P.A.P.T Professional Service Awards for two area teachers

An interesting feature of the Annual Meeting of the Chateauguay Valley Teachers' Association held at the Casa Valencia Motel in Chateauguay on Wednesday, May 26, was the presentation of two Professional Service Awards to Mrs. Margaret Kerby and Mrs. Mary McGerrigle, teachers at Chateauguay Valley Regioal High School.

This award is granted for superior performance and good service within the classroom and the school, and professional interest and activity in the local association. To be eligible one must have taught at least 18 years in the Province of Quebec, with at least 5 of these, consecutively under one school board.

The following citation, accompanying the Professional Service Award for Mrs. Kerby, was delivered by Mr. J. C. Murray, Vice-Principal of C.V.R.

"Mrs. Kerby began her teaching in 1933 at Elgin School. From 1958-1964, she taught for the Roman Catholic School Board in Huntingdon, from 1964-1967 she taught for the Salaberry Regional School board in Valleyfield.

From my point of view the basis of a professional citation must be what goes on between the four walls of a building and between the four walls of a classroom.

To me, Mrs. Kerby has exemplified a type of teacher — my type of teacher — a type that has been the back bone of the educational system since the beginning of organized education — a type that continues to provide a solid base for growth even in the hnge, regional, polyvalent structures.

Mrs. Kerby has been a teacher "on the job." This is the essence of quality service. She is of the type who consistently is there to meet the pupil, to teach without complaint whatever miscellaneous group the computer or time tabler churns up for her, to complete with efficiency the myriad forms, reports, or lists that emanate from the administrative offices, and to live in graceful harmony with fellow teachers, whether as a member of a working committee or in staff lounge 'give and take.'

Mrs. Kerby, I remember our first meeting in the grimy confines of the Industrial Building of Ormstown Fair Grounds, while C.V.R. was still in the process of construction. I doubt if you could have anticipated then the scene of confusion that would characterize our opening years at C.V.R. The administration of C.V.R. appreciates the fact, that whatever order and stability has subsequently been established, has been the result of "on the job" service such as you have consistently brought to your professional responsibilities. I am proud to have the opportunity to offer this citation."

Mr. Earle Y. Templeton, principal of C.V.R., gave the citation for the award presented to Mrs. Mary McGerrigle, Senior English Teacher.

"Mrs. Mary McGerrigle, who is being honoured this evening, graduated from Gault Institute and proceeded to McGill University where she obtained her B.A., and teaching Certificate. She began her teaching experience in a small school at Lakefield, Quebec, in 1936. She taught successively at Shawville, North Hatley, La Tuque, Lachute, Grenville, Cookshire, Sorel, and C.V.R. This represents a wide sampling of the schools of the province — both with respect to size and geographic location. Daring the span of 35 years, Mary remembers most vividly her experience in Shawville where she taught all subjects to 44 pupils at the grade IX level for the sum of $500.

Mrs. McGerrigle has served on many local and school committees, having been past-president of the Argenteuil — Lake of Two Mountains Teachers' Association. She has always been ready to serve where needed and has responded to the call for staff advisor to year books, co-ordinator of lunch hour programs, advisor for spring proms, representative for workshop committees, and a host of other tasks. At C.V.R. she has served as Secretary of the Educational Workshop since its inception three years ago. She was also largely instrumental in producing the yearbook at C.V.R. during the first two years of the School's existence. Furthermore, she has had wide experience with Girl Guiding; she became interested in this work in La Tuque in 1944, and continued in the field in Lachute and Grenville. For over a period of 15 years, she was Brown Owl, Guide Captain, and Range Leader. In 1949, with seven other Guiders, and a group of Girl Guides, she camped across Canada. Family duties then curtailed her activities outside the home.

She and her husband Andy, a retired high school principal, have provided a home for three adopted children. She has been a wise counsellor and good listener for scores of other young people in and about the School.

Although Mrs. McGerrigle retires from teaching this June. She has already offered her services in the library for the School term, begining in September.

It is my pleasure to present Mrs. Mary McGerigle for the P.A.P.T. Professional Service Award."

Mr. Donald Gosneil President of the local Association called upon Mr. Wendell Sparkes from P.A.P.T. Headquarters, Montreal, to present the awards to Mrs. Margaret Kerby and Mrs. Mary Mc Gerrigle.

Awarded for service

Mrs. Mary McGerrigle (left) and Mrs. Margaret Kerby were recipients of Professional Service Awads on May 26, the occasion being the annual meeting of the Chateauguay Valley Teachers' Association. Both are teachers at Chateauguay Valley Regional High School in Omstown. The gentlemen in the picture are, left to right, Mr. E. Y. Templeton, Principal of C.V.R., Mr. Donald Gosnell, President of C.V.T.A. and Mr. J. C. Murray, Assistant Principal.

Much damage in Route 3 crash

A two-car collision at the intersection of Route 3 and Chemin du lac, Ste. Barbe caused damages estimated at more than $1,000, early Sunday morning.

The mishap occured when a '68 model car driven by Jean-Thomas Cloutier, 37, of Valleyfield entered the intersection and collided with a '71 model car driven by 17-year-old Yves Daoust of St. Louie de Gonzague.

Damages to both vehicles were estimated at more than $500 respectively.

Executive appointed

As yet the Municipality of Godmanchester has no fire truck but there's no doubt they have an enthusiastic fire department. More than 40 interested men turned out for a Wednesday, May 26 meeting held at Hinchinbrooke's fire hall in Athelstan. After discussion on various topics it was collectively agreed to elect officers. Left to right, Mr. Bill MacDonald, President; Mr. Phillippe Leblanc, Secretary; Mr. Royce Ruddock, Treasurer and Vice-president, Mr. David Rankin.

Godmanchester firemen meet

Fire dept. elects an executive

The announcement that the Municipality of Godmanchester is to purchase fire equipment has generated more than a little enthusiasm among potential firemen in that township. A credible example of the spirit involved was the response to a Wednesday evening, May 26 meeting at Hinchinbrooke fire hall in Athelstan.

Approximately 40 prospective Godmanchester fire fighters and interested persons gathered at the hall and before the meeting came to a 10.30 p.m. close, an executive as well as a board of directors had been nominated and duly elected.

The initial stages of the assembly were subdued in tone but "warmed up" after nominations and elections. Discussion and questions from the floor were directed at three representatives of the Hinchinbrooke Volunteer Fire Brigade who provided expert advice as well as the meeting place. Hinchinbrooke has been a forerunner in providing assistance to the new brigade and according to statements by their representatives they'll be "more than happy to help in any way we can."

Billy McDonald, chairman of the Godmanchester group opened the meeting and spoke briefly on "what's next" in relation to further plans for their department.

Messrs. Dan Tully and Donald Ednie of the Hinchinbrooke brigade were called upon to give some background information as to the formation and present set up of their operation.

A point stressed by both gentlemen was the importance of a set of bylaws that the department could follow. Hinchinbrooke's bylaws are composed of a number of strict regulations that quite literally pro-

(Continued on page 6)

Fire damages Ormstown house

The explosion of a 45-gallon drum of fuel oil has been cited as the cause of a Saturday evening fire in Ormstown. Reports indicate that the drum, located behind a two-storey double occupancy tenement on Cairns St. exploded after a child had started a grass fire in the area.

The building is owned by Mr. Rosario Laberge. He and his brother occupied one side of the house while Mr. Robert Guérin, wife and children lived in the other.

Spectators say that moments after the explosion, flames shot as high as 25 feet over the building. Ormstown Fire Dept. was quick to reply to the call and arrived with a contingent of 18 firefighters.

Flames had worked their way up a side wall and into the attic. Firemen managed to control the outburst in less than one-half hour. They did however stay on the scene until later that evening to assure that it would not reignite.

Chief Ivan Barrington said he was grateful to all who had turned out and so willingly helped. He stressed that the fire could have easily spread to neighbouring houses if the Ormstown volunteers had not been so prompt in answering the call.

"Mission Festival"

A group comprised mostly of Huntingdon United Church's Sunday school pupils (Kindergarten through six) present their story in song at Sunday's "Mission Festival' at the church.

THE LEADING ADVERTISING MEDIUM IN THE DISTRICT OF BEAUHARNOIS ●

108th YEAR | HUNTINGDON, QUEBEC | Wednesday, June 2, 1971 | 15¢ per copy | 14 PAGES

Ormstown Ex. opens in 7 days

Ormstown Exhibition, an annual event which attracts young and old as well as those in between from throughout the Chateauguay Valley and elsewhere, kicks off its 57th edition on Wednesday June 9.

We won't brand this year's fair as "better than ever" for redundancy's sake but rest assured it will no doubt match or surpass past performances. Taking that into consideration area residents can be certain that a truly superb fair is pending.

Parade

Five days of fine horse and cattle showing and numerous other attractions will be touched off by the annual parade Wednesday evening, prior to the official opening ceremonies. The Ormstown Rhythmettes and numerous floats depicting a variety of topics will wend their way through that town to the exhibition grounds.

Dignitaries

The local political scene will be well represented on opening night as in past. Making appearances this year will be Mr. George Kennedy, M.P.Q. for Chateauguay County, Mr. Ken Fraser, Huntingdon County M.P.Q. and Members of Parliament Messrs. Gérald Laniel, Walter Smith and Ian Watson, of the federal ridings of Beauharnois-Salaberry, St. Jean and Laprairie.

Milway

Rides and amusements will be provided by King Reid Shows, a company well known to fair goers.

Parking facilities

Parking areas on the exhibition grounds have been expanded and improved. Extensive gravelling and surfacing have been done to ensure adequate parking for a crowd expected to be larger than ever.

Horse show

Entries for the horse show, an Ormstown Fair drawing card, are reported to be down from last year. Prior to this year entries had been on an upsurge and according to Ormstown Fair Board secretary Mr. Carlyle Dickson, "It was getting pretty near beyond our capacity. It's a size we can handle this year."

Entries are down but by no means minimal. To date 263 show horses have been recorded and an additional 60 in the draft horse divisions.

Cattle forecast

Cows to be shown total 545 including 97 in Junior Farmers Division. The breakdown, breedwise, is as follows; 145 Holsteins, 71 Ayrshires and 63 Jerseys. The rest of the total is composed of mixed breeds in various beef categories.

1100 miles

Showmen and cattle at this year's exhibition are to come from as far east as Truro, Nova Scotia an dto the west as distant as Bolton and Georgetown, Ontario. The distance between the two extremities is 1100 miles.

"Super cow" owner

Mr. Claude Pickett of Georgetown, Ontario, will be showing at Ormstown again this year. Mr. Pickett, it is worthy of note recently paid a cool $65,000 for a Holstein at the Romandale reduction sale in the Toronto area. The price was $3,000 higher than the previously established record paid for a cow at public auction.

New exhibitors

Secretary Dickson reports that a number of new exhibitors will be on hand this year in the Shorthorn Cattle and Hereford categories; five in the former and three in the latter.

Handicrafts

No estimates were available for 8 entries in handicrafts, baking and similar crafts as registration in the numerous categories does not close until just prior to the opening.

Mr. Andrew Fawcett appointed representative to "Regional"

Mr. Andrew Fawcett of the Athelstan Road, Huntingdon has been appointed representative to the Protestant Regional School Board of the Chateauguay Valley by the Protestant School Commission of Huntingdon. He assumed his position as the regional board representative for Huntingdon at the May meeting of that body held in Chateauguay.

His predecessor was Mr. McKie Cluff who recently tendered his resignation due to ill health. Mr. Fawcett has been a commisioner with the local board for approximately one month.

Mr. Fawcett is a Chartered Life Insurance Underwriter and has been affiliated with The Confederation Life Company for 18 years. At present he is an Elder and the Clerk of Session at Huntingdon United Church, acting chairman of Huntingdon's Boy Scout Group Committee (inactive at present) and First Principal of Union Chapter No. 19, Free Masons.

He is past president of Branch 81, Royal Canadian Legion, past president of Huntingdon Rotary Club ano Past Master of Chateauguay Lodge, No. 36, A.F. & A.M.

A native of England, he has lived in Huntingdon since emigrating here in 1930. During World War 2 he served with the R.C.A.F. in the European theatre and received a Distinguished Flying Cross.

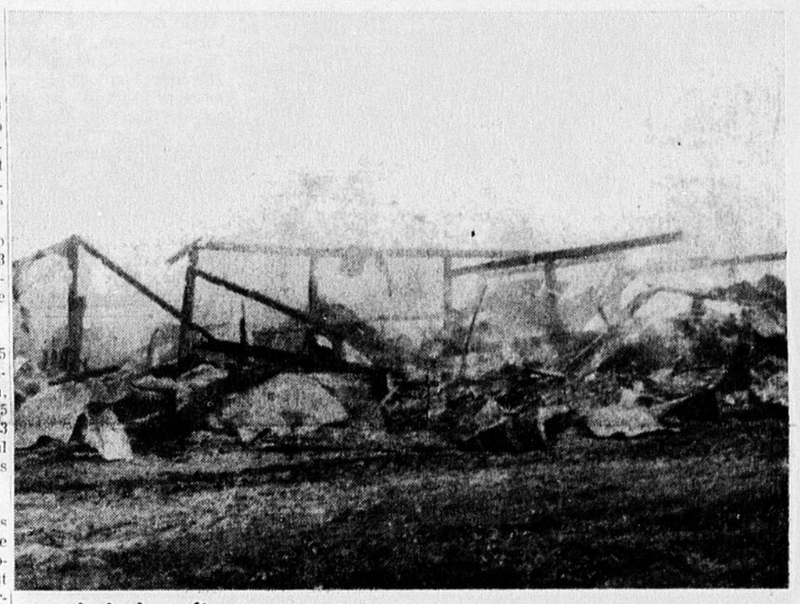

He is married to the former Marie Haineault of this area and has an 11-year-old daughter enrolled at Huntingdon Academy.

MR. ANDREW FAWCETT

Meeting tonight

Tonight (Wednesday) is the night that the general public has an opportunity to express whether or not they wish artificial ice to become a reality in this community. The meeting has been scheduled to gauge public opinion concerning the project. A large turnout will signify interest, a poor one a lack of it. The time is 8.30 at the County Building.

Leveled by fire

The remains of this barn bear witness to the intensity of the blaze which destroyed buildings belonging to Mr. Harold McCaig on Wednesday, May 26. Mr. McCaig's farm is located on Route 4 between Dewittville and Ormstown. 12 cows and 6 calves, purebred Ayrshires all, perished in the flames.

Fire destroys barn and cattle

Harold McCaig's farm

A May 26 morning fire on Route 4 between Dewittville and Ormstown leveled a barn and destroyed 18 cows at the farm of Mr. Harold McCaig.

According to Mr. McCaig the fire is believed to have originated in a wall which an electric water pump wire passed through.

Mr. McCaig was repairing fences at another farm he owns at the time of the blaze's conception. The second farm is only a short distance away on the Dewittville side of the site of the fire.

"I saw my neighbor's brother pull into his brother's driveway in a hurray and that's when I noticed the smoke."

Three Mutual Aid Fire departments answered Ormstown's request for assistance but despite dilligent efforts by Franklin Centre, Hinchinbrooke, Howick and Ormstown firefighters, the buildng was soon beyond saving.

Firemen and neighbours managed to drag a charred milk tank from the dairy but Mr. McCaig reports that it will probably be of no more use as the wires and accessories were destroyed or rendered useless.

12 cows and 6 calves perished in the flames. All were purebred Ayrshires. An additional 11 cows, 4 calves and a bull were saved.

Mr. McCaig said he carried some insurance but that "It was not enough especially on the cattle."

Mr. H.P. Higgins, new president

Red Cross financial campaign

A meeting of the Canadian Red Cross Society, Huntingdon Branch, was held in the County Building, May 31 at 8 p.m.

Members present were Mr. Leon Beaudin, president, Mr. H. P. Higgins vice-president. Mr. R. Greenbank, Mr. Donald Davidson Mrs. Antoinette Barrett and Antoinette Lalonde sec.

The president, Mr. Beaudin, conducted the meeting. It was moved by Mr. Donald Davidson that the minutes be approved as read. It was proposed by Mr. Leon Beaudin that Mr. H. P. Higgins be president for the coming year, which received unanimous approval.

Discussion to replace the late Mr. George Thompson as treasurer ensued. It was decided that the secretary act as secretary-treasurer for 1971-72.

Many thanks go to the past president and the officers for the splendid work done in 1971.

The new slate of officers took over the meeting with Mr. H. P. Higgins in the chair, Mr. Greenbank vice-president and Antoinette Lalonde as secretary-treasurer.

The next campaign for the Canadian Red Cross Society, Huntingdon Branch, will be held June 14-28. The objective is $2,000.

The chairman of the campaign is Mr. Léon Beaudin with co-chairmen Mr. Michel Beaudin and Mr. Donald Davidson.

The Blood Donor Clinic will be held on September 8, 1971.

It was moved by Mr. Donald Davidson, seconded by Mrs. Antoinette Barrett that the meeting adjourn.

Antoinette Lalonde,
sec. tres.

Cleaning up

Firemen, as well as neighbors and friends of Mr. Harold McCaig pitched in and helped clear some of the rubble after fire devasted his barn on Route 4 between Dewittville and Ormstown last Wednesday morning. Four area fire departments did their best to stem the conflagration but according to reports the barn was completely engulfed in flames moments after it started.

This and That in Town

✓ **NOTARY CLAUDE PILON — has not yet fully recovered from that attack of phlebitis in his leg. Dr. Geo. T. G. Lefebvre has advised him that possibly he can return to his office this week.**

✓ TREES IN BLOOM — tulips, daffodils and other bulbous spring flowers aren't the only things in full bloom right now. Haven't you noticed the fruit and ornamental trees in their pinks, white and yellow dress? Some are truly magnificent.

✓ **MINI-BIKES — and Ken (Bombardier Ski-Doo) McNiece will be showing his line at Ormstown Ex.**

✓ BOMBAY — Mrs. Elizabeth Lazore Herne died at her home here Thursday night, May 21, at the age of 84. The deceased was born at St. Regis, Que., on September 6, 1886. Funeral service was held Monday noon at St. Regis Catholic Church.

✓ **GERALD HYLAND — owner and operator of Hyland's Hardware in Chateaugay who was well-known to many in the Huntingdon area, died Thursday, May 20 in the Good Samaritan Hospital, West Islip, L.i., at the age of 68. He was born at Chateaugay, November 30, 1902, the son of James and Josephine Spellman Hyland. He is survived by a son John of Elmira; three daughters, Mrs. Robert (Lois Ann) Brooks of Peru, Mrs. Rolf (Geraldine) Wetzel of Cornwall, Mass., Mrs. Fred (Rosemary) Koons of Albany and a sister, Mrs. Francis (Mary) Ryan of Chateaugay; also 10 grandchildren. Funeral service was held Monday, May 24 at St. Patrick's Church in Chateaugay with interment in St. Patrick's Cemetery.**

✓ **AND FROM TOWNSVILLE — Australia — another former Gleaner Ed writes that he's saving up enough coin of the realm to move. And we're wondering if Peter Young has reached the conclusion that Canada is best. Right now he's assistant of a newspaper 'about the size of The Gleaner'.**

✓ **ATHELSTAN — Messrs. Jim and John Jamieson, brothers, were involved in a farm accident here on May 18. John was toppled into the Hinchinbrooke River in a freak mishap and is a patient in the Huntingdon County Hospital. (See report elswhere).**

✓ MALONE — two young Malone brothers were injured, one seriously, on Thursday when the bicycle they were riding across Main St. there was struck by a car. In fair condition in the Alice Hyde Hospital is 12-year-old Wayne Butchino who suffered fractures of both legs. His brother Terry, 9, suffered bruises and abrasions. The driver of the car, 40-year-old Frederick Webber of Bangor, told Malone police that he did not see the boys.

✓ **ORMSTOWN — two youths from Thattown escaped possible watery graves last Wednesday. An Ormstown lad and a Hemmingford boy decided to go for a swim that hot afternoon. The current of the swollen river was much stronger than they expected and they were carried towards the dam. An observant woman noticed their plight and immediately phoned Chief Jack Barrington who sounded the town fire alarm. Ormstown firemen were on the spot within minutes. (See report elsewhere).**

✓ 11-YEAR-OLD DROWNS — the Salmon River at Malone claimed the life of 11-year-old Roy S. Jeror about 6:30 p.m. last Wednesday. Roy and a companion, 12-year-old Bobbie Shene, also of Malone, were playing 15 to 20 ft. offshore with two inflated rubber balls. The ball Roy, a non-swimmer, was using slipped from his grasp and he drowned in almost 7 feet of water. He is survived by his parents, four brothers and four sisters. Funeral service was Saturday morning at St. John Church followed by burial in Notre Dame Cemetery.

✓ ATHELSTAN — a father and daughter were injured in a one-car mishap on the Athelstan Road Monday afternoon and their car was demolished. (See report).

✓ **ST. REGIS MOHAWK INDIANS — are claiming a square mile of land in the Village of Fort Covington including the site of the new fire station. The Indians maintain the land, about 6 acres, was one of two 'mile squares' specifically exempted under a 1796 treaty which deeded other lands to New York State. They noted legislation describing the area as being within the St. Regis Reservation. The Mohawks recently cut down nine signs reading 'Hogansburg' on highways leading into the hamlet.**

✓ AKWESASNE — is what the Mohawk Indians of St. Regis call Hogansburg and that's what is written on new metal name plates they've acquired to replace 'Hogansburg' signs with.

✓ **ORMSTOWN FAIR — opens next Wednesday evening, one week from tonight. (See front page article). Crowds are expected to be greater than ever for all four evening performances. King Reid Shows, $65,000 Holstein cow, parade, carny shows, horse show in the arena — men, get your crops in, you can't miss all the goodies at the 57th annual Ormstown Exhibition.**

✓ WALTER (Dry Cleaner) McCALLUM — had his first feed of local mushrooms last Thursday morning. Driving along, he spied a half-dozen buttons in a field and fast like a bunny he hopped the fence and picked them. And would you believe, not a dozen paces away, he found two good-sized ones too? Now folks, Walt is probably the king of mushroom finders in the whole valley — when you see him looking off into the wild blue yonder, please don't think he's trying to high-hat you — — fact is, he's scanning every spot for those white fluffy balls which have so great an affect on his taste buds.

✓ **RENE — the girls tell us you wore hot pants to Tennessee. Or were they your pajamas?**

✓ MRS. JACKIE McCALLUM — recently returned from a trip to California, tells us that she and Mrs. Rosemary Cosgrove saw René on TV there during one of Les Canadiens' games.

✓ **TONIGHT — is the evening of June 2 and there's a meeting concerning artificial ice for Huntingdon at the County Building at 8 o'clock. Plan to attend and state your opinion, for or against. As previously mentioned, youth is especially invited, if only for a few minutes. Please remember that we have Chas. Faille, a proven organizer, ready to spend much time to promote this project, but he and others are about to throw in the sponge and forget about the whole thing if the general population is not 100% behind the proposal.**

✓ H. ANDREW FAWCETT — of Huntingdon, has been appointed to the Protestant Regional School Board of the Chateauguay Valley.

✓ **THE RECENT TURKEY SUPPER — at St. Andrew's Presbyterian basement was a decided success according to Mr. J. M. (Mac) Smellie. Over 1,000 dinners were served and gross receipts amounted to $1,885. Congratulations to all, those who prepared and served the excellent meal too.**

Howick

4-H

The 4-H club had another meeting last Friday night at Rollie Ness' farm. 22 young people judged two classes with Bobby and Rollie Ness as leaders.

Dance

The dance on Saturday evening, sponsored by the Hi C group of Howick United Church was well attended and provided an enjoyable evening for the young people.

IT'S A SECRET

Those census ladies have been moving at top speed recently and will be glad I am sure to get back to being an ordinary housewife, or an outstanding mother, a liberated woman, or whatever title they may wish to be called. None of them will have time I am sure to remember whether I am 25 or 95 according to the report, so don't worry ladies about that secret spreading.

Session nomination

In April the Session at Georgetown Presbyterian Church asked the congregation to elect four new members to bring the total up to ten.

The men elected were Wilburn Anderson, Robert Barr, Hugh Goodall, James McCaig. The ordination took place at the morning service on Sunday May 30. The Rev. Alex Macdonald's sermon, "An appeal to elders," was based on first Peter, Chapter 5.

Bible Society meeting

The Canadian Bible Society will hold a meeting at Georgetown Church on Tuesday evening June 8. A film of special interest will be shown.

Covey Hill

COVEY HILL — Trinity Anglican Church has Service every Sunday at 2:30 p.m. Rev. Peter Mason is the Minister.

Covey Hill

Mr. and Mrs. Dale McNaughton, Halifax spent the last week-end with her parents Mr. and Mrs. Armand Maynard. Mr. and Mrs. Gerald Maynard and Lisa, Chateauguay, spent Monday at the same home.

Mr. and Mrs. Ken. Sampl called on Mr. and Mrs. Walter Davison. Mooers, on Sunday evening.

Mr. and Mrs. Keith Edward and family spent Victoria week-end at Keithburn.

Ormstown well represented at Macdonald Convocation

Quite a number of people from here attended the Convocation Ceremonies at Macdonald College on Saturday, May 29, when the following young people received degrees and diplomas.

Miss Jane McNicol, daughter of Mr. and Mrs. Roy McNicol, received her B.Sc. in Food Science.

Miss Glenna Rember, daughter of Mrs. Ivan Rember, received her B.Sc. in Food Science.

Miss Connie McCaig, daughter of Mr. and Mrs. Alex McCaig, her B.Sc. in Food Science.

It is a tradition that when all students in this class pass, that the Professor be given a pair of white kid gloves, and as all 21 students graduated, gloves were presented to Professor H. R. Neilson, director of the School of Food Science.

In the Faculty of Agriculture, the following received diplomas, — Mr. Dick Keeler, son of Mr. and Mrs. Winston Keeler, also received the Minister of Agriculture and Colonization Medal for Horticulture for highest standing in the final year of the Diploma Course and also the award for the highest standing in the Farm Planning Project.

Mr. Rosario Tudino, son of Mr. and Mrs. Michel Tudino, received his diploma.

Mr. Fraser Moore, son of Mr. Gerald Moore of Huntingdon and Mrs. Elva Moore of Ormstown, received his diploma.

Following the ceremonies, everyone was invited to attend the Vice-Principal's Garden Party on the Lower Campus, and it was a beautiful day for this event. The banquet was held in the dinning room in Stewart Hall when awards were presented and the graduation ball brought festivities to a close.

Sincere congratulations to those who graduated, you have a lot of hard work behind you, and may the future hold much success and happiness in your chosen work.

Surprise party for Ormstown couple married for 50 years

Last Tuesday night, Mr. and Mrs. Mack McIntyre were expecting to have a game of cards with another couple, and while visiting with the McEwens for a few minutes, the door bell rang, and on answering it, they were surprised to be greeted by twenty and more people, complete with everything for a party to celebrate the McIntyres' 50th anniversary.

Soon tables and chairs were set up, lunch was readied, coffee perking, and on to the games of cards, but first Martha was presented with a corsage by Jean McEwen while Pat McCaffrey presented Mack with a boutonnière. Prize winners for the evening were Mrs. Frank Hope, Mrs. Terry Rice and Mrs. Helen Peddie, for the men. Mr. Terry Rice, Mr. Frank Hope, and Mr. Donald McEwen. Sandwiches, squares and coffee were enjoyed along with an anniversary cake made by Margaret Wright.

On behalf of the group, Margaret Wright presented Mack and Martha with a 30 cup automatic coffee maker, along with the best wishes of everyone for many more happy years.

Although taken by surprise, Mack and Martha fittingly thanked everyone for the party and gift, and everyone departed after a pleasant evening with a very popular couple, not only with their own age group, but with all age groups.

Ormstown Exhibition is going to the dogs

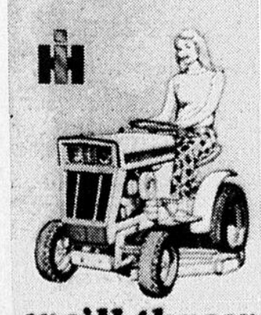

The recently formed Chateauguay Valley Kennel Club is holding an exhibition of purebred dogs at Ormstown Fair Saturday June 12, from 12 to 4.30 p.m.

The day will begin with the dogs being presented in order of breed and group, with a brief description of each given by Mrs. Pamela B. Mack, a regional representative of the Canadian Kennel Club, as guest commentator.

Following this there will be a special exhibition of obedience trained dogs organized by Mrs. **A. Casgrain,** one of eastern Canada's leading obedience instructors. Other events will include a parade of champions, a demonstration of junior handling and an adult show training class.

Exhibitors will include members of the United Kennel Club, the Hochelaga Kennel Club, the Plattsburg Kennel Club, various specialty kennel clubs and individual breeders and owners.

we'll throw in a mower

With the purchase of a new international Cub Cadet or Cadet 60 Lawn and Garden Tractor. See us for details while this offer lasts !

Ormstown Social Notes

The Presbyterian Evening Adult Group met on Thursday, May 27 at the home of Mrs. Clinton McWhinnie. The president, Mrs. Bert Pilon conducted the meeting and also conducted devotions. Mrs. Merrill Lindsay read from the Glad Tidings. Mrs. J. Grigor had the topic for the evening, and she brought along a small loom, showing how to thread and use it. She also had some books on looms as well as a number of pieces of woven articles she had made, which were of different patterns and textures. It proved to be most interesting,and we hope to see more of her work.

Refreshments were served by the hostesses, Mrs. McWhinnie, Mrs. Harold Kerr, and Mrs. Walter Baskin.

St. James Anglican

On Friday, May 28, the St. James Anglican Church Women held a most successful tea and bazaar at the Senior Citizens Hall. As usual the bake table and bazaar corner were well patronized, and then the tea tables provided very tasty refreshments, a good cup of tea and a chance to visit with friends and neighbours and relax a bit in the middle of a busy day.

Hospital Auxiliary

The Ways and Means Committee of the Barrie Memorial Hospital Ladies Auxiliary met at Mrs. Jim White's on Thursday to make plans for the hospital tag day at the Fair on June 11. Hope everyone will be generous when they are approached by the taggers, the money goes to a good cause, and whatever would we do without the "Barrie"?

Communion

The Sacrament of Holy Communion was observed on Sunday morning at the Presbyterian Church, the service conducted by the minister Rev. J. W. Milne. The following people were welcomed into the membership of the Church, Mrs. Bert Peddie, Mrs. Albert Labelle, Mrs. Jack Barrington, and Mr. Bill Rennie.

Mr. John Greer recently spent ten days visiting with her son Mr. Alan Greer in Montreal and Mr. and Mrs. Arm- and Robert of Beaconsfield.

Mrs. John Shapcott of St. Eustache spent the weekend with her mother, Mrs. John Greer.

Best wishes for a speedy recovery to Mrs. Merrill Tannahill who is a patient in the Barrie Memorial Hospital.

Mr. and Mrs. Winston Keeler attended convocation ceremonies at Macdonald College on Saturday.

Mr. and Mrs McNicol and Miss Susan McNicol attended Convocation at Macdonald on Saturday.

Those attending Miss Glenna Rembers' Graduation on Saturday at Macdonald College were Mrs. Ivan Rember, Mr. Kenny Rember, Mr. Barry Rember, Mrs. John Rember, Mr. and eMrs. Alvin Gruer, Mr. and Mrs. Grant Whyte, Mr. and Mrs. Merril Greer, and Mr. and Mrs. Alan Cavers.

The friends and neighbours of Lois and Harold McCaig were saddened by the loss of their barn and cattle through fire on Wednesday, May 26.

Ormstown Seniors have card party

Thursday night was Senior Citizens card party time at their Hall on Lambton St. 500 was played at 9 tables with the winners as follows: Ladies, high, Mrs. Elsie Hooker, consolation, Mrs. Isabel McWhinnie. Men, high, Mr. Ken Macdonald, consolation Mr. Wm. Maither.

Refreshments were served by the committee following the games with a special table set for Mr. and Mrs. Mack McIntyre, a bride and groom of 50 years on June 1. They were presented with an anniversary cake made and decorated by Mrs. Wm. McGerrigle.

Ormstown students attend the circus

Wednesday, May 26 was a big day for the Grade six students of Ormstown and Howick Elementary schools, it was "go to the circus day."

Under the guidance of Mrs. J. Wallace and Mrs. J. Cavanagh, they boarded a bus and headed for the 31st Annual Shriners Circus in Montreal, which is in aid of the hospital for crippled children. It has been a custom for local Shriners to take a group of school children to this exciting event, giving the youngsters a treat as well as helping the Hospital.

The Ormstown pupils were sponsored by Mr. A. A. Tannahill and Mr. Jim Archer. The Howick pupils were sponosored by Mr. Wilbert Orr and the Late Mr. Albert Wilson. A note in passing, — this makes the 18th year that Mr. Tannahill has sponsored these pupils, and these gentlemen deserve a big vote of thanks for their kindness and thoughtfullness.

On the way home, everyone stopped for supper. A hearty thank you to the bus driver, Mr. Reddick.

Aubrey-Riverfield

Johnny Nussey flew to Saskatoon last week to attend the funeral of his brother Leslie. Other members of the family who attended the funeral were Phyllis Nussey of Montreal, Beatrice Gunnel and Florence Little of Ottawa and Kelly Nussey of Nova Scotia.

The president, Mrs. Frank Martin, on behalf of the folks present, extended congratulations and best wishes to Mack and Martha and Mrs. Archie McCaig presented them with a cream and sugar set in remembrance of the occasion.

Mr. Archie McCaig was asked to say a few words, and did so in his usual capable manner. Mack and Martha both responded, thanking everyone for their good wishes and the gift.

Editorial Notes

A mixed blessing to some

Reports indicate that despite a public meeting between federal government representatives and the general public concerning a government development at Allan's Corners there is still much discontent on the part of a large number of area residents.

The attitude however has undergone somewhat of a transition.

The belief that our men in Ottawa were to adopt a policy of indiscriminate land expropriations has been set aside. The May 19 meeting in Howick established one fact, or, at least one statement: Messrs. Laniel and Mitchell stressed the point that there was to be no such unpleasantness.

Those who still fear what they refer to as underhandedness on the part of the government can take solace in the fact that representatives of the federal body involved in the project and our M.P. Mr. Laniel pointedly stated that expropriations were "extremely doubtful." If they were to reverse this policy after cultivating an opposite impression to more than 100 people they would undoubtedly solve Quebec's egg surprus problem. . . it would be on their faces.

Putting that problem aside there is still a virtual "Pandora's Box" of other ills, the main bone of contention being, "Why don't they spend that kind of money on something more important." Suggestions to date have included the badly needed repairs or replacement of a number of highways and roads, a public swimming pool at the site for that area's children, a general clean-up of the Chateauguay River, helping our local poor folk, a home for the aged and numerous other suggestions too numerous to mention.

It's understandable, but on the same note it's also rather useless. Most of the people who have voiced criticism of what the estimated $179,000 is to be spent on are justified. The money could indeed go towards a number of projects in and around the area. But, the fact remains, it won't.

The grant has filtered down from Ottawa's healthy coffers and has been designated for one purpose and one purpose only: the building of a more viable commemoration of the Battle of the Chateauguay.

Unfortunately the matter is cut and dried. They are not going to repair our road or any such thing. A historical development it is to be and complaints will likely fall, on ears so deaf as to be non-existent.

The best, or at least less irksome frame of mind to establish is 'a grin and bear it' attitude. After all the government is to spend a great deal of almighty dollars in the area. It will no doubt be a boost to the economy of our region, irregardless of it being a mixed blessing in some people's opinion.

Some may find it difficult to look upon the proposal as a windfall but there is little sense in kicking a potential "gift horse" in the face.

Letters to the Editor

88 Wellington St.,
Huntingdon, P.Q.,
May 21st, 1971

The Editor,
Huntingdon Gleaner,
Huntingdon, P.Q.
Dear Sir:

The Sanitation Department of the Town advertises garbage pick-up on Mondays and Thursdays during the summer months. On our street everyone knows that the Monday pick-up is rarely made on Monday so most of us put our garbage out on Tuesday.

The Sanitation Department with their delightful sense of humor occasionally do pick up on Monday which is as advertised but rather distressing to those of us who have to harbor our waste until the next pick-up.

Even more distressing to us but probably even funnier to the Sanitation Department is when they pick up early Tuesday moring. When this happens husbands all up and down the street get pushed out of bed and are forced by their spouses to dash around before breakfast with the slim hope that they will beat the Sanitation Department truck which usually comes down the street very quickly as only a fraction of the householders have their garbage out early Tuesday morning.

A distressing variation is when the truck comes up the street on Tuesday morning when one is all lathered up to shave — or is in the shower. You dash around emptying all the waste baskets etc., only to find occasionally that it wasn't the garbage truck after all — just a noisy truck with a loose fender which imitates the clanging sound of trash cans being handled.

A few weeks ago we got our garbage out on Tuesday morning and smugly thought we had beaten the Sanitation Department this time. We weren't so sure however on Tuesday evening when our dog-strewn garbage adorned our front lawn when we came home from work. Most of us on the street were sure we had missed the Monday pick-up when the garbage still adorned our front lawns on Wednesday noon. It was even more frustrating to find the garbage gone on Wednesday evening. We had no way of knowing whether or not the Monday pick-up was late or the Thursday pick-up early.

The saddest part of the whole affair is the effect on the children. I'm referring of course to the "credibility gap." The kids are constantly deceived by the deluge of advertising that does not live up to its promises. They are pragmatic enough to assimilate a certain amount of discrepancy in commercial advertising but to find that the Town (a non-profit organization) not living up to its promises inclines them more than ever to question the sincerity of everyone including their parents and teachers. I've heard that in some cases this sort of thing even contributes to student riots!

There must be some possible solutions to this dilemma. When the town advertises garbage pick-up on Mondays and Thursdays the garbage should actually be picked up on these days. Of course this is probably too much to hope for so I propose another solution. The town should run the following advertisement in The Gleaner.

GARBAGE PICK-UP NOTICE

Garbage in the Town of Huntingdon will usually be picked up twice weekly between Mondays and Fridays at times dictated by the following exigencies:

(1) Delays caused by heavy snow falls.
(2) Breakdown of equipment.
(3) The availability of authorities to sign requisitions for spare parts.
(4) The availability of requisition forms.
(5) The availability of spare parts.
(6) A thousand and one other similiar miscellaneous possibilities.

Granted such an advertisement will not improve the service but at least it will describe the service the way it is thus improving the "credibility gap" in the eyes of the children.

I'll still expect to be pushed out of bed occasionally early on a Tuesday morning. The dogs and cats will have their regular field days almost every day of the week scattering garbage on the front lawns of taxpayers homes. People are and will be even more used to seeing and smelling moulding garbage in front of every home which only adds to the increasing regular pollution with which they have to contend.

I'd be the last one to spoil anybody's fun. We all have a sense of humor and a good laugh is refreshing. When you are the butt of the joke however you can sometimes still laugh but I find this somewhat difficult early Tuesday morning after being up late watching the late show the previous evening.

It does however give me a sense of exhilaration when I do beat the Sanitation Department's truck. He who laughs last laughs best. I strongly suspect however that the Town's Sanitation Department laughs best.

Sincerely yours,
Thomas C. Bell.

May 25, 1971

Editor
Huntingdon Gleaner
Huntingdon, Quebec
Dear Sir:

We at the Miner Center branch of the State University College of Arts and Sciences of Plattsburgh, New York are very appreciative of the cooperation the good people of Huntingdon Quebec afforded us during our students' stay in your city.

Students of Miner Center reported to us they thoroughly enjoyed their stay with various families in your community and found everyone to be wonderfully friendly and hospitable.

It seems to us, through such international student programs, American and Canadian students alike can learn to appreciate the diversity of cultural experiences available to them just across our communal border.

Once again let us express our deepest appreciation to the people of Huntingdon for the warm welcome and splendid hospitality they extended to our Miner Center, State University students during their stay in your community.

Yours truly,
Frederick A. Halla
Director, Miner Center
J. Stephen Harrison,
Counseling and Program Specialist.

—Huntingdon Locals—

Mr. and Mrs. Fred Fallon of Albany, N.Y. were Saturday dinner guests at the home of Mr. and Mrs. George Collum.

Mr. and Mrs. Russell A. Waldie from Wethersfield, Conn. were weekend guests of his brother and sister-in-law, Wendell and Grace Waldie.

Lt./Col. and Mrs. H. F. O'Meara of Huntsville, Alabama, spent some time recently with his aunt, Mrs. Hugh McCallum.

Mr. and Mrs. T. W. Brooks motored to Sorel on Saturday to visit with his brother-in-law and sister, Mr. and Mrs. Peter Hawken. On their return, they were accompanied by Mr. Brook's mother, Mrs. Wm. Hamill of Franklin Centre, and his aunt, Miss Edna McKinnie of Malone who had spent time visiting at the Hawken home.

Mr. and Mrs. Torrence Brisbin and Mrs. Eric Greer of North Hatley were recent visitors of Miss Mary Brisbin.

Mr. and Mrs. James Bouchard and son Paul of Westfield, N.J. spent the weekend at the home of his mother, Mrs. D. Faubert, and attended the graduation of their son Raymond from Loyola College in Montreal.

Mr. and Mrs. Allan Biggar and Mrs. Mason of Montreal spent Sunday visiting with Mr. and Mrs. A. W. Elder. Mr. and Mrs. Irwin Biggar and daughter Jean of Lacolle were guests at the same home.

Mrs. Grace McCracken of Postdam and Mrs. Elsie McCracken of Malone were recent guests at the home of Mr. and Mrs. W. O. Dawson.

HUNTINGDON COUNTY HOSPITAL NOTES

Annual Membership: Mr. Arthur Nielsen.

In memory of Mr. W. R. Tannahill: $5.00 from Valdo Ladies Bowling, $28.00 from neighbours and friends.

In memory of Donnie McCoy: $5.00 from Mr. and Mrs. Walter Sutherland and family, $5.00 from Mr. and Mrs. Kerry Johnson.

In memory of Mrs. H. R. Wilson: $5.00 from Mr. and Mrs. D. L. Brown, $8.00 from Miss Bessie Graham.

Mr. and Mrs. George Miller and boys of Pelham, N.H., were week-end guests of Mrs. J. E. Wilson. Visitors at the same home were Major and Mrs. John A. McHardy and family. Major McHardy has been stationed in Charlottsville, Va., for a period of one year, where he followed a course in Military Law, and as of July 1, will leave for a year's tour in Viet Nam. While he is away, his wife and family will return to their former home in San Antonio, Texas.

Monday afternoon guests at the home of Mrs. Mary Myre were Miss Carol McCaffrey of Springfield, Mass., Mr. George McQueen of Chicopee, Mass.; Mrs. Martin Donnelly and Rita of Saranac Lake, N.Y.

Week-end guests of Mr. and Mrs. Chas. Reid were Mr. and Mrs. Arne Nielsen and Erik of East Hartland, Conn., Miss Alma Reid of Hamilton, Ont., Mr. and Mrs. R. I. Kellam of Weston, Ont. and Mr. and Mrs. Bernard Kellam, Peter and Leslie Ann of Niagara Falls.

Mr. Cecil Brian of Hawkesbury, Ont., and Mr. and Mrs. Bruce Rutledge of Cornwall spent the week-end with Mr. and Mrs. Stanley Reid.

Obituary

The late Charlotte McGregor Ferguson

A funeral service for the late Charlotte McGregor Ferguson, held at Howick United Church on Friday May 28, was conducted by the Reverend John S. Anderson. Interment was at Riverfield Cemetery.

Charlotte McGregor, daughter of the late Mr. and Mrs. John McGregor was born and lived at Montreal but died suddenly at St. Hyacinthe where she moved recently for business reasons.

Her surviving relatives are a sister Helen, (Mrs. Shirley Olmstead) of Plymouth N.H. and two nephews. The Olmstead families and cousins of the deceased who live in this community where John McGregor was born and raised, attended the funeral and met later at the home of Mr. and Mrs. R. B. Ness.

Huntingdon United Church holds "Mission Festival"

Illiteracy, privation, starvation and disease. What and how can we do about it? What is being done?

Those questions and others were answered on Sunday, May 30 at Huntingdon United Church when a "Mission Festival" was presented to the congregation. The festival was sponsored by Huntingdon U.C.W. in co-operation with Rennie's U.C.W., Young Adults, Explorers and Sunday School.

According to Mrs. Ruby Goold, Program Chairman of Huntingdon U.C.W., the purpose of the special program was to answer the numerous questions concerning missionary work in other countries and give examples of what the church is doing as well as demonstrating the need for increased aid from the church and individuals.

In her statement of purpose to the congregation Mrs. Goold inquired, "what can we do, as individuals, as the church, what work is presently being done by the church around the world?"

The answers however were not meted out in ordinary fashion. Sunday school pupils and The Explorers culminated a few weeks of preparation by presenting various skits and demonstrations of the work of the church around the world and in our country.

The children gave two performances to compensate for the lack of sitting space in the basement. While one half of the congregation made their way downstairs the remaining group was shown a film in keeping with the festival entitled "The Visitor."

Themes and displays varied with the different countries involved. The impression created however was singular . . . the church is indeed doing much in underdeveloped parts of the world.

In a summary performance the children gave a capable demonstration of the fact that as yet much remains to be done.

After the program those present were treated to samples of "foreign foods" provided by the U.C.W.'s involved and the young ladies of the congregation.

By appearances the spirit of brotherhood and the common bond of friendship are alive and well at Huntingdon United Church.

"Outing Day" for elderly in Ormstown

Last Wednesday was "Outing day" for some of the residents of the Ovans Convalescent Home. Mrs. Ovans and Mrs. Gordon Green took 14 people (including some of the regular Wednesday helpers) for a drive through the Franklin and Covey Hill area to see the apple blossoms.

The weather man wasn't too co-operative, but the blossoms were beautiful and thoroughly enjoyed by all. Some of the folks had never seen the apple trees in bloom, so the sight won't be forgotten for quite some time.

On the way back to the Home they drove to Valleyfield and were treated to "finger-licking" good fried chicken. More outings of this type are being planned, and helpers as well as cars are often needed, so when the time comes, please don't hesitate to give Arabella a call and offer to lend a hand, it would be a very satisfying feeling.

Howick

Mr. and Mrs. Allen Palmer of Bedford visited Mr. and Mrs. Arthur Buchanan on Sunday of last week.

Mr. and Mrs. Rodney McKell and Kimberly of Lennoxville spent last weekend with Mr. and Mrs. Whiteford McKell.

Mr. and Mrs. Garth Harrison, Elizabeth and Barbara of Bury, called on their Howick relatives last Tuesday. They were accompanied by Mrs. J. D. Harrison who will visit for several weeks, and Hugh Cameron who was with them for the syrup making season.

In Memoriam

JOLIN, Clara (O'Reily-Honsinger), of Ste. Agnes de Dundee, passed away May 30, 1970.

"The year has passed since that day
When God looked in to see you
And took you home to stay.
We miss you very dearly
And love you just as much.
I hope you're happy where you are
Watching down over us.
Wish you were here."

Always remembered by
Husband Adelard and family.

GAMBLE — In memory of a dear Dad, William Gamble, who passed away June 8, 1970.

"We are thinking of you today, Dad,
Thinking of the past.
Picturing you in our memories,
Just as we saw you last.
We speak of you often,
With love and regret.
We think of you always,
We never forget.
Years of striving, little of play,
Loving and giving, the whole of the way.
Happy memories and true,
From us who thought the world of you."

Always remembered and sadly missed by your,
Sons Erskine and Harold.

GAMBLE — In loving memory of our dear father and grandfather, William L. Gamble, who passed away June 8th., 1970.

"Sleeping peacefully in God's garden of rest,
Lies our dear father, we will never forget.
We think of him and pray for him often,
In our hearts, he will never be forgotten."

Sadly missed and always remembered by your,
Daughter Ethel,
Son-in-law, Ronnie and
Grandsons Dwight and Duane

GAMBLE — In loving memory of my dear husband William Lavrey Gamble, who passed away June 8, 1970.

"I saw you at your last
And held your dying hand
And heard the last sigh from your heart.
I wouldn't have felt so bad
I did not know the pain you had
To see you die that way was a shock to me
I only know you went away
And couldn't say good-bye
I mourn for you in silence
No one could see me weep
The many silent tears I shed
While others were asleep."

Sadly missed by
Your Wife, Hazel.

GAMBLE — In memory of a dear Dad, William Gamble, who passed away June 8, 1970.

"One sad and lonely year has passed
Since the sorrow and shock we received that day
We still remember well
God gave us strenght to meet it
And courage to bear the blow,
But what it meant to lose you, dear Dad.
No one will ever know.
It is lonesome here without you
We miss you more each day,
For life is not the same for us
Since you were called away."

Always remembered by,
Daughter Sheila,
And Terry.
Son-in-law Gerald Vaincourt,

McGERRIGLE — In loving memory of a dear father, James Mills McGerrigle, who passed away June 2, 1970.

"You meant so much to all of us
Much more than we can say,
It's hard to put our thoughts in words
On this memorable day."

Always remembered by,
Sons, Andrew, Doug, Burry
And Families.

Cards of Thanks

I wish to express my sincere thanks to Dr. Cameron and the nurses and staff of the Huntingdon County Hospital for their good care during my stay there; also thanks to relatives and friends for their visits, cards and gifts. All was very much appreciated.

Mrs. John B. Galipeau.

The family of the late Mrs. Ruth Dunn wishes to thank the staff on the third floor at the Barrie Memorial Hospital for the kindness and tender care given to her while she was a patient there. We wish to thank Dr. Marion Kelen and all the other doctors who tried to make her well. Thanks to all the friends and relatives who sent flowers, cards and who went to visit her. Also thanks to all those who sent their sympathy to us in our bereavement in the form of cards, floral tributes, visits etc. All were greatly appreciated.

Died

FARMER — At the Barrie Memorial Hospital, Ormstown, Quebec, on Saturday, May 29, 1971, William Cook Farmer, aged 51 years, husband of Eunice McNally, and father of Ian, Gavin, Ross and Calum. Funeral was held from the J. M. Sharpe Funeral Home, Hemmingford, to St. Andrew's United Church, on Monday, May 31, at 11 a.m. In lieu of flowers donations to OXFAM, 4795 St. Catherine St. West, Montreal, would be appreciated.

WILSON — At Huntingdon, on May 30, 1971, Margaret Elder Crawford, in her 96th year, wife of the late Henry R. Wilson, mother of the late Charles, Bernice (Mrs. Allan MacMillan), Earl, Bryce of Methuen, Mass., Margaret and Ruth (Mrs. Gordon McClenaghan) of Lacolle. Funeral service from Kelly Funeral Home, Huntingdon, on Wednesday, June 2, at 2 P.M. Interment Elgin Presbyterian Cemetery.

Cards of Thanks

Sincere thanks to our relatives and friends for the reception organized for us on the occasion of our marriage; thanks also to all who came and shared the evening with us. All was deeply appreciated.

Leon and Micheline.

We wish to express our sincere thanks to all the local church groups who supported us and especially to the girls of Regional C.G.I.T. for their lovely gifts.

Sheila Lawrence,
Lucie Milne,
Edna Moore,
Cathy Creelman.

Shower held for Austin McKell and his bride-to-be on May 22

A giant-size miscellaneous shower, arranged by the McKell aunts, was held at Bob and Thyra Tolhurst's home on Saturday evening May 22, when 60 aunts, uncles and cousins gathered to honour Austin McKell and his financée Miss Pearl Boulanger of Montreal. They are planning a June wedding.

Austin's grandmother with the green thumb, Mrs. Arnold, McKell, arranged a pretty corsage which was presented to Pearl on her arrival. There was much fun and laughter as the numerous gifts were opened and admired.

Austin and Pearl were happy to be remembered in this way and glad also to meet and talk with distant relatives whom they see only occasionally. They expressed their sincere thanks to the hostesses and all other relatives.

Games were played under the direction of Beverly Van Horne. Delicious and bountiful refreshments were served.

Howick mother and daughter take 4-week trip overseas

Mrs. Caverhill Irving and daughter Catherine, 5½ — yrs-old, returned recently from a four week trip to England and Scotland.

They fell in love with the country. The daffodils were a glorious sight and the wooded areas were carpeted with flowers. As the season progressed lilacs and other shrubbery came into bloom. The weather was perfect too, sunnier than usual and not too cold and the air was so fresh and clean.

Mrs. Irving had qualms about taking a child on such a long trip but seeing the Country through her own eyes as well as her daughter's was a fascinating experience, and Catherine was a wonderful travelling companion.

The first week was spent at Ayr on the west coast, and Edinburgh, before going down to London where they visited Ernest and Lois Moore. While there they drove into the surrounding country and saw many places of historical interest in London.

From there they returned to Edinburgh and rented a car before starting out on a rambling tour of parts of Scotland. At Fife they visited the district where her father's people were born. John White who came to Canada was a famous golfer and brought the game to St. John, N.B. He continued to play until the day he died at 92-years-of-age.

On they went to Dundee and Angus County and the North Sea coast, inland to Perth, North to Inverness, down through the locks, a long loop north to Ross and Cromarty Counties then a southern long to Ben Nevis, where they spent several days in the Argyle district.

They went inland at Ayr and Ayrshire and Wigtown. At Dumfries they went to Kirtle Bridge, Bonshaw Tower, home of the chief of the Irving clan, where they have lived since before the days of Robert the Bruce. This was an interesting visit.

The Irvings loved the grandeur of the highlands, the narrow winding roads, and the ruins of old castles. Whenever possible they did some beachcombing and Catherine would gather shells. Every night they stayed at farm houses or country homes and the hospitality was something they will not forget.

All too soon it was time to return home. They spent the last night at Ayr before taking the plane for Canada.

ELGIN — The Elgin Presbyterian Women's Missionary Society and Ladies Aid were entertained at the home of Ida Macfarlane of Wednesday Ida Macfarlane on Wednesday afternoon, when a goodly number of members and visitors were present.

Grace Macfarlane, President of W.M.S. opened the meeting with prayer followed by Scripture Lesson from the 103rd Psalm. Her meditation was entitled "Bless the Lord all his works" followed by prayer. The Roll Call taken by Ida Macfarlane was answered by a Scripture Verse.

A letter from Tyndale House was read with thanks for used clothing taken in, also a news letter which said they welcomed donations of canned goods of many kinds which helped in the maintenance of the home, a letter from Mrs. Dickson in Formosa thanking for all used cards sent in which brought happiness to the children on which they printed a Scripture verse and one from Dr. Bell for stamps sent in telling money made from sale of them by Bible Society reached $18. a month. Some birthday money was turned in, also money from sale of cards which is divided between the two Societies.

Cards were signed to be sent to sick and shut-ins. Bella Murray took for the Lesson one of Dr. Bell's "Make Life Worth While", heard on Radio — namely "The Unfailing Sureness".

The Ladies Aid then took over the meeting opened by Lillian Murdoch in absence of the President with hymn "What a Friend we have in Jesus", followed by prayer.

The minutes and Roll Call were taken by Leah Brooks. The Pest Strips for use in Church were donated by Timmy Hooker. Plans were discussed for Horse Show to be held in July for which they expect 50 to 60 entries. A display of home-made articles to be sold at the show were on display. The meeting closed with the Lord's Prayer. Lunch was served by Alma King and Ethel Anderson.

PROTESTANT SCHOOL MUNICIPALITY OF CHATEAUGUAY

Public Notice

Public notice is hereby given that on Monday the seventh day of June 1971, from noon to 2 p.m. at 75 St. Jean Baptiste Boulevard, Chateauguay, P.Q. the nomination of Candidates will take place for the election of two school commissioners, to fill the following seats:—

SEAT NO. 2 — The whole west side of the Chateauguay River in the Town of Chateauguay and the Town of Chateauguay Centre.

SEAT NO. 3 — East side of the Chateauguay River from Chateauguay North to Highway No. 3 (north side only) and bounded by Maple St. (west side only) and the boundaries of Chateauguay Heights.

and that the polling, if necessary, will be held on Monday, the fourteenth day of June 1971.
Given at Chateauguay, P.Q.,
this 27th day of May, 1971.

Peter L. Ross, C.A.
Secretary-Treasurer

"Hymn sing" at Howick United

Sunday evening, May 30 was Hymn Sing time at Howick United Church. This has become an annual event sponsored by Unit C of the U.C.W. The group of people who gathered sang happily and well, chosing favorite hymns as the service progressed.

A devotional period was also done in music when everyone joined to sing the scripture — The 23rd Psalm and prayed together by singing The Lord's Prayer. The service hour passed quickly and seemed to be enjoyed by all present.

TAPE DEDICATED

A tape was dedicated to the memory of Mrs. Bertha Lang at the morning service on Sunday May 30, at the United Church. This tape, the gift of Miss I. Frith, will be added to the tape library which takes the Church to our shut-ins.

A violin duet, Thine be the glory — Handel, as played by Brian MacFarlane and Ruth Smith added much to the beauty of the morning service as did the lovely flowers in the chancel. A full-choir sang Amazing Grace.

The minister preached a fine sermon for Pentecost on the theme, The Wind of God Blows — How? Mr. Anderson mentioned encouraging signs that the Wind of God continues to blow.

Howick-Riverfield-Aubrey Br. B.M.H. Auxiliary hold meeting

The annual meeting of the Women's Auxiliary of the Barrie Memorial Hospital (Howick-Riverfield-Aubrey Branch) was held at the Howick Curling Club on Monday afternoon May 17. Mrs. Lorna Simms presided.

The treasurer, Mrs. Cairncross, reported a balance of $501.22.

Mrs. Simms read the report from the nominations committee and the following slate of officiers was accepted.

Past President: Mrs. Lorna Simms. President: Mrs. Hazel Robertson. 1st Vice-President: Mrs. Jeanie McKell. 2nd Vice-president: Mrs. Antoine Meunier. Secretary: Mrs. Evelyn Lamb. Treasurer: Mrs. Edna Cairncross. Ways and Means Committee: Mrs. Mary Reddick, Mrs. Francis Reddick, Mrs. Jean McArthur and Mrs. Sophia West.

Hazel Robertson thanked Mrs. Simms for her devoted service during her term of office. The list of auxiliary electors was read with the target date of June 1 for completion of campaign.

After some discusion it was decided to hold a tea and bake sale on Friday October 22. It is a long ways off but please reserve the date now.

The meeting was adjourned and an invitation to remain for refreshments was extended.

Directors

Three directors were chosen from a field of eight made up of B. Demers, J. Arnold, H. Mc. Clean, J. Todd, M. McCaig, E. Watterson, G. Monique and J. McCallum. Messrs. Arnold and McCallum, were elected outright while a tie between Bernard Demers, and Howard McLean, necessitated a second ballot. Mr. McLean, a Godmanchester councillor was elected as third director.

Before breaking up for coffee and doughnuts, the group decided on a June 16 meeting at 8.30 p.m. in Athelstan.

Election

After discussion on a variety of topics it was decided that an executive be elected. Donald Ednie opened nominations whilst Messrs. Tully and Grant acted as tellers. Bill McDonald was given the mandate as president from a field of nominees composed of himself, Francis Thurston, and Royce Ruddock.

The voters' choice for vice-presidency went to David Rankin. The only other nominee was Francis Thurston.

Secretarial candidates were James Arnold, and Philippe Leblanc. Mr. Leblanc polled the most votes.

Royce Ruddock, Murray McCaig, and Howard McLean, were nominated for the position of treasurer. Voting went in favor of Mr. Ruddock.

Firemen meet . . .

(Continued from page 1)

vide answers for all situations that arise from the operation of a fire brigade.

Mr. Ednie provided excerpts and general resumés concerning their regulations. In closing, Mr. Tully said that the bylaws "seem like a long legal document but they are invaluable."

This And That In Town

✓ 60-PLUS STUDENTS — from Huntingdon Academy Grade Six, spent Thursday in Montreal where they enjoyed the thrills of the Shrine Circus. The youngsters were the guests of Messrs. H. Wendell Waldie and Allan Tallon. Mr. Waldie has been arranging for local youngsters to see the Shrine Circus for the past 14 years and he has been assisted by Mr. Tallon for the past three. The late Mr. Ivan Mennie had participated in the programme in bygone years. Proceeds of the Shrine Circus go to Montreal's Shriners Hospital for Crippled Children. Needless to say, the youngsters arrived home full of excitement after enjoying one of the best days of their lives.

✓ **RED CROSS — on Monday evening, Auctioneer H. P. 'Jake' Higgins was named president of the Huntingdon branch of the Red Cross. Others on the executive are named in a front-page article prepared by Mme Lalonde, who was named secretary-treasurer. Announcement concerning the annual fund-raising campaign is also made and it is hoped that folks in the district will cooperate in their usual generous manner.**

✓ HEMMINGFORD — our representative from Thattown, Mrs. Jules L'Esperance, writes that she has not had a split second during the past week to compile her news. "We're in the midst of moving back to the farm; one of our close friends, a veteran, passed away; have had to run back and forth to Montreal twice and altogether life has been a mad rush. There will be many articles for next week."

✓ **THAT FRIENDS — is why Hemmingford news this week is light. Be assured Mrs. L'Esperance is truly rushed and that she will more than make up for any omissions at this time.**

✓ THOSE LAZY, CRAZY DAYS — of summer must be here again. Friday, Saturday and Sunday saw dozens of youngsters swimming and water skiing at Lake St. Francis. And their elders — well, some acquired healthy-looking tans while others became as red as the sails in the sunset. (Incidentally, vinegar takes the sting out). Lawn-cutting was the order of the days except for the farmers who haven't completed their corn planting — for them it was work practically around the clock. Our worst fears didn't materialize: there were no fatal traffic accidents even although Monday was a U.S. holiday (Memorial Day). Monday a.m. was cold (under 40 degrees) but after a perfect weekend, nobody complained too much. Or did they, John?

✓ **CANADA CENSUS — and the questions weren't difficult or too ludicrous, were they?**

✓ HUNTINGDON ROTARIANS — should make a special effort to attend next Monday's luncheon meeting — — — and probably bring along a guest or two. Secretary Rejean Gelinas has arranged for the guest speaker: Mr. Gerard J. Blondeau, immediate past president of the Chartered Administrators Society of the Province of Quebec and business financing teacher at the University of Montreal. Mr. Blondeau is the author of books and articles concerning business financing and his talk on Monday should be of prime interest to all Rotarians.

✓ **ORMSTOWN — a grass fire which caused a Cairns St. residence in Thattown to be damaged when an oil drum exploded was brought under control by the quick response of Ormstown Volunteer firefighters on Saturday eve. (Read elsewhere).**

Ormstown bufffet honors graduate

Mr. and Mrs. Roy McNicol entertained at a buffet supper on Sunday May 30 in honour of their daughters Jane's graduation from Macdonald and Susan's from McGill. The buffet table was centered with a graduation cake and green and gold tapers. Present for the occasion were Mr. and Mrs. George Taylor, Mr. and Mrs. Harry MacNaughton, Mr. and Mrs. Bruce Scriver, Mr. and Mrs. Earl McNicol, Mr. and Mrs. Barclay Cunningham, Sharon and John of Montreal, Mrs. Bruce Marshall and Miss Betty McEwen of Montreal and Mr. and Mrs. Donald McEwen and Kathy.

Franklin Centre

Mrs. Wm. Hamill and Miss Edna McKinnie of Malone, N.Y. were visitors of Mr. and Mrs. Peter Hawken in Sorel the past week.

Miss Terri Tremblay of Ormstown has been spending a few days with her grandparents. Mr. and Mrs. Stuart Moneypenny.

Glad to report that Mr. and Mrs. L. W. Parker are back in their own home after spending the winter months in Montreal.

Les belles, la flamme, le sport

Ces charmantes hôtesses ont acceuilli les visiteurs, pendant les deux jours et demi des olympiades. De gauche à droite: France Génier, Charlotte Leblanc, Ginette Grenon, Lorraine Léger, Johanne Guérin et Diane Carrier.

Valleyfield: Les nouvelles

Ski nautique

L'Association de ski nautique du sud-ouest du Québec qui groupe les amateurs de ce sport dans les comtés de Beauharnois, Châteauguay, Huntingdon et Vaudreuil-Soulanges organisera les 31 juillet et premier août prochains les finales des épreuves qui décideront des représentants de cette section de la province aux jeux du Québec.

L'Association que préside M. Jean Leboeuf compte actuellement 100 membres mais elle espère en grossir le nombre prochainement.

Ceux qui voudraient y adhérer peuvent communiquer avec M. Laboeuf de Valleyfield.

Les parents

Lors de sa dernière assemblée générale tenue récemment, l'Association des parents des écoles Emard, Langlois, Girard et Dominique Savio de Valleyfield a résolu d'insister auprès du conseil municipal de cette ville pour qu'il donne suite à la recommandation du comité des parcs et de la récréation à l'effet d'embaucher un directeur municipal des loisirs.

L'Association voudrait en effet que les dirigeants municipaux acquiescent au choix du comité de sélection qui a proposé le nom d'une personne, encore inconnue du public, pour occuper le poste de directeur des loisirs, et ce, dans les plus brefs délais.

La décision de l'Association est basée sur le fait qu'il n'y a point de coordination dans les loisirs en la Venise du Québec et que les jeunes en souffrent directement.

Diner

Le cinquième dîner-bénéfice annuel de l'Association libérale provinciale du comté de Beauharnois a eu lieu le dimanche 30 mai dernier au Cegep de Valleyfield.

A l'instar des années passées, un conférencier spécial a été invité à prendre la parole devant les militants libéraux.

Camping

Les terrains de camping de Côteau Landing et de Pointe aux Cascades sont maintenant ouverts au public.

C'est ce qu'a annoncé dans un communiqué officiel le ministère du tourisme de la chasse et de la pêche, du Québec.

Les amateurs de camping de la région peuvent donc à nouveau s'en donner à coeur-joie.

Monument

La société Dominion Textile, en collaboration avec la firme de démolisseurs chargée de la destruction de ses bâtisses à Valleyfield, a accepté de céder à la ville de Valleyfield une quantité de pierres qui serviront à l'érection éventuelle d'un monument à la mémoire de cette compagnie qui a été la première à s'établir en la Venise du Québec.

Ce legs a été effectué à la demande du comité chargé de préparer les fêtes du centenaire à Valleyfield.

A la police

Les rénovations qui se font actuellement au poste de police de Valleyfield en feront un endroit plus agréable et plus acceptable pour ceux qui y travaillent et pour les visiteurs.

Le bureau du chef Paul Marleau sera transféré au second étage où seront aussi situés les bureaux des détectives, le secrétariat, une salle de conférence et une cafeteria.

D'autres transformations seront faites au rez de chaussée pour que le public soit mieux desservi.

Les travaux se poursuivront durant quelques mois encore.

Union Carbide

L'un des défenseurs américains du consommateur, M. Ralph Nader, a déclaré cette semaine qu'il était difficile de trouver une compagnie de la dimension de la firme Union Carbide de Beauharnois qui soit un agent de pollution plus dangereux.

M. Nader a ajouté que ses partisans et lui-même mettaient en branle une campagne contre cette industrie et son usine de Beauharnois.

Notons toutefois que Union Carbide a annoncé il y a quelques semaines la mise en marche d'un programme anti-pollution à son usine de Beauharnois.

Exposition d'Ormstown

L'exposition agricole du comté de Chateauguay, organisée par l'Association des éleveurs de bétail de la région de Beauharnois se tiendra du 9 au 13 juin à Ormstown.

Cette exposition qui devrait attirer de nombreux visiteurs de la région, donnera l'occasion de mieux connaître le travail des agriculteurs, d'apprécier leurs produits et d'observer les plus beaux sujets de leurs cheptels. La dernière a attiré environ 500 exposants et 37,700 visiteurs en 1970. Cette année, les éleveurs de bétail et de chevaux sont spécialement invités.

Cette exposition annuelle attirera jeunes et vieux lors de sa 57" édition qui débutera mercredi le 9 juin. Le calibre de l'exposition de cette année, équivaut sinon surpasse celui des années précédentes. Et les habitants de la région pourront s'attendre à un divertissement de choix tout au long de la présentation.

Parade, attractions, divertissements

Cinq jours d'exhibitions magnifiques chevaux, de bétail et de diverses attractions seront lancés lors de la parade annuelle du mercredi soir. Chars allégoiques, fanfares, en passant dans les rues d'Ormstown inviteront la foule à les suivre et à se rendre sur le terrain d'exposition.

Plusieurs personnages de la scène politique seront présents à la soirée d'ouverture. MM. Georges Kennedy député pour le comté de Châteauguay, Ken Fraser député du comté d'Huntingdon, ainsi que les députés au gouvernement Fédéral MM. Gérald Laniel pour Beauharnois-Salaberry, Walter Smith pour St-Jean et Ian Watson pour Laprairie.

Sur ce même terrain, prendront place manèges et divers amusements, pour le plus grand plaisir de tous. La compagnie" King Reid Shows" sera le contracteur pour l'exposition de cette année. Aussi pour les intéressés, le terrain de stationnement a été agrandi et amélioré, en prévision d'un nombre de visiteurs plus grand que jamais.

Chevaux et bétail

A comparer à l'année dernière, le nombre de chevaux inscrits aux exhibitions "Horse-Show" est moindre. Mais selon le secrétaire de l'exposition, M. Carlyle Dickson, dans les années procédentes, le nombre toujours croissant de chevaux inscrits dépassait les capacités de l'exposition d'Ormstown. Cette fois le nombre des inscrits correspondrait aux capacités de cette dernière.

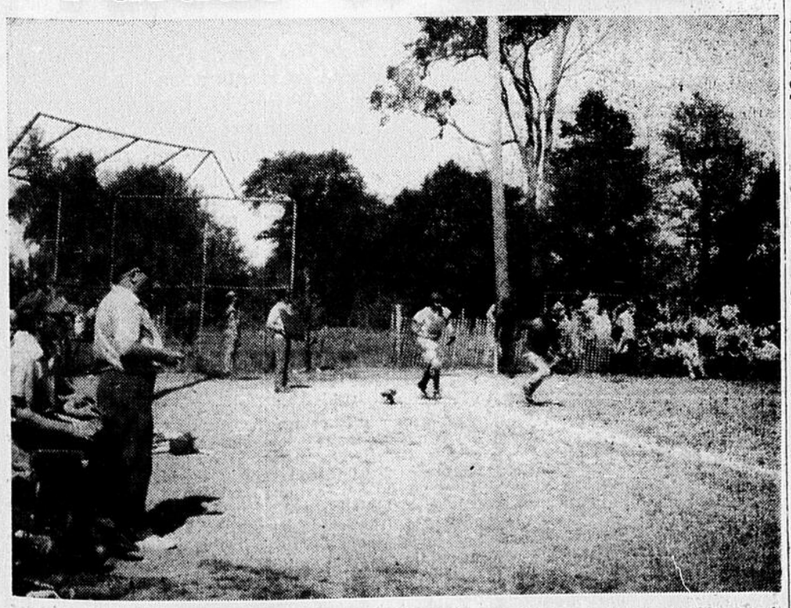

Le nombre de chevaux est moindre mais non minimal. Environ 323 chevaux sont inscrits, dans toutes les catégories. En ce qui conserne le bétail, les exposants sont aux nombre de 545, dont 145 Holstein, 71 Ayrshire et 63 Jersey, le reste se compose de divers mélanges de races.

Les divers participants, cette année viennent d'aussi loin que de Truro dans la Nouvelle-Ecosse et de Bolton et Georgetown dans l'Ontario. La différence entre ces deux extrémités est de 1,100 milles.

Pour exemple, de la qualité des exposants, M. Claude Pickett de Georgetown en Ontario qui a inscrit plusieurs de ses bêtes, a récemment acheté une vache Holstein pour $65,000. dans la région de Toronto. Un nouveau record pour le prix payé à un encan public pour une vache.

On peut aussi compter plusieurs nouveaux exposants, dans diverses catégories. L'enregistrement pour toutes les catégories est ouverte jusqu'à l'ouverture officielle de l'exposition. Sans aucun doute l'exposition de cette année à Ormstown est de calibre.

Parade et baseball

Cette parade fut organisée pour signaler l'ouverture officielle de la saison et le premier match dans les cadres de la fédération be baseball amateur du Québec.

Les membres participants à la parade: dans les convertibles, d'abord Miss Baseball Mlle Francine Bergevin, aussi le club champion de l'année dernière, les joueurs du club Cleyn & Tinker, le maire et deux échevins. La participation d'une fanfare de Valleyfield et des majorettes d'Huntingdon a été remarquée.

Le tout se mit en branle vers les 1.15 p.m. de l'école Notre-Dame pour se rendre sur le terrain d'exposition où se disputerait la joute opposant les Midgets de Beauharnois au Midgets d'Huntingdon.

La joute débuta vers les 2.00 p.m. Le compte final de la joute: Beauharnois 13, Huntingdon 2.

Huntingdon: Croix Rouge

Le 31 mai 1971 à 8:00 P.M. l'Exécutif de la Société Canadienne de la Croix-Rouge division Huntingdon, a tenu son assemblée annuelle.

Les membres présents furent M. Léon Beaudin président, M. H. P. Higgins vice-Président, M. R. Greenbank, M. Donald Davidson, Mme Antoinette Barrett et Mme Antoinette Lalonde secrétaire. L'assemblée fut présidée par M. Léon Beaudin et le compte-rendu fut lu par la secrétaire.

M. Léon Beaudin a proposé M.H.P. Higgins président pour l'année 1971 Il fut approuvé à l'unanimité. Le comité a décidé de remplacer M. George Thompson décédé par la secrétaire.

Les nouveaux officiers pour l'année 1971 furent choisis comme suit: M.H.P. Higgins président, M. R. Greenbank, vice-président. Antoinette Lalonde, secrétaire-trésorière.

Les présidents des différents comités seront les mêmes que l'année dernière.

Remerciements au président sortant, M. Léon Beaudin pour le dévouement et le travail accompli en 1971 .

La prochaine campagne de la Société Canadienne de la Croix-Rouge division de Huntingdon aura lieu du 14 au 28 juin. L'objectif est de $2,000. M. Léon Beaudin a été choisi président de cette campagne avec M. Michel Beaudin et M. Donald Davidson comme vice-présidents.

La clinique des donneurs de sang aura lieu le 8 septembre 1971.

Il a été proposé par M. Donald Davidson et secondé par Mme Antoinette Barrett d'ajourner l'assemblée.

Antoinette Lalonde,
Secrétrès.

Du 27 au 29 mai les jeux d'Arthur Pigeon furent

UN TRES GRAND SUCCES

Le projet des Jeux d'été de la polyvalente Arthur Pigeon est maintenant chose réalisée avec un éclat étonnant.

En effet, jeudi 27 mai, grande parade d'ouverture avec course au flambeau, transmis d'un coureur à l'autre, à travers les rues de la ville d'Huntingdon.

Au retour, le Directeur de l'école, M. Florian Tardif, alluma le flambeau olympique.

A cause d'une pluie abondante, les épreuves débutèrent à l'intérieur dans le gymnase et la palestre.

Bien entrainés, les étudiants commencèrent à se mesurer dans les épreuves de saut en longueur, saut en hauteur et de lancer du poids. Il faut souligner ici le travail ardu de la formidable équipe des éducateurs physiques (Claude Roy, Roger Lampron, Michel Rochefort et Ellen Primeau.

Plus de 800 participants se feront la lutte au cours de ces deux jours de compétition intense.

Vendredi, 28 mai, vint s'ajouter au programme de la veille, les lancers du disque, du javelot ainsi que les courses vitesse de 100, 200, 400 mètres, etc.

Une température chaude et ensoleilée bronza les teints et fit rougir les frimousses des concurrents.

Samedi avant-midi, grande finale des épreuves pour le mérite des médailles d'or, d'argent et de bronze. Sous un soleil brûlant, activité intense des athlètes; il fallait voir l'animation, l'ardeur des participants, les cris des spectateurs, la vie débordante de toute cette jeunesse heureuse de concourir et d'encourager ses favoris.

Des résultats surprenants furent enregistrés dans les différentes catégories de compétiteurs; la liste des gagnants en fait preuve.

Cette photo fut prise lors des finales de sauts en hauteur. Plusieurs jeunes s'étaient inscrits dans cette épreuve et nous avons assisté à des performances surprenantes.

Samedi dernier avaient lieu les finales des différentes épreuves. Nous voyons ici, les jeunes face au saut en longueur.

De gauche à droite: André Simard champion sénior du Canada, Lise Arsenault championne sénior du Canada, Jean Gagnon champion junior du Canada, Conrad Vincent Champion junior du Québec.

La course, de toutes les longueurs, a été appréciée des visiteurs. Nous voyons nos athlètes dans la course du 400 mètres.

Les invités d'honneur, les étudiants les professeurs et les parents assistèrent à un concour hippique à l'intérieur de l'arena. Ces jeunes cavaliers démontrèrent leur habileté à conduire leur monture et réalisèrent des prouesses dignes du Far West.

Une chorégraphie montée par un groupe d'élèves filles et garçons nous transporta dans un monde psychédélique. L'arbre de L'Amour et de la Vie fut réussi de main de maitre pour des débutants.

Un groupe de champions en gymnastique artistique donnèrent une démonstration captivante sur des engins différents.

Lise Arseneault, championne sénior, à la poutre d'équilibre et l'exercice au sol, nous étonna par sa souplesse, la précision et la perfection de ses gestes.

André Simard, champion sénior du Canada, Jean Gagnon, champion junior du Canada, Conrad Vincent, champion junoir du Qué. réalisèrent une série d'exercices exacts et parfaits sur: le cheval-arçons, les anneaux, les barres paralleles et la barre fixe. Le tout exécuté avec élégance, rythme et originalité.

Les spectateurs goûtèrent cette démonstration qu'ils applaudirent à maintes reprises.

En deux jours et demi d'activités fébriles, nous avons connu l'esprit sportif des étudiants D'Arthur Pigeon. Les efforts déployés par chacun ont été couronnés de succès.

Aux instructeurs, aux professeurs bénévoles, témoignage de reconnaissance des étudiants et des parents pour l'excellence de leur intervention professionnelle.

Aux officiels, merci de l'objectivité dont ils ont fait preuve dans l'exercice de leurs fonctions.

Aux organisateurs, gratitude acquise.

Aux concurrents, du plus jeune au plus âgé, gage d'estime.

Aux hôtesses, si gracieuses, si distinguées, si bien habillées et si gentilles, appréciation sincère pour les services rendus.

Bon voyage

Gérald Lapointe représente l'agence Maurice Lapointe à la convention des agents canadiens en Irlande. Il en profitera pour visiter durant un mois les iles Britanniques nommément les deux Irlandes, l'Ecosse et l'Angleterre.

Editorial

Le mot du directeur

LE beau spectacle que vous avez donné par ces jeux d'été si bien réussis, mérite un mot d'admiration et une parole d'espérance.

Votre entrainement, votre tenue, votre souplesse, votre entrain, vous ont attiré des applaudissements et maintenant les compliments les plus flatteurs.

Par ces jeux d'été, vous avez renouvelé les traditions des jeux olympiques. La force humaine y a joué un grand rôle: nous y avons vu des athlètes agiles à la course, prompts à la lutte dans les lancers du poids et du javelot, souples aux agrès, ambitieux dans les sauts, gracieux à la gymnastique et à la danse.

En face des divers maux qui dégradent de nos jours les énergies de la jeunesse, aveulissent les caractères, étiolent nos jeunes, amoindrissent la race. . . vos efforts persévérants vous ont permis d'acquérir et d'épanouir les meilleures qualités physiques et morales.

C'est en vous habituant ainsi à la peine, au sacrifice, au combat, au danger, au risque de soi, que l'on apprend à vivre, à lutter, à vaincre, pour tremper un homme, une femme, de granit et d'acier.

Vous serez rois et reines de demain. . . si vos idées, vos convictions et vos principes restent forts comme vos bras, fermes comme vos corps.

Je vous félicite bien sincèrement au nom de tous ceux qui vous ont vu à l'oeuvre, des autorités scolaires qui ont approuvé le projet, des professeurs d'éducation physique qui ont travaillé avec vous, des professeurs qui ont donné un appui à 100%, d'avoir excellé à vos jeux, d'y avoir apporté beaucoup d'énergie, de force, de souplesse, de la vigeur, de l'élan, de la résistance, de l'audace même, des bras et des jambes qui plient avec une volonté qui ne cède pas.

La réalisation de ce programme et de ce beau travail athlétique qui a provoqué de généreuses émulations, n'est qu'un point de départ pour les années à venir.

Florian Tardif.

Cantique des Créatures

"Loué soit mon Seigneur, pour notre soeur la Lune et pour les Etoiles. Vous les avez formées dans les cieux, claires et belles.

"Loué soit mon Seigneur, pour notre frère le Vent, pour l'Air nuageux et serein; pour tous les temps par lesquels il sustente les créatures.

"Loué soit mon Seigneur, pour notre soeur l'Eau: elle est utile et humble, précieuse et chaste.

"Loué soit mon Seigneur, pour notre frère le Feu par qui tu éclaires la nuit et qui est beau et joyeux et robuste et fort.

"Loué soit mon Seigneur, pour notre mère la Terre qui nous nourrit et nous supporte; elle enfante et les fruits et les herbes et les fleurs colorées.

"Louez et bénissez mon Seigneur, rendez-lui grâce et servez-le avec grande humilité."

S. François d'Assise.

8—**Publication:**
Promesse de mariage entre **Claude Racine**, mécanicien, de la paroisse Ste-Agnès de Dundee, fils majeur de Réal Racine et de Lucille Dupuis, de la paroisse Ste-Agnès-de-Dundee; et **Lorraine Leblanc**, employée d'industrie, de la paroisse St-Joseph de Huntingdon, fille majeure de Elmer Leblanc et de Malvina Picard, de la paroisse St-Joseph, Huntingdon.

Cercle de fermieres

Le 11 mai dernier eut lieu l'assemblée des fermières. A l'occasion de la fête des mères, une fermière fut choisie pour être la reine et mère de l'année 71, ce fut Mme Laurette Lettre à qui nous offrons nos félicitations. Petit cadeau et corsage furent offerts à notre dévouée mère Laurette.

Notre aumonier M. Guy Gosselin Ptre, dialogua avec les membres présents, ce fut vraiment un échange. Questions et réponses se succédèrent démontrant le désir de communiquer de ces femmes. Ainsi toutes celles présentes peuvent mieux participr au renouveau 71.

Le goûter a été une dégustation de salales froides avec recettes fournies par les membres. N'oubliez pas pour la prochaine réunion, vos morceaux d'inter-cercle. La prochaine assemblée aura lieu le 8 juin prochain. Aussi toutes celles qui ont pris de l'assurance, vos cartes vous seront remises ce soir là. Le cahier souvenir est à compléter, veuillez si vous avez quelques minutes de libres, nous aider afin de faire une belle réussite pour notre 5e anniversaire en septembre prochain. Le congrès régional aura lieu à St-Anicet le 29 juin, donc donnons-nous la main pour que tout soit un beau succès.

Venez nombreuses le 8 juin, car nous aurons une démonstration d'art culinaire avec recettes. Bienvenue à toutes même les messieurs qui aimeraient goûter à ces plats seront les bienvenus après 9.00 p.m. le 8 juin. MERCI.

Mme Rolande Payant sec.

Conseilller

Un des candidats au poste de conseiller scolaire du quartier cinq à Valleyfield, M. Robert Larivière, a donné une conférence de nouvelles durant laquelle il a fait voir ses vues sur l'administration scolaire.

Précisant qu'il ne pose pas sa candidature contre un adversaire pour le plaisir de contester ce dernier mais qu'il le fait parce qu'il s'intéresse à l'éducation, M. Larivière a indiqué que le commissaire d'école fait partie de la conscience educationnelle du Québec et doit voir à ce que les professionnels et les cadres au service de la commission scolaire donnent constamment leur pleine mesure. Administrateur et contrôleur au nom des contribuables, le conseiller a un défi à relever, celui d'instaurer le meilleur spstème d'éducation possible, a déclaré le conférencier.

A son avis, il faut que le conseiller scolaire comprenne clairement l'évolution sociale, consulte constamment les personnes qu'il représente, soumette régulièrement des formules habiles à permettre la réalisation concrète de l'étudiant et administre toujours en fonction d'une meilleure société.

Directeur des ventes et du personnel à la firme Monette et Larivière de Valleyfield, M. Larivière donne des cours du soir aux adultes depuis trois ans. Il a été assistant de recherche à l'université Laval sur un projet concernant l'organisation du personnel dans la fonction publique provinciale et également assistant de recherche embauché par le gouvernement fédéral pour étudier une section du problème des relations de travail au Canada.

Il aura pour adversaire un épicier de Valleyfield, M. Paul-Emile Daigneault.

Accident

Un résident de Maple Grove, M. Jacques Labrèche, a fauché un poteau de l'Hydro-Québec en fin de semaine quand il a perdu la maitrise de son véhicule face à l'école St-Viateur de Beauharnois.

Les dommages a son automobile se chiffrent à environ $1,500. mais il n'a pas été blessé.

FEMME DEMANDEE
Pour travail général dans maison privée. Un enfant de 4 ans à la maison et quatre autres aux études. L'épouse travaille au dehors. Cuisine ordinaire. Libre le samedi à 7 hres et tous les dimanches. Pas de grand ménage, maison très facile d'entretien. Laveuse et sécheuse automatique ainsi que lave-vaisselle. Bonnes conditions de travail et salaire intéressant. Inutile de faire application si moins de 21 ans. S'adresser à 116 rue Ellice, Beauharnois, tél. 429-4888.

ORMSTOWN
DE TOUT EN BREF---

Dimanche, le 30 mai, avait lieu l'ouverture de la saison de balle, (fastball) à Ormstown. Une parade composée des porte-étendards des ligues, des majorettes, de la fanfare, des joueurs et de leurs instructeurs, traversa le village pour se rendre au terrain de jeux, situé à côté de l'école Jean XXIII, où une partie devait être disputée.

Nous souhaitons une fructueuse saison sportive à nos jeunes joueurs.

Félicitations et meilleurs voeux de bonheur à M. et Mme Pierre Dumas (Micheline Parent) de Nitro dont le mariage était célébré récemment en l'église St-Malachie d'Ormstown.

Huntingdon: l'Age d'Or

Après un an et demi d'activités l'Age d'Or de Huntingdon se réunissait dans un congrès provincial et régional à Valleyfield au club du Bon Vieux Temps, où 400 personnes âgées se sont réunies.

Imaginons, il y a dix ans, on se voyait confiné à son perron ou une petite marche ou encore quelques sorties, toute vie extérieure était presque ignorée.

Aujourd'hui le service des autobus fourni à tout club ou association est un moyen agréable de se déplacer, de visiter notre province, même l'au-delà de nos frontiéres.

Vous tous qui lisez ces quelques lignes: samedi le 5 juin 71 à 8h p.m. il y aura à la salle paroissiale une soirée récréative au profit de l'Age d'Or.

Afin de pouvoir continuer ce qui est commencé, l'admission est de $1 par personne, venez amis de l'Age d'Or car votre collaboration est notre plus grand succès. Un sourire sur la figure de ces personnes, au coeur si jeune, est une promesse pour vous qui aurez l'âge d'or un jour.

Tous les mercredis après-midi joignez vous à nous; vous comprendrez que la valeur humaine est plus riche que tout ce que vous possédez actuellement. Merci à toutes les personnes qui de prés ou de loin se dévouent pour faire de l'Age d'Or une réunion amicale et sociale d'une grande valeur.

Mme Roméo Payant,
rédactrice.

Cambriolage

Deux hommes et une femme ont été surpris en flagrant délit de cambriolage en fin de semaine au restaurant de la voie maritime du St-Laurent à Melocheville grâce à la perspicacité des agents de la sureté du Québec de Valleyfield et du chef de police de Melocheville, M. Rolland Charlebois.

Au moment où ils ont été appréhendés, ils avaient fait main basse sur $300. de marchandises et causé pour $600. de dommages à l'édifice.

Ils ont comparu lundi au palais de justice de Valleyfield.

Imprudence

M. Jeoffre L'Heureux, directeur de la sûreté municipale de Huntingdon, a appréhendé durant la fin de semaine un individu qui sera sans doute accusé de conduite dangereuse d'un véhicule.

L'homme en question aurait littéralement brûle 9 arrêts réglementaires alors qu'il traversait Huntingdon.

Vol de motocyclette

Une moto de marque Harley — Davidson appartenant à M. Jacques Hart un jeune homme de 20 ans, fut volée, la semaine dernière.

Malgré les précautions du propriétaire qui avait laissé sa moto sous clé, des individus ont réussi à faire main basse sur cette dernière Pourtant stationnée à un endroit passant, au 35 rue Bouchette, et de plus une moto de marque Harley-Davidson 69, de couleur noir ne passe pas inaperçue.

Si jamais vous l'auriez vue, le numéro de licence est M-16314.

La STIHL-041 AV n'a aucune vibration

C'est la tronçonneuse qui ne fatique pas. Voici la nouvelle STIHL 041 AV — une tronçonneuse très légère et extraordinairement puissante (7,1kg-7CV). Son plus grand avantage: la poignée AV brevetée qui absorbe les vibrations du moteur et de la chaîne. La STIHL 041 AV est la seule tronçonneuse légère au monde qui offre cet avantage. Cela vaut la peine de l'essayer!

COMMISSION SCOLAIRE REGIONALE SALABERRY

Demande de soumission

PROJET: Aménagement de terrain piste et pelouse (Ref.: drainage de terrain, installation piste de course 400 mètres, losange de balle, etc.)
ENDROIT: Ecole Polyvalente Arthur Pigeon, comté de Huntingdon.
DATE LIMITE: le 18 juin 1971 à 2.00 p.m. heure qui prévaut à l'ouverture des soumissions (heure avancée)
LIEU: 47, rue Perreault, Valleyfield.

Chaque soumissionnaire présentera son offre sur le bordereau pour soumission préparé à cette fin par la commission scolaire Régionale Salaberry en y joignant:

a) Un chèque ou un bon de garantie équivalent à au moins 5% du montant total de son offre;
b) Un chèque de $10 sera exigé pour obtenir les plans. Ce chèque sera remis uniquement à ceux qui présenteront des soumissions avant la date limite prévue pour ce projet. Ces chèques visés seront faits à l'ordre de la commission scolaire Régionale Salaberry et tirés au nom d'une banque à charte canadienne ou d'une caisse populaire Desjardins. L'offre sera remise dans l'enveloppe fournie à cette fin par la commission scolaire.

Les soumissionnaires pourront se procurer les plans, devis, cahiers de charges et autres documents à compter de mercredi, 2 juin 1971 auprès de M. Raymond Bienvenu, Directeur du Service de l'Equipement, 47 rue Perreault, Salaberry-de-Valleyfield, numéro de téléphone 371-2000 poste 234. (Heures de bureau 9 A.M. à 5 P.M.)

Les soumissionnaires sont invités à l'ouverture des offres en public qui aura lieu au bureau de la commission scolaire Régionale Salaberry, 47 rue Perreault, Salaberry-de-Valleyfield, le 18 juin 1971 à 2.00 P.M.

La commission scolaire Régionale Salaberry ne s'engage à accepter ni la plus basse ni aucune des offres reçues et ouvertes. Elle se réserve également le droit d'accepter toute soumission en tout ou en partie.

P. V. Gagné
Secrétaire-Trésorier.

Godmanchester: Brigade du feu

La nouvelle, que la municipalité de Godmanchester allait acheter un équipement pour combattre les incendies, a soulevé plus qu'une vague d'enthousiasme, parmi les gens de cette municipalité. Un exemple en fut donné lors de la réunion du 26 mai dernier à la caserne des pompiers d'Hinchinbrooke à Athelstan.

Approximativement 40 pompiers volontaires de Godmanchester et de personnes intéressées se sont rassemblés à la station. Au cours de la réunion, qui prit fin vers les 10.30 p.m., les directeurs et un exécutif ont été nommés et élus aux différents postes.

A la suite des élections, une période de questions et de discussion fut entreprise avec trois représentants des pompiers volontaires d'Hinchinbrooke, qui fournissaient la salle et les conseils en tant qu'experts. La brigade d'Hinchinbrooke est toujours au premier rang pour apporter aide et assistance à la nouvelle brigade.

M. Billy McDonald président de la brigade de Godmanchester, exposa brièvement les prochaines étapes à suivre pour la brigade. MM. Dan Tully et Donald Ednie de la brigade d'Hinchinbrooke furent appelés pour donner des informations sur la formation et le fonctionnement de leur organisme. Tous deux accordèrent beaucoup d'importance aux règlements stricts régissant actuellement la brigade. Ces règlements assurent une discipline qui permet de faire face à toutes les éventualités qui peuvent apparaitre lors d'une opération ou manoeuvre. M. Tully spécifia que ces règlements sont plus que nécessaires et essentiels à la brigade.

Election

Lors de l'élection de l'exécutif, les nominations furent proposées par M. Donald Ednie secondé par MM. Tully et Grant. M. Bill McDonald fut élu président, les électeurs avaient le choix entre ce dernier, MM. Francis Thurston et Royce Ruddock.

Comme vice-président, fut élu M. David Rankin, la seule autre opposition présentée contre lui fut celle de M. Francis Thurston. Pour le poste de secrétaire s'étaient présentés MM James Arnold et Philippe Leblanc. M. Leblanc fut élu.

Trois directeurs furent élus parmi huit candidats, MM. B. Demers, J. Arnold, H. McClean J. Todd M. McCaig, E. Watterson, G. Monique et J. McCallum. Les trois directeurs élus furent MM. Arnold et McCallum lors du premier vote, tandis qu'une égalité entre MM. Bernard Demers et Howard McClean, nécessita un deuxième vote, M. McClean un conseiller de Godmanchester fut élu comme troisième directeur.

Avant le départ, on fixa le prochaine réunion au 16 juin à 8.00 p.m. à Athelstan.

Remerciements

Sincères remerciements à nos parents et amis qui ont organisé cette belle réception pour nous à l'occasion de notre mariage, et à tous ceux qui y ont assisté. Nous en garderons de précieux souvenirs.
Léon et Micheline.

Naissance

SHEARER — A l'hôpital de Huntingdon, le samedi 29 mai, 1971, à M. et Mme Kenneth Shearer, Huntingdon, est née une fille.

Some Howick area residents unhappy concerning proposed government project in area

A large crowd gathered at Howick Town Hall on Wednesday evening May 19 to hear what representatives from Ottawa had to say about intended plans for the development of the historical site at Allan's Corners, where the Battle of the Chateauguay centered.

Those who live in that district were alarmed when they learned that their land was to be expropriated for an extensive development. This was not a rumour. Two representatives from Ottawa and two other men visited three landowners to discuss appraising their property and several other surprised landowners received letters. Why do those involved have to the last ones to hear about such plans?

They were satisfied up to a point, following the May 19 meeting but on thinking the matter over they believe no changes will be made in the plans for a larger development, and land will be gradually taken over, as painlessly as possible.

They, and others not so closely involved have stated that it would be more pleasing to them to have a smaller historical site with more money going to clean up a polluted Chateauguay River, and to removing some of the death curves (such as Sproule's) from the highway. A swimming pool at the site would be appreciated by the children for miles around — a suggestion from a mother. A farmer who lives in that area thinks of the slum dwellers who need help now, while governments are pouring thousands into too large historical sites which will require endless maintenance.

Landscaped grounds are not common on the farms in this district, but the lawns and flowers present a nice appearance because mother and the children work at the job — without pay. They think of the money that will be needed to maintain a large historical site.

There are other people who are satisfied it is a good idea but one wonders if they would be happy if the plan included their house and land.

Because the government is spending large sums of money in other provinces on similar projects, is not a good reason for spending more in this district, if hard-headed farming people do not think it is a good plan.

So often we think of older women in this community who should be working for the government in the finance department. They know how to make money stretch and work, better than many of the male government officials who may do a very good job in other departments.

This is what my telephone has been telling me during the past week.

Another suggestion since I wrote that closing sentence. One lady thinks the Americans would be happier if they could find picnic tables under a shade tree when they come near this district. There are a few but many more could be used. The W.I. has been urging this for years but had to abide by government regulations.

TODAY'S WORLD

"If you're really serious, try this. It smells like burnt toast".

Athelstan

ATHELSTAN — Week-end guests og Mr. and Mrs. John D. Elder were Mr. and Mrs. David Ruby of St. Johns, Newfoundland, Mr. Ruby is a nephew of Marian Elder, who enjoyed getting news from home.

Mrs. Wm. Tobin of Montreal, was a week-end guest of Mr. and Mrs. Norris Herdman, Carol and Samantha Herdman, spent the week-end at home.

Mr. Fred Hutchings Jr., spent the week-end in Sherbrooke guest of Mr. and Mrs. Martin.

Mr. and Mrs. Roger Campbell were dinner guests at the home of Mr. Gordon Porter, Franklin Centre.

Ken Fraser guest speaker at Maple Leaf Grange neighbor night at Dickinson Center

Maple Leaf No. 11, Kensington, presented a neighbor night program on "Government" at Adirondack Grange Hall, Dickinson Center, N.Y., on Wednesday night, May 19, with a group of about 60 members and guests in attendance. Janet Levers, Maple Leaf Lecturer, was in charge of the program.

The open meeting form was used. Kenneth Palmer, Master, welcomed the gathering. American and Canadian flags were presented by Esther Dimick, and Bessie Graham.

Mrs. Nellie Clark, Adirondack Lecturer, introduced Miss Levers, who presented the following program:

Song by all — How Great Thou Art

Guest speaker was Kenneth Fraser, Huntingdon County Representative to the National Assembly of Quebec. He spoke of some of the similiarities and differences in the United States and Canadian legislative bodies. Democracy as we know it is only about 300 years old and started with the signing of the Magna Carta by King John. The Canadian bodies are modeled on the British Parliament with the Governor General being the Queen's representative in Canada. The leader of the majority party forms the cabinet, which has 23 ministers in charge of the distribution of 4 billion dollars, and represents six million people, nearly 1/3 of whom reside in Montreal. There are only two farmers in the Quebec assembly, so agriculture has a very small voice there. Representative salary is $12,000 per year, with an additional $6,000 for expenses which is not taxable. Cabinet ...ers receive from ten to twelve thousand additional pay. In closing, Mr. Fraser extended an invitation for anyone to pay him a visit in Quebec City. A question period followed.

Mrs. Ruth Stark thanked the speaker.

Several bagpipe selections were presented by Wanda Goundry and Kathy Paul, who were in authentic Scottish costumes.

A recreation number, lifesaver relay, was conducted by Cecil O'Connor and was won by Kenneth Palmer's team.

The program closed with the singing of "Battle Hymn of the Republic" and "The More We Get Together," Mrs. Grace Thomas was pianist.

Deputy State Master Gerald Burke, Junior Deputy Mabel Burke, Pomona Master Arthur Tanner and subordinate Masters from Bangor, Brushton, Malone and Westville spoke briefly.

District Junior Princess Debbie Elmer, Moira, of the 5-10 age group, and District Alternate Princess Fay Farquhar, North Bangor, of the 11-15 age group, were also introduced.

Pomona Lecturer Eunice Jones announced the following meeting dates: June 2 — Westville takes neighbor night program to Burke; June 3 — Pomona Grange meets in Malone; June 8 — Adirondack takes the neighbor night program to Brighton Harrietstown; June 9 — Malone takes neighbor night to Brushton.

The host Grange served refreshments following the program.

GYMNASTIC AWARDS AT BILLINGS

Three girl athletes and seven boys were honored last Thursday at a special assembly in Billings High School, when they received awards for their prowess in athletics. Most Outstanding Female Gymnast was Trina Lamarre; Most Outstanding Female Track and Field athlete, Annette Corbeil; and Most Outstanding Female Athlete Dianne Duncan. The boy students in some categories shared the awards between them. In the latter Dave MacLean, and Dave Swan were regarded as the Most Outstanding Track and Field athletes. Most Outstanding Male athlete was shared by Kevin Doherty and Grant Wilson.

Daniel Mantion was chosen as the Most Outstanding Male Gymnast; Doug Hickey as the Most Outstanding Wrestler; and the Burns Leckey Trophy for the Most Outstanding Contribution to Athletics was awarded to Bob Muir, who also had the distinction of thanking the guest speaker, Mr. Dainault. GMIAA championship awards were won for Senior Soccer, Senior and Junior Boys Gymnastic teams, boys and girls Track and Field, and Cross Country. Also Major and Minor awards for both boys and girls were featured and the girls Pentathalon championship. The Gleaner congratulates all the student athletes, and their Physical Education instructors; these fine young people have brought a great deal of honor to the Greater Chateauguay region, besides making themselves known all over the Island of Montreal.

FOOD FOR LOW INCOME GROUP

I heard something very nice about one of the Centre's young people, and thought the readers may be interested. Rodney Hayes of St. Maurice Street (Imperial Gardens) went out last Saturday with his Dad's wheelbarrow and collected 29 tins of food for the less fortunate citizens of this community. Rodney delivered the goods to St. George's Church on Sunday morning, and they in turn will pass the food along to the committee set up to help families in financial distress. This latter group is affiliated with most of the local churches providing help if and when required. The unemployment problem is nothing new to this area, and we believe there are a number of cases where the situation is desperate.

SENIOR CITIZENS GROUP ROLLING

The recently formed group for Chateauguay's Senior Citizens is well on its way to being a success. Their last function, a Wine and Cheese party held in St. George's Hall brought out quite a fair representation of this area's "over 65" age group. Their next meeting is to be held in Vetville Hall, 311 McLeod Avenue at 7:30, Monday, June 7. All senior citizens are most welcome.

ANOTHER MEETING

The de Salaberry Association for the Mentally Retarded are to have a film shown at their next general meeting, this also to take place on June 7. Dr. Kirchner's film on the subject "On Children Adjusting to the Classroom," is apparently a most interesting one. The meeting is in room N 122 of Billings High School. The public are invited, at 8.00 p.m.

REGIONAL SCHOOL BOARD NOTES

At the regular meeting of the Protestant Regional School Board of the Chateauguay Valley last week the Board ratified the appointments of the following staff (promotion): Department Head — English, Mr. Bruce Patterson, also as Department Head — French, Mr. Harry MacKrith; Mr. David Hardy, Physical Education; and Mr. Gerry Taylor, Guidance Department Head; these four for CVR Ormstown. At the same time, Mr. Ian Rennie was appointed as Department Head for Mathematics at Billings High, and as Assistant Dept. Head, French Mrs. D. McNeil. Some concern was voiced about the Order in Council (No. 1566, May 15, 1971) published in the Official Gazette of Quebec dealing with new regulations restricting the resources from which library books be purchasd. Hardships will no doubt be imposed on school libraries in English schools, and the Board expressed their agreement with the Director General, Mr. Norman Wood and HSB Librarian, Mrs. W. A. Barclay, that this should be protested. The difficulties created in the purchase of textbooks should also be protested, and a letter will go out to the proper authorities expressing the dissatisfaction with the ruling.

EDUCATION WORKSHOP

A one-day workshop will be held at CVR Ormstown on September 2nd, under the joint sponsorship of the C.V.T.A. and the Chateauguay branch of the O.A.S.A. Mr. Norman Goble, Secretary General of the Canadian Teachers' Federation has been invited to address the group.

ENROLMENT FOR SEPTEMBER

Projected figures given recently to Board members for Billings and CVR Ormstown have since been revised upwards. Originally expected at Billings was 2,746 student enrolment, but now the latest figures show 2,806 in Cycles one and two. In C.V.R. the figure of 1,333 has now been upped to 1,363. In Grade eleven at Billings alone, 422 students are anticipated. Some staff have resigned to teach elsewhere or to retire and the Board resolved to accept these resignations besides accepting new staff appointments.

SCHOOL CALENDAR

The 71-72 school calendar will be slightly different from previous years. High school will co-operate with elementary schools with the more flexible calendar. It seems I heard a total of 200 school days mentioned, but that seems like quite a lot. We will hear more about this at the Board's next meeting.

OTHER BUSINESS

Discussed also at the meeting was repair work at both schools, insurance, damage from snow removal at CVR and tenders soon to be published for next year's snow removal. Mentioned particularly was a very nice compliment to Mr. Hayes, Head of the Vocational and Technical dept. on his excellent handling of his department.

BOARD MEMBER RESIGNS — NEW APPOINTEE

The member for Huntingdon, Mr. McKie Cluff sent a letter of resignation to the Board and in his place, Mr. Andrew Fawcett has been appointed to represent Huntingdon for the remainder of the term.

EXAM TIME AGAIN

Starting on June 8, when the MSD and Religion exams will be held, the annual agony for the kids goes on for another 10 or 11 days with exams in various subjects. In Billings 900 individuals will be writing on ALL subjects and 600 at CVR. Eight thousand, two hundred and forty seven papers in all are being written, some of these marked locally and others by computer.

ON FRENCH

The Education Committee meets each month mainly to keep 'au courant' with all the latest in education methods, the subjects and so on. Last month the subject discussed was the Library facilities at CVR, the month before it was music at Billings. Featured this month at Billings was the present French program, a review of it. Comments from those present included. In general there is a better attitude towards French, but motivation is still a problem with many students. Home attitude is very important. The new Provincial course for advanced pupils in Grade XI is proving effective. Department Head, Mrs. Galaczy stated that the "structural approach" to teaching French is followed throughout the school. Recommendations by the Home and School Associations of the Valley pertinent to improving the teaching of French were discussed. It was agreed the Board should support the request to the Minister of Education (a) have class sizes reduced for the teaching of French, and (b) increase the facilities for training teachers of French. Attention was drawn to the growth of classes for pupils who have experienced learning difficulties. Additional psychological and other specialized help will be needed for the 1971-72 year. At the Board's June meeting a proposal will be put forward dealing with this.

MEANWHILE BACK AT SCHOOL

Last weekend at Montreal's McGill University an intensive workshop on four topics of vital concern to school administrators was held with some of Billings and CVR administration staff attending. Specialists from the U.S.A. and Canada conducted in-depth workshops on the "Comprehensive High School Today."

FURTHER TO SECOND PARAGRAPH

That item about the 29 tins of food collected by Rodney Hayes — apparently, this was the third of three projects undertaken by Rodney in order to qualify for his Silver Citizenship award in Scouting. Rodney is a member of the Maplewood Troop, and had a letter from his Scoutmaster with him in order to prove to those who doubted that he actually was collecting food for the unfortunate. Sincere thanks to all those on St. Maurice Street who donated items for this project.

THEFTS AND TRAFFIC MISHAPS

A break and entry theft in the Heights has resulted in a three year prison term for a man who was already on parole for other offences. The theft of an undisclosed sum of money from a petty cash box occurred on the Victoria Day holiday weekend.

In another theft in the Town, a car gas tank was stolen from the side of a garage at 174 Salaberry. The car, a 1968 Dodge was for sale.

A two-car collision near the intersection of St. Jean Baptiste and St. Francis last Saturday sent three to hospital by ambulance all with undetermined injuries. In another accident two persons were taken to Lasalle General Hospital by Town patrol car after their cars collided on Notre Dame Street and Crepin. It was believed their injuries were not serious.

Regatta, June 5

Local boating fans will certainly be treated to a rare spectacle when the regatta takes place on the Chateauguay River at 1 p.m. Saturday June 5. A featured performer with the high speed sportsman-type craft will be localite Pierre Lavigne who has shown his ability with the boats in many prominent races around the country. Pierre's new boat powered by two 135 HP motors will be getting its second work under actual competition following his earlier races at Peterborough, Ontario a week prior to the local event.

Football School

The Vaughn McVey Football school for boys from 13 to 18 will be held at Macdonald College from July 5th through the 17th and many promient football personalities will be among the instructors at the school. Vaughn has combined in the effort with Larry Fairholm, and Pierre Desjardins, and the school will be designed to encourage the natural ability of the individual rather than simply presenting a general course in rules and play.

Grade XI students at Billings High School Ian Pain (l) and Chester Goodleaf (r) are shown with the Trophy they won recently in a "Trouble Shooting Contest" sponsored by Chrysler Corp. The boys competed with students from various areas of the province, some of these boys studying auto mechanics exclusively. This year was the first year the contest has been held across Canada. Sixteen schools participated in the contest and the two Billings students took fourth place, considered quite a feat, when one looks at the competition the boys were up against. Mr. Dinsmore, their teacher in this subject stated that the boys had a natural ability and interest in motor mechanics. First and third places were won by two Montreal technical schools and second place by a Three Rivers Polyvalent. Our congratulations to Ian and Chester and to Mr. Dinsmore.

Chateauguay Minor Hockey

The revised executive staff of the Chateauguay Minor Hockey League was chosen at last week's annual election meeting at St. Willibrod's School as the eighteen positions open with the League were filled for the 1971-72 season.

The election was the first under the revamped constitution which will see the league become incorporated in the near future, and Murray Nebbs was elected to the post of president of the C.M.H.L., Maurice Trépanier became first vice-president of the league with Merle Crittenden assuming the post of vice-president of the house league and Pete Meloche taking over identical duties with the AA section.

The epublicity director's position was unchanged and it will again be our pleasure to bring you regular reports of the league in the season to come, Ross Hill will take over the job of secretary, Roger Lemay will be the treasurer Don Buchanan will assume the chore of equipment manager, andl Ernie McAuliffe returns to his position as registrar.

Elections for the house league staff included Gilbert Comeau as game secretary, Roméo Payment will again serve as referee in chief, and directors include Brian Currie, in squirt, Ron Nurse in Atom, Roger Sangallo, in Mosquito, Jim Murphy in Pee Wee, Stan Dziewirz in Bantam, Ted Rogers in Midget and Louis Beauchemin in the Juvenile section.

The sincere thanks of the C.M.H.L. are extended to the Toastmasters for their assistance in the election program, with particular thanks due to Karl Burkhardt, Pat Rossi, and Ross Doogan, for their fine effort at the school. In addition, sincere thanks are due to Maureen Daniels, who along with several other members of the Ladies Auxiliary, assisted in the election.

Many calls have been received regarding registration of players in the C.M.H.L. and a decision on the date of the open registration has not as yet been decided. This, along with plans for the annual banquet will be on the agenda of an early meeting of the new executive, and plans will be announced in this column after final decisions have been reached.

—Billings Sport Scene—

(Gary Timmons)

Track and Field

In an LIAC junior and senior track and field meet Billings girls won 1st place by more than 700 points. For the seniors A. Corbeil was the high aggregate scorer with 2860 points for our team. The other two girls, R. Scott and T. Lamarre wo 2603 points and 2510 points respectively.

Junior Girls:

High Jump: — L. Poirier, 2nd.
Long Jump: — D. Culham, 1st.
200 Metre Run: — R. Culham, 1st.

Senior:

Shot: — R. Scott, 2nd.
High Jump: — A. Corbeil, 2nd.; T. Lamarre, 3rd.
Long Jump: — A. Corbeil, 1st.
80 Metre Hurdles: — A. Corbeil, 1st.

In the boys GMIAA (Greater Montreal Interscholastic Athletic Association) championship track and field meet, Billings again won first place. School results are as follows.

Class I:

400 Metre Run: — W. Whyte, 1st.
1500 Metre Run: — W. Whyte, 3rd.
800 — Metre Run: — W. Whyte, 2nd.
Relay: — Billings, 3rd.
Point Standings: — Billings 2nd. — 36 pts.

Class II:

Hurdles: — R. Schacknat, 2nd.
Broad Jump: — R. Schacknat, 2nd.; T. Burrell, 3rd.
Triple Jump: — R. Schacknat, 2nd.
Shot Put: — M. Salter, 1st.
Pole Vault: — D. Miglia, 1st.; L. Frost, 3rd.
Point Standings: — Billings 1st. — 53 pts.

Class III:

100 Metre Dash: — M. Santiago, 2nd.
200 Metre Dash — M. Santiago, 1st.
400 Metre Run: — D. Swan, 3rd.
Hurdles: — D. Swan, 1st.; B. Bennett, 2nd.
Relay: — Billings, 2nd.
High Jump: — J. Williams, 1st. — A Record.
Broad Jump — D. Swan, 1st.
Triple Jump: — D. Swan, 1st. — A Record.
Javelin — R. Deer, 3rd.
Pole Vault: — M. Robertson 1st. — A Record; D. Swan, 2nd.; J. Williams, 3rd.
Point Standings: — Billings 1st. — 68 pts.

Class IV

400 Metre Run: — D. McLean, 1st., — A Record.
800 Mere Run: — D. McLean, 1st. — A Record.
Hurdles: — B. Swan, 1st.
Relay: — Billings, 3rd.
Broad Jump: — B. Swan 2nd.
Triple Jump: — B. Swan, 1st.
Shot Put: — G. Lalamand, 1st.
Discus: — G. Lalamande, 1st.
Pole Vault: — R. Bagatelle 1st.; A. Frost, 2nd.
Point Standings: — Billings 1st. — 59½ pts.

Class V:

100 Metre Dash: — B. Muir 1st.
200 Metre Dash: — B. Muir, 2nd.
400 Metre Run: — B. Muir, 2nd.
800 Metre Run: — B. Muir, 3rd.
Hurdles: — B. Muir, 1st. D. Reynolds, 2nd.
Triple Jump: — D. Reynolds, 3rd.
Javelin: — D. Reynolds, 1st.
Point Standings: Billings, 1st. — 58 pts.
Total Point Standings: — Billing First — 274½ pts.; Lachine second, 134 pts.

Town Soccer League underway

The Chateauguay Minor Soccer League's 1971 season gets underway early this week as teams in the Atom, Mosquito and Pee Wee sections take to the field at the Heights, Colonia and Laberge Parks in the Town of Chateauguay.

The Atom section activities will be held at the Heights field throughout the season with games slated for Monday, Tuesday and Wednesday evenings while Colonia Park will be the home grounds of the Mosquitos who will play their games on identical nights. The Pee Wees will make use of two fields with game times identical to those of the Mosquito teams, with Laberge Park being used on Monday evenings and Colonia Park being the locale for Thursday evening engagements.

The Bantam section of the league will combine three teams each from the Town of Chateauguay and Chateauguay Centre with the first rounds of play set for June 8. Throughout the season the teams will play doubleheaders at Laberge Park. All Bantam contests are scheduled for Tuesday and Thursday evenings.

The schedules have been prepared and are in the hands of the coaches, and all is in readines for the biggest season ever. As usual, a two-week break will be taken by the league in the latter portion of July, with the entire regular season scheduled to wind up not later than August 19. The Atoms, Mosquito and Pee Wees will play twenty games in the regular schedule with the Bantam set for a fifteen game season due to teams from Chateauguay Centre not being ready for play at the same time as the Town teams.

The season the referees will assume the duties of collecting the score sheets following each game, thus reducing the problems of the league's statistical department. These sheets will be handed over to the chief referee who will then arrange for weekly transfers of the sheets to the game secretary. In addition, complete reports of the week's action will be carried in The Gleaner and team standings will be carried whenever space permits.

Olympics chalk up second win

OLYMPICS SECOND WIN

A seventh inning grand slam home run by Marc Parent drove across the winning runs as the Chateauguay Olympics evened their season record at two wins and two losses with a 10-8 victory over West Island last Saturday afternoon. The win followed a pair of narrow setbacks for the fledgling local representatives in the Lake St. Louis Midget league which had seen John Dempster pitch a strong game, striking out nine as the Olympics bowed to Dorval 2-0, and then found Brennan Ouimet come out on the short end of a 2-1 score in Lasalle as he too fanned nine in a great mound effort.

Denis Langlois was the winner in the most recent victory for the Olympics, as the team came out of the hitting slump that had seen them score only a single run in the two losses, and along with the four run homer by Parent, Steve Hegison came through with a bases loaded triple to drive in three other Olympic baserunners.

Roger Martin, who took over from John Dempster in the loss to Dorval and fanned four, came on in relief of Langlois to get the final out of the game, when West Island was threatening in the final inning with two men out. The Olympics, whose pitching staff is rated as one of the best in the league, also had Gary Birch, and Kevin Wilson, ready in the bullpen.

Tom McKee was extremely sharp in the field for the local team, as were the outfield group or Parent, Hégison and Jean Piérre Reid, as the team came out of a hitting slump that had seen them strand seven runners in the game against Lasalle.

The problems that have plagued the hitters are the result of the fact that local fields are not ready for regular play and the work done in the gymnasium has left the players a little behind the teams who have been working out for longer periods of time at their home fields. The pitching staff has suffered less from the indoor activity as former pro, Tommy Doak, has worked long and hard to bring them to their present form.

With the advent of finer weather and the preparation of the field in Chateauguay the Olympics will now have the opportunity of familiar surroundings for their home opener on Saturday June 5 at Chateauguay North. Game time for this one is 2 p.p.m. and local baseball fans will no doubt be extremely pleased with the work done to that point in the young season. The local game will mark the end of a five game road series for the team, and the schedule from this point will permit the team to gain greater support from their own fans.

V'field I.M.C.C. in trade show

The Administration Clubs of Canada will again be participating in the plant engineering show to be held in the Salle Bonaventure, Montreal on June 1, 2, 3.

The Industrial Management Club of Canada is continuing its efforts to promote better knowledge of industrial machinery, which in turn, provides improved quality, efficiency and service.

I.M.C.C. takes pleasure in inviting member and non-member industries to profit from this exhibit of world renowned industrial machinery.

Serge Kerouack.

Colonia News

By BUD ROPER
Phone: 691-3579

We are puzzled by the cutting of trees at the point in which the never finished divided highway from Lery to the Caughnawaga Road should continue to its conclusion at Mercier Bridge. The road, instituted under a plan by the Union Nationale government about ten years ago, and never realized still plays a useless role in the local picture and the recent cutting of trees would seem to make it appear that some further plans are underway for completion.

No answers

We inquired as to the reason for the cutting of the trees, but those whom we contacted are unaware as to whether they were cut by the Town because of their condition or whether the province had finally decided to make a little sense out of the road by finding a way to get it finished.

The reasons for the incomplete program are not easily found as the government has stated that the Indian Council is opposed, and the Indian Council has stated that their permission was never asked before building what now exists of the highway. In any event it would appear that the Indians have the true version of the stories and we would agree that under the conditions existing in the province at the time the road was started the "powers that be" thought little of seeking permission before planning to cross the reservation. Anyway, we are still very curious as to the recent tree cutting and we have made inquiries that will in all likelihood give us the whole story within the next week or so.

Tax changes

The report of changes in the tax laws that came out at the recent union of municipalities meeting could mean a great deal to the local area. First off it will divide the two percent rebate on the eight percent sales tax per capita to municipalities instead of leaving the whole bundle within the area in which the spending is done, and this in turn could result in amalgamation when Chateauguay Centre loses the profit on a good share of the Town spending.

We have, over the past several years encouraged support for building of small businesses in our own area, not only for the amount of tax money that they will pay on their property, but also for the rebate of taxes if we could do our shopping at home.

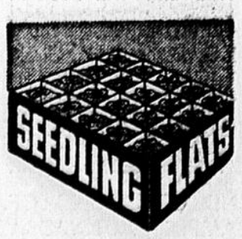

A great number of objectors fail to see the need for this and rush out to block every by law as soon as they hear about it. This is a real problem, since these same persons then attack the council every time a needed increase in municipal funds causes a tax hike.

ANNUAL GENERAL MEETING OF THE REGIONAL SOCIAL SERVICE OF CHATEAUGUAY

The population of the cities of Chateauguay, Chateauguay Centre, Léry and Mercier is invited to participate in the annual meeting of the Regional Social Service of Chateauguay.

This meeting will be held Wednesday, the 9th of June at Vanier School, rue Principale, Chateauguay Centre. A report of the activities of the Agency over the past year, and the election of a new board of directors will take place at this meeting.

The successful functioning of the Regional Social Service of Chateauguay requires your attendance, your participation, support, and criticism.

Wednesday the 9th of June, 1971 at Vanier School rue Principale, Chateauguay Centre, 8.00 p.m.

JSO/gs JANOT ST-ONGE, secretary.

Exploring The Scriptures

By Rev. S. MONTPETIT
Valleyfield

THE PRODIGAL CONTINUED

Luke 15 contains the only account of the Prodigal Son. This is the story of how God loves man and will do everything to bring him back unto Himself.

Poor Prodigal! There is now a famine in the land. He began to be in want. Will you notice he was experiencing two types of famine — a physical hunger, but another far more terrible — the longing for home.

Loneliness is a canker that eats through and through. It is far more terrible than a famine of bread and water when the soul pines for happiness it knows and yet tastes not — when it hungers for life and truth and joy.

We may exeprience even at a rick man's table a terrible famine. We are hungry if we have not our Bread of Life. We are thirsty if we drink from the broken cistern of sin. We will try every invention — only to fail.

One might argue against the Bible. He might try to prove that man is not the creation of God but have evolved from animal species. He will resort to philosophy and science and seek to prove that the Bible is not all for today and may be inaccurate. But he will still remain in want. He will try the gods of Jupiter rather than Jehovah God.

Man no sooner leaves God that he takes something else in his room. Man's soul was made to be the temple of God, and when it is not it becomes the temple of an idol, for when man loses God he does not cease to have a god. What misery.

However, man's extremity can be God's opportunity. He arose and came to his Father. This is the turning point in man's life. It seems the easiest thing in the world to arise, but, oh!, how costly.

Some have said to me, "I haven't been to church for years, but I'll be there some Sunday; I'll really surprise you," and you know, I am surprised, for I never see them. When you have left a good thing it is most difficult to get back to it.

It is very easy to say "I will arise," but presently so much is involved. There is now a moral issue in the soul and conscience. Being away from God cuts the stem of living waters, it curbs the appetite and builds up a moral resentment.

"I will arise." It is so easy to say, but to do it is another matter. The longer we keep away from church, the harder we will find it is to come back to it.

THE RETURN

The three most glorious words in man's vocabulary are "I will arise." This is what the Prodigal did. Certainly it was most costly for him, but that was the only way he could satisfy the longing of his soul.

Remember, it was a long way home, for he had gone to a far country. Now he was not only lonely but he was poor, wretched, without a country, without a sense of love, without a job, without decent clothes, without everything that is good, without the affection of a mother, without the direction of a father, without, without.

You will notice the Old Testament in the book of Ezekiel uses these terms when God calls men to repentance and faith in Him. Ezekiel said, "Turn ye, turn ye, for why will ye die." This must be the experience of every person coming into this world. Every soul must turn in order to be converted. The turning point becomes God's opening for His grace and forgiveness.

We will note that the Saviour calls us to repentance and at the same time He gives the true repentance when man first comes to Him. The son came to the Father.

Notice the next step. The father embraced him. It is the kiss of reconciliation that starts the tear of genuine contrition; it is the rags that are radiated from the countenance of the father that thaw the frozen heart and turns the streams of sorrow which were felt before into streams of genuine repentance and contrition.

All this is a gift of God. First you come to Christ — when you repent and say "I am not worthy to be called your son." Repentance, therefore, takes place after, not before, the acceptance of God.

What a feast and time of merriment followed. A new robe — speaking of his possession now of the robe of righteousness. New shoes, telling him of a new direction, dynamic and purpose in life. A ring on his finger, ministering of the full approbation of God. The fatted calf, telling of the abundance of life. Dancing, showing the highest form of happiness.

So this is how God is interested in us. But you may be sure that we too must arise — there must be a time in our lives when we pass from death to life, from darkness to light, from condemnation to Eternal Life.

Maple Leaf Grange meets

The Grange held its regular meeting on Tuesday, May 18. After the opening rituals, with Worthy Master Art Goodfellow presiding, the minutes of previous meeting were read.

Committee reports followed — Pearl Milne's Sick Report was read by Rita Kerby showing cards had been sent to members who were ill; Service and Hospitality report by Rita Kerby — The new issue of Cook Books, All purpose that were ordered have all been disposed of and a second amount was on order, also a new one" The Holiday Cook Book" will soon be out. As reported previously the Grange (M.L.) had obtained 4th prize in the nation for sales from August to December in 1970. Pearl Milne had received a 4th prize for individual sales for the same period.

The baking contest (Chiffon Cake and Banana bread) will be held in the near future and it is hoped a number of contestants will attempt to make it worthwhile.

Special Comm. Report — Ruth Stark had attended the V.O.N. meeting in Ormstown as the Grange representative. Ruth told us some of the things about it, but that The Gleaner had given a splendid report.

A note of thanks was read from Mrs. Oakes, thanking us for the assistance given at the time of the Military Whist in aid of the Mental Retardation Soc., also a Thank you from Sis. Paul for her Easter plant.

A request was on hand for donations to Path of Life and the Building Fund for new Grange building at Cortland, N.Y. Donations were made to both also the annual subscription to the Constable Fire Dept. for our hall.

Plans were finalized for the Neighbour Night to Adirondack on May 19 ,also Adirondack goes to B and H and Westville to Burke in the near future. The A.D.A. Princess Dairy Banquet will be held in Notre Dame School, Auditorium, Malone, early in June.

Dundee

Mr. and Mrs. Charles Carpentier will be attending the Montreal-Ottawa Conference of the United Church of Canada which meets this week at Bishop's University, Lennoxville.

Miss Pat Gardiner of Toronto, spent the past few days with her parents, Mr. and Mrs. Charles Gardiner. On the week-end, they motored to New Pultz, N.Y. where they visited Mr. and Mrs. Jim Bullard and Stephanie.

Mr. and Mrs. Pierce Armstrong are visiting his brother and sister-in-law, Mr. and Mrs. Fred Armstrong.

Worthy Master Goodfellow announced that at the June meeting he is planning a Memorial Service for the Late Bro. Hapgood, who was organizer of Maple Leaf Grange. Now that the National League play-off are over, we do hope for better attendance at Grange meetings.

A social hour followed the meeting.

WHAT'S QUICK AND QUIET, LIGHT-WEIGHT AND EATS GRASS?

LAWN-BOY OF COURSE

COME IN AND SEE THE COMPLETE LINE OF LAWN-BOY MOWERS!

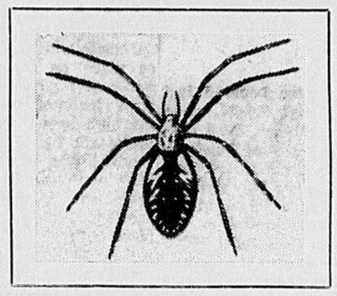

Your Lawn-Boy doesn't really eat grass, but the big catcher holds so much you'd almost think so. The muffler is quietly hidden under the deck, and the Fingertip starting provides a fast getaway! Come in & see the complete line of Lawn-Boy mowers.

Dundee U.C.W. has "pot luck" dinner, auction

The United Church Women met on Wednesday, May 19 in the Church Hall. Several ladies arrived before the noon hour and busied themselves with the tying of a quilt.

At one o'clock, the ladies and their several guests sat down to a "pot-luck" dinner which was thoroughly enjoyed by all. The guests were welcomed by the Vice-President, Mrs. Clarence Platt, who also asked the blessing at the noon meal.

Following dinner, the meeting was called to order by the President, Mrs. Winston Armstrong. The worship service was conducted by Mrs. Martha Currie, who led in prayer and Scripture reading. Following, this, she called on our friends from Valleyfield, Mrs. Elizabeth Stewart, Mrs. Margaret Hargraves and Mrs. Karen Léger, who delighted their listeners with their interpretation of two well-loved favourites: "How Great Thou Art" and "In the Garden." Mrs. Elder accompanied them on the piano. Mrs. Currie then continued her meditation based on a family theme, and the worship service concluded with the singing of "Blest Be the Tie That Binds."

The program took the form of an auction, with Mrs. Currie as auctioneer, and the items to the sold were parcels of all shapes and sizes: some wrapped in brown paper, others bedecked with bows and fancy paper. Mrs. Currie really outdid herself in her capacity as auctioneer, and the bidding was brisk and lively. Besides being a lot of fun, the sum of $38.50 was realized. This, in addition to the collection of $17, made for a most successful event.

The roll call was the name of a famous Mother. Birthday money was handed in by Mrs. Robert Steven. The sum of $45.71, collection from the recent Masonic Service at Zion, was added to the coffers.

The question of whether or not the United Church Women would take charge of Sunday morning service on July 25th. was discussed at length. It was finally decided not to accept the invitation.

Mrs. Martha Currie and Mrs. Lester Fraser were thanked for their efforts in delivering the bales of clothing to Franklin Centre for pick-up by a Salvation Army truck.

The June meeting will be held at Church with Mrs. Lester Fraser leading in devotions, and the roll call will be the name of a famous father.

Hemmingford

Guest speaker discusses ecology at W.I. meeting

The May meeting of the Hemmingford Women's Institute was held on May 5th at the Elementary School. This was an open meeting, providing the opportunity for interested persons in the community to hear the guest speaker, Professor Stewart of the Department of Entomology of Macdonald College.

Professor Stewart is an agriculturalist as well as an ecologist, and can therefore appreciate the complexity of the current controversy over the use of pesticides, herbicides, and biocides. He pointed out that the eco-system is a complex balance, and much research needs to be undertaken to find proper control of the pests in our environment. There is a real danger of upsetting the eco-system by using the persistent chemicals such as DDT or Dieldrin, or some of the mercuries — but there is still the great need to control the many weed and insect pests which compete with man, and with the farmer. He stressed the need for more research and greater common-sense efforts to find non-chemical controls. Professor Stewart's presentation was most interesting, and he answered many questions from the audience on his topic.

Mrs. R. Schimmelpfeng, Convener of Agriculture, was in charge of the meeting, and introduced the speaker. He was thanked by Vice-President, Mrs. P. Reid.

Mrs. Reid chaired the meeting and welcomed members and guests. Business of the meeting was kept to a minimum, and conveners reports were held over to the June meeting. Members were reminded that birthday gifts for our Forgotten Patient, Miss Madge, and also good, used clothing for the Douglas Hospital could be left with Mrs. R. Petch, or Mrs. H. McAdam. Items for Ditty Bags to be packed for children overseas, must be taken immediately, to the home of Mrs. J. Robertson, or Mrs. R. Petch, so the parcels can be sent by the June deadline.

Tickets for the Dance Revue by the pupils of Mrs. Irving's Ballet School, June 11, may now be purchased. The Revue is sponsored by the Women's Institute, and the public is urged to attend this interesting event. The committee in charge of arrangements includes Mrs. G. Ellerton, Mrs. F. Greer, and Mrs. E. Keddy. Brief mention

Huntingdon U.C.W.

Huntingdon U.C.W. Unit 1 met May 12 in the Church parlour for their monthly meeting.

Mrs. McCoy welcomed the ten members present and read an article written by Wilburn K. Howard. Mrs. Rennie took the devotions and read an article on "The Lord's Prayer" The study period was about "Church Missions and was taken by Mrs. Reid.

Mrs. McLean read the minutes of our last meeting and they were approved as read.

Mrs. Stewart read the financial report. Lunch was served and a social hour was spent.

UNIT 8

Unit 3 of Huntingdon U.C.W. met at the home of Lizzie Elder, on Thursday afternoon, May 20th with the president presiding. The Scripture reading was read by Evelyn Chambers — Psalm 46.

Six members replied to the roll call. The minutes of the previous meeting were read. $5 dollars was voted towards our share of supplies for Missions. The quilts are finished and measured for pricing. Refreshments for the Mission Festival were discussed.

The meeting closed by repeating the Lord's Prayer. A delicious supper was served by the hostess.

Howick U.C.W. groups meet

Units A and B of Howick United Church U.C.W. held separate business meetings last Tuesday evening May. 19 before joining in the Church hall for a report by Isabel Frith on the U.C.W. Summer School. Members of Unit C were present also.

The meeting opened with a devotional led by Unit B, Hazel Ness in her meditation told about Lydia, first career woman we hear of in The Bible, and how she and her household of converted Christians were witnesses for Christ in Philippi. Joan Ness led in prayer.

Isabel Frith presented a unique report. She had taken pictures of some of the leaders, also some candid shots of delegates, and had taped the programs. Parts were played back and everyone joined in singing along with the tape some hymns from the new hymn book. Jean Furcall thanked Miss Frith for this presentation. Refreshments were served.

---

was made of the tour of Steinberg's Bakery and Steinberg's produce warehouse in Montreal, which had taken some members to Montreal this same day. The tour was much enjoyed.

At the close of the meeting, a sale of plants and bulbs was held. Delicious refreshments were served to all by the hostesses of the evening, Mrs. K. Campbell, Mrs. G. Marlin and Mrs. D. McGregor.

Publicity Convener,
Mrs. George Dickenson.

Athelstan

The Women's Missionary Society met at the home of Hattie Shearer on Thursday afternoon, May 20 with eight members and two visitors present. The president opened the meeting reading from Romans on the theme "Love." Grace Waldie gave the Scripture lesson, followed with prayer by Bessie Graham. Roll call was answered with a Scripture verse containing the word Love. The treasurer reported that the supply money had been sent and $80 had been forwarded to the Presbyterial treasurer. Two birthdays were reported. Bessie Graham gave an interesting lesson on the Shepherd's Psalm, written by Roy Gustavsen, a member of Billy Graham's Evangelic Crusade team. A social hour followed the meeting.

Multiply your speedometer speed by one and a half and you will find out approximately how many feet you are traveling a second. At 40 mph. you are traveling 60 feet per second. It will take you about nine car lengths to stop at that speed, if the road was dry and you had average reaction time. But, if the road is slippery or your brakes are not up to par of if you're not in good physical condition, the stopping distance could be twice as long, warns the Allstate Insurance Company.

LETTERS to the EDITOR

THE EDITOR
Huntingdon Gleaner
Huntingdon, P.Q.

May 27, 1971
Huntingdon, P.Q.

Dear Sir:

Allow me to express sympathy with you in the feelings of disgust you have aired in your editorial of May 26 as a result of poor support for a public meeting to consider artificial ice in this area. Having been involved in many projects which the people of various areas indicate privately they are concerned about, I know on how many occasions they fail to back up their talk with action.

However, I fear you have jumped to wrong conclusions regarding the absence of the people of Huntingdon at the aforementioned public meeting. Apparently you have not heard the multitudes say that they believe in God, think the Church is very important to the community — especially for baptisms, weddings and funerals — but just do not make much of an effort to support it financially or physically. No! Absence from that meeting only means that they had more important things to do at that time.

Since you did not bother to mention the absence of any other profession or ofganization except the clergy and the church, allow me to answer for at least 3 of the clergy of the town. As several items in the last issue of the Gleaner report, there has been a young clergyman in our area for the past week or so sharing information about his "work" during the last two years with the underprivileged of Italy. On the night of the poorly-attended meeting in question, 3 of the Protestant clergymen of Huntingdon were with this "missionary" and a group of young people, playing ball and receiving first-hand news of the real needs of the world. We were also attempting to open the way for some of the young people to gather together on future occasions to express and meet their basic youthful needs. A very limited number of the young of our area have their needs meet in hockey alone.

Now, Mr. Editor, your absence from contemporary worship is very conspicuous by your suggestion that young people are too smart to want to "hear someone spewing fire and brimstone about donations to missions when earnest effort right here would result in benefits for all." I believe it has been many moons since that approach has been taken in any pulpits in this area — namely spewing fire and brimstone. You see, the threat of suffocation and sulphur as formerly suggested by preachers has been taken over by environmentalists and public crusaders like Ralph Nader. It appears that just as few people listen to the warnings today as they did in an earlier age under different terms. How can you possibly compare the challenge to "share the wealth" of our physical and spiritual resources with the whole world (which is what missions is all about) with the need for artificial ice in this community? It is the young people of today who criticize churches and governments and other forms of "status quo" for spending millions on buildings and extravagances when there is so much real need around the world. If that is true, the young would be the first to do without the luxury of an artificial ice plant in this community when there is a much greater need for (1) at least one senior citizens' residence, (2) a sewage disposal plant to help clean up our beautiful rivers etc., (3) financial support for millions of refugees in every country of the world who have too little to eat, let alone artificial ice to play on with expensive hockey equipment,

Finally, while commending you for your concern for the youth of our community, may I invite you to drop in sometime in the next few months at the Huntingdon United Church on Friday nights where our Elders are Stewards have recently unanimously approved the opening of our entire basement facilities for TEENAGERS. We are leaving them room to prepare their own program responsibly, but at the least, to have a place (at no cost to them or the general public) where they can "be with themselves" and their friends on at least one night of the week. YOU SEE, WE DO CARE.

Yours for life — young and old
Herbert M. Goold.

Huntingdon area Jersey bull designated New Superior Sire

New Gold Medal and New Superior Sire

The Jersey bull, Brampton Favorite Acme, classified Very Good, has just been designated a Gold Medal bull and a New Superior Sire on the high production of daughters over 5 years of age.

He now has 42 tested daughters that averaged 9,173 lbs. milk and 495 lbs. fat, 5.40% m.e., B.C.A. 121-121, and of these, the 14 daughters with records made at 5 years or over average 10,874 lbs. milk and 576 lbs. fat, 5.30%, B.C.A. 143-141. His 42 classified daughters average 87.37% — 13 Excellent, 23 Very Good, 6 Good Plus.

This bull was bred in the herd of B. H. Hull and Son, Brampton, Ontario, and was owned by D. H. McCaig and Son, now of Huntingdon. He is a son of Brampton Acme, Excellent, Gold and Silver Medal Senior Superior and Century Sire and New Superior Sire. His dam was Brampton B. P. Naidna, Excellent, a Tested Dam with 6 records that total 40,676 lbs. milk and 2,308 lbs. fat.

The daughters that qualified Brampton Favorite Acme for a Gold Medal are: Norval Acres Favorite Blondie, Very Good, with 11,548 lbs. milk, 610 lbs. fat, 5.28% in 305 days, at 3 years, 256 days, Norval Acres Favorite Daisy, Excellent, with 12,938 lbs. milk and 722 lbs. fat, 5.58% in 305 days at 6 years, 215 days; and Norval Acres Favorite Elsie, Excellent, with 13,267 lbs. milk, 666 lbs. fat 5.02% in 305 days at 5 years, 252 days.

Grange holds baking contest

On Friday afternoon, May 28, the Grange Baking Contest was held at the home of Pearl Milne. There were two contests — the Masters being a Yellow Chiffon Cake and the Subordinate, a Banana Nut Loaf.

A goodly number of entries were on hand and under the capable judging of Carol Greenbank and Beatrice Jamieson the following prize winners were: Yellow Chiffon Cake, 1st Prize Eleanor Goundrey, 2nd Prize Bessie Graham.

Banana Nut Bread — 1st Prize Anita Smith, 2nd Prize Hattie Shearer.

The judges were given a small gift in appreciation of their work, and thanks goes to Pearl Milne for use of her home.

Eleanor and Anita will compete at Pomona this week on the County Level.

Ste. Agnes

CELEBRATES BIRTHDAY

On Saturday evening, May 29, Miss Connie Stowell was guest of honour at a birthday party given for her by her friend, Mr. André Castagnier, at the home of his parents, Mr. and Mrs. Emerie Castagnier.

The young people thoroughly enjoyed themselves during the evening, with dancing forming the main attraction. Refreshments were in the form of a "Cook-Out", when roasted marshmellows and hot dogs were consumed with relish.

Belated happy Birthday wishes, Connie from all your friends in the old home town.

Mr. Harry Older, Connie's grandfather, also celebrated his birthday royally on Saturday. His actual birthday fell on May 24, but he was entertained by his son-in-law and daughter, Mr. and Mrs. Wilbur Stowell, on Saturday evening. Mr. Olders' sister, Miss Sadie Older of Montreal was present for the occasion and has been enjoying a few days holiday with the Stowell family.

Lacolle

Mrs. Nugent of Howick has been the guest of her daughter, Mrs. Ken McClenaghan. At an Optimist U.C.W. meeting held at the home of Mrs. Chas. Robinson on Monday, Mrs. Nugent gave a demonstration of cameo liquid embroidery. There was a good attendance. Mrs. Don Robinson was joint hostess.

Mrs. Jas. Stroud, and baby Joy of Edmonton and Mrs. W. J. Denison, spent a few days last week at the Donald Robinson home, prior to Mrs. Stroud's return home.

Mrs. Glen Buchanan of Lachine was a guest of Mr. and Mrs. W. E. Grant for a couple of days last week.

Miss Linda Robinson entertained St. Johns High School graduating class at a party at her home on Saturday. About 30 people were present and enjoyed a good time.

Mr. J. L. Oliver has the contract to remove the present Highway 9B custom house after the new building is completed.

Noyan

Mr. and Mrs. T. H.Jackson of Farnham were Thursday afternoon visitors at the home of Mr. Stuart Derick, Mr. and Mrs. Rodney Derick and family. They also visited at the home of Mrs. Anne Cuttle in Noyan.

Mrs. Hazel D. Brash, Mrs. Lillian Mosher and Miss Bessie Smith of Hartford, Conn. spent the weekend at Duck Inn.

Miss Lorna Boyse spent last weekend with her parents, Mr. and Mrs. Jack Boyse.

Mr. and Mrs. Russell Mosher, Kathy and Peter of Ottawa were Sunday visitors of his mother Mrs. J. Mosher.

Mr. Donald Greenway of Franklin Centre was a Monday visitor at the home of Mr. Edwin Lamb.

Congratulations to Mr. and Mrs. Philip Loyer who recently celebrated their twenty-fifth wedding anniversary.

Mr. and Mrs. Clement Derrick spent the weekend in Connecticut visiting relatives.

Mr. and Mrs. Georges Dallaire and sons visited their son and daughter-in-law Mr. and Mrs. Robert Dallaire and two daughters in Laprairie.

Miss Chantelle Dallaire returned to her home in Laprairie last week after spending several weeks with her grandparents Mr. and Mrs. George Dallaire.

Mr. and Mrs. Robert Sharmen, Garry, Barbie and Jenny spent the weekend in Ontario visiting relatives. While there, Mr. Sharmen motored to Windsor on business.

Valleyfield

Mr. and Mrs. John Gaw, John Jr., and Mrs. F. Royle of Quebec City recently spent a few days at the home of Mr. and Mrs. Allan Molyneaux.

Mrs. W. A. Walsh spent a few days in Rochester, N.Y. visiting at the home of Mrs. G. Gill.

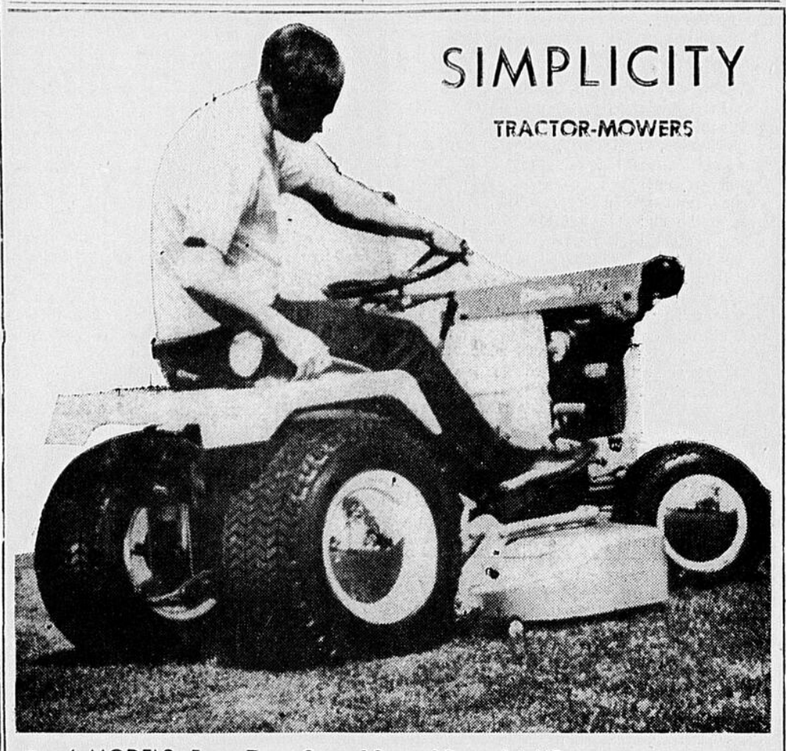

Mrs. J. Bell, Mrs. B. Lombard, Miss B. Crockett, and Mrs. A. Molyneaux attended the Montreal General Hospital Alumnae Association Dinner at the Bonaventure Hotel on May 27. Nurses from Valleyfield who are members of the Graduating Class honoured at this dinner are Miss Lyn Riley, Miss Donna Carson and Miss Sally Swartz.

Miss Shelley Smith spent the week-end visiting her friend Miss Christina Gaese in Hemmingford.

Rockburn

Sunday guests at the home of Mr. and Mrs. Ron Maither and family were Mr. and Mrs. Mack Maither of Poughkeepsie, N.Y. Mr. and Mrs. Wm. O. Dawson of Huntingdon were guests at the same home.
