Registration of Letters.—Persons posting letters containing value should be careful to require them to be registered, and to obtain from the postmaster a certificate of registration.

The charge for registration (use registration stamp), in addition to the postage, is, on all classes of matter, five cts.

Both the postage charge and registration fee must, in all cases, be prepaid by stamp.

Registered letter stamps have been issued of the denomination of 5 cents, which may be obtained at any Stamp Agency.

Registration stamps cannot be used in payment of postage.

Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced where an unregistered letter cannot, and the posting and delivery or non-delivery can be proven.

Book Post, etc.—A book packet may contain any number of separate books, publications, works of literature or

art, maps or prints, photographs, daguerreotypes when not on glass, or in frames containing glass; and the books, maps, etc., may be either written, printed or plain, or any mixture of the three, provided that no letter be enclosed or any writing intended to serve the purpose of a letter; and may be either British, Colonial or Foreign. Limit of weight for domestic post, 5 lbs.; for foreign post, 4 lbs. Limit of size, 2 feet in length, 1 foot in width or depth.

Book packets must be open at both ends or both sides, and must not contain any letter or sealed inclosure.

The rate on book packets between any two places in Canada is 1 cent per 4 oz., which must be prepaid by stamps.

The rate to Great Britain, the United States and Newfoundland is 1 cent per 2 oz.

Miscellaneous Matter.—Miscellaneous matter, described as under, may pass between places in the Dominion of Canada upon prepayment of a rate of 1 cent per 4 oz. The limit of weight is 5 lbs. The regulations of the British Post Office do not admit of the transmission by mail to the United Kingdom (or other countries beyond the sea) of miscellaneous matter as such; but a great part of the matter referred to under that head may be forwarded to the United Kingdom by book post.

1. On all books, pamphlets, occasional publications, printed circulars, prices current, handbills, and other matter wholly in print, and on packages of seeds, cuttings, bulbs, roots, scions or grafts, patterns or samples of goods or merchandise, the rate of postage is one cent for each four ounces or fraction thereof.

2. On book and newspaper manuscripts, printers' proof sheets, whether corrected or not, maps, prints, drawings, engravings, lithographs, photographs when not on glass or in cases containing glass; sheet music, whether printed or written; documents partly printed or written, not being letters, or intended to serve the purpose of letters,—such as deeds, insurance policies, militia and school returns, or other documents of like nature,—and on all other miscellaneous matter transmissible by post, and not otherwise herein expressly provided for, the rate of postage is one cent for each two ounces or fraction of two ounces; and the postage rate must in every case be prepaid by postage stamps, or stamped post bands or wrappers; provided that no letter or other communication intended to serve the purpose of a letter be sent or inclosed in any such package or thing mentioned, and that the same be sent in covers open at the ends or sides, or otherwise so put up as to admit of the contents being, if necessary, easily withdrawn for examination by the officers of the Post Office, to ensure compliance, with this provision (if enclosed in sealed envelopes notched at the ends or sides or with the corners cut off, letter rate of postage will be charged); and that the postage rate be prepaid by postage stamps or stamped post bands or wrappers in all cases. Limit of weight, 5 lbs.

No packet of miscellaneous matter can be transmitted by mail if it exceed 24 inches in length or 12 inches in width or depth.

Legal and commercial papers generally (including bank pass-books) are liable to letter rate of postage, except when sent as parcels by parcel post, and the exceptions above given to matter of that class are restricted to the documents specified, such as deeds and insurance policies.

Newspapers and Periodicals.—Newspapers and periodicals printed and published in Canada, and issued not less frequently than once a month from a known office of publication or news agency, and addressed and posted to and from the same for transmission by mail to regular subscribers or news agents in Canada and the United States, are sent free; if addressed to Great Britain, they may be posted by the same on prepayment of a rate of one cent for each pound weight in bulk, or fraction of a pound; and such newspapers and periodicals are to be put up into packages delivered into the Post Office, and the postage rate thereon prepaid by the publisher or news agent, being the sender thereof, under such regulations as the Postmaster-general may from time to time make.

To Newfoundland rate is one cent per four ounces. On all newspapers and periodicals posted in Canada, other than those addressed to regular subscribers or news agents, and bona fide specimen copies, from office of publication or news agency, including all newspapers and periodicals published less frequently than once a month, the rate will be one cent per 4 oz., to be invariably prepaid by postage stamp.

Newspapers and periodicals weighing less than 1 oz. each may be posted singly, if prepaid by postage stamp $\frac{1}{2}$ cent each.

The postage on specimen newspapers is one cent per lb.

NOTE.—As far as possible articles have been grouped under general headings, as Iron and Steel Goods of all kinds under "Iron and Steel Manufactures;" all kinds of Oil, Fish, Spirituous Liquors, etc., under those headings; those relating to Vehicles, under "Carriages," and so on. And to avoid the enormous bulk of duplicate or triplicate references, the principal word only in each article has been taken for reference, as "Coats Fur," under "Fur;" "Wax Candles," under "Candles;" "Plated Cutlery," under "Cutlery," and so on. We believe that the table will be found easy of reference and thoroughly reliable.

THE WINNERS OF THE PROVINCE OF QUEBEC LOTTERY.

THE two last drawings of this popular Lottery have caused great sensation in the public. On the 15th of July, Mr. Wm. Boag, chief clerk of the Albion Hotel, won the prize of \$5,000.00, which already is a pretty fair amount; but last Wednesday's drawing brought something better to the owner of the ticket No. 36703. A carpenter called Justinien Benoit of Weedon, P. Q., won the first capital prize of \$15,000.00, as shown in the following certificate:

"I hereby certify that I was the bearer of the ticket No. 36703, which drew the capital prize of \$15,000.00, at the drawing, the 5th instant, of the Province of Quebec Lottery; that I presented my ticket this day to the head office, and that I was paid immediately.

"Montreal, 11th August, 1891.

"JUSTINEN BENOIT,

"Weedon, Wolfe County, Que."

Witness:

C. H. LETOURNEUX, Wholesale Hardware Merchant,

St. Paul Street, Montreal.

SAM. BOURGEOIS, Merchant,

St. Hyacinthe, Que.

These fine strokes of good fortune are not the only ones which the Province of Quebec Lottery have experienced since one year only that it exists. During this short lapse of time it has given sixteen drawings, and to summon but a few names among the numerous winners, we will mention the postmaster of Folly Village, Nova Scotia, Mr. D. F. Layton, prize of \$5,000.00; an anonymous also \$5,000.00, which he caused to be collected through Mr. Leclerc, notary of Montreal; Mrs. Leon Gareau, 31 Anglesea Square, Ottawa, \$1,250.00; an accountant by the name of Godel, Dorchester Street, Montreal, \$1,250.00; Hon. Mr. Turcotte of Montreal, \$1,250.00; Mr. J. Malcomson of Toronto, \$2,500.00; La Banque du Peuple \$2,500.00, for one of their clients.

We need not say that the prizes \$500.00, \$250.00, \$50.00, \$25.00, and a large number of others of less value have been won a great many times.—*The Montreal Gazette*, 13th August, 1891.
