WEST COAST WELCOMES ROYAL PARTY

Longest Drive Of Royal Tour In Vancouver

Vancouver Streets Jammed at Early Hour as Coast Residents Await Fifty-One Mile Parade — Ships in Gala Attire Make Waterfront a Blaze of Color — Chinatown Celebrations in Full Swing.

Vancouver, May 29.—(P)—Early crowds lined Vancouver's downtown streets today as the silver and blue train carrying King George and Queen Elizabeth to the Pacific came out of the Coast range mountains into the green pastures of the Fraser valley. Street cars started service two hours earlier than usual, carrying crowds to vantage points along the fifty-one-mile motor route, beginning at the downtown station almost immediately following the arrival at 10 a.m., P.S.T. The waterfront, only one hundred yards from the station, was ablaze with color as ships displayed strings of holiday flags and bunting. Ferries dotted the harbor, carrying throngs to the city from North and West Vancouver in the North Shore of Burrard Inlet. Streets along the route and downtown buildings were decorated last week but during the week-end new flags and streamers appeared on thousands of homes. On the route and off, few houses could be found without some sort of decorations. Temporary grandstands by the score—most at street level but some on building roofs—sprang up everywhere. Seats ranged from \$1 to \$30 for "high-class vantage points" with refreshments included. Chinatown began its celebration Saturday night. The golden-headed, man-carried Chinese lion—symbol of hope and peace—did its fantastic dance through Chinatown as hundreds of whites and Orientals looked down from roofs and windows of surrounding buildings. Chinese boys and girls lined up at attention after the dance, carrying the Union Jack and singing "God Save the King." Just after the turmoil in Chinatown quieted—police had been unable to keep the throngs off two blocks of street—a heavy rain drenched the city and most other coast centres. Citizens awoke Sunday to find flags and bunting of their homes sodden, but warm sunshine between afternoon showers repaired most of the damage. The King was to review a guard-of-honor posted by a battalion of Sixty-four Highlanders of Canada, near the depot this morning before he and the Queen continued their drive to the City Hall for a civic reception. At 5:00 p.m., after a drive through the East End and North and West Vancouver, Their Majesties were to board the coastal steamer, Princess Marguerite for the eighty-mile trip through the Gulf of Georgia to Victoria, where they stay two nights at Government House as guests of Lieutenant-Governor Eric W. Hamber and Mrs. Hamber. Victoria crowds will welcome the

PLAN DELAY IN REFITTING OF ROYAL VESSEL

Dispute Over Wage Rates May Delay Task of Refitting Empress of Britain for Return Voyage of Their Majesties.

London, May 29.—(C.P.—Cable)—Repair work aboard the liner Empress of Britain which will bring the King and Queen home from Canada next month will be held up unless a shipyard dispute at Southampton is settled, the Daily Herald said today.

The newspaper says that men who have been brought to Southampton from Portsmouth are being employed at Portsmouth wage rates which are substantially less than those prevailing in Southampton. The trouble started over repairs to H.M.S. Rebus. Not only has all overtime work been stopped on the Rebus, but the unions have decided that unless the matter is adjusted the ban will be extended tomorrow to the Empress of Britain and other ships.

LARGE CHINESE COAL FIND

Tokyo, May 29.—(C.P.—Havas)—Discovery of a Chinese coal bed with an estimated yield of 28,000,000,000 tons in the northern reaches of Japanese-occupied Shansi Province was reported today by Domei, Japanese Press agency. The bed is said to lie partly beneath the old Tatung coal mine, which is working a bed estimated at 12,000,000,000 tons.

Four Montrealers Arrested For Possessing Counterfeit Bills

Montreal, May 29.—Four men were arrested yesterday in Montreal and district by Royal Canadian Mounted Police who seized seventeen allegedly counterfeit \$10 bills and printing equipment that police said was capable of turning out the notes.

Two of the men were taken into custody on the highway east of Verennes, Que., when police stopped their automobile and found one of the notes in their possession. A search of their Montreal homes brought to light fifteen additional bills and the printing equipment. Later a twenty-one-year-old man and his brother were arrested here and another note seized.

Police reported the bills were good photographic plate imitations of Royal Bank of Canada money, although recognized easily by experts. They were said to have made their appearance in several Eastern Townships towns about three weeks ago and since then at least twenty-five have been passed in stores, restaurants and hotels.

MINER SUFFERS LITTLE INJURY IN LONG VIGIL

Entombed Beneath Earthslide Since Friday, Operator of Bootleg Mine Suffers Slightly from Shock After Rescue.

Sherandoah, Pa., May 29.—(P)—Laughing and joking with rescuers, Robert Galligan, thirty-eight-year-old anthracite miner, was dug out of a coal hole early today, apparently unharmed after sixty-five hours imprisonment under tons of rock and dirt.

Rescuers who had toiled unceasingly, first with a steam shovel and then with pick and shovel, reached Galligan at 1:55 a.m., E.D.T. Hoisted up a shaft seventy-five feet deep, Galligan greeted fellow miners on the surface with a "gimme a ciggie (cigarette) and let me sit down a while."

He was taken to a hospital, where physicians said he was suffering slightly from shock.

A sudden slide of rock trapped the miner at 11 a.m., Friday, as he worked the late Amelia Danhart cut in this eastern Pennsylvania hard coal section. Two companions escaped.

Galligan's eighty-year-old father, Patrick, who had kept vigil at the scene from the time his son's plight was learned, was among the several hundred spectators who witnessed the rescue. The son greeted his father with "Hya, Pop, I'm okay but a little hungry."

The plane, flying at a high altitude, came from the direction of the Atlantic. It passed over Londonderry at 2:20 p.m. G.M.T. (10:20 a.m. E.D.T.)

The plane was heading toward England, and it was the "Baby Clipper" it apparently had followed the route the late Amelia Danhart flew when she crossed the Atlantic from Harbor Grace, Nfld., May 21, 1932, and landed near Londonderry. It was seen by hundreds who had been scanning clear skies for Smith's 670-pound, one-motor plane which took off from Old Orchard Beach, Me., at 5:47 a.m., E.D.T., Sunday and was expected to reach the Irish Coast about noon E.D.T. today.

HEAVY FOG VEILS PROGRESS

Old Orchard Beach, Me., May 29.—(P)—Only the North Atlantic knew the whereabouts today of twenty-four-year-old Thomas H. Smith and the "Baby Clipper" he lifted from Old Orchard's hardpacked sands in an unsanctioned experimental flight to Europe.

Into yesterday's dawn, the Los Angeles birdman nosed his 670-pound monoplane with its four-cylinder, 65 horsepower engine on a course associates said was plotted for a landfall at Slyne Head, Ireland, nearly 2,800 miles away, about noon today.

For and rain clamped a low ceiling over the first third of his route. No word came of the tiny ship's passage over Newfoundland, but at Saint John, N.B., airport officials heard a plane they thought might be Smith's.

The former transport pilot had 160 gallons of gasoline—he calculated it was enough to take him 3,600 miles at a cruising speed of 100 miles an hour—when he rose from the beach at this ocean resort at 4:47 a.m. E.D.T. (5:57 a.m. A.D.) yesterday.

Smith had the equipment to fly blind, if necessary, but no wireless. His only means of communication consisted of three canvas message bags he hoped to drop to ships at sea.

Mr. and Mrs. Harvey Smith expressed themselves as "amazed" when news of their son's take-off reached them at Clarkburg, W.Va. "We had no advance notice," said the father a lawyer.

Nor did the Civil Aeronautics Authority, officials said at Washington, adding they had given no permission for the flight.

Most recent of the many airmen who have set out on that trail was Charles Backman, unreported on a solo hop to Sweden in a "flying gas tank" not much larger than Smith's little ship.

YVONNE TAKES LEADERSHIP AS CANDLE BLOWER

Only One of Five Candles Remained Lit as Yvonne Dionne Out-Blows Four Sisters in Birthday Cake Contest.

Callander, Ont., May 29.—(P)—Yvonne, second last in the weight column, is the champion candle-blower-outer of the Dionne quintuplets. She outpuffed her sisters as they celebrated their fifth birthday, only one of five candles on her personal cake weathering the blow.

As a last-minute surprise the children were presented with individual cakes besides one large angel cake for the party yesterday with their parents, sisters and brothers. Marie, Annette and Emilie scored three candles with the puffs. Only two flames bowed to the effort of little Cecile.

The children started the sixth year of their lives with gifts prized more than any other of the thousands they have received—five dolls from their mother and father. Large sleeping dolls with brown eyes, they were gowned in the particular color of each quint. Immediately the gifts were presented, other playthings were set aside.

Birthday cards, gifts, flowers and luck charms came from all parts of Canada and the United States. A greeting sent by two amateur short-wave radio operators in New Bedford, Mass., was delivered, after being picked up and relayed by other "hams" in Morrisburg, Ont., and North Bay, eleven and one-half miles from here.

Dr. Allan Roy Dufoc kissed each of his famous charges tenderly as he visited them in the nursery before the party yesterday. He was rewarded when each of the children kissed his forehead today—the fifty-sixth life milestone of the little country doctor.

Besides their parents, Oliva and Elzire, the quint played hostesses to two of their brothers, Daniel and Oliva, Jr., and their sister, Pauline. Ernest, Rose and Therese have returned to their schools in Quebec, and baby Victor was having trouble with teething.

"I was the happiest birthday we have spent with the children," said Dionne after arriving home. His wife nodded in agreement. "Everything was fine and the quintuplets were all ready for us, dressed in their Sunday frocks."

Only outside at the party was Rev. V. E. Pilon, Roman Catholic priest at nearby Corbeil.

FRANCO RUSHES EVACUATION OF FOREIGN AIDES

Expected that Last Group of Italian and German Troops Who Participated in Civil War Will Leave Before Week-End.

Madrid, May 29.—(P)—Spanish Nationalists declared today that General Francisco Franco's promise to send home all foreign troops upon the consolidation of his civil war victory would be fulfilled by the end of this week.

Italian legionnaires at Cadix, on the Southern Coast, are to say "Adios!" Wednesday when they embark for Italy in the transports Toscana, Piemonte, Sicilia and at least three other troopships. The hospital ship Gradisca is to carry wounded Italian soldiers.

Nationalists said all Italians who participated May 19th in the victory march in Madrid would quit Spain this week. That number was estimated at 12,000.

The German Condor Legion, numbering 5,000, sailed Friday from Vigo to Hamburg. A Portuguese contingent of approximately 500 was in Salamanca preparatory to crossing the frontier.

Many Moorish troops already have returned to Spanish Morocco and other units are proceeding homeward. A large part of the Nationalist army rapidly is being demobilized.

Chamberlain Increasing Popularity With Country As Russian Treaty Nears

Although Soviet Government Has Given No Outward Sign of Approval of Proposed Mutual Defence Pact, British Press and Public Regard Alliance as Accomplished Fact—Immediate Danger of War Decreasing.

ARAB GROUP ACCEPTS BRITISH PLAN AS BASIS

Jerusalem, May 29.—(P)—An Arab group led by Ragheb Bey Nashashibi decided today to accept Great Britain's new Holy Land policy as "a basis for negotiation."

About 150 representatives of the so-called Arab moderates met here at Ragheb Bey's home to consider the British plan which envisages ultimately an independent Palestine with an Arab majority.

Five Arabs were killed, one wounded and five captured in a skirmish on the Northern Frontier with British troops. Near Jaffa, police sought slayers of four Arab women and one man who were killed by shots fired at close range.

St. Zacharie, Que., May 29.—(P)—Fire destroyed the wooden Brochu sawmill in this Beauce County village during the week-end but was checked before surrounding structures were threatened.

London, May 29.—(P)—Prime Minister Chamberlain's popularity appears to be making a marked upswing as fear of war abates.

Although the Soviet Government has given no outward sign of approval of the proposed Anglo-French-Russian mutual assistance pact, the British press and public regard the alliance as an accomplished fact. It was in this belief that Britain's millions thronged to beaches and the mountains for the Whitsuntide holiday.

Some informed circles believed that Ivan Maisky, Soviet ambassador in London, would be instructed to accept the proposals when he returns today from Geneva. In these circles there was no doubt an agreement would be concluded by the time Parliament reconvenes on June 5—as Mr. Chamberlain predicted last week.

Whether or not the acceptance by Russia comes so soon, newspapers generally hailed the alliance as the "greatest assurance of peace" and agreed that the immediate danger of war was decreasing.

Many Britons thought that after switching the Government's course from appeasement he had done an outstanding job toward building alliances and strengthening national defence. Lord Beaverbrook's Daily Express called the Prime Minister a "commonplace man transformed by great events."

DEMAND SAFEGUARDS FOR DEFENCE POSTS

London, May 29.—(P)—Measures to safeguard the jobs of men called for national service were urged today in a resolution unanimously adopted by the annual conference of the British Legion in Queen's Hall here today.

Major Sir Francis Fetherston-Godley, National Chairman, introduced the resolution with comment that while the Government had agreed to such protection in principle, the Legion proposal envisaged something broader.

Major General Sir Frederick Maurice, President of the Legion read a cable from King George, sent yesterday from Revelstoke, B.C., in reply to a message sent by the conference. The cable expressed Their Majesties' sincere thanks for the Legion's message of loyalty.

A message also was read from Marlborough House replying to a telegram sent to Queen Mary expressing hopes for speedy recovery from the effects of her recent accident.

A resolution expressing concern over the Government's failure to make full use of the organized ex-service men in organization of the defence forces, was approved. It urged the Government, in co-operation with the Legion, to draft a scheme immediately to make full use of these men, especially in forming home defence units within the Territorial Army with no limit as to age.

The Government would have got Continued on Page 2, Col. 1.

UNITED STATES TO REINFORCE STANDING ARMY

Intensive Campaign to Secure 115,000 Troops or Reenlistments in Next Thirteen Months Being Undertaken by Government.

Washington, May 29.—(P)—United States army officials are preparing the most intensive recruiting campaign since the Great War, with a goal of nearly 115,000 recruits or reenlistments in the next thirteen months.

The drive is designed to meet replacement and expansion needs of the Air Corps and other branches of the service. Eighteen huge recruiting stations on wheels, new slogans, posters, motion pictures and the radio will be used.

Major Harold Gilbert, recruiting officer-in-charge, said some "high pressure salesmanship" might be used to assure that the Air Corps, particularly, gets properly qualified Continued on Page 2, Col. 8.

Mystery Plane Raises Hopes For Safety Of Errant Flier

Small Craft Sighted Over Northern Ireland Believed that of Twenty-Four-Year-Old Flier Who Took Off from Old Orchard in Unauthorized Flight to Europe Yesterday—Had Ample Gas Supply.

Londonderry, Northern Ireland, May 29.—(P)—A small plane passed over here this afternoon and while there was no immediate identification some thought it might be that of Thomas Smith, American flier attempting to span the Atlantic in his light "Baby Clipper."

The plane, flying at a high altitude, came from the direction of the Atlantic. It passed over Londonderry at 2:20 p.m. G.M.T. (10:20 a.m. E.D.T.)

The plane was heading toward England, and it was the "Baby Clipper" it apparently had followed the route the late Amelia Danhart flew when she crossed the Atlantic from Harbor Grace, Nfld., May 21, 1932, and landed near Londonderry.

It was seen by hundreds who had been scanning clear skies for Smith's 670-pound, one-motor plane which took off from Old Orchard Beach, Me., at 5:47 a.m., E.D.T., Sunday and was expected to reach the Irish Coast about noon E.D.T. today.

HEAVY FOG VEILS PROGRESS. Old Orchard Beach, Me., May 29.—(P)—Only the North Atlantic knew the whereabouts today of twenty-four-year-old Thomas H. Smith and the "Baby Clipper" he lifted from Old Orchard's hardpacked sands in an unsanctioned experimental flight to Europe.

Into yesterday's dawn, the Los Angeles birdman nosed his 670-pound monoplane with its four-cylinder, 65 horsepower engine on a course associates said was plotted for a landfall at Slyne Head, Ireland, nearly 2,800 miles away, about noon today.

For and rain clamped a low ceiling over the first third of his route. No word came of the tiny ship's passage over Newfoundland, but at Saint John, N.B., airport officials heard a plane they thought might be Smith's.

The former transport pilot had 160 gallons of gasoline—he calculated it was enough to take him 3,600 miles at a cruising speed of 100 miles an hour—when he rose from the beach at this ocean resort at 4:47 a.m. E.D.T. (5:57 a.m. A.D.) yesterday.

Smith had the equipment to fly blind, if necessary, but no wireless. His only means of communication consisted of three canvas message bags he hoped to drop to ships at sea.

Mr. and Mrs. Harvey Smith expressed themselves as "amazed" when news of their son's take-off reached them at Clarkburg, W.Va. "We had no advance notice," said the father a lawyer.

Nor did the Civil Aeronautics Authority, officials said at Washington, adding they had given no permission for the flight.

Most recent of the many airmen who have set out on that trail was Charles Backman, unreported on a solo hop to Sweden in a "flying gas tank" not much larger than Smith's little ship.

Parliament In Desperate Effort To Conclude Legislation By Week-End

Ottawa, May 29.—(P)—Parliament resumed its labors today with the possibility that prorogation might be reached by the end of the week.

Little legislation remains to be disposed of, but the unfinished business has accumulated, and some members consider it is too much to get through before the first week in June.

Among major items on the programme was Finance Minister Dunning's bill for authority for the Government to borrow up to \$750,000,000 for refunding and other purposes. Social Credit and Co-operative Commonwealth Federation members have opposed the measure through the preliminary stages with alternative suggestions for an issue of currency to accomplish the same purpose. The Government, however, has been equally insistent that there will be no such inflationary step.

Probably due for resumption today was debate on a Senate bill providing compensation for railway workers who lose their jobs or are demoted as a result of co-operative measures between the Canadian National and Canadian Pacific Rail-

ways. The Finance Minister's important bill to set up a Mortgage Discount Bank has been referred to the House Committee on Banking and Commerce for study and discussion, and much of the week was expected to be taken up with evidence from representatives of leading lending institutions and Government experts on banking.

There is another committee still sitting, the Public Accounts Committee, inquiring into the National Defence Department contract with John C. Inglis Company, Toronto, for manufacture of 7,000 Bren light machine guns for Canadian army. A big sitting is expected tomorrow, when Col. George Drew, Ontario Conservative leader and author of a magazine article that precipitated the whole investigation, will be on the stand.

The debate on the report of the Committee on Electoral Affairs may also come up before the session is over. If the House is to debate the Banking and Commerce Committee report as well, with special reference to the Mortgage Discount Bank Bill, work may have to be extended into next week. The Senate will resume tonight.

United States Isolation In Future Conflict Impossible, Declares Hull

Chicago, May 29.—(P)—Cordell Hull, Secretary of State, spoke against a policy of isolation for the United States last night, declaring that international economic relations were "indispensable to the well-being of our country and of every country."

In a speech before the Chicago Sunday Evening Club, he asserted a policy of national isolation carried to its ultimate conclusion would necessitate an economic readjustment "of such magnitude that it could not possibly be accomplished without far-reaching intervention on the part of Government, with dangerous social effects."

Some, he said, argue in favor of national isolation from the point of view that by withdrawing from normal relations with other nations the United States could ensure for itself freedom from risk of embroilment in war.

"No country can ensure peace for itself by merely proclaiming its desire for peace, when there are in the world nations willing to challenge and fight other nations to gain by force what they covet," Mr. Hull said.

MAY DELAY SHOWDOWN. Washington, May 29.—(P)—Criticism of the neutrality recommendations of Cordell Hull, Secretary of State, strengthened the belief of many political observers today that a showdown in the Senate might be deferred until next year.

The biggest argument was over the Secretary's foremost suggestion—repeal of the embargo on arms shipments to warring nations. Senator Bennett Clark (Democrat, Missouri), said: "The plan Mr. Hull proposes is simply calculated to lead us into war in the same way we were led into the last war."

A number of administration followers, on the other hand, were supporting the six-point programme which Mr. Hull submitted Saturday night with a statement that it would "help to keep this country out of war."

Unscheduled Auto Trip Marks Royal Holiday In Mountains

Enthusiastic Reception for Their Majesties at Field, Kamloops and Revelstoke Causes Delay in Schedule of Royal Train Bearing Couple to Vancouver—Week-End Visit to Banff Featured by Simplicity.

Revelstoke, B.C., May 29.—(P)

The Royal train rolled down the Pacific slope today, carrying King George and Queen Elizabeth from the rugged grandeur of the mountains, through the Fraser Valley's patchwork farms and down to the blue waters of the Gulf of Georgia.

Before they lay Vancouver's reception. Behind were nearly two days of relaxation in the beauties of Banff National Park, an unscheduled motor drive over the Great Divide into British Columbia and the scenic train ride through the mountain ranges. The King and Queen rode in a locomotive cab en route.

The rest period, first long freedom from crowds and official functions since Their Majesties landed at Quebec May 17, started on arrival at Banff, Alta., at 7:30 p.m., M.S.T., Friday. It ended yesterday when the Royal Couple boarded the train again at Field, B.C., after motoring fifty-six miles from Banff by way of lively Lake Louise.

A crowd of one thousand cheered with true mountain vigor as the Royal party of forty reached Field and boarded the train at 1:26 p.m. Another crowd of eight thousand shouted a lusty welcome during an unofficial stop at Revelstoke and ten thousand more greeted Their Majesties at Kamloops, the city's population almost doubled.

The Royal Couple went motoring at Banff, rode in a horse-drawn buggy, climbed from the highway on Tunnel Mountain to the 5,600-foot peak and generally enjoyed themselves as ordinary sightseers. Ideal weather and the sympathetic understanding of Banff residents, who let Their Majesties wander about unattended by crowds, added to the enjoyment.

After leaving Banff Springs Hotel the Royal party attended a special prayer service in St. George's Anglican Church at Banff, then set out on the Lake Louise road with Jim Brewster, mountain pioneer, and Park Superintendent J. P. Jennings travelling in Their Majesties' car, Brewster driving.

They saw deer grazing along the highway, a beaver, Rocky Mountain goat and scores of elk. Their Majesties, enthusiastic photographers, got a snap of one of Canada's rarest animals—an albino moose, feeding in a swamp eleven miles west of Banff. The King also got a picture of a large black bear.

The party stopped thirty minutes at Chateau Lake Louise, standing almost deserted—the season has not opened—beside the ice-castled lake.

On the drive the Queen wore one of her most stunning ensembles of deep sky blue. The long, light wool coat, trimmed with double bands of blue fox, fell to the hem of her simple crepe frock. Her hat was high-crowned, herringbone, set at the front, and she wore high, belted pumps of grey suede. The King, hatless, was dressed in a grey-checked suit and grey topcoat.

At Beavermouth, sixty-three miles west of Field, the Royal Couple left the comfort of the train Continued on Page 2, Col. 6.

Ten Persons Met Death In Series Of Week-End Accidents In Ontario

Toronto, May 29.—(P)—An automobile crashed through a steel gate on a bridge over the Cornwall Canal early today, killing its four occupants and raising the week-end death toll in Ontario to 10.

The car plunged sixty feet downward and landed upside down on an embankment between the canal and the St. Lawrence river. Killed were Lawrence Currier, twenty-three, and Lawrence Coleman, twenty-one, Maxville, Ont., and Winney Macdonell, 20, and Agnes O'Brien, 23, both of Alexandria, Ont.

A heat wave in Peterborough, where the mercury touched ninety-two degrees yesterday, was blamed indirectly for the deaths of Ted Zinston, twenty-one, and Percy Hetherington, thirty-five. Zinston fell to a cement floor at the Trent Canal liflock after swimming to escape the heat, and was injured fatally. Hetherington was found dead in a field near Lakefield.

Mrs. Stanley Lockwood drowned in bathtub in her Hamilton home. Nine-year-old Stanley Erasseur slipped between a rowboat and a Lake Ontario seawall in Toronto harbor and drowned.

Mrs. Sarah Abbot, seven, died in a Toronto hospital from an injury suffered when struck by an auto at an intersection.

At Kingston, Fred Dennison, sixty-five, one of Frontenac County's best-known residents, died of injuries suffered in an accident a few days previous when a car backed into his cart at the Hartington cheese factory.

CORNWALL CRASH CLAIMS FOUR

Cornwall, Ont., May 29.—(P)—Four young persons were killed early today when their automobile crashed through a safety gate on the bridge over the Cornwall canal and plunged 60 feet to an embankment below.

Lawrence J. Currier, twenty-three, Lawrence Coleman, twenty-one, both of Maxville, Ont., and two Alexandria, Ont., girls, Winney Macdonell and Agnes O'Brien, suffered fractured skulls in the accident. The two young men were well known hockey players.

They were driving north on the Roosevelt International Bridge, on their way home. The swing bridge over the Cornwall canal was open to permit boats to pass, but the car crashed through the safety gate, tearing it away completely.

BAND FESTIVAL IS PLANNED AT WINDSOR MILLS

Traffic Arrangements and Parade Details Discussed by Committee in Charge of Musical Convention—Committees Augmented.

Windsor Mills, May 29.—Expecting an influx of between 1,000 and 1,500 visitors in connection with the Band Festival on July 2, the committees in charge gathered together to discuss means by regulating the traffic on that day.

Plans for the parades as laid out calls for the arena as the starting point for all church parades in the morning. In the afternoon the bands will parade separately from Moquin's store to the baseball grounds, making a tour of several of the avenues on the way.

The catering committee reported that the arena will be converted into a dining hall, where the visitors will be served meals, and that arrangements were well underway in connection with the banquet in the evening.

Chamberlain Increasing Popularity With Country As Russian Treaty Near

Continued from page 1. An enormous response if he had appeared to us," Captain H. T. Squance declared. "As it is we have been ignored. Most of us are doing some job but there is not the same esprit de corps as if we had been appeared to."

LEAGUE OFFICIALS SEEK COMPROMISE

Danzig, May 29.—(AP)—Professor Karl Burckhardt, League of Nations High Commissioner to Danzig, conferred with Nazi District Leader Albert Forster today on strained relations between Danzig and the Polish Government.

Burckhardt talked yesterday with Arthur Greiser, President of the Danzig Senate following the Commissioner's return to Danzig after an absence of several months.

The Commissioner was said to have told Forster that he came merely in his capacity as League representative in the Free City, without any special commission from Geneva. His presence in Danzig was considered necessary, he was said to have explained, because of incidents along the Danzig-Polish border in recent weeks.

He was expected to stay only a short time. He came after a visit to Warsaw.

QUEEN MARY CONTINUES TO MAKE SATISFACTORY PROGRESS

London, May 29.—Queen Mary continues to make satisfactory progress in her recovery from injuries suffered in an automobile accident last Tuesday, bulletin issued at Marlborough House announced today.

The bulletin was the first issued since Saturday when her condition was so improved that week-end bulletins were considered unnecessary.

WELCOME RAINS REDUCE FOREST FIRE DANGERS

Heavy Downpours Over the Week-End Cause New Brunswick Government to Release Large Number of Firefighters.

Fredericton, May 29.—(AP)—Skeleton crews of fire-fighters poked through sodden stumps in Northern New Brunswick fireswept forest area today after a heavy week-end rainfall throughout the Province helped hand some crews get serious fires under control.

The rains, apparently general throughout the Maritimes and the Lower St. Lawrence River area, also ended the fire danger in Nova Scotia and made it possible to bring under control large fires in Quebec's Matapedia valley and at St. Gabriel in Rimouski County.

With the fire hazard of tinder-dry forests past, the New Brunswick Government reopened the forests to travel after the serious fire situation last week forced a ban. Meantime Royal Canadian Mounted Police proceeded to probe fire outbreaks in the northern part of the Province.

Police suspected incendiaries in some cases and believed other fires had started through illegal brush-burning activities of settlers.

New Brunswick's worst fires were in Restigouche County, near the Quebec border, in the Larry's Gulch and Toad Brook areas. Expecting no respite from the warm, dry weather, hundreds of men, hurriedly summoned from their homes, had prepared for week-end vigil in these fire-prone areas.

A third fire in Restigouche, near Atholville, was brought under control Friday. Other fires were halted after burning across eight hundred acres in Northumberland County and at Dundee, in Northeastern New Brunswick.

Rain falling since noon Saturday on this Lower St. Lawrence district was credited with extinguishing a number of those forest fires and helping keep in check more serious blazes near St. Gabriel in Rimouski County and at St. Francois d'Assise in the Matapedia valley.

At both St. Gabriel and St. Francois, the fires still were burning, but each was under control. Damage from the outbreaks, which destroyed a number of fishermen's camps along the Restigouche River as well as thousands of feet of timber, remained undetermined.

Duplessis to Move Against Nazi Pictures

Continued from page 1. contrary to the democratic institutions of this Province.

Although the so-called good Federal Government" was supposed to control such matters, there was much "objectionable literature" abroad in Canada, said Mr. Duplessis. Quebec was doing its part in this province.

The Premier ridiculed reports that Provincial elections will be held this summer. "It is not true," he said. "But as to when elections are to be held, we won't consult Mr. Godbout (Adelard Godbout, Provincial Liberal party leader) or Mr. Taschereau (ex-Premier Alexandre Taschereau)."

Mr. Duplessis said a conference recently had been held with bankers "in connection with the easing of Montreal's finances" and that he had conferred last week and this week with representatives of the pulp and paper industry.

The Premier said that he will meet the King and Queen June 12 at Levis, Que., as the Royal train heads towards the Maritime Provinces, but that he did not expect to be at Sherbrooke, Que., when Their Majesties arrive there the same day. At the Eastern Townships centre, the Quebec Government will be represented by Weeks Minister John Bourque and "other ministers."

The Commission appointed last week to supervise financial re-organization of the University of Montreal will soon begin its work, including the study of contracts, the Premier said.

"The Provincial Sports Commission is a matter of wide interest in the Province," he said. "We must study recommendations from different sources before the Commission's members all are named."

ST. ELIE D'ORFORD

Miss Thelma and Mr. Bruce Calab entertained delightfully at their home in St. Elie in honor of Miss Regina and Mr. Oscar Filteau, who are leaving shortly to take up residence in Sherbrooke.

Longest Drive Of Royal Tour In Vancouver

Continued from page 1. King and Queen and cheer them on the short drive through decorated streets to Government House. Their Tuesday programme includes receptions at the City Hall and British Columbia Legislative buildings, and a Provincial Government luncheon, where the King makes a brief broadcast address.

But Victoria's programme is designed to give Their Majesties needed rest before they begin their return journey across Canada. The official day ends at 3.00 p.m. After that they may possibly visit the world-famed Blutchart sunken gardens outside the city.

Wednesday morning the Royal Party boarded the steamer Prince Robert to return to Vancouver. They motor from Vancouver to New Westminster, there to board the Royal train which carries them into Alberta's Jasper National Park, with brief stops en route at Chilliwack in the Fraser Valley and at Mount Robson in the Rockies.

FRELIGHSBURG

Col. J. J. Masse and Mrs. Masse, of Dunville, Ont., and Mr. J. Masse, of McMaster University, Hamilton, were guests of Mrs. P. M. Hayes.

Among those who motored to Montreal to see the Royal tour of the city were Mr. and Mrs. C. H. Remick, Miss Hayes and Miss Peras, Mr. and Mrs. Neil Creller, Rev. A. C. Asch, Mr. and Mrs. Asch, Mr. and Mrs. R. Frary, Mr. and Mrs. E. H. Spencer, Mr. E. E. Spencer and Mr. and Mrs. E. M. Shepard.

Mr. and Mrs. H. A. Hayes was a guest of Mr. and Mrs. H. C. Hayes, of Montreal, and witnessed the Royal tour. Mr. and Mrs. A. J. Shepard spent a day in Cowansville with their grandsons, Masters Jack, Douglas, Bobby and Billy Stocks, during the absence of their parents, Mr. and Mrs. J. Stocks, in Montreal.

Mr. and Mrs. Thomas J. Bell, Mr. Floyd Bell and Miss A. Blake motored to Ottawa, Ont., for the unveiling of the National War Memorial by His Majesty the King.

Principal Wood, Mrs. Wood and sons, of Cowansville, were guests at the home of Mr. and Mrs. E. H. Spencer.

Mrs. C. I. Ingalls has returned from Montreal, where she was a guest of Mr. and Mrs. Douglas Tait. Mrs. M. Austin, of Burlington, Vt., is spending a short holiday in town as a guest of Mr. and Mrs. Milton Tait.

Mr. and Mrs. H. B. Bell, of Montreal, were guests of Mr. and Mrs. T. J. Bell.

Mr. and Mrs. Walter Westover and family and Mrs. Gordon Leavitt and daughter motored to St. Albans and Swanton, Vt., and were guests of Mr. and Mrs. A. E. Ross in Swanton.

Mrs. E. M. Shepard spent a few days in Cowansville at the home of Mr. and Mrs. H. Drennan, during the absence of Mr. and Mrs. Drennan, who accompanied friends to the New York World's Fair.

Mr. and Mrs. Kenneth Jenne, of Sutton, were guests of her mother, Mrs. Nettie Spencer.

MAPLE GROVE

Mr. and Mrs. Charles Cruickshank, of Theford Mines, were overnight guests of Mr. and Mrs. R. Annesley. Mr. and Mrs. Beams Amadon, of Vermont, are home to spend a few weeks with her mother, Mrs. Keefe, and relatives.

Guests of Messrs. Natt and Irvine Amadon were Mr. and Mrs. Hubert Bennett and family, Mr. and Mrs. Beams Amadon and Messrs. Jonas Kimball, H. Keefe and O. R. Bennett. Mr. and Mrs. Herman Bennett spent a day with her parents, Mr. and Mrs. Edwin Little, in Millfield.

Mrs. Otis Bennett spent a few days with Mrs. E. A. Johnson and the Messrs. Johnson, of Clapham, and accompanied them to Quebec City for the arrival of the King and Queen. Others who went to Quebec from here were Rev. James Barnett, Mr. and Mrs. Randolph Annesley, Mrs. I. Annesley and Miss P. Hughes.

Mrs. George McReynolds has gone to New Hampshire to visit her sister, Mrs. F. Rowden.

Mrs. Alice Nugent has been spending a few days with her son, Mr. Albert Nugent, and Mrs. Nugent. Master Lawrence Bennett spent a week-end with Master Dufferin Annesley, of Bennett.

Mr. and Mrs. Byron Bennett and son, Gerald, spent an evening with Mr. and Mrs. Grant Annesley. Evening guests of Mr. and Mrs. Otis Bennett were Mr. and Mrs. Beams Amadon, of Vermont, Mr. and Mrs. Leonard Bennett and Mr. J. Kimball.

Rev. James Barnett motored to Quebec City, accompanied by Mrs. Bert Dimming and Mrs. N. Porter, and attended the annual Women's Association meeting of the Diocese of Quebec.

EAST CLIFTON

The Happy Gang met with Mr. Lawrence Waldron, when Mr. Gordon Bellam gave an address on "Hunting." The Club is becoming well organized, Mr. Hagar addressed the members on "Public Speaking."

Mr. and Mrs. Wesley Bellam and daughter, Mary, were in Coaticook recently.

Mr. Newell Percy, of Newport, Vt., is spending an indefinite time in town with relatives.

Mr. Gordon French, of Flanders, was a guest of Mr. and Mrs. Ray Waldron.

A number of medals received at the three schools here as gifts from the Dominion Government and also medals from the East Clifton School Board were distributed among the pupils in commemoration of the visit of Their Majesties King George VI and Queen Elizabeth to Canada.

SIDELIGHTS ON THE ROYAL VISIT

Kamloops, B.C., May 29.—(AP)—Every precaution was taken last night for the comfort of the King and Queen during their half-hour stop here. Half an hour before arrival of the royal train, the platform on which Their Majesties stood was sprayed to keep away mosquitoes.

Kamloops, B.C., May 29.—(AP)—Pete Lowery, an Indian from Squilax, B.C., on Shuswap Lake, wanted to see the King and Queen so badly he left a hospital bed after being on a milk diet for fourteen days and came to Kamloops. During the afternoon, he collapsed, but recovered in time to be at the station to meet the Royal Train last night.

Banff, Alta., May 29.—(AP)—Amateur photographers and policemen were fabled when the films from cameras confiscated Saturday were developed. At Their Majesties' wish, no snapshots were to be taken of their informal drive around Banff Saturday afternoon and every camera found the Mounted policemen noticed ready to shoot the King and Queen lost his camera, to be returned after the films were censored.

Pilot train photographers worked late into the night in the special dark room in the hotel developing the more than thirty rolls of film from the cameras but found only half a dozen or so actual shots of the King and Queen. Most of the pictures were blanks, and many badly focused.

Savona, B.C., May 29.—(AP)—The Royal train carrying King George and Queen Elizabeth stopped here for five minutes last night and their Majesties who stepped to the platform of their car, were greeted by a large crowd. A violinist played "God Save the King" before the Royal train headed westward. Savona is twenty-five miles west of Kamloops.

Mr. John Bain and daughters, Hazel and Shirley, were in Sherbrooke on Saturday.

Mr. and Mrs. W. E. Bellam were in Newport, Vt., and called on the former's uncle, Mr. Sternie Pope, and Mrs. Pope.

Mrs. Sarah Cairns is spending a few days in Sawyerville with Mr. E. Waldron and Miss Marjorie Waldron. Mr. and Mrs. B. J. Hastings, of Stanstead, were in town visiting relatives.

Mr. C. S. Powers, Manager of the Canadian Bank of Commerce, and Mrs. Powers, of Farnham, were guests of Mr. Powers' sister, Mrs. J. B. Deuel, and Mr. Deuel.

Mr. and Mrs. W. F. Kay, of Sweetsburg, spent a day at their home. Mr. and Mrs. John Bockus and Miss Bockus, of Fulford, were guests of Mr. and Mrs. L. D'Artois.

Mrs. George Derrick has gone to her home in Clarenceville after spending a number of weeks here with her daughter, Mrs. F. Young. Mr. Norman Deuel has left for Torrington, Mass., to spend the next few weeks.

Mr. and Mrs. Arthur Grevatt, of Montreal, spent a few days here visiting relatives and friends.

Mrs. Rose Crawford, of Montreal, has arrived in town to spend the summer at her residence here. The monthly meeting of the Women's Association was held at the home of Mrs. E. Naylor. After the business meeting, which was conducted by the president, Mrs. G. Bradley, the remainder of the afternoon was spent in picking blocks for a quilt. Delicious refreshments were served by the hostess, assisted by Mrs. D'Artois.

Miss Gladys Dustin, of Ayer's Cliff, was a week-end guest of Mr. and Mrs. R. L. Cooke. Other guests at the same home were Mr. and Mrs. L. A. Rollins and family, of Holland, Vt.

PHILIPSBURG

Dr. and Mrs. T. E. Montgomery were in Montreal to be present for

WHICH IS MR. CHAMBERLAIN?

FOR SALE

All Dr. Herbert Lockyer, British religious author now on a lecture tour, needs is an umbrella—and he's New Chamberlain's double. Can you spot the British Prime Minister? (He's at right).

Unscheduled Auto Trip Marks Royal Holiday In Mountains

Continued from page 1. and silver train for the cab of a big Selkirk-type, oil-burning locomotive, one of the largest in Canada. They rode thirteen miles with the engine crew along the 2.2 grade climbing the spectacular Beaver River Canyon gorge to Stony Creek. There they returned to the Royal train just before it entered the five-mile Connaught tunnel.

The King and Queen wore sport clothes and both were without gloves for the thrilling engine ride. The engine crew expressed astonishment at the King's mechanical knowledge, and admiration, too, for the Queen.

Rain fell heavily as the Royal Couple left the train at Revelstoke but, undaunted, the King stepped back into the car for a tan raincoat and brown slouch hat and he and the Queen, carrying an umbrella, walked four hundred yards around the station to the cheers of eight thousand people.

The train arrived twenty minutes late at 5.20 p.m. P.S.T. It had made up twenty-one minutes of the forty-one lost waiting for the Royal Party at Field but lost another ten minutes here when the King and Queen extended the scheduled twenty-minute stop.

Only five minutes was made up on the run to Kamloops where arrival was at 10 p.m. and again Their Majesties extended the stay, so hearty was the welcome of the cheering throng. This time the forty-five minutes became thirty-six and the train again was forty-one minutes behind when it pulled westward.

Kamloops, B.C., May 29.—(AP)—One of the proudest residents of Kamloops today was W. Earl Peters who drove King George in an automobile from the Swiss border to Ostend shortly after the signing of the Armistice.

His Majesty last night held a long conversation with the Kamloops Oil Company representative during an informal review of veterans massed around the Royal train, when he visited here.

"I was quite surprised when the King greeted me by name," Peters said after the train had departed. "He called me Peters."

The two then recalled incidents of the drive that had together. "It was a ramshackle sort of an old car and was always breaking down," Peters recalled.

convocation at McGill University, where their son, Thomas Montgomery, received his B.C.L. degree. Rev. A. C. Asch, of Frelighsburg, conducted services in St. Paul's Church here.

Mrs. Edna Naylor has returned home from St. Lambert after spending a few days with her parents, Mr. and Mrs. Reid.

Mr. and Mrs. B. J. Hastings, of Stanstead, were in town visiting relatives.

Mr. C. S. Powers, Manager of the Canadian Bank of Commerce, and Mrs. Powers, of Farnham, were guests of Mr. Powers' sister, Mrs. J. B. Deuel, and Mr. Deuel.

Mrs. Guy Waldron, Miss Eldine and Mr. Lawrence Waldron, Misses Iva Cooper and Martha Cunningham were in Pittsburg, N.H., recently.

Mrs. Roy Waldron, Miss Glenn Waldron, Messrs. Alton and Bennie Waldron and Mr. Newell Percy were in Lennoxville, visiting Miss Kathleen Waldron.

Mrs. Albert McConnell, Mr. and Mrs. Frank McConnell and sons, Malcolm and Willis, and Mr. and Mrs. Philip McConnell were calling on relatives in South Durham and Lisgar.

Mrs. Guy Waldron, Mrs. Frank McConnell, Miss Eldine and Mr. Lawrence Waldron were in Sherbrooke recently.

The Busy Bees met at the home of Miss Eldine Waldron recently, with a large number of members and visitors present. During the afternoon the president, Miss Irene Dempsey, on behalf of the Busy Bees, presented Mrs. Philip McConnell, nee Alice Thompson, with silverware as a wedding gift. Mrs. McConnell thanked her friends for their kindness. Lunch was served by the hostesses, Mrs. Frank McConnell and Miss Eldine Waldron.

FITCH BAY

Miss Gladys Dustin, of Ayer's Cliff, was a week-end guest of Mr. and Mrs. R. L. Cooke. Other guests at the same home were Mr. and Mrs. L. A. Rollins and family, of Holland, Vt.

Mr. Gordon Watson, of Ayer's Cliff, spent a week-end at his home.

DUNKIN

Mr. and Mrs. Ernest Aiken and two grandsons, Kenneth and Ronald McKellar and Mr. and Mrs. Leland Judd, of North Troy, motored to Knowlton recently to visit their daughter, Mrs. Gladys Aiken McKellar. They also visited Mr. Judd's parents, Mr. and Mrs. Jesse Judd, at Bromo Corners. They were accompanied home by Miss Madeline Jacobs.

Miss M. Scott spent a week-end at her home at Sweetsburg. Miss J. Cockerline accompanied her.

Mr. and Mrs. Victor Laque, of East Richford, called on his brother, Mr. Emory Laque.

Miss Evelyn Aiken, of Mansonville, is spending some time with Mrs. Guy Smith.

Mr. and Mrs. Russell Bickford, were visiting, Mrs. Bickford's father, Mr. Lawrence Lawler, at Magog.

FULFORD

Dr. and Mrs. Briggs, of Montreal, were Sunday guests of Mr. and Mrs. P. W. Matthews and sons. Mrs. Charles Sparke spent a week-end in Montreal with her mother and sisters.

SCREWY NEWS

By Gladwin Hill (Associated Press Staff Writer)

New York, May 29.—(AP)—The animal world stole the show in last week's cockeye occurrences. . . A Mississippi cow, tossed one hundred yards by a tornado kept right on chewing. . . Shrimps came up out of the ground in New Orleans and hopped around like flies. . . A Wyoming goose moved into a hawk's nest to hatch her young. . . A Connecticut cat named Elmer began nursing three baby minks. . .

A Nebraska cat took over a turkey's brood, and one turkey started pecking the cat's kittens. . . A duck and ten ducklings waddled into the Philadelphia zoo and settled down. . . A bloodhound from the Idaho State Prison got lost and had to be hunted by another bloodhound. . . A New York monkey drank four cans of beer. . .

But the human race had its moments too. . . A Georgia police chief raked a junk and drove around town tossing away the money. . . A British judge fined a fisherman for mistreating his bait. . . Philadelphia explained he stole 800 pounds of butter to finance a divorce. . .

Prevented from having a date with his girl, a Nebraska college student serenaded her from a sound truck. . . After he and his wife had been separated forty-five years, a Connecticut man asked for a divorce and after two weeks' courtship, a seventy-seven year old West Virginia man married a woman of eighty-nine. . .

On Friday evening members of the Masonic Order, of which he was a life member, held a service at his residence, Rev. Mr. Hesketh officiating. Mr. Seale was buried in the presence of Wesley Church and later of Chalmers-Wesley United Church. . .

Although he had been in indifferent health for some time, his sudden passing was a great shock to his relatives and many friends. . . Those who were at his home on March 5, 1870, son of the late William Seale and Eliza Cox, of that place. After completing his studies he entered the services of the Quebec Central Railway in 1893 and was the first station agent at Ste. Cecile, which position he held for several years. He relinquished the post to enter the lumber business at Quebec, where he was connected with the Louise Lumber Company. He later founded the R. F. Seale Lumber Company Limited, of which he was president until his retirement in 1

Ten-Year High Was Established By May Construction

Past Month's Permit Values Were In Excess Of \$237,000

Total Construction to Date this Year Amounted to \$516,750. Compared with \$240,600 in Corresponding Period of 1938—New Contract Accounted for \$213,000 of May Aggregate.

Building permits issued during the past month, totalling \$237,500, were almost three times as high as the aggregate for the busiest corresponding month over a ten-year period, it was indicated in statistics issued by Building Inspector W. L. McSwiggan at City Hall today. Total permits given out for the first five months of 1939 amounted to \$516,750, an increase of \$276,150 over the aggregate of \$240,600 in the same period last year.

The past month's total, boosted by a \$213,000 contract for a new convent on Monk street, compared with \$78,200 in May last year and \$166,550 in April of this year. Next to the convent contract, most important item on the May permit list is a \$19,000 apartment house being erected by Dr. Julien Giroux and an \$11,000 similar structure for Mrs. Thomas Coonan. A number of single houses were also started and \$2,000 spent on alterations.

Following are comparative figures for construction in the first five months of 1939 and 1938:

	1939	1938
January	\$ 36,100	\$ 19,300
February	43,000	25,000
March	23,600	47,900
April	166,500	70,200
May	237,500	78,200
	\$516,750	\$240,600

MANY NEW ENGLANDERS HERE AT WEEK-END

Numerous automobiles bearing license plates of New England States were in Sherbrooke yesterday and today as Americans, with Memorial Day tomorrow a national holiday, crossed the border to visit friends or relatives in this district. Many were able to obtain leave from work today and thus gained a long week-end.

CITIZENS INVITED TO COMMERCE BODY EXECUTIVE MEETING

An invitation to all citizens of Sherbrooke to attend an executive meeting of the Chamber of Commerce to be held tomorrow afternoon has been extended by W. L. Reford Stewart, president of the trade group. It is expected that at the assembly results of the recent police investigation will be discussed. Tomorrow's gathering is scheduled for half past four in the City Hall.

THREE SLIGHTLY HURT WHEN CAR TURNS TURTLE

Coaticook, May 29. — Three occupants of a car narrowly escaped serious injury on the Coaticook-Hyatt's Mills road on Saturday when the automobile, driven by a Mr. Johnson, of Montreal, left the road and turned over three times before coming to rest in a field. Johnson and his two passengers, daughters of Mr. and Mrs. C. G. Hyatt, of Hyatt's Mills, were badly shaken up and one of the girls received serious cuts. Johnson stated afterwards that he lost control of his vehicle when the front wheel of the car struck a soft spot in the road near a culvert.

HOUSE RUINED IN MELBOURNE RIDGE BLAZE

Farm Home of Earl G. Sims and Family Destroyed in Fire Believed to Have Started from Overheated Stove Pipe.

Melbourne Ridge, May 29. — Thought to have originated from an overheated stove pipe, flames early yesterday morning destroyed the farm home of Earl G. Sims, together with most of its contents. Sims had started a fire in the kitchen stove before leaving the house for the morning chores. The fire was first noticed by Mrs. Sims, who had barely time to awaken the two daughters, Hazel and Roberta. Only a few articles of furniture and clothing could be saved before the house was gutted by the flames. Neighbors were soon on the scene but it was impossible to check the spread of the blaze. The house had been the home of members of the Sims family for the past three generations and was a landmark in the district.

WILL ORGANIZE BOOK GROUP AT LENNOXVILLE

Formal Organization of Eastern Townships Library Association Planned for Next Week—McGill Authority to Be Present.

Residents of the Eastern Townships interested in library work will gather in Lennoxville next week for the formal organization of an Eastern Townships Library Association. Colonel Wilfred Boty, O.B.E., head of the department of extra-rural relations of McGill University, will be present to assist in the discussion and organization and others present will include Miss Grace Reynolds, of the McGill Library School, and Miss Adele Languedoc, of the McGill Traveling Library. It is also expected that representatives of the Quebec Library Association will attend.

It is planned to have two meetings, one in the afternoon and the other in the evening, both of which will be held at the Lennoxville High School. The afternoon meeting will be for discussion of the work and problems in the different phases, such as the question of training librarians for rural communities, ways and means of raising funds for local libraries and the relation of libraries to adult education.

In the evening the association will be formed, the constitution presented and officers elected. The great importance of the association will be the organization of a book pool, which will distribute books on loan to member libraries throughout the Townships, thus giving a constant supply of books to many communities which often are unable to afford many purchases. Another result will probably be the formation of a number of new libraries in towns and villages. The operation of such regional libraries in Prince Edward Island, Ontario, British Columbia and the United States, where they have met with outstanding success, will be described.

A considerable number of communities are expected to send delegates to the meeting and the out-of-town people are to be entertained by those in charge of the Lennoxville Library. Interest in the association has already been shown in such centres as Richmond, Cookshire, Bury, Ayer's Cliff, Scottstown, North Hatley, Hatley, Waterloo and Knowlton. A committee has been working during the winter gathering information about regional libraries and planning the coming gathering.

Representatives Of Social Groups Studied Various Current Problems

In an interesting round-table discussion on the "School of the Air" last evening, representatives of organizations for and of young people endeavored to explain how their groups are trying to meet the problems of industry, agriculture and the professions, with which they are faced today. Those taking part in the discussion were Miss Marjorie Haley, of the Y.W.C.A., and W. H. Wolter, of the Y. M. C. A., Sherbrooke, C. Howard Alkman, M.A., principal of the Lennoxville High School and Miss Emily O'Dell, who was a delegate to the Second Canadian Youth Congress. R. Alex Sim, of the Adult Education Centre, Lennoxville, was in charge.

Mr. Sim stated that at last week's forum young representatives of industry, agriculture and the professions raised some of the problems which they face under three headings—unemployment and problems arising out of the economic insecurity of life today; the need for vocational guidance and training; and some of the particular difficulties which farm youth face in their more isolated life.

Miss Haley pointed out that the Y.W.C.A.'s emphasis has always been on education for leisure, and this has been intensified during the past few years which have brought enforced leisure. Physical education and classes in the arts and crafts have shown an increase, and there has also been an increase in the number of club groups and committees which have undertaken studies of current events and of present social and industrial conditions.

These studies have been carried on in the conditions of work and unemployment directly affecting the lives of girls and women. Many associations have promoted vocational education, likely to assist girls in securing employment. "This vocational training has been chiefly along two lines," she said, "first, opportunity to maintain and improve in already acquired arts of typing and shorthand, and second, training courses for household workers, with a view to providing more competent help for our Canadian homes, and to secure more satisfactory conditions of work for the employee."

Wolter stated that like the Y.W.C.A., the Y. M. C. A. tries to make the period of waiting for a job a stimulating one, rather than a period of wasted time, and through the work of clubs the "Y" tries to help young people to help themselves.

Speaking for schools, Mr. Alkman said that the work of the school in connection with unemployment falls in the scope of vocational guidance. He said that it may be said the employment of women in industry is only at the expense of men. "It frequently occurs that young women are unwilling to relinquish their positions in favor of marriage, as it involves accepting a lower standard of living. However, it must be remembered that the life-blood of our system of production is free competition," he said, "and if a woman is individually better fitted for a position than her masculine co-applicant, then she should certainly not be debared, or even given an inferior remuneration because of her sex. The argument of cutting off certain groups from industry can be carried to an absurdity," he continued. "The only solution compatible with the democratic ideal is the best person for the job irrespective of age, sex, or in any other such qualification."

He stated also that vocational guidance seeks to make a careful analysis of a boy's or girl's inherent and developed skills, acquaint him or her with possibilities and responsibilities of various trades and professions and then, freed from the restraint of considerations of social prestige, family traditions offer expert and disinterested advice to the young person about to set out on a life of usefulness to the community and of credit to himself. This can only be accomplished by an advisor who is well acquainted with the individual and who, himself, has in addition, the necessary background. "It should primarily form part of the contribution of the schools, as they embrace the majority of pre-employed boys and girls and is the environment in which they spend the largest amount of their waking hours," said Mr. Alkman. "However, I am afraid that

at present the schools are doing only too little in this important matter. Talks of an informal nature by persons prominent in their professions and branches of business as well as visits to industrial plants are arranged in some centres, supplemented by personal conferences between the head of the school and the members of the graduating class. The great difficulty, however, is that in the majority of communities, these facilities, diversity of professional and industrial plants, are not available."

In summing up the findings of the discussion, Mr. Sim pointed out that all four represented organizations recognize the direct bearing of unemployment on the lives of the young people who make up their membership. The Y. W. and the Y. M. seek to teach young people the creative use of their leisure. The choice of a career, the Youth Congress attempts to unite all young people of different creeds and classes in the study of their problems and in action upon them.

The questions from the Question Box were answered by Mr. Sim, several announcements were made, and a report on Handicraft was given by Mrs. L. E. MacAllister.

AMATEUR HOUR AND SILVER MEDAL CONTEST

A silver medal contest sponsored by the Huntingville W.C.T.U. and an amateur hour were held in the Huntingville Church Hall this weekend and greatly enjoyed by both the audience and the participants.

William Bowers acted as master-of-ceremonies for the amateur hour, with Miss Jean Campbell, organist and choir directress of the Lennoxville United Church as piano accompanist. After opening with the singing of "O Canada," with Mrs. Willis Hunting as accompanist, the entrants were introduced. Cash prizes were given in both the senior and junior classes.

Miss Thelma Crawford, of Lennoxville, carried off first honors in the senior class with her rendition of the song, "The Little Yellow Dog," while Helen Willard, also of Lennoxville, captured second place for her singing of "Any Rags, Any Bones, Any Bottles Today."

First prize winners in the junior class were Russell Nutbrown and Buddy Hunting, as "Charlie McCarthy" and Edger Bergen, with Patty and Marion McKiven claiming second place for a tap-dancing exhibition of "Reading and the Bull."

Others taking part in this amateur hour were Dawn Hyatt, recitation; Jean Hunting, Merle Hunting and Edith Harrison, vocal trio; Helen Hills and Barbara Hyatt, recitation; William George and Douglas Langley, guitar and mandolin duet; Edson Warner, recitation; "Reading and the Bull," Helen Hill; Elsie Linton, violin and Mary Bown, vocal duet. "I Don't Want to Play in Your Yard," four boys, Gordon Harrison, Ross Hunting, Elwin and Howard Dewing, in a short tableau, in costumes, with readings by Mrs. G. Armstrong, and Roberta and Annette McKiven, piano duet.

Community singing was led by Allen Willard, and the programme concluded with "God Save the King."

Candy and pop corn was sold during intermission. Mrs. W. A. Henderson, on behalf of the Huntingville W.C.T.U., thanked the judges, the contestants and all who assisted in any way. She also presented the prizes in both the amateur hour and the Silver Medal Contest. The winners in the latter, from five entrants, three of whom were girls and two boys were: First, Ulfine Barber; second, Audrey MacEira. Others, mentioned according to rank, were: Edith Harrison, Angus MacEira and Elwin Dewing.

Mrs. Martin Knutson and Mrs. A. E. Abercrombie, of Lennoxville, and Miss M. Hill, of Sherbrooke, acted as judges. The hall was artistically decorated with festoons of red, white and blue, and flags.

MUSICAL ENTERTAINMENT

The Junior Girls' Choir of the Lennoxville United Church and students in vocal and pianoforte of Miss Jean Campbell, organist and choir directress of this church, combined to give a charming musical programme in the Huntingville church yesterday afternoon, followed by a tea to raise funds for the gowns for the Junior Girls' Choir. Miss Campbell is deserving of much credit for the splendid progress which her students are making, and the girls' choir, which she organized about Christmas time, gave a fine account of themselves in several renditions, one of which was sung a capella.

Although the entire programme was greatly enjoyed, the highlights were the performance of the First Movement of "Sonata Pathétique" (Beethoven), by Miss Mary Ward, and "Curtis' Lomery's" playing of Mozart's "Minuetto in E Flat."

The other students and their selections were as follows: Chorus, "Lavender's Blue" and "May Day," by the Junior Choir; piano solo, "A Little Waltz" (Williams) by Roberta McKiven; piano solo, "Fireflies," by Donald Sutherland; piano duet, "Augustine" (a German folk tune), by Allan and Donald Sutherland; piano solo, "Drink to Me Only With Thine Eyes," by Annette McKiven; piano solo, "Marketing" (Benson), by Allan Sutherland; piano duet, "A Little Journey" (Williams) by Annette and Roberta McKiven; piano solo, "Fairies' Dance," by Catherine Pierce; piano solo, "Helen Waltz," by Grace Benson; vocal solo, "Tiptoe" (Carew). Continued on page 5, col. 1.

FURTHER STUDY OF EVIDENCE IN POLICE PROBE

Public Meeting Will Not Be Held Until Organizers Are Fully Familiar with Testimony Adduced in City Council Investigation.

Organizers of the general assembly to be held to discuss details of the City Council investigation that resulted in the dismissal of Chief H. O. Camrad, Deputy Chief Joseph Prunier and Captain M. M. Lacharite declared this morning the meeting will not be held until a complete study of evidence adduced during the hearing is made.

Over three hundred typewritten pages of testimony were taken down by the Court stenographer during the probe and a careful study of documents connected with the inquiry is being made before definite action is taken.

There is no question of dispensing with the public assembly, it was stated, and plans for this are being carried out. According to the general expression of opinion the great majority of ratepayers are unanimous in belief decision of the Council was unwarranted.

The fact that tonight's special City Council meeting is for the purpose of adopting the \$270,000 loan by-law with no other business to be discussed by the Aldermen has also acted to hold up the assembly as any resolution passed by the citizens could not be presented.

NOTED FRENCH AUTHOR GAVE ADDRESS HERE

Louis Gillet Described Famous Cathedral of Chartres and Historic Countryside of Beauce, France, Before Members of L'Alliance Francaise.

History of one of France's most famous structures was reviewed Saturday night in Le Parthenon when Louis Gillet, noted French writer, spoke to members of L'Alliance Francaise and the Union Musicale de Sherbrooke on the Cathedral of Chartres.

Mr. Gillet, one of the leading propagandists for a better understanding and knowledge of French literature, described the Cathedral of Chartres and traced its building in successive stages until it became one of the foremost churches in Europe.

The district of Beauce, in which is situated the Cathedral, was also described by the speaker who painted a glowing word picture of the picturesque of the countryside and its inhabitants and their connections with the famous church.

Before the assembly at Le Parthenon Mr. Gillet was the guest of honor at a dinner given in the New Wellington Hotel by the officers of L'Alliance Francaise.

CITY BRIEFLETS

Sport Coats—to your measure, \$13.95, Tropical suits, \$19.95. White serge or fancy trousers, \$6.50. Leo Laliberte, Tailor, 61 Well. St. No.

Amateur Hour, Sand Hill, May 30.

See the arrival of Their Majesties from specially-erected bleacher seats. To arrange reservations telephone 3725 or 2722, Levesque Ltd., Wellington South.

"Little Women," Plymouth Hall, June 1st, 8:15 p.m. Adm. 25c.

W.A. Trinity Church meets Tues., 8 p.m., 85 Laurier.

Reserved seats for Royal Visit, \$1.00, 89 Dufferin Ave. Tel 2397-M. M. Brown.

Free lecture on Christian Science, by Judge Frederick C. Hill, C.S.B., of Los Angeles, Calif., in Church Edifice, Montreal St. Thurs. eve., June 1st, at 8:15 o'clock.

Tip Top Tailors are showing nice trends for Sport Coats, also Tropical Suits, White serge or fancy trousers. Leo Laliberte, Tailor, Sherbrooke.

Barn Dance, Wilson's, Milby, Wed., May 31. Admission, 25c.

St. Peter's Guild, Salad Tea, Fancy Work, Mystery and Food Sale, Wed., May 31, 3 to 6.

Lost—Brown leather purse, Initialled, containing driver's license, keys and money 2 miles south of Gould on Bury highway. Reward if returned to Mrs. W. E. Baker, 55 Melbourne street, City.

CANADIAN LEGION All returned men are requested to attend the presentation of new colors, Tues., May 30, 8 p.m., Legion Hall.

SUTTON Consult H. J. McConnell, Otolaryngologist concerning your eyes and fitting of glasses, at the Mountain View Hotel, next Wed., May 31st.

Police Ask Co-Operation Of Citizens During Royal Visit

Royal Canadian Mounted Police and Military Officials Meet with Royal Visit Committee to Discuss Arrangements—Parking Regulated to Ensure Ample Room for Visitors—Traffic Will Stop for Three Hours.

With the Royal visit to Sherbrooke on June 12th exactly two weeks away, police are busily preparing for the event and this afternoon local officers will meet with Royal Canadian Mounted Police, Provincial Police and military authorities to discuss the numerous arrangements which must be made so that operations will move smoothly during the time the King and Queen are here.

H. Royal Gagnon, superintendent of the R.C.M.P. of the Montreal division, accompanied by other officers and Major Vandenberg, of military district No. 4, will meet with members of the Royal Visit committee in City Hall at two o'clock.

Mayor Marcus Armitage has pointed out that although Sherbrooke will be host to thousands of visitors on June 12th police are arranging parking facilities so that there will be ample room for cars, with congestion reduced to a minimum.

According to orders issued by the police, all vehicular traffic in the city will come to a complete standstill for three hours on June 12th. With thousands of cars expected here for the great event, the full co-operation of citizens will be needed to guarantee the smooth operation of traffic and parking of vehicles. Of prime importance is the order for local residents not to use their automobiles at all on June 12th and this regulation is to be rigidly enforced.

During the past few days members of the local police have been active choosing the most convenient parking grounds in and about the city. Besides various lots that will be in use there will be available a large number of streets not on the route of Their Majesties' drive.

All vehicular traffic will be stopped sharply at 10:30 a.m., after which the streets will be used by the different schools, clubs, etc., to reach their specially allotted places. Traffic duty will be resumed only after the departure of the Royal train at 1:40 p.m. and the police officers will remain on duty until conditions return to normal. Barricades will not be removed from the streets until traffic is regular and officers will remain by the barriers until they are removed.

From 10:30 a.m. northbound traffic on routes 5, 22 and 27 will be diverted at Lennoxville towards East Sherbrooke via the Long Bridge, where parking space can be found on Lansdowne Market, Lansdowne street and in the rear of the Jenckes shop, where a large parking

space will be available. Local citizens are requested not to use their own autos as the Royal route will be barred to vehicular traffic and visitors will be allowed to park their cars on other streets.

Parking will be permitted along other streets than those on the Royal route along the curb width (Continued on Page 5, Col. 2).

IN beauty — in action — in dependability — today's McLaughlin-Buick strikingly indicates more than 30 years' experience in building fine cars.

You'll find it more satisfying, in every way, to drive a Buick. It has the look of tomorrow in its streamlined loveliness. And beneath its beauty is reflected Buick's sound engineering and honest craftsmanship.

You'll be thrilled by the brisk action of McLaughlin-Buick's mighty Dynafash Straight-Eight engine — its fleetness on the straightaway — its nimble agility in traffic.

You'll welcome the extra comfort of Buick's Rear Coil-Springing that levels off the rough spots — and Buick's Knee-Action that even banks the turns for you.

So drive a new McLaughlin-Buick. It's easy to own, too, on the General Motors Instalment Plan.

Sherbrooke Daily Record

Established Ninth Day of February, 1897, with which is incorporated the Sherbrooke Gazette, established 1877, and Sherbrooke Examiner, established 1878.

Eastern Townships' Only English Daily

The Record is printed and published every week day by the Sherbrooke Record Company, Limited, of which Edna A. Beerworth is Secretary-Treasurer, at the office, 69 Wellington Street North, in the City of Sherbrooke, incorporating the news services of The Canadian Press, The Associated Press, Reuters and Havas.

The Record is a member of the Audit Bureau of Circulations, its circulation being regularly audited and guaranteed.

Subscription rates: 75c a month, delivered at any home in the city and suburbs. Post Office delivery to any place in Canada, Great Britain or the United States, \$4 per year, six months, \$2; three months, \$1; one month, 50c. Single copies, 3c.

SHERBROOKE, MONDAY, MAY 29, 1939.

Every once in a while we read about a group of school children getting a trip to Washington. What a way to disillusion American youth.

THE SENATE SHOWS THE WAY

For the first time since the organization of the Canadian National Railways, a unit of the Canadian Government has taken a definite stand toward the solution of the serious railway problem facing the country today. Rejecting the majority report of the special committee favoring the policy of co-operation between the two major systems and voting in favor of unification, the Senate has placed the situation squarely before the Government, whom the taxpayers might reasonably expect to do something to relieve the heavy burden now being carried by the country.

The opponents of unification seem afraid to face the real issue and are blightedly hoping that something will happen to ease the burden. Just what this something will be they do not know—in fact have no real idea—but to them anything seems more favorable than antagonizing the vote of railway labor and those who for some reason or another find the present overload of railways to their own personal benefit.

Unfortunately, the stand of the Senators does not have the support of the other branches of the legislative machine as both parties in the Lower House are definitely opposed to unification in any shape or form, especially under private ownership. The Government from time to time has made it abundantly clear that it does not like the idea and in fact has taken steps to delay any opportunity of unifying management or substantially reducing the burden, the action over the Montreal terminal being a case in point. Similarly the official Opposition leader is an archfoe of unification, his repeated declarations to this effect leaving his stand clear.

However, the Senate adoption of the minority report has done one thing. It has brought the matter formally into the open and has made the matter a definite issue on which the Government must take action sooner or later. The matter cannot be allowed to drift much longer and in forcing the issue, the often-abused Senate has done a valuable service for the country.

CANADA-JAMAICA TRADE

The announcement that the existing Canadian-West Indian trade agreement would be abrogated and a new one negotiated serves to direct attention to the important place which Canada holds in the West Indian market, and particularly in Jamaica. During 1938, the Dominion's percentage of Jamaica's import trade was the fifth highest since 1927 when the present agreement was made effective. Canada's percentage was 16.1 as compared with 14.9 in 1937. In value imports from Canada in 1938 were the fourth highest on record, having been exceeded only in 1927, 1928, and 1929. Reductions suffered by Canada in imports in foodstuffs since 1929 have been offset during the past four years by increased sales to Jamaica of Canadian manufactured goods. According to a detailed report to the Department of Trade and Commerce by F. W. Fraser, Canadian Trade Commissioner at Kingston.

Mr. Fraser reports further that the total value of Jamaican exports to Canada in 1938 was the highest on record amounting to £1,309,213 as compared to £1,488,105 in 1937. The Dominion took seven-eighths of the sugar, ninety-six per cent of the coffee and ninety per cent of the raw cocoa shipped from Jamaica.

Flour was the most valuable single item of Jamaican purchases and of the 413,634 bags of 196 pounds imported in 1938, Canada supplied 228,750 bags to the value of £262,726, he states. Of the total of 18,238,721 pounds of dried salted fish (mainly cod) imported into Jamaica in 1938, Canada shipped 2,395,871 pounds valued at £25,903 as compared with 2,280,145 pounds valued at £27,105 in 1937.

Mr. Fraser states that the considerable increase in imports of Douglas fir from Canada, amounting to 2,929,078 feet in 1938 as compared with 354,338 feet in 1937, was mainly due to "special and intensive trade promotion done in Jamaica on behalf of the British Columbia timber industry. Additional steamship service between Vancouver and Jamaica has been provided, and, although under the Canada-United States trade treaty the Jamaican tariff preference on Canadian timber is fixed at 8s. per 1,000 feet, there is a definite improvement in the prospects for the sale of Canadian Douglas fir in Jamaica."

WHEN DAY COMES

By Grenville Kleiser.

A night of pattering rain. Tardy drops still play a soft tattoo. Day dawns, silent with adoration. Dewdrops lay like pearls on the grass. Rosemary and mild lavender fill the air with aromatic scents. Breezes stir the woods to motion and all the trees breathe anew.

The hills are drenched with light. Silver birches gleam in the sunshine. Nature stands with an armful of bounty. Brooding mystery spreads like a mantle over the valley. Honey-colored cattle move delicately to the sound of bells. While sheep cluster on the hillside.

The cool sound of running streams is on the moving air. The merry bobolink enlivens the scene. Here and there are clumps of daffodils, marsh-marigolds, and bushes of andromeda. The sharp, sweet smell of burning brush greets the nostrils.

The sky is aflame with rose and saffron. Swallows swirl in swift flight. Grain fields are yellowed to gold.

All nature revels in unwonted contrasts. It is the ecstasy and festival of summer.

Bluer roses sprawl themselves radiantly over the wall.

The trees rustle and whisper to the streams. Fruits swell and grow golden under the benign sun.

A flame-throated robin sings on the topmost bough. Swiftly the fugitive hours speed by.

It is a day of pleasant surprises. A subtle and indefinable charm pervades the atmosphere. New ambitions press upon the fancy.

Satin buttercups lie in drifts of yellow across the deep grass. Spendthrift colors stalk the landscape. Birds are flirting in the tulip trees.

The sunlight spreads at a gallop along the hillside. It is midday.

The sky had become a polished copper kettle scoured by the wind.

There comes a spacious sense of the amplitude of life's possibilities. Ineffable splendor crowns the day.

The mind is full of capricious mischief. Dry leaves scurry about in mad caper. The air is freighted with scents and sunshine.

Filmy clouds sail slowly overhead. A distant organ shudders like a forest of pines in a tempest.

The river sings with its lips to the pebbles. Earth and sky and sea are dyed with the magic tints of sunset.

Birds twitter drowsily. The sun sinks slowly in a sea of gold. Amethyst shadows lengthen.

Dusk deepens. Night is enthroned. The stars are attentive.

EDITOR'S NOTE-BOOK

They've hung a mirror in the cloakroom of the British House of Commons. Giving women members a chance to duck votes with the old paint-and-powder dodge.

A bridegroom, Robert Taylor bemoaned the fact that he had to return to screen work making love to another woman—Hedy Lamarr. Substitutes are pouring into Hollywood.

THIRTY YEARS AGO TODAY

From the Files of the Sherbrooke Record. May 29th, 1909. A meeting of the directors of the Sherbrooke County Agricultural Society was held recently in the Queen's Hotel when the proposed trip to Macdonald College was up for discussion. W. M. Tomlinson, secretary, stated that he had received several outside inquiries in connection with the trip and he was instructed to contact the railroad companies regarding rates.

The regular weekly session of the Eastern Townships Dairywomen's Exchange was held in the Cowansville Town Hall on Saturday afternoon with a good attendance of buyers and salesmen. Twenty-eight creameries offered 1,433 packages of butter and seven cheese factories, 162 boxes of cheese. Butter sold for 21 1/2c while cheese brought 11 1/2c.

Hostesses at the first tea of the season held at the St. Francis Golf Links on Saturday afternoon were Mrs. E. C. Fraser, Mrs. Robin Robins and Mrs. C. D. White with the Misses Marjory Robins and Maybird Odell assisting. Among those present were Mrs. Tuck, Mrs. Arthur Brooks, Mrs. Lomas, Mrs. Penhale, Mrs. Tomlinson, Mrs. Wells, Mrs. Howard, Mrs. Frank Wilson, Mrs. W. Morris and Mrs. McBain.

Rev. Canon F. J. B. Allnatt, Vice-Principal of Bishop's College, Lennoxville, has gone to Toronto to attend a meeting of the board for conferring Divinity Degrees for the Province, of which he is chairman. From Toronto, Dr. Allnatt will go to Quebec to attend the Provincial Synod.

With fruit trees covered with blossoms and seeding operations completed, farmers of Clarenceville are now wearing a smile. Although the season is extremely late this year, a good crop is anticipated.

KEEP ON FISHING

Suppose the fish don't bite at first, What are you going to do? Throw down your line, cast out your bait, And say your fishing's through? Of course you're not; you're going to fish, And fish, and fish, and wait Until you've caught your basketful, And used up all your bait.

Suppose success doesn't come at first, What are you going to do? Throw up the sponge and kick yourself, And go on feeling blue? Of course you're not; you've got to fish And bait and bait again; At last Success will bite your hook, And you will pull it in!

—A Fisher.

TIMELY COMMENTS

The record of a year's endeavors to detach Italy from the Rome-Berlin Axis has consisted of a series of bitter disappointments for the British Government. Nevertheless, so great is the reward if this could be accomplished—since it would enormously improve the outlook for peace in Europe without involving Britain in the vast, dangerous responsibility entailed in a policy of guaranteeing the independence of small nations in the face of a joint German and Italian threat—that the strategy of attempting to detach Italy from the Axis is an idea that dies hard.—New York Times.

Reason, as General Johnson wisely observes, will keep us out of a European war. Emotion may drive us in. Many Europeans say that certain leading Americans are more emotional, even hysterical, than any responsible statesman in Europe. That's why The Post again suggests standing off a bit from the headlines and the maps, the sabre-rattling and the dire prophecies—to observe the European picture through the clear spectacles of reason rather than the flame-tinted ones of emotion. For our own good, For Europe's good, too.—New York Post.

But—contrast Britain's increasing naval might with Britain's increasing merchant shipping plight. The annual report issued by the Chamber of Shipping recently is a document straight from Davy Jones's locker. While foreign tonnage has gone up by eighty-five per cent, ours has stayed the same; foreign yards are booked for years, while too many of ours are idle. More and more foreign nations insist that their imports shall arrive only under their own national flag; and, to cap it all, twenty-eight countries are now subsidizing their Mercantile Marine. How can the Government delay giving British shipping the help urgently asked for six weeks ago?—London Daily Mail.

Frau Gertrud Schultz-Klink, official leader of all Nazi women, admits that Germans, under the present regime, must lead a hard life and like it. Add to this the stifling of all individual liberty and the picture cannot be classed as any too alluring.—Brantford Expositor.

Editor will have to do something pretty desperate in the next few days to claim the banner headlines in Canadian newspapers from Their Majesties.—Toronto Globe and Mail.

HERE AND THERE

Young trees occasionally are killed outright by the girdling of the sapwood, but larger trees recover from the injuries, although the blemishes may not disappear.

Consistent care of their teeth is of marked benefit to the sight of human beings. Deceased or abscessed teeth often affect the eyes and, in extreme cases, may even cause blindness.

In the dark and middle ages, metals were classed as noble or base, and gold was the most noble of all. Silver ranked second, while platinum was not known. Today these metals are ranked as precious metals, because of their rarity.

If the Venus fly-trap, a Carolina plant, has been induced to close on something it does not want, it opens again quickly. When cheated two or three times in succession, the plant ceases to respond for a time.

The length of a groove on a 10-inch phonograph record is 550 feet to a side; the ridge traces over an average of 37 inches a second.

After a thorough investigation of various breeds of hogs throughout the country, it has been found that it makes little difference which direction a hog's tail turns, clockwise or counter-wise, just so long as it curls.

The traveller's tree of Madagascar grows fan-shaped, with the broad sides facing north and south, and its edge facing east and west, since it catches and holds more moisture that way.

SO THEY SAY

I speak with authority based on a somewhat vast education at the hands of my children. S. Ambassador Joseph P. Kennedy.

The rights of persons of any political beliefs to hold WPA jobs can hardly be challenged legally.—Roger N. Baldwin, director, American Civil Liberties Union.

I've gotten to be a stuffed shirt. I got licked for Congress for not being one.—Maurice Maverick's winning platform in the San Antonio mayoralty campaign.

I used to ask him why he never spoke, but he would never answer.—Detroit wife, asking divorcee after ten silent years.

Not No want him!—Indians at New York fair, on being offered Manhattan Island back again.

And one should give a gleam of happiness whenever it is possible.—George Eliot.

CRANIUM CRACKERS

Mathematically speaking, but giving no figures: Take the year of the surrender of New Amsterdam to the English. Subtract the number of black squares on a checkerboard. Add Arizona's electoral vote. What's your answer? How did you get it?

Answers on page 5.

FOREIGN PRESS

A NEW BRITISH PLANE THAT ANYBODY CAN FLY

(Manchester Guardian) For a person to make his first flight is no news nowadays, but when on that flight it is he who takes off, flies and lands the plane, then, as you say, "You have something." That, at any rate, was what one did recently at Hanworth air park, though there was certainly an instructor there, too, holding the duplicate controls and explaining that with the new Cygnet such adventures were foolproof.

The point of the Cygnet is its tricycle undercarriage set beneath the forepart of the plane. The front wheel of the three is steerable, so that taxiing becomes as easy as driving a car, but, what is more important, the tricycle takes the perils out of landing. Instead of requiring the nice calculation of angle and speed that is necessary to land other planes, the Cygnet, within a fairly wide range of landing speed, will when brought near the ground, just sink down unaided.

Altogether, as the instructor said, it is a plane that the average motorist could learn to fly in half an hour. In the air the instructor said he would now show that it is impossible to stall her. So off went the throttle, and back obediently came the joystick and the plane began to sink like a lift. "You see," he said, "no stalling."

"Now you'll see," said the instructor, "that she'll land herself alone." And, sure enough, after we had brought the plane down to within striking distance, as it were, we released the controls and down she sank and then sank along the ground again.

FOUR MILLION HOUSES BUILT SINCE WAR

(The London Times)

Somewhere between the South Coast and the Tweed carpenters and plasterers have completed a house which will bring the total number of houses built in England and Wales since the Armistice to 4,000,000. Impressive though this figure is as a measure of housing achievement since the Great War, it appears even more striking when contrasted with the total number of houses in England and Wales in 1918—8,000,000.

The four-millionth house is ready for occupation but, since the Ministry of Health cannot be certain which it is of a number completed about this time, it will never enjoy the fame which is its merits.

It would be difficult to exaggerate the social consequences of rehousing on this scale. In many parts of the country it has meant a transformation as complete as any redited by storytellers to magic wands. Large areas of great cities, as in Leeds, have entirely changed in appearance. Slums have gone, and thousands of citizens and their small children have been enabled to start life anew in decent homes. In addition, for a far wider range of the population housing standards have been raised enormously.

While proud that the total of 4,000,000 has been reached, the Ministry of Health has taken for its motto "On to the fifth million." In its view the work must go on, since the slums are still not all cleared, overcrowding still exists, and there is still a great need of better houses for the agricultural population. The work is being continued, and every day more than a thousand people are being moved from the slums. In the last year or two 300,000 houses have been built each year.

HE WON THE GREAT WAR FOR THE ALLIES

(London Spectator)

If I said—as I do say—that a man had died in the past week but for whom the Allies might have lost the Great War, I am, I fancy, would be hard put to it to decide whom I meant. I mean the man who saved our shipping in 1917. In that year the German submarine had all but settled the issue. Jellicoe gave an almost desperate report to the War Cabinet. Admiral Sims cabled home to America "I consider that at the present moment we are losing the War," owing to the success of the submarine campaign.

All this time there was a young officer, of the rank of commander, at the Admiralty, who was convinced that the convoy system could save the situation. Everyone was against him. Lord Jellicoe had a dozen reasons why the system was impossible. But the young officer never faltered. So far as his limited authority

McKENNEY ON BRIDGE

BY WM. E. MCKENNEY Secretary, American Contract Bridge League

A DEFENSIVE ERROR DOES NOT MAKE THIS BRIDGE OLYMPIC CONTRACT EASY

This is hand No. 8 of the 1939 World Bridge Olympic contest, conducted by the American Contract Bridge League. Each hand involves a definite principle in bidding or play. 1. Should East and West arrive at a game contract? 2. What should North's opening lead be against four spades? 3. After cashing two rounds of hearts, should the defense lead another heart, or shift to another suit? 4. If the third round of hearts is not led by the defense, can the declarer make his contract?

Hand No. 8 of the 1939 World Bridge Olympic contest. Includes a 13-card hand layout with suits and ranks, and a list of questions for the declarer and defense.

West dealer—Neither vul. 29

FROM THE PEN OF E. T. WRITERS

A SOLDIER BOY.

Am writing this of a soldier true, Though he never crossed the ocean blue To fight the foe in a distant land, Or faced the guns of a mighty band.

This soldier boy is just eighteen But his fighting spirit is very keen, For over a year he has had to lay On a bed or couch most of the day.

It takes a soldier with courage strong To face the world when things go wrong, Blue, discouraged, he may sometimes be, But never a frown on his face you'll see.

He greets us all with a cheerful smile As we stop by his couch to chat awhile, And never a friend but he's glad to see, No matter how short the call may be.

The winter has gone, the spring is here, And we hear the birds' sweet song of cheer, Out in the sunshine he can spend his days And gather strength from its health-giving rays.

He's slowly gaining day by day, And his chums and friends join in when I say, We surely all do wish him luck, This boy that's just brim full of pluck.

—Mrs. John Beard.

IN THE WOMEN'S SPHERE

News Of Women's Clubs

Under the auspices of the Catholic Women's League, a gala food sale was held at the Gendron Corset Shop for the purpose of raising funds to carry on social service work during the summer months.

To Mrs. Fred Shelley, convenor, and her capable assistants, Mrs. Albert Vallee, Mrs. Alex Smith, Mrs. J. C. Campbell, Mrs. John Murphy and Mrs. R. Winiade, the credit is due for the amazing results amounting to approximately forty dollars.

A beautifully decorated cake made and donated by Mrs. L. E. Chamberlain was raffled and Mrs. Edward J. McKenna, 209 London street, was announced as the fortunate winner, the proceeds from this generous gift adding substantially to the grand total netted from the food sale.

The courtesy of Mr. and Mrs. Gendron and staff to the ladies in charge went a long way towards making the morning was, "Perpetuating Pentecost." The anthem, sung by the choir, under the direction of Miss Jean Campbell, was "By Cool Sileam's Shady Rill," with a lovely soprano solo by Mrs. Austin H. Scott. In the evening, Rev. Mr. Matthews spoke on the subject, "Our Lord Is Coming Again," and the anthem was "The Shepherd's Psalm," (Protheroe).

Dr. and Mrs. Thomas Snowden, of Three Hills, Alberta, were guests of Mrs. Snowden's cousin, Miss Anna Robertson, at her residence on Main street on Saturday.

Mrs. Grace Kerwin, of Stanstead, is a guest of her brother-in-law and sister, the Venerable Archdeacon and Mrs. R. W. E. Wright, at their residence on Park avenue.

Mrs. Christina Remick, Miss C. Remick and Mrs. Neil Savage, of Lancaster, N.H., were week-end guests of Mrs. Remick's sister, Mrs. J. B. Campbell, at her residence on Main street.

Representatives Of Social Groups Studied Various Current Problems

Continued from page 3.

By Miss Isabel Ross; piano solo, "Blacksmith" (Anthony) by Donald Tapp; piano solo, "Floating in the Moonlight" (Crammond), by Margaret Merrill; chorus, "Strawberry Fair," by the Junior Choir; piano solo, "Off to the Country" (Felton), by Shirley Tapp; piano solo, "Minuet in G" (Beethoven), by Margaret Dawson; piano solo, "The Lotus Pond" (Bennett), by Marion McKinnin; a round, "White Coral Bells," sung a capella by the Junior Choir; piano solo, "Valse" (Barowski), by Margaret MacDougall; and piano solo, "Told at Twilight" (Hueter) by Patricia McKinnin.

Miss Thelma Crawford assisted Miss Campbell, who extended her sincere thanks to those present for showing their interest in the choir and her students by their presence. She also thanked the students and all who assisted in any way towards the success of the afternoon.

The hall looked most attractive with baskets of spring flowers, and at the tea hour, Mrs. Margaret Wark and Mrs. P. R. Matthews presided over the lace-covered tea table, which was artistically centered with a low crystal bowl of yellow daffodils, mauve tulips and white narcissi, and the gleaming silver server services.

Mrs. L. B. Pierce and Miss Thelma Crawford had charge of the kitchen, with the Junior Choir members assisting in serving.

A home-made candy table was pre-

Police Ask Co-Operation Of Citizens During Royal Visit

of one car on each side of the street. The centres of the streets must, however, be kept clear to permit the free passage of fire and ambulance vehicles and ambulances. Auto left in a position that might obstruct emergency vehicles will be removed to the Police Department headquarters by towing cars.

Specially authorized photographers with cars will be given special where they can operate, but under no circumstances will they be allowed to move their cars while the Royal parade is in progress.

The Royal route will be kept clear of all traffic from 10:30 a.m. until after the departure of Their Majesties and all police and persons stationed along the Royal route are requested to adhere strictly to this order. The crowd must keep on the sidewalks only and not on the road.

It is forbidden to throw paper, cigarette boxes or other rubbish on the streets, as they must be kept clear for Their Majesties' visit. Overcrowding will not be allowed on balconies, verandahs, etc., and at windows in order to avoid accidents.

It will be forbidden to climb trees or telephone poles and only bearers of special permits will be allowed to pass through the police cordon. The public is asked not to gather too much in congested areas such as on Wellington street and Belvidere street south of the cordon.

It is interrupted at the same time as the rest of the vehicular traffic.

The public is requested to take their places at an early hour. Proprietors of hotels and boarding houses are requested to advise tenants not to leave automobiles along the Royal route.

Sales of emblems or souvenirs on the street is strictly forbidden and those who engage in such commerce will be arrested.

Sixteen first aid stations will be established along the Royal route to care for those who may be overcome during the day.

BOSCOBEL

Mrs. Cleve Coote, Jona and Veldon Coote, Mrs. A. Hackwell and son, Howard, and Mrs. S. Hackwell have returned from Montreal where they went to see the King and Queen.

Mr. and Mrs. Fred Copping, Mr. Earl Copping, Mr. and Mrs. Wilfred Copping and daughter, Joyce, and Mrs. Reginald Norris and son, James Roland, were dinner guests of Mr. and Mrs. J. G. Richmond, of South Durham.

Mr. and Mrs. Chaney Norris, of Waterloo, have moved here, where Mr. Norris has accepted employment with Copping Bros.

A large number from here attended the dance held at the home of Mr. F. Clarke, at Bethany.

Mr. and Mrs. N. Norris and Messrs. Gordon and Percy Norris, of Bethany, were Sunday dinner guests at the home of Mr. and Mrs. N. Copping.

FINE PROGRESS REGISTERED BY I.O.D.E. GROUP

Thirty-Three New Chapters Organized with Only Three Disbanded in Past Year, Report to National Convention Indicates.

Toronto, May 29.—Mrs. W. C. Hodgson, of Montreal, reported to the annual convention of the Imperial Order Daughters of the Empire today that thirty-three new chapters were organized in Canada in the past year, and only three chapters disbanded.

The report of Mrs. Hodgson, National Organizing Secretary, was one of ten presented to the first full day of the convention, which will continue until Thursday. Executive committees have been in session since last Thursday.

Mrs. Hodgson told the convention there were a total of 751 chapters in Canada.

"Our purpose to promote loyalty to King and Country will be enhanced this year by the presence of King George and Queen Elizabeth," Mrs. Daily M. Night, of Toronto, National Echoes Secretary, reported. Echoes is the Order's magazine. She said the magazine made a net profit of \$309 in the past year.

Expenditures of \$113,207, an increase of \$21,765 over the preceding year, in connection with child and family welfare were reported by Mrs. W. S. Hamilton, of Winnipeg, who detailed the Order's work in this regard throughout the country.

Mrs. C. H. Willson, of Toronto, convenor for the Health and Education Committee, asked delegates to urge Provincial Governments to pass legislation making compulsory pasteurization of milk, as a remedy for tuberculosis.

"Science is giving us a vast amount of knowledge regarding the prevention rather than the cure of illness," Mrs. Willson's report said. "If we can pass this knowledge on and if we can influence our governments to legislate for health, we shall be doing much for the welfare of our country."

PRESS PRAISED FOR CO-OPERATION

Toronto, May 29.—The press of Canada was praised today by Mrs. Dawson Delamere, of Toronto, for its "extremely generous" co-operation in presenting the activities of the Imperial Order Daughters of the Empire in the past year.

Convenor of the Order's Press and Publicity committee, Mrs. Delamere presented the Committee's report to the I.O.D.E. National convention here. In it she expressed the Order's gratitude to the newspapers and magazines throughout the Dominion "for their interest and co-operation."

ASK A DOCTOR FOR A DIET, THEN APPLY IT

It is a mistake for any woman, no matter how overweight she is, to go on any starvation reducing diet without first consulting her family doctor. He is the one best qualified to tell her whether or not she should consume less than 2,300 calories per day in an effort to reduce.

If your doctor agrees that it would be a fine thing for you to reduce, your daily intake of calories to twelve or fourteen hundred, then arm yourself with a calorie chart and resolve to eat bulky foods, low in caloric content, rather than those which are exceedingly rich in calories.

PRECIOUS PRESENT

LUCKY is the June bride who knows that at least one of her presents will be a piece of precious jewelry. Above are two fine examples of genuine pearls in distinctive settings. Important gems are joined by small, but perfectly matching, pearls in the choker necklace. In the pin a large natural pearl is set in the center of a red gold flower, surrounded by clusters of tiny rubies.

Don't be misled into thinking that all fruits and all vegetables are in the low calorie class.

High Calorie Fruits

For instance, apples, berries, cherries, peaches, watermelons and oranges are low calorie foods. But dates, figs and stewed prunes are not. There are one hundred calories in a large apple and an equal number in two stewed prunes with two teaspoonsful of juice.

Asparagus, string beans, beets, carrots, celery, tomatoes, spinach, cabbage and turnips are among the low calorie vegetables. But lentils, potatoes and peas are not. There are one hundred calories in an average-sized lamb chop, but there are one hundred in half of an average-sized pork chop.

If you like salads, green vegetables and lean meats, you ought to be able to figure out a diet on which you certainly will lose weight, yet not be hungry between meals. And by all means remember that it is only sensible to eat low caloric meats three times a day.

Ferns, plants which have no flowers, make up a large part of the vegetable kingdom.

Social and Personal

Miss Amy Wells left by motor on Saturday for Pittsfield, Mass., en route to Lakeville, Conn.

Mrs. J. B. Beach arrived last night from Montreal and will be a guest for a few days of Mrs. R. F. Morris and Miss Hunt at "Prospect House."

Mrs. G. E. Borlase arrived from Montreal on Saturday and is visiting her daughter, Mrs. Hector MacRae, and Mr. MacRae, Portland avenue.

Mr. John P. Wells and Mr. George Ewing returned on Saturday night after a week's fishing at Trout Lake, when they were guests of Mr. G. M. Stearns.

The Rev. A. V. Ottwell, curate of St. Peter's Church, is leaving on Wednesday for Montreal whence he sails on Friday aboard the S.S. Ascania for a holiday trip to England.

Mr. and Mrs. Fenugus Dinning, Miss Aileen Dinning and Dr. Neil Dinning have arrived at Little Lake Magog and have taken up residence at "Prospect Lodge" their summer home.

Mr. and Mrs. Charles Cook and their little daughter, Dorcas, of Attleboro, Mass., who, accompanied by Mrs. O. F. Keith, of Providence, R.I., motored to Sherbrooke to spend the week-end with the former's parents, Mr. and Mrs. L. W. Cook, High street, are leaving tomorrow for their respective homes.

Mr. and Mrs. Stanley Briggs who have just returned from Bermuda, where they spent their honeymoon, were guests for the week-end of the latter's parents, Mr. and Mrs. Ernest Hatch, "Willow Retreat," Brompton Road, and left yesterday to take up residence in Thetford Mines.

Mr. and Mrs. M. H. Pegg, of Lennoxville, announced the engagement of their third daughter, Ellen Mabel Alice, to Wilfred Lewis Francis Coulombe, only son of Mr. and Mrs. Lewis Coulombe, of North Hatley. The marriage will take place at the home of the bride's parents, June 24th.

Mr. Maitland Soles returned tonight to Sherbrooke on Saturday night after spending several days in Toronto, where he motored accompanied by Mr. Telfer Hanson and Miss Frederica Bradley. On the return trip they were accompanied by Mrs. Hanson who has been visiting in the Queen City for two weeks.

Miss Doris Cilles entertained delightfully on Saturday afternoon at her home, "Willowdale Farm," in honor of Miss Eileen Conner, a bride-to-be. Spring flowers in profusion were placed about the house, the color scheme used in honor of the coming visit of Their Majesties being emphasized with Union Jacks and other patriotic emblems. Bridge was played at two tables, the first prize being won by Mrs. Leslie Arter and the consolation by Miss Margaret Cook. Lighted with white candles in crystal holders, the lace-covered tea table, at which Miss Mabel Stewart presided, continued the patriotic decorative scheme with an effective arrangement of flags and ribbon in a central crystal bowl. The hostess was assisted by her mother, Mrs. J. W. Cilles. During the afternoon the bride-elect was presented with a lovely table lamp, camouflaged with dainty wrappings to represent a wedding cake, and was presented by little Miss Eleanor Cilles, a niece of the hostess.

"YOKE" FROCK THAT'S SLIMMING

MARIAN MARTIN Pattern 9064

You owe yourself the comfort and slenderizing flattery of this Pattern 9064... a new Marian Martin style to keep you cool and poised no matter how high the mercury goes! Stitch it up in no time... and wear it whenever you want to create an impression. Such an easy-to-keep-lovely design, for there are no pleats in the skirt... just a soft, quickly-ironed flare! And the bodice—with its curved yoke holding pretty gathers deftly in place—is as simple to manage! There's such a good line over the diaphragm with six easy darts ensuring flatness. And ruffles in frosty white are a trimming treat.

Pattern 9064 may be ordered only in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 requires 3 1/2 yards 39-inch fabric and 2 yards lace edging.

Send TWENTY cents (20c) in coins (stamps cannot be accepted) for this MARIAN MARTIN pattern. Be sure to write plainly your SIZE, NAME, ADDRESS, and STYLE NUMBER.

Send your order to Sherbrooke Daily Record, Pattern Department, Sherbrooke, Que.

In 1880, a U.S. patent was granted on a chalk mark. The mark was placed on furniture to keep out insects.

Tested Recipes

"HURRY UP" DISH IS BIG SUMMER AID

Are you a good "hurry up" cook? That means can you produce an excellent meal in a short time, using all the modern appliances which reduce cooking time without reducing the flavor and nutrition in foods.

And it means are you able to combine fresh foods with frosted, packaged and canned foods into menus that satisfy all the family yet do not encroach too much on your own time.

Irma S. Rombauer has just published a guide to "hurry up" meals called "Streamlined Cooking." It gives many menus and many recipes in which short cuts to dinner and other meals are explained, and the use of canned, packaged and frozen foods encouraged in conjunction with fresh foods. Here are a few hints from this book for the summer cook who wants to spend more time out of doors than in the kitchen.

Corn and Tomato Pudding

(Serves 6 to 8)

One No. 1 can kernel corn, one No. 1 can tomatoes, 1-4 cup chopped onion, celery or green pepper, 3 tablespoons melted butter, 1 tablespoon Worcestershire sauce, 3 tablespoons cream, 2 eggs beaten, 3-4 teaspoon salt, 1-2 cup soft bread crumbs.

Combine the corn, tomatoes, vegetables and butter. Then stir in all the other ingredients. Turn into greased casserole. Top with dabs of butter or grated cheese. Bake in moderate oven (350 degrees F.) for about twenty-five minutes.

Celery Cheese Sauce

One cup condensed celery soup, 6 (1-2 cups) tablespoons milk, 2 ounces pimiento cheese, a few grains cayenne pepper. Combine all ingredients and heat until blended over low fire. Stir constantly.

Hominy Cakes

(An excellent substitute for potatoes) (Serves 4 to 6)

Two and a half cups (one No. 2 can) hominy, 2 tablespoons flour, 1 egg, salt, paprika.

Drain contents of can of hominy. Combine with flour, egg, salt and paprika. Mix well. Form into flat cakes. Fry in butter or drippings until light brown. Serve with meat, or for breakfast with syrup or honey.

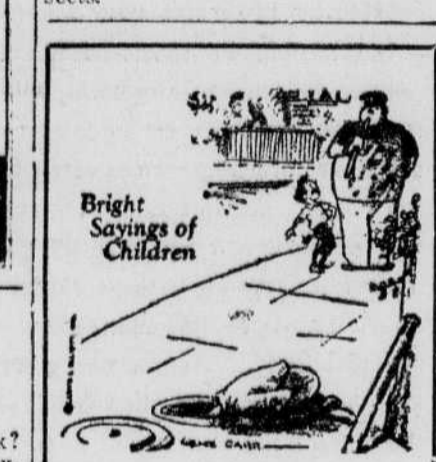

TOMORROW'S MENU

BREAKFAST: Huckleberries, dry cereal, milk or cream, buttered toast, coffee, milk.

LUNCHEON: Corn and tomato pudding, hot biscuits, frosted gingerbread, tea, milk.

DINNER: Plank steak, mustard gravy, hominy cakes, green beans, mixed green salad, cherry pie, coffee, milk.

According to brewmasters, beer is at its best at a temperature of 45 degrees.

Bright Savings of Children

IF YOU FEEL SUNK

Read this and cheer up

Are you so blue that life is no longer worth living? Do you cry easily? Do you feel low, mean, depressed—just absolutely SUNK?

Then here's good news for you in case you need a good general system tonic—just take famous Lydia E. Pinkham's Vegetable Compound. Let its wholesome herbs and roots help Nature build up more physical resistance and tone up your system, so that it can more easily throw off the "blues" and give more energy to enjoy life.

MILLIONS of women have depended upon this Compound and have passed the word along to friends and neighbors, and to their children.

Why not take Pinkham's Compound and go "sunkling" too?

CLEANS HANDS QUICKLY

CAPITAL CLOSE-UPS

By ROSS MUNRO
Canadian Press Staff Writer.

Ottawa, May 29.—Parliament grapples again with the railway problem in the session's dying days but the major developments are intra-party differences. There appears to be only a meagre chance anything will be done about the rail question this year.

A behind-the-scenes sensation was caused when Senator Arthur Meighen, Conservative leader in the Upper House, wrote a minority report of the Senate railway committee findings and urged unified management of the Canadian National and Canadian Pacific Railways. The bombshell exploded when he told the Senate he could not support the party's railway policy which opposed unified management.

On the other hand, there also is a feud among Liberal leaders over the same railway problem. Senator Raoul Dandurand, Government chief in the Senate, brought the majority report from the committee which urged continuation of co-operative measures between the two railroads and this is understood to clash with the view held by many members of the Government.

Several cabinet ministers do not sympathize with the co-operative plan and did not want the committee to report along that line. Lengthy cabinet meetings are reported to have been held.

Ottawa Sidelights
Senator C. P. Beaubien (Conservative, Quebec), has greater flair for the dramatic than any other member of the Red Chamber. His gestures and

inflections of his voice make his speeches a dramatic masterpiece. It's a real show when the Outremont Senator gets on his feet, particularly when he is driving home a point concerning the railway question.

His elaborate delivery, however, annoys Senator James Murdock, the Liberal from Toronto. A former Labor Minister who does not stand on formality, Senator Murdock astounded the Senate the other day with the caustic comment: "Can the comedy?"

Robert Finn (Liberal Halifax) came back to the Commons this week after a month's illness. A. E. MacLean (Liberal Prince) is still in hospital recovering from an operation. The two Maritimes' greatest regret is missing the Royal visit and the presentation of M.P.'s to Their Majesties at the Parliamentary dinner.

Laughter is recorded in Hansard, the official record of parliament, as "Some Honorable Members: Oh, Oh."

Sparks Street scene: John MacNicol (Conservative, Toronto-Davenport) jingling a handful of change on the crowded main street of the capital looking for a large cent to weigh his close-to-200 pounds. Country scene: Health Minister Power sitting with his wife on the running board of their car outside a roadhouse near Ottawa eating double-dip strawberry ice-cream cones one bright afternoon.

No spectators or newsmen are permitted in the galleries of the Senate or the Commons during the first few minutes of each daily sitting—that is the time for prayers.

Corridor Gossip
Speculation about cabinet changes is the talk of Parliament Hill again and the latest rumors maintain that Fisheries Minister Michaud will drop from the Government. His successor as New Brunswick representative in the cabinet is not likely to take the Fisheries portfolio. The next minister even might be from the Pacific coast. The position of Deputy Minister of Fisheries has been vacant for nearly six months and some difficulty has been encountered in selecting a man.

Monetary experts in the Commons who champion the issuance of large sums of currency to aid in stimulating the Canadian economy have run into a stone wall again this session in Finance Minister Dunning's insistence that the Government will continue to follow strictly orthodox financial practices.

Mr. Dunning describes his policy as an expansionist policy of easy money and appears little impressed by the lengthy arguments of the Social Crediters and even the C.C.F. group that special currency issues should be made.

There is only a remote possibility of Prime Minister Mackenzie King accepting a knighthood following the Royal tour if one is offered him, in the opinion of Parliament observers here. He has been consistently opposed to such honors for Canadians during his regimes as Prime Minister and it is unlikely he will make any concession even under these particular circumstances.

When Parliament winds up there is going to be a great exodus of tired M.P.'s to vacation spots. For a few weeks' rest, Dr. Manion is already planning a rest in some holiday retreat.

Postmaster General McLarty won his spurs as a new Minister when he piloted his estimates through the Commons with the ease of an old-time front-bencher. It was quite an achievement for him to become so well versed in his Department's complex administration in the few months he has held the portfolio.

Capital Personalities
One of the treats around the centre block these days is to drop into the Banking and Commerce Committee and hear Graham Towers, suave, imperturbable, Governor of the Bank of Canada, say just what he wants to and no more.

By devious questions, various committee members seek to have Mr. Towers express opinions on such matters as public works spending and desirability of inflation but he always answers: "I think I should refrain from expressing opinions on matters of Government policy."

Daniel C. Roper, new United States Minister to Canada, at his first public appearance at a luncheon here displayed that valuable ability common to U.S. public men of being able to read a speech yet make it appear an extemporaneous utterance.

But he departed from his prepared script to tell about his conversation with the King concerning Their Majesties' forthcoming trip to Washington and New York. "I did not tell His Majesty, however, that I was afraid there might be some doubt about the Queen getting back to England," he laughed.

BOLTON GLEN

Miss Ruth Hastings was married to Mr. Carl Dudley, of East Berkshire, on May 8. Her many friends in the Glen extend best wishes for a happy future to the young couple. Mrs. C. H. Brown attended a

Lemons Check Pain of Rheumatisms in 48 Hours

Oh, what joy awaits the sufferer from rheumatic or neuritis pain who uses this simple inexpensive home recipe. Just get a package of the RU-EX PRESCRIPTION from your druggist. Mix it with a quart of water, add the juice of 4 lemons. It's easy. No trouble at all and pleasant.

You need only 2 tablespoonfuls two times a day. Often within 48 hours—sometimes overnight—pain leaves, stiff joints are limbered. Try this prescription. Feel good, years younger, enjoy life again. Costs only a few cents daily. Money back if it does not help you. For sale and recommended by Budning's Drug Store, 25 Wellington St. N., Phone 561.

shower for Miss St. Urbin at the home of Mrs. W. K. Davis. Miss St. Urbin is to be married on June 3. Among those awarded prizes in the temperance contests sponsored by the W.C.T.U. were the Misses Rita Cousens and Vera Hastings and Messrs. Hugh and Leslie Paige. Other scholars in the district who passed in the contest were given commemorative books.

Mr. and Mrs. Glendon Brown and Mr. and Mrs. Tobin and children, of Montreal went week-end guests at "Bonnieburne." Miss Cora Spence, of Montreal, was at the same home. Mr. and Mrs. Grayson Cousens were guests of Mr. and Mrs. William Smith, of North Troy.

WEST BOLTON

A very pleasant meeting of the Ladies' Association of the Greek United Church was held, with the secretary-treasurer, Mrs. H. C. Salisbury, with an average attendance. The president, Mrs. L. L. Pearson, presided and the pastor, Rev. W. H. Thompson, offered prayer. The secretary-treasurer read the minutes of the last meeting, and the roll call. The meeting closed with the mingled benediction, after which the hostesses for the day, Mrs. G. C. Whitcher and Mrs. H. C. Salisbury, served lunch. Proceeds amounted to \$325.

The Young People's Society met for their regular meeting in the basement of the church. In the absence of the president, S. G. Quilliams, the vice-president, W. E. Mizener, presided over the devotional exercises, after which Winfield Durrell and Phyllis Allen, the host and hostess for the evening, provided contests and games.

Mr. and Mrs. Percy Tittmore, Master Charles Tittmore and Mrs. Emerson, of Butler, Pennsylvania, were guests of the former's sister, Mrs. F. M. Perkins, and Mr. Perkins. Mrs. L. A. Smith and son, of Outremont, were guests at the same home at the tea hour, then spent a week-end with Mr. and Mrs. E. H. Perkins. Mr. and Mrs. Perkins accompanied them to Cowansville, where Mrs. Smith visited her old friend, Mrs. L. D. Phelps, who has been confined to her room all winter.

Mrs. Ray Duboyce entertained at a family gathering in honor of her little daughter and her mother, Mrs. Carmi Marsh, whose birthdays are on the same day, Tuesday, May 23rd. The guests included Mr. and Mrs. Marsh, Mrs. Margaret Marsh, Messrs. Frederick, Earl, Cecil and Lawrence Marsh, Miss Katie Cowan and Mr. and Mrs. W. A. Watt, of Sherbrooke, Mr. and Mrs. G. A. Duboyce, of Montreal, Mr. E. A. Duboyce and Mrs. Doris Allen.

Mr. Cecil Marsh has purchased Mr. H. H. Turner's farm. Mr. and Mrs. B. E. Phelps and Mr. and Mrs. G. B. Mizener spent a few days in Montreal and attended a gathering of the Grand Lodge of the I.O.O.F.

Messrs. Arthur and Lynford Snodgrass, of Montreal, spent a week-end with their parents, Mr. and Mrs. J. N. Snodgrass.

Mr. Ian Hume, B.A., of East Bolton, was at the home of his parents, Mr. and Mrs. E. Hume.

Miss Helen Little, of Inverness, who witnessed the reception of the King and Queen in Montreal, spent a day at the home of Mr. and Mrs. C. Marsh and family.

Mr. H. Shonyo spent a few days with his sister, Mrs. R. Scalle, in Granby, during the illness and subsequent death of her husband.

Mr. and Mrs. Thomas Besette, of Burlington, Vt., were guests of Mrs. Besette's brother, Mr. Frank Rollins, and family, and her sister, Mrs. L. D. Dimick.

The play, "The Road Back," presented by the Knowlton Dramatic Club, under the auspices of the Ladies' Association of the Greek United Church in the Association Hall, South Stukely, proved a decided success from every point of view. Musical selections were rendered by Miss Carol Mizener, with Aleck Bockus at the piano and Barter Williams at the drums. Mr. A. Woodley, of Knowlton, was heard in a solo. Ice cream and candy met with ready sale.

Mr. and Mrs. C. B. McLaughlin and son were visiting Mr. and Mrs. R. H. McLaughlin in South Stukely. Mr. Clinton McLaughlin was call-

ing on Mr. Gordon Lenz, who was kicked in the stomach by a horse. Mr. and Mrs. H. Williams and Mr. and Mrs. M. B. Williams, of Foster, were calling on Mr. and Mrs. C. B. McLaughlin.

Mr. and Mrs. Howard Salisbury were guests of Mr. and Mrs. J. C. Salisbury and visited Mr. and Mrs. F. A. Honey. They also attended the play, "The Road Back."

Mrs. V. J. Allen is again in residence at her home here, after spending the winter with her daughter, Mrs. L. L. Mizener, and family, at Duboyce's Corner, and her son, Mr. L. J. Allen, and Mrs. Allen, in Granby.

Mr. Earl Marsh has a position in the South Stukely Creamery. Mr. and Mrs. Arthur Whitehead attended the auction sale of their mother's household effects.

Several pupils from here attending Waterloo and Knowlton High schools, had the opportunity of seeing Their Majesties in Montreal. Mrs. Charles Shephard was calling on Mrs. W. R. Bockus, in Foster. Mr. C. A. Goddard, of Ottawa, was a guest of his nephew, Mr. H. Salisbury, and Mrs. Salisbury.

AUSTIN

Rev. Mr. and Mrs. Stark, Misses Leola and Marion Stark and Mrs. Elwin Bryant motored to Montreal to see the King and Queen. While there were guests of Mr. and Mrs. Donald Francis.

Mrs. John Patterson and Mr. and Mrs. Donald Patterson spent a day in Sherbrooke.

Mr. and Mrs. Reginald Pibus and baby daughter were visitors of Mr. and Mrs. A. L. Bryant.

Mrs. Donald Francis, of Montreal, is visiting at the parsonage. Recent visitors of Mr. J. A. Patterson were Dr. and Mrs. W. H. Hatcher and daughters and Miss Frances Patterson, of Montreal; Mr. and Mrs. William Bowen and Miss Marion Bowen, of Magog, were also callers at the same home.

Mr. and Mrs. Fletcher Bryant and daughters, Betty and Pamela, were week-end guests of Mr. J. M. Bryant, Sunday visitors at the same home were Mr. and Mrs. Vern George, of Vale Perkins, and Mr. and Mrs. Roy Brown, and Mr. and Mrs. Andrew Dunsmore, of Newport, Vt., Mrs. Ethel Eccles and Mr. and Mrs. Austin Eccles and daughters, of Sherbrooke.

The Ladies' Association met with Mrs. Hazen Bryant.

EAST FARNHAM

Miss Margaret Shufelt has returned after spending a pleasant week in Montreal and Ottawa.

Mr. and Mrs. J. A. Wilson, Mrs. Rupert Hall and daughters and Miss Buck, all of Farnham, were calling on Mr. and Mrs. C. F. Buck and Miss Helen Buck.

Miss Marion Collins, R.N., of the Children's Memorial Hospital, Montreal, has been very ill.

Mrs. Sarah Dougall was in Brigham.

Mr. and Mrs. Rupert Shufelt, of Knowlton, were guests of Mr. and Mrs. B. Sweet.

Mrs. Noel Chabot has been taken to the St. Hyacinthe Hospital for an operation.

Miss Gertrude Shepard is visiting her parents, Mr. and Mrs. W. D. Shepard.

Miss Archie Dryden entertained the Guild. Plans were made for a lawn social.

BRESSETT'S CORNER

The meeting of the Happy Day Study Group was held at the home of Mr. and Mrs. A. E. MacRae in North Hatley with eighteen present. The subject under discussion for the evening was the "Co-operative Movement in Nova Scotia."

Mr. Herman Rogers, of Birchton, has been assisting Mr. Stanley Howze.

Mr. and Mrs. George Edgecombe, of Johnville, were callers at the home of Mr. and Mrs. N. Bergstrand recently.

Mr. and Mrs. John Knutson, Jr., and family motored to Asbestos where they visited Mrs. Knutson's sister, Mrs. Perley Reed, and Mr. Reed.

Messrs. Rudolph and Archie Nelson motored to Richmond and other points recently.

Visitors at the home of Mr. and Mrs. Percy Wilson were Miss Ruth Merrill, Mrs. D. Monroe Wilson and Messrs. Allan and Ralph MacRae, of North Hatley.

KING OF THE ROYAL MOUNTED.

TRAPPED ABOARD A Mysterious submarine operating off the coast of BRITISH COLUMBIA, KING IS FORCED TO OBSERVE THE SEARCH FOR HIS OWN BODY BY HIS PARTNER LAROUX.

LOOK, SERGEANT KING, YOUR FRIENDS FIND YOUR OVERTURNED DORY... THEY WILL GIVE YOU UP FOR DEAD.

PERHAPS... BUT THEY WILL STILL CHASE THIS SUBMARINE!

KING OBSERVES THAT LAROUX HAS SIGHTED THE SUB'S PERISCOPE!

THAT'S A SUBMARINE'S PERISCOPE ALL RIGHT!

QUICK, M'SIEU RIGGS, WE FLY TO NOTIFY THE COASTAL PATROL!

BRINGING UP FATHER.

IF YOU'D ONLY SAY SOMETHING—THEN I'D KNOW WHAT YOU WANT

SAY, SONNY—COME DOWN AND GET THIS LITTLE RASCAL TO STOP CRYIN'—I'M EXHAUSTED—

HE'S O-KAY NOW—I GOT HIM TO STOP CRYIN'—

SO I HEAR—BUT TELL ME—HOW DO YOU DO IT?

I GAVE HIM YER WATCH—

MONTREALER WINS RIFLE MEET AGGREGATE

Malcolm Lemieux Hits Off High Mark Of 774

Former Member of Canadian Bisley Team Edges Out A. W. Seaman, Also of Montreal, by One Point—E. F. Patton, of Sherbrooke, Third in Aggregate Standing—George Mulvagh and Ashton Tobin in Good Performances.

Malcolm Lemieux, of Montreal, a former member of the Canadian Bisley team, carried off the aggregate prize Saturday in the annual outdoor shoot held at the Sherbrooke Regiment ranges under the auspices of the Sherbrooke Miniature Industrial Rifle League. Lemieux chalked up 774 out of a possible 800 points, to edge out a fellow Montrealer, A. W. Seaman, by one point.

Third position in the aggregate standing went to E. F. Patton, of Sherbrooke, who posted a total of 761. The snipers shot in tricky wind conditions and performances were quite good when this fact is considered.

Ashton Tobin and George Mulvagh, of the Sherbrooke Regiment Rifle Association, turned in credit-

SHERBROOKE JUNIOR NINE WINS

Sherbrooke defeated Granby eleven-eight at Dufresne Park yesterday as the Eastern Townships Junior Baseball League swung into action. Windsor Mills is the other squad in the loop.

Billy Hitchcock, now with Kansas City, has been tagged by the Yanks as Red Rolfe's successor at third base.

It's a pity Joe Sawyer, pro at Rip's Sutton Place tennis courts, don't give a darn for autographs. The other day he played against Katherine Hepburn, Helen Wills Moody and Rudy Vallee in succession.

Aggregate prize to Lemieux was presented by Russell Blinco, centre player for Chicago Black Hawks in the National Hockey League.

It is expected a local squad will travel to Lachine on June 18 to participate in a small-bore competition sponsored by the Province of Quebec Rifle Association.

Detailed results of the meet: Extra series 50 yards: 1. A. W. Seaman, 100; 2. A. R. Tobin, 98; 3. G. W. McIntyre, 98.

Extra series 100 yards: 1. A. R. Tobin, 98; 2. W. Bell, 95; 3. A. W. Seaman, 95.

First match, 50 yards: 1. A. W.

BRUCE LOTHROP WINS COUNTRY CLUB 'STAKES'

Shoots Net Score of 69 to Capture Opening Sweepstakes—President Vs. Vice-President Match Postponed.

Bruce Lothrop posted a net of 69 to carry off first place in the sweepstakes that marked the opening of activity at the Sherbrooke Country Club on Saturday afternoon. The scheduled President vs. Vice-President Match is expected to be played next Saturday.

In second position, one stroke behind Lothrop, was G. Nadeau, while Don Elliott, Gerard McManamy and Stan Pearson shared third place with identical 73's. Twenty-six members of the club played in the sweep, twenty-three turning in cards.

Detailed results follow:

Bruce Lothrop	69
G. Nadeau	70
D. Elliott	73
G. McManamy	73
S. Pearson	73

ALLEN, NEWSOM AND DEAN WIN MOUND CHORES

"Ole Diz" Stops Pirates 6-2 for Cubs—Buck Newsom Halts Browns for Tigers—Allen Blanks Chicago 6-0.

The happiness boys are riding right side up again. If you don't remember the happy boys, they're the fellows who get fun out of baseball—which is a bitter business for a lot of their associates.

That makes it easy to single them out of Sunday's big major league show:

Johnny Allen, the temperamental right-hander whose tattered shirt caused a furore in the American League and ended up in a department store window (the shirt, not Allen.)

Dizzy Dean, the ex (?) popoff whose \$185,000 pitching arm has been the most debated wing in all baseball.

Van Lingle Mungo, the lean Carolinian who probably has had more fights, fines and suspensions than any current big leaguer and who set some kind of a record last year by drawing a salary of approximately \$1,000 an inning.

Buck Newsome, much-traded, much-misunderstood mound maestro who once undertook to pitch four games of a double-header and in six seasons has played with four different American League clubs not counting St. Louis Browns twice.

Allen went the route yesterday for the first time this spring to give Cleveland Indians a six to nothing shut-out over Chicago White Sox on three hits.

Similarly Newsom's seven-hit six to two performance against his recent team-mates, the Browns, gave the Detroit folks something to cheer for, too. It was Newsome's second triumph within a week.

New York Yankees, who saw a winning streak broken at twelve games only last week, already have built themselves another five-game string. They beat Philadelphia Athletics, nine to five, Sunday in a hitting session featured by George Selkirk's two homers.

Boston Red Sox also snatched a free-hitting game—their fourth in a row—in a twelve to seven affair victimizing Washington Senators.

Dean had his string of shut-out innings broken at eight hits to give Chicago Cubs a six to two victory and lift them back into third place in the National League.

Mungo was bombed out of the box, just like a lot of others, in Brooklyn Dodgers' sixteen to twelve marathon triumph over Boston Bees.

Cincinnati retained its lead in the National League by splitting a double-header at St. Louis, six to five and eight to four. Curt Davis bested Johnny Vander Meer in the first game to end the Reds' victory chain at an even dozen. New York Giants crowded five runs into the eighth inning to beat the last-place Phillies seven to two.

When the Giants and Dodgers hook up in that "to-the-death" double header tomorrow, Fred C. Frick, president of the National League, will be out on Long Island leading the Frick Furies against Lew Thomas' "Nine Old Men" in a softball game. Judge Landis ought to do something about it.

JOHN SOUTHERN EXCELS IN MCGILL TRACK MEET

Montreal, May 29.—(P)—Young athletes from the schools of Quebec Province proved hardly a match to scoring power of Ottawa Glebe Collegiate Institute, who piled up seventy-seven points Saturday to win easily the 19th annual McGill Inter-scholastic Track and Field Meet. Montreal High was second with forty-five points, edging out Toronto Central Technical School by a point.

The standard-bearers of Commissioners' High School and St. Patrick's High School, of Quebec City, St. Patrick's Academy of Sherbrooke, Gault Institute of Valleyfield, Stanstead College, Beebe High School and Bedford High School could only boast of one first among them.

John Southern, sole representative from Sherbrooke, showed his weight-throwing prowess when he captured the intermediate discus with a toss of 103 feet 10 1/4 inches, and gained a second in the intermediate shot put. His eight points placed his school tenth in the final standing.

The two Stanstead College entrants both contributed to the five points won by the school. D. Maitland took a second place in the senior javelin throw, while his team-mate, S. Abbott garnered a third in the intermediate high jump.

Another lone color-bearer, J. Stinger of the Gault Institute, Valleyfield, did not disappoint his classmates. His school joined the point-makers when he ran a close second in the junior seventy-five yards.

LOCAL SOCCER TEAM DEFEATS MAGOGBY 4-1

Clint Gardiner Paces Sherbrooke Attack with Two Goals Here Saturday—Fred Cole Hits Twine for Visitors.

Clint Gardiner scored twice and Sanderson and Head once each as the local soccer eleven chalked up a four-one victory over Magog here Saturday in the return match of a home-and-home series and swept the two-game engagement.

Sherbrooke put on the pressure from the opening whistle by netting an Am Wootton and five minutes after the start Gardiner rammed the ball past Sandell in the Magog nets. The goal was called back for an offside, but before the half ended Gardiner, Head and Sanderson found the net.

An addition to the local half-line, R. Alex Sim, director of Adult Education activity in this section, turned in some effective work and appears to be a "find."

Play slowed down considerably in the second half but Clint Gardiner put Sherbrooke four-up on a passing play with Spackman. A tally by Fred Cole, shortly before the end of the game saved Magog from a shutout.

Sandell had plenty of work between the Magog posts, while Harold Stoyles turfed in an effective performance in the nets for the locals.

The teams: Magog: Sandell, Cole and Hamilton, Cerner, Griffiths and Malcolm, Parker, Hawley, Jackson, Cross and Whittier.

Sherbrooke: Stoyles, Taylor and Twyman, Quinn, Head and Sim, Spackman, Caygill, Gardiner, Sanderson and Hunt.

Referee: A. Wootton.

Terry may come back from Quakerstown tonight with a Philly pitcher as an added attraction.

Paul Trout, the Detroit pitcher, can chew gum and tobacco at the same time, Yum, Yum.

BAER AND NOVA CONFIDENT AS BATTLE NEARS

Sudden Influx of Nova Money from Pacific Coast Cuts Odds in Maxie's Favor for Thursday Night's Fifteen-Rounder.

New York, May 29.—(AP)—Win, lose or draw for either man, the fifteen round get-together of Lou Nova and Max Baer in Yankee Stadium Thursday night is the "betting-est" fight this town has seen in a long time.

The odds in Maxie's favor have been cut considerably since a sudden influx of Nova money from the Pacific Coast and the odds-layers now will give you three to two, if you like Maxie to win the decision or two to one if you favor Nova.

One prominent gambler revealed today that \$30,000 in Nova money arrived from the West one day over the week-end alone, and was all promptly covered.

Meantime, each of the principals was head over heels in love with his own chances. Maxie, in the best condition of his career, his "playboy-ing" a thing of the past—but still dancing around on thirty-year-old legs—predicted he would flatten his fellow-California family man in six heats or less. Nova, who doesn't pack the Baer artillery, but is fast, strong, young and full of serious determination figures the fight will go the route, and at the end he'll be the winner, thus getting the chance to take a crack at the heavyweight champion in September.

As matters now stand, the gate should go about \$100,000, with the possibility that it might hit \$150,000.

Both principals just about put the finishing touches to their heavy workouts yesterday.

Harry Lenny, the smart old fight manager, warns Lou Nova he'd better depend on science and not punching to beat Baer.

Diamonds are the hardest of all minerals.

Start 1939 Season At St. Francis Golf Club

Miss D. Ray and Rex Nourse Win Opening Day Two-Ball Foursome—Sherbrooke Tennis Association Prizes Presented at Banquet Held in Clubhouse Saturday Night—Successful Season Anticipated.

Miss D. Ray and Rex Nourse carried off first place in a mixed two-ball foursome marking the official opening of the St. Francis Golf Club Saturday afternoon. Miss H. MacCallum and P. Gauvin were second, and the consolation award went to Miss M. Kinkead and Joseph Waldman.

At the banquet and presentation of prizes a special award was presented Spencer Howcroft, who made a hole-in-one of the first hole of the course on Sunday, May 21. Playing with Miss Lucy Cochrane and Walter Baker, Howcroft chose a No. 5 iron for the 156-yard poke, and the ball danced lightly onto the green and into the cup for an "ace" the first recorded this season in the Eastern Townships.

Prizes won during the year in the various tournaments sponsored by the Sherbrooke Lawn Tennis Association were presented to the following:

St. Pat's: Johnny Hibbard, Little Lake: Majella Charest, Bill Shink, Lanctot and Miss Gertrude Joyal.

East Sherbrooke open: Yvan Cote, men's singles; Miss F. Bradley, ladies' singles; John and Ashley Hibbard, men's doubles; Yvan Cote and Gertrude Joyal, mixed doubles.

East Sherbrooke invitation: Yvan Cote, men's singles; Fernand Joyal, ladies' singles; Hibbard and Cote, men's doubles; Gertrude Joyal and Yvan Cote, mixed doubles; the Misses Bernadette Langis and Gertrude Joyal, ladies' doubles.

The president of the St. Francis Club, Joseph Waldman, extended a welcome to the golf and tennis players and hoped that the club would experience as much success in 1939 as it had in 1938.

Addresses and reports were given by various other club officials, and plans were laid for a fine season of activity.

NEW SHORTSTOP WITH LOCALS

Shortstop Ray White, who played last year with Elmira and Hazleton in the Eastern League, reported to the Sherbrooke Provincial Baseball League entry on the week-end, and is expected to get into the line-up for tomorrow night's game here. Waite hit for a percentage of .258 last year.

City: Yvan Cote, men's singles; Miss F. Bradley, ladies' singles; John and Ashley Hibbard, men's doubles; Yvan Cote and Gertrude Joyal, mixed doubles.

East Sherbrooke invitation: Yvan Cote, men's singles; Fernand Joyal, ladies' singles; Hibbard and Cote, men's doubles; Gertrude Joyal and Yvan Cote, mixed doubles; the Misses Bernadette Langis and Gertrude Joyal, ladies' doubles.

The president of the St. Francis Club, Joseph Waldman, extended a welcome to the golf and tennis players and hoped that the club would experience as much success in 1939 as it had in 1938.

Addresses and reports were given by various other club officials, and plans were laid for a fine season of activity.

Most stars are double or multiple systems. As a star spins on its axis, it divides by centrifugal force

Quebec In 2-1 Victory Over Sherbrooke Squad

Ancient Capital Nine Triumphs in Game Called in Eighth Frame and Played Through Drizzle and Chill Winds—Sorel Bests Tigers 6-2 in Only Other Tilt on Week-End Bill—Rain Cancels Five Scheduled Encounters.

Sherbrooke and Quebec battled seven innings through the rain yesterday in the only game played of the Provincial Baseball League programme, the Ancient Capital nine providing better swimmers and winning by the score of two-one. Other games scheduled—Three Rivers at Sorel, Granby at St. Hyacinthe, St. Hyacinthe at Granby, Sorel at Drummondville and Sherbrooke at Three Rivers—were rained out.

Sorel chalked up their fourth triumph of the season in the only game played Saturday, downing Drummondville Tigers by six to two.

St. Hyacinthe, Three Rivers, Sherbrooke and Sorel stand today in the order named in the upper bracket. The Saints have won six and lost two for .750, while Three Rivers has won five and lost three for a mark of .625. The local nine has three victories in five starts for a .600 mark and the Sorel club, last year's champions, are travelling at a 571 clip having won four and lost three.

A chilly east wind and a steady rainfall made playing conditions practically unbearable at Quebec yesterday and caused no end of discomfort for several hundred fans who huddled in the stands to watch the game, which was called after the eighth frame had started.

Sherbrooke got away to a one-nothing advantage by pushing across a run in the first half of the third stanza, but the Athletics drew even in the fourth and scored the winner in the sixth. Roland Gladu accounted for both Quebec markers.

John Reder twirled for Sherbrooke and limited Quebec to four base-hits, while Browning, Athletics' bowler, was touched for six singles by the visiting nine.

Charlie Golinski, angular right-hander, made his first winning start of the year at Sorel Saturday, limiting the Tigers to eight safeties as his mates bunched their seven effectively off the deliveries of Walzack.

Sorel tallied three times in the third and pushed over another trio of tallies in sixth, while Drummondville's brace were chalked up in the first of the seventh.

Husky Ross Nichols was the big gun for Sorel, cracking out three singles and receiving a free ticket in four trips to the platter. Nichols batted in one run and scored two himself.

Rumor foundry now has Manager Fred Haney, of St. Louis Browns, due for the ax. Probably about as much truth to it as the Detroit-Greenberg phoney.

The Yanks will have to struggle along a bit longer without DiMaggio, whose bum foot is acting up again.

What with intentional passes being dishied out to Billy Myers, the Reds must have the National League pitchers buffaloe sure enough.

The British polo players said they didn't care about seeing the Giants or Yankees, but would like to see the Dodgers.

Luther Burbank developed white blackberries.

ENJOY THE FUN OF A BICYCLE-HIKE ON AN Easy-Running C.C.M.

BALMY DAYS, smooth roads, the miracle of Spring on every side—what could provide a more perfect setting for a bicycle-hike into the country on an easy-running C.C.M. bicycle? With a C.C.M. you can pedal through the country hour after hour and still be free of leg-weariness. This is because the three principal, fast-moving parts of a C.C.M. bicycle are made with great accuracy from the finest of steels, heat-treated to give extra hardness and, therefore, years of extra service. The finish on C.C.M. bicycles is as enduring as the mechanical parts—several coats of enamel baked-on; all bright parts chromium-plated over C.C.M. 20-year nickel.

Strong steel rims, rustless steel spokes and Dunlop tires add further to the high quality, long life and easy-riding pleasure of owning a C.C.M. Ask your C.C.M. dealer to show you the various C.C.M. bicycles and then choose the one which suits you best. C.C.M. models include track-racers, road-racers, delivery models, standard bicycles and the C.C.M. modern streamlined bicycle, the "Flyte". For the children, your C.C.M. dealer can offer you C.C.M. Joycycles, Bike-Wagons and sidewalk Bikes, all made as staunchly and with the same care and accuracy as C.C.M. bicycles.
