts, but other strikes continued and the idle because of labor disputes throughout the country totaled approximately 1,430,000.

In Detroit, Federal Mediator James F. Dewey laid the groundwork for resumption of negotiations between General Motors and the CIO United Auto Workers following a breakup of discussions Tuesday when the union rejected GM's offer of an 18 1/2 cents hourly wage increase for 175,000 workers on strike for 86 days.

There were no predictions on the country's biggest work stoppage as 750,000 steelworkers remained idle for the 25th day and government officials reportedly were in disagreement on the administration's new wage-price policy designed to curb industrial strife.

INDIA DEAD IN ANTI-BRITISH RIOTS NOW 36

One Person Killed Today in Police Clash With Mill Workers as Rioting Goes Into Fourth Day.

Calcutta, Feb. 14.—One person was killed and eight injured today as rioting went into its fourth day here and the total dead from widespread anti-British disturbances rose to 36 and the injured to nearly 400.

Today's incident broke out when police clashed with mill workers. Strong British military detachments continued to patrol the city, where 19 were killed and more than 150 hurt yesterday in repeated clashes between military forces and mobs which appeared bent on destroying anything connected with the government.

The all-India Congress Party, the Moslem League and the Communist Party sent "peace squads" into disturbed areas last night and expressed the opinion the situation would improve, although their automobiles were attacked by mobs.

The disturbances resulted from a protest against the sentencing of a Moslem officer of the Japanese-sponsored Indian National Army, who was reported to have gone on a hunger strike today.

Yesterday's casualties included four persons killed and 14 injured at a juice mills town 28 miles south of Calcutta where police fired on a crowd blocking the railroad.

The rioters burned down the station and three trains, after forcing passengers to get off.

The Bengal-Assam railroad, once a key war supply artery, was the first to be affected by attacks of striking workers and demonstrators at points 18 to 22 miles outside Calcutta. All main line local service was suspended, and mail trains were diverted to secondary roads. The East Indian line diverted all its traffic to the Bengal-Nagpur railroad.

Transportation, telephone service, and other utilities were nearly paralyzed by the riots, and few Europeans dared to venture out on wreckage-strewn streets. Only 80 of some 500 telephone operators were able to get to work.

The Bengal government, warning that any person harboring a road or interfering with traffic might be shot, issued orders prohibiting processions and assemblies for the present.

Guy D. Bryant Is Nominated For Sherbrooke Mayoralty

North Ward Alderman on City Council Choice of Representative Gathering—Wesley H. Bradley Nominated to Seat Which Mr. Bryant Will Vacate.

Guy D. Bryant, for ten years a member of the City Council representing the North Ward and chairman of the city's Finance Committee, was last night unanimously nominated as the next mayor of Sherbrooke by a widely representative group of citizens, meeting at the City Hall.

The group, including at least five former mayors, greeted Ald. Bryant with great enthusiasm at the meeting's end when he accepted the nomination. Wesley H. Bradley, well known young local lawyer and graduate of University of Bishop's College and McGill University, was unanimously nominated to succeed Mr. Bryant as alderman for the North Ward.

With representation of the English-speaking citizens of Sherbrooke out to two members on the City Council, the importance of maintaining interest in the affairs of the city among the English-speaking population was stressed at the meeting, and the necessity of retaining the present proportion of representation on the council.

It was pointed out that Ald. Bryant fulfilled the best traditions of service within the sphere of city government. A life-long resident of Sherbrooke, veteran of the First World War and a prominent member of a well known local firm, he interested himself as a young man in municipal affairs and, it was said, has served the city well and faithfully ever since.

In nominating Mr. Bradley as alderman the meeting went on record as stating that he was the type of young man needed in city government. Bilingual, with high educational qualifications, son of Mr. and Mrs. E. D. Bradley, of Queen Street, Mr. Bradley is the

ICKES' ACTION PLACES TRUMAN IN TOUGH SPOT

Secretary of Interior Declares He Could No Longer Serve in President's Cabinet and "Retain My Self Respect."

Washington, Feb. 14.—(P)—The explosive exit of Harold L. Ickes from the United States Cabinet yesterday shoved President Truman onto the toughest political spot of his White House career.

In abrupt language, Mr. Ickes declared the President's cabinet was one in which he could no longer serve and "retain my self respect."

In even blunter fashion, Mr. Ickes called on the Justice Department to investigate the truth of testimony which Edwin W. Pauley, Mr. Truman's nominee for Undersecretary of State, has given in Senate hearings on his qualifications.

Mr. Ickes categorically charged that Mr. Pauley made statements under oath which were not true.

This slam-bang leave-taking of the man who has directed the Department of Interior since 1933 posed these immediate problems for Mr. Truman:

1. He has to select a new Secretary of the Interior, and he was reported to be seeking an appointee of such caliber that the nomination would tend to offset the circumstances of Mr. Ickes' resignation.

2. He faces the job of repairing whatever damage has been done in party ranks. Congressional elections come up this fall, with a presidential contest ahead in 1948—and Mr. Ickes long has had a substantial following in the New Deal wing of the party.

3. He must decide whether to press for Mr. Pauley's confirmation to the navy post, despite the "fresh" handicaps posed by Mr. Ickes' attack.

4. He has to neutralize the political dynamite which Mr. Ickes created in a post-resignation statement that he did not care to continue in an administration "where I'm expected to commit perjury for the sake of a party."

Mr. Ickes indicated he may have more to say about his charges that Mr. Pauley, California oil man, suggested to him in 1944 that \$300,000 could be had from interested oil men for the Democratic campaign fund if the government did not push its suit to establish title to off-shore oil lands. It was President Truman's comment that Mr. Ickes could have been mistaken in this testimony that brought the resignation.

The Senate Naval Committee resumes hearings on the Pauley nomination next week.

The question of a successor to Mr. Ickes in the cabinet was tentatively up in the air, but White House aides said Mr. Truman was determined to make a selection as soon as possible—preferably by the end of this week.

When he returned to Ottawa last Thursday, Mr. Gardiner said he had discussed the contracts with British government officials and indicated an agreement would be made sometime in the future by the British and Canadian governments.

Two-year contracts for the shipment of beef, bacon, eggs and cheese all terminate at the end of this year or shortly thereafter. There has been no indication whether they will be renewed for the same period or at the same prices.

Trade Minister MacKinnon, who also took part in the food discussions overseas, indicated upon his return from Britain two weeks ago that a four-year wheat contract likely would be signed.

Meantime, food authorities have viewed with interest a London report that a top-level meeting of the London Food Council has been called for next Tuesday to examine the total grain resources of the British Empire exclusive of Canada.

"Noting that Canada was not included in the council meeting, they explained this was because the Dominion was a member of the Combined Food Board in Washington, and because of her geographical position her efforts were in a different sphere from that controlled by the London Council."

Three RCAF Men Survive Crackup

London, Feb. 14.—(C.P. Cable)—Three of five R.C.A.F. personnel on a Dakota transport survived a crash yesterday in the Surrey Hills south of London which killed eight of 24 persons aboard and injured 13.

Two Canadian crew members were killed in the crash of the R.C.A.F. transport which was bringing service personnel home after 1600 with the impetus of European migration. After 1931, with restrictions placed on immigration, the population continued to grow but at a progressively smaller rate.

Quebec Province Ready To Co-Operate With Dominion, To Respect B.N.A. Compact

Speech From Throne Emphasizes, However, Province Intends to Exercise Its Provincial Rights Which Are Recognized Under British North America Act—Youth Administrative Service to Be Set Up.

Quebec, Feb. 14.—The second session of Quebec's 22nd Legislature opened yesterday, and the Speech from the Throne, read by Lieutenant-Governor Sir Eugene Fiset, said that the British North America Act is a compact that cannot be modified without the unanimous consent of the contracting parties, and the Quebec Government "intends to respect this compact as it intends to insist that it should be respected by others."

The Province is ready to co-operate with other provinces and the Dominion Government, the speech added, but it is its desire and intention to exercise its provincial rights which are recognized under the British North America Act.

"The Government is of the opinion that administrative and legislative decentralization is fundamental to the federal compact, that is fundamental to democracy itself, whilst centralization is akin to totalitarianism for which the Province of Quebec entertains such deep feelings of aversion."

Premier Maurice Duplessis, and members of the Legislative Assembly gathered in the council chamber for the address. Later in its own chamber, Mr. Duplessis moved the adjournment motion which was seconded by Liberal Opposition Leader Adelard Godbout. The assembly will reconvene today.

George Octave Poulin, elected 11 November as Union Nationale member for Beauce in a by-election, was introduced to the House.

FOOD CONTRACT TO BE RENEWED IS INDICATION

Terms of Long-Term Pacts With Britain, Most of Which Expire at Year's End, Discussed by Cabinet.

Ottawa, Feb. 14.—Terms of renewal of long-term Canadian food contracts with Britain, most of which expire at the end of this year, were understood to have been discussed yesterday at a meeting of the cabinet.

Agricultural Minister Gardiner, recently returned from a month-long visit to Britain, attended the meeting and is believed to have outlined to the council the British view on the terms and price rates at which the contracts should be renewed.

When he returned to Ottawa last Thursday, Mr. Gardiner said he had discussed the contracts with British government officials and indicated an agreement would be made sometime in the future by the British and Canadian governments.

Two-year contracts for the shipment of beef, bacon, eggs and cheese all terminate at the end of this year or shortly thereafter. There has been no indication whether they will be renewed for the same period or at the same prices.

CANADA TO DO UTMOST TO AID FOOD DEMANDS

State Secretary Paul Martin Tells U.N.O. Dominion Will Export Million Bushels of Wheat Per Working Day.

By ROSS MUNRO
Canadian Press Staff Writer
London, Feb. 14.—(C.P. Cable)—State Secretary Paul Martin of Canada today assured the United Nations General Assembly, deeply concerned over the world food crisis, that Canada will do her utmost to meet the food demands of the United Nations and said the present position is being examined to see what further increases can be made in Canadian food exports.

Supporting a resolution for world-wide conservation and distribution of wheat and rice, the present head of the Canadian delegation said the Dominion will keep on shipping wheat, including flour, at an average rate of approximately 1,000,000 bushels a working day as she has done since the spring of 1944, when the large wartime reserves of Canadian wheat began to move abroad.

As the representative of one of the world's leading producing countries, Mr. Martin said the Dominion is heartily in sympathy with the United Nations' desire to see that Canada has done and plans to do.

During the first 185 days of the current crop year ending next July 31, wheat exports reached 204,000,000 bushels and at the beginning of this month Canada had an exportable stock of 140,000,000 bushels, which will be shipped abroad before July 31, he said.

"... We also are exploring the possibility of increasing the remaining wheat stocks position over and above 140,000,000 bushels," he added. "This may result in an increase of export supply by from 5,000,000 to 10,000,000 bushels."

Mr. Martin said "shipment of other food products is at virtually maximum levels but the positions of each product will be reviewed to see if the quantities can be raised even further, no matter how slight the increase."

He sounded a cautionary note, however, when he said: "It will be appreciated when a country is producing foodstuffs at a very high level and exporting food products for nearly three years that the possibilities of any large and rapid increase in food exports are limited."

He said during the three crop years ended next July 31 Canada will have exported more than 1,000,000,000 bushels of wheat and flour, including her entire wartime reserve of 600,000,000 bushels and surplus from 1945 production, which suffered from severe drought.

Mr. Martin said that during the last month from Halifax alone 25 ships sailed with 1,500,000 bushels of wheat and vast quantities of eggs and flour. With the reopening of Montreal and Quebec in April, shipments would be greatly accelerated.

2,100 CHINESE DOLLARS FOR U.S. BUCK

Shanghai, Feb. 14.—(P)—The Shanghai black-market exchange rate today zoomed to 2,100 Chinese dollars for one United States dollar—a 50-per-cent jump from the 1,400 quotation two weeks ago. The official rate remains 20 Chinese dollars to the U.S. dollar.

Canada's Population Will Reach 15,000,000 By 1990

Ottawa, Feb. 14.—Canada's population, barring future wars, immigration and other unpredictable events, will reach a maximum of 15,000,000 around 1990, and thereafter decline slowly, the Dominion Bureau of Statistics reported today. The 1941 census counted 11,495,000 Canadians.

The Bureau's complex report gave various estimates of future population, based on different sets of assumptions. It showed that Canada's fertility and mortality rates, according to the comparatively scanty statistical reports available, shape up with those of other countries, which show a general decline in both fertility and mortality over the last 190 years.

Unless unforeseen factors intervene to alter drastically the trends of the past, Quebec will have a larger population than Ontario by 1961 but its population will then begin to decrease.

Canada's population, like that of other countries, will reach a peak and then start a gradual decline. It began to increase rapidly after 1600 with the impetus of European migration. After 1931, with restrictions placed on immigration, the population continued to grow but at a progressively smaller rate.

In the first decade after 1900 the increase was about 34 per cent. This dropped to 22 per cent in the following decade and was only 11 per cent in the 1931-41 period.

"The increase of population will continue to become progressively smaller in the near future," the Bureau said, "without any further decline in fertility, because the population is aging as a result of declining fertility in the past and this means more deaths and fewer births."

The Bureau stressed that its figures were not an attempt to place the actual future population of the Dominion or of any particular province.

"Population projections are in the first instance solely statements of results of current trends in fertility and mortality," the report said. "Temporary fluctuations of great magnitude in the number of births are seen in response to short-term changes in economic conditions."

SIX PERISH AT SEA
Boston, Feb. 14.—(P)—Six members of the crew of a barge were known to have perished, two others were believed missing and one was saved today, the Coast Guard announced after the craft sank off Watch Hill, R.I.

OUTSTANDING YEAR REVIEWED BY SUN LIFE

Financial statement presented by Arthur B. Wood, president and managing director, at the 75th annual meeting of the Sun Life of Canada held in Montreal, is one of the most outstanding in the company's history. New life assurance policies paid for during the year numbered 66,620 for the amount of \$241,409,819, this being the largest amount of new business. New annuity contracts provided for immediate annual payments of \$470,298 and deferred annual payments of \$3,073,593. Life assurance in force at December 31 amounted to \$3,390,372,327, an all-time high distributed as follows: 32 per cent Canada, 40 per cent United States, 22 per cent Great Britain and other British countries, 6 per cent in foreign countries.

WALTER SUTHERLAND, Manager of the Sherbrooke Branch of the Sun Life Insurance Company.

The total number of policies stood at 978,899 individual policies, and 398,438 certificates of assurance on the lives of employees of firms and corporations under the group plan. Individual annuity contracts in force numbered 40,109 and, in addition, retirement benefits for 48,794 employees are provided for under group annuity plans. Current annual payments under these contracts amount to \$10,371,347, and deferred annual payments to \$37,265,767. Total premiums from policyholders were \$138,109,745, an increase of \$9,845,972 over last year. Income from all sources reached the record figure of \$219,378,690, an increase of \$34,563,314. Profits proceeds left at interest were \$26,911,237. Payments to policyholders and beneficiaries during the year amounted to \$90,226,067, bringing the total payments since inception of the company to \$1,800,672,431.

Assets of the company amounted to \$1,279,257,345, an increase over the previous year of \$100,049,376, the largest in any year in the history of the company.

The distribution of the assets between the various classes of securities is shown in the following table:

Highlights Of Throne Speech

Quebec, Feb. 14.—(C)—Highlights from the Speech from the Throne read by Lieutenant-Governor Sir Eugene Fiset at the opening of the second session of the 22nd Quebec Legislature:

Administrative and legislative decentralization "is fundamental to the federal (Dominion-provincial) compact, that is fundamental to democracy itself, whilst centralization is akin to totalitarianism for which the province of Quebec entertains such deep feelings of aversion."

Quebec will co-operate in attaining the aims of Confederation, and "both great Canadian races are in honor bound" to respect the British North America Act. In absence of respect for it, "no true national unity is possible."

The report and recommendations of a study committee on educational problems will be analyzed by the Legislature, and the government will lay down part of the foundations of a general plan.

The present taxation system for school purposes is unfair to the small property-holder, whom the government will consider.

For health betterment, the system of hospitalization will be improved, infectious diseases further combatted and creation of convalescent homes promoted.

To aid the farmers, bills providing for substantial credits will be submitted.

Colonization will be encouraged, aided by drainage of swampy soils.

Methods for conservation of forests to guarantee their permanency will be adopted. Authorization for a forestry school will be sought.

Particular attention will be paid to the working class and the government will aid employer and employee to work harmoniously together.

Development of fisheries and mining will be accelerated.

Improvement of the highway system will be continued.

Development of markets and important industries will be encouraged.

SUMMER CAMP PLANNED BY BOUNDARY CLUB

Rock Island, Feb. 14.—Newest project of the Rotary Club of the Boundary is their proposed summer camp for underprivileged children which was discussed at the regular meeting Monday evening at the Del Monty Hotel. A number of ideas were brought forward, plans were proposed, and a general committee was elected.

It was decided that a survey would be necessary in order to determine how many children would be expected, and accordingly the committee will have members from each community whose job it will be to see just how many children need this summer camp. It was thought that each child would go for at least one week, and for the protection of all the children a medical examination would be required.

Another problem would be the selection of trained and capable help, but it was thought that a great deal of help could be secured within the villages involved. Each Rotarian, as well, would have certain definite tasks to do.

The committee which was elected is as follows: Chairman, J. D. Ferguson; vice-chairman, Arthur Irvine; for Stanstead, R. A. Hamill; for Rock Island, J. M. Kirwin and G. Laughtree; for Beebe, Allan Pocock; for Derby Line, C. R. Darby; for Derby, Dr. Frank Fiermonte.

This committee is to make certain preliminary plans and then report back to the club, so that preparations can be made as far in advance as possible. The sum of \$800 has been voted by the club to carry out the project.

The meeting next week, Monday, February 18, will feature C. M. White as speaker, and the meeting on the 25th will be Ladies' Night and will feature technicolor movies of West Virginia.

Besides the discussion of the summer camp, the club heard a splendid five-minute talk on the proposed U.S. loan to Britain by Rotarian Raymond Fregau. Mr. Fregau was called on with no advance notice and gave a remarkably complete digest of the reasons why this loan was necessary not only to Britain but also to the world.

Rotarian Phil Dustin was welcomed back to the club after his two years in the navy, the greetings being voiced by H. A. Rice, Dr. Jordan of the Newport club was a welcome guest.

The secretary of the club, J. D. MacFadyen, called the members' attention to two forthcoming broadcasts of "Rotary on the Air." On Thursday, February 21, the Town Hall program at 8:30 p.m. will feature Rotary over the net-

Activities Of Film Board Are Described At Y's Men Meeting

Stating that every effort was being made to assist in furthering the possibilities of visual education in every community throughout Canada, and that a bilingual film library was in process of being established in Sherbrooke, Raymond Mondor, of the National Film Board, Montreal office, described the workings of this important government agency at the weekly dinner of the Y's Men's Club last evening at the Chateau Frontenac.

Created in 1939, by an act of Parliament, to succeed the Motion Picture Bureau, the National Film Board, said Mr. Mondor, was established to build up unity in Canada among all races of her population.

The actual work of the Board began in 1940, with the entire resources of the agency mobilized for the war.

A comprehensive survey accomplished by the Board among the workers of Canada showed the necessity for films to aid in accident prevention, health, etc., and in addition to these topics, a great

FORMER LOCAL RESIDENT DIES IN 86TH YEAR

J. H. Hunter, a resident of Sherbrooke for a number of years before his retirement, died last evening at his home, 292 Avenue Road, Toronto, at the age of 85 years.

Mr. Hunter was born in Ontario but spent the greater part of his life in the Eastern Townships in the teaching profession and also as Inspector of Public Schools for a period of twenty years.

Death came to Mr. Hunter after a lengthy illness which had confined him to his home and hospital for a long period.

Left to mourn his loss are his wife, formerly Dora E. Hill, a daughter, Gladys Hunter, of Toronto, Elwood Hunter, of Calgary and Newman T. Hunter, 45 Vimy Street, Sherbrooke.

Stores Across Canada Making Preparations For Nylon Sale

By TIM DICKSON
Canadian Press Staff Writer

Canada's lovelies take on new glamor next Tuesday, Feb. 19, when the nylon stockings the girls have been dreaming about for many months go on sale across the country.

The diaphanous hosiery, sheer as gossamer, has been off the market since nylon was diverted to making parachute cords and other war equipment—and, as the song goes, it's been a long, long time.

Indications are Canadian women can hardly wait to sheathe their shapely limbs in filmy nylons, and, as the sales data draws near, the problem of just how to get the hosiery off the store shelf and onto milady's ankles is starting to haunt sales manager's minds.

For this will be no ordinary stocking sale. Women have heard and read so much about how nylons will enhance their charm, help them get their man, and wear like iron that they're willing to go to almost any lengths to get the coveted legwear next Tuesday.

A survey by The Canadian Press reveals that most Canadian stores are confident they have made adequate preparations to handle the expected buying rush—but sales staffs are keeping their fingers crossed.

One large Toronto department store plans to rope off sections of its main floor for nylon sales. Smaller retail outlets say they are ready to close their doors if nylon-hungry crowds prove too large. Some are keeping nylons for their regular customers, and others are going on the basis of first come first served. Practically all say the rule will be one pair to a customer.

Several big stores in Montreal and Ottawa will use the priority system devised for the sale of rationed stockings. A customer gives her name to a store and when hosiery is available she receives a card entitling her to buy a pair. Ottawa stores using this scheme report applications have reached the 100,000 mark but only an estimated 25,000 pairs of stockings will be available in the capital. One store has a waiting list of 22,000 nylon customers.

Another complication is that a large number of women are said to have registered in several Ottawa stores.

Windsor, Ont., retailers will use a raffle method to dispose of their nylons and no over-the-counter sales are planned. Would-be purchasers will clip coupons from newspaper advertisements, fill in their name, address and stocking size, and send them to the stores. A draw will be made from the pile of coupons and winners will be notified.

MERCURY SOARS TO 46 DEGREES, NEARS RECORD

Memorandum to west coast: Come east, young man.

Residents of Victoria and Vancouver, traditional temperate winter locations in Canada, must have raised a collective eyebrow yesterday if they read the complete Dominion weather report, a familiar practice that nobody seems to tire of.

For in the east the mercury threw off its chilly wraps and in spite of the groundhog's prediction of six more weeks of winter began a steady upward climb, which is still continuing.

Yesterday the maximum temperature in the Sherbrooke area was 44 degrees above zero and this morning at nine o'clock it was up two more points to 46, just three degrees below the all-time February high established in 1943. Top temperature this winter was the sweltering 52 recorded on January 6.

For the first time this winter all maximum temperatures across the country were above zero, even if only two or three degrees on the prairies, where 20 below was general yesterday.

Strong winds and rain are predicted for all of Eastern Canada while the weatherman is calling for a colder time and snowflurries in the west.

Get out the hip boots. It's a weird February.

Gives Address On High Speed Motion Picture Photography

By Record Staff Reporter
Magog, Feb. 14 — Following a short address on high speed motion picture photography, V. O. Marquez, public relations manager, Northern Electric Company, Ltd., screened pictures taken with a revolutionary ultra-speed movie camera at the Ladies' Night banquet of the Magog Lions Club at the Union Hotel here last night.

A number of guests and Lions from other clubs were present for the annual affair, which was presided over by Lions president M. E. Ferguson, Magog. During the evening Mrs. Ross Sloane and Clayton Robinson sang several splendid solo numbers, with Miss Winnie Robinson at the piano. George Abbott led the group singing, and W. H. McKenna rendered a good "Grandfather's Clock."

In his address, Mr. Marquez explained that the high-speed camera, developed by the Northern Electric Company as a wartime exigency, takes 4,000 separate and

motion, Mr. Marquez said that when a movie was taken at a speed greater than the projection ratio, it became slow motion on the screen. The usual type of slow motion as seen in theatres is taken at 80 frames per second, he said, and when compared with 4,000 frames, it is understood how much can be seen, which up to the present, had to remain in the dark.

The speaker was introduced by Dr. C. S. Harris and was thanked by Frank Patch.

Seated at the head table with the speaker and the president were Henri Leo Gagnon, president of the Sherbrooke Lions Club, Mrs. Gagnon, Dr. and Mrs. C. S. Harris and George Abbott.

WILL DISPLAY WAR TROPHIES AND WEAPONS

The sergeants' mess of The Sherbrooke Regiment will sponsor a display of war trophies and weapons to be shown in the William Street Armory on Thursday night, Feb. 21st, and Friday afternoon and night, February 22nd. The display being organized now, will be held with the permission of Lt.-Col. John L. Blue, commanding officer, and through the co-operation of officers, N.G.O.'s and men who have fought on battle fronts all over the world.

Feature of the display will be "Bomb," the famous tank of the 27th Canadian Armored Regiment (Sherbrooke Fusiliers Regiment). This was the only Allied tank to go through the European fighting taking part in all major engagements from D-Day to V-E Day without serious mishap.

This will be the first time "Bombs" has been on public display since its arrival in Canada earlier in the year.

The display will carry trophies from Germany, Italy, Japan, Russia, France, China and many other countries. The mess has acquired a set of chains used by the Germans to chain Canadians after Dieppe. These will also be on display with the latest in Canadian weapons, including the famous Projector Infantry Anti Tank 2 and 3 inch mortars, commonly known as Piats, Bren light machine guns, automatic sten guns and six pounder anti-tank guns and grenades.

Qualified instructors will be in charge of each display prepared to answer enquiries and explain details. The band of the Sherbrooke Regiment will be in attendance both nights.

Those who have trophies or souvenirs of any kind and wish to loan them for this display should call at the William Street Armory, or telephone 1543, or get in touch with any of the following: C.S.M. R. Smith, R.Q.M.S. C. Price, Sgt. C. Young, Sgt. W. Young or Sgt. F. Young.

HARMONY BAND GAVE CONCERT AT S.S.S. CLUB

Members of the Sherbrooke Snow Shoe Club were privileged to hear an excellent concert provided by the Sherbrooke Harmony Band under the direction of Sylvio Lacharite at their club house on Prospect Road last evening. While a number of the members hiked to the club the band was transported by bus.

For a number of years the Harmony Band has visited the club each winter and this year their program was undoubtedly the best performance they have given. Playing in a small building presents quite a problem for a large number of musicians. However, Mr. Lacharite showed excellent taste in selecting a program of scores which were appropriate for such an occasion.

The program opened with O Canada and included El Abanico March (A. Javaloyes).

Triplets of the Finest (Paul Henneberg), featuring Jean Paul Belisle and Roland Briere.

"Autumn Serenade" Peter de Rose, as arranged by Marcel Marcotte.

"Beautiful Colorado" (J. de Luca), Jean Paul Belisle as trumpet soloist.

"Scenes From the Sierras," David Bennett.

"That's For Me," R. Rodgers, as arranged by Marcel Marcotte.

"Andante Cantabile," Sylvio Lacharite, Marcel Marcotte saxophone soloist.

"You Belong to My Heart," Augustin Lara.

"Grand Military Tattoo," MacKenzie Rogan.

Following the program supper was served in the dining room. Hon. President Ned Soles said Grace and President Howard Thompson proposed a Toast to the King. Chorister Francis Parker led the audience in a song sung assisted by Jack Lannigan at the piano and Ashley Hunting and his trumpet. Mr. Poulin of the Harmony Band was then called upon to lead "Allouette."

President Thompson congratulated Past President Guy Bryant upon his nomination as Mayor and pledged the support of the club. Mr. Bryant spoke briefly in French and English in reply to President Thompson.

The minutes of the last meeting were read by vice-president Len Keeler.

Being Honorary President's Night the meeting was turned over to Hon. President Ned Soles who welcomed the Band and hoped that they would continue to visit the club each year. Messrs. Lacharite, Poudrette, Langevin and Taylor spoke briefly on behalf of the members of the band. Cliff Bryant (leader of the opposing Red Party) added to the evening's fun by ridiculing the officers about "the inefficient manner in which they handled affairs." President Thompson was equal to the occasion and presented Cliff with an appropriate gift.

Past President Cliff has a serious side and thanked the members of the band for the excellent concert, remarking it was the best program that had been provided by the band at the club.

COUNCILLORS APPOINTED BY IODE CHAPTER

The February meeting of Maple Copse Chapter I.O.D.E., presided over by the newly re-elected President, Mrs. M. G. Stewart, was a short but busy one.

After the minutes were read and approved, the treasurer reported receipts of \$2 and expenditures of \$60.91 in the war fund. The general fund balance was \$69.17. A bill for groceries sent to a needy family was presented by Mrs. Kuehner for payment.

The post-war service convener reported 36 garments received during the month, 18 pounds of wool and 40 yards of flannel were bought.

Resignation of Mrs. A. L. Kuehner, Mrs. A. V. Richardson and Mrs. R. H. Fletcher were respectfully accepted, their offices being taken by Mrs. Austin Scott, child and family welfare; Mrs. R. B. Wright, Girl Guides, and Mrs. R. C. McFadden, ex-service personnel.

Mrs. L. V. Parent agreed to look after a new bridge marathon, assisted by Mrs. R. C. McFadden.

On motion, the secretary was asked to send letters of thanks to F. E. Hall for so kindly underwriting the heavy task of auditing the treasurer's books, and to the Sherbrooke Record for publicity.

The regent urged the members to join the newly-formed Lennoxville and Ascutt Community Association and help to plan municipal improvements. The question of the next veterans' banquet was brought up, and March 2 was chosen as a suitable date.

A local association having been formed to have charge of the I.O.D.E. Girl Guides, it was voted that \$10 be given to assist with the work.

Nomination of national and provincial councillors was the last item on the agenda. Mrs. W. E. Loomis was proposed for national councillor, and the names of the regent, Mrs. M. G. Stewart, and Mrs. Hamon, provincial treasurer, for provincial councillors.

The national anthem was then sung and the meeting adjourned. Hostesses for the tea which followed were Mrs. W. O. Raymond, Mrs. A. V. Preston and Mrs. F. R. Patison.

JURY DECIDES IN FAVOR OF E.T. PLAINTIFF

Chicoutimi, Que., Feb. 14. — A Superior Court jury, sitting under Mr. Justice Oscar Boulanger, today decided in favor of Mrs. Ernest Harvey of Chicoutimi, Que., who sued Arthur Harvey and Antonio Henley of Chicoutimi for \$9,500 for the death of her husband who was killed last July in a road accident near here. Mr. Justice Boulanger postponed judgment to a later date.

Ernest Harvey was killed when an automobile in which he was driving was in collision with a truck owned by Arthur Harvey and driven by Henley.

\$40,000 BEQUEST
West Brome, Feb. 14. — The Quebec provincial Independent Order of Odd Fellows has received a bequest of \$40,000 from the estate of the late Mr. and Mrs. Wood Kathon of West Brome, for the maintenance of their home as an Odd Fellows home under the name "Kathon House."

The house was willed to a nephew, Earl Kathon, for his use during his lifetime after which it was to become the property of the I.O.O.F.

A GOOD CHOICE

In the selection of Alderman Guy Bryant as their choice for next mayor of Sherbrooke, the citizens' gathering last evening paid a well-deserved tribute to a man who has given much time and labor to the administrative problems of the City over an extended period. But not only is the selection a worthy one from the point of view of Alderman Bryant's long service on the City Council but his record as an Alderman indicates that he will bring to the office of Chief Magistrate that broad vision and ability which is required for the proper performance of these functions.

A life-long resident of Sherbrooke, Alderman Bryant has been the executive head of an important industrial organization and has also found time to take an active part in many other public organizations aside from the City Council.

The election of Alderman Bryant to the post of mayor by acclamation would be a courtesy which the citizens could well pay to a man who has served them well and would also mean the continuation of a tradition of long standing whereby the post of mayor revolved between members of the two races.

THE THRONE SPEECH

The greatest single item in the Speech from the Throne read at the opening of the Quebec Legislature yesterday is the paragraph which promises that the Government will introduce at the current session measures designed to relieve the critical financial position of the school boards. The matter of financing education has been a critical one for several years past, with the position deteriorating each year as the gap between expenditures widened. If the Royal Commission recently named by the Government has arrived at some scheme for the solution of these problems, the legislation might well loom as one of the most important measures ever passed in the history of the Province.

The decision to create a Youth Ministry to develop the opportunities for the young people of the Province is also praiseworthy, although it means a further addition to the administrative machinery of the Province. Nevertheless the importance of proper care and guidance for the youth of this Province is the first concern of the Government, and Mr. Duplessis is to be congratulated for taking this step. The Federal Government would do well to follow his lead.

The other measures hinted at in the Address are for the most part of a nature which compels delay in giving a decision. Like so many items contained in Throne Speeches they reveal their importance only when the measures are actually introduced into the Legislature. Otherwise they are only conjecture.

THE ARGENTINE CRISIS LOOMS

Washington information that there has been a further deterioration in the relations between the United States and the Argentine is in no way surprising when the friction between the two nations over a period of years is reviewed. Before the outbreak of the Second Great War, Argentina and her neighbors on this continent found it difficult to get along. The Argentine Government was frankly of Nazi tendencies and was actively, if unofficially pro-German. The other Western Hemisphere nations were more or less democratic and pro-Allied. Thus, when the Pan-American Conference organized its mutual defence treaty, Argentine support was purely nominal and adjoining states were loud in their complaints that in reality, the Argentine Republic was going as far as possible in its assistance to the Axis and was doing everything to sabotage the agreement.

These complaints received the active endorsement of the United States Government, which from time to time has released verbal and documentary blasts against the general attitude of the South American nation. This campaign reached its culmination with the publication by the State Department at Washington in which a story of Axis-Argentine collaboration was traced. On the old principle that the truth hurts, Argentine politicians are waxing indignant at the publication and seek to leave the impression that Washington is seeking to interfere in the domestic political affairs of Argentina.

But the grim fact remains that the Germans have gained a strong foothold, economically and

politically, in Argentina and there are good reasons to support the oft-expressed concern lest they use this country as a basis for reorganizing themselves in a new effort to dominate the world a few years hence.

ST. VALENTINE'S DAY

St. Valentine's Day has become an event of major importance in the world calendar, but it is doubtful if the average observer of the feast could explain its origin. All the information available indicates that far back in the third century there lived a certain Valentinus who, if the Roman legend holds good, was a worker of miracles. But just how this merest crumb of history catches on with the gay and tender tokens which bedeck this popular festival, which is being observed today, is difficult to say.

But, to be brutally frank, it is doubtful if anybody cares a snap about the origin of St. Valentine's Day. It is just one of those happy little incidents which posterity has preserved to bring joy and happiness into the lives of this and succeeding generations.

From a religious viewpoint there is really no importance attached to St. Valentine's Day, yet such an occasion puts a little color in a drab world and the world could ill-afford to abandon such an observance, especially in the present troublesome times. Events which bring joy and happiness are all too few and the world has need for love and laughter.

It is by entering into the spirit of such an occasion as St. Valentine's Day that people can forget their cares and worries and keep themselves young in spirit. Thus if it keeps the heart of humanity young, St. Valentine's Day will have served a useful purpose.

UTILITIES AND THE WAR EFFORT

One of the major factors in the tremendous expansion of Canadian industry during war years was the ability of the manufacturing concerns to obtain large additional quantities of electric power with little or no delay. The readiness with which this power was available is a tribute to the Canadian utility companies and their policy of keeping their generating capacity substantially ahead of the predictable requirements.

This feature is dealt with in the annual report of the Shawinigan Water and Power Company, which declares that without the important supplies of readily-available electric power, Canada's industrial participation in the war effort would have been greatly restricted. At the outbreak of the war the installed capacity of the Company's plants, including power available from other sources under long term contracts, was 947,639 horsepower, while the firm peak demand was in the vicinity of 725,000 horsepower, giving the company a reserve of approximately 200,000 horsepower.

Substantial as these reserves were, however, they failed to meet the entire war swollen demand and various new installations undertaken increased the capacity of the company to 1,089,639 horsepower. In addition a number of high tension transmission lines and an underground cable system across the City of Montreal were constructed to link the various major power producers of the Province so that the most efficient use could be made of all power generated.

The manner in which the Canadian utility companies met the demands made upon them by war conditions was a matter of common knowledge although the extent of this task is being made known only now, the pressure of wartime secrecy preventing these companies from informing their shareholders and the public of the difficult problems which confronted them.

THE GROWTH OF INSURANCE

Interesting sidelights on the expansion of the insurance business in Canada are contained in the seventy-fifth annual report of the Sun Life Assurance Company. According to Arthur B. Wood, the president of the organization, a few years after the establishment of the company in 1871, the total insurance in force in the Dominion averaged only \$20 per head of population, while today the average insurance protection is in the neighborhood of \$850.

The maintenance of this insurance is an important item in itself towards the continuation of economic stability in the Dominion. This is the prime purpose of an insurance company — to provide such protection as is possible against the vicissitudes of existence. But they also perform another important duty. Through the mobilization of their policyholders' contributions, the life insurance companies of Canada have been a major factor in the financing of the war effort. In the case of the Sun Life, over one-half of its total assets of \$1,250,000,000 dollars are invested in Dominion and other bond issues of allied governments. Thus one company alone has contributed approximately \$650,000,000 to the financing of various governmental activities.

As a producer of foreign exchange the Canadian companies are also important, over two-thirds of the business of the Sun being written outside of the Dominion.

PRESS COMMENTS

A WORTHY PRINCIPAL

Toronto Globe and Mail
As the years went by, after the First Great War, it was frequently charged that the veteran was neglected. In the days of the depression tens of thousands of former combatants were out of work and the golden promises of both parties were lost to view.

The chance to repair this broken faith, for the new generation of veterans at least, has been seized by Maj.-Gen. E. L. M. Burns, now director-general of rehabilitation, in the Department of Veterans' Affairs, and formerly the commander of the 1st Canadian Corps in Italy. In a speech at Ottawa, on Wednesday, he laid down his personal view on the responsibility of the Government toward the unemployed veterans. He is reported to have said that between 40,000 and 50,000 veterans are listed as "unplaced applicants" for jobs. So long as any veteran is unemployed, he thinks, "we cannot say rehabilitation is complete; in fact, while veterans are employed at low wages at tasks below their capabilities, rehabilitation is not satisfactory."

Such an all-inclusive principle as Gen. Burns laid down provides hope that, in the event of another depression, the veterans will not be forgotten. Though the general spoke only for himself, and his department is, therefore, not necessarily bound by his views, it would be most encouraging if the Government were to accept his policy as its own. If there are any Canadians who have a special right to be protected from unemployment, or from being forced into employment unsuited to their fullest ability, they are the ones who fought for Canada.

If a policy of enlightenment and responsibility such as Gen. Burns has outlined can be established on the terms he made, then the likelihood of repetition of broken faith and unfulfilled promises will be much reduced. The safest guarantee, of course, is the vigilance and determination of the grateful citizens of the country at large. If they remember, the Government will not forget.

Various people blame this and that as the source of crime, but it usually boils down to the fact that the have-nots, who don't worry about theft and murder, are determined to make a killing in the "golden era." Police are strained through lack of reinforcements, and it depends a lot on John Citizen to do what he can when he can.

Any police force is an embryo civilian army maintained by taxpayers as a preventive measure. Most of the criminals now in action are the boys who are always tough when behind a gun and with no opposition. Most of them preferred not to be behind a gun when the war was on.

Do You Know?

Q—Do stars in the American flag represent particular states?
A—No. Congress decided in 1818 that stars represented the number of states, not particular states. However, there is a popular belief that the star in the upper left-hand corner represents Delaware, first to ratify the Constitution.

Q—What is vermiculite?
A—A mineral ore used in building insulation and as a substitute for sand in cement and plaster. A deposit of several million tons has been discovered near Encampment, Wyo.

Q—When did the Japanese first attack China to start the "China incident"?
A—July 7, 1937, at the Marco Polo bridge across the Yung Ting River, 20 miles southwest of Peking.

Q—Do the number of rattles on a rattlesnake indicate the snake's age?
A—Not reliably, since with age rattles wear off. Usually the rattles are much older than the snake would indicate.

Q—What is the latest method of de-fleeting dogs?
A—Putting DDT in their bath soap. It was tried on 12 long-haired dogs in London, and the fleas died promptly and none appeared later.

Q—Is there an application for statehood before U.S. Congress?
A—Yes, Hawaii's. Hawaii has been campaigning for statehood for 40 years.

Q—What island—the only such in the world—is the homeland of two sovereign nations?
A—Haiti. Nations are Haiti and the Dominican Republic.

Q—Who were Shem, Ham and Japheth?
A—Triplet sons of Noah.

PASSING MAY BREAK PARTNER'S MORALE

Today's hand is another problem in bidding. The experts agree that South should open the bidding with one diamond. Then, if his partner bids two clubs, South can bid two diamonds; or if North bids a heart, South can bid a spade. However, in the bidding shown, North overcalls with one heart and East comes in with a two-club bid. South, of course, should pass; when North bids two spades, South cannot pass. He must bid. It is true that with certain combinations the hand may not make four spades, but you will break down your partner's morale if you pass the two-spade bid, which is terminated by most players a natural force. South's correct response is three will, of course, go to four.

If Not, Try This Tonight

When you awake in the morning do you feel vigorous and glad to be alive or do you feel weary and depressed? If the latter, try a cup of Ovaltine warm at bedtime.

Taken at bedtime, Ovaltine helps to relieve that feeling of nervous tension. Its special food elements, processed for easy digestion, and its rich supply of Vitamins A, B, and D and the minerals Calcium, Phosphorus and Iron help to replenish worn out muscle, nerve and body cells.

So why not try Ovaltine? See if it doesn't help you to wake up fresher and more buoyant. Get Ovaltine at your drug or food store.

Social and Personal

Friends of Mrs. Maria Knight, Portland Avenue, will regret to hear that she is a patient in the Sherbrooke Hospital.

Mr. Warren Berwick, who recently received his discharge from the R.C.A.F. at Dartmouth, N.S., is visiting his mother, Mrs. G. Berwick, 20 Fairmount Avenue, L.A.C. Berwick was previously stationed at Greenwood, N.S.

The Ladies' Sherbrooke Curling Club was in fete on Tuesday afternoon for the tea given in honor of the visiting players in this week's bonspiel. Miss Elizabeth Haight, president of the local club, graciously received the numerous guests, many of whom arrived in the early afternoon to watch the keenly contested games. Tea was served by cordiality, the club presenting a most attractive appearance with its gay Valentine decorations and beautifully appointed tables.

Miss Elizabeth Haight, president, and Mrs. H. B. Johnston, vice-president, did the honors, the latter being relieved by Mrs. F. H. Bradley, the club's honorary president. Streamers of tiny red hearts formed a fringe on the lace banquet cloth which covered the large tea table, while red tulips in silver vases and red candles effectively continued the season's colors. A special table was arranged for the players, with a cleverly fashioned miniature curling rink and tiny figures as its appropriate centerpiece, while lighted red candles emphasized the Valentine colors. Hostesses for the largely attended tea party included Mrs. F. H. Bradley, Mrs. George H. Carr, Mrs. H. Loken, Mrs. A. L. Vallee, Mrs. Raymond Provencher, Mrs. D. McPherson, Mrs. S. Cohen, Mrs. C. Holt, Miss J. Richards and Miss J. McKenzie. Another interesting spot was the large table on which the club trophies were displayed, a silver basket filled with red tulips forming a colorful note. The finishing touch in the candle-lit room was found on the walls, where large cut-out hearts, interspersed with brooms and irons, were artistically arranged. The tea party was an outstanding success, and Mrs. Gordon Richards, under whose supervision the lovely decorative scheme was carried out, was warmly congratulated, as were the members of the Ladies' Sherbrooke Curling Club, whose delightful hospitality the guests from out of town had so much enjoyed.

Mr. Neil Skinner, who has spent a few days in Sherbrooke visiting his parents, Mr. and Mrs. A. C. Skinner, left yesterday afternoon for his home in Victoria, B.C.

Mr. and Mrs. R. G. Allport, Victoria Street, left this morning for Kingston, Ont., to attend convocation at Queen's University, where their son, Vernon, will receive his degree in medicine on Friday.

Mrs. P. D. Mathias, with Mrs. J. M. Wiswall acting as her assistant hostess, entertained the members of the Church Union Group on Tuesday evening at her home on Wolfe Street. Mrs. Wesley Bradley presided over the short business period, and at the close of the evening refreshments were served by the hostesses.

The marriage of Dorothy Emeline, youngest daughter of Mrs. A. W. Thomas, and the late Mr. Thomas, of Drummondville, Que., and Kenneth Owen Williams, son of Mrs. Edith Groucott and the late Owen Williams, of Ocean Grove, N.J., will take place on Monday, February 25th, at four o'clock in St. Matthew's Church, Montreal.

A very delightful shower was held at Mrs. B. Drobnier's home on London Street in honor of her sister, Mrs. Jerry Page, nee Miss Myrtle Bennett. The living room was attractively decorated in pink and white, and the many lovely and useful gifts were presented to the bride in two large baskets, which very effectively continued the same dainty color scheme. Later refreshments were served by the hostess, with Miss G. Nadeau and Miss A. Allison assisting. Mr. and Mrs. Jerry Page will take up residence in Coaticook.

One of the most successful social events of mid-winter was the Founder's Day tea, given under the patronage of the Sir John Sherbrooke Chapter L.O.D.E., and held through the courtesy of Mrs. Ben C. Howard at her residence in "Hartland." Mrs. E. G. Baston, Regent, received with the hostess in the entrance hall, where Mrs. R. L. McCabe, treasurer, acted as cashier with Mrs. Philip Sims assisting. Throughout the afternoon upwards of one hundred and twenty-five guests enjoyed the Chapter's delightful hospitality amidst such attractive surroundings, the spacious rooms, about which spring flowers were arranged, lending ample space for the huge throng of guests. Tea was served in the dining room, the beautifully appointed table being centered in an original manner with a large and colorful cellophane box, filled with slips for the drawing of prizes sold during the afternoon, red candles in silver candelabra completing the novel but attractive decorations, supervised by Mrs. K. C. F. Mills. Doing the honors were the Regents of the several Chapters, namely Mrs. Gordon B. Loomis, Miss May Mitchell, Mrs. R. M. Loughheed, Mrs. R. L. DuBerger and Mrs. Stanley Pearson. The culinary arrangements were efficiently carried out by Mrs. Hector MacRae, Mrs. Lyman Tomkins and Mrs. Gerard McManamy, while Mrs. Edwin Sims, who was in charge of the tea room, was ably assisted by all members of the Sir John Sherbrooke Chapter, under which the members of the L.O.D.E. in Sherbrooke so fittingly observed Founder's Day.

Mr. and Mrs. Frank Guthrie, of Springfield, Mass., were guests of Mr. and Mrs. Arthur Mahannah. Upon their return home they were accompanied by Mrs. Mahannah, who will visit in Massachusetts and Connecticut, for a few weeks.

Mr. W. Hamilton spent a day in Montreal.

Miss Elizabeth Hamilton, of Farnham, spent the week-end at her home here.

Master Vernon Johnston has returned from the General Hospital, Montreal, where he underwent an operation on his eyes.

Joying a short holiday at the home of his son and daughter-in-law, Mr. and Mrs. Gifford Mitchell, in Montreal.

The Rev. Sidney Wood officiated at the funeral service in St. Matthew's Church, South Stukely, for Mr. Isaac Comeau.

Mr. and Mrs. C. S. Powers, of Farnham, and guest, Mrs. Leonard, of Bishopston, were guests of Mr. and Mrs. C. M. Powers.

Joying a short holiday at the home of his son and daughter-in-law, Mr. and Mrs. Gifford Mitchell, in Montreal.

The Rev. Sidney Wood officiated at the funeral service in St. Matthew's Church, South Stukely, for Mr. Isaac Comeau.

WINDSOR MILLS

The annual vestry meeting of St. George's Church was held on February 10 with Rev. J. Comfort, of Sherbrooke, who is at present in charge of this mission, presiding. There was a large attendance. The minutes of the last meeting were read by the vestry clerk, Mrs. J. G. Harley, and approved. The financial report of the wardens was then presented by Mr. J. J. Watt, the people's warden, and was accepted. Rev. J. Comfort outlined the forth coming campaign for re-dedication, which will be carried out during the next three years, primarily for re-establishing personal interest in religious duties. There will be at the same time an appeal for financial assistance for missionary work, and for the rebuilding of churches in Europe, including Great Britain, which were destroyed during the war. All the retiring officers were re-elected for the ensuing year. Rev. Mr. Comfort thanked the Ladies' Guilds of the St. George's Church and of Granby for their assistance and financial support, after which the meeting was closed with prayer.

The Ladies' Guild of St. George's Church met at the home of Mrs. G. S. Robb. There was a good attendance and a new member, Mrs. F. J. Parker, was welcomed. Plans were discussed for the annual spring rummage sale. Several members undertook the responsibility for the cleaning of the church and provision of the requisites. At the conclusion of the business refreshments were served by the hostess.

Sgt. Thomas Sunborg of the Black Watch Regiment recently arrived in Halifax, N.S., on the S.S. Scythia, and is now at the home of his parents, Mr. and Mrs. C. Sundborg. Sgt. Sundborg went overseas in 1939, returning only for a brief period to Canada, after which he saw continual service with his Regiment in Europe.

pressure saucepan
with the patented
HOMEC Seal.

Quick Cooking
SAVES up to 75% cook-

cious vitamins and minerals
... SAVES natural food fla-
vors and colors... SAVES money
by saving fuel.

Made by the
World's Largest
Manufacturers
of Pressure
Cooking and
Cooking Utensils

Because PRESTO COOKERS are so remarkable, and because, up
until recently, their manufacture was totally restricted for
four years, the demand for these wonder-working pressure
saucepans is tremendous...

As a result, such quantities of PRESTO COOKERS as we are
receiving now are, and will be, far too few to supply the
demand, for some time to come... In fairness to all, re-
quests for PRESTO COOKERS will be filled in the order in
which they are received.

A Suggestion: Register your name for a PRESTO COOKER
now, with us, to get one with as little
delay as possible.

BEDFORD

The first meeting of the St. James' Church Guild to be held since the holidays was held at the home of Mrs. B. W. Draper, who was assisted in entertaining by Mrs. F. E. Draper. Mrs. Ralph Van Horn presided and conducted the annual meeting of the Guild. The report of the treasurer, Miss Jessie Blackwood, showed that all obligations of the society had been met and that as in former years, the system of monthly collections, which since early in the war have been in force to raise funds for the society's work, had again proved most satisfactory. In addition to the monthly collections, several suppers had been served by the Guild members in connection with the sale of Victory Bonds. Mrs. Van Horn reported that a number of Christmas baskets had been packed and sent out at Christmas by the Guild members. On retiring from office, Mrs. Van Horn thanked the Guild members and the members of her committee for their help during her term of office. The members of Mrs. Van Horn's group included Mrs. Hannibal Sheltus, Mrs. Allan Palmer, Mrs. William Taylor and Mrs. M. Perrault. The meeting was then turned over to Mrs. H. V. Fricker, president of the Senior W.A. for the holding of the annual meeting of that society. The report of the treasurer, Mrs. Richard Craighead, showed that \$220.96 had been taken in during the past year, the main source of revenue being two rummage sales held in the spring and fall. In addition to making an outfit for an Indian girl, a student at the

Bishop Horden Memorial School, at Lac la Ronge, the branch had met its apportionment of \$90, and also contributed to hospital supplies at Akkavik, and met all other Diocesan obligations. During 1945 the branch entertained the annual meeting of the Deanery of Bedford Senior W.A., in June, which was largely attended. Mrs. H. V. Fricker and Mrs. Richard Craighead having resigned from their respective offices of president and secretary-treasurer, Mrs. Ralph Van Horn was appointed as president and Mrs. Hannibal Sheltus as secretary-treasurer. Mrs. F. N. Williams was re-appointed Diocesan secretary. A vote of thanks was passed to Mrs. Craighead for the work done by her during the eight years as secretary-treasurer of the branch. Miss Jessie Blackwood was appointed secretary-treasurer of

the Guild, and a hearty vote of thanks was passed to Miss Blackwood for her interest in the work of the Guild, as exemplified during the many years that she has filled this office, and for her unflinching zeal in the work of the organization. Mrs. D. J. Reid will be in charge of the Guild work during the first four months together with the members of her committee. Mrs. C. B. Gittens, Mrs. Raymond Whitcomb and Mrs. Ross Preston. Mrs. Harry Jones will be the convener of the summer group, while Mrs. Wilbur Borden will be in charge of the autumn group. Following the business meeting, refreshments were served by the hostesses, tea being poured by Mrs. F. W. Wallace.

The members of St. James' Church Bridge Club were entertained by Mrs. Bhurl Wightman, and Mrs. F. E. Draper also acted as hostesses for another meeting of the club. Bridge was played at nine tables at the Social Club one evening, in the Masonic Hall. The prize for ladies' highest score went to Mrs. Wilbur Borden, while Mr. Ross Preston received the prize for the gentlemen's highest score. The hostesses for the evening were Mrs. W. B. Bradshaw, Mrs. J. Baglow and Mrs. Wilbur Borden. The hostesses for the next meeting of the club are Mrs. J. W. Cockerline, Mrs. F. E. Draper, Mrs. Clarence Collins and Mrs. Richard Craighead.

The regular monthly meeting of the Women's Auxiliary of Wesley United Church was held at the Parsonage, with Mrs. T. W. Tyson, as hostess, assisted by Mrs. C. O. Jones, Sr., and Mrs. Gordon Jones. On Wednesday evening, January 23, the annual congregational meeting was held in the Masonic Hall, and was well attended. A very nice supper was served by the ladies at 6.30, followed by the business meeting, with Rev. T. W. Tyson presiding. Very gratifying reports were read by the secretaries of the various branches connected with the work of the church, each showing a substantial balance on hand at the close of the year. All officers of the various groups were re-elected and the names of Messrs. M. E. Parsons and William Ford were added to those of the stewards of the quarterly board. Both pastor and parishioners feel that a most successful year has been completed, and are looking forward to the activities of the present one with encouragement and anticipation.

Miss Hattie Jones, of the Town of Mount Royal, spent a week-end as the guest of his uncle and aunt, Mr. and Mrs. William Campbell. Mrs. William MacArthur went to Montreal to meet her husband, Gen. "IT MAKES ALL THE DIFFERENCE IN THE WORLD!"

"How could two things be so much alike and yet be so different? Lipton's looks the same as the tea we used to drink, but its flavour is so fresh, lively and brisk that it makes ordinary teas seem dull and insipid."

It's that brisk, spirited Lipton flavour that makes all the difference. Experts say Lipton's has brisk flavour, always fresh, tangy and full-bodied, never flat or insipid. Give yourself a new taste thrill in tea. Change to the richer, finer enjoyment of brisk tasting Lipton's Tea.

Cowansville Legion Branch Names Officers At Second Annual Meeting

Cowansville, Feb. 14.—Cowansville Branch, Quebec No. 99, of the Canadian Legion, British Empire Service League, held its second annual meeting and election of officers at the Armory on Saturday evening, January 19.

A review of the activities of the branch during the past year was given by the president, Comrade F. J. Knight. He told of the increase in membership of the branch from 50 to 138 during the twelve months, of the winning of the Poppy Bowl Trophy given for the best increase in membership during the year, and of its presentation to the branch at a supper on V-E Day. He also told of the Legion Hall Building Fund which had been started previously by a donation of ten cents from each

individual member. Outstanding events of the year were the Poppy Bowl presentation, the V-E and V-J Day parades, the play ground dedication, Armistice Day service and the Legion Fair.

The treasurer gave a report showing the receipts and expenditures during the year and the following balances on hand: Current account, \$168.18; Poppy Fund, \$632.25, and Building Fund, \$3,538.56.

After the adoption of the reports the honorary president took the chair and proceeded with the election of officers for the following year. After balloting, the following officers and executive were declared elected for the year 1946:

President, Comrade F. J. Knight; first vice-president, Comrade R. L. Brault; second vice-president, Comrade J. N. Wood; treasurer, Comrade H. C. Griffith; sergeant-at-arms, Comrade Harry W. Pugh; executive committee, Comrades J. E. Boisvert, (Omner C. Daniel, R. L. Dean, Cecil Holaday and Byron E. Johnston).

The officers were then installed by the honorary president, R. F. Stockwell, and the meeting was adjourned for refreshments and a social hour.

EASTERN STAR

The ceremony of installation of officers for Cowansville Chapter, No. 17, Order of the Eastern Star, took place one evening.

The worthy grand matron, Sister Adeline Kenyon, and the worthy grand patron, Brother Howard Hastings, were present. Sister Kenyon presided at the installation, assisted by Brother Hastings. Sister Ruth Hastings, grand marshal; Sister Charlotte Palmer, grand chaplain; Sister Florence Boyd, grand organist, and Sister Helen Strange, grand warder. The work was put on in a fine manner. After the ceremony, gifts were presented to Sister Kenyon and Brother Hastings.

The following officers were installed for the year 1946: Worthy matron, Sister Hattie Bowling; worthy patron, Brother Alfred Bibby; associate matron, Sister Mary McCutcheon; associate patron, Brother Edmund Lewis; secretary, Sister Ruth Bibby; treasurer, Sister Ruby Johnson; organist, Sister Florence Boyd; chaplain, Sister Bernice Jenne; marshal, Sister Annie Dryden; conductress, Sister Evelyn Stone; associate conductress, Sister Esther McCrum; Adah, Sister Yvonne Nichols; Ruth, Sister Doris Masters; Esther, Sister Annie Harris; Martha, Sister Ruth Hawke; Elsie, Sister Dorothy Hayes; warder, Sister Daisy Wilson, sentinel, Brother Laurence Stowe.

At the close of the meeting, refreshments were served and a social hour was spent.

General Notes.

Immediate and junior groups of the C.G.I.T. met one evening in the church parlors. The devotional period was taken by Mrs. S. W. Boyd, Mrs. C. McCormick reviewed two chapters of the study book on Africa, after which pirate

bingo was enjoyed for an hour, under the direction of Miss Doris Bridgette.

Mr. and Mrs. Charles Eklie, of Montreal, spent a week-end as guests of Mr. and Mrs. J. B. Masters.

Dr. S. W. Boyd spent a day in Montreal.

B.S.M. Hubert Adams and Mrs. Adams, of Montreal, were guests of Mr. and Mrs. Clare Adams.

Douglas Hamilton, of Granby, and Kenneth and Billy Hamilton, of Montreal, spent a week-end with their parents.

The Red Cross shipment for January was as follows: Three women's skirts, twelve crib covers, twenty girls' vests, fifteen children's rompers, one cap, eleven children's sweaters, twenty-two pairs of children's stockings, twelve pairs of mittens, twenty-seven babies' knitted wool vests, two turtle-neck sweaters, one service sweater, three pairs of socks, and eleven scarves. Donated: Five children's sweaters, one pair baby's wool pants and mittens.

Mr. Alex McPhee, of Montreal, spent a few days in town.

Mr. L. S. Henderson spent a week-end in Montreal.

AYER'S CLIFF

The Women's Institute met with Mrs. Glen H. Little, Maple Avenue, with Mrs. Alfred Goode as joint hostess, one afternoon, when a good number of ladies were present. Mrs. McHarg, the president, conducted the meeting, and reminded the members of "Health Week," from February 3 to 9, and asked them to bring same to the attention of the pastors and teachers. The appeal for Save the Children Fund was re-

sponded to by a ten dollar donation. The County president, Mrs. Howard Cass, of Beebe, was then introduced by Mrs. McHarg, and gave a very fine account of the semi-annual meeting of the Provincial Women's Institute executive held recently. Mrs. Cass brought much information regarding the work the Institute accomplished and planned. Mrs. Willard Rexford expressed her appreciation, on behalf of the society, to Mrs. Cass for coming, and spoke briefly on reasons for being an Institute member. A most enjoyable social hour was spent in that hospitable home, when delicious refreshments were served by Mrs. Little and Mrs. Goode.

Under the capable leadership of Mrs. W. E. Hurd and Mrs. M. H. Sanderson, a committee was organized upon reading the urgent appeal for Save the Children Fund, and the home of Mr. and Mrs. J. E. Bayley was opened for the organizing meeting, when representatives of the churches were asked to gather. This was done, and with Mrs. Sanderson in the chair, the necessary plans were made for the drive in this community and an objective set for one hundred dollars. The committee and all interested persons were delighted over the results, and feel very proud of the response given them, the gratifying sum of \$225.23, was collected. Mrs. L. D. Schoolcraft acted as canvasser for Massawippi, and collected \$50 there. At Brown's Hill, Mrs. G. L. Temple and Mrs. Ellingson collected \$4.50, with \$170.73 being donated in Ayer's Cliff. Much credit is due to Mrs. Hurd and Mrs. Sanderson for their zealous work. The Sherbrooke Record has been thoroughly read to watch for the formation of groups in other towns, but Ayer's Cliff feels that it was the first to form a group for this purpose.

The entire community was shocked upon learning of the sudden passing of Mr. Elwin L. Vaughan, who since coming to reside here has made many friends by his jovial, cheery personality. Mr. Vaughan had made his morning trip up-street after the mail and to do some shopping, and then went to the home of Mrs. L. L. Vaughan, where he went daily to be of assistance in any way to her since the passing of his cousin, Mr. Linton L. Vaughan. He then went to his home on Maple Avenue and told his wife that he did not feel very well, and laid down. Mrs. Vaughan called Dr. C. L. Brown, but in a very few minutes he passed away. To Mrs. Vaughan and his three sons, Messrs. D. N. Vaughan, of Hatley, Robert Vaughan, of North Hatley, and Herbert Vaughan, of Manitoba, the deepest sympathy is extended in their bereavement. The funeral was held on Thursday afternoon, February 6, in Beulah United Church, where many old friends and relatives gathered to pay a final tribute to one they had loved and would greatly miss.

The many friends who have been very anxious over the condition of Mr. Samuel J. Astbury, who had a severe attack of the

grippe are pleased to learn that he is slowly improving, and all trust that he may soon be out again.

Mrs. Earl Libby has left for Montreal, where she will spend a few weeks with her sister, Mrs. J. R. Osgood, and family.

Mrs. W. G. Libby has closed her home, "Bonnie View Farm," and gone to Derby Line, Vt., where she will spend a few weeks at the home of Mr. and Mrs. E. Lewis.

Mr. and Mrs. E. A. Chadsey, who were called to Sherbrooke, due to the death of Mrs. T. Flaherty, have returned to the New Cliff House.

Mr. and Mrs. D. N. Vaughan, of Hatley, and Mr. and Mrs. Robert Vaughan, of North Hatley, were called here due to the sudden death of their father, Mr. Elwin L. Vaughan.

Mrs. George Rediker, of Sherbrooke, was a guest of Mrs. F. O. Rand, at the home of Mr. and Mrs. W. E. Hurd.

Pte. Elmer Dezan, who has been Overseas for a year and a half, arrived on the Queen Elizabeth, via New York, over the week-end,

and is visiting Mrs. Dezan and family and his parents, Mr. and Mrs. Charles Dezan.

Mr. E. P. Lyon has closed his home here for a few weeks and left for Montreal, where he is visiting his daughter, Mrs. M. A. Turner, Mr. Turner and family. Later he will go to Derby Line, Vt., and visit his daughter and son-in-law, Mr. and Mrs. George Gaffield.

Mr. Hector Crowder, of Smith's Falls, Ont., who recently received his discharge from the Army, arrived over the week-end to assist his brother-in-law, Mr. A. B. Graham, in his store, and will reside with his sister and brother-in-law, Mr. and Mrs. Graham.

Mr. and Mrs. J. N. Hibbard have received word that their grandson, Maitland Hibbard, son of Mr. and Mrs. Kenneth Hibbard, now of Niagara Falls, Ont., arrived from Overseas on the Queen Elizabeth.

His many friends are very pleased to know that he has arrived home, and will be looking forward to his visit here.

Mrs. George Gaffield, of Derby Line, Vt., spent a day here with her father, Mr. E. P. Lyon.

PIGEON HILL

Tpr. Gordon Jones has returned home from overseas and is now at the home of his parents, Mr. and Mrs. Robert Jones.

Mrs. Fred Tinsley, of Stanbridge Ridge, spent a day with her parents, Mr. and Mrs. Charles Erno.

Mrs. Anna Hamel, of Swanton, Vt., was a guest of her sister, Mrs. Bernadette Jackavonis.

Mr. William Boucher is spending an indefinite time with his daughter, Anna, in Swanton, Vt.

Mrs. Frank Sager, who has been confined to her room for a week with the grippe, is now much better.

The farmers in this vicinity are busy hauling their wood and ice.

Mrs. Kate Stollker, of Freilighsburg, spent a week-end with her niece, Mrs. B. J. Laycock, and Mr. Laycock.

Miss Jane Erno is ill with pneumonia and is under the care of Dr. Schaffer, of Freilighsburg.

At a council meeting which was held in St. Armand, it was decided to keep the roads open in this parish with a big snow plough. Mr. A. Ducharme is furnishing the plough

and truck and is also doing the labor. This will be greatly appreciated by all in this vicinity.

Mr. Charles Bergeron, of Bedford, has returned and is assisting Mr. Lloyd Martin in his shop, after being away for a few weeks recuperating from an operation.

OBITUARIES

MR. BENJAMIN PAGE,
OF ORFORD

Orford, February 14.—There passed away on January 24, one who was much loved and highly respected, Mr. Benjamin Harland Page, at his home in Orford.

Mr. Page was the oldest son of the late Mr. and Mrs. Hiram Page, and the last of a large family. He was born and lived all his life in Orford. If he had lived he would have celebrated his ninety-third birthday on February 2.

He was married on June 29, 1892, to Louise Besicre Yates. Of this union four children were born. Miss Beatrice Page, Beatrice, Mrs. James Goodfellow, Melville, who resides at home, and Marjorie, Mrs. Wilbur McCurdy, who predeceased him ten years ago.

Mr. and Mrs. Page celebrated their golden wedding in 1942. The funeral was held from Blake's Funeral Home, on January 26, with the Rev. E. A. Wright, of St. Andrew's Presbyterian Church, officiating.

A trio composed of Mrs. McKay, Mrs. Tremblay and Mrs. Cooper sang two hymns, "Unto the Hills Around" and "Asleep in Jesus," with Mrs. Douglas Ross, the organist.

The bearers were all sons of the old neighbors of the deceased. Messrs. Ernest Hatch, Hiram McLeod, Douglas Ross, Harold Riches, Milton Browne and Norrey Bonallie. He was laid to rest in the family lot in Elmwood Cemetery, Sherbrooke.

Those left to mourn his loss are

his wife, Louise Yates Page; Miss Beulah Page, of Valcartier; Beatrice, Mrs. J. Goodfellow, of Tremblay; Melville, at home; thirteen grandchildren; and two great grandchildren.

The floral offerings were numerous and beautiful testifying to the high esteem in which the deceased was held by his many friends and relatives.

HENRY ROGER PLACE,
OF AYER'S CLIFF

Ayer's Cliff, February 14.—Another of the town's aged but highly respected citizens, Henry Roger Place passed away at his home here on January 18.

The deceased was in failing health for the last two years, but since last June had been confined to his bed, and was tenderly cared for by his wife, son and daughter-in-law.

The deceased was born in Compton in 1865 and was the son of the late Jacob Roger, and Rosie Place. In 1887 at South Stukely he was married to Nellie Crosby Paige, by the Rev. C. H. Lawrence. They had four children, Warren L., of Ayer's Cliff, who together with Mrs. Place and son, Russell, moved in with their parents, to care for them since the father's illness; Elsie, Mrs. George LaBonte, of Miami, Fla.; Ethel, Mrs. Walter Gilmore, of St. Eustache; and Harlie, of Roseland, N.J.; he is also survived by two sons-in-law, one daughter-in-law, four grandchildren and four great-grandchildren, besides nephews and nieces.

The funeral service was held from his late residence on Tuesday, January 15, when a large number of friends and relatives assembled to pay their last tribute of respect to their loved one. Rev.

M. H. Sanderson, officiated and spoke words of comfort to the bereaved family. A quartette sang two hymns, "The Old Rugged Cross" and "Nearer My God to Thee." Mrs. H. Nelson Pierce, Mrs. J. A. Lundeborg, and Messrs. Fred Wyman and Leland Mosher, composed the quartette, with Mrs. Willard Rexford at the organ.

The pall bearers were Dr. C. L. Brown, Mayor M. R. Rexford and Messrs. A. G. Clough and A. H. Slack, and the bearers were Messrs. H. Nelson Pierce, Willard Rexford, J. N. Hibbard and E. H. Chadsey.

The floral offerings were many and beautiful and many telegrams, letters and cards bearing messages of sympathy were received by Mrs. Place and family. The children were all at home excepting Mrs. LaBonte, who under traveling conditions was unable to come.

Those from a distance were Mr. Harlie Place, of Roseland, N.J.; Mr. Harvey Peck, nephew, of White River Junction, Vt.; Mr. and Mrs. Walter Gilmore, of St. Eustache; Mr. Arthur Martin, of Montreal; Mr. and Mrs. Wallace Robinson and Mr. Percy Johnston, of Lennoxville; and Mr. Andrew Thomas, of Michael Thomas, of Newporth, Vt.

The deceased was a loving husband, a kind father and a good neighbor and friend and was always ready to help do the odd job that others would refuse. He will be very much missed in his home and in the community. All extend the deepest sympathy to his family in their loss.

MRS. B. R. SWEET,
KNOWLTON.

Posters, Feb. 14.—Mrs. B. R. Sweet, a much loved and highly respected resident of Knowlton, passed peacefully away at the home of her daughter, Mrs. J. R. Worden, in Posters, on Friday morning, January 18.

Although suffering from the grippe and bronchitis for a few days previously, her condition was not considered serious, and the news of her sudden death came as a great shock to relatives and friends.

Born in West Bolton on May 2, 1863, the second child of John Cousins and his wife Electa Giddings, she had resided all her life in Bromes County, with the exception of a few years during early married life which were spent in Newporth, Vt.

The deceased was a graduate of Knowlton High School, and later a successful teacher until her marriage on April 14, 1885, to Benjamin R. Sweet, who predeceased her on September 9, 1939. Of this union six children were born, the eldest a son, Clarence, who died in infancy, the youngest, a daughter, Grace, who passed away at the age of sixteen years, and a son, Hugh, who died on May 8, 1944.

Surviving are three daughters, Essie, Mrs. J. R. Worden, of Posters, Elva, Mrs. R. H. Shufelt, of Cowansville, and Eva, Mrs. E. B.

Dryburgh, of Montreal, who together with her son-in-law, a granddaughter, Margaret Shufelt, a brother, William Cousins; three sisters, Mrs. E. Glasier, of New Britain, Conn., Mrs. H. Cousins, of Bolton Centre, and Mrs. H. Thompson, of Vancouver, B.C.; a sister-in-law, Mrs. C. Cousins, of Newporth, Vt., and several nieces and nephews, besides hosts of friends, are left to mourn her loss.

Mrs. Sweet was a kind and loving wife and mother, and will be greatly missed not only by her own family, but by all with whom she came in contact. Of a deeply religious nature, she spent her life freely in the work of the church and Sunday School and for the good of the community as long as her health permitted.

Rev. R. A. Mitchell conducted the funeral services, which were held at the home of her daughter, Mrs. J. Worden, and Mr. Worden. A favorite hymn, "Abide With Me," was sung by Mr. and Mrs. Guy Cousins, of Sweetburg.

The many beautiful flowers were tributes to the love and esteem in which the deceased was held.

The bearers were two cousins, Messrs. Forest and Grayson Cousins, and two nephews, Messrs. Arnold and William Badger.

Interment took place in the family lot in the Wheeler Cemetery, Knowlton.

Among those from out-of-town attending the funeral service were Mr. and Mrs. Rupert Shufelt and Miss Margaret Shufelt, of Cowansville, Mrs. E. B. Dryburgh, of Montreal, Mr. William Cousins, of Knowlton, Mr. and Mrs. Forest Cousins and Mr. and Mrs. Grayson Cousins, of Bolton Glen, Mr. and Mrs. Guy Cousins, of Sweetburg, Mr. and Mrs. Arnold Badger, Miss Kathleen Badger, and Mr. George Badger, of Falford, Mr. William Badger and Mr. and Mrs. Ernest Badger and son, of Bolton Pass, Mr. Guy Shufelt, Mr. Gordon Shufelt, Miss Grace Shufelt and Mrs. Fred Shufelt, of East Farnham, Mr. and Mrs. Harry Shufelt, of Montreal, Mr. Charles Blake, of Newporth, Vt., Mr. Edgar Chadsey, of Sweetburg, Mr. Clarence Worden, of Waterloo, Mr. and Mrs. R. Y. Beeworth, Mr. and Mrs. Marshall Miller and Mr. and Mrs. Harold Spencer, of Bromes Centre, and Mr. Irving Snodgrass, of West Shefford.

MRS. G. W. SCHOOLCRAFT,
DERBY LINE, VT.

Derby Line, Feb. 14.—Funeral services for Mrs. George Wellington Schoolcraft, who passed away at her home in Derby Line, Vt., early Friday morning, February 1, were held in St. Andrew's Church, Rock Island, on Sunday afternoon, February 3, at 2:30 p.m. Rev. H. A. Carson officiated, assisted by Rev. C. M. Stewart, of St. Andrew's, and Rev. C. R. Stetson, of Derby Line. A mixed quartet sang two very beautiful hymns, favorites of the deceased.

Interment was made in the Derby Line Cemetery. Mrs. Schoolcraft was the former Hannah Elizabeth Young, a daughter of Horace and Maria Jenkinson Young, and her paternal grandfather was Andrew Young. The family became owners of a large tract of land in the ninth range of the township, which became known as the Young neighborhood, and still retains that name.

After the marriage of Mr. and Mrs. Schoolcraft, they acquired the ancestral home from Horace Young and the Schoolcraft family home was established there, which was the farm afterwards owned by Thomas Young. From there the Schoolcrafts moved to the Rogers-Moulton neighborhood.

took it upon herself to look after and help care for those less fortunate than herself and she is being mourned by her associates in the Home. Thus she served her fellow men to the end. It can be truly said "a faithful servant has gone to her reward."

Funeral services were held in Wesley United Church at Beebe with Rev. Mr. Lovelace officiating. The bearers were Messrs. Harold Gustin, William Swift, Harold Cass and James Miller, friends of the departed.

Burial will be made in the Gustin lot, in the Griffin Cemetery in the spring.

BABY'S
HOT LITTLE HEAD
MAY BE A DANGER SIGNAL

WHEN your Baby's head feels hot to your hand you must do something. And do it quickly. Read what another mother does and what results she gets! My baby's cheeks and hands were so hot. I was frightened. I gave him a Baby's Own Tablet at noon and by after supper he was all better.

And Mrs. Francis Carroll, of Midland, has this to say: "My little girl was so feverish I was really alarmed. Then I thought of Baby's Own Tablets, so I gave her three every two hours and by night she was up and around."

Baby's Own Tablets are sweet-tasting, easy to take—and may be quickly crushed to a powder if desired. They help reduce the simple fever common to trivial sicknesses of babyhood by clearing harmful wastes out of the system. If fever is not relieved promptly, consult your physician. No "sleepy" stuff—no dulling effect. Equally good for constipation, teething troubles, upset stomach and other minor ailments of baby. Used with confidence by mothers for over 40 years. Get a box today. Sickness is often strikes in the night. 25 cents. Money back if you are not satisfied.

Itching, Burning, Stinging
Eczema or Salt Rheum

Eczema, or salt rheum as it is commonly called, is one of the most painful of all skin troubles. The intense burning, itching and smarting, especially at night, or when the affected part is exposed to heat, or the hands placed in hot water are most unbearable, and relief is gladly welcomed.

The relief offered by Burdock Blood Bitters is based on the knowledge that such ailments as eczema, and other skin troubles, are caused by an impure blood condition.

PRESIDENT'S ADDRESS (in part)—The hope of widespread prosperity must be based for Canada and for other nations on the development of multilateral trade through the use of the facilities to be supplied under such arrangements as those contemplated by the Bretton Woods agreements, and, in a broader sense, by the successful operations of the United Nations Organization.

The sacrifices and deprivations which people must endure in time of war will not be accepted by them without question in time of peace. Spending by governments should be sharply curtailed and full employment sought by the encouragement of production under our Free Enterprise system in order to develop our natural resources and manufactures, keeping always in view the necessity of increasing our exports. A return to taxation on a scale that will permit the accumulation of venture capital for new industries, and for the development of natural resources, would appear to be essential to the establishment of a sound economy.

No manipulation of our economy would enable people to live without labour, and enjoy the benefits of government spending without paying for them. Nor can they escape indefinitely the consequences of extravagance and waste in any quarter. It cannot be said too often that Canada's present financial position demands the fullest realization and application of these basic principles.

GENERAL MANAGER'S ADDRESS (in part)—The problem of keeping funds employed at satisfactory rates increases with the seeming trend towards even lower interest rates and the consequent calling of securities. Low yield government bonds and high taxation cause hardship for many who must have security. Government pressure on interest rates also tends to discourage thrift when the return on invested savings is so small. The 4% surtax on income derived from investments as opposed to so-called earned income is unfairly discriminatory and should be done away with. It ignores the fact that many people unable for various reasons to earn an income are dependent on income from investments.

The Company means security and freedom from financial worry to an increasing number of families and individuals who make use of its many branches across Canada. In choosing a trust company, one naturally looks for strength and stability. The next most important attribute is quality of service, and I think it is fair to say that a trust company is not much, if any better, than the calibre of its officers and staff. It is our constant aim to maintain a high standard in personnel and to serve our clients efficiently. We look forward to continued growth as the whole idea of trust companies becomes more widely known and appreciated by the public.

COATICOOK

A meeting of St. Stephen's Guild was held at the home of Mrs. Weary. The rector was present and opened the meeting with prayers. The minutes of the annual meeting were read and approved. Mrs. Howard Church was appointed secretary. Conveners for the following committees were appointed: Hall renting com-

mittee, Mrs. G. C. Tillotson; visiting committee, Mrs. Jones; spring committee, Mrs. Ellis and Mrs. Tillotson; fall committee, Mrs. James Wallace and Mrs. L. Baskerville. The rector closed the meeting with prayers. A very enjoyable tea followed, served by the hostess.

A meeting of the women's Association of the United Church was held at the home of Mrs. Burbank

with a good attendance of members. Following the devotional period, plans were completed for the annual anniversary supper to take place on February 2. The date set for the St. Patrick's tea was March 14. The meeting closed with the Mizpah benediction, after which the hostess served refreshments. Mrs. Rowe and Mrs. Hansford offered to entertain jointly for the March meeting.

Word has been received by Mrs. George Sheard of the safe arrival of her husband in England, where he made the trip over the weekend by plane.

Miss Beverly Martin went to Magog for a week-end to be the guest of her mother at the home of Dr. Morley McKeel.

Mr. Samuel Moyle sold the large apartment building, commonly called the Platiron Building, on the corner of Main and Pleasant Streets, to Lawyer Samson.

PHILIPSBURG

The annual congregational meeting of the Philipsburg United Church was held in the church hall with a large attendance and with the pastor, Rev. T. W. Tyson, presiding. The financial report of the Women's Association, given by the treasurer, Mrs. E. Piche; and of the church finances given by the treasurer, Mr. G. L. Kidd, both showed substantial balance on hand at the end of the year. A review of the year's work was given by Rev. T. W. Tyson, who expressed his thanks to all who by their work and help had made it the successful year it had been. The election of officers was then held and resulted in all officers being re-elected and Mr. Edward Piche, being elected secretary to replace Mr. E. N. Morgan, who had moved away during the year. At the close of the business meeting a social hour was enjoyed and refreshments were served by the ladies of the Association, following which Rev. T. W. Tyson, on behalf of the congregation presented Mr. and Mrs. D. Squires, who are moving away from this vicinity, with a walnut coffee table, expressing the thanks of all for the splendid help and assistance they had so generously given, while residing here. Mr. Squires replied thanking all for the gift and the good wishes expressed. The singing of "Auld Lang Syne" brought to a close a most successful meeting.

The annual meeting of the Guild of St. Paul's Church was held at the rectory. Mrs. Andrews was elected president; Mrs. Young, vice-president; Mrs. Naylor, secretary, and Mrs. H. Hastings, treasurer. At the close of the meeting, refreshments were served by Mrs. Andrews assisted by Mrs. Mayes and Mrs. Naylor. The next meeting of the Guild will be held at the home of Mrs. Byron Gardner.

The vestry meeting was held at the rectory. The retiring wardens, Dr. T. E. Montgomery and Mr. John Deuel, were replaced by Mr. Young and Mr. Hastings. Dr. Montgomery was again elected as vestry clerk and Mr. R. Grevatt, secretary-treasurer.

Mr. and Mrs. R. C. Slee and Miss Edna Slee, of Montreal, were weekend guests of Mrs. R. Slee.

Spr. H. H. Johnston arrived home from overseas on the Scythia and is the guest of his parents, Mr. and Mrs. H. R. Johnston.

Mr. Allan Maxwell spent a week-end in Montreal.

BRESSETT'S CORNER

Mrs. George Heathcote, of Providence, R.I., and Mrs. Chester Kern, of Central Falls, R.I., have returned home, after spending a few days with their uncle and aunt, Mr. and Mrs. Albert Vance.

Mrs. Lottie Lundberg, of Eustis, was a guest for a day at the home of Mr. and Mrs. Albert Vance. Master Larry Swallow has returned to his home in Sherbrooke, after spending a few days with his grandparents, Mr. and Mrs. Albert Kezar. Masters Robert and Percival Little, also spent a day at the same home.

Mrs. Gerald Knutson spent a few days with her sister, Mrs. Scott Kezar, in North Hatley.

Mrs. Fred Reed had the misfortune to break two ribs. Her friends wish her a speedy recovery. Mrs. George Freeman, of Springfield, Mass., has been visiting her mother, Mrs. Fred Reed. Mrs. J. V. Knutson was also a caller at the same home.

Mr. and Mrs. Rene Dussault, of Hartford, Conn., were calling on Mrs. Dussault's brothers, Messrs. Rudolph and Archie Nelson.

Mrs. Olof Knutson was called to Waterville by the sudden illness of her aunt, Mrs. Aggie Allarydie.

The many friends of Mrs. William Raymond will be sorry to learn that she has a broken hip as the result of a fall and wish her a speedy recovery.

Mrs. Olof Knutson entertained at a family dinner in honor of her husband's and his twin brother's birthday. Miss Margaret Knutson, of Sherbrooke, was among the guests.

MARBLETON

The regular monthly meeting of the Women's Auxiliary was held at the home of Mrs. Walter Mackell, with seven members present.

The meeting was opened by the vice-president, Mrs. C. Weyland, the members' prayer and prayer for absent members being used.

The minutes were read and adopted. Lectures were read from the prayer partner, Miss Winnifred Moulton, and from Miss Stevens, of Lennoxville. Plans were made to hold a St. Valentine's party at the home of Mrs. William Hetherington, with Mrs. Maskell and Mrs. Hetherington as conveners. The work of the afternoon was making blocks for the patchwork quilt. The next meeting is to be held with Miss Florence Hunt. Refreshments were served by the hostess, assisted by Mrs. Hetherington.

The Red Cross branch met at the home of Mrs. R. W. L. Thorne-

loe. A quilt was tacked and made

ready for shipment. A quantity of work is still unfinished.

Mr. and Mrs. R. L. Bishop, of Sherbrooke, were tea guests of Mr. Bishop's parents, Mr. and Mrs. H. H. Bishop.

Mr. Clifford Weyland has returned home, after spending three months in Ontario.

Word has been received from Mrs. Mervin Barrington that she and three other ladies from Ormatown were to play in the ladies' curling bonspiel, at Sherbrooke.

HUNTINGVILLE

The Christmas Club was pleasantly entertained at the home of Mrs. William Bowers. The afternoon was spent in playing "500".

Two visitors and six members were at the meeting. After the games tea was served by the hostess, assisted by Mrs. Fred Main, of Lennoxville. A birthday cake decorated in white and silver in honor of Mrs. F. C. Main's birthday formed the centerpiece. The crocheted apron made by Mrs. W. Bowers and do-

nated by her to raise funds for a new flag, for the school grounds, was drawn for at this meeting. Miss Jean Bowers made the drawing of tickets, and Mrs. Ray Hunting, of Lennoxville, held the lucky number. A vote of thanks was extended to Mrs. Bowers for her untiring efforts in this cause. Mrs. Main invited the members to meet at her home for the March 5, meeting.

Friends of Mr. Fred Main will regret to hear of his accident while at work at the Ingersoll Rand. It is hoped he will soon be out again after being confined to bed for a few days.

Mrs. Leo Williams, of Bulwer, is caring for Mrs. Charles Simons during her illness. The many friends of Mrs. Simons will be pleased to hear that she is improving.

Friends of Miss Uldene Barber, regret to hear that she has been ill but is now gaining.

Pte. Bernal Lyonnais, and Mrs. L. onnais were supper guests at the home of Mr. and Mrs. E. J. Harrison.

Pastor C. P. Long, of South

Stukely, and Miss Emma Wilson, of North Hatley, were calling at the home of Mr. and Mrs. Albert Day.

Mr. William Graham is spending an indefinite time in Sherbrooke with relatives.

Mrs. Alberta Lord is not enjoying good health. Her many friends join in wishing her improvement in health soon.

Mrs. Fred Main, of Lennoxville, was a guest of Mr. and Mrs. F. C. Main.

LEARNED PLAIN

Friends are glad to welcome home Pte. William Harper, who recently arrived from overseas on the Queen Elizabeth via New York. He is spending a thirty days' leave with his parents, Mr. and Mrs. E. Harper, and other relatives.

The Group of War Workers met at the home of Mrs. R. Hodge, where the day was spent in tacking quilts. Mrs. Hodge served refreshments.

Mr. and Mrs. Thomas Kinsley entertained general neighbors at

their home, on January 24, the occasion being Mrs. Kinsley's eighty-fifth birthday. A very pleasant evening was spent in playing cards and dancing. Mrs. Kinsley served delicious refreshments and before leaving for their homes all joined in wishing her many more happy birthdays.

Master Darrell Hume has been confined to his home for several days with a severe attack of the flu. Dr. Bennett, of Cookshire, is attending him. All wish him a speedy recovery.

KINGSBURY

The Kingsbury Farm Forum Group met at the home of Mr. and Mrs. Guy Frank with a good attendance. Following the program, cards were played and a social hour was enjoyed. Prizes for cards were won as follows: 1. Mrs. Gordon Crack; consolation, Mrs. M. Oakley; gentlemen, 1. Mr. R. A. Crack; consolation, Mr. R. Kerr.

As alad supper was served at the close of a very pleasant evening.

HE BLAMED HIS WIFE'S COOKING

He had no appetite . . . and he blamed his wife's cooking. His digestion was poor, his nerves jumpy and on edge. He was run down and subject to frequent colds. These are often the symptoms of a deficiency of vitamins A and C. Libby's "Gentle Press" Tomato Juice is an excellent source of these vitamins, and a refreshing drink with the garden-fresh flavour of juicy, ripe tomatoes. Drink it by the tumblerful, for health and pleasure too.

McIntyre Declines Offer, States Cash Involved Is Very Wee Rates

Manny McIntyre, popular left-winger on Sherbrooke's famous Colored Line and baseball star of no mean ability, has turned down an offer from William J. Burns Jr., secretary and general manager of the Sherbrooke Canadian Baseball Club Inc., to play with the local nine this season and break into organized ball, it was learned by a Record reporter today. Should McIntyre have signed the Canadian contract, he would have become the third colored player to jump into the white leagues of organized baseball.

McIntyre's reason for turning down the offer is due to the salary in question although he was offered the highest salary plus bonus to any player in "C" class ball. He stated that he would sign if he were offered more money but the first offer wouldn't pay him to take the step. Last year he patrolled the shortstop position for Three Rivers in the Provincial Baseball League and earned a fine reputation as a diamond star.

Word has come from Lucien Robichaud, general business manager of the local nine, that Nick and Alfie Malfara, two of the three brothers who turned in commendable performances for Sherbrooke Notre Dame last year, will in all likelihood come back to Sherbrooke and take their first step into organized ball. Nick turned out in the uniform of the Montreal Royals after his duties were finished in Sherbrooke last year and was offered a contract by the Brooklyn organization for 1946 but turned it down—why is not known. Two other members of last year's Notre Dame squad have

Y.W.C.A. CAGE SQUAD DEFEATS L.H.S. BY 20-13

The powerful Y.W.C.A. girls' basketball team downed the Lennoxville quintette by the score of 20-13 in a regular fixture of the E. T. B. A. on the "Y" floor last night.

Showing a sudden reversal of form, Etheline Martin took over the spotlight usually occupied by sister Florence and scored 6 points to pace the home team while Florence Martin took second honors with 4.

Setting the scoring pace for the visiting Lennoxville girls, Annette McKinnon tallied 5 points and her sister, Roberta, followed closely with two field goals for 4 points.

L.H.S.—A. McKinnon 5, Leach, Hamilton, R. McKinnon 4, Audet, Stoute, McKinnon 3, MacDonald 1.

Y.W.C.A.—F. Martin 4, Northey, Humphries 3, Shufelt 3, E. Martin 6, Dean 2, Fountain 1, Wells, Twyman, Tindale 1.

Resurging Lachine Edges Saints; Ebbing Intrepides Bow To Tigers

Lachine, Que., Feb. 14.—(C)—Lachine Rapides edged to within three points of the second-place Sherbrooke Randers in the Provincial Hockey League as a result of a 6-5 victory over St. Hyacinthe Saints here last night.

Connolly scored three times for St. Hyacinthe, while Tony Demers and Bourcier added other goals for the Saints. Joe Desroches and Jacques Morin led Lachine's scoring with two goals each, while Marcel Champagne and Yvon Hamel added one each.

BLUE QUARTET DEFEATS CLARK RINK BY 10-8

Five games were played in the John A. Nichol Memorial Trophy competition last night at the Lennoxville Curling Club.

H. B. Johnston and S. A. Belmont tied off in the first main event fixture with Johnston emerging on the long end of a 12-3 count while D. Elliott took M. J. Bennett's Lennoxville rink into camp 8-6. A. P. Blue defeated D. R. Clark 10-8 and G. McClintock downed H. Armstrong 15-14.

In the fifth game of the main event J. N. Fuller trounced R. McD. Miller's rink by a score of 13-6.

Two games featured the consolation round with two Sherbrooke rinks competing in the first game and two Lennoxville quartets in the second. J. R. Sangster defeated M. V. Long 7-5 and W. W. Crawford won a 9-5 victory over C. Nichol.

Six games are on tap for tonight as the annual granite bonspiel goes into its fourth night of play with H. W. S. Downs, Sr., meeting E. W. Gilbey and C. E. Soles teeing off with J. R. Sangster at six o'clock in the consolation quarter-finals. At 8, H. A. Desbois will meet W. J. Lane and J. S. Hamilton will clash with W. S. Roy.

In the main bout to take place at 10 o'clock, G. McClintock and H. B. Johnston will fight it out while D. V. Elliott and A. P. Blue display their ability.

Three Rivers Rink Captures Local Ladies' Curling Club Championship

Miss Mabel Tebbutt's Three Rivers rink won the G.M. Young Trophy, symbolic of the Sherbrooke Ladies' Curling Club bonspiel championship by defeating a Lennoxville rink skipped by Mrs. W. S. Richardson 12-5 last night at the Sherbrooke Curling Club. It is the first year that this new trophy has been put up for competition.

In the finals of the consolation round Mrs. L. Watson's Lennoxville quartet won the Rand Trophy, also newly-donated, by overwhelming a Sherbrooke rink skipped by Mrs. W. Kinkead 16-1.

Presentations of both trophies were made immediately following the bonspiel finals by Miss E. Haight, president of the Sherbrooke Ladies' Curling Club.

Miss Tebbutt's rink advanced into the finals yesterday by defeating Mrs. Detmers' Outremont foursome by a 11-6 count in the second round. On Tuesday the Three Rivers team had downed Mrs. Johnston's Sherbrooke rink 12-5 in the opening round. Besides Miss Tebbutt the Three Rivers rink included Mrs. Andrews, Mrs. Beswick and Mrs. Grant.

Mrs. Watson's rink, knocked out in the first round of the Young competition by Mrs. McKinnon's Quebec rink, came back strong to win their two consolation games and the Rand Trophy, sweeping aside Mrs. Johnston's Sherbrooke quartet 14-4 in the second round.

Following are yesterday's complete results:

Windsor Mills Resumes Top Spot By Thin 7-6 Score Over Richmond

With the addition of a new goaltender, Richmond Phantoms came within an apple's throw of upsetting the Windsor Mills applecart last night as they held the Paper Makers to a mere seven goals while they sank the rubber six times in their own half at Windsor Mills. The win gives Windsor first place again in the E.T.H.L.

The Granites took the lead early in the game on goals by Lacroix and Desroches, which were nullified when Theroux and Garand returned the compliment to tie the game up at the sixteen minute mark. But in the last minute of the first period, Lacroix did the trick again for Windsor to give them a 3-2 lead when the bell sounded to end the session.

In the second frame, Richmond out-scored the powerful Paper Makers 3-1 as Garand, Tremblay and Dulude denied the twine after Dionne's effort for Windsor.

Going into the final canto, the Paper Makers reversed the proceedings of the previous stanza to tally three on goals by Payette, Gauthier and Morey while Theroux scored for Richmond in the last minute of play to leave the count 7-6 for Windsor at full time.

Lineups: Windsor Mills: Hamel, goal; defence, Longue, Dulude; defence, Lacroix, Gregoire. Richmond: J. Tarte.

Canadiens, Boston Hurdle Chicago Into First With Resounding Wins

Montreal and Boston jointly climbed into a first-place tie in the National Hockey League standing today, leaving Chicago a point behind in third place.

And the two games last night, when Boston blanked Detroit 3-0 and Canadiens walloped Chicago 5-1, shoved the three leaders a further ahead of the pack. Detroit

in fourth place now is four full games back of Chicago, and the duel for the last playoff spot assumed new intensity with the Leafs still only two games back of Detroit.

The shift in the leaders was accomplished by the roughest game of the season at Chicago and a neat whitewashing job at Boston.

It was three minutes before officials could sort out the participants and send them to the coolers. Hamill, Richard and Harmon with Majors, Gage with a minor. The unrest persisted in the penalty box with Chicago fans trying to stir things up but other players of both teams got things quietened down.

Bill Mosienko had scored the only Chicago goal at 12:27 of the first period. Toe Blake got that one back in the second, and Canadiens then built up the score with two goals by Richard and singles by Chamberlain and Lach.

At Boston 13,900 fans saw Frankie Brimsek turn in his second shut-out since rejoining the Bruins. In direct contrast to the game at Chicago, the tilt at Boston saw only one penalty.

The move came while the N.H.L. governors prepared to consider Peto's application for the franchise of the defunct Montreal Maroons, now owned by the Canadian Arena Company, operators of Montreal Canadiens.

Peto plans to erect a \$2,500,000 indoor sports stadium in Philadelphia to house an N.H.L. team and to provide accommodation for all kinds of sports events.

Other controversial questions before the governors include:
1. The expulsion of Walter (Babe) Pratt, Toronto defenceman, from the N.H.L. Jan. 29 for gambling on league games.

2. The question of bringing Brooklyn Americans back into the league.

3. The future of the league presidency. Major interest, however centres on the Peto application and on the Pratt case.

Pratt, 30-year-old defenceman from Stone Mountain, Man., has played with Toronto for three seasons, coming to the Leafs from New York Rangers. A former all-star and Hart Trophy winner as the most valuable player in the league, Pratt was charged by League President Mervyn (Red) Dutton with betting on N.H.L. games and with failing to report an unsuccessful attempt to bribe him to throw a game.

N.H.L. Governors Consider Varied Topics: Franchise, Pratt, Amerks

By JOHN D. HAMILTON
Canadian Press Staff Writer
New York, Feb. 14.—(C)—Philadelphia, the City of Brotherly Love, loomed up as a hockey battle-ground today as governors of the National Hockey League opened their two-day annual spring conference in New York.

They already had a hatful of explosive issues on the agenda when the Philadelphia Arena, Incorporated, declared war last night.

Naming each of the six directors of the N.H.L. as a defendant, the Arena, owner of the inactive Philadelphia franchise in the American Hockey League, slapped a law suit on L. Peto, Montreal sportsman who hopes to establish a National League club in the Pennsylvania city, and asked a United States district court to forbid establishment of a franchise there.

The move came while the N.H.L. governors prepared to consider Peto's application for the franchise of the defunct Montreal Maroons, now owned by the Canadian Arena Company, operators of Montreal Canadiens.

Peto plans to erect a \$2,500,000 indoor sports stadium in Philadelphia to house an N.H.L. team and to provide accommodation for all kinds of sports events.
